NUMBER 1

Henderson District Meeting, WSCS

Cooper, Mrs. Also Elected to Posts

Henderson, now president of the Ozona Society of Christian Women, was elected president of the Ozona District, W. S. C. at the conclusion of the two-day District Conference Tuesday and Wednesday.

Members of the Ozona Society were elected to district posts. Mrs. Bill Cooper was elected secretary of the district. Mrs. H. B. Tandy was elected secretary of Youth Work. Officers elected were: president, Mrs. Harold Deady; treasurer, Mrs. Mrs. M. O. White; secretary of Mason; secretary of Mrs. R. O. White; secretary of sorceress; Fred Ray for social relations; Johnson, Rankin; secretary of child; E. O. McEwen, secretary of spiritual life; Johnson, San Angelo; secretary of supplies; Mrs. T. R. de Pass; secretary of women; Mrs. C. K. McElroy; secretary of literature; Mrs. Deora; secretary of miscellaneous; Mrs. Robert; research chairman, Mitchell.

Southwest Texas Conference members attended the meeting. Leslie Proctor of Austin, president, and Mrs. Horwood of Ozona, secretary of Ozona. There were 82 guests from sixteen districts present. Services were held from 10:30 a. m. to 1:30 p. m. at the Trinity church of San Antonio. Mason, Menard, So Rio, Eagle Pass, Rockwall, McCamey, Eldorado.

Day meeting opened with a luncheon at the Ozona Center Tuesday. Lillian Henderson of the class were hostesses. A forum was conducted. Mrs. Morris McMillan of the district president. Speeches were given by a group of speakers. Mrs. Gwendolyn Earner, Ellen Jayne Madsen, Carden, Darrane and Thompson. They sang "O Lord Whom All Blessings" by Tschaiskowsky and a "Prayer" by Guion, by Melba Theis.

The school nine will be seen in action on the home diamond next Friday afternoon, April 16, when they entertain the Big Lake Owls. Iraan will be in Sonora the same afternoon.

Record Number of Passenger Cars Registered Here

A record number of motor vehicles were registered in Crockett county before the April deadline. Mrs. Gertrude Perry, office deputy for Sheriff V. O. Earnest, announced this week.

A total of 1,215 motor vehicles of all classes were registered, of which 746 were passenger cars, 201 commercial trucks and the balance farm trucks, trailer houses, trailers, motorcycles, etc. Late registrations, not yet counted, will swell the total considerably higher, Mrs. Perry said.

All motor vehicles operated on the highways now must be equipped with the new 1948 license plates and if there are owners who have not yet registered their vehicles, they are warned to do so before operating the machines on the highways or roads.

Respect for Fire Fighting Equipment Urged on Ozonans

The fire here Tuesday afternoon at the Arthur Phillips home, the first major conflagration in Ozona in more than seven years, emphasized the need for some education of the public in regard to cooperating with the fire fighting force, respecting fire fighting equipment and obeying laws which govern spectators in case of fires.

This was the conclusion of Sheriff V. O. Earnest and Fire Chief Bill Cooper after Tuesday's blaze here. State laws make it a penal offense for motorists to drive ahead of a fire engine, or nearer than 500 feet behind it when the equipment is answering a call to a fire, and parking within a specified limit around the scene of a fire is likewise an infraction of the law.

Everybody knows, or should know that a car should not be driven over a stretched fire hose, either full or empty—and that to do so is to invite a heavy court fine. Yet, at least two cars were driven over the short section of hose laid in the one block in front of the Phillips home Tuesday afternoon. Cars beat the trucks to the scene and parked so as to hamper operations. Small children were allowed in and around the burning structure, escaping injury through good fortune.

Sheriff Earnest voiced a warning to Ozonans to remember to observe the laws and the rules of common sense in case of an outbreak of fire, for the better protection of property in the city and for the safety of themselves and others. It's natural for a person to want to go to a fire, and to help in putting it out or saving property if needed, but when operations of a trained fire department are interrupted or interfered with, loss and danger mount.

Remember the rules, the sheriff urges—don't block the fire truck nor crowd it, park well away from the scene of a fire don't drive across stretched hose, keep out of the way and out of danger.

