Budget Passed By Council

Jones' Inauguration Set

Ceremony Planned By Six Committees

Inauguration committees were named at the last meeting of the inauguration-convocation committee, according to James G. Allen, dean of student life. The inauguration of Dr. E. N. Jones as sixth president of Texas Tech will be Monday morning. Classes meeting at 8, 9, and 10 o'clock will be dismissed.

W. P. Clement, registrar, was named chairman of the registration committee. Members of his committee are: Dr. W. B. Gates, dean of graduate studies; Dr. R. C. Goodwin, dean of arts and sciences; Dr. D. E. Holcomb, dean of engineering; Dr. George Heather, dean of business administration; W. L. Stangel, dean of agriculture; Mrs. Marjorie M. Neely, dean of women; Col. Ollen Turner, professor of air science; Hampton Green, professor of military science; Marshall Pennington, vice president; and Miss Margaret Weeks, dean of home economics.

Reception-Coffee

Reception-coffee committee will be headed by Mrs. Marshall Pennington. Her committee members are: Miss Shirley Schulz, director of food service; Mrs. W. P. Clement; Mrs. R. C. Goodwin; Mrs. Ollen Turner; Mrs. D. E. Holcomb; Mrs. George Heather; Mrs. Hampton Green; and Mrs. James G. Allen, professor of journalism.

Dean Weeks will serve as chairman of the luncheon committee. Serving with her will be: Miss Jonnie Michie, professor of home economics; Mrs. Eunice Gates, professor of foreign languages; Mrs. J. R. Wells; Mrs. Troy Lockard, assistant professor of applied arts; Mrs. W. L. Stangel; Mrs. Mary Elliott, dietitian; and Mrs. S. H. Lee.

Transportation

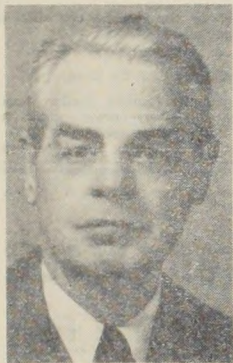

The transportation committee will include: Elo Urbanovsky, director of horticulture and park management, chairman; L. N. Jones, assistant dean of student life; and Dr. S. H. Lee, assistant professor of chemical engineering.

Dean Gates will head the committee on printed programs. Mrs. Allen and J. R. Heitman, professor of journalism, will serve with him.

Chairman of the procession committee will be Dr. J. J. Willingham, head of dairy manufactures. His committee will consist of: Dr. N. C. Fine, assistant dean of agriculture; Dr. S. M. Kennedy, acting assistant dean of arts and sciences; Dr. W. M. Pearce, associate professor of history; Dr. J. W. Davis, head of government; and Dr. A. G. Oberg, professor of chemistry.

Henry Nash Smith

William Harold Cowley

Speakers Named For Inauguration

Dr. Henry Nash Smith, professor of English at the University of Minnesota, will give the principal address at the inauguration of Dr. E. N. Jones at 9 a. m. Monday, on the Administration Building green.

Dean William Harold Cowley, Stanford University professor of higher education, will address the delegates luncheon at the Caprock Hotel at 1 p. m. Dean Cowley also gave a speech at Dr. D. M. Wiggins' inauguration four years ago.

The inauguration will begin Monday with registration of delegates in the Student Union Building ballroom at 8 a. m. About 100 delegates from other institutions are expected.

At 9 o'clock the procession from the Student Union Building to the Administration Building lawn will begin. Dr. Smith will then address the group.

A reception in Drane Hall for about 600 delegates and guests will be held from 10:30 until noon.

Official delegates will meet at the Caprock Hotel at 1 p. m. for a luncheon.

C of C to Meet

Tech's Chamber of Commerce will meet at 7 p. m. Thursday in Ad264, announces E. J. Tarbox, president.

Election of officers, and discussion of agenda for next year will feature the meeting.

National Honorary Forensics Fraternity Will Be Established on Tech Campus

Delta Sigma Rho, national honorary forensics fraternity, will install a chapter on Tech campus at 4 p. m. Tuesday, May 19, in the double conference room of the Student Union Building.

The installing officer will be Prof. Thorrel B. Fest, national president-elect from the University of Colorado. He will also speak on "Forensics in an Age of Technology" at a banquet at the Caprock Hotel following the installation.

Charter members will include Dr. E. N. Jones, president, who engaged in forensic activities at Ottawa University, Ottawa, Kan., and Dr. P. Merville Larson, head of the speech department.

