

## Pam White, Aycock Chosen 'Miss, Mr.'

By **CAROLYN MOGRIDGE**  
Toreador Staff Writer

Charlie Aycock and Pam White were named Mr. and Miss Texas Tech Friday night at the annual Coronation Dance in the Union Ballroom.

Charlie Aycock, Tulia senior and president of the student body, was sponsored by Town

Girls. He is a member of Kappa Sigma. Pam White, Richardson senior and homecoming queen, was sponsored by Kappa Kappa Gamma.

**SENIOR CLASS** favorites for 1963 are Ann Morrow, Dallas, secretary of the senior class and member of Alpha Chi Omega, and Mark Taylor, Winnsboro,

cheerleader and member of Sigma Alpha Epsilon.

Junior favorites are Carolyn Buxton, Richardson, cheerleader and member of Delta Gamma, and Cliff Mowery, Lubbock, member of the executive council for Phi Delta Theta.

**LADY JANE** Henry, Chicago, Ill., member of Delta Delta Delta and Tech Beauty for 61-62, and James Ellis, Lubbock, class president, were named sophomore favorites.

Freshman favorites are Tanya Tarkington, Lubbock, member of Pi Beta Phi, and Barry McNeill, Lubbock, Sigma Alpha Epsilon pledge.

**WINNERS WERE** announced at 10 p.m. by James G. Allen, dean of student life. Miss Tech was presented with 12 long-stemmed red roses and an engraved silver dish. Mr. Tech was given an engraved silver plate.

Class favorites were given charms and key chains to commemorate the event.

Pink bubbles, giant champagne glasses and a ballroom festooned in pink and white set the "Champagne Mist" mood. The Tech Stage Band provided music for about 300 persons.

**ALL NOMINEES** for Mr. and Miss Tech and class favorites were honored at 7:30 p.m. with a reception. Approximately 100 were present.

Mr. and Miss Tech and the favorites were selected Thursday in an all-school election.

## Connally Names Three To Board Of Directors

Governor John Connally announced the appointment of two new members to the Tech board of directors Friday and the re-appointment of Harold Hinn.

Roy Furr, widely known Lubbock man, and Herbert Allen of Houston are the newly selected board members.

Furr, who is president of Furr's Inc., a chain of 65 supermarkets, is a director of the National Assn. of Food Chains, the First National Bank, Lubbock, and Boys Ranch. He is former president of the Lubbock Chamber of Commerce.

Allen is vice president and general manager of the Cameron Iron Works and a graduate of Rice University. He and Furr are replacing C. I. (Stony) Wall, Amarillo, and Floyd Woolridge, Houston.

Hinn, who lives in both Plainview and Dallas is very active in Tech affairs and initiated the Christmas lighting program, now a Tech tradition. He is president and general manager of Harvest Queen Mill and Elevator Co.

All three were named to six-year terms. Their names will be sent to the Senate for confirmation. The announcement was made by Connally at an Austin news conference.

Connally noted that in appointing Allen to the board, the college will have direct contacts in the fields of engineering and science, not had previously. Over 500 students from Houston and surrounding area are enrolled in Tech.

## Tech Writer Wins Top Sports Award

**DENTON** — THE DAILY TOREADOR was named first-place winner in sports column writing at the Southwestern Journalism Congress here Friday night.

The winning column was "Keyboard Wanderings," written by Jim Richardson, fall sports editor.

THE TOREADOR also won two second places in news story and editorial categories. Charles Richards, editor, and Max Jennings, managing editor, were authors of the winning news story. Bill McGee, fall editor, was author of the editorial.

North Texas State University was named first-place winner in four of the nine newspaper contests.

Staff members of the Louisville (Ky.) Courier-Journal, the St. Louis (Mo.) Post-Dispatch and the Des Moines (Iowa) Register and Tribune chose the winners from entries among the congress' 15 member schools.

**MR. AND MISS TEXAS TECH**—Charlie Aycock and Miss Pam White are Mr. and Miss Texas Tech of 1963 and were crowned at the Coronation Ball Friday night. The seniors, from Tulia and Richardson, respectively, were chosen Friday in a campus election.

## AWS Sets Coeds' Day

Tech coeds will be saluted on Woman's Day, Tuesday, April 2. A tea and banquet will highlight the day's activities, which are sponsored by the Association of Women Students.

The banquet at 6 p.m. will honor Tech's woman of the year and faculty woman of the year, who will be selected at elections set that day. Tickets for the banquet are \$1.50 and will be on sale Monday through Friday in the women's dorms and in the office of the Dean of Women.

Guest speaker for the banquet will be Mrs. Hiram Cole Houghton, internationally known figure in diplomacy and humanitarianism. She will be honored with a noon luncheon.

Mrs. Houghton is a member of the UNICEFF Board, the Tolstoy Foundation Board and the

board of directors of Philadelphia Women's Medical College. She is also a director of the American Assn. for the United Nations.

**IN 1957 PRESIDENT** Eisenhower appointed her to the advisory board of the Office of Civil and Defense Mobilization. She is one of two women on the 12-members board. She has also been awarded the International Cup of Good Will and the American Heritage Award.

**THE TEA, WHICH** is open to all Tech women students and faculty members, will be given at 1:30-4 p.m. in the office of the Dean of Women. Hostesses will be honorary deans for the day. They are Sue Boles, president of Panhellenic League; Linda Hill, Women's Residence Council; and Carolyn Kelley, AWS.

## Third SOS Due Sunday

Type three Sabin oral polio vaccine will be available to Tech students from noon-6 p.m. Sunday at the Infirmary.

This third round completes Lubbock's "Sabin Oral Sunday" program. The vaccine has been recommended by the Lubbock-Crosby-Garza County Medical Society. Types one and two need not have been taken previously.

There is no charge, but donations are requested to help offset expenses of the project.

Students missing the vaccine Sunday may get it at make-up clinics from noon-4 p.m. March 31 at Lubbock's nine junior high schools.

**MAKING PLANS FOR WOMEN'S DAY**—Members of the planning committee for Women's Day are taking a look at one of the posters to be distributed throughout the campus. They are, left to right, Jan Justice, invitations and arrangements chairman; Mary Alice Hill, tickets chairman; Ann Dennison, elections chairman; Charlotte Dorsey, program chairman; Armenta Kemp, general chairman; and Barbara Bradshaw, publicity chairman.

## APO Conducts Sectional Meet

Alpha Phi Omega, national service fraternity, is conducting a sectional conference on the Tech campus today and Sunday. Dr. Lester R. Steig of San Francisco, national president, and Joe Scanlon of Kansas City, national executive secretary, will be here for the conference.

The keynote address will be given by Harry S. Walker, Tech economics professor, at 8 p.m. in the Biology Auditorium. Dr. Steig will speak at the banquet at 7 p.m. in the Union Ballroom. Scanlon will issue the challenge at 10:15 p.m. Sunday.

