

# THE STATE LINE TRIBUNE

"OFFICIAL PUBLICATION OF FARMER COUNTY"

TEN PAGES

FIFTY-SEVENTH YEAR

10 CENTS

This week, the Green and White of the Texico Wolverines will travel to Vaughn, N.M., and initiate the first football game by that school in approximately 30 years. As the Governor of North Carolina said to the Governor of South Carolina, "That's a long time between games."

It is a pity that this initial game has to be played so far away, but creating a varsity schedule is not an easy matter. In fact, we feel that the Wolverines were quite fortunate in obtaining the present schedule of varsity games for this year.

The new Texico Booster Club is very active and has provided the impetus that has led to the return of the pigskin game to that campus.

We think it would be very difficult to find two towns of the limited size of Texico and Farwell that will support two football teams with the dedicated frenzy displayed by local football buffs.

The Texas legislators closed their "sock it to the taxpayer" 44-day special session. A record \$5,800,000,000 was appropriated for the next biennium. This is \$313,800,000 above the present spending level. On October 1, we will begin to pay the tax piper for this legislative generosity, and that will not be easy.

Before departing to face the hometown voters, the legislators voted themselves a little salve for their economic wounds. The House raised its allowance for each representative from \$450.00 to \$875.00 monthly during the interim between legislative sessions. Senators raised their expense maximum from \$1,000.00 to \$1,700.00.

Legislators of both houses are paid a salary of only \$4,800.00 a year, the tip of the iceberg.

The infamous National Council of Churches has been noted for its espousal of ultra-liberal causes, oftentimes to the embarrassment of local churches whose national bodies are members of the organization. The Council from time to time admits that it does not speak for the individual church groups composing its varied membership, but this disavowal is often overlooked by the general public.

The Reverend Phil Baker, pastor of Hamlin Memorial United Methodist Church, brought a clipping to our attention and wanted it known that the local Methodist church had not for the past year remitted its apportionment for support of the National Council.

The article dealt with the National Council responding to the Black Manifesto of the Black Economic Development Conference. While the local church has not taken an official attitude on this particular issue, the church has fallen out with the National Council and is refusing to donate any money to further the Council's radical activities.

This is the only realistic course for a small local group to follow in expressing its displeasure at the actions of higher echelons that are beyond its control. All groups run on money and the drying up of the financial wellsprings can have a drastic effect on a group's activities, wherein resolutions and petitions will go unnoticed. We consider this a sensible step by a local body. We're glad to see this awareness of national events recognized on the community level.

## NOTICE

Sheriff Charlie Loveless has received a court order to inform jurors who received summonses to appear for district court Monday, September 22, to disregard the order until further notice. These summonses were mailed last Friday. The court session has been cancelled on the order of Judge Pat Boone.

## Slate Meeting

Announcement has been made by Mrs. Betty Castleberry of the local Ladies Bowling League that Irma Boyd, WIBC Field Representative, will meet with women who are interested in bowling at the community room of Security State Bank in Farwell at 7 p.m., Friday, Sept. 26. All women in the area who are interested in bowling are invited to attend the meeting.

## 17 Perfect Scores --

# Record Number, 278, Enter Football Contest

Fall is in the air and the snap of the pigskin and the wild cheering of the crowds as their favorite football teams cross the goal line can be heard around the area. However, all this has nothing to do with the excitement that is created by the annual merchant's football contest, which is entering its 11th year in the pages of the Tribune this fall.

During the first week of the contest a record number of 278 persons entered the contest, breaking the record of the first week number of 206 set last fall. Of the 279 entries, 17 persons called all of the games right, 58 called nine games

right, 72 called eight games correctly, 71 called seven right, 39 called six right, 15 called five right, and the remainder of the entries had four or less games right.

Jerry Mathis and Larry Jones tied for first and second place money (weekly prizes) by calling all of the games right and missing the tiebreaker score by 15 points. Although the two did not call the same score for the game, they were each off 15 points on the game score. Vernon Scott was winner of third place prize by calling all of the games right and missing the game score by 17 points.

Other persons calling a per-

fect score on the contest entry were Mrs. R. W. Anderson, Elva Ruth Davis, Mrs. Roy Everett, Doug Harriman, Mrs. Henry Haseloff, Betty Flowers, Walter Kaltwasser, Jack Kirkland, Leroy Kitten, Dale McCuan, Deb Hargrove Norton, Ray Norton, Omata Scott and Elaine Wardlaw.

Each week for the next 11 weeks a list of ten high school, college, or professional football games will appear on the contest entry blank. Choose a winner in each of the games and be sure to pick a score on the tiebreaker game as the games does not count as right or wrong. It is only used in case two or

more persons pick the same number of correct games.

Get into the fun early and stay in the contest . . . who knows, you may be the Grand Prize winner. Grand prize is two tickets to the Cotton Bowl and \$50 expense money. Second prize is two tickets to the Sun Bowl game and \$25 expense money.

Remember the only requirement for entering is one must be at least 12 years of age or older. Entries must be in the Tribune office no later than 5 p.m. each Friday afternoon. Entries which are mailed must bear a Friday postmark.

G. D. Anderson, center, president of Security State Bank and a sponsor of the annual merchant's football contest had the pleasure of presenting Jerry Mathis, left, and Larry Jones, with checks for \$4.00 each this week. The two men picked all games correctly in the weekly contest and missed the tiebreaker score by 15 points, thus tying for the first place prize. Fifteen other persons also picked all of the games right, but were further off on the tiebreaker score.

## Jinx Broken --

# Chiefs Fall To Steers

by Steve Blair

The Farwell Steers started the 1969 football season on a winning note Friday night by handing Friona a 34-0 shellacking and breaking a jinx of several years of losses to the Chiefs. Greg Hargrove bombed the Chiefs for 164 yards, finding his favorite receiver from last year, Dean Stovall, for 68 yards and two touchdowns. As well as picking the Friona secondary apart with his pinpoint passing, Hargrove also scrambled for 54 yards, averaging nearly eight yards per carry.

