

Queen Crowning To Highlight Activities

the Foreador

Vol. XXX Texas Technological College, Lubbock, Thursday, November 11, 1954 No. 8

RE Week Set; Starts 15th

"Research, Reason and Revelation" will be the theme of talks to be presented by Dr. George K. Schweitzer during Religious Emphasis Week, Monday through Thursday.

"Texas Tech and other colleges face now, as probably never before, both the opportunity and responsibility to strengthen the spiritual life of each student," says Dr. E. N. Jones, Tech president, in a letter to faculty members this week. "This can and should be done both inside and outside the classroom. Dr. Schweitzer has much to present," he said.

Dr. Schweitzer, who is associate professor of chemistry at the University of Tennessee and a noted nuclear research chemist, will open his series of talks in an all-college convocation at 10 a.m. Monday in the Gymnasium. All 10 o'clock classes will be dismissed on Monday.

Tuesday, Wednesday and Thursday evenings at 7:30, Dr. Schweitzer will continue his talks in the Student Union Ballroom.

In addition to the main talks by Dr. Schweitzer, Religious Emphasis Week will include morning watch at 7:30 a.m. Monday through Thursday in the Baptist, Methodist and Presbyterian Student Centers. In charge of the morning meetings will be Ned Linegar, associate secretary of the Southwest Area Council of YMCA; Horace Sanders, sales engineer for the Cooper-Bessemer Corporation in Dallas; and Carrel Anderson, youth director of the Lubbock Church of Christ.

Dr. Schweitzer will talk to the technical groups on the campus, sponsored by the Science Club, at 7:30 Monday evening, and will lead a discussion group in Drane Hall at 9 p.m. Monday. He will be present for "bull sessions" in West Hall at 10 p.m. Tuesday, and in Knapp Hall at 10 p.m. Wednesday.

Dr. Schweitzer's duties in the University of Tennessee include

Homecoming Show Continues Tonight

James G. Allen, dean of student life, will present plaques to the top two performances at the close of tonight's performance of the Homecoming Varieties of 1954. A small audience witnessed the opening of the show last night in the Aggie Auditorium.

Claudette Burkette, Clovis freshmen opened with "Too Young." She was followed by the sextet from Hunger, and English combo from Hunger, England.

Joan Roberts, Plainview freshman, sang "Because of You." She was accompanied by Sandra Shook, Lubbock junior, Joanne Barney, Abilene freshman followed with an interpretation of "Dancing in the Dark."

Dave Pool, Dumas sophomore, did a pantomime of three numbers

Full Slate Planned For Homecoming; Students Go All Out To Welcome Exes

There's a full slate of activities planned for Tech students and alumni as the college observes its annual Homecoming.

The Double T Association selected Tech's first Homecoming Queen Monday night from a group of 21 junior and senior women nominated by various campus organizations. The five finalists, one of whom will be revealed as the queen Saturday afternoon, are Jenny Lou Ballard, Plainview; Zoe Merriman Kirkpatrick, Lubbock; Suzanne Matteson, Dallas; Sandra Shook, Lubbock, and Ann Lee Turner, Ft. Worth. These five young women will ride on the Double T Association float in the Homecoming Parade. President of the Student

Council Glenn Rainer and Football Co-Captain Howard Hurt, who will not play Saturday due to injuries received in the University of Arizona game, will crown the queen during half-time activities of the University of Tulsa and Tech game. The band will salute her with the Matador Song.

A complete list of Homecoming activities planned by various campus organizations may be found on Page 3.

Other nominees for Homecoming Queen were Mary Jane Anderson, Lois Cleavinger, Mary Catherine Cole, Pat Davenport, Revis Gilbert, Gene Griffin, Joann Hampton, Pat Haws, Margaret Lee, Jimmy Faye Maxwell, Bette McGehee, Ann Perkins, Patti Price, Thresa Ponewchynski, Gloria Snell, and Diane Thomas.

Reunions, receptions, coffees, luncheons, basketball and football games are on the agenda.

The Association of Women Students will begin registration of alumni at 2 p.m. Friday at all major Lubbock hotels and principal campus buildings. At 7 p.m. the traditional bonfire will go up during pep rally in front of the Gymnasium, followed by a football game between the Tech freshmen and the Hardin-Simmons University freshmen at 8 p.m. in Jones Stadium.

Judging Friday

Judging of the dormitory decorations will also begin at 8 p.m. Friday. As an innovation in campus decor this year, the Gargoyles Society is building a huge papier-mache Matador in the center of Memorial Circle. Alpha Phi Omega is in charge of lighting the circle. A recording of the Matador Song will be playing inside the giant statue.

Class reunions are scheduled Friday night as follows: Classes of '26-'38 at 9:30 p.m. at the Caprock Hotel under the direction of Jimmie Marshall; Classes of '39-'43 at 8:15 p.m. in the Student Union Building with Arlie Gowan in charge; Classes of '44-'49 in the Student Union under the direction of Vernon and Glenna Keese; Classes of '50-'54 in the Student Union with Richard Dickey and Nolan Swain as co-hosts.

Parade Saturday

The annual Homecoming Parade, starting downtown and coming to the campus, will begin at 10:30 a.m. Saturday followed by the Exes Buffet Luncheon in the Gymnasium at noon. Hosts for the luncheon will be Furr Food Stores; Texas, New Mexico and Oklahoma Coaches, Inc.; Dunlap's Department Store; and Lubbock Auto Company, Inc. Introduction of the new Ex-Students Association officers will follow the luncheon.

The Tech Red Raiders will vie for a victory with the University of Tulsa in the Homecoming football game at 2 p.m. in Jones Stadium. Highlights of the half-time activities will include presentation of awards for winning floats and dorm decorations, and crowning of the Homecoming Queen, and a salute to the returning exes and the five divisions of the college by the 120-piece Red Raider Band, assisted by 300 Air Force ROTC cadets.

The weekend festivities will be climaxed with a Homecoming Dance in the Recreation Hall beginning at 9 p.m. Students, exes and their friends are invited to the all-college dance. Tickets are \$1.50 stag or drag.

Which one is Homecoming Queen? One of the five girls shown above is the first Homecoming Queen in Tech's history. From left to right, they are: Suzanne Matteson, Ann Lee Turner, Zoe Kirkpatrick, Sandra Shook and Jenny Lou Ballard. See story in Column 1.

