## MOD Drive Set Sunday In County

Sunday is the birthday of the late President Franklin D. Roosevelt, founder of the March of Dimes. Hansford County will have its annual fund campaign that day.

The day will have three Mothers' Marches and the Annual March of Dimes Auction.

There will be Mothers' Marches in Spearman, Gruver and Morse.

This year the annual March of Dimes Auction will be held in the Spearman Junior High School Auditorium from 2 until 6 p.m.

The auction will be broadcast on KBMF-FM and telecast on channel three of the Spearman Cable System.

The auction will have merchandise donated by business firms in the county, art work done by area artists and bake goods donated by women of the county.

There will be entertainment during the four-hour auction session. Lewis Tilford and Vern Laws of Spearman High School are in charge of the talent.

Ed Dear, Campaign Chairman, urges everyone to attend the auction in person.

J.C. Harris of Gruver will be the chief auctioneer. He will have several assistants.

Mrs. Lou Chapman is heading the Mothers' March in Gruver. Mrs. Tom Dortch is the Morse chairman and Mrs. George Collard and Mrs. Brad Beedy are the chairmen in Spearman. Members of the two chapters of Beta Sigma Phi will conduct the march in Spearman.

The campaign was scheduled for last Sunday, but was postponed because of the death of Virgil Mathews, husband of the county MOD chairman.

Last year Hansford County was first in the state and fifth in the nation in the amount of per capita donation.

## Three More Seek Offices

Three more have filed for places on the ballot for the Democratic Primary May 7, according to County Democratic Chairman J.D. Helms.

Mrs. Selma Reneau has filed for County Treasurer of Hansford County.

Two area candidates also filed this week. Walter Rogers filed for re-election as U.S. Representative of the 18th Congressional District. Grady Hazelwood filed for re-election as State Senator of the 31st Senatorial District.

## Bowling Tourney Continues Here

The final weekend of competition in the Hansford County Men's Bowling tournament will be held at the local lanes this weekend.

Leaders in the first weekend of bowling are:

Team events, Corner Service 2956 and Super Service 2775.

Doubles events, Dan Farries and Tommie White 1230, Buck Behne and Bob Meek 1182, Jerry Frye and Richard Burke 1169.

Singles events, Erenst Butler 664, Bob Meek 638, Jerry Frye 618.

All events, Tommie White 1780, Shorty Hamlett 1750 and Richard Burke 1749.

CLOSE IS CLOSE--It's easier to score when you can get your hand almost in the basket. Lefty Carl Close beat the Fritch defenders to the bucket on this lay-up shot. He scored eight points for Spearman's losing effort.

## Lynx Lose Another Close One, Girls Win After Slow Start

Another close one slipped away from the Spearman Lynx Tuesday night as the Sanford-Fritch Eagles beat the Lynx 58-50 in Lynx gym.

The lead changed hands several times and Spearman seldom was over five or six points down until the final minute when they got in foul trouble.

With a minute left Fritch's lead was cut to two points and they began stalling. Spearman picked up several fouls trying to get the ball and Fritch put the game out of reach at the foul line.

Both teams hit 22 field goals, but Fritch made 15 of 23 free shots while the Lynx could hit only six of 17.

Hurrying Dave Clement emerged as the offensive and defensive leader. The little man took the game to Fritch in a hurry on both offense and defense. He also hit five field goals from outside the Fritch defense. He added one free throw for a total of 11 points.

Ken Shufeldt had a great night with his soft outside shot and some driving lay-ups as he hit six field goals and one free shot for 13 points.

Larry Butts, the key man in breaking the Fritch full-court press scored 11. Carl Close had eight and Charles Shield-knight seven.

Spearman led 8-7 at the end of the first quarter, but trailed at the next two quarter stops, 19-26 and 37-39.

Ronnie Franklin led Fritch with 15 points.

The Lynxettes had a hard time getting started before they overcame the Fritch girls 47-36. Early in the game the Lynxettes were trailing.

Spearman was only leading 8-7 at the end of the first quarter. In the second period the combination of Susan Hut-

chison and Karen Gibson feeding Barbara Wilde put in the points as the Lynxettes moved the lead out to 22-18.

Linda Moore, a tall forward, kept Fritch close with strong scoring work on the rebounds. She had 24 points for the night.

Spearman was again without the services of Kathi Pattison. She was in for one play, but her injured knee refused to take the action.

Nancy McCullough was giving away several inches to Moore and finally fouled out late in the fourth quarter, after the Lynxettes had put the game out of reach.

Robbie Ownbey and Bethany Donnell began helping McCullough with the big girl and slowed her scoring pace.

Wilde rolled in the points in the second and third quarters, then in the fourth period when Fritch tried to swarm her, Gibson took up the scoring chores.

Wilde had 30 points on 12 field goals and six free shots. Gibson had 12 points on three field goals and six free shots. Hutchison scored two points and Marcia Shieldknight hit three.

Spearman hit 13 of 30 free shots and Fritch had 14 of 24 from the line.

## FFA Members Capture Honors at Amarillo Show

Spearman Future Farmers of America members took the bacon and beef to the Amarillo stock show and brought home the cash and ribbons.

Local high school boys entered 38 barrows and three steers in the Amarillo show. They placed 27 barrows and two steers.

In the barrow show the local chapter had a breed champion, plus a first place animal and several others that placed at the top of their classes. There were over 500 barrows in the show.

