SANTA ANNA, COLEMAN COUNTY, TEXAS, FRIDAY, JUNE 13, 1930

NUMBER 26

"He Profits Most Who Serves Best"

Merit Days Next Mon. and Tues.

Again next Monday and Tuesday Santa Anna folks and those of this trade territory will have an opportunity to "pick-up" some real bargains with the Trade Merit Merchants.

These merchants are making some honest-to-goodness prices and it will surely pay you to turn to this Trade Merit page and look over it to see if there are any items listed of which you are in need, or may need in the near future.

No. 1 offers a 98c value in men's tennis shoes for 89c and a \$1.00 value in wash dresses for 89c.

No. 2 offers a \$1.00 bottle of mineral oil for 59c and Nor-col at 49c.

No. 3 will sell you a gallon Timmas' jug for \$1.25.

No. 4 is marking their \$1.95 wash dresses for these two days down to \$1.50.

No. 5 will wash and grease your car for \$1.50.

No. 7 will be selling \$18.75 dresses for \$12.75.

No. 8 will sell you a 100 pound sack of Gray shorts for \$1.85.

No. 9 offers ladies' silk hose, valued at \$1.00, for 89c, and a silk chiffon lace hose at \$1.00.

No. 10 will sell you 16 pounds of lard, all kinds, for \$1.98.

No. 11 will be selling \$1.00 boxes of Ligette chocolates at 50c.

Chocolate covered cherries, 75c value, for 40c, and a 60c value of hard candies for 35c.

No. 12 will have on display their China at half price.

No. 14 asks that you look at their stock of paints and use Cello-Glass for your chicken houses.

No. 15 offers a 3 pound can of Santone coffee at 82c and a 3 pound box of crackers at 34c.

No. 16 will sell a gallon can of peaches or pears for 46c.

No. 17 will have on display hair oil, brilliantine and white vaseline, 15c values, for 9c.

No. 18 will have a box of cold patch for 15c.

No. 19 will give 10 per cent off on all screen doors and wire and all building hardware.

Mrs. Ida Myers left Tuesday for her home in Pöplar Bluff, Missouri, after visiting several days with her sister, Mrs. E. R. Purdy, and the Purdy family.

Mrs. Myers was accompanied home by her sister, Miss Mollie Denton and niece, Mrs. Ireland Hubert, who will visit several days with relatives and friends in their former home.

FIRST TRAIN TO SONORA SCHEDULED FOR JULY 1ST

Scheduled service will begin on July 1 over the new Santa Fe extension from San Angelo to Sonora. Celebrations for the completion of the 65-mile project, which cost \$3,000,000, have been planned at various stops.

A special train will leave San Angelo with a celebration at Christoval, Eldorado and Sonora. Auxiliary events include a rodeo at Eldorado July 4, three days here and at Sonora.

Revival Meeting at Cumberland Presby. terian Church Mon.

The revival meeting at the Cumberland Presbyterian Church will begin on next Monday evening, June 16th, at 8 o'clock.

We are glad to have our son, Lowell Shell West, from the Chicago Musical College, of Chicago with us, who will have charge of the singing for the meeting.

We are hoping and praying that we may have the cooperation of the entire town, and are sure that the Lord will be with us, and are praying that much good may be done in the name of our Master.

Not only do we extend to all God's people a hearty invitation to be with us, but we earnestly crave your presence and help.

We would especially like to have the cooperation of all who sing. Come and help us sing the praises of our Lord and Savior.

We crave the prayers of all praying people that God's rich blessings may be poured out upon us, and that many souls may be added to the Kingdom of our Lord and Savior, Jesus Christ.

Come and help us win a great victory for the Lord.

J. W. West, pastor.

JUDGE KING PAYS VISIT TO SANTA ANNA FOLKS

Judge A. H. King of Throckmorton, candidate for Commissioner of Agriculture dropped in to form the acquaintance of the editor last Friday, while enroute home from Austin.

Judge King is a west Texas lawyer-farmer, and impressed us as being a man equal to the occasion.

While we fall to agree with the Judge on some of his platform ideas, we believe he would make a good Commissioner of Agriculture.

Mr. and Mrs. Gordon Holcomb and little son visited over the week-end in San Antonio.

Lions Entertained With Ladies Nite

Friday night the Lions Club entertained with their annual ladies nite, and following the banquet, the newly elected officers were inducted into office.

The ladies of the First Christian church prepared and served the luncheon, which was a splendid meal.

Prof. J. C. Scarborough the retiring president, presided at the meeting and extended words of welcome to the ladies and other visitors.

James Harvey, the newly elected secretary, was called upon and made a brief talk on the object of Lionism.

Miss Cula West and brother, Prof. Lowell West, rendered several splendid musical numbers just before the principal address of the evening was made by Judge C. L. South, County Judge, and also president of the Lions Club at Coleman.

Judge South spoke on the code of ethics and emphasized the meaning and true value of friendship, which Lions are supposed to practice.

Lion R. D. Kinney and Mrs. Kinney of Coleman were also present.

Lion W. E. Baxter, the retiring secretary, and president of the group No. 22, composed of several counties was called upon and gave a splendid outline of what can be accomplished in group work and other phases of Lionism, using as his subject "Liberty and Intelligence, our Nation's Safety."

According to Lion Baxter, there were 247 organized Lions Clubs in Texas, 32 more than all other service clubs combined, and with a membership numbering in the thousands.

Prof. J. C. Scarborough gave an outline of the "Town Progress" the past year, during which time he had served the Club as president. Among the items mentioned were, the organization of a band, and another troop of Boy Scouts.

Several families who were in distress have been looked after and means provided for their welfare, and various other things of worth while nature.

The newly elected officers were properly inducted into office in brief form. The evening was well spent, and the program was not too long to be interesting.

COLEMAN COUNTY PIONEER DIED ON LAST FRIDAY

Henry Beck, 78, one of the quaint old characters of Coleman county, died in the Overall Hospital in Coleman on last Friday morning with cancer of the liver.

Mr. Beck was in the hospital just a few days prior to his death, but had been in failing health for several months.

He was a Coleman county pioneer, ruggedly honest and held in highest esteem by Coleman county people and others in Texas who knew him.

Mr. Beck came to Coleman county from St. Charles, Missouri, with Col. R. H. Overall, deceased. They shipped sheep from St. Louis to Denison, Texas, in 1878 and then drove them overland to Coleman county the same year.

The sheep were taken to what is now the Overall ranch. Henry was accompanied on the trip by his brother, Ferman Beck, who died a number of years ago.

Mr. Beck started his career as a sheep herder, but like all pioneers in West Texas he rose rapidly and soon became one of the outstanding sheep and cattle men in the county.

At the time of his death he owned a ranch between Valera and Leaday, but for several years had it leased.

Mr. Beck never acquainted himself with automobiles. He made his journeys over the county in a light wagon with two horses hitched to it.

He is survived by a number of nieces and nephews, children of his deceased brother, Ferman Beck.

NEW FEED STORE OPENED IN TOWN THIS WEEK

J. W. Moore and H. A. Mercer have leased the Mathews-Riley building, formerly occupied by the Johnson Furniture Company, and are opening up a new feed store in Santa Anna. They have taken over the Purina line of feeds and in addition will stock a complete line of feeds of all kinds and field seeds.