Danny Prince hauled in three of Hargrove's tosses for 51 yards and took the ball from Friona twice via an intercepted pass and a fumble recovery. To lead the ground attack, the Steers found an able back in the person of Gary Erwin, who ground out 64 yards the hard way and came out of the backfield to snag two passes for an additional 16 yards. The Steers had 319 yards total offense, 164 through the air and 155 on the ground, as compared to a meager 144 yards for the Chiefs.

The Steers took the opening kickoff and, following a 13-yard runback by Danny Prince and a 15-yard penalty for grasping the face mask, they went to work from their own 42. They moved to the Friona two-yard line in 11 plays on the running of Gary Erwin and Mike Flowers and pass receptions of 16 yards by Doug Harriman and 12 yards by Dean Stovall. Hargrove plunged over from there and, following an unsuccessful PAT attempt, the Steers possessed a 6-0 edge.

A stingy Steer defense wouldn't allow the Chiefs a first down and forced Danny Carthel to punt from deep in his own territory. Stovall hauled in the punt and raced 65 yards to pay-

dirt, only to have the effort nullified by a clipping penalty.

The Steers drove into Friona territory, but a fumble gave the Chiefs possession. With Danny Kendrick at the helm, the Chiefs drove to the Farwell eight before being halted by the determined Steer defensive unit. Neither side could muster a successful drive and they exchanged punts twice going into the second quarter. The Steers came alive after Mark Williams recovered a Wesley Clark fumble at midfield. They moved to the Friona 14 in two plays on an interference penalty and

a 19-yard scamper by Erwin. With 5:45 remaining in the half, Stovall hauled in a Hargrove aerial in the end zone which had been deflected by a Chieflain and, following a two point conversion on a pass to Danny Prince, the Steers led 14-0. The hapless Chieflains were again denied a chance to move the ball when Danny Prince intercepted a Wesley Clark pass. Both offenses were stymied, however, and time ran out with the Blue and White on top, 14-0.

The third quarter saw the defensive units shine, as neither

NEARING THE END --- Gary Erwin, No. 42, is nearing the end of one of his many jaunts against the Friona Chiefs last Friday evening. The fleet Farwell back tore around the Chieflain line for consistent gains as the Steers rampaged over the hapless Chiefs, 34-0, in Friona.

## Methodist Church --

# Nowlin Discusses Minority Groups

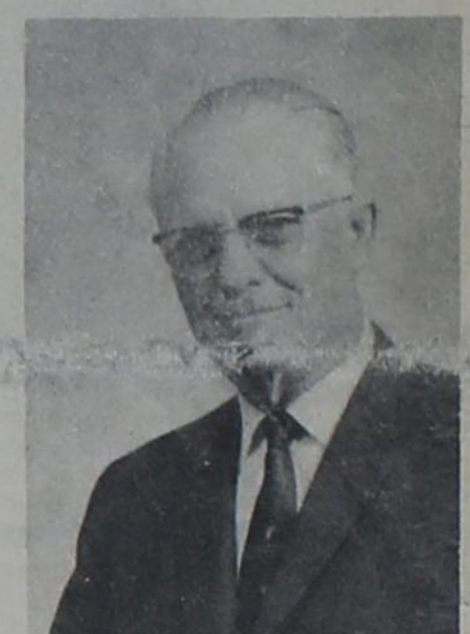

Guest speaker at Hamlin Memorial United Methodist Church Sunday evening, Sept. 21, will be Dr. Earl Nowlin, District Superintendent of the Clovis District of the New Mexico Conference of United Methodist Churches.

Topic for the talk which will follow a covered dish meal, is "The Methodist Church and the Minority Groups." Dr. Nowlin invites questions on all of the issues involved in the recent action taken by the church in reference to minority groups. The supper is set for 6 p.m.

Dr. Nowlin is a native of Rocky, Okla., and is a graduate of McMurry College, hav-

ing received B. S. and D. D. degrees from that institution. He was a delegate to the World Conference of Methodist Churches. He has also twice been a delegate to the general and jurisdictional conferences and was district superintendent of the Albuquerque district before coming to Clovis. He has also served as executive director of the Methodist Foundation in Albuquerque.

Reverend Phil Baker, pastor of Hamlin Memorial United Methodist Church, invites all members of the church and other interested persons to attend the service on Sunday evening.

DR. EARL NOWLIN

## Steers Meet Dimmitt Tonight

The Farwell Steer football squad will collide with the Dimmitt Bobcats from District 3AA tonight (Friday) in Dimmitt. This is the fourth time the two clubs have met in recent years. Statistics show Dimmitt defeated Farwell in 1966 by the narrow margin of 14-12. The teams tied 28-28 in 1967, and last year the Bobcats were defeated by the Steers, 12-6.

Coach Toby Booth states that the Bobcats will be out to avenge the defeat suffered last year when the teams met tonight in Dimmitt. However, he expects his team to be ready for the speedy and experienced Bobcats. Booth says the teams are about the same size, but the Bobcats are a much more experienced team than the Steers.

Booth says he is hoping for a repeat performance of the Steer-Chieftain game last week when the Steers showed their agility, blocking and passing ability to good advantage. He states that the defense looked better than had been expected in the passing and running departments in the Friona game and that the offense also looked good. Junior Gary Erwin, playing on the varsity team for the first time this year, showed much agility on the playing field. Booth also cited Doug Harriman, Dean Stovall and Danny Prince for their blocking ability. Game time in Dimmitt tonight is 8 p.m.

