NUMBER 23

Thoughts

OF A COUNTRY EDITOR

BY JOHN C. GREGG

OUR BAND NEEDS HELP

The Santa Anna Mountaineer Band is in urgent need of some new uniforms. During the past year the Band Boosters Club has worked diligently in a desperate attempt to make enough money to purchase these new uniforms and they have made a little over \$700 in their efforts. During the past few days a committee has worked the business district of town and has raised over \$600 to go with this sum. About \$800 more is needed within the next week in order to get the order in and get the uniforms back by the time school begins next fall.

The uniform that has been decided on will cost \$52.58 each and a minimum of 50 uniforms is needed. Some help is expected to be given by the School Board, but the primary amount must be raised through contributions.

Each year every citizen is called upon to donate to this and that. Some causes are good and some may not seem that way. We feel there is not a more worthy organization than our band and they should be suited in the best uniforms possible for us to provide for them. The band is called upon to render service in various ways throughout the year and they never refuse. Can we afford to refuse them now?

Our entire area, local and rural, enjoys the performances put on by the band. We feel sure every individual will want to have a part in the purchase of these uniforms. This \$900.00 is needed to be raised in a very short time. Every one who is interested in seeing our band suited in new uniforms at the beginning of school this fall is requested to make contributions now. If possible you are requested to take contributions to the Santa Anna National Bank and leave them with Mrs. Mark Davis, secretary-treasurer of the Band Boosters organization or deposit it to the Band Uniform Fund. If you can buy a complete uniform, that will certainly be appreciated and if you can only contribute one dollar, that will also certainly be appreciated. Every dollar possible to be raised for this cause is needed now. Will you do your part?

PRESIDENT IS WRONG IN TAKING STEEL

The Supreme Court of the United States removed some of the power President Truman bestowed upon himself Monday when they ruled that he had no right, under the existing laws or under the Constitution, to take over the operation of the steel industry of the United States. So it seems that there is at least a little hope that our country is not being turned over to one man to run, or ruin, as he might see fit. The Supreme Court ruled by a 6-3 decision Monday that the President violated the Constitution when he seized the nation's steel industry and ruled that the mills must be returned to their owners. Truman soon signed the order which returned the mills.

Even before all the opinions were read, the CIO steel workers started walking off their jobs. It was expected that the major portion of the steel industry would be shutdown by Wednesday midnight.

Now we do not favor a strike by the steel industry or any other major industry, especially in the time of a crisis such as we are in today. Neither do we favor a nation's leader thinking he has the absolute power to step in and take over a private industry and operate it as he might see fit to do so. That is not Americanism. It belongs to countries behind the Iron Curtain.

Personally, we would like to see Congress enact legislation

Lindley Beckworth In Auto Accident Here Saturday

Lindley Beckworth, now serving as Congressman in the United States House of Representatives and is a candidate for the United States Senate, and a Banner Dairies delivery truck were involved in a traffic accident at 10:20 a. m. Saturday, May 31. The Beckworth 1952 Ford Ranchwagon was being driven by D. B. Edmonson, 20, neighbor of the Beckworth's of Gladewater, Texas, and the Banner truck was driven by Lee Boardman, local manager. Mrs. Beckworth was also a passenger in the Beckworth automobile. No one was apparently seriously injured.

The accident occurred at the corner of Highway 67-84 and Parker Street, as the Beckworths were entering town and Boardman was crossing the highway. Beckworth was due in Coleman at 10:30 to make a scheduled appearance and after determining no one was badly injured, caught a ride on to Coleman with a passing motorist. The Banner truck was turned over on its side and the front of the Beckworth vehicle was badly smashed. The Beckworth car struck the Banner truck near the left rear fender. Both vehicles were apparently going at a very slow rate of speed at the point of impact. Estimated damage to the Banner truck was more than its value and the Beckworth auto was over \$400.

The accident was investigated by Deputy Sheriff Raymond Greaves and Highway Patrolman H. G. Palmer of Brownwood. No charges were filed.

With The National Guard At Camp

By Leroy V. Stockard

After leaving our home station about nine o'clock Sunday morning, we arrived at Fort Hood a little after eleven a. m. Our advance detachment, Sgt. Shag Garrett and Cpl. Roy Gibson had things ready for us and by twelve o'clock we were settled just like at home.

Sgt. Ingram and Pvt. Joe Vinson had plenty of fried chicken and gravy with mashed potatoes ready to eat at noon, and you should have seen those boys take after it. Most of the boys who had never been to camp before, like Pvt. Thomas Bailey, Daniel French, Roy Henderson, Charles Hosch, Gary Patterson, Vernon Shepard, Albert Baucom, and Elvin Pollock decided Army life is not so bad after all, however, when the whistle blew at 5:30 Monday morning some of them might have thought it was just a shade early to go to work.

We had the whole morning to get the area in good shape and then started to work on the tanks at one o'clock. It is not too hot and it looks like this is going to be a very enjoyable camp. The good food and regular hours are healthy and helpful. We think these boys will put on some good solid pounds, during the two weeks we will be here.

Mrs. W. B. Allison took her daughter, Venita Joye Smith to Abilene Saturday, where she enrolled Monday at a business college.

Mrs. H. L. Biggs of Ft. Worth visited from Friday until Sunday with her parents, Mr. and Mrs. W. W. Bartlett, and her mother-in-law, Mrs. Linnie Biggs.

that would stop these crippling strikes over the nation. We do not know just how this would be done, but do know the small towns and cities eventually suffer the burden of these strikes. We also have an idea that our military forces will suffer considerably if the strike is continued for very long.

Revival Meeting To Begin At Christian Church Sunday

REV. LAWRENCE W. BRIDGES

Rev. E. H. Wylie, pastor of the local First Christian Church announces this week that their summer revival meeting will begin Sunday, June 8 with the Rev. Lawrence W. Bridges of Mt. Vernon, Texas, doing the preaching. Bridges is also an excellent singer.

Services will begin Sunday morning at 11:00 a. m. and will be held each evening at 8:00 o'clock. No weekday morning services will be held.

The church extends a cordial invitation to every one to attend each of the services.

County Election To Be Held Saturday, June 21

An election to determine whether sheep and goats will be allowed to roam the public highways of Coleman County will be held Saturday, June 21. Voting will be at every box in the county.

It seems that the county has a law forbidding cattle to run at large, but when the law was passed it failed to include sheep and goats. Recently the Commissioners Court was submitted a petition to call an election in regard to adding sheep and goats to the present law.

The election in Santa Anna will be held at the City Hall for the North Ward and in the Stockard building on main street for the South Ward.

Lions Den

Twenty-six members were present at the regular meeting of the Santa Anna Lions Club this week. Mrs. C. D. Bruce was a guest of the club and presented the program for the day.

Mrs. Bruce talked on summer recreation for the younger boys and girls of our town and suggested members of the Lions Club form some kind of organization to sponsor summer activities for boys and girls from the ages of 8 through 15 years of age. Tom Stewardson, acting as president for the day, appointed a committee composed of Lions Carroll H. Thompson, R. K. Green and Cullen Perry to check into possibilities of getting the program started.

Thursday, June 26, was set as the date for the Lions Club to hold their annual Ladies Night Program. A speaker has not been obtained as yet, but efforts are still being made to get one for the occasion.

At a directors meeting following the regular session, it was decided to present to the club a program to purchase six uniforms for the Santa Anna Mountaineer Band. This will be presented to the club next week.

The program committee next week will be composed of Lions Carl Eubank and Rex Gibson.

High School Honor Roll

Mr. Cullen Perry, principal of the Santa Anna High School, announces the following students as being on the honor roll for the last six weeks period:

FRESHMEN: Clara Jean Stewardson, Billie Joyce Woodard, Carolyn Foster, Carol Thompson, Jimmy Ray Priest, Bobbie Rehm, Odie Clyde Windham, Betty Jean Clark, Bill Jap McClellan, Carlene Mills, Ray Switzer, and Billy Wayne Lowery.

SOPHOMORES: Joe Barnes, Kay Steward, Neva Jean Rehm, Mary Jane Turner, Evelyn Shields, Jay Steward, Joyce Smith, and Ola Taylor.

