

In mayor, council races . . .

Voters may have to define issues

The Spearman political scene this election season has taken on different-than-average aspects and coffee-cup campaigns maintain this means major changes in city administration.

Actually, this will be decided at the polls rather than at various coffee pot pouring places around town but the competitive developments at a time when the city seems to be moving smoothly on a path of growth and progress, merits a comprehensive, unbiased look at incumbents and challengers themselves, leaving issues to be decided by the voters.

Terms are ending for Spearman Mayor Ralph Blodgett and City Councilmen Ed Garner and Ray Ingle.

Blodgett is being challenged in his re-election bid by Bob Breeden, a former city employee in the Sanitation Department and Wilson McClellan, member of a pioneer Hansford County family.

The incumbent mayor, also a member of one of the first families of the area, is an agri-businessman and an extensive land owner. Even his most voluble opponents recognize that he has given much of his private business time over to city affairs along with large outlays of his personal funds to underwrite certain efforts for the city.

This has led many to misunderstand the actual administrative power of the mayor whoever he may be. At council meetings, he cannot make motions and cannot vote. He does have the right to voice his opinion in an issue at hand but members of the council can -- and have in the past -- overridden his opinion.

Thus far, his opponents have not castigated him on any given point of performance or results. They say they just feel the city should be led in a different direction.

Councilman Garner, an executive with Baker & Taylor Drilling Co., made it there as a hard worker. He has served the city with the same energy. It has been said that he is largely instrumental in making a perfect honeymoon following the marriage of a previously all agriculture oriented community and incoming industry.

Councilman Ingle, an officer of Spearman's banking house, has been an important link between city leadership and the medical community.

Breeden has not, thus far, engaged in an active campaign for the post of mayor. His strongest statements in his own behalf point out he has been a plain working man all of his life -- some 20 years of it in Spearman -- and he feels he will be the choice of the city's laboring class to head city government.

He presently is standing on his experience as a working man and his acquaintanceship with others and has raised no particular issue in his campaign

for the mayor's chair. --Nor has the other mayoralty candidate, Wilson McClellan raised any controversial issues. To this point, he has conducted what campaigning he has done along the lines of his experience and qualifications and the fact he feels the city should be "pointed in another direction".

The lone challenger for a seat on the city council is Spearman businesswoman Dorothy Karns. Her late husband, Louis Karns, was the long-time head of one of the city's service departments and Mrs. Karns feels she is eminently aware of most of the problems that beset a city at the service-to-the-people level and capable of weighing solutions at hand to select the best one.

She has spent her life in Spearman and feels she has an added incentive of love and loyalty for the city and its people.

In the race for mayor, the candidate polling a majority of the votes wins the office. An outcome based on a simple majority precludes the necessity and expense of a run-off election.

There are no specific seats on the city council. All members are "at-large" representative of the people. With two places open, the two candidates polling the highest number of votes will be seated on the council.

In this particular race, that assures that at least one of the incumbents seeking re-election will be returned to the panel.

The entire campaign on the part of every candidate has been low key and almost devoid of any controversial issues to this point. Campaign speech-making has virtually been nil.

There has been some criticism of all candidates because of this. The man-in-the-street consensus seems to be that candidates are resorting to two extremes: either the force of personality or a one-on-one or small-group airing of personal criticisms of opponents.

Since at the outset of this in-depth look at the city campaign, an unbiased approach was promised, it should be emphasized that not any of the gossip-type circulation of criticisms have come from constituents and not from any of the candidates themselves to our knowledge.

So, it has become a political contest in which the voting citizen of the city will have to define issues rather than the candidates. This simply means an assessment of what a citizen expects from the leadership of the city -- what has been provided to date -- and an individual appraisal of candidates both personally and from the standpoint of experience.

By way of emphasizing that you should vote in this election regardless of your candidate choice, we would like to point out that the best person for the office does not necessarily win, but -- the most votes always do!

Council votes new communications system

Members of the Spearman city council may have conducted the shortest regular session on record Thursday night, disposing of an agenda item -- a Criminal Justice Department grant -- the catch-all "other" and the routine reports and decisions pursuant to city business operation.

The grant under discussion harks back several months to a situation developing during a council meeting consideration of emergency practices should a disaster visit the city. At that time, Spearman Chief of Police Ron Robinson noted the present communications system that was a part of his department was rather antiquated. There were separate pieces of equipment for just about every communication function of the police department -- regular police activity, fire and ambulance service.

The grant under consideration Thursday night grew out of this. The Criminal Justice Department of state government will make available equipment that would handle all communication functions with one unit and one operator. Cost of this equipment would be \$7,500 and the Criminal Justice Department would pay 75 percent of this outlay.

Members of the council voted to accept terms of the grant and purchase the equipment meeting the 25 percent matching funds required under the terms of the pact.

Briefly, under the designation "other" on the agenda, a discussion of another clean-up campaign for the city of Spearman, similar to the sweeping effort three years ago, was discussed. Under the tentative plans considered, the Chamber

of Commerce organization would be the prime mover in the clean-up campaign with the city backing up the effort in every way possible.

The item designated "other" provides a discussion period for pertinent issues brought up either by the council or citizens in attendance at the meeting. No action can be taken because specific items for the agenda must be publicized in advance according to law. However, many things discussed at this point on the agenda of city council meetings have become bona fide agenda items and in most instances, a successful move in serving the citizens of the city.

With the members of the council in full accord at all points: issues, reports and discussion items, the meeting was adjourned.

Mini Expo

"MINI EXPO" -- Consumers Sales Co., the local CO-OP outlet, hosted these and hundreds others who registered during the unusual sales expo staged at the old Beedy location in the Plains Shopping

Center. It featured the most dramatic and complete tire display ever exhibited. In addition, visitors saw tubes, oil, filters, lawn mowers, lawn fertilizer, batteries--all at savings of five to 50 percent off the already low CO-OP price. --All this and hot dogs and trimmin's, too.

Ministerial Alliance Sponsoring Holy Week Services

The Spearman Ministerial Alliance will be sponsoring a very fine community program during Holy Week.

Each day at noon, Monday through Friday, April 5-9, noon services will be conducted at the First United Methodist Church. Sandwiches and soup will be served, beginning about 11:45 a.m. for a very nominal fee, then a 20 minute devotion by one of the ministers of the city. Everyone will be able to be back at their job by 1 P.M.

The regular "Good Friday" service for the community will be at 7:30 p.m. on Friday night with the Rev. Steve Rogers of the Union Church preaching and this service will also be at the First United Methodist Church.

A special service for any who may desire to attend will be the Maundy Thursday Communion Service at 7:30 P.M. at First United Methodist Church.

Hadley Reed

Will Jarvis

Farm Bureau Husbandry Awards presented at the annual Hansford Livestock Show were presented to Chris Tomlinson, Gruver FFA, 1st place; Hadley Reed, Spearman FFA, 2nd place, and third place to Will Jarvis, Spearman 4-H.

Sales Expo Stars

SALES EXPO STARS--Keith Felter and David Hoppe of Farmland Industries, the parent organization of Consumers Sales Co. and other CO-OP outlets across the nation, served as working hosts here

during the "Mini Expo" staged Thursday and Friday. Pictured with them is Carolyn Cummings of the local store. With electronic sight-and-sound to answer many questions, these personable people had only the pleasant job of saying "Howdy!" to visitors and did a right friendly job of it according to those registering at the event.

CITY ELECTION
CITY OF SPEARMAN, TEXAS

- Dorothy Karns

Apostolic Faith Revival

A revival begins today, Sunday, March 28, at the Apostolic Faith Church located on the corner of 9th and Dressen.

Rev. Donald Dibbens from Vanderpool, Texas will be the Evangelist.

Bro. Donald is well known in this area for his ministering in Campaign should be in attendance. All Clubs and organizations are encouraged to have a representative present. This is going to take the full cooperation of everyone in town to make a successful clean-up.

Community Development Committee

An organizational meeting of the Community Development Committee of the Spearman Chamber of Commerce will meet Friday, April 2, at 4:00 p.m., in the Chamber Office, 211 Main.

Dr. Doug Steger, Chairman, says that anyone interested in helping organize the Clean-Up song and the preaching of God's word.

Everyone is invited to be in service with Bro. Dibbens and the local church, whose ministering will be a blessing to everyone who attend.

The services each night will begin at 7:30 P.M.

Hospital

Patients in Hansford Hospital are Ann Thom, Keese Richardson, George Ford, Larry Dunn, George Hinkley, Gwenfred Lackey, Magdalena Garcia, Jeanette Longoria, Alta Morse and Milton Brown.

Dismissed were Emma Lopez, Hattie Mackie, Anna Sanchez, and Lelan Close.

Absentee Voting Light In Election

Absentee voting in the city and school elections and the bingo elections continues through Tuesday, March 30. The elections will be held April 3 at the high school.

Four people have voted absentee in the county wide Bingo election. Polling places for the Bingo election will be the regular voting precincts for county and statewide elections.

Absentee balloting so far is 5

Plane crash investigated

The tornado, its aftermath, a plane crash and a pickup fire kept the Hansford County Sheriff's Department busy up to press time.

Sheriff R.L. McFarlin, his staff of deputies and weather-watchers "nursed" the twister through Hansford County ready to rouse the populace of Spear-

man after it was established that the funnel had missed Gruver.

Then the sheriff and his deputies fell to the task of double-checking for undiscovered injuries or damage when the "mop-up" began.

The crash of a spray plane belonging to Sparks Brothers Aerial Spraying Service occurred Sunday in a field near Spearman. The air-craft piloted by Harlan Gerardy was not on a spray job but was flying cross-country coming into the Spearman airport when motor trouble developed.