Lions Will Launch Baseball Wars in Iraan Friday

Ozona High School Lions will launch the Spring baseball wars when they play in Iraan Friday afternoon in their first district game of the season. Eldorado will play Big Lake in Texon at the same time.

The school nine will be seen in action on the home diamond next Friday afternoon, April 16, when they entertain the Big Lake Owls. Iraan will be in Sonora the same afternoon.

1,215 Motor Vehicle License Plates Issued

Record Number of Passenger Cars Registered Here

A record number of motor vehicles were registered in Crockett county before the April deadline. Mrs. Gertrude Perry, office deputy for Sheriff V. O. Earnest, announced this week.

A total of 1,215 motor vehicles of all classes were registered, of which 746 were passenger cars, 201 commercial trucks and the balance farm trucks, trailer houses, trailers, motorcycles, etc. Late registrations, not yet counted, will swell the total considerably higher, Mrs. Perry said.

All motor vehicles operated on the highways now must be equipped with the new 1948 license plates and if there are owners who have not yet registered their vehicles, they are warned to do so before operating the machines on the highways or roads.

Fire Ravages Arthur Phillips Home Here Tues.

Blaze Controlled After Gutting Interior Of Home

Fire of undetermined origin Tuesday afternoon ravaged the home of Mr. and Mrs. Arthur Phillips here, practically gutting the interior of the home before being brought under control by the volunteer Fire Department working under the direction of Chief Bill Cooper.

The blaze which evidently started in the living room, had burned an estimated hour or more before being discovered. Mr. and Mrs. Phillips and their daughter, Diane, were in San Angelo for the day, and the Phillips' son, Arthur Byrd, left home about 1 o'clock. The blaze was discovered about 3 o'clock when passersby noticed flames belching from the windows and seeping through roof and walls.

Despite the old equipment and the short time in which the volunteer department has had for training, the fire fighting crew performed almost a miracle in bringing the fire which raged inside the house under control. The flames had spread to envelop almost the entire house and had broken out two windows in the living room. The main source of fire was knocked down in a few minutes and then firemen poured water into the attic and walls where flames were eating their way finally to extinguish the blaze.

No estimate of the amount of damage was available this week. The home and furnishings were insured but it is believed that the insurance will not cover the actual loss to the owners.

Gulf To Drill Ellenburger Test On University

Wildcat in Northern Crockett May Go to 10,000 Feet

Application has been filed by Gulf Oil Corporation for a scheduled 10,000-foot Ellenburger wildcat in northern Crockett county, six miles southwest of the Block 47 pool and eight miles northwest of the Midway Lane area.

The test is the No. 1-CC-E University, 1,980 feet from north and 660 feet from west lines of section 5, block 51, University land, on a drilling block of 2,441.1 acres for which a bonus of \$225,000 was paid to the University of Texas at its December 1947 auction of leases. In addition to the drilling block, Gulf acquired 650 acres at the same auction for a bonus of \$136,000, giving the firm an investment of \$386,000 in 3,091.1 acres in the area.

Continental Oil Company has completed its Silurian discovery in the Block 47 pool for 104 barrels of oil and 30 barrels of acid water in 24 hours on the pump. The discovery was the No. 1-A-13 University, which failed in the Ellenburger to 10,232 feet and was plugged back to 9,0408 feet for completion in the Silurian through perforations from 9,210 to 9,305 feet. Conoco used 28,000 gallons of acid in the Silurian after having treated the Ellenburger with 19,000 gallons. The Silurian oil tested 45 gravity.

Phillips Petroleum Company has staked two tests in the Block 47 Grayburg pool. These are the No. 1-Y University, 339 feet from north and 347 feet from west lines of northwest quarter of section 13 and No. 1-Z University, 339 feet from south and 341 feet from east lines of northwest quarter of section 8, block 47, University land. Pump was being installed at Humble Oil & Refining Company No. 2 Ethel Smith, section 13, block AB, D&SE survey, quarter-mile east outpost to the Childress pool in northeastern Crockett.

Ozona Noses Out Colts In Season's Baseball Opener

Del Rio Cowboys Coming Next Sunday in Exhibition Tilt

In the face of something of a makeshift in placement of players plus early season "charlie horses" and injuries that reduced manpower, the Ozona baseball entry in the Concho Basin League gave a fair exhibition in football weather here Sunday afternoon when they nosed out the Longhorn League San Angelo Colts 5 to 4 in the season's first exhibition game.