James P. Hannigan, dean of student life at Texas A&M and Lewis N. Jones, dean of men at Tech will serve as masters of ceremonies. Both are members of the Alpha Phi Omega National Board.

## UT President Speaks At Freshman Banquet

Dr. Joseph Royall Smiley, University of Texas president, will speak at 6 p.m. today in the Union Ballroom at a banquet honoring 33 Phi Eta Sigma initiates and 43 Alpha Lambda Delta pledges.

On campus for the first time, Dr. Smiley will be introduced by Gay Haught, Alpha Lambda Delta president, who said, "Dr. Smiley is the most important speaker we have had for our annual banquet."

Both organizations are freshman scholastic honors, Phi Eta Sigma for men, and Alpha Lambda Delta for women. Both require a 3.5 overall grade point for at least 15 hours during the first semester or 30 hours during the entire year.

Today at 5 p.m. the Phi Eta Sigma pledges will be initiated. At the same time, Alpha Lambda Delta will hold a pledge ceremony.

Phi Eta Sigma will present the "best freshman instructor" award to Mrs. Marguerite Bailey, assistant professor of mathematics. The award to the sophomore with the best average this year will go to Patrick Harris.

Guests at the banquet are Dr. R. C. Goodwin, president of Texas Tech; academic vice presidents; and the deans. Members of the faculty were invited.

Ronnie Botkin is president and Dean of Student Life James G. Allen is sponsor of Phi Eta Sigma's 60 active members. After the sophomore year, members remain active by their own election.

Alpha Lambda Delta's sponsors are Dr. Mary Louise Brewer and Mrs. Dahlia Terrell, both of the English department. Anne Weaver is senior sponsor and Jan Justice is junior sponsor. Alpha Lambda Delta has approximately thirty-five actives.

# why Dowell can give operators better cement jobs and lower oil well costs

Today, Dowell provides oil well cementing services that reduce the need for remedial squeeze jobs and other cement repair work. These cementing services are performed by experienced cementers, using improved, job-tailored equipment and materials. The result: lower overall well costs.

Here are four Dowell-pioneered advances that help improve cementing jobs and keep costs down. They are the result of continuous laboratory and field research.

**DOWELL'S MECHANICAL MIXER** uses a "Controlled Slurry" proportioning system to feed pre-determined amounts of water, cement and additives into the mixing tank. Here, these materials are blended into a smooth, uniform, slurry. The result: fewer channels in long string jobs and a higher success ratio for squeeze jobs.

**DOWELL'S DENSITOMETER** uses a gamma ray source to give a continuous density reading of the main cement slurry stream. Slurry weight variations as slight as  $\pm 0.1$  pound per gallon can be detected, corrected and rechecked quickly. This helps the Dowell operator hold a precise slurry weight. The result: fewer bad spots in the cement

Technician checks strength of cement samples in the Dowell Quality Control Laboratory at Tulsa.

caused by slurry weight variations; fewer squeeze jobs needed to repair these bad spots

**FLAC\*** fluid loss additive for cement far surpasses anything previously offered. This Dowell-developed material can hold the fluid loss rate below 100 cc/30 minutes at 1000 psi — greatly extending working time. Excess cement can be reversed out after most squeeze jobs. The result: expensive drilling out is usually avoided; dry test after a single-stage squeeze is the rule rather than the exception.

Flac is also an excellent inducer of turbulent flow in cement slurry — to displace drilling mud and get a better bond.

**CEALMENT\*** cementing service — developed by Dowell — was the first to employ a slurry of latex cement. Cealment is used primarily to "tail in" long strings, set liners and squeeze channels or undesired zones. Good bonding, high resistance to shattering during perforation, resistance to contamination and low fluid loss are some of the superior qualities of Cealment. The result: operators have available a dependable material for critical jobs where other cementing materials often fail.

These are just a few of the many reasons Dowell can provide better oil well cement jobs at lower overall cost. Dowell services and products are offered in North and South America, Europe, North Africa and Iran. Dowell, Tulsa 14, Oklahoma.

## Drane Dryer Causes Fire

Seven fire trucks, a chief car and a smoke ejector unit were sent to Tech campus about 5:30 p.m. Friday when a dryer in the basement of Drane Hall caught fire.

The fire started when some synthetic clothing, which has a low ignition point, ignited in a dryer. Apparently little damage was discovered after the building was cleared of smoke by firemen.

"We went prepared," said A. D. Dewess, Lubbock fire department dispatcher. Dewess explained that the fire department always sends enough equipment to a fire to "take care of the whole building."

He said that synthetic material frequently catches fire in commercial dryers.

# Dormitory Officers Selected

## Drane Freshmen Appear In Strange Apparel, Stunts

Officers and legislators have been selected for the women's dormitories. This includes officers for the new dorms opening in the fall. Legislators for the new halls have not been announced.

Officers for the new freshman dorm are Carol Lee Page, president; Jannye Smith, vice president; and Carole Brennan, AWS representative.

New upperclassmen's dormitory officers are Carolyn Cates, president; Susan Wood, vice president; and Rosemary Paterson, AWS representative.

### Drane Hall

Officers for Drane Hall are Melissa Stalleup, president; Patty Smith, vice president; and Jane Deaver, AWS representative.

Legislators are Sally Childress, Sue Johnson, Suzanne Harrington, Ann Hemphill, Mary Tannahill, Marsha Bristow, Shirley Watts, Susan Wolfinger, Shirley Wishcamper, Sue Scovell, June Wyche and Patty Pearson.

### Doak Hall

Doak Hall officers are Kay Cravens, president; Jeanie Gratton, vice president; and Jane Loughmiller, AWS representative.

Legislators for Doak are Pat Walker, Carolyn Gottschalk, Pat Hamilton, Kim Norris, Susan Johnson, Patty Harrell, Charlene West, Michele Preston, Susan Croft, Patsy Mason, Janice Player, Barbara Short, Kay Vick and Dru King.

# Country Club Plays Host To Sigma Chi Ball

Lubbock Country Club will host the Sigma Chi Sweetheart Ball with a dinner beginning at 6:30 p.m. today.

Selected as candidates for sweetheart are Linda Crowell, Fort Worth; Paula Bush, Lubbock; Ellen Dunias, Lubbock; Judy McAfee, Dallas; Linda Six, Garland; Sharon Thompson, Robstown and Marynell Ward, Austin.

Nominated for outstanding fraternity member are Bob Smith, Dallas and Ken Parker, Bill Wellborn and Jerry Hurst, all of Lubbock.

"What in the world are you doing?" was the common question around campus Friday as Drane Hall freshmen emerged in strange fashions for their classes.

Draped in sheets a group of girls went to classes trying to grin and bear the curious stares from bewildered classmates.

Another group took turns sitting with Will Rogers on his horse until 5 p.m.

