## Clubs Ballot For Nationals

### Eleanor Steber to Appear Monday In Third Concert for Artists Course

Eleanor Steber, soprano star of the Metropolitan Opera, concert, stage, radio and television, will present her third Tech Artists Course concert at 8:15 p.m. Monday in Lubbock High School Auditorium. She appeared here in 1944 and 1945.

This winter she sang Elsa in the Metropolitan Opera's presentation of "Lohengrin," the same European operatic debut this summer at the Bayreuth Festivals in Germany. On April 11, Miss Steber will return to the Metropolitan for another performance of "Lohengrin," which will be broadcast from coast to coast.

#### Won Met Audition

Born in Wheeling, W. Va., Miss Steber's first teacher was her mother, who taught her piano and voice until she graduated from high school. Later at the New England Conservatory, she studied with William Whitney, leaving to go to New York and study with Paul Althouse. She won the Metropolitan Opera Audition of the Air in 1939-40, and the following season made her debut at the Met.

She appeared on the first simulcast radio-TV show and was the first opera star to appear on TV. In 1944, she was also chosen one of America's ten best-dressed women.

#### Repertory Large, Varied

Miss Steber has memorized 25 operatic repertoires. She has done operas of Strauss, Bizet, Gounod, Offenbach, Mozart, Verdi, Massenet, Puccini, Menotti, Wagner, and Beethoven.

She has appeared with Bruno Walter, Arturo Toscanini, Andre Kostelanetz, Serge Koussevitzky, Dimitri Mitropoulos, and Eugene Ormandy.

Her radio and television programs include: the Metropolitan Opera Presents, the Ford Hour, Coca-Cola "Pause That Refreshes," Chrysler program, and more recently, the Voice of Firestone.

#### The Program

- |  |           |
|--|-----------|
| Reclitave and Aria to a fragment of "Didone" | Schubert  |
| (Metastasio)                                 | Schubert  |
| Mozart                                       | Schubert  |
| Im Abendroth                                 | Schubert  |
| Delphine                                     | Schubert  |
| De Fleurs                                    | Debussy   |
| Le Jet d' Eau                                | Debussy   |
| Chevaux de Bois                              | Debussy   |
| Aria: Selva opaca                            | Puccini   |
| from "Madama Butterfly"                      | Puccini   |

Eleanor Steber

### Willson Lectures Will Be Delivered By Presbyterian Minister at Large

Dr. Louis Hadley Evans will deliver this year's Willson lectures Monday through Thursday in Tech gym.

Classes meeting at 9 a.m. Monday and Tuesday and at 10 a.m. Wednesday and Thursday will be dismissed to permit students to attend the lectures, it is announced by the office of the dean of student life.

Dr. Evans has been pastor of the First Presbyterian Church of Hollywood, Calif., for 11 years. This is said to be the world's largest Presbyterian church, having a membership of 6,400.

The general topic for the lectures will be "Love, Marriage and

God," with a sub-heading, "Are You Fit To Be Tied?"

Monday and Tuesday the lectures will be held from 9 to 10, and Wednesday and Thursday from 10 to 11.

Dr. Evans received his B.A. from Occidental College in California, and his B.D. from McCormick Theological Seminary of Chicago. He has written two books, "Youth Seeks a Master" and "The Kingdom Is Yours".

He is now "Minister at Large" with the Presbyterian National Board and is touring the United States as a lecturer. This will be his second appearance here, having spoken previously in 1948.

### Techsians Give 61 Pints of Blood During Campus Drive

Sixty-one pints of blood were donated by Techsians in a drive sponsored Monday by Alpha Phi Omega, men's service organization.

The drive continued yesterday, according to Bill LaShier, APO secretary; donation figures are not available.

#### APRIL IS DEADLINE

April 1 has been set as the deadline for graduating seniors to order their caps and gowns, according to W. C. Cole, bookstore manager. The same date is the last day to order graduation invitations.

### Show Numbers Announced; Other Talent To Be Chosen

Although several of the featured numbers of this year's Varsity Show have been announced by Director Odie Echols, other talent is yet to be chosen, he says.

The first complete show rehearsals will be held at 2 p.m. Sunday in the Music Building Auditorium.

Featured acts announced this week by Echols are:

- Dean Kelly and Virginia Carr in an Indian Pair Dance
- Jean Ann Gillum, solo, "Long Ago and Far Away"
- Connie Hopping and James Sides, duet.
- A comic quartet, "No Help Wanted."

### Men's Social Clubs Select Eight Fraternities to Petition

Men's social clubs of Tech met last night to vote on the national fraternities they will petition.

Results of the vote are: Adelphi, Sigma Alpha Epsilon; Centaur, Phi Kappa Psi; College Club, Kappa Sigma; Kemas, Phi Gamma Delta; Los Camaradas, Pi Kappa Alpha; Silver Key, Phi Delta Theta;

#### ★ ★ ★

### Club Installations To Be Held Soon

Installation of the Tech women's social clubs as chapters of national sororities will begin this month and continue into April. All five clubs have been accepted by the organizations which they petitioned.

#### Kappa—Las Chaps

Kappa Kappa Gamma, petitioned by Las Chaparritas, will hold the first of the ceremonies March 28-29. Present members will be initiated, along with alumnae who have been members since 1944. A banquet and a reception are included in plans for the installation. The chapter will be denoted as Delta Psi.

#### Zeta—Las Vivas

All initiated members of Las Vivarachas are eligible to become members of the Gamma Tau Chapter of Zeta-Tau Alpha. Ceremonies will be held April 10-11 and will include a banquet and an open house.

#### Theta—Souci

Kappa Alpha Theta will initiate members of Sans Souci the weekend of April 24-26. Alumnae who desire information on initiation should contact Mrs. Paul Graham at 3211 21st St., Lubbock.

#### Tri Delta—DFD

Delta Delta Delta will initiate members of DFD the same weekend, holding ceremonies in the Educational Building of the First Presbyterian Church. A banquet and reception are also planned. The Tech chapter will be known as Delta Psi.

#### I: Phi—Ko Shari

The Tech chapter of Pi Beta Beta Phi will be known as Texas Gamma. Former Ko Sharis may request information from Mrs. Kenneth Looper, 2008 50th St., Lubbock.

Socii, Sigma Nu; and Wranglers, Alpha Tau Omega.

"This completes a two-year planning program for the clubs," James G. Allen, dean of student life, said.

The local clubs will now send their petitions to the national fraternities to join that group. Some of the clubs, if their petitions are accepted, may be installed within the next two months; some must wait until a later date. All petitions must be approved by the national fraternities.

