Monahans Man Is Killed in Car Wreck

Army Flyers Proclaim Midland as Great Airport City

FIVE KNOWN DEAD IN EARLY MORNING AMARILLO HOTEL FIRE

TWO DIE FROM INJURIES AFTER JUMP

AMARILLO, May 11. (AP)—At least five persons are known to have perished in a fire today which destroyed the three-story Tourist Hotel here early today. Three others, one a woman, are believed to have been injured fatally. The immediate identification of the victims was impossible because of the charred condition of some of the bodies and lack of identification papers on others.

The bodies of three men were found in their beds on the third floor. Two other men, one of whom is believed to be "Buffalo" Atchison of Shamrock, Texas, cattleman, were killed when they jumped from the third floor.

Miss Birdie Rhodes, who operated the hotel with Fred Rogers, a blind man, was injured probably fatally when she also leaped from a third floor window.

Others believed to have been fatally injured were C. H. Welch of Gainesville, and R. Barnhart of Elk City, Oklahoma.

AMARILLO, May 11. (AP)—Two bodies taken from the disastrous hotel fire here today have been identified by police as Raymond Cozart, of Detroit, Texas, and Pete Kearnes of Pine, Colorado.

Fireman said they feared further search of the ruins would reveal other bodies.

The fire started at 3:30 o'clock this morning. Those who escaped said the second and third floors of the structure were in flames before the alarm could be given. Many narrow escapes have been related by guests who were forced to leap into the street.

GRUBBING OF VACANT LOTS IS CIVIC PLEA

Owners of vacant lots within the city limits are urged to have such property grubbed, a city official said Saturday afternoon. The property owners are not asked to cut the grass on the lots, but attention is called to the fact that mesquite bushes are unsightly and are a detriment to civic attractiveness.

By calling the city hall, property owners will be put in touch with a grubbing crew, and details of having the job done will be handled by city employes.

The city does not have a fund for grubbing vacant lots, but will render service in having the job done for property owners who desire such supervision.

TEXAS SOLONS FIGHT IT OUT

AUSTIN, May 11. (UP)—C. D. Neff, Dallas, was struck repeatedly by D. J. Pickel, former county judge of Travis county and a member of the attorney general's department, at the adjournment of the midnight hearing in the house of representatives chamber. The attack followed Neff's charges against the department members.

Neff testified that one department member had offered to sell him an oil painting and another oil leases while the department was considering recommending the issuance of a blue sky permit and the state charter for the corporation he represented.

When the latter charge was made, Pickel rose to his feet and said, "I just want to interrupt to say he is a damn liar." The two men met at the door after the hearing.

Republican Conference To Be Held Here On May 16

Republicans from a large number of West Texas counties will meet in Midland Thursday, May 16, for a regional conference. The session will open at 7 p. m. in the Crystal ball room of Hotel Scharbauer, according to W. A. Hyatt, county chairman, who is in charge of arrangements.

A dinner will be held, honoring Hon. R. B. Creager, Republican national committeeman, and other party leaders who will attend the conference.

Leonard Withington, director of organization, has written from the state headquarters at Dallas to Republicans in this area, as follows:

A regional Republican conference will be held in Midland on May 16, 1929, at the Scharbauer hotel, at 7:00 p. m.

The gathering will include a dutch treat dinner. Hon. R. B. Creager, Republican national committeeman, and other party leaders will attend and speak. Plan to attend and spread the news among your friends; the meetings are open to all who are interested.

For further details get in touch with the executive committeeman or county chairman of the county where the meeting is to be held. If you plan to attend the dinner, please make your reservations with W. A. Hyatt, county chairman of Midland county, at Midland, who is in charge of this.

Survivor of The "Three Musketeers" Pilot on Bomber

H. V. Pulenski, only survivor of the "Three Musketeers," famous flying aces, was one of the pilots of bombing planes when the army squadron landed at Midland airport today.

This information was confided to a representative of The Reporter-Telegram by one of Pulenski's companions.

It will be remembered by many that the other two flyers of the "Three Musketeers" were killed last fall at Los Angeles, one when his plane cracked up while he was stunting before a grandstand; and the other about a week later when taking off from a field.

CITY AUDIT TO BE MADE DURING SUMMER MONTHS

Audit of the city's financial affairs will be postponed until later in the summer, a city official announced Saturday, due to the fact that there is not room in the present business office at the city hall and fire station for the auditors to work.

The office is so small that not even the corps of city employes can work to advantage.

Every account and department of the city will have a thorough audit, and the financial statement will be published, the city official stated.

Car Load Paper Received By The Reporter-Telegram

Shipment of the first car load of printing paper ever consigned to Midland was received Friday by The Reporter-Telegram, and was unloaded and stored in the old Reporter building Saturday.

The shipment consisted entirely of newspaper stock, on rolls for four, six and eight pages, to be used on The Reporter-Telegram's high speed Duplex press.

In the shipment were 47 rolls of paper, making a total weight of more than 41,000 pounds. The paper came direct from the Powell River mill at Vancouver, British Columbia.

Lowke Already Selling Produce To Grocers Here

F. E. Lowke, young Midland farmer who moved here about two years ago from Vernon, bought a good farm and started in improving it, is already bringing produce in every day and selling it to Midland grocers. Along with other garden truck, he is growing and selling an excellent variety of white radish and his grocers have sold out quickly with each order.

WILL SPEND NIGHT ON RETURN

Barbecued Beef Is Prepared By Floyd

Army flyers conquered Midland Saturday, and Midland conquered Major Carl Spatz and his 55 officers and men. They said so.

The 21 planes began landing on the Midland field about 10:40 and popped down fast up to 11:25. Major Spatz himself landed a little after 12. The flyers began taking off a little before 2 p. m. for Fort Sill, Oklahoma.

Major Spatz and his men want to spend the night in Midland on their return from maneuvers in Ohio about May 28, and gave assurance they would make Midland a night stop. Major Spatz said the squadron would be in Midland for a night stop either May 28, 29 or 30.

Officers of the squadron say they got their ships serviced in Midland faster than at any point on their route. Harold M. Becherer had his forces so well organized that the ships were serviced in an hour and 30 minutes. At another point en route it required three hours and 30 minutes to service the planes.

Becherer was assisted by H. B. Dunagan and Ray Veale.

Major Spatz made the following official statement to Captain Frans D. Gore, who is taking the lead in assisting Midland to become an Army airport point: "There has never been anything like this. We have never been entertained anywhere we have been like the Midland people, through their chamber

LOW RATES FOR RE-UNION; SEE M'CLINTIC BROS.

Confederate veterans or their sons who contemplate attending the annual convention at Charlotte, N. C., June 4 to 7, should see Harry or Charles McClintic to get their membership cards duly signed if they expect to take advantage of cheap rail rates. The McClintic brothers have this matter in charge in Midland, and they are regular attendants themselves at all Confederate gatherings.

Nazarenes Have Postponed Their Revival Meeting

Announcement was made yesterday that the revival meeting which was to have been conducted, beginning Friday, by the Nazarenes has been postponed because of inability to secure enough workers.

The Presbyterian church building had been offered to them for their week night meetings, but Rev. Murphy was advised that the revival would be postponed.

FORD DEALERS INCORPORATE WITH NEW NAME

Announcement has been made that the Cowden Motor company, dealers here in Ford and Lincoln automobiles, has been incorporated under the name of Cowden-Epley Motor Company, Inc., and J. Homer Epley, who has been manager for some time, becomes substantially represented as a stock holder.

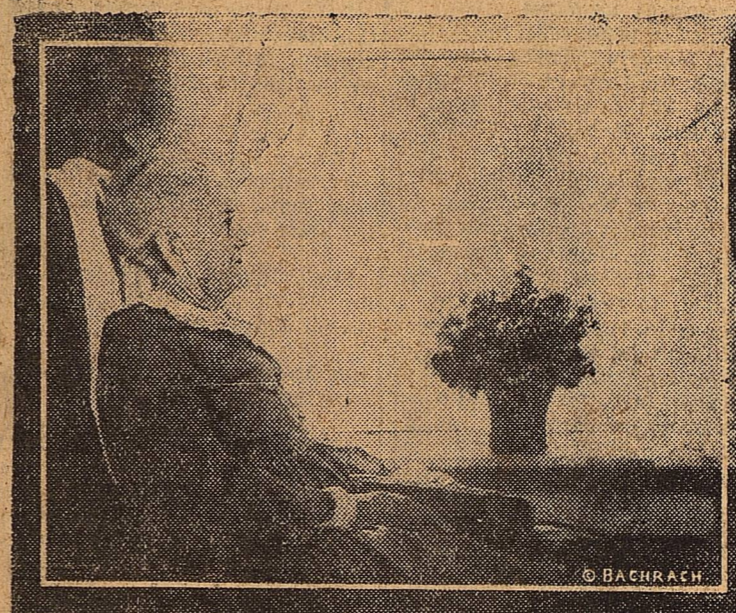

The change took effect March 1, but announcement was not made public until this week.

Mr. Epley has operated the business for the past three or four years, and is regarded as one of the leading Ford dealers of this section.

REPUBLICANS PLAN TOUR OF STATE

DALLAS, May 11 (UP)—The republican Texas leaders, headed by R. B. Creager, national committeeman, completed plans today for a series of regional meetings throughout the state during the next two weeks.

Beginning here May 13 with a meeting of the state republican executive committee, the trip will take them to Amarillo, El Paso, Houston, Beaumont, up the Louisiana-Texas border and into North-east Texas. The trip will be completed at Denison May 25.

MOTHER
Mother dear, of you I'm dreaming,
And your loveliest face appears
In the golden sunshine streaming
Through the window of the years.
In that tender vision gleaming
Shines the infinite of grace,
For the smile of God is beaming
In the lovelight of your face.
—Clarence M. Burkholder.

TRANSFER FOUR CRIMINAL CASES TO ECTOR COUNTY

Four criminal cases were transferred Saturday from the district court of Midland County to that of Ector County, according to Sam K. Wasaff, acting district attorney.

The cases include two charges of cattle theft, one of assault with intent to murder, and one of burglary. District court opens in Odessa Monday.

Wasaff stated that notice of transferring the cases to Ector County was authorized by District Judge Charles L. Klapproth at 4 o'clock Saturday afternoon.

WIFE KILLED IN AUTO WRECK

GONZALES, Tex., May 11 (AP)—Mrs. Frank Besenberg was killed and her husband was seriously hurt when their automobile overturned on the Old Spanish Trail near here today.

Mexicans Drowned In Kansas Flood

HERRINGTON, Kansas, May 11. (AP)—Four unidentified Mexicans were drowned, three have been reported as missing and at least ten persons are in hospitals suffering from injuries or exposure as a result of the flood of Lime creek, which swept through here today after an eight-inch rain.

ACCIDENT FAILS TO STOP FLYING FOR AVIATRIX

Mrs. G. H. Byrne, injured in a crash Wednesday when she and her husband fell in their diminutive monoprop to the Big Spring airfield, will not let the accident lessen her desire to be in the air once more, it was learned Saturday from press members of the neighbor city.

Mrs. Byrne, trussed up with a broken arm and minor injuries, is in a hospital. Like the football player or the cestus boxer of the old Roman school, however, she has that remarkable fatalism that causes her to wally laugh at danger, even in the face of it: grim toll.

A peculiar sort of "hard luck" has dogged the Monoprop ever since it was flown out of the factory. On the way to Big Spring the undercarriage was almost "washed out" in landing in a Missouri town. On its first flight in Big Spring the trucks did wash out. Rebuilt at the factory, T. J. Richards, flying instructor, landed it at Big Spring and that night the wind tore it loose from the moorings, and it was smashed up. The Wednesday accident has already been told.

Honoring the Class of 1929

It is with pride as well as pleasure that The Reporter-Telegram dedicates this issue to the graduating class of 1929 of Midland high school.

Elsewhere in this issue appear news stories having to do with commencement exercises and school departments; and also photographs of high school seniors and school officials.

Midland business institutions have also taken advantage of this opportunity to extend congratulations and best wishes to the students who are completing their high school work.

WASAFF TO AID PROSECUTION OF R. H. HAMILTON

Following his announcement of the probability of prosecuting the case of the State of Texas vs. Judge R. H. Hamilton, Amarillo attorney and former judge of the court of criminal appeals at Austin, who recently shot and killed Tom Walton, Jr., young university student, who had secretly married Hamilton's daughter, Sam K. Wasaff, Midland county attorney, said Friday night that he had definitely decided to enter the case as special prosecutor for the Walton family.

Wasaff is an old friend of the family, he revealed to a staff writer of The Reporter-Telegram.

He stated that his hesitancy in accepting the call to join in prosecution of Hamilton was caused by indecision as to whether he could collect fees outside the county, his office of county attorney here apparently standing in his way.

The matter of the legality of this has been cleared, however, Wasaff said, and he will be present at the opening.

Date for trial has not been set, he said.

HAMILTON ON STAND

AMARILLO, May 11. (AP)—The arraignment of R. H. Hamilton, on the charge of murder for the slaying of his son-in-law, Tom Walton, 21, a week ago today, was scheduled for this afternoon, the district attorney announced.

Mrs. Hamilton reached this city today from Austin, where she has been with her daughter, Theresa, 19, Walton's widow. She would neither admit nor deny that her daughter had accompanied her to Austin. Other efforts to ascertain whether Mrs. Walton were in Amarillo proved futile.

TRIAL DATE SET

AUSTIN, May 11 (AP)—Associates of Tom Walton Jr., were sought here today by Amarillo officials who were seeking evidence having possible bearing on Walton's killing last Saturday by his father-in-law, R. H. Hamilton, at Amarillo.

E. W. Thomerson, Amarillo district attorney, said the state is ready for the trial which today at Amarillo was set for June 13, after Hamilton had pleaded not guilty on arraignment.

Hamilton is still held in jail without bond.

BAPTISTS UPHOLD WOMEN'S RIGHTS

MEMPHIS, May 11. (AP)—The literal application of the scriptural injunction that women should be silent in the church was unsupported in the Southern Baptist Convention here today when the motion of rescinding the invitation of Mrs. W. J. Cox, Memphis, to address the body was defeated.

