Texas Candidates

Jan Anderson, who created some foul odors about his vicinity some time ago with his attempted organization of would-be and actual old age pensioners in Texas, has started columning out of Austin, as have some few thousand others, it would seem, from the number that reach the desks of editors each week.

But Anderson, whatever his past and his present motives, has been conducting a postcard poll on the governor's race and a report in his column this week shows Harry Hines well ahead of second-place W. Lee O'Daniel in the voting, with Jerry Sadler, Ma Ferguson, Albert Derden and others in order.

"Hines, who leads the pool vote, has obviously captured the major portion of the anti-O'Daniel votes," Anderson declares. And asking why, and "if it means that the people are thinking, trying to open-mindedly discover the truth about each candidate's platform and personality?" he proceeds to answer with the statement that O'Daniel's 15-minute broadcast last Saturday night seemed to be a return to the political high-jinks of 1938, a buffoon's parody rather than a sober appeal to reason and a serious discussion of positive official action.

"People who revel in the breakdown theme of Hillbilly music and can be tolled with a political circus, and those in and attached to the pension-tax-opposing Special Interests groups, very largely compromise the O'Daniel clans," says the new columnist. That old "Special Interests" bugaboo again, but if such red flag waving can alienate some of the votes from the nincompoop who sits in the governor's chair in Texas, we'll let it pass.

Who Anderson favors in the governor's race can not be discovered from the latest columnator effort, but sufficient to commend him at least in part is the fact that it is not the Ferguson. "Poor old Jim seemed feeble and weary when twice aroused from abed at Austin and from a nap at

Dallas last week," says a paragraph devoted to Ferguson. "This column, in thought said, "bless both of them with kindly sympathy, but why elect an old lady governor of this powerful state that is burdened with man-sized problems."

Bear Traps In Trail of Progress

There can be little question but that the primary purpose of the Patman chain store tax bill is not to raise revenue, but to utterly destroy the principal chain systems. And it would destroy with them the jobs and consumer services the chains provide.

Graphic evidence of this has been produced by expert witnesses appearing before the house committee which is now holding hearings on the bill. Typical evidence came from Safeway Stores, Inc., a large food chain. The company estimates that its tax bill, if the measure passed, would be \$59,000,000 a year—or about nine times the total net profit earned in the most prosperous year in its history. Even if the tax were cut in half, as Representative Patman has proposed as a compromise, its effect would be no different—taxes would still be over four times this typical company's best annual net.

Commenting on the bill, the Portland Oregonian has said: "The plain purpose is not to raise revenues but to restrict retail distribution to small units. The bill represents one of those efforts of one section of business to improve its condition by inducing the government to lay a heavy hand upon its competitors.

"Times have changed since Emerson or Hubbard, as the case may be, first said that 'if a man make a better mousetrap than his neighbor, though he build his house in the woods, the world will make a beaten path to his door.' Nowadays the makers of poorer mousetraps would induce the government to set bear traps in the trail."

traps would induce the government to set bear traps in the trail."

Hitler's Minorities

In the Germany which Hitler rose to rule in 1933 there were 63,000,000 Germans and 2,000,000 scattered peoples of other nationalities. In the Germany which Hitler rules today there are 77,000,000 Germans, but there are 35,000,000 minority peoples. In bringing back into the fatherland 14,000,000 Germans left outside the Reich by the Treaty of Versailles, Hitler has made subjects of 21,000,000 Poles, more than 7,000,000 Czechs, more than 2,000,000 Slovaks and almost 4,000,000 Danes—and this is counting all 7,000,000 Austrians as Germans, and omitting that part of Norway's 3,000,000 people now encompassed by Nazi rule. A good case might be made for consolidation of small nations and minority populations into large and unified political groups. But Hitler isn't making it.—Minneapolis Star-Journal.

'Unwanted Oppressors'

Denouncing the English as "unwanted oppressors" the Gibraltar, the Nazi consul-general in New York, Dr. Hans Borchers, hints at a German purpose to wrest the famous fortress from British possession, presumably with Italian support. Gibraltar has a civilian population of less than 20,000, a large proportion of it British. If Nazi Germany wants to embark on the noble mission of freeing parts of Europe from "unwanted oppressors," she might find a far broader field for such service in the plight of some 10,000,000 Czechs in Bohemia and Moravia; in the millions of Poles whose government and national life have been destroyed; in the nearly 4,000,000 Danes whose country has been occupied and is now ruled by foreign military forces.—Arkansas Gazette (Little Rock).