Gerardy elected to set down in a field and everything was going well for such a procedure with the plane under control. It developed that landing speed and the location of a fence were not going to work out favorably. In an effort to miss the fence, the plane was flipped on its back. Gerardy suffered no apparent

injuries other than being shaken up.

The inverted aircraft was still causing questions and comment Thursday. It had to be left as it came to rest pending arrival of an FAA inspector and a representative of the owners' insurance carrier.

The pickup truck fire oc-

curred north of the city when the owner set out to drive the vehicle into a shop on his place to repair a gasoline leak.

Sheriff McFarlin said his department would return Russell Stewart from Holdridge, Nebraska, to face a charge of theft of services.

Career Day Clinic Set

The third annual Career Day Clinic will be held Thursday, April 1, at Spearman High School. This is a project that is co-sponsored by the Spearman Chamber of Commerce and the Spearman Rotary Club.

James Cunningham is Chairman of the Free Enterprise Committee of the Chamber and John R. Collard, Jr. is Chairman for the Spearman Rotary Club. Over forty consultants

will be available to tell the students of Spearman High School about the careers they are interested in.

Mr. Maxie Davie, Vice President Public Affairs, Texas-New Mexico Power Company, will be the Keynote Speaker. Mr.

Davie is from Fort Worth and will speak to the Student Body on Free Enterprise.

Championship Game, Monday Volleyball Games Set

The Volleyball games have been set for the Women's League. So far in first place is Busters Dusters and First State Bank—they will be playing for what seems to be, the "Championship Game", but of course, the following week, both teams could be upset by their opponents.

The first game will begin at 7:00 p.m. This will be a "Practice Game". So far, all the "practice games" have not counted for or against the teams records, but both teams competing play so hard, in other words, they play to practice, but they also play to win! They just don't "sossiar", the way most folks would figure in a "practice game"!!

The second game of the night will be the first of 3 very close games. It is scheduled for 7:45 p.m. The ones to play are Agco

and Sparks Bros. Both teams haven't won any games, but they have scored lots of points.3

The "Game of the Year" will begin at 8:30 p.m.—don't miss it. This will have the only two undefeated teams going up against each other. Both teams have at least one new recruit—Busters has 1—Connie Davis, and First State Bank has 3—Sheila Watley, Ginger Coffee and Becky Kelp. Both teams seem to be adjusting to their new players.

The final game of the night, will be the final Close and very good game. The game will be between the two teams that are tied for 3rd Place—Thriftway and J.G.'s. The game is scheduled for 9:15 p.m.

All these games will be played at the Lynx Little Gym, one after another. Don't miss these games.

"The best music should be played as the best men and women should be dressed—neither so well nor so ill as to attract attention to itself."
Samuel Butler

Davis, Reed & Relay Team On Honor Roll

Each year the Amarillo Globe News has a Girls Track Honor Roll and a Boys Track Honor Roll also.

In the girls Track Honor Roll, the Spearman Lynxettes had their 400-METER RELAY TEAM honored with a time of 52.1—the best was by Tascosa with a time of 49.3.

Jean Davis was honored in two events she has entered—the 200 METER DASH—with a time of 26.8, the best being by Monica Reining of Panhandle

with a time of 25.8—this was measured in yards not in meters. The other event is the 800 METER DASH. Jean's time was 2:30.0, the best time was 2:22.31 by Deborah Taylor of Amarillo High.

Finally, also honored was Janet Reed in the HIGH JUMP. Janet jumped a 5-2, the best was by Lori Bolk of Amarillo High with a clearing of 5-4.

Each week this survey is taken, maybe each one will do better and other Lynxettes will be added.

Brack, Dunlap On Track Honor Roll

There were two Spearman Lynx honored by being named to the Amarillo-Globe News "Panhandle Area Boys' Track Honor Roll".

One of those Lynx was Kyle Brack, A Senior. Kyle was honored in two events—his

favorites. One of them was the 110-METER HIGH HURDLES. Kyle's time was 15.0, the best time is by Eric Roberts of Palo Duro with a time of 14.5. Kyle was also honored in the 300-METER INTERMEDIATE HURDLES. Kyle's time was 39.6, the best time was by Hereford's Alfred Ball with time of 39.4.

The other Lynx honored was Scott Dunlap. Scott has been doing a fine job for the Lynx in the HIGH JUMP Event. Scott's best jumping ability has been 6-4. The best jump was by Todd Washington of Sanford-Fritch with a jump of 6-8 1/4.

Congratulations to both Kyle and Scott. Keep up the good work, guys.

Golf Girls Look Great

The Spearman Girls Golf Team traveled to Booker to compete in the Booker Girls' Invitational Golf Tournament. As far as their coach, Gary Rambo, is concerned, the girls did a tremendous job.

There were 2 "Flights" played. On "A FLIGHT", the girls won 1st Place with a "415". Booker took second with a "429" and Dalhart was 3rd with a "452".

On "B FLIGHT" Booker was 1st with a "531". The girls-Spearman Golf team—were 2nd with a "557" and Guymon, Okla. was 3rd with a "567".

For their first tournament, the girls did a fabulous job. Their next encounter will be March 30—Tuesday, here at Spearman—don't ya'll miss it. The girls Golf team appreciates your support as well!

Here's How!

Select The Shampoo That's Right For You

One of the most important parts of an effective hair care program is to determine the type of hair you have — whether it is dry, normal, or oily — and to select your shampoo accordingly.

One way to tell if you have oily hair is if it has a greasy appearance and tends to separate. This is often evident during adolescence when there is a marked increase in sebaceous oil production. Oily hair requires more frequent shampooing than does dry hair. This could mean as often as every day. A shampoo such as Ogilvie Hair Repair Shampoo for Oily Hair will give you a creamy lather that thoroughly cleanses hair and scalp, yet has built-in oil-free reconditioning agents to help build body, repair split ends and leave hair shining.

Dry hair, on the other hand, has little oil and frequently has a dry, lackluster appearance. It is prone to being damaged and may break easily and have split ends. As a person ages, the sebaceous glands become less active and hair may become dryer. Ogilvie Hair Repair Shampoo for Normal to Dry Hair provides gentle cleansing plus a powerful reconditioner to help repair split ends and other externally caused damage. By following these shampoo guidelines, your hair can look healthier, shinier and more attractive.

"Teach thy tongue to say, 'I do not know.'" Talmud

Practice Teaching

Sharon Harris of Spearman is doing her practice teaching in Spearman. The Panhandle State University student teachers recently returned from their assignments, to the Goodwell Campus for a one-day seminar. The group of student teachers doing their internship in Texas are pictured above. First row, left to right, are: Sharon Harris, Twila Boyd of Gruver, Cindy Chisum of Hartley and Sharon Knudson of

Gruver all doing their teaching in Gruver; Carolyn Mostek of Texhoma teaching in Sunray, Judy Hergert of Spearman doing her teaching in Perryton and Tina Johnston of Texhoma doing her teaching in Stratford Left to right second row are Florene Schaffer of Texhoma doing her practice teaching in Stratford and Dr. James Satterfield, Director of Teacher Education at PSU.

8th Girls Look Good At Stratford

The 8th graders traveled to Stratford to compete in that track meet this past Friday, March 19. They did a fine job, but could not get any first place finishers.

Out of the 14 Events, the 8th Lynxettes placed in 9, but the thing was, they didn't place high enough in the standings to make a difference in the final outcome.

The first "main event" was the SHOT PUT. Mier of Sunray won the event with a throw of 26'6", Sparlock of Stratford was 2nd with a throw of 26'. Diana Martin did a fine job staying in there and winning 3rd Place with a throw of 24'. Douglas of Perryton was 4th with a throw of 24'1/2", Baper of Perryton was 5th with a throw of 23'4/2". Traci White did a terrific job staying with the pack and placing 6th with a throw of 22'1/2". In the LONG JUMP Cummings of Stratford won the event with a jump of 13'1", Adams of Stratford was 2nd with a jump of 13'1/4", Lavoto of Fritch was 3rd with a jump of 13'0", Rice of Sunray was 4th with a jump of 12'10'1/2". Carlee

Dixon did a fine job and jumped 12'10'1/2" to win 5th place. In 6th Place was Hataway of Perryton with a jump of 12'8'1/2". The TRIPLE JUMP was won by Laway of Sunray with a jump of 29'5'1/2", 2nd Place was Tiffany of Stratford with a jump of 29'1/2". Dana Irlbeck did a fine job and won 3rd Place with a jump of 28'1'1/2". Linda Evans did her thing and was right behind Dana—both members of the 8th Lynxettes Tracksters. Linda jumped 27'7'1/2". In 5th Place was Adams of Stratford and in 6th was Crenshaw of Sunray. The 400 METER RELAY was very competitive. The winner was Fritch with a time of 56.83, Sunray was second with a time of 57.70, Stratford was 3rd with a time of 58.0, Perryton was 4th with a time of 59.25. The 8th Lynxettes placed 5th—members were Diana Martin, Traci White, Dana Irlbeck and Shelly Dunnihoo—their time was 59.87. In 6th Place was Stinnett with a time of 1:00.05. The HIGH JUMP Event was won by Smith of Perryton with a jump of 4'8", Williams of Stinnett was 2nd

with a jump of 4'6". Allen of Stinnett was 3rd with a jump of 4'6". Stork of Sunray was 4th with a 4'6" jump. Aylett of Perryton was 5th with a jump of 4'4". Shelly Dunnihoo jumped 4'4" and placed 6th in this classical event. The 800 METER RELAY was won by Sunray with a time of 1:54.20, Fritch was second with a time of 2:00.77, Stratford was 3rd with a time of 2:01.36, Perryton was 4th with a time of 2:09.48. The 8th Lynxettes placed 5th with a time of 2:10.92—members were Mary Ann Evans, Linda Evans, Traci White and Kim Younger. And in 6th Place was Stinnett. The 200 METER was won by Wilson of Fritch with a time of 28.95, Shelly Dunnihoo was right behind her with a time of 29.04—good enough for 2nd Place. And in 3rd Place was Loury of Sunray with a time of 29.50. The 1200 METERS was won by Sponselder of Fritch with a time of 4:57.34, Alexander of Perryton was 2nd with a time of 5:06.95, Shirley of Stinnett was 3rd with a time of 5:07.29. In 4th Place and doing fine was Heather McRee with a

time of 5:07.78—Heather is a member of the 8th Lynxettes Tracksters. Todd of Sunray was 5th and McGarrough of Perryton was 6th. The final event of the day was the 1600 METER RELAY. The winner was Sunray with a time of 4:41, Stratford

was 2nd with a time of 4:53, Fritch was 3rd with a time of 4:57, Perryton was 4th with a time of 4:58, Stinnett was 5th with a time of 5:05.8 and the 8th Lynxettes placed 6th. Their time was 5:10, and the members of this relay included Shelly Dunnihoo, Carlee Dixon, Dana Irlbeck and Diana Martin.

