## Ozona Band First In Concert, Second In Marching At Midland

Ozona High School's band, under the direction of John Armstrong, placed in first division in concert and second division in marching at the Region 8 annual festival and band contest held at Midland Saturday. The ratings were based on five grades or places into which judges placed the competing bands.

Concert judges were Homer Anderson of San Angelo, Lyle Skinner of Waco and O. C. Pittman of Southern Methodist University, Dallas. D. O. Wiley of Texas Tech at Lubbock was judge of sight reading. A former Ozona band director, Joe Haddon, now assistant director at Texas Tech, was one of the judges of marching.

In judging of solo playing by individual members of the band, Roy Alvin Harrell was placed in second division on a flute solo, Jimmie McMullan, Division 3 on an oboe solo and Pedro Cisneros in Division 3 on a tenor saxophone solo.

Approximately 1500 high school band students from 21 cities participated in the all-day festival.

## Ledge Wildcat Indicates Pay In Noelke Field

### Gas Shows in Hunt; World Field Gains One Producer

A wildcat in the shallow Noelke field in western Crockett county showed about a barrel of oil hourly and one million cubic feet of gas daily on a test in a sand above the Clear Fork.

Ledge Petroleum Co., Inc. No. 1-A Noelke Livestock Co. showed oil in a sand in middle Permian from 3,716 to 3,721 feet. The project was shutdown for repairs before testing and drilling ahead. The oil bearing sand was above the Clear Fork from which M & M No. 2-B Bouscaren was recently completed as a discovery a half mile to the east.

No. 1-A Noelke Livestock Co. is 330 feet from north and east lines of section 56-GG-JR&WT survey. Elevation is 2,795 feet.

William Hamm, Jr., No. 1 Hunt wildcat 10 miles south of Ozona and carried in some reports as Spartana No. 1 Montgomery, showed gas to the surface in 105 minutes and recovery 40 feet of very slightly gas-cut mud on a drillstem test from 6,242 to 6,454 feet lasting two hours and 45 minutes. The test was in a 12-foot sand stringer in an unidentified formation.

The operation was drilling a head at 6,800 feet in lime and shale. No. 1 Hunt is 660 feet from south and west lines of section 5-J-GG&SF.

Magnolia No. 1 Clayton Ranch, wildcat 10 miles east of Ozona, recovered 390 feet of drilling mud on a 77-minute drillstem test from 8,511 to 8,524 feet in the Ellenburger. The packer failed after that time.

Fred Turner, Jr. No. 1 Shannon, wildcat nine miles east of Iraan has been plugged and abandoned at 7,378 feet in granite. The failure was 660 feet from north and west lines of southwest 160 acres in league 3, Archer County school land survey.

Amerada No. 5-F Shannon estate in the World field has been completed on the pump in 12 hours and 30 minutes, rating 254 barrels of 28.4 gravity, pipeline oil. Production was from open hole between 2,411 and 2,522 feet, the total depth. With elevation 2,619 feet, No. 5-F Shannon estate is 2,342 feet from north, 1,212 feet from west line of lease in section 43-BB-TCRR survey.

Amerada No. 6-F Shannon estate, projected to 2,800 feet in the World pool, will be 300 feet from north, 1,065 feet from west lines of section 43-BB-TCRR, 533 feet northeast of the same operator's No. 3-F Shannon estate, a producer.

## New School Board Named In Spirited Voting Saturday

### Ratliff, Jones, Kincaid, Montgomery Elected to Positions

Four new members were elected to the board of trustees of the Crockett Consolidated Common School district in one of the most spirited trustee elections in recent years last Saturday.

A total of 182 votes were cast in the county, 173 in the Ozona box and 9 in the Todd Field box.

Elected to serve on the school board for the next two years were Vernon Ratliff, Brock Jones, Beecher Montgomery and T. A. Kincaid, Jr.

The 1950 ballot carried a record number of announced candidates. Eight candidates were listed on the ballot for the four available places on the board, two of them, Chas. E. Davidson, Jr., and Ashby McMullan, offering for re-election to membership on the board.

