Former Students Urged To Spread Word Of Homecoming

The Santa Anna Ex-Student Association Homecoming is right around the corner, scheduled for October 14-15.

Organizers are encouraging all former students to help spread the word. Tell those you are in contact with about the dates for the event and urge them to make plans to attend.

As usual, there will be a football game on Friday night with the Mountaineers hosting Lometa.

The business meeting will take place on Saturday morning and class reunions will be held throughout the day.

Don't forget to inform Ex-

Student Association officials and the Santa Anna News about your group's plans for getting together. Many readers depend on information in the NEWS for making plans to visit reunions and contacting old friends.

Officers of the Santa Anna Ex-Student Association are Lois Shield Harper, president; Paula Copeland Blanton, 1st vice-president; Michelle Cozart Morgan, 2nd vice-president; and Carole Campbell Voss, secretary. Bettie Blue Henderson and Montie Guthrie Jr. are directors. Mr. Guthrie and Barbara Bruce Kingsbery head up the hospitality committee.

Dove Season Opens Today (Thursday) September 1

September 1 is the opening day for mourning dove season in Coleman County and area counties.

Dove season lasts from September 1 to October 30. The later season will run from January 2-10.

A good number of birds have been sighted in the county and with the dry weather we have experienced recently tank hunting should be great.

Shooting hours are from one-half hour before sunrise to sunset.

Doves may be taken with shotguns not larger than 10-gauge which must be plugged to three-shell ca-

capacity. Daily bag limit is 12 birds and possession limit after the first day is 24 birds.

High School Pep Rallies To Begin At 3 p.m. On Fridays

Santa Anna Mountaineer pep rallies will begin each Friday afternoon at 3 p.m. in Perry Gym.

An alternate bell schedule will be run on Fridays. Homeroom time will begin about 3 p.m. for pep rallies rather than 12:39 p.m. Students will go directly to their next class following lunch on Fridays.

The public is invited to attend the pep rallies.

NEWS Office Open Only Part Of Monday

The Santa Anna News will only be open Monday, September 5 (Labor Day) long enough to take care of necessary. If you stop by and find no one in, just leave your news in the box by the front door.

Several other businesses in town will be closed so if you are planning on making a trip to town you might want to make a call first.

Students in the Santa Anna ISD will be enjoying their first holiday of the 1994-95 school year.

Remember To Fly Friday Flags

The Santa Anna Booster Club is urging merchants to remember to fly their "Friday Flags". The black and gold flags are sold by the Booster Club and are flown each Friday during football season in support of the SAHS Mountaineers. Merchants are encouraged to also fly the flags on Thursdays when the SAHS junior varsity and junior high Mountaineer games are scheduled.

The SAHS Mountaineers play their first football game of the season this Friday here at Mountaineer Stadium against Christoval.

The J.V. and junior high Mountaineers will debut on Thursday, Sept. 15 with games against Miles.

CMS Blood Pressure Check Friday At Bank

CMS Health Care will be holding a free blood pressure check-up at the Santa Anna National Bank on Friday, September 2 from 9 a.m. to 3 p.m.

Mountaineers Ready For The Challenge

Coach John Smith and his Santa Anna Mountaineers will play hosts to Christoval here at Mountaineer Stadium Friday night with game time set at 8:00 p.m. Smith and his squad feel they are ready to accept the challenge of a winning season.

This will be the season opener for both teams and a new first game opponent for the Mountaineers who have for a number of years faced off against Bangs in the opening game.

Christoval is coming into Class A after about 20 successful years in six-man football.

Things are looking better this year for the Black and Gold uniformed Mountaineers who will be operating in a new district, 15-A. After years of traveling to Iron County, Menard, Water Valley, Eden and Miles, Santa Anna will be playing district games as little

closer to home against Cross Plains, Lometa, Evant, Gorman and Rising Star.

To add to the "looking better" picture, Smith's squad is looking healthy. He says they had a good offseason and are overcoming the injuries that plagued them last year when during the season five starters had broken bones. Coach Smith says, "We will be better."

A feather in their collective cap came in the form of the scrimmage against Stephenville junior varsity last week when, as John Smith reported, "We went, we played, we defeated."

Smith describes his team as a

close bunch of kids that like each other and play well together.