## Texico Plays First Game Tonight

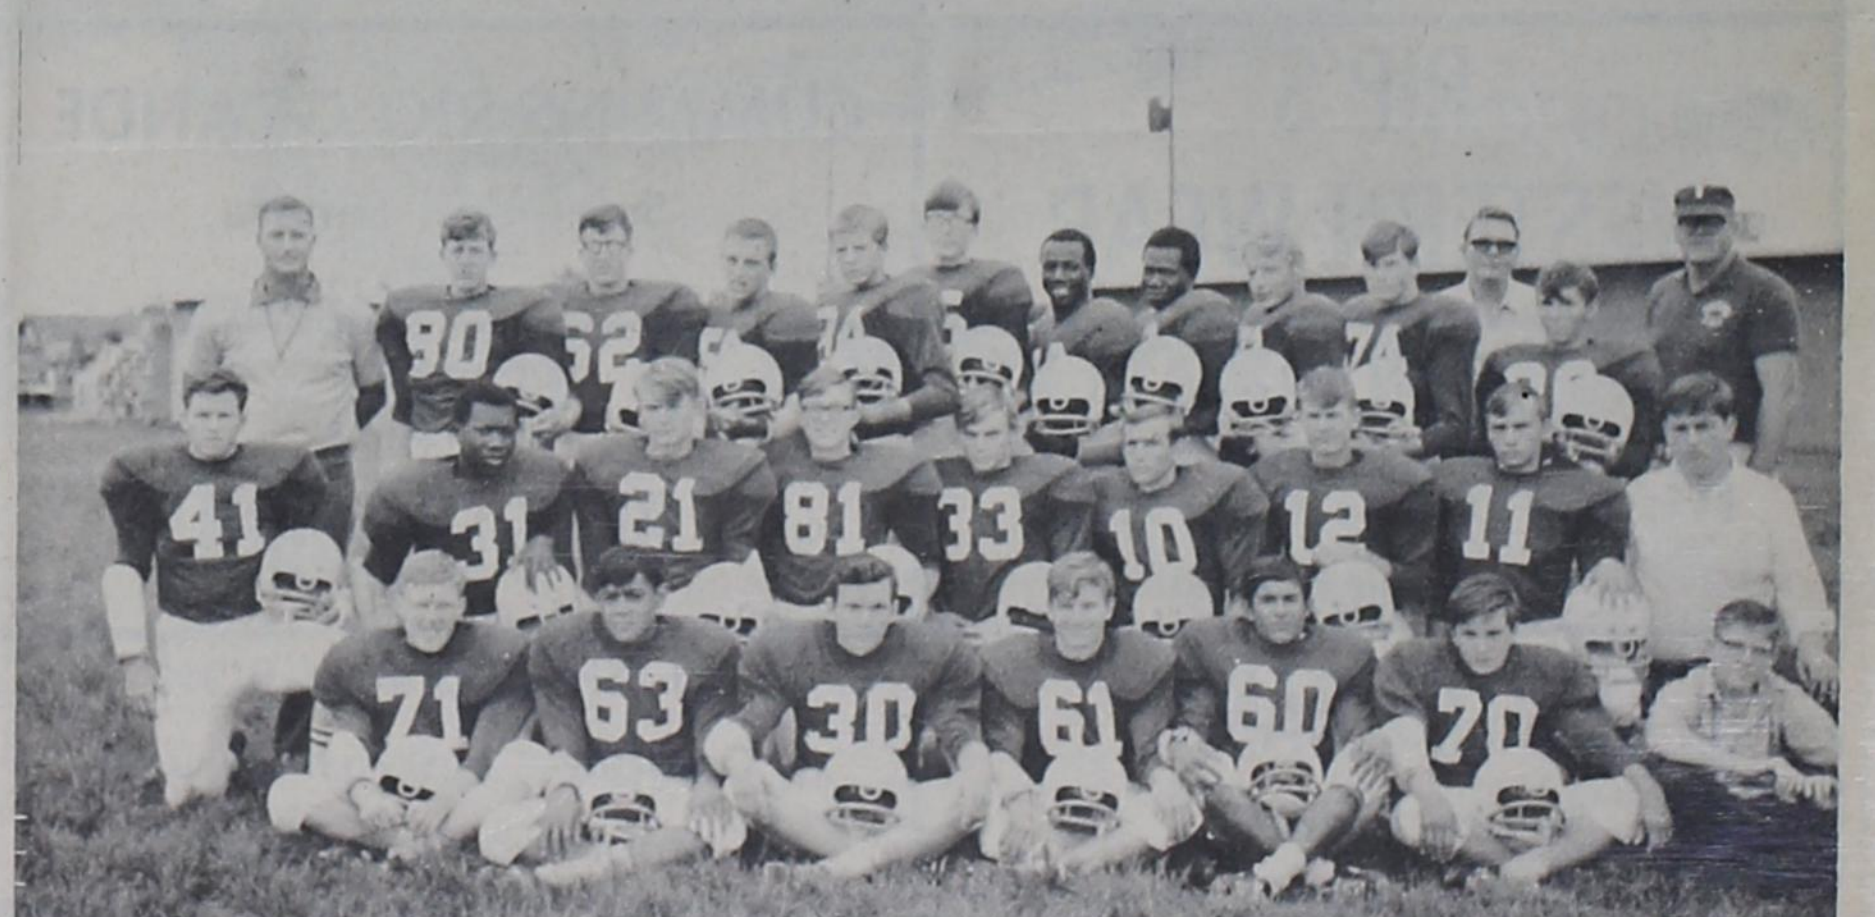

Coach Jimmy Wynne of the Texico Wolverine football team indicated early this week that Texico squad members are suffering from "a mental letdown." He believes the letdown comes from their lack of inactivity during the past two weeks while other teams have been playing and they have remained idle. However, he states that he expects them to be in shape mentally and physically by time of their first game Friday (tonight). Game time is 8 p.m. in Vaughn.

Coach Wynne indicated that he knows little about Vaughn except that they are a solid and experienced ball club. They were defeated by Ft. Sumner last week and have also been defeated by Tatum this year. He has no knowledge of the size of the Vaughn boys.

Texico's squad members weigh an average of 162 pounds.

A LAP FULL --- The photographer had a lap full of Farwell Steers as Doug Harriman, No. 83, and a Farwell blocker crashed out of bounds following a pass reception by Harriman from Quarterback Greg Hargrove in the Steer-Chieftain game last week in Friona. Farwell won, 34-0.

FIRST GAME --- Texico Wolverine football squad is slated to take the field in its first regular game Friday (tonight) at 8 p.m. at Vaughn. This will be the first time since 1937 that the Texico school has fielded a football team. Head coach for the squad is Jimmy Wynne. Assistant coach is Mike Navidomskis. Coaches and squad members are, left to right, back row: Coach Jimmy Wynne, Terry Yell, Rayford Fitz, Roy Gene Arnold, Wes Clark,

Tim Ingram, Albert Steward, Kenneth Askew, James Burford, Brian Burns, manager Bo Brown, Johnny Dane, Coach Mike Navidomskis; middle row: Ken Farmer, Jerry Askew, Monty Lambert, Terry Armstrong, Ricky Ketchersides, Keith Morris, Mike Casey, Ricky Pace, manager Lynn Trimble; front row: Danny Pearce, Loren Gibbs, Doug Harrison, Randy Skaggs, George Ortiz, Frankie Tipton and manager Gary May.

