Brent Marshall Named As South Plains Standout

Brent Marshall

Congratulations to Brent Marshall for receiving recognition last week in **The Lubbock Avalanche Journal**. Brent was picked as "South Plains Standout". Motley County running back Brent Marshall totaled 202 yards on 14 carries and scored four times, helping Motley County win it's first victory of the season, 40-6 against Whiteface.

The Amarillo-Globe News said "Marshall was among the state's football standouts" by naming him in **The Associated Press Schoolboy Honor Roll** for his performance in the Whiteface game.

Roaring Springs Couple Honored Guest Of Pope

Ray and Grace received an invitation from the Credentials Committee of the Catholic Church to the Polish American Gathering with The Holy Father, Pope John Paul II on the grounds of Assumption Seminary, behind the residence of the Archbishop in San Antonio on Sunday, September 13, 1987 at 8:30.

Ray and Grace were one of the 500 Polish speaking Catholic couples chosen to attend the Pope's visit in San Antonio. They are members of the Lubbock Diocese

and were one of ten couples selected in June and notified in August.

While there, Ray talked to a man originally from Warsaw, Poland and asked if he knew any Zabielski's or Kotowski's in Poland and he said that two doors down from his home was a Zabielski family.

The Zabielski's didn't get to shake hands with the Pope, but enjoyed being in the special group to receive blessings from the Pope.

Attention! Sports Fans

Anyone interested in helping to sponsor a sports page each week to boost the Football team, please contact Carla at the Tribune at 347-2772 or 347-2400. We would like to do this throughout the year, each week for every sport.

The cost will depend on the number of sponsors, but shouldn't

be more than \$10-12 per week per sponsor. That includes businesses and families.

Let's get some spirit going in our county and let our kids know we are proud of them and are behind them 100%. Please call by Friday this week if you are interested in next week's page.

P.T.O. To Hold First Meeting

President Kelli Jackson announced recently that the first meeting of the Motley County P.T.O. will be held Tuesday, September 22, 7:00 p.m. at the

School Cafeteria. Plans for the coming year will be made. This will be an important meeting. Please try to attend and help make this a great year.

Barbara's Bylines

Small world? Statistics say every third person you meet, knows someone you do or visa-versa.

In a note from Alyson Richards she said they had gone to Austin to a doctor and turned out he was from Spur and a classmate of Haden Moore.

I took Jason and Joe Bowden to Lubbock the week before school started and was in a place of business and the young lady checking us out and I got in a conversation about Santa Fe. She said she had just spent a long

weekend there or actually at Los Alamos if I knew where that was, I said I did and that my Dad had cousins there that we visit. She asked who they were and after hesitating and thinking 'how silly', I told her Mac and Jean Tucker. She looked at me and said, "I know them, I visited them while I was home, and that she had grown up just down the street from them." Small world!

Wait there is more. We took Joe to his orthodontist and guess what, the receptionist was Earle Price, formerly of Matador. Yes, it is a small world.

Commissioners Discuss 1988 Budget

The Motley County Commissioners Court met Monday September 14 at 10:00 a.m. to attend to their monthly business. In attendance were Judge Billy J. Whitaker, Commissioners, John M. Russell, Prec. 1; Bill Dean Washington, Prec. 2; Joseph Simpson, Prec. 3; and Fraiser Watson, Prec. 4. Also in attendance was County Clerk Lucretia Campbell.

J.M. Russell gave the invocation. The minutes of the August meeting were read with one discussion as to the contract with the Texas Highway Department, and the cost of the project, Russell and Washington understood it differently.

James Gillespie brought in one estimate on the remodeling of the Government offices in the courthouse basement. This was discussed further about the remodeling and repairs and negotiating the rent price to reimburse the County. The Court agreed that Gillespie would get at least two bids to give them.

The Judge asked that the Court name an alternate Courtroom for the convenience of any handicapped person needing to come to court. The Matador Senior Citizens Building was named.

The bills were read and approved with one exception. Russell stated that the bill from

Lipham Paving should not be paid as they owed the county money to reimburse them for the paving material they had gotten out of the County stock pile instead of digging up and buying new material. The Court wrote a letter stating the information to Lipham. The bills paid were as follows: Precinct 1, \$1,045.04; Precinct 2, \$290.56; Precinct 3, \$3,987.74; Precinct 4, \$782.81; Lateral Road, \$1,673.27 and the General Fund, \$3,745.73.

The Court moved that this is the last month that they will pay the water and electric bills for the Northfield Community building. These bills will be transferred to the Motley County ISD.

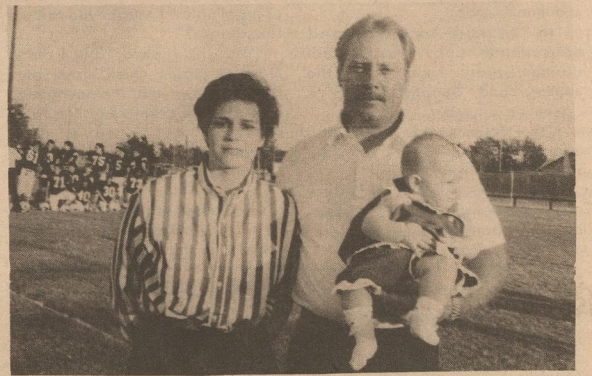

The J.P. reported that \$5,583.50 had been collected in fines last month.

In preparation for the approving of the budget, Russell stated that he had inquired about the MHMR. He had talked to the Hale County Judge and one of the commissioners and they stated they had approved their raise they had asked for.

The Court discussed the County Trappers request to put him on full time or leave him on a 9 month schedule.

The 1988 budget was discussed and motion was made to accept it at present with option to make necessary changes in January when the salaries are set and at any other time changes are necessary. This passed.

Booster Club Elects New Officers

New officers were elected at the Tuesday, September 8 meeting of the Motley County Athletic Booster Club. These officers are Alvin Alexander, President; Randy Barton, Vice President; Seven Alexander, Sec-Treas. and Dell Bearden, Reporter.

Ron Cummings reported the trophy cases were only a few weeks away from completion. Booster Club members will help with the sorting, cleaning, and renovation of the trophies.

The Booster Club would like to invite anyone in the community to join with them in putting a part of the school's history back together. If you wish to volunteer, please contact Alvin Alexander, Charley Johnson, or Lindy Stafford, and the Club will notify you of the date and time set for the work day.

Coach Cecil Marks introduced Coaches Randall Eddleman, Billy

Wilson, and David Hill. Marks reported on the various responsibilities of each of the coaches in the football program. He stated that improvements in the team's fundamentals can be attributed to the fine job these coaches are doing.

Coach Marks reported 30 young men had come out for the junior high program. He stated that a new UIL rule had resulted in the cancellation of the first two junior high games and the first game would be held tonight at 6:00 p.m. at Burlson Field against Crowell.

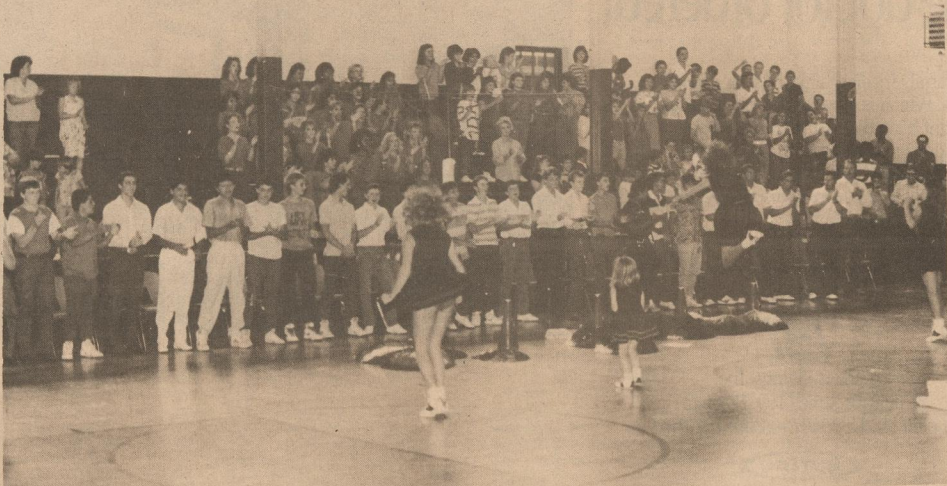

Members viewed the Friday night game with Whiteface. Coach Marks gave the group a scouting report on the Spur Bulldogs.

