What Happened to the Big Ben Clocks?

by Earlyne Jameson

We are now faced with the end of daylight saving time and the prospect of resetting all the digital clocks and watches in the household, Sunday, October 29th.

Sure, sure these new fangled outfits are great. You never have to wind them and scrape your knuckles as one had to in the Big Ben era. You can read them in the dark, those ubiquitous red numbers blinking at you through half-sleep, sort of like water torture for the insomniac. They never rattle with their eyeteeth like the ancient Westclox. You could deftly grab the huge alarm lever in the right hand and push it from ON to OFF, printed in big letters big enough to see in the dead of a winter morning.

Everything is just fine and then comes the beginning or the end of the dreaded daylight saving time. You have to set every contraption that tells time forward or backward an hour.

This, my friends, is no fun when you have the technological know how of a moron! First off, there are your big fingers and those little tiny buttons that press on your car clock, your alarm clock, your TV clock, your oven clock, your conventional clock and your latest press button clock.

Which way to press them? How to get to a.m.? Or should that be p.m.? It's all pretty exasperating!

We either call our grandchildren to ask for directions or have them come by to reset all the time gadgets.

What happened to BIG BEN clocks? Enough said!

Fall Harvest Festival Set For Saturday Night

The Annual Fall Harvest Festival will kick-off Saturday night, October 28 at 5:30 p.m. with the Spook Parade, which consists of ages newborn through the third grade, dressed in their best Halloween costumes.

Following the Spook Parade will be the Queen's Contest at 6:00 p.m. This consists of one girl chosen by classmates from each class ranging from grades pre-kindergarten through 8th grade. There will be a Princess chosen from grades pre-kindergarten through third grade, and a Queen chosen from 4th grade through 8th grade. Each contestant is allowed to choose their own escort from their class. The Princess and Queen will be chosen by the amount of tickets they sell before the deadline on Saturday, October 28 at 12:00 noon.

Carnival booths will open immediately following the Queen's contest.

Booths will include the car bash, free throw, spook house, cake walk, go fishing, jail house, cow patty bingo, sponge throw, treasure hunt, fortune teller, rubber band shootout, and many more.

Booth tickets will be pre-sold at the school as well as the Carnival. Ticket sales will begin Thursday, October 26 at 8:00 p.m.

The silent auction will take place throughout the carnival. Beginning at 5:00 p.m., anyone who pleases may place their silent bids until 8:30 p.m. Following this, items will be presented to the highest bidder. The remaining items that were not bid on will then be auctioned off with an open auction.

The Festival will end at 9:00 p.m. The Motley County Eternas Study Club invites everyone of all ages to come out and have a good time.

Matadors defeat Valley, but lose Homecoming Game to Petersburg

by Coach Ronnie Cox

The Matadors played inspired defense Friday night, October 13, to beat the Valley Patriots, 32-7, in the first district game. After a 59 yard run in the first quarter the Patriots only got inside our twenty one more time during the game.

The Matadors scored in each of the first three quarters with Bobby Barton, Jarrod Brooks, Aaron Green, Tyler Decker and Kevin Keltz scoring touchdowns. Motley County ended with 305 yards total offense, 196 yards rushing and 109 yards passing to Valley's 103 yards rushing and 6 yards passing. The highlight of the game was an improved defense with many young players making a contribution to the win.

The Mavericks played Valley's Junior High here last Thursday losing to a very good team. The final score of the game was 33-8. Our young men played well, never giving up, even though they were well behind most of the game. These young men work very hard and are continuing to improve and will make Matadors that we all will be proud of someday. We need to give them all our support as they work to get better daily.

The district race is in full swing now with two games behind us and

three to go. Next week will be very important to all district members as we work toward one of the two playoff spots. The Matadors travel to Kress this week for a 7:30 game against the preseason favorite picked to win the district championship. Kress is physically large, playing solid defense, and a ball control offense. We will have to play well and execute both offensively and defensively to be successful. The practices have gone well this week and we expect to play well Friday night. We hope to build on our effort from the first half of last week's homecoming game with Petersburg.

The Matadors played strong defense the first half last week, going in at halftime behind 13-6. Aaron Green, Bobby Barton, Ryan Martin, Chad Lawrence, and others played well and led our defense. Kevin Keltz had six catches for 121 yards and one touchdown on a 54 yard pass thrown by Freshman quarterback Keane Cruse. Our offense didn't play as well as we had hoped; the final score of the game was 35-14 with Petersburg winning. However, this week we are going back to the basics to reinforce some of the things we have to do well in order to be successful which should pay off for us when we play Kress.

Exes from near and far celebrate 1995 Homecoming

FOOTBALL QUEEN — Leigh Pipkin, escorted by Chad Lawrence, was crowned 1995 Homecoming Football Queen, Friday night before the football game.

Leigh Ann Pipkin, daughter of Gerald and Syd Pipkin of Matador, was crowned as 1995 Football Queen, before Friday night's big Homecoming game with Petersburg. The Matadors put up a good fight, but fell to Petersburg, 35-14. Leigh Ann was escorted by Chad Lawrence, son of Rickey and Naomi Lawrence of Roaring Springs. Leigh and Chad are Seniors at MCHS.

The Motley County exes gathered last Saturday at the school gym for an entertaining Homecoming program.