In the steer show local feeders had a third place and a ninth place animal in the Angus classes.

Daniel Smith, son of Mr. and Mrs. Preston Smith, showed the champion Berkshire of the show. He sold his barrow for \$1 per pound. The animal weighed 184 pounds. Smith

also received \$18 in prize money.

Linn Kemper, son of Mr. and Mrs. Jack Kemper, had the first place heavyweight crossbred barrow. He sold this barrow for 40 cents a pound

## Mayor, Councilman File for Re-Election

Two city officials have filed for re-election in the city election on Tuesday, April 5.

The election was called Monday night at the regular meeting of the council and election officials were appointed. Election judge will be Clyde Longley, clerks will be Mrs. Sam Watson, Mrs. Tom Etter and Mrs. Major Lackey.

Mayor Bob Vaughn and councilman Richard Holton filed for re-election. The other council-

man whose term is completed this year is E.J. Copeland.

The salaries for councilmen will remain unchanged for the coming year. The councilmen receive \$10 for each regular meeting and \$5 for call meetings.

Councilmen studied the delinquent utilities accounts of customers and with the exception of hardship cases, instructed City Manager Darce Foshee to collect the bills.

The council stated the city could not furnish utilities to people with jobs and regular income. The council told Foshee to crack down on rent property where the owners were collecting payment for utilities and not paying the bills.

"The council restated its policy on delinquent accounts: 'The current utility bill must be paid, plus 10 percent of the past due account for service to be continued.'"

Approval was given for the city to hire a gas leak survey to be made. This approval was given after records indicated the city was losing an excessive amount of gas along the lines.

Corporation Court Judge T. J. Pittman reported that \$422.50 in fines was assessed in his court in December. Students were allowed to pay \$49.50 by writing safety themes; \$20.50 was worked out; \$120.50 in fines was dismissed and \$232 was collected and transferred to the city's general fund.

## Two Arrested For Bad Checks

Two men wanted here on separate bad check charges have been arrested in Guymon and Woodward, Okla.

Dale Sherill has been arrested in Guymon and is now in jail in Liberal, Kan., on a check charge there. He is wanted in Spearman for allegedly passing worthless checks to Roy Russell for \$94 and to Spearman Radiator for \$20.

Sheriff J.B. Cooke said he was wanted also in several other states.

B.L. Wheeler is charged in Woodward with passing worthless checks there. He is wanted here for giving Mrs. Doris Watson a worthless check for

(Con't. on page 2.)

## Commissioners Approve Raise For Officers

Hansford County Commissioners meeting Monday approved a three percent increase in salaries for some district officers, pending approval by other counties in the district.

The salary increases were for the district probation officer, assistant probation officers, secretary of the probation officer and the secretary of the district attorney.

This increase has been approved by Hutchinson County. It is not known what action the Ochiltree Court took on the matter.

Approval was given for Precinct Three to purchase a three-quarter ton pick-up from Gruver Motors at a cost of \$2,557.75 less a trade-in allowance of \$807.75.

The court approved the appointment and deputizing of Mrs. Craig Hutchinson as a deputy in the Hansford County Sheriff's office.

## Poll Tax Campaign Saturday

For it to be election year, poll tax sales are lagging far behind in sales. A house-to-house campaign will be made Saturday in an effort to get more people qualified to vote.

At noon Wednesday there had been approximately 1200 tax receipts issued.

Mrs. Emmett Sanders announced this week that volun-

## Citizen of Year To Be Named At C-C Banquet February 5

Spearman's once postponed Chamber of Commerce membership banquet will be held in the Junior High School cafeteria at 7:30 p.m. Saturday, Feb. 5.

The banquet was scheduled

for Thursday, Jan. 20, but was postponed because the speaker, John Armstrong could not get here because of bad weather.

This year the Chamber will present an award to the Citizen of the Year. This award

will go to a person who has contributed to the improvement of Spearman and its citizens.

Tickets are still on sale at the Chamber of Commerce office.

# HOMEMAKING NOTES

by Linda Webb

"Anyone can grow roses", so says A. F. DeWerth, Head of the Department of Floriculture and Landscape Architecture, Texas A&M University. He says that the most common error made by gardeners is to attempt to grow too many varieties or too many plants.

Of course, roses are favorites of nearly everyone. And, they can be beautifully grown here on the high plains. Given careful attention, 10 well chosen varieties will produce as many flowers and give far more pleasure than 50 poorly tended plants.

Roses may be planted in the fall or spring. In Texas, fall planting is preferred to let the plants become well established in the soil before the growing season (and dry spring winds) come along.

Since pruning season is near at hand, I will devote my message this week to the subject of pruning roses.

The kind and amount of pruning to be done varies with varieties and types of roses. No fall pruning should be done, as it has been shown that the less fall pruning that is done, the greater the number of flowers produced the following season.

Now, with the snows and mid-winter weather which have prevailed the last week, you may say I'm crazy to talk pruning roses. But the time for pruning is closer than you may think!

Pruning should be done as soon as the severe winter weather is over, generally around the end of February or first of March. Several Extension Bulletins are available to the general public for the asking on care and raising of roses and other shrubs and flowers. Ask for bulletin HG25 "Roses For the Home", and bulletin B977 "Modern Pruning Methods" and TAP leaflet #1 "Roses For Texas".

