County-Wide Meeting to Discuss Creating Hospital District

Rains-Fog Blanket Panhandle

VOICE OF THE Foothill Country

Matador Tribune

70TH YEAR—No. 37

MATADOR, MOTLEY COUNTY, TEXAS, THURSDAY, NOVEMBER 19, 1964

PRICE SEVEN CENTS

SLOW SOAKING rains that started Sunday and continued with showers, fog and drizzle until publishing time late yesterday, have greatly relieved the drought situation in West Texas.

Rainfall in Motley county has varied in all areas, with Matador apparently receiving less than most communities. Bob Stanley had recorded a total of 2.30 at 2:30 yesterday afternoon. Judge Elbert Reeves said he had registered 1.70 inches on his farm three miles north-east of town.

Leon Smallwood said Campbell and Burleson ranches in the foothills west of town had recorded 2.80 inches. Reports from Flomot and Northfield indicate about 2 inches. Roaring Springs had recorded .85-in. with about one inch at the Air Port.

Heavy showers Sunday afternoon brought good moisture to an area northwest from Whiteflat to beyond Flomot. While cotton harvest has been brought to a standstill, wheat is greatly benefited throughout the area. Ranchers say range conditions are aided because of the excessive dry condition resulting from the heat and drought for the past months.

LIGHTNING CAUSES BREAK IN SERVICE

A freak bolt of lightning which struck the West Texas Utilities line between Matador and Roaring Springs at 11:40 Monday night, resulted in the loss of five heavy pole structures, and caused Roaring Springs to be without power for about seven hours.

Manager Freddie Welling said the tops of the big poles were shattered almost like they had exploded. Working at night in the rain and fog, repairmen experienced difficulties in attempting to restore service, since the line is in the Matador Ranch pasture and not easily accessible.

MISS DONNA WILLIAMS
Donna Williams In 'Who's Who'

Another Matador High School graduate has been added to the list of those who, in past years, have been selected for "Who's Who in American Colleges and Universities."

She is Miss Donna Williams, daughter of Mrs. Earl Stephens of Matador and Jack Williams of Portales, N. M. A senior student at West Texas State University, Miss Williams is president of Pi Omega Pi, honor business fraternity, and has been elected to represent the organization at the National convention in Chicago, December 28-30.

Qualifications for "Who's Who" require high scholastic average and activities participation with leadership qualities shown.

Miss Williams was salutatorian of her high school graduation class of 1961. She attended South Plains Junior college in Levelland, where she was active in numerous campus organizations, and has been recognized for various achievements since entering WTSU.

Recently she was on stage with Dr. Franz Palgar when he presented a demonstration on telepathy and hypnosis at WT.

TRAIL DUST

By DOUGLAS MEADOR

A friend who has spent much more time pumping water for half-starved cattle than replacing water gaps, says it never rains too much in West Texas. If it does, the condition is like a hang-over and soon passes away.

Matadors Keep Scoring Pace With 14-6 Win

by Tim Green

EIGHTH victory of the fading 1964 season was credited Friday night to the Matador Matadors with a 14-6 triumph over the Rule Bobcats. The Matadors led by a substantial margin in all phases of statistics, but could not build up a big lead score-wise. They led in last downs 19-3, in yards rushing 308-94, and in yards passing 25-0.

The first score of the game came in the first period, as a result of a Rule fumble recovered by John Thomas. The Matadors then proceeded to march 53 yards in 12 plays for a touchdown, with Richard Campbell traveling the final four yards for the score. Extra point try failed.

In the second period Ronnie Cox pounced upon another Rule fumble to give the Matadors possession on the Rule 30 yard line. The Matadors drove in for the score with Richard Campbell making the TD on a seven yard scamper. Kenneth Pitts then took the ball on the extra (Continued on back page)

Claud Hall and Mae Cagle (Snow) are on the right. At the left is Dr. L. F. Sheffy and Esther Cammack (Kleinschmidt). Dr. Sheffy, a professor for many years at West Texas University, Canyon, is now retired. The photo, made in 1914, is owned by Miss Verlin Reeves.

MISS GENEY SPRAY
Geney Spray in LBJ Ranch Group

Meeting Very Important People is becoming a habit with Geney Spray, daughter of Mr. and Mrs. Jack Spray, a Matador High School graduate and former Girl Friday at the Matador Tribune.

Miss Spray was one of the approximately 200 Texas newswomen who were entertained at the pre-election barbecue given by Mrs. Lyndon Johnson at the LBJ Ranch last month, to introduce cabinet wives Mrs. Robert S. McNamara, Mrs. Willard Wirtz, and Mrs. Orville Freeman.

She is a staff writer for the Denton Record-Chronicle while attending North Texas State University where she is a junior student. Her major is journalism.

Her report of the trip, with a by-line was page 1 copy in the Record Chronicle, together with a photo of Mrs. Johnson greeting a guest, which she (Geney) snapped. It was, she confessed, her first attempt as a "professional" photographer.

In a personal report of the trip, to the Tribune, Geney declared, "Whole Affair—Was Really The Deal—allowed me to meet some newswomen from Washington and New York on a professional basis—not to mention (Continued on back page)

LATCH IS OUT FOR VISITORS

The latch string is out in Matador for homecoming visitors, and a special page ad in this week's Tribune extends a hearty Welcome on behalf of merchants and individuals.

In addition to the announced schedule, plans have been made by two classes, '44 and '53 to hold reunions. Other classes will also probably get together for gab-fests.

Registration will begin Friday at 9 a.m. at the high school building. The lunch room will be open for visitors for the noon meal, and the program is scheduled to begin at 1:30, followed by a business meeting. A Pep Rally by the high school will be staged at 3 o'clock. Visiting and reunions will be in progress until 5:30 when a barbecue supper will be served at the American Legion building, at \$1.25 per plate.

Following the Homecoming football game with Turkey, all ex-students and teachers will return to the Legion hall for a Homecoming party.

Thanksgiving Service is Set

Special union services in observance of Thanksgiving are announced for Wednesday night, Nov. 25 at the First Baptist Church, with a message by the pastor, Rev. James Hancock. A cordial invitation is extended everyone in this and adjoining communities to join in this season of special Thanksgiving.

John Morgan Rogers of Phoenix, Arizona and his brother-in-law, Jerry Barila of Prescott, Arizona visited here last week with relatives and were accompanied on their return to Prescott by the former's mother, Mrs. Mary Rogers, who will make her home there. She has been staying here with her sister, Miss Annie Mae Jackson, the past several months.

Lions will Expand Christmas Program

CHRISTMAS will start early this year, according to Boss Lion Freddie Welling, who has appointed almost every member of the civic club on some phase of the Christmas program.

The Santa parade, scheduled for Saturday, December 12, will be expanded with various business firms entering floats. He strongly urged more decorations of business places and homes for the holidays and said trophies will be presented.