President Charles Keith, class of '53, opened the meeting by welcoming all exes and guests, and introducing the Motley County High School Choir, Matt Woolsey, Angelica Corpus,

Angelena Corpus, Lindsey Williams, Lacy Washington, Kevin Keltz, Brooke Parson, Becky McFall, Crystal Christopher, Aaron Green, and Scott Smith, who sang "Kiss A Gril" directed by the choral teacher Beverly Mars. Eight of the choral members are children of Motley County graduates.

Jeff Thacker, Roaring Springs class of '70, member of the Motley County ISD Board of Trustees gave an up date on the newest building and classroom additions and also as President of the Motley County Chamber of Commerce asked the exes to always remember Motley County and help promote Motley County in any way.

The invocation was given by Rev. Ron Kelley, pastor of First United

Methodist Church of Matador and Roaring Springs.

Master of Ceremonies, Richard Campbell, class of '65, sang a beautiful song based on scripture of Psalm 91, before the reading of the memorial list.

The High School Choir then sang "I'll Be There".

Olivia Campbell Barton, class of '67, Co-Secretary with Hazel Walton Donovan, class of '24, read the minutes of the 1994 meeting.

The slate of 1996 officers were presented and approved as follows:

President, Grace Zabielski, '44; Co-Vice Presidents, Ross, '83, and Dana, '77 Graham; Co-Secretaries, Hazel Donovan, '24 and Olivia Barton, '67; Past President, Charles Keith; Hold over Directors, Reneigh Burns, '82, Geraldine Key, '49, Seven Alexander, '68, Barbara Armstrong, '63; New Directors, Cora Smallwood, '53, and J.D. Russell, '83.

President Charles Keith reported that there is \$500 in the bank for the restoration of class pictures that were lost or destroyed in the 1984 tornado. Keith stated they have a committee working to have these ready for the next year's homecoming.

Campbell sang, "As Time Goes By." Cory Multer, son of Tanya Simpson Muelter, played five selections on his fiddle, accompanied by Morris Stephens on guitar.

The classes having reunions were recognized and special recognition was given to the earliest teacher, Mrs. Bertha Stearns, 1927; earliest graduate, Lillie Edmondson, 1917; and Jeannie Hamilton Straub, class of '45, who traveled the farthest from Nordland, WA.

Harvest Festival Celebration Is Sunday At Matador Methodist Church

Preaching by the well-known West Texas pastor Sam Nader, congregational singing, special instrumental music, solos by Homer Martin and Sunday dinner will highlight the annual Harvest Festival Celebration at

First United Methodist Church, Matador. In order to complete this year's obligations to missions and outreach programs and to supplement the reserve fund the goal is \$12,000 on this special Sunday dedicated to remembering the commandment of Jesus to go into all the world with the gospel, which is only possible through stewardship, according to Finance Chair, Alan Bingham.

The church's Congregational Committee, chaired by JoEtta Bumgardner, will provide turkey, dressing and gravy. Others are asked to bring a side dish. There will be no Sunday School period. Services begin at 10:30 a.m. Rev. Nader will have copies of his latest book for sale after the service.

MACRONUTRIENT NEEDS FOR THOSE 65 YEARS AND OLDER

Now more than ever before, the importance of nutritional needs of the macronutrients - water, fiber, carbohydrate, protein and fats - are of utmost importance.

Why worry about it now? By the year 2000 there will be approximately 40 million people in the United States over the age of 65. Many will remain active and healthy. Others will suffer from one or more chronic diseases, live alone or have varied backgrounds and current living situations. That's why knowledge about the macronutrient needs of this over 65 age group is important.

Not to be forgotten is the nutrient water. The elderly are subject to inadequate water intake due to a decrease in the antidiuretic hormone with aging and more water loss through their urine. Memory loss or physical incapacity may prevent the ability to satisfy their thirst or inability to express their need for fluids. For whatever reason, dehydration is a common problem for the elderly. Dehydration can be prevented by consuming approximately one and one half to two liters of fluid per day, or more if there is vomiting, diarrhea or other increased fluid loss.

For a variety of reasons, fiber in our diet is important for all of us. Water-holding fibers, such as those found in wheat bran, along with adequate water intake, are helpful with reducing constipation and in decreasing formation of diverticula in the colon. Soluble dietary fibers - those in oats, legumes and fruits - have been reported to improve control of blood sugar in diabetes, lower total cholesterol, LDL cholesterol (the "bad" cholesterol) and triglycerides without changing HDL cholesterol (the "good" cholesterol). Both types of fibers are in fruits and vegetables. However, be cautious of more than two to four servings of fruits,

which can cause an increase in blood sugar - especially in persons with diabetes.

High quality protein found in the meats, poultry, fish, dry beans, eggs and nuts group are of special interest for this age group for maintaining fitness since a wasting away of muscle each decade after age 45 occurs. Protein requirements remain constant as for other ages with the exception of stress from an illness or infection, thus requiring additional protein.