JUNIORS: Dennis Parmer, Shirley Hale, Charles Scarborough, Don Davis, Bobra Garrett, Delma Drake, Bill Jack Harris, L. J. Clark, Rilda Stephenson, Peggy Ford, Jimmy Region, Jimmy Robinett, Sandra James and Billy Scott.

SENIORS: Bobby Stewart, Billy Woods, Joye Allison Smith, Frances McClellan, Ollie Fellers, Annette Johnson, JoAnn Morris, Teddy Clifton, Sandra Shields, and Evangeline Mulroy.

The semester honor roll is as follows:

FRESHMEN: Carroll Thompson, Jimmy Priest, Bobbie Rehm, Odie Clyde Windham, Betty Jean Clark, Bill J. McClellan, Carlene Mills, Ray Switzer, Billy Wayne Lowery, and Clara Jean Stewardson.

SOPHOMORES: Joe Barnes, Kay Steward, Neva Jean Rehm, Mary Jane Turner, and Evelyn Shields.

JUNIORS: Dennis Parmer, Shirley Hale, Charles Scarborough, Don Davis, Bobra Garrett, Delma Drake, and Peggy Ford.

SENIORS: Joye Allison Smith, Frances McClellan, Ollie Fellers, Annette Johnson, JoAnn Morris, Teddy Clifton, Sandra Shields, and Evangeline Mulroy.

The highest number of grade points made by students carrying four subjects for the semester are: Teddy Clifton 29, Kay Steward 29, Billy Wayne Lowry 29, Frances McClellan 28, and Charles Scarborough 28.

The highest number of grade points made by students carrying five subjects for the semester are: Bobbie Rehm 40, Don Davis 40, Annette Johnson 35, Carol Thompson 34, Bill Jap McClellan 34, Peggy Ford 33, Neva Jean Rehm 32.

Lynn Pittard Gets Commission and Degree At A & M

Lynn P. Pittard of Santa Anna received his diploma in the May 30 commencement exercises at Texas A. & M. College.

The graduate is the son of Mr. and Mrs. W. H. Pittard, Route 2, Bangs, Texas.

He received a Bachelor of Science degree in Range Management and a commission as a Second Lieutenant in the Field Artillery, U. S. Army.

Following his graduation from Santa Anna High School in May, 1948, he enrolled as a Freshman at A. & M.

While there he has been an active member of the Range and Forestry Club of which he was president and Athletic Manager for two years, a member of the Agriculture Council, a member of the Biology Club, member of the American Society of Range Management, A Cadet 1st Lt. in "B" Battery, Field Artillery, and Secretary and Treasurer of the Coleman County A. & M. Club.

Pittard was selected by the Range and Forestry Dept. and club as an outstanding student in Range Management. He was a distinguished student for one semester, his senior year.

The graduate will be employed by the Soil Conservation Service at San Angelo, Texas, until August.

He has received his order to report to Fort Sill, Oklahoma, August 4.

Usual distance of a Marathon race is 26 miles.

Construction On Ward School Starts

Public Meeting On Filtration Plant Friday

A public meeting will be held at the City Hall at 10:00 a. m. Friday, June 6, when it will be determined whether the city will award a contract for the construction of the proposed filtration plant for Santa Anna.

The Bill Leach Engineering Firm of Coleman and the two bidders on the project are attempting to work out some of the cost this week in order that the plant can be built for approximately \$40,000 or under.

Two bids were submitted on the project. One by Clay P. Carey of Brownwood for \$48,600 and one by R. B. Thornton of Brady for \$45,778.35. The engineering firm indicated the project could be built for around \$38,000.

The meeting Friday will be open to the public and if you are interested in expressing your opinion on the work, you are invited to be present. Plans also call for the cleaning of the main water lines of the city, which is expected to cost in the neighborhood of \$6,000 to \$7,000. This is considered a must if we are ever to have clear water again.

Mr. and Mrs. R. W. Balke and Linda Lou of McLean visited here several days last week. They had attended graduation exercises at Texas Tech Monday night for Rodney, a mechanical engineering student. He has accepted a position along that line in Ft. Worth. Bonnie Jean, a graduate of Trinity U. in San Antonio, is employed in the school system there.

Mrs. Norval Wylie and Nancy, Edward and Pete visited from Friday over the week end with her sister, Mrs. Basil Gilmore and family in Ft. Worth.

Construction on the new Santa Anna Ward School got underway Monday with the arrival of a part of the Robert A. Kirkbride construction force. The remainder of his crew is expected to be here in a few days.

Moving of some of the buildings on the location is underway and expected to be completed by the end of this week. The tin work shop building will be dismantled and the band hall, the agriculture building and other buildings will be moved to other locations.

Kirkbride said it would be a few days before actual construction would begin. He is getting all his equipment set up and materials needed on the lot.

The granting of the heating and plumbing contract and the electrical contract has not been awarded yet, but it is expected to be awarded before the end of this week. R. K. Green said the school board had managed so far to get the construction figures cut down to within \$2,000 of the bond issue and they were still working to get this \$2,000 cut down.

It is planned to take approximately 280 working days to complete the building.

Piano Recital Saturday Night

Piano students of Mrs. Arthur Turner will be presented in recital at the First Christian Church Saturday night, June 6, at 8:00 p. m. An invitation is extended to the public to attend and there is no charge of admission.

Mrs. J. R. Gibson had as visitors Saturday night and Sunday, a childhood friend, Mrs. A. B. Wade of Big Spring, and her daughter, Mrs. Lula Daniel of Lubbock, who teaches public school music there.

Elgean Shield and son, Elgean, Jr., of Austin are here this week attending to business.

Mr. and Mrs. J. Ed Bartlett Observe Golden Wedding Anniversary In Louisiana

MR. and MRS. J. ED BARTLETT

Mr. and Mrs. J. Ed Bartlett, their entire lives in this vicinity, widely known, and highly regarded citizens of this community, observed their Golden Wedding Anniversary on May 25th.

This happy affair took place in the home of their daughter, Mrs. R. E. Allbright, at Baton Rouge, La., where they had gone to be present at the high school graduation exercises for their granddaughter, Reta Grace Allbright. The occasion was complete with a three-tiered wedding cake and other features that are usually associated with such events.

They received many nice cards and messages of congratulations from Santa Anna and elsewhere and many more from here would have been sent, had more Santa Annans known of the observance.

With the exception of several years, when they lived in Reeves County, they have spent almost

Rockwood News
By Mrs. John C. Hunter

Bro. David Coffman preached at the Church of Christ at the Sunday services and the Rev. Don Jopling preached at the Methodist Church on Sunday. The Vacation Bible School opened Monday at the Baptist Church under the direction of Mrs. Lon Gray with 54 young people enrolled. Mrs. L. L. Bryan and Kenneth spent several days in San Antonio last week visiting Mr. and Mrs. John Hornsby and Wanda Sue. Mr. and Mrs. O. M. Puckett, Phil and Paula, of Odessa were

guests in the Bryan home last Tuesday. Max Richardson of Coleman spent the week end with his parents, Mr. and Mrs. M. A. Richardson. The Vacation Bible School of the Methodist Church will begin Monday, June 23. All young people are invited to attend. Mrs. Buck Stobaugh of Lorenzo and Mrs. Jim Duncan of DeLeon visited with Mr. and Mrs. Uless Maness last Wednesday afternoon. Mrs. Bernice Drake of Lorenzo was a Sunday guest in the Maness home. Among those attending funeral services for Horace Brinson in Bangs last Thursday were Mrs. Carl Buttry, Mrs. Lee Mc-

