

## They may not be Pele's . . .

But this crew of Hansford Y kindergarten soccer hopefuls make up in enthusiasm what they may lack in expertise. A Thursday afternoon practice session behind the Hansford Y building found these budding soccer stars going after the ball with a particular vengeance . . . well, there may have been a few whose attention spans were momentarily caught somewhere else, but for the most part, the action was fast and furious as they attempted to score their goals against the opposing team. Coaches were not sure who was on which team, but the youngsters seemed to know exactly who, and where they were on the field.

## Commission reaffirms hospital members

Three members of the Hansford county Hospital District were re-appointed by Hansford county commissioners this past week and -- in a joint meeting between the two groups Thursday evening in Gruver -- the medical staff at the hospital was reappointed as well.

Hospital board president Jack Oakes and board members Rosa Lee Butts of Spearman along with Jerry Hunt of Gruver were re-affirmed as members of the hospital board at the joint meeting Thursday.

The Hansford Hospital board then appointed the active staff of

Juan Viola and Romeo Sangalang along with consulting radiologists Prudencio Avendano and R.D. Stephson.

Jose Diaz-Esquivel and John Denko were re-affirmed as consulting pathologists along with dentists Earl Ed Novak and Stanton Cobb, both of Spearman.

Courtesy staff privileges were assigned to Edward Quiros, Rick Siewert and Manon E. Childers with Franklin D. Jones in anesthesiology.

Consulting and courtesy staff privileges were also assigned to Don McLarey and Rex Kare.

Hansford county commissioners heard reports from both hospital administrator Al LaRoche and manor administrator Carol Herget.

## Gruver woman in stable condition

A Gruver woman, Christine Brandvik, was listed in stable condition Friday morning at Hansford Hospital following a 2-vehicle accident in front of Plains Shopping Center in Spearman Thursday evening.

A Borger woman, Minnie Payne, was treated and released from the hospital Thursday.

According to investigating officers, a 1983 Buick, driven by Brandvik, was going south on Hwy 207 and attempting a left turn into the shopping center parking lot when it was struck by the Payne vehicle which was traveling north.

Both women were transferred to Hansford Hospital by ambulance with Payne being treated and released. Brandvik was admitted for observation and, at presstime Friday, remained in the Spearman hospital.

Both cars received moderate damage according to investigating Spearman police officer Dale King.

The Buick was damaged along the right panel while the Pontic driven by Payne, received damage to the right front of the vehicle. No citations were issued.

## Sports booster group to meet

The Spearman Lynx and Lynette Sports Booster Club will meet Monday evening in the Home Ec room at Spearman high school.

The meeting will begin at 7 o'clock that evening. Monday's meeting date is rescheduled from an original date of Tuesday evening.

The switch was made in order to allow more people to attend the meeting.

Several items will be on Monday's agenda, including officers and scholarships.

## Girls golf team third at Booker

The Spearman girls linksters captured a third place finish at the Booker golf tournament held this past Wednesday at the Booker Country Club.

The girls team carded a 472 in the 18-hole round while host Booker A won the event with a 413.

Wheeler was second with a 458 while Booker B was fourth with a 475 team total and Guymon A placed fifth with a 479.

Nancy Ivey carded the best round for Spearman with a 11, followed closed by Jennifer Turner, one stroke off at 112.

Carly Shieldknight aided the Spearman girls score with a 121 with a 128 from Sunshine Smith and a 134 from Cindy Melton.

## Farmer meet to look at firm wheat market

A special farmers meeting to discuss the potential of making Hansford county wheat a strong market for bakery buyers will be held next Wednesday at the Home Demonstration Club Room in Spearman.

Representatives from Watley Seed Company in Spearman, along with marketing reps from High Plains Quality Wheat, Inc. will be on hand at the club room from 11 a.m. to 4 p.m. to answer questions.

The main thrust of the potential wheat program, however, will come during a 1:30 p.m. presentation by High Plains representatives on the market viability of certain hard red winter wheats and white wheats.

According to Andy Watley, owner of Watley Seed Company, production of baking quality wheat is necessary in the Panhandle area

due to the loss of appeal of local wheats to the milling and bakery industries.

Production of wheat in the Panhandle lacks the consistency which bakeries need in their process, notes Watley. Due to this, market values have declined for area wheat, he says.

Wednesday's meeting will outline a plan which has been in the works for the past two years, most recently with concerns in Hugoton, Kan. where a pilot project for the production of an identity-preserved wheat was implemented in 1987.

"We believe it will be in the best interest of Hansford county and Panhandle farmers to be on the leading edge of this development," explains the seed company owner.

