Police Dept.

On May 3, 1984 while on patrol an officer observed the phone booth at the airport appeared to have been tampered with. The officer advised the dispatcher to notify the phone company to ascertain if they had been working on the booth. The phone company advised that they had not. The officer also observed that person(s) unknown had removed the bolts that anchor the booth to the foundation and tried to remove the booth. Also the top of the phone booth had been taken loose and pushed over to one side. There were scratch marks on the side of the booth, but were rusted over to appear not to be very recent. The case is still under investigation.

On May 4, 1984 at approximately 5:15 a.m., a white female subject entered the Spearman Police Department to report a theft at her residence. She advised that person(s) unknown had taken a white love seat with wire and metal tubing frame and (2) two 15" tires with standard tread from here garage. She advised that the garage was shut but was uncertain if it was locked. She also stated that her blue heeler dog was taken also and that the dog was in a pen and on a chain. She also advised the officer that the articles were taken sometime Sunday night and that she didn't hear any noise or see anybody or anything out of the ordinary that night.

On May 6, 1984 at approximately 10:18 p.m. a complainant telephoned the Spearman Police Department and advised that a white male subject was at the residence trying to take his father out. Upon arrival, the officers spoke with the complainant who advised that the male subject was causing problems. She advised that he had pushed her up against the wall and hit her several times. She advised that she did not want to file charges. The officers talked with the male subject who advised the officers that all he was doing was trying to visit his dad and that he would leave in a few minutes. The complainant advised the officers that it was o.k. The officers left at this time.

On May 6, 1984 a complainant entered the Spearman Police Department and advised that her husband had come by her residence and started honking the horn and then called her names. She advised that this started at approximately 8:30 p.m. on Sunday and that he was still doing it. The complainant signed a complaint against her husband and was advised to be in court Monday, May 7, 1984 at 10:00 a.m. to see the judge.

On May 7, 1984 at approximately 12:59 p.m. the Spearman Police Department received a report of a window being shot by a B.B. gun. Upon arrival, the officers were met by the complain-

ants who pointed out the damaged window on the East side of the residence and further advised that a B.B. had been found inside the residence. Further observation of the damage and the area, it was found that the B.B. entered the window from the Northeast side, possibly from the residence next door. The complainants advised that they had seen a young boy at the residence with a B.B. gun. The officers had observed what appeared to be a dent made by a B.B. in the wall above and left of the damaged window.

On May 7, 1984 an officer found a key with a red holder with number 204 on it, at Allsup's. The key can be claimed at the Spearman Police Department.

On May 8, 1984 at approximately 4:12 p.m. a vehicle was observed pulling into an alley in the 300 block of North Hancock. The driver of the vehicle then proceeded to back out of the alley, which is posted as being one way, and in doing so broke traction. The officers then observed the driver as being a white female. Upon completion of the backwards motion of the vehicle, the officers observed the vehicle's registration. At this time the driver proceeded forward and the vehicle broke traction again. This same vehicle was observed by another officer in the 300 block of Main. The officers then found the same driver of the vehicle in the 300 block of Main. The driver was advised to appear in court Monday, May 14, at 10:00 a.m. as a complaint for exhibition of acceleration and traveling the wrong way on a one way street had been signed against her.

ACCIDENT REPORTS

An accident was reported May 4, 1984 in the 200 block of North Bernice. An officer was dispatched to the scene. The officer observed a 1974 Ford legally parked on North Bernice and a 1976 Buick had backed out from the parking lot and struck the parked vehicle. There were no injuries reported.

On May 6, 1984 an accident was reported in the parking lot of the Pizza Hut on Highway 207. An officer was dispatched to the scene. Upon arrival the officer observed that a 1983 Blazer had struck a parked vehicle in the left rear bumper.

Double Ring Ceremony Unites Couple

Patti Short and Michael Schnell were united in marriage at 2:00 p.m. Saturday, April 21, 1984, in the First United Methodist Church of Spearman, with the Reverend Lane Boyd officiating in the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Bob Short of Spearman. The groom is the son of Mrs. Shirley, Spearman, and Robert O. Schnell, Borger.