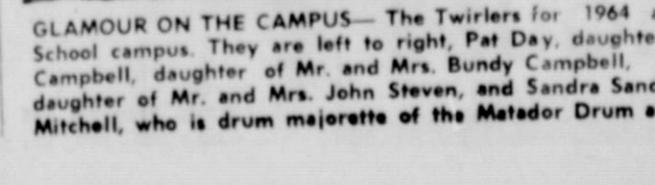

Santa Claus will ride in the parade and other attractions will be announced as the season advances.

At the regular luncheon meeting Tuesday a report was made of the Saturday mop and broom sale by Chairman Ward Rattan. Net profit from the sale was approximately \$118.

The program Tuesday was a film on the Lions Crippled Children Camp at Kerrville and voluntary contributions after the meeting for the support of the camp, was about \$90. Excellent turkey and dressing luncheon was served by Eternas Study Club members.

HOME FROM HOSPITAL

H. Blevins returned home from West Texas Hospital, Lubbock, Wednesday of last week and returned yesterday for a check-up, receiving a favorable report. Mrs. Blevins and Lewis were with him during his hospitalization, and joining them in Lubbock and here were other children, Mr. and Mrs. Ray Blevins and family of Hugoton, Kansas, Mr. and Mrs. Walter Ray and children, Pilot Point, and Mr. and Mrs. Jimmy Rainbolt and family of Spur.

GLAMOUR ON THE CAMPUS—The Twirlers for 1964 are shown above on Matador High School campus. They are left to right, Pat Day, daughter of Mr. and Mrs. E. A. Day, Olivia Campbell, daughter of Mr. and Mrs. Bundy Campbell, Head Majorette Shelley Stevens, daughter of Mr. and Mrs. John Steven, and Sandra Sandefer, daughter of Mr. and Mrs. Bob Mitchell, who is drum majorette of the Matador Drum and Bugle Corps.

PROBLEM of hospital facilities here in the future will be discussed at a county-wide meeting in the District Court room Monday night, November 30, starting at 7:30 p.m.

First public announcement of the meeting was made Monday morning at the directors meeting of the Matador Lions Club and again at the regular luncheon meeting Tuesday noon.

Purpose of the meeting is to discuss the hospital problem as it may affect the county in the future. Joe Smith of Lubbock will explain the problem and answer questions of interested residents.

It was pointed out that the meeting is not being "promoted" by any group or individual, but that a serious problem is arising and should be understood by residents of this county.

The problem will be explained in detail and tax-paying residents will decide whether or not they wish to call an election that will create a Motley County Hospital District.

Boss Lion Freddie Welling appointed a committee to represent the Lions Club, including J. M. Hill, chairman, Farris Fish, Douglas Meador and J. E. Edwards. County Judge Elbert Reeves will represent the Commissioners Court.

It is hoped that all communities in the county will be represented at the meeting which is open to the public. It was pointed out that future action will be a direct mandate of the people attending the meeting after they have understood the problem.

Gilbreaths Return From Funeral Trip

Mr. and Mrs. Vance Gilbreath returned home Monday last week from Kempner, near Lampasas, where they were called at the death of his mother, Mrs. Maud Gilbreath, 85. Mrs. Gilbreath died Nov. 6 at her home 10 miles east of Lampasas, following a heart attack. She was born in 1879 in Lampasas County.

Funeral services were held at 2 p.m. Sunday, Nov. 8 at the Kempner Methodist Church.

She is survived by one son, Vance Gilbreath, Matador, and three daughters, Mrs. George Hill of El Paso, Mrs. C. L. Lambert of Monahans and Mrs. Bessie Hereford of Kempner, also six grandchildren.

Death Learned of Former Residents

Mrs. Stella Tilson received a message Saturday night of the death of Dewey Tilson, 66, of Natural Bridge, Virginia, brother of the late Tom Tilson, and former resident of the county. He was buried Sunday in Lexington, Va. His survivors are his wife, and three married children, Sumner, Ann and Sallie and several grandchildren.

The death of another former resident, Mrs. Chas. F. Adams, was learned this week through a message to Mrs. R. E. Donovan, secretary of the Ex-Students Association from Mr. Adams, of Kingman, Arizona. She was the former Bessie Owens and passed away March 11, 1964.

Former Resident Dies in Santa Ana

Vernon Campbell, former Flomot resident died recently at Santa Ana, Texas.

He is survived by his wife, Jane, two sons Billy and Bud, and one daughter, Carol Sue, all of the home, his mother, Mrs. A. E. Campbell of Santa Ana; three brothers, Wendell, Herman and Happy; and one sister, Mrs. Jack Parnell of Paducah.

Mesdames Allie Martin, Lazie Pyron, Ralph Stapleton and Harrison George visited in Paducah last week with Mrs. A. E. Campbell in the home of her daughter, Mrs. Jack Parnell.

HOUSEWARMING HELD

A surprise "housewarming" was held Saturday night, Oct. 31 for Mrs. Ben Hughes and Mr. and Mrs. Butch Hughes. Friends attended from Quitaque, Flomot and Turkey.

Mrs. L. B. Isbell visited in Paducah last week with Mr. and Mrs. Zack Isbell.

Mrs. W. R. Tinney visited her mother in Abilene last week end.

Harmon Moseley has been a patient in the Groom Hospital as results from a fall Mr. and Mrs. Rodney Hammons visited Mr. and Mrs. Moseley and Barbara during the week end, and Rev. and Mrs. Edd Spivey, formerly of Flomot also visited Barbara Moseley while she was in Groom Hospital.

Willie Bullins of California is visiting his daughter and family, Mr. and Mrs. A. D. Moseley.

Increase Noted In Enrollment

With an enrollment of 106 students the first day of school and 146 at the end of the first six-week period, Flomot Independent School System shows a slightly better than 7 per cent increase over 1963.

According to figures released by Supt. A. J. Barron, the average daily attendance was 118 compared with 110 at the same time in 1963. This compares favorably with a low of 71 in 1960-61. "Flomot's trend is for growth while many other schools in this area are losing ADA," he commented.

Supt. Barron tends to explain this growth to the qualifications of the faculty. Six of the eight members of the faculty have a Master Degree, and only one person is teaching outside his major field.

Improvements Made By Flomot School

Two concrete tennis courts, equipped with lights, and glass backboards in the gymnasium are recent improvements made in the Flomot School plant according to a release by Supt. A. J. Barron. The backboards were installed following the program used in other schools of the conference, and were placed four feet from the end-bound lines according to requirements. The old backboards had not been moved when the rules were changed several years ago. Modern fan-blower type heaters have been purchased and

will increase the heating capacity of the gym as well as stimulate the circulation of warm air.

Other improvements include several items of playground equipment which are on order or being set up in concrete at this time.

"These improvements will add many hours of enjoyment to the students of Flomot School as well as making possible an improved educational program," said Supt. Barron.

IN APPRECIATION

We appreciate every act of kindness and thoughtfulness that has been shown us during our recent accidents and illness. Thank you for the beautiful flowers, lovely cards, good food, gifts and your visits. May God bless your lives as you have blessed ours, is our prayer.