Millan, Bill Wright, Mrs. Drury Estes, Mr. and Mrs. Boss Estes, Mrs. N. J. Buttry and Mr. and Mrs. M. A. Richardson. Sunday guests in the R. E. Johnson home were: Mr. and Mrs. Earl Cozart, Whon; Mr. and Mrs. Clifton Straughan and sons, Coleman; Mr. and Mrs. Cap Johnson and children, Jarrell; Mr. and Mrs. Billy Maness, Brownwood; Mr. and Mrs. Clovis Taylor, Ballinger; Mr. and Mrs. James L. Moss and daughter, Dallas; Mr. and Mrs. W. H. Schultz and son, Cleveland, Tennessee; Jo Ann, Minnie Beth and Glenn Gardner, Coleman; Mrs. John Kemp and Mr. and Mrs. Fox Johnson. Also Mr. and Mrs. Luther Wood and Mike of Hamilton. Mr. and Mrs. L. L. Bryan and Kenneth accompanied Mr. and Mrs. John Kline to San Angelo last Monday. The Rev. and Mrs. Don Jopling and Mark had as guests Thursday to Sunday, Mrs. Jopling's mother, Mrs. Ethel Culp and her sister, Mrs. John Houston and daughter, Tyra Lynn, all of Ft. Worth. Miss Lois Moore and Mr. Hal Haynes were married in a church ceremony Saturday, May 24 at 8 a. m. in Corpus Christi. They have spent this week with Mrs. Haynes' parents, Mr. and Mrs. Hyatt Moore and other relatives. The Estes families were in Coleman Sunday where 78 relatives and 14 guests met at the Coleman Park for the annual reunion of the Estes family. Mr. and Mrs. Sam Estes and Mr. and Mrs. Hal Haynes spent Thursday in Sweetwater with Mr. and Mrs. S. H. Estes. Mr. and Mrs. Miller Box and Miss Jerry of Ft. Worth spent Friday and Saturday with relatives going on to visit others at Burnet. Mr. and Mrs. Burtis McSwane and son, Don, and Mrs. J. B. Ratliff of Brownwood visited relatives last Wednesday. Mr. and Mrs. Bob Straughan returned home last Saturday

after an extended visit with their children in Houston. Mr. and Mrs. John Straughan and Shirley Sue brought them home, returning to Houston Sunday. Mr. and Mrs. Drury Estes recently spent 8 days in Durant, Okla., with Mr. and Mrs. John Horseman. Mrs. R. C. Arnold of Midwest City, Okla., came Friday to visit her parents, Mr. and Mrs. A. L. King and Mrs. J. C. King. All of them spent Sunday in San Antonio with Mr. and Mrs. Gerald Sitterle and Susan Kay. Mr. and Mrs. Claud Hardee of Dallas spent Tuesday to Friday with Mr. and Mrs. Bob Steward. Mr. and Mrs. C. J. McQueen of Gruver spent last week with Mr. and Mrs. Lee Miller. Mr. and Mrs. Bill Rehm and family were Sunday guests of Mr. and Mrs. Johnny Steward and James. Mr. and Mrs. Marshall Campbell spent Saturday night and Sunday with Mr. and Mrs. Claud Box. Cpl. Weldon C. Estes left Sunday with the National Guard units for two weeks training at Fort Hood. Mr. and Mrs. Cecil Yeatman and children of Harlingen spent Monday with Mr. and Mrs. Ray Caldwell. Misses Colleen and Kelly Wise of Fort Worth spent the week end with home folks. Mrs. Hilton Wise and Sue accompanied them home for a few days visit. Mrs. Gussie Wise and daughter, Miss Billie, Mr. and Mrs. Bill Rogers and Christy and Mr. and Mrs. A. N. Box of San Angelo visited with Mrs. J. W. Box and Miss Linnie during the week end. They with Mrs. Eyan Wise were Sunday dinner guests of Mr. and Mrs. Jim Rutherford, Larry and Bob. Mrs. L. W. Whitfield, Mrs. Nannie Marie Pearson and Mrs. Pauline Walker were Sunday guests of Dr. and Mrs. W. G. Williams and family. Miss Kelley Wise, bride-elect of John Roy Smith of Fort Worth, will be honored with a gift shower at the lunch room, Thursday afternoon, June 12 at 3 p. m. with Mrs. Bill Bryan, Mrs. Jake McCreary and Mrs. Curtis Bryan as hostesses. Pete Cooper went to McKinney V. A. Hospital Wednesday for a checkup. He was accompanied by his brother, Jack Cooper. Mr. and Mrs. Jack Bostick visited with relatives in Lampasas Thursday to Monday. Mr. and Mrs. L. Brushenhan spent the week end with Mr. and Mrs. Bailey Hull in Purdon. Mrs. Curtis Bryan, Community Sponsor of the Rockwood 4-H Club girls, represented Coleman County at the District 4-H Club Camp at Ballinger Monday to Thursday. Steve Fenton of Gouldbusk spent Sunday and Sunday night with Darrell McClain. Mrs. Bill Scoggins and son Billy Ed returned to their home at La Feria Thursday after an extended visit with her parents, Mr. and Mrs. A. S. Hall. Friday night guests in the Hall home were Mr. and Mrs. Max

Braentigam. Mrs. Lige Lancaster and Mrs. Linton Oakes and children visited Sunday afternoon with Mrs. Hall. Mr. and Mrs. Henry Barker of Brady were with Mr. and Mrs. John X. Steward and Nelda on Sunday. They, with the Ray Steward family, were dinner guests of Mr. and Mrs. Douglas Avants and baby at Whon. Mr. and Mrs. Leon McMillan visited with relatives in Brownwood Sunday. Misses Nell and Maydell Long of Goldthwaite are spending several days with them. Mrs. Jack McSwane and Stanley recently visited in San Angelo with Mrs. C. H. Moseley and Mrs. Eloise Harbert. Miss Lizzie Fowler of Coleman is spending the week with Mr. and Mrs. Hyatt Moore. Mrs. Fanny Pike of Bangs, Mr. and Mrs. H. Rudolph, their daughter, Mrs. Schoffstoll and children of Temple and Mrs. Myrtle Crow of Holland visited Tuesday in the home of Mr. and Mrs. Lee Miller when the four sisters, Mrs. Pike, Mrs. Rudolph, Mrs. Crow, and Mrs. Miller celebrated their annual get together. When the Santa Anna Grammar School 8th grade graduated, Olivia McIntire, Jo Beth Cooper, Wendell Rehm, Janis Steward and Kenneth Bryan had been together since starting first year of school in Rockwood. Misses Janie Bryan and Maydell Blair were the graduating

seniors from Rockwood. Mr. and Mrs. Owen Holder and daughters Sue and Deborah and Ruby Hunter and Mr. and Mrs. Tommy Brisco and children spent last Thursday with Mr. and Mrs. J. A. Hunter and Don. Mr. and Mrs. James Hunter of Denver City spent the week end in the Hunter home. The WSCS met at the Methodist Church Monday afternoon with Mrs. Leon McMillan directing the second session of Churches For Our Country's Need. The time of meeting was changed to 3 p. m. There were 10 members and 3 guests present.

PERSONALS

Mrs. A. R. Brown returned home on Thursday of last week, from Odessa, where she had been visiting with her niece, Mrs. Lester Boone and family. She attended high school graduation exercises for Carl Boone. Her sisters, Mrs. Frances Adams and Miss Ruby Valentine of Austin, came and took Mrs. Brown to Odessa. Mrs. S. L. Cannon returned home last week, from a visit of several days with relatives in Abilene. J. L. Harris was able to come down town Monday, after having had surgery two weeks previous. He is looking real well.

Why are women's purses bigger than men's?

Remember all those cartoons you've seen of a wife going through her sleeping husband's trouser pockets? They may give you a clue why some women's purses are bigger.

But we're inclined to think that there are other and better reasons why more women than men own stock in so many of America's largest companies.

For one thing, women are practical, thrifty, and inclined to do something sensible about their future finances and those of the family. Forgive us, mister, but the facts speak for themselves:

Women have outnumbered men share owners of telephone stock since 1900. The big food companies have a predominance of women share owners. Ditto the country's largest auto maker. And, at last count, 116,800 women owned shares in General Electric as against 83,000 men.

Big business, as it turns out, is a woman.

About 2,100 of these women—and men—turned out this spring to attend the G-E annual meeting and eat a box lunch in one of our largest factory buildings. If you'd like a report of what was said and done, just let us know. A card asking for "Report of the Sixtieth Annual Meeting," Dept. 6B, General Electric, Schenectady, N. Y., will do the trick.

You can put your confidence in—

LEGAL NOTICES

Citation By Publication
THE STATE OF TEXAS
To: Gates Oil Company, a corporation; Gates Oil Company, a defunct corporation; Pennant Oil & Gas Company, a corporation; Pennant Oil & Gas Company, a defunct corporation; and all of the officers, directors, stockholders and Agents of said corporations and their unknown heirs; and all of the unknown owners of mineral interests in the lands hereinafter described, Defendants, Greeting:

You are hereby commanded to appear before the Honorable Thirty-Fifth Judicial District Court of Coleman County, in Coleman, Texas, at the Court House thereof, in Coleman, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 14th day of July A. D. 1952, then and there to answer Plaintiff's Petition filed in said Court, on the 29th day of May A. D. 1952 in this cause, numbered 7575-A on the docket of said court and styled C. B. Edington Plaintiff, vs. Gates Oil Corporation, et al, Defendants, the name of each and all of the Defendants in this suit being set out in the caption here-of.