Vows were exchanged before the altar which was decorated with pedestals holding brass baskets filled with arrangements of Nora carnations, snapdragons, Gerbera daisies and lyptos in shades of pink and mauve, which flanked a brass arched candelabra garlanded in smilax which held lighted pale pink tapers. Garlands of smilax caught with pale pink satin bows marked the alter rail and family pews.

Musicians were Mrs. Wilma Clark, organist, and Miss Teresa Miesner, soloist.

Matron of honor was Lori Scroggs of Spearman, and best man was Robert Clay Schnell of Grand Junction, Colorado.

Maid of honor was Cathy Cook of Spearman, and groomsman was Roger Paige of Grove, Oklahoma.

Rob Schnell of Grand Junction, Colorado, was candlelighter and ring bearer.

Ushers were Joe Shirley and Brent Shirley of Amarillo.

Guests were registered by Margie Boone.

The bride wore a dress of white wedgewood lace with schiffe' embroidery. It was fashioned with elbow length sleeves of dotted swiss, trimmed in satin ribbon, and layers of lace formed the cathedral train. She wore a chapel length veil. Her bridal bouquet was a flowing cascade arrangement of rubrum lilies in shades of white, pink, mauve and magenta.

Her attendants wore floor length dresses of pale pink chiffon, trimmed in lace. They carried a single stem of rubrum lilies, in the same colors as the brides bouquet.

The groom wore a tuxedo of charcoal gray. The bestman, groomsman, ushers and candlelighter wore black tuxedos.

Mrs. Short, Mother of the bride, chose a dress of mauve silk for her

Mrs. Michael Schnell

daughters wedding.

The Mother of the groom, Mrs. Shirley, wore a dress of purple chiffon.

Their corsages were of cymbidium orchids.

A reception was held in the Fellowship Hall following the ceremony. The table was centered with a Victorian arrangement of roses, carnations, snapdragons, Gerbera daisies, and lyptos designed in shades of pink and mauve, in an antique crystal bowl, flanked by crystal candelabra holding pink tapers. The three tiered wedding cake, coffee, and punch were served by Mrs. Charlene Bryan and Mrs. Stacey Lesly.

For the wedding trip to New Orleans,

the bride chose a three piece suit of white linen.

The couple are residing at 1014 Linn Drive, in Spearman. Both are employed by First State Bank, Spearman.

YMCA conducting sustaining member drive

Last year, close to half-a-million men and women took out memberships in YMCAs across the country that entitled them to none of the usual benefits of Y membership. Sound Crazy?

Winn Crenshaw, Executive Director of the Hansford County YMCA explains: "Those thousands of people and businesses become sustaining members. Though their membership did not enable them to workout, take a class, or use the facility, it did give them the richly satisfying knowledge that others were participating--especially young people--who might otherwise not have been able to afford the

fees, or that some other community program was operating which might not have been because of lack of funds."

Here in Hansford County the Y will be launching its sustaining campaign called Partner With

Youth on May 15. This will be the Y's attempt at generating sustaining members and will run for two weeks. The goal for the campaign is \$21,000.

"Fifty YMCA volunteers will be canvassing the community during the two week campaign.

However, anyone interested in a Partner With Youth membership may also contact the Y at 9-2591 for more information," Crenshaw said.

Coming Events

Events of interest Friday, May 11, seniors travel to Six Flags; Saturday, May 12, Spearman Music Festival will be held with 22 bands and 8 choirs, and various ensemble, and solo numbers competing at the Junior High School.

The Miss Hansford County beauty pageant will be held May 19 at the high school.

Baccalaureate services for graduating seniors will be held May 20.

Junior High graduation is May 22.

Faye's Daze

I figured when the weather changed that it would get hot. Where else but in the Panhandle can you have a freeze on Sunday and end up with 95 degrees Thursday and 90 Friday. It would be nice to just ease into the seasons a few degrees at a time instead of "wham" like we do.