The Booster Club meetings are held each Tuesday at 8 p.m. in the school cafeteria. These meetings are open to anyone interested in our school's athletic programs.

LIBRARY NOTES

BY JIMMIE HUNTER

The big news at Motley County Library this week is that we have a second Green Thumb worker! Mrs. Bessie Hibbets lives in East Afton with her husband, Henry. In October, she will have completed ten years as a Green Thumb worker. Bessie will be working in the Library on Tuesday, Friday and Saturday from 10:00 a.m. until 6:00 p.m. Bessie is a friendly, hard working person who will do all she can to help you find what you need. She has worked in the school library at Patton Springs and loves cataloging, shelving, and book repair. She is rapidly learning about our particular library, and I know you will show her the same consideration you have had for Earline and me when we have had to say "I don't know about that yet, but I'll try to find out."

Bessie says she has enjoyed her week with us, because the people are so friendly and have welcomed her so graciously.

We are so grateful to Judy Renfro who carried a really nice study table into the library Friday evening. She brought it out of her basement!

Bert Darsey was in the Library at the time and volunteered to give it a thorough cleaning. It and the oak table near the card catalog need refinishing, so if refinishing furniture is your favorite hobby and you would like to do this for your library, just call 2717 and we'll talk about it. Thanks again, Judy and Bert for the neat study table. If anyone wants to check in their barn, we could use another one.

At the Library Board meeting Tuesday night, we decided on the following policy for the use of the community room:

No charge to civic and educational clubs which meet during library hours when the cooling and heating system is operating anyway.

A five dollar charge to civic and educational clubs meeting when the Library is not open.

No bookings will be accepted for social gatherings, such as showers, birthday parties, class reunions, etc., at this time.

Since none of our new shelving has been delivered, and we still have quite a few boxes, bulletin boards and supplies stacked around, you may need to wait until October to use the room at all. Please call the Library to reserve the room and make arrangements for getting the key.

Saturday, I was delighted to have two people respond to last week's invitation to join the volunteers who keep the Library open Monday afternoon from 2:00-5:00 p.m., and Tuesday evening from 6:00-9:00. Kathryn King and Tommy Edwards came in to sign up

for the training session, and when they learned we had no one signed up for next Tuesday evening, they volunteered to do that (with only ten minutes training). I continue to be amazed at the strong support we have for the Library in our small community.

As Keith and Joan Patton and I were returning from the West Texas Library Systems meeting in Lubbock, Thursday, Joan told me that Mrs. Jo Amandes had many good things to say about the Motley County Library, in the meeting of Lay Representatives which Joan attended while I stayed with the Librarians to learn about filling in the annual fiscal year report to the State Library.

These meetings arranged by WTLS are valuable for the information our WTLS personnel presents and for getting acquainted with other Librarians in the system and for hearing about books they like and programs they are presenting in their libraries. When our meeting was over, I asked the young man sitting behind me, who had contributed much to the instructions for filling out the annual report, "What Library are you with, John?"

"Midland," he replied.

"That is where my grandsons live," I said. "My son is David Hunter."

"David Hunter is in the Kiwanis Club."

"Yes," were you at the Kiwanis meeting when Larry Pitts (known as Mr. Juggler) demonstrated the art of juggling and taught you to do a few rounds?"

"Yes," he replied, "but I didn't learn to juggle much, however, I really believe what the young man said about teaching juggling to his students to improve their coordination and concentration. "Small world, isn't it?"

I would appreciate it if you would fill in this survey, then clip it and bring it by the Library.

I WOULD USE THE LIBRARY IF IT

WERE OPEN FROM _____ (time)

TO _____ ON _____ (time) (day)

If your Library needs are being met with the present schedule, of course, there is no need to answer this, but if additional hours on a particular day would help you, we will see what we can do. If you don't want to cut a hole in this copy of the newspaper, just write the information on any paper or card, and mail it or call the Library.

- Toilet training needs to be approached with love, understanding and patience.
- Playground activities encourage large muscle development, while small muscle coordination is developed through activities which include working puzzles, stringing colorful beads and drawing with crayons.

These activities can be found at Kinder-Care Learning Centers, the nation's largest licensed child care organization, caring for 100,000 children in 40 states. In addition to daily learning and play, the Centers offer transportation to and from school, nourishing meals and snacks and summer Kinder Camp. "Son Beams"

By June Keltz

"Cross your heart and hope to die?" This is a type of covenant we made, as children, in order to seal a promise. Somehow, we were not quiet sure that the promise would stand without it.

The origin, no doubt, came from a more earnest covenant made between tribal families in the Old Testament times. In the ceremony there was an exchange of coats, weapons, and shields. An animal was slain and as the head of each family walked through the halves of the slain animal, they made promises that could never be broken. Before God they swore to die if necessary, to protect each other. There was then the intermingling of their own blood through a deliberate cut in the skin. Blood was the most important factor in the authenticity of all covenants. They then shared a meal, feeding each other bread and wine as they said, "This signifies my body and my blood and I am offering you my very own life. I will never leave you or forsake you." Sound familiar?

These people understood God's covenant with man more clearly

than we do because they knew the absolute stability of a blood covenant. We seem to take it so lightly, believing it when circumstances are favorable, disbelieving when adversity comes.

God, from the beginning, has promised to love, care for and never forsake His own. That covenant was culminated when Jesus' blood poured down the old rugged cross. He gave His life that day to insure us from spiritual death. He was the slain sacrifice that fulfilled God's covenant with man. Eternity will not make that covenant of no effect. Every promise written in the Bible is part of that covenant, having passed through the blood of Jesus and cannot be broken. His promises are the only sure thing we can stand on in these perilous times. He has said, "I will watch over my word to perform it." He is the one who will bring His word to pass. In boldness we can speak it to one another, pray it back to Him in confidence, believe it and see victory in our lives as we glorify Him.

BLIND PARTNER PLAY

Thursday, Sept. 3, six golfers played for blind partners - Louise, Olivia, Dorothy D., LaVoe, Geneva and Lays. After play, draw was made and LaVoe and Olivia were winners with 163. Louise and Geneva were second with 176.

The players ate lunch at the Pizza Box.

Rule for play on Sept. 10 was to throw out the 3 worst holes. LaVoe was winner and others playing were Lays, Olivia and Louise.

FOOTHILLS TOURNAMENT

Monday, 5 players from Springs Ranch and 5 from Spur played at Spur between showers. Lays, Geneva, LaVoe, Louise and Olivia

were from Springs Ranch.

LaVoe had low gross in Championship flight. Olivia had low putts (31) and low net in first flight. Geneva had low putts (31) in second flight.

The rain started again just as they finished play.

NO SCRAMBLE PLAY

There was no scramble play Sunday afternoon at Springs Ranch course, due to rain Saturday evening, which measured 1 1/2 inches. Two more inches fell Sunday night and it was still raining Monday afternoon. So, the monsoon season was with us over the weekend.

FOOTCARE

With the potential to carry millions of tons and travel hundreds of thousands of miles, feet deserve a little extra attention and care.

As feet age, they are inclined to change and become susceptible to more difficulties. After years of supporting the body, feet tend to flatten out and become broader, so the sizes can change. This can happen to pregnant women as well. Years of continual pounding also wear down the protective tissue that pads the bottom of the feet, but wearing padded insoles often provides the extra cushion needed.

Ageing feet can also encounter problems with decreasing circulation, often making them cold, numb and tired. They also are less able to fight viral and fungal infections as the skin's natural oil

decreases. Adding lotion or moisturizers daily and regular walking should help.

Shoes can be the foot's greatest enemy. Improper fitting shoes cause friction and pressure which often result in corns and callouses. Bunions also may be caused by ill-fitting shoes.