"Definite arrangements will be planned soon," Dean Allen stated.

#### Eleven Participate

Eleven fraternities participated in the final stages of proposed nationalization for the local clubs.

The eight clubs met separately last night to permit members to do preferential balloting within each club. Each club made up its list in the order preferred; this list was turned over to the official counters for comparison with the preferential vote of the national group.

Official counters were Marshall Pennington, vice president in charge of finance; Roy Wells, assistant to the president; E. Doner of Zeta-Tau Alpha. Ceremonies will be held April 10-11 and will include a banquet and an open house.

#### Procedure Followed

The Tech clubs first studied carefully the problems which would affect the clubs if they went national. Next came a period of education, with complete objective data on 25 fraternities which had expressed an interest in expansion to Tech," Dean Allen added.

Late last November, the clubs met and narrowed the list to 13 nationalities. Then for two months local and area alumni of the fraternities met with the clubs, to meet club members and explain the national organizations.

Last delegations from the fraternities visited the campus. Most of these delegations contained some of the national officers for the fraternity, members of the fraternity from other chapters, and area officers.

### Agriculture Division Announces Award, Initiation, and Staff Judging Activities

#### Block And Bridle

Block and Bridle Club, organization for animal husbandry majors, initiated nine new members Monday night.

They are: Dale Tardy, Joel Lackey, Neil Wood, Carl Meissner, Ed Fouts, Johnny Leonard, George Donnell, Hugh Lackey and Maurice Millins.

Block and Bridle will hold a steak fry March 28 honoring these new members.

#### Tech Aggie Club

Richard "Slick" Blackmore, junior animal husbandry major, is Aggie of the semester, announces Tech Aggie Club.

At the beginning of each semester the club selects one member, on the basis of service, as the outstanding Aggie for the previous semester.

Blackmore was selected for his service to the club during the entire semester, especially for his work on preparations for the annual pig roast.

#### Livestock Shows

Three members of the agriculture staff will assist in junior livestock shows this week.

W. L. Stangel, dean of agriculture, will judge the Lynn County Junior Calf Show in Tahoka Saturday.

T. L. Leach, professor of agriculture education, will assist in Future Farmers of America and 4-H Club livestock judging contests at the Amarillo Fat Stock Show Thursday.

L. M. Hargrave, associate professor of agricultural education, will assist in the same type judging contests at the San Angelo Fat Stock Show Wednesday.

### Jacobson To Fill Council Vacancy

Robert Jacobson, junior from Adrian, will take office as Student Council representative from the Division of Agriculture at the Council's regular meeting Monday night.

Jacobson was automatically elected to fill the post vacated by Brian Boyett, who is now a graduate student, when no other candidate returned a signed petition to the Council office. Deadline was 5 p.m. yesterday.

## 'Light Up the Sky' To Be Next Week

The speech department production of "Light Up the Sky" will be presented March 9-14, beginning at 8:15 nightly in the Speech Auditorium. Tickets are on sale in the speech department office for \$1. or by presentation of a student activity card.

"Light Up the Sky" is a modern comedy about theater people. It was first presented in New York City.

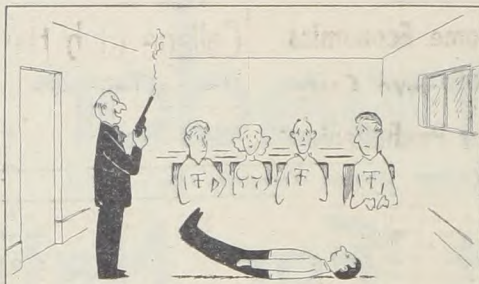

Miss Annah Jo Pendleton, professor of speech, asks all persons who have phoned for reservations to pick up the tickets immediately or cancel reservations if they will not be used.

## New Plan Used Drilling Tech Well

A process seldom used in drilling water wells has been tried at Tech recently to develop a profitable irrigation well out of a small producer. A process of acidizing the well, used extensively in petroleum production seems to be successful in the one it has been tried on, says Dr. A. W. Young, head of the department of agricultural engineering.

The well, located on the northwest section of the campus, was drilled in fine sand which seemed to be almost cemented together and yielded a slow flow of water. After acidizing, the water flow was doubled.

However, this process is effective only in new wells where the flow of the water is partially blocked, says Dr. Young. It will not increase the water supply in a well which is going dry.

"THE PENALTY FOR FAILURE IN THIS COURSE IS IMMEDIATE AND LONG-LASTING"

## Raynell Abernathy Hurt Seriously in Auto Wreck

Raynell Abernathy, freshman from Levelland, received a serious back injury Saturday night when the car in which she was riding skidded and overturned on the Idalou-Lubbock highway.

The 18-year-old home economics major who was living in Casa Linda, has three cracked vertebrae and two compressed fractures. As soon as a cast is made for her back this week, she will be taken to Levelland where her mother is a nurse in a hospital.

## Prints Displayed at Museum

A collection of various types of prints was placed on exhibit in the Museum last week by Prof. F. A. Kleinschmidt, head of the architecture department. The art institute collection contains wood blocks, wood engravings and etchings. All are accompanied by descriptive explanatory material.

## Tech Geology Field Courses To Be Given This Summer

Summer field courses in geology will be offered in the Sangre de Cristo Mountains near Las Vegas, N. M. this summer, announces Dr. R. G. Sidwell, head of the geology department. The first course is scheduled about June 5-July 15 and the second from July 17-Aug. 17.

Students will be housed at Highland Village where meals are served at the Highland Cafeteria. Transportation to the field is to be provided by two trucks.

About 30 students have applied for the 6-hour course, which costs approximately \$90 for transportation, room and board.

Applications for the field course are available in the geology department office.

## Aggie Education Professors Officiate at Livestock Shows

T. L. Leach, professor of agricultural education, will conduct contests at the Amarillo Livestock Show Thursday. Between 50 and 75 area high schools are expected to be represented at the show.

L. M. Hargrave, associate professor of agricultural education, is in San Antonio acting as assistant superintendent of the swine division at the San Antonio Fat Stock Show.

## Dr. Fine, Prof. Lamont To Attend Childress High School Senior Day

Dr. N. C. Fine, assistant dean of agriculture, and Norman Lamont, assistant professor of petroleum engineering, will attend the senior day at Childress High School Friday.

The two Tech faculty members will speak to the seniors and answer questions concerning the college. The conference assists students in choosing their college work and planning their future careers.

