### Council Also Looks at Repairs, Personal Regs

# New Business Site Water Okayed

A water line extension, swimming pool equipment repairs, personnel regulations, the animal shelter and routine repairs occupied members of the Spearman city council at their regular meeting Tuesday night.

Members of the council approved the extension of a two-inch water line some 2,700 feet along the north side of Highway 15 west to the new site of North Plains International. When the project is finished, the city will be reimbursed for all costs.

The resolution ratified by the panel Tuesday night regarding revisions in the rules and regulations for personnel of the city of Spearman was drawn up and passage recommended following an earlier study. Chief changes are extension of the three-month trial period to six months for new employees and availability of insurance through the city group for retired personnel. The retirees would bear the total cost of this.

Alderman approved repairs for the heater at the swimming pool which requires installation of new tubes replacing corroded, leaky ones. A Borger firm will do this work coming to Spearman for it because of the awkwardness in taking the unit from the pool and transporting it to Borger. The cost will be approximately \$2,000. This is a separate repair project from the one approved at the last regular council meeting for pool equipment.

Councilmen concerned with

a possible delay of opening the pool were told the heater was not required to meet the opening day schedule; it would just make things more "comfortable" once it was operable again.

With one reservation, the council authorized City Manager Jim Murray to advertise for bids to update the city's animal control shelter. The one reservation was prompted by the possibility of legislation during the current session in Austin setting forth requirements for these shelters. The state's Dr. Gaibraith will visit the city soon from Austin and Murray was instructed to ascertain from him whether the plans drawn by the city's engineers would comply in the event of passage of the proposed measure.

Members of the council heard the report that interests in Perryton had promised to investigate the potential of an investment in the development of a mobile home subdivision for Spearman. The panel felt the report was encouraging despite no concrete moves as yet.

The remainder of the session Tuesday night was routine including approval of the various reports--fire, ambulance, police, municipal court and animal control--and of the monthly bills payable and the current cash position of the city.

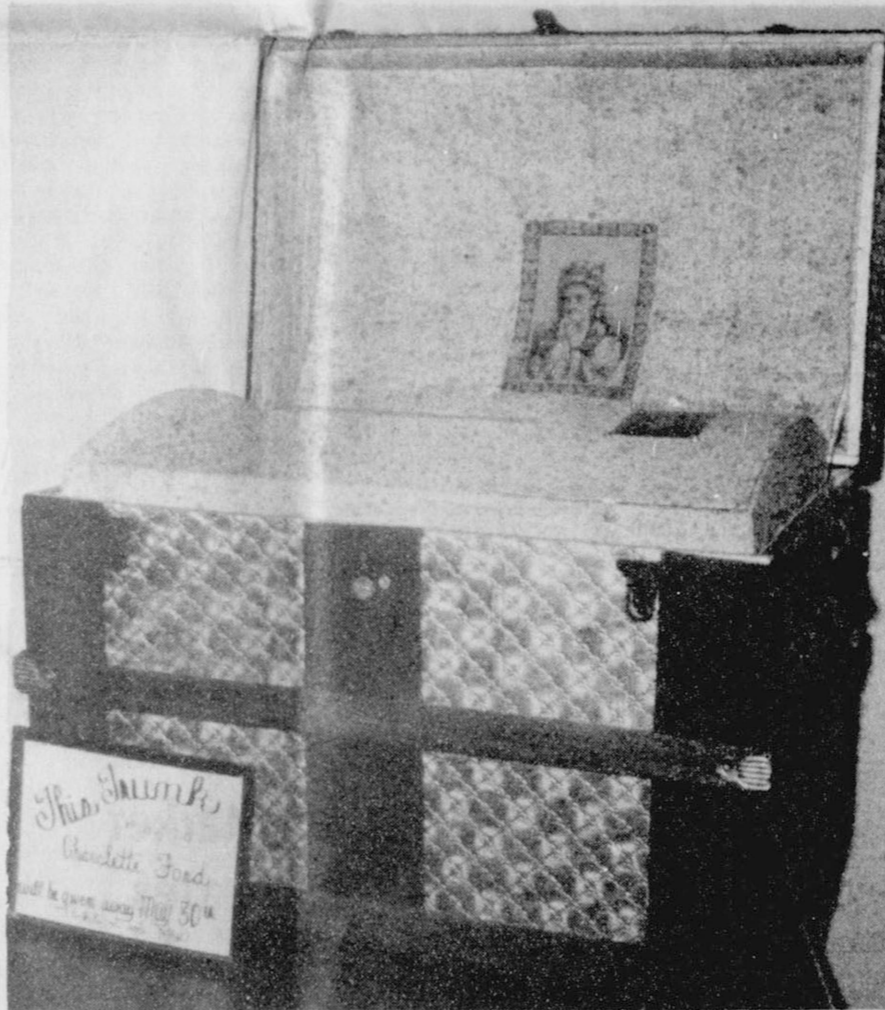

The council meeting is open to the public with the reminder that, due to daylight saving time, sessions convene at 8 p.m. instead of 7:30 p.m.