With Garland Marshall in right field and lead-off hitter, Mazo, a new prospect from one of the oil crews in the area, in center, Frank Sheffel behind the plate, Conley Cox at shortstop, Manager Byron Stuart on third, D. L. Scott on first base, L. B. T. Sikes at second, D. A. Parker in right field and Lefty Shelton pitching, the starting lineup, the locals were charged with only five errors, garnered seven hits and five runs. The Colts hit safely five times and committed four errors.

Shelton chunked four scoreless innings, giving up one two-base hit, Red Harrison hurled three innings, giving up three hits and three runs in the first, his teammates contributing their share to the opposition rally with a couple of expensive errors. After that free-booting inning, Harrison choked off the San Angelo batters with no more hits, another series of miscues in the field in the seventh letting in one score. Mac McClanahan pitched the final two scoreless innings, allowing only one hit.

Marshall went out in the fourth after a pulled muscle suffered in Friday's work-out began to act up again, and Eddie Bower took his position. Bower tied into a hot fly ball and suffered a dislocated finger.

The Ozona team will play the Del Rio Cowboys on the Powell Field diamond here Sunday afternoon starting at 2:30. The Cowboys are also entered in the Longhorn League.

Carillon Bells Installed in Baptist Church; Play Daily

Residents in every section of Ozona have enjoyed the daily broadcast of favorite hymns played from the Schulmerich Carillon bells installed Monday at the First Baptist Church here by A. M. Faget, field engineer for Schulmerich Electronics, Inc., of Sellersville, Penn., makers of the electronic bells.

The system of carillon bells are a gift to the church from Mr. and Mrs. Arthur Hoover of Ozona. The Hoovers have also given an electric organ to the church as a memorial to their respective parents. The organ is expected to be installed by the end of this month.

The system of acrilionic bells is one of eight such sets in the state of Texas. The sound is amplified by the system and broadcast over four loud speakers mounted atop the church and comes from a set of miniature bells about the size of a thimble, with a metal bar attached to each end of varying lengths to determine the pitch of each unit. The instrument has 25 bells, two full octaves, and when played either from recorded rolls or by hand on a small keyboard, tiny hammers strike the bars above the bells, setting up vibrations which act as one plate of a microphone. Each tiny bell is mounted in a metallic bar with air space between the bell and bar, and the electrostatic charge set up by the vibration of the bells is picked up by the system and amplified many hundreds of times into the loudspeakers, the field engineer explained.

The tone of the bells is matched exactly with that of the world-famous English cast bells, Mr. Faget said.

Ozona School System Commended in Report Of Dist. Supervisor

Making favorable comment on all phases of his investigation of the operation of Ozona's school system, Joe Umphress, district supervisor for the State Department of Education, who recently visited the local system on a routine inspection, concluded his report with a compliment to the "school board, the staff and the entire community" for "providing and maintaining a first class school system."

The inspector's report, a copy of which has been received by Supt. C. S. Denham, covered the educational program, the school staff, the school plant and equipment and miscellaneous phases. Of the educational program, the inspector found the curriculum satisfactory, the organized exhibit material as giving evidence of good work, a definite program in music, science, visual education and physical and health education and a well organized guidance program.

On the staff, the inspector noted that the staff is well trained and properly assigned to major and minor fields of college preparation and all regular teachers have degrees.

Regarding the school plant, the inspector reported grounds, buildings and equipment adequate, satisfactory and exceptionally clean. "Homes and apartments are furnished most of the teaching staff and plans are made for more classrooms and more homes for teachers are to be constructed," the report noted.

"Close cooperation was observed between the administration, teaching staff and student body," the inspector concluded. "The schoolboard, school staff and the entire community are to be commended for providing and maintaining a first class school system."

Shell To Drill Deep Wildcat On Kincaid Estate

Well 2½ Miles South Of Ozona to Explore Ellenburger

Shell Oil Co., Inc., Monday filed application with the Railroad Commission for a permit to drill a deep wildcat in Crockett county 2½ miles southeast of Ozona.

