THURSDAY, FEBRUARY 15, 1968

LYNX TEAMS WIN

Weather Snow Falls

Snow, which began falling Monday and continued through Wednesday, left 4 1/2 inches on the ground in the Spearman area.

The cold front held day time temperatures to 25 degrees Tuesday and Wednesday. The low recorded Tuesday night was 15.

Moisture content from the snow measured .35 on the official weather gauge according to Mrs. H. P. Cates, US Weather observer.

This is the first February moisture and the third snow for the winter season.

Seven students of the Vocational Nurse class at Hansford Hospital received their caps in exercises held Friday night. These women have completed their pre-clinical phase of their vocational training under the direction of Mrs. Joan McClellan; Front row: L to R: Shirley Thompson, Edith Womble, Caro Lee Frantz, Dollie Baker, Back row L to R: Eloise Renner, RN, director of nurses; Margaret Smith, Oleta Yancey, Nona Schell and Joan McClellan, RN.

In district battles played in Fritch Tuesday evening, the Lynx and Lynettes both won their games.

Spearman girls defeated Sanford-Fritch by a score of 63-47.

Scores by quarters were Fritch 13-Spearman 15, Fritch 22-Spearman 30; Fritch 33-Spearman 49; Fritch-47-Spearman 63.

The boys won by a score of 75-68 with Charles Shield-knight high point with 28 for Spearman. Scores by quarters were Spearman 10, Fritch 11; Spearman 32, Fritch 28; Spearman 59, Fritch 47; Spearman 75 and Fritch 68.

This Friday night is Basketball Homecoming for the undefeated Lynx and Lynette ball teams.

Highlight of the evening will be the crowning of a Basketball Queen and King. The royalty will be selected by team members from four queen candidates and four king candidates. Lynettes will chose the King while the Lynx will name their Queen.

Both varsity teams will meet the Stinnett Rattlers Friday night in Lynx gymnasium. This will be the last game for Stinnett teams. Spearman teams have another scheduled game with Panhandle February 20 in Panhandle. The Lynx also have a make-up game with Dalhart yet.

Cheerleaders are in charge of Friday night homecoming activities. Head cheerleader Marsha Schumann said the group will be selling mum corsages throughout the week.

Crowning of Basketball Queen and King will take place immediately following the girl's game. Last year's King was Carl Close, Nancy McCullough was Queen.

Half Of All Credit Sales Spent Outside Of Spearman

One-half of the 3,035 credit reports issued through the Spearman Retail Credit Corporation last year were on Spearman people who spent their money out of town.

Amarillo and Borger received the biggest part of this out-of-town money.

According to Mrs. Susie J. Hand, Manager, she issued 3,035 credit reports in 1967, an increase of 13 per cent over the previous year. This annual report also showed a substantial increase in the percentage of credit sales as compared to cash sales. Credit sales reached an all-time high last year.

A great part of these out of town credit reports were requested from oil companies for credit cards, farm fertilizer and farm fuel. A lot of this money would be spent in Spearman and Hansford county with local dealers. However, the local Credit Bureau also issued a large number of credit reports on persons doing business with out-of-town furniture and appliance dealers and clothing firms. Finance companies in Amarillo and Borger were high on the list of firms calling for credit reports on Spearman citizens.

Prior to World War II most credit bureau business was generated in local communities. But with a mobile population and big increases in national credit organizations, most credit bureau business now is generated OUTSIDE THE LOCAL COMMUNITY.

The Spearman Retail Credit Corporation is in the process of changing its name to Credit Bureau of Hansford County since many Gruver and Morse merchants are purchasing memberships and making use of the credit bureau's services.

Anyone in this area who might be interested in a job with the Spearman Police Department is asked to contact Chief of Police Leland Woods. Nichols, who has worked with the police department the past 18 months, resigned last week to take up full time work with the Medina Children's Home. He will work and counsel with boys at the Medina home.

LIONS ENJOY MEETING

The Spearman Lions Club enjoyed their regular Tuesday meeting, with guest speaker Malouf Abraham, representative, from Canadian. Mr. Abraham was accompanied by his charming wife.

Other guests Tuesday, included president of the school board, Lloyd Buzzard, and John Wilde.

City Council Studies Proposal

Telephone Co. Pleas For Over-All Rate Increase

General Telephone officials met with the City council Monday night and presented preliminary proposals for an over-all rate increase for phone service.

Councilmen were asked to study the proposals for rate adjustments and be ready to answer the telephone company at a meeting set for February 26.

In a financial statement presented the council for study, (for the year ending Sept. 30, 1967) the company lists a net operating income of \$32,223.81. The total for operating revenue was \$138,334.52 and showed a \$103,820.43 operating expense. At the present rate the Company shows a 5.02 rate base return. At proposed rates the Company would realize a 6.74 percent return on their investment.

At proposed rates the company would show a \$43,307.04 income against the \$32,223.81 they now list.

At the proposed rate increase, the Company would make the following changes: Business, 1 party from \$11.50 to \$13.25; Resident 1 party from \$5.50 to \$6.75; Resident 2 party \$4.50 to \$5.75; Rural Resident \$5.25 to \$6.50; Rural business from \$9.00 to \$11.00 (the first figure is the rate now being charged.)

A local physician was present at the meeting Monday night to give his opinions as to the present service. The doctor listed several instances of his inability to obtain quick service which is so necessary in hospitals and doctor's offices. As this was not the meeting when the company would hear this type complaint, the doctor was asked to be present at the Feb. 26 meeting when this type of business will be taken up.

Council members said letters of recommendation as to the rate increases and service complaints will be read at the Feb. 26 meeting.

The Council will ask the company for explanations as to why they did not show (on the financial statement) any long range planning for improvements, future enlargement, when Company plans to go direct-dialing, etc. One council spokesman

said with the Company asking for a 15% increase on all business telephones, 23% increase on 1-party lines, 28% increase on a 2-party line, etc., he felt the Company should reveal some long range improvement plans.

General Telephone officials, staff members and personnel will meet with city councilmen on Feb. 26 to answer any question concerning this proposal and current existing conditions.

The meeting is open to the public.

'Cotton John' Dies In Houston

J. Garland Smith, a newsman better known by his nickname of "Cotton John" was buried in Amarillo Monday.

He died Friday at the age of 48 at MD Anderson Hospital in Houston while awaiting a routine post-operative X-ray treatment for an intestinal inflammation.

Smith acquired the nickname as "Cotton John" during the three years he was farm editor for the Amarillo Daily News in 1949 while the government's new cotton acreage allotment program was being initiated.

He was well known in Spearman and Hansford County and had visited here many times. He has been master of ceremonies on many occasions for local 4-H and F.F.A. Stock show, Farm Bureau banquets, rodeo celebrations, wherever and whenever Hansford County farmers and ranchers had need of him!

Besides his wife and three children, he leaves a host of friends throughout the Golden Spread area who mourn his passing.

MRS. VIOLA HUTTON SURGICAL PATIENTS

Mrs. Viola Hutton is a patient in St. Anthony Hospital this week. She had surgery Monday Feb. 12.

Her daughters, Mrs. Glen Mackie and Mrs. Don Allison are with her. They report their mother doing fine.

Nurses Capped Here Friday

The First Baptist Church was the scene for the second capping ceremony for the Hansford Hospital School of Vocational Nursing at 7:30 p. m., Friday, Feb. 9.

Mrs. Bill Strawn, pianist, played processional and recessional marches as students walked the aisle and took their places on the platform.

Miss Vermell Meador, RN, Director of Nurses at Highland General Hospital, Pampa, addressed the students outlining the qualities necessary to become a successful nurse.

Mr. S. M. Anderson, administrator for Hansford Hospital, introduced Mrs. Eloise Renner, RN, director of nurses, and Mrs. Joan McClellan, RN, student nurse instructor. Mrs. McClellan introduced the students and Mrs. Renner capped.

Rev. B. T. Shoemaker pronounced the benediction. This is the second class of student nurses to be capped. The first class which took State Board exams last October, made such excellent grades it ranked first in the State of Texas. This was the first time a first-year school had ever achieved this honor.

Much credit is due Hansford Hospital officials and instructor, Mrs. Joan McClellan, as well as those who studied and worked so hard to become Licensed Vocational Nurses.

Supt. Reeves Given Three Year Contract

The Spearman school board conducted routine business matters in the regular monthly meeting held Monday night. All members were present.

Two items of new business were acted upon: The school board election date was set for April 6 and Supt. B. E. Reeves' contract was extended.

J. L. Brock was appointed as judge of the trustee election with Mrs. Jane Meek and Mrs. Pat Cates named as clerks. Absentee voting will be held in the County Judge's office in the courthouse, beginning March 18 and ending April 2.