The 8th Lynxettes are now competing in the Spearman Track Meet—being held this weekend, Friday and Saturday—March 26 and 27. They plan on getting 3rd or 2nd or 1st, and they know that one way to do that is to win lots of places, but mainly 1st, 2nd and 3rd in each event to win the 1st Place

Hair And Skin Need Special Summer Care

Too much sun, wind and air-conditioning can cause a variety of summer skin disorders. Washing with harsh soaps is also a contributing factor. Many well-known brands are not as gentle to the skin as you might think, dermatologists note.

For people with sensitive skin problems, dermatologists frequently recommend specially formulated Purpose Soap. It is gentle enough for daily use; helps replace natural moisture removed by bathing; leaves no residue and is long lasting - an economy plus in these inflationary times.

Hair needs extra protection, too, during the summer months. To prevent drying from sun and water, try Purpose Shampoo, mild enough for daily use. It cleanses thoroughly and gently, helping hair maintain shine and manageability. It is also effective for scalp disorders, and helps prevent dryness, scaling and cracking, frequently associated with daily use of harsh shampoos in summer.

JAPAN & TRADE
TOKYO -- Japan, countering blunt U.S. demands for greater access to Japanese markets, agreed recently to begin talks next month about removing import restrictions on 22 U.S. products.

NEWS FOR INVESTORS

Rise In Market Predicted By A Top Expert
"We are rapidly coming to the end of the Bear Market." That encouraging forecast is from one of America's top financial experts.

Adams mously positive implications for the capital markets, particularly common stocks." Adams is President of QSR Advisory Corporation in New York City.

The firm, which manages portfolios of \$500,000 and up for foreign and domestic investors, is starting to put the majority of its clients' liquid assets into common stocks for the first time in several years.

QSR's research shows the many New York Stock Exchange companies with excellent growth rates and sound balance sheets selling times for investors are at levels below their Bear ahead."

"The current recession is try is on the threshold of severe," says Adams, "but dynamic, uninflected economic growth, much like Weak stock and bond prices have been reflecting mis-1950's and early 1960's."

REAGAN & BRITISH PRIDE
LONDON -- The White House announcement that President Reagan will address Parliament in June has brought angry responses from some legislators and from newspapers annoyed that first word of the plan came from Washington instead of Prime Minister Margaret Thatcher.

Varsity Girls Win 2nd At Stratford

The results of the Stratford Meet were as follows: Out of the 15 Events, the Lynxettes placed in 12 of them--this time really high places. The first event the TRIPLE JUMP was won by Riffe of Stratford jumping 34'3" this was a new record for the meet. Lea Ann Gibner, a Junlor at SHS was 2nd with a jump of 33'2 1/2". Hodges of Fritch was 3rd with a jump of 32'8 1/2". In the DISCUS Event, Norma Trevino of Sunray won the event with a toss of 102'-very impressive. Beth Gibson of Perryton was 2nd with a toss of 93'4". Andrea Mires did a FANTASTIC job by tossing the DISCUS 91'4 1/2" and winning 3rd Place. In the HIGH JUMP, once again Janet Reed, a Junlor at SHS, won 1st Place, this time, setting a NEW RECORD. She jumped 5'4", beating everyone else easily. In seonc place was Payne of Perryton with a jump of 5'1 1/2". Laurie Washington of Fritch jumped 4'10" and won 3rd Place. In the LONG JUMP Event, Dianna Riffe of Stratford set a New Record for this event with a jump of 16'6 1/2". Spen don of Perryton was 2nd with a jump of 15'7". Robbie Heinrich a Sophomore at SHS, won 3rd Place with a jump of 14'2 1/4". Jan Davis, a Junlor at SHS, won 4th with a jump of 14'10 1/4". Durr of Fritch was 5th. Jan Davis placed 6th with a jump of 14'9 1/2". Not one Lynxette placed in the SHOT PUT, Norma Trevino of Sunray won the event with a throw of 37'8 1/2". Chris Brown of Stratford was 2nd with a throw of 32'11", and Stacey Balsingame of Perryton was 3rd with a throw of 31'11 1/2". In the 3200 METERS Rodriguez of Perryton won the event and set a new record at the same time with a time of 14:27.81. Second Place went to Wehn of Perryton with a time of 15:17.01. Jeanie Laird, a Freshman at SHS, won 3rd Place with a time of 15:17.03. Dooby of Sunray was 4th with a time of 15:54.14. Cinda Novak, a Sophomore at SHS, was 5th with a time of 18:19.47. The 400 METER RELAY was won by the Varsity Lynxettes--Jean Davis, Jan Davis, Lana Paul and Kim Elbert, with a time of 53.34. Fritch was 2nd with a time of 53.59. Stratford with a time of 53.69. Hodges of Fritch set a new record in the 100 METER HURDLES with a time of 16.12, her teammate Wason was 2nd with a time of 16.42. Lana Paul, a Junlor at SHS, was 3rd with a time of 16.81. Brown of Stratford was 4th with a time of 17.55. Cindy Young, a Junlor at SHS, was 5th with a time of 17.72 and Laners of Sunray was 6th with a tie of 17.94. In the 800 METERS, Jean Davis set a NEW RECORD with a time of

2:30. Second place went to Zak of Stratford with a time of 2:42.22 and 3rd Place went to Mutschler of Sunray with a time of 2:44.36. In the 100 METERS, not one Lynxettes placed--the winner was Riffe of Stratford with a new record at 12.77. Price of Fritch was 2nd with a time of 13.04 and Arnette of Sunray with a time of 13.19. The 800 METER RELAY was won by Stratford with a time of 1:52.73. Fritch was 2nd with a time of 1:52.97, Sunray was 3rd with a time of 1:55.80, Perryton was 4th with a time of 1:08.97. The Lynxettes followed in 5th Place--members included Lana Paul, Kim Elbert, Janet Reed and Cindy Young with a time of 1:58.41. Stinnett was 6th with a lot of enthusiasm. The 400 METERS was won, by no other than Jan Davis, a Junlor at SHS. Jan's best event is the 400 METERS. She set a NEW RECORD with a time of 1:02.50. Lackey of Stratford was 2nd with a time of 1:06.51, Crenshaw of Sunray with a time of 1:07.17. Not one Lynxette

placed in the 200 METERS. The winner was Gaborne of Perryton with a time of 27.61, Barkley of Sanford-Fritch with a time of 28.30, Lancaster of Stratford won 3rd Place with a time of 28.37. The 1600 METERS was won by Zak of Stratford with a time of 6:18.84, Young of Stinnett was 2nd with a time of 6:22.89, Charter of Sunray was 3rd with a time of 6:27.42. Miss DeLaCruz was 4th with a time of 6:30.33, a new member of the Lynxette Squad. Baxter of Fritch was 5th with 6:54.43. Jeanie Laird, a Freshman at SHS was 6th with a time of 6:36.33. The final event--the 1600 METER RELAY was won by the Lynxettes--who set a new record at 4:18.08. The members were Jean Davis, Jan Davis, Lana Paul and Lea Ann Gibner. Second place went to Sunray and 3rd Place went to Stratford. The Lynxettes are now competing in their own Track Meet this weekend--March 26 and 27, Friday and Saturday. They would LOVE to win 1st Place

7th Lynxettes Win 1st At Stratford Meet

Then the 7th Lynxettes competed in the Stratford Track Meet this past weekend—March 19. It was tough, but the 7th Lynxettes won 1st Place for the second time in a row. Out of the 14 Events—there was at least 1 7th Lynxette that placed in at least 1 event—no wonder they won 1st Place again.