Clutching a teddy bear and glancing at her fuzzy pink house shoes, Kay Turner said, "Oh golly, I've been laughed at all the way across campus!"

Linda Earl found wading in the library fountain a cold experience as surprised onlookers gathered to watch.

Even Mrs. Fannie Laas, the Drane dorm counselor got into the act when she accepted the dare to wear tennis shoes, a wrap-around skirt and a wig. She personally introduced herself to each of the boys as they entered Drane to meet their dates.

Some girls were required to brush their teeth in the lobby while their dates waited and watched. Others were busy doing their ironing in the formal lounge.

Dares were made and accepted Thursday. And Friday the dares were completed. Dares were bought for a minimum of 25 cents. There was no maximum charge. If a dare was made and not accepted the bashful girl had to pay the price of the dare.

## Pic Nine Wins Two

Strong-armed right hander Rick Freivogel played the ironman role Wednesday as he pitched both games of a doubleheader triumph for the Tech Picadors, as they downed the South Plains Texans, 11-3 and 15-4.

The Picadors picked up victories number four and five as Freivogel limited the Texans to six hits in the first game and five in the second. He struck out nine in the first game, while fanning 11 in the nightcap.

The Picadors slapped 12 hits in the first game as they chased two Texan hurlers from the mound. Buzz Henderson and Bob Colvard each collected two hits apiece.

The second game started with a bang, as shortstop Bobby Hill hit the first pitch over the center field fence. Larry Thorn hit a three-run homer in the sixth for Tech after driving in two runs earlier with a single. Murrell completed the Picador scoring in the seventh with a 2-run homer.

The Picadors, who now stand 5-0 for the season, will play Odessa College in Odessa Tuesday. The Picadors beat the Odessa team in an earlier game, 5-4.

## King Calls Scrimmage

With a pair of newcomers receiving praise from Head Coach J T King, Tech's Raiders are ready for their first full scrimmage in Jones Stadium today at 3:30 p.m.

Donnie Anderson, the flashy right halfback from Stinnett, a red shirt last season, has continually stood out with his fierce blocking and hard running.

Freshman fullback candidate Charles Graham of Longview has the whole coaching staff looking as he pounds the line.

King has pointed out Bill McLeland of Ennis, letterman Buck Washerlesky of Bonham, Butch Thompson of Lubbock Monterey and John Clare of Brownfield as standouts in line play during the past week.

Returnees from last year's squad David Parks, Bill Worley, C. C. Willis and Roger Gill have also been cited by King.

## Match Slated Tuesday Night

The Devils pulled the upset of the intramural basketball season Thursday, as they defeated the Delta Tau Delta "B" squad, 47-45, to gain a berth in the upcoming finals.

Ronnie Woods led the underdog Devils as he meshed 17 points.

The Deltas, considered unbeatable by most onlookers, took a commanding early lead and began to substitute freely. Late in the third quarter, after the Devils had made an impressive comeback, the Deltas replaced the subs with a cold first team. And cold they were, as the Devils went out in front and had the slim lead when the final buzzer sounded.

Mike Kunstadt scored 15 points to pace Delta scoring.

### PEKs Down Phi Delt

Phi Epsilon Kappa, men's physical education fraternity, downed Phi Delta Theta, 52-45 in the second game.

The PEKs, paced by Donnie Williams who tallied 22 markers, led all the way. At one junction in the first half their lead was stretched to 14 points.

Wesley Nelson meshed 15 points for the Phi Delt.

Phi Epsilon Kappa and the Devils will meet Tuesday in the Intramural Gym at 8 for the All-College Basketball championship.

## Ticket Sales Close Friday

Friday is the deadline to buy tickets for the Women's Day banquet scheduled for 6 p.m. Tuesday. Tickets are on sale in the women's dorms and in the office of the Dean of Women.

Mrs. Hiram Cole Houghtan, guest speaker for the banquet, will speak on Challenges of the Day. The menu will include turkey and dressing, tomato juice, pear and cream cheese salad, corn, hot rolls and butter, strawberry shortcake and iced tea.

A tea, open to all Tech women students and faculty members, will be from 1.30-4 p.m. in the Dean of Women's office. A luncheon at noon in Drane Hall will honor the AWS executives and the Women's Day committee members. Tuesday morning the President's Hostesses will take Mrs. Houghton on a tour of the Tech campus.

ARE YOU SURE YOU WANT THIS?—Mickey McIlwain, sophomore from Abilene, tries to purchase a ticket to the Women's Day banquet from Ann Orrick, Wichita Falls junior, who is banquet chairman. No men may attend the banquet, which will be April 2. —Staff Photo

## Greek News...

Spring means many things to the Greeks at Tech — awards, initiations and philanthropies to name a few.

**KAPPA KAPPA GAMMA**  
Sophomore Nell Ann Walter was presented the award for the highest average in the Kappa chapter at the annual Kappa Scholarship Banquet. Nell Ann had a 3.83 grade point average for the fall semester.

Other awards were presented to Karen Anderson, 3.8; Jane Smith, 3.8; and Judy Stewart, 3.7.

Ellen Hendrix won the award for the most improved grade average — from a 1.69 to a 3.2.

The big sister-little sister award went to Nell Ann Walter and Martha Welch.

**KAPPA ALPHA ORDER**  
Pledges of Kappa Alpha are no longer pledges! They were initiated this past weekend.

New KA members are Johnny Carrington, Marshall; Griff Evans, Houston; Jim Bob Gibson, Plainview; Tom Gregory, Dallas; Jerry Happner, Mathis; Dale Jones, Lubbock; and Dave Kinderfather, Coffeyville, Kan.

Dale Jones was named Best Pledge.

**ALPHA TAU OMEGA**  
At the ATO annual Founder's Day Banquet, Lynn Gibson, sophomore from Roby was presented the Outstanding Pledge plaque. Tom Ewens was recognized by the pledge class as Best Member, and he won a special commendation award for work as past president.

Charles Bennett, scholarship chairman, received the IFC scholarship trophy on behalf of the fraternity for highest grade point average for the fall semester.

**GAMMA PHI BETA**  
The Gamma Phi's are busy planning an Easter egg hunt for 40 girls of Brownie Troop 242 at Guadalupe Center. About 400 eggs will be distributed Wednesday, April 3 for the group.

This is a special philanthropy sponsored annually by the sorority. Sandy Spillar is chairman.

## Stories Due

April 1 is the deadline for short story entries in the La Ventana's "Post Magazine" section.

"We prefer the gayer, slick story for 'Post Magazine.' However, any type short story will be considered," said Travis Peterson, La Ventana co-editor.

Stories should run about 1500 words and must be turned in to the Journalism Bldg., rooms 209 or 111.

Stories will be judged by the La Ventana and "Post Magazine" editors. Manuscripts not used will be returned to the authors by April 22.

## Applications Due Today For New Fraternity

Today is the last day to register for possible membership in the new fraternity to be established on Tech campus.