Liquor Violators Pronounced Guilty

HOUSTON, May 11 (AP)—John Nounes and George Musey of Galveston were found guilty of liquor law violations by a jury in federal court here today in connection with the seizure of the liquor-laden yachts Lena and Imperator near Seabrook last May. The cargoes were valued at \$75,000. Six men were arrested at the time of the seizure.

THREE MEN AND BOY HURT

K. Bolton Is Victim When Automobile Turned Over

K. Bolton, about 40, of Monahans, was killed about 7 o'clock Saturday night when a sedan in which he was riding turned over on a pasture road near Monahans; Vinson Andrews of Monahans, and who was a telegraph operator here about six months ago, was injured and had not regained consciousness late last night; the small son of Mr. Andrews was injured; and Jim Tubbs, well known Monahans cattleman, was hurt internally.

The three men and the boy were riding in the sedan, returning from Mr. Tubbs' ranch about 7 or 8 miles south of Monahans, and the car turned over two or three times after a wheel had broken off, according to information received here by Mrs. Bud Estes last night.

Bolton was a brother-in-law of Mrs. Estes brother, N. E. Fielding, of Monahans. All of the men were well known in Midland and in the country lying west of here.

The extent of the injuries which the Andrews boy received had not been determined last night.

Reporter-Telegram To Subscriber By Air Mail Daily

Delivery by air mail is being made daily by The Reporter-Telegram to Mrs. W. B. Elkin, who is at the bedside of Mr. Elkin, at Rochester, Minn. Their daughter, Miss Lula Elkin, is also with them.

In order to get the paper there as soon as possible, so that they can receive Midland news immediately after it happens, F. F. Elkin ordered The Reporter-Telegram sent each day by air mail.

Sinclair Denied Tips To Jail Attendants

WASHINGTON, May 11. (AP)—Major William Peak, superintendent of the Washington jail, today said he had advised his wealthy prisoner, Harry Sinclair, against tipping jail attendants. He said that such is not to be permitted.

Florida Citrus Fruit Quarantined

AUSTIN, May 11. (UP)—Quarantine against Florida citrus fruit is to be declared today, State Agricultural Commissioner George Terrell announced. The order prevents the entry into Texas of citrus canker, scaly bark and the Florida white fly.

HIGH SCHOOL GRADUATES

It was with more than the usual pleasure that The Reporter-Telegram today dedicates a special section of the paper to the Midland High School graduating class of 1929.

In this group of 49 seniors, 31 girls and 18 boys, are the future average citizens of Midland and of other cities; men and women of every vocation.

These young people are fortunate in being graduates of Midland High School, a school recognized by the leading colleges and universities of the nation as giving a background which fits a student for higher learning in any branch.

In leaving Midland High School, where many believe some of the happiest days are spent, these boys and girls of Midland are embarking upon the more serious side of life with a good start.

THE SUN GOES DOWN

News items from Big Spring advise that the Big Spring Sun, a semi-weekly newspaper, has ceased publication after eleven issues.

The paper, according to the dispatches, had been conducting a prize automobile subscription campaign, giving votes with subscriptions. Many Big Spring people probably put money into the campaign, expecting to receive the paper regularly. What will they get for their money?

Big Spring had one good paper, and still has, the Big Spring Herald. With an investment of \$65,000 or \$75,000, it is there to stay, and newspapers must have real capital to exist, just as any other worthy business. Why should money be spent patronizing an institution which has no visible investment or plant?

Midland people have been "taken in" on schemes when there was no foundation for patronage, as people of other cities have; and the public will always do well to investigate before investing.

ENGLAND TAKES TO GRAPEFRUIT

The grapefruit, these days, is an established part of the eat American breakfast.

Every morning it appears on millions of breakfast tables. It is a fine started for the regular bacon-and-eggs program.

Now, it appears, the British are getting the habit. The Department of Commerce has just discovered that England is now our best foreign market for grapefruit. Last year, for example, more than 421,000 boxes of the fruit were shipped from the United States to England—as contrasted with a mere 15,000 boxes five years ago.

This is good for everybody concerned—good for the English householder, who gets a nice addition to his breakfast menu, and good for the American fruit grower, who gets a broader market for his produce.

"I LOVED HER"

The young man recently arrested in New York, accused of strangling his young wife, taking her body to a deserted spot in the country, drenching it with kerosene and setting it afire, has voiced the usual protest of the man caught in an act of that kind.

"I loved her," he cries. "I loved her madly. Don't let there be any doubt about that. I wanted her to come back and live with me." Time after time this sort of remark has been made by men who have committed similar crimes. Sometimes, no doubt, the murderer means it; and sometimes, perhaps, he is thinking of its possible effect on a sentimental jury.

Offhand, however, one would say that choking a woman to death and burning her body is a peculiar way of demonstrating affection for her.

A CHANCE TO BLUNDER

The present Congress is going to have some knotty problems to solve in connection with the new tariff changes. It will have plenty of chances to make blunders.

Chief among these chances is that presented by the proposal to lay a heavy import tax on sugar from the Philippines.

The situation in the Philippines, thanks to the wise administration of Governor General Wood and Stimson, has improved immensely in the last few years. The demand for independence is no longer the sharp, acrid thing it was a short time ago. More and more the Filipinos have come to realize that the retention of the islands by the United States will work to their own advantage.

To slap a stiff tariff on Philippine sugar would be to end this happy situation and bring back the old dissatisfaction. Overnight the "Philippine question" would become vexations again. The painstaking work of conciliation would be undone.

A SKYSCRAPER'S AGE

Things grow old quickly in this modern world. In Chicago, a matter of 35 years ago, was built the world's first skyscraper—the Tacoma building, 14 stories tall, erected on a new principle which made a steel framework carry all the weight.

For years it was a marvel. Architects studied it, and the lessons it taught led to construction of the towering buildings that mark every American city.

But now it is being torn down—after a scant 35 years of life. It is out of date—too small, too cramped. In its place will rise a building three times as high.

Alibi Described As Thriller In New York Papers

Cuttings from New York papers about "Alibi," the thrilling talking picture which will be at the Grand Theatre tonight, describe it in glowing terms. Following are the comments made in the New York Mirror and the New York Telegram-Mirror: "Alibi Tops All Thrillers in Talkies. A knockout. Hold on to your chairs, children, when you see 'Alibi' for there are more thrills in it than the roller coaster of Palisades Park. A great crook story. Marvelously acted under the inspired direction of Roland West. It's the best crime picture which has hit Broadway. Chester Morris gives the greatest performance the talking pictures have yet offered. A remarkable piece of acting. The movie heroes will have a long way to go before they can top his work. If you like crime pictures, don't miss 'Alibi.' It tops them all."

Telegram: "In 'Alibi' the United Artists production, Roland West, who directed the picture, has not only successfully combined his knowledge of both stage and screen, but co-ordinated their individual technicalities to such a nicety that it takes on a more intriguing semblance than did the play from which the picture was made. 'Alibi' is an exciting and interest-compelling melodrama with numerous interlarded dramatic and thrilling sequences. The third degree scene is one of the finest sequences of the picture. Chester Morris proves that he is an exceptional find for talking pictures. He has the natural portmanteau ability that the screen demands along with experienced dialogue voice. His portrayal of the gun-man crook will be remembered as one of the finest bits of work given to the screen this season. Regis Toomey is another find and brings one of the finest bits of character portrayal to the film."

PERSONALS

Mr. and Mrs. K. B. Leggett and daughter, Ruth, and G. H. Blackburn, all of Abilene, arrived this morning to spend the week-end with Mr. and Mrs. B. N. Aycock.

Mrs. Yates Brown has returned to her home in Merkel after visiting a week with her mother, Mrs. B. A. Wall.

Mr. and Mrs. Addison Wadley and daughter, Marian, are in Pecos, Texas.

STUDENTS OF ART STUDIOS TO BE PRESENTED IN CONCERT AT HIGH SCHOOL AUDITORIUM

Announcements were made yesterday of the dates that students from different schools of music, dancing, speech and other arts will be presented in spring recitals.

On Wednesday, May 22, Mrs. Paul T. Vickers will present her students of expression, voice and dancing at the Midland high school auditorium. Many features have been added to this annual program, according to Mrs. Vickers. It will be colorful, entertaining and novel. The hour of the presentation has been set for 8 o'clock.

Students of Mr. Wallace Wimberly, piano instructor, will be presented on Thursday, May 23, at the high school auditorium. Heavy piano numbers have been arranged

visiting with relatives and friends over the week-end.

Mrs. George Ratliff is in Fort Worth spending Mother's day with her daughters, Misses Francis and Dorothy, who are students in Texas Christian university.

Reports from the McKinney hospital state that Mrs. E. H. Braswell, who underwent an operation there this week, is resting nicely.

Mrs. Myrtle Aycock of Breckenridge is a house guest in the home of her parents, Mr. and Mrs. John Haley.

Mrs. John B. Thomas and children, Read and J. B., Jr., went to Big Spring Friday afternoon and are spending the week-end with Dr. and Mrs. J. H. Hurt.

J. H. Payne and family, and E. C. Auston and family went to Balmorella yesterday and are fishing on the lake near there this week-end.

Mrs. A. Harry Anderson is leaving Monday morning for Clarksville, Tenn., to visit two weeks with her sister there.

Fred Girdley left Saturday morning for Houston where he will be several days on business.

MR. AND MRS. MEANS PARENTS OF NEW BABY

Mr. and Mrs. R. M. Means of Andrews announce the arrival of a new baby girl, April 30th. The young lady is at home with her parents in Midland at 614 N. Carrixox street.

Presbyterian Auxiliary Has Annual Party

The Woman's Auxiliary of the Presbyterian church has issued invitations to more than one hundred women to attend their annual birthday party. The auxiliary will be seventeen years old, since it was in 1912 that "The Ladies Aid" and "The Woman's Missionary society" of the Presbyterian churches U. S. were combined into one organization and given the name, "The Woman's Auxiliary." In May, 1922, the auxiliary of the church celebrated the tenth anniversary of their organization. It was in this year that the General Auxiliary initiated the plan of celebrating its birthday by making a gift of twenty-five thousand dollars to Miss Dowd's School for Girls in Koenig, Japan. This led to an annual celebration of the auxiliary birthday.

no older than the golf course. The birthday gifts have been as follows: In 1922, Miss Dowd's School in Japan; 1923, Pres.-Mex. School for Mexican girls at Taft, Texas; 1924, the home of the president of the Assembly's Training School for Lay Workers at Richmond, Virginia; 1925, Charlotte Kemper School for Girls, Lavras, Brazil; 1926, the endowment of the Bible chair at Oklahoma Presbyterian college, Durant, Oklahoma; 1927, Jennie Speer's School for Girls, Kwangju, Korea; 1928, a Nurses' Training School at Stillman Institute, Tuscaloosa, Alabama. Stillman Institute trains the colored men and women of the Presbyterian church U. S. in head, heart and hand and enables them to become better citizens, wives, mothers and homemakers. The birthday gifts for the years beginning with 1922 have totaled about three hundred thousand dollars, a very worth while contribution to the betterment of the girlhood of the world. The custom is for each auxiliary member to bring as many pennies as she is years old. However, as this is purely voluntary, each brings what she desires to give, be it large or small.

Each year the auxiliary adopts a motto and for this year it is, "Walk in Love as Christ Also Hath Loved Us," Ephesians 5:2.

In carrying out this motto it seems especially appropriate to the Texas auxiliaries that the birthday gift of 1929 will go to two schools for Mexican girls. These schools are located at Chilpancingo and Zitacuaro, Mexico. The auxiliary is hoping to raise sixty thousand dollars this year, which will be dedicated to the education of Mexican rural girlhood and enable many to learn of Jesus Christ.

The birthday offering last year fell far below those of the preceding years, and so the General Auxiliary is endeavoring to make 1929 a record year in love gifts. As women love a bargain and as the gifts go to two schools, the slogan of the birthday party this year is "Double Your Birthday Offering." "Hands Across the Rio Grande" is the pageant which will be given on Monday afternoon at the Presbyterian church at 3:30. This is a dramatization in two scenes, presenting the needs of Mexican girlhood and womanhood.

The invitations sent out were in the Mexican colors of red, white and green. The decorations on Monday will be in the same colors, and Mexican flags will be used to lend color to the occasion.

Mesdames E. G. Bedford and C. E. McCool will be the hostesses on Monday. Mrs. Andrew Fasken will give the devotional and preside during the meeting. Mrs. Florence Richardson is training those who will present the pageant. Every Midland woman who prefers the Presbyterian church is invited to be at the church Monday.

