### Soaking Rain **Blankets County** On Holiday Eve

Rain, on the leading edge of a cold front, moved in to the Ozona area Tuesday morning early, soaking the town and county with much needed moisture.

Medium to heavy showers fell until around 3 p. m. Tuesday. By noon reports of up to one inch of rain came from the western area of the county, a half inch and up in the southern section. Reports from elsewhere in the county were not obtainable due to telephone failure, but rain covered the county in varying amounts with the official gauge at the Water District office recording 11/2 inch for Ozona early Wednesday morning. By 9:00 a. m. Wednesday light drizzle had turned to sleet and snow.

Temperatures fell during the day and more rain with with much colder weather is weekend.

#### CAPITALIST HOLIDAY

The first Presidential Proclamation of a day of Thanksgiving in the United States was made by George Washington, in 1789. The day was set aside for prayers and thanks for the new Constitution. Several states continued the practice, each designating its own day.

# To Be Thankful

It used to be that a picture like this could only mean harvest time - big orange pumpkins, shiny red apples, colorful stalks of Indian corn. And, of course, a turkey in the pantry.

But what about today? You can buy apples almost any time. Pumpkins are available in a can twelve months of the year. And you can buy a frozen turkey as easily in July as in November.

We Americans take for granted what was a real treat in our parent's time. But in the midst of this material plenty, there is a danger of spiritual famine. To keep the proper perspective, to appreciate the gifts of life to the fullest we need the Church and the story it has to tell us.

Maybe you can't be a pioneer - a Pilgrim. But you can follow your forefathers' example at Plymouth that first November. You can utter genuine thanks in the church of your choice.

THE CHURCH FOR ALL ... ... ALL FOR

THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own soke, (2) For his children's sake. (3) For the sake of his community and nation, (4) For the sake of the Church itself, which needs his moral and material support. of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

A Mandate For Change

Though the presidential election had a photo-finish. ered together, as they ought to be, the Nixon and Wallace votes represent a big majority of Americans who disapproved of the policies and

Whether the Nixon victory was big or little, the electorate decided that it is time for a change. The Great Society was repudiated, as were the specific soultions offered by the Johnson-Humphrey administration. It is clear that a majority of citizens don't like the way the war has been conducted in Vietnam. They don't like violence in the streets and anarchism on the campus They don't like inflation that robs the ordinary citizen of his earnings