In the TRIPLE JUMP Event, Kerri Ann Holt won the event with a jump of 26'2". Snodgrass of Sunray was 2nd with a jump of 26'1". In 2nd Place was Rhonda Gibson with a jump of 24'8". Shari Vernon was 4th with a jump of 24'4". Kerri Ann, Rhonda and Shari are, of course, members of the 7th Lynxettes Track Team. In the DISCUS Michele Savage, a 7th Lynxette, beat out everyone in the competition, even her own teammate—but that's the way it goes. Michele threw the Discus 66'5". Rocio Rosales, also of the 7th Lynxettes finished 2nd with a throw of 59'6". Pickens of Stratford was 3rd with a throw of 59'3". In the HIGH JUMP, the first three places went to 3 7th Lynxettes—Jill McLain claimed first place with a jump of 4'6". Rhonda Gibson finished in 2nd with a jump of 4'4". In 3rd Place with a jump of 4'4" was Melissa McLain. The LONG JUMP Event was won by Smith of Sunray with a jump of 13'3". Carrie Ann Guthrie was right behind her with a jump of 12'6". Wilson of Sunray was 3rd with a jump of 12'5". Edwards of Perryton was 4th with a jump of 12'3". Kerri Ann Holt was 5th with a jump of 11'11". And in 6th place was Paz of Perryton with a jump of 11'9". In the SHOT PUT Event, Carrie Ann Guthrie won the event by tossing the shot 24'5". Jenkins of Perryton was 2nd with a toss of 23'23". Rhonda, also of the 7th Lady Lynx like Carrie Ann, was 3rd

with a toss of 22'6". Willingham of Fritch was 4th with a toss of 21'6". Rocio Rosales of the 7th Lynxettes was 5th with a toss of 20'3". And in 6th Place was Pickens of Stratford with a toss of 20'2". The 400 METER RELAY was won by the 7th Lynxettes—members included Crista Urban, Kerri Ann Holt, Melissa McLain and Charlotte Brandt with a time of 58.34. In second place was Perryton with a time of 59.50 and in 3rd place was Sunray with a time of 1:01.62. In the 100 METER HURDLES, the winner was Jill McLain with a time of 16.62. In 2nd Place was Smith of Sunray with a time of 18.19. And in 3rd Place was Stacie Swan of the 7th Lynxettes with a time of 19.75. One of the most gruesome events is the 800 METERS, the other is the 1200 METERS. In this case—the 800 METERS, the winner was Swingford of Fritch with a time of 3:12.47. Wason of Fritch was 2nd with a time of 3:03.01. In 3rd was Herenandez of Sunray with a time of 3:06.14. Jennifer Yarbrough was 4th—impressive—with a time of 3:07.62. Brite of Stratford was 5th with a time of 3:12.67 and in 6th was Delavis of Sunray. In the 100 METERS, Charlotte Brandt beat-out Sarvello of Perryton by the pace of her race. Charlotte—of the 7th Lynxettes—won the event with a time of 14.03. Sarvello of Perryton was 2nd with a time of 14.25. In 3rd was Hayes of Stinnett with a time of 14.45. Shari Vernon of the 7th Lady Lynx was 4th with a time of 15.01. In 5th place was Barker of Stinnett with a time of 15.04. And Michele Savage, also of the 7th Lynxettes, placed 6th in this event. Once again, the 7th Lynxettes had a big hand, because they won their 2nd Relay of the day—this time it was the 800 METER RELAY. The members of this relay team were Kerri Ann Holt, Charlotte

Brandt, Jill McLain and Diana Arjona with a time of 2:01.42. Perryton was second with a time of 2:05.31 and in 3rd Place was Sunray with a time of 2:05.42. The 400 METERS was won by Bridges of Perryton with a time of 1:13.70. Carrie Ann Guthrie was 2nd with a time of 1:14.66. 3rd Place belonged to Snodgrass of Sunray with a time of 1:15.31. April Abston, also of the 7th Lynxettes, did a fine job and finished 4th with a time of 1:17.39. Swanland of Fritch was 5th and Nareault of Stratford was 6th. The 200 METERS was won by Kerri Ann Holt of the 7th Lynxettes with a time of 29.40. Harrison of Stratford was 2nd with a time of 30.47. Farney of Perryton was 3rd with a time of 30.66. Kristi Wright did a fine job and finished in 4th Place with a time of 30.84. Harris of Stinnett was 5th Place with a time of 31.84. Michele Savage did her thing and placed 6th in this event with a time of 32.0. The 1200 METERS was won by—you guessed it—a 7th Lynxette. This time it was Kelly Swanson with a time of 4:54.25. Hardin of Fritch was 2nd with a time of 5:03.09. In 3rd was Newcombe of Fritch with a time of 5:06.67. Cindy Medley of the 7th Lynxettes was 4th with a time of 5:15.81. And in 6th Place was Eddleman of Stinnett. There was one more Relay—could the 7th Lynxettes win it also—make it 3 in a row??? Yes sir—eee, the 7th Lynxettes did their thing once again winning the final event of the Track Meet—the 1600 METER RELAY. The members were Jill McLain, Carrie Ann Guthrie, Cayla Eaton and Kerri Ann Holt with a time of 4:47.26. Sunray was second with a time of 4:55.31 and Stinnett was 3rd with a time of 5:05.

The members of this relay team were competing in the Spearman

Track Meet going on this weekend—Friday and Saturday, March 26 and 27. They would love to win 1st Place at their own Track Meet. Go on out to the Lynx Stadium.

RECIPE

By Sarah Anne Sheridan

Lemon Roll
Juice and rind of 2 lemons.
1½ c sugar
1½ c water
1 t salt
5 T flour
3 eggs
1 rounded T butter

Mix sugar, flour, and salt. Add water, lemon juice and rind. Cook for 15 minutes in a double boiler, until thick. Add well beaten eggs and cook a few minutes longer. Then add butter.

Cake

3 eggs
1 c sugar
1 c flour
1½ t baking powder
2 T cold water

Beat egg whites, add half the sugar. Then beat egg yolks and add rest of the sugar. Add cold water, then add the egg whites. Fold in flour which has been sifted with the baking powder. Bake in large jelly roll pan in an oven 350 degrees for 15 to 20 minutes or until cake springs back when touched. Turn out on towel sprinkled with granulated sugar. Trim edges. Spread with lemon filling and roll.

MANEUVERS BEGIN

WARSAW, POLAND -- Soviet, Polish and East German troops began maneuvers in northwest Poland recently in what observers called an unequivocal show of force aimed at dissuading Poles from challenging martial law, now in its fourth month.

Faye's Page

I have just spent 5 delightful days with my new granddaughter and I miss her since she and her mother went home Wednesday evening. I'm not bragging or anything but she is a doll. I tried to get Karen to let me keep her but for some reason she didn't want to.

The calendar says it is spring, and it must be because I already have a nice crop of dandelions blooming, but that cold wind that blew in Wednesday night makes you think otherwise. Last week I thought I needed to get out some spring clothes, but these winter ones feel just fine today.

Politics may not be too exciting in the Panhandle, but it certainly is picking up from downstate. Most of our mail this past week has been from gubernatorial candidates, attorney general candidates, etc. I noticed that Beau Boulter was in town yesterday campaigning for U.S. Representative from this district, but I didn't see him. I was home kissing my grandbaby, and I'm not even running for anything.

A few years back, the Sociology Department of Duke University did a study on "peace of mind." Hundreds of people both happy and unhappy, were studied.

Nine factors were found most likely to contribute to emotional and mental stability.

1. The absence of suspicion and resentment. Nursing a grudge was a major factor in unhappiness.
2. Living in the present and the future. Much unhappiness stems from an unwholesome preoccupation with past mistakes and failures.
3. Not wasting time and energy fighting conditions you cannot change.
4. Cooperating with life, instead of trying to either demolish it or run away from it.
5. Forcing yourself to be outgoing with others--instead of retreating within--during periods of emotional stress.
6. Refusing to pity yourself or seek self-justification in easy alibis that make you appear "noble" to yourself and others.
7. Cultivating the old-fashioned virtues of love, honor, loyalty, and thrift.
8. Not expecting too much of yourself. When there is a wide gap between the standards you set for yourself and your actual achievement, unhappiness is inevitable. If you cannot improve your performance, try lowering the demands instead.
9. Finding something bigger than yourself in which to believe. Self-centered, egotistical, materialistic people score lowest of all in any test for measuring happiness.

USS ATLANTA
NORFOLK, VA. -- The nuclear attack submarine USS Atlanta was commissioned recently, with Sen. Sam Nunn saying it will provide "the most versatile means of defending our sea lanes."

HABIB & BEGIN
JERUSALEM -- U.S. special envoy Philip C. Habib had a final meeting with Prime Minister Menachem Begin recently and Israeli officials said the American troubleshooter apparently had strengthened the ceasefire on the Israel-Lebanon border.

Seminar

BY: Karen Harruff
County Extension Agent in Home Economics
"April Fools", Who's being fooled by Weight Control." Not I for I will be attending the program on weight control. The District I PEP Task Force has planned an outstanding day for anyone who is interested in looking and feeling better. You have to travel to Amarillo, but it will be worth the trip. Here is the schedule along with a program outline:

WEDNESDAY--March 31, 1982
HILTON INN

- 9:00 a.m. Coffee and Nutritious Snacks
- 9:30 a.m. Welcome--Judge Cliff Roberts, Potter County
- 9:45 a.m. Diet--Helpful or Harmful
Mina W. Lamb, Ph.D., R.D., Nutritionist, Professor Emeritus, Texas Tech University
- 10:30 a.m. How To Control Our Weight--The Sensible Diet
Mary Sweeten, Foods & Nutrition Specialist
Texas Agricultural Extension Service
- 11:15 a.m. Dressing to Enhance Your Figure & personality
Becky Saunders, Clothing Specialist
- 12:00 LUNCHEON
- 1:00 p.m. Exercise for Good Health
Marie Bonifield, RSVP
- 1:15 p.m. Perception--A Matter of Success
Robert E. Gulde, M.D.
- 2:00 p.m. Consumer Shopping for Your Personal Weight Control Plan
Special Panel of Resource People
- 3:00 p.m. Questions and Answers
- 3:30 p.m. Adjourn

Remember to mark the date on your calendar. A luncheon will be served if you care to eat there, then call or come by my office for reservations.