The four student charter members will be Gleen Rainer, Lubbock sophomore; Thelmaeane Hutchins, Pecos senior; Gail Littleton, Perryton sophomore; and Everett J. Tabox, Follett junior. There will also be three recent graduates who helped initiate the petition for the chapter: David Blackburn, Dallas; Jim K. Choate, Sweetwater; and Wanda B. Lewis, Dumas. Six alumni who will be included

are William R. Sewell, Wagoner and Warlick Carr, all of Lubbock; Maj. Clay E. Thompson, Fort Worth; Alton Hankins, Amarillo; and William Junius Carter, associate professor of mechanical engineering at the University of Texas.

The Tech chapter will be the 79th for the organization, founded in 1906 in Chicago. Membership is limited to those with two years in forensic activities.

Tech Graduates Are Inventors of Device to Test Butterfat Content

James Bridges and John P. Craig, Tech graduates, are co-inventors of an electrical-chemical device which is capable of testing the butterfat content of milk in 30 seconds, according to the April 18 edition of *The Farmer*.

Bridges is a research assistant in the animal husbandry department of the University of Minnesota where he is studying for an advanced degree.

Craig is a Tech electrical engineering graduate.

Paper, Band, Aggie Teams Receive Largest Allotments

Allocation of the Student Activity fee was made by the Student Council at a meeting held last night in Ad219. The Council receives \$2.76 which it allots to student organizations.

The budget will be sent to President E. N. Jones for final approval. It is:

Student Council	\$.25
Band	.60
Treador	.88
Engineering Show	.20
Aggie Teams	.31
Home Economics Club	.06
Choral Groups	.09
Forensics	.08
Association of Women Students	.02
International Relations Club	.02
Student Religious Council	.02
KTTC	.015
Engineering Organizations	.11
Dramatics Chamber of Commerce	.08
	.025

Engineers Given Two Scholarships

Three Tech engineering majors were recognized last night for outstanding work at a student branch meeting of the American Institute of Electrical Engineers and the Institute of Radio Engineers. The meeting was held in the Engineering Auditorium.

William G. Breckenridge Jr., junior electrical engineering student from Fort Worth, was awarded a General Electric Engineering Scholarship and certificate for next year. David H. Buck of the General Electric district office in Amarillo and chairman of the Panhandle-Plains Section of AIEE, made the award on the basis of scholarship need, leadership, prospective engineering potentiality, and personal character.

Ronald Hulsey, Guthrie senior electrical engineer, received a certificate as a result of being elected, by the students, as the most outstanding student branch member of the year. The award is based on the student's activities and contributions to the branch throughout the year.

A. F. Parks, also a senior electrical engineering student, was awarded a \$10 prize and certificate for his paper "Preliminary Considerations in the Development of a Phase Angle Relay." It was presented for competition at the southwest district meeting of AIEE student branches in Stillwater, Okla., this spring.

The program last night included reports by the students who attended the IRE meeting in San Antonio and the AIEE district meeting in Stillwater.

Geology Students Get Article Award

Three Tech geology majors, Dick Holt, Don Stookey and Guy Irvin, received notice Saturday that their article, "Ogallala Group of the Llano Estacado of Texas", published in the January issue of *Campus* magazine, had been placed third in that publication's best articles of the year.

Holt is a graduate student from Valley Mills; Stookey, a senior from Fort Worth; and Irvin, a senior from Waco.

Their article was a description of formations and a breakdown of formations as divided by Dr. G. E. Meade, former member of Tech faculty.

Campus is a monthly publication sponsored by Sigma Gamma Epsilon, honorary geology society, and is made up of articles written by students belonging to this society.

In the event that certain bills are passed by the state legislature an additional 46 cents will be available and upon administrative approval, will be received by the Council. A budget to take care of this situation was prepared. It is:

Student Council	\$.30
Band	.60
Treador	1.06
Engineering Show	.20
Aggie Teams	.39
Home Economics Club	.07
Choral Groups	.10
Forensics	.09
Association of Women Students	.02
International Relations Club	.03
Student Religious Council	.03
Radio Club	.01
KTTC	.02
Engineering Organizations	.15
Dramatics	.09
Future Teachers of America	.01
Chamber of Commerce	.05

The budgets were formulated on the basis of an estimated enrollment of 4,000 students per semester next year.

Benny Bruckner, business manager, reported that the Council surplus fund contains \$5,225.12; Varsity Show fund, \$2,090.22; dance fund, \$79.46; and general fund, \$117.77.

Dance Fund

The council voted \$71.25 to the sophomore class from the dance fund. Jay Fish, sophomore class president, reported that the deficit was incurred at the Sophomore Hodge-Podge.