### 4-H Farm Tractor Safety Program

The Department of Labor has ruled that certain agricultural occupations are hazardous for the employment of youth under age 16. If you are age 14-15 and want to drive a tractor for hire on a farm other than your parents you must be certified. To be certified you must complete a training program meeting requirements for exemption from the Hazardous Occupations in Agriculture order of the Department of Labor.

If you are interested in completing a 10-hour training program to be held the second week of June, call the County Extension office by May 26th at 659-2136 or 733-2901.

## Ideal's 'Winsday' Winners

The Ideal Store here in Spearman began having a contest--"Winsday". As for the prizes awarded they are as follows: First Prize is \$100.00, Second Prize is \$50.00 and 3rd Prize is \$25.00. Some folks ask, "Do we just buy groceries?" A winner can buy "anything" that the store has for sale!! So, when the "clerk" gives you that ticket, don't just put it in "file 13" or wait till whenever, write your name down put it in the box and who knows that could be your lucky day. Most folks tell their kin and themselves, "I have never won anything, why should this be different!!" As the poem goes--"Where There is a Will, There is a Way!"--the "will" being you wanting to win and being optimistic, and the "way" is when you have that ticket in your hand and the box is just around the corner!!

The first winners were for April 15. The First Prize winner--\$100.00--went to Tandy Long, second prize--\$50.00--went to Mrs. Roy Jones and third prize--\$25.00--went to Paul H. Jones.

The 2nd week's winners were Fern Robinson winning \$100.00, Gail Woodington winning the \$50.00 and Kathy Volden winning the \$25.00. This was for the week of April 22.

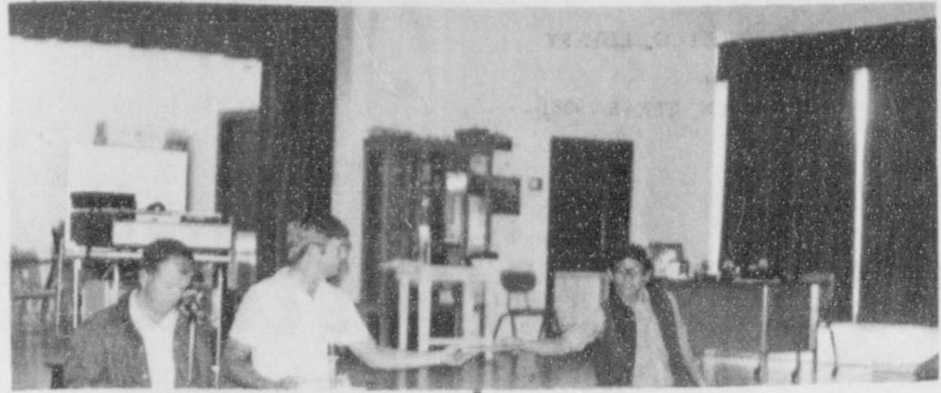

The third week winners were as follows: Criselda Vela won the First Prize--\$100.00, Carolyn Davidson won the Second Prize--\$50.00 and Jeff Becker won the Third Prize--\$25.00. This was the week of April 29.

For the week of May 6, the \$100.00 winner was Myrtle De Armond, the \$50.00 winner was Helen Sanders and the \$25.00 winner was Wilma Cook.

The latest winners were of this past Wednesday, May 13. The winners were Frank Oglesby winning the \$100.00, Robbin Taylor winning the \$50.00 and Lorraine Davidson winning the \$25.00.

Anyone can win, guys, gals, married folks, single folks, you name them and they will be winners. Shop at the Ideal Store, and try your hand at winning the \$100.00, \$50.00 or even \$25.00 worth of "anything" that the store is selling!! You might be the next winner! Ideal also has many things to offer, meats, vegetables, bread, dairy, candies, kool-aid drinks, soft drinks, magazines, tapes, flowers, popcorn, etc. Go on out and "check it out!!!"