In her lifetime, one termite queen can give birth to 500 million offspring.

GOOD PSYCHOLOGY

YOU CAN MAKE HOUSEWORK SEEM EASIER IF YOU ALTERNATE HARD TASKS WITH EASY ONES. START WITH SOMETHING STRENUOUS, SUCH AS WEEDING THE GARDEN, THEN TAKE A QUIET JOB IN THE HOUSE SUCH AS MENDING. IF YOU'VE BEEN STANDING UP TO IRON, MAKE THE NEXT TASK A SITTING DOWN ONE. STOP AFTER A PARTICULARLY ARDUOUS JOB TO SIP A RELAXING CUP OF HOT TEA AND PLAN YOUR DINNER MENU. ALTERNATING ENERGY LEVELS IS A PROVEN RE-ENERGIZER!

John Tyler fathered more children than any other U.S. president -- eight by his first wife, and seven by the second. He was the first vice president to succeed to the presidency.

John Tyler fathered more children than any other U.S. president -- eight by his first wife, and seven by the second. He was the first vice president to succeed to the presidency.

Tri-City Concert To Feature "The Aspen Soloists"

The Tri-City Community Concert will be presenting "The Aspen Soloists" at the Borger High School Auditorium, Monday, March 29 at 8 P.M. Admission is by membership only.

The group was formed in 1976 after violinist Eriko Sato and her pianist husband David Oei met Cellist William Grubb at the music festival at Aspen, Colo. that year. Their extraordinary musical and personal compatibility inspired them to continue professionally and to call themselves "The Aspen Soloists".

Eriko Sato, a winner of national competitions in Japan where she was born has won many prizes in international competition. As soloist she has performed with the Tokyo Imperial Symphony, the Tokyo Symphony, the Louisville Orchestra, the San Francisco Chamber Orchestra, and the Aspen Chamber Orchestra.

David Oei was discovered in his native Hong Kong, a prodigy four years of age. As a soloist he performed with the Hong Kong Philharmonic Orchestra at nine. Now in his mid-twenties, his formidable list of credits includes eleven First Prizes in the Hong Kong Music Festival; five Interlochen Concerto Competitions; and a top

prize in the Busoni International Competition. He has performed as soloist with such prestigious orchestras as the New York Philharmonic, the Baltimore Symphony, the Little Orchestra Society, etc.

William Grubb made his professional debut at the age of 17 with the Indianapolis Symphony Orchestra, after winning First Prize in the Orchestra's Young Artists Competition. As a winner of the 1976 Concert Artists Guild Auditions he made his New York recital debut in Carnegie Recital Hall. His many credits include frequent appearances on the Julliard's Chamber Music Series, radio and television credits in New York, and chamber music concerts on tours of Italy, Switzerland, and Iceland.

Panhandle Livestock Commission Co. Is holding their regular livestock Auction every Saturday -- Starting at 12 Noon.

MARKET REPORT FOR MARCH 20 AUCTION

Downtown Guymon

405-338-3063

Saturday, April 3

Starting time is 10 a.m.

Auction merchandise will be new and used skies, boots, bindings and poles. Also new clothing and new ski accessories.

(This is not a going out of business auction)

Baby Photo Contest Slated

A baby photo contest will be held on April 24th.

Categories will be boys and girls newborn to 9 months; 10 months to 18 months; 19 months to 2 years; and 3 years to 5 years.

There will be 8 first place winners who will receive a \$10.00 merchandise certificate and certificate of award, the 8 2nd place and 8 3rd place winners will receive certificates of awards.

The cost is \$2.00 per picture. You may enter as many pictures as you want to at \$2.00 a picture, but a self addressed stamped envelope must accompany each picture.

Pictures larger than a 5 x 7 will not be accepted. Snapshots will be accepted.

Judges will be from Borger.

Entry form deadline will be April 20th. You may pick up entry forms at Kid's Stuff in Spearman; La Petite, Leprechaun, Rocking Horse and Beehive in Perryton and Suzanne's, Booker.

Terry Oglesby

Receives Degree

Terry Oglesby, son of former pastor of the First United Methodist Church here, and now of Lubbock, received his degree from Texas Tech University in Commencement Exercises at the conclusion of the 1981 fall semester.

Hi-Lo Bridge Club Meets

Mrs. Vi Whitson was hostess for the Hi-Lo Bridge Club Thursday evening in her home.

Enjoying dinner and bridge were members, Mable Jameson, Gertrude Archer, Carrie Marie Berry, Verna Gail Keim, Faye Lynch, and two guests, Nina Hefner and Dortha Keys.

Mable Jameson had high score and Dortha Keys had low.

Carla Harper On OSU Honor Roll

Carla Kay Harper, daughter of Mr. and Mrs. Carroll Harper of Spearman, was listed on the President's Honor Roll for the 1981 fall semester at Oklahoma State University in Stillwater, Okla.

To be listed on the President's Honor Roll, the student must carry at least 12 credit hours, and make straight A's.

Immunization Clinic April 5

A clinic offering vaccines that give protection against several childhood diseases will be held at the Spearman Elementary School, 511 S. Townsend on April 5 from 2 to 4 P.M.

Protection is against polio, diphtheria, lock jaw, whooping cough, measles, rubella and mumps.

There will be no charge.

PCA Official To Houston Meet

Amarillo Production Credit Association (PCA) officials will be among 500 Texas agricultural leaders meeting in Houston April 1-3. The occasion is the 26th annual stockholders' meeting of the Federal Intermediate Credit Bank (FICB) of Texas. Directors from Texas' 30 Production Credit Associations and officials of various other financing institutions will convene at the Westin Galleria Hotel (formerly Galleria Plaza Hotel). Keynote speaker is Representative Charles Stenholm, a member of the U.S. House Agriculture Committee. Directors representing Amarillo PCA will be Billy Chesnut, Howard Fuqua, Perry Dixon, and Morris Hunt. George Doshier serves as the PCA's official voting delegate. According to PCA president James VanPelt, main business activities are scheduled for Friday, April 2. Participant's spouses will be treated to a special ice skating exhibition in the Galleria shopping

mall's large central rink, as well as an entertaining and educational presentation on behavior modification by a hypnotist. The Friday night dinner-dance will feature entertainment by Buddy Brock's Big Band with Vicki Brazier.

Amarillo PCA Provides agricultural loans to farmers, ranchers and producers in 12 Texas counties, and has loans outstanding totaling more than \$42 million.

All-Risk Crop
F.W. Crouch, Jr., Field Operations Office Director for Federal Crop Insurance Corporation announced that farmers in the State of Texas who have already reported their acreage of All-Risk Crop insured barley, oats, and wheat for 1982 Crop Year

can adjust that report if they participate in the ASCS Acreage Reduction Program. "Producers who have questions concerning that program should contact their ASCS office," continued Crouch. "Insured producers who choose to

participate in the Acreage Reduction Program through ASCS can reduce their crop insurance premium liability by reporting the acreage reduction to their All-Risk Crop Insurance agent no later than April 16, 1982. Producers who do not have their acreage reports revised will be obligated for the premium established by their original acreage report."

EASTER RABBIT SAVED
This has to be the best Easter story of the year. Rubyjo and J.D. Wilbanks report that they rescued the Easter Bunny from sure disaster last week-end. The bunny was caught up in the twister, near the Nollner farm, near Caprock 2, and was in pretty bad shape. He was plastered with mud and straw, and J.D. gently picked up the baby rabbit and took him home. J.D. lives 3 miles west of Spearman. In a special call today [Wednesday Graver time], the Wilbanks report that the Easter Rabbit was turned out in "great shape" late Tuesday evening, and was digging a hole, apparently hunting Easter eggs last Tuesday evening. The Wilbanks report that some of the pheasants caught up in the twister were not as fortunate as the Easter Rabbit. Kids in the county can make plans to see the Easter Rabbit on schedule.

Clements Opens Easter Seal Campaign

Michael Morrill of Forney, Texas Easter Seal Society's 1982 State Poster Child, presented the first sheet of the 1982 Easter Seals to Governor Clements today at the Capital Building.

It has been a tradition with the Easter Seal Society that the Governor of Texas does the honor of opening the annual Easter Seal Spring Campaign appeal in this manner.

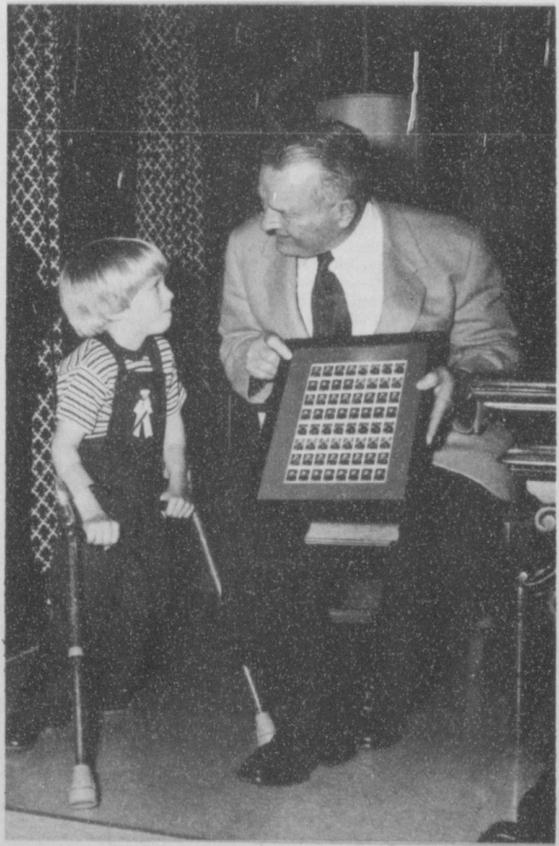

This year the Campaign begins March 1 and continues through April 11. It will be highlighted by the National Easter Seal Telethon on March 28th and 29th.