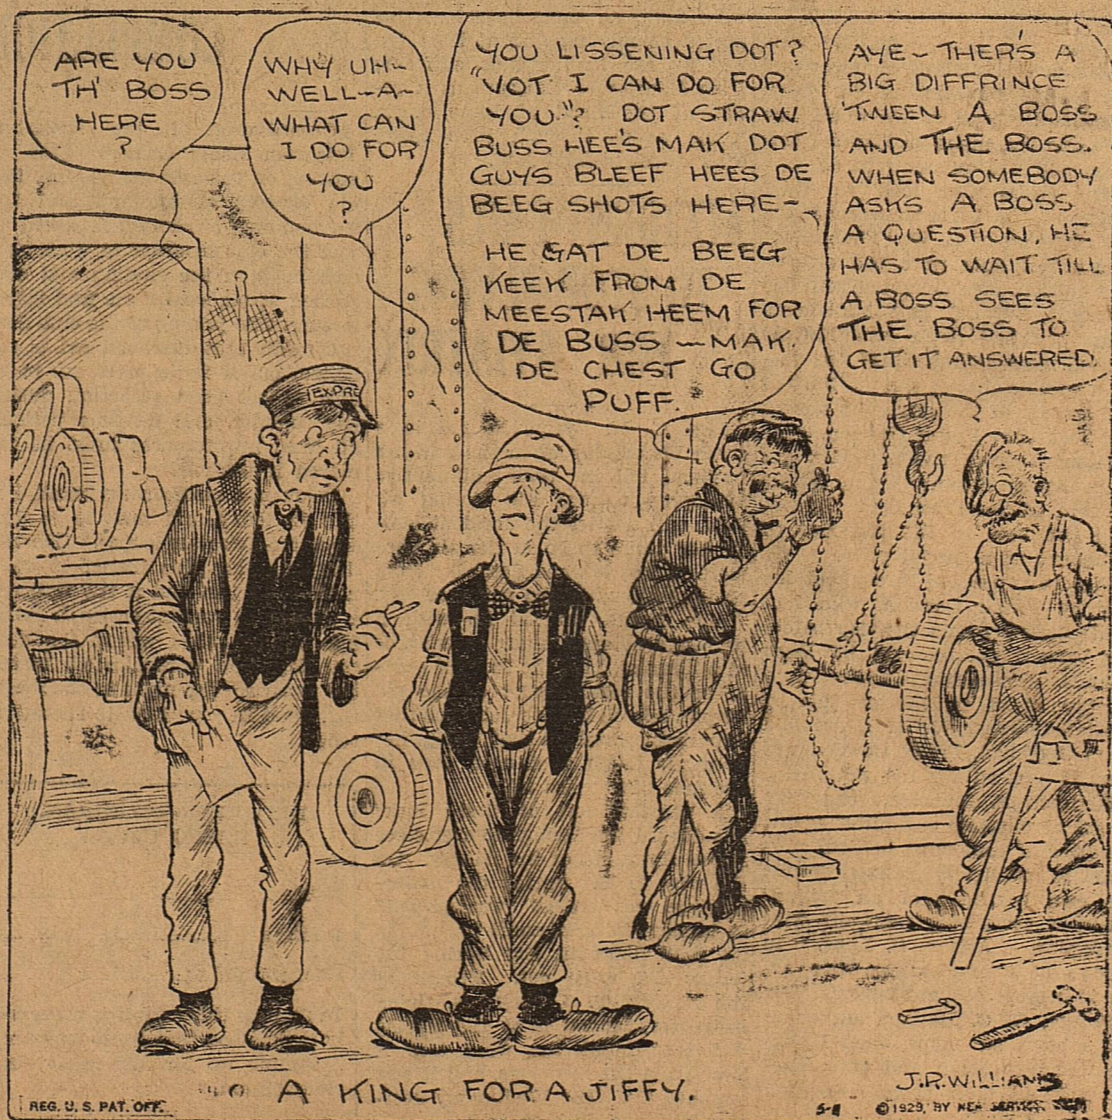

Reporter-Telegram Blanks

Midland may have had a hand in bringing out a gubernatorial candidate Thursday. Telegrams were sent from here urging the legislature to kill the state income tax bill. The bill was killed Thursday night. Its author, Representative Mauritz, then threatened to run for governor so that he can carry his tax measures before the people.

Addison Wadley found the skull of a pre-historic animal on the Country club golf course. Geologists, according to a Midland correspondent to state papers, say that the animal must have existed about 3,000 years ago. Another school of scientists think maybe someone killed a gink, and that the skull is

TRIBUTES PAID TO MOTHERS AT THE LOCAL CHURCHES BY MUSICIANS

Highest tributes are being paid this week-end to Mothers by many of the organizations of the city. Not only have greetings gone to Mothers in the form of remembrances but also by naming them honor guests at social affairs and by giving programs in honor of them on "Their Day." Church choirs have planned musical numbers in honor of the same services ministers will deliver addresses in compliment to Mothers. Sunday school class meetings will give emphasis in programs this morning.

Christian Choir
Under the direction of Mrs. Lee Cornelius members of the Christian church choir and musicians have arranged an entirely musical program to be given at the evening hour of worship at 8 o'clock. The following numbers will be offered: "The Sweetest Story Ever Told," by the choir; anthem "O Mother of Mine;" solo, "My Mother's Song," by Mrs. Van Camp; quartette, "O Mother of Mine;" Mesdames Breneman, Vandeventer, Messrs. Lezer and Eldin; reading, Mrs. Don Carlos Davin; anthem, "Songs My Mother Faught Me;" duet, "That Wonderful Mother of Mine," Miss Graves and Mrs. Vandeventer, and hymn, "Memories of Mine."

Junior Department Program
Members of the Junior Department of the Baptist Sunday school will honor Mother's day with a special program in the department assembly at 10:30 this morning. The Junior Orchestra of the Watson School of Music will offer musical entertainment at this hour. Master Duffy Stanley will also be a feature in this program. He will sing several numbers. As a tribute to mothers, May Beth Judkins will read.

Colorful Pageant
Young people of the Baptist church will present a Mother's day pageant at the evening service of the church today. "Crowning the Queen of Love" is the name of the production directed by Miss Virginia Anne. With the setting of the play in a garden the Queen of Love will be crowned and tributes in the form of poetry will be given by several of the young people.

Methodist Church
The morning hour at the Methodist church will be marked by several musical numbers. At the Sunday school meeting Barney Grafa will sing and at the church meeting Mr. Charles C. Watson will sing.

MOTHER MINE

When I was a babe in your arms,
Mother mine,
Held tenderly close to your breast,
You thrilled with that love which is almost divine.
For the burden you fondly carried;
And your voice was as clear as a bell,
Mother mine,
Like soft pools of light were your eyes,
As you pressed me to you in the way
Mothers do,
And sang me your quaint lullabies

Grim Time has been hurried and harsh,
Mother mine—
Your voice has flowed by with the years,
And your eyes often seem to forget to shine—
They have been dimmed by the salt trail of tears.
They say you are broken and old,
Mother mine,
That you have but a short time to live;

Ere I shall have lost you, the pang
I have cost you
I beg you dear Mother, forgive,
Your features are wrinkled and worn,
Mother mine;
Your body is crippled and lame;
It is true you are descending the last long incline,
But, Oh, you have played a great game!

Where ever I go in this world,
Mother mine,
Whatever the work that I do,
Where ever I fare, I shall have but one care,
Some day to prove worthy of you,
Mother mine.

—A. M. Bourell.
Amarillo Daily News.

Mrs. W. G. Whitehouse is visiting relatives this week-end in Abilene.

C. C. Watson and J. P. Inman left yesterday for the Concho river where they will spend a few days fishing.

Holt Jowell is in town from his ranch in Andrews county for the week-end.

Presbyterian Church
The pastor of the Presbyterian church will speak this morning on "Our Mothers," with the choir, under the direction of Mrs. Andrew Faskan, rendering special songs and solos.

Tells Police Her Story

Mary Mastromarino, 19-year-old New York girl, whose charges against Dr. Charles B. Brancati in connection with his mysterious disappearance with \$200,000 are being investigated by police. (International Newsreel)

Bluebird Class Compliments Mothers

One of the social events honoring the occasion of Mother's day was on Friday evening, when Mrs. Iva Noyes entertained the members of her Sunday school class, the Bluebirds of the Methodist church, and their mothers in her home.

Later in the evening, Ray Gwyn, Henry Baddock, Clyde Gwyn, Wesley Shull and James Killough joined the girls and the hours were very pleasantly spent in games and contests.

The hostess assisted by her mother, Mrs. Charles Adams, served brick ice cream made in the class colors, of blue and white, with cakes and mints to the following guests: Miss Georgia Barber, Mrs. Lorene Slater, Mrs. J. L. Rush of Big Spring, Mrs. Everett Kiebold and mother, Mrs. W. M. Beauchamp, Mrs. L. O. Manning, Mrs. Tom Manning and mother, Mrs. A. J. Norwood, Miss Mildred McCleskey and mother, Mrs. A. H. McCleskey, Miss Nellie Stephenson and mother, Mrs. L. C. Stephenson, and Mrs. C. W. Wreyford.

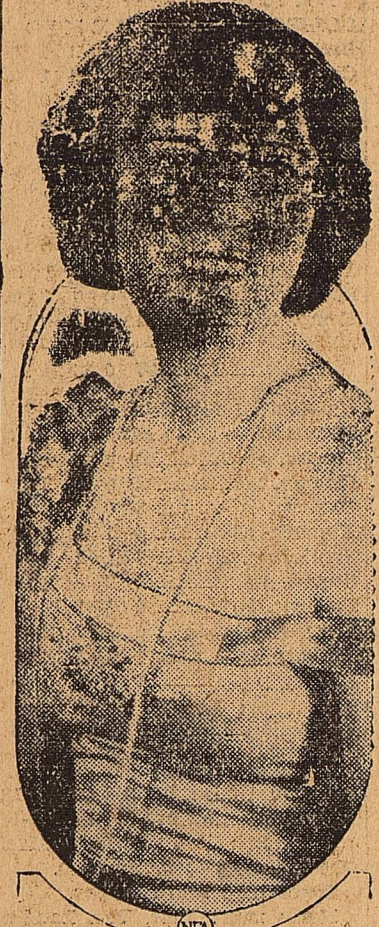

Mrs. C. E. Seally of Midlothian, Texas, is visiting her sister, Mrs. R. M. Means, at 614 N. Carrizo.

Mrs. Hunter Irwin and Miss Mildred Jackson are in Midland this week from their ranch.

ETHEL by Ethel Hays

Maid of Honor

Miss Dorothy Greathouse of Wichita Falls, Tex. has been appointed maid of honor on the staff of Edmund Richardson Wiles, commander-in-chief of the Sons of Confederate Veterans, at the Confederate reunion to be held in Charlotte, N. C. in June. Miss Greathouse is widely known as a singer.

Misses Allie Mae and Annie Frank Stout are spending the week-end with their cousin in Lamesa.

MOTHERS AS GUESTS OF SONS

Mothers of the members of the Flying Eagle class of the Methodist church were honor guests at a social affair at the Methodist parsonage Friday evening, with their teacher, Mrs. Stanley Haver as hostess.

Pretty larkspuds and wild flowers made the rooms attractive where a program of tribute to mothers was given by the boys.

Barney Grafa and Fount Armstrong directed games. A. W. Stanley and Mervin Haag were members of the reception committee, and Billie Pratt, Jack Prothro and Lawrence Whitmire were in charge of the refreshments.

During the program hour, Jack Prothro read for the group and was followed by Barney Grafa singing "Sonny Boy." A saxophone and cornet trio was played by Jack Garlington, Mervin Haag and Barney Grafa. Closing the program was a reading by Jack Garlington.

Party plates carrying ice cream and cake were passed to the follow-

Students to Be in Revue

Students of Mrs. Paul T. Vickers will be presented in a musical revue at the Ritz theatre Thursday and Friday evenings of this week. Novelty numbers in dance, reading and song will be given. The artists will come on the stage about 8:30 each of these dates.

GIRL BORN TO MR. AND MRS. MOXLEY OF ANDREWS

Mr. and Mrs. R. A. Moxley of Andrews are announcing the arrival of a baby girl May 8th. The young Miss was born at the Thomas hospital.

ing mothers and their sons: Mrs. B. Frank Haag and Marvin, Mrs. B. G. Grafa and Barney, Mrs. J. O. Garlington and Jack, Mrs. J. M. Prothro and Jack and Robert, Mrs. T. W. Long and son, Mrs. F. B. Armstrong and Fount, Mrs. A. W. Stanley and A. W., Jr. and as special guests were Mesdames J. H. Osborne and M. J. Allen.

FINE ARTS CLUB PRESENTS LOCAL ARTISTS IN AFTERNOON PROGRAM AT HOTEL SCHARBAUER

The final observances of National Music week was the presentation of local artists in an afternoon recital by the Fine Arts club in the Crystal room of Hotel Scharbauer.

The program was opened with greetings brought by Mayor Leon Goodman who told the significance of the week and also read Governor Moody's proclamation.

Members of the Student's Symphony Orchestra of the Watson School of Music opened the musical numbers by playing "Spanish Dance." This was followed by an encore, "A Southern Melody."

Mrs. Paul T. Vickers, local teacher of speech arts, next told the origin of Music week, which was in Dallas several years ago, and also Music week's purpose and its scope.

Mrs. Lee Cornelius then delighted the group with a piano selection, "Waltz in E Minor," by Chopin. Miss Stella Mae Lanham, instructor in expression read a paper by Henry Ward Beecher on music, which she closed with a reading.

"The Land of the Sky Blue Water" and "Out of the Dusk" were numbers sung by a quartet including Mesdames Van Camp, Leon Goodman, Misses Lillie B. Williams and Lura Bess Birdwell, accompanied by Mrs. Kenneth E. Ambrose.

Accompanied with music on the violin and piano by Mr. and Miss Watson, Mrs. Marshall Brown read with unusual poise "The Highwayman."

The number "Sonata Pathetique," played at the piano by Mr. Wallace Wimberly, piano instructor, was received with unusual applause. He played a light melody as an encore.

Stories of American songs was given by Miss Leona McCormick. In an interesting way she told of some of the old melodies and tunes which are still favorites in the musical world. Her number was closed with a reading.

Miss Lydia Watson, at the piano, and Mr. Ned Watson, playing the violin, the composition "Czardas" was well interpreted. They played as an encore "The Last Rose of Summer."

The afternoon's program was closed with a selection, "Patriotic," by the orchestra from the Watson Music School.

Committees for the week have expressed their sincere appreciation of everyone who co-operated with them in observing National Music week and especially those who were not members of any local artists club.

BABY BOY BORN TO MR. AND MRS. E. H. STAFFORD

News of the birth last night of a nine-pound boy to Mr. and Mrs. E. H. Stafford was received happily by friends here. Mrs. Stafford and the new boy were doing nicely at the Thomas hospital.

Misses Allie Mae and Annie Frank Stout are spending the week-end with their cousin in Lamesa.

KAL SEGRIST LEADS PONIES IN WIN OVER COLEMAN 7-6

FOUR HITS IN FOUR TIMES AT BAT

Kal Segrist galloped over the diamond Saturday like a young school boy and led his Colts to a 7 to 6 victory over the Bobcats from Coleman in the second game of the present series and incidentally to win the second game for Midland of the season. Making stops that even surprised those who were followers of his when he used to roam the hot corner of the Texas League, Kal turned in a perfect record for the afternoon and his place at the bat was so hot that none of his youngsters were able to come anywhere close to it. Taking his place four times up he connected safely each time, a home run, two doubles and a single.

