Graduates From Randolph Field

Above is a picture of Bob Ross of Gorman who is one of five Texas young men who will be graduated from the Aviation School for Cadets at Randolph Field tomorrow night, Oct. 31.

Following is a news release sent from Randolph Field:

With the graduation of another class of Aviation Cadets at Randolph Field on October 31, the Air Corps pilot training program continues at "full throttle in high pitch."

Members of the tenth class to receive their basic training at the "West Point of the Air" during 1941, these pilots-to-be came from all walks of life. Some were clerks and salesmen, others, football heroes and engineers, but all are now vital cogs in the United States' fast-growing Air Army.

Reporting to Randolph Field just ten weeks ago after completing primary training at an elementary school, these men had mastered the fundamentals of pilotage in rugged low powered training planes. Sixty-five hours aloft were logged in this type of craft. Now they have added an additional 70 hours in Randolph's speedy 450-horsepowered monoplanes. This secondary phase of the Air Corps thirty-week course has included night flying, aerial acrobatics, cross-country, instrument and formation flying. Ground school subjects, weather, military law and engine maintenance, have added greatly to their skill as pilots.

On October 31, these Cadets complete their basic training schedule and will be ready for a final week at a specialized Air Corps school. Later they will be commissioned Second Lieutenants in the Air Corps Reserve and will go on duty alongside veteran pilots of the Air Force Combat Command.

During the thirty-week training period, Aviation Cadets are paid \$75 monthly, plus food, clothing, quarters, medical and dental care. After completing the course, pay jumps to \$205 plus quarters or \$245, if quarters are not provided. If the young officer returns to civil life after his tour of duty with the Air Force, he is paid a bonus of \$500 for each year he has served as a flying officer.

George Wilson, son of J. S. Wilson of Gustine, and Frances Thompson, daughter of Mr. and Mrs. S. W. Thompson, who live southwest of Gorman, were married Tuesday night. The vows were said at the home of J. T. Chapman, Justice of the Peace.

They will make their home in Colorado, Texas, where he has employment.

Elvy Clark is here on a fifteen-day furlough from Camp Bowie.

William R. Clement Passes Away

William Riley Clement was born May 26, 1866, and passed away October 29. He was stricken only a few hours before death came at 2:20 Wednesday morning.

Mr. and Mrs. Clement had made their home in Gorman for the past seven years. He was a native of Alabama and was married there in 1888 to Miss Lissie Hatley.

He is survived by his wife, five daughters and one son. The children are: Mrs. Lelia Daniels, Gorman; Mrs. Malcolm Hastings, Colorado City; Mrs. May Harris, Midland; Mrs. Jewell Hunt, Byard, New Mexico; Mrs. Lenley Sweden, Midland and Albert Clements, Midland, all of whom were present for the funeral service except Mrs. Hunt.

Mr. Clement was converted in 1921. Funeral services were held at the Baptist church yesterday afternoon at 4 o'clock, Rev. Price officiating. Interment was in the City Cemetery.

The Progress joins friends in extending condolences to the bereaved family.

Jamison - Lovett Nuptials Oct. 11

A lovely wedding of interest to a wide circle of friends took place Saturday evening, Oct. 11, at the First Presbyterian church, when Miss Noel Lovett became the bride of Lt. J. D. Jamison of El Paso, Rev. Thomas H. Talbot officiating at the marriage service.

The church was beautifully decorated for the occasion. Banked ferns and lovely bronze chrysanthemums flanked the altar space, accentuated by a tier of twenty-four white tapers which cast a soft light during the candlelit ceremony. An illuminated cross hung above the tier of candles.

Mrs. W. R. Pape at the organ and William Lovett playing the violin cello gave the following selections previous to the ceremony: "Because," "Goddard," "At Dawning," "My Heart at Thy Sweet Voice," "The Rosary," "Evening Star," "The Swan," "Love Sends a Little Gift of Roses" and "Ich Lube Dich," Grieg.

Attendants to the bride were Misses Crystal Vordenbaum and Jane Blumberg, bridesmaids; Miss Betty Nan Weinert, maid of honor and little Ivy Lynn Tapp, flower girl.

