

BY JAY BETHANY

There is very little doubt that fall is just around the corner. These past few evenings and nights have been delightful, in direct contrast to the sweltering nights of the month of July and most of August.

Of course the sound of leather in the high school football workouts carries its share of the credit for this illusion.

The Ranger Jaycees have started something new for this part of the country.

The first annual all women's rodeo which will be held here August 31, is one that will be a novelty to most. I for one have never witnessed such a performance and am looking forward to it.

I am sure that few people have attended a show of this type. If we can spread the word, this could prove to be a very successful night for the Jaycees.

The ladies are conducting an all girl motorcade this Saturday.

Those who have been out to the evening football drills, have no doubt noticed the difference in some of the boys' helmets. To add incentive for the boys to "hustle", a means for rewarding their efforts has been devised. For that extra effort that is required of a winning ball team, a boy might be awarded a helmet with one stripe, two stripes or two stripes and a "Bulldog" decal, depending on the amount of effort displayed by the recipient.

A boy does not necessarily have to be a starting player, according to Coach Duval to receive this award.

Various degrees of ability is always a part of any sport. Some member of the team might be blessed with an abundance of natural ability and put forth very little effort. (Continued on Page Four.)

RJC Catalogues Now Ready For Distribution

Catalogs for Ranger Junior College came off the press Tuesday and are now available at the office of the Dean at the college.

The new catalog shows an addition of three faculty members over last year, bringing the total of 23. Ten of the regular faculty members have done graduate work this past summer.

The Administrative and Staff personnel has increased by three with the addition of a director of public relations and a director of Student Personnel and a business manager.

The board of regents are listed as Richard E. Henderson, president, A. H. Woody, Vice-president, James Townsend, secretary, David D. Pickrell, F. P. Brashier, Jr., Roscoe Hopper, Lee Russell, Joe B. Scott and Dr. W. L. Downtain.

The 1963-64 calendar lists a faculty conference for September 5-6.

Dormitories will be open to all students on Sunday, September 8. September 9-10 is set aside for Freshman orientation and testing. Registration is set for September 11 with classes to begin on September 12.

September 24 is the last day when incoming students may register for full load.

Thanksgiving Holiday will begin at noon November 27.

Sales Of Savings Bonds Top Quota

July E and H Savings Bonds sales in Eastland County totaled \$26,468, according to the Eastland County Savings Bonds Committee. This figure represents 71.1 percent of the 1963 sales goal.

Savings Bonds sales in Texas for the first seven months of 1963 totaled \$87,895,039, which represents 58.4 percent of the state goal of 150,000,000.

The achievement of the Freedom Bond Drive goal in Texas demonstrates to the nation that Texans stand ready to do their part in our fight for freedom. These bond dollars will help our nation maintain a strong military posture and at the same time will keep our country economically stable," chairman Parker concluded.

with classes to resume December 2nd, at 8 a. m.

Winter vacation will begin with the end of class day on December 20 to resume on January 6, 1964.

Final examinations for the first semester are scheduled for January 20-23.

The spring 1964 semester begins January 27.

Legion Post Officers Are Installed

The American Legion Auxiliary met the Legion Hall Monday, August 19, for the installation of officers for the coming year. Past president, Mrs. Howard Elwood was installing officer. She was assisted by Mrs. J. F. Byas.

Mrs. Elwood gave the pledge of office as the new officers were presented. New president of the Auxiliary is Mrs. Ruby Greer. Other officers are as follows: Mrs. Oma Ewing, first vice president; Mrs. John Usery, second vice president; Mrs. Howard Elwood, secretary; Mrs. Emma Ewing, treasurer; Mrs. Parker Worthan, historian; Mrs. Thomas Browning, chaplain; Mrs. W. O. Cox, sergeant at arms.

After the installation, talks were made by Mrs. Greer and the retiring president, Mrs. A. H. Powell.

Mrs. Greer will appoint her committees at the next meeting. Members are also reminded that it is time to pay their dues.

Due to the Labor Day holidays the next regular meeting will be September 16 at 7:30 p. m. All members are urged to be present to start the new year.