School board members whose terms expire include Lloyd Buzzard, Marvin Jones and Ray Moore. The board extended Superintendent B. E. Reeves' contract for three years.

Lt. Whitson In Thick Of Fighting

Lt. Bob Whitson informed his parents, Mr. and Mrs. Jack Whitson that he had been in the thick of fighting, at Than Thiet, near Saigon, the past week. Lt. Whitson stated that he lost a good friend, in the fighting and that the air strikes had saved his unit. He stated to his parents that he had gone 5 days and 5 nights without any sleep, during the heavy fighting of the past week.

His father, Jack Whitson said, however that he was resting now, and was doing fine.

Lt. Whitson is a Unit Commander, Quartermaster Corp. of the First Cavalry Division.

Billy Womble Joins Marines

Billy Ed Womble, son of Harold L. Womble, Spearman enlisted in the U. S. Marines on January 29, 1st Sgt. Al Chism, NCO in charge of the Amarillo Recruiting Station said today. The new Marine is presently undergoing recruit training at Marine Corps Recruit Depot, San Diego, Calif. Billy is a graduate of Spearman High School.

Nelson Rites Held In Sedalia

Services for Mrs. N. T. Nelson of Sedalia, Mo. were held Wednesday, Feb. 14 at the Ewing Funeral Home there. Mrs. Nelson was the mother of Roscoe Nelson of Spearman.

Mrs. Nelson, 77, passed away Monday, Feb. 12 at her home. Other survivors include the husband of the home, a son Raymond of Sedalia, and 8 grandchildren.

SURGICAL PATIENTS RETURNED HOME

Garland Head returned home Sunday from St. Anthony Hospital in Oklahoma City where he underwent surgery for the removal of a knee cap.

Darrel Longley, who also had been a patient there for leg therapy, returned Sunday with the Heads.

Men Charged With Theft

Hansford County Sheriff J. B. Cooke cleared up a cigarette machine theft Thursday Feb. 9 with the arrest of two rural men, residents of Ochiltree County.

The machine was stolen from the Easy automatic laundry Tuesday night, Feb. 6. The theft was reported on the 7th, the arrest was made on the 8th.

The machine was retrieved from a dump ground located on the Dan Pearson farm 25 miles southeast of Spearman. The men were charged with theft over \$50. Both were bound over to action of the Grand Jury and placed under \$1,500.00 bond.

Mr. and Mrs. Arthur Brown of Sun City, Kans. spent the weekend here visiting in the home of their daughter, Mr. and Mrs. Gary Davis.

Candidates Have Filed

Additional filings with Democratic chairman of Hansford County the past week included the following candidates asking election to their respective offices: Robert Gallaway, District Attorney 84th Judicial Dist. J. R. "Dick" Brown of Hartley County, Representative of the 18th Congressional District.

Precinct Chairmen: No. 3-Don McLain, No. 4-Roy Riley, No. 7-W. L. Johnson, No. 10-J. L. Brock.

All candidates for public office are seeking election subject to May 4 primaries. Deadline for filing ended February 5.

Spearman Needs A Slogan, Contest Is Now Underway

The Chamber of Commerce is looking for a slogan, a brief and striking phrase which can be adopted for use in advertising and promoting the city of Spearman!

This week the Chamber made the announcement that a contest is now underway. The contest is open to everyone, no age limit, and the person who submits the best slogan will receive \$25.00.

The Chamber reserves the right to use the slogan, or not use the slogan. The best slogan writer will receive the prize, but the slogan has to be good enough before the Chamber will adopt it for use on signs, letter heads, etc.

Deadline for the contest will be midnight March 16th. Send in your slogan (as many as you like) to the Chamber office, P.O. Box 161, Spearman, Tex. 79081.

Rules for the slogan contest follow:

1. Keep slogan to seven words or less
2. Deadline for entries is midnight March 16.
3. Earliest postmark will be honored in case of duplication.
4. The C of C board of directors has the right to use the winning slogan any way it sees fit.
5. Entries to be mailed or delivered to Chamber office.
6. State name, address, telephone number and slogan on plain piece of white paper.
7. Anyone may enter (no age limit) as many slogans as they want. Entries welcomed from clubs, organizations, etc.

CANYON--Two Spearman students have been listed on the fall semester honor roll at West Texas State University.

To be named to the roll, a student must be taking at least 15 semester hours and compile a 2.5 out of a possible 3.0 grade point average.

Frances E. Whitson, daughter of Mr. and Mrs. Jack Whitson, was listed with a 2.8 average.

Barbara Kilgore, daughter of Mr. and Mrs. G. R. Kilgore, compiled a 2.6 average. Both are sophomore elementary education majors.

HOSPITAL NEWS

Patients in Hansford Hospital this week are Dorothy Lusby, Gwenford Lackey, Barbara Mitchell, Lou Omohundro, Nettie Phelps, Hiram Wilbanks, Dr. F. J. Dailly, Mae Garrett, Dixie Tracy, Byron Henderson, Sue Roberts and daughter, Deanna Kenney, and John Wright.

Dismissals were Ethel Davis, Tressie Maize, Linda McLain, Renae Woody, Connie Beltran, Gayla Mathews, Virginia Smith, Jenna V. Ownbey, Gwenford Lackey, Deloris Oimes, Neva Day, and Ila Mae Willis.

Talent Show Date Set For April 5th

Chamber of Commerce officials, members of the Library board and Inter-Club Council members met last week to begin plans for a talent show.

Date for the show was set for April 5 at 7:30 in the high school auditorium in Spearman.

The purpose for the show is to raise funds for the new Hansford County Library building. It is not a contest, and no prizes will be offered.

The planning committee hopes to glean talent entries from all over the county and area, and is inviting any and all types of talent to enter the show. Groups or individuals interested in performing in the show are asked to contact Orville Brummett or Mrs. Frank Porter.

Hansford Implement Co. Host Show For Farmers

Mr. Gene Cudd, Hansford Implement Company, is issuing a special invitation to all farmers of this area to attend a big John Deere show at 7:00 p. m. Thursday, Feb. 15 at the dealer's store, Highway 15, Spearman.

"Farming Frontiers '68" show is planned for the farmer and features a new management-oriented film event about subjects which could affect the way you farm and the crops you grow before 1970.

Chet Huntley, NBC newscaster, will narrate "What's New In The Long Green Line for '68." Some of the interesting subjects covered by this famous commentator will cover Hybrid wheat, automa-

tic irrigation, new cotton which thrives in cold weather, new shot for shipping fever, and many others.

Can computers solve farm management problems? Are there new crop varieties for this area? What's the latest in agricultural research? How important is Japan to our agricultural economy? The answer to these and many more questions will be answered at the Hansford Implement John Deere show Thursday Feb. 15.

Mr. Cudd has hosted this show for several years and it has always been a great success.

Refreshments will be served and valuable door prizes given at the meeting Thursday night.

Photo compliments of J. L. Brock

REDDY KILOWATT SNOWMAN... A 4 1/2 inch snowfall provided plenty of material and Community Public officials couldn't resist the temptation to try their art at snow sculpture. They provided the snowman with a big red light bulb for a nose and electrical plugs for his ears.

BILL BROWN REMAINS IN AMARILLO HOSPITAL
Bill Brown, well known Spearman farmer, remains in Northwest Hospital this week where his condition is listed as critical. Mr. Brown underwent surgery two weeks ago.

Mr. and Mrs. Dan Jackson and Mr. and Mrs. Ira Harbour visited a friend, Mrs. Forest Frances of Kenton, Okla. in St. Anthony's Hospital Monday. They also visited with Mrs. Viola Hutton.

**Sue Bradford
In Lead Role**

Starring in the lead role for the 1968 homecoming play at Wayland Baptist College, Plainview, will be Miss Sue Bradford, a junior English major from Spearman. As "mama" Miss Bradford will portray a kind, bemused Norwegian matron of the early nineteenth hundreds.

The play, "I Remember Mama", is written by John Van Druten. The story is told through a series of flashbacks to comical situations built around mama's encounter with

the doctor, uncle Chris who is head of the family, and various other personalities.

The play will be presented in Gates Hall auditorium Feb. 16-18.

Miss Bradford is the daughter of Mr. and Mrs. R.E. Bradford of Spearman.

**Holt HD Club
Met Feb 5**

The Holt Home Demonstration Club met February 5 in the home of Mrs. Marvin Jones.

The agent, Geraldine Mayes presented the program titled "Glove Etiquette". She also told of the history of gloves.

Mrs. Kirk showed color slides on treasure jewels.

Attending were Mmes. O. C. Holt, Medlin Patterson, Raymond Kirk, Fred Holt, W. C. Jackson, Mike Holt, Nolan Holt, the agent and the hostess.