Pete Feather, IFC president, said eligible men should sign up in the Dean of Men's office, room 163. Qualifications for membership in-

clude a 2.00 for the fall semester and a 2.00 overall. Applicants should be taking at least 12 residence hours this semester.

The interest shown by applicants along with the approval of the administration will determine the outcome of the new fraternity.

# 36 DAYS THAT CHANGED THE PERFORMANCE PICTURE IN AMERICA

In 36 days, starting with the Monte Carlo Rallye in January of this year, our products have posted a series of competition wins that have made performance history. Here's what has happened:

Three V-8 Falcon Sprints were entered in the Monte Carlo Rallye. This is not a race. It is a trial of a car's total capabilities. We did it (nervously) for the experience and with practically no sense of expectation, because we had not entered an event like this before. One Sprint ended the experiment in a snow-bank. But the others finished 1-2 in their class with such authority that they moved the good, grey London Times to say: "The Falcons are part of a power and performance plan that will shake up motoring in every country in the world." That was Number One.

Number Two was a double win in the Pure Oil Performance Trials. Fords captured Class 1 and Class 2 (for high performance and large V-8's). Both of these trials were for over-all points rolled up in economy, acceleration and braking tests.

Then, at Riverside in California, in America's only long-distance stock car event that is run on a road course (as opposed to closed circuit, banked tracks such as the track at Daytona), Dan Gurney pushed a Ford to first place.

The latest news comes north from Daytona. There in the open test that tears cars apart—the Daytona 500—Ford durability conquered the field. Fords swept the first 5 places . . . something no one else had equaled in the history of the event. In a competition — which anyone can enter—designed to prove how well a car hangs together, 9 Fords finished out of 12

entered . . . a truly remarkable record considering that over 50% of all cars entered failed to finish.

Why do we keep such an interested eye on competitions such as these? Is speed important to us? Frankly, no. The speed capabilities of the leading American cars are now grouped so closely together that the differences have no real meaning. To us, who are building cars, success in this kind of competition means just one thing: the car is strong. This kind of performance capability means that the car is so well built that it can stand up to normal driving—the kind of day-in, day-out demands you put your own car through—for thousands of miles longer than less capable cars.

In tests like the Daytona 500 and Riverside, we find out in an afternoon what might take us 100,000 test-track miles to discover. We learn how to build superior strength into suspension systems, steering systems, drive train, body, tires. Anyone can build a fast car. What we're interested in is the concept of "total" performance.

We believe in this kind of total performance because the search for performance made the automobile the wonderfully efficient and pleasurable instrument it is today—and will make it better tomorrow.

America's best-built, most-car-free car!

Those running for the eight positions in business administration are Bob Gindorf, David Beckman, Mike Farley, Cay Ramsour, Bob Tate, Bobby Newsum, Bobby King, Ronald Jackson, Jack Robbins, Clark Pfluger, Cril Payne, Roxie Ward and Mary Ann Duckworth.

Also filing were Sheila Helbing, James Hunter, Diane Baker, Bill Thornton, June Wyche, Genie Culbertson, Sandra Cox, Alida Selley, Berry Spradley, John Burdette, Pat Walker, Sue Ring, Jerry P. Peirce, Carolyn Wood, Becky Parker and Tommy Orndorff.

In the School of Engineering seven positions are open. The candidates are Bill Homerson, Craig Sutton, Jack McClure, Patricia Daniels, Jerry B. Brock, Ronnie Davis, Mike Moore, Robert Elliot, Mike Stinson, Earl McGlothlin, Charles W. Webb and Ken Patterson.

The School of Agriculture has three places open. Those running are James Laney, Garland Weeks, Mike Webb, Mike Andrews, Tim Bennett, Bob Whitson, W. J. Hill, Frank Finch, Johnny Barnhart, Fred Brockaska, Burl Masters and Sherry Bingham.

The following are running for two places from the School of Home Economics: Jenanie Cratton, Delon Holcomb, Barbara Higgins, Nancy Sowell, Camille Wallace, Anne Dale, Sandra Duke, Jo Beth Barnes, Kathryn Timmins, Geneva Billings, Lynn McElroy and Tanya Tarkington.

Karen Anderson, Student Council secretary, said no more applications will be accepted. She announced an orientation meeting for all candidates at 6 p.m. April 4 in the Coronado Room.

## Hikers Drop Out On Weekend Trek

Clyde Farris was the only member of the Tech Baptist Student Union to complete the 50-mile hike to the Wayland Baptist College campus in Plainview last weekend. The hike came after Tech BSU challenged Wayland BSU, which in turn challenged West Texas State BSU. A three-way hike match resulted.

Farris and one Wayland student stumbled onto the Wayland campus at 11:16 a.m. Saturday, 12 hours 8 minutes after starting their trek.

Only two West Texas State men attempted their leg of the hike from Canyon to Plainview. Both made it but needed 12 hours 10 minutes.

The event kicked off the annual BSU "Sportarama" on the Wayland campus.

"Those of us in hiking boots laughed at Farris when he showed up in loafers," said Jim C. Richardson, who dropped out after about 35 miles. "We figured he would be the first one to drop out."

Farris led most of the way, and Wayland men are quoted as saying "We'd sure like to shake his hand if we ever catch up with him."

Other post-hike comments included: "I have a new respect for the mile," and "Who says West Texas is flat?"

Other Techsans attempting the hike were Jim T. Richardson, president of the BSU; Ed Priest, Don Saddler, Ken Porter, Paul Honig, Harry Sargent and Nelson Saffell.

Two cars accompanied the hikers, supplying sox, candy and water.

"We would probably do it again if we had the chance," said Jim C. Richardson, "but, this time we would probably take more precautions, like taping our feet."

## Techsans Will Go On Tour

Tech will have 13 delegates at the sixth Baptist Youth World Conference July 15-21 in Beriut, Lebanon.

Theme of the conference is "Jesus Christ In a Changing World." Approximately 3,000 youths from 70 countries are expected to attend. There will be at least one mass meeting of the group, but most discussions will be held in groups of 25.

Most groups will take a tour of the Holy Land with stops at Damascus, Jericho, Jerusalem and Bethlehem.

Techsans attending the conference are: Karen Kinard, Charlotte Taylor, Joe Johnston, Jim Ward, Jim Collier, David McInaney, Dorothy Jennings, Larita Ewing, Ford Cole, Mira Taylor, Bert Kiker, Pat Mystel and Pat Turner.

## WSO Elects '63 Officers

Women's Service Organization recently elected officers for next year. Donna Lovel, junior from Lubbock, is president. Kathy Lodal, sophomore from Albuquerque, is vice president.

Recording secretary is Diana Stevenson, junior from Fort Worth, and corresponding secretary is Dru King, junior from Plainview. Sandra Wood, sophomore from Estelina, is the new treasurer.

