Emphasis Week Will Start Sunday; Funds To Go To Foreign Students

World-Emphasis Week, sponsored by World University Service, gets underway Sunday with observances at various student centers.

Lasting through Thursday, Emphasis Week will stress the idea of world brotherhood, and funds raised through various projects will be used to aid university students in foreign countries. The week will be climaxed Thursday when faculty members will shine shoes and wait tables from 9 a.m. until 12 noon in the Student Union. Tips will go to the University Services fund. Although it is not the policy of the Union to allow tipping, exception is being made in this case, said Betty McGehee, chairman of the World University Service Committee of the Student Council. The Junior Council is sponsoring this phase of the program.

One day next week sorority and fraternity pledges will wash cars for 50 cents each on the parking lot south of the Music Building.

Short talks will be made in classes Monday on the purpose and size of World University Service. A short film on the subject may be run following the weekly movie at the Union Monday night.

Thursday evening at the Union a panel composed of foreign students attending Tech will discuss conditions in universities in the students' own countries.

The committee in charge of Emphasis Week is composed of Miss McGehee as chairman, Tom-

my Jones and Barbara Hazlewood from the International Relations Club, and Jim Medford of the Student Religious Council. Others working with the group are Patti Chambers, Janna Murray and Shirley DuPriest.

Amendment Vote Set for April 13

How many of Tech's cheerleaders should be selected by popular vote?

Tech students will answer this question in the April 13 general campus election. The present constitution provides for election of two yell leaders, but a proposed amendment which favors popular election of all five has been submitted for student vote. If passed by the students, the amendment will be effective in next year's election.

Petitions for candidates in the general election are already circulating about the campus.

Open offices in this election include all officers and representatives of the Student Council and two cheerleaders. Petition forms are available in the Student Council office. Petitions for Student Council offices and cheerleader positions are required to have a minimum of 300 student signatures for approval. Council representatives are required to have 100 petition signers. Signed petitions must be turned in to the Student Council office before March 30 at 5 p.m.

ARNOLD AIR INITIATES 3

Three pledges, Travis Dabbs, Gayland Kartuerer, and John Starkey, will be initiated into the Arnold Air Society today in the Museum auditorium. Following the initiation ceremony, scheduled to begin at 7:30 p.m., will be a professional program and reception. Members of the Sabre Flight drill team of the AFROTC will be honor guests.

Miller Hicks, Kiwanis Head Speaker at Circle K Club

Miller Hicks, president of the Hub City Kiwanis club, was guest speaker for the Circle K club, Tech Kiwanis group, last Friday.

At a supper meeting March 11, the club drew up their proposed by-laws and constitution. The next meeting will be at 6:30 p.m. Friday.

Noted Historian and Author To Lecture In Museum Auditorium Today, Friday

"The Ups and Downs of an Author" were described by Dr. Walter Prescott Webb, Texas historian and author, at 10 a.m. today during his first lecture on the Tech campus.

Dr. Webb, a member of the University of Texas faculty since 1918, will also speak Friday under the sponsorship of the history department—his second topic to be "The Frontier and Modern Civilization."

Both lectures will be given in the Museum auditorium.

During his career, Dr. Webb's best known literary works have included, "The Growth of a Nation," "The Great Plains," "The Texas Ranger," "Divided We Stand" and "The Great Frontier."

"The Texas Ranger" has since been produced as a motion picture by Paramount Studios.

His long tenure at the University has been broken by frequent teaching assignments abroad. He has served as a lecturer in American history at Oxford and London universities.

In 1952, Dr. Webb was made a Distinguished Professor of history at UT, one of the highest honors an institution can pay a

teaching faculty member. At present, he is president of the Mississippi Valley Historical Association and holds memberships in the American Historical Association, Texas Folklore Society and Southwestern Historical Association.

The lecturer holds bachelor's, master's and Ph.D. degrees from Oxford and Southern Methodist.

ROTC Field Day Will Be A Memorial To Phil McGee

Army ROTC Field Day this year will be designated as the "Phil McGee Memorial Field Day," according to Ted Hannah, public information officer for Scabbard and Blade. A definite date has not been set.

At their meeting Monday night, Gayle Erickson, senior civil engineer major from Midland, was selected as the organization's candidate for the "Ugly Man Contest."

Other business included initial plans for an informal date dinner to be held April 16 following the initiation of pledges. Tentative plans are for the dinner to be at the Skyline Dining Room.

Cadets To Debate With Coeds Today In Oxford Style

Two West Point Cadets and two Tech Coeds will appear in an Oxford Style Debate tonight at 7 p.m. in the Student Union Ballroom.

The proposition to be debated is "Resolved that the Federal Government should subsidize higher education of superior students."

Cadets Harper Gordon, Ahilene, Tex., and Alfred Sheldon, Ridge-wood, N. J., will debate with coeds Jacqueline Bateman and Barbara Smith. Gordon and Miss Bateman will argue the negative and Sheldon and Miss Smith will defend the affirmative.

The two cadets are members of a six man team that is on tour. Members of the team have debated at Southern Methodist, Baylor, Texas, Texas A. & M. and the University of Houston before coming to Tech.

The two cadets and the two Tech students debated this morning before the Lubbock Exchange Club while other members of the team were appearing before the Kiwanis Club.

In the Oxford style debate, the audience may participate by asking the debating teams questions and expressing personal opinions.

Treador Plans Political Edition

A special election edition of the Treador will be published Tuesday, April 12, Editor David Clark announced today.

The issue, on the eve of campus elections, will be in addition to the regular Thursday edition of that week. Decision to publish the special edition is based partly on the fact that Easter vacation the preceding week otherwise would cause the newspaper to skip from March 31 to April 14.