Misses Blumberg and Vordenbaum wore beautiful costumes of pale yellow net over taffeta and carried bronze chrysanthemums. Miss Weinert wore a similar costume of chartreuse net over taffeta and carried bronze chrysanthemums. The little flower girl also wore an adorable frock of pale yellow net over taffeta and carried a basket of rose petals which she strewed in the path of the bridal couple.

The bride, who was given in marriage by her father, was lovely in a handsome bridal gown of white lace made with long fitting sleeves coming to a point at her wrists, tight bodice, full fashioned skirt and long train. Her veil of bridal illusion was fastened to her head with a Juliette cap and wreathed with dainty white bouardias. She carried a white prayer book showered with ribbon and maline, and topped with white gardenias.

The groom's attendants were Lt. J. H. Reat of Muskogee, Okla., best man, and Lt. Olin Turner, San Angelo, and R. Taylor, of San Antonio, groomsmen.

Following the ceremony a reception and garden party was held at the spacious home of the bride's parents, Mr. and Mrs. W. F. Lovett on E. College Street.

The home was decorated throughout in yellow and white fall garden flowers. Receiving the guests as they arrived were Mr. and Mrs. Lovett, Mrs. W. M. Jamison of Gorman, the newly weds and the bridal party. Mrs. Percy Adams of Austin registered the guests.

A table had been arranged in the garden covered with a lovely

Panthers Lose To Comanche Indians

The Panthers made a good showing against the strong Indian tribe of Comanche during the first half of last week's game played there on Friday night. At the end of the first half the score stood 7 to 7.

But it was a different story during the remainder of the game and the Indians took an early lead over their visitors which they increased to 26. Our boys, crippled and injured, were unable to make a comeback. T. A. Brown, crack backfield man, received a foot injury which X-rays revealed to be a broken bone. He will probably not be able to play before the De Leon game on Armistice Day.

Friday night, Oct. 31, they meet the Hamilton Bulldogs. This will be the last game to be played at home. They would like to see YOU there.

Excelsior Club

Mrs. E. C. Sutton was hostess to the members of the Excelsior Club Tuesday afternoon. Mrs. Richey, president, presided over the business meeting. A letter was read from the State president of Federated Clubs giving plans of the State Convention to be held in Dallas on November 10-13. Mrs. Brummett read a letter from Bob and Joe Shelton, stating "Sunshine Boys" would give a program at the high school gym on November 20. The president announced the club members were to furnish pies for the Food booth at the Halloween Carnival Saturday night; also the club voted to solicit subscriptions for Holland's Magazine.

The menu for the Thanksgiving luncheon was read, and slips drawn for covered dishes. Mrs. E. C. Sutton was appointed council delegate for the club.

Mrs. Luther Wright had charge of the program on Texas Day as follows:

Roll Call—Texas Shrines
Selected Stories from "Coronado's Children"—Mrs. Wright
Romance of Quanah Parker—Mrs. Ormsby
Poem—"My Grandfather's Fig-stem Pipe"—Mrs. Eison
Group singing, led by Mrs. Allen.
A refreshment plate of Texas products was served to fifteen members and the following guests: Mmes. Z. O. Mehaffey, E. W. Kimble, and Mrs. Lindsey's mother, Mrs. Bowden, of Hobbs, New Mexico.

The next meeting will be held in the home of Mrs. Paul Ormsby, Saturday, Nov. 15.

A party will be planned next Sunday night for next week. An invitation is extended to all to attend and have a part in the meeting.

COMMUNITY AND SCHOOL PLAN BIG NOV. 1st HALLOWEEN CARNIVAL

The Band has ordered uniforms and instruments this year and the community is helping to raise money to pay for this needed equipment. In order to pay for this equipment early, the patrons and school have planned a big Halloween Carnival and the proceeds will go to the Band.

The Halloween Carnival will be held on the vacant lots west of the Gorman Hotel on Highway 67 on November 1st. It will not be convenient to have the Carnival on the night of Halloween because the local football team will play Hamilton here on October 31.