***Equal Payment Plan**

Budget minded? Aren't we all? Now you can know every month just what your electric service bill will be. West Texas Utilities Co. has a new plan for residential customers... a new Equal Payment Plan. They will estimate the amount of electric service you will use in the next year and divide it into 12 equal even-dollar payments. This estimate is based on your past electric service usage, or in the case of a new customer, on similar accounts.

To keep the payments balanced, your account is reviewed monthly and yearly. If your actual metered electric usage differs materially from the estimate... due to a new major appliance or unusual conditions... you are notified that a change, up or down, in your monthly payments is needed. You may join at any time. The Equal Payment Plan Year ends with your 12th monthly payment. If at the end of the EPP year you have used more, or less, than the estimated amount, your 12th monthly payment will be increased or decreased to balance the account. Call or visit your WTU office... ask for complete details of the Equal Payment Plan now.

Boy Cheerleaders Highlight Rally

A new touch of variety was added to the pep rally last Friday — boy cheerleaders! Every year some junior boys are selected to lead the student body in a few yells. This year's jumping cuties were Ronnie Cox, Dickie Garrison, Danny Davis, Robin McAnally, Charles and Chip Smith.

Coach Barr was guest adult speaker at the rally, encouraging the boys with his sense of humor. In addition, two sophomore football players, Dick Moss and Max Barton gave short pep talks.

BASKETBALL GIRLS TO SELL HOMECOMING MUMS

In the next few days, several people will probably be approached by sweet, innocent looking MHS Basketball girls carrying white pads and pencils. The reason is that the Basketball Girls are selling Homecoming Chrysanthemum corsages to everyone and everything they see. The corsages will be made by Matador Floral, and come in white with red and black ribbons, red numbers or letters, and a gold miniature football. They will cost two dollars each.

Two Senior Girls Visit West Texas U

Two MHS seniors, Lynn Cook and Linda Tilson, attended West Texas University's annual Senior Day on October 31. Mrs. Bill Cook accompanied the girls to Canyon.

WTU had extended a written

invitation to all high school seniors.

The first activity of the day was a Coke party held in the Student Union Building at 2 o'clock. At 4 o'clock a tour of the campus was conducted. The girls enjoyed visiting WTU's famous historical Pioneer Museum. They also toured many of the dorms and other campus buildings.

The highlight of Senior Day was the exciting football game between WTU and San Jose State, which WTU won 18-7. Halftime activities included entertaining shows by WTU Sam Houston Fives, the Plainview High School Band, and the WTU Band. Following the game, the girls attended an after-the-game party at the Student Union Building.

"The Branding Iron"

The freshmen have begun their term themes. They are writing science themes that will contain from 800 to 1000 words.

Mr. Hal Dean Hines is the new student Vo-Ag teacher. Welcome to MHS.

The Pep Club is selling ribbons for the three conference football games. They are a dime for the first two games, and will cost 50 cents for the Turkey Homecoming game ribbon, which has a picture of the team and the roster on it.

Mrs. Timmons has opened a gallery of her collection of senior pictures. Called "Rogue's Gallery," the notice says: Want-

ed Alive! For going berserk after four years of English. Not Dangerous. No Reward. Would just appreciate having them around a while longer. Seniors feel free to join by leaving your picture here for the gallery.

We goofed! Last week's football preview was written by Gary Campbell, not Tim Green! Sorry, Gary!

"Limelight Laddie"

"Limelight Lassie"

If the senior class were asked to name the most typical cowgirl of the class, they would not doubt vote unanimously for Jane Briscoe. Jane has been riding horses since she was four, and she "lives and breathes" everything western. Cowboys, barrel racing in rodeos, and horses (especially one named Goober) figure predominately in her special likes. In addition, she is a talented actress, a good dancer, and a popular personality.

The daughter of Mr. and Mrs. John Briscoe, Linda Jane was born in Matador, January 25, 1947. She has lived here all her life.

Jane's school activities are too numerous to list, but it should be mentioned that she was one of the outstanding comedienne of the Junior class, is Pep Club secretary for this year, and is also co-captain of the girl's basketball team for '64-65.

Her ambition includes a college education. She plans to major in drama or business at South Plains College and at Texas Tech.

It is a tribute to Larry's personality that, when asked what his special likes were, he said, "Everything." This includes pool, pinball machines, and any kind of music just as long as it's western.

Larry is undecided about what he would like to do after finishing high school.

BEGINNER'S SPOTLIGHT

Betty Sue Markham, the daughter of Mr. and Mrs. Elvin Markham, was born February 18, 1958, in Matador. Betty Sue is the youngest in a family of five. She has three brothers, Gary, Larry, and Dale, and one sister, Nancy. Her father is the Matador County Road Supervisor.

Nancy says she is still undecided about the future. However, she says, "I like school, work, and Mrs. Gilbreath."

Hal Dean Hines is Ag Student Teacher

The Vocational Agriculture Department of Matador High is proud to have Hal Dean Hines as a practice teacher.

He will be here the next six weeks and will begin teaching this week under the supervision of Mr. Bill Moss.

Each new member received an FHA emblem. These were Cathey Clem, Linda Collier, Cloretta McGee, Diana Meredith, Cheryl Moore, Roma Redd, Brenda Watson and Wanda Durham.

Following the ceremony, a short business meeting was held. Wanda Durham was elected chapter pianist and Joey Thacker was elected FHA Sweetheart.

Youth Present Legion Program

Several young people presented the program Monday night for regular monthly meeting of American Legion and Auxiliary, following the usual covered dish supper.

Mrs. R. C. Giesecke, Auxiliary President gave a talk on the significance of Poppy Day and announced that poppies will be on sale here, Saturday. The Teen Tones, Judy Gwinn, Janie Killingsworth, and Patsy Hankins sang several numbers and Miss Hankins was principal speaker of the evening.

The perils of communism and life under communistic regime were described in vivid detail by Miss Hankins who attended a citizenship seminar in Huntsville, in August. There she heard such outstanding speakers as Dr. Geo. Benson, a missionary in China, who had been forced out by communists; Dr. Clifton Ganus, who had made a study of European life and socialism; John Noble, who had spent nine and a half years in slave camps in Germany and Russia; and Cleon Skousen, author of "Naked Communist."

Post Commander R. C. Giesecke announced the program for Veterans Day scheduled next Wednesday at 8 p.m. in the Legion building.

Gifts for the hospital gift shops for disabled veterans were brought, and all members who have not contributed are urged to do so by the 12th. The gifts are to be shipped in time for veterans to use them for Christmas gifts for their families and loved ones.

Eastern Star School Attended by State and District Dignitaries

The Eastern Star School of instruction, held in the Masonic hall on November 10, opened with sixteen Grand officers and one General Grand Chapter officer present. There were 156 registered for the school, with 73 receiving "A" certificates and 15 receiving "B" certificates.

The hall was decorated in an autumn motif for the occasion. Coffee, cookies and doughnuts were served by the Matador Chapter during registration, which began at 8 a.m. Mrs. Grace Campbell was refreshments chairman.