"The market potential is great and should offer better than average prices for our wheat."

## 4 File for aldermen, 2 for mayor . . .

# 6 candidates for 3 city positions

Another late filing before Wednesday deadline puts a total of six Spearman men in a pair of races of three different seats on the Spearman city council election which is set for May 7.

Harry Stumpf, a retiree from Northern Natural Gas, filed before the 5 p.m. deadline Wednesday to bring the slate of candidates for the two city alderman seats to a list of four candidates.

Donald E. Reed, Bob Boxwell and Lenis Simpson had already filed earlier. Reed is employed by Transpectco, Boxwell is owner/operator of Boxwell Brothers and Simpson is employed by B&B Farms.

All four men are new to the political scene. Simpson, however, served as city manager of Spearman for two years, from 1978 to 1980.

Burl Buchanan and Bob Pearson will vie for the mayor's seat which is being vacated by 6-term Mayor Ralph Blodgett.

Buchanan is currently serving his third term on the Spearman city council and is self-employed as an insurance agent.

Pearson has served on the Spearman city council and is an oil and gas attorney in private practice.

Due to changes in election laws, Buchanan will not have to resign his seat in order to run for mayor. If elected, city members will probably appoint someone to fill his position on the council.

If Pearson wins the mayoral race, then Buchanan will remain on

## Demo, GOP runoff slated April 12

Hansford county voters will go to the primary polls one more time in just a few short weeks when the April 12 runoff elections will decide the Democratic and Republican candidates in six different elections.

There will be only one race on the Democratic ticket -- that for Texas State Senator between H. Bryan Poff, Jr., and Mel Phillips, both of Amarillo.

On the Republican ticket, however, are five races -- including a final decision on the 84th District Attorney's race between Stephen F. "Steve" Cross and Phil Black, attorneys from Borger.

Cross formerly held the 84th District Attorney's position before losing it to incumbent Gene Compton in 1984. Compton was elimi-

nated from contention in the first primary held on Super Tuesday, March 8.

The winner of the runoff will face Borger attorney John LaGrone in the general election this November.

Amarillo's Beau Boulter will face Wes Gilbreath of Houston to decide the Republican opponent against long-time Democratic U.S. Senator Lloyd Bentsen.

Bob Price of Pampa and Larry Milner of Amarillo are vying for the Republican nomination for U.S. Representative of District 13. The winner here will face Bill Sarpaulis in November.

Price has held the U.S. Representative office in the 1970's before losing that seat. He has also served as Texas State Senator as well.

This is Milner's first venture into the political arena.

Other contested offices in the April 12 runoff will be between P.S. "Sam" Ervin of Dallas and Ed Emmett of the Austin area for Texas Railroad Commissioner.

The Justice of the Supreme Court, Place 2 Republican nomination will be decided between Ronald S. Black of Missouri City and Nathan Hecht of Carrollton.

The only restrictions for balloting in the April 12 runoff come if a voter cast a ballot in the March 8 primary election. Then they must vote in the primary runoff of the party they cast their original ballot March 8.

However, if a voter did not vote in the Super Tuesday election, then See "RUNOFF" p-2

# Spearman 9-1-1 service in effect

The initial step toward installing a full-blown 9-1-1 emergency telephone system will be placed on line Monday, giving Spearman residents a quick and accurate method for the City of Spearman.

The basic 9-1-1 service is being provided by General Telephone Company free of charge and will enable residents to contact any emergency service provided by the city.

Ambulance, fire or police can be contacted by dialing the 9-1-1 emergency service. This will pro-

vide emergency services with a 2-fold boon.

First, residents will no longer have to remember the 7-digit telephone number in order to contact emergency services in Spearman.

Secondly, the telephone number of the caller will be automatically printed on a computerized printer at the telephone company.

Should the caller fail to identify themselves or their location due to the excitement and duress which normally accompanies an emergency, the telephone company can

be contacted in order to ascertain who made the call.

The basic service is still not as efficient as a completely computerized 9-1-1 system which would have a computer in the emergency service answering location to give the caller's name and address automatically through the computer screen on hand.

The basic 9-1-1 service being provided in Spearman is a self-contained unit in the GTE office here. Every call placed on the Spearman 9-1-1 number will be identified.

The 9-1-1 service has gained popularity nationally, having grown from a few systems in 1968 to almost a nationwide service.

## CITY

as a city councilman.

The only other election to be held May 7 will be in the Spearman ISD where both incumbents have filed, but no contested race developed.

Both Mike Garnett and Joe Clement will run unopposed on the ballot for the seats they currently hold on the Spearman ISD board of trustees.