Annual Achievement Dinner Set For County 4-H Youths

The annual 4-H Club Achievement Banquet was set for October 19 at a meeting of the Eastland County 4-H Adult Leaders Monday evening at the Court House. Jimmy Lee of Cisco, president, presided over the meeting. It was announced that the banquet will be held in the Cisco Junior College cafeteria with Mrs. Garland Pharr and Mrs. Yvonne Lepley in charge of the food. Decorations will be under the direction of Mrs. Irvin Pippen, Mrs. Jean Lee and Mrs. Bill Claborn, and entertainment will be furnished by the Rising Star and Gorman Clubs.

A committee was appointed to plan a float for the Peanut Bowl parade on September 14. The leaders voted to enter a riding group from the 4-H clubs.

FIRST BULLDOGS — As of last Wednesday, following three full days of football workouts, two members of the Ranger High football team have earned the right to wear the "Bulldog." Shown with decaled helmets are, left to right, David Sutton, tackle, and Ronnie Hines, end.

Bulldogs Show Progress In First Week's Drills

The lack of overall experience, and weight in the line, will not be as much of a liability to the Ranger "Bulldogs" this year, as was the case at this time last year.

With seven Seniors, six Juniors, nine Sophomores and nine Freshmen, the team has good balance so far as experience is concerned.

After the first week of drills, Coach Jack Duval had some praise for the progress the boys have shown. "They are

still making a lot of mistakes," he said, "but that will smooth out in a little time."

Coach Duval had nothing but praise for his young quarterback.

Johnny McGee, returning as a sophomore is now only fourteen years old, his fifteenth will be late this month.

Johnny will have two more years after this year.

When asked what would happen if Johnny should be injured, Coach Duval pointed out that they are working Jimmy Drennan in that position as well as his regular half-back position, he then added, "We intend to see to it that Johnny does not get injured."

Richard Liebrecht, a Freshman, is also being worked in the quarterback position.

The team started drills last Monday, with light contact, and heavy conditioning workouts.

Wednesday was the first time the team has been out in full pads this season, and the spectators on hand for that evening's drill, witnessed the first real contact work since the beginning of training.

Moving from the new practice field, where they use for morning workouts, to the stadium floor in the evening, gives spectators a good opportunity to observe the team at work.

The first game on the Bulldog schedule will be with Cisco, here, September 6.

Registration Set Friday At Kindergarten

Registration for Bobo Kindergarten will be held Friday, August 30, at 9 a. m., and school will begin September 3rd.

Mrs. Eva Bobo, teacher, stated, "When older children in the family or when playmates begin to talk school's beginning, the child of four or five might feel left out because he feels 'big enough' to go to school."

The American Kindergarten attempts to give such a child an education which is appropriate to his stage of development, which will be immediately satisfying to him. The aim of kindergarten is to help the child develop all his powers physical, emotional, mental, and social, and to afford him a transitional school year of growth and happiness.

ATTEND REUNION

Mr. and Mrs. Tom Sharp and Tommie June of Olden, Mrs. Betty Gray of Eastland and Mrs. L. A. Kile of Galena Park attended the Bell Reunion in Weatherford Sunday.

Illinois To Host Boy Scout Leader Conference

Over 3,500 professional leaders of the Boy Scouts of America will gather at the University of Illinois in Champaign, Illinois for their 12th National Training Conference, August 29 through September 4th.

Every four years Scout executives from all parts of the nation undergo an intensive period of training under the direction of the organization's national officials.

J. D. King of Brownwood, President of the Comanche Trail Council Boy Scouts of America, said that Scout Executive John Pound of Brownwood will head the Council's delegation.

Also attending will be district Scout executive Roland E. McFarland of Eastland.

An outstanding line-up of speakers will make presentations tying in with the daily themes of the conference. Each has been chosen for his background of experience in the fields of education, religion, business, finance, labor and government. The speakers are Dr. Herold C. Hunt, Harvard University; Dr. Marcus Bach, University of Iowa;

Mrs. Rollin Brown, Chairman, 1960 White House Conference for children; Robert W. Sarnoff, Chairman of Board, National Broadcasting Company; Jesse W. Tapp, Chairman of the Board, Bank of America; Glenn E. Watts, Assistant to the President, Communications Workers of America.

The evening sessions will also feature addresses given by distinguished speakers. They are: Albert L. Williams, Business Machines; Wayne A. Johnston, President and Chairman of the executive committee, Illinois Central Railroad; Honorable Charles W. Froese; Richard W. Darrow, Executive Vice President, Hill and Knowlton Public Relations firm; Lieutenant Colonel John A. Powers, Public Affairs Officer for NASA.