The Mountaineers are expecting to bounce back from a disappointing 0-10 season last year

and community support will go a long way in helping them attain their goal of a winning season.

Assisting John Smith with coaching duties are Ray Findley,

David Robinett and Roland Driggers.

Team members are listed under the accompanying picture.

Phantom Saber IV To Be Held In Area

Over 5,200 III Corps soldiers in over 1,600 tactical vehicles will be training off-post September 6-17 in an 11-county area west of Fort Hood.

The eleven counties seeing military movement during the period will be Tom Green, Brown, Concho, Coleman, Coryell, Lampasas, Runnels, Mills, McCulloch, San Saba and Hamilton.

The exercise, named Phantom Saber IV, is designed to test the ability of III Corps to operate over realistic time and distances.

The initial movement of the exercise will take the units west to near San Angelo. The exercise will proceed back east finishing in location on the post.

All movement of military vehicles will be conducted on designed public roads. Primary routes for the exercise are Highway 84 and 67 between Gatesville and San Angelo in the north, and Highways 190 and 87 between Killeen and San Angelo in the south.

Fort Hood will establish a Civil-Military Operations Center in Building 27 at Camp Bowie near Brownwood on September 6. The center will be open 24 hours a day and is the "one-stop-shop" for all community and media interest and questions about the exercise. The center's responsibilities include the

Big Bird Visits Santa Anna

If you saw a strange bird in town last Thursday afternoon, don't think you had too much Sesame Street?

It wasn't Big Bird but maybe a relative wandering around on the west end of Wallis. An ostrich escaped from a stock trailer being pulled through town.

Kent Ellis of CCTC caught hold of its wing and guided it up to the fire station where it was put in a truck stall until the owner could be

processing of claims for, or repair of, any maneuver damage that may occur during the exercise.

Citizens with questions or concerns about the exercise can contact III Corps at 1-800-778-2270 from 7:30 a.m. to 5 p.m. Monday through Friday, 24 hours a day, starting September 6.

Nutrition Center Sponsoring Bingo

People of the community are invited to play bingo at the Santa Anna Nutrition Center in the armory each Monday and Friday following the noon meal.

Meals are served at a cost of \$2.00 and according to local director Betty Sue Cupps, everyone is welcome to participate in the program.

Mrs. Cupps is calling on merchants and other local citizens to donate items for bingo prizes. She is very pleased with the response and expresses her thanks to those who have already contributed.

Play Mountaineer Football Frenzy

Starting with this week's edition of the Santa Anna News, readers will have an opportunity to win \$15 - \$20 a week in our annual Mountaineer Football Frenzy Contest. The rules are simple and everyone can have fun playing.

We have added a new twist to the contest this year. Along with picking the winners of featured games each week, you will also be attempting to "Name That Mountaineer". Pictured on the contest page will be a former Santa Anna Mountaineer football player to be identified for a bonus prize.

At the end of the contest period, which will be determined by the length of the Mountaineer season, the person having the most overall weekly wins will be awarded an additional \$25. If a tie occurs, the grand prize will be equally divided among the winners.

CONTEST RULES:
1) All decisions by the judges are final. 2) \$15 will be awarded to the person picking the most featured games correctly. In the event of a tie the tiebreaker will determine the winner, (the closest

to total points scored in game). 3) A \$5 bonus will be awarded to the contest winner if he/she also identifies the former Mountaineer correctly, who is pictured on the contest page. 4) Entries are limited to five (5) entries per person. Entries must be on an official Santa Anna News entry form. No copies please. 5) Employees of Santa Anna News are not eligible. 6) Mail, FAX, or bring your entry to the Santa Anna News, 609 Wallis, P.O. Box 399, Santa Anna, TX 76878. FAX-915-348-4545. Entries must be received by 5:00 p.m. Friday for that week's

contest. Mailed entries will be accepted Monday if they show a postmark of no later than 5:00 p.m. Friday. The NEWS will not be responsible for late arriving mail.

Winners will be announced each week in the Santa Anna News. You may come by the office to claim your prize. Out of town winners will receive prizes through the mail.

Be sure to get your entries in on time and have fun playing. Good Luck!!!

About Your Health

By Bud Isbell, P.A.