HIGHER EDUCATION American universities and colleges may be roughly divided into two classes: Those which have conferred honorary degrees on Charlie McCarthy and those which have not.—Washington Star.

Down To Earth

Chronic spendthrifts always run into trouble. Therefore, it is not surprising that the federal government is beginning to notice gathering clouds on the fiscal horizon. Governments, like individuals, must pay interest on borrowed money. And the more money borrowed, the greater the accumulation of interest payable. When a debtor ceases to pay interest, his credit standing promptly collapses.

The annual interest bill on the federal debt is currently about \$1,100,000,000. This is a sizable sum even in these days of billion-dollar appropriations. And the interest problem must grow steadily more serious as our "chronic spendthrift" policy continues. Meanwhile it continues to serve

as a down-to-earth reminder that government is like the rest of us. Its existence as a going concern depends upon its credit standing. It must meet its just obligations, ultimately pay its debts—or collapse, dragging with it millions of hard working citizens into the shambles of bankruptcy and despair. Sales are hitting new highs..so Buick dealers are ready to make swell deals.

Wouldn't it be tragic if you missed it!

Buick prices begin at \$895*
 for Business Coupe (Illustrated)

JUST suppose that down the street a dealer had an automobile so close to your heart's desire that it might have been made to your own specifications.

Suppose it had the room you've been wanting—the big, strapping size you'd like—the imposing style and good looks and soul-satisfying luxury of appointment.

Suppose it had all the life and zip and action you could ask for and a big, durable, thrifty power plant that could match even fine watchworks for smoothness.

Suppose you *knew* that car set the standard for real modernity and value—but *just assumed* that it must be out of your reach because it was so *obviously* good!

Wouldn't it be tragic if you passed up that honey—just because you didn't *inquire* what the prices actually were?

Here and there that's happening, we fear. Happening because people who want Buicks aren't getting the actual facts.

Maybe you didn't know that there are *five* 1940 Buicks at five different price ranges.

That every one of these has a big, husky, straight-eight engine electrically balanced after assembly by Buick's own exclusive process.

That soft, stout coil springs are found on every one—that every one has recoil-mounted Knee-Action, finger-flick transmission, bona fide Buick styling—features literally counted by the dozen.

Maybe you didn't know, above all, that for Buick SPECIAL models, current prices† begin as low as \$895 *for the business coupe, delivered at Flint. That even when you add transportation based on rail rates, state and local taxes (if any), and optional equipment and accessories, delivered prices are the lowest ever on such value.

But all that's true. You can prove it any day by asking for a demonstration that costs nothing, and involves no obligation.

So why take a chance of missing something gorgeously great that could be yours for the trying? *Do something, and do it now—go see your Buick dealer!*

†Prices subject to change without notice.

aging inform in a few seconds and both cars were damaged beyond repair. Deaton's car was badly wrecked.

It was not until the day had died down that the charred bodies of the four occupants could be extracted from the wreckage. The bodies were buried almost beyond recognition.

A fourth car, driven by Bruce Hays and occupied by three of four other persons, narrowly escaped piling up on the heap of wreckage and adding further to the death toll of the early morning crash. With less than a hundred feet between him and the tangled cars after topping the rise to bring them into station, Hays reversed his car into the narrow ditch and, wading through boulders strewn among weeds and shrubs, managed to bring his car back onto the highway and to a stop with no more serious consequences than a blown-out tire.

Paul Buckley was head pusher for the Nobel Drilling Co., and had been employed in drilling both of the deep producers for the Continental Oil Co. and others on the Todd ranch 15 miles northwest of Ozona. He and Mrs. Buckley made their home in Ozona since drilling started on the Todd tract. Mr. and Mrs. Leonard Buckley had arrived in Ozona only a few hours before their deaths. The Buckley brothers' father, J. W. Buckley, had come here with the younger son, the two being on their way to California. The older Buckley had chosen to spend the evening with his grandson, 13-year-old Billy Buckley, son of Mr. and Mrs. Paul Buckley, and a student in Ozona grade school. The father, his brothers and one sister survive the Buckley brothers.

The French court also granted a request from County Judge Van Landt of Taylor county that Oklahoma county pay for new metal drainage structures to be installed on the McCamey-Grant road in this county the cost not to exceed \$500, and Taylor county to install such structures.