**Speedy Beef Stew From Belgium**

From Belgium comes the beef stew known as Carbonnade Flamande, a classical main dish richly endowed with onions and often flavored with beer. In the easy-to-make recipe which follows, canned roast beef with gravy reduces the cooking time and work greatly without sacrificing the traditional good taste, and apple juice or cider supplies the typical subtle flavoring.

The canned roast beef with gravy which is the mainstay of the dish is fully cooked and nicely seasoned as it comes from the can. That means that the ingredients to be measured are few, and the only cooking required is simple and quick: the sauteing of the onions, the heating and thickening of the stew — a matter of about 20 minutes. That makes the dish a treat for the home cook as well as the diners, because of the work that doesn't have to be done!

Traditionally Carbonnade Flamande is served with whole boiled potatoes dressed with butter or margarine and sprinkled with parsley or chives. A green vegetable, crisp salad, and home-style bread, will complete a delightful main course.

**EASY CARBONNADE FLAMANDE**

- 2 medium onions, chopped
- 1 tablespoon bacon drippings or shortening
- 1 cup apple juice or apple cider
- Dash of pepper
- 2 tablespoons chopped parsley
- 2 cans (12 ounces each) roast beef with gravy
- 1 tablespoon flour
- 3 tablespoons water
- Whole cooked potatoes

Saute onions in drippings. Add apple juice, pepper, parsley and roast beef with gravy. Bring to a boil. Blend flour with water and stir in; cook until mixture is thickened and bubbling. Serve over whole cooked potatoes.

Makes 5 to 6 servings.

**4-H Fair Results Told**

First annual Parmer County 4-H Fair was held Saturday, Sept. 13, in Friona in conjunction with the Maize Days Celebration. Thirty-six 4-H Club members from the five county clubs entered a total of 156 items.

Ribbons were given for the first three places with each item being judged on its merit. Judges for the fair were Mrs. Sydney Hall, Randall County Home Demonstration Agent, and J. K. Adams, Bailey County Agricultural Agent.

The club with the most entries will be awarded a trophy. The winner will be announced at a later date.

Listed below are entries and placings.

**MOST ENTHUSIASTIC STEER FOOTBALL FAN** --- Mrs. Fairy Stovall is without a doubt one of the most enthusiastic Steer football fans in the area since she has four grandsons playing on the team. Not many persons ever accomplish this feat and Mrs. Stovall is justifiably proud of the quartet of young athletes. Seated with Mrs. Stovall, center, are Jimmy Meeks, son of the Grover Meeks and a guard on the Steer squad, and Gary Erwin, son of Mrs. Mildred Erwin and a back on the squad. Standing left to right: Dean Stovall, son of the Harold Stovalls and a stellar end on the Steer squad, and Larry Erwin, son of Mrs. Mildred Erwin and a brother of Gary Erwin. Larry is also a back on the squad.

Zeforino Villarreal, 2; Darwin Green, 3.  
Chickens: Sonia Kube, 1; Weldon Kube, 2.

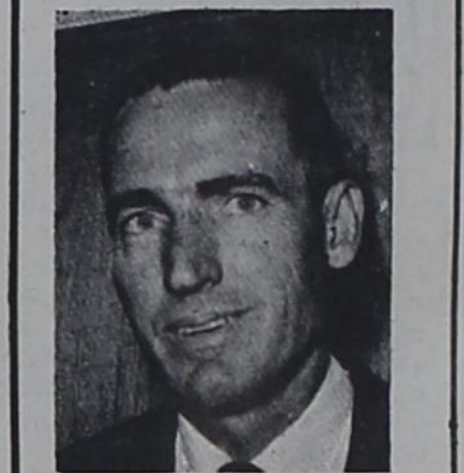

**TOO FEW PATROLMEN**

Texas should have three times as many Highway Patrolmen as it does to patrol the vast network of state highways, according to nationwide standards. Governor Connally is going to ask the Legislature to make a substantial increase in the Highway Patrol force and provide adequate salaries to attract and keep qualified men -- and "Texans for Traffic Safety" is actively supporting the proposal.

**WRONG SIDE OF ROAD**

Fifteen per cent of the fatal accidents on the rural highways of Texas occurred last year when some body was driving on the wrong side of the road, according to the records of the Texas Department of Public Safety.

FARWELL FFA OFFICERS --- Debra Garner is sweetheart for the Farwell FFA department this year. Officers of the club include, left to right, Robert Haseloff, president; Danny Prince, sentinel; James Chadwick, secretary; Mike Flowers, reporter; J. R. Sewell, treasurer; and Jay Herington, vice-president. Jean Kirk, not pictured, is plowgirl for the organization.

## Farwell FFA Is Busy Organization

The Farwell FFA Chapter will be a busy organization through this school year according to Jerry Mathis, advisor. The group will participate in various stock shows, including the Odessa, Fort Worth, Houston, Farmer County, Farwell, El Paso and San Antonio shows.

In addition, the 73-member chapter will be participating in various judging events. They have a livestock judging team, land judging team, dairy and beef cattle judging teams, junior chapter conducting team, senior conducting team, farm mechanics team and a radio broadcasting team.

This year for the first time the chapter has a co-op program with nine students working in various business firms or on farms in the area. Participating in the co-op program are Lonnie McFarland, Tide Fertilizer; Darwin Green, Monsanto; G. A. Gossett, Far-Tex Feed Lots; Hugh Buchtel, Far-Tex Feed Lots; Leon Parker, Country Club; Edward Terry, Dick Gerles farm; Mike Haseloff, A. H. Haseloff farm; Issac Ancira, Capital Food; and Wayne Kube, KZOL Radio Station.