The school for the morning session was called to order by the school Chairman Mrs. Erma Lee Lowrie of Dodson, Deputy Grand Matron of District 2 Section 3 School Officers of the day were introduced and presented a very effective drill. The Grand officers were then introduced and instructions were begun.

The school adjourned at noon for luncheon at El Matador Restaurant for the Grand officers and officers of the school. Mrs. Etiole Stanley gave the welcome, and musical entertainment was provided by the "Sour-dough Notes," a high school combo composed of Gary Campbell, Richard Campbell, Patsy Hankins, Jamie Killingsworth, Nancy Bond and Judy Gwinn. At 1:30 p.m. the school was reopened and continued instructions until 4 o'clock, and was then closed.

Guests At Banquet

The day's activities were concluded with a 6 o'clock banquet in the basement of the First Methodist Church, served by the Woman's Society of Christian Service.

Mrs. Jean Cooper was chairman of the banquet. Decorations featured the Worthy Grand Matron's theme, "Horizon of Hope," and emblem, "The Balance." Following talks by Grand officers, piano selections were presented by Miss Rachel Patton, and Mrs. Donna Knight of Dodson, daughter of the Deputy Grand Matron, played an accordion solo.

ATTEND SCOTTISH RITE

Mr. and Mrs. D. E. Pitts attended the Scottish Rite Reunion in Dallas last week, going down Saturday and returning on Thursday.

Mr. and Mrs. Sam Ross also attended the reunion.

Mr. and Mrs. Garland Rattan and son, David of Boys Ranch visited his parents Mr. and Mrs. Ward Rattan recently.

Mr. and Mrs. J. E. Taylor spent the week end in Abilene last week end with his niece and family, Mr. and Mrs. David Kirkland and son, Jon. They were accompanied home by Jon, who will remain here with them for two weeks while his mother undergoes surgery.

guests reassembled in the Masonic hall for the evening session. The joint Fraternal Visit of the Worthy Grand Matron Mrs. Amy Goebel of Waco was opened with a very impressive drill led by Mrs. Etiole Stanley and Mrs. Jerry Campbell with twenty members from Matador and Roaring Springs chapters. The Welfare Drill was then presented by the Worthy Matrons of District 2 section 5.

The Chapter was opened in ritualistic form with Mrs. Wilna Hobbs, Worthy Matron of Matador Chapter presiding. The Grand officers were again presented and introduced. Greetings were brought by Mrs. Goebel and Past Grand Patron Charlie Barfield. Dr. James H. Goettee of Houston, Worthy Grand Patron was unable to attend.

Talks were made by Mrs. Hattie Lucille Gilbert, General Grand Chapter officer and Deputy Grand Matron Erma Lee Lowrie. A tribute to the Worthy Grand Matron Mrs. Goebel, was given by Mrs. Anna Lee Brade-foot, and a solo was sung by Mrs. Lee Ella Seale of the Clarendon chapter. Worthy Matron Wilna Hobbs performed the ritualistic closing.

In addition to those mentioned, other officers instructing the school were Grand Examiner, Mrs. Katherine Harbour of Shamrock and District Deputy Grand Matron of District 2, Mrs. Margaret Jackson of Lubbock.

School Days Skit Revives Memories For Sunshine Club

Memories of "golden rule School Days" were revived for members of the Sunshine Club at a party held Thursday, Nov. 15 in the Youth Department of the Methodist Church. The meeting was held at 2 p.m.

Mrs. W. D. Lipscomb was leader of the program, which included a devotional by Mrs. Velma Mask. Visitors and new members were recognized and roll call was answered with each naming what she was most thankful for. Most of the women were thankful for good health. Announcement was made that date for the club's Christmas party had been set for December 3. At the time the members will tell, in roll call, their first memory of Santa Claus.

Following a duet by Mrs. Minnie Clifton and Mrs. Ocie Smallwood, a skit, "School Days," was given by several club visitors. With Mrs. Lipscomb as teacher.

The cast included Mrs. Kate Bourland as Mary; Mrs. Fern Henderson as Jane; Mrs. Belle Wilkinson as Becky; Mrs. Ida Morris as Bob; Mrs. Sally Huey as Tom; and Mrs. Sue-leeker Stapleton as Joe.

Mrs. James A. Jackson and 80th birthday cake

Pioneer Honored On 80th Birthday

The "pupils" wore clothing reminiscent of long ago. They spoke "pieces," drank from an old water pail, out of the same dipper; ate lunch from syrup cans, and staged a "spelling match." Jane brought an apple for the teacher because her piece was about an apple. Mary's piece was about boys, and Tom's piece was about girls. Joe was the "dunce" of the school and stood at the foot of the class.

Mrs. Maggie Hamilton led the entire group in a sing-song, including "School Days, School Days."

In addition to those named, others present were Meses. Lola Rattan, Muriel Shirley, Arrie Aulick, Bernice Knight, Bertha Eubank, Mamie Wright, Tose Day, Cinda Watson, Eula Robbins, Ruth Marshall, Cora Carter, Bess Patton, Lydia Patrick, Ona Green, Ina Price, Ida Pipkin, Emma Vaughn, May Simpson, Lemora Luckett, Bess McWilliams, Jane Norrid, Mollie Jones, Mattie Waybourn, Bertha Anderson, and Vinie Keltz, and Miss Mary Keith.

American Day is Observed by Club

The Present and Future of Americanism was the program topic discussed by Misses Amy Glenn and Sue Glenn at regular meeting of El Progresso Study Club in their home on Thursday, Nov. 12.

Mrs. Forrest Campbell, president, served as program leader in the absence of Mrs. W. N. Pipkin. The American's Creed read in unison by the club. Mrs. Glenn Woodruff, accompanied at the piano by Mrs. Van Francis, sang, "This House I Live In."

In her talk on Americanism, Present and Future, Miss Sue Glenn reminded the club members that they were approaching Thanksgiving Day and that there was much for which to be thankful. She mentioned many things from the past which had helped to make America great, and also the many steps forward in this generation.

She said, "History moves in a continuous stream. The present is founded on the past, and the future, when it comes, will be founded on what is now the present as well as what has gone before, therefore at no age can we afford to dispense with honor, integrity and responsibility. We must stand firm on our religious beliefs, united and convinced that we are all God's children and that a nation's greatness lies not in material things alone, but in an educated and dedicated people."

Miss Amy Glenn told of the visit she and her sister, made this summer in the home of Mr. and Mrs. Norman Leckie near Atlanta, Georgia. She described the condition there at this time, and of the many changes that had taken place since she lived there as a small child.

Miss Sue Glenn showed pictures of many beautiful places there and in North Carolina. The meeting was closed with prayer by Mrs. Leonard Dennis. Those present were, Mesdames Forrest Campbell, A. J. Daffern, G. E. Hamilton, Ben Keltz, W. D. Lipscomb, W. F. McCaghen, J. E. McCallie, Frank Montgomery, R. W. Overstreet, D. E. Pitts, Frank Pohl, Eldred Seigler, Fred Simpson, Ralph Stapleton, F. E. Thacker, M. S. Thacker, C. P. Waybourn, J. R. Whitworth, U. L. Willie, Harry Willett, Leonora Luckett, and Leonard Dennis, and two new members, Mrs. James Hancock and Mrs. Warren Clements.