Another request did not get such favorable hearing. It was for opening of a road from the Santa Noelia well to the top of the canyon to facilitate drilling operations. The court observed, however, that no promises were made.

"Such road being in some extent private, and the court is not justified in such work until production is obtained 'on top'."

Conditioned on the consent of Joe Montague, through whose ranch the new road must be cut, the court considered the opening of a road connecting the present Powell field road crisscrossed by the Todd field with the road leading from Big Lake to shorten the distance to the Todd area.

A delegation from Rankin, asking for a more direct route to the Todd field was heard, but the court, as indicated in its minutes, "did not look with favor on the request," but appointed a committee composed of Commissioners Owens and Black to investigate and report.

INTERESTING FACTS ABOUT BEER AND BREWING

THIS IS WHAT BEER IS MADE OF... Sunshine, water, malted grain—and hops for flavor. Converted into beer by a simple natural process. Mother Nature brews beer—that is why it is so wholesome.

PROVIDED BY U. S. FARMERS—25 BILLION POUNDS OF FARM PRODUCTS NEEDED BY BEER AND ALE. Since re-legalization, the brewing industry has bought this enormous quantity of produce from American farmers.

\$1,000,000 A DAY IN TAXES... NATIONWIDE

BEER AND ALE CONTRIBUTE \$1,000,000 A DAY IN TAXES TO LOCAL, STATE, AND FEDERAL GOVERNMENTS. Or \$400,000,000 a year! What would happen if there were no beer or ale to carry this enormous tax burden?

"THANKS FOR THE JOB!"...over 1,000,000 people put to work by beer and ale since their return. More than 100 other industries benefit from the making and sale of beer and ale.

BEER CAME OVER ON THE MAYFLOW—Pilgrim records tell how the landing of the Mayflower was hastened because the Pilgrims ran short of supplies, "especially beer."

A NEW PLAN TO COOPERATE WITH LAW ENFORCEMENT OFFICERS. You will want to know about beer's new plan to "clean-up or close-up" retail establishments that permit abuses. This plan is in effect in a number of states. It is being extended. Ask us for free booklet. Write: United Brewers Industrial Foundation, 19 East 40th Street, New York, N. Y.

MILD, WHOLESOME BEVERAGES FOR HOME ENTERTAINMENT. Always easy to serve, beer and ale are favored by many hosts and hostesses for home entertainment. Tasty, mild and wholesome—they are ideal beverages for moderation parties.

LAST LION'S ROAR FOR THIS YEAR

In this last editorial for this year, I hope to express my feelings toward the loyal staff of the Lion's Roar.

You have all been very nice to me and have, on a whole, handed in very good write-ups. I want you to know that I appreciate all that you have done for me this year.

Many of you will visit your relatives or friends this summer. While you are visiting them, or during the summer, think of new ideas for the Lion's Roar for next year.

One important factor in making a good paper is: Remember your experiences. These will probably make good feature articles the coming year.

And in this last paragraph of my last editorial of my last paper for this year, I am wishing all of you, including all teachers, a very happy and pleasant summer vacation.

George B. ArmentROUT, P. S.—Don't work too hard!

*SENIORS

*VACATION

I think that it would be very nice to be a senior. Anyone who has a passing average is exempt. Anyone else has to have an average above 90 to be exempt.

The vacation is a mighty good thing. It gives the students, as well as the teachers, a chance to get a rest.

So let's everyone have a good time during the vacation and be ready to go back to work next fall.

After the social whirl and the graduation exercise that the seniors have been through, most of them agree that they need a rest.

Johnny Boyd is planning to visit friends in Comanche for a few weeks during the summer months, and Roy Henderson Jr., is going on a fishing trip to Port Aransas soon.

ent senior class will be in Ozona most of the summer months, preparing for their first year in college in September.

Teachers Announce Plans For Summer

Now that school is over, all of the teachers will be leaving for their different places. Mrs. Arthur Kyle will spend her summer in Ozona.

Exemptions Earned By OHS Students

All Seniors except one or two were exempt in everything. The juniors had five exemptions. They were George B. ArmentROUT in band, physics and English III, and Bobby Lemmons in physics and English III.

SWIM AND PICNIC HONORS ROY HENDERSON

Honoring Roy Henderson Jr., Mr. and Mrs. George Bunker entertained the senior class with a picnic and swim at their ranch home Tuesday afternoon.