Clark also emphasized that candidates wishing to have their campaign platforms published must bring them to The Treador office no later than April 2. None will be accepted after that date, he added.

The special issue will be distributed Tuesday, April 12, when school reopens after the Easter holidays.

Program Council To Be Appointed

Executive officers of the Union Program Council for next year will be appointed Monday night. Students wishing to apply are requested by the present council to turn in their applications to the Program Office addressed to Ladon Sheats, Director of Personnel before 5 p.m. Monday.

The executive positions open are president, vice president, secretary, treasurer, director of personnel and director of public relations.

Appointments will be made by the incumbent members of the council at their meeting Monday. Applications for chairman of the fifteen committees will be accepted from March 28 to April 1. Reorganization of next year's council will include removal of co-ordinators who at present represent the committees at the Program Council and replace them with the chairmen themselves.

IT WILL BE SHADES OF THE ROARING TWENTIES when the 1955 Varsity Show opens Monday night at Lubbock High Auditorium. Shown above during one of the last practice sessions are some of the principals in the show. From left to right, they are: Gayle Erickson, Ann Hogg, David Pool, Grace Vick, Bob Lapham, Ann Rathjen and Bobby Waddle. —(photo by H. A. Tuck)

Varsity Show Opens Monday To Run Through Wednesday

Good News!—the 1955 varsity show is in its final stages of rehearsal. The two act musical comedy will be presented Monday, Tuesday and Wednesday at 8 p.m. in the Lubbock High Auditorium. Admission will be \$1 per person.

The original play enjoyed a long run in New York and many other major cities throughout the country.

Suspense is built around a football hero, Tom Marlowe, who finds scoring on an astronomy exam more difficult than a 99-yard run for a touchdown. Racoon coats, flappers, "twenty-three skiddoo" and such songs as "Varsity Drag," "Lucky in Love," and "Pass That Peace Pipe" serve to bring back the era of the "twenties" to the "fifties."

Not to be overlooked is a complicated love story between the hero and the sweet, demure coed. Closely interwoven into the plot are inferences to lead one to believe, "Professors have the absurd idea that people go to college to study." Bob Lapham and Ann Rathjen are cast in the lead and supported by: Bobby Waddle, David Pool, Gayle Erick-

son, Jack Caughen, Robert Rutledge, Mary Jo Cappleman, Ann Hogg, Truett Allison, Tom Parks, Ann Davidson, Grace Vick and Ed Aiken.

Members of the production staff are: Mary Ann Poneczynski, Joe Goodin, Virginia Carr. Committee members are: Roy Smith, Pat Boles, Jack McCracken, Donnell Phillips, Don Dilly and Jerry Johnson.

Sets were designed by James Nuckles and constructed by the Gargoyles Society, an organizational club for commercial artists and architects: Huda Hassen, props; Mary E. Johnson, costumes; Brad Wilde, stage manager; and Judy Edwards, make-up, complete the production staff.

Council Receiving Money Requests

Applications for Student Council activity fee allotments for next year are now being taken in the Council office. The Budget Committee urges all campus groups and organizations who wish a share to apply by April 1.

Allotments are open to all organizations who feel their functions benefit the college and who have no other way to wholly support these functions.

Applications should include an explanation of the organization's purpose and the tentative program for the coming year.

The Budget Committee will determine who shall receive money and how much they shall receive by the information submitted in applications, and interviews to be conducted later. The committee will make allotments from the \$2.86 received by the Student Council from each activity ticket sold.

Members of the Budget Committee are: Melvin Deardorff, chairman; Johnny Meyers, Donnie Dean, Jack Pruitt, Bill Ray, Beverly Garner, Graves Nelson and Jerry Johnson.

April 1 Deadline For Applications

An official deadline of Friday, April 1, has been set for applications for next year's positions on the Treador and La Ventana, it was re-emphasized today by Alfred B. Strehli, chairman of the Student Publications Committee.

Written applications are to be addressed to Strehli, who is also associate professor of foreign languages.

Applicants Sought For Foreign Visit

Would you like to spend two months this summer visiting a family in a foreign country—with all expenses paid?

Each year a Lubbock resident is chosen to act as a Community Ambassador to some community abroad. The person chosen will be sent from funds raised by more than 60 local civic and social organizations.

Applicants will be asked to be available after their return to address several of these groups. Preference of a country to be visited will be taken into consideration, announced John F. Schneider, publicity chairman of the project. The name of the country will not be announced until all applications have been received.

In 1953, Glenn Rainer, Tech student body president, visited Holland. Last year, David Hester, Tech graduate, spent two months in Sweden.

Requirements are: Legal residence in the area bounded by the Lubbock Independent School District, between 18-30 years of age and a graduate of high school not later than June, 1955.

Prospective Ambassadors should make their applications at Don Schriever's office at the Lubbock Chamber of Commerce. Positively no applications will be accepted after noon, April 2.

Oil, Coca-Cola and Insurance Firms To Open Senior Interviews Tuesday

Several Southwest area companies and a southern U. S. firm have scheduled employment interviews next week with 1955 Tech graduates in the business, education and technical fields.

Tuesday: Joske of Texas will interview retailing majors. The Halliburton Oil Well Cementing Co. has scheduled interviews with students majoring in chemistry, physics, and chemical, electrical, mechanical and petroleum engineering. Southwestern Public Service Co. will hold an interview session with home economics majors, and Standard Oil of Texas will see '55 graduates in mechanical and petroleum engineering.