The test will be No. 1 Lee Childress and others, 1,900 from the south 2,011 feet from the east line of section 6, block MN, GC&SF Ry. Co. survey. It is scheduled to explore with cable and rotary tools to 9,000 feet if necessary to explore the Ellenburger. The land on which the wildcat is to be drilled is Kincaid estate property, held in trust under the will of the late Mrs. T. A. Kincaid.

Plans for the wildcat at approximately this location were reported unofficially the second week in March.

The Texas Co. No. 1 Victor I. Pierce, seeking Ellenburger production 21 miles south and slightly east of Ozona, drillstem tested from 11,187-241 feet for one hour. There was a blow of air for 12 minutes and the packer seat gave way after 45 minutes. A 500-foot water blanket and 1,300 feet of drilling mud with no shows were recovered.

Drilling continued below 11,252 feet in lime. It was reported in some quarters that the Pennsylvania was entered at about 10,315 feet, but this was unconfirmed. Location is 998 from the north, 1,980 feet from the east line of section 5-0-Clarissa W. Brown.

Texaco No. 1 Tom Smith, 660 from the south, 666 feet from the east line of the west half of section 5-0-Clarissa W. Brown, was drilling at 6,410 feet in lime and shale.

Continental No. 1-A-12 University, one mile west and a quarter mile north of No. 1-A-13 University, Silurian discovery in the Block 47 Grayburg field, had reached 3,350 feet in red shale. It is in the C SE NE 12-47-U.

7 Indictments Are Returned By Grand Jury

Theft and Forgery Are Charged Against 3 Defendants

Seven indictments were found by a Crockett county grand jury impaneled by Judge J. B. Randolph at the opening of the April term of the 112th district court here Monday morning.

The seven bills were against three defendants, two of them, Jesus Aguirre and Jose Ramirez, being charged in three separate bills of indictment with theft and Hardy Ward, colored, charged with forgery. Aguirre and Ramirez are charged with theft of property from homes of Harry J. Friend, N. W. Graham and Mrs. Sam Cox. Ward is charged with forging the name of Ralph Jones to a number of checks.

Serving on the grand jury for this term of court were W. E. Friend, Jr., E. H. Chandler, A. O. Fields, Joe Tom Davidson, Fred Hagelestein, Bill Carson, Dempster Jones, Bill Baggett, J. B. Miller, Tom Harris, Jr., Charles Ratliff and Joe North.

Judge Randolph in a brief session of the court heard five divorce actions and one trespass to try title suit and recessed the court until April 16 when members of the petit jury panel, originally summoned to report this Thursday morning, will be required to report for possible duty.

Divorce decrees were granted defendants in each of the five cases, styled Solomon Alba vs Olympia Alba, Serapia Sanchez vs Andres Sanchez, Winters Clifton Upshaw vs D. D. Upshaw, Sammie Sue Anthor vs Kelly Anthor and Ruby Carter vs H. P. Carter. Children were involved in two of the divorce actions, the plaintiff Winters Clifton Upshaw being given custody of two minor children and the court took under advisement the matter of support, and the plaintiff Sammie Sue Anthor being given custody of her year-old son and the defendant being required to contribute \$50 per month toward his support.

Judgment in favor of the plaintiffs was entered in the suit styled George J. Reitter, et al, vs. Alice J. Peck, et al, a trespass to try title on survey 61, block HH, GC&SF Ry. survey.

Massie West Is Added To School Board; Tax Okayed

Bissett, McMullan, Davidson Returned to Service on Board

Massie West was elected to membership on the district school board in a write-in campaign Saturday for fourth place on the slate made up of three present members of the board whose terms expire this year. The present members who were returned for two more years were Bill Bissett, Ashby McMullan and Chas. E. Davidson, Jr., whose names appeared on the ballot.

The fourth place on the ballot was left blank, no candidate having offered. Mr. West's name was written in by 56 voters to put him on the board. A half dozen or so other names were written by various voters for the place. Bissett received 107 votes, McMullan 105 and Davidson, 102.