The vote totals, by boxes, were as follows:

	Ozona	Todd Tot.
Ratliff	116	7 123
Jones	115	4 119
Montgomery	104	6 110
Kincaid	101	6 107
Davidson	67	3 70
McMullan	65	5 70
Young	67	3 70
Millspaugh	41	2 43

The new members will take office May 1, according to law after qualifying by filing an oath of office with the county judge. The local school board meets the second Tuesday in each month.

Hold-over members of the board, who will serve for another year, are Max Schneemann, president, C. O. Walker, secretary, and W. E. Friend, Jr.

## Clayton Wildcat Sprays Distillate, Heavy Gas Show

### Well Coring Ahead After Testing From 8,627 -59 Feet

Magnolia No. 1 Clayton Ranch, Crockett county wildcat exploring the Ellenburger 10 miles east of Ozona, was coring ahead Tuesday from 8,659 feet after spraying mud cut with distillate for one hour and eight minutes.

On a drillstem test from 8,627-59 feet lasting three hours and nine minutes, gas appeared in four minutes and attained a volume of 2,460,000 cubic feet daily. Mud cut with distillate began spraying in two hours and one minute and continued during the remainder of the test. Recovery upon breaking down the drillpipe was 1,320 feet of gas and distillate-cut mud.

No. 1 Clayton ranch earlier encountered gas and slight oil shows in the Ellenburger, topped at 8,489 feet, 6,000 feet below sea level. It is 1,329 feet from the south, 1,980 feet from the west line of section 12-GH-GC&SF.

Stanolind No. 1-BK University, half mile southeast of Stanolind No. 1-G University, opener of the Block 39 Ellenburger field, recovered 330 feet of salt water on a one-hour drillstem test from 8,253-85 feet in the Ellenburger. It awaited orders. Location is 660 feet from the north, 2,048 feet from the east line of section 19-39-U.

## Cities Service To Drill Shallow Test On Baggett Ranch

Seven miles northwest of Ozona, Cities Service has spotted a Crockett county wildcat.

Projected to 1,550 feet with cable tools, the firm's No. 1 Baggett will be 2,064.19 feet from south, 736.7 feet from the east line of section, 42-OP-GC&SF. With elevation 2,530 feet, the test will be on a six-section block, about six miles southeast of the Vaughan (San Andres) field.

## 20 Out-of-County Entries Received For Horse Show

### Monday, April 10, Deadline for Entries In April 15 Show

A total of 20 out-of-county entries have been received to date in the first annual Crockett County Quarter Horse and Cutting Horse and Open Reining contests, set for April 15, Bill Bergfeld secretary, announced this week. First entry received was from John Dublin of Midland, who has entered two horses, one in the cutting horse contest and a 1949 stallion in the halter class.

Deadline for entries has been set for Monday, April 10, and all breeders are urged to have their entries of record before that date. Charley Black is general chairman of the show, with Bill Childress and Sonny Bailey as committeemen.

Handsome trophies to be awarded winners in the show are on display in the window at the Ozona Boot & Saddlery. These trophies and ribbons are to be awarded winners in the various halter classes and cutting horse and open reining contests.

Judging of halter classes will begin at 1 o'clock p.m. There will be six classes in this division, three for mares and three for stallions. All first and second place winners in the halter classes will be required to show for grand champion at the night performance of the show Saturday night. Grand champions will be awarded trophies and rosettes and reserve champion rosettes.

Cutting horse and reining contests will be held Saturday night, an admission charge to be made for this show to help defray expenses. Chas. E. Davidson, Jr. and Vic Montgomery are in charge of the performance class show Saturday night. The afternoon show will be free to the public.

Percy Turner of Water Valley, well known quarter horse breeder, has been selected to judge the show.

Entry fees will be \$3 in the halter classes and \$10 in the cutting horse and open reining contests. Purse will be divided 50 per cent for first place, 30 per cent for second place and 20 per cent for third place.

Entry fees must accompany entries. Entry blanks may be secured from Mr. Bergfeld or Mr. Black.