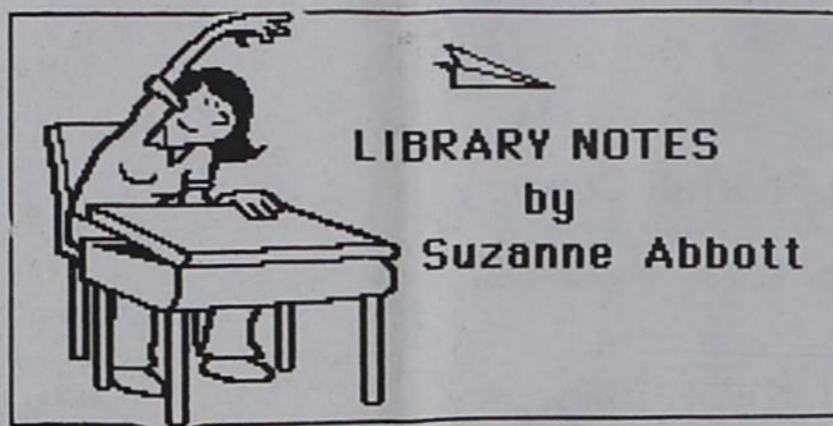

Energy intake needs to be enough to maintain a normal weight and prevent undesired weight loss. Overeating fats and carbohydrates results in protein used for energy draining necessary amino acids. Decreased muscle mass and less physical activity reduce the need for calories so fat intake is usually decreased in the elderly to approximately 25-30 percent of total calories. Protein (10-15 percent) and carbohydrate (55-60 percent) intakes are about the same as for the general public.

Moderation in eating and changing the diet such as reducing cholesterol to reduce risk factors are good for any age. Following a balanced meal plan such as the U.S. Department of Agriculture's Food Guide Pyramid, which promotes good health without creating undue hardships or decreasing the quality of life, is the type of dietary recommendations being made by most health organizations.

To find out more about changing your eating habits the pyramid way to promote health and well-being, contact your family and consumer sciences county Extension agent or a local dietitian.

Educational programs of the Texas Agricultural Extension Service are open to all citizens without regard to race, color, sex, disability, religion, or national origin.

THOUGHT FOR THE DAY: If at first you DO succeed, it's probably your father's business.

LIBRARY NOTES by Suzanne Abbott

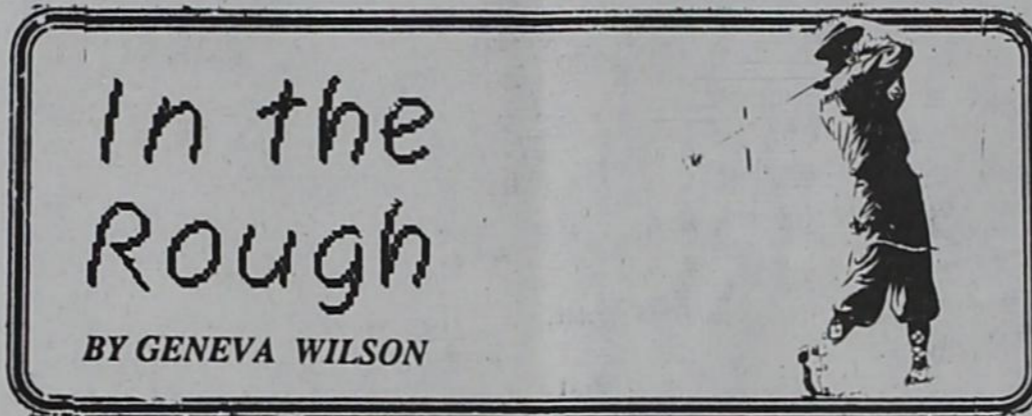

Today, anytime between 4:30 and 5:30 p.m., there will be Halloween activities at the Library for children in grades K-3. Joyce and Leo Archer have donated miniature pumpkins for the children to decorate as Jack-O-Lanterns. There will be other activities, also. There is no specific starting time, any time between 4:30 and 5:30. The children should wear an old shirt in case of accidents with the paint. We appreciate the Archer's generosity in donating the little pumpkins to help the Library celebrate Halloween.

We have three new books on the shelves. One is for our younger readers, a paperback called *Stacey and the Bad Girls*. This selection is one of the famous Babysitter's Club series. The other two books are about famous people. Margaret Truman's *First Ladies* presents an intimate group portrait of White House wives. Leonard Nimoy has written his autobiography, *I Am Spock*, and it is ready for you to check and enjoy.

The Library received an informa-

tive video called Medicare and You. Part one of this video is entitled "Basics of Medicare". Part two explains visits to non-participating doctors. This video may answer some question you have about Medicare, and you may check it out from the Library, or you may watch it here.

The Library is pleased to present a special treat for the people of Motley County. On November 12, 1995, 2:00 - 6:00 p.m., Wyman Meinzer, wildlife photographer and author, will present a slide show and will autograph copies of his books at the Library. Mr. Meinzer has written and done the photography for two fascinating wildlife books, *Coyotes and Road Runners*. He is also the photographic wizard for a lovely book on playa lakes and the new *Lost Texas*. Mark November 12 on your calendar for an enjoyable couple of hours at the Library. You will be astounded and amazed as you see Mr. Meinzer's slides of two of this region's most seen, and heard, animals. More about this fun afternoon later.

Arts & Crafts Club Members Learn New Craft

The Motley County Arts and Crafts Club met October 2 for a very nice workshop, a covered dish luncheon and an extended business session.

Betty Simpson instructed the class in making decorative swags out of pinecones, pecans and various other trimmings. As the minutes slipped by, many beautiful swags developed. These will be used for fall or Christmas decorations, over doors, mantels, mirrors, and will add beauty and seasonal magic.

Lou Anne Jameson favored the members by assisting them in making lovely bows for each swag, giving it a professional touch. Watch for these in the Fall Bazaar.