Pioneer Honored On 80th Birthday

Grover Cleveland was elected President of the United States on Nov. 4, 1884. It was the same day Mrs. J. A. Jackson was born at Stephenville, Texas. She was Miss Bertha Wiseman until July 8, 1900 when she married James A. Jackson in Stephenville. They lived there until 1922 when they moved to Estacado, on the Plains. They lived there until 1925, when they came to Matador. Mr. Jackson died in 1947, but Mrs. Jackson has made Matador her home for almost 40 years.

Mrs. Jackson was honored Nov. 8 on the event of her 80th birthday at her home in East Matador. Seven of her ten children attended the birthday celebration. These included Mrs. Randall Rowena Hawk of Vernon, Jim Jackson of Amarillo, John Jackson, Wichita Falls, Edmond Jackson, Mrs. Walter (Elgie) Evans, Elmo (Moke) Jackson and Mrs. Lucille Gaines all of Matador; Elmer Jackson of California; Mrs. Joe (Janelle) Shirley of Odessa, and Mrs. Jewel Landrum of Matador were unable to be present. Mrs. Shirley was ill and Mrs. Landrum was in Odessa with her.

Other children and grandchildren making up the house-party were Mrs. Jim Jackson and children, Johnny, Jerry, Jimmy Jo and Gail of Amarillo; Randall Hawk and Carolyn, Vernon, and local residents, Walter Evans, Kathy, Margaret and Roger, Mrs. Elmo Jackson, and Kelly Jackson and Shelley.

Other local relatives who called included Mr. and Mrs. C. P. Jackson, Mr. and Mrs. Johnny Jackson; Mrs. L. J. Barkley, Mrs. Alvin Stearns, Mrs. J. D. Craven and Miss Rachel Patton.

A large number of friends and relatives called during the afternoon Sunday to extend best wishes to Mrs. Jackson on the occasion of her birthday.

Autumn Decorations

For the reception, held from 1 until 5 p.m., an autumn motif was featured in table and room decorations. The lace table cloth was underlaid with a russet cover, and an arrangement of brozen chrysanthemums centered the table. A daughter-in-law, Mrs. John Jackson of Wichita Falls presided at the silver coffee service. Mrs. Kelly Jackson, Matador, a granddaughter presided at the milk glass punch bowl and served the cake.

RECENT VISITORS

Recent visitors in the home of Mr. and Mrs. James Price and his grandmother, Mrs. Charlie Morris, were his mother and sister, Mrs. Grover Price of San Leandro, Calif., and Mrs. Tommie Sowell and her children, Lisa and Cathy, of Crane. Mrs. Price came to be with her mother during Mrs. Morris's illness following a heart attack.

Week end visitors in the home of Dr. and Mrs. Albert Traweck were his sister and husband, Mr. and Mrs. Vincent Potter of Houston. They visited also with another brother and family, Mr. and Mrs. Howard Traweck.

Mr. and Mrs. Pat Sheridan Jr. and children, Stevie, Cindy and Lisa of Lubbock were week end visitors with his parents, Mr. and Mrs. Pat Sheridan.

MATADOR

Matador Football Rated As Community Affair

From Amarillo Daily News

By Tommy Bryant

Football at Matador is a community affair.

From town citizen to football coach to football player, success is an old story.

Matador High School has been district champions eight times since 1954, bi-district winner seven times and six years has captured the regional title.

Class B teams play only to the regional level, so six times the Matadors have advanced as far as the rules will allow.

Since 1954, the Matadors own a 36-18-4 record against all competition. Class A and AA teams have handed Matador 13 of the 18 defeats.

Playing against Class B foes, the Matadors have rolled up a 78-52 mark, while scoring 367 points per game and allowing 8.7. Against all competitors, Matador has scored 32 points per game and given up 10.5.

Only three times since 1954 has Matador been shut out. Crowell blanked the Matadors in 1954. Turkey turned the trick in 1958 and Paducah shut them out in 1959.

Ray Hopkins, now coach at Perryton, was guiding the Matadors when they won the regional championship in 1954. He left after the 1955 season and C. D. Bradshaw coached for three years.

Charles Johnson, Matador High School principal has been head coach since 1959. He is seeking his sixth consecutive district championship. The Matadors have a 6-0-1 record for the year and stand 1-0 in District 6-B.

Johnson's overall record is 53-8-3. He has a 41-4-2 mark against Class B teams, including three regional championships. The last loss to a Class B team came in Nov. of 1961.

Football success usually is the result of superior material or superior coaching, or both.

Johnson says he certainly isn't a superior coach. In fact, he has tried several times to resign his position to devote full time to his principal's duties. The town's citizens won't hear of Charlie leaving his football post.

The Matador coach points to factors other than his coaching for success.

"Good football players help win about as much as anything," says modest Charlie.

In recent years, such players as Frank Thrasher (West Texas State), Richard Stafford (Texas Tech), Dayton Graham (West Texas State), Gale Stafford (TCU) and Alvin Lynn (West Texas State) have earned college scholarships.

This season, Johnson has several good individual players. Richard Campbell, 6-1 1/2, 212-pound fullback, is probably the top college prospect. Several Southwest Conference schools already have made inquiries as to his ability.

There are factors outside of Matador High School which help.

Forrest Campbell is one of many citizens who gives freely

of his time in helping the football team. Forrest's job is to keep statistics of each game and send a report of the team's complete statistics to area newspapers each week.

"Lions Club members take some of the load off the school by taking tickets at the game and selling programs," says Campbell. "Members of the club drive the players to out of town games. By using six to eight cars instead of a school bus, travel can be faster and easier on the players."

Campbell pointed out that the club members make every effort to help the team without interfering with the school's or Coach Johnson's running of the team.

The Matador VFW chapter also helps with football and runs the summer baseball program. Campbell says that Johnson puts the shoe on the other foot in the summer by doing the dirty work in the baseball program, such as cutting weeds around the field.

Hopkins, Johnson and Campbell give a great deal of credit for football success on the high school level to elementary school principal Jake Edwards.

Edwards, who has been coaching grade school football in Matador since 1950, not only is skilled in teaching fundamentals, but youngsters.

Matador, a ranching community, has a stable population. The seven seniors on this year's football team started to school together in the first grade.

Johnson doesn't have a football factory.

"The kids either want to play the game, or I don't let them," he says. "None of the boys are pressured into playing. Nine of the 37 boys in high school don't play football."

Conditioning plays a major role in success. "We believe that a team can be over-conditioned. Our boys aren't worked as hard as many other teams, but we're in top shape. That's the one thing a coach owes to his players."

