

TROY DAVIDSON, commander of TWVA and chairman of the executive committee is shown above after being arrested and locked behind bars in the Lubbock County jail.

## Ten TWVA Members Charged Conspiracy

TEN members of the Tech War Veterans Association executive council have been indicted by the state and will be tried under the charges of conspiracy, bribery, and attempt at murder Monday evening at 7 o'clock in C-101, as Pre-Law-IRC's spring mock trial.

## Wallace Releases Additional List Of Summer Courses

Dr. Ernest Wallace, 1946 Summer School director, has released a list of courses to be offered by the college this summer in addition to those listed in the summer session bulletin. These courses were added as a result of a survey made among veteran students recently.

Courses to be added and offered the first six weeks include: Botany 232, Zoology 132 and German 132. Those to be offered the second six weeks are: Mechanical Engineering 221 and 322, Electrical Engineering 334-324, 333-323 and 332-322 will also be offered, but their schedule has not been arranged as yet.

The catalogue for the summer session is now available in the registrar's office according to W. P. Clement, registrar. The session will consist of two terms, both of which will last six weeks. Previously during the last term the students were offered a choice of a six weeks or a nine weeks term, a war policy which has been discontinued.

There will be courses offered in accounting and finance, electrical engineering and allied arts, natural sciences, engineering, clothing and textiles, education and psychology, English, foods and nutrition, foreign languages, general business, government, history and anthropology, journalism, mathematics, music, military science and tactics, speech, and others.

Approximately 125 professors will be on the faculty this summer, some of which will teach during only one term.

**Friday, May 10**  
Engineering Society picnic, Mackenzie Park, 2-5 p.m.  
Lax Chan patroness tea dance, Hilton hotel, 5-8 p.m.  
WRA Rifery, ROTC Bldg., 4-5 p.m.  
WRA Volley Ball, Gym, 5-6 p.m.  
All-College Sport dance, Cotton Club, 9-12 p.m.  
**Saturday, May 11**  
Centaur Dinner dance, Hilton hotel, 7:30-12 p.m.  
Block and Bride steak fry, Mackenzie park, 5 p.m.  
WRA Campers, Buffalo Lakes, 5 p.m.  
Garconne picnic, Mackenzie Park, 5:30 p.m.  
West Hill dance, 8:30-11:30 p.m.  
**Sunday, May 12**  
Band Concert, gym, 3 p.m.  
College Club picnic, 5 p.m.  
**Monday, May 13**  
AWS, Ad210, 5 p.m.  
Newman club, Parish hall, 7:30 p.m.  
Tau Beta Sigma, Ad210, 8 p.m.  
Kappa Kappa Psi, T105, 7:15 p.m.  
Pre-law, Ad302, 7:30 p.m.  
WRA Rifery, ROTC Bldg., 4-5 p.m.  
WRA Camping hour, Gym, 5-6 p.m.  
WICC, Helwig, 7:30 p.m.

Block and Bride banquet, Social Center, 7 p.m.  
Alpha Chi, Ad220, 5 p.m.  
DFD Tea for Patronesses and Alumnae, Social Center, 4:30-6 p.m.  
**Thursday, May 16**  
WRA senior party, gym, 5 p.m.  
Centaur club, Episcopal rectory, 6 p.m.  
WRA Bowling, Piamore Bowling alley, 7-8 p.m.  
Kappa Kappa Psi, T204, 5 p.m.  
Tau Beta Phi, E109, 7:30 p.m.  
Student Council, J206, 7:30 p.m.  
Freshman class volleyball tournament, gym, 7 p.m.

tended the Student Council banquet in the Tech Social Center earlier that evening.

After taking his date to Women's Dorm No. 2, he was seen by two Lubbock officers who patrol the campus each night "lurking suspiciously" between the back of the dormitory and the Social Center. The officers watched him and decided to question him as to his purpose in being there.

As they approached him, Davidson saw them, and made a run for his car which was parked, motor still running, nearby. He raced out of the parking space in front of the Social Center, headed for College Avenue in an attempt to escape. Officers rushed back to their car and pursued Davidson. In order to avoid an accident on the avenue, Davidson was forced to stop his car suddenly. He left the car and headed on foot for a group of students. By this time the policemen had arrived on the scene, and the arrest was made.

A 32 caliber automatic was found on Davidson, as well as documents which gave grounds for the indictment. One document was a list of the members of the executive council and the corresponding administrative offices each was to have when the veterans took over the campus. The document was headed "Officers To Be Taken Over By TWVA."

The following names appear on the list: Troy Davidson, Wayne Kitley, Joe Meador, Burton Crossen, Robert Pardue, Jim Humphreys, Don Shultz, Tom Douglas, Charles Arnold and John Wright. Each of these men is required to appear at the trial.