## Seed Convention Will Be Held on Campus Saturday

A Certified Seed Growers meeting will be held here Saturday. Anyone interested in good seed is invited to attend the meeting, according to Dr. A. W. Young, head of the agronomy department. Registration begins at 9 a.m. in Aggie Auditorium.

The program will begin at 9:15 with a 15-minute period of welcome and announcements, and will close with a discussion period starting at 3:45 p.m. Agriculturalists from several Texas colleges and experiment stations will speak on various subjects during the day.

Among the speakers will be Clifford Deaton, chief, Seed Division, State Department of Agriculture, Austin; Archie Leonard, associate professor of agricultural economics; Cecil Ayers, associate professor of agronomy; James E. Dykes, assistant professor of marketing.

## Students Win Third Places At Oklahoma Speech Meet

Texas Tech took four third places at the Twenty-fourth Savage Forensic Meet at Durant, Okla., this past week.

Jackie Bateman won third in junior women's oratory, junior women's extemporaneous speech, and junior women's debate. Barbara Smith also won third in junior women's debate.

Donnie Dean and Glen Rainer went to the quarter finals in junior men's debate and lost to Central Oklahoma State, the team that finally won in the state finals.

## Ko Shari Schedules Presentation; Burl Hubbard Will Play For Dance

Ko Shari will present its pledges at 8 p.m. Saturday at the Lubbock Hotel. Burl Hubbard and his orchestra will furnish the music for the dance following presentation.

Pledges and their dates are: Raye Bennett, Craig Morris, Joan Norris, Bob Lowie, Betty Doris Hamilton, Jerry Jackson, Betty Pitzer, Howard Pardue, Nancy Holmes, Tom Lucas, Pat Harkleroad, Earl Dietering, Mary Fran Stevens, Don Johnson, Cathy Beard, Phil Thompson, Charlotte Wilmoth, James Martin, Virginia Carr, Paul Stuart, Nancy Chastain, Bobby Cavazos, Wanda Norman, Gene Hamill, Marian Wagley, C. E. Hyatt, Rofean Holloway, Kenneth Smith, Jane Jip, Johnny Alder, Dottie Gathings, Bob Vival, Nancy McKee, J. V. Carpenter, Nancy Roberts, Gary Throckmorton, Paula Ostrom, Bill Ledwig, Shirley Smith, Bill Williams; Jer-

ry Beiford, Martin Smith, Pat Franklin, Brian Boyett, Marybeth Toles, A. L. Madison, Mary Jane Smith, Bill Enlow.

Spring pledges attending are Nancy Hall, Bob Kain, Shirley Massey, Bill Burton, Shirley Cartwright, Travis Hammer. Other pledges will be: Joan Cox, David Smith, Ray Crider, Lloyd Leasure.

Members and dates are: Nelle Etenbough, Edith Hart, Billie Sue Mullin, Nelson Morris, Pat Watson, Don Harris, Lena Schmidt, Curtis M. Brownlee, Jan Edwards, Earl Hutcherson, Eva Crowley, Jim Galde, Nancy Herrington, Don Andrus, Peggy Wilson, Bill Holmes, Betty Deal, Bruce Matson, Mary E. Johnson, Tom Seale, Nan White, Jim McGraw, Suzanne Matteson, Jim Conine, Myra Rathert, David Collier, Sue Duggan, Joe Forsueth, Margaret Lee, Charlie Nix, Pat Haws, Johnny Allen, Rebecca Price, Bob Price, Jeanette Hill, Wayne Teague.

Patsy Donn, Tom Flor, Gloria Snell, Bill Derrick, Dorothy Hickey, Howard Hicks, Linnie Boyers, Audrey Howard, Margaret Ann Garlin, Jimmy McMillan, Gwen Williams, Benny Brackner, Margaret Wood, Harold Brannan, Kathy Phillips, Ned Hardin, Darlene Blount, George Henry, Pat Townsend, John Hudson, Shirley Johnson, Ralph Shelton, Sally Radebaugh, George Farrell, Iris Brunson, Doyle Clarke.

## AWS Delegates Make Resolution; Annual State Convention Planned

A resolution to have an annual Texas State Convention to promote women's government in colleges in Texas was made at the Association of Women Students convention held on the Tech campus last weekend. The delegates to the convention also resolved to draw up information about various women's governing organizations and develop an exchange program with other schools. The resolutions resulted from panel discussions held during the convention.

Fifteen girls representing six schools in Texas and the surrounding area attended the convention.

## PLEDGES INITIATED

Six pledges were initiated into the Wrangler fraternity last Wednesday night after a meeting of the club. They were: Nelson Evans, Carl Hart, Ray Howard, Jimmy Johnson, Burk Roberts,

## Home Economics Will Give Coffee For Panhellenic

The Home Economics Division will entertain Panhellenic with a coffee tomorrow from 10:30 to 11:30 a.m. in the dining room of the Home Economics Building, announces Mrs. Jonnie Michie, head of foods and nutrition and institutional management.

Dean Margaret W. Weeks will greet guests at the door and they will be introduced by Miss Sammie Callan.

Serving at coffee table will be: Mrs. E. N. Jones, Mrs. Cliffgrd Jones, Mrs. R. C. Goodwin and Mrs. George Langford.

Coffee will be prepared by students in Foods 433 under the direction of Miss Mayme Twyford.

Home Economics faculty members will serve as hostesses.

For the past several years Panhellenic has given a fellowship to the girl in the Home Economics Division who has the highest grades in her freshman year.

## College Club Has Dance Friday

College Club will have its annual spring sport dance at 9 p.m. Friday at the Lubbock Hotel. Music will be furnished by K. Carter and his orchestra.

Members and dates are: Jay Fish, Jane Hicks, Odie Echols, Marcia Rogers, Harvey Stewart, Rosemary McKee, John Womack, Marge Sams, John Ochsner, Lena Schmidt, Tim Russell, LaFau Edwards, Jim Gaede, Iva Crowley, Bobby Rains, Linda Yancy; William Dunnam, Adrienne Bridges, Charlie Orren, Jan Dorn; Bobby Jetton, Nina Spearman; Deryl Bennett, Barbara Pierce; Lowell Richardson, Patsy Ruth Greedy; Neil Wood, Martha Broward; James Franklin, Gloria Snell; Joe Reynolds, Gjenna Shinn; Bill Bales, Tommie Brown; Russ Pearson, Mary Gristy;

Messrs. and Mesdames Herman Caskey, Jerry Cooper, Dan Olsen, Kenneth Ramage, Max Roberts, and Jack Ashworth.