Chief Scout Executive, Joseph A. Brunton, Jr., will give the final challenge on the closing night session speaking on "Strengthen America — Character Counts."

During the week-long conference the Scout executives will obtain vital information on how to bring Scouting to more boys. The men will attend over one hundred workshops and discussion groups. Exhibits and outdoor displays will feature the latest camping equipment.

In addition to the 3,500 professionals, 1,400 wives and children will attend the conference. A special program of sightseeing and handicraft has been provided for them.

Plans Made For 4-H Club Parade Float

A committee was appointed to plan a float for the Sept. 14th Peanut Bowl parade, at a meeting of the Eastland County 4-H Adult Leaders held Monday evening in the Jimmy Lee, president, presided over the meeting.

Date for the annual Achievement Banquet was set for Oct. 19 in the Cisco Junior College Cafeteria. Mrs. Garland Pharr and Mrs. Yvonne Lepley will be in charge of the food, and Mrs. Irvin Pippen, Mrs. Jean Lee and Mrs. Bill Claborn will have charge of the decorations. Entertainment will be provided by the Rising Star and Gorman 4-H Clubs.

Those attending the Monday meeting were the following: Mr. and Mrs. Bob Shults, J. C. Turner and Mrs. James Wolf of Rising Star; Mrs. Garland Pharr, Darwin and Judy of Nimrod; Mr. and Mrs. Irvin Pippen, Gaston Boyd, Jimmy Lee, H. L. Ferguson, and Mr. and Mrs. Bill Gary of Cisco; Mrs. Bobby Sullivan, Jimmy Horn, Mrs. Jean Harbin, Mr. and Mrs. J. V. Cox and David and Mr. and Mrs. Bill Claborn, Frank and Cynthia of Eastland.

VISITS PARENTS

Mr. and Mrs. Jimmy Hagar and Carla were here visiting their parents Mr. and Mrs. W. T. Hagar and Mrs. Herbert Rapp.

Mr. and Mrs. Jimmy Hagar are living in Fort Walton Beach, Florida, where he is stationed at Elgin Air Force Base.

Friday, A Day Of Headaches For Post Office

Friday if you had asked any of the local Post Office officials what date it was, they probably would have replied "Friday the 13th" rather than "Friday the 23rd," for it seems as if the day was full of bad luck.

Things were running routinely until it came time to open the safe for the day. Instead of the safe coming open, the nut on the handle of the door came off, causing the tumbler to fall apart.

This in itself was bad enough because the safe contained not only stamps, without which no post office can function, but also held the checks for the employees weekly salary.

A quick trip was made to Eastland for the stamps and the local safe repairman was called in. He worked to no avail for quite a length of time when a call was placed to the regional office. The expert there was working on a bank safe at the time and could not leave. The office then said they would send another man from Fort Worth.

Max Ohr, Postmaster, stated that extreme caution must be used in working with the safe as the inside of the walls is filled with gas and for that reason the safe could not be drilled into.

If anything happened to a safe of this type and the gas escaped, stated Ohr, the Post Office would be unable to function for at least 48 hours.

Men's Softball Tournament Starts Monday August 26

The Little League park is getting a new building.

Under construction Friday, the storage house and announcers stand should be complete, and ready for use next Monday when the men's softball tournament starts.

The building is made of Featherlite blocks and will be used to store equipment.

The men's softball tournament which starts Monday will run through Saturday night. Represented in this tournament will be two teams from Ranger, two teams from Eastland, three teams from Stephenville, one team from Strawn, one team from Breckenridge, one team from Lingleville and one team from Gorman.

The first four nights will be elimination games for the right to play for the championship Saturday night.

There will be trophies for the top four teams.

Lions Club Presents \$328.30 To Hospital

David Allsup, president of the Ranger Lions Club, presented Ranger General Hospital this week with a check for the amount of \$328.30 to be applied on the purchase of a new intermittent positive pressure machine for the hospital.

The recently purchased machine is for the treatment of pneumonia, asthma, emphysema and other respiratory ailments.

Mrs. Dortha Harris, business administrator and spokesman for the hospital said that the staff is well pleased to have the machine and is very grateful to the Lions Club for making the purchase of this machine possible.

Mrs. Harris also stated that the hospital recently purchased a new diathermy machine and she extends the opportunity to surrounding Lion Clubs to contribute to the payment of the equipment.