NEW ICE STATION NOW OPENED TO THE TRADE

Will Bell, local manager of the Banner Ice Company station across street from Leper-Curd Lumber Company, announces their new storage plant now completed, and that they are ready to serve the public with pure ice.

They will deliver to all parts of the city and solicit dock trade.

With the opening of this plant Santa Anna territory is now served with two ice companies.

Population of Texas Mounts

The population of the first 210 counties in Texas reported complete for 1930 by the Associated Press is greater by 12,000 than the population of the entire state of Texas was in 1920.

Partial returns from forty-four counties, yet incomplete, are not figured in this total.

The population of the 210 counties have been computed by the Sunday American-Statesman at Austin at 4,765,233.

The population of the state of Texas in 1920 was 4,663,228.

The net gain in population in the 210 counties as compared to their totals of 1920, is computed at 1,014,660. The total population of these counties in 1920 was 3,661,573.

From this the American-Statesman deducts that the total population of Texas has passed 5,676,818. This is computed by adding the net gain to the 1920 figures assuming that the remaining 44 counties will equal their 1920 figure.

The assumption is regarded by the paper as justifiable inasmuch as Tarrant county, one of the largest in point of population increase, Jefferson, and 16 other counties having more than 20,000 population each in 1920, have not been reported.

BOOKS ARE NEEDED FOR OUR LOCAL LIBRARY

There's a most favorable period in every child's life for reading of each book. If offered to him at just the right age, it appeals to his nature with peculiar power, often to the extent of setting him on fire.

If offered at any other time it may prove interesting, but fails to become a potent factor in his life.

Twenty-five cents entitles your child to a subscription to the library association during vacation. Encourage him or her to read good books.

If anyone has books on Boy Scout and Girl Scout stories, "All's Quiet on the Western Front," "Folliganaru" series, etc., which they wish to donate to the library, the same will be appreciated by more than one reader.

COUNTY AGENT VISITED HERE ON LAST MONDAY

County Agent C. V. Robinson of Coleman was in the Mountain City Monday in the interest of his county agricultural program.

Mr. Robinson is interested in seeing a cooperative marketing program put over in Coleman and Santa Anna. The Cotton Cooperative Marketing Association is under the direct supervision of the government and apparently the system of handling cotton will be a considerable improvement over the farmers cooperative plans.

Mr. Robinson would be glad to have an expression from the business men of Santa Anna, as to how they feel toward the cooperative plan. He is prepared to give direct information regarding the cooperative marketing plan, and will be glad to explain to anyone interested.

BROWNWOOD WOMAN'S SKULL THOUGHT FOUND

A skull and several bones believed to be from the body of Mrs. J. J. Bryant, who was drowned September 2, 1929, have been found in the Colorado River above the Austin dam, according to the daily papers.

Mrs. Bryant was drowned with her husband and son when their boat overturned.

The other two bodies were recovered but efforts to locate Mrs. Bryant's body were unavailing.

The bones were found lodged in the roots of a tree by a woman fishing in the stream, while the skull was removed from the lake part of the river.

INFANT OF MR. AND MRS. CRYE DIED LAST FRIDAY

Bula May, infant daughter of Mr. and Mrs. A. W. Crye, who live nine miles southwest of Santa Anna on the Plainview road, died on last Friday, June 6th, following an illness since her birth on May 24th.

Funeral services were conducted at the home by Rev. J. I. Patterson, of the Santa Anna Methodist church.

Interment was in the Santa Anna cemetery Friday afternoon.

Methodist Plan For Special Service On Next Sun. Morning

Churches of all denominations are making a special effort this year to bring into the life of the people the strength and comfort of a spirit filled and a spirit led life.

It is the desire of the religious leaders to win the life of all church members to real fellowship with Jesus Christ, so that they will follow and be led by Him.

In the Methodist Church the outstanding example of one who was truly led by Christ into a Godly life was its founder, John Wesley. His wonderfully interesting and inspiring life is a thrilling witness to the power of God in the heart of man.

It is the plan of the local Methodist Church to celebrate the two hundredth and twenty-seventh anniversary of the birthday of Mr. Wesley with a special service at the morning hour next Sunday, June 15th. Mr. Wesley was born June 17th, 1703.

There will be special musical numbers and the hymns sung will be those written by Charles Wesley.

Sermon: "Is God With Us." Every Methodist in Santa Anna and in the surrounding country and all who are interested are especially invited to attend this service, the purpose of which is to deepen the spiritual life of the people.

Among Mr. Wesley's most significant words are these last words: "Best of all, God is with us."

Mrs. Carl Ashmore and little daughter, Maudie Catherine, returned Saturday from Zephyr where they visited Mrs. Ashmore's mother.

Miss Annie Lipton of Brady has returned home from a few days visit with Miss Kathrine Rose Piny.

Mr. and Mrs. J. L. Boggus, Mrs. W. J. Housh and daughter, Miss Lillie, visited in Fort Worth the first of the week.

Mrs. Ella Moore of Travis, Texas is visiting here for a few days with her daughter, Mrs. Reba McCreary, and Mrs. J. E. Watkins.

Fellowship Club Holds Meeting

Meeting in the basement of the First Methodist Church on last Tuesday evening a large number of members and invited guest of the Fellowship Club enjoyed a wonderful and enthusiastic two hours of sociability and entertainment.

Two verses of "America" opened the meeting, followed by a chicken plate luncheon, which was served by the Methodist ladies of Santa Anna.

Vocal solos were rendered by Mr. Lowell West, of Chicago, and who is visiting with his parents, Rev. and Mrs. West, here, and a duet by Mr. West and his sister, Miss Cula West.

Mr. Thompson of Gouldsbust provided a duet by two little girls, Misses Bettie Ruth Veal and Ruth Thompson, from his community, and a piano number by Miss Junaita West. Loud applause followed each number of the entertainers.

A short address of welcome was extended the guest by Mayor W. E. Baxter. Guests from Shield, Rockwood, Gouldsbust and Coleman were present.

The feature speaker for the evening, Dr. W. R. Hunt, president of the McMurray College at Abilene, was introduced by Rev. Joseph I. Patterson, of the First Methodist Church.

Dr. Hunt kept his audience in continuous laughter with his wit and humor in the first part of his address and closed with each one present silently absorbing his wonderful message of friendship and brotherly love.

Many expressions of appreciation were heard after adjournment on Dr. Hunt's talk.

Dr. T. Richard Sealy, president of the club most ably presided over the meeting, and brought many laughs from the audience with his original remarks and stories.

This was the third meeting of the Fellowship Club, which was organized in January, and is perhaps the only one of its kind in Texas. Interest is growing and new members are being added regularly.

All are looking forward to the next meeting.

a word about FEED

If there is any one thing which the farmers of this state can do to assure a clear cash surplus from their money crop, it is to provide an ample supply of feed.

Not only is this bank vitally interested in seeing more feed on more acres this year for our particular section, but nearly every banker in the state, who has at heart the success and prosperity of his customers, is urging increased feed production this year.

