Kitty's Korner

By Kitty Montgomery

We would like to use this space this week to personally endorse President Nixon for another four years in the White House and comment on the dignity with which he has handled his re-election campaign.

The alternative to another four years for President Nixon would be four years of George McGovern, and after four months of his campaigning and time on the tube, we are already reeling from his vacillation. May we never know what four years of his wish-wash leadership would do to this country.

I have heard several of his policies on economics. So many, in fact, that it's just become so much gibberish. I much prefer President Nixon's work ethic approach to George McGovern's welfare ethic proposals for the American people.

Senator McGovern comes over to me as a very unrealistic individual. I at first thought he was at least idealistic. Now it is plain that he is just another politician, saying all the things they will all say before him, and will no doubt say again.

Watergate caper indeed! This is certainly no issue. By (Continued on last page)

Billy D. Watson Receives Post On Advisory Council

The appointment of Mr. Billy D. Watson, of Watson's Department Store Ozona as Advisory Council Member of the Crockett County Chapter of the National Federation of Independent Business has been announced by District Manager R. M. "Ray" Robinette.

As an Advisory Council Member, he will serve on the Federation's National Advisory Council, composed of 2,100 independent business owners, each a leader in his community.

The Federation, creating a working relationship between independent business at the grass roots and members of Congress, has the largest individual membership of any business organization in the nation, approaching 320,000.

The Advisory Council is a select group within this membership. They are surveyed from time to time to determine effects of proposed legislation or current government activities upon independent business, or asked to write their Congressmen on issues coming to a vote.

This supplements the opinions expressed by majority vote of the Federation members, which determines the Federation's position. The non-profit National Federation of Independent Business is completely non-partisan, non-affiliated and not a duplication of any other organization. It was founded in 1943.

CURB TO CURB WATER was the sight in downtown Ozona as over an inch of rain fell in less than an hour Monday shortly after noon. The downpour sent water running over the curb on the south side of the square and water ran ankle deep on

most city streets. The cloudbrust was the forerunner of a cold front which sent temperatures plunging Tuesday, bringing the coldest weather of the season to the area. Light drizzle fell intermittently throughout the day.

WHAT A MESS - and it wasn't even Halloween. This is what most of the town looked like after pranksters finished their work Saturday night. Hundreds of rolls of toilet tissue in every color of the rainbow decorated homes, the high school, the bridge across Johnson Draw and just about everything else they could hang it on. A brisk wind Sunday littered the town good and proper and Ozona's reputation for being clean and tidy went by the way.

Chance For District Title Dim As Lions Lose To Coahoma 20-14

Chances of a district championship for the Ozona Lions were dealt a blow Friday night when the Coahoma Bulldogs pulled an upset 20-14 victory over the favored Lions.

The loss snapped a five-game winning streak for the Lions, who were tabbed as a sure bet to take the District 7-AA championship this year. Hosting Crane tomorrow night, the Lions will be out to revenge last year's 20-0 loss to the Golden Cranes. Crane upset Stanton Friday night 7-0, while Big Lake was upended by the McCamey Badgers in district play.

As of now, both Coahoma and Crane are undefeated in district play. The Lions are tied with McCamey at 1-1 and Big Lake and Stanton share the bottom spot with 0-2. It was perfect weather for football last Friday night at Coahoma and the Lions took command on the very first possession, driving 70 yards to score. Gerald Huff scored from two yards out and David Sewell toed the extra point to give the Lions a 7-0 lead.

However, the Bulldogs were not ruffled. They in turn drove 63 yards to score

quarterback Roland Beal on a 16 yard keeper. The try for two points failed and the Lions still led 7-6. Neither team was able to score in the second quarter and the Lions carried the lead into the half.

Coahoma went ahead in the third quarter with a touchdown and two extra points on the conversion to lead 14-7.

Ozoma took the ensuing kickoff and three plays later Ruben Tambung broke through the middle for 54 yards and the touchdown. Sewell tied it up with the extra point try.

Coahoma's Beal scored the game winning touchdown late in the third quarter and that was the ballgame. The try for extra points failed, and neither team was able to muster another score.