Attorneys for the prosecution will be Robert Cole and Amos Howard. "In order to protect the sanctity of educational institutions and the law of the land itself," says the state attorneys, "in order to satisfy the will of justice and the demands of popular opinion, we ask that the death penalty be invoked so that justice might be achieved."

Oliver McMahan and James Bowman will serve as council for the defense. Says McMahan, "I am convinced that Troy and the other defendants are entirely innocent. The law is for the purpose of protecting the innocent. I shall impress that fact on the minds of the jurymen."

Chief Justice Darrell Carpenter will preside over the trial. He will select thirteen jury men, nine of which will render the verdict. Both the prosecution and the defense will be entitled to strike two jury men from the original thirteen.

**Wiley Will Conduct Annual Summer School Band School**  
D. O. Wiley will conduct the thirteenth annual summer band school beginning June 5 and lasting through July 16. This school will be for public school students below college age. Adequate housing will be provided for these students and a supervisor will be provided for both boys and girls.

**TO ATTEND CONFERENCE**  
J. H. Millikin, director of extension, will attend the 4th Southwest Regional conference on Adult Education in Austin, May 16 through May 18. Major colleges and universities of Texas will be represented.

**Regret Expressed On Civic Leaders Action**  
Lubbock civic leaders in opposing the projected application by Texas Tech and Texas A. & M. college for the establishment of an experiment station at the former Pantex Ordnance plant near Amarillo, Texas, G. Thompson, chairman of the Tech board, said Tuesday that he believed there was a great misunderstanding over the situation.

"I believe somebody must be confused about the facts of the case. Neither the board, nor any of its individual members, have an ulterior motive in mind," Thompson said. "We're certainly not trying to move a part of the college to Amarillo." He said he planned to visit here later this week and would confer with various local leaders regarding the misunderstanding.

Lubbock civic leaders, in a meeting Monday, pledged a "finish fight" against plans of some directors and administrators of Texas Tech to move part of the college to the former Pantex Ordnance plant 135 miles removed from the campus.

## Recognition Service Is Tuesday

### All Class Queens To Be Presented Tonight At Dance

All-College Function To Be Held From 9 to 12 In Cotton Club

Cotton Club will be host to the Tech student body tonight at the all-college dance from 9 to 12 p.m. All candidates for the four class queens will be introduced and the queens announced and crowned.

Class officers are in charge of plans for the dance. The presidents are Walt Schlunkman, senior; Jim Humphreys, junior; Gene Hardy, sophomore; and Jack Hinson, freshman.

There will be a floor show composed of Tech talent. Joe Meador is in charge of the show along with Humphreys; Wiley Hamilton will be master of ceremonies.

Bailey Ireland's orchestra will furnish the music. Tickets for the dance are on sale now by class officers for \$1.20 per person, which includes tax and transportation. City buses will pick up students before the dance from the South entrance of the Administration building and will bring them back to the campus after it is over.

"The price is the same to students having other arrangements for transportation," says Humphreys. "If this dance is a success, we can count on a bigger and better one next year. We still hope to get a big name band for an all-college dance, and next year I know the class officers will start thinking of that the first thing if that is what the students want. The city of Lubbock is going to become an annual affair, is to come out and conduct yourself as you know you should," stated Humphreys, class president in charge of publicity.

### 220 Dwellings Are Available For Vets' Families

Texas Tech officials were informed Wednesday that the Federal Housing authority has approved 220 family dwelling units for veterans to be made available immediately.

An approval for 80 family dwelling units was received by Lubbock city officials Tuesday night and at that time no information had been received by the college regarding its request. The 80 units are included in the total of 220 dwellings which will be made available for married veterans attending Texas Tech.

T. C. Root, assistant to President W. M. Whyburn, said the plan was to convert enlisted men's barracks into three-room housing units with hot and cold running water and cooking facilities in each unit. Each barracks would be converted into eight family units, four upstairs and four down, he said.

First plans had been to convert them into living units in time for Tech's summer session, but he said he believed it would be impossible to convert the barracks before the fall semester. Under the application, the units are for married veteran students only. Root said the housing would be a little more desirable than the units there now which have been converted from officers quarters, with no cooking facilities.

### Final Examination Schedule

Official schedule of examinations for spring semester is:

Friday, May 24, 1946	
8:00-11:00	Classes meeting 11:00-12:00 MWF
11:00- 2:00	Classes meeting 5:00- 6:00 TTS
2:00- 5:00	Classes meeting 1:00- 2:00 MWF
Saturday, May 25, 1946	
8:00-11:00	Classes meeting 11:00-12:00 TTS
11:00- 2:00	Classes meeting 3:00- 4:00 MWF
2:00- 5:00	Classes meeting 4:00- 5:00 MWF
Monday, May 27, 1946	
8:00-11:00	Classes meeting 8:00- 9:00 TTS
11:00- 2:00	Classes meeting 5:00- 6:00 MWF
2:00- 5:00	Classes meeting 9:00-10:00 TTS
Tuesday, May 28, 1946	
8:00-11:00	Classes meeting 8:00- 9:00 MWF
11:00- 2:00	Classes meeting 3:00- 4:00 TTS
2:00- 5:00	Classes meeting 9:00-10:00 MWF
Wednesday, May 29, 1946	
8:00-11:00	Classes meeting 10:00-11:00 MWF
11:00- 2:00	Classes meeting 4:00- 5:00 TTS
2:00- 5:00	Classes meeting 1:00- 2:00 TTS
Thursday, May 30, 1946	
8:00-11:00	Classes meeting 10:00-11:00 TTS
11:00- 2:00	Classes meeting 2:00- 3:00 MWF
2:00- 5:00	Classes meeting 2:00- 3:00 TTS