How is your heart? Heart diseases are still the number one killer in America today, despite research and warnings to the American public. Many people who have weak hearts are unaware of the fact because they haven't had a recent medical checkup.

A "Heart Forum" will be presented for the public on February 1 at 7:30 p.m. in the Spearman High School Auditorium. Several heart specialists from over the plains area will be on the forum panel to discuss various aspects of heart disease. It will be open to all persons who wish to attend.

Every member of your family could benefit, so come learn how to take care of your heart.

THE LAST NOTE: We've done everything to make safe driving attractive except declare it unlawful. (P.S. Do be careful on the slick streets and highways.)

## Jr. G.A.'s Meet At Baptist Church

The Mary Bridges Jr. G.A.'s met in the kitchen of the First Baptist Church Jan. 19, with Marilee Ooley presiding at the business meeting.

The program was on the Navajo Indians of New Mexico. Sabrina McIver read the scripture Psalms 43 and the meeting closed with sentence prayer.

Refreshments of pop corn and cokes was enjoyed by Kathy Dear, Suellen Womble, Valorie Uptergrove, Nedra Black, Marilee Ooley, Lela Golightley, Sabrina McIver, LeAnn Smith, Susan Gates, Darlene Wilkerson, and the counselor, Mrs. Bradford.

teer workers will go from house-to-house from 10 until 11 a.m. Saturday in an effort to get people to pay the tax and be qualified to vote.

This year there are city, school, county, state and national elections, plus a petition being circulated to call a bond election for a library.

All these elections, except national require a poll tax and a person must have a registration receipt to even vote in a national election.

The tax is only \$1.50 in Hansford County.

**School Out Early**

Spearman schools will dismiss at 3 p.m. Thursday (today) and buses will make their regular routes.

Classes are being dismissed for a curriculum workshop for all Spearman teachers. Calvin Hilber, Assistant Director, Division of Program Development, Texas Education Agency will direct the workshop.

and he got \$10 in prize money. Glen Blodgett had the third place middle weight Angus steer and Jock Lee had the ninth place heavyweight Angus.

Chapter Advisor Jerry Felder said Phillip Renner's Angus steer was just a few pounds too heavy for the lightweight class and was too small to do any good in the middle-weight class.

The three boys are in Fort Worth now with their steers and will show them there. Jock Lee also took a Charolais-Angus crossbred steer to show in Fort Worth.

Blodgett also showed a second place lightweight Duroc, a third place middleweight Duroc and a seventh place middleweight Hampshire.

Joe Vanderburg had a second place heavyweight Duroc and a third place heavyweight Poland China. Robert Eaton had a third place heavyweight Berkshire.

Sammy Pingleton showed a second place heavyweight Poland China. Phillip Renner had a third place lightweight Hampshire. Clay Schnell showed a third place lightweight spotted Poland China. Glen Patterson had a second place heavyweight Berkshire. Lynn Patterson had a fourth place Chester White.

Boys who had barrows to place sixth or lower in the classes were: Charles Gilliam, Jerry Hawkins, Ronald Howerter, Monte Black, Skipper Robinson, Steve Jordan, Mike Hendricks, Terry Patterson and Ricky Hendricks.

Boys who showed barrows but failed to place were: Virgil Reynolds, Charles Batson, Bucky Wheeler and Anthony Wilkerson.

The barrow showmen sold 10 of their hogs. The remainder of the animals will be shown in the Fort Worth show on Friday, Feb. 4.

POINT PRODUCTION--Spearman's Barbara Wilde hooks in two more points left handed as she beats her Sanford-Fritch guard on the scoring attempt. Wilde scored 30 points and had 12 field goals. This being one of the easier shots.

**Well Completions Down From Record Year, 1965**

Irrigation well completion in 1965 in Hansford County was down 184 wells from the record year of 1964, according to records in the Water District Office here.

During 1965 there were 84 wells completed and at the end of the year there were still 24 applications for new wells pending.

In 1964 a record of 188 wells were completed and there are still five applica-

tions pending from that year. The 1964 record exceeded the old record of 168 drilled in 1963.

Hansford County now has 719 irrigation wells on farms. This equals to one irrigation well for each section of farm land in the county.

Application for only two wells have been filed in the district office during January of this year.

## Open House Set Sunday

The open house honoring Guy Fuller that was canceled earlier this month will be held Sunday, January 30 in Perryton at the Perry Memorial Library from 3 to 5 p.m.

The Spearman Art Class is sponsoring the open house. Mr. Fuller's paintings are hanging in the library during January.

## O. E. S. Holds Initiation

A called meeting of the Order of the Eastern Star was held Friday evening, Jan. 21 for the purpose of initiatory work. Mary Brock and Preston Scott presided at the initiation of Judith Creacy.

Attending were 14 officers, 4 pro tems and 3 members.

Refreshments were served at the close of the meeting in fellowship hall by Joyce Lackey and Margaret Evans.

## Guild Meets In Blodgett Home

Mrs. Deta Blodgett was hostess Friday afternoon when the Arts & Craft Guild met in her home for an afternoon of china painting.

Due to bad weather only a few attended. They were Mrs. Clay Gibner, Kiff White, Bruce Sheets and the hostess.

Among students home for mid term from West Texas are Polly McLain, Phyllis Patterson, Margot Kilgore, Donna Boyd, Jimmie Kirkland and Eddie Gail Martin. Jim Ownbey was also home from Tech.