Bunny Gilbert, sophomore from Dickinson, was elected parliamentarian-historian. Lynn Simpson, sophomore from San Antonio, will serve as pledge trainer.

## Jury Deliberates Billie Sol Estes Case

EL PASO (AP) - A jury deliberated Tuesday on whether promoter Billie Sol Estes willfully defrauded a dozen major finance companies of up to \$24 million in fraudulent mortgages.

The case went to the jury at 12:15 p.m. after federal Judge R. E. Thomason told the jurors they should free Estes if they decided no fraud was intended.

The defense in the trial of the man whose massive financial empire collapsed only three days short of a year ago, relied heavily on the claim Estes bilked no one deliberately.

His attorneys, in summing up the case, declared all parties to the sale of the mortgages knew the security listed on the face of the documents was fake.

**SO MANY PEOPLE** seemed to get such a pleasure out of my missing the predictions of the Cincinnati-Duke basketball championship, which Cincinnati was supposed to have won. Unfortunately, Loyola of Chicago slipped past Duke and toppled the mighty Bearcats in the finals in overtime 60-58.

**A NUMBER OF PEOPLE** have also commented that since I so resoundingly missed my predictions perhaps the guess that the Yankees will win the pennant might be wrong too. However, upon thinking it over, consulting my roommate and a few other devout Yankee fans, I find that it has been agreed upon that the Bronx Bombers will once again become World Champions.

**I NOTICED ON** the wire Monday that the Yankees won their sixth game of the Grapefruit League against only 10 losses and that we have moved ahead of Minnesota in the standings. We're all the way up to ninth place now. Grass doesn't grow around the spikes of a Yankee.

**TEXAS TECH STAR** sprint swimmer Phil Simpkins, sophomore from Houston, will begin competition in the National Collegiate championships in Raleigh, N.C., this weekend. Simpkins will swim in the 50 and 100 and may possibly compete in the 200. His appearance there marks the first time in history that a Tech swimmer has gone to the nationals.

Simpkins was first in the Southwest Conference 100 with a record-breaking 48.6.

**COACH GEORGE PHILBRICK** is in his 11th year of tennis coaching at Texas Tech and has one of his finer teams in competition this year. Led by the duo of Daryl Allison, senior from Lubbock, and Beau Sutherland, junior from Kerrville, 1962 SWC doubles champions, Tech has a team of young tennis players, with a lot of desire and ability. In the next few years, the Raider netters will be high in the SWC in all categories.

Other varsity tennis men are Don Draper, junior from Houston; Don Foles, sophomore from Harlingen; Greer Kothmann, sophomore from Junction; Robert Peterson, sophomore from Wichita Falls; and Fred Wickett, sophomore from Fort Worth Arlington Heights.

Next tennis action will be Saturday with Hardin-Simmons in the morning at 9 a.m. and Abilene Christian in the afternoon at 2 p.m. on the varsity courts.

# Tech, ACC Split Two

Fans in Abilene Monday were treated to some exciting baseball as the Texas Tech Red Raiders and the Abilene Christian Wildcats exchanged 1-0 wins in a doubleheader.

The highlight of the dual match was the sparkling pitching per-

formances in the first game by ACC's Sam Carpenter and Tech's Morris Huddle. Carpenter tossed a one-hitter at the Raiders in the opener with shortstop Foy Williams getting a single in the first inning.

Dudley, pitching his finest game of the year, was barely outdone as he threw a two-hitter at the Wildcats. His losing effort brought his season record to 1-1.

Yippy Rankin, batting for left fielder Doug Gibbins, to advance McCrummen to second. Ray fanned and Ronnie Ayers went out. Then Tech first baseman Bob Fielder hit a sharp single past third baseman Duncan Boyer to drive McCrummen in. That was the only run Ray needed to win, allowing ACC seven scattered hits.

**Fielder Was Big Gun**

Fielder was the big hitter of the second game with two-for-three. Williams added another single in the second game to his lone single in the opener. Richard Perry in a pinch-hitting role got Tech's other hit of the second game.

The Raiders are now 2-4 for the season. They will remain idle until April 5-6 when they will meet New Mexico Highlands.

**Raiders Came Through**

In the second game, ACC again handled the Raider batsmen seemingly with ease, but Coach Berl Huffman's baseballers came through when needed.

ACC's Don Lewis allowed Tech only four hits in the nightcap, but the Raiders fashioned a run in the fifth to win the ball game for ex-Abilene Eagle Frank Ray, taking his first win of the season against two losses.

**McCrummy Scores For Tech**  
Marshall McCrummen, batting for third baseman Richard Barker in the fifth, led off the inning by reaching first on ACC's Norman Scott's error. Lewis then hit

## Golfers Meet Texas Western

Texas Tech's golfers tackle Texas Western here Wednesday, then take on defending Southwest Conference champion Texas A&M at College Station Saturday.

Coach Jay McClure's linksmen for the two matches probably will be chosen from three lettermen—Housty Brewer of Andrews, Jim Davidson of San Angelo and Bruce Doble of Worcester, Mass.—Gary Littlejohn of Midland and Richard Yates of Corpus Christi. Yates is Texas amateur champion.

Texas Tech did not meet Texas Western last year. Despite finishing sixth in the conference race, the Red Raiders upset finalist A&M here 5-1 in the 1962 season finale.

## BULLETIN

Phi Epsilon Kappa won the All-College Championship in basketball Tuesday night 43-42 over the Devils. Bickie Williams was the leading point scorer for Phi Epsilon with 26, while Bill Logsdon scored 15 points for the Devils.

Team totals for the fall semester and for two of the spring sports have been compiled and in first place is Phi Delta Theta with 136 points. In second place is Thompson Hall, with a total of 121; in third place, Carpenter Hall with 94 points. These totals are for the leading teams in this year's intramural program.

**TOTALS ARE COMPILED** in the order a team finishes in its respective league. Points are for first and second place teams. A first place is worth 50 points and a second place merits 40 points. Any team finishing first or second in open play receives five and three points respectively.

**OVERALL OUTSTANDING** team this year has been Delta Tau Delta; it has netted 1122 points.

The Deltas are followed in order by: Pi Kappa Alpha, 1084; Bledsoe Hall, 707; Carpenter Hall, 679; Thompson Hall, 661; Sigma Nu, 617; Sigma Alpha Epsilon, 575; Gaston Hall, 572; Phi Kappa Psi, 567; Kappa Sigma, 501; Air Force ROTC, 486; and Phi Gamma Delta, 421.

**EDSEL BUCHANAN**, intramural director, has announced the final results of the fall-spring semesters curling championships. Gordon Hall and the Pi Kappa Alpha "B" team tied for the championship with four wins and one loss each, but Gordon was given the title because of a win over the Pikes in season play, 6-2.

Delta Tau Delta "B" team was second, followed by Sigma Nu, the Delta "A" team and the Pikes "A".

