LYNX BOW TO GREYHOUNDS

COLLISION COMING -- Lynx Clayton Cochran with ball and Greyhound Tommy Gurfory are headed for a crash. The action took place Friday night in the Gruver-Spearman game. Gruver won the game 38-16. Cochran was Spearman's leading ground gainer and scored 10 of the 16 points.

A pack of Gruver Greyhounds chewed up the Spearman Lynx 38-16 Friday night on Greyhound field.

Frank Silva raced 58 yards for a no-count touchdown the first time Gruver touched the ball from scrimmage and from that point the Hounds were off and running.

A clipping penalty at the Spearman 13 rubbed out that first Gruver counter, but it took Gruver only four plays to push across a valid counter from the Lynx 28. They got a little help from a 2.5 yard offside penalty against Spearman at the Lynx five.

Silva was the big gun in the Gruver attack. The sophomore carried the ball 20 times for 186 yards for a 9.3 yard average and also threw two passes for 39 yards.

Lynx Rennie Berry took three touchdowns away from the Hounds with sure tackles. In the second half Gruver ran two Spearman kick-offs back deep into Lynx territory for what looked like scores. Berry was the safety man and both times he took the runner down with hard, low tackles.

The third touchdown he disrupted was on a 21 yard pass from Sam Tipton to Mack Hoel on the goal line. Berry cut Hoel's feet out from under him just as the ball touched his hands

and it went incomplete on fourth down.

In the opening quarter Spearman mounted two drives that looked like they might generate points, only to have them sputter and die.

Spearman put opening kick-off in play on the Lynx 17 and immediately found a hole at the Gruver right tackle spot. Clayton Cochran and Ken Shufeldt hit it repeatedly to move the ball out to the Lynx 49.

At the 49 the drive bogged down and Larry Butts got off a short kick with the slick ball and Gruver put it in play on the Hound 42.

Silva, scored, but had it called back to the Lynx 28 for the clipping infraction at the 13. Hoel went 16 yards on the next play, Silva then hit for eight. Spearman dropped Silva for a loss, but the play was rubbed out and Spearman was penalized 2.5 yards for being offside. Sam Arnold dived in for the touchdown on the next play.

Hoel tried to run the points, but was erased by Shufeldt.

The next kick-off Spearman went to work at their 30 and Cochran, Shufeldt and Dave Clement moved it to the Gruver 27. A fumble was the big gainer in the drive. Cochran fumbled at the Spearman 46 and end James Schnell recovered it for Spearman on the Gruver 45. This drive died when a fourth down pass got away from Berry.

Two plays later Silva raced 69 yards for a second Hound touchdown. Don Mathews scored the extra points to make the score 14-0.

Gruver quickly got good field position again when Butts got off his second side of the foot punt and Gruver took over on the Hound 45. The punt was only 15 yards.

Fourteen plays and two penalties later Gruver had another score. Arnold and Mathews moved the ball into scoring territory on short punches into the line.

At the Lynx seven a backfield in motion penalty put the ball out to the 12. Then Randy Moore caught Silva for a two-yard loss. A clipping penalty put the ball back to the Spearman 27.

Silva went to the air and hit Ronnie Laxson for a 21 yard gain. On the next play Mathews was in trouble behind the line, but went through three tacklers before being stopped on the Lynx two.

Silva got the points on a drive play. Hoel tried to run the extra points but was raked by Skipper Robinson.

Gruver scored again with only 36 seconds in the half when they drove from the Lynx 47 in seven plays. A 31 yard gallop by Silva set up the score. He was caught by Butts on the Spearman four.

Strong line play led by Lynn Buzzard stopped Gruver twice in the middle of the line, then Mathews went to his right to score. Mathews tried to run the points and again Robinson stopped him short.

On the opening kick-off for the second half, Silva raced through the Lynx and was free, except for Berry, who dropped him on the Lynx 47.

Strong defensive play by Shufeldt, Moore, Robinson, Cochran, Adkison and Ronnie Gray stopped Gruver for a loss of three yards on three tries and Spearman let the ball roll dead on the Lynx 7 after Hoel punted from the 50.

Gruver recovered a Clement fumble on the nine and Silva scored on the first play. He carried Butts with him across the goal.

Tipton tried to pass for the points, only to have Shufeldt bat the pass away.

Spearman and Gruver exchanged fumbles at the Lynx 40 on successive plays, then Spearman mounted its first scoring drive.

Clement put the ball into the fog and Butts and Shufeldt pulled it down to move to the Gruver 4. Butts caught two for 24, Shufeldt had one for 26.

Berry kept the drive alive by going six yards on a fake kick behind some good offensive blocking for a first down at 50.

At the four, Ronnie Gilbert and Buzzard opened the door and Cochran blasted in for the touchdown. Cochran went the same route for the extra points to make the score 32-8.

This time Hoel took the kick-off back to the Lynx 30 before getting unpenalized by Berry tackle. The Gruver scoring drive was

slowed at the 26 where Robinson and Cochran raked Silva hard, then on the next play Schnell knocked down a pass, but on fourth and eight, Silva hit Laxson for 18 yards and a first down at the Lynx seven.