Johnson says that the Matadors don't leave any game on the practice field. He believes that a team is either ready after Wednesday for a Friday game, or it won't be ready. The Matadors drill for two hours Monday through Wednesday, but Thursday's drill lasts only one hour, counting the time needed for changing in and out of uniforms.

"Our boys are accustomed to winning," says Johnson. "It's a sort of pride. It's easier to keep winning than to start."

Patton Springs NEWS

The community was saddened last week by the death of Jack Lawson. Sympathy is extended the entire family.

Dwight (Butch) Cagle of Fort Hood, spent last week end here with his parents, Mr. and Mrs. Doyle Cagle. He was accompanied by an army buddy who is a native of Tennessee and who for the first time got a close-up view of cotton growing in the fields, and also his first "goat-head" stickers.

Mrs. D. W. Hughes and Mrs. Tom Yeales spent Sunday in Aspermont with Mrs. Odal Mayfield, who was celebrating her birthday. They all attended services Sunday morning at First Baptist Church, in Aspermont. Also present for the occasion were Mrs. Mayfield's daughter and other family members.

Larry Lawson has been getting about on crutches, due to an injury received during football. Robert Chapman is carrying his right arm in a sling, with a badly injured hand after being accidentally run over by an automobile. Bill Dove spent several days in the Spur hospital.

There are factors outside of Matador High School which help.

Forrest Campbell is one of many citizens who gives freely

last week after being injured while at work.

Mrs. Peyton Legg visited last week in Haskell with her sister, Mrs. Pink Robertson.

Friends will be interested in knowing that Mrs. Robertson is reported much improved, and was able to take a few steps last week without a cane.

She was able to visit here during the week end in the Legg home.

Mr. and Mrs. Ray Bateman Jr. and sons of Idalou, visited during the week end in the Ray Bateman home.

Week end visitors in the R. W. Howard home were his mother, Mrs. Brazel, also his sister and brother-in-law.

LOCAL WOMEN ATTEND RECENT DEMO MEETING

Mrs. Harley Ragland and Mrs. Jerry Stalon were among the group from Dickens County who attended a Democratic rally in Lubbock, Oct. 29. Others from this county who attended were Mr. and Mrs. Raymond Eldridge and Mr. and Mrs. C. C. Crausbay of McAdoo.

Twenty two counties were represented at the luncheon held at the Plains Co-op building.

After the luncheon, Mrs. Ragland was asked to make six tape recordings on the boll weevil situation for six different radio stations in the South Plains area. The group then continued to a Lubbock TV station where they were guests at a TV show featuring a panel of six persons. G. B. Morris spoke on the panel for cotton.

ANOTHER 4-H AWARDS PROGRAM IS OVER, AND AS ALWAYS WILL BE THE CASE, SOME ARE HAPPY AND SOME ARE SAD, AS ALL CAN'T BE WINNERS OTHER THAN BY COUNTING WHAT THEY HAVE LEARNED AND EXPERIENCED. FOR THOSE WHO WERE WINNERS, CONGRATULATIONS, AND BEST WISHES TOWARD CONTINUING TO BE A WINNER. FOR THOSE WHO DID NOT WIN, CONTINUE WORKING, AND TRY HARDER TO BE ONE OF THE WINNERS NEXT YEAR.

Most of the winners are determined by the contest they enter, and records they submit, with only a few left to be determined by the 4-H leaders of the county. In these instances, work of the boy and girls is reviewed, and a secret vote taken. Only one medal arranged for by the state 4-H awards program can be presented to a boy or girl unless they are named as the Gold Star winner, which is the top honor in the county, then only the Gold Star and the program entered awards will be given.

Awards provided locally are not under this rule, therefore some receive more than one award, depending on the work they have done, and as for Rifle Club awards, how well the member fires and how many

times determine the number of medals won.

STOCKMEN SHOULD BE ON THE WATCH FOR GRASS TETANY, A CATTLE AILMENT THAT SOMETIMES POPS UP IN FALL AND WINTER. OATS, WHEAT, BARLEY AND RYE ARE CAPABLE OF PRODUCING THE SICKNESS, PARTICULARLY AFTER RAIN.

The disease is believed to be the result of an imbalance in body magnesium. Changing cattle from dry grass to lush winter pastures, or sudden temperature changes can encourage grass tetany. It is most likely to occur in the older, more mature cow that has just calved or is near calving, but also occurs in yearling calves that have just been put on lush pastures. The condition is characterized by lack of coordination, muscular tremors, excessive drooling and teeth grinding. Symptoms end with convulsions and coma six to 12 hours after the first signs.

Treatment is largely ineffective once the animal reaches coma. Intravenous injections of various magnesiums and calcium salts with dextrose is beneficial before coma.

Removal of cattle from lush pasture is the obvious prevention if grass tetany is suspected, however they can usually be left on the pasture if they are supplemented with coarse dry roughage. In California, an emergency ration of magnesium oxide, milo, and cottonseed meal is fed at the rate of 1 lb. per animal per day to help prevent the disease.

Those pressurized cans found around most homes and in the farm shop are potential bombs and the hazards involved should be recognized. Serious injuries and even some deaths have resulted from the explosion of pressurized cans. Heat is the greatest danger involved. Cans placed in a fire, though completely empty of the paint, hair spray or insecticide they once contained, will explode with great force and can cause injury if a person should be in range of the flying metal.

Keep all pressurized containers away from sunlight, hot radiators and other areas of high heat. Any heat above 100 degrees will create a hazard, and be sure to puncture cans before burning.

DISTRICT CAGE SCHEDULE MADE

Officials of Basketball district 12 B met in Turkey Wednesday evening to finish organizing the program for the 1964-1965 season. Among the business attended to was the selection of Quitaque for the 1965 boys and girls' tournaments with the boys scheduled for Feb. 11, 12 & 13 and the girls for Feb. 18-19 and 20.

The season will consist of a double-round robin of each team playing every other team on a home and visitors basis and then the District Tournament. Teams that win the round robin will be seeded in the District Tournament and if the Tournament winner is different from the regular season-play winner, they will have to play for the right to represent the district in bidistrict play.

Other business included setting the price of admission to all junior high or grade school games and all high school games at fifty cents for adults and twenty-five cents for all students.

In other business, the Spring Meet was awarded to Turkey. No date was set for this event.

Teams to watch in the district this year include Matador, Quitaque and Turkey in boys, and Matador, Estelline and Quitaque in girls.

The first game for the Matador teams in District play will be on January 5th at 7:00.

Talks by Teachers At Rule Pep Rally

Last week at the Rule Pep Rally, MHS students heard two talented speakers — Mrs. Timmons and Mr. Johnson. Needless to say, both speakers presented their views on football.

Mrs. Timmons began her talk on "Rules" with rules and clichés that are heard everyday and often do not apply to football, but she closed with the one important rule that does. If you want to be a success as a player, you gotta have love for the game.