The time for the examination for classes with laboratories will be based on the lecture hours rather than on the laboratory hour or hours, except in the case of conflict when the laboratory hour or hours may be used. If the course is wholly laboratory, then the hour for the examination will, of necessity, be one of the laboratory hours.

The committee, in making up this schedule, has endeavored to place every class at a definite time. If there is any class not scheduled a petition should be made to the schedule committee to place the examination at a certain time. Any change in this schedule must be approved by the schedule committee.

## ROTC Inspected By 8th SC Officers

MAJ. ROSCOE L. Roberts of the 8th Infantry and Maj. Garth B. Haddock of the 8th Artillery were on the Tech Campus Wednesday for the annual federal inspection in the Eighth Service command. At 1:00 a review was held on the parade grounds on the campus. Pres. W. M. Whyburn, T. C. Root, administrative assistant to the president, Maj. Roberts and Maj. Haddock, inspecting officers, Maj. C. F. Hartman, head of the Military Science department, and Maj. John M. Goodman, S-Sgt. George W. Chavis, and S-Sgt. Joe L. Sewell were in the reviewing stand. All students enrolled in ROTC and some members of the band passed in review. The band was under the direction of Ed Haddon.

Maj. Charles F. Hartman presented the awards. This is the first year that the Military Science department has made these awards.

Edgar A. Smith of Lubbock received the medal for the most efficient non-commissioned officer. This was awarded for the capable leadership he has exhibited in the duties assigned to him in the past year.

Jack G. Sams, Memphis, Tenn., was awarded the medal as the most distinguished cadet of the year for his outstanding work in a classroom, in the field, and as an NCO. Joe O. Arrington, of Lubbock, NCO in charge of and representing the 2nd Platoon, received the award for the competitive platoon drill. Each member of the platoon is entitled to wear this ribbon as a token of the high degree of discipline and cooperation attained.

Richard B. Cranfill of Odessa received the individual award as the student displaying the most outstanding skill in the manual of arms.

Awards for outstanding accomplishment with the Texas Tech Rifle team for the school year 1945-46 were made to the students who had maintained the highest scores throughout the matches fired by the team. Audie R. Lee, of Mobeetie, received a gold medal as first place winner with a score of 4268. Joe O. Arrington, of Lubbock, was awarded a silver medal as second place winner.

**Quarter Horse Stallion Bought By AH Department**  
Sir Chubby, quarter horse stallion was purchased Monday by Tech through the auction held at Plainview. The two year old buckskin stallion was bought with the money donated in February to the animal husbandry department by Hemphill-Weils company.

Bred and raised by Mr. C. E. Hobbard of Lubbock, Sir Chubby's pedigree carries the bloodlines of the quarter horses of the Hooper family of Plainview and of the Waggoner herd in Vernon.

**Camps Judging Contests Are Here Saturday**  
The annual freshman-sophomore crops judging contest will be held Saturday, May 11, from one until four p. m. in the agricultural building.

All students enrolled in agronomy 131 are expected to enter the contest and prizes will be awarded by the club to winners. A laboratory period off for this participation will be given to those who have not completed more than sophomore work in agronomy may compete in the contest.

The contest is sponsored by the Plant Industry Club and prizes will be awarded by the club to winners. E. M. Mader, assistant professor of plant industry, is sponsor of the club. Earl Burnett, will be superintendent of the show.

## 146 Women Honored In Annual Affair

Quarterly Club, AWS, Forum Are Sponsors Of Service

THE TEXAS Tech fifteenth annual recognition service for women students sponsored by the Quarterly club, the Association of Women Students, and the Forum, will be held Tuesday, May 14, at 5:30 p. m.

One hundred forty-six women students will be honored. The recognition of honorees and presentation of awards will be given by Deans Mary W. Doak and Margaret Weeks. Awards are based on high scholarship and on leadership ability as shown by participation in campus activities.

Betty McMurtry, president of the honor society will award a scholarship prize of twenty-five dollars to the winner of the first essay contest for freshmen women sponsored by the society.