Other members attending will

## Tech Delegates To Attend ASME Conference In April

A speaker selected from the mechanical engineering department will deliver a 15-minute talk on an engineering project at the Student Conference meeting next month in New Orleans.

Approximately 21 members of the American Society of Mechanical Engineers will represent Tech April 13-14 at the meeting to be held at Tulane University.

Representative talks from all regional colleges will be judged and prizes awarded the winners.

be: Willis DeLozier, Jack McCracken, Tommy Robinson, Dan Roark, Joe McMenamy, Tommy Brawley, Bryan Close, Richard Mott, Scott Poage, and Delbert Shearer.

## Museum Calendar

March 8-14 — Treasure of the Month: Wedgewood Vases; Hobby Show, Historical Gallery.

March 8 — "Contemporary Painting of the Southwest", Rotunda; Show of Black and White Prints, Art Gallery.

March 10 — 8 p.m. Opening of Texas Fine Arts Show, Art Gallery; Music in the Round, Museum Auditorium.

March 11 — 8 p.m. Audubon Society lecture and colored film, Museum Auditorium.

March 14 — 9 a.m. Children's Art Workshop, Historical Gallery.

## TO DISCUSS CLUB

Automotive enthusiasts interested in forming a club are asked to meet at 5:15 p.m. Thursday in LLI, announces Dale Smith, engineering senior from Lubbock. A movie on South America will be shown and organization of the club will be discussed.

## Socii Club Queen Crowned at Dance

Joyce Booher, business administration junior from Lubbock, resigned as queen of the Socii Orchid Dance Saturday night. Miss Booher was crowned during intermission by Bill Sawyer, club president, while the "Socii Sweetheart Song" was sung.

Miss Booher's throne was decorated with clusters of baby orchids and the club colors of maroon and white. A large white orchid centered the wall behind the throne. Miss Booher was escorted by Dan Williams.

Socii members chose the queen and kept her identity a secret until the coronation.

**Only Time will Tell...**

Try Camels for 30 days and see how mild, how flavorful, how thoroughly enjoyable they are as your steady smoke!

**MORE PEOPLE SMOKE CAMELS than any other cigarette!**

### Placement Office Sets Four Interviews For Engineering, Science, Math Majors

R. H. Joyce, employment supervisor of Public Service Company of Colorado, will interview sophomores, juniors, and seniors tomorrow. He will talk with men majoring in electrical, industrial, and mechanical engineering.

### Two Van Appledorn Songs To Be Presented in March

Miss Mary Jeanne van Appledorn of the music faculty has had two songs accepted for performance.

Her Shakespearean numbers, "Blow, Blow Thou Winter Wind" and "Under the Greenwood Trees," will be presented for the Southwestern Symposium at the University of Texas on March 23.

### Dean Stangel Judges Fat Calves in Sweetwater's Livestock Show

W. L. Stangel, dean of agriculture, judged the fat calf division of the Sweetwater Livestock Show last week.

Dean Stangel will judge four additional shows in the next few weeks: the Abilene Fat Stock Show March 9 and 10, the Odessa Livestock Show March 11, the Snyder Livestock Show March 13 and 14, and the Clovis Fat Stock Show March 23.

represented by H. F. Grossman in interviews Friday. It has openings for seniors majoring in physics, mathematics, and chemical, civil, electrical, mechanical, and industrial engineering.

Today, Texas Electric Service Company is interviewing spring graduates who have majored in electrical, industrial, and mechanical engineering.

Tuesday, March 10, Humble Oil and Refining Company will interview both men and women graduates for openings for persons majoring in secretarial administration and business education, management, mathematics with physics minor, chemistry, and art.

### Texas Library Convention To Be Held in City in April

The Texas Library Association's convention will be held in Lubbock April 16-18, says Ray C. Janeway, Tech librarian.

The event will be held in conjunction with a meeting of the West Texas Adult Education Council, and the teachers will attend some of the library sessions.

In planning activities of interest to both groups, the library program committee has arranged for a group of librarians and educators to participate in discussions on the convention's theme: "The Role of the Library in the Community." Mr. Janeway says.

Robert J. Blakely, manager of the central region office fund for adult education, will deliver the keynote address.

### Journalism Meet To Be in Houston

The 23rd annual meeting of the Southwestern Journalism Congress will be held March 20-21 at the University of Houston.

All Tech students interested in attending should make arrangements with Mrs. Louise C. Allen, assistant professor of journalism, in J201.

Last year's congress was held at the Texas State College for Women in Denton. The fourteen member colleges are Baylor, Hardin-Simmons, Louisiana State, Mary Hardin-Baylor, Oklahoma A&M, Texas Christian, TSCW, Texas Tech, Tulane, University of Oklahoma, University of Texas, and University of Houston.

### Mary H. Gristy Is Elected Sponsor of ROTC Co. A

Mary H. Gristy was elected sponsor of Company A, ROTC Engineers, Feb. 12. Miss Gristy is a freshman pre-law major from Wichita Falls, living at 1515-39th St. in Lubbock.

Miss Gristy was chosen from a group of seven girls including Deirdre Clairmont, Frances Deere, Diana Nichols, Wanda Owens, Carolyn Amos, and Mary Jane Smith.

ROTC Cadet Company sponsors have received new uniforms.

### Money Needed for Flash Card Fund

Campus organizations are being asked to contribute to a fund for flash cards used at Tech's home football games, announces Bill Bales, president of Saddle Tramps. The card stunts have been sponsored by the men's service club.

With the support of the Association of Women Students and Alpha Phi Omega, Saddle Tramps purchased a set of two-color cards for the 1951 season. The club purchased more cards last year. Future plans call for extra cards, which will make animated stunts possible.

### Dr. Gene Hemmle Will Teach at California School Next Summer

Dr. Gene Hemmle, music department head, will serve as a guest professor at Stanford University at Palo Alto, Calif., during the regular summer session, June 20-Aug. 18. He will teach advanced choral methods and music education for classroom instructors. He will also do individual work with graduate students in the field of music education.

Raymond Elliott, associate professor of music, will serve as acting department head during Dr. Hemmle's absence. His classes will be taught by Mrs. Elois Elliott, co-ordinator of music in Lubbock's public schools, and Miss Edna Marie Jones, co-ordinator of music in Abilene Public Schools.

### Rifle Team Aims At El Paso Meet

The Texas Tech ROTC rifle team is making plans to attend the fourth annual Southwest Invitational Rifle Meet at Texas Western College in El Paso. The meet will be held March 12-14.

Approximately 28 teams plan to attend. Two matches will be necessary for each team. Preliminary matches will take the first two days and finals with prize presentations will be on the last day.