**SOFTBALL RESULTS** — Several leagues are underway in intramural softball competition. The Phi Deltas lead the fraternity "A" league with a perfect four wins, followed by Sigma Chi and the ATO's with two wins and one loss.

Sunday's results of the fraternity leagues had the Sigma Chi with a bye; Phi Deltas 14, ATO 4; Sigma Nu 18, SAE 13; Kappa Sigs 7, Phi Psi's 25; KA's 17, Deltas 11; and Figs 24, Pikes 10.

**MONDAY'S RESULTS** in the independent league found the Crusaders 1, Rodeo Association 0; Phi Epsilon Kappa 15, AFROTC 3; and BSU 12, Newman Club 7.

Phi Epsilon Kappa leads the independents with two wins and no losses.

**VOLLEYBALL STANDINGS**—In the dorm league, Gordon beat Thompson's "B" 2-0, and Bledsoe's "C" team topped Bledsoe's "B" team 2-0. Gordon will meet Bledsoe's "C" team at 7 p.m. Monday for the dorm league championship.

The Chicks beat the PhiEK's No. 1, 2-0 and the PhiEK No. 2 team beat AFROTC No. 2. The Chicks will meet the PhiEK's No. 2 at 8 p.m. Monday to decide the independent champ.

# Simpkins Vies In Meet At Scene Of Big Upset

By BILL HOLMES

## Tech Sports News Director

Although it will be a definite upset for Phil Simpkins to win a National Collegiate swimming title this week, at least he'll be competing at the scene of probably the biggest surprise a Texas Tech team ever pulled. In December 1951, the Red Raider basketballers beat by 63-62 in Raleigh, a North Carolina State team ranked in the top ten. The Raiders, down 10 at halftime, caught up via the zone press and went ahead in the final seconds as Jim Sexton stole the ball, passed to Jack Alderson, whose shot stayed on the rim long enough for Paul Nolen to dunk it.

## TT TT TT TT

Speaking of upsets, Texas Tech's Don Sparks used his secret weapon to nip Abilene Christian's freshmen 65-63 in last Saturday's meet. The weapon? Reinforcements from freshman footballers, who delayed suiting out for Saturday's scrimmage long enough to account for 20 points.

Center Steve Stephens of Roswell, N.M., won the shot put; tackle Don Wagner of Perryton, the discus; and fullback Bobby Carbone of Albuquerque, N.M., the javelin. Tackle Roy Brown of Carlsbad, N.M., placed third in the discus, and quarterback Ben Elledge of Brownwood, second in javelin.

Elledge's javelin effort apparently was a good warm-up for the scrimmage, since he threw two touchdown passes and connected on

## RAIDERS USED TO MATADORS

During the 1930's Collier Parris, hen sports editor of the Lubbock Avalanche - Journal was inspired by a combination of Texas Tech's coast-to-coast schedule and the all-red football uniforms, to dub the team the Red Raiders. Coach Pete Cawthon liked the new nickname and although the official name for Tech is the Matadors, the team is called the Red Raiders.

## ROBISON SUCCESSFUL

Polk Robison, head basketball coach at Tech for 18 years, had a 500 or better mark in conference play with every SWC member. He had a similar mark as a Border Conference member before Tech left that league to join the SWC.

### Secretarial Candidate

In both leadership and service capacities, I have served and am serving Texas Tech:

**Through school** — I have worked in the Home Economics Club,

and am past CANDLE Editor and incoming President of Phi Upsilon Omicron.

**Through organizations** — I am a member of President's Hostesses, will be a legislator of Doak Hall, and have recently been selected to membership in Mortar Board.

**Through Student Council** — I have served on the Elections, Current Events, and Allocations committees.

If elected your Secretary, I would like to accomplish the following things during my term of office.

- Continue the present secretary's program of opening up the campaigns and putting the candidates in front of the voters.
- Make arrangements so that all counting of votes can be done by IBM computer. This would insure fast and accurate tabulation of votes.
- Hold Freshman Council elections as early as possible in the fall so they may work on a more united freshman class; they could reserve a section of the football stadium for the freshmen whose enthusiasm might boost our school spirit.

## Cecile Camp

### Secretarial Candidate

My qualifications for Student Council secretary are: EXTENSIVE secretarial training, GOVERNMENT minor, EIGHT consecutive year's service on student councils.

My platform is:  
 Ready to serve YOU in:  
 1. Better communications for a better Tech—

- Council members should report back to their organizations
- Minutes of meetings should be printed in the TOREADOR

DOR  
 2. Fairer elections for a better Tech—

- Re-evaluation of officer qualifications
- Filling cheerleader and class officer vacancies

3. More special events for a better Tech—

- Another all-school program such as the Model U.N.
- Top national speakers

4. Safer traffic for a better Tech—

- Let the students decide

## Judy Price

### Secretarial Candidate

Qualifications:  
 Student Council 62-63, Elections Committee 62-63, Recognized by Student Council for leadership,

Freshman Council 60-61, Junior Council, Sigma Kappa, Phi Gamma Nu, Pi Delta Phi, President's Hostesses.

As Secretary of the Association, improved communications would be one of my goals. As a member of the election committee this year, lack of student interest in campus elections has been painfully evident. Campus positions are often filled by a very small percentage of voters. Integration of students into Tech's student government could be achieved through a coordinated program with the TOREADOR.

I would also work this summer with IBM in the Engineering Department to set up a program for elections. All elections then would be held on IBM cards and counting would be done electronically.

## Office Duties

The secretary's duties are:  
 KEEP the minutes of meetings of the Student Association and of the Student Council; BE responsible for the maintenance and preservation of the official version of the Student Association constitution and all rules and regulations of the Student Association; SEE that a copy of the official version of the constitution and all rules and regulations of the Student Association remain on file in the office of the president of the college; SEND a copy of the minutes of each meeting to the following: President of the College, Dean of Student Life, Dean of Men, Dean of Women, Student Council sponsor, Vice President and Comptroller, Academic Vice President.

AT all times maintain and preserve the official copies of the Student Association constitution and bylaws in the Student Council office.

## And Duties

Candidates for cheerleader are Carolyn Buxton, Linda Edie, Carol Fursman, Gay Gillespie, Jeannine Jones, Nelda McQuien, Camella Moore, Kathy Osthoff, Sandy Sample and Jami Steinhoff.

Other candidates are Myrna Stephenson, Lynn Wallace, Dennis Ashmore, Mike Bohn, Smiley Irvin, James Perry, John Ward and Bobby King.

Those persons elected will:

- Be responsible for all Texas Tech pep rallies
- Coordinate the generation of enthusiasm at all recognized college athletic events
- Be responsible for furnishing a representative to the Southwest Conference Sportsmanship Committee
- Encourage good sportsmanship on the campus
- Be responsible to the business manager for the management of their finances
- Elect, from their number, a

head cheerleader who shall be a male student and shall serve as their chairman.