You know what your needs are, and have no doubt made your plans accordingly, but we do want to say that more feed this year for our farm customers will mean thousands of dollars saved to this community.

You will find that this bank is behind you on any plan that will increase your success and prosperity.

The State National Bank

Your Harvest Depends on What You Sow

Every agency in this state and throughout the South which is interested in farm prosperity is expending every energy in an earnest effort to reduce cotton acreage this year.

TEXAS MUST DO ITS PART OUR COMMUNITY MUST HELP

In line with this important movement, smaller and better crops of cotton are being urged as a remedy for overproduction, foreign competition, inferior quality and low prices.

In a matter so vital to the economic safety and to the very life of our own section... this bank is heartily in accord with other interests in this state and the South for the planning of a sane acreage for 1930, and in making wise diversification of crops the main thought and aim during the few weeks that lie between us and planting time. Again we say **FEWER ACRES. MORE INTENSIVE CULTIVATION. BETTER SEED.**

SHOWER HONORING MISS MARTIN, OF TRICKHAM

On last Tuesday afternoon Mrs. Wylie McClatchy of Trickham entertained informally with a miscellaneous shower for Miss Ora Mattie Martin, who's approaching marriage to Mr. Joe M. Stacy had been previously announced.

After registering the guests were presented with paper and pencil, each writing her favorite receipt. At the conclusion a lovely white, rose and blue float, laden with gifts arrived, propelled by the small nephew and niece of Mr. Stacy. Mrs. McClatchy graciously presented the cargo to the bride-elect, who opened the packages of useful and beautiful gifts, amidst much merry conversation.

Punch and cake was served to Mesdames Henry Campbell, N. D. Wylie, Santa Anna; Laura Clark, Lindley, R. E. McCormick, Walter Stacy, Tom Bagley, Tom Cole, Chas. Martin, S. A. Harrell, Louis Newman, L. M. Cole, E. B. Mullis, Lillie Featherston, Lorena Pentecost, Geo. Bobs, T. C. McClatchy, C. E. James, B. W. McIver, J. T. Stacy, S. E. McClatchy, R. S. Stearns, M. A. Ford, O. J. Martin, W. P. McClatchy, Misses Lou R. Featherston, Mary McIver, Myrtle Baird, Minnie McCormick, Leona Lindley, Dolphia Lindley, Marie Haynes, Glenda Fay James, Ruby Mullins, Emma McClatchy, Russie Martin, Ora Alice Newman, Mammie Martin, Opal McCormick and Faye Lindley.

GRAF ZEPPELIN RETURNS HOME AFTER LONG VOYAGE

The Graf Zeppelin rested last Friday night at her home base, in Friedrichshafen, Germany, at the end of a history making voyage which carried her to North and South America, over a portion of Africa and twice across the equator in nineteen days.

Dodging terrific electrical storms that threatened her with disaster over Southern France, the Graf detoured to Germany, turning aside from her customary course in the Rhone Valley and passing over Soleire, near the Swiss frontier.

SPRING SESSION DISTRICT COURT CLOSED AT BRADY

Between thirty and forty criminal cases were left on the docket at Brady following the closing of the spring session of district court there, according to Judge E. J. Miller. A special term of court has been called for August 18, and will run for two weeks prior to the opening of the fall term there in an effort to clear the docket.

Judge Miller stated the grand jury returned over forty indictments and that the grand jury for the past term returned 59 indictments, 11 of which were for misdemeanors.

A large number of cases were disposed of during the past session and the court moved very smoothly. The judge stated that of the cases tried there was only one acquittal returned by the jury and that there were no hung juries. He said that most of the juries reported within two hours after receiving the cases. With the quick and efficient work of the juries, he stated, on many days two or more criminal cases were tried.

With the special term at Brady and a week at Coleman during the summer, when Judge Miller will devote all his time to civil cases, and with a possible week's extension of the court at Brownwood it is hoped to have the docket over the entire district cleared for the winter term.

Moody Withdraws From The Race

With Senator Thomas B. Love of Dallas asserting that he would not support Mrs. Miriam A. Ferguson of Austin or Frank Putnam of Houston, candidates for governor, or R. L. Henry of Houston, candidate for United States senate, were they the nominees of the party primary and former Gov. James E. Ferguson "daring" Governor Moody to run while Governor Moody was on his feet requesting that his name not be certified as a candidate for a third term, the state democratic executive committee meeting last Monday at Austin developed into one of the most exciting political sessions in Texas history.

Ferguson's challenge to Governor Moody came as a climax to the meeting, which failed to prescribe any kind of a test for candidates in an effort to keep Senator Love's name from the primary ballots.

After he read a prepared statement asking that his name as a candidate be not certified, Governor Moody expressed hope the democrats would not nominate either Mrs. Ferguson or former United States Senator Earle B. Mayfield, declaring that former Governor James E. Ferguson, who was held ineligible to hold office by the supreme court was "running under Mrs. Ferguson's petticoat," and that Senator Mayfield was "unfit to hold public office."

Ferguson, who was sitting only a short distance from Gov. Moody, got to his feet and shaking his finger at the governor shouted:

"I dare you to run; you coward."

"I met you and defeated you; there can be no greater coward than one who betrays public trust and seeks to destroy good government and I anticipate your ignominious defeat," Governor Moody retorted, his face flushed.

Ferguson got up again and repeated his challenge but Governor Moody had returned to his chair.

Some one tried to defend Senator Mayfield, but his voice was lost in the din caused by the run in between Ferguson and Governor Moody.

The names of former Lieutenant Governor Lynch Davidson of Houston and Senator Pink L. Parrish of Lubbock, who had been "drafted" as gubernatorial candidates when friends filed their candidates, were certified. Davidson was in the hall and did not protest, but refused later to making formal announcement. Parrish was reported not in the state.

"I have many loyal friends in Texas with whom I would not want to contest for another term in the governor's office, and the chairman of the highway commission happens to be one of them," Governor Moody said to the committee. "I am due him nothing but friendship and gratitude for a public service well performed and I am his friend. It seems, however, that it is proper both for him and for me, since he holds appointment under me, that I say in this connection that he had not been brought into the campaign by me or as an administration candidate but so far as I am concerned and so far as he or the administration is concerned, he runs on his own initiative and merit."

The governor was referring to R. S. Sterling of Houston, whom the governor had previously said, in confessing that he had planned to run for a third term, "he would not like to oppose."

Governor Moody said "whatever influence I have in Texas shall be cast on the side of good government and against the candidacy of any man that I believe to be a danger to clean government or subject."

opposed to the welfare of the masses of Texas citizens." adding: "The challenge riles strong to me to enter the campaign and once more give battle up and down this state to the forces of corruption and the enemies of good government in Texas, but I recognize that there are others who can wage this fight and would make good governors and that I may be able in some small way to help."

Prof. J. M. Witcher and little daughter, Mildren, of Gatesville, were here on business and renewing acquaintance with friends Friday and Saturday. Prof. Witcher owns some property near here, and likes to come out Santa Anna way occasionally to inspect it. The visitor was wearing a nice gold watch with a beautiful chain attached thereto, that he prized very highly, as it was presented to him by a troupe of Boy Scouts, who he has been sponsoring for fifteen years.