Last Frame Exciting
Coleman had the Midland fans on their feet and almost praying when they attempted to stage a last-inning rally that came near to being successful. Two runs behind the Cats' heavy artillery led off. Best grounded out. Carpenter followed him and worked Davis for a walk. Moore dug in at the plate and connected for a double, his only hit of the game. Holloway, big clean-up, dropped a single over the infield to score Carpenter. Moore over-ran third and was caught off the bag. Milton went in to pitch for Davis and he made Stebbins fly out to Kinnear in deep center.

Van Landingham and Best also connected for the circuit while Cheeves and Burrows both had very good days at the bat.

First Inning
Coleman—Best grounds to Segrist. Carpenter singled. Moore out to Burrows. Holloway flied to Flowers. No runs, one hit, no errors.

Second Inning
Coleman—Stebbins singled to right. Cryer forced Stebbins. Crumpton hit into a double play. Segrist to Van Landingham to Burrows. No runs, one hit, no errors.

Third Inning
Coleman—Cohn fanned. Perry fanned. Best hit for the circuit inside the park, the ball rolling thru center field to the fence. Carpenter singled. Moore was out to Carpenter. One run, two hits, no errors.

Fourth Inning
Coleman—Holloway flied to Kinnear in deep center. Stebbins singled to left. Cryer hit into a double play. Segrist to Van Landingham to Burrows. No runs, one hit, no errors.

Fifth Inning
Coleman—Crumpton walked. Cohn hit into a double play. Van Landingham to Crozier to Burrows. Perry singled to left. Best grounded to Segrist. No runs, one hit, no errors.

Sixth Inning
Coleman—Carpenter grounded to Segrist. Moore walked. Holloway singled. Moore to third. Stebbins was safe on Van Landingham's error. Moore scored. Cryer singled. Holloway scored on Crumpton's fly to left. Cohn grounded to Burrows. Two runs, two hits, one error.

Seventh Inning
Coleman—Perry grounded to Davis. Best singled. Carpenter flied to Flowers. Moore flied to Segrist. No runs, one hit, no errors.

Eighth Inning
Coleman—Holloway was safe on Van Landingham's errors. Stebbins flied to Kinnear. Cryer singled to right. Crumpton flied to Kinnear. Cryer went to second. Kemp, batting for Cohn, singled to score Holloway and Cryer. Perry flied to Cheeves. Two runs, two hits, one error.

Ninth Inning
Coleman—Best grounded to Davis. Carpenter walked. Moore doubled. Holloway singled and Carpenter scored while Moore was caught off third. Milton goes in to pitch for Davis. Stebbins flied to Kinnear. One run, two hits, no errors.

Four runs, five hits, one error.

Third Inning
Coleman—Cohn fanned. Perry fanned. Best hit for the circuit inside the park, the ball rolling thru center field to the fence. Carpenter singled. Moore was out to Carpenter. One run, two hits, no errors.

Fourth Inning
Coleman—Holloway flied to Kinnear in deep center. Stebbins singled to left. Cryer hit into a double play. Segrist to Van Landingham to Burrows. No runs, one hit, no errors.

Fifth Inning
Coleman—Crumpton walked. Cohn hit into a double play. Van Landingham to Crozier to Burrows. Perry singled to left. Best grounded to Segrist. No runs, one hit, no errors.

Sixth Inning
Coleman—Carpenter grounded to Segrist. Moore walked. Holloway singled. Moore to third. Stebbins was safe on Van Landingham's error. Moore scored. Cryer singled. Holloway scored on Crumpton's fly to left. Cohn grounded to Burrows. Two runs, two hits, one error.

Seventh Inning
Coleman—Perry grounded to Davis. Best singled. Carpenter flied to Flowers. Moore flied to Segrist. No runs, one hit, no errors.

Eighth Inning
Coleman—Holloway was safe on Van Landingham's errors. Stebbins flied to Kinnear. Cryer singled to right. Crumpton flied to Kinnear. Cryer went to second. Kemp, batting for Cohn, singled to score Holloway and Cryer. Perry flied to Cheeves. Two runs, two hits, one error.

Ninth Inning
Coleman—Best grounded to Davis. Carpenter walked. Moore doubled. Holloway singled and Carpenter scored while Moore was caught off third. Milton goes in to pitch for Davis. Stebbins flied to Kinnear. One run, two hits, no errors.

SPEAKING OF SPORT

BY FRANK GETTY
United Press Sports Editor

Symbols of Always Safe
An ex-champion's fan mail contains some things besides requests for autographs and attention, as witness the following letter just received by Jack Dempsey, from far-away Shizuoka, Japan.

The writer in meticulous English and copy book script, addressed himself to Jack with such obvious sincerity that the former champion was greatly touched.

The letter read:
My Dear Mr. Jack Dempsey,
America's Greatest Boxing Promotor,
One of the Greatest Men in the World:

You are so well known among our people, even three-year-old children, please allow me the liberty of writing you without being introduced to you. I simply could not help sending you a line to tell you how much I admire you and also to send you Holy Talismans for your protection. It is great pleasure to me if you accept them. These talismans will protect you from harm. There are three kinds of talismans and a charm in this envelope.

They are as follows:
Talisman of Kohonana-sakuyahime. It is a goddess of Mountain Fuji whose name signifies "Radiant-blossoming-as the flowers of the trees" or "Cusping-the-flowers-to-blossom-brightly on the summit is her temple." In ancient books it is recorded that mortal eyes have beheld her hovering like a luminous cloud, above the verge of the crater. Her view-less servants watch and

wait by the precipices to haul down whosoever presumes to approach her shrine with unpurified heart.

Talisman of Gunjinsha—It is God of War or Mars. These talismans are so famous and to be guaranteed as not a bullet struck one, because he bore a charmed life. Talisman with them for they sure believe the man with these was going to win. Please paste these white oblong-papers on the sliding doors or above the principal entrance of your house.

Talismans of Naritasan, these talismans are security of life and property and attach these talismans in your pars, then you will never have accidents and always safe from dangers.

It is great pleasure to me if you receive these my hearty presents for they are all symbols of always safe. I am, believe me,
Your ardent admirer,
TAROBETI OISHI.

The "Symbols of Always Safe" proved delicately wrought Japanese charms, undoubtedly decorative if not actually potent.

"I should have had one of these in my glove at Chicago," said Dempsey, as he studied the quaint offerings.

We've stripped hundreds of homes, And made dozens of tests, But the Athey equipment Has always proven the best.

We "take your measure" for a tire!

We sell tires differently here. Unless you're trading in your car soon and simply want one of the good low-price Goodyears, we first "take your measure." In other words, we ask you how far you're going to drive, the kind of roads you'll travel, the loads you'll carry, your usual driving speeds, etc. Then, after noting how the present tires have stood up on your particular car, from our experience we honestly advise you which one of the several types of Goodyear Tires will cost you LEAST TO BUY and give you THE TROUBLE-FREE MILEAGE YOU WANT.

WE POSITIVELY DO NOT TRY TO "WISH OFF" A BETTER TIRE THAN YOU NEED. We're in business to keep our friends. If a Goodyear Pathfinder or a Speedway at very low cost will answer your needs, we say so! We're equally frank when it's a regular, an oversize or a heavy duty Goodyear All-Weather that you require. This "Taking Your Measure" plan saves money for you and insures to another thoroughly satisfied Goodyear customer.

Millions More People Ride On

GOODYEAR

Tires Than On Any Other Kind

ALL TYPES-ALL SIZES-ALL PRICES

Building millions more tires than any other company, Goodyear can produce for less. You benefit by getting higher quality tires without paying extra. In addition, you get our year-round service and on-the-ground attention to all your needs.

THE BROADWAY MELODY IS ESSENCE OF LITING STAGE MELANGE

They dance—they sing—and how! At last the litting dance and song ensemble of the wyeed-in-the-wool musical comedy comes to the screen—but in a more brilliant and spectacular form than ever the stage was able to produce.

and Alice Weaver, danseuse, the new picture is a vivid pot pourri of theaterdom in the greatest city in the world. Nacio Herb Brown, composer of "The Doll Dance," and Arthur Freed wrote the songs—"Broadway Melody" which everybody in town will be whistling. "The Wedding of the Painted Doll," an all-color stage spectacle, "The Love Boat," "You Were Meant For Me" and other great numbers.

and himself a famous stage star, directed it. James Gleason of "The Shammons of Broadway" fame and Norman Houston wrote the dialogue. Commencement exercises for the Warfield school, west of Midland, will be in the form of a play, presented by students.

Play to Be Given by Warfield School

"Always in Trouble" is the title of the play which has been directed by Miss Ruby Russell, teacher at the school. The cast includes nine students and promises entertainment during the entire production. Midland patrons are requested to attend this event at the rural school building on this Friday evening, May 17, starting at 8 p. m.

FOR RENT—To couple without children, two-room furnished apartment. Garage if desired. For further information inquire 720 North D street, Belvedere Court. 52-1fc

YOUR CHILDREN

by Olive Roberts Barton ©1928 by NEA Service, Inc.

We spend years teaching the children physical courage, but how many of us pay any particular attention to that nobler thing, moral courage? There is a good staunch old saying, "Be sure you're right, then go ahead," that we might get out and dust up for the children. Courage of his convictions and willingness to stand the consequences is the first step in this little moral lesson. Although, like the man who said his conscience was as good as new because he never used it, I believe this good old axiom was never overworked in the old days either, for that matter. For we used to keep these old sayings in storage and trot them out only on special occasions, such as memory work in school or over our signatures in autograph albums or done in crewel work on samplers. It never occurred to us that they were good to live with, and for the children to live with. Now we are using a little less rhetoric and more sound sense. At least we are trying to interpret old truths in terms of practical living and showing the children how to go about it. For instance, what we meant when we said, "Be sure you're right," was, "Be sure you're doing what 'we' think is right." The minute the boy did that "he" thought was right, if it didn't tally up with our ideas there was trouble. Now we are a little more trustful and tolerant, and I think it is better for human beings all around. Without that trust we aren't going to make a great success of this affair of moral courage in our children.

Good Advice

"When you're in trouble or if you've done wrong or made a mistake, I want you to come and talk it over with me, Jim," says his father nowadays. "I don't expect you always to be right, but I want you to do what you think is right." If Jim thinks he is going to have a fair jury he will come—even though he isn't sure about his father's approval.

It isn't fear of punishment that keeps children from going to their parents, but fear of injustice. If we can gain their confidence and they trust us, the question of moral courage is solved, for that is the first and biggest step—confidence. Other Proofs of Courage There is, of course, more in moral courage than frank confession. That is only a small part of it. To bravely face unpleasant duties and do them to the best of one's ability takes moral courage. And to submit uncomplainingly to trouble that cannot be helped, that is moral courage of the highest type; it is a great thing if we can teach children not to demand sympathy if they are hurt, for instance. Yes, there are all sorts of moral courage exemplified in a child's daily experience. Usually the morally brave child will turn out to be a physically brave child too. Isn't it worth trying for?

A man writes to a newspaper advising President Hoover that the strain of handshaking can be mitigated by seizing the other man's hand first and shaking it cordially rather than letting him grab yours. The only trouble with that kind of reception is that the visitor is likely to ask for a job.

Studebaker Is Practical Car For Business

The rapidity with which business has taken to wheels in the past few years by adopting the motor car as a necessary adjunct to its efficiency, is seen in a recent survey which shows the amazing number of passenger cars used in fleet service for large corporations. Four of the largest oil companies, it was disclosed, each operate a total of nearly 1200 cars, while a survey of ten other corporations, only two of which cover the entire country in their operations, indicated a total of nearly 7,000 cars in use. So extensive has this fleet use of motor cars become, in fact, that elaborate statistics have been developed in the effort to keep to a minimum the costs of fleet operations. "According to one study," declares Carl Reeves, local Studebaker-Erskine dealer, "made by Iowa State College with eleven typical cars ranging in price from \$400 to \$1200, the cost of operation for the average car comes to ten cents a mile. The minimum figure for the eleven different cars was a fraction over seven cents, and the maximum thirteen and one-tenth cents per mile. These figures include all costs of operation, maintenance and depreciation. In view of these figures the economy of Studebaker and Erskine Six cars for fleet service becomes readily apparent, as does the reason for the widespread popularity of these cars and their use by many of the largest corporations in the country."

RADISHES ARE REFRESHING

By SISTER MARY NEA Service Writer While radishes have little food value in a muscle-building way, they do have a distinct place among the mineral and ballast foods. The constituents of the radish are much the same as the turnip or beet. The high content of indigestible structure with its water-holding properties gives the radish a peculiar laxative effect. As a relish, radishes are most popular. They come early in the spring and do much to whet different appetites. The small, round, red radishes are delicately flavored and delightfully colorful while the long white varieties have a bite-y taste and decided brittleness that many people like. Radish are really very good creamed, and many women in the country who face a fresh vegetable shortage just at this season of the year will find creamed radishes worth keeping in mind. Radish sandwiches are excellent, to serve with a fish salad. The long white variety can be used for these. When an attractive garnish is wanted, the red button radishes should be chosen. They must be scrubbed immaculately clean before using. Let stand in ice water until crisp and serve immediately on removing from water. If children under ten years of age are allowed to eat radishes, they should be warned to "chew them up fine."

