

Booster President ends reign

Johnnie Crawford, President of the Spearman Booster Club for the past 3 years, will be turning that position over to Richie Thompson for the coming year.

The Booster Club was formed to support the Lynx and Lynettes in all phases of sports: football, basketball, cross country, tennis, golf, and track.

In the first year welcome signs were erected on the Stinnett and Gruver highways. Most of this work was done by Buck Tucker. Booster Club banners were made for football and basketball games. The Club also sponsored meals for athletes, had watermelon feeds, and had ice cream socials. Balloons were blown up and released at all football games.

Also in the first year, a weekly radio program was started which was on every Monday morning. Crawford, or his wife, Hester Sue, were usually on this program. The purpose of the program was to go over all athletic events that were held the previous week. They also had trivia quizzes that earned prizes for the people who answered them.

Booster Club flags were made and placed at the football stadium for home games. They are purple and white.

Scholarship funds have been set up each year to give four \$500 scholarships. The Club has now given \$6,000. in scholarships.

The Booster Club has handled the hospitality rooms, for coaches and referees during Spearman basketball tournaments for the last 3 years.

The Club has sponsored and held the Athletic Banquet for the

past 3 years. They have also made yard signs for the athletes with their names on them. They have decorated buses on several occasions, especially when teams are going to district playoffs, regionals, or state.

Some equipment has been bought by the Booster Club for the athletic departments. Picture buttons have been made and sold of the athletes in football and basketball. They have also provided sandwiches, cokes, snacks on many occasions for cross country track, and many football games.

The original officers were Johnnie Crawford, president, 3 years, Linda Wilkerson, vice president, 3 years, Judy Nelson, secretary/treasurer, 3 years, and Jackie Pearson, membership chairman, 3 years. Sharon Cook has served as Ways and Means Chairman for 1 year.

The new officers for the coming year are: Richie Thompson, president; David Swan and Rick Riggins, vice presidents; Cathy Gafford, secretary/treasurer, Cindy Blackmon, membership chairman; and Carla Riggins, Ways and Means Chairman.

"The people who have participated in this program are too many and too numerous to name," stated Crawford. "Without each and every one of them, this program would not have been possible," he continued. As a closing comment, Crawford added, "This is a real good program. My hope is that it will continue to even get better in the capable hands of the new officers."

Johnnie Crawford, 3 year president of the Booster Club, was Master of Ceremonies at the Athletic Banquet.

Class of '59 to celebrate thirty year reunion

The Spearman High School class of 1959 will be having its 30th graduation anniversary reunion in conjunction with the Hansford Centennial celebration Saturday, June 3. Billed as "1959's Big Blast From the Past" this reunion promises a number of well-planned activities and unique opportunities for classmates to visit and catch up on the years since the last reunion.

This will be the fourth five-year reunion held by this class, and each reunion has been well attended. A large percentage of the members of the class of '59 went through all twelve grades of school together after beginning first grade under Mrs. Clark Winkler or Miss Buena Vernon (Mrs. P.A. Lyon, Jr.). This class was just entering high school when the oil boom of the mid-50's hit and Spearman exploded, virtually overnight, from a sleepy farming community of 1800 population to a modern-day boom town of nearly 5000. The high school quickly moved from Class B to Class AA, and many changes were experienced during the high school career of these students. A hallmark of past reunions for this class has been discovering that the close friendships and unity within the class have not diminished through the years though classmates are widely dispersed

Art lost in battle with progress

by Bob Bort

A large portion of Spearman Junior High School, located at 5th and Townsend (315 W. 5th), is now being torn down. In its place will come a parking lot.

The tearing down of the building will destroy some beautiful art work, created by Mrs. Linda Rowland's 5th grade Reading

class, that has been studying Mythology; and, Mrs. Wynette Mullins' 7th grade Advanced Pupil Training (APT) class.

The art work in Mrs. Rowland's class is that of the more famous characters of ancient Greek and Roman mythology. The effort that

went into these creations is considerable. In Mrs. Mullins class, the art work is freehand creative painting done by her students. All

the paintings are excellent.

Friday, May 26, was the last day of classes in these two rooms. Destruction of that section of the school is scheduled to begin immediately.

On Friday, Mrs. Rowland's class received a special visitor, Mrs. Verna (Lawrence) Jarvis. In 1928, Mrs. Jarvis, then single, taught high school English and Spanish in that very same classroom. A lot of memories, covering six plus decades, are being torn

down. The former Miss Lawrence taught some of the grandparents of the present day 5th grade students of Mrs. Rowland. Her son and daughter-in-law, Wes and Sheri Jarvis, are present day teachers at Spearman High School.

What price, Progress...?