Honor list on the recognition roll are Anita Hale, Elizabeth Schmidt and Betty McMurtry. The following freshmen will be recognized:

Billie Anderson, Nancy Clara Black, Betty Churchill, Gretchen Cliff, Dorothy Dee Chlingsmith, Marjorie Crews, Ada Estelle Cummings, Pauline Evans, Mary Lois Findley, Imogene Fortenberry, Barbara Fowler, Margene Fry, Bobbie Green, Sue Lynn Guthrie, Laura Beth Hall, Mary Jane Hamilton, Mary Hammack, Mary Jane Hinchey, Jean Holmes, Billie Hotchkiss, Doris Dear Irvin, Bobbie Jean Knowles, Mary Joreen Kocurek, Sue Bickham Magee, Gene L. Malone, Olive Pearl Matthews, Betty Parsons, Jacquelyn Reynolds, Mary Belle Richards, Patricia Ruth Robinson, Dorothy Symes, Wilma Jo Tucker, and Georgia Wise.

Sophomore women to be recognized are: Lenor Alexander, Betty Bomar, Bobbie Childers, Norma Crump, Gladys Dawson, Bobbie Davenport, Betty Ewen, Margaret Jane Farr, Avis Fuchs, Billie Griffin, Patricia Groves, Betty Jane Jones, Jo Marie Larson, Jackie Lewis, Patricia Lively, Betty Jo Maynard, Aveline Moss, Patricia Myrick, Shirley McRee, Eloise L. Napier, Katherine Nelson, Sallie Patterson, Betty Pritchard, Barbara Ramsey, Gloria Ramsey, Helen Robin, Corine Rosenthal, Johanne Studer, Jo Taylor, Mary Charlotte Tunnel, Dorothy Watkins, Rama Younger.

The Junior women to be recognized are: Imogene Bagwell, Virginia Blackburn, Betty Jane Bowman, Jane Burns, Maisie Carter, Mary Flatt, Johnnie Sue Hamilton, Maxine Harp, Ava Hasty, Maxine Hendersdorf, Eugenia Hopper, Betty Jo Jackson, Naomi Langford, Nila Massey, Modelle McClure, Jane McGowan, Alta Plemons, Mrs. Mary Lou Rawlings, Betty Renner, Elizabeth Schmidt, Willa Mae Stacy, Nancy Stiles, Jamie Trainer, Sue Walker, Marydell Hawkins Watkins, Peggy Weisse, Marie Whitwell, and Lotta Beas Baldwin.

The following senior women will be honored: Ellen Artman, Ann Baker, Lyn-dell Baugh, Billie Bechtol, Maxine Blankenship, Bodesa Burkham, Panze Butler, Syble Carter, Pauline Cherry, Norma Cleavinger, Dorothy Cliff, Billie Cohea, Betty Jo Crisler, Frank Lou Day, Mary Finley, Alene Finley, Lou Nell Finley, Maxine Ford, Jean Freeman, Bettie Jo Glazier, Thelma Hudson, Margaret Ann Huffaker, Maxine Hyde, Louise Ince, Laura Lou Johnston, Charlene Jordan, Joan Marsh, Audrey Melton, Kathryn Millissap O'Hair, Vera Finley, Mary Ann Schmidt, Beatrice Shaver, Melba Slater, Corrine Stinner, Sara Scroggins Swofford, Ruth Turnbough, Miriam Turrentine, Maria Valdez, Jane Watson, Mary Jean Webb, Faye Del Whaley, Kathryn Whithead, Dorothy Williams, Connie Wright.

Those to be recognized in absentia are: Dortha D. Barrett, Maxine Deardorff, Helen Felps, Martha Harwell, Dolores J. Herbel, Audine Heverly, Mary Nell LeBus, and Seima Pendleton.

**Plans Discussed For 1947 Rodeo**  
At a recent meeting of Tech students and faculty members, plans were discussed for the two-day college Rodeo to be held in the spring of '47.

Various plans for the event were discussed including provisions to take care of the student's horses in the Aggie barn next year. It was also decided that the Rodeo would again be held on two days and that some kind of contest for men students would be offered to correspond with the sponsors contest.

Other plans discussed were the possibility of holding the Rodeo on the campus next year in the old stadium and inviting contestants from other colleges to participate in the contests.

**Davidson Chosen 1946-'47 Prexy Of Student Body**  
Troy Davidson, junior arts and science student of Lubbock, will head Tech student body next year as a result of the general college election held April 30 and May 1. Other student body officers for the 1946-47 term are: Jim Humphreys, junior agricultural student of Lubbock, vice-president; Butler, junior arts and science student of Lubbock, secretary; Bill Nugent, sophomore arts and science student of Amarillo, business manager; and Elmer Hargrove, junior agricultural student from Rotan, student representative to the Athletic council. Yell leaders elected are Dan Young, junior commerce student of Lubbock, head boy yell leader and Gloria Gene Holleyman, sophomore engineering student of Gladewater, head girl yell leader.