There will be many interesting attractions and booths at this year's fun-fest Carnival. The Food's booth will open at six o'clock and the many booths will be ready at 6:30. There will be a large Bingo booth which will be run by the Bass Lake Club.

There was no Bingo booth at last year's Carnival, and the one this year promises to be bigger and better and have many valuable prizes. The Band Mother's Club will sponsor a large cake walk and will bake the cakes for it. Since many were disappointed last year by not being able to "walk" on the small wheel, it is planned this year to have a larger wheel. The price will be small and the chances will be good for you to win a delicious homemade cake.

A new attraction this year will be two different Fortune Telling booths instead of two of the same type. This year there will be a Fortunes booth for those "Over 15" and a booth for those "Under 15." The old Bottle Rack booth

will be changed to a Cat Rack booth and it will be interesting to try to knock these cats off the shelves. The cats that will be on these shelves will be the jet black, haunted type. The Penny Pitch and Fishing booths will be available to those who like to try their skill and win prizes.

An entirely new and novel attraction will be on the Carnival Midway this year. It will be two small bowling allies. Regular wooden pins will be used and board allies will be built. Croquet balls will be used to knock the pins off the alley. The higher the score, the better the prizes awarded.

Many other booths will be added this year and there will be fun for all ages. The seniors will "Give Away" a ham and also sponsor the drink booth. Everyone is invited to come and enjoy the Carnival and help the Band which is a valuable part of the school. It is enjoyed by the patrons and visitors at all our football and basketball games and at programs, and it is progressing nicely.

The Grade School Queen's Race Board will be on the Carnival grounds and this contest will officially close at nine o'clock, November 1, 1941. Watch the board and get your votes in early. The Coronation of the Grade School Halloween Queen will take place at a program for the public at the School Auditorium Tuesday evening, November 4, at 7:30 p.m. Meet your friends at the School Carnival.

King Theatre Adds New Marquee

Work on the marquee of the King Theatre was completed this week giving it the same attractive appearance of the modern playhouse of the city.

The picture's title can be seen on the approach to the theatre from either side. The new name, "Kings," recently given it, with the crown immediately above, are lighted in red, a pretty contrast to the other fluorescent lights.

Mr. Capers and Frank Gray are to be congratulated on the improved appearance of their "home of good entertainment."

MRS. J. R. CROSSLEY TO SUCCEED HER HUSBAND

Sheriff Loss Woods has appointed Mrs. Crossley to fill the office of deputy jailer for Eastland county, to succeed her husband, J. R. Crossley, who only a few days ago, died of a gun shot wound, self inflicted.

The following is clipped from the Eastland Telegram:

The sheriff did two things in appointing Mrs. Crossley. The first was that he appointed someone who was thoroughly capable of handling the job, and the next was that he chalked up a record for Eastland county in being the first official to appoint a woman to an official job in Eastland county. He will never regret that, and the honor goes to Mrs. Crossley. Thanks to the honor and integrity of a lovely and fine woman and thanks to the good judgement of a fine sheriff.

Frank Clements of Camp Bowie is here on a furlough to visit his mother, Mrs. Mamie Clements.

My Week by Eleanor Roosevelt

RADIO BROADCAST

FROM HYDE PARK.—We drove down to New York city after lunch one day and I had a visit from Dr. Reinhold Niebuhr and Dr. James Loeb Jr., who came to ask me to speak at a meeting. They allowed me a choice of dates in October or early December. October is already so filled with obligations and December is filling up so rapidly, that I had a very hard time deciding. I finally agreed that I would try to go, if certain conditions can be met, and if no one can be found who will do a better job than I.

Then I went over to the broadcasting station and went through the usual preliminaries of photographs and rehearsals. I wish my reading time would be the same at least twice, it would save the poor people who run these programs a great deal of trouble. As a result of the broadcast, I had a most interesting telegram which reads: "Face the fact that Communism and Democracy are not the same and see where that leaves you." It was signed: "An Isolationist."