Wednesday: The Corpus Christi Independent School District will interview education majors for elementary and secondary programs. Also scheduled are inter-

views by the Coca-Cola Co. with majors in chemistry and chemical, mechanical and industrial engineering. The Delhi-Taylor Oil Corp. will see chemical and mechanical engineering students.

Thursday: Majors in business administration will be interviewed by the Estate Life Insurance Co. while Liberty Mutual Insurance Co. has scheduled a session with engineering majors.

70 Plan To Attend Leadership Meet

Approximately 70 students will leave by chartered bus from the Student Union at 7:30 a.m. tomorrow for Cloudford, N.M., and the second annual leadership workshop sponsored by the Board of Student Organizations.

Students are urged by Ronnie Clark, program chairman, to wear casual clothes while on the trip. He added they should take coats. Students will stay at Cloudford Lodge during the retreat and return late Sunday evening.

Town Hall Meeting Is Set Wednesday

"Town meeting today!" This may be the cry heard Wednesday when the annual College Town Hall is presented in Aggie Memorial Auditorium at 10 a.m.

Composed of members of Texas Manufacturers' Association, the panel will include top management, production and personnel executives in Texas. They will answer questions directed to them by members of the audience.

Members of the panel are: Robert Kennedy, advertising director, West Texas Utilities, Abilene; R. M. Brackbill, division exploitation engineer, Shell Oil Company, Odessa; Orville McDonald, Orville McDonald Associates, Dallas; and S. P. Kroeker, assistant general manager, Sivalls Tanks, Inc., Odessa.

Sponsored by Delta Sigma Pi professional business fraternity, College Town Hall is free to the public, with students especially invited.

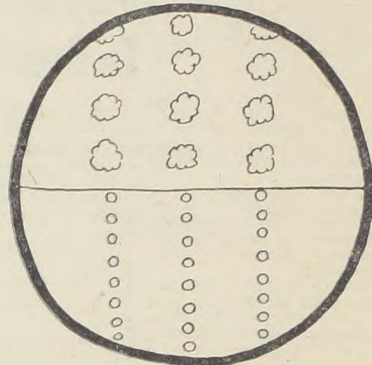

Rate 159% Above Last Year For Dorm Reservation

Dorm reservations for new students next year were 159 per cent higher Tuesday than they were this time last year, H. L. Burgess, reservation supervisor, announced today.

Reservations for next year have been made by 290 new students, most of them girls.

*DROODLES, Copyright 1953 by Roger Price

"IT'S TOASTED" to taste better!

NO MATTER WHERE YOU ARE, you'll get more pleasure from your cigarette if it's a Lucky Strike. That's the point of the Doodle above, titled: Three deep-sea divers enjoying Luckies. You get *deep-down* smoking enjoyment from Luckies because they taste better. Why do they taste better? That's easy to fathom. First of all, Lucky Strike means fine tobacco. Then, that tobacco is *toasted* to taste better. "It's Toasted"—the famous Lucky Strike process—tones up Luckies' light, mild, good-tasting tobacco to make it taste even better . . . cleaner, fresher, smoother. So, when it's light-up time, light up the better-tasting cigarette . . . Lucky Strike.

Better taste Luckies... **LUCKIES TASTE BETTER**... Cleaner, Fresher, Smoother!

Forum Planning Member Tapping

Forum, senior women's honorary service organization, is in the process of selecting its membership for next year and tapping service plans for these new members are now being made.

Forum is the equivalent of the national honor society, Mortar Board. A tapping service similar to that held by Mortar Board on other campuses is being planned.

On an unannounced date, the service will begin with the playing of the "Matador Song" from the Administration Building tower. Present Forum members will then go into the class of each newly elected member and "tap" her.

Delta Gamma Has Underwater Motif

Delta Gamma held its annual spring presentation Saturday March 19, at 7:30 p.m. in the Student Union Ballroom.

Decorations for the dance were centered around an underwater theme. Each initiate was presented as a pearl in a large modeled pink shell. Tumble weeds sprayed pink and sprinkled with silver glitter were scattered around the floor. Small pink sea horses decorated

the walls and were given to each presentee as a remembrance.

Chaperons for the dance were: Mayor and Mrs. Murrell Tripp, Dr. and Mrs. O. R. Hand, Mr. and Mrs. Jim Lawrence, Mr. and Mrs. R. O. Bennett, Mr. and Mrs. Ruett Crockett, and Mr. and Mrs. Herbert Colvin.

Mr. Colvin furnished background music and Mayor Tripp was narrator for the presentation. The Esquires played for the dance.

AN EDITORIAL

A Matter For Thought

Persons attending the symposium on the compulsory activity fee last week went away from the meeting fully aware that the problem is many-sided and of considerable proportions.

No one is eager to pay more money for an education. That fact is obvious. More money must come from some source, however, if the activities which now receive money from the fee are to maintain and improve themselves. Is the compulsory fee the answer to the problem? This question is really the crux of the matter.

On one side of the ledger are the students who work to pay their expenses, who are receiving veterans benefits, who are married, who have financial obligations not encountered by the average enrollee. To these students, the activity fee appears as an "extra," something to be paid for before the real objective can be obtained. Yet, like taxes, the activity fee would be levied on all for the benefit of all, or so the theorists state. And to the serious student, the student who desires an education above all else, a few extra dollars per year would not present an insurmountable barrier.

Opposing this viewpoint are the students who belong to organizations, who realize there is more to college than classwork, who, sometimes paying out of their own pockets, represent the college at intercollegiate events.

Still another position is tenable. This side says the legislature is trying to find an easy way out of its own difficulties, and certain facts can be found to make plausible, at least, this viewpoint.