The Senses

SEEN— Mr. Denham showing the seniors the south door. They can't seem to keep away from the schoolhouse.

W. C. walking around as if were lost. The seniors don't know what to do with themselves now that they are out of school.

Charles doing well with a junior girl. You certainly were sitting close to her, Charles.

Mary Faye and Boochie so close thought it impossible to see the picture.

Some students cheering because they passed and some because they almost passed.

Mary Bess enjoying a ride with a certain boy, Bess, at first I thought you were asleep.

TASTED— A good birthday supper honoring Gem Ella on her fifteenth birthday given by Shorty.

Refreshments for the seniors. They have been honored with several class parties during the last week.

A bitter dose. Gem Ella thinks that she got even with someone. I wonder if she really did.

FELT— A good, sound spanking. Gem Ella was fifteen years old Friday.

Heart-broken. Most of the girls and boys are going to be on a ranch this summer and are going to miss you town "kids."

Scared. Joy hidden in the back seat of a certain car and not knowing who was in the front seat.

Disappointed when only 15 candles appeared on Gem Ella's birthday cake.

HEARD— The seniors yelling for the seniors on their last day of school in OHS.

Dorothy Hannah had a phone call at noon last Wednesday. Telephones are certainly a convenience on the ranch.

Joy Coates and Miles keeping the phone hot. Miles, isn't he with her from morning 'till dark enough?

That Dorothy Hannah rated a very nice graduation present from an "ex."

Bobby with a pain. He couldn't decide whether it was his heart or appendicitis.

That the band was so sweet it put Jesse to sleep.

"Boochie" calling a certain girl a "snake-in-the-grass."

Gem Ella trying to bribe gossip out of people, but is usually unsuccessful.

A hot argument between Jean and a freshman from Tech. Don't ask me who won.

Miss North singing "God Bless America" in the last period Friday.

Miles and Dub sitting on the corner of West's block Sunday night. What was wrong, boys?

Sidelights In Sports

By Ed Leatherwood

The coach for Ozona, as most people know, will be Dan Patterson of Fort Stockton.

Besides swimming on the Dudley ranch last week, the boys had a small track meet.

The catch in this is that he did this with large pair of cowboy boots on.

One Sonora football player says that they won't have a team as good as the one in 1939.

The freshman class led by R. L. Springer, defeated the coming seniors in the best two out of three games of volleyball.

Jim Dudley and Donald Wilson took first and third sets to capture the annual high school doubles tournament from Roy Coates and Nance 6-2, 7-9, 6-0.

Jim and Donald won the first set without much trouble, 6-2, but Roy and Leslie set them back 7-9 in the second set.

In the girl's tournament Billy Jo and Dorothy Hannah defeated Tincy Kirby and Johnnie Boyd 6-2, 6-4 for the championship.

Dudley-Wilson defeated ArmentROUT-Chapman 6-2, 6-3; Coates-Nance defeated Williams-MoLaughlin 4-6, 6-2, 6-4.

Dudley-Wilson defeated Cox-Tandy 6-0, 6-3; Coates-Nance defeated B. Lemmons-H. Lemmons, 4-6, 6-2, 6-4; S. Lemmons-Hokit defeated Carson-Hannah 6-2, 6-2.

Dudley-Wilson defeated ArmentROUT-Leatherwood 6-3, 6-1; Coates-Nance defeated S. Lemmons-Hokit 6-2, 6-2; Dudley-Wilson defeated Coates-Nance 6-3, 7-9, 6-0.

In the girl's tournament, West-Hannah defeated Drake-Carson 6-1, 6-1; Perner-Russell defeated Miller-Wills 7-5, 6-2; Kirby-Boyd won by default over Drake-Carson; West-Hannah defeated Kirby-Boyd 6-2, 2-6, 6-4.

GRADE SCHOOL NEWS

Second Grade

Tuesday, May 7, the second grade had a picnic over at the kindergarten grounds.

We had potato salad, fruit salad, sandwiches, deviled eggs, pickles, olives, fruit, cake and Dr. Peppers. After we finished eating, we played woodtag.

Third Grade

Thursday, May 9, the third grade took achievement tests all day, given by Miss Allison.

Sixth Grade

The sixth grade had planned for a picnic Thursday at Mrs. Madden Reed's ranch. They had also planned to go swimming, but since it rained, the picnic will be held next Wednesday.