Mrs. Meda Martin of Las Animas, Colo. is here visiting with her son, Mr. and Mrs. Elvin Martin and daughter, Mr. and Mrs. Raymond McCammond. Mrs. Martin's brother Claude Gore brought her to Spearman and visited a few days before going on to Ft. Worth to visit other relatives. Mrs. Martin will return home this weekend.

LATE SUMMER WEDDING PLANNED--Mr. and Mrs. Gene Cudd announce the engagement and approaching marriage of their daughter, Genette Sue, to Robert Clark Henderson, Jr., son of Mr. and Mrs. Robert Clark Henderson, Sr., of 10113 Saigon, El Paso. Both young people are senior students at McMurtry College in Abilene. A late summer wedding is planned.

**Rebekah Lodge
Met Thursday**

The Spearman Rebekah Lodge number 290 met Thursday, Feb. 8 at 7:30 p.m.

Frankie Duryce, Noble Grand, and Ina Mae Hughes, Vice Grand, presided.

An invitation from Perryton Lodge #225 to attend a district meeting and salad supper was read to the group. The meeting will be Feb. 19 in their Lodge hall.

Agnes Adams, Dist. Deputy President of Canadian, will conduct a school of instruction.

Silver drill for Myrtle Russell fund followed lodge routine.

Ann Shelton and Rose Cummings served refreshments to eleven.

**Dahlia Club
Selects Library
As 1968 Project**

The Dahlia Flower Club met Monday, Feb. 12 for their first meeting of the year in the home of Mrs. Harold Shaver.

The business session was conducted by the president, Mrs. Shaver.

The Inter-Club Council report was given by the delegate, Mrs. Irvin Delk.

Discussion was held on the talent show, fair float and the library was selected as the project of the year.

Mrs. Olin Sheets reviewed the book "Man Does Not Stand Alone" by A. Cressy Morrison.

Attending were Mmes. J.W. Walker, Garrett Allen, Olin Sheets, Irvin Delk, Deta Blodgett, Mabel Edwards, Lula Womble, Ervin Hester, H.M. Shedeck and the hostess.

holt news

FUTURE FARMERS of AMERICA WEEK
 FEB. 17th - 24th

**Learning to Do...
Doing to Learn...
Earning to Live...
Living to Serve...**

With this motto, Future Farmers of America prepare for careers of leadership and accomplishment in agriculture. During Future Farmers of America Week, February 17th to 24th, we especially salute our local FFA members for their many contributions to the good and growth of our community. Their dedicated efforts and achievements are truly outstanding.

NORTH PLAINS ELECTRIC

Valentine Banquet Honors Youth Of Baptist Church

Forty five youth of the First Baptist Church attended a banquet Saturday night, February 10, in the fellowship hall. This was the annual Valentine banquet honoring the youth of the church.

Roman Holiday was used as the decorating theme for the annual affair. White columns with garlands of ivy were placed throughout the room with Roman pictures decorating the walls. White and blue streamers were hanging from the ceiling.

The meal, which was prepared by the mothers, was served by the Junior G.A. girls dressed in white togas with gold crowns. Before dining, Rev. Shoemaker gave the invocation.

Lonnie Hiller was Master of Ceremonies and opened the program with the welcome. Youth council president, Debbie Hazelwood followed with recognitions. Debbie Thomas entertained with solos; "Dear Heart" and "What Now My Love."

Rev. and Mrs. Shoemaker crowned the Valentine king and queen for the occasion and presented Bibles to them. The king was Lonnie Hiller and the queen was Regina Smith.

Mr. Bob Strait presented the entertainment for the evening. Mr. Strait is a senior at Wayland Baptist College and is also the music and youth director at Olton Baptist Church. His wife assisted as he played the guitar and sang numerous songs.

Harley Hiller closed the banquet with the benediction.

PRICE NOMINATES 27 AREA YOUTH

Congressman Bob Price announced in Washington today the names of 37 Panhandle youth who received his nomination for appointment to the US Military, Naval,

Air Force and Merchant Marine Academies. The students made application for the nominations and were chosen on the basis of Civil Service Test Scores, high school academic records, athletic participation, and extracurricular activities.

Congressman Price stated that he made the nominations on an equally competing basis and that actual appointments would be announced later in the spring after the young men have been given physical examinations and College Board grades are known.

Price's nominees for the one vacancy at the US Military Academy, West Point, New York are: James Omar Kievit, Canyon; Jack William Pierce, Amarillo; Richard De Los Santos, Jr., Amarillo; William Darrell Schwab, Friona; Richard Louis Tarrant, Pampa; and Claude Lennon Taylor, Fritch.

The Congressman nominated 18 young men for the three vacancies at the US Naval Academy, Annapolis, Maryland. They are: Vacancy A—Glenn Franklin Bonner, Dumas; James David Devin, Dumas; Samuel Wood Line, Bushland; Ronald Claude McInturf, Dumas; Vincent Paul Stretch, Jr., Amarillo; and William Bernard Wyatt, Borger.

Vacancy B—William Wallace Brittain, Amarillo; James Donald Dale, Amarillo; Jimmy Joe Gruver, Gruver; R.D. Parks, Amarillo; Jack Carol Sanders, Tulia; and William Allen Swisher, Amarillo.

Vacancy C—Richard Ernest Brockman, Nazareth; Daniel Wayne Cameron, Pampa; Paul J. Grimes, Canyon; Robert Haines Matthews, Amarillo; Hurschel Leroy Sims, Tulia; and Charles Hayden Webb, Hartley.

Congressman Price's nominees for the two vacancies at the US Air Force Academy, Colorado Springs, Colo. are: Vacancy A—Brian Edwards Hyde, Amarillo; Jimmy Dale Jones, Paducah; Phillip Lee Jordan, Amarillo; Joe Cliff Reed, Kress, Patrick Joseph Sullivan, Dalhart; Joseph Patrick Walker, Hereford; Vacancy B—William Duncan Baker, Amarillo; Wendell Allen Hansard, Hedley; Charles Ray Ortega, Canadian; Brian Rains, Amarillo; Noe Villareal, Tulia; and Michael Dean Waugh, Canyon.

Price nominated ten young men from the 18th Congressional District for appointment to the US Merchant Marine Academy at Kings Point, New York, who will compete on a state-wide basis. They are: Daniel Wayne Cameron, Pampa; James Donald Dale, Amarillo; Jimmy Joe Gruver, Gruver; Charles Ray Ortega, Canadian; R.D. Parks, Amarillo; Jack Carol Sanders, Tulia; Hurschel Leroy Sims, Tulia; Richard Louis Tarrant, Pampa; Claude Lennon Taylor, Fritch; and Terrence Lynn Woods, Amarillo.

New Arrivals

Mr. and Mrs. Larry Roberts are the parents of a daughter born Feb. 11 at Hansford Hospital.

4-H Club News

Busy Bee 4-H
The Busy Bees 4-H Club met Monday, Feb. 5 at the Junior High Auditorium.

Delinda Head, president, called the meeting to order. The girls voted to begin knitting at their March meeting. Donna Montgomery led the group in a song.

R. L. McFarlin, Jr., sheriff's deputy, gave the program on "Bicycle Safety."

Six members were present: Pam Oakes, Delinda Head, Donna Montgomery, Mary Arjona, Paula Hagerman, Donna Reed, and the home demonstration agent, Miss Warminski.

Willing Workers 4-H
The Willing Workers 4-H cooking group met Thursday, Feb. 8. The girls prepared a fruit salad.

Attending were Julie Calaway, Sheila Cochran, Linda Jordan, Oliva Reyes, Amelia Baca. The leader was Mrs. Bob Calaway.

Mrs. Pat Jackson and Tammy visited a couple of weeks in Whitesboro with grandmothers, Mrs. Rose Stephenson and Mrs. Dock Arnold and other relatives.

BAPTIST LADIES ORGANIZE CLUB

The ladies of the First Baptist Church are inviting anyone interested in learning to sew, cook or drive to attend their New Mother's Club.

Plans are also being made to promote reading and writing classes for adults. There will be no charge and there is a free nursery. The club will meet each Wednesday at the First Baptist Church at 9:30 a. m.