A brief statement of the nature of this suit is as follows, to wit:

Plaintiff alleges that he is the owner of all the surface and of one-half of the oil, gas and minerals in all of Block 41 of the subdivision of Comal County School Land Survey No. 181, in Coleman and Brown Counties,

Texas, containing 163 1/2 acres, being all of Second Tract described in deed from H. B. Edington and wife to C. B. Edington, dated July 26, 1927, recorded in Vol. 159, page 139 Coleman County Deed Records, here referred to; and that the defendant Gates Oil Company, a corporation, Gates Oil Company, a defunct corporation, and the unknown officers, directors, stockholders and agents of same are the owners of 1/6th interest of the oil, gas and minerals in said land, and that they have absented themselves for at least five years successively next preceding the filing of this suit, and that none of the defendants have rendered or paid any taxes on said mineral interests, and Plaintiff prays that his title to his one-half of said oil, gas and mineral estate be quieted and that a Receiver be appointed to sell, execute and deliver to a Lessee a mineral lease on the outstanding undivided one-half mineral interest in said land in accordance with Art. 2320 B of the Revised Civil Statutes of the State of Texas, as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Coleman, Texas this 29th day of May A. D. 1952. Attest:

T. H. Corder, Clerk,
District Court,
Coleman County, Texas
(SEAL)

PERSONALS

Mr. and Mrs. Curran Pieratt had all their family together last week end, except Afton. Those who came were: Mr. and Mrs. Curran Pieratt, Jr., and children from Brice Canyon, Utah; Mr. and Mrs. J. D. Pieratt and children and Virginia Pieratt of Ft. Worth; and Mr. and Mrs. Billy Pieratt nad children of Killeen.

Tom Stewardson, County Republican chairman, attended the state convention at Mineral Wells last week. Mrs. C. D. Bruce, who is Secretary for Coleman County, and Mrs. Grady Banister, spent the day in the convention Tuesday, and were present during the interesting debate over seating and the walkout of the Ike forces.

Mrs. Charlotte Hogue and children, her parents, Mr. and Mrs. J. B. Howington and George Stewardson, Jr., returned early last week from a visit with Mr. and Mrs. Darwin Watson at New Boston, Texas. Mrs. Stewardson and Clara Jean remained for a longer visit. Those returning, visited for a while with Reuben Howington in Dallas.

Dr. A. M. Fischer of Coleman, is attending the 37th annual convention of the Texas State Chiropractic Association. He will take all the Post Graduate work there this week, June 4-7 and next week he and family plan a trip through Louisiana, Mississippi, Alabama, Tennessee, Kentucky, Missouri and Oklahoma, visiting points of interest.

Mrs. C. M. Wood and daughter, Mrs. Pierre Rowe, will leave Saturday for Mesa, Arizona, where they will visit with their daughter and sister, Mrs. N. H. Walker. Mrs. Wood will remain for an indefinite stay.

Mr. and Mrs. B. K. Riggs returned to their home at Ft. Stockton on Thursday of last week, after a 10 day visit here, in the home of their son-in-law Milton House and children.

Mr. and Mrs. Adrian Speck, of Dallas, visited her mother, in San Angelo, last week and spent the week end here with his parents, Mr. and Mrs. H. D. Speck.

Harper Hunter, who has been working at Grand Prairie, is home for a while with his mother, Mrs. A. D. Hunter.

Jasper Robbins came at the week end and took his wife and son, Billy Ray, to Midland, where he is employed. They will make their home there.

GO TO CHURCH SUNDAY

Ora Alice Newman took her mother, Mrs. Louis Newman, to San Angelo Tuesday where she will receive medical attention.

Mrs. E. H. Wylie has returned from a visit of several weeks with her mother and other members of the family at Whitesboro.

Stamp pads at the Santa Anna News office.

Mrs. G. W. Bailey, and Mr. and Mrs. Hugo Voglesong of Winters, visited Sunday evening with Mr. and Mrs. E. L. Dossey.

Carl Ray, who is employed in the Signal Dept. of the Santa Fe R. R., came home at the week end and will remain this week with his family while on vacation.

Home Demonstration Family Night Affair Well Attended

The Family Party was well attended on last Friday night at the home of Mr. and Mrs. Clifford Stephenson. Mrs. Stephenson is the president of the club. The glowing coals in the barbecue pit served in roasting the many wieners that were consumed, and also made the chill night air quite pleasant. With the wieners and buns there were plenty of such accessories as a variety of pickles and potato chips. Lots of coffee was also enjoyed made in the clubs big coffee pot. Sweets for the wind-up were cakes, cookies and hot chocolate. Some present enjoyed playing croquet on the well lighted court. Others enjoyed talking. Most took advantage of the opportunity to see the many improvements, including rooms added, renovations, and redecorations on the Stephenson home.

Mrs. Jack Cooper Elected President Rockwood P.T.A.

When the P-TA met at the Rockwood lunch room in a business session, Mrs. Jack Cooper was named President for the coming year. Mrs. Lon Gray was elected Vice-President and Mrs. Dick Deal Secretary.

Mr. and Mrs. E. E. Wood and daughters of Sweetwater, visited Monday and Tuesday with her parents, Mr. and Mrs. Sam McCrary and other members of the family.

Miss Johnson Speaks To Liberty Home Demonstration Club

Miss Bernice Johnson was a guest of the Liberty Home Demonstration meeting Tuesday afternoon in the Liberty Community Building.

Mrs. W. H. Pittard called the meeting to order and all members repeated the pledge and prayer.

Mrs. John Perry introduced Miss Johnson and she gave a very interesting talk on the Duties of County Officers.

Refreshments were served to the guest, Miss Johnson, and Mmes. Eaf Day, J. G. McDonald, Vernon Penny, Willard Powers, John Howard, Truman Fletcher, John Perry, Virgil Lancaster, J. D. Howard, Jr., W. H. Pittard, Lee Smith, Howard Moren, and one new member, Mrs. Sid Blanton.

—Reporter

Whon Home Dem. Club Met Last Wed.

The Whon Home Demonstration Club met in regular meeting Wednesday, May 28th at the lunch room.

Due to absence of both President and Vice-President, Mrs. Bert Turney acted as Chairman, calling the house to order repeating the Pledge and Prayer.

The guest speaker for the afternoon was Mr. "Sticks" Corder, District Clerk of Coleman Co. He gave a very interesting and instructive talk on Duties of County Officers. Mr. Corder is asking for re-election as District Clerk of Coleman County. After his interesting lecture, a round table discussion was enjoyed by all.

Mrs. Bert Turney was hostess to the club, serving cookies and bottle drinks.

The business session was called to order by Mrs. Floyd Morris, when new and old business was taken care of.

Refreshments were served to members Mmes. Bert Turney, Allyn Gill, Riley McFarlin, Floyd Morris, George Rutherford, Joe Barnes and Douglas Avant.

Visitors present were: Mrs. Neewah Armbrust of Houston, Nelda Steward of Rockwood, Mrs. Tom Rutherford, Mr. Corder, Lanita Bengie and Christine Barnes and several children.

The next meeting will be June 11th, at the lunch with Mrs. Rex Turney as hostess.

Mrs. Wilbur Moseley and her husband's niece, Evelyn Moseley, brought her grandmother, Mrs. Ann Kulp home from Temple Sunday, where she had been seven weeks with her daughter, Mrs. Charles Zenor and family. Mrs. Kulp reports Mrs. Zenor to be very much improved from her long illness.

Mr. and Mrs. A. G. Fussell and children, Carlyn Jean, and John Gray of Corsicana visited from Saturday until Monday with her parents, Mr. and Mrs. E. M. Simmons. A friend Bernice Humbert came with them.

ANNOUNCEMENT
The Santa Anna Chapter No. 247, Order of Eastern Star, will have the installation of its officers Saturday night, June 7th, at 8 o'clock in the Masonic Hall.