## New Community Council Members Named Saturday

### Heavy Voting Indicates Interest in Work Of Organization

Seven new members were elected to the Crockett County Community Council in the annual election held Saturday in connection with the school trustee election. A total of 92 votes were cast for the Council nominees, one of the largest votes ever polled for members of the leadership group, indicating a growing interest in the work being accomplished by the Council toward civic betterment here.

New Council members named by the voters were Mrs. Ben Williams, Mrs. Scott Peters, Miss Wanda Watson, Bill Childress, Arthur Kyle, Dick Henderson and Charles Ratliff. These new members were nominated by a committee composed of the heads of various civic clubs and other organized groups in the city.

Hold-over members of the Council include Mrs. Neal Hannah, Mrs. Sherman Taylor, Mrs. Joe Clayton, Ralph Jones, and Charlie Black.

The new Council will elect officers at its next meeting. One of the retiring members, W. E. Friend, Jr., was president of the Council.

## Baseball Bug Bites Again; Fans, Players Meet Friday Night

The baseball bug has bitten again.

Prospects were gloomy after a recent conference, when manager troubles developed and nobody was willing to shoulder the burden of organizing and managing the team. And for a time plans for forming a team were abandoned.

But the bug has bitten again this week and this time prospects seem brighter than ever that Ozona will again field its Rebels, probably in the still vacant slot in the Concho Basin League lineup.

The old war horse of the diamond, Byron (Tex) Stuart, has been induced to take on the player-manager job, with promises to take off his shoulders the business managing and the ground-keeping chores.

And that's all the signal rabid Ozona fans needed. They've called a meeting of fans and players to be held at the Ozona Boot & Saddlery at 7:30 Friday night of this week. Ways and means are going to be figured out at that meeting to raise a ground-keeping fund and a war chest to outfit the team for the Spring and summer wars. All supporters of baseball are invited and urged to be present.

Word was received last night that prospects are good for Ozona to get a berth in the Concho loop. The circuit will hold its final sign-up meeting Monday night, April 17, and at that time Ozona will be on hand to seek a slot. The league is scheduled to knock the lid off on April 23.

## Voters Decide Fate of \$50,000 Bond Issue Sat.

### Fire Station, Courthouse Repairs Proposed in Issues

Voters of Crockett County will go to the polls again Saturday of this week, April 8, this time to decide the fate of two proposed bond issues for a total of \$50,000.

One issue, proposing \$35,000 in bonds for the construction of a "county office building," if approved by the voters of the county will bring about construction of a fire station for housing of the city's fire fighting equipment as well as providing space for bedding jurors in case of need and possibly a wing for additional office space for office use.

The county has completed details of purchase of a lot from Mrs. W. E. West on which the new building is to be erected if approved. The lot is located south and east of the county jail, an "L" shaped lot 100 feet wide fronting west and north and extending 200 feet deep. County officials plan to erect the firestation south of the jail to front on the open space between the courthouse and the Baptist church.

The other issue upon which voters will pass Saturday proposes bonds in the amount of \$15,000 to be used for a general repair of the present courthouse, including a new roof and interior refinishing.

Polls will be open in all voting precincts in the county, the courthouse in Ozona and at Powell Field school, Jeff Owens ranch, Howard Wells ranch, Geo. Thompson ranch, West Texas Utilities Power plant, the Kinser ranch and the Todd Oil Field.

Only qualified property taxpaying voters who have rendered property for taxes are eligible to vote in the bond election. Ballots will carry the two issues in separate propositions, each requiring a separate vote.

Mrs. Dave Davidson of Wilmington, Delaware, has been a guest in the home of Mr. and Mrs. Paul Hallecomb the past week. Mr. Davidson came Friday and the couple left Monday for their new home in Coolidge, Ariz.

## April Clean-Up Drive Planned Throughout City

### Organizations Combine Efforts to Make Effective Campaign

Civic organizations of Ozona have combined forces for what they hope will be the most thorough citywide clean-up campaign in the history of Ozona.

The month of April has been designated clean-up month and Ozona residents and business firms are urged to begin at once a thorough clean-up of their premises.