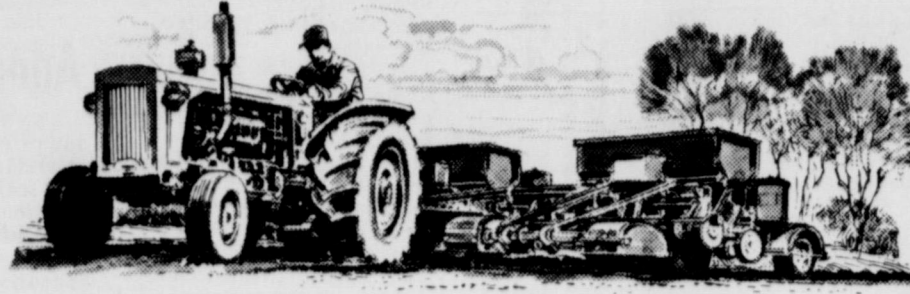

THE PEABODY LETTER

NIWAY CAFE CHESTER L. PEABODY III
SERVING THE PEABODY RANCH
ROOSTERBURGS, GRUVER COUNTY

Dear Bob and John:

The other day when it got kind of warm, me and Mag got our practice ring set up so we could rehearse for the acts which we aim to do in the circus this spring. Mag has wrote a letter to Mrs. P. T. Barnum, who we understand is the owner of the Barnum and Bailey Circus, and applide for a job for us. Mag got all undressed in her circus mine skirt, which is made out of Christmas tree tinsel and got up on the bandstand for our first act... This is the act where Mag sets on a cook stove and picks the geetar. The song she picks out is called "Home on the Range." Ever thing went fine until the second coreus where I wuz suppose to come ridein in on old Ned. This is called the hankercheef pick-up. In this seen, I come gallupin across the front side of the band stand. I seen Mag had put the hankercheef in place, so that I could swing down and pick it up with my teeth. Mag told me later that she had drove a fence post down in the ground to hold up the hankercheef, on account of it wouldn't stand up rite without sunthin to prop it up. After I found my teeth, we decided to go over the act which features the Old Red Rooster. In this act, Old Red struts out on the divin bored, over our home maid swimin pool, which we have just filled up with water for the spring season. After Red got all set, Mag started picken out "Turkey In The Straw," while I clapped my hands to the beat. Thsu wuz when Old Red started to do his one foot cog which is done with his wood leg, in two time tempo. Ever thing wuz working out fine, until Red got carried away with hisself and tried to do a back over split. He almost done it except that his wood leg hit a nail head and caused him to fall off the bored into the swimmin pool. Mag yelled for me to do somethin and I jumped in the water before I remembered that I don't no how to swim. Just as I hit the water, Old Red flapped his wings and fled rite out of that pool to dry land. I seen rite off that I wuz goin to git drowned if somebody never done something to save me. I hollered for Mag to throw me a rope or something that I could get a hold of to pull me out. Out of one eye I seen Red sprintin for the barn and out of the other eye, I seen Mag heavin somethin in my direction. I wuz reddly to go down for the second time when I seen what it wuz that Mag had throwed at me. It wuz the electric geetar and as quick as I grabbed a hold of it, I knowed that it wuz still plugged in. I have lernt one thing from this accident and it is this... if you ain't never lernt how to swim, the quickest way to do it is to grab hold of a electric geetar, that ain't unplugged, especially if you are neck deep in a swimmin pool.

Chester L. Peabody the Third...Swim Spert

Foxworth-Galbraith salutes the Future Farmers of this section with the hope that these young engineers of agriculture will find this company a haven for the numerous tools and supplies needed in their farm and ranch activities. Foxworth Galbraith stocks a well-rounded selection of paints for every purpose along with every building need for a small shed to a complete home.

Card Of Thanks

We wish to take this means of expressing our sincere thanks for all the acts of kindness extended to us during the long illness and death of our dear mother. We are most grateful for the prayers, flowers, memorials, cards and food.

Our earnest prayer is that God will bless each of you abundantly. The family of Hattie Venneman

Helpful Hints From Me To Thee . . .

By Vivian Warminski
Hansford Co. Home Demonstration Agent

Fashion looks change as fast as a woman's mind and this year the look is varied; a touch of the Thirties and the military ruffles, short jackets and waistlines belted naturally or higher. The scope is wide enough for something for every figure, age and personality.

Return of the Thirties influence has entered the fashion pictures, long skirts and soft blouses look very feminine. The blouses feature tiny yokes, bluff sleeves and are worn with a side belted semi-full dirndl or skirt. Skirts, as one designer described them, "bouncing, swinging, flipping - one for everywhere in every mood."

The tendency goes to a slim, trim bodice and ease at the hemline. The military flavor remains with capes, buckles, epaulets and buttoned cuff tabs. The Mao look adds a new twist with its mandarin collars and buttons. Colors are muted grays, beiges, browns, victorian pastels, and bright prints with fabrics showing texture. Coral or shirimp is new with lots of turquoise and yellow.

The big question is hemlines. According to Miss Boyles two main lengths are being shown. The midi, which is between the ankle and the knee, highlights evening wear. For daytime, hemlines will stay short, but not min-short, just above the knee. One Spanish house showed skirts which stop precisely four centimeters above the knee.

Using washable wools instead of dry cleaning them can be an important money-saver for teenagers, college students and younger children. The US Department of Agriculture has developed the "Wurlan" process for making machine washable wools shrink less than 1 percent and not require much pampering. Most of these wools today are made by similar processes.

Sooner or later every good cook has to decide: would she rather see the last spoonfuls go to waste or to her waist?

Examination For Mailhandlers Being Held

The United States Civil Service Commission announces examination for Mailhandler at the starting salary of \$2.59 per hour for Substitute Employees (approximately 40 hours per week) and \$2.51 per hour for Hourly Rate Regular (approximately 20 hours per week), Grade PFS-4, for positions in a Marillo Post Office or a limited number of positions in other larger Post Offices in the following counties in Zone 1 of Texas: Armstrong, Brisco, Carson, Castro, Childress, Collingsworth, Dallam, Deaf Smith, Donley, Gray, Hall, Hansford, Hartley, Hemphill, Hutchinson, Lipscomb, Moore, Ochiltree, Oldham, Farmer, Potter, Randall, Roberts, Sherman, Swisher and Wheeler.

All qualified applicants will receive consideration for employment without regard to race, religion, color, national origin, sex, political affiliations, or any other non-merit factor.

A substitute mailhandler loads, unloads, and moves bulk mail, and performs duties incidental to the movement of mail.

To qualify, applicants must pass a written test based on their ability to follow oral directions and gross dexterity, the understanding of word meaning, and the ability to remember names and locations as needed for simple sorting. Before appointment, applicants must take a strength test which consists of shouldering and carrying sacks containing up to 80 pounds.

Full information and applications may be obtained from the Executive Secretary, Regional Board of U. S. Civil Service Examiners, General Post Office, 401 Franklin Ave., Houston, Texas, 77002 or local Post Offices or Inter-agency Board of U. S. Civil Service Examiners.

Enrollment Opens For Medicare

The second general medicare enrollment period is now open, and will continue until April 1, Travis C. Briggs, manager of the Amarillo social security office said today.

Most people 65 and older who did not enroll in the first period will receive an application blank in the mail. Those who wish to enroll and do not receive the letter should contact their social security office for the enrollment form.

This part of medicare helps pay doctor bills and other medical expenses not covered by hospital insurance.

Those who enroll now will be covered beginning next July 1. The premium payment will be \$4 monthly, which is matched by the government. Enrollees who could have signed up a year or longer earlier will pay an additional premium of 40 cents a month above the \$4.

The next general enrollment period will be in 1969, and those who enroll late must pay an additional premium cost of 10 percent for each year they could have had the medical insurance but were not enrolled.

More than 9 out of 10 people over 65 have already signed up for the medical insurance.

ICT Students Enter Contest

Over the past weekend the Industrial Cooperative Training students took part in the area contest held in Odessa. Mr. Hull, the ICT instructor, and five members went to Odessa last Friday and took part in the contest on Saturday. Even though the ICT members didn't place in the competition they all said that they had a good time. Also they met other ICT students from over the area.

Future Farmers Win Honors

The Spearman Future Farmers of America won honors in the swine division of the Southwestern Livestock Show held in Fort Worth recently. Steve Hicks, who showed a crossbred, won the breed champion of the crossbreds.

There were about sixty hogs in his class and he showed against the first place winners of the other two classes of crossbreds for breed champion. Kenneth Banks won fourth place in middleweight Chester White division. Other winners will be announced soon.

Lynx Add To Record

The Spearman Lynx have added another victory to their record. The Lynx played the Graver Greyhounds at Graver last Tuesday night. It was a very close and exciting game all the way. The score by quarters were 15-16, 34-33, 50-54, and 65-65 at the end of the fourth. The teams then went into overtime with the Lynx coming out on top 77-67. Charles Shieldknight was

high scorer with 27 points. Next was Carroll Day with 26 points, Mike Hendrick with 11, Tony Hester with 7, Gary Farries with 4 and Mike Davis with 2 points.