Everyone Is Urged To Use Caution In Road Travel

The Texas Safety Association has issued a special Labor Day safety bulletin urging Texas drivers to display "caution" and "courtesy" in their driving during the long holiday weekend.

"Caution and courtesy can go a long way in cutting down traffic accidents and fatalities during the Labor Day weekend," J. O. Musick, TSA General Manager, said.

The safety director said drivers should put all their driving skills to work for them to stay out of trouble in traffic and should be prepared for the unexpected actions of other drivers. He also urged drivers to start out with a proper driving attitude.

"Your attitude about your own driving and that of other drivers has a profound effect of the possibilities of your being involved in an accident. Treat other drivers the way you want to be treated — with courtesy," he said.

Musick reminded drivers they have a moral as well as a legal responsibility when driving.

"No one really wants to be killed or be responsible for killing another person in traffic. But, for some reason, many drivers seem to think they have a built-in personal immunity to a fatal accident. It just isn't so — and it CAN happen to YOU."

The TSA is cooperating with the Texas Department of Public Safety the Texas Highway Department and other groups in promoting traffic accident prevention during the Labor Day holiday period.

In addition to traffic safety activities, the association is promoting accident prevention programs for holiday safety at home and in public places.

"Non-transport accidents at home and in public places also take their toll during holidays," Musick noted.

He said an unusual number of drownings this summer has given cause for special concern in the area of water safety.

"If you are going to a lake, river or some other body of water, make sure you know the hazards of that particular place before you go in swimming or take your boat out. Be sure you have approved life-preservers for every passenger in your boat and that everyone knows and observes safety rules," he added.

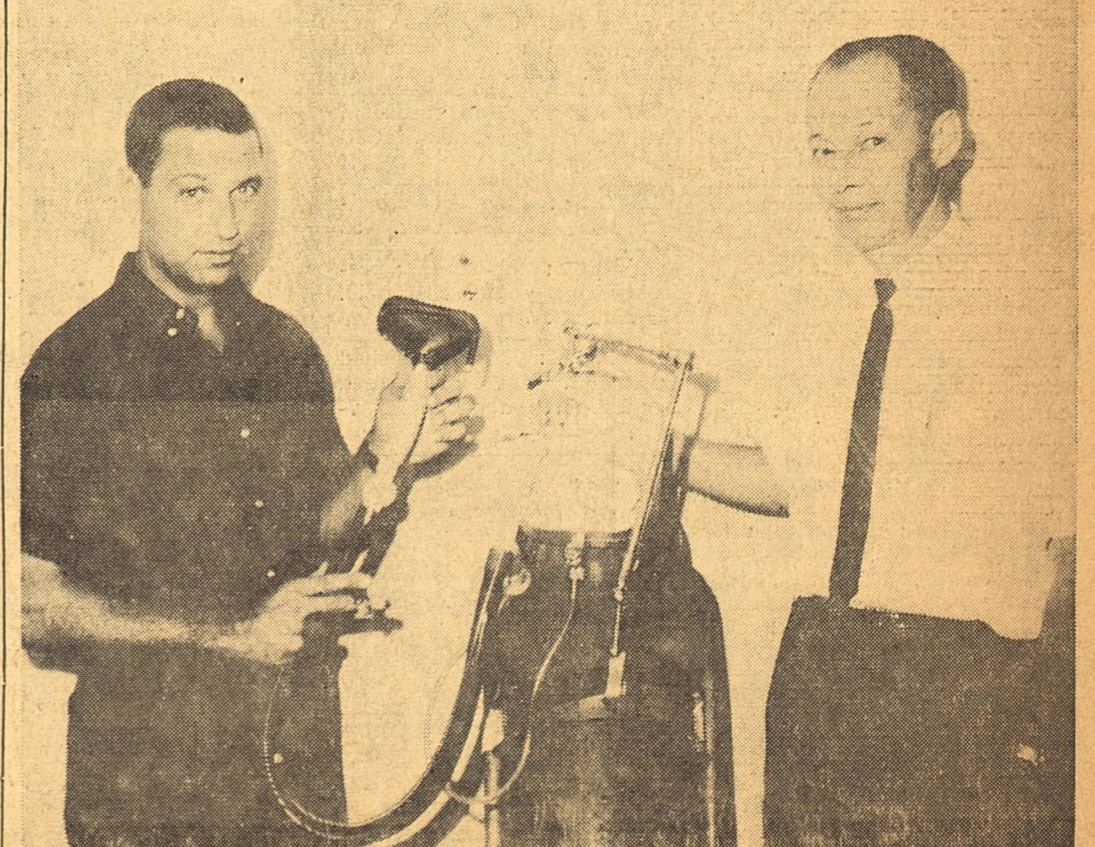

Musick said homeowners should use caution in starting fires for cook-outs. Make sure all fire prevention precautions are taken.