Feet often subjected to high heels may develop strained arches from the unnatural amount of pressure forced upon the toes and balls of the feet. If high heels are necessary, a one-half to three-quarter inch heel is best.

Feet habitually enclosed in dark, damp, warm environments are good targets for fungus and bacteria, such as athlete's foot. Fungicidal powders may help, but feet should be kept clean and dry and exposed to sun and air whenever possible.

To keep feet in good condition, wash and dry them, apply lotion and powder, and file away tough skin, everyday. Rest, massage, and air feet, and buy them shoes which have room for the toes to move freely and provide a snug fit in the heel.

Senior Citizens Report

by Iris Blevins

The mini bus went to Plainview Monday with several people riding. Mrs. Mullins, our substitute driver is doing a good job for you, Mary Ann, just enjoy your vacation.

Tuesday was our regular luncheon day and we had 23 people present. And sent out one lunch.

Nora Belle called the house to order at 11:45 for a few announcements, as, being ready to elect a new president, a secretary and a reporter. This election will be the fourth Tuesday of this month, which is September 22, 1987. Make your plans to come and have a part in this election.

The bus will be going to the Fair in Lubbock on Senior Citizens Day.

The bus will be going to Lubbock, Monday September 21.

Happy Birthday was sang to Zelma and Fannie. Nora Belle read a poem and several little funny lines from her Baptist Senior Citizens

magazine.

Bessie Jean Williams was among our number Tuesday for lunch, and she gave us a full set of silver and after lunch was finished, she gave a very interesting explanation of Summit Savings Association and how it works. We thank you for the silver, also the interesting talk. Come back anytime you can.

We were very pleased to have Plainview visitors with us. They were Joe Griffin and Pauline Hubbard. Come back to see us Joe and Pauline.

Odessa Mullins from Roaring Springs was among our number again. Don't wait so long to come back, Odessa.

Friday morning was chosen for our work day and very few came. I had mashed a finger on my right hand and couldn't work. Artie wasn't up to working, so we gave money to use as needed.

We had a good 84 game Friday evening.

Roaring Springs Senior Citizens Report

by Eugenia Bethard

The Senior Citizens of Roaring Springs met for their monthly meeting on September 3.

A report was given by those who attended the Senior Olympics at Lubbock. Those that went from Roaring Springs were Mr. and Mrs. Brown Hinson, Mr. and Mrs. Myron Behtard, and Odessa Mullins, with Myron Behtard and Beth Hinson bringing home 4 medals for the R.S. Senior Citizens. A very good time was reported by all.

The program was given by Mrs.

Myron Bethard, on the Constitution of the United States, and the danger of our, as a people, losing our Constitutional rights if changes are made at the proposed Constitution Convention. There are two states who have yet to ratify the Convention, but those that have could withdraw from their decision.

The next meeting will be on the 1st of October. Mrs. Bessie Jean Williams will be our guest speaker. All those Senior Citizens of Roaring Springs, please come and all those interested in the Senior Citizens please come.

If we say that we have no sin, we deceive ourselves, and the truth is not in us. If we confess our sins, he is faithful and just to forgive us our sins and to cleanse us from all unrighteousness.

SUCCESSFUL CHILD CARE

Your Two Year Old

What should a child care center offer your two year old? Experts say:

• Through play situations, your toddler learns to cope with his environment. Classroom experiences should develop self-control, cooperation and communication.

Just what the doctor ordered.

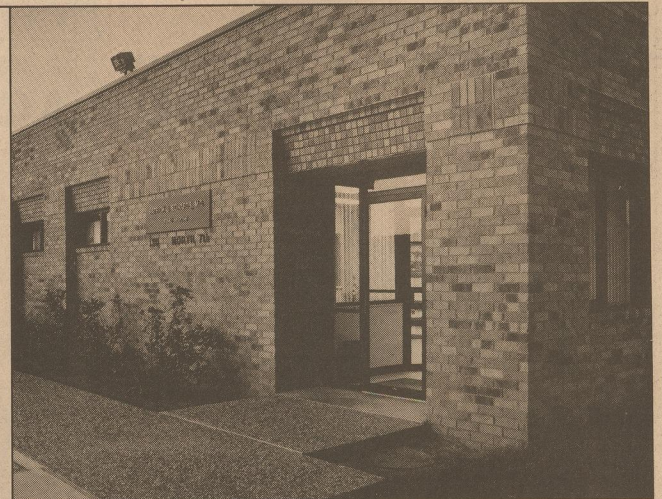

A family medical clinic has very special needs. Which is why Dr. Patrick Edwards brought his project to Tusha Buildings.

And the results made the doctor say, "Ahh." But then, over the years, we've had plenty of experience taking care of discriminating professionals all around Texas.

If you've got a project in mind, get in touch. We'd love to discuss your case. And we'll even make house calls.

Arts And Crafts Club Make Plans For Bazaar

Motley County Arts and Crafts Association met Wednesday, September 8 at the Senior Citizens Club Room.

Mrs. Leon Cloyd, President, presided and Mrs. Luther Lancaster, secretary, read the minutes of the previous meeting.

A work shop was held with Mrs. Cloyd instructing the members on wreath making.

Straw wreaths were decorated for Christmas, using Western motifs. They were attractive and fun to make.

Plans were made for the club bazaar to be held in November. Plans for next month's meeting were discussed.

A covered dish luncheon will be held at our October meeting in Flomot at Mrs. Cloyd's home.

Several members were absent due to illnesses. Members present were, Annie B. Cloyd, Lorene Lancaster, Opal Pipkin, Bonnie Edmondson, Leola McKelvey, Winifred Darsey, Verdie Neighbors. An enjoyable time was had by all.

Cooking Corner Tips To Help You

CHOCOLATE STRAWBERRY SHORTCAKE

- 6 cups fresh strawberries
- 3/4 cup sugar, divided
- 1 2/3 cup all purpose flour
- 1/3 cup HERSHEY'S Cocoa
- 1 tablespoon baking powder
- 1/4 teaspoon salt
- 1/2 cup butter or margarine
- 1 egg beaten
- 2/3 cup milk
- 1 cup chilled whipping cream
- 2 tablespoons confectioners' sugar

Select 6 strawberries; set aside. Slice remaining berries. Combine sliced berries and 1/4 cup sugar; set aside. Heat oven to 450°. Grease round pan, 8 x 1 1/2 inches. In medium mixing bowl combine flour, cocoa, remaining 1/2 cup sugar, baking powder and salt. Cut in butter until mixture resembles coarse crumbs. Combine egg and milk; add all at once to dry ingredients and stir just to moisten. Spread dough in prepared pan, building up edges slightly. Bake 15 to 18 minutes. Cool 10 minutes. Remove from pan; place on serving plate. Beat whipping cream and confectioners' sugar until stiff. Arrange some sliced berries atop cake. Spoon whipped cream over top. Garnish with reserved whole strawberries. Serve shortcake warm with remaining sliced strawberries. 8 servings.

Remember When

By Annie B. Cloyd
Box 22
Flomot, TX 79234

Hello Neighbors, it sure is nice and cool today but - that means that I have to get the mower out and see if I can keep it running long enough to get over this yard. You know I'm a "jinx" about some things anyway. But that is a long, long story and I'll have to write a book about that. I have started and one day I'll start a "To Be Continued" story because that's just the way I am, a real "jinx". I'm forever putting some kind of machinery in the hospital so I do wonder about everything I start to use. That's bad. Do you have that trouble? Enough about all that for now.

We talked about games the other day and I forgot one that was a good game called "Snap." But we can't remember how we played it - do you remember? If so let me know and I'll try to keep it in mind like the rest of those old "good times" we had.

You know, I had talked about the songs that the kids sing and dance

to these days and have said some "not so good" things about some of them, but I started remembering some of our songs and they were almost as bad in their own way. Such as "Boop, Boop, Dittem, Dattem, Watterm, Choo." Or the one called "Mares-e-dotes and Does-e-dotes and Little Lambs e-dive, A Kiddle e-dive too, wouldn't you?" Remember all those good songs? They were fun to sing. There is one difference in our songs then, and the ones now. We had lots of words and verses and we didn't have to say the same thing over so many times.