Twerp Week In March

Monday, the Spearman High School Student Council had a meeting and decided to have a twerp week late in March. They then discussed a dance for the basketball homecoming. A committee was selected to secure a place to hold the dance and to find out the cost of a band. A meeting will be held next week and the committee will report on their results.

Candy Machine To Be Installed

Recently, a meeting was held between the principal of Spearman High School and a representative from the National Honor Society to determine the possibility of installing a candy machine in the main hall of the school. The discussion at the meeting seemed to indicate that the candy vending machine would create some problems, but it may be installed on a trial basis. It is feared that by installing the machine, students would tend to skip their lunches. However, it may be installed for a period of two weeks to determine exactly what the results would be.

Business Dept.

The business department of Spearman High School has been studying the various types of calculators that are used in office work. The students have been doing research on about four types of calculators. They have received instructions on how to operate three types out of the four. The research is designed to give the students more background in office work so as to increase their chances for better positions in business.

Auditions Scheduled For "Texas"

Dance auditions for the third season of "TEXAS" the musical drama by Paul Green which plays in the summer in the Palo Duro Canyon in the beautiful amphitheatre will take place on Sunday, Feb. 11 at 3 p. m. in the Branding Iron Theatre on the campus of West Texas State University. Mr. Neil Hess will be in charge. Mr. Hess is the choreographer and has been since the first season of the show. Dancers should report in rehearsal clothes. Although formal training in dance is not required it is helpful. Since some dancers have speaking parts, and everyone sings in the chorus, applicants should prepare short examples of their ability to speak from the stage and to sing, and should bring music for an accompanist. Mr. and Mrs. William A. Moore, the directors, and Mr. Royal Brantley, musical director, will be available to hear these auditions and also to listen to any others who wish to try out and who were not able to come in January. At 3:30, the musical director, Mr. Royal Brantley, will interview instrumentalists. There are parts for guitar, violin, accordion and double bass in the production. Over ninety auditions have been heard, and applications are coming in from considerable distances as well. The directors and the executive vice-president, Raymond Raillard, will also be holding auditions in Arlington, Texas at the Six Flags Inn on March 2.

Enrollment Date Change For Nursing School

Students who have completed two semesters of required college courses will now enroll in Northwest Texas Hospital School of Nursing in June for the first six-week summer session, followed by a six-week vacation period. By offering the first nursing course during the first summer, only one nursing course will then be required the second summer, thus allowing the student one half of the summer off. It is felt this plan provides a more equitable distribution of course content throughout the three-year period.

For students requiring financial assistance loan funds are available through the Nurse Training Act of 1964. Loans obtained through this source are repayable beginning one year after completing a full-time course of study. A maximum of 50% of total loan may be cancelled for full-time course of study. A maximum of 50% of total loan may be cancelled for full-time employment at the rate of 10% per year while employed in a public or non-private institution or agency as a professional nurse.

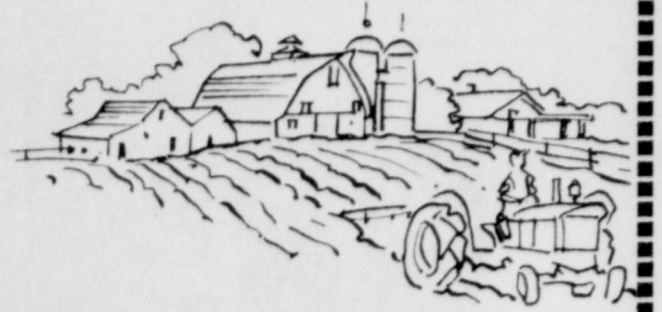

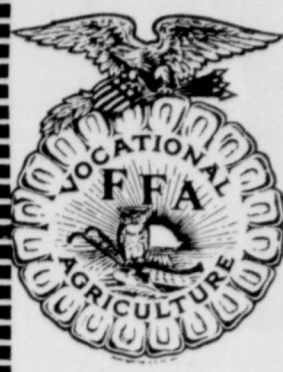

Northwest Texas Hospital School of Nursing is fully accredited by the National League for Nursing and the Texas Board of Nurse Examiners. Graduates from Northwest have repeatedly ranked among the top in the state on licensing examinations. The school expanded its facilities in 1967 to accommodate the increased enrollment which has tripled in the past five years. Salaries for registered nurses have more than doubled in the past ten years and it is now possible to start at \$550 to \$600 a month. The next class enrolls at Northwest June 3, 1968.

SGT. ESSLINGER

VISITS PARENTS

Sgt. Merle Esslinger and daughter, Pam visited his parents, Mr. and Mrs. Merlin Esslinger. They were enroute to Lackland Air Force Base at San Antonio where he will be stationed.

FFA FEB. WEEK 17-24

Future Farmers of America can look forward to the best in modern farm trucks from pickups to grain transporters by Chevrolet provided by Excel. There's also the tough reliable Jeep for those impossible jobs. When the need arises for that extra piece of reconditioned used equipment you can find most anything you need at Excel Chevrolet Olds-Jeep.

Excel Chevrolet - Olds Co.

We Salute the... FUTURE FARMERS

Planning, Working for CAREERS IN AGRICULTURE THE AIMS & PURPOSES:

The primary aim of the Future Farmers of America is the development of agricultural leadership, cooperation and citizenship. The specific purposes for which this organization was formed are as follows:

1. To develop competent, aggressive rural and agricultural leadership
2. To create and nurture a love of country life
3. To strengthen the confidence of farm boys and young men in their work
4. To create more interest in the intelligent choice of farming occupations
5. To encourage members in the development of individual farming programs and establishment in farming
6. To encourage members to improve the farm home and its surroundings
7. To participate in worthy undertakings for the improvement of agriculture
8. To develop character, train for useful citizenship and foster patriotism
9. To participate in cooperative effort
10. To encourage and practice thrift
11. To encourage improvement in scholarship
12. To provide and encourage the development of organized rural recreational activities

Future Farmers of America in this area will have many reasons to visit North Plains Truck and Implement again and again because this firm represents Authorized Sales and Service for Buick-Pontiac-GMC, and IHC. North Plains Truck and Implement is also the home of the powerful Farmall tractors. The Future Farmers of this area can look forward to the same friendly service as always.

Mayor Proclaims February As Heart Month

A proclamation designating February as American Heart Month, and pointing out that the heart and blood vessel diseases are responsible for more deaths here than all other diseases and causes combined, was signed yesterday by Mayor D. E. Hackley of Spearman.

In his proclamation, the Mayor called upon local citizens to help speed their Heart Association's research, education and community heart programs through Heart Fund contributions and volunteer service.

The month-long Heart Fund Campaign will reach its high point with the 25 day period ending on Heart Sunday, February 25.

Present when the Mayor signed the proclamation were Marvin S. Chambers, local Heart Fund Chairman and Dr. R. L. Kleeburger, President of the Hansford County Heart Association. Text of the proclamation is as follows:

PROCLAMATION

WHEREAS, the President of the United States has designated February as American Heart Month and called upon heads of all political subdivisions to issue similar proclamations applying to their own jurisdictions;

WHEREAS, the heart and blood vessel diseases are responsible for more deaths than all other diseases and causes combined;

WHEREAS, medical research since 1950 has resulted in a 15 per cent decline in the mortality rate from cardiovascular disease among persons aged below 65;

WHEREAS, authorities agree that medical science is on the verge of important breakthroughs to further control heart and blood vessel diseases,

AND WHEREAS, the Number One defense against these diseases is your

HEART FUND

THEREFORE, I, Mayor D. E. Hackley of Spearman, Texas do proclaim that the month of February be observed as Heart Month in this city, and I urge all citizens to help speed their Heart Association's research, education and community heart program through Heart Fund contributions and volunteer service, supporting the 1968 Heart Fund with the full measure of their generosity.

Signed D. E. Hackley
Mayor

Class Presents Valentine Gifts

Mrs. Bob Baley entertained the T. E. L. class of the First Baptist Church in her home February 10.

Mrs. Baley opened the meeting in prayer and Mrs. Lena Stephenson gave the devotional. The business was conducted by Mrs. Susan Wagon. Members exchanged Valentine gifts and took a Valentine box to the Pioneer Manor.

Others attending were Mmes. D. W. Hazelwood, Sybil Jones, Fred Fewin, W. L. Mackie and E. N. Wilbanks.

Mr. and Mrs. P at Cates and Charles spent Sunday in Dumas visiting Mr. and Mrs. J. W. Buchanan.

B & P W Club Has Luncheon

Members of B & P W Club met at the Steak House February 8 for a luncheon and business session.

Mrs. Albert Mackie conducted the meeting in the absence of the president. An announcement was made that the club will sponsor a bake sale March 16. The time and place will be announced at a later date.