I returned to Spearman Tuesday after an impromptu visit to St. Anthony's Friday where I had a minor operation. I certainly hope this is not my vacation pattern this year.

The girls have been chasing a bird around the office all day. Melissa came in this morning and said it nearly scared her to death. As she turned on the lights she scared the bird and he in turn scared her. I guess it got in yesterday when we had all the doors open. By the way, it is still here behind one of the cabinets.

The obituary editor of a Boston newspaper was not one who would admit his mistakes easily. One day he got a phone call from an irate subscriber who said his name had been printed in the obituary column.

"Really?" was the calm reply. "Where are you calling from?"

Lots of activities are upcoming here. The beauty pageant, junior high and high school graduation, Hansford Roundup all this month.

Congratulations to the Seniors. You have, each in your own special way, left your mark on SHS. Whether those marks are cherished or not is now up to you. If you gave your best and absorbed the education that was at your fingertips, you will know soon that it was worth every minute of your time. If you failed to absorb anything, you will soon learn to regret it. I certainly hope that is not the case for any of you. Your parents and teachers have done the best they could and now the time has come for you to use what you have gained from those school years to greet the big, wide world out there. It has its pitfalls, but you can remember that your hometown really cares for you and wishes you the best that life has to offer.

Two-Bit Sermons

By James D. Jones, Pastor Fellowship Baptist Church
"Fundamentalist What Are They?"
 The world has among its people a group known as Fundamentalists. Yet few understand who or what they are. Since I count myself as one, I would like to try to clear the air concerning this subject. There are many counted among our number which are not. For instance many times The Ayatollah of Iran, even Jim Jones (No Relation) of South American fame was labeled with us. I would like to share with you what we are and stand for.

Gen. 3:15. Luke's gospel give a great account of the birth of Christ. Nothing short of a complete supernatural virgin birth will satisfy a fundamentalist.
 Third, Is the substitutionary atonement of Christ's death. This is where we part company with many. Romans 3:28, Galatians 2:16, 3:11 state that what we do does not affect our salvation. Let me ask you, what works could we do that would entitle us to sit with the sinless God of Heaven!
 Fourth, The Literal Resurrection of Christ, in Acts 3:15 and in Acts 4:10 Peter claims that God raised Jesus from the dead. Nothing short of bodily resurrection of Jesus from the grave will do. Many say it was a spiritual resurrection, but it has to be literal.
 Fifth, a literal return of Christ in the Second Advent. In 1 Thess. 4:16 and Acts 1:11 state that Jesus will return as He left. Jesus left in a Glorified Body and will return in the same manner. There are many other things that Fundamentalists claim but, these are a must.

Post office services

You won't lose touch or lose time during the summer months when you take advantage of two conveniences offered by the Postal Service to people on the go. Postmaster Robertson of the Spearman Post Office said today.
"People on the run can save time when they use self-service postal centers located in many post offices and shopping areas," he said. **"The centers offer many postal supplies and services for no extra charge at the touch of a button."** Customers can mail letters and packages, the Postmaster said, and buy stamps, postal cards and stamped envelopes from these centers.
"A second tip is that people on the move can make the change more easily when they use a free change-of-address kit available at local Post Offices," the Postmaster said. The kit's handy postcards can be used to notify the Post Office, friends, business correspondents and

magazines of your new address so mail will find you in your new home.
 "Last year the Postal Service forwarded 45 million pieces of mail," Postmaster Robertson said. "You can avoid paying forwarding charges, and possible delays in getting your mail, by telling everyone your new address a month before you move."
 "We want to help our customers get our best," he added, "and these two services can give you more time to enjoy the summer months ahead."

He's escaped the fate of an egg—but what has the chick got to look forward to? The technology that incubated him in twenty-one days now carries him relentlessly toward the roaster.

We, too, often seem trapped on a similar conveyer belt, caught in a cadence which carries us step by step through life. The carefree days of childhood swiftly wane once schooling begins. Then come jobs, marriage, family, a home.