According to Maj. D. F. Caple, military science professor, Tech's riflemen have not been selected.

### 3 PLAYS ANNOUNCED

Casting for three plays to be directed by speech students will be held from 2 to 5 p.m. Thursday and Friday. The tryouts are open to all students. The plays and their directors are: "Gammer Gurton's Needle," Evelyn Hext; "The Happy Journey," Eleanor Lincoln; and "Hello Out There," Pat Edwards.

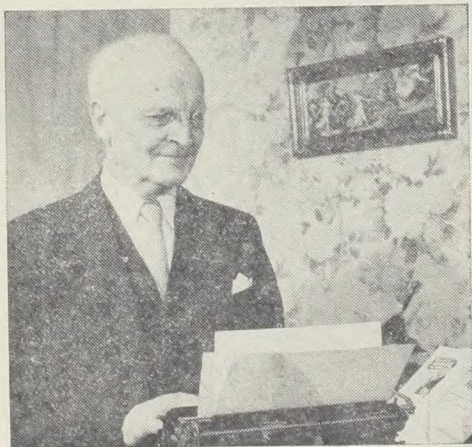

### KILLED IN KOREA

Lt. Verdo A. Mitchell, 23, former Tech engineering student, has been killed in action in Korea, according to an announcement received by the Ex-Students Association office last week. His plane, a F-84 type jet, crashed and exploded while on a strafing mission.

## "Amazing variety and practical wisdom"

says DR. ANDREW W. BLACKWOOD  
Temple University, Philadelphia, Penna.

"The Reader's Digest helps a busy man to understand life in these United States, in the United Nations, and even in Soviet lands. With amazing variety, and a world of practical wisdom, each monthly issue helps the reader to interpret life on earth today, with more than a few glimpses of tomorrow."

Each month, Reader's Digest editors comb through more publications than any one person could read in two years, and select whatever seems of outstanding interest.

Each article is carefully condensed to preserve both its content and flavor. The wide range of subjects stimulates new interests, encourages a further search for knowledge.

In a real way, Reader's Digest helps continue the education of millions of readers in America and all over the world.

In March Reader's Digest, you'll be interested in *The Earth Is Born*—latest scientific theories on how our earth began, how it will end; *We CAN Win the War in Korea*—William Bullitt's analysis of how we can end the bloody stalemate; *Fred Waller's Amazing Cinema*—how a self-made scientist is bringing breathtaking realism to movies.

### When Grover talks to his dreamboat—something clicks

A call from Dreamboat always clicks with Grover. And an Automatic Message Accounting machine has been clicking too—down in the telephone office—busily punching impressions on a paper tape.

You may be interested in what this ingenious recorder does. It keeps track of what telephone number you called, how long you talked, and records this information in such a way that another machine can automatically prepare a monthly bill.

The development of this new automatic accounting machine is the result of team-

work by Bell Telephone Laboratories, Western Electric and the telephone companies. Telephone people working on this and other interesting and important projects were in college just a short time ago. Perhaps you'd like to join them.

Your Placement Officer can give you details about employment opportunities in the Bell System. Or write to American Telephone & Telegraph Company, College Relations Section, 195 Broadway, New York 7, N. Y., for a copy of the booklet, "Looking Ahead."

# Museum Is Site For Art Lecture

Robert Pruesser, Texas artist, will be guest speaker for the second art lecture co-sponsored by the Museum and the Lubbock Junior Welfare League. The lecture will be tomorrow night at 8 in the Museum Auditorium, and will open an exhibition of "Contemporary Painting of the Southwest".

The show is sponsored by the Museum of New Mexico Art Gallery, and comprises works of representative artists from Texas, Colorado, Arizona, Oklahoma, and New Mexico. The pictures will hang in the Rotunda of the Museum through March 22.

Mr. Pruesser is associated with the art department of the University of Houston.

### BIRDS ARE DISCUSSED

Birds of Galveston were discussed by Dr. R. W. Strandmann, professor of biology, at a Sigma Gamma Epsilon (geology club) smoker Tuesday night last week. Dr. Strandmann showed slides of birds taken in Galveston. Guy Irvin, Sigma Gamma Epsilon president, reported that the club will meet every week for pledge programs until the pledges become members. Meetings are held at 7:30 p.m. on Tuesdays in Sci 101.

### PARTY HELD FRIDAY

Students with birthdays in February and June were honored guests at a birthday party and seminar at the Baptist Student Center recently. After the party, Bruce McIver, Bible teacher and student secretary from Southwest Texas State Teachers College, lead a seminar, "One Life To Spend". This ended a week in which six speakers gave ideas to Baptist students on different professions and how Christians fill these positions.

### INSPECTS DAIRY HERD

Mareh Wood, a Guernsey breeder of Ardmore, Okla., was on the campus Monday, inspecting the dairy herd acquired by the Agriculture Division last summer. Koy L. Neeley, associate professor of animal husbandry, conducted the visitor on his tour. Mr. Wood helped select the foundation Guernsey herd for Tech last year.

### Dr. Mize Teaches at RAFB

Dr. F. L. Mize, professor of management, is holding weekly conferences for top officers at Reese Air Force Base on organizational, administrative and executive techniques and procedures. Officers attend daily management classes and have discussion once a week. Topic of discussion last week was "Techniques of Interviewing."

# Baptists To Attend Missions Meeting

Sixteen Tech students and their Baptist Student Union secretary will attend the State Baptist Missions Conference at Southwestern Baptist Theological Seminary in Fort Worth Friday and Saturday.

Those who will attend are: E. J. Tarbox, J. J. Jenkins, Powell Hinson, Forrestine Crowley, Mary Ann Wilson, Norman Key, Lera Dell Cherry, Mary Holloway, Bob Hazlett, Shirley Tucker, Jim Mallard, Carole Robertson, Ralph Hodges, Joella Harrell, Richard Allen, Janet Lloyd, and Miss Ardelle Hallock, student secretary.

# Lubbock To Be June Host To National Cotton Meeting

Texas Tech, the Lubbock Cotton Exchange, and the city of Lubbock will be co-hosts for the meeting of the American Cotton Congress June 25-27.

A planning committee, headed by Burris C. Jackson of Hillsboro, will meet in Lubbock April 19-20 to plan programs and exhibits for the meeting. About 200 persons are expected for the first two days and some 5,000 are expected for the field day at Tech June 27.

# Cadet Training To Be Discussed

Discussions will be conducted in the Recreation Hall from 9 a.m. to 3 p.m. tomorrow and Friday for men interested in becoming pilots in the Air Force.