Remember how we would sing in "rounds" and how mixed up we could get if we didn't start our round in time. At the parties we always got something like that started. "Row, row, row your boat" was a good one to start things off with.

Thinking back about Bands and songs brings to mind the "Spike Jones" band and how he could take a good song and completely mess it up but he had a great time doing it and we all had fun listening to him. But it was more fun to see him in the movies with all the crazy things he did and the instruments he had to play on, he put on a great show.

I'll stop with the old song, "I'm a Poor Little Petunia In An Onion Patch". It's a tear jerker, isn't it? With that I'll see you next time to "remember when" again.

Research saves lives.

HEALTH HINTS

Want to burn 530 calories an hour? Walk, don't run. Researchers say race walking at five miles an hour can do just that, and even brisk walking at three to four miles an hour can be good for your heart and lungs.

American race walkers have become among the world's best, experts say, and stand a good chance of winning a medal at the 1988 Olympics. The team is sponsored by Mazola corn oil, which wants more Americans to know about walking's health benefits. For information on walking, send 25¢ to: The Health Walk Handbook from Mazola corn oil, Dept. HW-N, Box 307, Coventry, CT 06238.

Outstanding Performances By Motley Matadors

by Coach Marks

I was well pleased with the overall performance exhibited by our football team against Whiteface, September 4 here at Matador. We played the game with a poise and confidence that is necessary to dominate an opponent.

We had several standouts on offense. Brent Marshall rushed for 202 yards on 19 carries giving him an average of about 13 yards per carry and four touchdowns. Tim Kendall was also a standout offensively with 100 yards on 14 carries for an average of about 7 yards per carry and one touchdown. David Trevino had two catches for 75 yards. Brandon Eddleman completed 4 of 5 passes for a total of 88 yards passing.

These young men would be the first to say that whatever they attain individually is in direct proportion to the efforts of our linemen: David Stafford, Les Woolsey, Tony Gonzalez, Jarrett Jameson, Jesse Ramirez, Jack Carlson and Gilbert Guerrero. Many times linemen are overlooked because most fans watch the point of attack only. We have an excellent offensive line, and our success is greatly attributed to these young men.

Defensively we have a lot of work to do. By district I hope we'll be in better shape, as far as the fundamentals are concerned on defense.

I would like to thank our student body for the spirit with which they attended both the pep-rally and game. I would like to commend our faculty for their help and support. We appreciate our local Lions Club

for a job well done. I would also like to thank our community for their turnout and support.

I was particularly pleased with our first half effort against Spur Friday night. However, we have to be able to put two halves together to win a football game. Brandon Eddleman was 3 for 6 in completions, for a total passing of 71 yards. Tim Kendall had 31 yards for 10 carries. Brent Marshall had 129 yards on 15 carries. David Trevino had 2 receptions for 65 yards.

Spur had a veteran football team with 9 seniors. We on the other hand field a team of mostly sophomores and juniors. It's not an excuse, it's just a fact. We were beat Friday by a good football team.

Defensively we had several breakdowns. Our tackling was poor. We work on form tackling daily but failed to exhibit this Friday night.

I feel that we have a real good football team and can compete when our minds and bodies are on the task at hand. The Spur ballgame might have taught us a valuable lesson about mental preparations.

This week we travel to Springlake-Earth to play the Wolverines. Game Time is 8:00 p.m.

One Ballgame a season does not make! I hope our community and fans will turn out and support us in a tough ballgame this Friday night. I would like to thank this time to thank our community for their turn out and support this Friday night. I would also like to thank the Lions Club Organization for their help!

Powderpuff Football Game To Be Played Monday Night

By Paige Williams
FHA Reporter

Monday, September 21, 1987 at 7:00 P.M., the Motley County FHA will sponsor a Powderpuff Football Game at Burleson Field. The Seniors and Sophomores will compete against the Juniors and Freshmen in an exciting and fun-filled game. The FHA met for the first time to

Roaring Springs 4-H Club Enrolls Many New Members

By Jeremy Jones
Club Reporter

The Roaring Springs 4-H Club held its first meeting for the year Wednesday, September 9, 1987 at 5:30 p.m. in the home of Mr. and Mrs. Bruce Lefevre and Billy.

The meeting was called to order by Club President, Billy Lefevre. Lacy Parks, Second Vice President led the club in reciting the Pledge to the American Flag and Christi Pierce, First Vice President led the club with the 4-H Motto and Pledge.

Secretary Trent Willmon led the roll call with each current member acknowledging their presence and Third Vice President, Rhonda Long recognized new members and introduced our guest.

Trent Willmon then read the minutes of the last meeting and gave a report on the Club finances.

County Extension Agent, Ray Minkley, was our guest speaker and gave a very informative program on "Available Projects."

Enrollment of current members and leaders with eight new members enrolling gives our club sixteen members, so far, for this

new year. The meeting was then adjourned and games were played with Lacy Parks in charge of recreation. Refreshments of chips, dip, cookies, pumpkin cake, kool-aid and tea were served by Dorothy Lefevre and Barbara Parks.

Current members present were Billy Lefevre, Rhonda Long, Robin Long, Trent Willmon, Lacy Parks, Christi Pierce, Jeremy Jones and Rusty Willmon; new members enrolling were Danny Sailsbury, Brad Wilson, Thiry Long, Casey Parks, Scott Sailsbury, Bradley Thacker, Alana Bingham and Beth Bingham. Leaders and parents present were Pam Thacker, Froyne Bingham, Barbara Parks, Vickie Pierce, Billie Willmon, Nona Long, Dean Willmon and Dorothy Lefevre.

Our next meeting will be Wednesday, October 14, 5:30 p.m. at the Senior Citizens Building in Roaring Springs.

If you are nine years old or in the third grade and would like to become a member of our club, contact Dorothy Lefevre, our Club Leader, in Roaring Springs at 348-7239 after 6:00 p.m.

letter, mentioning that she gets considerable pleasure remembering her most rewarding years at Patton Springs in the 1930's. She remembers that Mr. and Mrs. O.C. Southall were dear friends of hers. (Mr. Southall was the first Superintendent of Patton Springs) and Mrs. Griffin has recently heard from their son, Roger Southall. She states that she certainly appreciates all the wonderful children she taught here. Due to poor health and recent eye surgery she will be unable to attend Homecoming in October but her thoughts and prayers will be with us and wishes to let all her friends know that she remembers and loves the people at Patton Springs. A note of interest is that it was due in part to Miss Harges being such a fine English teacher that helped affiliate Patton Springs English in 1934-35.

Also received a note from Dee Baxter of Derby, Kansas, former Patton Springs student, who sent his \$2.00 dues and says he hopes the ex-students association can maintain the activities another 50 years at least, and perhaps he can find time to attend.

Dee also sent a change of address. Now that is really appreciated as you will never know how some of us have beat our "so called brains" out, trying to find out everyone's correct addresses. Please folks, send us those addresses.

From Anchorage, Alaska comes a note from Dorece Randolph Cheeseman, with her \$2.00 dues, but regrets that she will be unable to attend this time, but definitely planning to attend next Homecoming. Dorece sends words of praise to the Homecoming Committee. Thanks Dorece.

Effie Dawson Hicks of Friona writes that she regrets she cannot attend as she is committed elsewhere at that time. We will miss Effie.

Sophisticated styles of shoes can be comfortable as well as attractive.

Today's fashions call for a variety of shoe designs. For example, there are riding boots designed with patchwork effects; high-heeled pumps that look like exotic lizard skins. Comfort is not neglected: animal printed leather moccasins set on a layer of rubber are very in. For men, classic leather slip-ons offer fashion and comfort.

The Italian Shoe Center notes Italian manufacturers offer women's pumps and slingbacks with metallic and embroidered detailing for evening wear. High-heeled lambskin pumps are suited for day wear. Men's slip-ons can be worn day or evening.