Sue Bradford, student at Wayland College at Plainview, came home Friday to spend mid-term vacation with her parents, the R.E. Bradfords.

## Day by Day

by Day McClellan

Some Paris designer has really jazzed up spring fashions for those who like to be the first with the newest. It seems skirts will be shorter than short used to be until they get shorter; football player-type coats will have "88" stitched onto the front (this means love and kisses in ham radio code); lavender, shocking pink and bright yellow shoulder-length wigs will have eyebrow-covering bangs; stockings will be striped in front and not in back; and get this, there'll be "Portholes in the hipside of slacks."

A combination of some of these new fashions might make you a real startling Easter outfit.

Some professor of orthopedics down at the University of Texas' Southwestern Medical School in Dallas has made a study about women who wiggle when they walk. Don't ask me how he gathered his information, but he says there's absolutely no physiological reason for women walking that way.

He and his colleagues say high heels have nothing to do with it and that women who show a marked hip movement take short steps and keep their knees stiff. Because of this, he says their hip bone is forced to oscillate. When one side goes up, the other side goes down. And that ends the mystery.

And he added that the undulating female gait most certainly does not come naturally. It's gotta be learned.

Personally, about the only thing I gout out of the study was, I still wonder how the doctor explains what he does for a living to his children.

"Wiggle-Watcher" doesn't sound very dignified does it?

I enjoyed getting the following card this week from Yvonda Stokes in Amarillo. "How do you rate the cut rate price of \$1.50 for poll tax? We paid \$1.75 apiece here in Potter County. I asked when the price went up, but somehow no one wanted to explain (if they knew). I may move back to Spearman."

I enjoy your column, especially the very-very-easy-to-prepare food recipes."

Thank you Yvonda, and I checked about the cut rate poll tax here in Hansford County. Seems the rate is set up by individual counties, so we're twenty-five cents ahead of Amarillo in "resident benefits."

## Miss Greene Is Bride Of Eldon W. Vernon

A semi-formal service January 16 in the First Methodist Church of Spearman united Miss Joan B. Greene and Eldon W. Vernon. The bride is the daughter of Mr. and Mrs. Everett E. Greene and the bridegroom's parents are Mr.

and Mrs. G.N. Vernon, all of Spearman.

The Rev. Wesley Daniel, pastor, directed the exchange of vows before an altar arrangement highlighted with an archway decorated with greenery and turquoise satin ribbons. Large baskets of white chrysanthemums and gladioli tied with turquoise were noted at either side of the archway.

Miss Mary Ellen Barkley, organist, played traditional wedding selections and accompanied Mrs. Jimmy Greene, soloist.

Given in marriage by her father, the bride wore a white dress of brocade cotton and satin designed with a white mink collar. Her accessories and pillbox hat were white and her only jewelry was a necklace, a gift of the bridegroom. She carried a white orchid surrounded with frenched carnations and ribbon streamers, all atop a white Bible.

Miss Kathy Crawford was maid of honor and Miss Wanda Sue Greene, sister of the bride, was junior bridesmaid. The attendants wore turquoise street-length dresses with pillbox hats and shoes to match. White gloves completed their attire and they carried long-stemmed white carnations.

R.C. Banister served as best man and Terry Vernon was groomsmen. Jimmy Greene and Larry Hays were ushers.

Mrs. Greene, the bride's mother, wore a beige suit with beige and white accessories. Her corsage was of Japhetts orchids.

The bridegroom's mother chose a blue tweed wool dress with blue and white accessories and wore a corsage of Japhetts orchids.

A reception was held immediately following the ceremony in fellowship hall of the church. A turquoise and white color scheme, the bride's chosen colors, was carried out in the decorations.

Presiding at the table were Misses Earlene Holmes, Judy Bach and Lola Page.

The bride's going-away ensemble was a green and white wool suit which she wore with light brown and white accessories. Her corsage was the or-

## Formal Ceremony Unites Miss Clark, Mr. Howk

University Christian Church in Austin was the scene of the recent wedding of Miss Donna Lou Clark and Edward Baxter Howk. The bride is the daughter of Mr. and Mrs. K.D. Clark of Spearman and the bridegroom is the son of Mrs. Martha Jane Howk of Austin.

Dr. William T. Gibble, pastor, officiated at the double ring ceremony.

The altar was decorated with a large basket of yellow and tangerine gladioli and glame-las flanked by two candelabras which were covered with yellow roses and greenery.

Miss Donna Sue King of Austin sang "I Love Thee" and "The Lord's Prayer" accompanied by Miss Sarah Widmer, organist, of Austin, who also played the traditional wedding marches.

The bride was given in marriage by her father. She wore a handmade formal gown of peau de soie designed with a sleeveless, scooped-neck bodice and floor length simulated bell-shaped skirt. An alencon lace jacket with a jewel neckline and petal point sleeves combined with a detachable chapel-length train of peau de soie, completed her gown.

The bride's three-tiered veil of silk illusion was attached to a beaded pillbox and she carried a bouquet of yellow sweetheart roses centered with a white orchid atop a white lace-covered Bible.

Miss Patricia Burkes Dougherty of Austin was maid of honor and Miss Gerry Sue Shropshire, also of Austin, was bridesmaid. They wore identical dresses of empire design with dull gold brocade bodices and yellow-gold crepe skirts. The floor-length dresses were accented with detachable trains of brocade and each attendant wore a headpiece consisting of two layers of yellow-gold illusion centered by a gold fabric rose. They carried single long-stemmed yellow roses.