To oppose the compulsory activity fee merely because one does not want to meet the added expense would be selfish. But to support it because one belongs to an organization which would benefit from the fee also would be selfish.

The good of the college must be kept in mind, but the college is composed of individuals, and the matter should be decided in a manner in which the individual will benefit the most.

Yma Sumac Displays Remarkable Voice In Inca Music and Dance Concert

By SHIRLEY HAMMER
Toreador Staff Writer

Lubbock residents were treated to a glimpse into the Inca world March 15, at the Yma Sumac concert in Tech Gym. A crowd of about 1,500 persons watched Miss Sumac and her troupe give an excellent performance although handicapped by a poor stage, no backdrops and bad lighting. The concert was an "extra" sponsored by the Lubbock Symphony.

Miss Sumac is a poised young woman whose voice range is hardly believable. In only two songs did she display all the rare qualities of her voice, however. She sounded almost inhuman at times on high notes and her shifts from low to high tones were especially smooth and effective.

Miss Sumac's company captivated the audience with their varied program of native music and dances. The musicians and dancers were attired in Incan dress. The dances were deftly performed and were strikingly similar to what Americans refer to as "modern" or interpretative dance.

Moises Vivanco, Miss Sumac's

husband, composed and conducted the music. The accompaniment consisted of a marimbo, piano,

cello, Inca base drum, flute and violin. The only variation from the strange Inca music was one number by a French composer and one song in Spanish, both sung by Miss Sumac.

RED RAIDER CAFE

Across from Bledsoe

On Campus with Max Shulman

(Author of "Barefoot Boy With Cheek," etc.)

I'VE GOT NEWS FOR YOU

It is my earnest hope that an occasional column of mine has pleased you enough to make you want to clip it out and keep it. But I'm sure that being preoccupied with more important things - like getting down to breakfast before your room-mate eats all the marmalade - the impulse has passed and been forgotten.

So I am pleased now to report that the makers of Philip Morris Cigarettes, bless their corporate hearts, have published a booklet called MAX SHULMAN REVISITED, which contains six of my favorite columns, along with some brand new material, all of this profusely illustrated - all of this available to you gratis when you buy a couple of packs of Philip Morris at your favorite tobacco counter on or near your campus.

But this is not the only news I've got for you today. Following you will find a roundup of news highlights from campuses the country over.

Southern Reserve University

Dr. Willard Hale Sigafoos, head of the department of anthropology at Southern Reserve University and internationally known as an authority on primitive peoples, returned yesterday from a four year scientific expedition to the headwaters of the Amazon River. Among the many interesting mementos of his journey is his own head, shrunk to the size of a kumquat. He refused to reveal how his head shrinking was accomplished. "That's for me to know and you to find out," he said with a tiny, but saucy grin.

Northern Reserve University

Dr. Mandrill Gibbon, head of the department of zoology at Northern Reserve University and known to young and old for his work on primates, announced yesterday that he had received a grant of \$80,000,000 for a twelve year study to determine precisely how much fun there is in a barrel of monkeys.

Whatever the results of Dr. Gibbon's researches, this much is already known: what's more fun than a barrel of monkeys is a pack of Philip Morris. There's zest and cheer in every puff, delight in every draw, content and well-being in every fleecy, flavorful cloudlet. And, what's more, this merriest of cigarettes, king-size and regular, comes in the exclusive Philip Morris Snap-Open pack. A gentle tug on the tab and the package pops obligingly open. A gentle push on the open pack and it silently folds itself back, sealing in the savory vintage tobacco until you are ready to smoke again.

Eastern Reserve University

The annual meeting of the American Philological Institute, held last week at Eastern Reserve University, was enlivened by the reading of two divergent monographs concerning the origins of early Gothic "runes," as letters of primitive alphabets are called.

Dr. Tristram Lathrop Spleen, famed far and wide as the discoverer of the High German Consonant Shift, read a paper in which he traced the origins of the Old Wendish rune "pt" (pronounced "krahtz") to the middle Lettic rune "gr" (pronounced "albert"). On the other hand, Dr. Richard Cumberbund Twonkey, who, as the whole world knows, translated *The Pajama Game* into Middle High Bactrian, contended in his paper that the Old Wendish rune "pt" derives from the Low Erse rune "mf" (pronounced "gr").

Well, sir, the discussion grew so heated that Dr. Twonkey finally asked Dr. Spleen if he would like to step into the gymnasium and put on the gloves. Dr. Spleen accepted the challenge promptly, but the contest was never held because there were no gloves in the gymnasium that would fit Dr. Twonkey.

(The reader is doubtless finding this hard to believe as Eastern Reserve University is celebrated the length and breadth of the land for the size of its glove collection. However, the reader is asked to remember that Dr. Twonkey has extraordinarily small hands and arms. In fact, he spent the last war working in a small arms plant, where he received two Navy "E" Awards and was widely hailed as a "manly little chap.")

©Max Shulman, 1955

The makers of PHILIP MORRIS, sponsors of this column, urge you to get to your tobacco store soon for your copy of MAX SHULMAN REVISITED. The supply is limited.

Letters to the Editor

Dear Editor:

Last week it was my "pleasure" to attend a meeting of the Student Council. However, I was shocked during one phase of the meeting at the attitude exhibited by all but a small minority. This was during the debate on the proposed cheerleader amendment. On the presentation of the amendment the majority seemed to express the attitude that the student body was incapable of determining the issue for themselves. On one occasion a representative from the Division of Agriculture expressed the view that the 581 students who signed the petitions were incapable of reflecting the attitude of the student body, but there are only 22 members of the Student Council.