Artists Course Will Be Friday

One of the most eagerly awaited events of the local concert season is the appearance here on Friday, Nov. 19 of the Robert Shaw Chorale and Orchestra. The concert, at 8:15 p.m. in the High School Auditorium, is the first artists course program in this year's series. The group of 30 singers are familiar to thousands via previous concert tours, repeat appearances with such top-flight symphony orchestras as the NBC Symphony under Arturo Toscanini, and the long list of recordings they have made for RCA Victor, ranging from great sacred works to Christmas carols and popular favorites.

Their engagement here is one of more than 90 appearances from coast to coast in their tenth American tour, during which Shaw and his singers have appeared in every state of the union. Ira Schantz, former music instructor here, will appear with Shaw this season. Mr. Schantz will be remembered as a tenor soloist.

Notice to department heads: The Faculty-Staff Telephone Directories are now available in the Store Room.

CAMPUS BACKS CHEST

The community chest drive among faculty and staff of the College raised \$3,082.55 according to T. W. Alexander, foreign language instructor and chairman of the campus drive. Last year the total was \$2,712, and in 1952 it was \$2,637.

Keep Stuffing! And Smile! Hard Work, Enthusiasm, Mass Hysteria And Panic Portray Floatbuilding Drama

By JAN WEBSTER
Toreador Staff Writer

This is still the greatest idea out. A cinch to win the prize!

1 a.m.—Something's wrong with the heating. The barn's at least 40 below. The chicken wire came off at 12:45. Got to re-stuff the crepe paper.

2 a.m.—The organization's gone to pot. Everybody's gone off with a date. The float's about a third finished. You hate everybody.

3 a.m.—Will power. Sheer will power. You fight off panic and stuff madly. The frame's falling

Speech Play Set To Open Monday

"Green Grow the Lilacs," a comedy by Lynn Riggs, opens Monday and will run through the week with the exception of Friday as the first production of year by the speech department.

The play, directed by Cecilia Thompson, associate professor of speech, will be presented at 8:15 p.m. in the Ag. Engr. Auditorium, directly across the street from the Stock Pavilion. There will be no production Nov. 19 because of the Artists Course.

The cast include: Dee Bowman, Betty Doris Hamilton, Fritz Stanley, Jack Cloud, Darlene Sneed, Wyck Foxworth, Eudell Spitzer, Lowell Bowman, Jerry Alexander, Warren Forsythe, Kent Brooks, Tod de Kanter, Jerry King, Jevern Daniel, Billie Box, Gayle Arthur, Celina Roberts, Nancy Alexander, Charles Erwin, Virginia Carr.

In charge of production are:

12 Midnight — An icy doubt creeps into the picture. Two solid hours of work, and the results—negligible. But, "hope springs eternal within the human breast."

Author To Present Peter Hurd Mural

Paul Horgan, noted southwestern author, will make the presentation of the Peter Hurd Mural to the college in formal ceremonies at 7:30 p.m. Nov. 18.

Progress of the 16-panel fresco by Hurd, which is found in the Rotunda of the Museum, has been followed closely by Horgan. Being a close friend of Mr. Hurd, Horgan has had the opportunity to watch the mural develop from the primary sketches in Hurd's workshop at San Patricio, N.M. Horgan lives in Roswell.

The dedication ceremony on Nov. 18 is by invitation only. Public viewings will be held on Friday, Saturday and Sunday, Nov. 19-21.

More than 800 invitations to the ceremonies have been sent to members of the Museum Association and distinguished persons in the art and literary worlds. Also included among invited guests are celebrities from Hollywood and the New York stage and several nationally known political figures.

A reception for Mr. and Mrs. Hurd will be held immediately following the presentation. Refreshments will be served and guests will have the opportunity to see the exhibition, "Peter Hurd Paints a Mural."

During the special public viewings of the mural, Nov. 19-21, the color film, Peter Hurd Paints A Fresco, featuring the technical developments of the mural, will be shown free of charge. The Museum board of trustees invites the people of West Texas to come and see the mural and receive a souvenir of their visit.

Homecoming visitors will be allowed to see the mural this weekend, according to Museum officials.

The Museum will be closed Monday through Thursday next week.

Student Council To Elect Candidate For Queen of Kentucky Tournament

The Student Council decided in their Monday night meeting to allow the Double "T" Association to select five girls, one of which will be Tech's representative in the contest for queen of the Kentucky All-American City Basketball Tournament in Owensboro, Kentucky, Jan. 1.

The girl, who will be chosen by the Student Council from the five recommendations from the Double "T" Association, will accompany the Tech basketball squad to Owensboro to compete with entries from the other schools participating in the tournament.

The queen of the tournament will be chosen by movie star Burt Lancaster and will reign over the tournament's activities.

Also in Monday night's meeting, Fred Currie gave a report on his trip to Denton as a representative to the Texas Intercollegiate Student Associations' meeting. On his

recommendation, the council passed a motion to invite the TISA schools to meet at Tech for their district meeting and the statewide executive committee meeting to be held early next year.

Beverly Garner made a request to the council for Phi Upsilon Omicron, national Home Economics sorority, to sell pin cushions in the Home Economics building as a money making project to finance some professional activities of the sorority. The request was granted.

Field Trip to Amarillo Taken By Tech Applied Arts Club

A four-color print of 25 yards of Belgian linen took shape before the eyes of three Applied Arts Club members who visited the Robert McKenzie silk screening studio in Amarillo Saturday.

The print process took about

two hours. Patterns observed of the field trip varied from simple over-all designs to others which were exotic and oceanic.

Members on the tour were Suzanne Matteson, Edwin Strout and Jean Cross.

The Applied Arts Club will meet at 7 o'clock tonight in room 212, Home Economics Building. It is open to any student interested in art, according to Jean Cross, publicity co-chairman.

Grad, Now Magazine Editor, To Talk at AIME Meeting

A Texas Tech graduate who entered the professional magazine field will speak tomorrow afternoon at a called meeting of the American Institute of Mining Engineers (Petroleum Branch).

Joe Alford, a business administration major in the mid-thirties, is editorial director of Petroleum Technology Magazine and national executive secretary of the Petroleum Branch, AIME.

Slides also will be shown. The

Deadlines Are Met By Total of 3350

Deadlines for student pictures at Koen's studio were met with approximately 3350 students having theirs made. The freshman class led in numbers with 1046 meeting the deadlines, but were last in comparison with the other classes. Seniors were top with 72 per cent, sophomores following with 56 per cent, Juniors with 50 per cent, and freshman with 45 per cent.

Fraternities and sororities began having their club pictures made this week and deadline for those will be Dec. 1. Instead of making group pictures in the Journalism Building as last year, individual pictures will be used in this year's La Ventana.

meeting will be at 12:30 p. m. in the Petroleum Engineering Building.