Liz McCain, arts and sciences representative, proposed an amendment to the constitution reading that five cheerleaders be chosen in general elections. The proposal was defeated by lack of a second to the motion.

The council voted to favor closing the road leading from College Avenue to the parking lot behind the boys' dormitories to all traffic except maintenance and delivery. Jimmy Nickoll, agriculture representative, reported that the Campus Planning committee has requested the City Traffic Commission to impound cars

SOCIETY

AWS Dinner at Caprock Tonight

The Association of Women Students will hold its annual May Day dinner at 7 tonight at the Caprock Hotel. Mrs. Marjorie Neely, dean of women, will speak on "Taking Inventory" and outstanding women on campus will be recognized. Mary Jo Craig, outgoing president from Plainview, will be mistress of ceremonies.

New AWS officers who will be presented are: president, Lena Schmidt, Slaton; vice president, Jance Doggett, Pampa; secretary, Gwen Williams, Lubbock; treasurer, Suzanne Matteson, Dallas; and reporter, Sue Duggan, Seymour.

Dean Neely will award two \$100 Delta Delta Delta scholarships to Donna Jo Upton, Midland sophomore and Miss Doggett.

These awards are outright gifts and are available to all women students regardless of fraternity affiliations.

Others to be recognized will be new members of Forum, new members of the Junior Council, and the dormitory legislators.

DR. WHITE TO SPEAK

"Your Other Vocation" will be the topic for Dr. Travis White's address to the graduating seniors of the First Christian Church. Dr. White will be the speaker at the banquet honoring the group Thursday at 7 p.m. at the church.

Speech Graduates Will Be Honored

A dinner honoring the 11 graduating speech majors will be held at 6:30 p.m. tomorrow at 3419 25th St., home of Dr. P. Merville Larson, head of the speech department. The dinner is sponsored each year by the members of the staff in the speech department.

Those seniors to be honored are: Pat Edwards, Fort Worth; Patti Mitcham, Fort Worth; Evelyn Hext, Apache Creek, N. M.; Marjorie Asbill, Lubbock; Anita Pope Lubbock; June Ann Morton; Ranger; Phil Nickell, Lubbock; Len Ricky, Lubbock; Russell Huckabee, Midland; Thelmaeane Hutchins, Pecos; and Gordon Downum, Lubbock.

Prom Tickets Still Available in SUB

"Only a few more tickets are left for the Junior-Senior Prom," says Moody Alexander, publicity chairman. "These tickets may be purchased in the Student Union Building for a limited time."

Price of tickets is \$3 for date and \$5 for stag.

Artie Shaw will play for the Prom, which is set for Friday night from 8 to 12. Girls living in dormitories will get special 1 o'clock privileges if they attend the dance.

The dance will be formal, without corsages.

"Only 350 tickets will be sold, and most of those have already been purchased. Anyone desiring a ticket is urged to hurry," Alexander added.

Tickets will be sold only to juniors or seniors. Class members may take a person not a junior or senior to the dance, but must buy the ticket. Tickets are sold on a first-come, first-served basis.

The tour which Shaw is currently on is a setup in his return to popular music, his "first love." He has been heard on the concert stage, for the past year, appearing with several prominent symphony orchestras.

The music he played with them was the same type music he practiced in learning to play the clarinet. He began studying the clarinet when he was 13 years old. Then he showed ability to play serious music.

His debut as a professional musician, however, was as soloist and arranger for a dance and. His climb to popularity began with a series of popular concerts, and his recording of "Begin the Beguine."

Mrs. Cecil Matthews will lead a forum at 7:15 tomorrow night at the Methodist Student Center on "Love, Courtship and Marriage".

Approval Sought For Vets' Group

Tech Vets, a service club designed to help veterans returning to school, is in the process of approval. The group will meet Thursday night at 8 o'clock in Room 36 of the Administration Building to adopt a constitution and discuss organization plans.

If the organization is approved, the officers to serve next fall will be Odis Echols, commander; Glenn Cary, vice-commander; Wayne Davis, secretary-treasurer; Royce Hogue, sergeant-at-arms; and Howard Parker, reporter.

Dorm Counselors Hold Annual Picnic

Supervisors and wing counselors of men's dormitories held their annual picnic Sunday afternoon at Mackenzie State Park.

Following a softball game, in which the Bledsoe-Gordon team and the Sneed-Doak team tied 11-11 in three innings, a steak fry was held. A constitution for the group was drafted.

University of Indiana Prof To Conduct Typing Clinic

Dr. T. James Crawford of the University of Indiana, will conduct a one-day typewriting clinic June 9 for high school business teachers and business education majors. The clinic will be sponsored by the business education department.