F. Winston Savage of Austin was best man and Leonard Alan McCormick, also of Austin, was groomsmen. Eugene Galbraith, Robert Jackson and Ott Schultz, all of Austin, were ushers.

The bride's mother wore a two-piece suit of teal blue. Her hat was of brocade combining all the colors of the wedding and her shoes were a matching blue. White gloves completed her costume.

The bridegroom's mother

wore a dress of royal blue and she accented her costume with black patent accessories, a black hat and white gloves.

Immediately following the ceremony, a reception was held in Morgan Fellowship Hall of the church. The serving table was covered with gold satin covered with white net and decorated with golden bows and roping. The table was centered with a three-tiered cake topped with yellow roses. Flanking the cake were arrangements of yellow chrysanthemums and cherubs holding gold candles. The bride's bouquet was also placed on the table.

Members of the houseparty were Mrs. Leonard McCormick, and Elmer Somoskey, of Austin, Miss Ann Savage of Austin and Miss Laura James, the bridegroom's half-sister, of Belton.

Out of town guests included Mr. and Mrs. Jesse L. James, Laura and Woody, the bridegroom's father, of Belton; Mr. and Mrs. H.D. Lash of Pilot Point, Calif., grandparents of the bride; and Mrs. William M. Simmons of Thousand Oaks, Calif., aunt of the bride.

The couple left on a short trip to Dallas following the reception. Their belated honeymoon trip will be in April when Mrs. Howk will join her husband in Ireland. On January 30, the bridegroom will leave for a three-month tour of the Mediterranean areas of Europe and Africa with the University of Texas Madrigal Singers. This tour is part of the State Department's Cultural Exchange Program.

Mrs. Howk is a 1965 spring graduate of the University of Texas where she received a Bachelor of Arts degree. While there she was a member of the Longhorn Band, Tau Beta Sigma, and she participated in the University of Texas Sports Association for Women. She is employed by the Trav's County Juvenile Court as a dorm supervisor in the detention home.

Mr. Howk is a January candidate for a Bachelor of Music degree in music education from the University of Texas. He is a member of Phi Mu Alpha Sinfonia, the Music Educators National Conference, the Texas Music Educators Association, the UT A Cappella Choir and the UT Madrigal Singers. Upon his return from the tour, he plans a career as a school choir director.

## Heart Month Will Open With Two Local Events

The Hansford County Heart Association will open Heart Month on February 1 with two events. The first will be a public lighting of the Heart and Torch on the courthouse lawn. It will burn continuously throughout the month. The second will be a public meeting in the local Jr. High School auditorium where the local Heart Association will present a Heart Forum at 7:30 p.m.

R. L. Kleeberger, MD, President of the Heart Association, said he is highly enthu-

siastic over the development of the Heart Forum which will feature three medical doctors each speaking on various phases of heart and blood vessel diseases.

Appearing on the Forum Panel will be Paul Powell, Jr., MD of Borger, Karel Absalon, MD of Amarillo and William Dunnagan, MD also of Amarillo. Each of the visiting doctors will discuss areas of heart and blood vessel diseases which contribute to the significantly high mortality rate in Hansford County.

Dr. Kleeberger emphasized that the Heart Forum is open to the public and there will be no charge for admission nor will there be any fund solicitation whatsoever.

Dr. Kleeberger also announced the appointment of Sheriff J. B. Cooke as Heart Fund Chairman for Hansford County, Freeman Barkley as Special Gift Chairman and Mrs. Jane Meek as Women's Division Chairman. Mrs. Meek, in addition to heading the Women's Division of the Heart Fund will also head up the Special Events Division.

Dr. Kleeberger announced the Heart Fund goal for Hansford County as \$2,900. In announcing the goal, Dr. Kleeberger stated that approximately 40% of the Heart Fund is used for scientific research by the Texas and American

## MAN TO MAN

Children are people. This father knows that and treats his son accordingly. He realizes that his child has as much right to individuality as he has. He is chiding his son for "making up" an impossible tale, but he is a wise parent and has not made the mistake of an attempt at near-perfection in bringing his child up right.

The child's story is as real as his sense of imagination, though he knows it never happened. The father is wise in not taking the matter seriously. In their innocence children give their imagination free rein: this is never to be confused with falsifying. And the child whose life is filled with interest, usefulness, education and faith will never resort to untruths that are unwholesome.

Teach your children early the joy of faith in their Church—and as it matures child-imagination will give way to a sound concept of religion and the good life.

## Firemen Called To Kleebergers'

The fire alarm at 12:15 Tuesday was at the Dr. R.L. Kleeberger home at 905 S. Barkley.

His mother, Mrs. C.A. Kleeberger called the fire department when the house began filling with smoke. Firemen said a shorted electric motor in a heating unit caused the smoke.

## Window Service Will Be Increased by Post Office

President Johnson today directed Postmaster General Lawrence F. O'Brien to take steps to increase window service where needed in some 15,000 post offices, and to resume six-day-a-week parcel post delivery in 6,091 cities.

"A good stable dependable postal system is vital to the well being of the nation's economy," President Johnson said, in granting the Postmaster General authority to seek service improvement funds from Congress. "I want you to explore all the techniques available to modernize our postal service and make certain they are being used to provide the American people with the best postal system in the world at the lowest possible cost to the taxpayer." The Postmaster General said that the service improvements will be made as soon as Congress provides the funds--hopefully within next months.