Dean of Student Life James G. Allen is shown above being being crowned Washbowl king during halftime at the game Saturday. From left to right are: Betty Davis, Pat Boles, Dean Allen, Donell Phillips and Annette Reed.

Allen Crowned King Of Activities Drane Stoppers Hailed The Victor In Annual Washbowl Game Saturday

The Drane Stoppers stopped the drain for the Sophisticated Plungers with a 6-0 win at the annual Washbowl Game Saturday afternoon.

Approximately 500 persons witnessed the long pass in the last 50 seconds by Theora Calverley, Garden City, to End Mary Greener, Pep, for the only score.

James G. Allen, dean of student life, was again crowned king of the Washbowl Game at half-time activities. After entering the field in an ancient pickup he was presented with flowers and an engraved silver key chain.

The Washbowl Symphony Orchestra under the leadership of Don Oatman, Lubbock sophomore, performed at the colorful half-time activities. The orchestra featured music from the William Tell Overture in a stunt appropriately called "This Is Education!"

This year for the first time the traditional nine-woman touch game was played between freshmen and upperclassmen.

Upperclass cheerleaders were: Freeman Gross, Odessa senior; Tom Nash, Dallas junior, and Rob-

in Etter, Wichita Falls junior. Freshmen cheerleaders were: Bill Cormack, Amarillo junior; David Pool, Dumas sophomore; and Allen Moore, El Paso freshman.

Band Sweetheart Finalists Chosen

Six girls were chosen for Tech Band Sweetheart of 1954-1955 at the preliminary judging Sunday in Aggie Auditorium. The six finalists and their sponsoring clubs are: Edith Aldridge, Tahoka sophomore, Horn Hall; Margaret Ammer, Monahans sophomore, Kappa Alpha Alpha Theta; Jean Crass, Silverton freshman, Home Economics Club; Gayle Hunt, Lubbock freshman, Delta Gamma; Margaret Lee, Houston senior, Pi Beta Phi; and Betty Martin, Lubbock freshman, Veterans Club.

Band Fraternities Sponsor
Judging was under sponsorship of Kappa Kappa Psi and Tau Beta Sigma band fraternities, members of the preliminary judging team were: William Harrod, director of Lubbock Symphony Orchestra; Robert Dennis, Dennis Brothers Printing Company; and Winston Reeves, Reeves Photography.

The six finalists will ride on the band's first float in the Homecoming parade Saturday. The final winner, who will be chosen at the final judging at 2 p.m. Sunday in Aggie Auditorium, will be presented during half-time activities at the Tech-Houston game Nov. 20. She will also be featured in La Ventana with a full-page picture. Judges' names for the final judging have not been disclosed.

Nine Eliminated
The other nine entries who were eliminated in preliminaries, and sponsoring clubs are: Otilia Wood, Cosmopolitan Club; Shirley Herrington, Major Minor Club; Donna Abraham, Kappa Kappa Gamma; Annita Powers, Alpha Chi Omega; Gail Biggers, Zeta Tau Alpha; Donell Phillips, Seaboard and Eluder; Marilyn Stonecipher, Junior Council; Patty Hill, Book Review; Joyce Sharp, Block and Bridle.

Last year's contest winner was the former Dixie McWilliams of Plainview, now Mrs. Jimmie Williams, a sophomore sociology major.

SHORT COURSE
Students interested in dairying have a special invitation from Dr. J. J. Willingham, head of the dairy industry department to attend the Dairy Industry Short Course to be held in Aggie Memorial Auditorium Nov. 17-19.

Phi Psis To Hold Lil Abner Dance

Phi Psis and dates will go "dog-patch style" tomorrow night at the annual Phi Kappa Psi "Lil Abner Dance at Hotel Lubbock. Costumed couples will dance from 8:30 until 11:30 p.m. to the music of The Esquires.

Members and dates are: Harlen Nolan, Colse Nolan; Bob Poteet, Jane Hampton; Joe Holt, Nancy McKissack; Bob Pyle, Ernestine Pyle; Ray Simpson, Lynn Busby; Thomas Ireland, Shirley Harrison; Rama Oakes, Charlotte Davis; Jack Carnell, Annette Cochran; Harry Harrison, Virginia Webb; Tommy Neatherlin, Sharon Milligan;

Robert Faulkner, Judy Parker; Frank French, Lois McKee; Virgil Martin, Barbara Jackman; George Patterson, Carole Ellison; Don Rambo, Carolyne Rosser; Chuck Stehli, Nina Smith; Pat Watson, June Watson; Howard Thomas, Kay Bowers; Ivan Sorensen, Ann Graham.

Pledges and dates: Ray Vaughn, Barbara Johnson; Jerry Gibner, Marcia Rogers; David Jones, Mary Ann Munn; Thomas Holzman, Vickie Wierth; H. A. Sessions, Sandra Pittman; Gene Miles, Virginia Bell; Ren Melton, Teresa Dietz.

Musical Groups Present Programs

Several musical programs will be presented by various groups in the music department during the next few days.

The Tech Choir will sing for the Board of Directors' meeting tomorrow in the Student Union. Attending the meeting will be current and former Board members, a group of legislators and guests.

The choir will sing the following program:

- Salvation is Created - P. Tschesnokoff
- Mary, Mary, Where is Your Baby? - Jester Hairston
- Lord's Prayer - Glenn Johnson

The Student Union will feature several musical groups in its program at 3 p.m. Sunday in the Ballroom. The Tech Choir, Tech Madrigal Singers, and Tech French Horn Quartet will perform. These groups, directed by Profs. Gene Hemmie, Robert Elson and Robert Taylor, will entertain Tech students and others who wish to attend.

The Madrigal Singers will perform in Friona Tuesday. This group has sung over television, on radio, for church services and for almost every kind of audience throughout West Texas. This will be their second year to perform in Friona.

Couples Announce December Plans

December wedding dates have been set by three Tech couples. Barbara Holdridge, 2405 29th St., and James C. Leonard of Plainview will be married Dec. 18 at First Christian Church. Miss Holdridge is a junior pre-law student. She is a member of Delta Delta Delta sorority. Leonard is a senior finance major and a member of Alpha Tau Omega.

Bettie Sue Johnson and Charles Rayg Williams, both of Smyer, will be married in the Smyer Baptist Church Dec. 28. Miss Johnson is a freshman in business administration.

Mava Cartwright, 2118 20th St., and Fayne Woldford of Welch, have set Dec. 23 as their wedding date. Both are seniors. She is an accounting major and he is studying finance.

