

Last Minute Surge On Poll Taxes

A last-minute surge of business put the Hansford County poll tax sales near the 2,000 mark.

Tax Assessor-Collector J.B. Cooke said this week that a total of 1818 poll taxes were paid and 36 exemptions were issued to persons reaching their 21st birthday and getting a free vote.

Cooke said there were some 500 to 600 persons in the over 60 years old who vote without paying the tax or getting an exemption.

These combined totals give Hansford County a voting potential of about 2,400 persons.

Saturday a door-to-door drive in Spearman sold 100 poll taxes. The drive was sponsored by the Chamber of Commerce and the Lions Club.

Persons working in the drive were: Richard Countiss, Charles Gilliam, Don Floyd, Kenneth Evans, J.L. Brock, Mrs. Lucile Lewis, and Mr. and Mrs. Emmett R. Sanders.

Mayor Opens Heart Month

Heart Month in Spearman and Hansford County got off to a cold start here Tuesday afternoon with the official signing of a Proclamation by Spearman Mayor Bob Vaughn making February Heart Month.

Sub-freezing temperatures made the ceremony on the courthouse lawn at 5:15 p.m. a blood chilling affair and only the strong-hearted attended.

A large heart and heart association emblem was put up on the courthouse lawn by Ed Mundy, the man who made the seven foot tall model of the heart association emblem.

With County Heart Association President, Dr. R.L. Kleeberger and County Judge Johnnie Lee looking on, Mayor Vaughn signed the proclamation.

Heart campaign chairman this year is Sheriff J.B. Cooke. He has appointed Frank Mas-sad as chairman of the "Heart-Days-For-Business" in the county.

Cooke said the canvass of business houses in the county will be conducted from Feb. 21 through Feb. 25.

The large heart emblem will be lighted throughout the (Con't. on page 2.)

Man Injured In Accident

A Higgins man was released from Hansford Hospital Wednesday morning after being hospitalized Tuesday. He was injured in a wreck on the Brinard Ranch southeast of Spearman.

The attending physician said Paul Chitwood of Higgins received deep lacerations on his head.

Chitwood was a passenger in one of two vehicles that collided on a road on the ranch. The accident happened in Roberts County.

City police investigated 10 accidents within the city limits during the past week when the streets were covered with ice and snow.

Chief of Police Wayne Pierce said many fenders were bent, but no one was injured. The damage in most cases was minor. The most extensive damage was estimated at \$200 on one car.

Pierce said all the accidents were just cars sliding into each other on the ice.

MARCH OF DIMES

Funds Top Last Year's Record

Hansford County has already surpassed its 1965 March of Dimes campaign total and more money is still coming in, Campaign Chairman Ed Ward Dear said Wednesday.

Tuesday morning the campaign fund totalled \$4,372.53 and more money is coming in everyday. Dear said he had received enough late donations to push the total past \$4,500.

Last year the county gave \$4,137.59. This made the county the highest in the state in per capita donations. Hansford County was fifth in the nation in the per capita donations.

Money collected through the drive until Tuesday morning totaled \$4,232.53. Dear said several pledges had been made and would be collected this week.

Here are the totals on the different activities carried on by the workers: Spearman Mothers' March \$877.87; Gruver Mothers' March \$586.83 with over \$100 more pledged; Morse Mothers' March \$84.82; Spearman Teenage Radiothon \$230.26; auction \$2315.75; Memorial contributions \$137 and donations Monday \$140.

Dear said he wanted to thank everyone who went out in the cold Sunday to collect funds in Spearman, Gruver and Morse, to all who worked on (Con't. on page 2.)

Crop Meeting Today in Gruver

The first in a series of new crops for new profits meetings will be held in the Memorial Building in Gruver at 2 p.m. today (Thursday).

There will be a meeting in Gruver each Thursday in February to discuss possible new crops for this area.

The meetings are sponsored by the Commodity Committee of the Hansford Farm Bureau. (Con't. on page 2.)

Day Leads Lynx To Win; Girls Beat Colleens 65-16

Sophomore reserve Carroll Day came off the bench Tuesday night to lead a hustling bunch of Spearman Lynx to their second district win.

Day snaked in 18 points to lead Spearman to a 55-32 win over Shamrock in Lynx gym. The frail looking youngster was strong around the basket as he snaked in along the baseline for lay-ups and worked well getting off his shots against the taller Shamrock forwards.

Day hit six field goals and six free shots for his 18 points, Monte Black scored nine points, Dave Clement and Larry Butts each had eight, Ken Shufeldt had six, Carl Close five and Gary Faries one.

Spearman took the lead early in the first quarter and were never headed. Larry Butts turned in his best rebounding performance of the home season by outjumping the big Irishmen all night.