Authority to make the postal service improvements was contained in a letter to the Postmaster General, replying to a proposal by Mr. O'Brien that such action be taken.

Under the Postmaster General's proposal, six-day parcel post delivery would be restored in 6,091 cities where delivery routes served by foot carriers are now receiving parcel post delivery only five days a week. One delivery day is skipped each week in these cities, though on routes served by mounted carriers, six-day

parcel delivery has been maintained, Post Office window service on Saturdays--and, in cases, Sundays--will be authorized on a needed basis in nearly 15,000 post offices. Late-window-hour service would also be resumed on week nights, where needed.

Postmasters would be authorized to resume selling money orders on Saturdays as part of the window service restoration in these cities where money order sales have been curtailed.

Postmaster General O'Brien said the service improvements would be a meaningful step in the President's program to upgrade the quality of Federal services.

Post Office window hours and parcel post delivery service were cut back by the Post Office Department as an economy measure in May 1964.

## THE WAY I SEE IT

Robert Cordes, pastor  
Oslo & Faith Lutheran

Each of us has problems to face. It may be loss of health. Maybe it is a struggle within ourselves over sin. Or with raising our children. Life has always been a struggle. We struggle at birth, and fight for our breath as we leave this world. But as one man said, "Life is meant not to be escaped from, but to be faced and used for God's purpose."

While we cannot escape the problems of life, God does give us faith to endure our burdens. I like Jesus' suggestion: "Take my yoke upon you, and learn of Me." That's the remedy we need for facing all of life's situations.

Remember, you never wear His yoke alone. A yoke is worn by two. Isn't it, therefore, comforting to know that when we are yoked with Christ our burdens must be lighter.

Too long now some have been living as though we expected life to be easy, just because we claim to be Christians. The call to Christ never included a statement that once you accept Him your problems will all be solved.

He does promise that if we live with Him, He will share the load. He will guide us in finding the answer to many of our problems.

I guess the reason we hesitate to take Him into our lives is because His call is so demanding. Have you answered His call? If not, won't you take this as an invitation to do it right now? "Love so amazing, so divine, demands my soul, my life, my all."

Invisiting I find many many persons say I belong to this or that church but are inactive, haven't been to church for months, or years. Why fight your problems alone, and suffer in tension, discouragement, fear? Come to the God who can help and listen to His word and worship Him.

For those of you who have no church home, or who have problems and seek help, we invite you to worship this Sunday. You need not feel ashamed of your sins and problems. Come as you are to Jesus who can help!

## Club Holds Square Dance

The Do-Si-Do Square Dance Club held their regular dance Jan. 22 in the Community building.

There were only two squares attending because of the bad weather. Aaron Love was the caller with guest callers, Jerald Connors, Robert Adamson, John Henry, Archie Flowers of Stinnett.

## Local Boys Enter Pigs In Ft. Worth Stock Show

Monty Black, Glenn Blodgett, Donald Burkhardt, and Kenneth Banks will have pigs in the junior class in competition at the 1966 Southwestern Exposition and Fat Stock Show, January 28 through February 6.

With entries still being counted, W.R. Watt, Stock Show president and manager, is optimistic about the possibility of the final entry figure

breaking the 1965 all-time record of over 11,000. Entries of poultry, rabbits and pigeons didn't close until Jan. 15.

Exhibitors and spectators wanting to take in the Fort Worth Stock Show Rodeo will find more emphasis on "Action". Under the production of Tommy Steiner and Associates the Rodeo will feature plenty of "All Star Rodeo Action". In addition to the fast

paced rodeo excitement Watt has lined up an outstanding selection of entertainment features. Mail order ticket applications for the 1966 edition of the "World's Original Indoor Rodeo" are now being taken at the Southwestern Exposition and Fat Stock Show, P.O. Box 150, Fort Worth, Texas 76101.

## Miss Smith On Dean's List

Dorothy Smith has been placed on the Dean's honor list for the past semester at Western Republic College at Amarillo.

She is the daughter of Mr. and Mrs. Preston Smith of Spearman and is a 1965 graduate of Spearman High School.

Mrs. Mable Edwards recently spent the weekend with her sister, Mr. and Mrs. E.H. McCarty at Wichita Falls.

## GSPA Will Organize In County

An organizational meeting of the Hansford County Grain Sorghum Producers Association will be held at 7:30 p.m. Thursday in the Courtroom in Spearman.

Johnny Venneman of the organizational committee said the growing importance of grain sorghum to the livelihood and economy of our county is more important every year.

It is becoming imperative that an organized effort be made to maintain a strong position for the crop.

At a meeting Jan. 7, a committee was set up to organize a county GSPA organization.

Producers feel that a county organization will represent the local interests and add support and direction to research, market development and service program of the area GSPA.

Venneman said the Grain Sorghum Producers Association has had a big hand in changing grain sorghum from a "catch crop" it once was to its present position.