Coahoma had 18 first downs to Ozona's 15. They led in rushing with 317 yards to the Lions' 263. The Bulldogs were 0-4 in the passing department while Ozoma hit one out of nine attempts for five yards and one interception. The Lions recovered one fumble. Coahoma punted three times for an average of 21 yards and the Lions punted once for 31 yards.

The downpour between 12:30 and 1:30 Monday afternoon brought the rainfall total for the month to 2.72.

Tips For Gardeners

From the Ozona Garden Club By Mrs. Bailey Post

November begins cool-season planting time for woody plants, so this should be a busy month.

Since many gardening activities are slowed down by the cool and rainy weather, now is a good time to clean up and oil garden tools to get them in top shape for use in the spring.

Perennials of nearly all kinds can be set out, divided and transplanted in November. Proceed with basic soil improvement work until frost.

At this time, the planning and planting of mums in the spring are really presenting a beautiful show of color all over our city.

Dennis Lange, district camping and activities chairman, of Fort Stockton, said large ribbons will also be awarded--to the second and third-place patrols at the overall camporee.

A fee of 35¢ per boy is being charged for registration, which will cover cost of camporee patches for each boy in attendance, Lange stated.

Garland Young of troop 153 and Pete Zapata of troop 163 in Ozona will lead troops at the camporee.

Lange said no swimming or wading in the river will be permitted this time of year, and announced that a special trading post will be set up to enable boys to purchase scout literature and uniform accessories.

All Eagle scouts are invited to serve on the camporee staff. Firewood will be provided for the troops in attendance, who will provide their own food.

Boys can arrive at the campsite Friday evening, Nov. 3 or Saturday morning, Nov. 4. Parents and friends are welcome to visit the

AN OPEN LETTER TO THE VOTERS OF THE 70TH DIST. FROM: HILARY B. DORAN, JR.

Dear Friends:

As most of you know, the fourth called Session of the 62nd Legislature has been underway during most of September and October. Because of my duties as you Representative I have been in Austin on the job and have not had an opportunity to visit with you personally as I would have desired.

Therefore, I am taking this means to tell each and every one of you how much of an honor it has been to serve you during the past six years.

I am a candidate for re-election to a fourth term in the Texas House, and you have a right to know how I stand, what I have done and to know that I again renew my pledge to serve with honesty, integrity and to represent all the people, just as I have always tried to do in the past.

By virtue of experience and seniority, made possible by you the voters, in the coming session of the Legislature I will be in increased positions of responsibility. I recently was appointed Vice-Chairman of the house appropriations Committee, the really key Committee in the Texas House of Representatives.

As a strict fiscal conservative, this position has given me an opportunity to keep a close watch on the taxpayer's dollar and to make sure spending is kept under tight rein.

Also, I now serve as Vice-Chairman of the House Rules Committee, another powerful spot which allows me to defeat bad legislation and, just as important, has put me in a position to help draft badly needed legislative reforms.

I also serve on the Congressional and Legislative Redistricting Committee, the Elections Committee and the Livestock Committee, all of which are of significance to our district.

In addition to these standing House Committees, I have been appointed to a second term on the 17-member legislative council which is charged with directing operations of a full time professional staff of legal and research personnel who draft most of the worthwhile and beneficial legislation enacted by the Legislature.

I want each of you to know how deeply I appreciate your past support and friendship, and I pledge to each of you that I will continue to conduct myself in such a way to merit that support and friendship.

how would that affect the state of the nation, and the course of history? We should thank God for the responsibilities we DON'T HAVE, and then seek His strength in fulfilling those we have. It may be the by-product of democracy, but we often become too engrossed in the responsibilities of others--not enough in our own! If I have a home and a family, it is part of a community, and my community part of a nation, and my nation part of a world. Then, for my abilities, my task may be as great as that of the President of the United States. 'Around the Halls at OHS'

BY - KAY McMULLAN

We lost to Coahoma last Friday night, but we hope to get back on the winning road when the Lions play Crane here tomorrow night, so let's get out and beat 'em.