Both teams had one man to foul out. Ike Shipman, Shamrock's leading scorer with 13, went out on fouls and Dave Clement went out for Spearman.

Looking smoother than in several games, the Lynxettes held the Colleen's scoreless for the first quarter and went on to beat them 65-16 as Coach Weese used his entire squad.

Post girls Barbara Wilde and Marcia Shieldknight tore the nets to shreds. Wilde hit 27 points and Shieldknight hit 19. Wilde had 11 field goals and Shieldknight nine.

BASKETBALL ROYALTY-Karen Gibson and Larry Butts were crowned Basketball Queen and King Tuesday night at the Spearman-Shamrock games. Karen is the daughter of Mr. and Mrs. Raye Gibson and Larry's parents are Mr. and Mrs. Herb Butts. Both young people are seniors. Plainsman Photo

CHAMBER OF COMMERCE

Banquet Reset Here For Saturday Night

The once-delayed annual Chamber of Commerce membership banquet will be held at 7:30 p.m. Saturday in the grade school cafeteria.

Chamber of Commerce Manager Don Floyd and Chamber President Kenneth Evans said this week that ticket sales have been good and urged persons wishing to attend to reserve their tickets now. Tickets are \$5 per person.

Evans said the entire evening is planned as entertaining

and there will be a minimum of ceremony.

The main ceremony of the banquet will be the presentation of the "Citizen of the Year" award to some person who has aided the growth and development of Spearman and the area. Roy McClellan will make this presentation.

John Armstrong, a humorist and public relations expert of the Chicago Institute of Elec-

Pettitt Files For Mayor

One more candidate has filed for a place on the city election ballot this week.

Clarence Pettitt, local garage owner filed as a candidate for Mayor, opposing incumbent Bob Vaughn.

Pettitt has been a candidate for the office two years ago.

The city election ballot now has Vaughn and Pettitt seeking the Mayor's post. Incumbent councilmen Richard Holt-on and E.J. Copeland are as yet unopposed.

Prospective candidates have until March 5, to file as candidates. The election will be Tuesday, April 5.

The Chamber of Commerce is now conducting a state-wide search for workers who would move to Spearman for employment in a large business seeking a location in this area.

The firm will employ about 300 mechanics, refrigeration workers and warehouse workers.

This large firm is seeking a location and the Chamber is beginning a campaign to sell them on locating in Spearman.

tronics will be the principal speaker. He has entertained banquet crowds across the nation.

The banquet was scheduled for Jan. 20 but had to be cancelled when Armstrong was unable to get here because of bad weather.

Theme of this year's banquet will be "Opportunity Knocks." It will carry out the work of the Chamber this year in securing a large industrial plant for Spearman, Gifford-Hill Western. Also, the Chamber has been busy in presenting information to several other industries and business firms in establishing here.

Plans are being made now by a large firm to establish a farm supply center in Spearman. Other firms are making inquiries as the irrigation farming industry expands in the county.

Husband Revives Gassed Wife

A quick shot of oxygen from a welding tank revived Mrs. Don Hendricks Monday morning after she fainted from fumes from a gas stove in her mobil home at 521 E. Kenneth.

Her husband said he went back to the house about 8:30 a.m. to find his wife passed out from the fumes. He carried her to the shop nearby and gave her some oxygen and she revived. (Con't. on page 2.)

County Firemen Go to Lease

County firemen answered an alarm at 12:10 p.m. Wednesday at an oilfield lease southwest of Spearman.

A heater on a natural gas system caught fire on the Humble lease on the Kiff White property seven miles southwest of Spearman.

Farm Labor Day Set February 7

Farmers of the North Texas Panhandle are invited to attend the Farm Labor Day program to begin Feb. 7, and will continue each Monday through April.

The Farm Labor Day program is designed to intensify the efforts of the Texas Employment Commission to locate qualified farm and ranch workers to fill the area needs of our farmers and ranchers. This includes a state wide clearance program, which permits the Texas Employment Commission to project the labor needs of this area to any area of the state.

The Farm Labor Day provides a common meeting place for farmers and ranchers needing workers, and for workers seeking employment, which in turn minimizes time and travel for both parties.

A Farm Labor Day will be held each Monday during February, March and April, in the Farm Labor office of the Texas Employment Commission which is located in the County Court House, Richard Curtis is in charge of this office and will conduct the Farm Labor Day program.

Curtis invites farmers from Lipscomb, Ochiltree and Hansford Counties to come in and tell what they will need in the way of farm labor and meet the applicants each Monday.