A three-day trash hauling schedule has been arranged for Thursday, Friday and Saturday, April 20, 21 and 22, it was announced after a conference this week of representatives of the various organized groups of the city. The three-day period will be devoted to picking up accumulated trash all over the city and residents are urged to begin now on their clean-up drives in order to have all trash in readiness for hauling the first day of the pick-up period.

Organizations participating in the Spring clean-up campaign will be the Ozona Woman's Club, the Ozona Woman's Forum, Ozona Literary Club, the Lions Club, the Volunteer Fire Department, the Community Council, County Commissioners Court and County Health Officer.

The usual divisions of the town into zones will be made for purposes of supervision and captains will be assigned to each zone to urge residents to cooperate in the undertaking and to supervise the removal of all trash accumulations during the three-day pick-up period.

Plans as outlined in the conference of civic club heads call for the clean-up of all vacant lots by owners, raking and piling of weeds for burning under supervision of the fire department; cleaning of yards and alleys; elimination of unsightly downtown air conditioner waste water drips; cleaning up and removing all accumulated trash around houses and instreets and alleys; elimination or effective treatment and screening of all open toilets in the city; regular garbage disposal or burial to prevent breeding of flies; steps to keep down fly infestations in the city during the summer and elimination of all apparent fire hazards.

Elimination of fire hazards is one of the undertakings of the local Volunteer Fire Department, through its fire marshal. Fire hazards may be ordered removed by the marshal, with the backing of law enforcement agencies of the community.

Backers of the Spring clean-up plan a continuing campaign to keep the city in tiptop condition, seeking citywide cooperation in correcting and erasing unsanitary and unsightly conditions and fire hazards, urging cleanliness in all establishments handling food and food products and eliminating flies and mosquitos and their breeding places.

## Motor Vehicle Registration Shows Increase

### Total Reaches 1,279; Increase of 25 Over Last Year

A last minute rush of motor vehicle owners to beat the April 1 deadline sent registration totals in front of the 1949 figure, Mrs. Gertrude Perry, deputy tax collector, reported after totalling registration figures yesterday.

A total of 1,279 motor vehicles of all types were registered before the deadline, an increase of 25 over the totals on that date a year ago, Mrs. Perry reported.

Passenger cars registered numbered 835, with 429 pick-ups and small trucks and 15 large tractors.

THE LOW DOWN FROM HICKORY GROVE

Maybe you think, my countrymen that you have seen everything in the way of flub-dubs in Govt. But wait. Today the agricultural census questionnaire came in the mail from the U. S. Dept. of Commerce. It is as big as a barn door - questions in fine print, both sides of the paper -

334 questions. The first impulse is to sell out - lock, stock and barrel - before the census guy heave into sight.

Now don't quit readin' because you don't live in the country. Say the hornrimmed boys there on the wide Potomac find that the number of bees in California outnumber those in New Jersey, then what. Well, I will tell you. The census guy would not be asking 334 fool questions about bees, lima beans, rabbits and goose berries if somebody was not planning some fool and fancy thing to spring on the city folks. And if you been thinking the census was just for people and not for bees and bathtubs, or if there is a mortgage, you need to be alerted.

With all the old plans on powdered eggs and 100 others back-fitting and making this nation look like a sucker and amateur, it takes no big and fancy crystal ball to see what the new census will bring forth. And whether you live in the country or in the city - and have bees or don't - you can hold your hat - yea brother.

### Applications May Be Accepted on Condition For Vet Land Purchase

AUSTIN — Although the entire \$25,000,000 principal of the Veterans' Land Program was committed by March 18, Land Commissioner Bascom Giles stated today that additional applications are still being accepted "under certain conditions."

"Where both seller and veteran understand that we cannot guarantee there will be money available to complete the purchase," said Giles, "we are putting the application on file."

"The \$25,000,000 fund is a revolving one and thus additional purchases can be made from time to time as veterans make their semi-annual payments, Giles pointed out. Some veterans are also retiring their indebtedness at a faster rate than their contract demands. One tract in Dickens county has already been paid for in full.

"Also," Giles explained, "every withdrawal enables us to process one of the applications accepted on this conditional basis. We will act upon these new applications, if and when money is available in the order they are received."