The seniors really enjoyed the Baptist Banquet Saturday night and we all thank the hosts and hostesses for a fine evening of entertainment and a wonderful supper.

The B-team and Cubs will play Iran there tonight to close out their season.

Thirteen juniors took National Merit Tests last Satur-

day. Thirty-two students signed up for the College Board Exam on December 4.

Rumor has it that some people are already thinking about deer season.

Can you believe that 6-weeks tests are next week again???

Band should be practicing hard for marching contest which will be held in Brownwood on Nov. 18.

There will be a band clinic next Tuesday. You can still buy a lion mascot from the office.

The Chamber of Commerce wishes to thank the Ozona Stockman for the fine publicity given to our Deer Seminar. We also want to thank the ranchmen who donated goats for our barbecue, James Baggett, Bill Armstrong, Jess Marley, Sam Wills, and Buck Davis.

We appreciate the good work done by Tony Allen, chairman of the Hunting and Ranching Committee, and Pete Jacoby, Crockett County Agent, for setting up this program. The five men from the extension service did a wonderful job of explaining the importance of properly managing the deer population in Crockett County. They said at least a 25% kill would be necessary each season, to keep the deer in a healthy productive condition.

The seminar was a big success. We had 75 persons in attendance.

Why You Should Re-Elect President Richard Nixon Nov. 7

LET'S LOOK At AGRICULTURE And STOCK RAISING

WE HAVE one of the most abundant supplies of food in history. Our exports of livestock, fresh meats, grain sorghums and grain are going to add many dollars to the general economy.

WE'RE SELLING COMMODITIES of which we've had surpluses—and we're helping provide jobs on trucks and ships at the same time.

HERE ARE SOME OF THE REASONS

PRESIDENT NIXON'S AGRICULTURAL ACT OF 1970 gave producers more flexibility and freedom in operations.

PRESIDENT NIXON'S ADMINISTRATION has turned around the farm situation that saw farmers get an increase in income of 6 per cent between 1951 and 1969 while wage rates went up 6 per cent every year.

PRESIDENT NIXON gave agriculture one of the most effective spokesmen in recent history by appointment of Earl Butz as Secretary of Agriculture.

Historical Society Hears Childress Family History

Although not numbered among the families residing here at the time of the organization of the county, the arrival here seventy-odd years ago of William Francis Childress and his family was a substantial contribution to the progress of Crockett County. Many of the descendants are still living and ranching in the area today.

The heritage and history of the Childress family of Crockett County was the subject of the quarterly Historical Society program given last week by the Childress descendants and coordinated by James Childress.

William Francis Childress, the first Childress to come to Crockett County in 1901 had roots in England. The Childress clan settled in Virginia, all having large families. During the time of the revolution they migrated to different parts of the country. William Francis was the only son of Pleasant and Sarah Frances Childress.

They moved to Texas between 1853 and 1860 from Alabama where Williams was born.

William grew to manhood in Atascosa county where he met and married his wife, Mary Etta Harris. Her father was Leasel B. Harris, a well-known West Texas pioneer. Mr. and Mrs. Childress and Mr. and Mrs. Harris sold out in Atascosa County and moved to West Texas in 1877. They arrived in San Angelo in May of 1877.

They enclosed some 200 sections, the first land to be fenced in this area, where they ran a herd of longhorn cattle. This was the beginning of the 7D ranch started by Billy Childress and Fayette Tankersley. They bought land for 50 and 75 cents an acre and ran up to twelve thousand head of cattle on the ranch.

William was in on the organization of the First National Bank of San Angelo of which his father-in-law was president. However, the confines of the bank were not for William. He preferred the active life on the range. He bought a large interest in the Union Beef and Trust Co. (later called the Val Verde Land and Cattle Co.) This comprised 180 sections of land in Crockett and Val Verde counties which he and his sons ranched. The boys would look after the ranch while the father made cattle drives north to Kansas markets. It was on one such drive he became ill and died a few weeks later, Nov. 16, 1902 at the Childress home in San Angelo.

