of Gorman.

We have 3 children, Laura age 10, Heather age 8, and Angela age 3.

We are members of the Mangum Baptist Church.

I seek the job of County Clerk because, like most women today, I want to work. For the past 12 years my employment has been with Eastland County Abstract Company, work that has given me an excellent background for the job of Eastland County Clerk.

I realize the big responsibility of the County Clerk's office and the dedication needed to be a good steward of Public Trust.

As your County Clerk, I will be efficient, friendly and courteous.

Your vote and support in the May primary will be greatly appreciated.

Thank You

## Press Points Joe Bennett, Publisher

It seems that Ole' Man Winter has gotten in another shot at us before spring is to sprang. The temperature dropped here Tuesday night and it was rather cool Wednesday morning early. The weather front that moved through on Monday and brought most all folks in the area one inch of rain, which everyone is real happy about. The weatherman stated that the temperatures would be low a couple of nights and then begin to rise and warm things up. With most folks catching "The Bug" around here, I think folks are ready for some nice Spring weather to recuperate.

The absentee voting in the city, school and hospital district elections is now underway and will rub through Tuesday, April First. The election day for the elections is Saturday, April 5th.

THE MIRACLE OF ALL MIRACLES has happened! The wife and I now have a granddaughter. That's right, a beautiful 8 pound and 6 ounce girl, Jacquelynn Michelle Schuman, born March 12th in Abilene. Of course she is the most marvelous thing that's landed on this earth in a million years. Old grandpaw just happens to have a picture and will be glad to show it to you. Oh! by the way, the parents of the miracle are James and Joetta Schuman, who also had a little something to do with it.

And remember to smile -- because Godf Loves You!

By Mrs. Zelda Jordan

We had thunderstorms on Monday night with lots of lightning and some rain, but as far as I know there was no hail at our house. We need the rain, but we always dread the tornado season.

Our congratulations to all the boys and girls who showed their animals in the Eastland County Livestock Show the past weekend. I was out of town and didn't get to attend the

show, so I don't have a list of how the Kokomo Youngsters placed, but they always do well and we are very proud of them.

Mr. and Mrs. Roy Buchanan, Kelly and Yancy of Clyde spent Sunday with Mrs. Albert Hendricks. They visited with Mrs. W.A. O'Neal at Canterbury Villa at Gorman. Mr. and Mrs. Jeff Seaton also visited Mrs. Hendricks.

Mrs. Glenn Jordan spent Friday night at Abilene with the Roddy Miles family and Mrs. Miles and Mrs. Jordan spent Saturday and Sunday in Lubbock to be with Mrs. Jordan's brother, Mr. Jamie Lewallen, who is seriously ill in the Methodist Hospital in Lubbock, and other members of the family. Mr. and Mrs. Ted Jordan of Wellington and Mr. Jim Lewallen of Floydada were among those who were in Lubbock.

Mr. and Mrs. Gary Jackson and children of Seminole, Mr. and Mrs. Larry Morrow, Lance, Layne and Lenny of Plains and Mr. and Mrs. Bill Wood were visitors at the Kokomo Baptist Church on Sunday morning.

Mr. and Mrs. Larry Morrow and boys, of Plains, spent the weekend with Mr. and Mrs. J.L. Morrow and Mr. and Mrs. Paul Norris and attended the Livestock Show at Eastland

**WHEN THEY SAY 'BIG AS TEXAS,' THEY'RE NOT TALKING ABOUT ELECTRICITY COSTS.**

Hard-working, dedicated employees have helped us keep electricity costs lower than many other places in the United States. You pay less for the electricity you use than many people in the United States, which is an important factor contributing to the economic growth of the area.

How have we succeeded in keeping the price of electricity reasonable? Through hard-working, productive employees who provide quality service 24 hours a day, every day; with strict cost-control management; low-cost strategies for meeting future needs; maximum use of lower-cost Texas lignite coal for fuel; and by taking advantage of current market conditions to lower the cost of natural gas fuel.

We're working to meet the increasing electricity needs of one of the fastest-growing areas in the nation, while keeping costs down. We're working hard to keep the people, the plants and the jobs coming to our part of Texas.