The down payments accompanying a "conditional" application treasury, Giles said, and will be returned if the transaction is not completed.

No application has been accepted since March 18 except on this "conditional basis," Giles stated.

### Farm Cash Shows Up in February

— Farm cash income in Texas totaled \$43,594,000 in February, dropping 51 per cent from January and lagging 5 per cent behind February 1949, the University of Texas Bureau of Business Research reported.

Farmers in the Northern High Plains district turned in the largest dollar income in February — \$1,000,000. Black and Grand Prairie with \$6,918,000, and Lower Grande Valley, with \$5,120,000, ranked second and third.

The state was the greatest source of farm income in February, with \$10,109,000. Sales of products amounted to \$9,466,000 and fruits and vegetables to \$5,380,000.

Without exception all crop-reporting districts shared in the

February - - February downturn in farm cash income. Southern High Plains registered a 90-per-cent reduction, and Red Bed Plains showed a 78-per-cent decrease. Smaller declines varied from 2 per cent in East Texas Timbered Plains to 38 per cent in the Trans-Pecos district.

### Daughter of Ozonans Wed in McAllen

Miss Elizabeth Ann Flatt, daughter of Mr. and Mrs. Buck Flatt of Ozona, became the bride of Eugene Douglas Hurst of McAllen, Monday evening, March 24, in McAllen.

The double ring ceremony was performed by the pastor of the McAllen Church of Christ at 3 o'clock Monday evening.

The bride wore a white, street length dress with white accessories. Her corsage was of baby pink

rose buds.

Following the ceremony, a reception was held in the home of the bridegroom's parents in McAllen. Spring flowers decorated the reception rooms, where Mrs. Gene Hurst was assisted in entertaining by Mrs. Buck Flatt, stepmother of the bride.

The three-tiered wedding cake was topped with a miniature pair of love birds. A buffet supper followed the reception.

The couple will live in Rio Grande City, Texas.

## Fight Night Program Set April 22, May 6

The students of Ozona are preparing for a forthcoming event labeled as Fight Night. There will be two of these such nights. The first or preliminary night will be held in the new gym on the night of April 22 and the second is to be held May 6.

The events will be boxing and wrestling for the preliminary night, but on the night of May 6, the main event will be a visiting tumbling team from the University of Texas. The team will consist of eleven members, which includes Skippy Browning, a well known diver and trampoline tumbler.

There will be work out week for all who are interested in wrestling start April 17 and last through April 22. The gym will be open each day from 3:15 to 4:00 afternoons and from about 7:00 to 9:30 at night.

There is to be a charge for the two nights. The money will be used to buy equipment needed in the gym and some will be for awards for the winners in each event. The charge is to be 15 and 25 cents.

## Schools Dismissed Friday Thru Monday For Easter Holidays

The Ozona Public Schools will be dismissed for the Easter holidays Friday through Monday April 10.

The Lions Roar will not be published next week because school will be turned out for the holidays.

## New Track Uniforms For Ozona Teams

The school has purchased new track uniforms for the boys who will participate in the district track events this year.

The shorts are white trimmed in purple. The jerseys are white with a diagonal purple band running from the shoulder to the waist. Ozona is written in gold on the purple band. Our Ozona boys should be well dressed when they represent Ozona in the various track meets.

## Student's View of PTA Convention

On March 29, the annual P. T. A. convention was held in Ozona. The program started at 8:00 a.m. with Mrs. Philip Thompson presiding. The choral club was to have been the first feature of the program of the day and sing at 8:00, but the singers had to wait and be late to school because no one was on time. We thought that one of the strictest regulations of the association was to always be on time at meetings.

At about 8:30, the program finally started. After the Choral Club's portion of the entertainment, Mr. Boedeker furnished piano music to call the meeting to order. The officers came to the front and the allegiance to the flag was given. Mr. McIntosh delivered the invocation. Mrs. H. B. Tandy led the group song, "America, the Beautiful."

Then, with the proper spirit, the day's business was started. The officers were introduced. They included one national representative, Mrs. Joseph Eshelman, one state president, Mrs. J. H. Moore, and Mrs. H. H. Keller, regional vice-president.