Geology Club To Elect

Sigma Gamma Epsilon, honorary geology organization, will elect officers tonight at 7:30 at the last meeting of this semester.

Roddy Will Head Physics Institute

Richard Roddy, Lubbock sophomore, was elected president of the student section of the American Institute of Physics at the annual picnic Saturday night at Mackenzie State Park.

Other officers for next fall are Cecil Dillard, Borger junior, vice president; Paula Osburn, Midland sophomore, secretary; and Kenneth Gilbert, Plainview junior treasurer.

Home Economics Seniors Receive 'Farewell' Lilies

Senior home economics students each received a potted lily at the Home Economics Club meeting last week.

New officers for next year were installed at the meeting by Nancy Crosby, club president. They are Carol Jean Sandlin, president; Martha Blankenship, vice president; Ruth Smalley, secretary; June Christian, treasurer, and Joanne Patching, AWS representative.

Linksmen Take Second In Border League Meet

Tech's golfers captured second; the trackmen took fourth place; and the tennis team finished last in Border Conference competition at Abilene last Friday and Saturday.

The Raider golfers staged a second round comeback to slip ahead of Arizona and Tempe and finish second with a total score of 616. Hardin-Simmons took the tournament for the third successive year, finishing 23 strokes ahead of the Raiders.

Tech's trackmen mustered 10 1/3 points to finish fourth behind Arizona State of Tempe with 79 1/2, the University of Arizona with 53 11/12, and Hardin-Simmons with 11 1/4.

The Raider trackmen, expected to finish third, were set back sharply when Jim Farrell, defending champion in the 120-yard high hurdles, pulled a muscle in the qualifying races and was not able to place in either of the hurdles events.

Jerry Fairley, who sprinted to victory in the 226-yard dash, was the meet's third highest scorer with 8 tallies.

Tech's tennis team, favored to take third, didn't fare so well in the wind-blown competition of the Border meet. The Raider netmen finished in last place behind Arizona, who took first with 24 points; Hardin-Simmons, who was second; and Tempe—third.

Tech Racquetees Trounce Miners

Tech's tennis team blasted Texas Western, 6-0, in a net contest on the Lubbock High School courts last Thursday.

David Clark defeated Ted Pye, 6-4, 6-0; Jim Burgess took Dave Brownlie, 6-4, 6-1; Wendell Jones edged Billy Rex Johnson, 6-4, 7-9, 6-2; and Pete Edwards downed Jim Padgett, 6-0, 7-5.

In the doubles, Clark and Burgess of Tech won over Pye and Padgett, 6-4, 6-1; and Jones and Edwards took Padgett and Brownlie of TW, 10-8, 6-4.

The off-form Raider crew couldn't even best Texas Western or West Texas State, whom they had scored victories over earlier in the season. Texas Western chalked up 5 1/2 points and the Buffaloes mustered 3. Tech could only manage 2 1/2 tallies.

Dave Clark was the only Raider netman to make the semi-finals. But he was defeated, 6-3, 6-4, by Bill Cary of Arizona, who went on to win the title.

Tri-Delta Gains Softball Crown

Tri-Delta took the women's softball title task week, dethroning Pi Phi, winners for the last three years.

The climactic game saw Tri-Delta slug out a 20-13 win over the former champs.

The winners will be awarded a cup, slated for May 17 at 9 a.m. in the Caprock Hotel.

Monday: Tri-Delta 16, Theta 8; Tuesday: Pi Phi 10, Theta 3; Wednesday: Tri-Delta 5, Kappa 4; Thursday: Kappa 9, Theta 1; Tri-Delta 20, Pi Phi 13; Friday: Pi Phi 9, Kappa 4.

Wranglers Win In Track

Slowed down by dust and high winds, only one record was broken Saturday, as the Wranglers took the intramural track meet, scoring 31 points.

College Club finished second in the tough competition with 24 1/2 points.

Event winners were:

Pole Vault—Ponder, Steers, 9'6"
Shot Put—Bryant, Dishwashers, 48'10"
High Jump—Ponder, Steers, 5'6 1/2"
Softball Throw—Dyer, Los Camas, 101 yds. 2'9"
High Hurdles—Ponder, Steers, 16.5
Low Hurdles—Ochner, College Club
440-yard Dash—Williamson, Steers, 56.4
220-yard Dash—Richardson, College Club, 23.3

Football, Throw—Dyer, Los Camas, 101 yds. 2'9"
100-yard Dash—Wheeler, Wranglers, 10.8
880-yard Run—Williamson, Steers, 2 min. 23.5
60-yard Dash—Wheeler, Wranglers, 7.8
440-yard Relay—Wranglers (Young, Martin, Wilson, Wheeler)
Mile Relay—Phi Delta Theta (Alexander, Nelson, Ince, Baird)

Deadlines Given For Post-Grads Finishing in May

Graduate students planning to finish their work in May have four deadlines to meet before they can graduate, according to an announcement from the office of Dr. W. B. Gates, Dean of Graduate Studies.