## Where Is Our Patriotism?

by Rennie Berry

Do we Americans take our country lightly? Do we really know what living in a Christian nation means? Are we willing to fight and-yea-yea die for our country? There is the old-fashioned patriotism that dwelt in the hearts of our forefathers; the want for freedom, liberty, peace, that drove them to search and explore the new world? Where is the love for

our flag that when passing by brings tears to the eyes of many people, or when the beautiful "Star Spangled Banner" is played and each American stands at attention and thinks of that day many years ago in 1716 when we declared our independence and became the Christian nation under God. How much longer can we sing "Faith of Our Fathers" and continue to neglect the family altar? Roger W. Babson once said "Arming a country with guns and tanks and airplanes is not enough. If our defense program is to succeed, the entire country must experience a rebirth, for in the end, only righteousness can save a nation."

## What's New With Sue

According to tradition, which started in 1870, Betsy Ross made the first official American flag. The story of how Mrs. Ross sewed the stars and stripes was first made public by her grandson, William Canby, in 1870. He said he had heard the story directly from his grandmother, and other descendants said the same. However, historians have been unable to verify the claim. Despite intensive search in all historical records, they have found no connection between Betsy Ross and the first flag. But in keeping with the popular tradition, Betsy Ross's home in Philadelphia is preserved as the birthplace of the American flag, and the story of how George Washington visited her with a sketch of the stars and stripes and asked her to make the flag is kept alive.

## Homemaking Girls Plan Semester Work

The Homemaking Dept. is planning the new semester work. The homemaking 1 class will begin a unit on personal grooming (hair, skin, figure). A lady will show how to apply the makeup. And hair stylists will show hair styles and care of the hair. Homemaking 2 is studying family health. Homemaking 3 is continuing food unit with emphasis on meal preparation and unusual ways to prepare everyday foods, and the Home and Family Living Class is studying shopping, storing, and preparing family meals. The class activities include field trips to study cuts of meats, choosing fresh fruits and vegetables, selecting canned and frozen foods. All these prepare the girls to be better homemakers.

## Shorthand Students Do Well

Mrs. Felder reports that her shorthand class is doing really well. Terry Hudson, Jean Harbour and Gaylene Yancey, senior girls, are the top shorthand students. Terry is working on 90 words a minute, Jean, on 80 words; and Gaylene, on 70 words a minute. Mrs. Felder says that these three top shorthand students are doing excellent work after one semester.

## Varsity Teams Win Two Games with Tyrone, Okla.

Spearman varsity basketball teams took two games from Tyrone, Okla. here Saturday night. The games were non-district affairs that were cancelled Friday night because of the weather.

The Lynxettes rebounded for one of their better games since Christmas and beat Tyrone 56-45. Coach Dean Weese used his second defensive unit much of the final half and allowed the visitors to close the point gap.

Spearman was leading at the quarters 17-9, 32-19 and 48-28.

Barbara Wilde was unstoppable under the bucket with 13 field goals and seven free shots for 33 points. Karen Gibson put in 10. Marcia Shieldknight had eight and Susan Hutchison had five.

Hutchison did not get in the game until late in the first quarter and then it was as a guard. The blonde speedster put on a ballhandling show as she set up the plays for Gibson and Wilde. The Tyrone defense could not keep her from feeding the ball to Wilde in scoring position.

Defenders Robbie Ownbey, Bethany Donnell and Nancy McCullough held the strong, driving Tyrone attack. It was only when the second unit was able to get inside.

Spearman hit 23 field goals and 10 of 14 free shots.

In a game of defense, the Lynx beat the stalling Tyrone Bobcats 39-20. With Spearman having a decided height advantage, Tyrone played a slow game trying to work the ball in for lay-up shots.

Lynx defenders refused to let them penetrate, so Tyrone spent most of the game passing the ball around the outside of the defense.

Spearman was leading at the quarters 6-3, 14-5, and 23-11.

Ken Shufeldt had a good night from the corners with a soft one-handed shot. He hit nine field goals for 18 points.

Randy Moore got into his first game of the year after getting a cast off his leg. He hit four points and gave the Lynx some more muscle on the boards. Charles Shieldknight hit four points and was outstanding with his rebounding.

Another newcomer, freshman David Stafford, got five points on two field goals and a free shot in limited action. Carl Close also had five points. Larry Butts hit two points.

Tyrone had their troubles as they could not get their few scoring chances to stay in the bucket. Numerous shots spun around the rim and fell out. Tyrone hit only four field goals and 12 free shots.

## Home making Contest Won By Miss Henderson

Morse High School's 1966 Betty Crocker Homemaker of Tomorrow is Miss Patricia Henderson, the 18 year old daughter of Mr. and Mrs. Earl Henderson. She scored highest in a written knowledge and attitude examination taken Dec. 7, 1965, and is now eligible for state and national scholarship awards. Patricia has already earned a special award pin from the program's sponsor, General Mills.

Test papers of all school winners in the state are being judged, and a State Homemaker of Tomorrow and runner-up will be selected soon. The State Homemaker of Tomorrow will receive a \$1,500 college scholarship and her school will be awarded a complete set of the Encyclopaedia Britannica. The second rank-

## WHAT TO DO IF THE LIGHTS GO OUT IN YOUR HOME

If the lights should go out suddenly in part of your home, the cause may be an overloaded or a "short" circuit. Here is what to do to restore service:

If your home is equipped with a fuse box:

- First: Disconnect lamps and appliances that were in use on the circuit that went out.
- Second: Open the main switch. Make sure your hands are dry and stand on a dry surface while doing this.
- Third: Replace the blown fuse with a new one of the proper size, usually 15 amperes.
- Fourth: Close the main switch to restore service.
- Fifth: Check lamp and appliance cords for signs of short circuits before you reconnect them. Worn places in cords or plugs that permit wires to come together are frequent causes of "shorts."