Seventh Grade

The seventh grade went on its annual picnic, Wednesday May 1, after school. The picnic was sponsored by the seventh grade room-mother, Mrs. Sparks, assisted by Mrs. George Montgomery, Mrs. E. M. Harvick and Mrs. George Bean.

Fifth Grade

The fifth grade made an exhibit of mythology. We told how the days of the week got their names; how the stars are in place in the sky and how the flowers got their names.

Fifth Grade

Tuesday afternoon at 5 o'clock the fifth grade had their picnic at the German water hole.

and Mr. Hollon. We also invited Mr. Heath. We stopped playing baseball and went down where they were fixing the picnic.

First Grade

On last Friday the first grade children enjoyed a picnic lunch on the kindergarten lawn. The children had as their guests the first grade mothers and small friends.

THE METHODIST CHURCH
Eugene Slater, Minister

Calendar of services:
Sunday school, 9:45 a. m.
Morning worship, 11 o'clock.
Evening worship, 8 p. m.
Throughout the summer months this church will provide as helpful a series of services as its minister and various officers and teachers are capable of providing. We urge our people to come to church not out of a sense of duty, but out of a feeling of need for the experiences that worship offers. We welcome our members, our friends and strangers in Ozona to all of the services of the church.

Spring Showing Of New GMC Trucks

A nation-wide Spring showing of GMC trucks—planned to acquaint truck operators with the exclusive GMC features available in the extensive line of 1940 models—is being held this week by General Motors Truck dealers throughout the United States.

Preceded by the mailing of localized invitations to truck operators, and accompanied by an elaborate display of window posters, this GMC showing is the most extensive of its kind ever held by GMC, it was announced by C. W. Taliadro, local dealer, today. Explained Mr. Taliadro: "This is our means of demonstrating to the truck user that whether his needs call for a compact half-ton light delivery panel truck or a giant 15-ton super-powered tractor-truck, he can find the right model for the job with his local General Motors Truck dealer."

GIFT SHOWER HONORS MRS. POWELL

Mrs. Charlie Powell was honored with a gift party Wednesday afternoon when members of the Annie Sallee circle and Mrs. Oscar Kost were hostesses at the home of Mrs. Leslie Nance.

Roses and larkspurs decorated the house and ice cream and cake were served.

Present were Mrs. Bill Cooke, Mrs. Cleophus Cooke, Mrs. J. M. Cox, Mrs. S. L. Butler, Mrs. Roy Keith, Mrs. J. P. Pogue, Mrs. Pink Beal, Mrs. Elmon Powell, Mrs. Cecil Hubbard, Mrs. R. F. Powell, Mrs. M. Johnson, Mrs. O. D. Busby, Mrs. Joe Keeton, Mrs. Lloyd Johnson, Miss Leta Powell, Mrs. Harlan Townley, Mrs. Leslie Nance and Miss Maybelle Taylor.

Mrs. Charlie Powell visited her parents in Eldorado during the weekend.

MRS. RAY DUNLAP "FORTY-TWO" HOSTESS

Mrs. Ray Dunlap was hostess to the women of her Forty-two club Tuesday morning when she entertained with two tables of players. Mrs. O. A. Fields was elected chairman for the coming year.

High score prize was given to Mrs. Maurice Cox and low score award went to Mrs. Fields.

Coffee and doughnuts were served to Mrs. Charlie Butler, Mrs. O. D. Busby, Mrs. Lloyd Johnson, Mrs. A. E. Deland, Mrs. Leslie Nance, Mrs. Maurice Cox, Mrs. A. O. Fields, and Mrs. T. W. McLaughlin.

THEATER PARTY HONORS MILES PIERCE

Honoring Miles Pierce and the graduating class, Mrs. Jess Marley, Sr., entertained with a theater party Sunday afternoon. Following the show, Mrs. V. I. Pierce was hostess at her home serving ice cream and cake in the class colors. Motion pictures were shown that were taken on senior day and the band trip.

Guests included were Gladys Jean Wills, Billie Jo West, Bess Parker, Noma V. Miller, Mertis Luther, George Ann Kirby, Dorothy Hannah, Jean Drake, Naomi Collard, Eloise Carson, Johnnie Boyd, Harold Keeton, W. B. Officers Installed At Final Meeting of Jr. Woman's Club

Federation and Golden Jubilee was observed by the Junior Woman's club when they met with Miss Wayne Augustine Thursday afternoon and the new officers for next year were installed.