CORRECTION

Bill Walker of Coleman, driver of the automobile that was wrecked here Thursday night, May 28th, requests the News to make a correction of the mention made of the wreck in our issue of last week.

Walker says that the automobile he was driving only has a capacity of doing 50 miles per hour, and he didn't think it was doing more than 50 when it turned over. He further requested us to state that the car was not a total wreck, but could be repaired.

Well, Bill, if we erred in making mention of the affair, we gladly offer a correction, but if the car you were driving had a capacity of only 50 miles per hour, and you poured on more than it could stand and changed ends, you must have been doing more than its capacity or it would never have turned turtle. However, if you say it was doing

only 50 miles, that was all the car was doing. As to the damage, we admit we never examined the wreck, but casually glanced at it in passing, we would estimate its damage as being considerable, however, it might be repaired with small expense.

Santa Anna is a friendly little city and the arms of welcome stand ajar to visitors, but the citizens of the town do not appreciate people coming to our town and trying to make a race track of our main street in violations of the laws, rules and regulations, and we advise you in the future, when you come to Santa Anna, to drive slower and with more care.

Women of the Solomon Islands bleach their hair white with coral lime.

People in the United States use up more than 1,000,000,000 lead pencils each year.

BLIND EX-SENATOR IS IN OKLAHOMA RACE AGAIN

T. P. Gore, who for fourteen years served Oklahoma in the United States senate, announced his candidacy last week for the senatorial nomination on the democratic ticket.

"My hat's in the ring; my heart's in the race," the blind senatorial veteran declared in his platform declaration, which stresses a triple demand for "less taxes, more trade, no trust," and asserts his belief that though the saloon "is dead as human slavery" he has a boy and shares "the anxiety which every father and mother must feel over existing conditions and tendencies."

Mr. Gore became a United States senator in 1907 at the time Oklahoma became a state and was defeated in 1920 by Scott Ferris.

It's getting so it isn't a disgrace to go to jail; it's just an inconvenience.

Reunion Held For Class of '29 Students

It was all but a quite or mysterious group of boys and girls that met on Mountain street at Mrs. Dewey Pieratti's, their sponsors' home, for their annual reunion of the class of nineteen hundred twenty nine, but a group full of pep and vigor, ready for what ever the day and night of Monday, June 9th would bring. It was a "Perfect Day."

It was no question of "where" or "how" do we go, but only how quick do we leave, as everything was prepared. "Be Prepared" must have been the motto on our minds for the day, as we didn't gripe much when the day was over and our skin was blistered and very touchous.

Several cars left Mrs. Pieratti's home about 9:30 a. m., arriving at Hot Wells, in Brownwood near 11:00 a. m. All donned their bathing suits and made water splash for different reasons until 1:15 p. m., which hastened us away from the pool to a shady nook where a welcomed guest greeted us. Who? Oh, just a table of sandwiches, potato chips, olives, pickles, fruits, cakes and punch. After everything began to taste foul each student told of what he or she had been doing and where they had been. Letters were read from some of the classmates who found it impossible to leave jobs or school to join us in our reunion. Next was a miniature golf game. It was a wild and crooked course too.

Again back to the pool where we enjoyed more dining, swimming, a ball game and plenty of bilstering.

About 5:30 o'clock all returned to the awaiting automobiles where we finished our lunch. Then home again, only to rest a few minutes, then to meet again in our beloved sponsor's home for a few more jolly hours of freedom, as we did when in high school in '29. We played bridge, dominos, forty-two, pinocle and danced. Interesting conversations could be heard from groups on the moon-lit lawn and porch, recalling those never to be forgotten days of high school life.

All gathered into the living room to decide on our next annual meeting, which will be held the second Monday in June of 1931, in the home of Velma Sealy.

Those present for the reunion were Misses Fern McCaughan, Merle Polk, Lonella Taylor, Annie Lou Dockery, Nadine and Vada Horner, Helen Hall, Annie Stiles, Lois Moore, Velma Sealy and Bernice Crossland.

Messrs. J. L. Keeling, James Pinney, John Wm. and Alvin Burden, J. B. and Eugene Richardson, Raymond Bayes, Grady Lowe, J. E. McDonald, Ralph Guyger, Pollock Wise, Vernon Johnson, Graham "Tode" Honsley and two boy friends, Walter Walton and Charles Flint, both of McCamey.

Each and every one enjoyed the day's event. May all be present next year, so goodbye, until then.

Reporter, B. C.

Sunday at The Methodist Church

The pastor and officials of the church have planned a special service for the morning hour on next Sunday. It is their desire to make this a deeply spiritual service. It is the occasion of the two hundred and twenty-seventh anniversary of the birth of John Wesley. You are cordially invited to attend this service and to pray for its success.

The service begins at 10:50 a. m. Subject, "Is God With Us." Charles Wesley Hymns will be sung. Special musical numbers. Sunday School begins at 9:45 a. m.

League at 7:00 p. m. There will be no evening Church service. The congregation is invited to attend the Commencement Service of the Nurses School of the Sealy Hospital at the Baptist Church.

Saturday, following the fine rains last week, a large crowd was in town and the old burg looked more like a Saturday than it had in quite a while. One or two more fine rains, like that one last Thursday night, and Coleman county will put on a different appearance.

NOTICE!

There are so many needing eye work—and who have not the money—we have decided to give such treatment and glasses as needed to those who can pay one-third (\$3.50 to \$6.00) now and given the assurance that the balance can be paid some time this year. Come in and get what you need. In our office at Mrs. Connor Blue's Jewelry Store every Tuesday.

A. L. Jones, M. D.

DOUBLE WEDDING HERE

A wedding of interest to many people in Coleman and Santa Anna took place at twilight Sunday, June 8th, when Misses Cue and Maurice Hall, daughters of Mr. and Mrs. W. A. Hall of our city, were married to Claude Boone and Glover McMillon of Coleman.

The wedding took place in the First Methodist church in Santa Anna, where an altar of greenery and flowers were arranged. Cut flowers and ferns were banked profusely in the archway, among which caged canaries were singing happily.

Proceeding the double ceremony including an impressive ring ceremony, which was said by the pastor of the First Methodist church, Mrs. Ralph Gray of Coleman accompanied by Miss Ruby Harper at the piano sang, "At Dawning." Miss Harper then played the bridal chorus from "Lohengrin," and the wedding party entered.

The ushers who entered, forming a double row, were: J. D. Cobb, Burton Reese, George Howerton, Ben Ganaway and M. Ledbetter of Coleman, and Felton Underwood of Ballinger. Following were the bridesmaids also forming a double parallel row. They wore organdie dresses of sweet pea colors and ivory slippers and carried arm bouquets of sweet pea and fern. They were: Misses Anne Stiles, cousin of the brides, Mildred Boone of Winters and Ann McMillon of Coleman, sisters of the bridegrooms, Velma Sealy, Dorothy Baxter and Gay Turner of Santa Anna.