"And don't forget about the persons," he continued. Special attention should be given to removing environmental hazards that might cause falls. These two groups are frequently the victims of accidental falls.

"No matter how you celebrate the holiday or where you are — on the road, at home or at play — put safety first," he concluded. "It's not worth the chance you take if you don't."

CHRISTIAN SCIENCE
 "Whence then cometh wisdom? and where is the place of understanding?" This passage from Job (28:20) will be part of the Responsive Reading this Sunday at all Christian Science Churches.
 The Bible Lesson is entitled "Mind".
 One of the corresponding references from "Science and

Health with Key to the Scriptures" by Mary Baker Eddy will be this: "When the divine precepts are understood, they unfold the foundation of fellowship, in which one mind is not at war with another, but all have one spirit, God, one intelligent source, in accordance with the Scriptural command: 'Let this Mind be in you, which was also in Christ Jesus'" (P.276)

Cross Plains Editor Writes Of Interesting 'Notes Of History'

Jack Scott, veteran Cross Plains Review editor, writes a column, "Home Towners," that contained "memorandums on local history as told by early-day citizens in this area" in his newspaper on Thursday, August 22.

His interesting notes are reprinted as follows:

Cottonwood, first settled around 1885, once had a wagon factory. Although the wagons were not nearly as well-known as was the famous Peter Shuttler brand, they enjoyed a good local reputation and farmers and ranchers came from miles around to buy the vehicles manufactured on the banks of Cottonwood Creek.

There has been a lot of demonstrating of late, for Civil Rights and one thing or another. The idea is not new, however, for in 1883, about 200 men banded together and publicly threatened to burn down the town of Brownwood in protest to the selling of barbed wire.

The group, known as fence cutters, wanted continuance of open range and called barbed wire "devil's rope."

Probably the greatest slaughter ever seen in this country surrounding Cross Plains occurred in 1877, the year Callahan County was organized.

Thousands of buffaloes were slain just for their hides. The shaggy beasts were killed and

skinned, their carcasses left for the buzzards.

Cross Plains High School, choosing to call its athletic teams "Buffaloes," was a long-overdue tribute to the great animal.

Sam Bass and his gang were said to have passed through Callahan County in 1888. The famous outlaw "did no business" in these parts but news of his visit provided a choice conversation piece as frontiersmen got together for occasional chats.

One of the most humorous shooting scrapes ever to occur in Callahan County had a happy ending. It happened at old Belle Plain, a town which folded in the early 1880's after being missed by the railroad.

A woman fired both loads of a double-barreled shotgun at a man who was about to whip her husband. No one was hit but the assailant beat a hasty retreat, saying: "I can lick that guy, but I'd sure hate to take on his woman."

Last Indian raids into this area were led by chiefs Santana and Big Tree. The Redmen were more interested in stealing horses and cattle than gathering scalps. Little damage was done.

Oddly enough, the first case ever tried in Callahan County district court was one in which a man won divorce from his wife on charges of infidelity.

Bus Drivers Training Meet In Eastland

Approximately 30 county school bus drivers are expected to attend a training workshop at Eastland High School Tuesday evening, Eastland Supt. Wendell Siebert has announced.

The session will be in charge of the State Department of public safety, and will be from 7 until 9 p. m. Expected are about six drivers from Carbon, five from Rising Star, five from Cisco and about five from Ranger.

Vets Questions And Answers

Q — Who actually pays veterans or dependents getting compensation or pension checks, the VA or Treasury Department?

A — Three Federal agencies join in the payment of compensation and pension checks. VA in its computer station at Hines, Illinois, certifies the amount of payment to be made. From this listing the Treasury Department issues the checks and turns them over in mass volume to the Post Office Department which delivers them.

Q — Cannot veterans who hold the Korean GI insurance, called "RS" insurance, collect a cash dividend if they turn it in for "W" insurance?

A — Yes, but only until September 13, 1963, when the dividend offer expires.

Q — How many widows of Civil War veterans, either side, still draw pensions from the Federal Government?

A — About 2,000.