Engagement Announced

KELLEY WISE

Mr. and Mrs. C. H. Wise of Rockwood, announce the engagement and approaching marriage of their daughter, Kelley, to Mr. John Roy Smith, Jr., son of Mr. and Mrs. John Roy Smith, Sr., of Fort Worth. The wedding will be June 14 at the home of the bride's parents.

Mrs. Claud Box Rockwood W.M.U. Hostess Monday

The WMU of the Rockwood Baptist Church met Monday afternoon at the home of Mrs. Claud Box. The women spent the afternoon sewing for Buckner Orphan Home. They also brought gifts for the home instead of exchanging gifts. Mrs. Box conducted an interesting game at the refreshment period.

Pimento cheese sandwiches and bottled drinks were served to Mrs. Lon Gray, Mrs. Lee McMillan, Mrs. Bill Rehm, Mrs. Carl Buttry, Mrs. J. C. King, Mrs. Evan Wise, Mrs. Lawrence Brushenhan, Mrs. A. L. King, Mrs. Veina Box, Mrs. Matt Estes, Mrs. Frank McCreary, Mrs. Ray Caldwell and a visitor, Mrs. R. C. Arnold of Midwest City, Okla., and the hostess, Mrs. Box.

On Sunday afternoon, Doug Moore took Mrs. Moore and Linda to Ft. Worth where they spent the night with the Tom Vinsons. On Sunday Mrs. Moore and Linda left by train for Washington, Iowa, for an indefinite stay with her 82 year old mother, Mrs. Laura Graham, who recently suffered a light stroke.

Mr. and Mrs. H. M. Oder and Lee Beth, returning to their home in Abilene from a visit with the Paul Oders in Corpus Christi, visited with his mother, Mrs. A. L. Oder, Sunday afternoon. With them were Mrs. Paul Oder and Sally, who will visit in Abilene and Anson.

Joe Hal England is home from Texas A. & M. College, where he has been a student.

Roby Grantham and daughter, Guinn of San Antonio, were week end visitors with his parents, Mr. and Mrs. D. W. Grantham. Otto Lang accompanied them to San Antonio for a visit with a sister, who is ill.

Mrs. Mace Blanton visited from Tuesday until Thursday of last week in the home of her son and daughter-in-law, Mr. and Mrs. Mace Blanton, Jr., in Ft. Worth. The latter, who had been sick, was better when she left.

Mrs. Annie Taylor of Santa reared in this community. Her Anna is quite proud of her grandson, James E. Underwood, who graduated from West Point Military Academy, on Tuesday night of this week. His mother is Mrs. Vivian Underwood of Great Falls, daughter of Mrs. Taylor and Cliff Herndon and Mr. Herndon.

Mr. and Mrs. Paul Wilburn and daughters, Carolyn and Nancy of Big Lake, were week end visitors with his sister, Mrs. Taylor and Cliff Herndon and Mr. Herndon.

THE BIBLE SPEAKS

International Uniform Sunday School Lessons

BY DR. KENNETH J. FOREMAN

SCRIPTURE: Exodus 20:15; Luke 16:1-12; 19:1-10, 45-46.
DEVOTIONAL READING: Amos 5:9-15.

Persons and Property

Lesson for June 8, 1952

STEALING can be done in more ways than one. The essence of it is keeping some one from having what he should rightfully have, and what he would have if you did the right thing by him. This "some one" may be a railroad company, or it may be yourself. If you pass your little girl off for ten years old when you buy a ticket when she is really twelve, you are stealing from the railroad. If you waste good money while you are making good money, and never learn to save, so that you become a pauper in your old age, then you are stealing from an old man—yourself in fact.

Dr. Foreman

Money Should Be Good for Something Good

JESUS never bothered to tell people stealing is wrong. They know it. As Billy Sunday used to say so often: "When a man starts to tell you that stealing's no sin, don't argue with him. Search him!"

Jesus said a great deal about property, but most of what he said was positive, not negative; about the right use of property, not its abuse. One of his most difficult parables is the one in Luke 16 known as the parable of the "unjust steward."

On first reading it looks as if Jesus, or the rich man in the story, were praising a man for being dishonest. But we know Jesus would not do this. Dr. A. B. Bruce suggests that what Jesus was driving at was something like this: the employer of the "unjust steward" was not praising his dishonesty but his shrewdness in making the most of his opportunities.

We can all admire the smartness of a rascal even while we are condemning his rascality. We can wish that so much smartness were used for a better purpose.

"The children of this world are wiser . . . than the children of light" suggests that good people are not as smart as they ought to be. Jesus goes on to say, "Make friends by means of the mammon of unrighteousness." That is to say, although money in itself is neither good nor bad, and although money is often used for bad ends, it can be used for good purposes.

The real value of money is the good that can be done with it. Money lost by gambling (for instance) does no good; it is picked up by another gambler who will lose it in his turn. Money spent on an education, on the other hand, or sent to support a foreign missionary, is money invested in a brighter future.

The Pocket-Book Nerve

DR. J. G. PATTON says it's very doubtful whether a man is a true Christian unless he dedicates to God not only himself but what he has. It is easy to say to God, "Take my soul," because (as most people suppose) they have no special use for their souls right now; but it is much harder to say, "Take my money," because most people can think of plenty of uses for their money.

And yet it is never possible to give money to God, of course. He has no pockets, he has no bank account, he does not need to buy anything. When we speak of dedicating our possessions to God what we mean is devoting them to the cause and the service and the purposes of God.

The story of Zacchaeus is a case in point. This wealthy (and none too honest) businessman never did say right out, "I believe in Christ," or, "I want to go to heaven," or even, "I repeat of my sins." So far as the story goes he was not even baptized.

Yet Jesus—and who should know better than he?—said, "Salvation is come to this house." Long before this Jesus had said, "By their fruits ye shall know them." And what Zacchaeus said he was going to do with his money was a very good sign of his conversion. When a man's pocket-book has been converted, the man usually goes with it!

Stealing in Church
THE STORY of Jesus and the money changers brings out some things else. Right there in the temple

the stealing was going on, and respectable people had done nothing to stop it before Jesus came on the scene.

Stealing can still be done in church. When a congregation underpays the minister or the janitor, they are stealing; or if the minister and the janitor are lazy and no-account, they are stealing from the congregation. No one is free from the temptation.

IT'S THE LAW in Texas
A public service feature of the State Bar of Texas

PATENTABLE IDEAS PROTECTED BY SIMPLE PRECAUTIONS

Many people have good ideas about new or improved machines or gadgets, but never do anything about them because they don't know how to protect their rights while perfecting such items and going through the necessary patenting procedure. Here's what you can do to protect your invention before you have it patented.

Under the patent laws of the United States the person who first conceives of a new and novel patentable idea is entitled to it. Therefore, if conflicting claims arrive as to who is entitled to a patent, it is necessary to establish who first had the idea, not who filed the first application for patent.

Of course, it is always advisable to make application for patent as soon as possible in such cases. But don't forget to protect yourself while you are completing your final drawings and ultimate plans and making such tests as may be needed to perfect your patent. To do this, you should, as soon as you conceive the idea, make a written record of the facts, dating the same, including a general statement of the nature of your invention, and a rough drawing if possible. This should be witnessed by two persons who could be called on later on to certify that they witnessed the same on the dates set out in the instrument you

TEXAS HERBICIDE REGULATIONS

Reports of crop damages resulting from careless or misuse of hormone type herbicides are beginning to trickle into the offices of the Texas Department of Agriculture in Austin. These reports are expected to increase daily unless farmers and ranchers exercise normal precautions in chemical applications as the season advances.

Herbicides 2, 4-D and 2, 4, 5-T are excellent for the control of weeds, mesquites and bushy growths. They are not "poisons", as many believe. Instead, these hormone chemicals energize plants, causing them to literally "grow themselves to death."

Some inventors place such witnessed statements and drawings in an envelope. This they seal and mail to themselves by Registered Mail. Their post office stamps each seam of the envelope in such a way that any opening of same can be detected. Upon receiving the registered envelope and its contents, the inventor merely files it away in a safe place unopened. Then, if a contest should later develop, postal records will lend additional support to the testimony of his witnesses.

By taking the above precautions, you will establish a preliminary date showing the time when your original idea was conceived. After that you can continue with your work, perfect your idea, and after the same is perfected, make application for a patent, if you feel that you have a patentable idea.