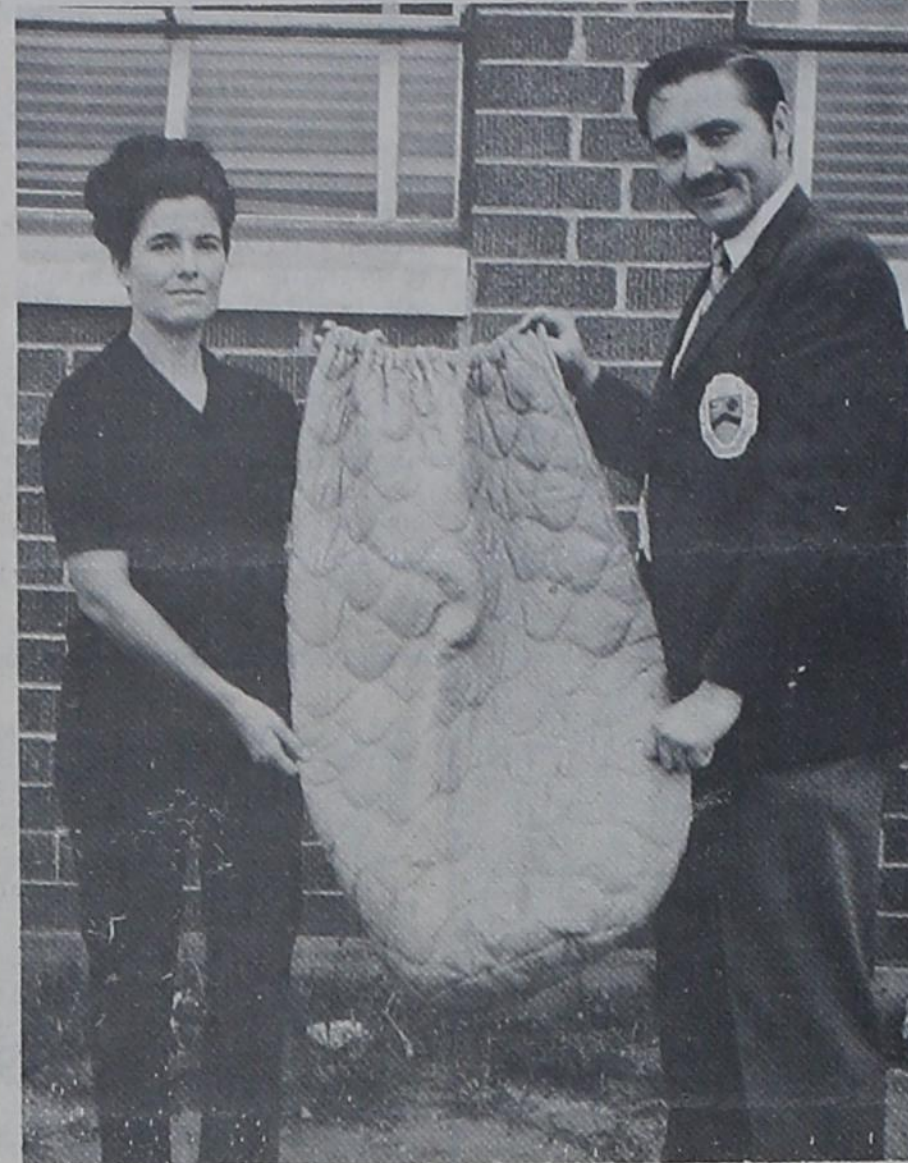

The chapter has one meeting per month and is presently planning an ice cream social for the near future.

Officers of the group include

Each \$1.00 from standing trees adds \$25.00 to Texas' economy through harvesting, manufacturing, construction, transportation and marketing.

At least 225 different species of trees grow in Texas, some of which are not commercially important at the present.

Robert Haseloff, president; Jay Herington, vice-president; James Chadwick, secretary; Mike Flowers, reporter; Danny Prince, sentinel; and J. R. Sewell, treasurer. Debra Garner is Chapter Sweetheart and Jean Kirk is Chapter Plowgirl. Advisors are Jerry Mathis and Jon Scott.

STADIUM BAGS are being sold by members of Farwell Band Booster Club and band members as a fund raising campaign. The bags, which come in various colors, are fully lined and have a zipper in front. They sell for \$12 each. One of the bags may be obtained by calling any member of the Booster organization or Mrs. Hurshel Harding, chairman of the fund raising drive, or Lynn Burton, band director. Mrs. Gene Hardage and Burton exhibit one of the bags and invite interested persons to come by and see the bags at any time.

**INEXPENSIVE REEL BAG**  
Cut off an eight-inch piece of your old pants leg and then sew up one end closed. In the other, cut slits and weave a draw string through, or add a zipper. Now you have a good reel bag, soft and easy to clean.

**SOX PROTECT REELS**  
Wrap reels in old heavy woolen socks. Keeps scratches off.

Election Oct. 6 --

## Announce Candidates For GSPA Board

The Grain Sorghum Producers Association has revealed that 24 nominations have been received for the Grain Sorghum Producers board. The grain farmers within a 29 county area of the High Plains and Panhandle of Texas, will elect 12 men from this list to serve as the governing board for their research and promotion activities, provided the grain sorghum referendum carries by a two-thirds majority.

The election will be held on October 6 and will be on the same ballot with the referendum proposition. On this ballot the farmers decide whether or not they favor an expanding research and grain sorghum promotion campaign, which will be aimed at improving the net profit in grain sorghum productions by assessing themselves an amount not to exceed five cents per ton to carry out this program. The names will appear on the ballot in the order of receipt by the Grain Sorghum Producers Association.

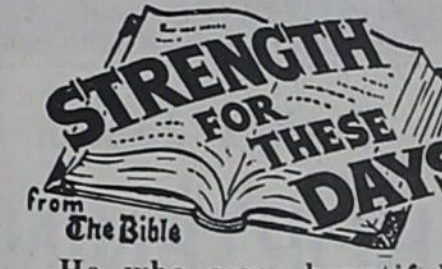

This 12 man board will receive no pay for their services and will be charged with the responsibility of seeing that the five cents per ton is spent on the projects yielding the best returns for the farmers. Elbert Harp, executive director of GSPA, said, "We appreciate each of these men agreeing to serve on this board if elected. They will have a great responsibility, as well as a great challenge, which we feel will be very profitable to the grain farmers in the High Plains and Panhandle."