William and Mary Etta had nine children. Three of the children died in infancy and the other six became Crockett County ranchers. They were Pleas, Walter, Hugh, Lee, Eula and Pearl. The four Childress brothers ranched the 180 sections around the Howard Well country in partnership after the

WILLIAM FRANCIS CHILDRESS

death of their father at age 51. The partnership continued until around 1916.

The oldest child of Mr. and Mrs. Childress was Pleas Leasel Childress, born Nov. 5, 1876 in San Antonio. He moved with his family to San Angelo in 1877 and spent most of his early years on the ranch in Coke county. He married Nellie Henderson January 11, 1903 in Ozona. He continued in the ranching business and purchased more land in Crockett County. In 1922 he reduced his cattle holdings and turned to sheep ranching.

Pleas was made a director of the Ozona National Bank in 1907 and president in 1915. He served in that capacity until his death in 1936. He was public minded and served in many civic posts. Mrs. Childress died in 1936.

Four children were born to the couple, Elizabeth, who is Mrs. Grady Mitcham of San Angelo; Ethel, deceased; Pleas and John who are both Crockett county ranchers.

William Walter Childress married Sallie Mae B. Field and ranched in Crockett County until the late 1930's. She died in 1950 and he

died in 1953. Children of the couple were W. T. Childress, Margaret (Childress) Weaver, and Beecher Childress.

Hugh Francis Childress was born in San Angelo in 1882. He moved to Ozona in 1900 and married Kate Perner Sept. 5, 1906. They moved to the western part of the county and homesteaded land on the Pecos River. He retired from the ranching business in 1950 after a year of illness and moved to Ozona where he built several rent houses. He died May 30, 1965. Three children were born to this union, Hugh Childress, Jr., Mary Childress Hagelstein and Catherine Childress Coates, all Ozonans.

Lee Childress was also born in San Angelo. He married Myrtle Kincaid in April of 1914 and they lived in Ozona after their marriage. Their first ranch home was on Turkey Roost ranch where Lee was in partners with his brothers. Later Lee went into business on his own on this land. James and Bill Childress still ranch this part of Crockett County. To the union was born Phillip Lee Childress, William (Bill) Childress and James Robert Childress.

For those who want to eat in the kitchen or dining room and not the walls of the kitchen, here are some easy-to-prepare recipes featuring rice:

Jambalaya

- 1 cup uncooked par-boiled rice
- 2 tablespoons drippings
- 3/4 cup sliced onion
- 1/2 cup diced bell pepper
- 1 minced clove garlic
- 1 lb. lean ground beef
- 2 10 1/2 oz. cans condensed tomato soup
- 1/2 "soup can" water
- 2 teaspoons salt
- 1/2 teaspoon pepper

Add uncooked par-boiled rice to drippings in heavy pan. Stir constantly over medium heat until rice is browned. Add onion, bell pepper, garlic and ground beef. Cook, stirring frequently, until meat is browned. Add remaining ingredients. (Hot sauce, chili powder or cominos may be added for more flavor.) Cover tightly and cook over low heat for about 40 minutes, or until rice and meat are tender and liquid is absorbed. If needed, add more water during the cooking. Chopped parsley may be tossed in just before serving. Serves 4 to 5. (Note: canned tomatoes may be used instead of tomato soup and water season to taste.)

Eula Childress married Beecher Montgomery in 1908. She died June 1943. The couple ranched in Crockett County until the death of Mr. Montgomery. Their children were William Childress Montgomery, deceased, and Mary Sue Montgomery Hunt, who lives in Temple. Pearl Childress was the youngest of the children. She married Walter Roy Henderson May 12, 1913 at the Childress home in Ozona. Their early life was spent on the ranch. Children born to Roy and Pearl were Louise Henderson Bunker and Roy Henderson Jr. Pearl died March 1936 in San Antonio.

THE FAMILY LAWYER

Fingerprinting the Jobholder

Employees of several stock brokerage firms were up in arms. Under a new state law, they had to be fingerprinted in order to keep their jobs. Taking the matter to court, they claimed this was an invasion of their right of privacy. But the court could see no grounds for complaint. The judge said this minor invasion of privacy was outweighed by the major benefit to the public in reducing thefts of stocks and bonds.