Santa Anna Medical Clinic

Horton's Demon (Cluster Headaches)

Cluster headache was first recognized as a separate headache entity by Horton & Associates in 1939. The name evolved into "Cluster Headache" due to the characteristic clustering pattern of the attacks.

It is one of the most painful acute disorders known to man and is often thought to be "a migraine" by the one who suffers from it. It's clinical presentation in severity equals or surpasses a migraine headache.

There are three main subtypes but for the purpose of this article we shall consider all subtypes as one.

Cluster headaches have a pattern of one to three headaches in a twenty-four hour period, each episode lasting fifteen minutes to two hours. Such episodes will occur daily for one to three months; then they will end only to reappear six months to several years later. The typical headache begins abruptly and quickly escalates in intensity. Often the headache will begin at night and wake the sufferers, the cluster headache patient becomes very active. Pacing, rocking, applying pressure with the hands to the head or eyes, etc.

The pain effects one side of the head; some patients will also exhibit a runny nose and tearing eye, only one eye and one nostril being effected. Occasionally a patient will be seen who has no record of remission between the clusters; their headaches become daily ordeals without relief or periods of remission.

It has been found that avoiding alcohol, nitrates and MSG in food and any substances that cause vasodilation will often give significant relief from headache episodes and increase the intervals between clusters.

Cluster headaches has caused many individuals to suffer not only severe daily pain but has also caused serious changes in the individual's work and family. This no longer needs to be; very effective therapy is now possible not only to end the acute headache, but also therapy to prevent it. If Horton's Demon is a part of your life, relief is available.

Library Notes

Check It Out

Several of you came by the library on Monday, Tuesday or Wednesday. The doors were closed. I was home trying to keep up with water leaks. The pipes sprung leaks then the two year old water heater joined in. Wood floors, in-laid linoleum, rugs and pads are almost dry now. On Thursday Betty Key and I were in Abilene for a training meeting. Mrs. Biruta Clemens Kearl from the Austin History and Record Center presented the workshop.

Here are a few of the tips on preservation of printed materials and pictures. YOU should use these.

1. If you want your children to see their colored baby pictures have copies made in black and white.

2. If you pictures are in the photo albums that insert pictures on sticky surfaces under plastic re: move at once, if possible. These all contain harmful acids. It's like an oven in there.

Meals On Wheels Monthly Schedule

September 5-9: Methodist
September 12-16: Northside Baptist
September 19-23: Seventh Day Adventist
September 26-30: Church of Christ

- Don't store in cardboard boxes.
- Don't expose material to strong light—any light will harm.
- Don't use rubber cement, don't use rubber bands, don't use tape of any kind.
- Don't store in the attic or basement. Try to keep dry and at 75 degrees F.
- If you can afford the cost make photocopies of important papers.
- If you can afford it, use acid free paper, envelopes and boxes.
- Use wheat paste or UHU glue.
- If you can find plastic baggies that are PVC-free, these are safe for storage.
- Use white cotton gloves to touch pictures.

The only way we could really preserve the wonderful records that you have given the library is to photocopy hundreds of pages. We will try to buy acid free boxes to put them in. This will slow down the process. We will use PVC free baggies to store pictures. More on all this later.

Carolyn Rowe Mayo who is on the Library Board of Eldorado said to tell her friends "hello". She graduated from high school here.

We had a chance to tell people from Mason "Thanks for the bookshelves."

The oldest person attending was an 84-year-old gentlemen from Stamford. His grandfather, father and he were in photography. He has given most of their collection to the University of Texas. He wrote a history of early cowboys using family photos.

Mrs. Elizabeth Haney Edwards of Abilene made a special trip here on Saturday to bring a couple of boxes of new books. She has delivered books before. This very special lady grew up in Santa Anna and graduated from our schools. She still takes the NEWS. The books were given by Mr. Chuck Weeth a childhood friend of Betty Key in Abilene. The Edwards sunsreen business about a block from Eubanks Medical Supply. Small world with nice people don't you think? This library couldn't exist without their help.

Have you seen the angels on the round table? Nell Myers usually paints these in pastels, but used bright shades for these. Which do you like? Does it remind you that it's only four months until Christmas?

If you didn't get to read #1 of the White Indian series—come by. Nell gave us a copy.