May 22 is the last day to submit final drafts of theses and dissertations and pay the binding fee.

Caps, gowns, and hoods must be picked up at the Bookstore not later than noon, May 23.

Commencement rehearsal will be held at 8:30 a.m. May 24. The president's reception for the graduating class will be from 4 to 6 p.m. the same day, and the Baccalaureate sermon will be at Jones Stadium at 8 p.m.

Commencement exercises are scheduled for 8 p.m. at the stadium on May 25, and 5 p.m. May 26 is the last day to return academic regalia to the Bookstore.

New Deferment Regulation Raises Minimum 'Full-Time' Study Loads

BUDGET—

parked on the road.

Sophomore Booklet
Dick Shockley, junior of Westaco, asked the Council's approval of a booklet being prepared by the sophomore class to be sent to freshmen next fall before registration. The decision was left to the incoming executive council composed of J. C. Chambers, 1953-54 Student Association president; Bill Burton, vice president; Max Preston, business manager; and Nina Spearman, secretary.

The meeting was turned over to the new Council which voted to make next year's official out-of-town trip to the University of Houston game November 21.

Chambers appointed council members to serve on standing campus committees next year. Burton was named student chairman of the publications committee. Other members are: Robert Jacobson, agriculture representative; Sue Duggan, home economics; Harriet Henderson, arts and sciences; Glenn Rainer, arts and sciences; and Jerry Russell, engineering.

Disciplinary Committee
Paul Griffith, engineering representative, was appointed to the disciplinary committee. Another council member will be named to the committee later, said Chambers.

Terry Young, engineering, and Barbara Lu Currie, arts and sciences, will serve on the student organizations committee. Those appointed to the artists course committee were Gwen Williams, arts and sciences; Jimmy Nickell, agriculture; and Max Von Roeder, agriculture.

Campus Planning Committee
Campus planning committee members will be Ed Weymon, business administration; Dale Booher, engineering; and E. J. Tarbox, arts and sciences. International relations club representatives will be Don Harris, business administration, and Tarbox. Moody Alexander, arts and sciences, was appointed to the athletic committee.

Recent information coming to Texas Tech relating to Selective Service regulations indicates that deferments will be granted to only those students for whom the College can certify that there has been completed during the past twelve-month period a full one-fourth of the four-year degree requirements or one-fifth of the requirements for a five-year degree.

This would mean, for example, that between the close of the spring semester in May, 1952, and the close of the present spring semester in May, 1953, a student must have earned 32 semester hours of credit if his degree requires 128 semester hours.

Change in Regulations

This is a change in regulation from past years during which the Selective Service system considered a student full-time if he met the minimum load requirements to be classified as a full-time student under the regulations of the college in which he was registered. This has meant that Texas Tech has been certifying students as full-time who were registered during a semester for a minimum of 12 semester hours.

Since some students may not have earned the required minimum total of work during the fall and spring semesters of the 1952-53 academic year and did not know of this change of regulation in time to have earned additional credit during the 1952 summer session, the various offices of the College are planning to certify full-time status for those stu-

Students appointed within the council were Varsity Show, to be headed by Tarbox, and Homecoming to be chairman by Preston. Other members are Harris and Nickell.

dents upon assurance that they are attending the 1953 summer session, but this interpretation will be used only for this year's certification. Hereafter, a student will be expected to attend the summer session, if needed, preceding the fall and spring semesters following which he needs full-time certification.

Summer Session

A student who is not reasonably certain that he will earn the required minimum one-fourth (or one-fifth in the case of a five-year degree) of his degree requirements during the fall and spring semesters of the 1953-54 academic year should plan to attend the 1953 summer session.

Each student should check with his draft board authorities or the dean of his division for additional information.

Charlie Maple, junior journalism major from Claude, has been notified that his article on a miniature gin built by H. V. Brigham of Lubbock, has been accepted for publication. The article will appear in the May issue of Cotton Gin and Oil Mill Press. The magazine is published in Dallas.

Hilton Painter, representative of the Texas Empire Life and Accident Insurance Company of Dallas, will be on the campus Thursday to interview men who wish to enter the field of life insurance sales.
