

HANSFORD COUNTY'S LEADING NEWSPAPER

The Hansford Plainsman

VOLUME VII, NUMBER 39

SPEARMAN, HANSFORD COUNTY, TEXAS 79081

SUNDAY, MARCH 6, 1966 5

If you have any doubts about how hard our elected officials are working, just drop by our office and we will let you read the day's shipment, mostly in franked envelopes, of "news releases" on their activities.

Although it is impossible for a small paper like this one to use each one of these releases, we appreciate receiving them. It is good to know that at least once every two or six years our elected representatives are working for us.

In the long quiet absences between elections we sometimes wonder if they are on the job or just what they are doing.

We just wonder if they worked as hard battling big government, demanding investigations and all the other of the recent activities all the time would we have all the problems we have now?

To our way of thinking, this election year flurry of activity is as good an argument as we can find for keeping the terms of office as short as possible.

School, City Ballots Set

Only three men are seeking the two places on the Spearman School Board and only five are seeking the three vacant offices in the city government.

The deadline for filing for the School Board was Wednesday. Hershel Jones filed early last week for a place as a candidate for the board.

The other two men are incumbents Ira Harbour and Roy McClellan, who are seeking a second term.

In the city election the deadline for filing was Saturday, late Friday there had been no late candidates filing.

In the race for the two council seats there is one new candidate, Joel Lee Lackey. Incumbents Richard Holton and E.J. Copeland are seeking reelection.

Mayor Bob Vaughn is seeking another term and he is being opposed by Clarence Pettitt.

The School Board election will be Saturday, April 2 and the City Election is the following Tuesday, April 5.

Persons who have not paid their poll taxes, may now register and vote in the school and city elections, as well as state, county and federal elections this year.

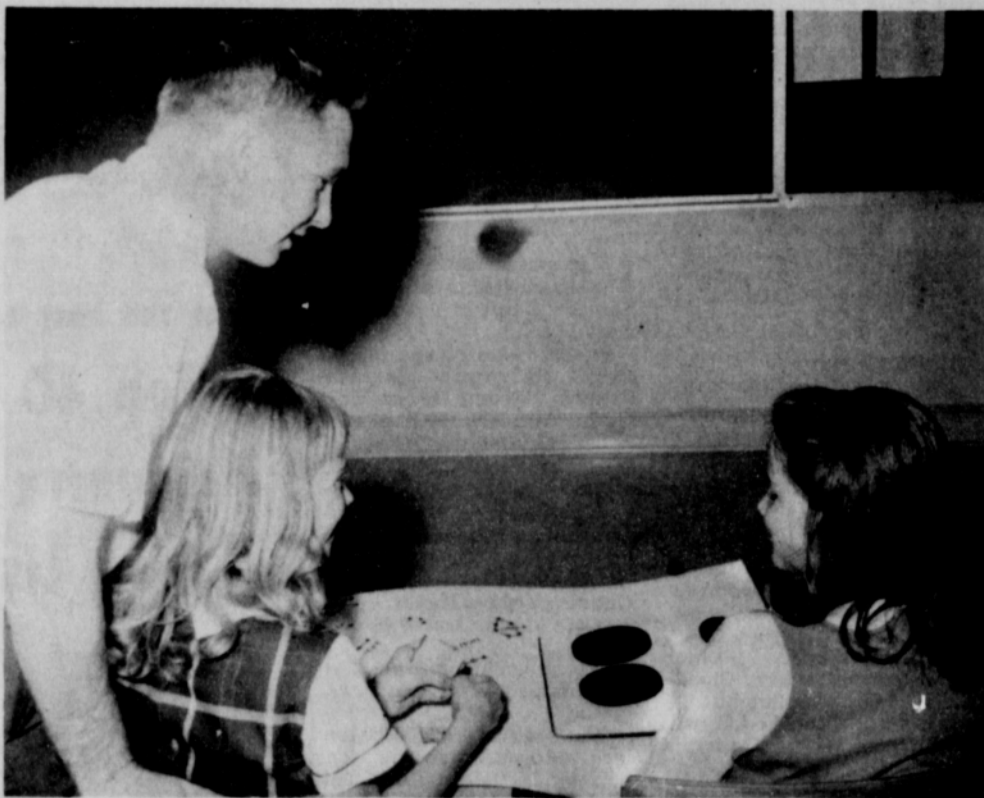

Registration is at the Tax Collector's office in the Courthouse.

Minor Collision Between Car, Bus

A school bus and a car were involved in a minor collision at the intersection of Eighth and Haney streets Friday morning. It was an open intersection.

City Police said the school bus, which had no children on it, was driven by Mrs. John Sell and the other vehicle was driven by F.W. Thomas.

No one was injured in the mishap.

FBI INVESTIGATE

Voter Registration Begins Slow

The Federal Bureau of Investigation may spend two weeks looking at themselves, if all the residents of the state are as interested in registering to vote as Hansford Countians.

Tax Assessor-Collector J.B. Cooke said Friday afternoon that two people had registered since the 15-day registration period opened Thursday.

Under the new Texas Voter Registration law just enacted, would-be voters have until midnight March 17 to register to vote in all local, county, state and federal elections in Texas this year.

The requirements for registering are the same as under the old law requiring the payment of the poll tax. Now, since the federal court has ruled the poll tax unconstitutional there is no charge. Persons exempt from paying the poll tax under the old law are exempt from registering.