Mary Boenicke

Mrs. Oscar (Mary) Boenicke, 90, of Trickham, died Sunday, Aug. 28, 1994 at 2 p.m. at the Trickham Home in Bangs.

Services were held Tuesday, Aug. 30, 1994 at 2 p.m. at the Trickham Union Church. Rev. Pat McClatchy officiated. Burial followed in the Trickham Cemetery under the direction of Henderson Funeral Home of Santa Anna.

Born May 14, 1904 in Trickham, she was the daughter of the late Charlie F. and Mary E. Ford Shield. She was a lifetime resident of the Trickham community and attended Trickham schools. On Jan. 21, 1925 she married Oscar Boenicke in Coleman County. He preceded her in death in 1980. She was very active in the Coleman County Home Demonstration Club and the Trickham Quilting Club for many years. She was a member of the First Christian Church of Santa Anna and was a homemaker. She was the first to write the Trickham News column and for many years wrote as correspondent for the Santa Anna News, Coleman Chronicle & Democrat Voice and for the San Angelo Standard Times.

Survivors include several nieces, nephews and cousins.

Pallbearers were her nephews Edwin Boenicke, Herman Boenicke, Newton Cooper, Ken Fitzgerald, Bill Shield and Pete Walkoviak.

Experiencing GOD

KNOWING AND DOING THE WILL OF GOD

DO YOU WANT TO...

- * Learn to hear when God is speaking to you?
- * Find out where God is working and join Him?
- * Experience God doing through you what only God can do?

Experiencing God: Knowing and Doing the Will of God, will lead you in a 12-unit study of the Bible to learn how to know God better, how to know when God is speaking, and how to adjust your life and ministry to God's revelation of His will. The daily study of the interactive workbook and the weekly small-group session will help you develop a confident, personal relationship with God through which He reveals Himself and His will.

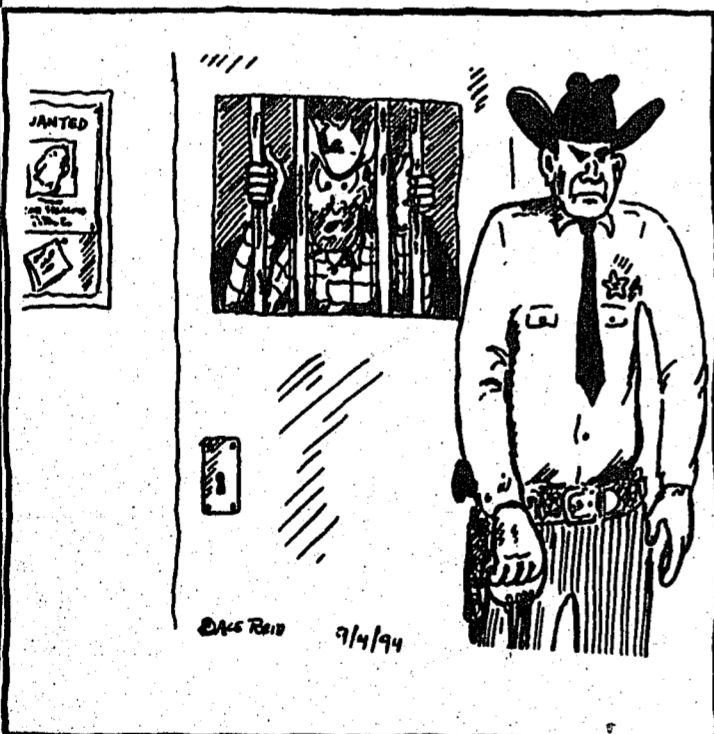

Henry Blackaby, author of the course and Director of Prayer and Spiritual Awakening for the Home Mission Board, shares real-life stories of how God has worked through individuals, churches, and associations to accomplish His will. You will be inspired to move into a deeper walk with God.

Ethel Williams Celebrates 88th Birthday In Houston

Ethyl Jones Williams, native of Santa Anna, just celebrated her 88th birthday at The Westbury retirement home in Houston, Texas. Mrs. Williams is involved with many activities in her new home but misses her many friends in Santa Anna. She is pictured at her party with nephew, David Strauss, his wife, Sandy and great-niece, Kristen Strauss. She wish to thank the many people who have stayed in touch by card and letter.