Voters also approved in the double action election the proposed special road tax for Crockett county not to exceed 15 cents on the \$100 valuation to supplement the inadequate road maintenance funds of the county. A total of 89 voted for the special tax to 11 opposing. Eight votes were cast against the tax in the Ozona box while 73 favored it, and in the outlying boxes, 3 opposed while 16 favored the special levy.

N. W. GRAHAM

conducted the school. The training is for 4H Club boys who plan to enter the Sonora contest which is to be held June 16 and 17 in connection with the annual Wool and Mohair Show in that city.

A Mr. Warner, representative of the Stewart Sunbeam Co., makers of shearing equipment, demonstrated to the boys the Australian method of shearing and preparing the fleece for shipment.

Ozona club boys making the trip with County Agent Bill Bergfeld were Bill Schneemann, Tom Kincaid, Ronnie and Jimmie McMullan. Ashby McMullan also accompanied the group.

Sixteen Calves on Feed by 4H Club Boys

Weights were checked this week on sixteen calves now on feed at the 4H Club barns and all the calves are making splendid gains, County Agent Bill Bergfeld reported this week.

Thirteen of the calves are Herefords and three are Angus, breeders being Walter Boothe, Rig Adkinson, Herman Allen, Black Hereford Ranch, George Weddell, Winston Bros., Jess Koy and C. E. Davidson, Jr. Six of the Herefords were purchased from the Black ranch, three from Davidson, two Angus from Allen and one each

from the other breeders, Jess Koy furnished the other Angus calf, Buddy Phillips feeding one Koy Angus and one from Allen and Jack Coates feeding the other Allen calf.

Boys who have calves on feed and the present weight of the calves are given in the agent's report this week as follows: Ben Conklin, two calves, 190 and 130; Jack Coates, 130; Lin Hicks, three calves, 250, 250 and 110; Buddy Phillips, two calves, 310 and 150; Bill Melton, three calves, 210, 270 and 220; Frankie Jones, two calves, 260 and 180; Charlie Davidson, three calves, 260, 210 and 280.

'The Scarecrow Creeps' Senior Play to Be Given In Auditorium Tonight

Members of the Senior Class will present their second class play of the present school year in the high school auditorium tonight (Thursday) beginning at 8 o'clock.

The production will be a mystery drama, "The Scarecrow Creeps," by Jay Tobias. Members of the cast include Nat Read, Lillian Schneemann, Don Cooke, Bernard Lemmons, Sandra Augustine, Buddy Phillips, Ralph Carden, Sue B. Amthor, Beth Griffin and Mary Kathryn Flowers.

Miss Mildred North is director of the play, Bob Bissett is business manager and Jack Coates, Red Harrison and Scoot Smith stage managers.

Trinity Players Present Entertaining Program

The Trinity University Players a group of speech and drama major students from Trinity University of San Antonio, presented a finished performance of "Junior Miss" before a fair sized Ozona audience in the high school auditorium Friday night. The Ozona appearance was the last on the Players Spring itinerary, the play having been presented previously at San Saba, Golthwaite, Lampasas and Junction.

The Trinity Players appeared here under auspices of the Ozona Woman's Club and the Senior Class. The troupe, carrying their own scenery, props and lighting effects, is under the direction of E. Clayton McCarty, head of the department of speech and drama at Trinity.

T. A. Kincaid, Sr., who has been ill for the past several weeks in San Angelo, was able to visit members of his family here this week. Mr. Kincaid looks much improved.

UNCLE SAM'S PART OF YOUR TELEPHONE BILL

★ ★ ★ ★ ★ ★ ★ ★ ★ ★

The Federal tax rate on local telephone service is 15%. The tax rate on long distance service, where the charge is 25c or over, is 25%. Other forms of telephone service are subject to Federal taxes at rates ranging from 8% to 25%.

This tax is imposed by the U. S. Government directly on the user of the telephone. The telephone company, at its own expense, serves as a collector.

Long distance calls and certain other services, being taxed at 25%, are taxed higher than the 20% rate for luxuries such as furs, jewelry, and perfumes.