The covered dish luncheon was the high for the day with good food, fun and visiting.

The business meeting was conducted by Betty Simpson in the absence of Club President, Joy Archer.

Much discussion followed. Plans were made for the November Bazaar, documents appointed, Christmas party was discussed.

The November meeting will be on quilted wall hangings and angel ornaments made from shoulder pads. It will be taught by Winifred Lee.

Members present were Betty Simpson, Lorene Lancaster, Dorothy Day, Joyce Meredith, Audry Jones, Elsie Thacker, Dora Watson, Geraldine Key, Bonnie Edmondson, Lou Anne Jameson, Toni Fellows, Winifred Lee, and Winifred Darsey.

Thanks to Betty for the work in bringing the pine cones, pecans, and instructions.

Final plans for bazaar will be made at the November 6 meeting. All members are urged to attend.

The Bazaar will be held at the Ford Garage building. See you there.

Grandparents are Mr. and Mrs. Norman Lewis of Wichita Falls and Mr. and Mrs. Larry Gregg of Iowa Park. Great-grandma is Bessie Young of Wichita Falls.

The family would like to express a special thank you to Ellen Smith.

Floydada Punkin Days Saturday

If you've been looking for something fun for the whole family to participate in, Floydada's Punkin Days celebration can provide it. Celebrated every year, this harvest party is held the last weekend every October to herald Floydada's claim as Pumpkin Capital U.S.A.

If the crops and weather cooperate, this year's festival should attract record crowds and a record number of pumpkins. The number of pumpkin growers continues to increase in Floyd County and this year approximately 2,000 acres, of pumpkins will be harvested.

This year's festival will kick off on Friday, October 27, when downtown merchants dress in a variety of different costume - each trying to outdo the other. Visitors will also enjoy a drive through Floydada neighborhoods to view homes decorated with fall and pumpkin themes.

Saturday morning, October 28, kicks off with a 5K race and fun run beginning at 8:30 a.m. Arts and crafts booths will be open for business beginning at 9:00 a.m. on the manicured lawn of the Courthouse. The booths feature home made items from all over the United States. It will be a great time to do a little early Christmas shopping. Local merchants will also feature great guys at downtown stores!

Judging will begin under the pavilion at 9:30 a.m., on entries of the smallest pumpkin, the largest pumpkin ugliest gourd, prettiest corn, best painted pumpkins, best carved pumpkin and best pumpkin pie. Entries will be accepted from all over Texas.

Smaller children will enjoy the special games created for them, including: a pumpkin drawing contest, pumpkin rolling race, the great pumpkin toss and pumpkin bowling. Those a little older can partake in a timed carving contest, seed spitting contest, wheelbarrow race and a pumpkin pie relay race.

The person who guesses the weight of the pumpkins piled in a trailer will win \$25.00, and prizes of \$200.00, \$300.00 and \$500.00 will be awarded

to the winners of the Cow Patty Bingo.

Trunk of Treating will begin at 6:15 p.m. at the high school park. Cars belonging to volunteers (screened by the committee) will be parked along the park with the trunk lids popped open. As the ghosts and goblins pass the vehicles they will be treated to the candy stored inside the trunks.

For more information on Punkin Days call the Punkin Day Chairman, Paul Sharp, 983-5116.

Kobbi Risser Recognized As SPC Scholar

Kobbi Risser from Matador was among 66 students recognized Sunday, October 8, at an annual South Plains College Scholars Recognition Luncheon.

Risser has been named a C.M. and Cora Sanders Scholar. She was recognized for her scholarship, academic achievement and leadership.

"It's really great to recognize students who have done well in high school and who continue to be suc-

cessful at South Plains College," said Dr. Gary McDaniel, SPC president. "We are also very appreciative of the many donors who provide the scholarship funds so that many of our students can go to college."

The keynote address for the banquet was given by Dr. Troy Johnson, an SPC alumnus and director of graduate admissions and enrollment management at Texas Tech University.

God Answers Prayers

I asked God for strength, that I may achieve;
I was made weak, that I might learn humbly to obey.
I asked for health, that I might do greater things,
I was given infirmity that I might do better things.

I asked for riches, that I might be happy;
I was given poverty, that I might be wise.
I asked for power, that I might have the praise of men;
I was given weakness, that I might feel the need of God

I asked for all things, that I might enjoy life;
I was given life, that I might enjoy all things.
I got nothing that I asked for,
But everything I had hoped for;
Almost despite myself for unspoken prayers were answered.
I am among all men, most richly blessed.

MC Cross Country Girls To Compete At Regional

by Coach Kim

The 1995 Varsity girls Cross Country team placed 2nd in the District 3-A Cross Country meet held at the Roaring Springs Ranch Club on Monday, October 23. They missed first place by only two points. The top two teams and top five individuals advance to the Regional meet on Saturday, November 4 at Mae Simmons Park in Lubbock.

Not only did our team qualify, we also had three individuals place in the

to five, Leigh Pipkin, Dodie Morris, and Sam Osborn.

All of the Cross Country runners did an excellent job this season. I will put a detailed article in next week's paper of the entire season from Junior High to High School.

The Individual results were as follows: Leigh Pipkin, 3rd (14:14); Dodie Morris, 4th (14:15); Sam Osborn, 5th (14:24); Stacie Neal, 6th (14:25); Jill Stanley, 27th (17:06); Leah Cruse, 34th (18:09); and Tonie Bowden, 38th (19:53).