An aviation cadet selection team composed of officers and airmen will give information concerning the types of aircraft being flown today, the kind and length of training given, and the benefits received by graduates of the program.

Aviation cadet training is now open to all qualified men who have completed a minimum of 60 semester hours of college work. Applicants must be unmarried and between the ages of 19 and 28½.

Movies prepared by the Air Force will be shown at 10 a.m. and 2 p.m. tomorrow in L10.

### CLUB TOURS LOCAL STORE

Tech Marketing Association toured Hemphill-Wells Company Monday night, according to Roy T. Shaw, sponsor. Edward Strickland, Lubbock senior, was program chairman. Culver Hill, advertising director of Hemphill-Wells and principal designer of the new store, guided the group. He discussed floor arrangement and layout, and receiving and handling of stock.

Former Mexican Student Returns To U. S. for Refresher Sales Course  
Carlos Rios, 1945 textile engineering graduate of Tech, has returned to the United States from his home in Mexico to attend a refresher course in sales training at the Crompton Knowles Loom Works in Worcester, Mass.

### Forum To Hear Missionary

Richard Allison, former missionary to India, will lead the forum tonight at the Methodist Student Center. Mr. Allison, who spent three years in India, is now on leave and doing graduate work in the Agriculture Division.

A Southern belle once said to me,  
"I'd like to tell you—all  
that I smoke Luckies 'cause they're free  
and easy on the draw!"

Richard H. Levine  
University of Vermont

Nothing no, nothing-beats better taste

and **LUCKIES**  
**TASTE BETTER!**

Cleaner, Fresher, Smoother!

Ask yourself this question: Why do I smoke?

You know, yourself, you smoke for enjoyment. And you get enjoyment only from the taste of a cigarette.

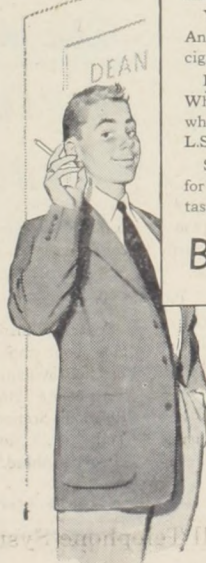

Luckies taste better—cleaner, fresher, smoother! Why? Luckies are made better to taste better. And, what's more, Luckies are made of fine tobacco. L.S./M.F.T.—Lucky Strike Means Fine Tobacco.

So, for the thing you want most in a cigarette... for better taste—for the cleaner, fresher, smoother taste of Lucky Strike...

**Be Happy—GO LUCKY!**

In spelling class we get high grades  
Because we plainly see  
That better-tasting cigarettes  
Spell L.S./M.F.T.

Margaret Johnson  
Duquesne University

I went to see the Registrar—  
He sent me to the Dean.  
The Dean said, "Son, smoke Lucky Strike—  
They're smooth! They're fresh! They're clean!"

William A. Spiegler  
Northwestern University

### Where's your jingle?

It's easier than you think to make \$25 by writing a Lucky Strike jingle like those you see in this ad. Yes, we need jingles—and we pay \$25 for every one we use! So send as many as you like to: Happy-Go-Lucky, P. O. Box 67, New York 46, N.Y.

PRODUCT OF The American Tobacco Company AMERICA'S LEADING MANUFACTURER OF CIGARETTES

TECH STUDENTS PREACH!

Twenty-four Techsans Are Ordained or Licensed for Ministry, Survey Shows

By WILLIE TURNER  
Torreador Staff Writer

Tech may be a state-supported school, but it has its share of preachers.

Twenty-four students are now preaching or planning to enter the ministry.

Ministers Named

Ordained ministers on the campus include: Kenneth McAnear, pastor of the Jarvis Avenue Baptist Mission; Robert Weathers, pastor of the Mexican Baptist Church; Curtis Lee, pastor of the Robertson-Canyon Methodist Church; Eugene Matthews, Cotton Center Methodist Church; Merriell Abbott, Spur Methodist Church; Nelson Stark, Anton Church of Christ; Ode Prescott, Ropesville Church of Christ; and

Willie Turner, pastor of Trailer Town Baptist Mission.

Licensed preachers are: James McGraw and William Stephens, Methodist; J. J. Jenkins, E. J. Tarbox, and Don Thompson, Baptist.

Planning to enter the ministry are: Dudley Bragg, Gene Doss, Powell Hinson, and Joe Sparks, Baptist; David Bomer, and Elmer Thompson, Church of Christ; Donnie Allen, David Rackley, Paul Stuart, Kim Loveless, and Bob Ford, Methodist.

The motto of one of these men is Proverbs 3:5-6: "Trust in the Lord with all thine heart, and lean not unto thine own understanding; in all thy ways acknowledge Him and He shall direct thy paths."

Another says that the greatest thing he has found in the Holy Word is Philippians 4:13: "I can do all things through Christ which strengtheneth me."

HASMAN NEW HEAD

Bob Hasman, former vice president of the Geology Club, was elevated to president at the meeting of the club Monday. Hasman succeeded Jerry Raun, who has resigned as president. Kenneth Willy was elected new vice president of the club by acclamation.

Tech's Yearbook Is On Schedule

La Ventana editors announced at publications committee meeting last Wednesday that copy for this year's annual is almost complete and is running ahead of schedule.

The committee approved the tentative budget for the Engineering Show and the Varsity Show advertising programs.

A delegation of engineering students protested to the committee about publication of news in the Torreador. J. Russell Heitman, Torreador sponsor, and Shirley Johnson, editor, explained that lack of funds and space limits the amount of news printed. No further action was taken.

Military Funeral Given J. C. Flynt

Funeral services for Joseph C. Flynt, 53, military property custodian at Tech, were held Monday at 2 p.m.

Mr. Flynt had been a regular Army man for 31 years before retiring with the rank of major in 1917. He received the Silver Star while with the Rainbow Division during World War I, and served in the Mexican campaign under Gen. John J. Pershing. He had been a recruiting officer in this area many years before starting to work at Tech in 1948.

Services were held at the Rix Funeral Home Chapel with the Rev. J. Wayland Edwards, pastor of the First Baptist Chapel, and the Rev. Alvin A. Katt, Reese Air Force Base chaplain, officiating.

TRAINING CLESS HELD

Tech Students attended classes in connection with the fourteenth annual Cooperative Leaders Training School last week at the First Christian Church. Dr. Jack Suggs, Texas Christian University, and Tony Lumpkin, University of Texas, lead two of the courses. Eighteen churches and religious organizations participated.