Those attending were Mmes. E. L. Collins, Rhoda Overton, Mabel Edwards, Albert Mackie, Virgil Floyd, Frank Massad, John Bishop, Miss Linda Thompson and a guest, Mrs. Alice Baumann.

The Future Farmers of the Golden Spread, like farmers in the past will find White House Lumber a convenient place to shop for the many things needed on the farm and ranch. White House can supply everything from lumber to a box of carpet tacks. As the Future Farmer looks toward Spring he can plan for the many improvements to be made on the farm or ranch and if those jobs include paint-up and fix-up operations he'll find everything needed at White House Lumber.

WHITE HOUSE Lumber Co.

FUTURE FARMERS of AMERICA WEEK

Golden Spread Sales Company is a new name but it's an old company with the same personnel serving the same friends over and over again.

This season, the Golden Spread Sales Company looks forward to serving a new segment of the agriculture realm - The Future Farmers of the North Plains. These young farmers can rely on the products of Phillips Sixty Six and on the farm service when and where you need it.

Miss Betty Randall Is Bride Of Vancil Hill

Miss Betty Randall, daughter of Mr. and Mrs. Willis Randall, became the wife of Vancil W. Hill in ceremonies performed at eight o'clock Saturday February 10. The Reverend Wesley Daniel read the double ring vows in the home of the bride's sister, Mrs. Earl Spencer. The ceremony was performed in the presence of the immediate family and close friends. Willis Randall was best man. Mrs. Spencer was matron of honor.

The bride was attired in a street length navy blue dress trimmed with white lace. She wore a face veil of white net

Mrs. J.D. Miller is visiting in Ventura, Calif. with her son and family. Mr. and Mrs. Don Bennett. She was honored with a salad supper before her departure for California in the home of her daughter, Mr. and Mrs. Cecil Crawford. Attending were Mmes. Verna Kenney, Sid Beck, Eleanor Reed, Lizzie

Benningfield, Alta Morse, Messrs. and Mmes. Lex Board of Morse, Jack Whitson, Frances and Bill, the Crawfords. Mrs. Morse served as co-hostess.

Lonnie Kenney from Pampa visited Monday with his mother, Mrs. Verna Kenney.

Mind Control Operators Are Now Organized

Twenty-three directors and operators of mind control classes met with Mr. and Mrs. George Collard recently to organize a working unit for the Northeast part of the Golden Spread District of Mind Control and Operation.

The following officers were elected: Chuck Price, chairman; Lometa Sparks, vice chairman; Martha Coursey, treasurer; Mildred Wright, secretary. Dorcas Collars is corresponding secretary and Margaret Kirk is reporter. Nelda Sheets continues in her office of Area Director.

The regular meetings will be each third Friday at 8 p. m. Members will be notified of the meeting place. Those wishing to practice will meet Feb. 16 at 8 p. m. with Johanne Blodgett.

A mind control center will be established at Amarillo. It will serve the Golden Spread area.

The MCO will meet the third Friday in March with Mildred Wright.

Thirty-three psychic operators graduated in January. Ten others who were unable to finish with the class because of illness will graduate in March.

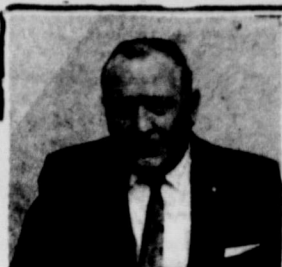

Mr. Jose Silva will conduct classes for 101, 102, 303 and 1001 in Spearman March 7 through 10th.

Rho Rho Meets With Mrs. Allen

Rho Rho Chapter of Beta Sigma Phi met February 8 in the home of Mrs. Dee Allen with president Judy Martin presiding.

Mary Katherine Parris and Judy Martin led the program "Expressing Yourself." All the members participated by giving short talks.

Attending were Ann Archer, Ramah Bosecker, Karen Countiss, Marti Garnett, Deloris Guthrie, Juanita Kemper, Judy Martin, Mary Katherine Parris, Joan Stewart, Peggy West, Judy Wilmett, Scarlet Jackson and the hostess.

THIS IS SPEARMAN

through the eyes of chet wise

Someone recently made the remark that they go to a larger city for shopping, because there is a larger selection to choose from. This set me to thinking and I took a mental inventory of the shopping situation in Spearman. Here's what I came up with. There are eleven places in Spearman where you can purchase a coffee pot of one sort or another. If you need a tire for your car or truck, you can make your selection from over sixteen places. Toys are available at thirteen places and you can shop for lawn and garden supplies at over seventeen places. Maybe you just need a pair of mens socks...they are available at more than ten places. Of course, you can shop for ladies nylons at fourteen or more points. People use a lot of flash light batteries and that's why at least twenty three places in Spearman offer them for sale. Hardware of one kind or another is being sold at twenty places and there are more than twenty five places where cosmetics are for sale. I could go on and on, but I think you get the idea. By the way, in case you didn't know, there are ten places in Spearman selling radios. Maybe this spirit of competition is why I see so many people, as I roam around town, such as: Dayton Phillips up a ladder, Charlene Bull's running across Main Street, Jim Neely buying coffee, Ray Messer stating his opinion, Leonard Jameson pretending to listen, Ned Turner complaining about the cost of glasses, Freddie Largent just plain complaining, Frances Rhodes doing a soft-shoe step, Nina Hendricks shopping for a washer part, Nelson Bell getting ready for a grand opening, Marvin and Erlene Chambers moving swiftly down Main with Marvin driving, John Sutterfield plotting with Don Cates, W.E. Sparks leaving a coffee break, Wright Hale going in the movie without paying, Chief Leland Woods out of uniform, Bill Partridge talking basketball, Jimmy Linn talking golf, Kenneth Evans chewing his cigar, Oscar Donnell talking fishing, Mary Brock along Main Street, Bill Russell visiting, Richard Holton on the go, Joe Trayler still walking, I'm still trying to figure this one out...I asked Gal Friday, how many really great men there are alive today and her answer was, "One less than you think."

Lawrence Fryer Attends Course

A series of Basic Station Practices Application Courses are being held in Perryton, Texas for General Telephone Company plant employees.

The purposes of this course is to present the principals of telephone instruments; their wiring and ringing arrangement; routing, placing, and terminating, inside and outside wiring; circuit testing; Company policies; public relations; accident prevention; preparation of the daily work report; and such other accounting and work practices as apply to the telephone craftsman. These training requirements can best be met by classroom training.

The course from February 12 through February 16 will be attended by Lawrence Fryer, combinationman, Spearman.

Numismatics Is Theme For Program

Numismatics was the theme of the program at the February 8 meeting of Home Science Department, Twentieth Century Club, in the home of Mrs. Nolan Holt.

Mrs. Guy Fuller conducted the meeting which was opened as members answered roll by displaying family keepsakes and giving the history.

Mrs. J.R. Keim presented the program on the art of coin collecting and gave the history of coins of America.

Those attending were Mmes. H.H. Chevalier, Joe Trayler, O.C. Holt, Raymond Kirk, Jack Vanderburg, Mike Holt, Dick Kilgore, J.R. Keim, Dwight Hutchison, J.R. Stump, Fred Holt, Wayne Hutchison and the hostess.

Mrs. Cates Is Guest Speaker

Mrs. Olin Sheets was hostess for the Fine Arts Department of Twentieth Century Club when members met in her home February 8.

Chairman Mrs. V.N. King conducted the business as various reports were given. Members displayed coin collection.

The program was given by guest speaker, Mrs. H.P. Cates titled "Numismatics." Mrs. Cates, who is a member of the American National Association, told of the history of coins and displayed numerous sets. She also described the symbols used on bills and gave their meaning.

Others attending were Mmes. Jack McWhirter, Irvin Delk, T.D. Sansing, Harold Shaver, W.J. Massie, Joe Novak, George Buzzard, P.A. Lyon, John Allen, C.J. Pope, Wesley Garnett with guests, Mrs. Tom Allen and Mrs. Cates.

Shelly Strawn Had BD Party

Shelly Strawn celebrated her fifth birthday February 12 with a party in the home of her parents, Mr. and Mrs. Bill Strawn.

Shelly's guests watched as she opened her many gifts in the living room with colorful balloons hanging from the ceiling. Before the guests played party games, they were served decorated birthday cake with ice cream and punch.

Each guest was given favors of balloons, surprise balls and chocolate candy hearts.

Those attending were Scott Strawn, Julie, Lisa and Donna Douglas, Connie and Tracy Vernon, Evonne and Kathy Sullivan, Jeannie McClellan, Kimberly Reed, Sonja Sutton, Mrs. Jerry Strawn, Charlie, Mike and Karon of Stratford, Tammie Kendrick, Cara Cartmel, Tara McLain, Bridgett and Bret Cannon and Christine Baxter. Marla Baxter and Michelle Shumann assisted with the games.