Jayne Massie Is GS President

You know I'm about to give up on that horoscope business. The way I figure it, everyone's due for a good day once in awhile. Last week mine went from "study other's problems objectively" to "don't interrupt duties for extra-curricular doings" to "don't let disappointments and hurts bother you today."

Surely Old Man Horoscope could find something jolly and gay for me to read early in the mornings . . . just once or twice a week. You can't ever tell, I might get such a pleasant, optimistic start that I'd make a real contribution to the world around me. I wish he'd try it.

Did you see the beautiful comforter Pete Fisher bought Sunday afternoon at the March of Dimes for \$95.00? I'd say Alta must be more than pleased to have such a beautiful handmade coverlet and it was made, by the way, especially for the auction by Elaine Floyd.

I don't mean to imply that Elaine is slow, but knowing her, we all agree it was an extra nice gesture when you consider the hours and hours of work involved.

By the way, the March of Dimes was highly successful in Hansford County again this year due to many hard-working individuals and groups. The final figures aren't in yet, but already the drive has surpassed last year's record.

Almost everyone got into the act in one way or another. Teenagers, mothers, expert cooks, businessmen, artists, auctioneers, those who made bids and many, many others helped. Elsie Mathews and Edward Dear have done an excellent job of organizing and carrying out the county's March of Dimes Drive.

I don't mind our 10 below zero temperature nearly so much as I mind the adverse publicity the poor old Panhandle is getting.

We got a sympathy card from sunny California last week signed with "At 10 below zero, I'd just crawl in a hole and call the whole thing off!"

It's hard to understand how so many people could have failed to pay their poll taxes. It would seem that a lot of us think voting isn't a privilege or a responsibility . . . but a "who'll ever know" chore.

Several local people, though, did more than their share to make sure as many as possible will be eligible to vote in 1966. Those helping sell 100 poll taxes last week in a snowy door-to-door campaign were Lurile Lewis, Charles Gilliam, J.L. Brock, Emmett R. Sanders, Richard Countiss, Don Floyd, Kenneth Evans, and Mrs. Emmett R. Sanders, who spearheaded the drive.

That county library petition is circulating rather slowly. I wonder . . .

Dr. Winfred Moore, pastor of Amarillo's First Baptist Church, is a speaker-deluxe, in my opinion. If you haven't heard him at 8:30 on Sunday mornings, I think you'd enjoy it whether you are a Baptist or not.

He told this little story Sunday in his southern drawl, to point out how we fail to learn and benefit from the mistakes and lessons of history.

Seems a patriotic alumnus went to his college team's football game and bet heavily that his team would win. The team lost, and so did he. That night he went to a movie and when they showed a film-clip of the game, he bet again on his team.

Later when someone asked him why, he said "Well, I just couldn't believe that team could beat us like that twice in the same day!"

This recipe for Cherry Cha Cha is delicious and perfect if you plan to help Mr. Washington celebrate his birthday this month.

CHERRY CHA CHA

Make a graham cracker crust in a large pie plate from 2 cups crumbs, 1/2 cup sugar and 1/2 cup melted butter. Bake 10 minutes and cool well.

Soften one small package cream cheese at room temperature. Whip one large package of Dream Whip according to directions and add softened cream cheese, mixing well.

Pour this over cooled crust and add 3 cups miniature marshmallows. Top with one can prepared cherry pie filling and sprinkle with graham cracker crumbs. Refrigerate several hours before serving.

Mr. and Mrs. William H. Elliot

Owens - Elliot Nuptials Read in Methodist Church

Nuptial vows were solemnized Saturday evening, January 29, in the First Methodist Church of Spearman, for Miss Judy Ann Owens, daughter of Mr. and Mrs. Claude Owens of Spearman, and Mr. William H. Elliot, son of Mr. and Mrs. Irl Elliot of Bird City, Kansas. The Rev. Wesley Daniel performed the double ring service before an altar flanked with greenery and various shades of pink flowers. Candelabrum were used in the background.

A program of nuptial selections, including "Twelfth of Never" and "The Wedding Prayer" was presented by Mrs. Neal Pack, organist, and Miss Synda Taylor, vocalist.

Mrs. Bill Partridge of Spearman was matron of honor, and attendants were Mrs. Roger Odegaard and Miss Carolyn Colliard of Spearman, Mrs. John Alderman of Amarillo, and Miss Shirley Anderle of Midland. They wore formal length dresses of rose pink with fitted bodices, scoop necks, and long sleeves. Matching headpieces and bouquets of pink roses and carnations completed their ensembles. Miss Sherisse Partridge was flower girl and was dressed identically to the bridal attendants. Ray Partridge served as ring bearer.

Jerry Bressler of Bird City, Kansas, was best man and groomsmen were Jim Leach of Bird City, Bill Partridge and Roger Odegaard of Spearman, and John Alderman of Amarillo.