Plains Cotton Growers, Inc. September 10 recommended to USDA that the 1988 cotton program encompass the legal maximum loan level, a 15 percent voluntary acreage reduction, a five percent paid land diversion, blanket permission for producers to transfer up to 10 percent of acreage bases between crops, and make full use of authorized advance program payments.

These and other 1988 program recommendations were hammered out September 8 by the 11-member PCG Executive Committee.

Committee discussion revealed that under current U.S. and world price conditions, USDA has no legal alternative to a loan at 85 percent of a three-year average of U.S. spot prices, probably about 51.8 cents. In the face of administration proposals to lower target prices on all crops and USDA's stated intention to announce the cotton target price at the current legal minimum 77 cents, PCG made no comment on that issue.

This year's cotton program had a voluntary acreage reduction of 25 percent with no paid diversion. PCG recommended a change for 1988 in recognition of the vast improvement that has occurred in the supply-demand picture since the 1987 program was announced.

The recommended 15 percent voluntary, 5 percent paid diversion program for 1988, PCG's letter to USDA said, is meant to (1) prevent a buildup of excessive stocks, (2) protect producer income while reducing dependence on government, (3) encourage production of adequate supplies to meet market demands while (4) preserving the much-improved

balance of world supply and demand.

USDA earlier announced that shifts of acreage bases between crops would not be permitted except in some instances where shifts become necessary to meet conservation compliance plans required under the law's fragile lands section.

PCG recommended that this decision be reversed, reasoning that such acreage shifts enhance production efficiency and would "promote desirable conservation practices on all farms, not just those where conservation plans are mandatory."

The 1985 farm act authorizes USDA to make up to half of projected target price deficiency payments and diversion payments as soon as practical after the program sign-up. Advance payments were made in 1986 and 1987 and PCG is urging that the maximum allowable advance payment be made in 1988. And, the organization says, as much as possible of these and all other payments should be in commodity certificates as a "means to reduce cash farm program outlays and mitigate the adverse effects of the Gramm-Rudman law on producer income." Further, PCG's letter states that certificates should be generic rather than commodity specific and should be transferable without restrictions.

Reflecting producer concern about proposals to change the rules governing application of the \$50,000 payment limit, PCG's final admonishment to USDA calls for no administrative changes for 1988, adding "and we urge that the administration resist any legislative changes."

AMVETS Mobile Outreach Office Coming To Spur

What benefits are you entitled to but not getting? AMVETS-- American Veterans of World War II, Korea, and Vietnam -- is bringing complete, up-to-date information to assist all veterans and their dependents in the Spur area. AMVETS, being a non-profit organization, charges no fees for assistance.

From 9:00 a.m. to 7:00 p.m. on September 11, the AMVETS Mobile Outreach Office will be at the Rickles Park on Main Street where an AMVETS National Service Officer will answer questions about veterans benefits.

The AMVETS mobile office -- a 28

foot motorhome -- will travel throughout Texas to help it's 1,732,000 veterans, and their dependents, and to answer questions on such topics as

compensation for service connected disabilities, VA pension, outpatient medical treatment, VA hospital care, burial benefits, educations, GI home loans, survivor benefits, and more.

For more information, contact our AMVETS National Service Officers, Bob Olson or Bob Estes, located at the VA Regional Office, 1400 North Valley Mills Drive, Waco, Texas 76799, or call (817) 757-6896.

Social Security Tips

by Terry J. Clements

Social Security benefits can be paid to many survivors of workers who die after working long enough in work covered by Social Security.

These survivors include the worker's unmarried children under 18, under 19 if a full-time high school student or over 18 if disabled before reaching 22; a parent caring for a child under 16 or disabled who gets benefits; a widow or widower 60 or older, or 50 or over if severely disabled; and dependent parents 62 or older.

In addition, a surviving divorced wife or husband can generally get the same benefits as a widow or widower if the marriage to the worker lasted 10 years or more.

A lump-sum payment of \$255 can be made to a worker's eligible widow or widower, or if none, to the worker's child entitled to benefits.

It is important for survivors to apply for benefits as soon as

possible after the worker's death. This is especially important for widows and widowers under 65 because benefits cannot generally be paid before the month of application.

When applying, survivors should have their own and the worker's Social Security cards or a record of the numbers, birth certificates for any eligible children, marriage certificate, proof of the worker's death, proof of age for the widow or widower, and the Form W-2 or self-employment tax return for the past year. Parents 62 or older will need to show they were dependent on the worker for their support.

For more information about Social Security survivor benefits you may contact us at 1491-B West 5 street, or call us at 293-9623. Appointments can be arranged if desired.

VA News Feature

Q. - My spouse is retired from the armed forces and rated 100 percent by the Veterans Administration for service-connected disabilities. Do I have the option of choosing Civilian Health and Medical Program of the Uniformed Services (CHAMPUS) or Civilian Health and Medical Program of Veteran Administration (CHAMPVA) coverage?

A. -- No. If your spouse retired from the armed forces you must apply for CHAMPUS.

Q. -- I am a veteran and would like to start a small business. How can I obtain a Veterans Administration small business loan?

A. -- The VA does not have a small business loan program. The Small Business Administration (SBA) has programs to assist veterans in obtaining small business loans. In each SBA field office there is a veterans' affairs officer to assist veterans. Check the U.S. Government section of the local phone book for the address of the nearest SBA office.

Heirloom Displayed In Floydada

PILGRIM BEDCOVERING -- Eugenia Bethard, of Roaring Springs, displays the bedcovering that is over 366 years old. The handmade coverlet traveled to the U.S. aboard "the Mayflower," landing in 1623. According to Mrs. Bethard, "The bedcovering, done in the Whig Rose pattern, belonged to Priscilla Mullins, the daughter of William Mullins, a bootsmith. Mr. Mullins, his wife, and two children set sail on The Mayflower, Aug. 20, 1620. With them they brought 138 pairs of shoes and boots, and the bedcovering was in Priscilla's "hope chest". Upon arrival the brother, mother, and father all died from a bad epidemic. The Whig Rose pattern is double woven in teh colors of cranberry, blue and aqua. It has been passed down through the generations. "My father's father is a direct descendant," said Mrs. Bethard. The bedcovering was on display, Constitution day, Sept. 17, at the Masonic Lodge in Floydada.

Then Jesus spake again into them, saying, I am the light of the world; he that followeth me shall not walk in darkness, but shall have the light of life. John 8:12

HEREFORD CATTLE

Part II

Charles Gudgell is credited with naming the cattle, and certainly he is unexcelled in selecting, euphoniously pleasing and pleasantly sounding names for both the bulls and the dams.

Don Carlos, Beau Brummel, Lamplighter, Beau Brilliant, Militant, Beau Domorus, Beau Modest, Beau Dandy, Beau President, Beau Donald, Beau Mischief, Beau Randolph, Publican, Beau Real, Printer, Don Juna, Beau Santos, Sparticus, Beau Beauty, Don Zuizote, Beau Highland, Paladin, Beau Baltimore, Domino, Beau Picture, Bright Stanway, Bright Peveril, and Beau Doncaster to name a few of the bulls.

I wish some Hereford expert would take time to catalogue all the fine bulls that Gudgell and Simpson bred, and used in their herd, to make of it the outstanding fount of Anxiety 4th blood in all the world.

The names selected by Charles Gudgell, while musical to the ear, one can on close examination, find that the names usually meant something very definite, too. Take the Bull Publican as an illustration. In ancient Rome, Publican meant, "a farmer of the public revenues or tax-gatherer," while in England, "The keeper of a public house." So most anyway you care to interpret the Bull Publican's name, it meant both a gathering of the shekels to his owner, and a building and improving of his harem, the cow herd.

Budgell and Simpson, after naming Publican correctly, and after only using him lightly, sacrificed him to go into the commercial herd of the Matador Land and Cattle Company Ltd. of Texas, since they didn't especially need him themselves. No bull was too good for the service to be found there, but out of that limited service of Publican, walked the bull calf Gudgell named Domino, that was sufficiently outstanding to be retained for their own use. As a breeder, Domino set the cattle kingdom on fire with his excellent sons and daughters. To such an extent, that every Hereford breeder of note desired to obtain

them.