# It Takes More Than Yelling To Be A Tech Cheerleader

Lots of people can yell and cheer with gusto when the Red Raiders go over for a touchdown. Quite a few can turn flips, inspire enthusiasm and attend all athletic events.

But there are a few special qualities, perhaps best classified under the term, gung-ho, that sets a good cheerleader apart from the football crowd.

Special qualities don't include regular cheerleader duties such as coordinating pep rallies and being on hand at ballgames.

One Tech cheerleader called it a year-round job. "A cheerleader must attend teas for visiting athletes, entertain visiting yell leaders and when away, attend all planned functions at other schools," she said.

High on her list on what makes a cheerleader really go is being able to perform yells well, en-

thusiasm, and devotion.

"A good cheerleader above all to develop sportsmanship and his enjoys cheerleading," she reflects. "He should at all times strive to develop sportsmanship and his own potential to its fullest."

## Industrial Engineers Win First

Industrial engineering department took its fifth straight first place in the recent Science and Engineering Show.

Industrial engineering exhibits demonstrated techniques in production control, plant design, materials handling, work measurement, statistical quality control, product design, manufacturing analysis and organizations research.

Displays in the 31st SE annual show were judged on appeal to the public, explanation of department curriculum and presentation of exhibits.

The industrial engineering display received 3,705 points of a possible 4,000.

Bud Lanham was chairman of the department's exhibit. American Institute of Industrial Engineers and Alpha Pi Mu set up the displays.

## Delegations Plan Trips

Delegates from Tech's history department will scatter to state and regional history meetings in Austin and Albuquerque this weekend and next.

Four faculty members will represent Tech at the Texas State Historical Assn. meeting this weekend. The Austin meet begins today and continues through Saturday. Dr. David Vigness, department head; Dr. Ernest Wallace, professor; Billy Mac Jones, instructor and Richard Marcum, teaching assistant, will attend.

Tech's chapter of Phi Alpha Theta, history honorary, will send five representatives to a regional meeting in Albuquerque, N.M., Friday and Saturday, May 3-4.

Attending will be Dr. Paul Woods, history professor, and Lt. Col. George R. Hull, professor of air science.

Ronald Benson, teaching assistant, will present a paper on the Hay-Pauncefote treaty.

Nancy Vincent, Alpha Theta president, and Sarah Gaston, Austin junior, are Tech's student representatives.

## Why Do You Read So Slowly?

A noted publisher in Chicago reports there is a simple technique of rapid reading which should enable you to double your reading speed and yet retain much more. Most people do not realize how much they could increase their pleasure, success and income by reading faster and more accurately.

According to this publisher, anyone, regardless of his present reading skill, can use this simple technique to improve his reading ability to a remarkable degree. Whether reading stories, books, technical matter, it becomes possible to read sentences at a glance and entire pages in seconds with this method.

To acquaint the readers of this newspaper with the easy-to-follow rules for developing rapid reading skill, the company has printed full details of its interesting self-training method in a new book, "Adventures in Reading Improvement" mailed free to anyone who requests it. No obligation. Simply send your request to: Reading, 835 Diversey Parkway, Dept 9894, Chicago 14, Illinois. A postcard will do.

## Grads Discuss Negro Novelist

Grover Lewis and Nolan Porterfield, graduate English students, will lead the discussion at today's Noon Forum in the Tech Union Blue Room.

Discussion topic is contemporary Negro novelist, James Baldwin. Baldwin is author of "Another Country."

## Purdue Prof Lectures On European Market

Competition from the European Common Market will force the U.S. to move rapidly if it is to hold onto its world markets or consider expanding them, according to Dr. James Greene, industrial engineer and visiting lecturer at Tech.

His ideas may carry some special weight since he has recently been a consultant to the European Production Agency, a division of the Common Market's organization.

"The U.S. must find ways to produce goods with more efficiency," he declared. "This presents a challenge to our industrial engineers."

Dr. Greene, a Purdue University professor, is spending three days, Monday through Wednesday, at Tech. He is conducting seminars in general industrial engineering research, production control and operations research.

## Positions Open For L-V Staff

Applications are now being accepted for associate editor, copy editor and staff artist for next year's La Ventana.

Students interested in these positions should write a letter giving their qualifications, past experience on an annual or newspaper, why they want the job and any new ideas they may have for next year's La Ventana.

Past experience is not necessary, but preferable. Applications should be turned in to the La Ventana office or to either Johnnie Lu Raborn or Travis Peterson by May 1.

These are paid positions, and applicants should be willing to put in a great deal of time.

### HONORARY MEETS

Psi Chi, psychology honorary, will meet at noon today in Tech Union, Elmer's Lounge. The group will initiate members and present a slate of officers. Those attending must sign up in the psychology office, X-31.

**SURROUNDED**—Carol McCormick, Ennis sophomore, was surrounded by cadets from England's Royal Air Force after their captain said, "If I were you blokes, I wouldn't let these ladies sit alone."

## As I see it . . .

by johnnie lu raborn

"You think we speak the same language, but we don't," said one cadet from Cranwell, the Royal Air Force Academy in England. I had to agree with him.

Tech's Angel Flight was visiting the Air Force Academy in Colorado Springs. Some were dated with English cadets, who were also visiting. It was a real education.

For years, I've heard the English stereotype came out with "jolly good," "old chap" and "ra-ther." They are all true with the addition of an occasional "quite" and "Oh, my yes."

In England, you are not "out to lunch" but "around the corner." When we have a lousy date he is called "cull" or "bad head," but Cranwell calls them "grimmies."

### 'MAKING OUT'

It is a mystery how they got it but "cupeake" is said for "making out." Tennis shoes are called "blimp shoes," and a resounding "dash it" means darn or damn.

We Americans take much for granted. These cadets had never seen a drive-in movie or drive-in restaurant. Motels were also new, for they don't exist in England. Some of the guys got their first taste of pizza, Mexican food and pretzels. They didn't like it.

### 'STATUS SYMBOL'

It is a status at our Air Force Academy for the "firsties" or seniors to have Sting Ray Corvettes. That vast parking lot is full of them. I didn't see five cars under two years of age. The Cranwell "chaps" find it "marvelous" to get to ride bicycles when seniors. They do have cars, but generally these are somewhere in the 30's models. A car 10 years old is relatively new.

I did notice one thing about the cadets as a group. They abounded with national pride. One said, "There will always be an England." To which some of the U.S. cadets sort of laughed. A Cranwell "troop" recounted with a "Don't scoff at it, national pride is a wonderful thing." Their pride was so emphasized that it made me wonder if we "came over" the same way about our country.

On Saturday night, a formal ball was given for our flight, Cranwell and first classmen (seniors) at the academy.

The British boys taught us one way to live up a rather stiff dance. During one of the songs, one Cranwell "troop" yelled "Ants." The cadets immediately fell down on the floor, rolled over on their backs and kicked their feet and arms into the air. At the sound "dead ants," the legs and arms went stiff. Rather quaint, I'd say, but still effective enough to break everyone up.