Laws in a number of states now require the fingerprinting of employees in "sensitive" occupations. Almost always, the courts have overruled the assorted constitutional objections raised by disgruntled individuals.

In fact, the law no longer considers fingerprinting to be any great hardship anyhow. In another case, a used furniture dealer complained about a fingerprint requirement for anyone selling second-hand goods.

"It makes the people in my line of business look like criminals," he said in a court hearing. But the court disagreed, pointing out that fingerprints are now used routinely in hospitals, schools, and government as a reliable means of identification. As one judge put it:

"The day is long past when fingerprinting carried with it a stigma of criminality." This does not mean, however, that the police may resort to highhanded methods to obtain fingerprints. Consider the following case:

Officers investigating a burglary took a man into custody even though they had no adequate grounds for arrest. Their reason: to obtain his fingerprints. As it happened, the prints did turn out to be incriminating.

Nevertheless, they were held not admissible against the man in court. The judge said the Constitution forbids "wholesale intrusions upon the personal security of our citizenry."

SOME BASIC RULES CONCERNING CARPET

In buying floor coverings, remember that the better qualities cost less over the years. Ask yourself, "How much will it cost per year rather than per square yard."

Should you buy wall-to-wall or room-size rugs? There are advantages to each, and the answer depends on the size of your room and your personal preference.

Wall-to-wall is extremely popular because it makes a room look larger, less cluttered and is easy to vacuum. However, many people prefer room-size rugs because there is no installation cost, and they don't cover all of a beautiful floor.

Room-size rugs are cut from 9, 12, and 15-foot width broadloom and may be had in any length to fit almost any room. They should be cut to fit approximately within 6 inches from the walls.

Area rugs are more popular than ever for their dramatic effect. They may be had in any size and shape to fit your particular needs. Of course, they should only be used when you have a very lovely hard surface flooring underneath which you want to show. Area rugs should always be cut large enough not to look skimpy.

We invite you to see our big selection of colors and textures in all types of carpet. There is no cost or obligation. We'll be happy to show you samples.

2. Experience in Austin provides a strong voice for all the people of the 70th District.
3. State spending has to be brought within reasonable limits, and our priorities on expenditure of the taxpayer's dollar must be totally re-evaluated.
4. There should be no State income tax nor should the sales tax be increased.
5. Every child, regardless of race, color or creed, has a right to equal education opportunities in the school of their choice.
6. Federal intervention into State matters must be stopped. The Government closest to the people governs best.
7. Development of recreational facilities such as Amistad Lake, Big Bend National Park and other points in our district must be pursued to attract the tourist dollar and help our economy.
8. Every responsible citizen of the 70th District has my sincere pledge that I will do everything in my power to represent them to the best of my ability.
9. Crime in our towns and on our streets must be stopped. Law enforcement officials always have had and always will have my total support. Violence and the militant approach have never solved anything.

(Continued from page 1)
 now the American people think both parties should be bugged, if not by each other, by the FBI. Political shenanigans are not new to anyone over the age of 21 years. This is a fact of life and I would imagine it will go on forever. Not that I approve, but that's politics. As far as corruption in government is concerned, where you have people, you have corruption and the more people you have the more corruption you have. And the Senator has plans to make the central government even bigger. I don't think President Nixon could have accomplished what he has during the last four years if he had personally kept check on what the underlings and hangers-on in his party were doing, and I know Senator McGovern couldn't. He couldn't even check out the man he chose as running mate. So there you are. President Nixon has almost put an end to the war which saw a terrible toll of American dead during the Democratic administration, and which was escalated drastically under both Kennedy and Johnson. The campus disorders and rioting and burning have faded out of the American scene. People have regained a sense of pride in their country, and respect for the United States has returned in other countries.

The Nixon administration has brought this about, even with the other party holding a majority of seats in the Congress. This has taken some doing, and must command respect from Republican and Democrat alike. We need four more years of President Nixon's steady, responsible leadership.