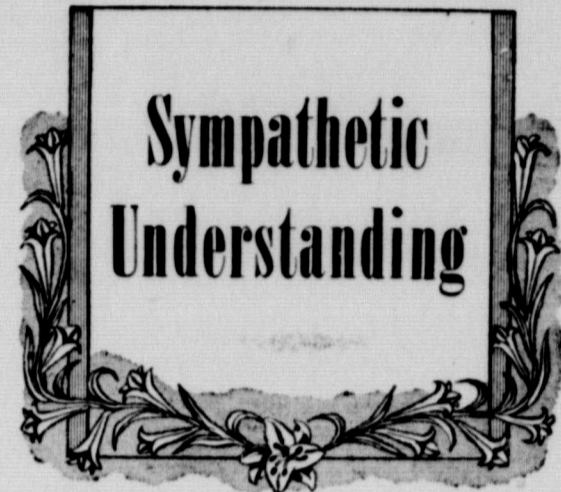

This form of tax, that is an excise tax on telephone service, has traditionally been resorted to only in national emergencies. Your telephone company believes this form of tax should not be a part of the peace time tax structure. Representatives of the telephone industry have urged and will continue to urge before the proper Congressional committees that these excise taxes now be eliminated, and many users and representatives of users of telephone service are likewise urging that they be repealed by the tax legislation now before the Congress.

Render Your Property For Taxation BEFORE MAY 1st

Your tax assessor is now engaged in the important task of securing property renditions for 1948 and your cooperation in completing this work on time is earnestly solicited.

Unless your rendition blank is completed and signed before May 1, your property goes on the unrendered roll and your rendition must be completed by the Commissioners Court. Blanks are now ready for your signature and if you have not yet signed a rendition blank, it will be appreciated if you will call at the sheriff's office and do so.

To qualify yourself to vote in any election, render any piece of personal property for taxes.

V. O. EARNEST

Sheriff, Assessor and Collector of Taxes—Crockett Co.

42 Per Cent Drop in Livestock Shipments

AUSTIN — Livestock shipments from Texas stations dropped 42 per cent from January to February, The University of Texas Bureau of Business Research reported.

Shipments of livestock totaled 5,086 carloads in February, or 58 per cent below a year earlier.

All livestock shipments were substantially lower in February from the previous month. Shipments of calves fell 53 per cent from January; sheep, 46 per cent. Cattle, 41 per cent; and hogs, 20 per cent.

Compared with February 1947, all livestock shipments were down. Greatest decrease occurred in sheep shipments — 72 per cent. Shipments of cattle were 63 per cent under a year earlier.

BRIDGE PARTY

Mrs. Jess Marley entertained with a bridge party at her home Saturday afternoon. Favors of painted daisy corsages were pre-

sented each guest as they arrived. Prizes were flower bulbs and plants. Mrs. J. B. Miller took the traveling prize, Mrs. L. J. Epperson, high score; Mrs. Lowell Littleton, low, and Mrs. Conley Cox, bingo.

Others present were Mrs. Ted White, Mrs. W. T. Stokes, Mrs. Nip Blackstone, Mrs. Sidney Mills-paugh, Mrs. L. B. T. Sikes, Mrs. Charles Black, Jr., Mrs. Abe Car-ruthers and Miss Mildred North.

WEEKLY SWING OF SOUTHWEST FARM MARKETS

(USDA) — Corn and livestock showed lower trends as most other southwest farm products sold steady to strong during the past week, according to the Production and Marketing Administration, U. S. Department of Agriculture.

Last week's steady to weaker trends continued Monday at southwest cattle markets. Stocker and feeder cattle enjoyed relatively better demand than slaughter classes, and often brought higher prices. Medium and good stocker calves brought \$2 1/10 to \$25 at Hous-

ton, \$24 to \$26.50 at San Antonio, and \$21 to \$26 at Fort Worth, while choice lots sold to \$30 at Denver. Oklahoma City bought common and medium stocker yearlings and calves at \$17 to \$23.

All hog classes suffered net losses of largely \$1 to \$1.50 a hundred pounds for the week.

Slightly greater sheep numbers at southwest markets brought generally steady to 50 cents lower prices the past week. Monday found lambs weak at Fort Worth, with a \$22 top on choice spring lambs. Oklahoma City paid up to \$22.50. Denver paid \$21 for medium and good truck-ins. San Antonio paid to \$8.50 for common and medium goats.