Choir Will Sing In 7 Area Towns

The Tech Choir and Madrigal Singers will be on tour March 30-April 2, announces Dr. Gene Hemmle, music department head.

The group will visit Andrews, Big Spring, Crain, Odessa, Midland, Monahans, and Wink.

While in these towns the musicians will appear on high school assembly programs, night concerts, and luncheon club programs.

The 56-voice choir, under the direction of Dr. Hemmle, will present a program of music from Bach, Schubert, and Tchaikowsky, a group of Negro spirituals, and music from the recent musical production, "Sing, Whirl 'n Play."

The Madrigal Singers will present 16th and 17th century madrigals, and contemporary works. They will be costumed in Elizabethan dress and will be directed by Ira Schantz, music instructor.

Plans for HE Open House April 24-25 Being Made

Plans are being made for the Home Economics Open House April 24-25, according to Patti Pipkin, chairman. Committee chairmen for the event will be announced next week, and a general meeting of all chairmen and faculty advisors is scheduled soon.

Joan Patching is co-chairman for the Open House and Miss Margaret W. Weeks, dean of Home Economics, is faculty advisor.

# Cowboys Edge Red Raiders in Overtime Thriller, 86-84

## Tech Ends Season With 9-5 Record

By DALE BASYE

Toreador Sports Writer  
Hardin-Simmons squeezed by Tech's Red Raiders 86-84 in a rill-packed, tooth-and-nail basketball contest in Tech Gym last night.

The win threw the Cowboys into first-place tie with Arizona and iced the Raiders back into third place in the Border Conference standing.

It was one of those games which gives the fans as exhausted as the players. Sixteen times the score was tied; seventeen times the lead changed hands. And it took two overtime periods to decide the contest.

Virgil Johnson, who was deadly accurate with his long shot, led the Raiders in scoring with 32 points. Jim Reed, outstanding on both offense and defense was second with 18. Bob Bouldin, playing his last game for Tech, turned a good defensive game.

The Raiders were in the lead most of the time in the early part of the game, closing the first quarter with a 18-13 lead, the second canto with a 37-33 margin, and the third stanza with a 52-48 lead. The Cowboys, however, rallied at the close of the fourth quarter and grabbed a 69-65 lead in one minute and 25 seconds.

But Johnson, like a dream coming true, unleashed two long shots to tie the score and send the game into an overtime period. The first overtime stanza was

tight all the way with never more than four points separating the teams. Hardin-Simmons was leading 80-78 in the closing seconds of the period, but Johnson broke through to sink a crib shot just before the buzzer sounded to tie the score, and send the game into a second overtime period.

Spellbound fans watched the lead swing back and forth in the second overtime stanza. Johnson sunk a free shot to knot the score at 84-84 as time began to run out, and it looked as if the fans were in store for a third ordeal. But a Cowboy shook himself free for a split second and sank a one hander seven seconds before the final buzzer to give the Cowboys the victory.

## AU Holds Second In 'Mural League'

AU took a firmer grip on second place in the Independent Loop of intramural basketball last week with a convincing 41-33 triumph over DSF. Welban was high point man in the contest, scoring 15 tallies for DSF. Top scorers for the winners with 14 and 12 points were Johnson and Marshall.

In other contests last Wednesday night, the Dukes took a close 31-27 win over the Boomerangs. Burks tallied 14 points for the Dukes while Coleman scored 12 for the Boomerangs.

Wesley Wildcats pushed Luby's further down in the league's cellar with a 36-23 win. Beavers topped Wesley scorers with 14 tallies.

Tonight's schedule finds league-leading BSU meeting the Steers in the bid-lifter. Third place Rangers tangle with Luby's at 8, and AU will try Wesley Whirlwind in the nightcap at 9.

## Wranglers Win Two More MICC Tilts; One Triumph Needed To Enter Playoffs

Wranglers continued to pace the ball with two triumphs last week. ball with two triumphs last week.

Los Cams gave the Wranglers a battle in the feature tilt. Tuesday, February 24, before falling, 40-37. Moorehouse paced the Wranglers to victory with 17 points, and Marsh followed closely for the Cams with 14.

In other contests that night, Kemas slipped by Socii, 26-22, with

Lunn scoring 13 points to lead the Kemas.

College Club clipped Adelphi, 35-21, in the night's other tilt. Richardson and Reynolds took scoring honors for College Club, scoring 16 and 12 points respectively.

In Thursday night's action, College Club took sole possession of third place, edging Socii, 26-22. Richardson again held the College Club, scoring eight points. Wranglers took their sixth consecutive triumph trouncing Silver Keys, 47-28. Hopper led the Wranglers with 12 points. Kemas won a four-feit triumph over Centaur to trail the Wranglers by only one game in the loop standings.

## Tech Swordsmen Take Close Win

Tech's fencing team took a 5-4 victory in team sabre, a first place in the open epee event, and a third place in intermediate sabre in a match with the Fort Worth YMCA in Fort Worth last Saturday.

Jack Carnell, Ed Sims, and Roddy Hobson won the team sabre event. Roddy Hobson took first place in open epee, and Ed Sims grabbed third place in intermediate sabre.

The Techsans will journey to Stephenville Saturday for a match with Tarleton. Those making the trip are: Jack Carnell, Ed Sims, Cecil Bradshaw, and Bobby Hobson.

## Tennis And Golf Teams Set For Heavy Weekend Action

Coach Wade Walker's golfers begin their 1953 schedule with the Southwestern Recreation tourney at Fort Worth Saturday.

The Raiders finished seventh in a field of 18 in the tournament last year, but have only one returning letterman Jerry Thornton of Fort Worth.

Tech's net team will leave this weekend for a three day trip to Dallas, Fort Worth, and Abilene. Monday the raquetees will try Southern Methodist in Dallas, while TCU will host the Raiders Tuesday. Wednesday the netmen are in for a busy day with two matches slated. In the morning ACC will test the Raiders, while Hardin-Simmons will be the opponents in the afternoon.

Making the trip for the Raiders will be Dave Clark, Richard Clarke, Jimmy Burgess, and Wendel Jones. The Raiders have played only one match so far this year, losing to Arizona, 6-0.

## Sports Briefs . . .

Tech will have its annual coaching clinic March 13 and 14 with Pat Pattison and Buddy Brothers the guest lecturers. Area high school and junior college coaches will attend the clinic, which is not a climax with the spring roundup this year. There will be an intra-squad game the afternoon of the 14th, however.