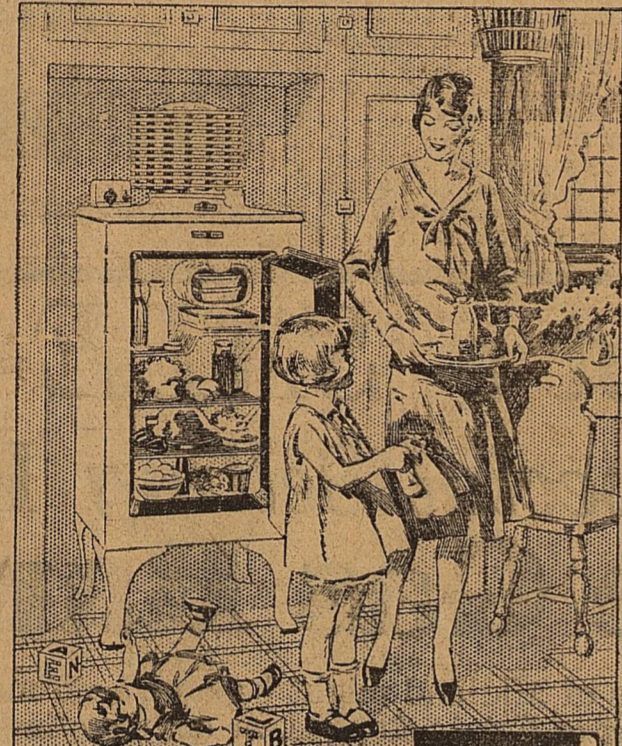

The REFRIGERATOR of the FUTURE

Mechanism on top, hermetically sealed... never needs oiling... quiet, all steel, cannot warp... electrically operated.

'215

At the Factory with conveniently spaced payments

THE same group of engineers and scientists who perfected the hermetically sealed mechanism of the General Electric Refrigerator, now have designed and produced an all-steel refrigerator cabinet—the first all-steel refrigerator ever built! It is a small-family model—entirely of steel—strong and durable as a safe. It has no wood in it. It cannot warp. No cold can seep out, no heat can creep in. Quantity production and the employment of the most efficient manufacturing methods have made possible this very low price—\$215, at the factory. Never before has any single refrigerator been built in such great quantities... never before has such high quality been available at such a low price.

You will readily understand why this has been called "the refrigerator of the future" when you examine it yourself and compare it carefully with all others. Be sure to come in and see it. This, or any model, may be purchased on easy payments. Listen in on the General Electric Hour, broadcast every Saturday evening, 9 to 10 Eastern Standard Time, over N. B. C. network of forty-two stations.

GENERAL ELECTRIC ALL-STEEL REFRIGERATOR Texas Electric Service Co. "Your Electrical Servant" New Low Prices Now in Effect on all Models

GREENWOOD NEWS

Rev. and Mrs. Wren have visiting their daughter from Oklahoma. Mr. C. B. Dunagan attended the morning services at the Church on Sunday, from Midland.

Mr. and Mrs. M. C. Sarge visited at Carlsbad Sanitarium Sunday afternoon.

Mr. and Mrs. B. T. Graham and family visited his mother in Borden county over the last week end.

Mr. and Mrs. J. G. Arnett and family, and Mr. Arnett's sister attended the services Sunday morning, and visited with their son and daughter, Bill Arnett and Mrs. B. D. Rice.

The Always Willing Senior B. Y. P. U. met at the church Friday night for a practice period. The pastor, Rev. W. E. Smith, of Big Spring, preached Saturday evening.

Sunday morning there was a large attendance at Sunday school and preaching. The sermon was delivered by a young man who has just entered the ministry, Mr. Arthur E. Travis, from the Calvary Baptist Church, Big Spring.

He is also the vice president of the Associational B. Y. P. U. and remained over for the B. Y. P. U. service Sunday evening. The senior B. Y. P. U. put on a duet program, stressing the importance of co-operation, and also using a variation in the method of

rendering the programs. The pastor preached after the B. Y. P. U. hour. The church set as its time to begin the revival, the first Sunday in August providing it was satisfactory with Rev. Thorn, the preacher who is to help in the meeting.

Sunday, May 12, is Mothers Day, so the Greenwood Church and singing class are co-operating in having an all day service. Sunday school and Mother's Day program in the morning and singing in the afternoon.

Mr. and Mrs. Earley and family attended the closing day programs at the Pleasant Valley school last Friday night, May 3.

Mr. and Mrs. Hightower and family returned to their home in Howard county last Saturday, after a week's visit with his brother and family, and B. T. Graham.

Miss Anna Lee King had as her week-end guest Rev. J. Conger McGraw, who is attending Simmons University. He returned to Abilene Sunday afternoon.

Rev. and Mrs. H. Wren and family visited his father in Stanton Sunday afternoon.

Mr. and Mrs. Archie Caffey visited with Mr. and Mrs. J. W. Arnett, and attended the B. Y. P. U. meeting Friday evening.

Mr. Ira Livingston of Ranger visited with his parents, Mr. and Mrs. J. M. Livingston, Sunday.

Mr. McDonald of Robert Lee is

visiting with her niece, Mrs. J. C. Harmon and family. Mr. and Mrs. Bryant visited in Stanton Sunday with his cousin, Cole Bryant.

Mr. and Mrs. Alvin Yarbrough left Tuesday for Oklahoma, where they will remain for some time. Mrs. Yarbrough's sister returned to her home with them after visiting with her mother, Mrs. Wren.

The Always Willing Senior, and Intermediate B. Y. P. U.'s were entertained in a most sociable way Wednesday evening at the home of Mr. and Mrs. W. E. Pigg. Miss Anna Lee King and Mr. Haskell Lee Wadkins were in charge of the entertaining for the evening. And after a flock of lively games were played ice cream and cake was served to the following: Misses Douglas, Mona Harmon, Juanita Wren, Theora Wren, Wandolou Wren, Opal Wadkins, Bettie Ruth Goloday, Christine Goloday, Anna Lee King, Messrs. Haskell Lee Wadkins, Albrook Goloday, Andy and Howard Brooks, George Harmon, Calvin and Homer Wren, J. M. King, Maurice King, Mr. and Mrs. B. T. Graham, Mr. and Mrs. Barney Hightower, Mr. and Mrs. J. William Arnett, Mr. and Mrs. J. C. Brooks, Mr. and Mrs. Wren, and Mr. and Mrs. W. E. Pigg.

Troy McGee is visiting with Johnnie and Maurice King this week.

TEXAS AGGIES WIN BIG CONFERENCE TRACK MEET

Endurance Is Characteristic Of The Buick

Endurance, a quality in motor car building which long has been synonymous with the name of Buick, is being proven almost daily in the parts department of the Buick plant at Flint, Michigan, where orders are constantly received for parts on cars that were sold two decades ago.

A recent order from New York asked for a new valve and valve stem for a motor which, although 20 years old, is still in daily use. These comparatively minor parts were all that were required to put this much worked motor in tip-top shape.

That the Buick Motor Company has been in a position at all times to furnish parts for cars manufactured in the early years of its existence, is a feature which has been largely instrumental in building up Buick's sales volume and making its product a leader among motor cars of the finer class.

Other records, equally remarkable, have been established by Buick engines, which have outlived all other parts of the cars, and are now being used to furnish power for

DALLAS, May 11.—(AP)—The Texas Aggies today won the Southwest conference track and field meet by amassing 58 1/2 points. Texas University came second with 39 1/2 points. Other rankings were Rice Institute 37, Baylor University 4 1/2, Texas Christian University 8, Arkansas University 7 1/2, and Southern Methodist University 6.

Three new conference records were hung up.

Leo Baldwin of Texas University threw the discus 153 feet, four inches, for a new conference record. Floyd, wearing the Aggie colors, heaved the javelin 204 feet, 4 1/2 inches to beat the old record. Farmer, also of the Aggie crew, jumped for a distance of 23 feet, 10 inches, for a new record in the broad jump.

The fleet Texas team won the relay. Baldwin of Texas was high point man, with 13 points.

Various kinds of machinery.

From Nebraska the Buick parts department received an order recently for a crank case for a 23-year old motor still in service as the power plant for a circular saw. Although years of wear finally rendered the other parts of the car impractical for further use, the motor needed only a few repairs to place it in condition for duty on its new job.

An order for a new crankshaft brought to life last week an 18-year-old Buick motor in Minnesota used daily to furnish power for various types of farm machinery.

DICK BARTHELMESS SEEN AND HEARD IN "WEARY RIVER"

Another Barthelmess triumph in the way "Weary River" is being hailed by motion picture patrons what attend the First National star's newest effort at the Ritz Theatre today.

"Weary River" is the thirty-second feature in which this popular star has appeared in his brilliant career which began upon his termination of his sophomore year at Trinity College, Hartford, twelve years ago.

Barthelmess was born in New York City and is best remembered for his classic interpretation of "Broken Blossoms," "Tol-able David," "Way Down East," and many others. His most recent successes have been "The Patent Leather Kid," "The Noose," "Wheel of Chance." He was recently seen in a story of the high seas entitled "Scarlet Seas."

"Weary River" gives Barthelmess his initial opportunity in Vitaphone synchronization. For the first time this star's voice will be heard in conversation.

He also plays the piano. The story is one especially suited to his dramatic talents and is teeming with action and heart interest. Frank Lloyd directed it with a superlative cast headed by Betty Compson and including William Holden, Raymond Turner, George Stone, Louis Natheaux, De Sacia Moore, Robert O'Connor, Gladdens James.

"Weary River" was published as a short magazine story by Courtney Ryley Cooper and was adapted to the screen by Bradley King, the dialogue by Tom Geraghty.

of 200 voices and the community choirs of 100 trained singers will furnish the music.

Dr. Frederick Eby, professor of the history of education and Dean of the summer school of the University of Texas, will deliver the literary address to the high school graduates on the evening of May 30. The outline of the six programs will be as follows:

- Friday, May 24—8 o'clock
 - Folk Dances—North Ward Primary Department.
 - Operetta—"The Maid of the Golden Slipper," North Ward Intermediate Department.
- Sunday, May 26—11 o'clock
 - Baccalaureate Sermon, Dr. Chas. C. Selecman, Southern Methodist University.
- Monday, May 27—8 o'clock
 - Folk Dances, Primary Department South Ward School.
 - Operetta, "The Golden Whistle"—Intermediate Department, South Ward.
- Tuesday, May 28, 8 o'clock
 - Operetta, "Aunt Drusilla's Garden," Junior High School.
- Wednesday, May 29, 8 o'clock
 - Class Night—High School Graduating Class.
- Thursday, May 30, 8 o'clock
 - Literary Address, Dr. Frederick Eby, University of Texas.
 - Presentation of Diplomas, J. E. Hill, President of the Board of Education.

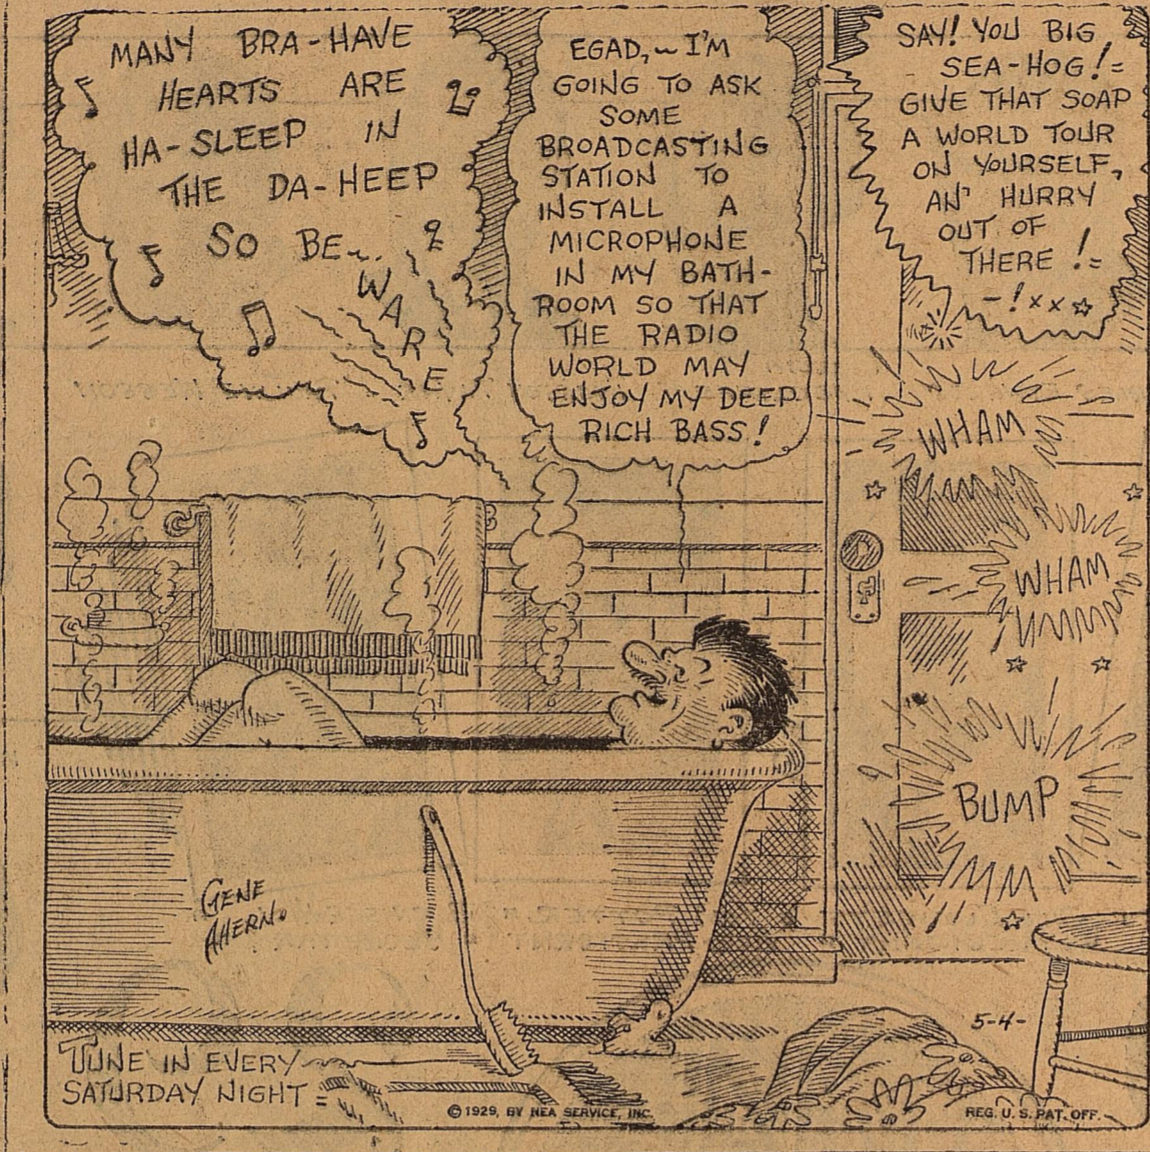

U. S. Army Shown As Commercial Asset To Texas Business

The tremendous importance of the U. S. army to Texas business men is pictured by W. A. Ownby, writing in the May issue of the Texas Commercial News, under the title of "Texas Business and the U. S. Army."