Monday Deadline Is Set For Entrants To South Plains Maid Of Cotton Contest

Going-going-going is the chance for young women to enter the South Plains Maid of Cotton contest, which will be held Monday night, Nov. 22, in the Fair Park Coliseum. Prospective maids are reminded by contest officials that Monday is the deadline for contestants. Thirteen girls have entered.

The winner will be selected on the basis of poise, personality and intelligence, as well as appearance. Judges will be leading fashion experts, photographers and representatives of the cotton industry throughout the state.

Recent entries are: Pat Jones of Dallas, Jane Jipp of Ft. Worth, Mary Jane Johnson of Wellington, Janelle Lewis of Brownfield, Tommye Brown of Lubbock, Joan Roberts of Plainview, Jimmie Faye Maxwell of El Paso and Mary McCanne of Pecos.

Miss Jones, 19, is the daughter of Mr. and Mrs. C. C. Jones. Air Force ROTC sweetheart, she is a sophomore majoring in secretarial administration. She has done fashion modeling and is a member of Pi Beta Phi sorority.

Miss Johnson, daughter of Mr. and Mrs. Matt Johnson, 19, majors in secretarial education and belongs to Delta Delta Delta sorority.

Miss Lewis, business ad freshman, is a Kappa Kappa Gamma pledge. She is the daughter of Mrs. Norma Lewis.

Miss Brown, business administration junior, is a Kappa Kappa Gamma. Her parents are Mr. and Mrs. Tom Brown.

Miss Roberts is an arts and science freshman. She is the daughter of Mr. and Mrs. H. T. Roberts and is a member of Kappa Alpha Theta.

Miss Maxwell, junior home economics major, is an Alpha Chi Omega member. Her parents are Mr. and Mrs. James S. Maxwell.

Miss McCanne is a senior majoring in clothing and textiles. Mr. and Mrs. Paul N. McCanne are her parents. Mary is also a member of Alpha Chi Omega sorority.

Earlier entries include Jerry Anglin and Donell Phillips of Plainview, Barbara Ware of Midland, Virginia Mitchell and Charlene Williamson of Ft. Worth.

Last year's national Maid of Cotton, Beverly Paek of El Paso, has been invited to attend the local contest.

A post-Christmas bonus of five attractive girls will be waiting for the 20 girls who are selected finalists officials announced at Memphis, Tenn., scene of the contest to be held Jan. 3-4. Gifts include a Dorothy Gray make-up case, complete with cosmetics; modern jewelry designed by Mosell; a vivid "mambo" striped beach sheet by Cone mills; a shortie gown in cotton plisse by Arteranis; and cotton gloves created by Davnelle. An all-expense-paid trip to Memphis and a complete wardrobe will be awarded the South Plains winner.

This year's national winner receives a tour of 40 major cities of the United States, Europe and Canada.

 - Rec Hall—Square Dancing, 7:30 p.m.

AN EDITORIAL

A Way to Faith

"It's not as fashionable as it was twenty years ago to wave religion aside with a few secondhand wisecracks."

This statement was made by Chad Walsh, poet-in-residence at Beloit College, in an article titled "Religion" which appeared in the August issue of *Mademoiselle*.

Mr. Walsh points out that the alert minority of students seem to be seeking a religion with definite beliefs—beliefs that can be summoned before the bar of reason. Because of this insistence on fighting it through intellectually, he maintains, a college cannot by-pass religion or offer only one course in Bible.

Tech realizes the importance of religion on the campus. All-church nights are planned at the beginning of each semester to acquaint the students with the college groups that meet once a week. Several hundred students attend Morning Watch services each morning, numerous courses in Religion are offered, and the Student Religious Council sponsors Religion Emphasis Week each year.

"On campus after campus, R.E.W. is no longer a spiritual once-a-year shot in the arm, but a culmination of a full program of religious activities that carries on all the time school is in session," Mr. Walsh says.

We are fortunate here at Tech to have Dr. George K. Schweitzer, noted nuclear research chemist from the University of Tennessee, as Religious Emphasis Week speaker, Nov. 15-18.

Let's all plan to attend, and perhaps we can obtain "insight into the dilemmas of society, and strength and wisdom to function effectively and wisely in the workaday world."

—Pat Harkleroad

AN EDITORIAL

Welcome Home, Exes!

WELCOME HOME

Welcome back, Exes! Saturday is your day.

We, the present students, have the campus for eight months, three weeks and six days, but Saturday the campus is yours for a day. Everything done by the students is for your benefit. They work hard to make Saturday a day you will enjoy and remember.

Saturday is your day to damn or praise what has happened since you left. It is your day to say, "Now, when I was in college . . ." If the campus has changed to the point of non-recognition, blame progress. Remember that you are the people who helped Tech grow.

It is your day to slap old buddies on the back and yell, "Haven't seen you since the night we burned the WT bonfire, etc." We are going to take a back seat Saturday and give you the run of the campus. May it be a happy day for you.

We are trying to make you proud of us and we would appreciate it if you would make us proud of you. We want to be able to point to you and swell our chests and say, "He is a Tech Ex." And we want you to point us out and say, "They're Tech Students."

Welcome home, Exes!

Larry G. Schroeder, Lubbock piano builder and tuner, discussed "The Story of the Piano, Keyboard Tuning Systems and Renaissance Music" at a meeting of Mu Phi Epsilon, music sorority, Tuesday evening.

Mr. Schroeder came to Lubbock 32 years ago as supervisor of and final inspector for the Baldwin Piano Company. He has worked as tuner for Jose Iturbi, Serge Rachmaninoff, Benno Moisevitsh and Harold Bauer.

He discussed the construction of the Baldwin piano and demonstrated two systems of tuning keyboard instruments: the meantone system current in the Renaissance Age, and the well-tempered system current today.

Approximately 75 persons attended the meeting, one in a series of educational music programs to be presented this semester by Mu Phi Epsilon.

Silver Service Given Tech in 1950 As 25th Anniversary Observance Has 126 Cups

By CLAUDIA MARTIN
Toreador Staff Writer

They've been held by many hands, and have brought back many memories. They're small and silver and are kept in a glass case.

The answer to this riddle commemorates the 25th anniversary of the opening of Texas Tech. It is the silver punch service given to the college in 1950 by ex-students.

Moved from the trophy case in the Administration Building Rotunda to the Anniversary Room of the Student Union Building, it is used on many occasions. The names and class years engraved on each cup bring back many memories to those who view them.