Social Security Cards Display New Message

"Protect both your card and your number to prevent their misuse" is the message on the new version of the Social Security card issued since early summer. For years the message was "Carry your card in your purse or wallet." Times have changed and so has the message, according to Eric Johnagin, manager of the Brownwood Social Security office.

"Social Security now encourages peoples to record their numbers and to keep their cards and numbers in a safe place," Johnagin said. "The message on the stub attached to the new version of the Social Security number card also reminds people to show their cards to their employers when starting a new job," Johnagin said.

It is important that the employer get the employee's Social Security number and name right so that his or her earnings can be recorded correctly. Social Security benefits are based on the earnings information recorded under a person's Social Security number. Missing earnings could result in failure to qualify for benefits or lower benefits.

Grand Officer Visits Santa Anna Masonic Lodge

Honorable Jack L. Wright, Grand H. P. of Texas Royal Arch Masons, was a guest of the Santa Anna Chapter on the 25th of August.

An excellent meal was served prior to the meeting. The Royal Arch Chapter is part of the York Rite of Masons, and has several members in this area.

This was the first time local Masons can remember a grand officer visiting.

Son Of Santa Anna Native Attains Rank Of Eagle Scout

Chris Eppler, grandson of Velma Eppler of Coleman, recently attained the rank of Eagle Scout at a ceremony in Brandon, Florida. The ceremony was held July 24, 1994 in the Bell Shoals Church of Christ. Numerous local civic and governmental dignitaries attended the ceremony and presented certificates and gifts of recognition for their achievement.

Chris has been active in Troop 39, Timucua District, Gulf Ridge Council since 1991 when he joined the Webelos. For his Eagle Scout project, Chris built a dumpster enclosure for the Bell Shoals Church of Christ working with community businesses and residents to provide materials and assistance with the construction.

Chris will be a Junior at Bloomingdale High School in Brandon this fall. He currently has a cumulative 4.0 grade point average and plans to attend college upon graduation. He is active in church

Ranger Park Inn

By Dorothy York

Mrs. Minnie Greer of our Independent Living Center is a regular participant in most of our activities. She enjoys being around people and always has a friendly smile and hello for everyone.

In her leisure time she enjoys reading, watching TV and at 91 years of age types all her correspondence. She is an inspiration for all of us.

Mrs. Greer and her husband made their home in Bangs for many years. She has lived in our Living Center since November, 1983. Many of those years, she would stay at her home in Bangs during the summer months, and come to Ranger Park during the winter.

Whon News

By Mrs. Tom Rutherford

We really did appreciate Mr. and Mrs. John Richard Deal of near Brownwood for taking time out to stop by and visit with us one afternoon the past week.

Mr. James Avant of Coleman and Mr. Douglas Avant of Brady were with their mother Mrs. Pearl Avant in Santa Anna on Tuesday. They enjoy the noon meal together. James came down during the week.

Mr. and Mrs. Gerald Jowers and son Danny of Waco were weekend guests of Mr. Floyd Morris.

We were thankful to have Mr. and Mrs. Jack and Skeeta Cooper of Rockwood to visit with us Sunday afternoon. They had been to the Ranger Park Inn to check on Mr. Denver Ellis and also attended the Trickham singing at Trickham. Reported it was really nice and awfully good music.

My son and Thomas' brother Hilary was with us last week assisting with the much needed farm work. Mr. Bob Smith of Abilene was out and assisted with work on farm Saturday.

Mr. and Mrs. Todd and Kem

Rutherford of Early visited with his father Mr. and Mrs. Loyd and Linda Rutherford Saturday afternoon.

Mr. Graham Fitzpatrick who is making his home in Abilene was to his place over the weekend and was with his son. Mr. and Mrs. Don and Julie Fitzpatrick and children reports his wife is home following a stroke several months back. She is improving slowly.

I enjoyed a nice telephone visit with Lorene Black of Brownwood on Wednesday. She came and visited with her brother Leon Carter on the Taylor Ranch. Thanks Lorene for calling. Nice visiting by phone with you.

Mrs. Don Fitzpatrick reports they enjoyed attending roping practice Sunday night in the Trickham area. Her daughter and also husband Don participated in the roping which they enjoyed.