Lindsey's Lines

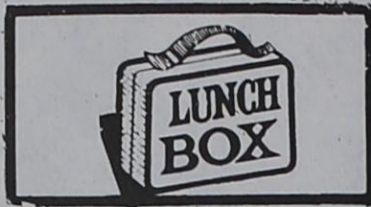

by Lindsey Williams

Last week the Student Council sponsored dress-up days each day of the week. The Student Council members voted on winners each day during HAT period and the winners were announced Friday at the Pep Rally.

Monday was slouch day and the winners were Rabeckah Jameson, Kevin Keltz, and Coach Kim Alexander. Tuesday was Hippy/Nerd Day and Tonie Bowden, Brad Thacker, and Kay Bingham were winners. On Wednesday, Hat, Tie, and Sock Day, Jarrod Brooks, Brandi Jameson, and Jane O'Pry were the chosen winners.

Thursday was Twinkie, Siamese Twins Day and Rabeckah Jameson and Jill Stanley won for the girls. The boys were Aaron Green and Jeremy Smith. All of the teachers dressed alike so they were all winners. Finally, Friday was red and black day and there were too many people to choose from so everyone was a winner.

Gift bags were given to the winners and everyone had lots of fun. We're looking forward to many more fun events that the Student Council will sponsor. What would we do without them?

Football

from page 1

The Mavericks traveled to Petersburg last week and played a very good game. Petersburg won by coming from behind in the fourth quarter. The final score of this game 20-14. We feel like we are improving weekly and will develop into a good football team as time passes. The Junior High game this week will be at home versus Kress at 5:00 on Thursday. We appreciate support both here Thursday afternoon and on Friday night in Kress.

Homecoming activities went very well last week and we would like to thank everyone involved with making it a success. Successful activities don't just happen; it takes the hard work of many people. Thanks from all the Matadors.

Please don't curse the boy down there. He is my son you see. He's only just a boy you know. He means a lot to me. I did not raise my son, dear fan, For you to call him names. He may not be a super-star, It's just a high school game. So please don't curse those boys down there, They do the best they can. They never tried to lose a game, They're boys and you're a man. The game belongs to them you see, You are just a guest. They do not need a fan like you, They need the very best. If you have nothing nice to say, Please leave the boys alone. And if you have no manners, Why don't you stay at home. So please don't curse those boys down there, Each one's his parent's son. Win or lose or tie, you see, To us they're "NUMBER ONE!"

Friday, October 27: High School Football, Kress, there, 7:30 p.m.

Saturday, October 28: Fall Harvest Carnival, 5:30 p.m.

Congratulations to...

Leigha Burns, the only 7th grader who qualified for the Duke University Talent Identification Program this year. Leigha's TLI (Texas Learning Index) score of 89 on the TAAS math test she took at the end of the sixth grade makes her eligible to take the SAT or ACT as

a 7th grader, and she will continue to receive information about academic programs for talented students throughout her high school career!

We're all very proud of you, Leigha!

There is nothing good in this world which time does not improve.

Where We Still Believe In Making House Calls

There's a house whose rooms I know by heart.

Where I tended the garden and read my books.

Where dreams were dreamt and memories made.

Where children grew up and I grew old.

There's a house where life was lived.

A house where I belong.

Roaring Springs Assembly of God Church Celebrates 50th Anniversary

The First Assembly of God in Roaring Springs celebrated their 50th Anniversary, Sunday, October 22.

On October 22, 1945, the Rev. Edna Dillard preached her first message in a rented building in Roaring Springs. Two years later the present church was built and has been serving Roaring Springs and surrounding communities ever since.

Sister Dillard, (or Granny) as she was affectionately known among her church family, pastored the church from the start up until May of 1990, when God called her home to glory. For 45 years she preached and loved everyone who passed through her church. She was one of God's "Earth Angels", who made this life a little easier for all who met her.

In 1991, Bro. Eric Brown and his family were called by the church to pastor, and were a blessing to all until May of 1993 when God moved them to Memphis to pastor there.

In June of 1993, the church called Bro. Rickey Lawrence and his family to be their pastor. Bro. Lawrence had been Sister Dillard's assistant pastor for several years in the 70's and 80's and is now in his third year at the Church.

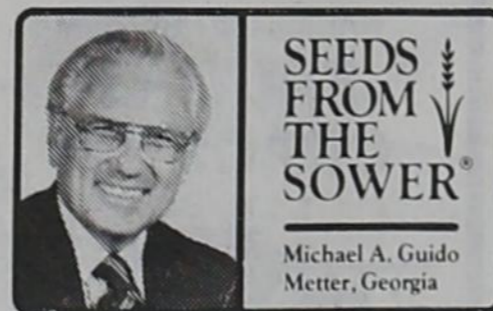

Sunday, October 22, 1995 began the church's 51st year with a tremendous blessing of God. The morning services included special singing by Penny Keltz and Kenneth Marvel, both longtime members of the church. After singing, prayer, and communion, Bro. Lawrence brought the morning message.

After church, the congregation, as well as many visitors were treated to a meal of fish and chicken catered by Danny's Hens and Fins of Lubbock. The meal was served outside on the church lawn and brought back memories of the old church socials, with eating and fellowship taking place outside, "on the ground."