Absentee balloting in both the city and school elections will run from April 18 through May 3 just prior to the May 7 vote.

## RUNOFF

they may vote in either primary runoff.

Absentee balloting begins in one week, running from April 4 to April 8 only. Mail ballots should be ordered as quickly as possible in order to insure their return in time for the April 12 election, notes Hansford county clerk, Amelia Johnson.

Traditionally, runoff elections spur little interest with only a nominal turnout statewide.

However, the Republican party -- at least in Hansford and Hutchinson counties -- may gain more attention this year, due to a strong campaign for the 84th District Attorney's seat.

Hansford county voters held the pivotal votes in the original primary election as the three Borger candidates -- Cross, Black and Compton -- came up with 35 percent, 33 percent and 32 percent of the Hutchinson county vote respectively.

Cross, however, dominated in Hansford county with Black outperforming Compton as well.

It's quite likely that Hansford county will again control who is the Republican candidate, then the general election winning candidate as well next November.

## Correction

A story carried in the March 10 edition of the Spearman Reporter concerning a 2-car accident in Spearman incorrectly listed the description of the accident.

According to information received from the Spearman PD, a pickup driven by Rosalinda Reyes of Spearman was attempting a left turn from West Kenneth onto Barkley when it was struck from the rear by a car driven by Richard Lopez, also of Spearman.

However, the report received by the Reporter was in error and the car driven by Lopez was attempting the turn and was struck in the rear by the Reyes vehicle.

The newspaper regrets the error.

## Among the Neighbors

Congratulations to Richard Gaines and Johny Jarvis for being selected as the Outstanding Conservation Farmer and Outstanding Conservation Homemaker on Monday night. The awards were made by the Hutchinson County Soil and Water Conservation District at their annual banquet.

Mr. and Mrs. Merle Rhintoul of Garden City spent a couple of days with friends, the Owen Pendergrafts, this week. They had wintered in the Rio Grande Valley and were enroute to their home.

A great many friends and relatives are concerned about the condition of Ray Donahue who is in the Baptist Hospital in Oklahoma City.

Family members report that they are somewhat encouraged about his condition since the respirator has been removed, but he is still seriously ill.

He and his son, Ross, were enroute to Tennessee when he suffered a massive coronary attack about 2 a.m. Sunday a few miles out of Weatherford, Ok.

Paramedics flew him to Oklahoma City and his wife, Martha, and another son, Ken of Perryton, went immediately.

Their daughter, Tammy Gardner and Mrs. Donna Donahue of Perryton flew there later, and are keeping in close touch with family members here.

Duane Burleson and his 13 year old granddaughter, Penny, arrived Sunday to visit in the home of his mother, Ethel and Bernard Byers. Penny visited in the home of her grandmother, Rita Archer, also. They left Wednesday for their home in Burnet, Texas.

The Alan Varons hosted a family gathering on Sunday to observe the birthdays of their sons, Richard, five, and Eric, nine at a supper. Helping the boys to appreciate

the importance of the occasion were Mr. and Mrs. Greg Purcell and family of Stinnett, Mr. and Mrs. Richard Gaines and Olive and Owen Pendergraft.

Aiding and abetting the Easter Bunny will surely be the result of the colorful display in the windows at Blackburn's Flower Basket -- and may even stimulate the sale of Easter Bonnets.

## Holy week services to be held this week

The Spearman Ministerial Alliance will sponsor its annual Holy Week services Monday through Friday this week noon each day in the Fellowship Hall of the First United Methodist Church.

Following a meal of soup, sandwich and dessert, the messages will be brought each day by a different community pastor.

On Monday, Dr. Mike Wolfe of the First Christian Church; Tuesday will have Rev. Russ Gibbs of

the First Baptist Church; Wednesday, Rev. Milton Robinson of Church of the Brethren of Waka; Thursday will have Sam Steele of the First Presbyterian in Spearman and Perryton; and on Friday, Rev. David Carlson of the Faith Lutheran Church will conduct services.

Scott Taylor, Minister of Youth at First Baptist Church will lead the music for the week.

The public is invited to attend these services.

## Club News

By Audrie Behne

Spearman Moose Lodge #2212 is making it possible for some students of the Class of 1989 to obtain scholarships for college.

The Loyal Order of Moose, an international fraternity, is offering a number of \$1000 scholarships for students whose fathers are Moose members in good standing. To qualify, a student must presently be a high school junior and have a grade point average of at least 2.5 on a 4.0 scale. Applications may be

made between March 1 and June 15.