One point should be made clear - that not all the students who signed the petitions were in favor of the passage of the amendment, but they were willing to submit it to a vote of the "whole" student body.

However, the vote of 11 against the amendment seemed to reflect personal opinion and fear of public opinion.

If the majority of the Student Council condemns the issue on the basis of the "incapability" of the students to make the right decision, I would like to remind those members that it was these "incapable" students who elected them to their present positions.

Yours truly,
Thomas Jones

Music Symposium Opens March 31 With Musical Comedies and Concerts

Two musical comedies, "There and Back," and "Don't We All?" will open the fourth annual Texas Symposium of Contemporary Music scheduled for March 31 through April 3 in the Music Building.

Every afternoon and night of the four-day affair will be full of concerts and recitals of contemporary classical music. In addition to numerous performances by vocalists and instrumentalists, both solo and ensemble, several campus choirs, the Tech Orchestra and the

Tech Band will appear in concert. Five composers will be visiting the symposium to hear their own music. All concerts on the symposium will be free, according to the music department.

METHODISTS HAVE HAY RIDE

About 45 students from St. John's Methodist Church, after a hay ride to Iris Brunson's home on Slide Road Friday night, were guests at a wiener and marshmallow roast.

Home Economics Banquet Features Two Speakers

Speakers at the Home Economics club banquet Tuesday night in the Student Union Ballroom were Dean of the Home Economics Division, Willa Vaughn Tinsley and Miss Esther Sorensen, FHA advisor for Area I.

Special music was by Mary Jane Hartley who sang "A Young Man's Fancy" and an Irish folk song.

Accounting Club Fills Social Slate

Beginning with an informal party April 8, the Tech Accounting Society has slated a full calendar of social events through the remainder of the spring semester.

Following the initial party will be a business and professional meeting April 21, a dinner dance May 6 and the final semester meeting May 12—the latter to feature the election of officers for next fall.

Present officers, elected last week, include: Tollie Hutchins,

president; Barry Brooks, vice president; Bob McMullan, secretary-treasurer and Larry Duenkel, reporter.

PERRY NAMED PRESIDENT

Sequoyah Perry has been named president of Tech's Institute of Finance. The institute, a reactivation of a former campus club, is designed to encourage a higher scholastic standing among its members.

Student Council To Approve Delegates For TISA At San Antonio April 1-3

Tech delegates to the three day Texas Intercollegiate Students Association will be approved by the Student Council at its regular meeting Monday night.

TISA, an organization of Texas students to maintain a steady correspondence between state schools, will convene this year at Trinity University, April 1-3.

Texas students attending TISA will exchange viewpoints in ten panel discussions including such subjects as "Promoting Inter-School Cooperation," "Positive Action on Desegregation" and

"Purpose and Responsibilities of Student Government."

A sight-seeing tour of San Antonio is scheduled on the final day of the meeting. Trinity University students will sponsor a play for the entertainment of delegates on the first night and a semi-formal dance is on the agenda for the second evening.

The Student Council is covering all registration and car expenses for approved delegates. Any Tech student with a 1.0 grade average is eligible for approval.

KTTC to Present Dramatic Skits: Two Program Sponsors Obtained

Edgar Allen Poe's thriller, "The Cask of Amontillado," may be heard over KTTC Radio Station Wednesday night from 9:45 to 10.

As a new program on the campus radio station, a series of dramatic skits will be presented every Wednesday with student actors. Professional scripts are being used at the present time,

but students interested in radio script writing are invited to contact KTTC in the speech building.

Students interested in acting and other phases of radio drama are needed by the campus station.

The campus station now has two program sponsors. The Lucky Strike Cigarette Co., sponsors a world, state, and local news broadcast from 7:15 to 7:30 p.m. and 9:30 to 9:45 p.m. Monday through Friday. They also sponsor a music show from 11:00 until 11:45 p.m. on Monday, Wednesday, and Friday.

Play Contest Open To Find TV Talent

For the three best original half-hour television plays the first annual Talent Associates Television Play Awards will give \$1,750 it was announced today. First prize will be \$1,000, second prize, \$500, and third prize \$250.

The contest is open to undergraduates only, and the plays may be either drama, comedy, or documentary.

In payment for this radio time, the cigarette company provides KTTC with free teletype service.

North American Aviation Co. and Chance Vought Corp., sponsor a career program from 9:45 to 10 p.m. on Tuesday and Thursdays. Semi-classical music is alternated with announcements of dates when company representatives will interview Tech students.

Talent Associates, Ltd., packagers of the Philco-Goodyear Television Playhouse, Justice, and others, are initiating the contest in an effort to uncover new writing talent for television.

A copy of the contest rules is available in The Toreador offices, J-105.

Two aircraft companies provide the station with record service.

Business Sorority Dines On The Run

Members, pledges and sponsors of Phi Gamma Nu, honorary business sorority, attended a progressive dinner Thursday night.

Courses of the dinner were served in the homes of Joanne Holmes, Mrs. Lee Turner and Mrs. Pat Brownlow. Glenna Speer was in charge of entertainment.

Members attending were: Sue Shawver, Joy Clark, Carol Crouch, Glenna Speer, Jo Nell West, Pat Brownlow, Betty Pitzer, Betty Nelson, Lee Turner, Joanne Holmes, Barbara Banks, and Shirley Cook. Kay Squires and Naomi Wright attended as pledges.

Speech Won't Be All 'Greek' If You Can Speak Spanish

A speech to be delivered at Arlington State College Saturday by a Tech language professor won't be "Greek" to its listeners — it will be Spanish.

