1993 Little Miss Expresses Thanks

Hi! My name is Amber Ervin, and I want to say thanks to everyone who helped me to become Little Miss Gorman. During this past year I have been in lots of parades and have enjoyed riding the float and seeing the different festivities celebrated around the area.

I have recently finished playing

T-Ball for the Colts and completed my Kindergarten year at Gorman and had lots of fun doing both. My parents are Jonny and Gwen Ervin of Carbon and grandparents are George Ervin of Gorman, Bob and Rosetta Carlton of Carbon and Sylvia Hodges of Desdemona.

I hope that the future Little Miss Gorman had as much fun as I have had. Thanks again for everyone's support.

Edna Smith Class Meets With Bonnie Croft On June 21st

On June 21st the Edna Smith Class met with Bonnie Croft as hostess in her beautiful lake view home for supper with Estelle Erwin of De Leon asking the blessing on all that wonderful food she had prepared. She had asked that no one bring any food.

There was every kind of salad, thinly sliced ham, so many dips and chips, olives, crackers and cantaloupes, with coffee, tea or lemonade.

Louise Brown called the business meeting to order. Minutes were read and all officers gave their reports.

It was decided we would not have a meeting in July.

No date was set for the August meeting.

Louise gave a devotional on "Hands", reading from Luke 8:3. She told a very interesting story of 3 beautiful royal ladies discussing which one had the most beautiful hands when a very hard working, shabbily dressed woman appeared and asked for bread. But they rudely turned away. This poor lady went on to a house where a lady with roughened hands all calloused came to the door and when she asked for bread she turned into a beautiful angel. We had sentence prayers for all the sick and people with problems as we were dismissed.

Bonnie served a large offering of fresh fruit of various kinds with a