Corn registered net losses of one to six cents a bushel, while other grains showed gains of one to five cents for the week. No. 1 ordinary hard wheat closed Monday around \$2.59 in bulk carlots at Texas common points. No. 2 white corn sold around \$2.90, and oats \$1.42 to \$1.45. Milo brought \$3.88 to \$3.93 a hundred.

Alfalfa hay found active de-

mand at fully steady prices, but prairie hay markets continued draggy. Light peanut offerings sold about unchanged. Southwest wools remained in good demand.

RHYTHM CLUB ELECTS

The Rhythm Club, local dance club, elected new officers at a recent meeting, and laid plans for next year's activities.

Mrs. Sherman Taylor was named club chairman and Mrs. N. E. Smith, secretary. The band committee, composed of Mr. and Mrs. Mac McClanahan, Mr. and Mrs. Lee Wilson, Mr. and Mrs. J. D. Kirby, Mr. and Mrs. James Baggett, Mr. and Mrs. Sherman Taylor, Bob Bailey, Mrs. Ashby McMullan and Mrs. N. E. Smith, met Monday night to discuss selection of a band.

The group voted to investigate the Sul Ross Orchestra, which will play here for a high school dance on April 17. The club dance will be held the latter part of the month, it was announced, at which time a vote will be taken on

the question of choosing a band. Club members will be notified of dues and dance date, officers announced.

FOR SALE — One Ohmer cash register; one American meat slicer; large air conditioner made by Essick Mfg. Co., one Peerless air compressor; one National tape machine; a candy case and one display meat case and motor. If interested in any or all of these items see them at Pridemore Bros. Station. 1c

NO MORE BLUE MONDAYS WITH PUSH-BUTTON WASHING

JUST PUSH THE BUTTON AND I'LL DO THE WASHING

... for a few pennies a day

I'll lighten ALL your housework!

OLD fashioned washing methods really made Monday a blue Monday for the housewife who hand-rubbed her clothes or used an outmoded mechanical washing machine.

But it's different today—electric service has helped take the blues out of blue Monday. Today, you just push a button and Reddy Kilowatt, your electric servant, will wash as many as three tubs of clothes for just one penny.

But that's only one of the many jobs he can do. For just one penny, he will light a 100-watt bulb for almost 3 hours—or run a radio a whole evening! For one little copper, he will vacuum clean 6 large rugs, run your refrigerator for 5 hours, or tell you the correct time for about a week.

It isn't what you pay, it's what you get, that's true. But when you buy electric service, you get a lot—for a little!

Elect Seven Members for City Council

As voters peeled off to the regular vote last Saturday's election board trustees and city road tax to cast

a ballot to fill seven vacancies on the Community Council. Since this unofficial election could not be held in connection with the trustee and tax elections ballots were placed in the sheriff's office and despite the tremendous rush of applicants for motor vehicle license plates in that of-

vice, Mrs. Gertrude Perry, office deputy, found time to hand over a ballot to those who requested them. The slate selected by a nominating committee composed of representatives of each of the organized groups in the city was elected to the Council. The new mem-

bers of the city planning group are W. E. Friend, Jr., W. R. Baggett, Wayne West, Houston Smith, Mrs. L. B. Cox, Jr., Mrs. S. M. Harvick and Mrs. E. H. Chandler. Mrs. Harvick was re-elected to her post on the Council, the others being new members. Four other persons were named by voters as choices for places on the Council in write-ins. They were Mrs. Ashby McMullan, a member of the Council, J. P. Pogue, Vic Pierce and Roy Thompson.

game between the Pittsburgh Pirates and the Chicago White Sox — won by the Sox. Among local fans attending were Mr. and Mrs. Welton Bunker, Mr. and Mrs. Oscar Kost, Scott Peters, Jack Holt, Jack Wilkins, John Fogarty, Pleas Childress, Ted White, Bland Tandy, Jim Dudley, Jack Coates, Bill Melton, Red Harrison, Jim Read, Bill Womack, Mr. and Mrs. John Bailey, Mr. and Mrs. Byron Stuart, Mr. and Mrs. R. A. Harrell, Mr. and Mrs. Bill Cooper, E. B. Bag-

gett, Jr., Vernon Ratliff, Garland Marshall, George B. Armentrout, T. J. Bailey and Joe, Mr. and Mrs. Ernest Dunlap and Bill Bergfeld.