## Schaeffer Graduates

Mr. John L. Schaeffer, son of Mr. and Mrs. John C. Schaeffer will be among the 34 graduates to receive diplomas from Northwest Texas Hospital School of Nursing on Thursday, May 14, 1981. Following graduation Mr. Schaeffer will be eligible to write the State Board Examination for licensure as a professional registered nurse. Upon graduation he will continue to be employed at High Plains Baptist Hospital in Amarillo, TX in the ICU department.

## Panhellenic Coke Party For Senior Girls

A Panhellenic coke party for graduating senior girls will be held Thursday evening, May 21, at Mrs. H.C. Brillhar's country home, one quarter mile south of the Twitchell elevator, and five miles east of Perryton, at 7:00.

Any girl who is interested in college sorority life is invited to attend and bring her mother. This session will be basic information about sorority life and rush procedures.

All alumnae and actives of any Panhellenic group are invited to the coke party and to stay afterwards for a short business meeting. If there are any questions, one may contact Mrs. Don Cooper, 435-2446.

## CRUISE SHIP STRANDED

**ABOARD THE NORWAY** -- The SS Norway, the world's largest cruise ship, steamed toward Miami recently after its second breakdown in eight months left 1,780 passengers without electricity and water for 24 hours. ## Golden Spread Center News

Friday, May 8th several members of the Golden Spread Center motored to Amarillo to County Squire Theatre starring Robert Horton and wife in "Same Time Next Year." A very good time was had by all those who went.

On Monday, May 11th seventeen members and one guest were given a free pizza compliments of the Pizza Hut. It was a very enjoyable event and all of us wish to thank the management for the food and hospitality. Try a pizza they are great.

If you would like to limber up your body why not come to our exercise class on Tuesday & Thursdays at 10:00 a.m.? Cindy Schneider is an excellent teacher so come join the center and have fun.

Everybody of the center is busy preparing for our annual Bazaar and finishing the various projects under the able guidance of Marv Hendrickson. Come by and enjoy the friendliness of the Golden Spread Center.

## 'Fiesta de Fe'--Festival of Faith

Archbishop Patrick Flores of San Antonio will return to the Diocese of Amarillo Friday, May 29, to be the principal speaker at a Festival of Faith, to be held in the Exhibition Hall of the Lubbock Memorial Civic Center, 6th and Avenue Q.

The popular Archbishop will give the homily at the Fiesta de Fe liturgy scheduled to begin at 7 p.m. Bishop L.T. Matthiesen, celebrating his first anniversary of episcopal ordination, will be the principal celebrant. Other Texas Bishops indicated they may be able to attend if heavy schedules at that time permit, and will concelebrate liturgy.

All priests of the Diocese likewise will be invited to concelebrate, as well as the permanent deacons of the Diocese and visiting clergy.

Lubbock Mayor Bill McAllister and other elected officials will be speakers at an awards ceremony to follow liturgy. State Representative Froy Salinas is among other elected officials indicating they will attend if their legislative

schedules allow it. In this awards ceremony representatives of parishes and missions in the Diocese will be recognized as symbolic of all those who give service to the Church. Jubiliarians will also be honored.

Members of the Diocesan Pastoral Council will be commissioned in the Festival liturgy, during which diocesan choir made up of parish choirs in the diocese will sing.

Fellowship, music and light refreshments will follow the awards ceremony.

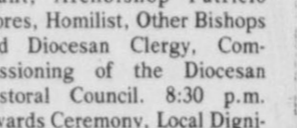

The following is the official announcement of the Festival of Faith.

The Bishop and Diocesan Pastoral Council have called for an annual celebration in the Diocese of Amarillo. This celebration is intended to give all Catholics in the Panhandle a chance to witness to and celebrate the identity of their Faith. It is also intended to be an opportunity for diocesan recognition of people who have

served the Church through extraordinary commitment to its work in their parish.

The Festival of Faith will be on Friday, May 29th, at 7:00 p.m. in the Lubbock Memorial Civic Center, Exhibition Hall, 6th and Avenue Q. The theme will be "The People of the Covenant Called to Service."