Robert H. Hazlett of Eldorado, Kansas even went to the extremity of trying to find and redeem Publican from the canyons, mesas and mesquite thickets galore, found

on the Matador Ranch in Texas.

By then Publican was seven years old, and had been on the Matador some four or five years, where he had roughed it. That is, he had long since forgotten what care and attention meant to him. He had learned to rustle his own living no matter how short and scanty the grass may have been or how enclement the weather.

The Matador was willing to part with Publican, provided he could be found. For he was to them, just another pure bred Hereford bull. One was about as good as another to produce commercial beef.

Big John Southworth and another man were sent out over the range to scout for Publican, and after ceaseless riding for thirty days, they located him in the Salt Creek breaks, so Publican rode back to Eldorado, Kansas. By now, not withstanding the fact, he was rather a hard looking customer; but the richly mingled blood lines, and the handiwork of Gudgell and Simpson, still flowed through his veins, beneath his red robe of courage. So after Publican had passed his zenith in years, he picked up for Hazlett where he had left off for Gudgell and Simpson, to yet add a few more laurels to his former record.

The Publican-Domino cattle have made a name for themselves, but never have I been fortunate enough to see a picture of Publican. Possibly the rough treatment he knew in the wide open spaces on the Matador Ranch while in his prime, had something to do with no pictures being made.

Further anent the names chosen by Charles Gudgell for their animals, we find the prefix word Don, means "To put on," and Don Juan - a dashing lover, while "Donna" equals, "A lady or Madam." Beau represents a male of gallant manner. Hence "Beau Brummel", an Englishman, who set the fashion for men in his day.

Part III continued next week.

For we are God's workmanship, created in Christ Jesus to do good works, which God prepared in advance for us to do.

Patton Springs News

Rochester Defeats Rangers

The Patton Springs Rangers dropped a 34-13 decision to the Rochester Steers last Friday in their home opener at Ranger field.

The Rangers opened the game with an offensive march that consumed 7 1/2 minutes off the clock. The Rangers lost the ball on downs mean the Steers 18 yard line. The Ranger effort was rampered by the loss of QB Chris Tilley in the opening minutes with a badly sprained ankle. The Steers scored first on a 30 yd. run by James Wyatt to make the score 6-0 at the end of the first quarter. The Steers scored again on a 1 yard run before the Rangers got on the board with a 1 yard run by Randy Finkenbinder. Wyatt again scored on a 22 yard just before the end of the half to make the score 28-13. The Steers scored their last TD with seconds

remaining in the 3rd quarter. Each team was scoreless in the 4th quarter to make the final score 34-13. The Rangers had a total of 244 yards on offense, 161 rushing and 83 passing. Randy Finkenbinder had 116 yards rushing on 12 carries. James Lewis had 5 receptions for 12 yards, L.G. Little had 6 for 33 yards and Finkenbinder had 3 for 32. Brent Atkinson did a good job filling in for the injured Tilley. James Lewis, L.G. Little and Randy Finkenbinder all had good games on defense with Little coming up with his second interception of the year.

The Rangers are on the road this Friday night to Miami for their district opener. The game is the first of 3 straight road games. Kickoff is at 7:00

Obituaries

Edith Kimbell

Graveside services for Edith Kimbell, 89, of Ralls were held at 2 p.m. Thursday, September 3, 1987 in Matador's East Mound Cemetery with the Rev. David Ray, pastor of First United Methodist Church, officiating.

Burial will be under direction of Carter-Adams Funeral Home.

She died at 5:15 a.m. Wednesday, September 2, 1987 in Ralls Nursing Home after a lengthy illness.

She was born in Mansfield, Arkansas and moved to Ralls in 1981 from Matador. She married William Guy Kimbell on October 21, 1921, in Whiteflat. He died in 1978. She was a homemaker and a member of Matador's First United Methodist Church.

Survivors include a son, Guy of Amarillo; three daughters, Melba Verett of Ralls, Avis Billingsley of Midland and Isabell Cambrell of Forsan; seven grandchildren; and nine great-grandchildren.

Delight yourself in the Lord and he will give you the desires of your heart.

Ps. 37:4

Norris Sims

Funeral services were held September 8 at 2:30 p.m. at the Macadonia Baptist Church in Matador for Norris Sims, with the Rev. Joe Horn officiating. Burial was in the East Mound Cemetery.

Mr. Norris Sims was born to Mr. and Mrs. Lizer Alexander Sims, Monday, March 6, 1911. He passed away September 6, 1987 at 3:40 a.m. in a Plainview Hospital at the age of 76 years and 6 months. He was born at Linder, Texas. His parents preceded him in death.

He confessed Christ at an early age and later became a member of the St. John Baptist Church under the Pastor of Rev. B.R. Jones.

Survivors are two sisters, V.O. Jones of Turla, CA; Pauline Smith of Matador; and two brothers, Jessie T. Sims of Matador and Henry Lee Sims of Vernon; and a host of nephews and neices and friends.

Pallbearers were Gary Richardson, Forest Sims, Herbert Sims, Marsusells Richardson, Donnie Ray Sims and Carlton Sims.

Wanted: Children Who "Tug-A-Heart"

A nationwide contest to identify and award children who have brought special joy to someone by simply performing a touching, cute or funny action is being sponsored by AmToy, makers of the adorable TuggaBows doll and Good Housekeeping magazine.

Called the "TuggaBows/Good Housekeeping 'Tug-A-Heart' Contest," it will recognize the wonderful and thoughtful gestures that little ones have made during their young lives. Any boy or girl between the ages of four and ten-years-old who has done something cute, sweet or touching — something that "tugged-a-heart" can be entered by completing the official entry form located in the October issue of Good Housekeeping magazine.

Parents or legal guardians over the age of 21 are invited to submit a 25-word or less summary of a heart-tugging incident involving their child. It can be a simple, considerate gesture made on behalf of another person.

There is no limitation on the number of times a person can enter, but each entry must be submitted on an original official entry ballot found in the October issue of Good Housekeeping magazine. Send the entry to TuggaBows/Good Housekeeping "Tug-a-Heart" Contest, P.O. Box LM, Suite 1300, 211 East Ontario Street, Chicago, IL 60611. All entries must be postmarked by midnight October 21, 1987 and received by October 31, 1987 to be eligible.

TuggaBows and Good Housekeeping are awarding a \$25,000 scholarship and a brand new TuggaBows doll to the child who has performed an especially heart-warming action. In addition to the grand prize, 2,000 TuggaBows will be given-away as runner-up prizes.

"The contest is inspired by TuggaBows and her special features," explains Jack Chojnacki, president of AmToy. "Just as easily as a child can change a person's mood by the little unexpected heart-tugging gestures of kindness, so can the doll's appearance be changed with just a tug on the ribbons in her hair."

John Mack Carter, editor-in-chief of Good Housekeeping, co-sponsor of the contest, says, "We are delighted to be partners with TuggaBows in a project which gives us a chance to prove yet again how remarkable children really are."

The October issue of Good Housekeeping will be available on newsstands nationwide on September 15, 1987.

Taste and see that the Lord is good; blessed is the man who takes refuge (trusts) in Him.

LEGAL NOTICES

NOTICE TO ALL PERESONS HAVING CLAIMS

Notice is hereby given that original Letters Testamentary for the Estate of Allie Rena Seigler were issued on August 28, 1987, in Cause No. 2317, pending in the County Court of Motley County, Texas, to: George L. Seigler.

The residence of such Executor is 11218 Sagewood Street, Houston, Texas 77089. The post office address is: the same.

All persons having claims against this estate which is currently being administered are required to present them within the time and in the manner prescribed by law.

Dated the 1st day of September, 1987.

HELP NEEDED FOR SCHOOL PLAYGROUND

To the Parents and Other Citizens of Motley County interested in the safety, well-being and happiness of current and future students of M.C.I.S.D.

Please show up for workdays on Saturdays, 9 a.m. or 1:30 p.m., Sundays, 1:30 p.m., and donate some labor to help in providing a well equipped safe playground for the school children of Motley County.