The bride, escorted to the altar and given in marriage by her father, wore a formal wedding gown of silk organza over taffeta designed with overblouse bodice re-embroidered with Alencon lace and seed pearls. The slim skirt extended into a chapel train. Her bouffant veil of French illusion fell from a crown of white pearls and crystals. She carried a bouquet of gardenias and roses. At the close of the ceremony, she presented her mother and the bridegroom's mother with a red rose from her bouquet.

The bride's mother was attired in a blue velveteen dress, matching shoes, and white accessories. She wore a pink rosebud corsage.

The groom's mother wore an avocado green knit ensemble with matching accessories. She also wore a pink rosebud corsage.

A reception was held in

fellowship hall immediately following the ceremony. A centerpiece of pink gladiolas and roses was set on the serving table, which was covered with a white lace tablecloth over pink. Members of the houseparty included Miss Doan Lusk of Amarillo, Miss Linda Jo Allison of Happy, Mrs. Neal Pack and Mrs. Bobby Archer of Spearman.

Following a brief wedding trip, the couple will be at home at 4205-A Austin in Amarillo.

The bride is a graduate of West Texas State University at Canyon where she was a member of Delta Zeta social sorority and Phi Gamma Nu business sorority. She is currently employed by the Amarillo Public School system.

Mr. Elliot is a graduate of Kansas State University and holds a degree in Electrical Engineering. He is employed by Southwestern Public Service in Amarillo.

Out of town guests for the wedding included Mr. and Mrs. Sam Hatchett, Shirley Anderle, Carleen Alderman, Mark and Vera Brunch, Doan Lusk and Linda Jo Allison of Amarillo; Mr. and Mrs. Kenneth Smith, Mr. and Mrs. Carl Owens and Larry Owens of Beaver, Okla.; Mr. and Mrs. Keith Williams of Hennessey, Okla.; Mr. and Mrs. Marvin Longhofer and Karen, Mr. and Mrs. A. J. Longhofer, Mr. and Mrs. Cleo Jahnel and Andy, Mr. and Mrs. Ralph Longhofer, and Mr. and Mrs. Carl Longhofer, all of Canadian; Mrs. Grace Murray, Mrs. Pearl Elliot, Mr. and Mrs. Monte Gleason, Mr. and Mrs. Irl Elliot, Mr. and Mrs. Jerry Bressler and Mr. and Mrs. John Leach, all of Bird City, Kansas; and Mr. and Mrs. Harry Johnson of Goodland, Kansas.

Club Meets In Morton Home

The Blue Monday Bridge Club met in the home of Mrs. R.W. Morton Jan. 31.

Enjoying games and snacks were Mmes. Deta Blodgett, E.D. Clement, F.J. Daily, W.H. Gandy, Pope Gibner, San Graves, Vester Hill, Deion Kirk, Bill Miller, J.E. Womble, Gwenfred Lackey and one guest, Betty Lackey.

Mrs. F.J. Daily had high score.

Mrs. Joe Michael Bryan

Miss Brunner Is Bride Of Joe Michael Bryan

The marriage of Miss Dee Brunner and Joe Michael Bryan was solemnized Friday night, January 21, 1966 at 8 p.m. in the First Methodist Church in Lubbock with the Rev. Auslman, Associate Pastor, as officiant for the double ring ceremony.

Parents of the couple are Mr. and Mrs. William F. Brunner of Lubbock and Mr. and Mrs. Joe Dan Bryan of Spearman.

The bride was escorted by her father. She wore a formal gown of peau satin designed with a portrait neckline and long, tapering sleeves; a scroll pattern of pearls bordered by denise lace formed the A-line skirt. Lace and pearls accented the detachable wattleau chapel length train. Her shoulder length veil was topped by a small pillbox trimmed in denise lace and pearls. She carried white roses and white orchids atop a white Bible with an heirloom bouquet holder.

Miss Marcia Sparkman was maid of honor. Misses Patti Lacy, Sharon Seifried and Jenny Watson were bridesmaids. They wore floor length dresses of cranberry red crepe with empire waistlines and elbow length sleeves. Their headpieces were of cranberry crepe with veils. Each carried white roses.

The bridegroom's father served as best man. Groomsmen were Morgan H. Cox, Marvin Billingsley and Charles Hannz. Geoffrey Brunner and Mansel Bryan seated the guests. Miss Carol Miller of Midland was the organist. Soloist was Miss Connie McMillan. Mrs. Steve Sands was candlelighter and Miss Becky Brunner was flower girl.