Aside from the important military functions a discussion of the bearing of the army to business, states Mr. Ownby, must include the subject of aviation, the purchase of supplies for the subsistence of the army personnel, the payroll, the purchase of feed for animals on duty, co-operation in civic affairs, contribution of inventions and scientific discoveries, safeguarding the health of the state or community, and a long list of other activities each having a distinct bearing on business.

The army has stationed in Texas approximately 12,000 officers and enlisted men whose annual up-keep is estimated at \$1,100 each. On this

OUR BOARDING HOUSE

basis the annual Texas pay roll alone amounts to \$13,000,000. Practically all this money is spent with the merchants in the city where the garrisons are located, money which eventually finds its way into the channels of trade throughout the state.

The army, through the efforts of Col. M. L. Crimmons, U. S. A., retired, is responsible for the development of an anti-venin for rattlesnake bites which has proved consistently successful. Cotton dusting by airplane for checking the boll weevil and the pink boll work was first developed in Texas by the army.

Working in conjunction with the State Board of Water Engineers of Texas and the United States Geological Survey, states Mr. Ownby,

GIRLS LEAD IN NUMBER IN '29 SENIOR CLASS

As will be seen from the picture on page one of the school section, there are in the graduating class of Midland high school, 31 girls and 18 boys.

This is the first time in years that the boys have been so outnumbered, although back in 1914, for instance, it is remembered by a Reporter-Telegram representative that there were 12 girls and two boys.

Officers of the '29 class are Bill Blodgett, president; Bernice Hill, secretary and Elma Collins, treasurer.

SAN ANTONIO, Texas, May 11.—(AP)—The prediction is being made that Ziggy Sears, veteran Texas League star, will develop into one of the most capable umpires in the history of his adopted circuit. Sport writers in every city in which Ziggy has officiated this season have commented on his work, both behind the plate and on the bases.
A notorious umpire baiter during his playing career, Sears knows how to bear down on the athletes since he donned the blue. He has the respect of every player in the league. He proved his ability to handle a

Seniors to Present One Act Play Here Thursday, May 16

Seniors of Midland High school will present at the high school auditorium on Thursday night, May 16, a three act play entitled "Just Out of College."

The cast is composed of 26 Seniors under the direction of Mrs. Selma L. Bishop, of the English department.
The characters find themselves in many amusing situations which are indicative of the life that confronts an ambitious student.
Much humor and pathos is found throughout the play and it is destined to delight a large audience.

REPRESENTATIVE PROPOSES A TAX ON "HOME BREW"

AUSTIN, May 10.—(UP)—A tax on home brew was proposed by Representative Sam Gates of Karnes county, in the legislature today.

"If prohibition hadn't interfered, California would be the greatest grape-growing region in the world, making better wines than France, and we'd have cafes with little tables."

Golf Tournament of Southwestern Will Be Held May 16-18

FOR WORTH, Texas, May 11.—(AP)—Golfers from six schools in the Southwest Conference have entered the annual collegiate tournament to be held at the Rivercrest Country club here May 16-18. Baylor university is the only conference member which has not sent in an entry so far.

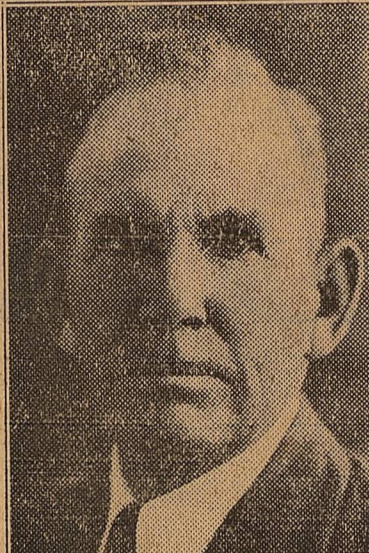

Each school will be permitted to enter six players in the qualifying medal round on the opening day, the lowest four of which will qualify for match play.

The Rivercrest course will be given over entirely to the conference meet for the three days.

Texas university and Rice institute appear to have the best chance to capture the conference link crown, although there are top-notch golfers in each of the other schools.

GEORGE RATLIFF
Trustee

MILLARD EIDSON

These men have served faithfully in their respective positions for years, putting in much of their time unselfishly in the discharge of duties for the schools. Action on the part of Dr. John B. Thomas, George Ratliff, R. V. Lawrence, Millard Eidson and B. Frank Haag, the other board members, in choosing these men again for these positions of trust bespeaks the untiring and faithful service they have given.

Lackey Re-Elected
W. W. Lackey, superintendent of the schools for the past 22 years, has also been re-elected by the board. Coming to Midland when the ten-grade school had no college affiliation, he brought its standards up to the highest in the south. The high school now has 33 units of affiliation, or entrance units.

"Now that I am older I no longer think of sex sentimentally but practically, and discover that the manner in which it is handled is about our worst mistake."

—Ed Howe, the Sage of Atchinson, Kansas.

CITY TO ORDER 60 ADDITIONAL STREET LIGHTS

Installation of 60 additional street lights will be ordered shortly by the city council, \$5,000 being available for this purpose by bond issue. The lights will be mounted on ornamental standards, like those of

the business section of the city, where the new lights are to be installed. It is understood that tentative plans are being worked out for lighting residential sections, although definite announcement by the city hall has not been made.

BRIONI, Italy, May 11.—(AP)—Mrs. Gene Tunney, the former Miss Polly Lauder, has undergone an operation for the removal of an old undiscovered appendix abscess. She is reported to be doing well.

THE GRANDEST INVESTMENT ON EARTH

A NECESSARY BUILDING
A needed building is the finest possible investment for YOUR money. Its LIFE is far greater than the majority of things offered you. Its depreciation is far lighter. Its ownership improves your CREDIT with your associates and your BANKER. It establishes the quality of your citizenship. A needed BUILDING offers you SHELTER, PROTECTION, CREDIT, INSURANCE, SAFETY, COMFORT, CONVENIENCE, SATISFACTION and HEALTH. Does any other merchant offer as much?

SERVICE

We announce our Service Department and call to your attention just what we have in the way of up-to-the-minute service equipment. For both the owners of Model T Fords and to the owners of the new Model A.

MODEL "A"

You will find here a complete line of Genuine Model A Ford parts, and equipment. A staff of trained mechanics are kept busy here serving the needs of our patrons.

If you need anything in the way of service come in and let us demonstrate to you our ability to fulfill your requirements.

MODEL "T"

To the owners of Model T Fords, we offer a complete line of parts. Your car can be repaired here the same as always. Our reputation in Midland over a period of five years is your guarantee of satisfaction.

In an announcement to the public by Henry Ford and the Ford Motor Company, service and genuine Ford parts for Model T Fords were promised to the present owners and drivers of that Model Car. Our stock is complete. Come in and let us fill your needs.

AFFILIATION OF SCHOOLS REMARKABLE

Among the many institutions of which Midland is proud, her public schools are by no means the least. With 33 accredited units of affiliation with the State Department of Education, and with the Southern Association of Schools and Colleges, the pride of the home people, and referred to abroad as the "model small high school of Texas," Midland high school is possibly the best known and best advertised small high school in the State.

Famed for good music and good singing, concert literary readings, high school literary society work and debating clubs, the wonderful spirit of the student body, and the forward-looking programs that are put over each year, the schools are the comment of all comers and goers. Graduates have made good and are still making good in every college and university in the state and many of the more now holding high positions of trust and influence in business, in the professions and in city, county and State government positions.

Dr. Hyer of Southern Methodist University said that he had attended or participated in fifty high school and college commencements, but that the high school program here was the most impressive he had ever witnessed. Another distinguished visitor stated that he had visited high schools in twenty-three states, but that he had never seen anything to compare with the program and training of the Midland High School.

Experts have pronounced the high school building of Midland two of the prettiest, best appointed and best constructed buildings they had ever seen. A half dozen school boards have come to Midland to inspect these buildings, and as many as three other cities have patterned their high school buildings after ours.

Midland high school ranks among the best in scholastic standing, as the following list of accredited units held will show:

- English 4 units
- History 4 units
- Civics 1 unit
- Economics 1/2 unit
- Algebra 3 units
- Plane Geometry 1 unit
- Solid Geometry 1/2 unit
- General Science 1 unit
- Plane Trigonometry 1/2 unit
- Physiology and Hygiene 1/2 unit
- Physiology 1/2 unit
- Biology 1 unit
- Chemistry 1 unit
- Physics 1 unit
- Spanish 3 units
- Latin 4 units
- Typewriting 1/2 unit
- Shorthand 1 unit
- Bookkeeping 1 unit
- Commercial Arithmetic 1/2 unit
- Commercial Geography 1/2 unit
- Commercial Law 1/2 unit
- Vocational Home Economics 3 1/2 units

Total 33 units
Sixteen courses are required for graduation, fifteen of which must be fully accredited units and eight of which must be advanced courses. The Midland High School is affiliated in every subject taught.

Two Texas Leaguers Fatten Averages to .400 in Last Games

DALLAS, Texas, May 11.—(AP)—Frank Snyder, Houston manager, and "Dutch" Wetsel, San Antonio outfielder, fattened their batting averages to .400 through games of Thursday to crowd Larnon Cox, Fort Worth rookie sensation, for individual honors in the Texas League. Cox lost approximately 40 points during the last week, his average dropping to .406.

The 10 leading sluggers are: L. Cox, Fort Worth, .406; F. Snyder, Houston, .400; Wetsel, San Antonio, .400; Blackerby, Waco, .389; Benton, Wichita Falls, .371; Stapleton, Wichita Falls, .370; Easterling, Beaumont, .369; Cotelle, Houston, .357.

Whelan, Shreveport first sacker, led in runs scored with 26, followed by Martin, Houston, 24, and Benton, Wichita Falls, and Sanguinet, Waco, with 23 each. Larnon Cox was ahead in total hits with 43. Benton had 40 and Wetsel, 38.

Two Waco Clubbers dominated the homer race. Bob Sanguinet having put 8 out of the lot and George Blackerby, 6. Starr, Shreveport catcher, had 5.

Although he failed to add to his string in the past week, Pepper Martin of Houston still was the league's leading base thief with 10.

Ray Flaskamp, Dallas, last year's leader, had 6. Pete Turgeon, Wichita Falls, and Eddie Moore, Fort Worth, had pilfered 5 each. Earl Caldwell, with 6 straight victories to his credit, was the league's outstanding pitcher. Jim Lindsey of Houston had won 5 out of 6 and was tied with Wiltsie of Wichita Falls in strike-outs registered, each with 27.

Sul Ross Star to Play Last Game College Football

ALPINE, Texas, May 11.—(AP)—W. D. "Ox" Cowan, Sul Ross normal's most noted gridiron star, will make his last appearance in a college game when the Lobos meet Simmons university of Abilene in a spring practice tilt here Monday. Cowan was chosen a member of the West All Stars in the annual East-West charity game on the coast last fall.

"Women have ruined the theatre."

Home Economics Department Of School Growing

RANKS WITH BEST IN STATE

Future Home Makers Receive Fine Training

Home Economics in Midland high school is one of the strongest departments in the school, and ranks among the best in the larger and better high schools of the state. The department comprises complete courses in Foods, and Clothing and occupies two large laboratories, a dining room, and two fitting rooms; is equipped in keeping with the standards and requirements of the Vocational Board of the Department of Education.

Won State Contest
It has twice won first place in the party dress division of the State dress contest. Approximately 100 girls are enrolled in the department each year, and it is under the direction of Mrs. Roy F. Stockard of the Clothing Division and Miss Theresa Pawelek of the Foods division. Following is a brief outline of the work of the department.

Has Four Credits
Midland High School is fortunate to have four affiliated credits in Home Economics. It has one and one-half credits in Foods, and one and one-half credits in clothing. The fourth credit in the course is a related subject which is a science, either Physiology, Biology, or General Science.

The Home Economics course are divided into H. E. I, H. E. II and

H. E. III. In the first year's work, the girl is required to take Foods I and Clothing I. In the second year Foods II and Clothing II, and in the third year, Foods III and Clothing III. The fourth credit, which is a science, may be taken in any high school year.

Future Home Makers
The primary aim of the Home Economics courses is to train the girls for the present membership and future home makers, sharing the responsibilities of their present homes. Besides, interesting them in becoming both practical, economical, and efficient homemakers of the future.

Systematic Work
The objectives of each terms work in Foods and Clothing are as follows:

FOODS I: In Foods the approach is from the health point of view.

1. The formation of definite health habits conducive to good health.

2. Breakfast and luncheon preparation stressing the importance of foods which are well chosen, properly cooked and regularly served.

3. The realization that our foods are combinations of certain constituents, and that upon these depend our meal planning, cookery methods and future health.

4. The knowledge that our food supply is dependent upon various problems of production and marketing.

5. The home problem of food storage.

6. The encouragement of simplicity, attractiveness, and variety in the service of meals.

7. The development of habits of cleanliness and sanitation through knowledge and daily practice.

8. Selection, planning and preparation of breakfast and luncheons.

9. Child care and guidance. Some understanding of food requirements of infant and pre-school age feeding.

Clothing I

1. The development of an appreciation of certain factors contributing to pleasing appearance: health, pos-

ture, careful grooming, keeping clothes and accessories of dress clean, neat, orderly, and in good repair.

2. A careful selection of line, color and texture in ready-made garments with reference to use.

3. An appreciation of the underlying cost factors in ready-made garments and garments made at home.

4. To learn to apply the principles of art to the selection of ready-made garments and the planning and making at home.

5. To develop some ability to select and construct simple garments according to need of self and the younger members of the family.