There's been a change in a Dorm League basketball contest. The game between Gordon Tigers and Sneed East will be played Monday, March 9 at 5 p.m. in the Gym.

Seven Class A and AA girls' basketball teams will compete for the Region Two title in University Interscholastic League play at Tech Gym Thursday and Friday.

The Raiders finished the basketball season in a third place tie with Tempe State of Arizona. With three starters missing from last year's team, we'd say Coach Robison did a fine job in bringing the Raiders home third.

21-A B... Ph. 3-2417

## Spring Training into Second Week

Tech's football squad is grinding along on its second week of spring training. The Raiders will finish the training with the annual spring roundup game scheduled for Friday, March 20.

After ten days of practice, line-ups began shaping up as follows: Erwin and White at left end; Williams and Legget at left tackle; Gray and Haws at guard; Funk and Massey at center; Lambert and Hunt at right guard; Walker and Wesley at right tackle; and Spooner and Wright at right end.

In the backfield Johnson and Kirkpatrick are running the quarterback slot; Cavazos and Douglass at right half; James and Lewis at left half; and Sides and Spinks at fullback. Pat Green is out of the lineup with a broken nose.

## SOFTBALL ENTRIES

It's time for softball, and the intramural program is about to begin. Entries are now open and must be in the 'mural office in the gym by this Saturday, March 7. Play will begin for all leagues March 12. Managers can pick up their forms now.

## Tech Cinder Team Sees First Action In Fort Worth Track And Field Meet

The Red Raiders are entering eight men in the Southwestern Recreation Track and Field Meet in Fort Worth Saturday.

Coach Landon Westbrook, in his first year as Tech track coach, has only three men who won points for the Raiders as they finished fifth in the University Division last year. Jerry Fairley of Pecos finished second in the 220; Jim Farrell of Amarillo was third in the high hurdles; and Don Covey of Lubbock ended third in broad jump.

Fairley and Farrell went on to win Border Conference titles, however, and Covey captured first place in the National Association of Intercollegiate Athletics meet at Abilene.

Covey will enter the broad jump, the mile relay, the quarter-mile relay; and Farrell, both hurdles and the quarter-mile relay. Also representing the Raiders

will be Johnny Jones of Mercury in high jump and broad jump, Ronnie Herr of Muenster in the dashes and quarter-mile relay, Billy King of Big Spring in pole vault, Carl Leggett of Jacksonville, Fla. in shot put, and Ronnie Cordell of Oklahoma City in the 440.

## Area Future Homemakers of America To Hold Convention at Tech Saturday

Tech committees for the Area I meeting of Future Homemakers of America on campus Saturday have been announced by Nancy Crosby, president of Home Economics Club.

More than 2,000 high school students, their sponsors and parents are expected to attend the convention in the Tech Gym. Miss Gay Ann McFarland, Area I president, will preside over the morning session which begins at 9:30.

### Dean Weeks to Welcome Girls

Miss Margaret W. Weeks, dean of Home Economics, will welcome the group to the campus, and Miss Crosby will also bring greetings from the Home Economics Club.

Dr. E. N. Jones, Tech president, will deliver the principal address, "FHA, the Hope and Faith of America."

The Home Economics Building will be toured by the group from 12 to 12:45. While in the building they will view a film, "The Home Economics Story," furnished by the Home Economics Club.

Lunch will be served the Future Homemakers in Tech's dormitories. The afternoon session will include a meeting of the House of Delegates, where new officers for the area will be elected and the continuation of a talent show which begins in the morning session.

Dr. Geraldine Clewell is faculty advisor at Tech for the meeting. Tech home economics students on the committees for the meeting are:

Reservations: Sara Mickey, Jean Landers  
 Tour Guides: Ellen Massengill, chairman, Nan White, Ann Simmons, Virginia Carter, Patsy Wilshire, Anne Thomas, and Lois Foster  
 Stage and Physical facilities: Lois Cleavinger, Iva Crowley  
 General hostess: Mary Ann Gidney, Lena Schmidt, and Barbara Sanders.

### W. H. VERNER HURT

William H. Verner, former campus patrolman recently transferred to the detective division, was seriously injured about 11 p.m. Monday when his motorcycle collided with a station wagon at 25th Street and Indiana Avenue.

### PROF. DUCKER GIVES TALK

"Error of Time in Newtonian Mechanics" was the subject of Prof. W. L. Ducker's talk at the American Institute of Electrical Engineering meeting Monday night. Prof. Ducker is head of the petroleum engineering department.

## Delta Sigma Rho Chapter Granted

Tech has been granted a chapter of Delta Sigma Rho, national speech fraternity.

Dr. Merville P. Larson, head of the speech department, was notified by Prof. E. C. Uehler, president of the national forensic society, that installation will be late in April. Prof. Thorrel B. Fest of the University of Colorado, national secretary-treasurer of the organization, will officiate at the installation ceremonies. Prof. Fest is also editor of the fraternity magazine, The Gavel.

The purpose of Delta Sigma Rho is to encourage sincere and effective public speaking, says Dr. Larson. The name of the society translated is "Oratory, the Key to Power." It was first organized in April, 1906.

Outstanding chapters of the fraternity are located at the following universities: Chicago, Cornell, Harvard, Ohio State, Southern California, Northwestern and Wisconsin. The only other chapter in this state is at the University of Texas.

Chapter members at Tech will be Thelmadane Hutchins, Gail Littleton, Joan Clifford, E. J. Tarbox Jr. and Glenn Rainer.

## Representatives of Five Companies To Interview Prospective Graduates

Representatives of five companies will interview prospective graduates next week, announces Mrs. Jean Jenkins, director of the Placement Service.

Fred M. Wilbur, representing the oil well supply division of United States Steel, Dallas, will interview mechanical engineers, business administration students, and other students interested in audit work. Wilbur will be on campus Monday and Tuesday.

Celanese Corporation of America, Bishop, will be represented by R. M. Bieleson. He will hold interviews Monday and Tuesday for chemical engineers, mechanical engineers, physics majors with either bachelor's or master's degrees.

Wednesday two representatives of the United States Naval Gun Factory, Washington, D. C., will interview electrical, industrial, and mechanical engineers.

On the same day, C. R. McNair, of the Bethlehem Supply Company of Tulsa, Okla., will see mechanical, petroleum, and electrical engineers. Maurice Lewis Jr. of the British-American Production Company, Midland, will interview mechanical and petroleum engineers.

Accounting graduates will be interviewed Thursday by Maurice Sprague, representing Arthur Anderson and Company.

Students interested in any of the interviews should contact Mrs. Jenkins to schedule appointments.