Maid of honor were Miss Helen Hall, sister of the brides, and Miss Girlie Abernathy of Coleman. They wore organdie frocks and carried sweet pea bouquets. Little Ruth Lovelady and Mary Field Mathews dressed in pink organdie preceded the brides who entered with their father and were met at the altar by the grooms, who were attended by their best men, Estrell Sullivan of Winters and Jack LeMay of Coleman.

The brides gowns were of flesh net with eggshell slippers to match. A tulle veil was fashioned with cap of real rose paint shower bouquets of sweetheart roses and lilies of the valley.

The couples left immediately following the ceremony for San Antonio and points on the coast.

The Misses Hall are very lovable and popular young ladies, being partly reared in Santa Anna, and both being graduates of the Santa Anna high school. Mr. Boone is the son of Dr. and Mrs. C. Boone of Winters and Mr. McMillon is the son of Mrs. W. C. Owen of Coleman. Both are prominent business men of Coleman and both couples will make their home in Coleman on 416 and 418 West Walnut.

Ollie Smith, wife and family, and son-in-law, of Los Angeles, California, visited over the weekend in the home of Mr. and Mrs. Brown east of town. Mr. Smith is a brother to Mrs. Brown, and the party is visiting relatives in several counties in central Texas this summer.

W. M. Ashwood and family of Rockwood spent the day in Santa Anna Tuesday.

Mrs. M.F. Gardner of Houston is visiting with her cousin, Mrs. H. W. Kingsbery, this week.

BRIDGE PARTY GIVEN BY MISS DOROTHY BAXTER

Living up to its tradition as the month of brides and roses, June was marked with another pretty party for Misses Cue and Maurice Hall, given by Miss Dorothy Baxter, assisted by her mother, Mrs. W. E. Baxter, at their home on West Main Street.

Pastel tents made attractive the rooms. Each table being covered with pink and marked with miniature red elephants and decorated sweet peas.

Four tables of contract bridge furnished entertainment. Miss Lulu Harvey furnished piano music throughout the morning.

The tea table where Miss Frances Louise Adams served was covered with a cloth of Queen Anne Lace and centered with a mound of sweet peas and ferns. Colors being repeated in the two course luncheon.

Dainty guest prizes were presented to the brides elect.

The guest list included Misses Ruth Johnson, Lulu Harvey, Elizabeth and Margaret Wylie, Frances Louise Adams, Velma Sealy, Anne Stiles, Girlie Abernathy, Katherine Stubblefield, Gay and Fay Turner, Mary Lela Woodward, Mrs. G. A. Ragsdale, Cue, Maurice and Helen Hall.

BRIDES ELECT HONORED WITH BRIDGE PARTY

Misses Faye and Gay Turner entertained with a bridge party Thursday afternoon of last week honoring Misses Cue and Maurice Hall.

Pink and green were featured by the use of pink roses and green coverings.

The guest list included five tables of auction bridge, and lovely guest prizes were presented to the Misses Hall.

A delicious refreshment course of chicken salad, wafers, olives, iced tea, sand tarts and mints were served.

The guests included Misses Dorothy Baxter, Lonella Taylor, Elizabeth and Margaret Wylie, Mary Lela Woodward, Lulu Harvey, Elsie Lee Harper, Cue, Maurice and Helen Hall. Mrs. W. A. Hall, Mrs. G. A. Ragsdale, Mrs. Balke.

Out of town guest were Mrs. Lee McDonald, Ralph Gray, Joe Baker of Coleman, Robert Griffin of Fort Worth and James Lamb of Brownwood.

MAYO-LONGVIEW HOME DEMONSTRATION CLUB

The women of the Mayo and Longview communities, with Miss Brent, met at the home of Mrs. Alfred Evans at 9 o'clock in the morning of June 5th, to organize a home demonstration club. We had nine members present, Mrs. Reed Henderson, Mrs. Tom Mills, Mrs. Jim Daniels, Mrs. D. C. Neal, Mrs. Dave Banks, Mrs. Jim Newman and Mrs. Emzy Brown.

We discussed club work and made plans for our work thru the year. We elected the following officers: Mrs. Tom Mills, president; Mrs. Dave Banks, vice president; Mrs. Emzy Brown, secretary-treasurer.

The next meeting will be with Mrs. Banks, July 1st, at 2:30 p. m. Miss Brent will demonstrate the making of jelly and hot rolls.

We hope to have several new members at this meeting. Reporter.

Mr. and Mrs. Winfred Harrell are the proud parents of a fine boy, born Saturday, June 7th.

SEALY HOSPITAL NEWS

The nurses dormitory is being repaired from the storm of a few weeks ago.

Miss Sibil Vinson had dinner with her parents, Mr. and Mrs. John Vinson Wednesday afternoon.

Miss Jessie Nixon of Valera entered the training school of nursing here June 9th. We wish Miss Nixon success.

Miss Bernice Crossland enjoyed the day and night of June 9th with her many classmates of S. A. H. S. of '29 during their annual reunion.

Roy Bentley of Doole, Texas, brother of Mrs. Amelia Vowell, spent one afternoon last week with Mrs. Vowell.

Miss Sibil G. Still, R. N., returned to Little Rock, Arkansas Monday afternoon, via Dallas for a few days.

Miss Bertha Cryc, who has worked faithfully for the past three years in the training school of nursing, completed her course Saturday, June 7th, and has moved to Mrs. Culvenwell's. Miss Cryc has taken state board examinations, and will graduate June 17th. We miss Miss Cryc greatly, but wish her a happy future.

The student council which was organized in December 1929 for the benefit of the student body, held their monthly meeting last Monday and elected new officers for the next six months.

They are: Miss Marie Barker, president; Miss Bertie Lee Peet, vice president; Miss Vay Crossland, secretary-treasurer; Miss Bernice Crossland, reporter, (re-elected).

Vacation times will soon be here now that classes are over for this term. All students have passed their examinations and shall continue to do the same in the future if possible.

Mrs. Fred Rollins of Santa Anna is recovering nicely from a major operation of last Saturday.

G. W. Mc Williams of San Saba underwent a major operation on last Saturday night, but is now recovering.

Joe Barton of Santa Anna underwent a major operation Monday night.

Miss Beatrice Saunders of Burkett is recovering from a major operation of last week.

Master Charles Ford Chambers of Santa Anna is improving from an operation of Saturday night.

Mrs. G. J. Pender of Coleman is doing nicely since a major operation of last week.

Isla Tabor of Talpa and Levanda Wood of Lawn underwent tonsillectomy operations Monday night.

Liska Benge of Sterling City, victim of a car wreck, is still a patient in the hospital, but is doing nicely at this writing. Reporter.

Go to Church Sunday.