The cup bearing the earliest date is the one given by C. W. Ratliff, class of 1927, who is now associate editor of the *Avalanche Journal*. Ratliff majored in English during the years 1925-27, was a member of the first football squad, editor of *The Toreador* and president of the Student Council in 1926-27. He is a charter member of Press Club, Sock and Buskin and Capa y Espada. During these years Ratliff was employed by the Lubbock Morning *Avancher* where he wrote a column, "Technical Topics," about the college. He now lives with his family at 2009 29th St.

Another name which appears during the earlier years of Tech is that of Mrs. Johnny Gilkerson Langford, '28, who was a member of the faculty from 1928 to 1950 as a professor in physical education, three of those years dean of women also. Other cups bearing the date 1928 are engraved with the names Alma Doyle Blankenship Thornhill and Hurley Carpenter. The latter is now head of the Texas, New Mexico and Oklahoma Coaches, Inc., one of the hosts for the annual Homecoming

ELSON SINGS AT LHS

Robert Elson, music instructor, sang for the Music Club of Lubbock High School recently. His program included a group of Italian Art Songs, two operatic arias and some contemporary English songs. He was accompanied by his wife, Phyllis. Mr. Elson received his bachelor and master of music degrees from the University of Michigan. He is in his second year on Tech's music staff.

COUNCIL VACANCY

Petitions for a Student Council vacancy from the Business Administration Division may be

luncheon. C. A. Tubbs, now a Lubbock civil engineer, is another member of the class of '28 whose name appears on a cup.

Familiar names from the class of 1929 are Sue Alice Rodgers Tubbs; Clarence Whiteside, now owner of Whiteside Laundries in Lubbock; Martin Benson; P. C. (Preacher) Calloway, who in 1949 was engaged in farming in Corpus Christi; and Sue Bryan Collette, who now resides in Kerville.

The service now has 126 cups. Exes may still buy engraved ones for \$25 to add to the set. The punch bowl was given by the Ex-Students Association.

The cup bearing the latest date was given by the immediate past president of the Student Council. This bright, shiny new one, on which is engraved the name J. C. Chambers, is the first to be given from the class of 1954.

FFA Completes Homecoming Plans

Final plans for a Homecoming breakfast and a Homecoming float were completed Monday night at a meeting of the collegiate chapter, Future Farmers of America.

The breakfast will be in the Agricultural Engineering Building, and will be attended by members and agricultural education alumni. It will be at 7:30 a.m. Saturday.

Members who can work on the float were asked to meet at 7:30 p.m. tonight and tomorrow night in Room 106 of the Ag Engineering Building.

Donald Johnson was elected reporter.

Home Management Prof Talks at Clovis REA Meet

Miss Lola Marie Drew, assistant professor of home management, is in Clovis, N.M., at a two-day program sponsored by the New Mexico Rural Electrification Cooperative Association. Her subject today is "Equipment Teaching and Its Importance in the Curriculum." Tomorrow she speaks on "Laundry Habits in the Changing Home."

picked up at the Council office, announces Gwen Williams, secretary of the Student Association.

Petitions must be in by Nov. 18. A special election is to be held Dec. 2.

Freshmen Choose Four Yell Leaders

Four cheerleaders were chosen by the freshman class Thursday afternoon in a run-off election at the Student Union Building.

The winners, all freshmen, are: Revis Jordan, Lubbock; Joinue Hale and Mary Sue Miller, Ft. Worth; and Pat Tisdale, Balinger.

They will be cheerleaders for the remaining Picador football season and the freshman basketball games.

Others in the run-off election were: Anisse Baynes, Houston; Barbara Cowherd, Dallas; Bette Lawrence, Seymour; and Karen Smith, Fort Worth.

Standlee Conducts Feed Experiment

William J. (Bill) Standlee, graduate animal husbandry major from Lubbock, is conducting an experimental cattle-feeding program on a \$1,200 fellowship for graduate work.

The experiment, a continuation of one started last year, consists of feeding varied cattle rations to 60 Hereford steer calves, each ration containing a large amount of cottonseed hulls.

This is the second year of a three-year research program under a grant from the Texas Cottonseed Crushers Association. The fellowship received by Standlee has been awarded annually at Tech since 1937.

Tech Profs Write On Art Projects

Two art projects by Tech instructors are being featured in the November issue of "The Instructor," a magazine which presents new ideas for teaching arts and crafts.

Professor Arne Randall, head of applied arts, show how simple the silk screen method of applying figures to cloth can be. Through illustrations and text, he describes the processes necessary to prepare and use the silk screen printing method in elementary schools.

Thomas J. Sasser, part-time instructor in art education, in "Cut Paper Round-Up," explains how lagging enthusiasm in the higher elementary grades can be countered by planning and executing a cooperative classroom project.

Delta Sigma Pi Members

Delta Sigma Phi, international business and professional fraternity, entertained with a big-little brother breakfast at Walden's Restaurant Sunday morning.

The fraternity was commemorating Founders' Day, which was Nov. 7, 1907. Ladon Sheats, president, acted as master of ceremonies. Little brothers presented big brothers with gifts.

Following the breakfast the 45 who attended went as a group to First Baptist Church.

Chemical Engineering Prof Speaks Before French Club

Economic stability in Belgium after World War II was due to governmental currency control measures, Jules Renard told Le Cercle Francais Tuesday night.

The associate professor of chemical engineering also outlined what he called the "highly competitive" system of education in Belgium.

In an earlier meeting, William Roberts of the department of foreign languages gave a colored slide lecture on Louis XIV and the Palace of Versailles.

Seven Companies Plan Interviews

Seven companies will have representatives on campus next week to interview 1955 graduates.

A Humble official will meet with engineering and petroleum geology students at 5 p.m. Monday in the Engineering Auditorium. Chance Vought Aircraft is interested in architecture and engineering seniors and officials will be on campus Monday.

On Wednesday, Monsanto will interview chemistry and chemical engineering majors. Atlantic Refining Company will talk with engineering and petroleum geology majors on Wednesday and Thursday.

Texas Employers' Insurance Association will interview engineering seniors Thursday.

Pan American Refining will have an official here Thursday and Friday to interview 1955 engineering graduates. On Friday, Shell Oil will talk with engineering seniors.

With the exception of Humble, all companies are scheduling interviews through the Placement Service office.

Tech Prof's Father Dies From Sudden Heart Attack

Earle Gillis, 69, father of Dr. Everett Gillis, associate professor of English died last week at his Fort Worth home. Other sons are Don Gillis, symphony composer conductor, Dr. Carroll Gillis of the Southern Baptist Home Missions Board, and Lewis Gillis, TCU band director.