It should be noted that to date only 16 people have donated some of their time to this project and of these 16, only 10 parents representing 9 students.

It is hard for us to believe that the parents of the other children do not have enough interest in the safety, happiness and well-being of their children to donate some of their time to this worthwhile community

project. With the support of only 10-12 workers on Saturdays and Sundays P.M., this project could be completed in 2-3 weeks.

To those of you who have contributed, our heartfelt thanks; to those of you who have not, please do, as this is one way of telling the children of our love for, and confidence in them.

The P.T.O. Committee for Playground Development

Announcements

PUBLIC NOTICE

BRIEF EXPLANATORY STATEMENTS OF PROPOSED

CONSTITUTIONAL AMENDMENTS

SPECIAL ELECTION
NOVEMBER 3, 1987

PROPOSITION NO. 1 ON THE BALLOT

House Joint Resolution 104 proposes a constitutional amendment to allow the legislature to provide a guarantee for the Texas grain warehouse self-insurance fund. The guarantee of the fund may not exceed \$5 million, and when the fund reaches \$5 million, the guarantee will cease.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to provide for the surety of a grain warehouse fund to be established by the grain industry for the protection of farmers and depositors of grain in public warehouse facilities."

PROPOSITION NO. 2 ON THE BALLOT

House Joint Resolution 60 proposes a constitutional amendment to permit rural fire prevention districts in counties with populations over 400,000 to levy a tax at a rate not to exceed six cents (\$.06) per \$100 property valuation for the district, if the voters of the district approve the tax.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to raise the maximum property tax rate that may be adopted by certain rural fire prevention districts, but only if approved by the districts' residents."

PROPOSITION NO. 3 ON THE BALLOT

House Joint Resolution 48 proposes a constitutional amendment to extend the school ad valorem tax exemption for elderly persons to the surviving spouse of a person receiving the exemption. If a surviving spouse is at least 55 years old at the time of death of the person receiving the exemption, ad valorem public school taxes could not be increased as long as the homestead remained the residence homestead of the surviving spouse.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to limit school tax increases on the residence homestead of the surviving spouse of an elderly person if the surviving spouse is at least 55 years of age."

PROPOSITION NO. 4 ON THE BALLOT

House Joint Resolution 5 proposes a constitutional amendment to allow the legislature to create programs and make loans and grants of money for development and diversification of the economy, elimination of unemployment and underemployment, stimulation of agricultural innovation, promotion of agricultural enterprises, and development of transportation and commerce. Bonds or other obligations payable from ad valorem taxes must be approved by the voters in the political subdivision seeking such funding sources.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing the legislature to provide assistance to encourage economic development in the state."

PROPOSITION NO. 5 ON THE BALLOT

House Joint Resolution 65 proposes a constitutional amendment to permit the State Department of Highways and Public Transportation to contract with the Texas Turnpike Authority and to contribute money to the costs of turnpikes, toll roads and toll bridges of the Authority. The amendment would authorize the governing body of a county with a population over 400,000, a county adjoining such county, and any city or district located in or partially in such county to make agreements with the Texas Turnpike Authority and levy ad valorem taxes to pay part or all of the principal and interest on Turnpike Authority bonds and to pay maintenance and operating expenses of the Turnpike Authority, if the voters approve the tax.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing agreements between the State Department of Highways and Public Transportation and the Texas Turnpike Authority and the governing bodies of counties with a population of more than 400,000, adjoining counties, and cities and districts located in those counties to aid turnpikes, toll roads, and toll bridges by guaranteeing bonds issued by the Texas Turnpike Authority."

PROPOSITION NO. 6 ON THE BALLOT

House Joint Resolution 4 proposes a constitutional amendment to allow the legislature to establish three separate development funds. A Texas product development fund could be established to aid in the development and production of new or improved products in the state. The amendment would authorize the issuance of up to \$15 million of general obligation bonds to provide initial funding for the program. A Texas small business incubator fund could be established to foster and stimulate the development of small businesses in the state. Small businesses operating under the program would be exempt from ad valorem taxation. The amendment would authorize the issuance of up to \$10 million in general obligation bonds to provide initial funding for the program. A Texas agricultural fund could be established to promote the production, processing and marketing of agricultural products produced primarily in Texas by small Texas agricultural businesses. The amendment would authorize the issuance of general obligation bonds in the amount of \$100 million outstanding at one time to carry out the agricultural fund program. The legislature could require review and approval of the issuance of bonds and the use of bond proceeds.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing the legislature to provide for state financing of the development and production of Texas products and businesses."

PROPOSITION NO. 7 ON THE BALLOT

Senate Joint Resolution 55 proposes a constitutional amendment to authorize the legislature to provide for the issuance of \$400 million in general obligation bonds to be used for loans to local governments for acquisition, construction, repair, renovation, and equipment of public facilities or for grants to local governments for planning public facilities. The amendment would also permit the issuance of revenue bonds for the same purposes to be repaid from excess revenue from repayments of loans made under the amendment and from other revenues pledged to the retirement of revenue bonds. The amendment also authorizes the legislature to provide for review and approval of the issuance of the bonds and the use of the bond proceeds.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment providing for the issuance of general obligation bonds to finance certain local public facilities."

PROPOSITION NO. 8 ON THE BALLOT

Senate Joint Resolution 56 proposes a constitutional amendment to allow the legislature to authorize the issuance of up to \$500 million in general obligation bonds to be used to acquire, construct, and equip new correctional institutions and mental health and mental retardation institutions or to repair existing institutions. The amendment also authorizes the legislature to provide for review and approval of the issuance of the bonds and the projects to be financed by the bond proceeds.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing the issuance of general obligation bonds for projects relating to corrections institutions

and mental health and mental retardation facilities."

PROPOSITION NO. 9 ON THE BALLOT

Senate Joint Resolution 9 proposes a constitutional amendment to provide that a state legislator is eligible to serve in another state office even if the compensation of the office was increased during his legislative term or even if the appointment is made in whole or in part (including Senate confirmation) by the legislature. The legislator could not, however, receive the increased compensation approved during his legislative term.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to provide that a member of the legislature is eligible to be elected or appointed and to serve in a different state office but may not receive an increase in compensation granted to that office during the legislative term to which he was elected."

PROPOSITION NO. 10 ON THE BALLOT

Subsections (d) and (e) of Section 1 of Senate Joint Resolution 12 propose a constitutional amendment to allow the legislature to exempt from ad valorem taxation all tangible personal property except structures which are used as residential dwellings and property held or used for the production of income. This exemption would be in addition to the personal property homestead exemption already established by the constitution. If the legislature authorizes the exemption of additional personal property from taxation, under this amendment, local political subdivisions may pass resolutions providing for taxation of such property unless the property is exempt from ad valorem taxation under another law.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to allow the legislature to exempt from ad valorem taxation certain personal property not held or used for the production of income."

PROPOSITION NO. 11 ON THE BALLOT

Section 1, Subsections (f) and (g) of Senate Joint Resolution 12 propose a constitutional amendment to exempt from ad valorem taxation goods, wares, merchandise, and ores other than oil, gas and petroleum products. These items would be exempt from taxation only if they originated outside the state and were located in the state for a period of 175 days or less for purposes of assembly, storage, manufacture, processing, or fabrication. Such property could be taxed by a county, school district, or municipality if the governing body of the political subdivision took official action to provide for the taxation of the items while they were located in the political subdivision. If the governing body of a political subdivision took official action to tax the items before January 1, 1988, the tax would be effective for the 1988 tax year. If the action were taken after January 1, 1988, and before April 1, 1988, the tax would become effective January 1, 1989.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment providing for the exemption from ad valorem taxation of certain property that is located in the state for only a temporary period of time."

PROPOSITION NO. 12 ON THE BALLOT

Senate Joint Resolution 35 proposes a constitutional amendment to allow a married couple to agree in writing that all or part of their community property will become the property of the surviving spouse if one spouse dies.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment permitting spouses to hold community property with right of survivorship."

