The classy Spearman Lynx lost a heartbreaker to River Road at River Road last night, 14-0. The Lynx played much better than the score indicated, and controlled the ball for the entire last quarter, with a strong wind to their back, but just couldn't seem to get a real good break! The Wildcats came out strong and scored in the firt and third quarters. Like in the Guymon game the Lynx had three fabulous opportunites to score, but could not push the ball across! A large crowd of fans traveled to River Road to watch the Lynx in action, and the biggest game of the year for the Lynx will be played here next week when Perryton travels to Lynxville! See you next week.

After the game fellowship on Friday, October 26, following the Spearman-Perryton football game, will be held at the First Baptist Church.

Interstate Savings Loan, of Spearman-Gruver hosted the Chamber of Commerce breakfast here Thursday morning. A large crowd was on hand to the hot biscuits, and enjoy the hot biscuits, and "Ford" county gravy, ham and eggs! J.L. Brock made the "ford" county gravy, and Rev. Pogue, Gerald Heinrich, Kent Guthrie, Ed Freeman and several others prepared the break-fast. Master of ceremonies for the early morning affair, were Mac McCormack and Ed Pogue, and they did an excellent job. First on the program was a toilet plunger, string on a ball act, performed by Mrs. Dotie Beedy and Billy Miller, who won first prize in this contest, bowing that they both had showing that they both had enty of "plumbing experience"! J.L. Brock entertained the group with his famous "Goose Call!" In the draping, Ed Freeman won the \$25.00! The Halloween Carnival was discus-

sed, and the public was notified that the carnival will be held Saturday night, October 27th, 6:30 p.m. til 11 p.m. at the county barn. The carnival is sponsored by the student coun-

# Election Nov. 6

The Constitutional Amendment Election will be held Tuesday, November 6 from 7 a.m. until 7 p.m. for the registered voters of the county.

Proposition No. 1 would require the Secretary of State to appoint a convenient num-ber of Notaries Public for the state, which would change the present practice of appointing Notaries Public by county. It would also increase the Notary Public term from its present two year limit to a term of four years.

Proposition No. 3 would allow for legislative review of

process of rulemaking by the more than 200 agencies in the executive department, all of whom

act independently of such re-view and would eliminate much of the unnecessary red tape and many of the ridiculous guidelines coming from many of the exe-cutive department

Proposition No. 3 on the ballot would authorize the legislature to provide for the guarantee of farm and ranch loans by the sale of general obligation bonds of the state of Texas. The amendment would allow the egislature to issue and sell onds called Farm and Ranch Loan Security Bonds of the state of Texas not to exceed \$10 million. All money from bond sales would be deposited in a separate fund with the State

Treasurer and administered by the commissioner of agricul-

These funds would be used to guarantee loans used for the purchase of farm and ranch real estate, and for advancing to the borrower a percentage of the principal and interest due. The commissioner of agriculture would be required to charge at least 6 percent interst on such

To qualify for these guaranteed loans, one must be a Texas resident and have a net worth of less than \$100,000. The intent of this amendment, according to Representative Bob Close, is to promote the small family farm. Unless you are born into a farm, it is practically impossible to get into farming these days and we hope this amendment would alleviate some of the problems the small farmer faces in today's unsteady economy.

Polling places are Precinct #1, County Courthouse, Spearman; Precinct #2, Renner ranch; Precinct #3, Gruver Elevator; Precinct #4, Gruver County Agricultural Building; Precinct #5, Spearman County Agriculture Building; Absentee Voting Place, Courthouse; Precinct #9, Morse Community Building.

Absentee voting is underway in the special election and runs through November 2. You may Clerk's office in the Hansford County Courthouse, Spearman.

This week marks my tenth year with this newspaper, and I think my position is general flunky. I haven't decided whether or not I have a lot of fortitude or am just stupid. Before becoming associated with The Spearman Reporter, I worked about 8 years for The Hansford Plainsman.

Seriously though, I enjoy newspaper work (most of the time), enjoy meeting people, writing stories, etc.

We are short of help again this week, with one of our employees joining her husband in Biloxi, Miss. where he is in the Air Force, so we all had to pitch in and do a little bit of

Amazing as it may seem, we always meet the deadline to go to press no matter who is here. That is something that has to get done and you know it, so you just gear yourself to these

I must say though that I breathed a sigh of relief when I saw the papers ready Wednesday and on the way to press.

I visited this morning with Joe Podolak, new minister at Oslo Lutheran Church. He was raised in Pittsburgh and said that he and his family are really enjoying living in a rural area after the big city life. Needless to say, he also enjoyed the Tuesday night game of the World Series when Pittsburgh shut out the Baltimore Orioles.

Speaking of the World Series, I hardly ever pay any attention to baseball until the playoffs and the series, and then I get really interested in them. Since I am writing this Wednesday afternoon and don't know the outcome of the series, I will say that it seems that the teams are

## Safety On Halloween

Great gobs of goblins will be gyrating in groups come Octo-ber 31. This reminder is for otorists to be extra careful of the children on their "trick or treat" trek.

Parents should accompany the children on these rounds. If the children are going to be out when it is dark, have the children carry a flashlight, wear light colored clothing or reflective material. Lanterns with candles are a hazard. A small flashlight will serve the same purpose. Insist that they cross at intersections after looking both ways to insure it is clear to cross. Remember--face masks, hoods and other costume materials worn on the head will restrict side vision and in some cases, forward vision. Face make-up is better than face

Walk-A-

It is that time of year again when the C.A.'s (youth) of First Assembly of God will be hitting the road, walking in behalf of missions. That's Oct. 27.

The Speed-The-Light gram is an arm of the youth of the Assemblies of God in all churches across the U.S. All the money collected is used for the benefit of Assemblies of God missionaries, to provide them with car's, boats, bikes, public address systems, and many other items that they might need to help spread the gospel. In order for the previous named items to be aquired the money must be in account with the District of whom help is aksed, so across the U.S.A. C.A. group are trying to raise money so missionaries can spread the

gospel.
The C.A.'s of First Assembly of God want to thank each person who helped them to raise nine hundred dollars last around the city beginning at the church going to Industrial Ave., then south to the road behind the High School, then east to Highway 760, then north to the road north of the airport then south again to Industrial. Some are going to try and make this trip a number of times. If you would like to help by being a sponsor please call 659-2295, or 659-2835.

Thanks, Kelly Shaver, Sec.

Many men will be needed to help construct and transport scenery and props for the Fruitcake Review, according to Theresa Hargis, chairperson of the Scenery and Props Committee. The Fruitcake Review will feature assorted local nuts in two evenings of good clean fun and frolic for the whole family and the whole community of Spearman on Friday, November 30 and Saturday, December 1 at 8:00 p.m. at the Spearman High School auditorium

Fruitcake Review is a joint project of the Chamber of Commerce and the Y.M.C.A. as a money raising project to finance worthwhile projects within the two service organiza-

Theresa has had considerable

experience in designing and

constructing sets and props for her dance reviews. Her cochairperson is Kari Schumann. Other members of the committee are Bernice Callaway, Maxine Little and Rosa Baker. Scenery and Props committee

has not yet begun its work and cannot start until the director arrives from New York on November 13. After he comes and tells the committee what is needed, then they will get together and design and construct all the necessary scenery and props. It will be fast and furious labor and lots of fun after the director gets here. It will take a large crew. People who are interested in serving in this way are urged to get in contact with Theresa Hargis at 2665. Artists, carpenters,