Hansford County had about 1800 people pay their poll tax to qualify to vote and with the persons exempt, the voting strength is now about 2500.

The Federal Justice Department has ordered FBI agents to monitor the registrations in over 40 different counties in the state.

This federal action drew heated retorts from Governor John Connally and Attorney General Waggoner Carr.

In a letter to Nicholas Katzenbach, Federal Attorney General, Carr told Katzenbach that he was not reporting to the federal government on the progress of the voter registration. The Justice Department had asked for reports.

Carr wrote: "I simply want to state to you that I know of no court order which requires me, as Attorney General of Texas, to report to you for anything Texas does. Quite frankly, we feel our State is

capable of handling our internal affairs. Our reports will be made to the Federal Court having jurisdiction over this matter and to no one else unless the Court directs us to do it. You have the same right as any other citizen to see what we file with the Court if the Court desires you to see it. Our State appreciates the confidence the Court has in Texas' ability to see that its citizens are duly protected in their constitutional rights once those rights are judicially determined.

"Your assignment of the

FBI to maintain surveillance over the Texas government is an insult to every public official and every citizen of Texas. No Citizen of Texas, any more than any citizen of any proud state, will cower under such misuse of authority. If you have any complaints against Texas, state it in court--don't threaten with the FBI."

Carr reminded Katzenbach that once before the Justice Department had tried to find discrimination in not allowing people to vote through the poll tax, but could find none.

Public School Week Slated Here Monday

Public School Week in Spearman will begin Monday night with the election of a new slate of officers for the P-TA at a meeting in the junior high school auditorium.

Teachers and students in the elementary and junior high grades have been working this week preparing their rooms for the Open House which will be held after the P-TA meeting.

All teachers in the first eight grades will be in their rooms to meet the parents and discuss the work being done by the classes.

Dr. Bill Reeves, Supt. of the Spearman Schools, extended a special invitation to everyone to visit the schools during the week and the open house.

As in past years parents are invited to have lunch with their children in the cafeteria. However because of the crowded conditions in the junior high and elementary cafeteria, Dr. Reeves asked parents of children in grades one and eight to have lunch Monday, grades two and seven on Tuesday, three and six on Wednesday, grade four on Thursday and grade five on Friday.

There is no schedule on visiting classes in any grade, or visiting or having lunch at the high school.

Spearman Girl Is Finalists In Area Contest

A Spearman girl is one of three finalists in the oratorical contest sponsored by the North Plains Electric Cooperative.

Manager Earl Waide, announced that Pat Massad of Spearman, Thomas Zenor of Higgins and D.C. Barlow of Perryton were selected by a committee of judges.

The winners spoke on "How Members Benefit From Ownership of Their Electric Cooperatives." The winners were interviewed Saturday by a judging panel consisting of these electrification advisors from neighboring cooperatives: Nick Craig of Dalhart, Ray Simpson of Hereford and Charlie Strauss of Hooker, Okla.

From the finalists one was selected to be the winner and receive an all expense-paid trip to Washington, D.C. with the Texas Electric Cooperative Youth Tour in June, Waide said.

The final judging was based on knowledge of subject, speaking ability, pose, personality and appearance.

Miss Massad is a junior in Spearman High School. She is the daughter of Mr. and Mrs. Frank Massad.

Proclamation

WHEREAS Girl Scouts throughout the United States of America have for 54 years maintained a constancy of purpose expressed in their Promise to Do their Duty to God and Country, to Help Other People at All Times, and To Obey the Girl Scout Laws of loyalty, honesty, courtesy, cheerfulness, usefulness, kindness and thrift; and

WHEREAS we the People of Spearman have been the beneficiaries of that constancy and that purpose as exemplified in the lives of our daughters and in their deeds; and

WHEREAS the Girl Scout organization founded on March 12, 1912, by Juliette Gordon Low in Savannah, Georgia, has directly affected more than twenty-two million such lives, and caused to flourish the desire and the ability to render continuous service to country and community; and

WHEREAS Girl Scouts of the United States of America is implementing its theme, "Girl Scouting--A Promise in Action," on its 54th anniversary by a Promise of Service to the community and to the nation;

NOW, THEREFORE, I, R.E. Vaughn, by virtue of the authority vested in me as Mayor of Spearman hereby proclaim March 6th through March 12th of this year 1966 as Girl Scout Week and March 12th as the 54th Anniversary of the founding of Girl Scouting in the United States of America. I, therefore, call upon all citizens to give the Girl Scouts now and in the coming year their continued interest, cooperation and support so that increasing numbers of girls may benefit from a program which so inspires that such promises as their Promise of Service can be freely and with whole heart given.

**Golden Uran
NITROGEN SOLUTION**

Quick & Easy & SPREADS UNIFORMLY, covers all parts of the swath EVENLY !

Both Dryland and Irrigated that has been grazed will benefit from a Top Dressing of GOLDEN URAN!

WHY GOLDEN URAN ?

Golden Uran has 3 types of nitrogen. It is chemically constituted so that it DOES NOT Volatilize into the air before mixing into the soil or being watered in. The 3 types of nitrogen are (1) nitrate nitrogen, This one is available to plants when soil temperatures are low- before booting, VERY NECESSARY ! The others are (2) ammonia and (3) urea, both are slower acting, having to go from the ammonian state to the more readily available nitrate form. This chemical reaction come about as the soil warms and bacterial action begins.