6. An appreciation of the effect of proper care and storage on the life of garments.

7. To decide when and how to remodel worn garments.

Foods II

1. The continuation of health promoting habits.

2. Development of home interest and understanding of home problems.

3. Preservation of food.

4. Economic practices in the home and budget study.

5. Foods and hospitality.

6. Marketing, planning, preparation and serving of dinners.

7. Equipment and care of the kitchen and dining room.

8. Digestion as it relates to the health.

Clothing II

1. To arouse an interest in wise spending by developing an appreciation of the demands on the family income and the relationship between the personal allowance and budget and the family income and family budget.

2. To learn some of the more difficult construction processes and apply them to the better garments which girls wear.

3. To learn how to adapt and alter patterns to meet needs.

4. To practice good shopping tactics.

5. An appreciation of the prob-

lems connected with the construction and care of infants clothing.

6. To set up standards for evaluating the modern girl.

7. To develop ability to distinguish between "popularity" and admiration and respect.

8. To encourage the belief that the home is an ideal training place for the development of desirable social characteristics and traits.

9. To develop an appreciation of the fact that a successful home is built upon the co-operation of its members.

Foods III

In Foods III the students study the problems of nutrition that meet the family group with factors influencing it, and the planning of meals to meet specific needs.

1. Nutrition and health, malnutrition, etc.

2. Mal-nutrition and its prevention.

3. Entertainments.

4. Family and community relationships stimulating civic interest.

5. Child care and guidance including the study of physical and mental development.

6. Appreciation of the need for more knowledge concerning the relationship of adults to the mental and physical growth of the child.

Clothing III

I. Clothing and Related Subjects.

1. To place further emphasis on the suitability of dress to individuals and occasions.

2. To place emphasis on the selection of dress and accessories suitable for special occasions and in keeping with the girl's means of allowance.

3. An appreciation of the economic aesthetic aspects of household textiles with emphasis on sizes and numbers needed according to the size of the family and the care of same.

II. Home Planning and Furnishings.

1. To develop a point of view toward environment.

2. To develop ability to choose from our environment things that will fit our scheme of living.

3. To develop better judgment in buying for our homes.

4. To develop economy in right selection.

5. To develop the ability to arrange things in fine relationship.

6. To develop the ability to plan a budget based upon the family income and some knowledge of satisfactory methods of keeping household accounts and records.

SPRING DAYS CALL FOR OUTINGS

The approach of warm spring days calls for hikes and picnics for the younger group. This week several have responded and have entertained with picnic suppers and hikes to nearby groves.

B. Y. P. U.

Thirty-five members and leaders of the Junior B. Y. P. U. of the Baptist church motored to Cloverdale Friday evening for a picnic supper.

Chaperones for this event were Mr. and Mrs. T. T. McCasland, Miss Lois Walker, Mr. Dunagan and Mr. Parrot.

Pansy Class

Members of the Pansy class of the Presbyterian church, and their guests, motored Thursday evening to the McClintic ranch southeast of town.

All dishes appropriate for the picnic supper were prepared and served. Lively games were also enjoyed by the group.

Besides the twenty-four members

and guests going on the outing were Mr. and Mrs. A. Harry Anderson, Mr. and Mrs. C. A. McClintic and Mrs. Frank Wolcott.

Troop 53

Members of Troop 53 of the Boy Scouts of Midland enjoyed an outing to the Lonesome grove on the Hill farm south of town.

Rev. Thomas D. Murphy, Scoutmaster of the troop, went with the twelve boys.

Amarillo Invites Midland to Attend Tri-State Fair

Midland friends of Amarillo people have received warm invitations to attend the Tri-State Fair this fall. Following are some of the pertinent facts given.

The Tri-State Fair will be held this year from September 23 to 29, inclusive. We thought that you might like to have this information so as to arrange your work so as to be in Amarillo one or more days during our fair. We feel that the Tri-State Fair is your fair as much as our fair, as it embraces all of

the counties of the Panhandle of Texas, Eastern New Mexico, and Western Oklahoma.

The Tri-State Fair will again have a free gate this year. For your information, last year we had a free gate and everyone who passed into our grounds was clocked and we had an attendance of something over 275,000. This year we expect to have a much larger and bigger fair.

For the main attraction this year we have signed with the Hagenback-Wallace Circus, which will play in their big tent before the grand stand each day and night. We also have the John T. Wortham Carnival Company, which is one of the largest carnival companies on the road.

The Sioux Indians of Mission, South Dakota, who will give a performance each afternoon and night.

We don't know what job Major Peake has lined up for Harry Sinclair at the Washington jail, but if the major retains his sense of humor he will give Mr. Sinclair a job at the information desk.

With Mr. Coolidge in the "insurance game" he probably will learn there are plenty of people who will choose to run.

"Arrival of Kitty" To Be Presented For Second Time

The Senior Epworth League presents the play "The Arrival of Kitty" for the second time on Monday evening, May 13th, at the high school auditorium. "The Arrival of Kitty" is a dramatic comedy and will be presented by the following as the cast:

William Winkler..... Clyde Gwyn
Benjamin Moore..... James Killough
Sam..... Henry Paddock
Mr. Tinglepaugh..... M. D. Johnson, Jr.
Bobbie Baxter..... Ralph Hallman
Aunt Jane..... Alta Mae Johnson
Jane..... Marian Wadley
Suzette..... Hazel Marie Graham
Kitty..... Midland McClesky

The Symphony Orchestra of the Watson School of Music will give a thirty minute concert at the opening of the play. The Dunaway Sisters will be featured in this concert and also later in the evening.

This play was a tremendous success upon the first presentation and with added features, it will be one of the best comedies presented in Midland this year.

HOUSEHOLD Suggestions

TORTOISE SHELL

Real tortoise shell can be cleaned and shined beautifully in the following manner. Wipe the surface with a cloth wet with alcohol, then rub dry and polish with a chamois dipped in jeweler's rouge, rottenstone or bismuth powder.

BIRD TONIC

Canaries and other pet birds need green food as a spring tonic just as much as people. Chickweed, lettuce, mustard or most any other green should be given them several times a week.

MENDING TEARS

Rubberized silk coats, umbrellas, rubbers and other overshoes can be mended effectively by the use of ordinary adhesive tape.

TASTY BOULLION

Water in which spring vegetables have been cooked is valuable in mineral. If you use some beef cubes or other meat extract for a little body, you can have as tasty a bouillon as the family ever enjoyed.

RUG CUSHIONS

There are on the market rather inexpensive rug cushions to place under small orientals to give them that luxurious deep carpet feeling.

COLORFUL GARNISH

For fried chicken, or any other fowl, a beautiful garnish consists of thin slices of orange, cut crosswise, topped by a slice of lime with a little grated pineapple.

THE METHODIST CHURCH

Stanley Haver, Pastor

Three weeks ago the suggestion of one of our most valued and admired friends, one who is sincerely interested in the spiritual welfare of our city, the pastor announced that as an experiment until further notice he would attempt to shorten the time given to the sermon in the services of this church. From our experience of three weeks services we feel that this is not the best arrangement. Perhaps the attraction of a service of worship is not so much due to the brevity of the sermon as in the power and grace of God manifested, and we are reminded that the sermons of grace and power delivered from countless pulpits of our land are not within this short compass of time. We shall not henceforth emphasize the time, either short or long. We urge everyone not worshipping elsewhere to attend our Mother's Day service this morning at eleven o'clock and the other services of the day.

Commercial Department Gives Excellent Preparation

PUPILS HOLD STATIONS OF TRUST

Miss Cordill Is In Charge Of This Department

The department of business administration in high school, under the direction of Miss Quinnie Cordill is one of the best equipped and one of the strongest departments in the school. Courses are given in Typewriting, Bookkeeping, Shorthand, Commercial Geography, Commercial Arithmetic, and Commercial Law. The pupils who have taken these courses are able to hold positions in the best banks, offices, and business concerns in the country. A dozen pupils who are graduates of this department and of the high school are now holding positions in banks and in some of the best offices in our city and other cities.

Over 100 Enrolled
Typewriting and Shorthand are open to all pupils who are in the 9th, 10th and 11th grades, while the course in Bookkeeping is elective for Seniors. Courses in Commercial Arithmetic, Commercial Geography, and Commercial Law are also elective courses and open to Junior and Seniors. The enrollment in this department in all of the above subjects is considerably above one hundred. Save for a typewriter laboratory fee of \$3.00 per month, these courses are free to all pupils in the high school who elect them.

Good Equipment
The department comprises two large, well equipped, well ventilated rooms adjacent to each other and is equipped with fifteen typewriters, fifteen typewriter tables with chairs, and twenty of the best bookkeeping and shorthand units. The bookkeeping room was equipped by students of the high school and is one of the best looking and best equipped rooms to be seen in any college or high school.

This department is becoming very popular and the number of pupils who elect courses in it is increasing each year.

Contest Winner
It is worthy of note that one of the typewriting pupils from this department this year won third place in the typewriting tournament which was held at Lubbock recently. This pupil represented the high school in the Interscholastic Meet at Austin last week and made a record of 45 words in a speed test there.

The regular standard for one year pupils in typewriting in high schools is thirty words per minute. The following courses are taught and the following credits can be obtained in this department. Bookkeeping, 1 unit; typewriting one half unit, shorthand one unit, commercial arithmetic one half unit, commercial geography one half unit, and commercial law one half unit.

The WOMAN'S DAY

By ALLENE SUMNER

Anne, the chosen beloved of Colonel Charles Augustus Lindbergh, has "nothing to say," either, when approached by reporters. She says it, infection for infection, just as her Augustus does. Which augurs well for the union. One cannot but observe that the spouses who echo the man of the house seem to get along rather well. Fortunate indeed is the young lady who, in this independent, individualistic age, can honestly echo all words and habits of her man. Perhaps it's an acquired technique.

"THE TRUE HEART"

Speaking of marriage, if you've never read a book, or never read another one, read straightway, I prithee you, Sylvia Townsend Warner's "The True Heart." The story of Sukey Bond who loved and married and cleaved unto Eric, the idiot. One of the most beautiful love stories ever written.

WHY THEY KEEP 'EM

Speaking of marriage some more, here's Sybil Stokes, a former show girl, suing one Frank Kistler, described as "a Denver oil millionaire," for \$250,000 in a breach of promise suit. She claims that she gave up her stage job to marry him and was jilted for another woman.

Which may be one reason why so many modern girls are censured as crass and calculating when they refuse to give up their jobs either before or after matrimony.

Speaking of books some more, "Miss Wanderlust" asks for a list on Europe to begin reading and take with her on her trip. For her and all you lucky readers who are about to shake off the old dust for the new, I recommend—

"Nights Abroad," by Konrad Bercovici; all the Clara Laughlin series—"So You're Going to England!" "So You're Going to Italy!" "So You're Going to France;" "So You're Going to Paris!" and the others; "Here Is England," by Balderson; "When You Go to London," by Morlon; "The Road Round Ireland," by Colum; "A Wanderer in Holland," by Lucas; "Come With Me Through Belgium and Holland," by Schoonmaker; "Romantic Germany," by Schaufeld; "The Lure of Vienna," by Williamson; "Switzerland," by Lunn; "Italy Old and New," by Haight; "The Spanish Pageant," by Riggs; "Paris on Parade," by Wilson.

FOR GRADUATES

And, speaking of books some more, here's one of special interest for the girl graduate of these coming commencement days. "An Outline of Careers for Women," by Doris E. Fleischmann. Forty-five leading women in the business and professional world tell the girl who's wondering what'll she prepare to do, all about advertising, agriculture, public relations, personnel, social, teaching, library, engineering, radio, railroading, everything. It's really a rarely good book on vocations.

May Succeed De Groot

Ralph E. Hemstreet, above, former district attorney of Kings County, Brooklyn, N. Y., is reported to be the successor to William A. DeGroot, former U. S. district attorney for eastern New York, who was ousted by President Hoover at the request of Attorney-General Mitchell. (International Newsreel)

FASHION Hints

Petticoats Again

The slip yields to the petticoat inch by inch. Dainty little trifles in glove silk, made in wrap-around fashion and hung from a fitted yoke, are the very newest petticoats. The lower edge is apt to be scalloped or hand-hemstitched. For the petticoat comes via a de luxe route.

Low Bow

The Louiseboulanger scarfs, with fringed ends, come in charming color combinations. They are best not tied under the chin like a school-boy knot but should be tied just above the normal waistline. Thus placing of the bow is especially good for round faces.

Red Satin

For evening Paris sends us an alluring red satin long jacket with decided flare to its body portion and its sleeves. Shirred matching chiffon makes an Elizabethan collar.

Chiffon Handkerchiefs

No evening ensemble is quite complete without one of the very large decorative, colored chiffon handkerchiefs to contrast with or pick up the dominant tone of the gown.

Coat Dresses

"There's a vogue for coat dresses for street and travel. But they are far from the matronly coat dress of yore. One of decided princess lines is cut surplice, with an extra flare to the skirt and is fashioned of gorgeous dark red faille. Topped by a tan ballibunt hat and worn with tan accessories it is very neat and stunning.

Green Lingerie

Pastel green is the best spring lingerie shade. A dainty matinee is made of this green in crepe de chine, with its raglan sleeves in-

serted with wide beige lace and its lower edge finished in the same.

New Necklines

The latest daytime modes have close to the throat necklines. All manner of novel organdy, georgette and lace touches bring this about. The collar of self-fabric that stands up for itself in the back and has a light touch of white, cream, pink or pale yellow in the front is very good.

THE MAN WHO KNOWS

I want to walk by the side of the man
Who has suffered and seen and knows,
Who has measured his pace on the battle line
And given and taken blows.
Who has never whined when the scheme went wrong
Nor scoffed at the falling plan—

But took his dose with a heart of trust
And the faith of a gentleman.
Who has parried and struck and sought and given
And, scarred with a thousand spears
Can lift his manly head to heaven
And is not ashamed of his tears.

MOTHERS

There's just one word, it seems to me
Should stand above all others:
It has stood the test since time began.
And that one word is—Mother:
Chosen by him to bear all things,

heart.
And a courage born anew,
—Will M. Midkiff.