PROPOSITION NO. 13 ON THE BALLOT

Senate Joint Resolution 27 proposes a constitutional amendment to authorize the creation of special districts to provide emergency services. The commissioners court in a county participating in a district could, upon approval of the voters, levy an ad

valorem tax of up to ten cents (\$.10) per \$100 valuation of the property located in the district.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to allow for the creation and establishment, by law, of special districts to provide emergency services."

PROPOSITION NO. 14 ON THE BALLOT

Senate Joint Resolution 34 proposes a constitutional amendment to allow the state a limited right to appeal criminal cases. Under current law, only criminal defendants are allowed to appeal. This proposed amendment would allow the legislature to pass laws granting state prosecutors the right to appeal in limited circumstances.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment giving the state a limited right to appeal in criminal cases."

PROPOSITION NO. 15 ON THE BALLOT

House Joint Resolution 35 proposes a constitutional amendment to abolish the office of county treasurer in Gregg County and transfer the duties of that office to the county auditor or an elected official designated by the commissioners court. The amendment would also abolish the office of county treasurer in Fayette and Nueces counties if a majority of the voters in those counties vote in favor of the amendment. In Fayette County, the functions of the treasurer would be transferred to the county auditor or the officer succeeding to the auditor's functions. In Nueces County, the powers, duties, and functions of the treasurer would be transferred to the county clerk.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to provide for the abolition of the office of county treasurer in Gregg, Fayette, and Nueces counties."

PROPOSITION NO. 16 ON THE BALLOT

Senate Joint Resolution 6 proposes a constitutional amendment to allow the commissioners court in a county with a population of more than 150,000 to establish more than one Justice of the Peace court in each Justice of the Peace precinct, i.e., to provide for the election of more than one Justice of the Peace in each Justice of the Peace precinct.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment providing that certain justice precincts may contain more than one justice of the peace court."

PROPOSITION NO. 17 ON THE BALLOT

Senate Joint Resolution 26 proposes a constitutional amendment to allow the legislature to define by law those municipal functions that are governmental and those that are proprietary. This authorization would apply to laws passed by the 70th Legislature, 1987, and by future legislatures in regular or special session. A municipality is liable for damages arising out of acts committed under its proprietary functions, but not its governmental functions. Definition of such functions by the legislature would clarify the liability of a municipality in civil lawsuits filed against it.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing the legislature to define for all purposes the governmental and proprietary functions of a municipality."

PROPOSITION NO. 18 ON THE BALLOT

House Joint Resolution 18 proposes a constitutional amendment to authorize the legislature to provide for the creation, operation, and financing of jail districts. Financing of a jail district could be accomplished through the issuance of bonds and other obligations, or by levy of an ad valorem tax on property located in the district if the qualified electors of a district approve an ad valorem tax or bonds secured by a property tax.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment relating to the creation, operation, and financing of jail districts."

PROPOSITION NO. 19 ON THE BALLOT

House Joint Resolution 88 proposes a constitutional amendment to authorize the issuance of \$500 million in general obligation bonds, the proceeds of which will be used to establish a superconducting super collider fund. The fund would be used to provide economic incentives for the superconducting super collider research facility, and the agency administering the fund would be authorized to grant land or property to the United States government for undertakings related to the facility.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing the issuance of general obligation bonds to fund undertakings related to a superconducting super collider research facility sponsored or authorized by the United States government, and to make appropriate grants for such undertakings."

PROPOSITION NO. 20 ON THE BALLOT

House Joint Resolution 96 proposes a constitutional amendment to allow the legislature to provide ad valorem tax relief for mobile offshore oil and gas well drilling equipment. The tax relief would be limited to equipment that is being stored while not in use in a county that is adjacent to the Gulf of Mexico or on a body of water that is adjacent to the Gulf of Mexico.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to authorize the legislature to provide ad valorem tax relief for certain offshore drilling equipment that is not in use."

PROPOSITION NO. 21 ON THE BALLOT

Senate Joint Resolution 17 proposes a constitutional amendment to provide for legislative involvement in the executive branch of government by permitting the legislature to include the speaker of the house of representatives in the membership of an agency or committee that includes officers of the executive branch of government and performs executive functions. Under current law, the legislature is not allowed to exercise any powers in executive matters under Article II of the Texas Constitution, which provides for the "separation of powers" into three distinct departments.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment permitting the legislature to include the speaker of the house of representatives or the speaker's appointee in the membership of an executive agency or committee."

PROPOSITION NO. 22 ON THE BALLOT

Senate Joint Resolution 53 proposes a constitutional amendment to allow the legislature to limit the term of office of a gubernatorial appointee to a vacancy in a state or district office to a partial, temporary term if the appointment is made on or after November 1 of the last year of the governor's term and the governor is not reelected. Under this amendment, the legislature may provide that the tenure of such an appointee would end sooner than the term would normally expire.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to allow the legislature to limit the authority of a governor to fill vacancies in state and district offices during the end of the governor's term if the governor is not reelected."

PROPOSITION NO. 23 ON THE BALLOT

Senate Joint Resolution 54 proposes a constitutional amendment to authorize the Texas Water Development Board to issue an additional \$400 million in water development bonds. Of the \$400 million authorized, \$200 million would be designated for conservation and development of water resources, \$150 million would be designated for water quality enhancement, and \$50 million would be designated for flood control. The amendment also authorizes the legislature to provide for review and approval of the issuance of the bonds and the use of the bond proceeds.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to authorize the issuance of an additional \$400 million of Texas Water Development Bonds for water supply, water quality, and flood control purposes."

PROPOSITION NO. 24 ON THE BALLOT

House Joint Resolution 83 proposes a constitutional amendment to allow a county to use county equipment and personnel to perform work, without compensation, for another governmental entity if the commissioners court finds that the work will not interfere with the performance of county work and approves performance of the work. The governmental entity must be located wholly or partly in the county, and the governing body of the governmental entity must file a written work request with the commissioners court.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to permit a county to perform work, without compensation, for another governmental entity."

PROPOSITION NO. 25 ON THE BALLOT

Senate Joint Resolution 5 proposes a constitutional amendment to allow the Legislature to authorize Randall County to levy a tax for the benefit of the Amarillo Hospital District. Any such tax could be levied only on property located outside the City of Amarillo and outside the South Randall County Hospital District. The tax could not be more than 75¢ per \$100 property valuation and would be effective only upon approval by the voters in the area to be taxed. If the tax is authorized by the Legislature and approved by voters, the Amarillo Hospital District is to serve residents of part of Randall County. If a tax is levied under this provision, Randall County must repay the State for the cost of publication of this amendment.

The proposed amendment also permits the legislature to authorize a hospital district to change its boundaries or jurisdiction if the district was created or authorized by a constitutional provision that includes a description of the boundaries or jurisdiction of the district. Any change in the boundaries or jurisdiction of such a hospital district would become effective only upon approval of the voters in the district.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing the legislature to permit the Amarillo Hospital District to serve certain residents of Randall County, to authorize Randall County to provide financial assistance to the district, and to authorize certain hospital districts to change their boundaries or jurisdiction with voter approval."

EXPLANATORY STATEMENT FOR STATEWIDE REFERENDUM NO. 1

Senate Bill 86 submits to the voters the question of whether the 15 members of the State Board of Education should be appointed instead of elected. If the proposition passes, the Governor will appoint a member of the board for each district, with the consent of the Senate. If the proposition fails, the members will be elected from these districts.

The referendum will appear on the ballot as follows:

"The State Board of Education shall be composed of members who are appointed from districts instead of elected, with equal representation throughout the State of Texas."

EXPLANATORY STATEMENT FOR STATEWIDE REFERENDUM NO. 2

The Texas Racing Act submits to the voters the question of whether pari-mutuel wagering should be legal in Texas on a county-by-county local option basis. If pari-mutuel wagering is adopted by the voters statewide, a county must also pass a separate proposition on pari-mutuel wagering at an election held in the county before any such wagering may be conducted in that county.

The referendum will appear on the ballot as follows:

"The legalization of pari-mutuel wagering under the Texas Racing Act on a county-by-county local option basis."