These scholarship funds, made available by the Moose's R. Robert Dale Scholarship Program, may be used for any vocational or educational school accredited by the state or province in which it is located.

Awarding of the scholarships will be determined by lot drawing at selected Moose Association annual conventions throughout North America this coming summer and fall. The Supreme Lodge, located in Mooseheart, Ill., will verify all selections. For more information, contact Spearman Moose Lodge #2212 at 659-3971.

## Church choir to present Easter musical

The Sanctuary Choir of First Baptist Church, Spearman, will present an Easter musical, "Jesus of Nazareth" today (Sunday; at 7 p.m.).

"Jesus of Nazareth" was written by Vann Trapp and Tom Fettke. The musical begins with the birth of Jesus, focuses on the events of the Easter season, and looks with anticipation to the second coming of Jesus.

Special musical selections "O Come, O Come, Emmanuel," "Alive Again!", and "Until He Comes" carry the main emphasis of the musical message.

The choral favorite, "The Majesty and Glory of Your Name", is a recurring worship theme embodied in the musical.

The choir will be assisted by the First Baptist youth drama group. The members will portray selected events as they are proclaimed through the music. Jesus will be portrayed by Will Black. The drama group is under the direction of Scott Taylor.

The choir will be singing with a full orchestral sound track Sunday evening.

Soloists for the musical are Carolyn Taylor and Wayne Biggs. Randy Kirk will narrate the presentation.

Sound technicians are Neil Pack and Wirt Davis, and special lighting will be coordinated by Jeff Hutchison.

The public is invited to this special Easter celebration. There will be a nursery provided for children ages 3-years and under.

## Engagement announced

Mr. and Mrs. James Darragh Crownover of Dallas, announces the engagement of their daughter, Jane Elizabeth, to Conner Lane Helms, son of Mrs. Donna Jo Nall and Mr. Julian D. Helms of Oklahoma City, Ok.

The bride-elect is a graduate of the University of Oklahoma with a major in finance. She is currently employed by Sun Oil Company.

The future groom was born in Spearman, beginning school there. He is a graduate of Oklahoma University and Oklahoma City School of Law. He is employed by Linn and Helms Law Firms.

The wedding date has been set for April 16 in Dallas.

## "Y" announce new training classes for men

Joe Archer is starting a Power Aerobics/weight lifting/circuit training class for men. It will be from 6:15 p.m. to 7 p.m. on Mondays and Thursdays. It will consist of 5 minutes of warm up stretches, 35 minutes of 45 second intervals of weight lifting and an aerobic activity (riding the bicycle, using the mini-trampoline, jogging around the room, jumping rope, etc.)

The last 5 minutes will be cool down and stretches. The heart rate will be monitored closely to assure that it is not too high or too low but is within the proper working range for the age of the man. This is to make sure that the exercise gets a good cardiovascular work out along with the muscle build-up from the weight lifting. The class has to be limited to 20. Call the "Y", 659-2571, and sign up. The class will begin as soon as enough sign up.

ENGAGEMENT ANNOUNCED . . . the engagement of Rebecka Ann Lusby to Hal Gene Skaggs of Panhandle is announced this week by the bride-elect's parents, Mrs. Dorothy Lusby and the late Albert Edward Lusby, Jr. of Spearman. Parents of the prospective groom are Mr. and Mrs. Gene Skaggs of Panhandle. A July wedding is planned in Spearman.

## Students to jump rope for Heart Association

Students in Spearman elementary and secondary schools will jump rope to raise funds for the American Heart Association in a Jump Rope for Heart scheduled to run through Tuesday.

Prior to the event, each participant has recruit sponsors, family, friends and neighbors to make pledges to support their jumping efforts.

Following the event, the pledges will be turned in to the Jump Rope for Heart coordinator and forwarded to the local American Heart Association treasurer, Pat Dear.

All participants will receive a Certificate of Appreciation. Other individual prizes to be awarded are jump ropes, t-shirts, visors, caps, sweatbands, etc.

"The kids get excited over this. More than the prizes, they get a real sense of satisfaction from

helping people." said Sandy and Tommy Russell, Co-Presidents of the American Heart Association in Texas.

Carla Flowers, Jump Rope for Heart coordinator at Spearman Elementary School, stated the children enjoy jumping rope and encouraged the exercise for adults as well. "It requires a minimum of space and equipment, and can be enjoyed throughout life," she stated.

The Jump Rope for Heart event is sponsored by the Texas Association for Health, Physical Education and Recreation and Dance.

More than 100,000 students are expected to participate in the event here in Texas, joining more than a million participants nationwide.