After a reception in the church parlor the couple flew to Dallas. Mrs. Bryan wore a long sleeved dress of bone and

Guests of Mrs. Ruth Caro Sunday were Louise and Paula Mackie of Amarillo and Mr. and Mrs. Donnie Mackie and son Troy of Dumas.

avocado green print with an avocado green wool coat and matching hat and bone accessories. Her corsage was an orchid from her bridal bouquet.

The couple will reside at 2705 23 St. in Lubbock. The bride is a January graduate of Texas Technological College with a degree in Elementary Education. She is teaching at Chris Harrvell School. The bridegroom is a candidate for graduation in May, majoring in government, at Texas Technological College. He is employed in the registrar's office at the college.

SEWING STRENGTH

A new sewing thread with the strength of nylon and the sewing qualities of cotton has been developed, says Mrs. Lynn Stiles, Texas A&M University consumer education specialist. The finer, stronger thread is resilient and is particularly good for sewing stretch fabrics and synthetics, she says.

THE MORSE CODE

The Hansford County Teachers Association held a banquet at the Morse School Cafeteria Monday night with sixty people attending.

The program was given by Harold Killingsworth, principal of Happy schools.

Basketball season will end next week with the district tournament which will be held at Booker. The last home game will be Friday against Booker. When the Mustangs played the Booker squad there, the Morse boys won by 2 points.

Grade school season ended Monday night with a game at Fringle.

The study course on medical self-help will begin Thursday, Feb. 17 rather than Feb. 15 as previously announced.

This course is sponsored by the Morse PTA and will be taught by Johnny Brumley. He states that it will cover all areas of first aid in more detail than the standard course. Emphasis will be placed on fallout shelters, caring for the sick and injured in case of nuclear attack.

Brumley has taught this course before and is qualified in this field. He has taken civil defense courses and has several hours in health education.

Morse HD Club was hosted by Mrs. Ella Parks Thursday afternoon. Miss Linda Webb, agent, presented the demonstration on the use and care of electrical equipment.

Attending were Meses, Lela Dortch, Charlotte Hurley, Linda Lieb, Ruby Lieb, Lily Johnson, Laverne Parks, Besse Henderson, Mary Gillispie, Evelyn Hext, Mildred Lewis, Leslie McCloy, the agent and hostess.

Misses Suzanne Dixon and Sylvia Parks were guests at the annual meeting of the Rita Blanca Electric Cooperative Wednesday in Dalhart.

Suzanne presented her prize winning speech on "Rural Electric Cooperatives, Good for all Americans" and Sylvia showed slides of the Washington trip she took last year.

Two foods classes of the Morse 4-H met last week for the lesson on salad making. The Favorite Food Show was discussed and plans were made for members to enter this county event.

Meeting with food's leader Mrs. Ray Alexander were Terry Womble, Ronny Womble, Lynn Parks, Deryl Hext and Cody Alexander.

Junior leader Sylvia Parks met with Katina McCloy, Carol Hurley, Becky Alexander, Charis Fleming and Vicky Scribner.

Mrs. O.E. Hext entertained with an "Around the World Party" at her home Monday morning. Approximately 15 guests attended.

The Mother's March for the March of Dimes in Morse Sunday afternoon netted a little over \$100. Mrs. Tom Dortch was in charge of the march in Morse.

Mr. and Mrs. Jim Womble and Jimmy Dale are in Ft. Worth this week where Jimmy is showing his steer in the Fat Stock Show.

Mrs. Grant Miner has had as her guest the past week her mother, Mrs. Newton of El Paso.

Morse Lions Club met Thursday night. The program on social security was given by Virgil Holloway.

Mrs. Wilson McCloy and Mrs. Mary Gillispie attended an art exhibit at Fritch Sunday afternoon. While in town they visited with a former school mate of Mrs. McCloy, Mrs. Ruby Jean Dowdy. Mrs. Jim Wright, the former Betty Jo Milton of Morse, was also at the exhibit. Mrs. Wright now lives in Amarillo.

Mrs. Jerry Alexander spent the weekend in Farmington visiting relatives.

THE WAY I SEE IT

Robert Cordes, Pastor
Oslo & Faith Lutheran

Do you know how hard it feels to get up in the morning with a heavy heart? It may be something you have to do and dread. Or too much work staring you in the face. We call this feeling anxiety.

Have you ever wondered why anxious feelings get such a grip on you? There are many causes. It may be bodily fear such as war and death or trying to measure up to others with our limited abilities, shortcomings for the harder we try to be perfect, the more unsure we become. This is true of churches who set up such strict rules and standards for their members to "measure up to."

Sometimes a past sin, pretty well forgotten in the past, sends up bubbles of anxiety. When anxious, move. Talk over your anxieties with a professionally trained person. Take a walk alone every day. Reach out and help someone else worse off than you.