Dr. Scotti Mae Tucker of the language department here, will deliver an address in Spanish before a meeting at Arlington of the Lone Star chapter of the American Association of Teachers of Spanish and Portuguese.

Dr. Tucker, who joined the Tech faculty in 1945 after receiving her doctorate from Texas University, will speak on "Some Observations on Recent Developments in the Teaching of Foreign Languages."

MARINE CORPS EXHIBIT

Infantry and crew weapons were among the things displayed in the Marine trailer exhibit on the Campus last Sunday. Uniforms, pictures of Marine growth and the training of new recruits, old weapons and maps of Marine posts over the world were also exhibited.

Romantic Comedy Planned May 2-7

"Arms in the Man," by Bernard Shaw, a famous comedy dealing with romantic ideals of love and war, will be presented May 2-7 by the speech department. A well known musical comedy, "Chocolate Soldier," was based on this play.

The cast includes: Raina, Gayle Arthur; Cathrine, Adea Stephens; Louka, Joyce Holland; Bluntschle, Arch March; Sergius, Derrel Bowman; Pat Koff, Ray Cook; Nicolai, J. Bowman and officer, Jack Cloude.

Anyone interested in assisting with the lighting, properties, scenery, costumes, sound effects or publicity is requested to contact Mr. Schultz, play director, sometime this week.

Aggie Club Hears Address On Thrift

"Pay yourself first. If you don't, the grocer, doctor and landlord will dig into your pocket until there's nothing left," said the president of National Farm Life Insurance Co. Tuesday night while addressing the Tech Aggie Club.

William T. Young, Tech graduate, spoke to the group on "Practical Principles of Sound Personal Finance," and the need for a systematic method of saving.

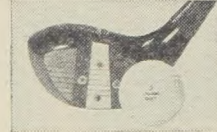

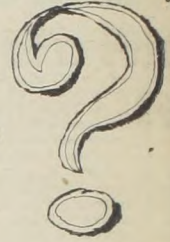

During the regular meeting, Charlie Wales, club president, was chosen representative to the annual Tech ugly man contest. Other business included the appointment of a committee to furnish an aggie lounge in the Agriculture Building. Alton Slagle, Lubbock junior, was named chairman. He will be assisted by Jim Howard, Lubbock senior, and Wales.

PHILBRICK WANTS UMPIRES

All men interested in officiating softball, especially those who have former experience, are urged to contact George Philbrick in his office at the Gym. Philbrick is interested in teaching the rules to official umpiring for all men.

contact George Philbrick in his office at the Gym. Philbrick is interested in teaching the rules to official umpiring for all men.

WHO ARE THE "TOP-FLITE" GOLFERS ON YOUR CAMPUS?

If you've watched them on the course, you've probably thought: "Boy, if I could just get my game down like that!"

Constant practice is the answer, of course, but getting the best from your equipment is just as important, too.

That's where Spalding TOP-FLITE® clubs have the edge. They have more to offer in precision balance that gives an absolutely uniform swing-feel with every club in the matched set.

That's the secret of Spalding SYNCHRO-DYNED® clubs. And, it will pay off for you from the first round. You'll make the same shots with new uniformity. The perfect balance of these clubs lets you swing through the ball with confidence. Without "choking-up" or "compensating." You get the ball away cleaner, longer, and with more shot control.

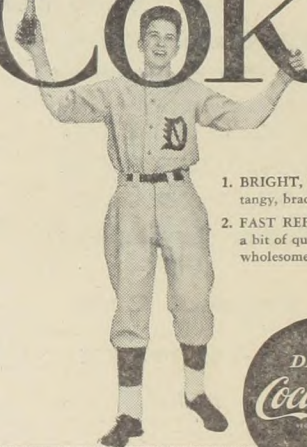

These are the clubs that have lowered handicaps by as much as 1/2; Spalding SYNCHRO-DYNED TOP-FLITE clubs. Your Golf pro has them now. And, now's the time for you to start playing better golf.

Reds Show Array of Backs Reds Finally Win

By JOE MOORE
Toreador Sports Editor

Displaying an awesome array of backs for All-American honors, quarterback Reds romped and stomped to a 14-0 victory over the Whites in the annual spring football game last Friday night.

The Reds, therefore, took the first win in history over the Whites. And Coach Wyatt Posey lost his first game in the spring.

A secret weapon was uncovered by the Reds Friday night in the form of Charles Dixon, a fleet, lightning-quick fullback who was outstanding in the bull-like charges up the middle and showed great break-away running.

Reds Never In Trouble

The Reds built up a 18-7 lead at halftime and tallied twice in the third and once in the fourth while holding the Whites scoreless in the second and third stanzas. The Reds were leading 33-7 before the Whites pushed across their final two scores.

Bobby Kyzar, freshman back from Melvin, along with veterans Don Schmidt, Hugh Fawin and Ronnie Graham, sparked the Reds to the backfield. The line was bolstered by ends Bobby Young and Pat Hartsfield, tackles Jerry Walker and Dick Grider, guards Charley Moore and Doug Campbell, and center Dwayne West.

The Whites were led by quarterback Buddy Hill and Carl Tripper, fullbacks M. C. Northam and Ronnie Herr, and fullback James Hays. In the line were ends Don Yagood and Jay Fikes, tackles Bob Killeen and Bill Hershman, guards Hal Broadfoot and Charley Davis, and center Hilton Hayes.

Fumbles Hurt Whites

Everytime the Whites started a drive they would fumble the ball. In all, the Whites lost seven of nine fumbles. The Reds lost four of six fumbles.

The biting weather didn't seem to quell the enthusiasm of the over 3,500 fans present at the game, including about 200 coaches present for the annual clinic here. Comments from most quarters were highly favorable and if the players wanted to win bad enough as fall they could.