She continued, "When 3:30 comes and the school day is over, and your best girl heads for Shacklets and fun galore, you don your suit and shoes and shield, and head for a work-out on Burleson Field. That takes love. When the kids are all downtown and having fun, and someone mentions a mid-night snack— But it's ten o'clock so you have to run— That takes love. When the field is snowy and cold and wet, and big bruisers keep your face in the mud and there they "set"—

Mr. Johnson followed later in the Rally, and it was apparent that he agreed with everything Mrs. Timmons had said.

That takes love. When you're black and blue and sore and "tard." And the coach yells — "Get on the ball and hit 'em hard!" That takes love. It's not just the glory and cheers of the crowd that makes you go. It's knowing that you have out-smarted, out-played and out-guessed your foe. That's the love. It's not just the popularity with the girls that makes you do your best— It's matching your strength against one like you and withstanding the test. That's the love. It's not just receiving write-ups and jackets that keep you in the game, it's knowing that you're young, alive and have the whole world to tame. That's the love. You may use the excuse that you have to play To please your folks or your girl or your coach— But deep within you know that you play because you love the game and play to win.

Mr. Johnson followed later in the Rally, and it was apparent that he agreed with everything Mrs. Timmons had said.

Who is the starting quarterback of the Matador Matadors, the guitar lead in the "Sourdough Singers," and the boy with a burning desire to get a brand new "Chevy" for graduation? Why none other than that personable senior, Gary Campbell. Gary's happy-go-lucky personality and quick wit have made him a favorite at Matador High School.

Although he was born in Abilene, October 17, 1946, Gary considers Matador his home. He moved here with his parents, Mr. and Mrs. Forrest Campbell, when he was only six years old.

Gary likes almost everything including "certain girls," folk music, and the St. Louis Cardinals. Included in his few dislikes are shaving, having to be home at curfew, and this puzzle — all cars not Chevrolets.

Gary has been a valuable asset to MHS in many ways, but particularly in all sports — football, baseball, basketball, tennis, track, and volleyball. In addition, he is reporter for 4-H, and has been both the Assistant and the Sports Editor on the paper staff. Gary plans to attend Texas Tech next year.

net did good work for the Patton team.

Sandra Sandefer led the Matador B team to a 29-22 win by scoring 13 points followed by Deborah Tilson with 10 points and Glenda Sandefer 6. Cathy Lawrence, Billy Smith and Ann Marshall played good games at guards for the Matador B as did Judy Hale, Doris Hawley and Janice Thompson for Patton Springs.

Indispensable is the word for Lynn Cook, Matador High just could not have done without her. Her cheerful smile and winning ways have made her one of the best-liked students in school.

Born in Childress, Texas, on February 7, 1947, to Mr. and Mrs. W. R. Cook, Faye Lynn has lived in this county long enough to call it her home.

Faye Lynn's numerous school activities have included membership in the Drum and Bugle Corps, class vice president, FHA president, and Assistant Editor of the annual as well as photographer and typist. She was also a popular cheerleader her sophomore and junior years, and is president of the Pep Club at present.

Lynn's favorite likes are clothes, music, dancing, tennis, food, odd shaped bottles, and — when she has time for it — sleep. And she can't stand bossy people! Her ambition is to become a Home Economist.

Darrell, an industrious student, says of school, "I like to work in my books."

The FIFTH grade students have really enjoyed their experiments in science. They have observed the chemical changes produced when baking soda or baking powder is combined with vinegar.

Ann Timmons baked a cake using a recipe in the science book and served it to the class. From this they learned the purpose of each ingredient in a recipe.

The fifth grade has a new student, Debra Joyce Addison, who moved here from Wichita Falls.

Paula Pallmeyer and Glenda Stockton report that the THIRD grade students are studying the other countries of the world. To supplement their study the students have made globes from balloons.

The SIXTH grade celebrated Book Week by displaying interesting books.

As Thanksgiving is only a week away, the students have begun to decorate their room. Their decorations other than a cornucopia include turkeys and Pilgrims.

The EIGHTH grade has two new students, Judy and Kathy Addison. The girls moved here from Wichita Falls where they attended Hirschi Junior High School.

The eighth grade is studying the human body in science. Using a visible model of a man the students have studied the internal organs.

REMEMBER WHEN? If you're under 40 you won't remember your grandmother straining her back over this old fashioned washing apparatus. It's hard to believe that a washing machine like this actually existed and yet this 1905 model was the first one put on the market. In only 59 years, washing machines have improved to the point of complete automation. All the modern young housewife of 1964 does is put the clothes and detergent in her automatic, press a button, set a dial, and forget it. Isn't modernization remarkable? You too can gain the pleasure and satisfaction of push button washing. See your local appliance dealer right away.

Area Cotton Is Tops In Texas

(Delayed)
Cotton fiber strength classed in the USDA Memphis Cotton Classing Office from this area ranks the highest in the state of Texas, according to news release by K. E. Voelkel, manager.
Mr. Voelkel, Friday, told a Tribune reporter that the best cotton from the 18 counties (57 gins) his office serves, comes from the Roaring Springs area. He said classing is slow this season as compared with the same date in 1963, with 3400 samples classed during the week ending Oct. 30, and almost 23,000 a year ago. He said most farmers are waiting for a killing

frost which occurred last season Nov. 18.
Voelkel said cotton with good fiber strength usually gives less trouble in the manufacturing process than does weak fibered cotton. In a news release he said Pressley tests showed 76 percent of cotton of the eastern Panhandle tested 85,000 pounds per square inch and above which is strong and very strong.
He said cotton from this area is selling very readily with the exception of white grades which are destined for CCC loans.

A. E. Herring was Community Leader

With final rites here on Nov. 5 for A. E. (Ernest) Herring, another early-day church and civic leader was laid to rest. He was the last member of the pioneer A. W. Herring family.
Born September 8, 1882 at Palo Pinto, Texas, Andrew Ernest Herring died November 3, 1964 at the age of 82 years, 1 month and 26 days.

Funeral services were held at the First Baptist Church, with Rev. L. B. Edwards, Flomot Baptist pastor officiating. Burial was in East Mound Cemetery under the direction of Seigler Funeral Home.

Pallbearers were Alvin Stearns, Farris Fish, Howard Edmondson, Howard Trawsek, Pat Sheridan and Elbert Reeves.
Mr. Herring came to Matador in 1903 with his parents and family from Rock Creek in Parker County. The family was active in the First Baptist Church and Ernest Herring served as choir director for many years. He was employed as Assistant Cashier of the First State Bank from 1913 until 1917.

He was married here to Miss Lettie Criswell, December 25, 1912 and they continued to make this their home until moving to Tahoka. They moved to Kress where he was engaged in the grocery business. Later they moved to El Paso. Mrs. Herring preceded her husband in death March 30, 1961. Mr. Herring had made his home in Lubbock about four years.

Survivors are nieces and nephews. Those attending funeral services were Clyde Herring of Plainview, Mr. and Mrs. Clint Herring, Post, Mr. and Mrs. Harry Donahay (former Sue Fedric) and her sister, Mrs. Niel (Bessie) Krietberg, all of Clovis, N. M. and Mr. and Mrs. Ernest Fisher of Flomot.