Kiki Kelp and Josh Winegarner draw attention to more mythology paintings. One of the characters depicted is Medusa, a Gorgon slain by Perseus.

Cameron Kunselman displays another mythological character. This painting was done by Mrs. Linda Rowland's 5th grade reading class.

Tracy Martin, of Mrs. Rowland's 5th grade reading class, shows a picture of Pegasus, a winged horse in Mythology.

phens - Wichita, Kan., Mary (Vernon) Stevens - Canyon; Linda (Barnes) Stinson - Amarillo, Yvonda (Pipkin) Stokes - Amarillo, Ivan Thompson - Norman, Okla., Francis "Guffy" Thorpe - Madras, Ore., Charles Traylor - Dalhart, Loyall Turner - Spearman, Connie (Day) Vardell - Randlett, Okla., Sue (Archer) Venters - Phoenix, Ariz., Bill Wilmeth - Athens, and Arnold Winfield, Pryor, Okla.

Four members of this class are deceased: Sharon (Craig) Dawson, Neal Jameson, Robert Long, and Jay Lee Rinehardt.

Friends and parents of this class are invited to join us for fellowship after lunch at the Brock building or after dinner at I-V's.

Donna Cordova and Ev Avara of Pro News, Channel 7 - T.V. in Amarillo plan to be here for the Hansford County Roundup Celebration parade. Be sure to make them feel welcome!

Clinics Offering Immunization

Immunization clinics offering vaccines that give protection against several childhood diseases are scheduled for June. Protection is against Polio, Diphtheria, Lock Jaw (Tetanus), Whooping Cough (Pertussis), Measles, Rubella, and Mumps.

The Texas Department of health is charging money to help with the cost of keeping the clinic open. The amount of money charged will be based on family income and size, and the ability to pay.

The clinic will be held in Spearman at the Spearman Elementary School at 511 S. Townsend on June 5 from 11 a.m. until 1 p.m.

First Aid Class sponsored by ARC

A First Aid Class sponsored by the American Red Cross will be given Mon., June 5 from 6:00 - 10:00 p.m. at the Fire Station at 513 S. Hazelwood.

There will be no charge for the class. A fee of \$5. will be charged for the book used in the class.

Upon completion of this course each person will then be certified for 3 years. For more information call: Michele Davis, 659-3411.

A total of twenty-one employees were nominated. "We would like to congratulate Dewberry for being the first person awarded Employee of the Month out of 121 employed by Hansford County Hospital District. Among the Neighbors

by Helen Fisher

Fred and Wren Holt observed their 50th wedding anniversary Saturday night at a family supper. Their children, Mike Holt, Susan Kidder and Hazel Slyter hosted the affair at the Holt Community building.

The room was cleverly decorated in a rural motif, symbolic of the decade of their marriage, with red checkered tablecloths, enamel tableware and fresh flowers from the country.

Wren and Fred were united in marriage on May 24, 1939, with her father, the late A.F. Loftin presiding. It was reported to be the first wedding held in the old Baptist basement. The reception was in the home of Mr. and Mrs. R.E. Lee.

They have lived on the farm south of Spearman all their married life. Family members attending were Mrs. Arch Marshall, Houston, Hazel Slyter and sons Mark and Kenneth Slyter of Augusta, Kan. and the families of the Nolan Holts-the Larry Holts and the Brett Jarvis', Mike Holts, O.C. Holts, Susan and Bryan Kidder, Mrs. Hazel Loftin, and Mrs. Myrtle Farrington and a few close friends.

Mr. and Mrs. James Riley returned Wednesday from a ten day trip. They went to Sanger to attend the 50th wedding anniversary of his brother. Later they visited her sister at Rule, Tex.

This past weekend their guests have been their grandson, Terry Davis, and his wife and little daughter of Oklahoma City.

Mr. and Mrs. G.W. Robinson came in Monday after enjoying several days in the home of their daughter. She and husband, Tadd Bloom, and daughter Lauren live in Colleyville, Tex.

Freeman Barkley spent the last two weeks at Sulphur Springs. His daughter, Marjorie Ellen, and Malcolm Kirkland and children live there.

Owen and Olive Pendergraft spent Tuesday and Wednesday at Ulysses, Kan. Mrs. Vera Gray was hostess this year to the group of six girls who were classmates at Goodwell in 1933 and meet annually since then. This year only three couples could join Mrs. Gray, as the other two were ill.

Bill Russell, of the Hansford Manor, was delighted to have his daughter, Marjorie Ellen, and J.V. Burdette here for the weekend. They live at Lamesa.

Ray Phelps and Freeman Barkley are delighted to share their responsibility on directing the work and business of the Hansford

Cemetery with Paul Hazelwood. The announcement of his appointment to fill a long standing vacancy on the board was made last week.