After everyone had eaten their fill, the afternoon service of "good old Gospel singing" began around 2:00 p.m. Everyone was blessed by songs from Craig Stone, Ira and Ola Mae Sullivan, Patsy and Maurice Clifton, Callie Giesecke, Dumont Bridge, Jama Mayes, Nona Long, Sandra Miller, Mrs. Harvey Wampler, Rev. and Mrs. Henry Russell, Colleen Hyatt, Wanda Brawley, Diana Meyer, Janice Brown, Ossie Lee Brown, and Dana Graham, as well as hymns sung by all. It was

Never undertake anything for which you wouldn't have the courage to ask the blessings of Heaven.

—G.C. Lichtenberg

Last week at a coffee shop I heard a fellow say, "More sugar, please."

"Stir what you have," cried the waitress.

That's what Moses did. He didn't think he had much - just a staff. But he stirred what he had, and with it God parted the sea.

That's what David did. He didn't think he had much - just a sling. But he stirred what he had, and with it God destroyed the giant of Gath.

Like these men, God has blessed you with ability, and ability not used is ability abused.

You have ability. God wants your availability. So stir what you have!

truly a blessing from the Lord to hear and be a part of it.

Sprinkled in among the songs were testimonies given by Rev. Harvey Wampler, Rev. John Murdock, Corky Marshall, Monta Marshall, Barbara Armstrong, B.A. Hyatt, Sandra Miller, Diana Meyer, Rev. Colleen Hyatt, and Rev. Henry Russell.

Among those present were all of Sister Dillard's children, Mr. and Mrs. M.D. Gunstream (Thelma Dean), Mr. and Mrs. J.W. Marit, Mr. and Mrs. Bill Dillard, and Mr. and Mrs. Bennie Dillard. Grandchildren present were Don Dillard, Mr. and Mrs. Ross Graham (Dana), Jarrod and Joel, and Jama Mayes.

It was a day spent remembering 50 years of blessings and the hard work and dedication of a woman whose love, hard work, and dedication of a woman whose love and devotion touched an entire community. The Rev. Edna Dillard was one of those people, that if you're fortunate, you get to meet along life's journey, and Sunday showed how many lives she'd touched. The morning service was estimated at around 140 and approximately 180 to 200 were fed at the noon meal and enjoyed the afternoon service.

Granny touched and changed so many lives through God's anointing and it was evident Sunday, that she

will never be forgotten by anyone who was there.

FSA News

by Billy Wayne Denison
County Executive Director

Elections for the Motley County FSA Committee will be held from November 24 through December 4, 1995. Eligible voters must nominate candidates of their choice by no later than October 30, 1995. Nominating petitions were not mailed and if you wish to nominate an eligible candidate, you must request a petition from the FSA Office.

We encourage producers to take an active part in the election by nominat-

ing and/or voting. This election is even more important than ever, due to reorganization of our agency. As we understand, this new committee will be responsible for not only the usual programs of the past, such as commodity loans, establishment of bases, yields and quotas, conservation approvals, etc., but also will now take on responsibilities of crop insurance and farm loans to some extent.

DPS Says Use Caution For Halloween Driving

The month of October, cooler weather, leaves falling; all reminders that Halloween is just around the corner. For many, private parties have become the tradition, but for many others, Halloween is an opportunity to visit our neighborhood door to door.

For those who will be out collecting candy this Halloween, Trooper L.B. Snider, with the Texas Department of Public Safety offers these following tips:

- For Kids:**
- wear light colored clothing or reflective tape so you can be easily seen.
 - make sure your costume fits well.
 - face make up is preferred, but if you wear a mask, make sure that you can see through it.
 - small children should be accompanied by adults or older children.
 - trick or treat with friends. It's fun

and safer, too.

- carry a flashlight, it helps others to see you.
- trick or treat in a familiar neighborhood.
- only visit homes with porch lights on.

- For Parents:**
- motorists should drive slowly in residential areas.
 - be alert, watching for kids darting into the street between parked vehicles.
 - if you participate in Halloween, leave a porch light on.
 - remove obstructions in the walkways.
 - instruct your children in traffic safety, such as using sidewalks whenever possible.
 - advise your children not to eat the candy until you have had an opportunity to check it out.

(Reprinted from *Son Beams*, 1986) by June Keltz

This week America celebrates a holiday of darkness and ugliness. Most of us are ignorant of the actual origin and significance of this abominable celebration, but once we are informed, we are then responsible as Christians not to participate. We would never dream of being a part of sacrificing a human life on the altar of Satan, yet this is done every year on Halloween throughout the world. There are several thousand practicing witches in our own nation who congregate in Salem Mass. every October 31st to sacrifice human beings and cast spells on those whom they wish to destroy. This is not a fairy tale, this is reality. It is not new because God has dealt with it for aeons.

In Deuteronomy 18:9, 13, He declares - "When you enter the land which the Lord your God gives you, you shall not learn to imitate the detestable things of those nations. There shall not be found among you anyone

who makes his son or his daughter pass through the fire; one who uses divination, one who practices witchcraft, or one who interprets omens, or a sorcerer, or one who casts a spell, or a medium, or a spiritist, or one who calls up the dead. For whosoever does these things is detestable to the Lord; and because of these detestable things the Lord your God will drive them out before you. You shall be blameless before the Lord your God." Lev. 19:31 "Do not turn to mediums or spiritists, do not seek them out to be defiled by them." Lev. 20:6 "As for the person who turns to mediums and to spiritists, to play the harlot after them, I will also set my face against that person and will cut him off from among his people."