The Spring Campaign enables the Society and its affiliates to provide therapy, orthopedic equipment, treatment, and evaluations to disabled children and adults in Texas.

It also helps to fund the Easter Seal Action Line, a toll-free number to call for information and/or assistance from the Society.

Michael, who was born with cerebral palsy, will represent the 16,301 disabled children and adults served last year by the Society when he presents the Easter Seals to Governor Clements. The five-year-old is the son of Kenneth and Judy Morrill.

Michael receives therapy at the Dallas Society for Crippled Children, one of eleven Easter Seal Centers in Texas. He has made considerable progress in physical therapy to strengthen his muscles and enable him to live more independently. Though shy with strangers, Michael is an outgoing child once he gets to know people. He has a bright future because of his eagerness to learn and his high intelligence.

Before they moved to Forney, the Morrills lived in Denison, where Michael received treatment at the Grayson County Easter Seal Society.

The Texas Easter Seal Society urges your support and generosity in its 1982 Spring Campaign to meet the needs of Texas communities and their disabled citizens. For further information about Easter Seal services, call 1-800-492-5555.

Pursuant to a Petition presented to the Court, Hansford County Commissioners Court has authorized an election to be held April 3, 1982 to legalize Bingo in Hansford County for charitable purposes. All voting places will be open. Absentee voting will begin March 15, 1982 and continue through March 30, 1982. An example of an official ballot follows:

Varsity Girls Place 3rd At Sunray

The Varsity Lynxettes have competed in three Track Meets and are competing in their own this weekend. The first was at Sunray, the Lynxettes won 3rd Place, the 2nd track Meet was at Stratford, the Lynxettes won 2nd Place and the 3rd Track Meet was at Canyon—where almost all the AAA teams competed, the Lynxettes got 7th Place—that was impressive, because some of those other schools were bigger and faster, that is what a team needs for improvement. The one thing the Lynxettes would love to do and that would be to win 1st Place at their own Track Meet—March 26 and 27.

The results of the first track meet—Sunray was as follows: There are 15 Events, the Lynxettes had at least 1 place in 12 events—very impressive! Janet Reed, a Junior at SHS, has been doing an outstanding job for the Lynxettes. She won 1st Place in the HIGH JUMP Event with a jump of 4'10". In second place was Sophomore Robbie Heinrich with a jump of 4'10". The third place winner was Washington of Fritch with a jump of 4'8". Oakley of Stratford was 4th with a jump of 4'8". Wesson of Fritch was 5th with a jump of 4'6". Shelly Cook, another Sophomore at SHS was 6th with a jump of 4'4". Not one Lynxette placed in the SHOT PUT, the winner was Marzella Thompson of Dalhart with a throw of 36'9". Norma Trevino of Sunray was 2nd with a throw of 34'3" and Cheryl Brown of Stratford was 3rd with a throw of 33'10". In the LONG JUMP Event, the winner was Dianna Riffe of Stratford with a jump of 15'10". Margo Colquitt a Senior at Dalhart was 2nd with a jump of 15'8". Jand Davis, a Junior at SHS, was 3rd with a jump of 15'5". Melissa Wooley of Dalhart was 4th with a jump of 15'3". Jean Davis, another Junior at SHS was 5th with a jump of 14'8". And in 6th place was Joyce Wilhelm of Dalhart with a jump of 14'8". In the DISCUS Event, Norma Trevino won the event with an amazing 117'11"! Nita Baker a Sophomore at SHS was right behind Norma with a 96'11" toss of her own. Cindy Crow of Sanford-Fritch was 3rd with a toss of 91'10". In 4th place was Marzella Thompson of Dalhart with a toss of 89'6". Brown of Stratford was 5th with a toss of 87'3" and Cheryl Brown, also of Stratford, was 6th with a toss

of 86'2". In the TRIPLE JUMP, something amazing happened, 3 towns had 2 players place in all 6 places. How can that be? Well, 1st and 2nd belonged to Dalhart, 3rd and 4th belonged to Stratford and 5th and 6th belonged to the Spearman Lynxettes. Margo Colquitt a Senior at Dalhart won the event with a jump of 32'8", her teammate Judy Meeks was 2nd with a jump of 32'1". In 3rd Place was Crista Lancaster of Stratford with a jump of 31'3" and in 4th was her teammate Dianna Riffe with a jump of 31'2". Lea Ann Gibner a Junior at SHS was 5th with a jump of 31' and Robbie Heinrich, a Sophomore at SHS, was 6th with a jump of 29'10". Now you can see that 3 towns did have 2 players, each, that placed in all 6 places. In another event that not one Lynxette placed was the 3200 METER Suzy Murphy of Dalhart won the event with a time of 12:54.9, 2nd Place went to Rosemarie of Neely of Sanford-Fritch with a time of 13:38.9 and 3rd Place went to Denise Melendez of Dalhart with a time of 13:50.6. In the 400 METER RELAY, the Lynxettes were 2nd only to Dalhart. Dalhart's relay team consisted of Hudson, Wilhem, Melissa Wooley and Margo Colquitt, their winning time was 52.8. The Lynxettes lost only by a hair, as their time was 52.9. Those on the 400 RELAY team are Kim Elbert, Jean Davis, Jan Davis and Lana Paul. Stratford was 3rd with a time of 53.6. Cheryl Brown of Stratford won the 100 METER HURDLES with a time of 17.3. Lana Paul, a Junior at SHS, was 2nd with a time of 17.9 and Ann Yoder of Dalhart was 3rd with a time of 18.0. The 800 METERS have been known, for the last couple of years, Jean Davis Event, well a Freshman by the name of Ester Martinez surprised everyone with her pace and last minute klick as well as her speed. She barely beat Jean, but she did to the finish line. Her time was 2:31.9. Jean's time was 2:33.1—Jean is a Junior at SHS. In 3rd Place was Lisa Zak of Stratford with a time of 2:42.2. Hoff of Dalhart was 4th with a time of 2:44.1. Robbie Heinrich, a Sophomore at SHS, finished 5th with a time of 2:50.9 and Engelbracht of Stratford was 6th with a time of 2:51.0. The 100 METERS was a very close race between all the competitors—not won finished with a 14. time. Margo Colquitt,

a Senior at DHS, won the event with a time of 13.1. Diane Riffe of Stratford was close behind her with a time of 13.2. Jan Davis tried this event as a "new event" and, I might add, she did awful good—coming in 3rd with a time of 13.3. In the 800 METER RELAY, the winner was Stratford—Adams, Chesher Ferguson and Riffe, with a time of 1:51.4. Dalhart was second—Hudson, Reynolds, Wooley and Margo Colquitt—with a time of 1:52.9. 3rd Place belonged to Sanford-Fritch with a time of 1:53.0. Sunray won 4th Place with a time of 1:53.8. The Lynxettes—Klm Elbert, Janet Reed, Cindy Young and Lana Paul—won 5th Place with a time of 1:58.3. And Stinnett won 6th Place with a time of 2:06.0. The final event that did not have a Lynxette that placed was 400 METERS. Gayle McDougal of Dalhart won the event with a time of 63.8, her teammate, Shannon Kuster was 2nd with a time of 65.0 and Nanette Lasla of Stratford was 3rd with a time of 66.7. In the 200 METERS—a new event for Jean Davis, the winner was Jean Davis, a Junior at SHS with a time of 26.9. Second place belonged to Kyrra Hodges of Sanford-Fritch with a time of 27.7 and 3rd Place went to Lesa Durr of Sanford-Fritch with a time of 27.9. In the 1600 METERS, Suzy Murphy of Dalhart won the event—6:03.7, her teammate Carla Rojas with a time of 6:11.2, good enough for 2nd Place. Tamra Stejda of Gruver placed 3rd with a time of 6:12.5. Shelly Cook, a Sophomore at SHS—Spearman High School—was 3rd with a time of 6:25.3. Lisa Zak of Stratford was 5th with a time of 6:25.9 and Robbie Charter of Sunray was 6th with a time of 6:33.2. In the final event of the "schedule"—the 1600 METER RELAY, Dalhart was the winner—Kuster, Meeks, Wooley and McDougal with a time of 4:23.7. Stratford was second with a time of 4:28.2, Fritch was 3rd with a time of 4:28.8, Sunray was 4th with a time of 4:29.7. The Lynxettes were 5th with a time of 4:34.5—members were Jean and Jan Davis, Lana Paul and Lea Ann Gibner. 6th Place went to Stinnett with a time of 4:55.8. The final results showed that Dalhart was 1st with 191 points, Stratford was second with 120 points, the Lynxettes were 3rd capturing 100 points event, Sanford-Fritch was 4th with 73 points, Sunray finished 5th with 54 points, Gruver finished 6th with 10 points and Stinnett finished 7th with 9 points.

Greenbug Threat To Panhandle

The Texas Panhandle wheat crop has thus far escaped heavy greenbug infestations, but wheat producers need to keep a close eye on the crop.

"Even though infestations are currently low, farmers should not become complacent about checking their wheat for greenbugs," cautioned Jim Smith.

Smith said the most recent survey conducted by Dr. Jerry Michels, research entomologist, and Louis Chedester, research associate, with the Texas Agricultural Experiment Station, indicates infestations are below the levels reported in December and January.