New AWS officers elected on the same ballot are: Elizabeth Schmidt, junior engineering student of Lubbock, president; Panze Butler, vice-president; Sue Thompson, sophomore arts and science student of Colorado City, secretary; Jackie Lewis, sophomore arts and science student of Lubbock, treasurer; and Eugenia Hopper, junior home economics student of Lubbock, representative to the student council.

Only 50 per cent of the student body voted in this election, although it is an increase of 30 per cent over the percentage which had voted in the publications election held earlier in the semester. Percentage of the enrollment of the various divisions which voted are as follows: arts and science, 54 per cent; Commerce, 52 per cent; agriculture, 52 per cent; engineering, 40 per cent; and the home economics division heads the list with 60 per cent of its enrollment voting. Alpha Phi Omega, men's service fraternity sponsored a campaign to encourage a higher vote percentage of college students.

**Static Electricity Is Studied By Helwig**  
PROFESSOR W. F. Helwig, electrical engineering department, is now in the process of experimenting with various undefined materials to determine the amount of static electrical charge which might possibly be generated by fractional methods. In his experiments, approximately twelve kinds of material have been used by Professor Helwig and the friction obtained a cotton buffer wad. The measurements of charge were obtained by the use of an electrostatic volt meter.

Professor Helwig has kept constant checks on temperature and humidity conditions throughout the experiment and has discovered that the absence of humidity greatly increases electrostatic charge. A formula has been worked out calculating the relative charge for these humidity conditions.

According to Professor Helwig, the present experiments are a mere scratch on the surface of future research in the electro-static field. Much of the equipment used in the research was devised in the Electrical Engineering laboratory by Dr. Helwig. His research laboratory consists of a 9x9, unventilated room, the time for this important work has been obtained after hours and much of the equipment with which Professor Helwig works is pre-war debris.

**Campbell Chosen Play Day Queen**  
Queen for a day at Tech's Sixteenth Annual Play Day was Wendy Campbell who won first place with 16 points. Sue Everett and Virginia Dacus tied for second place with 14 points and Lois Bassemier placed third with 13 points.

Play Day under the direction of Women's Recreation association, Major and Minor club, and the Department of Physical Education for Women was open to all women students. A point system was used which awarded contest winners points each time they placed.

**Campbell Chosen Play Day Queen**  
The Centaur club won the men's Inter-club softball tournament by defeating the Silver Keys Sunday, 9 to 6. The Centaurs were undefeated in the league. This made a clean sweep for the Centaurs who had previously won both the football and the basketball contests without being tied or defeated.

## Red Raider Tracksters Leave For Tucson

### Style Show Is Directed By HE's

Freda Hodges, senior clothing and textiles major, and Miss Mabel D. Erwin, head of the department of clothing and textiles, directed a brief style show, presenting girls in the sophomore clothing class at the Home Economics club meeting recently.

Following the style show, the play which the club sent to the American Home Economics Association's national contest, was given. Melba Slater, Davee Ratliff, and Bettye Boulter participated in this.

Dorothy Hardy was chairman of the program, and Mrs. Grace D.

Little was the faculty sponsor. Officers for the 1946-47 Tech Home Economics club were announced at the business meeting as follows: Betty Renner, president; Dorothy Hardy, secretary; Loy Catherine Barnett, treasurer.

### EXES ORGANIZE

The Midland club of the Texas Tech Ex-Student association was organized recently in Midland with Bobby Wilson elected president. Harold Huffman is vice president and Erma Nichols has been named secretary. Twenty-seven persons attended the organization meeting.

White spots in your fingernails usually indicate some minor injury to the nail or nail-bed.

### Morgan Worries Anew Over 1946 Football Team

Coach Dell Morgan, Raider coach, has begun to worry anew over his football team for next fall. He's afraid present candidates are insufficient.

Upwards of 60 men finished spring training and some of them showed up well. But results were not as good as anticipated. Morgan will have an acceptable starting line, he feels, but reserves worry him.

"We found during the war period more than ever that it is the reserve strength that means the difference between victory and defeat most of the time," Morgan says. "With the schedule we face next fall it will be necessary to be at least three deep in every position for Texas Tech to play on what would approach even terms with foes. We'd like four or five good men for each position. If a lot more don't show up by fall, I see little prospect for many victories."

Morgan says ex-servicemen provide many prospects, but some will round into shape too slowly for use more than brief periods. A few promising freshmen also have enrolled at Tech.

"The future for freshmen with the Red Raiders is bright," he comments. "Several veterans will have only one year of competition, even if they are strong enough to play in 1946. That means we must build for later seasons, also, with youngsters who come along next fall. The freshman squad of normal fall will be merged with the varsity again."

"Of the 39 squadmen, including lettermen, who finish the 1946 season only two, Ernie Winkler and Russell Birdwell, will definitely return. Forty-one of the men out for spring football are in line to be drafted. Walter Schlinkman, Tech's All-America mention, along with Spider Dillon and T. M. Cox, will be lost through graduation. Tech needs more football candidates, particularly big, young linemen and a few more backs."