Paul will take a personal interest since it is his family cemetery and as with any undertaking of his, he will give it full attention and effort.

Many were the compliments about the prairie wildflowers in full bloom at the Hansford Cemetery over Memorial Day.

A Friday overnight guest of Cleo and Lowell Denman was the wife of her grandson, Mark Taylor, of Manhattan, Kan. She was enroute to San Diego where she will do volunteer work in the zoo this summer. She is a veterinary student at the University of Manhattan.

John Allen was initiated into that exclusive Octogenarians club on Sunday. His 80th birthday was celebrated by members of his family.

The Allen's granddaughter, Misti and Todd Kohart, with Cooper and Kami of Meade, Kan., spent Sat. night with them. They were joined on Sunday by Lydel and Gwena Schiffner and children of Liberal, Jane Frieson and daughters, Perryton, the Don Rapps and daughters of Guyton, David and Marilyn Wilson of Waka, Mr. and Mrs. J.W. Buchanan, Dumas and Helen Fisher.

Mrs. Maudie Marshall of Houston has been visiting relatives for several days. Although she stayed with the Nolan Holts, she has been guests of other members of the Holt family.

Don Allen is back at home since Sat. after ten days in St. Anthony's hospital. He underwent knee replacement surgery and feels that the operation was successful and he is making good progress.

Gene and Frances Cudd have spent the last two weekends at family reunions. The first one was held in Irving at the Embassy Suite hotel where numerous descendants of Gene's great-grandparents gathered. This is an annual affair, and since there are many branches, limbs, and twigs on the family tree, most of the members spent the time in tracing genealogy. However, some enjoyed the Rameses Exhibit and the Omni-dome and other places of interest. Many states were represented at the reunion and various ages and many walks of life made it very interesting.

On Memorial weekend the descendants of Samuel Benjamin Sheets held their reunion at the

Rita Blanca Lake Building with a goodly number present.

However, out of the many family members in Spearman, only three couples were able to attend. They were Mr. and Mrs. Gene Cudd, Mr. and Mrs. Ernest Archer, and Mr. and Mrs. Daniel Sheets.

Spearman's loss is Alabama's gain with the moving of Willie and Barbara Taylor and Tip and Harold Harris.

The Taylors came here in 1970 and their children grew up here and now live in Nevada and Nebraska. They have decided to return to their childhood home at Greenville, Ala., where family members still reside.

Mr. Taylor has been employed by H&H Water Well Service and she employed by the Hansford Agency.

Tip, Barbara's sister, and Harold Harris have decided to move also. He has been here 30 years and she for 19. She has been employed at T.G.&Y and he is now retired.

Willie is already in Greenville and the others plan to leave Thursday. All the neighbors join in wishing them the best of luck.

Guests of Inez Holland over this weekend, arriving Fri., were her son, Johnny and Ingrid, with sons Christopher and Brett. They left Monday morning to return to their home in Pueblo, Colo.

Mr. and Mrs. Ira Harbour returned last week from a two weeks stay in Colorado. They visited many old friends in the Chromo area where it is distressingly dry.

Later they were with their daughter, Ann, and Russell Hindmarsh and granddaughter, Manda Sloan.

Manda will enter Medical school in Denver on June 7.

Some of the high school seniors who had guests to witness their graduation on Friday evening were:

Margie Evans had her grandfather, Earl Shuss, of Ponca City. Margie plans to enter Southwestern Texas University at San Marcos.

Jan Crawford-grandmother Doris and Leon Payton of Roy, N. Mex.; Janie and Brice Waugh and family, Buffalo; Mr. and Mrs. Tim Barkley, Gruver. Jan plans to enter A&M this fall, but will spend most of the summer at Kerrville as a camp counsellor for handicapped and blind children.

Lance Swan is hopeful of entering college. His parents, Mr. and Mrs. David Swan, accompanied the seniors on their trip and David and Lance flew from San Antonio to Edinburg where Lance had an interview with a coach at Pan

American College.

Jennifer Reimer had her own cheering section to witness her graduation. Her great-grandmother, Mrs. Maud Allen, Mr. and Mrs. Clarence Lewis, Roger and Elinore Wright with Terry, Fred Lewis, and Mary Knight, all of Perryton; her brother, Greg, and Shari Phelps of Weatherford, Okla.; Clint and Gay Unruh with Kendra, Balko; Leshia and Arnold Terhune, Farnsworth.

Jennifer was awarded a scholarship in Band to West Texas University and plans to enter college there and will be taking some summer courses.

BECAUSE

Because somebody cared today
I knew God's Love was strong;
I found new hope to bear my cross
And courage for my song.
My neighbor's heart conveyed the love
I needed for my pain;
And happily I felt the Faith
To dream and smile again.