Most fields checked in the northern Panhandle indicate no greenbugs, they reported. Greenbug infestations in the southeastern Panhandle are running generally less than 20 per foot of wheat.

"But March has historically been the month of peak infestations in the Texas Panhandle," Smith cautioned. As the weather warms, populations of the insects can increase dramatically, he said.

Greenbugs are about 1/16 inch long, light green with a dark green area down the back. They should not be mistaken for other aphids that can be on wheat this time of the year.

One of those is the oat bird-cherry aphid, which is very common on Texas wheat but rarely requires control with insecticides. Smith said it can be distinguished from the greenbug by a reddish-orange spot which surrounds the base of the cornicles, which are two small tubes at the rear of the body.

The English grain aphid can also infest wheat at about the same time as the greenbug, the

agent noted. He said it can be distinguished from the greenbug by entirely black cornicles and the lack of a dark green area down the back. Insecticide applications are seldom justified for English grain aphid control, he said.

All three aphids feed in the same manner, but the greenbug is by far the most damaging. It not only sucks juices from the plant, but at the same time injects a toxin which causes discoloration and tissue destruction.

Greenbug damage usually appears as localized yellow spots within the field. As greenbug infestations increase, the yellow spots become larger. Sometimes, general infestations affect entire fields.

Smith said estimates of the greenbug infestations can be made by walking diagonally across a field and making five random counts for each 20 acres of field area. Each random count should consist of a linear foot of row.

"Make counts during the warmest part of the day when greenbugs are most likely to be exposed on the above-ground part of the plant," the agent advised.

During inclement weather, greenbugs may congregate deep in the crown of the wheat plant, he noted. If the soil is loose or cracked around the base of the wheat plants, greenbugs may actually be below the soil line.

"Under these conditions, infestation estimates will be difficult to make and control will be much less effective," Smith noted.

The need for an insecticide application to control greenbugs should be based on the size of the plants and number of

greenbugs present. The accompanying table provides a general guide in determining need for treatment.

"Many times, less than satisfactory control of greenbugs is achieved with insecticides," Smith said. "This may be due to several factors, such as temperature, wind, coverage, and possible resistant greenbugs."

Insecticides work most effectively when applied at temperatures above 55 degrees Fahrenheit, he said. Wind conditions should be low and spray volume high to achieve best coverage for the most effective greenbug control.

TABLE I
GUIDE FOR TREATMENT OF GREENBUGS

Plant Height (inches)	Number of Greenbugs per Linear Foot
3-6	100-300
4-8	200-400
6-16	300-800

THATCHER & BUDGET

LONDON — Prime Minister Margaret Thatcher's government unveiled a new \$212.5 billion budget recently and said Britons will pay for it with higher taxes on cigarettes, liquor, beer and gasoline.

OFFERS NEW HOPE

BOSTON — Doctors giving the first detained account of how they cut into a woman's womb and operated on her 5-month-old fetus say such surgery "offers new hope" for the unborn who may otherwise die or be malformed because of physical defects.

Spring's Growing Hopes

Now is the time of year seed catalogues produce expansive hopes for summer. The pictures of lush vegetables, fruits and nuts stir one's imagination, and deplete one's pocketbook. It's all good, clean fun—and sometimes, even productive.

Experts say the biggest mistake garden enthusiasts make is to plant too big a garden, to fail to prepare the soil with enough mulch, fertilizer and lime. The pH factor simply indicates acid and alkaline content. If above 7, it's too alkaline and if below, too acid—for most crops.

Onions planted with carrots will often save the carrots from destruction. Peas must be planted very early. Corn can be interspersed with beans. A drop of mineral oil in the first corn ear silk will discourage worms. Etc.

Fruit and nut trees need spraying, several times a year usually—unless one is planting native wild cherries, plums, nuts, etc. The black walnut's trunk should be wrapped in aluminum foil in its young years, to protect the bark. Filberts should be trimmed liberally to produce a good center stem or trunk—they tend to grow into bushes.

Lime helps plants utilize fertilizers. Mulch is a must to keep the soil moist and porous and two bushels for every 100 square feet is a good minimum in garden planting.

If in doubt, the experts advise one to plant a small garden first, in well prepared soil, not so large that upkeep becomes a great chore in summer.

A tiller helps tremendously and rows of one's garden should be spaced for the tiller. Lastly, remember that fruit and nut trees like spring fertilizing (April is the best month usually; and well mulched soil).

They also should be sprayed in early spring and several more times before fall. By following these guidelines one is less likely to be disappointed in the future, after this month's high hopes and gourmet dreams.

Consider All-Risk Crop Insurance in '82 Plans

With the elimination of disaster provisions in current farm legislation, farmers have no public protection for their 1982 crops unless they sign up soon for all-risk crop insurance.

In past years, farmers had the federal disaster assistance program which shared some of the risk of a crop loss at little or no cost to the farmer. Now, however, they must take action, such as purchasing crop insurance, if they want to reduce their exposure to production risk, says an economist with the Texas A&M University System.

"All-risk crop insurance was introduced last year when the disaster program was scheduled for phase out," explains Dr. Steven C. Griffin, economist with the Texas Agricultural Experiment Station and Texas Agricultural Extension Service.

"It is largely a self-financed insurance program available through the Federal Crop Insurance Corporation (FCIC) that allows a farmer to choose the level of protection he desires for a particular crop," Griffin says.

For instance, farmers can insure crops for 50, 65 and 75 percent of the average yield established for their particular farms. And they can choose among three price elections (the amount paid per pound or bushel of loss) for a total of nine different protection levels.

Cost of the insurance varies with the level of protection: the higher the price and yield guarantee, the greater the premium cost. Farms are also classified into yield and risk categories. Generally, the greater the average yield or production risk, the greater the premium cost per acre, the economist says.

Griffin suggests that farmers consider three things in trying to decide on crop insurance: the likelihood that the farm will suffer some crop loss in the coming year, the farm's financial ability to withstand such a loss, and the cost of the insurance.

Many agricultural lenders are already insisting that farmers review their risk exposure before establishing annual lines of operating credit, says Griffin, so risk management is a key consideration.

FCIC premium rates are likely to vary considerably because the all-risk insurance program is still in its formative stages and is based on limited historical data, says the economist. However, with large-scale participation and several years of crop loss records, premium levels should become realistic where they are now too high or low.

"In the meantime, any general recommendation is highly tentative and situation-specific," Griffin says.

By working through the expected gross receipts, amount of paid indemnity or premiums, and production costs of various yield outcomes, a farmer can evaluate

whether or not to purchase crop insurance, and if so, at what level of coverage, he adds.

"Crop insurance will likely reduce long-term net profits," says Griffin. "At fair rates, farmers should expect to pay slightly more in premiums in the long-run than will be received through indemnity payments. On the other hand, short-run survivability may be significantly enhanced."

In analyzing crop insurance coverage, Griffin explains that the yield guarantee level is the most significant determinant of protection since indemnity payments are only paid when the actual yield falls below the yield guarantee. Once an indemnity payment has been triggered, only then do higher price elections help reduce the financial hardship of a crop loss.

For example, a Blacklands grain sorghum farmer with an average yield of 45 bushels might consider the highest yield guarantee — 75 percent — (a yield guarantee of 34 bushels per acre) and the lowest price election option of \$2 per bushel. The example premium is \$4.15 per acre, not the lowest of all possible alternatives, but also not the highest. In this example, if the farmer's yield drops to 24 bushels per acre, he will receive an indemnity payment on 10 bushels at \$2 per bushel.

A long run computer analysis performed by Griffin indicates that under this insurance option, production risk, measured in terms of below average net return variability, was reduced 41 percent. With higher levels of price protection, variability of income could be reduced another 10 percent but comes with the cost of \$1.65 per acre additional premium or a 28-cent reduction in long-run average net returns per acre.

"Whether or not to purchase crop insurance is not an easy decision," notes Griffin. "In most cases the ultimate decision will reflect a trade-off between expected income and protection from production risk. Some benefits of reducing personal exposure to production risk are not easy to quantify, whether they be increased financial leverage or greater peace of mind. In the long run, survival in agriculture will depend on how farmers choose to manage their exposure to production risk."

Other considerations are that crop insurance premiums are tax deductible, they need not be paid until the crop is harvested, and the insurance policy can be used as collateral.

A good starting point for farmers considering all-risk crop insurance is to find out the premium schedule for his crops and farm classifications from an insurance representative. But, do not delay; some of the closing dates for '82 spring crops are close at hand, says Griffin.

7th Girls Win 1st At Sunray

The 7th grade Track girls, coached by Terry Crocker, have competed in two Track Meets—the Sunray Invitational Track Meet and the Stratford Track Meet—and won 1st Place in both—very impressive.

The results of the 1st track Meet—the Sunray Invitational that took place March 12—showed that right of the "bat", the 7th Lynxettes made a "homerun"—placing 1st Place in their 1st Event. There were 14 Events and the 7th Lynxettes placed—either 1st, 2nd, 3rd, 4th, 5th or 6th—13 of those events!