Mrs. Miller Robison delivered the greetings, in which she said, "We hope that you all like our town and the friendly people that you will meet. Wont you visit our teachers' housing project, we are so proud of it."

Mrs. C. K. McDowell gave the response in which she announced the theme of the convention, "We build a world child by child."

Rules of the conference were stated by Br. A. L. Mullen.

I noticed specifically that one rule is to be at meetings at the time that they are called.

The program was read and explained by Mrs. Louis Jones.

After the district president had given her report, she introduced Mrs. Moore and said that she would talk for ten minutes on "Spring Thoughts." The first part of her talk was about her subject but somehow she got off on leadership at the last of it. She said, "Leadership is not born, but is a matter of habit and development."

Next was a talk on Parent Teacher activities by Mrs. Keller, the regional president from El Paso, Texas.

The next main speech was given by Mrs. Eshelman, the National representative. She talked on National-International Viewpoints. She explained the working of the National Congress of P. T. A. and the expansion of the organization into foreign countries. She explained that all P. T. A. meetings

should be carried on in a friendly, sane, co-operative basis and not strictly parliamentary. She also brought out the importance of knowing the meanings of the objects of the P. T. A. and studying and understanding the publications at hand if you plan to be a member of this association.

The band called the second session to order at 1:15.

The second session included discussion of the new program in San Angelo, by Mrs. John E. Robbins, Jr., and Mr. Dickson. In San Angelo, a parent education has been started. The parents meet and talk over and study the problems of rearing children. A library has been established for this purpose also.

After answering questions from the house, Mr. Duckson relinquished the floor and the meeting was adjourned so that members could attend work shop until 3:00.

The officers were announced upon return of the members and the installation was performed by Mrs. Eshelman.

The "Mother Singers" sang two songs, and after many small reports from unit presidents, etc., the tired conference members were allowed to go home, their minds full of new thought.

## Homemaking Dept. Entertains P. T. A. Delegates at Tea

By Betty Knox  
 The girls of the Homemaking Department and their sponsor, Mrs. Janie B. Hull, were hostesses to the Sixth District Parent-Teacher Association with a tea given in the dining room of the department.

The floral centerpiece carried out the Parent-Teacher Association color theme.

Vivian Stratton, president of the Future Homemakers' Club, assisted by Marilyn Hubbard and Marjorie Parish, greeted the guests at the door.

Darrene Thompson and Joan Holt presided at the tea table.

June Perner, Paulita Cisneros, Edna Gonzales and Maria Zapata assisted in serving.

Mrs. Hull informed us, "All the high school girls taking homemaking were very co-operative in planning and preparing the tea."

## Ozona Band Wins First in Concert Second in Marching

The Ozona Band won first division out of the possible five, in Class D concert playing and second division in marching at the 8th regional band contest at Midland last Saturday, April 1.

The regional judges are very strict and the Ozona band earned every point they got. The band enjoyed a very pleasant trip and saw and heard some good bands out of the twenty-one who were there.

Ozona's band will change from a Class D to Class B band next year when about 30 more members will be taken from the Junior High Band and put in with the High School Band. We will lose only two members next year, Judy White and Paulita Cisneros.

## 4 Memorial Volumes Given OHS Library

The high school library has received several memorial volumes since the first of the year.

Mrs. B. B. Ingham, Sr., presented "Time and Time Keepers" in memory of Mrs. Abbye Marley, and "Man and the Motor Car" in memory of Mrs. Martha Young.

Mr. and Mrs. Boyd Clayton presented "In Our Image" in memory of Miss Elizabeth Fussell.

Dr. and Mrs. H. B. Tandy and Kerry presented "The Autobiography of Will Rogers" in memory of Marshall Graves.

## Thru the Keyhole

Seen at the Snior play Tuesday night were: Earl Spivey, Marjorie Parish; Aaron Blad, Cussie Sparks, Kenneth Parish, Billie Chandler, Ben Conklin, Ballinger, Tom Piner-Vivian Thompson, Bill Schneemann, Jeanne Thompson, Jimmy McMillan, Jane Adams, Gordon Spivey, Tody Cunningham, Billy West, Barbara Bond.