If your home is equipped with a circuit breaker panel:

- First: Disconnect lamps and appliances that were in use on the circuit that went out.
- Second: Push the open circuit breaker handle to the extreme "off" position.
- Third: Return the handle to "on" position.
- Fourth: Check lamp and appliance cords for short circuits before reconnecting.

If the lights go out in all parts of your home, check to see whether your neighbors have lights. If their windows are dark, there may be a local power equipment failure. Report the interruption to our office.

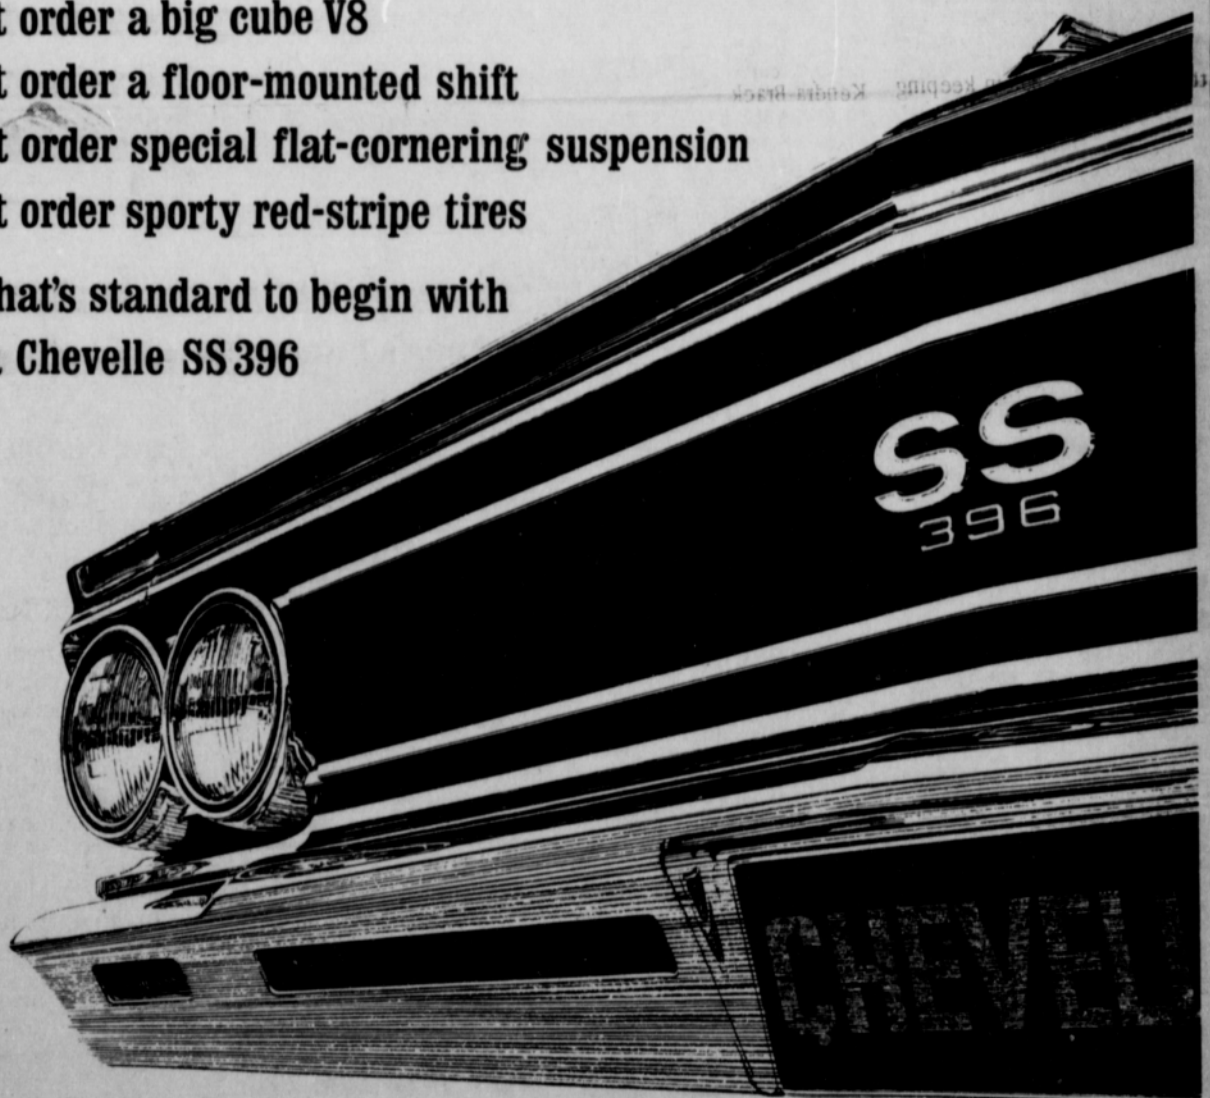

If you are bothered with frequent blown fuses, your home may lack sufficient circuit capacity to carry your electrical load. Installation of additional circuits will remedy this situation.

Never put a penny behind a blown fuse and never replace a blown fuse with a fuse of a larger size. This eliminates the protection provided by the correct sized fuse, and may result in permanent damage to the circuit wires within the walls of your home. Such damage may lead to fire.