One should not just make a preliminary sketch and put it away and think that is sufficient to protect his rights. That is just one additional bit of evidence to help him establish his right to the patent. The patent should be sought as soon as one possibly can after conceiving his patentable idea and working out details of the same.

(This column, based on Texas law, is written to inform — not to advise. No person should ever apply or interpret any law without the aid of an attorney who knows the facts, because the facts may change the application of the law.)

Most broad-leaf plants are susceptible to this growing action. Rice, flax, grain sorghums and grasses are not affected, however, and for this reason, 2, 4-D and 2, 4, 5-T are good solutions to use on these crops to keep down weed infestations.

But many crops, such as cotton, can be severely damaged by hormone herbicides if adjacent fields are sprayed carelessly.

Herbicides should never be applied, either from ground or air equipment, during a high wind which would cause droplets to drift from pasturelands into crop fields. Another common mistake is the use of too much pressure in the equipment which creates a fine spray susceptible to long drifts. Heavier drops are most effective and are more apt to settle in areas where they are

intended. Damage from herbicides is usually easy to recognize. It causes mutations in the plant, sometimes making the leaves grow in odd shapes and to curl at the edges. Unless the accidental dosage is too great, however, the farmer may still make his crop, even though the yield might not be as much as before damage occurred.

One of the duties of the Texas Department of Agriculture is to inspect all ground and air equipment used in application of herbicides to see that it comes up to specifications of Texas Herbicide Regulations. The department also issues permits to those farmers, ranchers and commercial spraying companies who wish to apply herbicides to the land.

All dealers are required to keep sales records, and all spraying companies or individuals must keep records of date of herbicide applications for two years.

These regulations apply in cases where more than 20 acres are to be sprayed. A fee of 10 cents per acre is charged for permits. For

plots less than 20 and more than 5 acres, no permit is required but written notice must be given the department that chemicals are to be applied. For less than 5 acres, no permit or notice is required.

A few counties in West and South Texas are exempt from the Texas Herbicide Regulations. A request for information on exempt counties and regulations should be addressed to John C. White, Commissioner, Texas Department of Agriculture, Austin, Texas.

Mrs. Vera Shield returned home Monday from Ft. Worth, where she had visited since last Thursday with a friend, Mrs. Maudie Allen.

Miss Mary McCorsle, after closing her school at Cedar Hill, near Dallas, is home for the summer with her sister, Mrs. Melvin Lamb.

Mrs. Claude Reid and Sam and Malinda, came Tuesday and visited until Wednesday with her mother, Mrs. J. J. Kirkpatrick.

more milk from roughage

When You Feed RED CHAIN DAIRY FEEDS

Tests have very definitely shown that a variety of the right kind of ingredients in a supplement increases the percentage of digestibility of roughage in ruminant animals. With dairy cattle this means a greater amount of nutritional elements to make milk and keep the cow in condition. RED CHAIN Dairy Feeds provide a variety of protein ingredients along with vitamin D and molasses for improved palatability as well as an aid to the digestive processes. That is why dairymen have found that RED CHAIN Dairy Feeds aid cows to "shell out" more milk.

RED CHAIN Dairy Feeds are available in 16%, 18% and 24% protein, so as to economically balance, good, average or poor roughage. For dairymen having plenty of home grains, RED CHAIN 34% Protein Dairy Supplement provides the base for dairy feeds of any desired protein content. See us today for a supply of RED CHAIN.

1800 Expected At Texas 4-H Roundup

Recognition for achievement and entertainment are the primary objectives of the 1952 Texas 4-H Roundup. The 1,800 4-H club members, local adult leaders and extension agents who are expected to attend will find all-planned programs and activities aimed at achieving the two objectives.

According to A. H. Walker, chairman of the Roundup program, the first planned activities are scheduled for Monday afternoon, June 9 and include visits to spots of interest on the campus of Texas A. & M. College. The Monday night program will feature an outdoor party for all 4-H members at the "Grove" and at the same time Chancellor and Mrs. Gibb Gilchrist will honor all 4-H leaders with a reception at their home on the A. & M. Campus.

Tuesday is the big day. Sixteen judging and demonstration contests will be held to pick the state winners in as many different 4-H fields of work. The delegates to the Roundup and the leaders will participate in the program which formally opens the 1952 state meeting and they will hear Dr. G. C. Baker, Jr., chaplain, Southern Methodist University, discuss "Tomorrow's Honors". Periods devoted to group discussions and recrea-

GM Builds New 'Two-Way' Plant in Texas

Construction work has begun on the new General Motors "dual purpose" plant (above) at Arlington, Texas, where GM's Buick-Oldsmobile-Pontiac Assembly Division will build a Grumman-designed airplane for the United States Navy and assemble passenger cars simultaneously. The flexible layout of the plant will permit combined aircraft-automotive operations or it can be converted in a matter of days to either

total aircraft or total automotive production, depending upon military requirements. The "dual purpose" plant idea was first proposed a year ago by C. E. Wilson, GM president, as a means of maintaining strong military and civilian production levels without disruption of plant facilities or working forces. Most of the Buick, Oldsmobile and Pontiac cars produced in the Arlington plant will be for distribution in Texas.

tion for the 4-H delegates will follow the general meeting while the 4-H leaders will confer on "How to be a Better 4-H Leader." The afternoon session will

feature Captain Don Lawrence, Department of Public Safety, with a special program on fire-arms. Beginning at 2 p. m., a tour of the A. & M. College Campus and the new agricultural facilities will be made. A tea honoring all 4-H members who have won state and national awards is scheduled for 4:30 p. m., Social Room, Memorial Student Center.

The winners, teams and individuals, will be presented in a series of meetings to be held in the MSC between 6 and 7 p. m. The State 4-H Recognition Banquet is scheduled for Sblisa Hall at 7 p. m. The Sears-Roebuck Foundation is sponsoring the banquet and the state win-

ners and local leaders will share the spotlight. An outstanding entertainment program has been arranged by Mr. C. T. Johnson, southwestern area director for the Foundation.

The Roundup will be officially over after breakfast on June 11.

Chili Contest At State Fair In Oct.

An attraction that will really be hot stuff has been set for the 1952 State Fair of Texas, Oct. 4 through 19.

A world championship chili contest will be held on Sunday, Oct. 5, during the fair, James H. Stewart, executive vice president and general manager, has

announced.

Rules of the state fair contest stipulate "no beans." This is so the chili can be judged on its own merits alone.

"Every Texan has his own idea about how to make good chili," Chairman Joe E. Cooper pointed out, "and we expect to be peppered with entries and recipes."

The contest will be open to the world. Amateur cooks and professional chili chefs alike may enter. Contestants must furnish for judging one quart of chili—without beans—and a recipe must accompany each entry.

The recipe awarded first place will become the official chili recipe of the State Fair of Texas.

Entries will be judged on flavor, appearance, aroma and proportion of basic ingredients.

"One purpose of the contest," Cooper said, "is to restore chili's lost prestige in things gastronomic, not to mention the re-establishment of public confidence in this glorious victual. The noble institution of a bowl of chili must not be abandoned to perish on the vine."

"Real, sure-enough, Texas-style chili, Cooper avows, must have the strength to chin itself and possess the authority of a Marine buck sergeant."

VARIETY MARKS HUNTERS' POLL

Austin — The Executive Secretary of the Game & Fish Commission said close to 1,000 waterfowl and dove hunting date preferences have been received in the sportmen's poll.

He said there have been about 700 votes on waterfowl and slightly less than 300 votes on doves.

The poll was authorized to determine public sentiment as a guide for recommendations for the 1952 shooting seasons which the Commission will make in July. Primary interest is in preference for opening the mourning dove season and for the duck and goose season.

Votes to date on the waterfowl range from starting the shooting on October 1 to starting it on December 31. The early date was given by a North Texas man and the later one by a South state man.

The largest vote for any one date was 242 for October 15. One hundred one hunters asked for November 1 and 97 suggested opening the waterfowl hunt November 20. There was a scattering of votes for December opening dates. One hundred nine wrote that they favored zoning

this state.