We hear Joe Bailey and Marjorie Johnson are getting chummy. Gussie, what will Red say about your going out with other boys? What happened between Piner and Rita?

Why are all of the boys going to the carnival lately? It could be the Blue Hawaiian Rose!

Too bad Yancy doesn't have a car. He would burn up the road. Sonora!

What happened to Charles Galtz's car tire Tuesday night?

Perdue, what were you and M. doing at the football field Tuesday night?

Who are you going to the Junior-Senior banquet with, June?

Jo Lou and Vivian Strain seem to like the 1900 dresses.

Marian Mock seems to be getting lonesome for Rabbit.

Mr. Pello, what's this about your taking orders from the Senior boys? Solution: Get Pogue off them.

It looks like Miss Sealy is going to be an "Old Maid."

### Smith, Russell Re-Election

**Incumbent County Officials Offer for Terms**

More county officials hope to win the 1950 political arena in Crockett county this week by running as candidates for re-election to their respective posts. Judge Houston S. Smith, County and District Clerk, and Judge George Russell each announced they would be candidates for re-election subject to action of the democratic primaries this week.

Judge Smith nor Clerk Russell are as yet opposed in races for a new two-year term. Judge Smith has been as Crockett county judge since the death of Judge Chas. E. Russell, first by appointment to the unexpired term and then elected without opposition. Russell is a veteran in the office of county and district clerk with a long record of service in that position.

In far, contests have appeared for commissioner posts in Precincts 1 and 4, including incumbent commissioners, Miller of Precinct 1 and E. Kinser in Precinct 4. Miller's opponents are Jack Sheridan and James Kinser. Opposing Kinser are James Kinser, Jr., and James B. B. Ingham, Jr., has announced as a candidate for commissioner from Precinct 3, the race held by J. W. Owens, has not yet announced whether he will seek re-election. Black, appointed to succeed his late father, Chas. S. Black, as commissioner from Precinct 2 is a candidate for his elective term and so far is opposed.

### Political Announcements

Stockman is authorized to announce the candidacy of the following for the offices indicated, subject to action of the Democratic primary July 22:

- Representative, 16th Congressional District:
- MUL MOSS, Odessa.

### HELP YOUR Fire Department HELP YOU!

Thousands of words have been written warning, pleading with and threatening people in an effort to induce them not to rush to fires in their cars and try to park as near the scene of a blaze as possible.

But still most of us do it just the same.

Rushing to the fire, trying to beat the fire truck and fire fighters creates traffic hazards for volunteer firemen on their way to the fire and crowding into the vicinity of a fire creates a serious handicap for fire fighters. Often fire trucks must be moved hurriedly, hoses must be pulled off and strung, men have to rush from place to place about a fire, manning hoses, operating pumps, removing furnishings from burning buildings. Plenty of room is essential for efficient operation of a fire department.

The next time you go to a fire, first, take it easy on the way, and then when you near the scene, find you a parking place at least a block and preferably two blocks away. Keep out of the way and give firemen plenty of room to work.

Miss Rosalie Friend, daughter of Mr. and Mrs. W. E. Friend of Ozona, was among a group of eighteen girls and two sponsors leaving on the annual Spring Trip of the Hockaday Junior College in Dallas. This year's group will go to Williamsburg, Washington, D. C., Boston and New York City. They left Dallas Thursday evening March 30. Mrs. Wade Harrison, secretarial training instructor and Miss Rosemary Pond, head of residence, accompanied the group. They will return to Dallas to resume their studies April 12.

### Ozona Hospital Qualifies For Approval For Insurance Plans

Ozona's new hospital has qualified for Group Hospital Service approval. C. A. Woody, business manager of the institution, has announced.

Approval of the local hospital will make its service available to patients under the Blue Cross Hospitalization and Blue Shield Surgical plans. Such qualification is conditioned on the hospital's facilities for offering its patients all services for the proper care of the sick, including X-Ray, laboratory service, emergency room service and nursery, as well as qualified attendants.