### GHOUL POOL

The Angels with U.S. Academy dates were wondering that night if they were included in the "ghoul pool." It goes like this. The academy hosts arrangements for blind dates for the formals. Cadets within each squadron enter a "pool" for 25 cents. At the dance, squadron officers act as judges and dance with the dates of each cadet entered in the pool. Afterwards, these officers decide which had the worst date and he wins the money. If we did it here, I would be rich.

### AS I SEE IT

Sigma Kappa will choose a "Mr. Pledge" at 8 p.m. today in the National Guard Armory. Mr. Pledge will be chosen from fraternity pledges. The Caravans will play for the all-school dance.

Phi Mu will have a western stomp, 8-11:30 p.m. at Vann's Catering Service. The open dance will feature Jimmy Heap's band. Tech Union also is having a western dance from 8-11:30 p.m. in the Ballroom. Jimmy Mackey is playing.

### KAPPA KAPPA GAMMA

An informal "German Beer Garden" will be the setting for the Kappa Kappa Gamma dinner dance at 6:30-11:30 p.m. today.

Delta Sigma Pi will have its Rose Dance from 7:30-12 p.m. Saturday at the Pioneer Hotel.

Newman Club will go on a picnic Sunday to Palo Duro Canyon.

# Red-White Skirmish Ends Spring Training

## Scarborough, Ben Elledge Opposing QBs

By ARTIE SHAW  
Toreador Sports Editor

A pair of shining freshman quarterback prospects will be opposing each other at 4 p.m. in Saturday's final spring training scrimmage.

Featured will be Danny Scarborough of Quanah and Ben Elledge of Brownwood.

The annual contest is the rubber game of the series, as the Reds jumped to a quick two-game advantage, only to have it taken away from them in the last two outings by the underdog Whites.

Two upperclassmen quarterbacks, Bill Worley of Midland and James Ellis of Lubbock, underwent knee surgery in December and will probably not see action, although they will be suited.

### Statisticians Overworked

With both the Reds and the Whites threatening to "loosen-up" their previously tight offenses, the stress could be worse on the statisticians than on any one else.

Last week the Reds gathered 364 yards of total offense in a losing cause, while the Whites haled and threw for 277 in their 20-12 victory.

Long gainers have been the word of the day thus far, and any

BILL WORLEY

. . . Will not see action

more would be just icing for the cake.

Jim Zanios, Albuquerque fullback, for example, took a handoff from Red quarterback Ben Elledge and raced 52 yards off tackle in a spectacular gainer.

Elledge connected on two long passes, one to all-Southwest Conference end, David Parks, for 44 yards and another to Stimmert halfback, Donny Anderson, for 41 yards.

For the rubber game, each having won two contests, lineups will be exactly the same as last week. There may be a trade at halfback between David Baugh of Rotan, a Red last week and Jimmy Edwards of Roysie City, who played for the White squad last week.

Admission is \$1 for adults, 50 cents for students and Tech students will be admitted by showing their identification cards.

### Traffic and Security

The staff is comprised of a chief, 10 commissioned officers, one night sergeant, two radio operators, one secretary, one clerk and two part-time employees. There are three radio-controlled patrol cars. In October, 1962, there were 6,240 cars registered to park on campus.

## Tech Linksmen Meet UT At Meadowbrook

Texas Tech, in an effort to get back into the Southwest Conference golf race, engages the University of Texas here on Lubbock's Meadowbrook golf course today.

Tee-off time at Meadowbrook is 12:30 p.m.

Coach Jay McClure's linksmen, 4½-1½ losers to Texas Christian University here Monday, will also be motivated by a desire for revenge. Texas sports five lettermen from the squad that downed the Red Raiders 5-1 in Austin last year.

Texas Tech currently has a 14½-9½ standard. The Raiders lost to Texas A&M, knocked off Rice 6-0 and defeated Baylor 5-1 before dropping the match to TCU.

Texas' players will probably be Bill Munn of Midland, Randy Geiselman of Houston, Oscar Goode of Austin and Pat Thompson of Mission.

Texas Tech golfers for the match will probably be Bruce Dobie of Worcester, Mass., Richard Yates of Corpus Christi, Housty Brewer of Andrews and Jim Davidson of San Angelo.

Yates is Texas amateur champ, and lost his first-SWC match of the year to Jack Montgomery of TCU last week.

# Tech Netters Challenge Rice, Texas In Important Matches

Texas Tech tennis players, in their next two matches, have a chance to influence the outcome of the Southwest Conference championship campaign.

In successive matches—against Rice University here Saturday and against University of Texas in Austin Monday—the Red Raiders tackle the teams currently sharing the lead.

Coach George Philbrick's netters, besides playing the role of potential spoilers will be out to guarantee or better their own third place position. Tech is 14-4 following wins over Baylor University 5-1 and Texas Christian University 6-0 and a split with Southern Methodist University 3-3.

Raiders' netters will be Daryl Allison of Lubbock, Greer Kothmann of Junction, Beau Sutherland of Kerville and Robert Peterson of Wichita Falls.

Rice University is led by the 1962 Southwest Conference finalist in both singles and doubles, Fritz Schunck. The Owls, coached by Sammy Giamalva, are defending Southwest Conference team champions.

Last year Rice downed Tech 6-0, and the Longhorns battled the Raiders to a 3-3 draw.

A re-match of last year's SWC finals doubles match, won by Allison and Sutherland over Schunck and DeEdward Greer, has been virtually ruled out by re-pairings on both teams.

Matches, on the Varsity Courts, will start at 1:30 p.m. The public is invited free of charge, Coach Philbrick pointed out.

## Pics Down AFB, 20-12

Texas Tech's Picadors picked up their eighth win of the season Wednesday as they ran away from Reese Air Force Base, 20-12.

The game, which took three hours and twenty minutes to play, was called at the top of the ninth inning due to darkness. Tech slammed out 17 hits, as converted basketballer Dadid Schmidly picked up his first mound victory of the season. Schmidly pitched the first four innings and left the game with a 15-5 lead. In his four innings stint, Schmidly allowed only four hits, while striking out six and walking three.

The Picadors were led at the plate by second-baseman Buzz Henderson, who collected four hits out of five at bats. Jim Murrell and Ronnie Holly drove in the most runs with five RBI's apiece.

## Raiders Visit Highlands Nine

Two improved baseball teams—Texas Tech and Highlands University—clash in a doubleheader at Las Vegas today.

Since Texas Tech posted a pair of wins, 5-2 and 3-0, here earlier this month, the Cowboys have won six straight and now are 10-10 for the season.

The Red Raiders have a three-game streak, and five of the six, going for them. Their only loss came at the hands of the Abilene Christian College nine. Other wins are the twin-killing of Highlands and a double victory over ENMU.