Mathews scored on the next play. Again Gruver tried to pass and again Shufeldt broke it up. The score was 38-8.

The teams exchanged punts until midway of the fourth quarter when Spearman mounted their last scoring drive.

Shufeldt got it moving with a pass to Schnell, then Clement hit Berry with a short one inside the 20 and a six yard penalty for piling on against Gruver put the ball on the Gruver Six. One Clement pass went astray, then Jerry Holton hit a hole opened by Moore and Phillip Renner and scored. Cochran came in and ran the points over.

Spearman tried an onside kick, but Gruver got the ball at the Gruver 47. They were stopped at the 34 when Shufeldt broke up a fourth down pass.

Four plays later Gruver started their last threat.

With Tipton passing to Silva for 23 yards and an 8.5 penalty against Spearman for piling Gruver Got a first at the Lynx eight.

Mike Babbs and Gray stopped Allen Etter on two plays for four yards. Then Babbs, Moore, Robinson and Schnell chased Silva to ground for a 16 yard loss.

On fourth down Tipton found Hoel at the goal, but as the ball got there, so did Berry and the ball went through Hoel's hands.

Spearman came out passing after Spearman was penalized back to the 10 for holding. Clements hit Shufeldt for 13, then Berry caught one for 20 and Butts got one for 12.

With time running out, the second unit went into the game and fumbled on the first play. Gruver ran two plays as the game ended.

These loans totaled \$649,270. Of this total, \$171,410 was loaned for land purchase and development in Ochiltree County. Loans for rural housing totaled \$59,100 were also made. The remaining money was loaned for farm operations.

Over Texas 39,766 loans were made by the FHA for a total of \$88,289,230. This is an all-time high according to L.J. Cappleman, State FHA Director.

Repayments of principal and interest by borrowers totaled the largest volume collected in the agency's 30 year history, Cappleman said.

Winning the most points for arrangements brought for the year were Kathleen Sutton and Jo McLaughlin. For the most points for specimen was won by Dolly McWhirter.

Jo McLaughlin won on her arrangement of peach dahlias for the day and the specimen winner was Patty Sheppard.

Young Lynx Win Three of Four

Spearman junior high and sub-varsity teams won three and lost one Thursday night.

The Eighth Grade beat Sunray 26-0, the Freshmen beat Shamrock 12-8 and the B-Team walloped Sunray 42-0. The Seventh grade lost to a tough Perryton team 16-0.

Coaches for the Seventh grade team said they were well pleased with the boys in their first football game. They hit well, moved the ball and gave a good effort. All of the boys on the team saw action.

Tony Byres scored three touchdowns for the Eighth Grade. The speedster ran for two touchdowns and caught a pass for the third one. Richard Lamon threw the touchdown heave.

Randy Foshee scored the fourth touchdown on a pass from Randy Weston. Lewis Conner ran the only extra points made by the eighth graders.

Foshee had a talent for passes as he picked off three Sunray passes.

Coach Thomas said the secondary did a good job against the Sunray passing attack and the Spearman line forced Sunray into a spread formation to try and move the ball.

Strong on defense was Joe Bill Cochran, Thomas Collard,

linebacker Byres, Keith Hut-ton, Foshee and Don Lain Whitefield.

Steve Holton carried the scoring attack for Freshmen. The fullback scored twice. He was also a strong defensive player.

Coach Eddie Clemmons did not single out any one freshman player. He said the entire team showed much improvement over last week and the team spirit and effort was much better.

A rip-snortin' bunch of B-Teamers chewed up Sunray 42-0. Quarterback Carrol Day had a three pronged attack that he sent tearing through the Sunray defense.

Backs David Stafford, Steve Jordan and Gary Faries running behind a strong forward wall rolled up the score.

Stafford, a long-striding freshman was deadly on the outside as he took long pitch-outs from Day and outran the defense. Faries, a bull-sized sophomore fullback ripped the Sunray inside defense. The big boy left bodies in his wake as he ripped off the yards.

"Scooter" Jordan kept the defenses looking all night as he flitted around, inside and under the Sunray tacklers. The little man was also strong

from his roving defensive position, making several jarring tackles.

The strong defense never did let Sunray threaten the Spearman goal.

PASS COMPLETED -- Larry Butts races down-field after taking a pass from Dave Clement. Butts beat the Greyhound secondary for several long catches. Gary Wilson comes across fast to bring Butts down.

MONEY

can work for you...

with a LAND BANK LOAN

When you choose a tractor or a cowhorse, you do so with great care—to be sure it fits your particular need—that it will work for you effectively. When you need to borrow money, the loan should be selected with the same careful consideration. Here are some of the important things to look for in a long-term farm or ranch real estate loan:

1. The right to pay "on or before" without penalty.
2. A long-term loan with reasonable interest rate and payments geared to YOUR operation.
3. Convenient loan service with homefolk who understand your problems.

A Land Bank loan offers all of these advantages and more. See us for details on how you can make money work for you.