Mrs. Edgar Ward Gives Devotion At Circle Meet

The Ruth Porter Circle of the WMU of the Second Baptist Church met Monday, August 19.

The scripture reading was taken from Ephesians 4:13. The devotional entitled "Sharing Possessions" and How Many Women of the New Testament Days Exemplified Dedication" was presented by Mrs. Edgar Ward. Mrs. Carl White then led in prayer.

Mrs. Williams read the prayer calendar for the day, and Mrs. Ida Coleman led the prayer for the missionaries.

Mrs. White gave a report on the GA girls and their trip she and Nieta Thames sponsored to Leuders Camp.

The next meeting will be with Mrs. Howard Sutton. Those present were Mmes. Coleman, White, Sutton, Ward, and the hostess, Mrs. Williams.

Cattle Brand Recorded In 1874 Still Used

In Thursday's edition of the TIMES, a story concerning 780 cattle brands on record in Eastland County, was published.

The story stated that on May 12, 1874, J. L. Duffer was a mighty busy man as he registered his brand (-4) and was married the same day.

Mr. Duffer was the grandfather of the late Thelbert D. Jones of Ranger. The brand (-4) is still used by the Duffer estate.

Mrs. Lena Jones, wife of the late Mr. Jones resides south of Ranger.

Plans For HD Club Here Are Announced

An organizational meeting for a Home Demonstration Club in Ranger will be held Wednesday at 10 a. m. in the Chamber of Commerce office.

Mrs. Beverly R. Nicholson, County Home Demonstration Agent, will be in charge of the meeting.

Purpose of the club is to help members gain homemaking knowledge and to work for betterment of home and community.

Mrs. Nicholson announced that the public is cordially invited to attend this important meeting.

fort. This boy will wear a plain white helmet, even though he might be a starting ball player.

Then there is the boy whose size, lack of natural ability, or any other reason that might keep him from being an outstanding player. If this boy shows he wants to play bad enough and uses what he has to the best of his ability, then this boy will wear the "Helmet."

It will not only be necessary for the boy to hustle to earn the "helmet", but to keep it also. After he has earned the right to wear it, it is not likely he will give it up easily.

There have been four boys following the first weeks workout, to earn the right to wear the "Bulldog". The first two to receive theirs were Ronnie Hines and David Sutton. By the end of the week, two more were wearing them. They are Mackie Barbose and Kyge Edmonds.

BULLOCK SINGING

An old fashioned singing will be held Sunday afternoon at 2 p. m. in Bullock. M. S. James, president, extends a welcome to everyone to attend.

CWF Meets In Downing Home

The Christian Women's Fellowship of the First Christian Church met in the home of Mrs. David Downing Tuesday morning, August 20, at 9:30.

Mrs. B. G. Pirkle, president, presided during the business meeting in which the group planned a woodwork washing day at the church. Plans were also made for a ham and bean dinner to be held in the fall.

Mrs. B. S. Dudley, Sr., gave an interesting and informative talk entitled "Thru Me Thy Spirit Shines." The worship service in conjunction with the lesson, was led by Mrs. Downing and concluded the program.

Refreshments of strawberry waffles and coffee were served to the following: Mmes. E. T. Boyd, Bill Collings, Lottie Davenport, B. S. Dudley, Sr., C. L. Dinsmore, Ada Eaves, Claude Greenlee, Virgil Higdon, Dick Jones, Luna Lane, B. G. Pirkle, Eary Wallace, Raymond West and the hostess, Mrs. Downing.

A SID STORY
FOR SALE
Behind many "For Sale" signs there is a sad story: A family borrowed more than they could afford to pay for a home, or payments and interest rates were too high; the home had to be sold, often at a loss. This tragedy could often be avoided if the families would seek help from a home loan specialist, such as our Association.
We work with you to arrange for a loan that's as easy to handle as monthly rent.

NOW IS THE TIME TO CHECK THE LIGHT YOUR CHILDREN USE FOR HOME STUDY

Even children who pass the eye chart test with ease need special light for home study. Reading and other close visual tasks require plenty of good light to make seeing easier and to prevent eyestrain and fatigue. For best light from a table lamp, use at least 150-watt illumination. The lamp should be tall enough to spread light evenly over the work area and properly shaded to shield the light source from the eyes. A diffusing bowl is recommended to soften the light and prevent glare. Check your children's study light now. Better light means better sight and better grades.