The nominees are: A. W. Anthony, Jr., Friona (Parmer County); Don Marble, South Plains (Floyd County); K. B. Parish, Springlake (Lamb County); Jack F. Jackson, Abernathy (Hale County); Pat L. Northcutt, Silverton (Briscoe County); Melvin Barton, Dimmitt (Castro County); H. L. "Hub" King, Brownfield (Terry County); Troy Sloan, Spearman (Hansford County); E. C. Witten, Kress (Hale County); A. R. Dillard, Hereford (Deaf Smith); Lee Hill, Dalhart (Hartley County);

Vernon Tirey, Texline (Dallas County); Gene Smith, Lazbuddie (Parmer County); Delbert Watson, Muleshoe (Bailey County); Glendon H. Etling, Gruver (Hansford County); D. N. Gamblin, Sunray (Moore County); John Gilbreath, Hart

(Castro County); Ralph B. Mabry, Petersburg (Lubbock County); C. C. "Pap" Reed, Kress (Swisher County); C. P. Smith, Hale Center (Hale County); Charles Heck, Jr., Nazareth

(Castro County); Gaston Wells, Dumas, (Moore County); Larry Witten, Olton (Lamb County).

He who sows bountifully will also reap bountifully. (-II Cor. 9:6).

We have been given an inner power of thought that can literally transform our life. But thought must be concentrated to be effective. By concentrating wholly on good, we find good wherever we look. Thoughts and attitudes of success and prosperity persistently held produce abundance. Concentrating on happier, more harmonious ways of doing things will help us find more joy in living.

# A Wonderful Summer

By Nora Day  
Since returning home from a wonderful summer spent vacationing in several historical and interesting spots, my friends have been insisting that I write something about the trip in order that they might enjoy it with me. It was certainly an adventure for me and one I shall long remember.

fabulous Oahu Island. The cane fields which supply the products from which Imperial Sugar is made was a tremendous thing as well as the pineapple acreage of 15,000 acres owned by the Dole Pineapple Co. One could drive in the area of the canneries and smell the delicious odor of the pineapples for blocks and blocks.

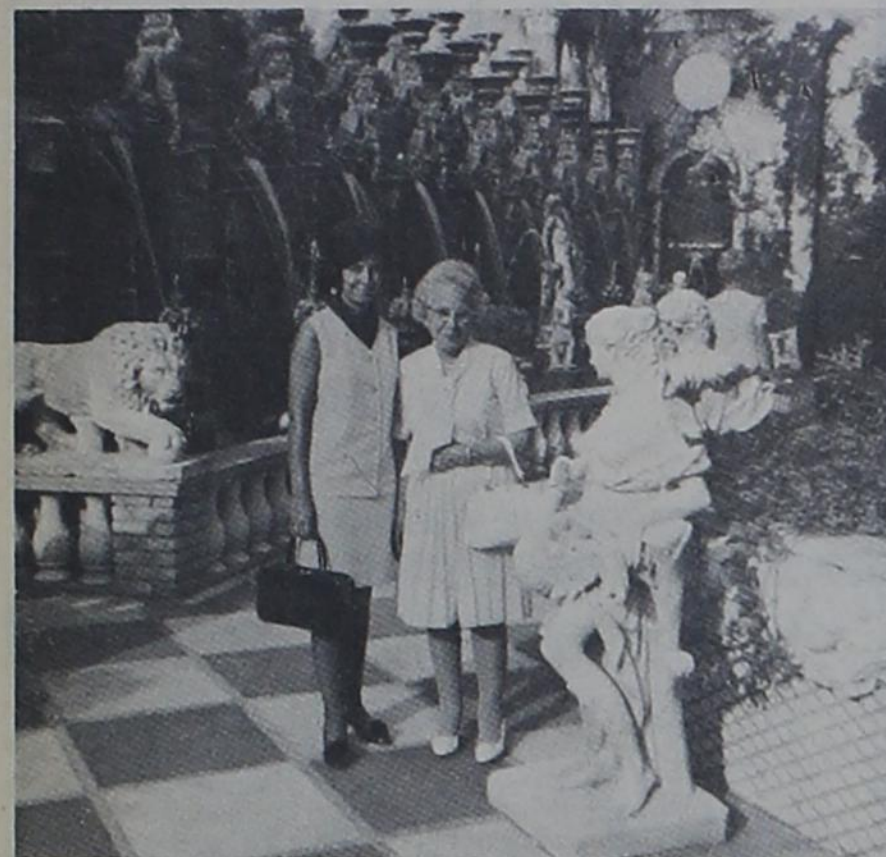

waves rushed into shore pushing the water through a hole in the lava rock.

The Pal Pass was an exciting place with the strong, strong, winds, especially when one leaned over the rock wall to look into the valley below. One could almost see Tarzan swinging through the trees as one made the drive through the pass to the lookout on top of the mountain.

Waikiki Beach, the most famous, but by no means the prettiest or smoothest beach, well-known for its skiing, swimming and surfing and its beautiful sunsets, is a must for all who visit the islands. Bellows AFB is a perfect place for all who live there.

The famous "Punchbowl Crater" of Honolulu, called the Garden of the Missing, has the names of 26,280 persons carved in stone. These men are the missing in World War II and the Korean Conflict. It is a place of real meditation.

The bright beauty of Waimea Falls and the beach where the yearly rainfall is 200 inches just couldn't be prettier or greener. Another highlight of the trip was a visit to the Lolani Palace, the only royal palace on United States soil. Honolulu's new capitol building is most unique. Hotels are numerous in the city and shopping in the Ala Moana Shopping center is a once in a lifetime opportunity. Sea Life Park

KAPOK RESTAURANT GROUNDS --- Mrs. Nora Day and a daughter, Mrs. B. B. Watson, pause to admire the view in the Kapok Restaurant grounds at Clearwater, Fla.