The list—and the responsibilities of mature life—seems endless. No wonder we long to escape—to "get away from it all."

Yet such daydreams little help us to cope with life today. God's love and wisdom give us the guidance and solace we need. His Church—the church down the street—stands ready to meet our needs.

He has appeared in theatrical productions at Minneapolis' famed Tyrone Guthrie Theater, The Goodman Theater in Chicago and at the Arena Stage Theater in Washington, D.C. She worked with the Lyric Opera Theater; did dinner theater productions; and has been enthralled with music since the age of 13. Susan Lucci

Did Erica Kane (Susan Lucci) on "All My Children" ever have an affair with Mark Dalton before she learned he was her half-brother? Also, how many times has Erica been engaged, married and taken a lover? — M.B., St. Pete, Fla.

Erica learned of Mark's identity just in the nick of time and they didn't have an affair. She was married to Jeff Martin, Phil Brent, Tom Cudahy and currently Adam Chandler. Erica had affairs with Nick Davis, Jason Maxwell, Brandon Kingsley and Kent Bogard.

Protect Fruit Trees From Insects

Homeowners hoping to harvest good fruit from their trees this year need to start work now to assure healthy trees and quality yield. The first step in producing quality fruit is to insure that the tree is in a healthy, vigorous state. Various insects attack fruit trees and often the use of insecticides is the only means of control. Cultural practices such as proper pruning, fertilizing and watering also play important roles in preventing insect damage.

Insect losses can be reduced with a spray program and by diligently following good cultural practices. This program should begin right away for peach and apricot trees and in the next few days for apple trees.

The most important insects which damage fruit in this area are the codling moth in apples and pears and the peach twig borer in peaches and apricots. Other damaging insects include the peach tree borer, which attacks the base of the trunk and

thrips, which attack foliage. The first cover spray to prevent insects from damaging fruit should be applied to peach and apricot trees when 75 percent of the blossom petals have fallen, and to apple trees when 90 percent of the petals have dropped. Subsequent applications should be made every 10 days to assure undamaged fruit.

Five or six applications will be needed for apricot and peach trees, and up to 14 applications for apples and pears. Thorough coverage of the tree is important.

Several insecticides, including diazinon, malathion and zolone provide good control of damaging insect pests. Sevin will thin apples and shouldn't be used until 30 days after full bloom. A fungicide can also be applied with the insecticide to help prevent diseases in peaches and apricots.

Always read and follow label instructions for the pesticide you are using.

'Cheers' to add role; Kim Fields sings it

By David Gabriel

ADDITION: There will be a new character at the bar in "Cheers" when the show comes back in the fall. Les Charles, executive producer and writer of the series, says that "the third year is a good time to add a character. We have to find somebody we like, though."

Shelley Long

The series ended the season with a cliffhanger: Diane (Shelley Long) walked off her job as a waitress and out of the life of her boyfriend, Sam (Ted Danson). This twist in the plot is designed to torture us all summer with the question of whether the two lovebirds will reconcile.

Since Miss Long's contract has been renewed, you can be sure she will return. The only question is how she will make her re-entry.

PERSONAL PREFERENCE: George Lindsey has been on television for 20 years. He started on "The Andy Griffith Show" and for the last 15 years has been on

Kim Fields

"Hee Haw." "Griffith was better," he says. "It paid more."

"Hee Haw" may not pay more but it gives him plenty of time to do other things. He joins the cast of country characters for two weeks twice a year, in June and October, to tape 13 episodes each time. Besides dancing and singing he is given such lines as "I'm from Alabama. I got off the bus in New York and picked two bags of snow. I thought it was cotton."

STICK WITH IT: After five years as Tootie on NBC's "The Facts of Life," Kim Fields says she's ready to do more, though she still wants to stay with "Facts." She's no fool.

Fifteen-year-old Miss Fields is going to pursue her singing. She sang on her series two years ago and during an appearance on "The John Davidson Show." Last month she released a single, "Dear Michael," a female version of a song Michael Jackson recorded some years ago.