God can use your anxieties to have you come to grips with yourself and Him. "Who am I?" "Where am I going?" "What's important to me?"

Remember who God is. He's the Almighty who sent His Son Jesus to prove to you His love. His Holy Spirit can be born in us to guide and help.

Remember who you are! You can be God's redeemed Child. God died on the cross to personally forgive you your

sin. You came from God and He has set out to redeem you on the cross. He stands ready to guide you.

Phillippians 4:6,7 reads "Be careful for nothing, but in everything by prayer and supplication with thanksgiving let your requests be made known unto God. And the peace of God, which passes all understanding, shall keep your hearts and minds through Christ Jesus."

Come to Jesus with your fears, anxieties, worries. Come, find the purpose of your life in God. Come, and be assured God loves you just as you are and is willing to completely cleanse. Come worship God Sunday and hear this wonderful message for your anxiety. We stand ready to help!

County Agent's Report

by Robert Adamson

CASTOR BEAN TRIALS

Castor bean trials in Hale and Gaines counties this past season indicate the profit potential of the crop under good management, according to Dr. Raymond Brigham, head of castor studies at the South Plains Research and Extension Center near Lubbock.

A field scale test in the Plainview area produced yields consistently over 3,000 pounds per acre and a test in Gaines County produced yields between about 2,300 and 3,000 pounds per acre.

"The significance of these yields is that they show castors can be a profitable crop if they are properly managed," Brigham said. "With castors at 5-cents a pound, farmers with yields of 3,000 pounds per acre are grossing \$150 per acre."

Martin Schur, who farms four miles northeast of Plainview, conducted a field-scale strip test using four hybrids. The plots were planted April 29 after a preplant irrigation and application of 170 pounds of anhydrous ammonia per acre.

According to Brigham the four Baker Hybrids tested on the Schur farm produced the following yields per acre: Baker Hybrid 22-3, 232 pounds; Baker Hybrid 33-3, 099 pounds; Baker Hybrid 44--3, 165 pounds; and Baker Hybrid 55-3, 432 pounds.

Schur applied four summer irrigations to the field because of the long growing season this past year.

Some commercial castor producers who used hybrids in the Plainview area also experienced excellent yields. A survey by Baker Castor Oil Company reports that the top eight commercial fields in that area produced yields ranging from 3,864 pounds to 3,135 pounds per acre.

Elvoy Thomas, who uses sprinkler irrigation on his Gaines County farm, cooperated in a test of two castor varieties and four castor hybrids. The test was a joint project of Brigham and the Baker Castor Oil Company.

Varieties tested and their yields per acre were as follows: Hale-3, 559 pounds; Baker 247-2, 736 pounds; Baker Hybrid 33-2, 839 pounds; Baker Hybrid 44-2, 367 pounds; Baker Hybrid 55-2, 681 pounds; and an experimental hybrid-2, 956 pounds.

Thomason planted May 21 after a preplant irrigation. He had fertilized with 200 pounds of Sul-Po-Mag per acre. He sprinkler irrigated three times using a 12-hour set with each irrigation.

According to Brigham, these yield results in Hale and Gaines County show that proper fertilization and irrigation programs will pay-off for castor growers.

Poor returns have sometimes been experienced with castors because they have been put on marginal land and given only nominal care.

FFA Boys Place In Fort Worth

The Spearman FFA boys are showing against about a hundred calves at the Fort Worth Fat Stock Show. Jock Lee got a fifth and sixth place. Glen Blodgett got seventh place. Jock Lee showed Angus and an Angus-Charolais cross. The boys who are going to show pigs will leave Tuesday and will show Friday.

Five Seniors Join Guard

Five seniors from Spearman High School have recently joined the National Guard. They are Mike Richeson, Phillip Stumpf, Frank Shields, Jimmy McLeod, and Larry Wilson. These boys will go in for 4 months, and attend meetings. The National Guard is one of the best services we have, and we are proud that these boys want to be part of it.

Counselor's Corner

We now have information on the Nursing Student Loan program. It includes what the program is about, eligibilities, how to get a loan, how much a person may borrow, how to repay the loan, and how the loan is related to National Defense Student Loans. For further information on this program Mr. Laws will be glad to help. Students that want more information on the loan program and on other fields of educational loans can rely on Mr. Laws. More loan and scholarship programs are available than students realize. Such programs are especially helpful to those who might not be able to attend college without financial assistance.