DEFINITION OF DEMOCRACY

I must be very dull, because I thought I had made crystal clear that Communism and Democracy are not the same. I thought that I had given a fair definition of what Democracy really is! However, I am delighted to have an opportunity to say here that it seems to me that Democracy has one great advantage over Communism—it really requires the participation of every citizen in the choice of the people to fill government office.

Of course, it would be impossible to have a real democracy in a country which has not so far had, for at least two generations, free public school education and laws which protected people in their right to exercise fundamental freedoms of thought, of speech and of assembly. Mr. and Mrs. "Isolationist," whoever you may be, facing the fact of this difference between Communism and Democracy, leaves me in just the position I was in when I made my radio speech.

ANOTHER NEW YORK TRIP

One day we caught the six o'clock plane for New York city and worked on my personal mail during an extremely smooth flight. I went home first, where I had a glimpse of Jimmie and Rommie, who were just starting out in their best bibs and

INDIAN MOUNTAIN

Mr. and Mrs. Stanley Porter and daughter visited friends at

bration of her birthday.

Miss Thompson and I dined in a little restaurant on Sixth street near Fifth avenue, which we both like, and had a very leisurely and pleasant meal by ourselves.

The meeting called the next day by the Co-ordinator of Federal Security Services, Mrs. Anna Rosenberg, was a most inspiring occasion. It brings together not only the different agencies under that bureau, but all the other government agencies working in the area. Here were government representatives on a regional level, working out the problems which affected all their different agencies. Thereby, they accomplished results, which, if they had not met together once a month, probably would have taken weeks of correspondence finally to clear up.

In the afternoon, all the state officials joined the meeting. This meant that purely state responsibilities, and the points at which the state officials touch the federal government officials, could also become clarified because of personal contact.

In addition, Lieutenant-Governor Poletti of New York state, state co-ordinator of civilian defense activities, and Maj. Gen. Irving J. Philipson, representing the military interests of the area, were present. It seemed to me that this was a good co-ordinating job as I had seen accomplished anywhere in the government.

SOUTH AMERICAN FILMS

One evening the President and I, with our dinner guests, had the pleasure of seeing some new films. One is made from pictures taken during Mr. Julian Bryan's last trip to South America, and his voice gives the running comment.

Life is full of little coincidences, and I smiled when I thought that, only that morning I had read a letter which a young friend wrote from Bogota. She told most interestingly of the country and the life there and casually mentioned that they had been spending some very pleasant hours with Mr. Julian Bryan. Here I was looking at the picture made on his last trip, while he was out making pictures for a future film!

The other picture shown was done under the direction of Mr. Joseph Losey. It is a very charming picture of a nursery school in a rural area. Children are shown in all the activities that are possible in country surroundings. We see them at work and at play. The children range in age from two to seven years. It has no great significance, except that it brings the people who see it a realization of the value of the nursery school. This educational experiment is fairly new in our country. In Europe it has long been known.

Lometa Sunday.

Mr. and Mrs. Homer Underwood have gone to El Centro, Calif., where he has work.

Mr. and Mrs. H. T. Boen and family visited their son, Truman, and family at De Leon last week-end.

Mr. and Mrs. J. B. Gregory and Patsy Lou of Merkle are visiting her parents, Mr. and Mrs. P. McDaniel.

Mrs. Hade Barbee was in Gorman last week-end visiting her grandmother, Mrs. McCroan.

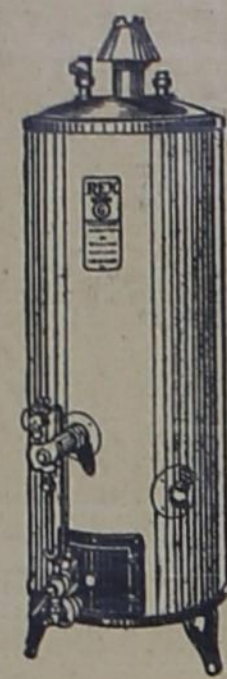

Mr. and Mrs. E. E. Rachel, Miss Bobbie Jean, Jimmie Ray and Mr. and Mrs. G. D. Underwood attended singing at Rock Bluff Sunday night.