The Agenda is: 7:00 p.m. Eucharistic Liturgy, Bishop L.T. Matthiesen, Principal Celebrant, Archbishop Patricio Flores, Homilist, Other Bishops and Diocesan Clergy, Commissioning of the Diocesan Pastoral Council. 8:30 p.m. Awards Ceremony, Local Dignitaries and Awards Recipients. 9:30 p.m. Fellowship, Music and light refreshment.

About 15 species of walnuts are native to North and South America.

## Mary Lou Wysong Speaks to Rotary

Mary Lou Wysong, manager of the Spearman Chamber of Commerce, spoke to the Rotary Club on May 4th. Mary Lou brought the members up to date on the Hansford Roundup which will be in Spearman on May 30.

To begin the festivities, the carnival will again be here beginning May 27 and running through May 30th. The second event of the Roundup will be the Youth Dance sponsored by the YMCA on Friday, May 29, at the YMCA. The Dance Machine with Lynn Ballew as disc jockey, will run from 8:00 p.m. - Midnight. Admission will be \$3.00 per person.

Saturday, May 30, will be the big day, with the morning, afternoon and evening filled with activities for all ages. The schedule is:

9:00 a.m. Merchants Sidewalk Sale

9:30 a.m. Pride of Panhandle Horseshow; Registration of Old Timers; & Booths will open on Courthouse lawn

10:00 a.m. Assembly of parade participants

11:00 a.m. Parade begins

12:00 p.m. Bar-B-Que by American Agriculture & Fiddlers' Contest

1:00 p.m. Railroad Museum open house and displays; Sam Cornelius Memorial Service (Courthouse lawn) & Youth Relays and Games by Moose Lodge

2:00 p.m. Country KIXZ live entertainment show

9:00 p.m. Western Dance at the Moose Lodge

In addition, the Carnival will be playing, numerous booths for fun and food will be open, the Golden Spread bazaar will be selling handicrafts at the center.

The girls from Girlstown will be here again and riding in the parade. The parade will include motorcycles from the Perryton community, Shriners, antique cars, floats, bicycles, tricycles and entries from local businesses.

She mentioned some important reminders and suggestions to the Rotarians, who will handle the parade again this year. Also, a new dimension is the establishment of a registration booth for visitors and refreshments. It will be located in the Plains Shopping Center.

This year, the Miss Hansford Contest will be held on June 6, due to many conflicts and the lateness of school being dismissed.

Jim Murray, member of the Jaycees, announced that the club will be disbanding, but as a last effort plan to finish upgrading the "Little League" baseball field. He asked Rotarians to help by coming to the park between 6:00 and 9:00 p.m. on Thursday and Friday, May 14 & 15 with paint, brush and hammer.

Frank Oglesby reported he had visited Coy Palmer in the hospital and that he is doing well. He plans to return to the club meeting on the 18th. Also, with Coy's makeup for this week, the local club had 100% attendance at the May 11 meeting.

Those present: Jim Benson, Exchol Blankenship, Roy Bulls, John R. Collard, Robert Elliott, Pete Fisher, Ed Garner, Kerry Henton, John Hutchison, Junior Lusby, David McClellan, Jack McWhirter, Jim Murray, Frank Oglesby, Steve Rogers, Jim Shirley, Mike Schnell, Gary Sims and Don Wirsdorfer. Coy Palmer, makeup.

Friday, June 19, at 8:00 p.m. in fellowship hall of the Methodist Church will be the time for the Installation of Officers for the Spearman and Perryton Rotary Clubs. Make plans to attend.

## Scholarship Available at WTSU

Dr. Roy E. Thonan, Director of TBEU Summer Scholarship Program of the Political Science Department at WTSU announces that the University has received a grant from the Texas Bureau for Economic Understanding to conduct a special summer program which will deal with the free enterprise system.

This 6-hour, graduate level program, designed mainly for social studies teachers, will be offered during the 1981 second summer term. There are approximately 30 scholarships to award. # SeedTec sunflowers make the most of a little water.

Quality always costs less. Let us show you why today.

**Field Tough Energy Gentle.**

**Valley gives you more value per \$**

Valley utilizes computer technology to integrate pipe sizes, sprinklers and nozzles in an ideal combination. This helps assure energy efficient irrigation systems for maximum return on your invested dollar.

And that's only the beginning of Valley value. Our systems are field tough. Field performance proved.

Here are a few other reasons Valley gives you more for your dollar: • Hot-dip galvanizing throughout. Only Valley offers this value as standard. • Field tough gearbox. So reliable they're becoming the standard replacement on other center pivots. • New, no-grease urethane maintenance-free U-Joint. Years and years of service.