An Editorial

by Janice Trindle

Recently some students have been writing and/or drawing on their desks. These students may find it necessary to do this, but under the circumstances it is not the thing to do. Students may find desk writing an excellent way of corresponding with a friend in the next class or of cheating. When a person walks into a school and sees the desks that

have been written and carved on and the walls that are dirty, a bad impression is given. Our school does not look bad yet, but it soon will if the defacing continues at the rate it is. The students should be prouder of their school than they are showing. A few students degrade our class rooms by drawing or writing on the tops of desks.

'Miracle Worker' Offers Challenging Assignment

One of the most challenging assignments any actress, young or old, could hope for is being essayed by 15-year-old Donna Ownbey who is playing Helen Keller in "The Miracle Worker", the great stage and motion picture success now in rehearsal for the local production by the Spearman High School Drama Class. This is the part that was created for the original New York production by the enormously talented child actress,

Patty Duke, who later duplicated her stage triumph in the film version. When the play opens, Helen Keller is virtually living the life of an untamed wild animal. Born sightless and deaf and dumb but with a stubborn will, she has been running unchecked, and no one has ever been able to communicate with her. Then Annie Sullivan is engaged as her tutor, to try to teach her the rudimentary disciplines necessary for a civilized existence. In a climactic second-act scene of rough-and-tumble brawling, a bruising physical encounter that left New York audiences exhausted but cheering, Annie is for the first time able to get through to the intractable young Helen.

SHS Students Raise \$230 For MOD

Last Saturday a group of students from SHS took part in a drive for the March of Dimes. The students gathered at the radio station, KBMF, and at 9:30 a.m., the fun began. Their objective was to get people to donate to the March of Dimes by calling the station and asking the kids to play certain records for an unlimited amount of money. Hansford County Chairman, Ed Dear, got things rolling that morning. The radiothon signed off at 7 p.m., having earned over \$230 for the March of Dimes.

How will Donna rise to the challenge of this demanding part? Mrs. Porter, directing "The Miracle Worker" for its local premier, voices every confidence in her ability to meet it and promises an eye-opening experience for audiences who attend her performance.

This smashing Broadway and Hollywood success about the true-life story of Helen Keller and Annie Sullivan will be presented by the Drama Class Feb. 12 in the high school auditorium.

REMINDER

This is a reminder that the North Plains Water Conservation District is again sponsoring its annual essay scholarship contest for high school students in the district. The deadline is March 1, 1966.

HS Speech Students Place at Perryton

The Spearman High School Speech Department entered a number of students in the Perryton High School Speech Tournament held last weekend in Perryton. It was an open class tournament with all schools competing against each other. Spearman students placed in several events.

In Girl's Debate, freshman team Lisa Curry and Thelma Daniel debated their way to the semi-finals before being defeated by Pampa. Lisa and Thelma had the highest speaker ratings of any girls team in the tournament.

Cloetta Fullbright reached the finals in poetry reading and placed second in that event.

Kenneth Faries and Hal Sanders reached the finals in persuasive and ex-temp speaking. Hal Sanders placed first in the ex-temp division.

Paula Stout placed second in girl's ex-temp and Linda Benge placed second in girl's persuasive speaking.

All of the other students who entered made an excellent showing, but did not place in the finals.

Judges for the finals were the heads of the speech and drama departments at West Texas University.

The next contest for the Spearman squad will be the round-robin debate tournament sponsored by the local speech

HOMEMAKING NOTES

by Linda Webb

With snow all around us here in the dead of winter, Simplicity Company is looking ahead and giving us the "Bright Idea" of colors for spring. This is a most exciting season to look forward to as far as colors in fashion and interior decoration is concerned.

Spring 1966 radiates with a crystal clear profusion of pure color as reflected by a glass prism. Colors merge and inter-

mingle in monochromatic clash combinations between families. Contrast and combination is the story for this season as evidenced initially by color: strong, contrasted emphatically by the baby pastels, paled until they hold only the essence of color. Both extremes will find importance in all fashion directions. Watch for the continuance of heathers, in brights as well as pales-whitened not greyed.

YELLOWS-ORANGES-

The sunburst, glowing tones receiving increased promotional interest, influenced perhaps by the sunny lands of Mexico, Spain and Greece. Penetrating rays spark sunflower, citron, marigold, mango and bitter-sweet. These combine strikingly together or with their related family of reds.