Mr. and Mrs. Otto Holland met their son Johnny Thursday in Amarillo. He is home to recuperate from injuries received in battle January 10 in Vietnam. He has been in Army General Hospital, Colorado Springs.

Mrs. Goodall Hosts Teachers

Alpha Delta Kappa Society met Feb. 9 in the home of Eula Goodall in Gruver.

Mrs. Ona Faye Watkins of Gruver reviewed the book "That Pellet Woman".

Mrs. Barbara Patterson was co-hostess.

Attending were Nellie Payne, Jackie Graham, Louise Archer, Velma Roden, Fern West, Doris Holland, Dee Deere and the guest, Ona Faye Watkins.

Girls Scouts Need Chairs

The Girl Scouts are in need of chair or benches for their scout house and would greatly appreciate any donations.

If anyone has a chair or bench they could give, one of the following leaders may be contacted: Mrs. Marcus Larson, 2004; Mrs. George Rook, 2510; Mrs. Bert Sheppard, 2635 or Mrs. Gary Davis, 2739.

convert now to electric home heating.

FARMING FRONTIER NEWS

HANSFORD IMPLEMENT COMPANY

Spearman, Texas

Date Of Show - FEBRUARY 15, 7:00 p.m.

Chet Huntley, NBC newscaster, will narrate "What's New In The Long Green Line for '68."

Hybrid wheat is coming

Actually, hybrid wheat is already here—but only in small quantities. How soon can you use it? What is being done now? Look in on scientists exploring new strains . . . testing varieties of wheat you'll be using soon. Come to Farming Frontiers '68 . . . and keep up to date about the future.

Attend Farming Frontiers '68.

Automatic Irrigation

a time saver for you?

Not only a timesaver, but a cost-cutter as well. Twenty-five dollars per acre covers this USDA-developed automatic surface irrigation system. But we can only whet your appetite here. Attend Farming Frontiers '68 and get the facts about this Furrow on Film story and other cost-cutting, labor-saving ideas designed to help you make more money.

Attend Farming Frontiers '68.

WHEAT YIELDS—

how high are they going?

You'll hear a leading wheat breeder and developer of two high-yielding wheat varieties give his views on this question and others confronting wheat farmers at Farming Frontiers '68. You'll also gain insight into farming trends that will help you plan and manage better in the future. Attend our Farming Frontiers program and get the whole story.

PRIZES GIVEN You may win a Corning Ware 10 Cup Electric Coffee Maker or Coleman Camp Lantern

Attend Farming Frontiers '68.

FOAM

Does it have a place on your farm?

It does if you're convinced that weeds don't. Foam, sprayed on your fields, acts against weeds the same way a foaming shaving cream works against whiskers. No need for a razor though . . . foam alone whisks away weeds. You can get the details on this new weed eradicating idea when you attend Farming Frontiers '68.

Attend Farming Frontiers '68.

Will plastic stretch your growing season?

Now—plastic overcoats for seed. Far out? Maybe. But consider that these protective jackets permit winter seed survival and an earlier start in the spring and you've got a hot planting possibility. Protect your farming investment by getting the latest word in many new agricultural advances. Attend Farming Frontiers '68.

Attend Farming Frontiers '68.

Do sorghum growers underrate weeds?

You shouldn't. Weeds are the biggest enemy of higher grain sorghum yields. Now from university research comes a three-pronged attack to overthrow this profit-killer. A practical plan of real use to you. Just one of many farming advances you'll see . . . at Farming Frontiers '68. Don't underrate its profit-building potential for you!

What do experts say about soybean yield barriers?

What factors prevent farmers from harvesting 60-bushel soybeans? How much preparation should your seedbed undergo? How important is choosing the right variety for your area? How deep should you plant? Fertilizer—how necessary is it? Will proper cultivation make the difference? You'll get all the answers when you attend Farming Frontiers '68.

Attend Farming Frontiers '68.

Can magnetism affect yield?

Up to eight bushels per acre increase according to a Canadian scientist's findings. Magnetic seed treatment is the breakthrough. It's attracting wide attention. Sound attractive? You can get the complete picture on this farming revolution and what's to come in agriculture by attending Farming Frontiers '68.

Attend Farming Frontiers '68.

New shot for shipping fever

The curse of this costly disease now can be lifted. Thanks to a new vaccine. A vaccine that knocks out not only bacteria, but virus, too. What results can you expect? Discover the answer . . . and much more about what's going on in agriculture . . . at Farming Frontiers '68. Give your business a shot in the arm!

Attend Farming Frontiers '68.

Bedshaping... your next yield booster?

As a cotton grower, you should know that bedshaping can send your yields soaring. Up as much as 20%, scientists say. Newly developed equipment produces early emergence . . . uniform growth. Here's your chance to boost your knowledge about these and other profit-expanding techniques. You can't afford to miss Farming Frontiers '68.

Attend Farming Frontiers '68.

New ways to store wet corn

It may sound impossible, but two sheets of plastic and a small fan can solve your short-term corn-storage problems—and do it economically. For extended storage and moisture reduction, a new approach uses cool air-conditioning. Fresh ideas, good ideas, valuable ideas. Store up a headful of them at Farming Frontiers '68.

What is Triticale?

Not a wheat. Not a rye. But a man-made cross which promises to outyield wheat by 50 percent. When will it be available? Attend Farming Frontiers '68 and get the lowdown on Triticale—the small-grain that may well revolutionize your farming and feed the world.

TALL RETURNS

from short corn?

New short-corn hybrids can be big stuff to farmers going the narrow-row route. Early maturing and easier harvesting are just two of many reasons you may want to switch to short corn. For a look into this development and other future farming trends, attend Farming Frontiers '68 and get sizable returns.

Attend Farming Frontiers '68.

The story behind Roll-Gard...

Farm safety is not a new subject. Many dedicated people throughout the farm equipment industry have been doing something about it for a long time.

When it was first brought to light that a major percentage of tractor fatalities resulted from tip-overs, John Deere engineers began a study to determine the cause and then seek a remedy. It soon became evident that tip-overs usually result from careless operation. The answer was to provide protection for the operator in the event he did tip his tractor.

First step was to find out what happens when a tractor tips over. John Deere engineers made an extensive series of tests deliberately tipping tractors sideways and flipping them backwards. They used special mannequins and elaborate electronic equipment in place of real operators to record what happened. These tests proved that when a tractor tipped or flipped, it invariably rolled more than 90 degrees. These tests also showed that an upset of 180 degrees or more usually caused serious or fatal injury.

Armed with this knowledge, the engineers began actual design work. Several prototypes were developed and tested, reworked and retested in actual tip-overs until one was found that measured up to the rigid preset engineering standards. The result is John Deere Roll-Gard, a protective frame that in most cases stops roll-overs at 90 degrees and is strong enough to support the weight of the tractor if it tips or rolls all the way. Seat belts are regularly furnished with Roll-Gard because the tests showed that this combination will normally prevent serious injury.

John Deere made the results of this research and development available to the entire tractor industry. Now, John Deere and John Deere dealers are engaged in a country-wide program to promote the use of Roll-Gard and similar protective devices on farm tractors in the interest of your safety.

Attend Farming Frontiers '68.

NEW COTTON

thrives in cold weather!

Not only does this new variety withstand cold, it also resists six troublesome cotton diseases. But that's not the whole story. For the complete lowdown on this revolutionary new cotton and what's happening in agriculture in your area and throughout the world, attend Farming Frontiers '68. Don't you be left in the cold.

Attend Farming Frontiers '68.

Can computers answer your farm management problems?

You'll see computers give "instant answers" to questions concerning fertility levels, soil-insect control, weed-killing methods and materials, and feedlot operations when you attend Farming Frontiers '68. It's a program designed to give you facts about the latest farming trends in this area—the facts for future profits.

Let Me See ... by Sybil

Although this is my favorite season of the year (if we have plenty of snow) I find myself feeling a little envious of folks who can just pack up and go south for winter or take long vacations in Hawaii. In this week's mail we had a beautiful picture postcard from the J.L. Bryans who are in Honolulu. Mr. Bryan wrote "Having a grand time in Hawaii. Toured the University of Hawaii campus resting in the foothills of Manca Valley Honolulu."

Met another person Tuesday who especially enjoys snow and winter. She is Mrs. James A. Joy whose husband is a candidate for Associate Justice, 7th Court of Civil Appeals. She was out campaigning for him during the noon hour Tuesday and we had quite a visit. She told me her husband was a cousin of Mrs. Jim Strawn. Mrs. Joy said she always had a desire to spend the winter months in the mountains of Colorado and planned some day to do this.