### "Rah! Rah!" Spirit Fades In Ohio

Because of the greater number of students carrying heavy schedules and the more serious attitude of the students toward their work, the old "Rah! Rah!" spirit is disappearing from the campus. Vice-President Stradley of Ohio State university, said when he was asked what he thought were the reasons for the lack of spirit among the students.

Graduate students, students in the professional colleges, and many others, have too much work to do, he said, to allow much time for social activities. He added that there seems to be a general attitude of more work and less play.

1101 College Dial 2-1051

### Dopesters Predict Techsans To Fall Short of High Mark

TEXAS Tech's track team, composed of eleven men, left yesterday for Tucson to compete in the annual Border conference meet, the first in four years.

The Red Raiders hoped to win more points than any Tech team of history in a conference which will fall a little short of their mark. The 1941 team won 19 points for a Tech high, paced by J. R. Callahan, who accounted for nine.

Major hopes this year are centered in quarter millers, the discus and shotput.

Bobbie Lewis, Hewitt Allison and Bill Kelley have been finishing one-two-three in the quarter mile relay and some fans expect them to upset tradition by defeating the field, including the strong Arizona quartet. Arizona has had a strangle-hold on the mile relay for many years and, running on its home track, has the advantage this year.

These three Techsans, teamed with Charles Reynolds, will run the mile relay and some fans expect them to upset tradition by defeating the field, including the strong Arizona quartet. Arizona has had a strangle-hold on the mile relay for many years and, running on its home track, has the advantage this year.

Willie Florence in the discus has been undefeated since he got into the swing of things. He faces keen competition from New Mexico and Arizona entries but last week added several feet to his best effort of the year and hopes to win first.

Walter Schlinkman has been improving slightly in his shotput work and is expected to place high in that event at Tucson. In dual meets this year he has taken first most of the time.

With any sort of breaks, Charles Reynolds, Charles Roe and George Brewer should gain a few points in the sprints. Since the last meet all have been working especially on start, the weak department, and expect to cut their best times slightly in Tucson. Reynolds, particularly, has a fast finish. At Tucson he will not be entered in the pole vault and will have more strength for the events in which he is entered.

Brewer will try his luck in the high jump, an event he found out only recently he had talent. He is not expected to come out on top, but may pick up a point or so.

Bennie Tidwell in the broad jump and James Cruser in the half mile, also will compete in the conference meet. On the basis of the season's records, Tidwell may pick up a fourth place and Cruser a second.

Tommie Polk is to do Tech's pole vaulting and is expected by some fans to win no less than third. Arizona has a couple of men with better records this year.

Coach Walker Nichols declined this week to make any predictions on what Tech will do in the conference competition but expressed hope a good showing will be made.

Also in Tucson this weekend are athletic officials of Tech. Coach Berl Huffman will attend a meeting of basketball coaches to draft a schedule for next winter and to talk over various problems. Coach Dell Morgan is representing Tech at the meeting of athletic directors to talk over major problems on promotion, handling of athletes, etc.

Dean W. L. Stangel, who judged at the Paris livestock show yesterday, was to fly to Tucson today for the annual conference of faculty representatives of the conference.

Clark Schooley, sports publicity director, will attend a meeting of conference men assigned to publicizing sports.

Home economics club honored the seniors of the organization with its annual semi-formal banquet last week in the Social Center. Special guests were President and Mrs. W. M. Whyburn, Mr. and Mrs. George Langford, Mrs. Eleanor Chitwood, and Mrs. Mary Doak.

New club officers who were installed at this affair are as follows: Betty Renner, president; Betty McMurtrey, vice-president; Dorothy Hardy, secretary; Loy Catherine Barnett, treasurer.

### 10,445 Foreigners Are Enrolled In U. S. Colleges

The number of students from outside the United States who are enrolled in the higher education institutions of the country in 1945-46 total 10,445, according to the annual census made by the committee on Friendly Relation Among Foreign Students at Ursinus college. There are students found in every state of the Union, register in 738 different institutions.

The country with the largest number is Canada with a total of 1,513. In contrast to 852 for 1944-45. China is second in rank, with 1,298, in comparison with 823 last year. There are students from a total of 99 different countries. Of the total of 10,341 received in time to separate by men and women there are 6,973 men and 3,368 women.

From Latin America have come 4,638 students, a marked increase over the previous year, and continuing a trend that became sharply evident during the war years. Now, however, with improved travel conditions, students from other parts of the globe are resuming well-beaten paths made by former generations. Many have arrived from Europe during a period too recent to be included in statistics for the current year.

In regard to distribution by states New York leads with 1,051, California with 907, Michigan with 690, and Pennsylvania with 592.

All indications point to a marked increase of foreign students, subject to limitations of available housing and study facilities in over-crowded universities and colleges.