REDS-PINKS-

Reminiscent of glorious sunsets, fire red paints the scene; it exists alone, clashes artfully with yellows and oranges or is dramatized by black and white. Wild cherry is nautical with navy. Not about to fade from sight are the ever popular pinks, Siamese pink—a deep mauve, is tinged by Oriental skies. Fiesta-clear, vivid and strong in the group, peppermint pink and coral-effective with neutrals, flash on the horizon. **BLUES-**

The sunwarmed, sparkling waters of the Caribbean and Mediterranean create turquoise casts; tropic—a deep water blue, surf-washed with waves, and Burma—from Oriental seas, Newport navy, young and spirited, is newest as a link between the bold brights and the delicate pastels. Midnight serves as a possible substitute for black as background for the many dark ground prints. For variety, cornflower blues are introduced. **GREENS-**

Sunlit shades with the freshness of nature bloom into new leaf, meadow and limelite are yellowed by direct sunlight. Note the build in importance for the rich and regal blueed greens—dynasty and jade—elegant for high fashion. **BABY PASTELS-**

A representative member of each color family is encom-

mingled together, accented with a neutral, a summer dark or white, or softening and subduing a bright. A hint of tint for the ultra feminine sports-woman or the equally sophisticated lady of leisure. **NEUTRALS-**

The sunbleached neutrals are newest when paired and accentuated with a tinge of white. Straw, celery, chamomile, string, nude, honey—a spring camel, earth, wheat, sand and mist-hazy grey, are adapted from nature and are best seen in linen and silks. Mist is used often as a background to multineutral or pastel prints. **BLACK AND WHITE-**

Black and white serve as bold additions to distinctive designs. Startling white adds frosting to sheers or depth to sculptured piques.

THE LAST NOTE- It is difficult to keep your mouth and your mind open at the same time.

CROWDED-- Things got a little crowded last weekend as the Stratford (In white) and Spearman seventh graders battled in the Jr. High tournament. Spearman went on to win the game and finish second in the tournament.

Still more new cars and diesels, too, for Santa Fe.

Our \$145-million improvement program for 1966 includes 60 high-horsepower diesels and 5,000 freight cars. That brings our investment—in just 4 years—to more than \$360-million for 18,000 modern cars and diesels. All to serve still better our busy Santa Fe Country.

Soon more than 20 per cent of Santa Fe's huge fleet will be less than four years old. But this does not tell the whole story. Many new cars are longer; others have capacities multiplied 2½ times; many haul double the tonnage of cars they replace.

Our fleet of giant 100-ton covered hopper cars for grain, and other bulk commodities is being expanded. Soon 5,600 of them will be in service—with the carrying capacity of 11,000 conventional box cars! Half of Santa Fe's diesel freight

power is in new high-horsepower units—and more keep coming to move our trains on fast, dependable schedules.

How can we help you? Just call your local Santa Fe Agent.

Three Soldiers Have Reunion In Korea

Three Spearman soldiers have had a telephone reunion with each other in Korea.

The men are soldiers James David Batson, Terry Pittman and Bob Novak. Batson is the son of Mr. and Mrs. Jack Batson, Pittman is the son of Mr. and Mrs. T. J. Pittman and Novak is the son of Mr. and Mrs. Robert Novak.

Batson wrote his parents about getting to talk to his former schoolmates. He said it was good to hear their voices. They hope to get together soon for a reunion.

They were expecting James Maxwell to be in Korea soon, but it has been learned here that his orders have been changed and he will not go to Korea.

Batson has recently been promoted to Specialist Fourth Class (Corporal). He is a Micro-Wave Radio Repair man. He has been in the Army for 18 months and in Korea since July.

Pittman went to Korea at the end of 1965 and is a cook.

Novak is in the Army Signal Corps and is completing his tour of duty in Korea. He is to return to the states in February, his parents said.

Women to Serve Valentine Dinner

The Missionary Women of the Union Church will serve a Valentine Dinner at the church Thursday, Feb. 10, beginning at 11:30 a.m.

Tickets for the dinner are \$1.50 for adults. Everyone is invited to come eat with the women.

The church address is First and Endicott.

Guests of Mr. and Mrs. Cecil Crawford Saturday were Major and Mrs. Charles Varnum and daughter who have recently returned from Frankfurt, Germany.

Mr. and Mrs. Everett Tracy and Richard spent Saturday in Amarillo on business and also visited his sister, Mr. and Mrs. J. A. Tipton.

The seventh grade boys lost to Perryton 32-34 in the finals. Perryton was the only team to beat the seventh grade in football.

The seventh grade girls lost to Stratford 16-15 in the finals.

Another one point defeat cost the eighth grade girls their tournament title. They lost to Gruver 18-17.

Stratford took home another first place trophy when the eighth grade boys of Stratford beat Gruver 23-17 in the finals.

There were teams from nine schools competing in the three days of competition here.

HANSFORD HOSPITAL NEWS

Patients in Hansford Hospital this week are Sarah Townsend, Orlena Riley, Addie Novak, Pat Williams, Charlene Tilford, Laurence Dossett, Willie Mathis, Kathy Warren, Paul Chitwood and Nell Cummings.