There's no question, quality always costs less. Let's talk today. Chances are we can save you thousands of dollars.

Valley dominates the field.

Here in the High Plains of Texas, a little water has to go a long way. But now, you can make the most of a little water by planting SeedTec sunflowers, the drought-tolerant crop that thrives in hot, dry weather.

world demand for sunflower oil is high. So sunflowers offer excellent profit potential.

**Cut your irrigation costs and conserve water.**

By planting SeedTec sunflowers now, you can cut irrigation costs and conserve one of your most valuable resources—water. With only one or two waterings, your SeedTec sunflowers can have the moisture they need for excellent performance. Compare that to the expense of irrigating corn or sorghum, and you'll see why SeedTec sunflowers are the logical alternative to high pumping costs and dwindling water supplies.

**Cut nutritious silage from SeedTec sunflowers.**

SeedTec sunflowers make great silage, any way you cut it. In fact, sunflower silage contains more protein and fat than corn or sorghum silage. Yet sunflower silage costs less to produce.

To make the most of a little water this year, call your SeedTec dealer today.

**Cut your total production costs.**

On irrigated land, sunflowers cost less to produce than corn, cotton or sorghum. And while sunflower production costs are low, the

## SWIMMING POOL

The City is working on repairing the filter tank and heater coils on the pool. The tentative schedule for opening the pool will be on Saturday, May 23, at 1:00 p.m. and Sunday, May 24, at the same hour. Verlan Winegarner will again manage the pool for the YMCA. Rates for daily recreational swimming have changed: Youth to age 12 will be 75 cents per day, those 13 and older will pay \$1.00 per day. Season passes for individuals and families may be purchased. The pool will begin seven-day-a-week openings on Saturday, May 30th. Watch the paper for more details on the scheduled lessons and special times for families and teens.

## SOFTBALL PROGRAM BEGINS

Men's softball was begun last week with a pre-season double elimination tournament, which ended Friday. Regular softball league will begin Tuesday, May 19. The men will be playing on Tuesdays and Thursday evenings. There are eight teams competing: Kerry Henton's Team, Spearman Super Service, North Plains International, Tico, Agco of Spearman, Hi Plains Auto Supply, John Deere (Hansford Implement) and Union Church. Again, the YMCA and the teams really appreciate the support of the softball program by these business and professional people in our fine community.

Women's Softball Pre-Season Tournament will begin Monday, May 18. The tournament will be played on Monday, Tuesday and Thursday nights.

There will be five teams competing in the league, which will begin June 6. Only four

teams will be in the pre-season tournament: Buster's Dusters, Junior Lusby Cats, Speartex's Bottoms' Up and First State Bank's Red Hots. The fifth team, which will begin playing in the regular season will be A&L Printing.

The lineup for the Tournament on Monday, May 18, will be: Buster's Dusters vs Speartex's Bottoms' Up at 7:30 p.m. Junior Lusby Cats will play the First State Bank's Red Hots at 8:45. Games will be played on the old Lynx Stadium Field, just east of the YMCA.

## Gilley Receives Nursing Diploma

Donna Gilley daughter of Mr. and Mrs. Raymond Gilley of Spearman, Texas will be among the 34 graduates to receive diplomas from Northwest Texas Hospital School of Nursing on Thursday, May 14, 1981. She will be eligible to write the State Board Examination for licensure as professional registered nurse following graduation. She completed LVN training from Frank Phillips College in 1977.

## Faye's Daze

Have you noticed the flourishing rabbit population in Spearman this spring. I have seen several in our neighborhood and when I came to work this morning I saw one scurrying under Sacks 3rd Ave. building.

Also, at least in my neighborhood there is an over abundance of cats. Everytime I leave my garage door open one comes in and several times I have sut them up in there until I heard strange noises and started to investigate. Stray cats are not very welcome at my house because they throw my cat, Ginger, into a frenzy which throws me into a frenzy.

Speaking of state of frenzy, that suits me to a T. I can't seem to get anything done and everywhere I look at home and work there is something that needs to be done.

The cold snap Tuesday and Wednesday sent me shutting windows, looking for electric blankets and the thermostat, and some warmer clothes.

There is nothing quite like the weather in the Panhandle, probably that is why the pioneers were so hardy.