Karpatrik showed September in directing the winners. The city field general mixed his plays and threw accurately. The biting weather kept passing to a minimum and completions to an even lower mark.

In general Tech fans were highly impressed with the way the players hustled and were confident that Tech might give Texas University quite a tussle Sept. 17.

ONES AVERYT ATTEND FTA

Tom Jones and Ronnie Averyt will be in Huntsville today to attend the State Teachers Association of Texas convention on the Sam Houston State College campus.

Reds Show Power In Crushing Whites

Array of Backs Run Wild As Reds Finally Win, 39-21

By JOE McLAUGHLIN
Toreador Sports Editor

Displaying an awesome array of offensive power and led by "our ick" for All-American honors, quarterback Jack Kirkpatrick, the ailer Reds romped and stomped to a decisive 39-21 triumph over the Whites in the annual spring football roundup at Jones Stadium last Friday night.

The Reds, therefore, took the first win in history over the Whites. And Coach Wyatt Posey set his first game at the Spring It.

A secret weapon was uncovered by the Reds Friday night in the arm of Charles Dixon, a fleet, uttering ram from McCamey. The freshman fullback was outstanding in the bull-like charges up the middle and showed great breakaway running.

Reds Never In Trouble

The Reds built up a 18-7 lead at all-time and tallied twice in the third and once in the fourth while holding the Whites scoreless in the second and third stanzas. The Reds were leading 39-7 before the Whites pushed across their final two scores.

Bobby Kyzar, freshman back on Melvin, along with veterans on Schmidt, Hugh Feswin and onnie Graham, sparked the Reds the backfield. The line was bolstered by ends Bobby Young and at Hartsfield, tackles Jerry Walter and Dick Grider, guards Harley Moore and Doug Campbell, and center Wayne West.

The Whites were led by quarterbacks Buddy Hill and Carl Tripecc, fullbacks M. C. Northam and Ronnie Herr, and fullback James das. In the line were ends Don Aygood and Jay Fikes, tackles ob Kieullen and Bill Herschman, tards Hal Broadfoot and Charley avis, and center Hilton Hayes.

Fumbles Hurt Whites

Everytime the Whites started a drive they would bobble the ball. In all, the Whites lost seven of ne fumbles. The Reds lost four six bobbles.

The biting weather didn't seem quell the enthusiasm of the me 3,500 fans present at the me, including about 200 coaches present for the annual clinic here. Comments from most quarters ere highly favorable and if the aiders wanted to win bad enough is fall they could.

Kirkpatrick showed September um in directing the winners. The nky field general mixed his plays ell and threw accurately. The st weather kept passing to a inimum and completions to an en lower mark.

In general Tech fans were dly impressed with the way the aiders hustled and were confident at Tech might give Texas Uniersity quite a tussle Sept. 17.

Netmen To Open Home Season Vs. Denver Saturday

If Texas Tech's tennis players can play as well at home as they do on the road, the University of Denver netmen may run into difficulty here Saturday.

Coach George Philbrick's Red Raiders, who won two out of three matches at Fort Worth last week, will be playing their first home match of the season. In the Raider quartet will probably be David Clark of Lubbock, David Kent of Amarillo, Billy Edd Gowan of Wichita Falls and Dick Spiers of Kermit. All except Clark are freshmen.

Tech last week downed Abilene Christian College and Texas Christian University 5-1 and lost to defending national champion Southern Methodist University by the same score. Earlier, on the road, the Raiders defeated Hardin-Simmons, defending Border Conference titlists, and captured the co-championship in a pre-season conference tournament.

Fort Worth results: Tech 5, ACC 1—David Clark, Tech, beat Max Leach, 7-5, 6-1; Ronnie Waicher, ACC, beat David Kent, Tech, 6-3, 13-11; Billy Ed Gowan, Tech, beat Jerry Griffith, 6-3, 6-3; Dick Spiers, Tech, beat James Tudor, 9-6, 6-3; Doubles: Clark and Kent beat Griffith and Leach, 7-5, 1-6, 6-3; Gowan and Spiers

Women Fencers In Duel Saturday

Texas Tech's women fencers will go against the Fort Worth YWCA at Denton Saturday in a dual match and individual competition.

Jo Nell West and Carmaleta Brown will provide most of the competition for Jack Carnell's squad.

Results last week in individual competition at Fort Worth are: Jack Carnell, first in men's senior saber; Jo Nell West, first in women's junior foil; and Bill Worell, third in men's junior epee.

BASEBALLERS IN TRAINING

Coach Beattie Feathers' baseball squad continued workouts this week in preparation for its opening tussle with Sul Ross here April 1-2. Four lettermen, Grady Graves, Elmer Wilson, Fulton Smith and Bobby Griffin, are among the 32 men out this spring.

beat Waleher and Tudor, 7-5, 6-0.
Tech 5, TCU 1—Clark beat Charles Gordon, 7-5, 8-4; Kent beat Ken Martin, 6-3, 2-6, 7-5; Gowan beat Don Hardin, 6-3, 6-3; Spiers beat Louis Gillespie, 6-3, 5-7, 6-1; Doubles: Gordon and Martin, TCU, beat Clark and Kent, 7-5, 6-3; Gowan and Spiers beat Hardin and Gillespie, 5-7, 6-0, 6-2.
SMU 5, Tech 1—Matt Murphy, SMU, beat Clark, 6-2, 6-3; Bobby Wertheimer, SMU, beat Dick Davis, 6-2, 6-2; Jack Adams, SMU, beat Spiers, 6-0, 6-3; Doubles: Wertheimer and Davis, SMU, beat Clark and Kent, 6-1, 5-7, 6-3; Murphy and Adams, SMU, beat Gowan and Spiers, 6-2, 3-6, 6-3.