We are told by those in our courts that our children cannot pray in school and in many places nativity scenes are prohibited for public display, yet decorations of witches, skeletons, bats, and blackcats seem to be accepted every-

where. I, at one time, was guilty of this very thing. On Halloween night, I dressed as a witch and stood on my front porch stirring "brew" from a smoking black pot. I have asked God to forgive me and I ask you to forgive me. I did not know at that time that I was disobeying God and putting fear into little children.

Anytime we try to change world traditions or "buck the system," we immediately come to know the meaning of peer pressure, but somewhere, sometime there must be a people who will obey God rather than man's traditions when they are of an occultic nature. I believe we are that generation.

When an American says that he loves his country, he means not only that he loves the New England hills, the prairies glistening in the sun, the wide and rising plains, the great mountains, and the sea. He means that he loves an inner air, an inner light in which freedom lives and in which a man can draw the breath of self-respect.

Beef Cattle Symposium Set For November 8

2 CEU's Offered

The Caprock Beef Cattle Symposium will be held on Wednesday, November 8, 1995 at the Motley County School in Matador. The event will begin at 6:30 p.m. with registration and prime rib steak supper. Two (2) CEU's will be offered for recertification of private applicators license.

The symposium is designed to assist local beef producers in meeting the beef quality demands that govern today's meat industry. Dr. Dan Hale, Extension Meat Specialist - College Station, will discuss the National Beef Cattle Quality Audit and Management Strategies To Avoid Quality Discounts. Dr. Bill Mies, Animal Science professor at

Texas A&M University, will address Value Added Calf Programs and Beef Compositions to Meet Industry Demands.

The Caprock Beef Cattle Symposium is sponsored by Texas Agricultural Extension Service in Motley, Cottle, Childress, and Hall Counties, Pfizer Animal Health, Merck AgVet,

Dickens Electric Cooperative, and Stockman's. The prime rib steaks will be provided and prepared by the Texas Beef Industry Council.

Anyone planning to attend the Symposium must R.S.V.P. by Monday, November 6th. To R.S.V.P. or for additional information, contact Michael Clawson, Motley County Extension Agent, at (806) 347-2733.

Social Security Tips

by Mary Jane Shanes
Social Security Manager, Plainview

A FAMILY'S STORY

This is a story about a woman named Betty Jane (not her real name), who was born on August 14, 1935 - the same day that President Franklin D. Roosevelt signed the Social Security Act. Betty Jane's parents, Tom and Ethel, were too busy and too happy to notice, or comment about, the President signing the new law that would eventually play a big part in their lives and in Betty Jane's life.

In December 1936, Betty Jane's father got his Social Security card and the next month his employer began taking a small amount of money for Social Security taxes from his weekly wages. The employer matched the amount and sent the money to the Treasury Department. The country was in the midst of the Great Depression at the time and Tom was lucky to have a job.

The family gave little thought to the weekly Social Security contributions. They knew that when Tom was ready to retire, he would have a monthly check from Social Security.

When Tom turned 65 in 1959, he and Ethel decided it was time for him to retire. During the years, they had put some money away for retirement, so with their monthly Social Security benefits, Tom's pension from his employer, and their savings, their retirement years look comfortable for them. Ethel had never worked outside the home, but she was eligible for spouse's benefits.

By then Betty Jane was 24 and a newlywed. Two years later, she and her husband Jim were the proud parents of twins. But tragedy struck when the twins were 6 years old. Jim was fatally injured in an automobile accident.

Where would Betty Jane turn for help? Her parents were financially comfortable in their retirement, but did not have enough money to give her much help. Fortunately, Social Security could. Betty Jane and the children

began collecting monthly Social Security survivor benefits based on Jim's earnings. Betty Jane's benefits stopped when the twins reached age 18, but by then she had a job. (Mother's benefits now cease when the youngest child in her care reaches age 16). When the children's benefits ceased, they entered the workforce.

And now Betty Jane celebrates her 60th birthday on August 14 - the 60th anniversary of Social Security. She probably won't think about the historic significance of the day, but she will surely remember how much Social Security has meant to her and her family over the years. Her parents are now deceased and her children are raising their own families. By the way, now that Betty Jane is 60 years old, she is eligible to collect widow's benefits if she were ready to retire. Instead of retiring, Betty Jane has decided to keep on working for a few years. As she does, her additional earnings will increase the amount of benefits she will receive when she retires. If, for example, Betty Jane retires at age 65, she

will be eligible for a 100 percent widow's benefit or a benefit based on her own earnings. She will receive the higher of the two.

There are lots of Betty Jane stories in this country. At present, 43 million people receive monthly Social Security benefits, including 12.4 million children, spouses, widows and widowers who receive benefits because a worker in their family became disabled or died.

Emergency Farm Loan Applications Being Accepted

Applications for emergency farm loans for losses caused by flooding, high winds and hail, which occurred on June 4, 1995, are being accepted at the Farm Service Agency Office, Ag Credit Division, located in Spur, FSA Farm Credit Specialist Larry Clements said today.

Motley County is one of eight in Texas recently named by Secretary of Agriculture Dan Glickman eligible for loans to cover part of actual production losses resulting from the flooding high winds and hail, which occurred on June 4, 1995.