ENTERTAIN ROTARY

Miss Elsie Hummel, piano teacher, entertained members of the Rotary Club with a number of selections on the xylophone. Miss Jacqueline Theis played the piano accompaniment.

You are 35, you can offset the debt on your home for approximately \$1 a month each \$1,000 of the unpaid balance on your mortgage. The monthly arrangement is equally as attractive for any age.

HERE THERE'S A HOME--there's security

More than anything else, your home means security to your family, especially to your life. Even though you went in debt to get that home—as most folks do—it's the port of safety for your children, the haven of rest for you—a strong hold on the future for your life.

The mortgage you placed on that home is the instrument that makes it possible for you to raise your family in pleasant surroundings... have a flower bed or two, and a garden. It's a kingdom of your own. Southwestern Life Insurance can make it possible for your family to continue to live there—may mean the difference between a debt-free home and insecurity for your family... may prevent a forced sale, and loss of equity.

A widow without income can't meet the payments on a mortgage. While you live, you plan to meet the payments on your home out of your earnings. Now, while you are earning, why not guarantee your wife that she will not have to meet those payments if death should interrupt your plans? Whatever you owe on your home—\$2,000... \$6,000, or more—there's a Southwestern Life Insurance plan to guarantee payment of the mortgage, and it can be patterned to fit your income. Without obligation, ask for a full description of a plan to fit your needs today.

Your Troubles Are Increased By Late Payment of Bills

Mr. Merchant

If you are not now a member of the Merchants' Association it will pay you to investigate the many advantages of this service to you. The cost is nominal, the returns great!

When you receive a bill, meet it promptly if you possibly can. If you cannot, frankly tell your creditor the reason. You will find that he is willing to deal with you reasonably and fairly. Satisfactory extensions are usually made when explanation of your troubles is made before your account becomes delinquent. Credit never abused is never refused.

Mrs. Henderson -
(Continued from Page One)

Wednesday morning's session opened with a Musical Meditation followed by a devotional service by Mrs. R. O. White of Rankin. The welcome was given by Mrs. Floyd Henderson. Mrs. Proctor spoke on "Missionary Personnel" stressing the need for young adult full time service at home and abroad. Reports of officers followed by a talk by the president, Mrs. McMillan, on "Now Is the Time."

The resolutions committee was composed of Mrs. Bill Ramsey, Mrs. Cecil Steigler, and Mrs. Evart White. Special music for the morning session was an anthem "I Shall Not Pass Again This Way" sung by the Ozona Choir and a trio, "I Walked Today Where Jesus Walked" by O'Hara, Mrs. H. B. Tandy, Mrs. Joe Pierce and Miss Jacqueline Theis. A service of remembrance was conducted by Mrs. C. L. Blalock, Mrs. Bob Baker and Mrs. Hicks Hall of Sonora. Mrs. Dempster Jones and Mrs. James Baggett were pages.

A Mexican luncheon was served by the Latin - American Mothers Club during which a musical program was given. Numbers included piano solos by Paulita Cisneros, a cornet solo by Sammy Martinez, vocal solo by Maria Cortez and a piano duet by Elvira Vitela and Maria Cortez.

The afternoon session included a communion and installation service conducted by Rev. Horace King. The next annual meeting of the Conference will be at Brady. An offering of appreciation amounting to \$50 was taken for the Ozona Latin-American Community Center.

hour. The hymns are recorded on plastic rolls, six to the roll, and can be played singly, or any number desired at any given hour. Several rolls of favorite hymns came with the system and will be alternated in days to come, Rev. Glen

Edwards, pastor, said.

The system has a small keyboard for playing the instrument by hand and on special occasions complete programs may be broadcast over the city or played within the church or both. The new electronic organ is to be installed so that the keyboard of the carillon will be available to organists and the two instruments can be combined into the broadcast system and played together, usually the bells carrying the melody and the organ the accompaniment, Mr. Faget said. A microphone attachment also makes it possible

for the choir voices to be amplified within the church, along the outside loudspeaker system on occasion might demand.

TWO LOTS for sale. The draw. Each 100 by 150 feet. Peery Holmsley.