Newcomers Plan For Dinner-Dance

Reservations for the faculty Newcomers Club dinner-dance at 7 p.m. Sunday, must be made by tomorrow.

Tickets for the event, which will be held at Reese officers' club, are \$1.75 per person. Newcomers on the faculty are issued a special invitation by Mrs. A. W. Randall, club president. Reservations may be made by calling 3-5486.

The Newcomers Club is an organization for faculty members and their wives or husbands who have been at Tech no longer than two years. Members this year number about 70, according to Mrs. Randall, and nearly this many more are eligible to join.

Hard Work, Continued

apart. You run out of paper. The stores are closed. You send the pledges out to bum paper from the other floats.

4 a.m.—They're back. "The ATO's have finished and gone home." "The Tri Delt's is just beautiful, just beautiful." Deep in your heart you know it. The float looks horrible. You're ready to quit school. Go home. Get married. Quit your club. Use the float for bonfire material. It looks horrible.

5 a.m.—It's getting serious. You've spent \$250 for crepe paper and it looks like a freak. Besides, nobody knows how to do it—nobody but you. And the idiots won't listen to you. You know how to build this lousy float. But will they listen? No, no!

6 a.m.—Panic in the streets. Fill in the holes. Fill in the holes!

7 a.m.—Of course you're going to ride on the float. Who do you think can ride on it? If they knew what zombies they look like, they'd beg you to ride on the float.

8 a.m.—You don't want to ride on the float. You're ready to take the club's name off so they won't know whose it is.

9 a.m. Fill in the holes! Fill in the holes! Stuff, you fools, stuff! The gears that revolve the bird cage won't work. The driver can't get in the jeep. He has to crawl in through the motor.

10 a.m.—The parade starts. Fill in the holes. Fill in the holes. Put the pledges under the float to revolve the bird cage. It's falling apart. Fill in the holes. Get into the spangled bathing suit and make like a bird. Why are you that strange blue color? Smile, smile!

11 a.m.—There's a blizzard on. Bound to be the worst blizzard since the Ice Age. Smile!

12 noon—They carry you gently off the float and lay you on the floor furnace. Wake up! You've got to get ready to go to the game. The game. You hate football. Why don't they go away and let you die?

3 p.m.—The half. They're announcing the winners. Good thing you wore your earmuffs so you can't listen. Just forget it. Be adult about this thing. After all, you can always go home to mother. She loves you.

No! It can't be! There's been a mistake. You won! Oh, it really wasn't anything. Thanks to your planning and superb organization. But wait 'til they see the one you've thought of for next year!

Arizona Winner In Distance Meet

Texas Tech's cross-country track men finished last in a triangular meet Saturday with the University of Arizona and Arizona State (Tempe) in Tucson.

Walt Goodwin of Arizona set a new course record of 16:22.7 on the 3.2 mile cross-country event. The old record was 16:41.2.

The scores, with low score winning were: Arizona 21, Arizona State (Tempe) 37 and Texas Tech 85.

Mrs. Michie Will Report On Philadelphia Convention

Mrs. Jonnie Mickie, head of the department of foods and nutrition, will report on the American Dietetic Meeting and Miss Nerinne Stage will talk on the emergency mass feeding school at the November meeting of the Lubbock Dietetic Association. The association will meet at the Drane Hall apartment of Miss Shirley Schulz, director of food service, at 8 p. m. tonight.

Mrs. Mickie has just returned from the American Dietetic convention which was held in Philadelphia, Oct. 25-29. Miss Stage has attended an emergency mass feeding school at Fort Hood.

Show, Continued

recorded by popular and western music personalities. He was followed by the Christy Sisters Pat Christensen, and Nina Kay Porter, Lubbock freshmen, who sang "Johnny Guitar," "Hernando's Hideaway," and Bermuda."

Ann Immes, Dallas freshman, gave a recitation. The Melody Belles — Ann Hogg, Margaret Ammer, and Margaret Schindler, Monahans sophomores — closed the show with "Around the Corner," "You, You, You," "Walking My Baby Back Home," and "You Get a Good Girl."

The show will be presented tonight at 7:30 in Aggie Auditorium. Tickets are on sale at the Student Union, Hemhill-Wells, and at the door for 75c, student price, and \$1 for townspeople. Half the proceeds are to be given to a charitable organization.

Play, Continued

Annah Jo Pendleton, associate professor of speech, Richard Tracy, instructor in architecture, Warren Forsythe, Nancy Alexander, Marion Buckley, Dorothy Hoyle, associate professor of women's physical education, and Eugene Bandzevicius, of Pratt Band School.

Students will be admitted free on presentation of their activity books. Student tickets will be \$1, and general admission \$1.25.

Atomic Scientist Will Speak Here

Dr. Wright Langham, Los Alamos atomic scientist, will lecture at a psychology seminar tomorrow.

Dr. Langham, director of the biology and medical group at Los Alamos scientific laboratory, will speak on "Some General Aspects of Radiobiology" at 2 p. m. in the Science Building.

Born at Winnsboro, Texas, Langham received his BS from Panhandle A&M College and his Ph. D. in biochemistry from the University of Colorado.

In 1943 he was employed at the University of Chicago investigating the chemistry of plutonium. He has been with Los Alamos since 1944, studying the biological factors associated with atomic bomb detonations. In this capacity, he participated in weapons test programs at Eniwetok atoll and the Nevada Proving Grounds.

Dr. Langham will be available during a coffee after his lecture to discuss research problems in his field.

Entries Will Close Nov. 20 For La Ventana Beauties

Nov. 20 is the deadline for entries in the annual La Ventana beauty contest, states Linda Hudson, editor. Any organization may sponsor one or more women who have a 1-point grade average.

Deadline for reserving club pages is Monday. Seniors who have not completed information cards may do so in La Ventana office, J205, from 1 to 5 p. m. any afternoon.

BOARD TO MEET

The Texas Tech Board of Directors will meet at 9:30 a.m. Saturday in the office of President E. N. Jones.

Raiders Will Play In Kentucky Meet

Tech's Red Raiders will be one of four teams entering the Kentucky All-American City Basketball Tournament this year for the first time.

Last year's tournament was won by the University of Maryland, with Kentucky Wesleyan College, the hosts school runner-up. Others from last year's field who will be back for the 1954 tournament Dec. 27-30 are Evansville College and the University of Denver. New entries besides Tech are the University of Mississippi, the University of Cincinnati and the University of Rhode Island.