I left Texico on the first leg of my journey, on June 12 and went by car to Lubbock, where I boarded a Continental airplane for Dallas. In Dallas I transferred to an Eastern jet for the remainder of the trip to Tampa, Fla., where my daughter and son-in-law, Mr. and Mrs. B. B. Watson and their family were waiting to greet me.

I spent three happy weeks as a guest in their home while sightseeing and fishing in that area. I had never realized the thrill of fishing in the calm bay and the rough waters of the gulf before. As our boat rocked and rolled, we continued to fish and caught such fish as flounder, kingfish and spotted trout. A moonlight ride on the waters of the calm bay is fantastic and unforgettable.

I was taken on a tour of the old city of St. Petersburg, where the quaint buildings and people were most interesting. Clearwater, also in the same area, is a beautiful and clean city with flowers and trees everywhere. This part of Florida is as flat as our plains country of West Texas and Eastern New Mexico, except that there is much more water in evidence.

The famous Kapok Restaurant, so named for the Kapok tree, is located east of Clearwater. The grounds are lovely, graced by magnificent marble statues, gorgeous fountains and flowers of all kinds and colors. It is not unusual to stand in line from 45 minutes to an hour before being able to find a table in one of the many dining rooms since more than 1000 persons eat there each evening.

In St. Petersburg, a "must" is the sunken garden. Its gnarled trees, vines, flowers, and birds of all kinds, including the flamingoes, are all quite interesting.

After three weeks in this tropical paradise, I was on my way again to California, via National jet. I was met in Conoga Park by my son and daughter-in-law, Mr. and Mrs. R. L. Day. I spent several days in their home before leaving on the next leg of my journey. I am constantly amazed at the beauty of California... its mountains, trees, fruit orchards and the wide, wide ocean seem almost unbelievable. The Chinese, Italian, Mexican and Mongolian restaurants with their entertainment and delightful foods were most interesting.

After a few days I was again on my way this time to Hawaii by Pan-American jet. We flew at an altitude of 35,000 feet and cruised at 550-600 miles per hour covering the distance of 2,640 miles in less than five hours. We flew above the clouds so I was not able to see the waves below.

In Honolulu, where thousands of people are congregated in the huge airport, I was met in true Hawaiian fashion with floral leis by a son and daughter-in-law, Mr. and Mrs. Harrell Day. For the next three weeks I began getting acquainted with the

MRS. NORA DAY is greeted by her son, Harrell Day, upon her arrival at the Honolulu International Airport.

Sand, water and mountains in the background are one of the delightful sights Mrs. Day will remember as she reminisces about her Hawaiian vacation. This is a view of Kahona Bay.

While standing in the Dole or Del Monte pineapple fields one had no worry about snakes or tarantulas since there are none in the Islands. Grapefruit, papaya, banana, coconut, and mango trees are common yard trees in the Islands. However, one of the most beautiful of the native trees is the "flame tree," so called for the lovely red flowers which bloom in profusion on the wide, flat branches.

The Tantalus Drive over a mountain and through trees with lookouts on the way up, gave us a lovely view of the city of Honolulu and the ever-changing ocean. A salt-water geyser, "blow-hole," was fantastic and also dangerous for those who ventured too near to where the

## Uncle Ray's "Hot Air"

The way stores push credit, you'd think cash was a dirty four-letter word.

A bargain is something that's so reasonably priced you can probably find some use for it.

Plenty of bargains at Uncle Ray's Store of Better Values.

**Ray Mears**  
Hwy 70-84  
-FARWELL-

and Paradise Park were also on the agenda.

A visit to the Polynesian Cultural Center was a delightful experience. Here one sees a miniature of countless islands the ancient Polynesians saw as they roamed the trackless Pacific. The lunch which was served following the sight-seeing tour consisted of Polynesian dishes, and all proved to be quite tasty. Later in the evening a program was presented by the Mormon students from the University. It consisted of war chants and a dance by the men and a hula dance and song by the female members of the cast. The entire program was quite colorful and historical.

One of the most rewarding experiences of the entire trip was being able to attend the Pearl Harbor Baptist Church.

It was such a privilege to be able to give thanks to the Lord for his gracious and kind protection and guidance on this vacation in such a historic place.

Most impressive was my visit to Pearl Harbor and the opportunity of seeing different ships, and touring a battleship "The USS New Jersey." It gave one a strange feeling to see a Japanese submarine anchored in the Harbor alongside our ships. The visit to the USS Arizona Memorial was quite impressive and brought one to a sharper realization of the sacrifice made by those men who went down that fateful Sunday in 1941 when Pearl Harbor was bombed by the Japanese.

Another highlight of the Pearl Harbor tour was a visit aboard the "Hornet," which had carried the trailer of the "Men on the Moon Walk." We were able to stand on the ship in the very spot where President Nixon had delivered his message to the astronauts. We were able

to take pictures of the helicopter #66 which brought the men safely from the water to the trailer.

All too soon my time ran out in the Islands and I was again bound for California via Pan-American jet after bidding my family Aloha. After spending a few days relaxing in California, I was again on my way... this time via Air-West to Salt Lake City, Utah. I was a guest of another son, the Dan Day family in Salt Lake City. Here I was privileged to hear the Mormon Choir sing and see the tabernacle. We were able to sit before the high pipe organ as the 300-voice choir rang out. Grounds around the temple are spacious and overflowing with beautiful flowers of all kinds.

We took a drive into the mountains to a height of 10,000 feet and were amazed to see the snow-covered peaks.

After leaving Salt Lake City, I flew Frontier, the fifth airline since leaving home, to Albuquerque, where I was met by

## Way Out West Astroworld Feature

"Way Out West," the best musical show the Crystal Palace Revue has ever staged, highlights the Astroworld Fall season every weekend through Sunday, November 2.

A new Crystal Palace cast performs the 25-minute lively western-country variety show six times each Saturday and Sunday hourly from 1 through 6 p.m.

Astroworld is open from 10 a.m. to 7 p.m. each weekend. The price for more than 100 adventures, attractions and a daughter, Lynette Thompson.

Not being quite satisfied with my vacation yet, we decided to make a short trip to Santa Fe and see the state capitol, visit some of the national parks and finally visit Los Alamos, a growing and beautiful city in my home state.