Other relatives present included Mr. and Mrs. Joe Fisher and Donald Davis, Lubbock; Mrs. Hub Hicks of Lake Thomas, the former Juandell Davis, Mrs. Dan Ellis of San Angelo, the former Lena Mae Davis, and former Lena Mae Davis, and Mrs. M. M. Herring of Dallas. Also surviving are other nieces and nephews, Mrs. H. L.

The snow-capped Hindukush range of mountains separates Afghanistan from Russia and Red China — hence we saw more Russians here than any place else, and were told that the white bread — which was quite good, came from a Russian bakery.
I cherish the small pottery bowl I bought for fifteen cents. It is quite crude, made by the most primitive methods, but it is nicely shaped and is the color of the sky above Afghanistan.
The King's Gardens near Kabul, capital city of Afghanistan were green and well-kept. Here we were invited to attend a native tea-party which was being given by friends of our guide.
While we were in Kabul there was a United Nations seminar on Human Rights. There were delegates from 23 Asiatic nations. I talked with a Pakistani woman who was with UNESCO. She had attended Fordham University in the U.S.A. and was hopeful of improvements in conditions.

Shiraz Iran is the city of roses, night-in-gales and heroes — Cyrus, Darius, Xerxes, and Artaxerxes — the ruins of whose cities, palaces, temples and tombs are at nearby Persepolis. Lovers of ancient history find these ruins, which have been excavated to a depth of forty feet, most interesting and inspiring. It is fascinating to look at the imposing steps, which were built for horses to climb, columns, gateways, por-ticoes, statuary and stone carvings, and to think of the mighty ancient Persian Empire. Scores of rulers and generals and thousands and thousands of slaves and soldiers were involved in its building.
The hotel with its garden at Shiraz was among the nicest and prettiest of our trip. Saffron was used as flavoring in many of the dishes of our meals. The weather was very pleasant.

Interviews Mr. John

"International barriers would melt away if such problems were turned over to the women — fashionably beautiful women, says one of the world's top-most designers, John P. John who goes by the name Mr. John," Geney wrote after an interview with the famed personality in his gold and white million dollar New York studio in September.

She was in New York attending the World's Fair with her NTSU classmate, Miss Dianne Lapovich of Detroit Michigan. She obtained the exclusive interview by telephone appointment through Mr. John's publicity manager and secretary.

The following week, back in Texas, Geney was on hand when the dean of chapeaux attended the 27th annual Neiman-Marcus exposition of fashions in Dallas.

Rites Held for Former Resident

Funeral services for Mrs. T. B. Alsip, 88, former resident were held here at 2 p.m. Monday in the Church of Christ with Minister Leonard Dennis officiating.

Burial was in East Mound Cemetery under the direction of Seigler Funeral Home. Pallbearers were Bill McCaghren, J. C. Green Jr., Lewis Blevins, Kirby Campbell, Edgar Lee and Raby Webb.

Mrs. Alsip died early Sunday morning in the home of her daughter in Amarillo, where she had been living for almost a year. She was a member of the Church of Christ.

She was born Alice Ophelia Millard, November 9, 1876 at Hillsboro, Texas, and was married there to Thomas B. Alsip on February 23, 1896. The couple moved to Matador in 1935 from Lendreth, N. M. and made this their home until his death January 11, 1962. Mr. Alsip lived to celebrate with his wife, their 65th wedding anniversary in 1961. Mrs. Alsip continued to live here for a time following her husband's death, then made her home with her children. She died on November 15, 1964 at the age of 88 years and 6 days.

She is survived by four daughters, Mrs. Erema Boring, Albuquerque, N. M., Mrs. Loyce Gibbons, Amarillo; Mrs. Roy Keith, Rushville, Mo., and Mrs. Frank Cook, Canadian; two sons, Burt Alsip, Albuquerque, and Audie Alsip, Nebraska; a brother, George Millard of Hereford; six sisters, Mrs. Belle Jackson, Sweetwater; Mrs. Genia Berry, Erick, Okla.; Mrs. Margie George, Rio Hondo, Tex.; Mrs. Nellie Wilder, Mineral Wells; Mrs. Dessie Woodriddle, Harlingen; and Mrs. Della Rankin, Fort Worth; 27 grandchildren, 30 great-grandchildren and one great-great-grandchild.

point try and drove over for two more points. At halftime Matador led 14-0.

After a scoreless third quarter the Rule Bobcats went in for their only score of the game in the final quarter. The Bobcat tally, as all touchdowns were, was set up by a fumble on the Matador 40. Three plays later Lyndell Norwood raced 28 yards for the score. Extra point try failed.

To run out the remaining time left in the game, the Matadors marched from their own 21 yard line to the Rule 18, when the buzzer sounded.

Richard Campbell rushed 147 yards in 24 tries, followed by Tim Green, 21 carries for 87 yards; Kenneth Pitts, 11 carries for 53 yards; and Charles Ezzell, 5 carries for 34 yards. Tom Green, Danny Davis, Charles Ezzell, and Larry Keltz were the primary contributors for the Matadors in the blocking phase of the game.

On defense, Richard Campbell had 8 tackles, Ronnie Cox 3, Tim Green 6, Dickie Garrison 5, and John Thomas 5. Larry Bynum and Gary Campbell, defensive and offensive specialists respectively, played excellent games.

The Matadors had the ball for 75 plays in the game, while Rule had the ball only 37 times. The Matadors had one touchdown called back on a penalty in the game.

Roaring Springs To Hold Service For Thanksgiving

Turks Coming to Homecoming Game

by Gary Campbell

Arch rivals of the Matador Matadors, the Turkey Turks will be here Friday night for the homecoming tilt on Burleson Field. Barring bad weather, a capacity crowd is expected.

The Turks are smaller than the Matadors, but are scrappy and fast. They are led by a hard-charging fullback, Barry Lane, who tips the scales at 158 pounds and is classified as a junior. Jacky Young, a 150 pound senior, handles the man-under chokes, and has fine speed and a good passing arm. He has a first class receiver in sophomore end Harvey Case — a former Matador boy. Coach Kenneth Barr, who scouted the Turks, praised the lanky lad and said he was one of the best pass receivers he had ever seen.

Roy Gene Stephens, a 160 pound senior, runs the halfback slot and is probably the shiftest and fastest boy on the team. Jerry Lane, 160 pound junior, runs slot back and is a real good boy.

One-hundred seventy pound tackle David Driskill is the best lineman. Driskill and Case are joined in the line by Jim Robinson, Johnny Chandler, Denny Holland, Rodney Mullins, and Charles Hamner.

TO OUR FRIENDS

We want to express our deepest appreciation to our many friends for the prayers that were offered, for the cards, those who visited and sat up at the hospital and those who gave blood, the beautiful floral offerings, all the food prepared for us, and for the contributions to the memorial funds in memory of Jack. Our prayer is that God may bless each of you.

Mrs. Jack Lawson, Larry, Randy, Tommy and Karen