MOTHERS

There's just one word, it seems to me
Should stand above all others:
It has stood the test since time began.
And that one word is—Mother:
Chosen by him to bear all things,

Highest praise to mothers be given
And tho' sadness fills most of their days,
For them there shall be Sweet Heaven.
(Lovingly dedicated to all mothers, by Mrs. R. H. Stevens, Wichita Falls, Texas.)

MOTHERS

There's just one word, it seems to me
Should stand above all others:
It has stood the test since time began.
And that one word is—Mother:
Chosen by him to bear all things,

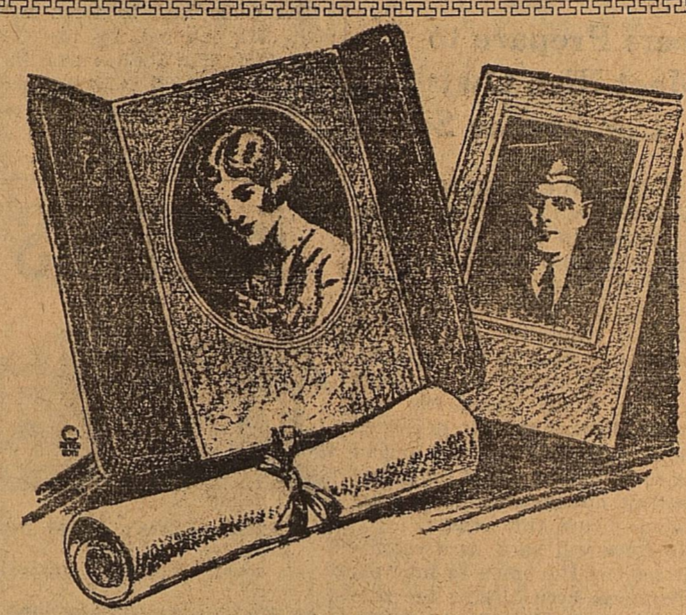

wives to serve hot biscuits twice a day. There ought to be a clause in there providing exemption for those who have not yet been farmers' wives at least one year.

MOTHERS

There's just one word, it seems to me
Should stand above all others:
It has stood the test since time began.
And that one word is—Mother:
Chosen by him to bear all things,

A bill introduced in the Missouri legislature would require farmers'

Hollywood folks are superstitious says a press agent. There have been cases where actresses refused outright to be married for the thirtieth time.

CONQUER

Class of 1929

Keep that "Rainbow 'Round Your Shoulder," Class of 1929! Don't pay any attention to the cold water throwers who talk about the "stern realities" of life. Of course, you will experience plenty of knocks and jolts. But anything you really decide to do, you can do. Just get busy. Keep busy. And you are sure to conquer, Class of 1929!

Graduation Gifts

We are showing scores of appropriate gifts for the 1929 graduate. Look over the list below and we believe you will find just what will please the graduate most:

- DRESSER SETS
- MEMORY BOOKS
- PERFUME SETS
- PERFUME ATOMIZER
- VANITIES
- FOUNTAIN PEN SETS
- SILVER MESH BAGS
- STATIONERY
- CANDY

WOULD YOU---

spend \$1000 or more for the same value that \$445 will buy?

Not if you knew the facts, you wouldn't.

—Not if you stopped to consider that De Soto is the only Chrysler-built six whose entire price range falls below \$1000.

—Not if you bore in mind that, as a product of Chrysler Motors, De Soto Six shares all the advantages of a common policy of engineering, purchasing, manufacturing and financing—and plainly reflects these advantages in the value it offers.

—Let us put a De Soto Six at your disposal in order that you may prove these things to yourself.

STORAGE DAY AND NIGHT

Bring your car here for storage . . . washing . . . greasing . . . gasoline and oils. First class service guaranteed.

WE HAIL the GRADUATE

The Graduate will soon be dismissed from the friendly and beneficial influence of the public school. The future holds unfolded possibilities, but facing the problems of life to win, will require principles of integrity and determination. The First National Bank of Midland has confidence in the boys and girls. To those who adopt honor, honesty, morality, and integrity as the fundamental basis of their future life, we pledge our fullest assistance.

FIRST NATIONAL BANK

"The Bank of Personal Service for Over Thirty-Nine Years"

"Catoico", High School Year Book, Off the Press

"The Catoico," beautiful yearbook of the high school, has been issued, students and purchasers of the city getting their copies Friday.

Done in purple and gold, the book, the name of which is a contraction of the principal sources of wealth of the county—cattle, oil, and cotton, is easily the finest product of student and advisory staff effort ever to have been achieved by the high school.

Cattle, Oil, Cotton
The color motif is followed out in an amazing number of ways—a cow done in purple at the top of the leather cover, an oil well of flowing gold in the center, and a large, well-filled cotton stalk at the bottom. Each page carries out the color scheme.

Features not ordinarily found in the high school year book, and seldom in those of the smaller junior colleges make the book not only interesting to the native of this city and the patron of the school, but to the outsider as well. It is instructive throughout; is aesthetically well balanced, a model of photographic excellence, and featured with numberless little characteristics to make it as enduring to the interest as it is striking.

Product of Seniors

The book was done by the senior class of the school. Elma Collins is editor-in-chief, and Wade Stevens, business manager. In a forenote, the name of the book, "The Catoico," though somewhat unwieldy, is well justified by these words: "This volume is published for the purpose of preserving the many happy events that have made up our school year, which might otherwise be forgotten. Into the name of this book is woven the history of the program of our country.

"The prairies that have long been famous for their cattle are now dotted with derricks. Agriculture, whose chief product is cotton, rapidly becomes an industry over this country. Our town is developing into one of the most progressive cities in the West.

"We hope that this volume of the Catoico will set forth the glorious history of our past, reveal our progressive present, and make us look forward to a promising future."

The dedication is to J. E. Hill, the president of the school board.

Interspersed with pleasing digressions, the order of the book is in this order:

- The School Administration
- Seniors
- Juniors
- Underclasses
- Activities Organizations

Favorites and Features Athletics Fun and Ads.

Gooch, Cartoonist

More than \$1,600 in advertising was carried in the year book by Midland merchants. The books sell for \$2.50.

It may be said in passing, that the work of Harold Gooch, cartoonist, is a credit to any school. Perfection and devotion as to detail are striking in all his drawings, some of them extremely difficult.

Champion Heavy Wise-Cracked His Way to Stardom

HOUSTON, Texas, May 11.—(AP)—Gus Sonnenberg, former football star and present heavyweight wrestling champion of the world, revealed here that he "wise-cracked" his way into the mat game.

The remark that caused Sonnenberg to be lunched on the road to the title was made in a gymnasium at Providence, R. I., in the fall of 1927, while he was playing professional football with the Providence Steam Rollers. Gus was standing in the back of the hall, watching a preliminary bout and talking to the promoter. He was asked how he liked the show.

"Those birds are terrible," the future champ commented. "I'll bet I can throw either of them myself."

The promoter took him up on it, and Sonnenberg's team-mates who had heard the remark, would not let him back out. He was matched in a preliminary next week, and decided to go through with it for the sake of appearances.

"I didn't know the first thing about wrestling," Gus declared. Some folks think I wrestled in college, but that's all wrong. The first thing that occurred to me after the bell rang was to tackle my opponent as I would in a football game. I hit him for a couple of times and he rolled over. It lasted 90 seconds."

After that Sonnenberg didn't have a chance to evade the mat game. He treated two other opponents in a similar manner and within a month was the feature attraction. When he met Strangler Lewis for the world championship his tactics were equally successful.

Arkansas Enters One Man Team In Golf Tournament

FORTH WORTH, May 11.—The announcement that Billy Bridwell, Arkansas university, will be entered as a one man team in the Southwest conference golf meet to be held here next Thursday to Saturday, brings the list of contesting schools to six. The Baylor squad so far has not signified its intention to enter.

Bridwell, who holds the championship of Arkansas, is a veteran golfer and his entrance adds a great deal of zest to the meet. The tournament will begin on Thursday morning with a medal and qualifying round of 18 holes. Six men from each school may be entered in the first play.

The tournament, which is scheduled to finish with the final match on Saturday, will be played on the Rivercrest Country club course and is expected to draw a good sized gallery of local and state enthusiasts.

Steers Prepare to Meet Rice Owls In Conference Series

By BOB CANTRELL

AUSTIN, Texas, May 11.—Sitting a bit firmer in their seat on top of the conference ladder, the University of Texas Steers returned from their North Texas road trip Wednesday morning and settled down to a week of preparation before the Owls invade the Longhorn fort. The North Texas trip was successful in that the Steers copped three of their four contests, and in doing so unleashed two of the greatest batting attacks uncorked by any conference club this season.

The Owls will be a hard assignment for the Dischemen to take on, as they have been kicking the title contenders about rather freely. Cecil Keith, a southpaw of much merit, took the Bruins and Aggies into camp and sent them home on the short end of the count. Phil Ables, a right-hander, hasn't been having as much success with the opposition as his wrong-handed mate.

The long distance clouting of the Texas nine featured the two Pony games. The first day the Dischemen collected 28 safeties, including four home runs and three doubles. In the second fray, they managed to get but five blows, but two of these were circuit blows and two more were two-base drives. At the same time, four Texas moundsmen were limiting the Mustangs to a measly ten hits for the two days. Ralton, De La Fuente, Peeples and Browning worked in the order named, with Ralton and Browning getting credit for the wins.

The return of "Doc" Leach and "Dusty" Rhoads to the Texas club has helped solve a problem that was bothering the aged Texas mentor, and these two will be an important cog in the line-up from here on out. Both hit homers in the S. M. U. series.

Seven Hitters Are Above .400 Mark In National League

NEW YORK, May 11.—(AP)—With the race three weeks old, four National League regulars and three irregulars remain at or above the .400-mark in the batting table released today and including games of Wednesday.

Andy High of St. Louis tops the regulars and the league with a mark of .434 compiled in 13 games, while Bob O'Farrell of the Giants shows the way to the semi-regulars with an even .500, the result of 11 hits in 22 times at bat in nine games.

Percy Malone of Chicago sets the pace for the pitchers with four victories and no defeats, while Burleigh Grimes of the Pirates and Jesse Haines of the Cardinals are right behind him, each with three triumphs and not a reverse.

Riggs Stephenson of Chicago, second in the list of regulars with 429, leads the field with total hits with 30. Frank Frisch of St. Louis is at the top in doubles with nine, and is tied with Lloyd Waner of Pittsburgh and Kiki Cuyler of Chicago in triples, each having three. Melvin Ott of New York sets the home-run pace with six.

Hack Wilson of Chicago has batted the greatest number of runs, 24, and Stephenson, who has crossed the plate 21 times, leads in scoring. Jake Flowers of Brooklyn is the greatest base thief with seven.

Following High and Stephenson are these regular batters: Ott, New York, .405; O'Doul, Philadelphia, .400; Terry, New York, .377; Hendrick, Brooklyn, .371; Frisch, St. Louis, .370; Herman, Brooklyn, .369; Hornsby, Chicago, .362; and Friberg,

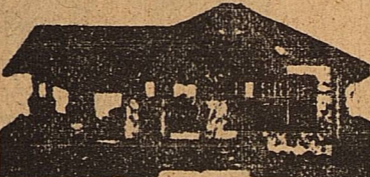

Gehrig Crowding Jamieson In Race For Pitching Honor

CHICAGO, May 11.—(AP)—Lou Gehrig of the Yankees found the range of American League pitching last week, added 84 points to his average, and climbed into second place in the slugging race, 10 points behind Charlie Jamieson, of Cleveland, according to unofficial figures including Wednesday's games.

Jamieson remained at the top of the list with a mark of .409, 26 points lower than last week. Clancy White Sox first sacker, dropped 37 points, but remained in third place with an average of .399. Lu Blue, of St. Louis, another first baseman, who was runner-up to Jamieson last week, lost 51 points and slipped to fifth place. Charlie Gehring, Tiger infielder, added 29 points to his average and landed in fourth place with .383. Other leaders were Narkesky, Boston, .385; Fox, Philadelphia, .350.

The Cubs lead in team batting with .303, followed by the Giants with .295. The Pirates trail in last place with .245. The Braves lead in team fielding with .984, 11 points better than the second place Cubs. The Pirates are last with .958.

BUILDERS

Consult Burton Lingo when you want builders' material, or want figures on any kind of building. We are prepared to serve you.

Burton-Lingo Company

letics, 378; McManus, Detroit, .373, and Hale, Athletics, .371.

The pitching leadership moved to Detroit where George Uhle, veteran right hander, collected two more victories. Uhle has won each of five starts this season. Wayne Hoyt, of the Yankees, added one victory, bringing his string to four without defeat, and Garmand Braxton, of Washington, picked up another for a record of three wins and one defeat.

The Detroit Tigers hit the ball consistently all week, and added two points to their average to assume the team leadership. The Tigers batted for .319, while Philadelphia, last week's leader, sagged to second with .301, a drop of 25 points. Ruth and Gehrig opened up with home runs, largely at the expense of the White Sox, and lifted the Yankees from eighth place to fourth. Gehrig led the league in circuit drives, with seven, and the Babe was close behind with five.

St. Louis went into a tie with Washington for the leadership in fielding with .981.

Detroit was first in runs scored, raising its total to 124 in 21 games, while Philadelphia has held opponents to 54 in 16 engagements.

Other leaders: New York, home runs, 17; triple plays, New York and

Chicago, one each; double plays, Cleveland, 27; runs, Gehring, Detroit, 25; runs batted in, Hellmuth, Detroit, 25; stolen bases, Forseth, Cleveland; Averill, Cleveland and Johnson, Detroit, four; strikeouts, Grove, Athletics, 25.

"If I think any act of this government is improper, invalid or unlawful, I reserve to myself the right to express my opinions fully and completely on that act. In fact, it is the positive duty of every citizen to do this—forcefully and without fear."

—Archibald E. Stevenson. (Forum)

THE CHILDREN—NOT THE WASHTUB—DESERVE YOUR TIME

The woman with children in the home has a thousand and one odd duties that command her time and attention. She has no time for the washtub. It is so much simpler, quicker and economical to send it to the laundry. Inquire about our service and save the time for the kiddies.