With 17 beds available, the hospital last week had 16 patients. One baby was born this week, a daughter to Mr. and Mrs. Lucio Diaz. Admissions for the week included Mrs. D. L. Clark, Miss Linda Sue Riddle, Miss Edna Lugo, R. W. Morrison and Bill Meinecke.

### Ozona Girls Among Gulf Park College Group on Cruise

A party of forty Gulf Park College students and chaperons sailed from New Orleans Saturday morning, March 25, on the S. S. Cefalu of the Standard Fruit and Steamship Company for an 11-day cruise of the Caribbean waters. Miss Ann Harvick of Ozona is a member of the cruise party, which will sail through waters bluer than turquoise to shores adorned with coconut palms, banana trees and gigantic bougainvillea. The principal ports of call will be Havana, Cuba, LeCeiba, Honduras, and Puerto Barrios, Guatemala. Special courtesies will be extended

in these ports, in addition to planned tours and diversions. A jungle trip will be made from La Ceiba.

"School on Deck" will be held on days when the party is at sea. Students will be given special assistance in classroom work, and

they will hear interesting lectures on the history and geography of the romantic waters over which they are passing. This is the seventeenth annual Caribbean Cruise personally conducted by President Richard G. Cox. In the past more than twelve hundred

have enjoyed this delightful experience.

Miss Harvick is a very popular member of the junior class at Gulf Park. She is the daughter of Mr. and Mrs. S. M. Harvick of Ozona.

## NOTICE TO CUSTOMERS OF The Steak House and Hi-Way Cafe

In order to solve the problem of allowing our help one day off each week, we find it necessary to close our cafes one day a week. By choosing separate days for each, we hope to be able to take care of all our customers on those days and we ask your indulgence until such time as the help situation improves so that we may stay open every day in the week.

Our closing schedule will be as follows:

**STEAK HOUSE CLOSED EVERY SUNDAY**  
**HI-WAY CAFE CLOSED EVERY MONDAY**

We regret the necessity of this one-day closing, but under present conditions, we do not have sufficient help to give each a day off in the week and continue operations. By closing one day, we will have a full staff the rest of the week to serve you better.

When sufficient help becomes available, we will be open again every day, but in the meantime we ask your patience.

Mr. and Mrs. Chas. Butler

Don't I Help Pay for Telephone Expansion?

Telephone companies are not allowed to charge enough to pay for expansion. Funds for this purpose must come from investors — everyday folks who buy telephone stocks and bonds.

Our revenue from telephone rates are only enough to pay operating expenses like wages and taxes, and to give investors a reasonable return. Thus, today's efficient service and tomorrow's expansion demands a business operation which must be both progressive and financially sound.

### Senior Class Makes Hit With 3-Act Play

Members of the 1950 Senior Class of Ozona High School presented a finished performance of the comedy, "Our Hearts Were Young and Gay," by Cornelia Otis Skinner and Emily Kimbrough, Tuesday evening. A good crowd enjoyed the sparkling performance.

In the cast were Billy Ray Oden, Judy White, Patsy Cook, Charles Cunningham, Mary Ann North, William Meinecke, Marilyn Hubbard, Kenneth Perdue, Gilbert Armentrout, Vivian Stratton, Jo Lou Brewer, Betty Knox, Paulita Cisneros, Maria Zapata, and Pedro Vargas.

The play was directed by Jack McIntosh, with Glen Capps and Tom Mitchell as stage managers. The production will be staged again this afternoon for the benefit of those students and adults who failed to see the Tuesday night performance.

# RANCH RECORDS

Are More Important

Today Than Ever

Government regulations and heavy tax programs are destined to be a part of the American way of doing business for a long time. For that reason, it is more important today that every business keep accurate records of its operations.

The ranch business is no exception. With the stiff federal taxes, you will want to take advantage of every saving item in your expense account and at the same time have clear and convincing records available for inspection by tax agents to prove up any item on your income tax return.

Start now to keep a complete record covering all operations in your business with the Stockman's RANCH RECORD BOOK. Your cancelled checks or your present records can be transcribed to this handy record book, together with your income and inventory records and you can have your entire record in a simplified form contained in one volume.