Mrs. G. L. Neersta talked on "What the Golden Jubilee Means to the General Federation." This was the final meeting for the 1939-40 club year and the retiring officers gave their annual written reports. Chairmen of standing committees also reported at this meeting.

Miss Wanda Watson conducted a short installation service for the new officers, including: President, Mrs. W. E. Friend, Jr.; first

vice president, Mrs. G. L. Neersta; second vice president, Mrs. Ele Hagestein; recording secretary, Mrs. Arthur B. Phillips; treasurer, Mrs. C. J. Van Zandt; corresponding secretary, Mrs. Ed Bean; parliamentarian, Mrs. Rex Russell.

Standing committees for the next club year were named by Mrs. Friend. These committees were: Program, Mrs. Ele Hagestein, Mrs. Doug Kirby, Miss Wayne Augustine and Mrs. Charles E. Davidson, Jr.; year book, Mrs. Marbury Morrison, Mrs. Ed Bean and Mrs. Rex Russell; entertainment, Mrs. G. L. Neersta, Mrs. Arthur Phillips and Mrs. Jake Young; civic, Miss Wanda Watson and Miss Bess Terry; courtesy, Miss Zelma Scott; absentee, Mrs. Walter Augustine and Mrs. Ralph Jones; membership, Miss Totsy Robison and Miss Wayne August-

tine, and finance, Mrs. C. J. Van Zandt.

Members present for the meeting were Misses Wayne Augustine, Zelma Scott, Bess Terry, Wanda Watson, and Mesdames Ele Hagestein, W. E. Friend, Jr., G. L. Neersta, Doug Kirby and Rex Russell.

Trees along the streets of the cemetery here are being pruned and treated against insects the last three days of this week, heads of the Cemetery Association announced. Owners of private lots desiring such service for trees on their lots should get in touch with the tree doctors this week.

Softball's first major casualty of the season occurred Monday night when Bryan McDonald, manager of a team sponsored by the Water Works, suffered a broken ankle bone in a play at home plate. McDonald, catcher for his team, was injured when Donald Wilson slid into the home plate on a close play. J. W. Johnigan recently suffered a lacerated hand in softball play.

Twenty-two persons were made homeless when fire destroyed a house in the Mexican settlement here Monday. The home was occupied by six families, comprising a total of 22 persons, it was reported. The fire, believed to have started from a faulty stove, was out of control by the time the fire department arrived, but the blaze was confined to the one structure despite the nearness of several other frame dwellings.

Included on the tentative list of 132 students announced this week by Registrar Frank M. Allen as candidates for degrees from Baylor University at the June 3 graduation exercises is Joe Glenn Rape, of Mr. and Mrs. I. G. Rape of Ozona, who is seeking the Bachelor of Arts degree.

Mr. and Mrs. Harlan Townley spent the weekend in San Angelo visiting Mrs. Townley's parents, Mr. and Mrs. J. W. Powell.

7 MAIN REASONS WHY-

"I'd rather have a Ford"

1 GOING POWER

—the kind of power that only the V-8 engine can give me—instant response, lightning acceleration, marvelous economy, and swift, smooth, faithful performance. 6,000,000 Ford V-Eights—more than all other Eights combined—say this is the power plant for me!

2 STOPPING POWER

The big hydraulic brakes of the Ford V-8 are far and away the biggest in the low-priced field—a safety factor I've got to have in the new car I buy.

3 SMOOTHNESS

Not only in amazing power does the Ford V-8 engine excel, but in the smoothness that gives velvet quiet. Why should I do without the supreme luxury of 8-cylinder smoothness which no car of fewer cylinders can match?

4 COMPLETE ECONOMY

The combination of low price, low cost of operation, high trade-in value and more extras at no extra cost, makes the Ford the great Economy buy for 1940.

5 POWER TO HOLD THE ROAD

No car in any price field excels Ford in roadability—in keeping "all four feet on the ground" under all driving conditions. This means safety!

6 STAMINA

In staying power, there's no car that can take the rough with the smooth like Ford. There are more Fords on the highway than any other make of car! This sturdy Ford is made to take it.

7 STYLE

Ford set the current modern trend in beauty of lines. And Ford's unequalled paint job makes its beauty permanent.