Another Border conference team, Texas Western, will play Kentucky Wesleyan at Owensboro Dec. 18 during the regular season, but is not entered in the tournament.

Basketball Entries Will Close Nov. 20

Entries will close Saturday, Nov. 20, for the intramural basketball season, states George Philbrick, intramural sports director. Play will begin Nov. 29.

The program will be divided into three leagues: Fraternity, Independent, and Dormitory.

Entries may be submitted to Philbrick in his office at the Gym. All students are eligible with the exception of those now on the varsity basketball squad, and those who have previously earned a letter at Tech in that sport.

The teams should be named, have managers elected, and include a list of players upon entry.

Raiders Host Tulsa In Homecoming Tilt

SCOUTED FOES 'THOROUGHLY'

Early Football Mentor, Pete Cawthon, Liked Fair Play But Hated To Get Beat

By DAVID CLARK
Toreador Editor

"Aw, you eats like Notre Dame, you travels like Notre Dame, but you plays like Canyon Normal!"

Those are the words of the irrepresible Pete Cawthon upon the return of the Texas Tech Red Raiders from an unsuccessful out-of-town football game in 1936.

Cawthon, already a legend in his lifetime, was Tech athletic director and football coach from 1930 through 1940, and during that time his teams ranged far and wide, taking on the best in the country and gaining a reputation

for a rough-and-tumble, wide-open brand of play seldom equaled today.

George Philbrick, associate professor of physical education, director of intramural sports and varsity tennis coach at Tech, played under Cawthon from 1936 through 1938 and knows the man as few know him.

Hard Loser

Philbrick says Cawthon was the hardest loser he has ever known. Pete took losing so hard that often after a loss he would spend the night alone on the ruddy table, too broken up to reconcile himself to the defeat.

But Philbrick, anxious to correct what he feels is an erroneous impression created by Cawthon's enemies, says, "Pete was a hard loser, but he always played fair. He was strict about the rules, strict about players swearing, and always just to the boys. He was religious, urged his players to go to Sunday School, and all his players came to him when they needed a friend. He'd go all the way for his boys."

Cawthon was no pushover, however. He had a way of setting disputes which made certain that they stayed settled. Philbrick remembers one time during a Sunday squad meeting when two players were arguing about who made a tackle on a kickoff the night before. The debate grew heated, and finally Cawthon called the whole squad into the gymnasium and made the two settle their dispute with their bare fists. After the bloody fight ended, says Philbrick, there were no more arguments the rest of the season.

Loyal To Players

But Cawthon was loyal to his players. He would get them summer jobs during a time when jobs of any kind were hard to come by. And Pete always remembered a player. If a former player dropped by during football practice, Cawthon would call the squad over and introduce the ex-Raider. In fact, Cawthon has a phenomenal capacity for remembering the name and faces of anyone he has ever known. Even now, when he makes a visit to this area, he will remember the name of someone he knew ever so slightly.

See Cawthon, Page 8

Tech Is Favored After Arizona Win

Tech's Red Raiders will play their third consecutive Homecoming game Saturday, only this one will be for the benefit of their own clan. The Techsians will play host to Tulsa to climax Homecoming festivities.

The Raiders have been installed as strong favorites against the Golden Hurricanes after their 28-14 win over Arizona last week.

The Techsians wiped out the hopes of a Homecoming victory for some 23,000 Arizona fans Saturday night as they bolted back into the win column.

The Raiders chalked up 257 yards rushing and added 189 with an aerial attack for a total of 446 yards total offense. Arizona was held to 302 yards total offense with 163 yards gained rushing and 139 passing.

The Weavervites opened the scoring in the first quarter when Jerry Walker recovered a Wildcat fumble on the Arizona 30. Five plays later, Don Schmidt banged over from the three to score. Jerry Johnson converted to put the Raiders in front 7-0.

Not satisfied with only one tally in the first period, the Raiders took advantage of another Wildcat miscue on the first play after kickoff. Arlen Wesley pounced on the free ball on the Arizona 35. Johnson tossed to JoJo Bryan on the 25, who in turn rambled on down to the 12. Schmidt slashed through tackle to the three, lost one yard on the next try, and then Johnson played thread the needle inside right tackle for the second Raider TD. Johnson converted to give the Raiders a 14-0 margin.

The Wildcats got their lone first-half touchdown late in the second canto when Charles Phillips intercepted Jack Kirkpatrick's aerial on the Tech 44. Tom Grimes punched over from six yards out with only five seconds remaining in the half. Grimes added the free try to close the gap 14-7.

The Techsians turned on the steam in the third stanza to finish sinking the Cats. End Dean White made a magnificent catch of Johnson's aerial, and slipped into the end zone standing up. Johnson again converted and the Raiders were sitting pretty.

Shortly thereafter, Arizona's Marty Lang booted a short punt that landed on the Tech 40. Eleven plays later, Bryan carried the mail for the fourth Raider tally. Johnson converted his fourth extra point of the game, and the Lubbockites were ready to let substitutes take over the spotlight.

Arizona took to the air in the last period to score their final touchdown. Barry Bleakley pitched three tosses to Wayne Mancuso

Winners Decided For Two Loops

Sneed bested Gordon 14-7, to win the Dormitory League championship in the intramural touch-football program, and earned a berth in the all-college playoffs. Bledsoe ranked second with a 3-1 record.

The Cowhands slaughtered Tech Vets 22-7 to take the Independent League championship, also good enough for the playoffs. Nameless Wonders lost 1-0 to the Wolves, but still placed second in the league with a 4-2 final standing.

Kappa Sig slapped PiKa from the top rank with a 7-0 win to throw the Fraternity League into a tie. PiKa, ATO and Kappa Sig are tied for the lead with 4-1 records.

to eat up the necessary 61 yards. The last one was good for 13 yards and six points. Grimes converted to pull within 14 points, but that was all as far as the scoring column was concerned.

ords. Each team still has two games to play.

In Sunday's games, Kemas bested Phi Delt 7-6, Kappa Sig posted a 7-0 win over PiKa, ATO dropped Sigma Nu 7-0 and Phi Psi slapped SAE 12-6.

The schedule for this Sunday's game are: PiKa vs. Kemas on Field No. 3, SAE vs. Sigma Nu on Field No. 4, Phi Delt vs. Phi Psi on Field No. 1, and Kappa Sig vs. ATO on Field No. 2.

STANDINGS:

Basketball Slate For '55 Revealed

Texas Tech's 1954-55 basketball schedule has been released. The Raiders will open in Lubbock Dec. 1 against Eastern New Mexico University.