In the HIGH JUMP Event, Jill McLain of the 7th Lynxettes, placed 1st with a jump of 4'3". Podolak of Gruver was 2nd with a 4'2". Then three were tied for 3rd—Gower of Dalhart, Norris of Stinnett and McIntire of Fritch placed 3rd with a jump of 4'0" and Rhonda Gibson placed 4th with a jump of 4'0". The only Event the 7th Lynxettes didn't have someone to place was the SHOT PUT—the winner was Snodgrass of Sunray with a throw of 22'4". In the LONG JUMP Event, Smith of Sunray won with a jump of 13'6", then it was Cook of Dalhart with a jump of 13'. Carrie Ann Guthrie, Kerri Ann Holt and Jill McLain were all 3rd, 4th and 5th—respectively—Carrie Ann jumped 12' 11 1/4"; Kerri Ann jumped 12' 9" and Jill jumped 12' 6". In 6th place was Gower of Dalhart with a jump of 12' 1". In the TRIPLE JUMP, Kerri Ann Holt did her thing and won the event by jumping 28'. Smith of Sunray was 2nd with a jump of 27' 5"; McIntire of Fritch was 3rd with a jump of 27'. Rhonda Gibson finished 4th with a jump of 26'4". In 5th was Wilson of Fritch with a jump of 25' 8"; and Shapley of Gruver was 6th with a jump of 25'7".

In the 400 METER RELAY, Dalhart "lucked out" by a hair, winning with a time of 57.3; the Spearman team came in 2nd with a very close time of 58.4; falling behind were Sunray

with a time of 62.0, then Stinnett with a time of 62.1; Stratford was 5th with a time of 64.5 and then it was Gruver with a time of 64.7.

In the 800 METER, Dalhart came in 1-2—with Romero and Moias—2:58.5 for Romero and 3:00.0 for Moias. April Abston did a fine job and finished 3rd with a time of 3:07.0. Brite of Stratford followed with a time of 3:13.5, Wesson of Fritch came in 5th with a time of 3:16.1—barely passing the finish line to defeat Julie Latta—who did a very good job. Julie finished in 6th with a time of 3:17.7. In the DISCUS, the 7th Lynxettes had a good finish—finishing 1-2. Michelle Savage won the event with a toss of 61'4". Rocio Rosales, another 7th Lynxette, was 2nd with a toss of 61'1 1/2"; Rockhold of Fritch followed with a toss of 61'0"; then in 4th was McKinney of Stratford with a toss of 57'1 1/2"; Yake of Stinnett followed with 55'1 1/2" and in 6th place was Heiskell of Stratford with a toss of 53'8 1/4".

Once again the 7th Lynxettes did a great job finishing in the 100 METER HURDLES 1-2. In 1st Place was Jill McLain with a time of 17.4. Stacie Swan—another 7th Lynxette was 2nd with a time of 19.6. Stacie just "knicked" Smith of Sunray who with a 19.7 finished 3rd, then Barnes of Dalhart was 4th with a 19.9—those were pretty close 2-3-4. Shapley of Gruver was 5th with a time of 20.6 and Harris of Stinnett was 6th with a time of 20.7. In the 100 METERS Colquitt of Dalhart finished first with a time of 14.1. Wilson followed very close behind with a time of 14.2. Then it was Charlotte Brandt of the 7th Lynxettes 3rd with a time of 14.5, then Crista Urban, also a 7th Lynxette with a time of 14.5, followed by Cook of Dalhart with a time of 14.7. Carrie Ann Guthrie was 6th with a time of 14.7. In the 800 METER RELAY the 7th Lynxettes "whizzed" past all their opponents. The winning time was 2:02.7. Sun-

ray followed with a time of 2:06.0 and then Dalhart was 3rd with a time of 2:06.4. In the 200 METERS Seibert of Dalhart won it with a time of 29.2. Kerri Ann Holt was right behind with a time of 29.8—good enough for 2nd Place. Gower of Dalhart was 3rd with a time of 30.8, Potts of Gruver finished 4th with a time of 31.1. Michelle Savage finished in 5th Place with a time of 31.4. Harrison of Stratford finished 6th with a time of 31.7. In the 400 METERS Wilson of Fritch was victorious with a time of 68. Sneller of Dalhart was 2nd with a time of 73.2, followed by Johnson of Dalhart with a time of 73.6. Carol Swanson of the 7th Lynxettes was 4th with a time of 75.7. Snodgrass of Sunray was 5th with a time of 76.0 and then Shapley of Gruver was 6th with a time of 77.0. In the 1200 METER—the roughest event for a 7th grader—was won by Gore of Dalhart with a time of 4:57.6, followed by her teammate Moise with a time of 4:58.1, Santos, also of Dalhart, was 3rd with a time of 5:03.1; Hardin of Fritch was 4th with a time of 5:13.3. In 5th place was Chaffin, also of Fritch with a time of 5:19.3—barely edging Margaret Espinosa who finished 6th with a time of 5:19.6. In the 1600 METER RELAY, the 7th Lynxettes once again said "Bye, Bye" to all their opponents and won the event with a time of 4:49.1. In 2nd place was Dalhart with a time of 5:03.3 and in 3rd Place was Sunray with a time of 5:04.9.

The final stats showed that the Spearman 7th Lynxettes won first prize with 182 points. In 2nd Place was Dalhart with 150 points, then all the other teams backed off—in other words the other teams weren't as high in points—Sunray was 3rd with 76 points, Sanford-Fritch was 4th with 52 points, Stratford finished 5th with 40 points, in 6th place was Stinnett with 29 points and then Gruver was last with 18 points.

8th Girls Place 4th at Sunray

Adams of Stratford was 4th with a jump of 28'7 1/2". In 5th was Haner of Fritch with a jump of 28'. Dana Irlbeck gave it her best and finished 6th with a jump of 27'11". In the 400 METER RELAY, the winner was Stratford with a time of 57.4, in 2nd place was Sunray with a time of 57.6, Fritch was 3rd with a time of 58.1. The 8th Lynxettes finished the Relay in fine style, finishing 4th. Members include Diana Martin, Dana Irlbeck, Shelly Dunnihoo and Traci White. The time was 59.5, beating out Dalhart, who's time was 59.7 and Stinnett, who's time was 62.7. There was not one 8th Lynxette that placed in the 100 METER HURDLES, the 800 METERS or the 100 METERS. The first three winners of the 100 METER HURDLES were Hein of Dalhart with a time of 17.9, Whittenburg of Sunray was 3rd with a time of 18.3 and Cummings of Stratford was 3rd with a time of 18.4. The first three winners in the 800 METERS were White of Gruver with a time of 2:52.9, Barber of Gruver took second with a time of 2:55.9 and in 4th was Jenkins of Dalhart with a time of 2:59.9. The first 3 winners of the 100 METERS were Hudson of Dalhart with a time of 13.1, 2nd Place belonged to Ashby of Fritch with a time of 14.4 and in 3rd was Fletcher of Gruver with a time of 14.5. The first 3 winners of the 400 METERS were Hein of Dalhart with a time of 68.5, 2nd was Durham of Stratford with a time of 70.1 and Gustin of Dalhart was 3rd with a time of 70.3.

The 800 METER RELAY was won by Dalhart with a time of 1:57.5, 2nd place was Sunray with a time of 2:01.3, 3rd Place was Stratford with a time of 2:01.9, in 4th place was Sanford-Fritch with a time of 2:04.4. The 8th Lynxettes placed 5th in the Relay with a time of 2:10.1. The members were Linda Evans, Mary Anne Evans, Kim Younger and Traci White. Stinnett finished 6th with a time of 2:11.5. Shelly Dunnihoo did a GREAT job, almost beating Hudson of Dalhart but not quite. Hudson's

time was 18.1, Shelly's 2nd

place time was 28.7—marvelous job. 3rd Place belonged to Lowry of Sunray with a time of 29.4, Meleney of Fritch was 4th with a time of 29.8, Isaac of Stinnett was 5th with a time of 30.3. And Dana Irlbeck did a fine job by placing 6th in this

event with a time of 30.6. In the 1200 METER, the winner was Rahle of Dalhart with a time of 4:58.4, her teammate, Marcom was 2nd with a time of 5:11.0. Heather McRee did a really fine job placing 3rd with a time of 5:16.3. Heather, along with Alicia and Dana are all members of the 8th Lynxettes squad.

Sponseller of Fritch was 4th with a time of 5:17.4, Hooks of Stinnett was 5th with a time of 5:22.9. Alicia Langston did a really good job keeping up and placing 6th with a time of 5:24.8. In the 1600 METER RELAY, the winner was Stratford with a time of 4:43.2, in

2nd Place was Sunray with a time of 4:45.1, Dalhart finished 3rd with a time of 4:54.1, Gruver relay did a fine job and finished 4th with a time of 4:45.6. The Spearman 8th Relay team finished 5th, doing a fantastic job—members being Shelly Dunnihoo, Carlee Dixon,

Dana Irlbeck and Diana Martin—their time was 5:00. Finishing in 6th was Fritch with a time of 5:03.8. The final team total showed that Dalhart took home the 1st Place prize with 156 points. Stratford was 2nd with 115 1/2

points, Sunray was 3rd with 95 points. The Spearman 8th Lynxettes did a great job and won 4th Place with 50 1/2 points. Fritch was 5th with 47 points, Gruver finished the Meet with 46 points and in 6th Place. In 7th Place was Stinnett with 17

points, Sunray was 3rd with 95 points. The Spearman 8th Lynxettes did a great job and won 4th Place with 50 1/2 points. Fritch was 5th with 47 points, Gruver finished the Meet with 46 points and in 6th Place. In 7th Place was Stinnett with 17

points, Sunray was 3rd with 95 points. The Spearman 8th Lynxettes did a great job and won 4th Place with 50 1/2 points. Fritch was 5th with 47 points, Gruver finished the Meet with 46 points and in 6th Place. In 7th Place was Stinnett with 17

points, Sunray was 3rd with 95 points. The Spearman 8th Lynxettes did a great job and won 4th Place with 50 1/2 points. Fritch was 5th with 47 points, Gruver finished the Meet with 46 points and in 6th Place. In 7th Place was Stinnett with 17