J. J. Gregg Editor and Pub.

Friday, June 6, 1930

ADDITIONAL EDITOR ON JOB

In casting about for a suitable man to relieve the editor of some of the many responsibilities incident to the editing and publishing of a newspaper, we feel that we were partly lucky in finding available one L. E. Callan, who has been publishing a weekly paper in Anglers, Oklahoma, for the past several years, to take our place. Mr. Callan was born and partly reared in Coleman county, is a member of the Callan family so well known throughout the state as newspaper men of quality, and we think we have chosen wisely in selecting him to partly relieve the writer who needs and must have an outing. So, beginning this week, Mr. Callan assumes the management of the paper and becomes the main editor. Personally, the writer will be about the place some, and expects to help in any way we can to furnish Santa Anna and her trade territory a weekly newspaper second to none, and we hope to have your continued patronage. Mr. Callan and W. L. Mills cannot put out a newspaper of the worthwhile kind without the support and cooperation of the town. They will be handicapped in gathering news, and will appreciate it if our readers will report your visitors, social functions and such other happenings as will be of reading interest to the public. Call the News office, telephone 45, and if you need a reporter we will supply you with one. Under the circumstances, we are also compelled to lay off our faithful reporter for the time being, and therefore, it is more imperative that you help us to gather the news.

With best wishes and a very kind feeling to our faithful subscribers and advertising customers, the writer, who has served you for the past nine years, bids you adieu for the time being and feel assured the new management will serve you well. Adios.

J. J. Gregg.

In coming to Santa Anna to assist Mr. Gregg in the publishing of the News, we do so with the full intentions of making for your beautiful little city a citizen that you will not have cause to regret claiming. Our family and self are already carried-away with Santa Anna, and before long we hope to be well enough acquainted with you that you will claim us as one of your own mountaineers.

Mr. Gregg has given you an outline of our past in the above article, but we do want to say that it is with pride that we come back to the country of our birth and childhood. Some twenty-odd years ago we used to stand in the distance and gaze at the Santa Anna Mountains and wonder what was over there. We wanted to climb to the top of them and look out over the world, but that dream never came true as a child. Today it is a fast world, people do not have time to climb mountains, except in the business world, but who knows, that childhood desire may yet come true.

As Mr. Gregg stated above we will appreciate any assistance the public may give us in the editing of your home paper, and where we can assist you we shall not hesitate to do so.

Drop in to see us anytime, we may have little ink on our nose and covered up with work, but perhaps you'll like us a little bit, and we may "fall for you" a whole lot.

L. E. Callan.

OFF TO STATE CONVENTION

By the time this paper reaches its readers, the main editor, unless our plans fall us, will be in Corpus Christi, attending the annual convention of the Texas Press Association, and the force will have the entire work in charge.

The Texas Press Association is one event most all the editors in Texas look forward to from year to year. Most editors attend the convention and generally speaking, it is the only vacation some of us ever take. It is a business trip with considerable pleasure mingled with the business.

Corpus Christi has made great preparations for our entertainment, and a number of courtesies have been offered those who attend, and since we need a trip badly, we will begin the summer by attending the editors convention.

The orange crop in Brazil is gaining in importance.

IMPROVED UNIFORM INTERNATIONAL SUNDAY SCHOOL LESSON

(By REV. P. B. FITZWATER, D. D.,
Member of Faculty, Moody Bible
Institute of Chicago)
(©, 1929, Western Newspaper Union.)

Lesson for June 15 JESUS ON THE CROSS

LESSON TEXT—Matthew 27:1-66.
GOLDEN TEXT—Looking unto
Jesus, the author and finisher of
our faith, who for the joy that was
set before Him, endured the cross,
despising the shame, and is set
down at the right hand of the
throne of God.
PRIMARY TOPIC—Jesus on the
Cross.
JUNIOR TOPIC—Jesus on the
Cross.
INTERMEDIATE AND SENIOR
TOPIC—The Suffering of the Cross.
YOUNG PEOPLE AND ADULT
TOPIC—Calvary.

The grand climax of the six months' lessons is reached in this one. To miss the significance of the crucifixion of Christ will be to render valueless all the preceding lessons. It is not a matter of learning the lessons taught by a great teacher or imitating the examples of a great and good man, but of apprehending the atonement made by the world's Redeemer. Let every teacher see by a personal experience that Christ died for him, and then strive to get his pupils to see that Christ's death was for their redemption.

I. The Place of Crucifixion (vv. 28, 34).
They led Him away to Golgotha, a hill north of Jerusalem, resembling a skull. He was crucified "without the gate" (Heb. 13:12). At first he was compelled to bear His own cross, but when physical weakness made it impossible for Him to continue, they compelled Peter the Cyrenean to bear it for Him (v. 32). In order to strengthen Him for the ordeal before He was nailed to the cross, the soldiers offered Him a stimulant of vinegar mixed with gall. He refused the stimulant offered and consciously drank the cup of sin to its bitter dregs.

II. Gambling for the Clothing of the Lord (vv. 35, 36).
It was the custom for the soldiers who had charge of a crucifixion to receive the garments of the one crucified. We have here a fulfillment of Psalm 22:18. What sacrifice for them to gamble for His seamless robe under the very cross where He was dying!

III. The Accusation (v. 37).
It was customary to place over the victim on the cross his name and indicate his crime. The superscription was placed over Jesus by Pilate to vex the Jews. He was their King in absolute truth. They had long looked for Him and now, when He had come, this is the kind of treatment they gave Him.

IV. Two Malefactors Crucified With Him (v. 38).
We are not told who they were. Perhaps they belonged to the band of Barabbas. This was another fulfillment of Scripture (Isa. 53:12). In these three crosses we have set forth a spiritual history of the whole world.

V. The Dying Savior Reviled (vv. 39-44).
This reviling was engaged in by the passersby, the chief priests, the scribes, elders, and the malefactors who were crucified with Him.

1. "He saved others, Himself He cannot save" (v. 42).
This jest was meant to show the absurdity of Jesus' claims, but it demonstrated their and showed the reason for His suffering. He could not save Himself and others, so He chose to give Himself to save others. His only way of saving us was by taking our sins, sorrows and stripes upon Himself.

2. "If he be the king of Israel, let him now come down from the cross" (v. 42). His refusal to abandon the cross established His rightful claims. The devil offered Him the kingdoms of the world if He would escape the cross (Matt. 4:8-10). Through His death he came into His place of kingship over all who bow down to Him.

3. "He trusted in God. Let him deliver him now" (v. 43).
His obedience unto death was the sacrifice which met God's full approval.

VI. The Death of Christ (vv. 45-50).
Who is sufficient to comment upon this tragedy! Let us contemplate it in adoration and wonder. So shocking was this crime that nature threw around the Son of God a shroud that the godless company could not gaze upon Him. Darkness was upon the land at noonday. Upon the termination of the darkness, He cried with a loud voice, "My God, my God, why hast thou forsaken Me?" He became sin for the world and the world's sin hid God's face from Him. God forsook Him, turned Him who had taken the sinner's place. God was dealing with sin on the innocent substitute. No one can understand that but God, but we can believe. When the price of sin was paid, He cried out with a loud voice, showing that He still had vitality; that His death was not from exhaustion, but by His sovereign will. He yielded up the ghost and sent away His spirit. He died like no other man in the world's history.

ARGOTANE GIVES NEW LEASE ON LIFE

"Argotane has simply given me a new lease on life," said H. D. Searcy, of 202 North Commerce St., Ranger, Texas, proprietor of the Searcy Wholesale Candy Company.

"Before I started taking Argotane," he continued, "I was so run-down and miserable that a half-hour's work would tire me out as much as a whole day's work at the office does now. I was underweight, had no strength, and often suffered from indigestion. My nerves were so unstrung I was irritable and out of sorts all the time. When I got up in the morning, I did not feel a bit refreshed, and my work was an actual punishment to me."