The largest vote on the mourning dove issue totaled 119, seeking October 15 as the opening mourning dove date for the South zone. Most of these preferences came from Corpus Christi in Nueces County. Sixty seven Harris County persons suggested October 1 as the South zone opener on doves. Fifty hunters from Anderson County in East Texas suggested September 1 as the North zone opener on doves.

Calvin Odell of Watonga, Oklahoma, a young man employed by her husband, drove the car for Mrs. Will Schulle and Willene and Jackie when they came to visit her parents, Mr. and Mrs. J. J. Gregg, last Friday. Mrs. Schulle and the driver returned home Sunday, and the children remained for a months stay. She was scheduled to undergo major surgery on Tuesday.

Mr. and Mrs. O. J. Albro were at Crystalval Sunday, where they attended a birthday celebration for a brother-in-law, W. J. Harrington, who was 80 years old. They had a pleasant time with the Thirty-two relatives that were present.

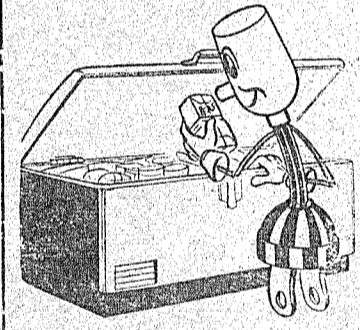

Mr. and Mrs. John T. Burrell and Tommy of Houston, visited from Thursday night until Sunday afternoon, with her parents, Mr. and Mrs. Garland Powell.

"Willie Wredhand" SAYS

Get a home food freezer and have fresh foods at home the year around. You will have better tasting and more nutritious food as well as savings on food that might be wasted.

First decide what your needs are. Will you need a unit for storage only or one for storage and freezing?

When buying a freezer, experts suggest providing about 6 cubic feet per member of the family. Remember to plan ahead and freeze only as much as your family can use for the year.

Certain foods will keep from 8 to 12 months depending on how carefully it is packaged and frozen.

A 20 cubic foot freezer will roughly average 140 kwh per month. Smaller units will consume less.

A freezer can actually pay its own way if used intensively but savings in time, effort, health and convenience are easily possible for any freezer owner.

Economies are especially good with a large family and when garden produce can be obtained from the farm or locally.

See your local cooperative manager, electrification adviser to discuss your needs, what kind of a freezer to buy and how to freeze food properly.

FFA Convention To Be Held In Dallas July 16-18

Dallas, Texas. — A Committee of Dallas and Fort Worth businessmen met Friday in the office of Cal Johnson, Co-Chairman of the Future Farmer Committee and made final plans for the 24th Annual Texas Future Farmer Convention, which is to be held in Dallas at the Baker Hotel on July 16, 17, and 18, according to Franklin Brandt, President of the Texas Future Farmers Association of LaGrange.

The Convention will be opened Wednesday afternoon, July 16th at 2:00 p. m. with a 2 mile long parade up Commerce Street in which well over 20,000 Texas Future Farmers will show off to the city people of Dallas the latest in farm machinery that will be furnished by the farm machinery companies of the city.

Another highlight of the Convention will be a Gold Key Banquet attended by well over 3,000 Texas Future Farmers, honoring the 600 Future Farmers who have been awarded the Lone Star Farmer Key for outstanding achievements in the State Association. Governor Allan Shivers, along with Dallas Notables, have been invited to attend the dinner.

New Corn Hybrid Announced

Seed of Texas 15W, a new white corn hybrid developed by the Texas Agricultural Experiment Station, will be available for planting by Texas farmers in 1953.

Under comparative tests in experimental plots over the State the past two years, Texas 15W has produced higher yields than any white hybrid now sold. The new hybrid was developed

by Dr. John S. Rogers and his co-workers in the corn breeding program, according to Station Director R. D. Lewis. Rogers also developed Texas 11W, heretofore the most popular white hybrid for Texas growing conditions, and Texas 26, 28 and 30, high-yielding yellow hybrids.

Since Texas 15W does not have as good shuck coverage as Texas 11W, it is better adapted to the Blackland Prairie than it is to the more humid area of East Texas and the Gulf Coast. However, it is not objectionable to either of these areas and has produced yields as high or higher than 11W in both locations. Texas 15W is not as resistant to

ear worms and ear rots as Texas 11W but the stalks will stand up slightly better in the field.

Most white corn in Texas is produced in the Blackland Prairie and Texas 15W should replace 11W in this area as the seed becomes available to farmers, Lewis said.

Mr. and Mrs. Pittard and Mrs. George Lush, Coleman, attended the graduation exercises at Texas A. & M. May 30, where their son and nephew, Lynn, received his B. S. degree. They also attended the Commissioning exercises to see Lynn get a 2nd Lt. in the Field Artillery and Final Review Saturday morning.

Our WASHINGTON Letter
By Congressman O. C. FISHER

A FEW YEARS AGO there was a story going the rounds about what the welfare State had done to a flock of seagulls in California. A fish processing plant was being operated, with the refuse being dumped on a nearby hillside. Soon the seagulls found this easy source of food and more were attracted to this easy life. They no longer had to work

RAT BAITING Part of SPRING CLEANUP

CLEAN UP RUBBISH STACK FIREWOOD NEATLY

Rubbish piles afford protection for hiding and underground breeding.

RATPROOF YOUR BUILDINGS

Ask your county agent for a rat-proofing bulletin.

PLACE RAT BAIT

Baiting is the most effective anti-rat measure. Outstanding among the available poisons is warfarin, discovered at the University of Wisconsin. It causes no "bait shyness," kills both rats and mice, and is comparatively safe. Warfarin bait, placed in a few permanent bait stations, kills newcomers and controls reinvasion.

and use their talents and instincts to live. Then came the pay-off — sure enough, a new sanitary law was put into effect and the garbage was disposed of in a different way.

Thus the source of livelihood for the seagulls suddenly disappeared. The story has it that the birds held a protest meeting. Many of them were indignant in their denunciation of the politicians who had robbed them of their source of livelihood. Finally, one old seagull got the floor and said: "Now, I'm not for this appeal to Washington. I remember when we had to work for a living. We were sleek, fast, physically fit and rugged. We were happy then. But came the easy life when we didn't have to work for a living. You are spoiled, and it's your own fault. Let's go back to making our living the way God expected us to. Let's no longer be softies, sluggish, and expecting somebody else to do our work and make our living for us. Let's go back to the sea and make our living for ourselves!"

Well, the other day there was a parallel story — a true story — out of the Far North. It began:

"Government handouts have destroyed the initiative and independence of Eskimos once renowned for vigorous self-reliance in the far north, authorities on Eskimo life reported."

The story went on to say that deterioration of morale and health among the Eskimos, under the white man's socialistic system, was a chief concern at a conference in Ottawa, attended by Arctic missionaries, Mounted Police, and government representatives. Eskimos now tend to concentrate at posts where they receive government handouts, it was disclosed.

"There has been a consequent decline in their vitality and resistance to disease", the report continued.

"The inclination of some Eskimos to depend on government aid has lessened their desire to seek game and food in outlying areas."

And so it is — whether seagulls or Eskimos — or any of us for that matter. Life in a welfare state is often a hoax and a delusion.

Safety — And Insurance Rates

Automobile insurance rates have been going up, and threaten to rise still further. While many factors are involved, reckless drivers are primarily responsible.

Particularly in states with modern safety-responsibility laws, responsible motorists feel it almost obligatory to take out li-

ability insurance but this is represented a larger and larger dent in his pocketbook. The danger is that, unless the present trend is checked, a number of drivers will be priced right out of the insurance market.

It is known that 80 per cent of the accidents, roughly, are caused by 20 per cent of the drivers. In other words, the great bulk of our smashups are attributable to a careless and dangerous minority.

Relentless enforcement to get these reckless drivers off the highway would not only save lives and property, but would mean real dollars-and-cents savings to the millions of motorists who now must dig deep to meet their annual insurance costs.

Mr. and Mrs. Boggy Diseren of Dumas visited several days at the week end, with his parents, Mr. and Mrs. G. H. Diseren.

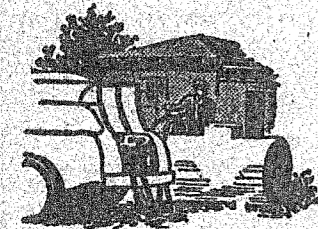

Mrs. Annie Munger returned home last week after a several weeks visit with her son, B. A. Munger, and family at Midland, and with her daughter, Mrs. Betty Sackett, at San Angelo.