Polk Robison, coach of the Tech cagers, will begin his 12th year at Tech, and will be assisted by Gene Gibson, who played for the Techsians in 1950.

The Lubbockites will play non-conference tilts against the following: University of Texas, Furman, North Carolina State, Memphis State, Abilene Christian College, Eastern New Mexico University and Oklahoma A&M.

They will also be the guests at the All-American City Tournament in Owensboro, Ky., and the Canyon Reef Tournament in Snyder.

1954-55 BASKETBALL SCHEDULE

Dec. 1—Eastern New Mexico, Lubbock
Dec. 4—Abilene Christian, Lubbock
Dec. 10-13—Canyon Reef Tournament, Snyder
Dec. 13—Oklahoma A&M, Goodwell
Dec. 17—Furman, Greenville, S.C.
Dec. 18—North Carolina State, Raleigh
Dec. 20—Memphis State, Memphis
Dec. 27-29—All-American City Tournament, Owensboro, Ky.
Jan. 7—New Mexico A&M, Lubbock*
Jan. 10—Texas Western, Lubbock*
Jan. 22—Eastern New Mexico, Portales
Jan. 28—West Texas State, Canyon*
Feb. 1—Hardin-Simmons, Abilene*
Feb. 3—Texas, Austin
Feb. 5—Arizona State, Lubbock*
Feb. 7—Arizona, Lubbock*
Feb. 12—West Texas State, Lubbock*
Feb. 15—Arizona, Tucson*
Feb. 16—Arizona State, Tempe*
Feb. 24—Hardin-Simmons, Lubbock*
Mar. 4—New Mexico A&M, Las Cruces*
Mar. 5—Texas Western, El Paso*

Games This Week

(All games played Saturday except as noted. A date after any school's name is the date it played or will play Tech this fall. If teams matched this week played each other last year, the 1953 score is given.)

- TEXAS TECH host to Tulsa. Last year, Tech 49-7.
- Mississippi at Houston (Nov. 20).
- West Texas State (Sept. 25) at Hardin Simmons (Nov. 27).
- Hardin-Simmons 26-14.
- Rice at Texas A&M (Sept. 18). Rice 34-7.
- Kansas at Oklahoma A&M (Oct. 2). Oklahoma A&M 41-14.
- Arizona (Nov. 6) at Texas Western (Oct. 9). Texas Western 28-20.
- Mississippi State at Louisiana State (Oct. 16). Mississippi State 26-13.
- Marquette at College of Pacific (Oct. 23). Tie 20-20.

Last Week's Scores

- TEXAS TECH 28, Arizona 14
- TEXAS TECH FROSH 19, New Mexico Military 6
- Texas Western 20, Hardin-Simmons 7

'Tech Plays Dirty,' Says Arizona Football Fans

William R. Mathews, editor and publisher of the Arizona Daily Star, in his column, "Tuesday Morning Quarterback," said Monday he did not wish to see Arizona play Texas Tech in football under any kind of circumstances.

This statement came as a result of what Arizona fans termed the rough brand of football played by Texas Tech in defeating the Wildcats 28-14 Saturday night in Tucson. The loss virtually kicked Arizona from the conference championship.

Roy Drachman, prominent Tucson realtor, told the downtown fans that a lot of people feel as though Arizona should break off relations with Tech, and the time has come to let it be known.

Cawthon, Continued

that person's relatives, and some connected incident.

Didn't Like Girls

Cawthon didn't like his players to go out with girls. If one of the boys even walked down the hall with a girl, Pete would pretend not to know him and would ignore him completely. The Cawthon name for girls was "Fan-Tail Floosies."

"Once a player came in late to a Sunday after-noon squad meeting," relates Philbrick. "Coach stopped talking, looked the player over from head to foot, and muttered, 'Aw, you been out with some fan-tailed floosie.'"

Although he was athletic director in addition to being football coach, Cawthon discouraged his football players from participating in other sports. He referred to basketball as "thump-thump ball."

Many now-famous coaches played under Cawthon. Among them are Buddy Brothers, later head coach at the University of Tulsa; Henry Frnka, who later coached at Tulane; Ed McKeever, former Notre Dame coach; Dell Morgan, who was head coach at Tech for several years; and many outstanding high school coaches. One year, all former players who were then coaching at high schools in this area won district or better.

Now Lives In Virginia

Cawthon left under fire after the 1940 season and became athletic director at the University of Alabama. Last year he resigned because of poor health and now runs a profitable boys' school in the Virginia Blue Ridge Mountains. But he will always be remembered at Tech, where he made his name as a hard-driving, hard-playing coach who would use any fair means of beating his opponent.

Some of these means tended to the extreme. In 1936 Cawthon sent Cy Lamaster, who is now with Highland Park and was then team manager, on a couple of special missions. He had Cy dress up as a power company lineman and climb a telephone pole to pretend to make repairs while in reality he scouted plays of an opposing team practicing nearby.

Sure Fire Scouting

But the stopper came later in the same season. Lamaster was sent to Montana two weeks before Tech was scheduled to play the University. Cy dressed up as a lumberjack and went down to the Montana practice field to watch the team work out. Soon Lamaster was chasing footballs for the team and a short time later was "just one of the boys." When the Red Raiders arrived, he had mapped every play Montana had. As long as Tech was there, Cy went around in a long overcoat and dark glasses, with his hat pulled low over his face.

Montana had a little something planned too, but the wily Cawthon was too smart once again. The Montana coach used a periscope to watch the Raiders practice. Cawthon simply had his boys line up in a half dozen weird formations he never intended to use. Then in the game he pulled the real stuff, and Tech won easily.

Philbrick has this explanation for Cawthon's antics. Says he: "They did things a little differently then." Could be.

The Wildcat fans became furious when their flashy halfback, Art Luppino, was injured approximately six minutes after the game had started, and was taken out. Luppino started the second half but was again shaken up

and taken from the game.

Halfback Tommy Grimes, who replaced Luppino, told Jimmy Wilson, Tech athletic business manager, that Luppino looked all right to him in the dormitory after the game.

COLLEGE TOURS

REGISTER EARLY! Unrivaled programs of personally escorted all-expense tours, including EVERYTHING worthwhile in Europe. Story-book villages, Gay Paris, Venice, city of the sea, quaint Holland, breath-taking Switzerland, Rome, the Eternal City, castles on the Rhine, London, English countryside. No education is complete without seeing the art, architecture, culture, and history of Europe. Make your reservations with us—soon.