Last week an out-of-town firm from Pampa was in Spearman selling the merchants advertisement for football posters. I hope everyone turned them down because this week Lynxette cheerleaders are doing the same thing. I wish that everyone could realize that "money spent at home remains at home." Money spent in Spearman sooner or later in one form or another is returned to the spender!

I think it would be pretty safe to say that if you shop Spearman FIRST you'll find the same brand merchandise... cheaper when you figure money spent for travel.

Too much Spearman money goes to Amarillo and Borger. Too many people evidently had rather see those cities prosper than see their own home town do so. In a story carried elsewhere in this paper you will read that one-half the people checked on through the Retail Credit Bureau last year, were doing their business with out of town merchants! I doubt if one of these shoppers thought to check Spearman first for their merchandise. Spearman firms give credit too you know, and at a much cheaper rate of interest. Think of the money you would have saved on car expense plus interest had you shopped in Spearman FIRST.

I am reminded of the time I was with a lady who was shopping in Amarillo for a certain brand of shoes. She finally found them and made the purchase. Several days later I was in Marvin Chambers' store and saw the same pair of shoes... \$2.00 cheaper! One lady purchased a dress at Neiman Marcus in Dallas and a few days later saw the same garment in Massad's store in Spearman. I know someone who bought her dress at Blackburns in Amarillo only to come back to Spearman and find the same one (much cheaper) at the Lady Fair Shop!

Perhaps it's because the city is located farther away from the popular metropolitan shopping center... but our neighbor city Perryton is able to keep more of their money at home for some reason or another! The city, county and school tax offices spend their money with local business houses... who in turn pay their money back in taxes! These institutions are asked to spend their money with local merchants.

Free enterprise has made our country what it is and certainly everyone has the right to spend their money the way they want... with whom they want. But, if you could hear Maxie C. Davie speak on the subject of "Death of A Small Town" you would stop and think before you buy your next purchase from some out-of-town business man. Mr. Davie has watched many small Texas towns dry up and wither away because of this very thing. He is Director of Area Development for Community Public Service and spends his time studying this very thing. The facts he can relate to you are very interesting... and thought provoking.

It's hand shaking time again and this time Hansford County is being included on the political tour. These small coun-

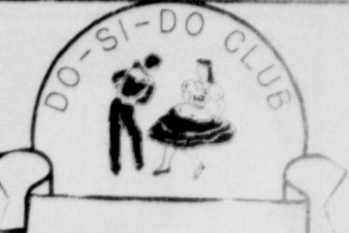

ties (vote-wise) way up here in the Panhandle are most often completely overlooked by politicians who feel they must spend most of their time in the more heavily populated districts. This year we've already had visitors. Perhaps they found we have more registered voters this year than the County has ever had! Tuesday Judge James A. Joy and "Oofie" Abraham were shaking hands in Spearman. They were both honored at socials during the day. Joy is a Democrat, Abraham is a Republican.

Ruth Class Has Social

The Ruth Class of the First Baptist Church met February 6 in the home of Mrs. J. W. Brown.

Mrs. Gandy opened the meeting with prayer and Mrs. Hoskins gave the devotional. Mrs. Sanders then conducted the business session.

Those enjoying the social were Mrs. E. S. Uptergrove, Rex Sanders, F. J. Hoskins, Bill Gandy and the hostess.

The Do Si Do Square Dance Club held its regular dance Saturday night with Aaron Love as emcee. Guest callers were Ray Halsey and Gene Humphrey from Perryton, Archie Flowers from Stinnett and Robert Adamson of Spearman. Over five squares danced with visitors from Perryton, Stinnett and Sunray.

It's fun, it's exciting and it is free. Yes, you can still get in the free square dance lessons for beginners this Friday night at 8 p.m. This will be the last chance for you to enroll in this class so if you wish for good clean exercising fun. Come on join in. It's Free.

Mrs. Reed Hosts Club

Mrs. A. D. Reed was hostess to the Spearman Home Demonstration club meeting, Feb. 9.

Mrs. W. A. Ellsworth demonstrated how decoupage pictures and showed some finished products.

Mrs. Crooks conducted the business session when recommendations from the council were read. Mrs. Reed gave the devotional. Roll call was answered with "Kids Say The Darndest Things."

Attending were Mrs. Joe Smith, Claude Jackson, W. A. Ellsworth, B. J. Garnett, W. A. Schubert, Richard Shedeck, W. H. Tarbox, E. S. Uptergrove, W. V. Hull, Anita Boyd, H. H. Crooks, Carl Hutchison and the hostess.

Mr. and Mrs. Charles West of Dalhart spent the weekend with their parents, Mrs. Martha Delon Allison and Mr. and Mrs. C. T. West and grand-parents, the Delon Kirks.

the Reporter's PERSONALITY OF THE WEEK

Our personality of the week, although comparatively new on the Spearman scene, is a man already well known in the Hansford County area. This is probably due to that fact that Don Hergert manages to move around a lot and is a good mixer. Don became associated with the firm of Excel Chevrolet when that company held sway in what is now the new proposed library building on Main Street. He was and still is serving in the capacity of used car manager. Our personality of the week has been faced with the problem of finding a place to live in Spearman and only recently, found a suitable place to move his family. They are now residents of Spearman and this will allow Don to take his place in the various civic activities of the community. To quote: "He sincerely hopes his moving days have come to an end for some time to come." When he first came to Excel, he was a resident of Liberal, Kansas, where he was also in the automobile business. Unable to find a place here, he moved his family to Perryton. A short while after settling there, the house he had rented was sold. Although the owners of his rental house found him another, it still meant another move. The move to Spearman, marked the third moving day in less than a year. Don leaves you with the impression of a person engaged in a trade other than selling automobiles, unless you are a prospect for a new or used car. He is not the hard-sell type of car salesman. You size him up as a friendly person the moment you meet him and you'll find him ready and able to converse intelligently on many subjects, aside from automobiles. On the other hand, should you get on the subject of a trade, he's pretty apt to sell you a car in his own quiet way. Our personality likes to travel, has a little more than mild interest in photography and is just a little short of being an aviation bug. Needless to say, he knows the automobile business thoroughly and is certainly a valuable asset to Excel at their new location. We believe that Don Hergert will furthermore be another healthy addition to the community of Spearman. If you haven't met him as yet, you surely will before long and you'll like him when you do.

FIRST OF A THREE-PART SERIES

How To Safeguard Young Hearts

(Editor's note: This is the first of a three-part series of articles presented by your Heart Association to tell parents how they can safeguard their children's hearts, as well as their own.)

Heart attack is America's deadliest enemy, claiming about 500,000 lives yearly. While it strikes mainly in middle-age, or later, the time to start safeguarding against heart attack is early childhood, when life-long habits are formed. Good health and heart habits begun now can reduce later risk of heart attack.

regular and moderate physical activity a family affair.

5. Teach children that smoking is bad for health. Don't smoke yourself. Promote a type of self-discipline which will encourage the child not to start smoking.

6. Make doctor check-ups a family routine.

Intensive research is going forward to find the causes of hardening of the arteries, which sets the stage for heart attack. Until this knowledge is available, physicians generally agree that the individual can do much to improve his chances of living longer by minimizing certain risk factors.

Risks of heart attack, of course, increase with age. Males are more vulnerable than females. Some families seem to be more predisposed to heart disease than others. These three factors—age, sex and genetic inheritance—cannot be controlled. But you can control the factors already mentioned and thereby improve your risk.

- By setting a good example, parents can not only encourage their children to form risk-minimizing habits that may last a lifetime, but at the same time protect their own hearts.
- Here are basic suggestions for parents:
1. Get the latest heart-saving facts and share them with your children. Your Heart Association has free literature on the role played by the heart and circulatory system in sustaining human life. Give children the facts they should know about heart attack, stroke, rheumatic fever and other diseases which attack this system.
 2. Stress the importance of normal weight. Obesity often begins in youth.
 3. Form good diet habits by serving more unsaturated fats (mostly vegetable oils) in place of saturated (mostly animal) fats, and fewer foods rich in cholesterol.
 4. Encourage them to keep physically fit through regular exercise, and, if possible, make

Generally, the same risk factors applying to children also apply to parents. High blood pressure—much more common in adults than children—is an additional risk factor of which parents themselves should be especially concerned. If the doctor finds that an adult has high blood pressure, he can probably bring it under control through drugs or other treatment.

In the second installment of this series, we shall discuss diet and obesity in greater detail, and in the third installment the subjects will be smoking, exercise, medical check-ups, etc.

USED CAR?

67 OLDS 98-HOLIDAY SEDAN Full power & Air, 10,000 actual miles, 40,000 miles warranty left. Original cost \$5,400. Sale price **\$3,895**