National Guard Left Sunday For Summer Camp

The local National Guard Company departed here at 9:00 a. m. Sunday for Fort Hood, Texas, where they will train for 15 days under actual combat conditions. The local company will attempt to equip and maintain 5 heavy tank crews during their training period.

They were scheduled first to leave here at 5:30 a. m., but late orders changed the schedule to 9:00 a. m. During the time from 8:00 a. m. until leaving time the Guard Company were served coffee and doughnuts by the Community Chamber of Commerce.

Capt. Jesse K. Barton, Commander, said they would pass in review at 10:00 a. m. Saturday morning, June 7, and families of the men of the company are invited and urged to attend this review.

It is expected a number of the men will be back home over the week end and will return to Fort Hood Sunday evening.

Rites For Ben T. Woodard Held Monday Afternoon

Funeral services were held on Monday, June 2nd at 3:00 p. m., for Ben T. Woodard, at the North Side Baptist Church, with the pastor, Rev. C. L. Carroll officiating, assisted by Rev. Harry C. Wigger, pastor of the First Baptist Church.

Mr. Woodard was found dead, by members of his family, at about 3:30 p. m., Saturday, in the garden at his home, where he had been working.

He had previously suffered heart attacks.

He was born July 19th, 1890 in Fannin Co., Texas. He was married to Miss Lola Wester in Coleman in September 1912. To this union, 8 children were born, one daughter dying in infancy. Woodard was a charter member and deacon in the Calvary Baptist Church in South Coleman.

He was a member of the Baptist Church, and had been a resident of this vicinity for many years.

He is survived by the widow of Santa Anna; two sons, Bennie Ray on Okinawa, and Fred of Santa Anna; five daughters, Mrs. Spruill Anderson, Coleman; Mrs. Sudie Pierce, Mrs. Ruby Brannan, and Mrs. Winnie Pierce of Santa Anna, and Mrs. Alva West of Fontana, California.

Two brothers and two sisters also survive, Floyd and Buster Woodard, Santa Anna, and Mrs. W. M. Stiles and Mrs. Alford Williams of Santa Anna. Fourteen grandchildren also survive, and other relatives in this area.

Funeral bearers were: Emmett Stiles, James Neal Williams, Donald Ross Williams, Floyd Woodard, Jr., Odell Phillips, Jim Wells, Johnnie Wells, and Jimmie Payne. Flower bearers were: Mrs. Odell Phillips, Mrs. Thomas

Stiles, Mattie Lou Watson, Beth Stiles, and Kathrine Stiles. Burial was in the Santa Anna Cemetery.

Mrs. Edgar Brown To Get BA From Smith College, Mass.

Northampton, Mass. — Four hundred and fifty-three Bachelor of Arts degrees will be conferred at the 74th Smith College Commencement exercises on June 9. Sir Oliver Franks, British Ambassador to the United States will be the commencement speaker. Graduation, which will be held out-of-doors in the Quadrangle, will be the climax of a weekend of activities which includes a Baccalaureate service on June 8 and the traditional Ivy Day ceremonies on June 7.

Mrs. Edgar Brown, the former Miss Mary Gay, daughter of Mr. and Mrs. Robert Coleman Gay of Austin, and granddaughter of Mrs. R. C. Gay, will be a candidate for the Bachelor of Arts degree at Smith. Mrs. Brown, a music major, spent her junior year at the University of Texas. In her senior and sophomore years at Smith, she was the accompanist of All-Smith Choir, a member of Smith College Chamber Singers and of the Clef Club, a small group of students interested in writing and performing music which sponsors student recitals and concerts. She was also representative to House of Representatives, the legislative branch of student government, and a member of house council. Mrs. Brown was given the Alpha Award by Alpha-Phi Kappa Psi, an honorary society which recognizes outstanding talent and creative ability in the arts.

"Texas - The Big State" Should Help Sell Texas, Shivers

Austin, Texas. — In memorandum to the press Gov. Allan Shivers asserted that the film "Texas - The Big State" produced by the Santa Fe Railway should serve as an educational and sales force from within as well as without the State.

"It provides a condensed, graphic and colorful presentation of the vast cultural, industrial and natural resources and potentials of our state," Gov. Shivers said. "It will attract outside interests and should be a fine medium for bringing the State of Texas closer to Texans."

"It is pleasing to know that the Santa Fe plans to show this film extensively throughout the nation. It is through such cooperation of industry that we are aided in promoting outside interest."

Neville Penrose, chairman of the Texas Good Neighbor Commission, said that it was the most remarkable film of its kind that he has seen.

"It should increase interest in our state and elsewhere," he said, "and can be fine vehicle in foreign countries to emphasize the American way of life."

This film was produced in color and sound to show as much of the resources and future of the State as possible in a 30 minute film. It covers the Gulf, East, West, Central, North, South Plains, Panhandle, West Texas and the lower Rio Grande Valley. It will be shown throughout the

nation without charge. Requests for the film are pouring in from educational institutions, business organizations, churches, schools, and other groups, according to Santa Fe officials. Organizations interested can write to the Railway's Public Relations Department, Galveston.

Cost Consciousness Program To Be Adopted by Army

In support of the Defense Department's "Cost Consciousness" program, all vehicles and major equipment of the U. S. Army and U. S. Air Force Southwestern Recruiting District now bear a painted sign showing the cost, M/Sgt. A. Keller, commander of the local recruiting station Brownwood revealed today. Prominently displayed, the sign reads as follows: "This vehicle (or equipment name) cost Uncle Sam (\$1500). Take care of it!" Sgt. Keller said.

Defense officials have for many years studied the problem of conserving expensive equipment. The reclamation of World War II weapons, planes, and other material saved taxpayers millions of dollars in Korea. Thousands of jeeps, guns and aircraft engines stored in depots throughout the world are once again being used to equip newly formed military units.

Also, every member of the armed forces is being indoctrinated with the need to conserve everything he uses, including paper clips and stationery. The theory is that if he knows the cost of individual items of equipment he can better appreciate the importance of their proper care. And as a taxpayer himself, the American fighting man has a definite interest in saving the government money.

Mrs. Tommie Starnes and children, Tommie, Barbee, and Ruth Ann of Odessa visited from Friday until Sunday with her parents, Dr. and Mrs. L. O. Garrett, and with her husbands people in Coleman. Mrs. Starnes and Tommie returned home, but Barbee and Ruth Ann remained for a several weeks visit. Tommie will also return for a longer visit.

Shirley Kenneth Moredock, Jr., of Santa Anna, received a Bachelor of Science degree in Petroleum Engineering, from the School of Engineering at Texas A. & M. College. Exercises were held at 6 p. m. on May 30th. Mrs. S. K. Moredock and her Mother, Mrs. Jesse West attended. On Saturday, Kenneth and wife returned home with them for a several days stay. Kenneth has accepted employment with the Treasury Department in Dallas.

Mr. and Mrs. E. C. Dunsorn and little son of Stephenville, visited Sunday with Elder C. H. Richards and family. While they were here, Brother Richards received a phone call to come to Stephenville to conduct a funeral. He made the trip with the Dunsorns.

Mr. and Mrs. E. W. Parker, Martha Lynn and Bill, spent the week end in Georgetown, with his brother, Russell Parker and family.

Magellan began his voyage around the world in 1519.

Howard Kingsbery, who travels for the P. M. A., was here for the Stephenville came Sunday and week end with the home folks. He was in Washington last week, but says you don't learn much a short visit. Mr. Evans partially paralyzed, has been confined to his bed for over a year.

Mrs. Burl Sparkman left at Mrs. C. R. Heltzel, who has the week end for Canyon, where she has enrolled for the first six weeks of summer school at Canyon State College. She will complete work on her Masters degree for a visit.

Those visiting with Mrs. E. S. Stearns Sunday were: Mrs. Sloan Wells of Santa Anna, Mrs. Bill Vaughn, Mrs. Stacy, Mrs. Kingston, all of Trickham. Mr. Sammie Shields and Mrs. Tom Rutherford of Whon. Rev. Hugh Newsome and a nephew and sister, F. E. Suttle and Frances of Ft. Worth and Stephenville.

Murray McCain and family were week end visitors with his mother, Mrs. B. M. McCain and Louie.