Le Roy Barbee spent the week-end in Fort Worth.

Mrs. C. P. Plott of Sipe Springs visited in the Underwood and Rachel home last week.

Miss Anna Lou Finley of Gorman visited Mr. and Mrs. Clyde Barbee last week-end.

The groom is the son of Mrs. W. M. Jamison of Gorman. He is a graduate of the Gorman High school, later receiving his degree at Texas A. & M. college, and during the past year was graduated from the Cavalry Officers school at Fort Riley, Kansas. He is well known in Seguin, having taught vocational agriculture in the high school here previous to his entering the army. —The Seguin Gazette-Bulletin.

Out of town guests of the groom were: Mrs. W. M. Jamison, mother, of Gorman; Mrs. S. D. Terrell, aunt, Fort Worth; and Mr. and Mrs. J. L. Park, the latter his sister, of San Angelo.

America—love it or leave it.

It was the Aspermont Star that gave the first reminder: "Just 71 more shopping days until Christmas!"

A boy rushed into a drugstore and said, "Father's being chased by a bull!" The druggist asked, "Well, what do you want me to do about it?" The lad replied, "Gimme a roll of film for my camera and hurry."

For 20 years, your columnist has made a study of the history and romance of Texas oil rushes. I would hesitate to say how many weeks and months and how much of my own money have been spent in traveling over the State to get first-hand information. Two books as well as several articles in the Saturday Evening Post and other magazines have resulted. When one of the oil and gas associations became history-conscious and decided to celebrate the fortieth anniversary of the Spindletop field, this writer wasn't invited to make even a one-minute talk.

Some jingler once wrote:

"If all be true that I do think, There are five reasons we should drink; Good wine—a friend—or being dry— Or lest we should be by and by— Or any other reason why—"

session of the legislature. Not

This seems to be the logic of some who are urging a special session to give the true purpose they have in mind, certain special sessionists put forward the proposed pipe line from Texas to the East as a reason, but a correspondent points out that Congress already has given the President ample authority to condemn the right-of-way to build it—so they'll have to think up a new "reason," for urging that the taxpayers be put to the expense and turmoil of a special session.

WHY ON EARTH DO THEY DO IT?

...shop around for low-cost insurance

When you buy insurance because it's cheap, it's like buying a cheap pistol for self protection. If you have to hold off a bandit, you want a weapon that will do the business. If you aren't going to be held up, why spend any money at all to protect yourself? The catch is, you don't know.

Moral: Be sure your insurance is COMPLETELY dependable. We'll be glad to tell you anything you want to know about it.

THE WOMAN'S SOCIETY OF CHRISTIAN SERVICE

The Woman's Society of Christian Service met Monday in an all-day Spiritual Life Retreat Service, the first part of the Week of Prayer. Mrs. Shell, the Spiritual Life chairman, led the service. Topic for the morning was, Fellowship and Prayer. Periods of meditation and prayer were interspersed by songs. These periods of prayer brought us near the Lord. The following ladies took part on the morning program: Mmes. Kimble, Ramsey, Kinnison, Statham and Pendarvis.

A splendid lunch was served at 12 o'clock.

The afternoon subject was, Faith. Mrs. Shell read the 11th chapter of Hebrew, the Faith chapter. All joined in singing, Sweet Hour of Prayer. After the responsive reading, Mrs. Walker played, Take Time to Be Holy, as we bowed our heads in meditation. There Is No East Nor West, was sung as we gathered at

Mexican sayings:

It is pleasant to command, though it be only a flock of sheep.

He who loves not the loved one's faults does not truly love.

However early you get up, you can not hasten the dawn.

The dearest child of all is the dead one.

He who loves you will make you weep, and who hates you will make you laugh.

Lowly ground and poorly tilled will sometimes produce a fragrant rose.

Mrs. Newbride: "I took the recipe for this cake out of the cook book."

Hubby: "You did perfectly right dear. It never should have been put in."

the altar to pray and make our offerings. All joined hands and sang, Blest Be the Tie that Binds.

The program will continue next Monday afternoon. Join us then. —Pub. Supt.