The tendency to snore is greater among adults than children. Snoring increases from age 30 on, probably because of letdown in muscular control.

Men suffer from a condition comparable to the climactic, or change in life in women, but are less likely to show severe symptoms.

A persons hair grows faster in daytime than at night.

Blood transfusions can be given through the bone marrow.

CP  
TRADE MARK

GAS RANGES, bearing the "CP" trade mark in addition to their own brand names, are built to rigid standards, set by leading gas range manufacturers, gas utilities, home economists, and homemakers.

A FEW OF THE OUTSTANDING FEATURES of a "CP" gas range are automatic lighting of oven and top burners; thermostat controlled oven that heats quickly, yet operates efficiently for slow roasting; giant, standard and simmer burners; extra heavy insulation; smokeless broilers.

BEFORE TOO LONG, your favorite gas range will be available in "CP" models... All good ranges are not "CP"—but all "CP" gas ranges have the most good features of any range you can buy.

A "CP" Gas Range—Whatever Its Make—Will Give Certified Performance!

West Texas Gas Company

## Howard Elected To Head Pre-Law Club For '46-'47

Annes Howard, sophomore government student of Lubbock, was elected to serve as president of Pre-Law club for next year at the final business meeting of the club for this semester Monday evening. International Relations club will become active as a separate organization in September when officers will be selected, it was announced by Troy Davidson, retiring president.

Other officers include Douglas Shaver, vice-president; Bea Green secretary-treasurer; Darrell Carpenter, chief justice; Oliver McManahan and Robert McCollum, associate justices; Robert Cole, public defender; John Culver, defense attorney; Roderick Shaw, parliamentary and sergeant-at-arms; Robert Pardue, sheriff; Verna Bowden, clerk of court. Activities of the Pre-Law-I. R. C. club this year included the libel trial against the Toreador by Dr. S. S. McKay, which was tried before the student body; a Christmas party; spring banquet, at which the members of Pi Sigma Alpha, the national honorary government fraternity were guests; mock trials before the club such as the freshman trial; the all-girl trial, an impromptu trial. The spring semester all-college trial will be held next Monday night when the members of the Tech War Veterans executive council will stand trial under charges of conspiracy, bribery, and attempt at murder.

## ROTC—

(Continued from Page 1) place winner having scored 4219. Samuel T. Johnston of Bovina received a bronze medal as third place winner with a score of 4058. Donald E. Black of Cleburne, and Welborn K. Willingham of Tulia received ribbons as fourth and fifth place winners with a score of 3832 and 3718 respectively. The Texas Tech rifle team has advanced its rating in the service command and the nation a great deal in the past two years. This year it has won first place in the Eighth Service Command division of the Hearst trophy, placing fifth in the nation. The individual high score in this match was 190, fired by Charles M. Funk. In the Eighth Service Command Intercollegiate match, the team won second place," said Maj. C. F. Hartman in congratulating the team on its accomplishment.

## Clubs Rushed With Year-End Activities

### Band Sorority Initiates

Tau Beta Sigma, honorary band sorority of Tech became the Beta chapter of the national organization Saturday, May 4, when all the members were initiated in a formal initiation service held in the Aztec room of the Hilton hotel. The Tech girls were initiated by the Tau Beta Sigma members of Oklahoma A&M with the help of A. Frank Martain, executive secretary of Kappa Kappa Psi and Tau Beta Sigma.

Doris Ragsdale, senior band major of Lamesa, was elected the first Sigma, at the first national convention which met Sunday on the Tech campus. Jamie Trainer was appointed district treasurer of this district.

### "My Son, My Son" Reviewed

"My Son, My Son" was reviewed by Mrs. Mary W. Doak in her home at the spring tea of the Book Reviewers club Tuesday, May 5. Maxine Homersdorf, recently elected president, presided at the tea and Jane Burns served at the refreshment table.

### Tau Beta Sigma Initiates

Anna Marie Bailey, Ann Koerting, Anne Martin, Romona Roland, Sue Stockard, and Martha Ford, will be initiated into Tau Beta Sigma, honorary band sorority, at a formal initiation Monday, May 13.

### Vivi Farewell Dinner

The Las Viviviches club will have its farewell dinner for seniors May 15, at the Chicken house at 6 p. m. The seniors will have charge of the program.

### Band Fraternity Meets

Tech chapter (Alpha Omicron) of Kappa Kappa Psi, national honorary band fraternity will initiate pledges and install officers next Monday and Wednesday night. The new president, Jim Dennis will succeed Jackie Cogdill. Vice president will be George Mayes; Tommy Shook, secretary and Harry Born, treasurer.

### Pledges to be Initiated are:

Willie Edgett, Beverly Harris, David Hester, John L. Jones, Don Lunnon, Wayne McDonald and Horton Morris.