"I had reached the point where it was necessary to do something for myself and I bought Argotane because I knew it had helped other people right here in Ranger. The results I have derived from its use prove that I made no mistake in starting the treatment. I now sleep soundly, eat heartily, and can do a hard day's work at the factory without feeling it. My stomach does not hurt me as it did, and everything I have to do is a pleasure instead of a burden. I can recommend Argotane to anybody, for it certainly straightened me out in fine shape."

Genuine Argotane may be bought in Santa Anna at the Phillips Drug Store. Adv.

A NOTE OF THANKS AND APPRECIATION

I want to thank the good citizens of Coleman County and especially those who have put forth their best efforts to help enforce the laws of our State. If they will keep lending their faithful efforts we will make it hard for the bootleggers and other law violators to do their dirty work in Coleman county and at the same time it won't be so pleasant for those of our citizens who stand in with, aid and assist, the violators of our laws.

During the time I have served you as an officer of the law I have put forth every effort that is in my power to help rid our County of such violators of our laws and with the help and support of the good citizens of Justice of the Peace Precinct No. 7 I will continue my services as such.

I stand full-fledged for the enforcement of all the laws, and as a Peace Officer, I believe it my duty to put the law breakers in jail and not to try to keep them out, or help get them out after they are put in jail.

As a candidate for Constable of Precinct No. 7, of this County, your vote and influence in the coming primary election will be greatly appreciated.

Thanking you in advance for any consideration you see fit to give my candidacy, I am,

Respectfully yours,
J. E. BRAND
(Candidate for Constable, Precinct No. 7, Coleman County.)

L. L. Farr, Pioneer of West Texas, Is Dead

Louis L. Farr, well known San Angelo banker and ranchman, died at the Scott & White Sanitarium in Temple on last Tuesday morning.

He had lived in West Texas since 1884, was the first city engineer in San Angelo, and was county tax assessor from 1892 to 1898.

Mr. Farr was business manager for Ira G. Yates and Bar-S Ranch, in addition to being active in a number of ranch enterprises. He was president of the San Angelo Rotary Club and an active worker in the First Christian Church. He belonged to the Masons and the Knights of Pythias.

Mr. Farr was well known in this section by many who will regret his death.

Fred Crum of Melvin visited his parents, Mr. and Mrs. R. P. Crum, Monday.

SERVING MANY BUSINESSES

Experience of large fleet owners reveals the unusual reliability and economy of the new Ford

A SIGNIFICANT TRIBUTE to the value of the new Ford is found in its increasing use by Federal, state and city governments and by large industrial companies which keep careful day-by-day cost records. In most instances, the Ford has been chosen only after exhaustive tests of every factor that contributes to good performance—speed, power, safety, comfort, low cost of operation and up-keep, reliability and long life.

Prominent among the companies using the Ford are the Associated Companies of the Bell System, Armour and Company, The Borden Company, Continental Baking Corporation, Firestone Tire and Rubber Company, General Electric Company, Goodyear Tire and Rubber Company, Kellogg Company, Knickerbocker Ice Company, Morton Salt Company, Pillsbury Flour Mills Company, The Procter and Gamble Company, and Swift & Company.

Each of these companies uses a large number of Ford cars and trucks. The Associated Companies of the Bell System use more than eight thousand.

Modern business moves at a fast pace and it needs the Ford. Daily, in countless ways and places, it helps to speed the production and delivery of the world's goods and extend the useful service of men and companies.

Constant, steady operation over many thousands of miles emphasizes the advantages of the sound design of the Ford car, its high quality of materials, and

unusual accuracy in manufacturing. Beneath its graceful lines and beautiful colors there is a high degree of mechanical excellence.

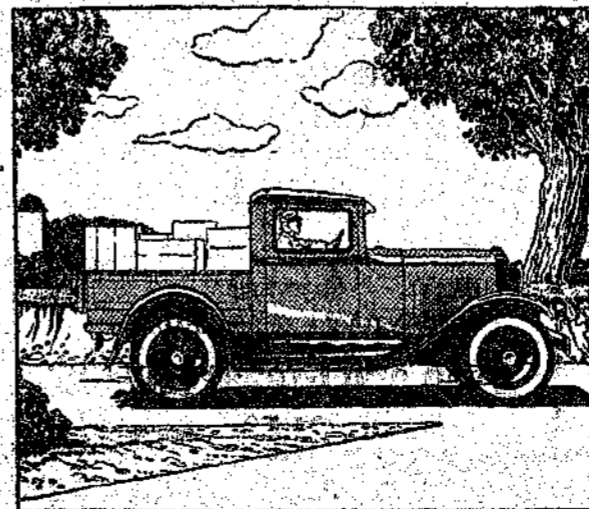

An example of the value built into the Ford is the use of more than twenty ball and roller bearings. They are hidden within the car and you may never see them. Yet they play an important part in satisfactory, economical performance. Their function is similar to the jewels of a fine watch.

Throughout the Ford chassis, a ball or roller bearing is used at every place where it is needed to reduce friction and wear and give smooth, reliable mechanical operation.

At many points, as on the transmission counter-shaft, clutch release, fan and pump shaft, and front drive shaft, these ball and roller bearings are used where less costly types of bearings might be considered adequate.

Additional instances of the high quality built into the Ford are the extensive use of steel forgings, fully enclosed four-wheel brakes, Rustless Steel, four Houdaille double-acting hydraulic shock absorbers, aluminum pistons, chrome silicon alloy valves, torque-tube drive, three-quarter floating rear axle, and the Triplex shatter-proof glass windshield.

The Ford policy has always been to use the best possible material for each part and then, through large production, give it to the public at low cost.

Congress May Quit June 20

Congressional leaders have set June 20 as their adjournment goal.

In the house this is regarded as a comparatively simple task once the tariff bill is out of the way, but several matters are pressing for attention in the senate which might twist askew the plans for ending the session. Among them is a veteran's measure, which holds the possibility for another tangle between congress and the president.

Senate republican leaders have given assurance that the veterans' relief measure recently passed by the house, will be taken up and voted upon in the senate before adjournment. After conferences with administration spokesmen they are alarmed that the president will veto the measure in its present form.

It is expected at the capitol that the tariff measure will be sent to the president within ten days and possibly next week.

The rivers and harbors bill and the veterans' relief measure, both of which have already been approved by the house, will be taken up in order by the senate as soon as the tariff is disposed of.

All of the appropriation bills providing funds for next year's except that for the District of Columbia and the second deficiency measure. Early action on these is in prospect.

The house appropriation committee plans to report next week the second deficiency bill which probably will call for an outlay of \$75,000,000. One controversial item in the measure is \$10,660,000 requested by President Hoover for the initial outlay on the \$185,000,000 Boulder Canyon dam project.

W. W. Hunter and son, Ernest, returned last week from several other children in West Texas and in New Mexico.

Mrs. V. O. Kelley of Abilene spent the week-end here in the home of Mr. and Mrs. W. R. Kelley.