Mr. Myrl Shields of Brownwood stopped and visited with Thomas and I Sunday morning. He came to the Whon Cemetery and stopped by. Thanks Myrl. He was also checking on his mother Mrs. Maud Shields in Santa Anna.

Rockwood News

By Sandra Wilson

All former residents of Rockwood and all current residents are invited to come home for Homecoming, Sunday, Sept. 18, 1994. A memorial service will be held at 10:30 a.m. at the cemetery. The noon meal will be catered at the community center. Cost of the meal is \$5.00, children under 10, free. You can RSVP to Homecoming, P. O. Box 713, Rockwood, Texas 76873 or call Patsy (915) 625-2365 or Minnie (915) 785-4420. Come on out and enjoy a day of visiting and reminiscing.

Again the ladies of the Rockwood community have quilted all week. We are glad to report they have finished the quilt. Those quilting this week were the same ones who quilted last week. I personally have seen the quilt and I think it is very pretty. Get your chances now; I already have mine and I already have just the place to put the quilt should I be fortunate enough to win

Annual Sonora Ram Test Dates Set

By Marty Gibbs, CEA-AG
The Annual Ram Performance Test conducted by the Texas Agricultural Experiment Station begins Sept. 9-12, 1994. The traditional Field Day and Sale culminating the program is scheduled for March 16, 1995. The test is credited with contributing superior genetic to flocks across West Texas. Today's test animals are among the best in the world.

Important proposed test dates include: Delivery-Sept. 9-12, 1994; Initial shearing-Sept. 26 or 27, 1994; Weigh Days-Nov. 16, 1994, Jan. 4, 1995, Feb. 15, 1995 and final shearing Feb. 16, 1995.

Rams may be entered as individuals or in sire or ownership groups. The animals may be registered or non-registered. The test is open to all breeds, but based on the type of data collected, it is more useful for finewool sheep.

Animals must be lambs going on the test. Only registered rams born on or after Oct. 1, 1993 are eligible for the American Rambouillet Sheep Breeders' Association Registry of Merit Program (ROM). The ROM committee decided this year that face cover and skin-fold scores, would be deleted from the ROM index equation. However, both traits will be scored and animals exhibiting extremes in either

will be sifted from the Certified and sales list as in the past.

Cooperators are asked to limit test entries to no more than 20 animals per flock. Ram lambs of any weight can start the test, however, fall-born lambs less than 135 pounds and spring born lambs weigh less than 100 pounds are not eligible for certification.

An initial deposit of \$150 per animal is required. Any unused funds will be returned after test. Money is due at or prior to the delivery date.

This year's test also features an "On the Ranch" performance test to give producers more accurate information on a larger number of rams.

For further information on either test contact: Don Spiller at 915-347-3168 or Dr. Dan Waldron, Dr. Chris Lupton or Dr. Frank Craddock at 915-653-4576 or Marty Gibbs, Coleman County Extension Agent-Agriculture at 915-625-4519.

Make It Yourself With Wool

By Carol Katzer, CEA-H.E.

Do you sew? Are you interested in a competition for sewing with wool fabric? This competition offers many prizes including sewing machines, sergers, knitting machines, irons, fabric, savings bonds and scholarships for juniors and seniors. Age categories are Adult (25 & over), Senior (17-24), Junior (13-16) and Pre-Teen (12 & under).

"Make It Yourself With Wool" is sponsored by the American Sheep Industry Association and offers opportunities to home sewers. To find out more about it come to a kick-off planning session on Thursday, Sept. 1, 1994, First Coleman National Bank Hospitality Rm., 6:30 p.m. Both youth and adults are invited. We will go over rules, etc. and plan other times to meet for tips that get professional results when sewing with wool.

Fishing Lake Ivie

By Durwood Strickland

Crappie fishing is still pretty slow, but if you're patient, you can catch a good string fishing along the edge of the river channels early morning or late night.

We are finding black bass measuring about 16 inches, some keeper size, in 30-40 foot water, using plastic worms. In the shallow water I'm using top water and crank baits to pull them in.

Small mouth bass are mixed in there and being caught on the same bait.

Some nice white bass are being caught using small crank baits, spoons, jigs, or spinner baits. We've also had fun trolling with rattle-traps.

There have been some reports of some pretty good channel cat being caught, mostly on trotlines in the shallower water.

For guide service call me at 357-4785.