### Sock and Buskin Have Picnic

Sock and Buskin club held its annual picnic at MacKenzie park May 7. Baseball and volley ball games were played by members and their guests. The barbecue was the closing meeting of the year. Maxine Homersdorf, Imogene Bagwell, Dale Lomb, Amy Sue Way and James Simpson were members of the food committee.

### Engineers Elect Officers

The Civil Engineering society met Monday night, May 6, at which time officers for the coming year were elected. They are Dale Foreman, president, Frank Visher, vice-president, and Doug Anderson, secretary-treasurer. After the business meeting Chester Green discussed "Reinforce Concrete Practice in South America."

### Dolecek Talks To AIEE

AIEE met Monday night, May 6, after a business meeting, at which time officers for the next year were elected. Dr. R. L. Dolecek gave a talk on Static Electricity.

### Officers for 1946-47 are:

chairman, Dick Beasley; vice chairman, Howard Loveless; secretary-treasurer, Irene Knowles.

### Engineers Plan Picnic

The Engineer's picnic, to be held Saturday, May 11, at MacKenzie park, from 2 until 8 p. m., plans to feature baseball games and plenty of food. All Engineers and dates are invited to attend.

### PI Club Sponsors Contest

The Plant Industry club met Monday and made arrangements for the freshman-sophomore crops contest, sponsored each year by the club. The contest is to be held Saturday, May 11, at 1 p. m.

Officers for next year are: Barton Willingham, president; Willis Phillips, vice-president; Pudd Morrow, secretary; Leroy Olsike, treasurer; Bob Armstrong, corresponding secretary; James Simpson, Sgt-at-arms.

New members of the club are Archie Keys, James Abbott, Earline Shaw, Bonnie Allen, and Joe Cole.

### Block and Bridle Initiates

Five pledges were initiated into Block and Bridle club at their regular monthly meeting, Monday, May 5. Lloyd Halloway, Robert Baumgardner, L. D. Ballard, Courtney Booke, and George McLeroy became new members.

New members will be honored at the annual spring steak fry to be Saturday, May 11.

Officers elected were James Gunter, president; H. G. Sprawls, vice-president; John Bell Wheeler, secretary; Albert Devin, treasurer; Kenneth Lewis, marshal; and L. D. Boone, rodeo manager. The newly elected officers will be installed at the annual Block and Bridle banquet May 15 in the social center.

President W. M. Whyburn and Walker Stantor of the Standard Milling Company will attend the banquet as honorary members.

### Delbert Devin will be presented with a merit award trophy which is given by the national Block and Bridle club for outstanding service to the organization during the past year.

### FFA Hold Steak Fry

Members of the Tech FFA chapter attended a hayride and steak fry at MacKenzie park last Saturday, May 6. The steak fry, an annual affair, was held this year in honor of J. D. Strickland, former Tech faculty member. Strickland was presented with a pin by the organization.

Faculty members attending were Mr. and Mrs. Stangel, Mr. and Mrs. Harbaugh, Mr. and Mrs. Leach, Dr. and Mrs. Barnett, Lynda Baugh and Frances Beard.

The group played softball until after the steak fry and then danced in the pavillion.

## Final Concert To Be Sunday

American and Latin American music will make up the program for the sixth and last band concert of this semester which will be held Sunday afternoon at 3:00 in the Tech gym.

Capt. H. H. Copeland, music officer of the European Theater, will be a special guest director. Copeland, who is the former band director of Kermit, is visiting his wife who is enrolled here.

The B band will begin the program with "National Emblem" by Bagley and will continue with "Saskatchewan" by Holmes. Jamie Trainer will direct "Transcendence" by Frangkiser, and "Footlifter" by Fillmore.

The first number of the concert band will be the overture to Tech's Varsity Show of 1946, arranged by

## Dinner Dance On Calendar For Centaur Club

The Centaur club will hold its annual dinner dance Saturday from 7:30 to 12 p. m. at the Hilton hotel. The music will be furnished by Phillip Kilgman's orchestra.

The tables will be decorated with flowers of the club colors, purple and gold. Traditional favors bearing the club crest will be given to the dates. It will be a program dance and the programs will be filled out during the dinner.

Many alumni are expected to be present for the dinner and dance. There will be a breakfast at the hotel Sunday morning honoring the mothers of the members and pledges.

Members and dates are: Jason Allen, Joan Spencer; Billy Bucy, Nancy Crowley; Forrest Daniell, Bobbie Green; Bill Easter, Martha Terry; Mr. and Mrs. Elmer Folk; B. R. Foster, Doris Driver; Lawrence Jester, Joan Holt; Fred Moran, Jean Peeler; Mr. and Mrs. Lee Perry; Douglas Record, Margery Read; Joe Rives, Betsy Shytles; Mr. and Mrs. Dan Rogers; Randy Rutledge, Betty Neal; Jack Sams, Dottie Stringer; Lewis Wald, Bobby Childress; David Williams, Earline Reid; Wendell Wood; Charles Ballew; and Emory Payne.