Speaking of pioneers, we lost another one this past week with the passing of Mrs. Grace Lyon. The Lyon's and my family were next door neighbors, and I am told that she was present at my birth. She was a great lady, always so active in church and civic work. She was in Bivins Center at Amarillo during the time I was there and one of the memories I will always have is of her sitting in a large wooden rocker, looking so dear and sweet. I wish I had had a camera to take a picture of her. My sympathy to Perrin and Buena and their families for their loss.

## Moyers Chosen as Western Artist

"The Warming Cup" from the illustrations for the Souvenir Program for the 16th season of the musical drama, "TEXAS". The artist is William Moyers of Albuquerque, New Mexico. Dates are June 17 through August 22, 1981. Write Box 268, Canyon, Texas 79015 or call 806-655-2181.

Each year the producers of "Texas" the spectacular musical drama in the Palo Duro Canyon, choose a western artist to illustrate the Souvenir Program. This year he is a man who knows horses, and this knowledge of their moods and their gaits, and their work and their rest, shows on every page of the program.

Born in Georgia, William Moyers of Albuquerque, New Mexico, first discovered the west when he went to the San Louise Valley of Colorado. He never lived in the south again.

He broke horses, worked on hay crews and helped out at stock auctions to work his way through Adams State College where he now serves on the Foundation Board and was named a most distinguished alumnus. He graduated in 1939.

He was fascinated with the challenge of putting the cowboy life on paper and went to seek more training in art at the Otis Art Institute in L.A. and employment at the Walt Disney Studios where he first learned how the professionals work.

Always watching - always learning - he taught school, served from private to captain in the army and finally became involved in book illustrations. Prize Winner for the Limited Editions Club - he later wrote and illustrated "Famous Indian Tribes" for Random House and "Famour Heroes of the West" for Grossett & Dunlap.

## Weeds & What to do About Them

Weeds are a problem in backyard gardens just as they are in large fields of vegetables, grain sorghum or cotton. They compete with your desirable plants for water, soil nutrients, sunlight and air. In some cases, they may harbor many different kinds of insects as well as diseases.

What can you do about weeds in your garden? Believe it or not, hand hoeing is probably still the best answer. It is inexpensive, quite selective, accurate, effective and, for some, even enjoyable. Some local gardeners feel a great deal of emotional satisfaction from leaning on a hoe handle and viewing a clean row where weeds stood only minutes before. Remember, weeds should be relatively small when hoed or pulled from your garden since damage may occur to vegetables if weeds are allowed to get too big before being removed.

Another effective method of controlling garden weeds is to use a mulch. Mulching is one of the real keys to a successful garden in this part of Texas. A mulch is simply defined as "any material spread on garden soil to protect plant roots from heat, cold or drought, reduce problem weeds and keep fruit clean." A mulch controls weeds by keep-

ing light away from seedlings and by providing a mechanical barrier to their emergence. Mulches work best against weeds and grass that come up from seed each year. Any weeds that do come through the mulch can be spotted easily and removed from the garden.

Good mulching materials in this area are compost, straw, leaves, hay, sawdust, newspaper and plastic sheeting. Organic mulches are, by far, the most common but remember that they should not be applied too early in the spring. If you mulch a cold garden soil, it warms up slower, delaying the maturity of most vegetables. One benefit when using organic mulches is that at the end of the season, they can be turned to improve the physical condition of your garden soil.

Black plastic film has been used as a garden mulch for a long time. It is probably the most popular synthetic material available. It will result in a warmer soil early in the season and will greatly reduce the weed population. However, if weeds are not a problem, it is an excellent mulching material. Several sheets of newspapers laid flat over the top of the garden row will also help control most weeds. However, like organic mulches, news-

paper can cause delayed maturity of many garden vegetables such as tomatoes, peppers and squash if applied too early.

A third method which I feel has limited value for garden weed control is herbicides. While such chemicals work well in single crop situations, it's difficult to use them in a garden where a wide assortment of vegetables may occupy a fairly small space. I feel that herbicides are difficult to use in most garden situations.

However, if you are determined to use chemicals for garden weed control, remember that some herbicides may work

with some crops but may damage others. Be sure to follow the exact application rate and use only the correct amount. If you have a relatively large garden, it's possible to use herbicides satisfactorily by grouping vegetables for their tolerance to certain chemicals and diligently following all label precautions. However, your best bet for satisfactory weed control is to sharpen your trusty hoe and to practice the age-old and time-tested art of mulching.

Enough on this subject. Next time I'll discuss a real mystery to most gardeners—how to tell when to water.