Somebody said the country would go to the dogs if the Literary Digest went ahead with its prohibition poll. Well, the poll is over and people are drinking just as much liquor as ever.

IF YOU HAVE Simpson & Turner's Chain Hoist please bring it home. They need it. 26-tf

Jim Scott

ALSUP IS GIVEN 20-YEAR TERM FOR SLAYING NEGRO

John Alsip was found guilty of the murder of Will Tate, negro, in an attempted holdup of the Polytechnic State Bank at Fort Worth several weeks ago and his punishment assessed at twenty years in the penitentiary. The jury reported Friday afternoon.

It was alleged the killing was committed to collect the Texas "dead bank robber" reward.

Cyprus was famous in ancient times for its mines of copper.

Jim Reed in Race Politicians Believe

Political leaders throughout the county Sunday speculated on whether Jim Reed had returned actively to the political arena.

In Missouri Democratic leaders appeared unanimous in the opinion that Reed would campaign for the presidential nomination in 1932. Mr. Reed was a candidate "to the end of the road," as he worded it, at the 1928 Houston convention, but the boom for Alfred E. Smith had gained such headway that the fiery Missourian was unable to head it off.

Mr. Reed, in his first important speech since his retirement from the Senate two years ago, addressed a large crowd at a State-wide rally at Sedalia Saturday night, and many close observers believed the reaction would determine whether the former Senator would set the White House as his goal.

They talked Jim Reed for President openly at the rally, and party leaders regarded it as significant that Mr. Reed did nothing to discourage it.

Tom Pendergast of Kansas City, long a powerful Democratic leader in Missouri, said he felt certain Mr. Reed would "have a chance" in 1932.

COTTON SOLUTION MEETING CALLED FOR JUNE 17TH

The Farmers' Marketing Association of America has called a statewide meeting of farmers, bankers, merchants and others in Dallas June 17th to discuss the cotton situation and methods of improving it. The board of directors of the association will meet at the same time.

W. B. Yeary, secretary-treasurer of the organization, said the Dallas meeting would be followed up by numerous speeches in the field. Among the speakers will be M. H. Wolfe, general manager; O. P. Norman of Kaufman, president; I. B. Alford and Fred W. Davis of the State Department of Agriculture; W. J. Green and L. Gough of Amarillo. Yeary announced.

"The farmer's business is everybody's business and none should shirk his duty under such serious conditions," Yeary said. "A fair price for cotton this fall in the hands of the farmers and business men if they will organize to secure it."

Mrs. Dovie Chapman and daughter, Inez, of Rosebud spent several days with Mrs. Reba McCreary while enroute to Hobbs, New Mexico. They were accompanied by Miss Mattie Ella McCreary.

MEXICAN KILLED BY TRAIN NEAR COLEMAN FRIDAY

A Mexican, presumed to have been making an effort to ride a freight train out of Coleman, fell from a car last Friday and both of his legs were cut from his body as the wheels of the car passed over him. The accident occurred at the Park Street crossing on the Abilene highway. He was rushed to the Overall Hospital where he died several hours later. Several Mexicans had boarded the train at the depot but were removed before the train pulled out. The dead man escaped the gaze of officers and was in the act of dodging from one car to the other when he fell beneath the train.

The palace of Sennacherib, famous Assyrian king who conquered Jerusalem, has been discovered by an expedition from the Oriental Institute of the University of Chicago.

PUP BELIEVED MAD BITES FIVE COLEMAN CHILDREN

Three Coleman children are in Austin for treatment after being bitten by an alleged mad dog and two are receiving treatment at their home in that city. The children were bitten last Friday week by a four month old pup belonging to a Coleman man. The head was sent to Austin for examination and resulting in the report of the dog having hydrophobia. Two of Ben Davis' children and a Duke child are in Austin and two of John Sanders' children are being treated in their home.

Dr. R. Bailey has asked that a warning be sounded asking people to try to keep animals alive instead of killing them if suspected of having rabies. Alve they can be watched for developments and if they have hydrophobia it will be easy to detect by those familiar with the disease.

W. C. Ford was out of his place of business several days this week following a tonsillitis operation last Saturday night.

Go to Church Sunday

Mr. and Mrs. V. Van Zandt, son Ernest, and Jim Bob Gregg, drove over to Carlsbad, New Mexico, Friday and went through the famous Carlsbad Caverns, Saturday, returning by way of Pecos, where Jim Bob was allowed a short visit with his grandparents. Mr. and Mrs. M. C. Buchanan. The party returned home Sunday and are loud in their praise of the beauties of the famous caverns.

Go to Church Sunday

HERE AND THERE

A few days ago things were not so bright around Santa Anna and Coleman county, but that was before the good rains fell over this section. Today everyone is smiling and enjoying life.

Coleman Boy Scouts have been given a site on the Colorado river near Stacy by Lester Cox, Stacy ranchman. Plans are being worked out to erect a building and do other improving on the land. Who around Santa Anna wants to do as much for their Scouts?

Don't forget to read the Trade Merit Specials in this issue of the News, as well as the many other advertisements. You will make money by so doing, when you do your shopping.

There are few towns in the entire United States the size of Santa Anna that has as many blocks of pavement. Did you ever give this a thought. Also there are very few with all the modern conveniences that are to be found here.

Boost your town, support your town and live in your town in such a way as to be able to say when you leave Santa Anna for a visit: "I hail from no mean city."

If Santa Anna and territory can get another good rain or two in the next few weeks we won't have to worry who is going to run for president in 1932.

Senator Furnifold M. Simmons went down in defeat last Saturday at the hands of the Democratic party of North Carolina, which he had led for more than a quarter of a century. The issue revolved largely around Simmons' failure to support Alfred E. Smith in the 1928 presidential election.

The writer of this item attended the Queen Theatre the other night and we wish to state here and now that Santa Anna has a real play house. The pictures were plain and the sound was clear. Too often folks are inclined to overlook the advantages of their home town. There are very few towns with 2,000 people over the country that have talking pictures.

Florence Nightingale Pledge

I solemnly pledge myself before God and in the presence of this assembly to pass my life in Purity and to practice my profession faithfully. I will abstain from whatever is deleterious and mischievous and will not knowingly take or administer any harmful drug. I will do all in my power to elevate the standards of my profession and will hold in confidence all personal matters committed to my keeping, and all family affairs coming to my knowledge in the practice of my calling. With loyalty will I endeavor to aid the physician in his work, and devote myself to the welfare of those committed to my care.

The Entire Public is Cordially Invited by the Faculty and Students to Attend the Exercises

Stafford Baxter and family, W. E. Baxter and family, Misses Josie and Kathryn Baxter, and Mrs. J. W. Kirkpatrick attended a Baxter family reunion at the home of W. R. Baxter and family in San Saba Monday. There were more than fifty present and those attending from here report a splendid good time.

S. A. Niell and nephew, Elbert Stephens, of San Antonio, are visiting in Arkansas.

Ben Melton of McCamey spent the week-end here with his mother, Mrs. B. H. Melton.

There are 250 perfumes in Paris in the year 1750.

Our store is operated by home boys—courteous treatment to all times is our motto.

Our truck is now in South Texas buying nice vegetables—so we can pass the many savings on to you.