Remaining schedule: Denver University here, Saturday; H-SU here, March 31; Sul Ross here April 1-2; University of Colorado here, April 2; Texas Western here, April 8; H-SU at Abilene, April 15; Texas A&M at College Station, April 16; Abilene Christian College here, April 21; Sul Ross at Alpine, April 29-30; and Border Conference at Tempe, Ariz., May 13-14.

Win in Ft. Worth

Cindermen, Amazing Frosh Golfers In Odessa Meet Friday, Saturday

Texas Tech's amazing young golfers will invade Odessa Friday and Saturday for the West Texas Relays.

Track coach Landon Westbrook, meanwhile, is waiting to see how quickly Red Raiders who were out for football round into shape before determining his entries in the two-day tournament.

An all-freshman aggregation, the golf team captured the championship of that division at the Southwestern Recreation meet at Fort Worth last week, the day following a surprise showing against the co-champions of the varsity division. Warren Cantrell's linksmen downed one varsity co-champion, University of Houston, and tied the other, Oklahoma A&M.

John Farquhar's halving with Rex Baxter, Jr., highlighted the triumph over Houston, and John Paul Cain sparked the team to its fourth division title.

Baxter, also from Amarillo, was National Junior Amateur champion last year.

Tech earlier took the Sun Carnival championship at El Paso.

Cantrell will probably use two

members of last year's Amarillo High School state championship team, Farquhar and Bob Westfall, Cain, a Sweetwater High ex, and Don Kaplan of Borger. Neil Sconiers of Iraan is alternate.

14 Tilts Slated For Softball Play

The Intramural Softball program is well underway with 14 games scheduled for this week.

Four games are scheduled in the Fraternity League Sunday. Phi Delta Theta meets Kappa Sigma, Alpha Tau Omega challenges Phi Gamma Delta, Pi Kappa Alpha encounters Phi Kappa Psi, and Sigma Alpha Epsilon meets Chi Sigma.

In the Dormitory League on Tuesday, Gordon Hall meets Sneed Hall, and Doak Hall encounters Bledsoe Hall.

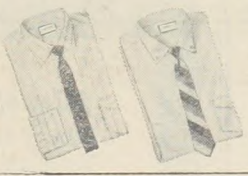

The Independent League plays four games on Monday. The schedule calls for games between the Rebels and Tech Vets, Sluggers and BSU, Block and Bride and DI Club, and the Unknowns and Delta Sigma Pi.

1 DARK SUIT + 1 NEW ARROW SOFTONE SHIRT = 1 WELL-DRESSED COLLEGE MAN

With dark suitings the big campus preference, Arrow introduces its new Softone shirts with harmonizing ties—soft muted colors to blend naturally, easily, with darker fabrics. They give you the look of a man who wears his clothes well.

See your campus Arrow dealer for these fine colored shirts. You'll find a wide range of checks, stripes and solids. Best of all, Arrow Softones are priced right. You can own one (or several), and still have money left to eat on. They're but \$5.00 the shirt.

At the Union

Faculty To Rule Frantic Fun Fair

The chairmen of the First Frantic Fun Fair, a fun and games night to be held in the Union April 1, have announced that members of the faculty have consented to supervise the games.

Mr. and Mrs. Lou Stamatakos will be in charge of girl's and boy's billiards. Stamatakos is supervisor of Sneed Hall. William Geisert, assistant dean of men, will head the ping pong tournaments. Prof. Ivan Little from the education department will be in charge of droodles, and Prof. Dwayne Oglesby, finance instructor, will supervise the cold hand poker.

Tuesday will feature a dance in "The Hole" at 7 p.m. and a square dance in the ballroom, also at 7 p.m.

Jack Pruitt, chairman of the Union Record Dance Committee, reminds students to sign up in the program office for the dance contest during the Fair. Couples must sign for three of the five dances which will include samba, rumba, waltz, jitterbug and ballroom.

The monthly jazz session will be held in the snack area Sunday afternoon at 2 p.m. Students are invited by the Union to bring their instruments and participate.

"The Crimson Pirate" starring Burt Lancaster will be the movie Monday night at 7 p.m. in the ballroom.

Western Days Call Beard Time Again

Throw away your razors, men. It's beard-growing time again.

A beard contest for Tech Western Days May 5-7 was announced today by B. F. Yeates, president of the Tech Rodeo Association. Any Tech student is eligible to enter, and prizes will be given for the longest, reddest, most original and fanciest beards, and to the organization with the most members entered in the contest. Membership in the last classification will be figured on a percentage basis, Yeates said.

The contest begins immediately. Plans for the Tech Rodeo, held annually as a part of the Western Days celebration, include a campus-wide Rodeo Queen contest. A complete program of events will be released in the near future, Yeates announced.

School Representatives Attend Regional Workshop

Representatives from West Texas public schools and colleges attended a two-day regional workshop of a citizenship educational project last week in the Student Union Building. The program included six lecture periods and a summary session.

"The Citizenship Education Project, a Carnegie Corporation financed service program suggested by President Eisenhower in 1949, is a cooperative effort to sharpen knowledge and understanding of America's tradition of liberty."

Tech Pep Rallies To Have New Look

Five major pep rallies are on the tentative schedule for next year's football season, according to Ronnie Clark, Business Administration representative to the Student Council. Each pep rally will be designed for student entertainment and sponsored by a separate campus organization.