Larry Clements said farmers may be eligible for loans of up to 80 percent of their actual losses or the operating loan needed to continue in business or \$500,000, whichever is less. For farmers unable to obtain credit from private commercial lenders, the interest is 3.75

percent. "As a general rule, a farmer must have suffered at least a 30 percent loss of production to be eligible for an FSA emergency loan," Clements said. Farmers participating in the PIK or Federal Crop Insurance program will have to figure in proceeds from those programs in determining their loss.

"Applications for loans under this emergency designation will be accepted until May 13, 1996 but farmers should apply as soon as possible. Delays in applying could create backlogs in processing and possibly over into the new farming season," Larry Clements said.

FSA, Ag Credit Division, is a credit agency of the U.S. Department of Agriculture. It is authorized to provide disaster emergency loans to recognized farmers who work at and rely on farm-

ing for a substantial part of their living. Eligibility is extended to individual farmers who are U.S. citizens and to farming partnerships, corporations or

cooperatives in which U.S. citizens hold a majority interest.

The FSA office in Spur is open from 8:00 a.m. to 4:30 p.m. Monday through Friday.

Have you ever tried to play a violin when the strings were loose? Don't!

It was my first recital. I was about ten. I had tuned my violin. But when my back was turned a rascal loosened the strings.

The teacher introduced me. The audience welcomed me. I started to play. Oh, it was awful. The strings were loose.

Tension is essential to lovely music. And it's essential to a meaningful life. Let it work for your good and God's glory.

Use it creatively and you'll have harmony, not discord.

Public Notice

Pursuant to the Public Utility Regulatory Act of 1995 §§3.2532, 3.453, Southwestern Bell Telephone Co., (SWBT) has filed two applications for a new Local Access Service Tariff to allow:

- 1) Holders of a Service Provider Certificate of Operating Authority (SPCOA) to resell SWBT's local exchange service to the SPCOA's end user customer, and, 2) Local Service Providers (LSPs) to resell SWBT's new usage sensitive local connection (USLC) in the provisioning of their local exchange service to their end users. These services will enable LSPs to offer local exchange service to their end user customers.

Persons who wish to comment on or intervene in this proceeding concerning these tariffs should notify the Commission by November 28, 1995 in writing and refer to SOAH Docket Nos. 473-95-1209/473-95-1210 and Docket Nos. 14658/14659. The comment or intervention request should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Blvd., 400N, Austin, Texas 78757. If you have questions regarding the above docket numbers you may call the Public Utility Commission Public Information Office at (512) 458-0223 or (512) 458-0227, or (512) 458-0221 teletypewriter for the deaf.

Aviso Público

Según el Decreto, §§3.2532, 3.453, del Reglamento de Servicios Públicos de 1995, la compañía Southwestern Bell Telephone, (SWBT) ha llenado dos solicitudes pidiendo una nueva Tarifa para Acceso de Servicio Local, la cual permitirá: 1) A los poseedores de un Certificado de Servicio Proveedor de Autoridad Operacional, (CSPAO) revender el servicio de la central local de SWBT al consumidor de los CSPAO, y, 2) A los Proveedores de Servicio Local (PSL), revender la nueva Conexión de Consumo Local Sensitivo (CCLS) en el abastecimiento del servicio de la central local a sus consumidores. Estos servicios permitirán a los PSL ofrecer servicio de la central local a sus consumidores.

Personas que deseen hacer algún comentario o intervenir en el procedimiento relacionado a estas tarifas, deben notificar por escrito a la Comisión para el 28 de noviembre de 1995 y referirse a SOAH números de rólulo: 473-95-1209/473-95-1210 y al números de rólulo: 14658/14659. El comentario o la intervención solicitada debe ser enviada a: Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, 400N, Austin, Texas 78757. Si tiene alguna pregunta acerca de los números de rólulo antes mencionados, puede llamar a la oficina de información de la Comisión de Servicios Públicos al (512) 458-0223, (512) 458-0227 ó al (512) 458-0221 con teletipo para personas con impedimentos auditivos.

THANK YOU

To our Church family of First Assembly of God in Roaring Springs:

Words cannot describe the joy we felt Sunday at our 50th Anniversary of the Church. We know that each one of you worked, planned, and prayed very hard to make it the success it was. Granny would have been very proud of you all! Being pastor of this church is truly a blessing from God for us. We thank you from the depths of our souls and pray that God will abundantly bless each and everyone of you.

We love you all,
Rickey, Naomi, Chad, and Casey

The First Assembly of God in Roaring Springs would like to give a special thank you to for making our 50th Anniversary such a joy, to Kenneth Marshall for helping set up our video equipment, Jeff Thacker and Thacker Supply for the loan of a T.V. (so no one would miss a moment of the service), J.N. Fletcher and the Community Volunteers for the loan of the chairs, LaVoe Thacker and Predicta Study Club for the loan of more chairs, and to the Rev. Ron Kelley and the Methodist Church for the use of an extra communion set. Folks like you all let us know that God's love is still alive and well in this area.

Thanks again,
Rickey and Naomi Lawrence

Let all bitterness, wrath, and anger, and clamour and evil speaking, be put away from you, with all malice. And be ye kind one to another, tender-hearted, forgiving one another, even as God for Christ's sake hath forgiven you.