After a delightful, educational and rewarding summer vacation, I am at last home and back on the job at the Texico School Lunchroom.

shows is \$4.50 for adults, \$3.50 for children under 12.

New songs, new arrangements, new choreography, new scenery and designs all were handled by Astroworld personnel. "It's by far the best thing we've done," said Gene Patrick, park director.

The vocal group, which sings "By the Time I Get To Phoenix," a cowboy medley, and joins the full company in the opening and closing numbers, includes Lanelle Davis, Whitney Barnhart, Kathy Williams, Nancy Parrish, Mike Massey, Danny Thweatt, Roger Vernon, and Randy Horan.

Baritone Bob Frazier sings "Ghost Riders in the Sky," and does a special effects number, "Long Tall Texan" with Nancy, Roger and Mike.

A quartet of Lanelle, Nancy, Roger and Mike, sings "Buttons and Bows" and a special dance number, "Can, Can," is performed by Penny Grasshoff.

Chris Moss, Society Editor ---- Phone 481-3681

TO WED --- Mr. and Mrs. Perry Winkles of Texico announce the engagement and approaching marriage of their daughter, Beverly Jo, to Billy Joe Ford of Cannon AFB, son of Mr. and Mrs. Avery Ford of Falls of Rough, Ky. All friends and relatives are invited to the wedding and reception at the Advent Christian Church in Clovis on November 16, 3 p.m. (MST). No invitations are being sent locally.

## Woman's Club Has Annual Membership Tea

Executive board members of the Texico Women's Club were hostesses for a membership tea at the community room of the Citizens Bank in Texico Monday evening. Get-acquainted games were directed by Mrs. Norma Rogers and Mrs. Aileen Pearce. The scrapbook was presented by Mrs. Charlotte Pierce, scrapbook chairman, for approval of the club members before being entered in the district contest.

Plans were completed for the district meeting at the Holiday Inn in Clovis on October 1. The Texico Club is joint host for the meeting with the Elida Club. A "space age" theme will be used for the district meeting. Members of the local group were encouraged by president Mrs. Barbara Trimble to enter arts and crafts in the show at the district meeting. The Texico club voted to endorse Mrs. Tommie Snodgrass as its candidate for vice-president of District III. Mrs. Snodgrass has been nominated at an earlier meeting of the district nominating committee.

Mr. and Mrs. A. D. Kirk, Jean and Joe spent the weekend in Albuquerque attending the New Mexico State Fair. They returned to Farwell late Monday.

## Hospital News

Mrs. Lillian Aldridge and her mother, Mrs. Jesse Orr, are both hospitalized in Parmer County Community Hospital this week for treatment. They were admitted to the hospital on Tuesday afternoon. No report was available on their condition at press time.

Mrs. M. A. Snider, Jr. is hospitalized in Clovis Memorial Hospital after undergoing major surgery on Tuesday. Her condition is satisfactory.

R. V. Ham is hospitalized in Clovis Memorial Hospital receiving treatment for pneumonia. His condition is fair.

Mrs. Ida Landrum, who suffered a paralytic stroke three weeks ago is still in serious condition at Parmer County Community Hospital in Friona.

## Hawaiian Theme Highlights Study Club Meeting

A Hawaiian theme highlighted the first fall meeting of Farwell Study Club in the home of president, Mrs. Carrie Christian. As guests arrived they were greeted with the Hawaiian welcome "Aloha" and a "kiss" by special guests, Mrs. Harold Carpenter and Mrs. Leon Billingsley. The greeters were attired in their Hawaiian muumus and wore leis.

Guests were presented with leis and served a papaya juice cocktail upon arrival. A luau meal was served from a table laid with a green tablecloth and centered with flaming volcanoes, pineapple boats filled with melon and pineapple balls, and lighted candles floating in colored oil representing the waterfalls. The meal, served buffet style, consisted of pork roast, baked chicken with rice,

green beans and almonds, baked sweet potatoes, salads, relishes, banana nut and apricot breads, coffee and iced tea served with pineapple spears. A display of Hawaiian products including sugar, pineapple, wooden products, perfume, coral and volcanic rock and black sand from the Black Sand Beach, and shells were displayed with floating candles.

Attending the social were Mmes. Jewell Scott, Lenora Tatum, Beulah Hobbs, Nina Glasscock, Alice Williams, Hope Shuman, Mildred Vincent, Hattie Coffey, Retha Bell Grissom, Virginia Sheets, Ethel Howard, Lois Billingsley, Avis Carpenter, Carrie Christian, Gertrude Foster and Messrs. L. R. Vincent, W. N. Foster and C. C. Christian.

ALOHA was the greeting extended to guests and members of Farwell Study Club as they arrived at the home of Mrs. C. C. Christian, right, for a Hawaiian luau Monday evening. Special greeters were Mrs. Lois Billingsley, left, and Mrs. Avis Carpenter. The greeters and hostesses were attired in Hawaiian muumus and wore flower leis and flowers in their hair. The flowers in the hair signified by their placing that the ladies are married. Flowers worn in the opposite side of the hair indicate that the lady "is available."

## Visit In Mathews Home

Visitors in the home of Mr. and Mrs. W. J. Mathews over the weekend were two of Mathews' sisters, Mrs. Mattie Putman of Lamesa, and Rev. and Mrs. Ed Morgan and Daphne of Amarillo. Rev. J. P. Jones, a nephew, also of Lamesa, accompanied Mrs. Putman to Texico for the visit.

## Mrs. Dial Teaches Friendship Class

Friendship Class of Farwell First Baptist Church met in the home of Mrs. Clytie Dial last Tuesday evening for a regular monthly business meeting and social.

During the business meeting Mrs. Dial was re-elected teacher of the group and Mrs. Clyde Magness was named assistant teacher. Bible games were played after which a social hour was enjoyed.

Refreshments of apple pie ala mode was served with coffee to Mmes. Letha Jo Roberts, Pearl Gerles, Ruth Reed, Estelle Billington, Loyce McCleskey and Jewell Scott by Mrs. Dial.

## Return Home

Mr. and Mrs. Carlton A. Harper of Memphis, Tenn., returned to their home Tuesday after a visit of several days with her sister and family, Mr. and Mrs. Clyde Magness, and other relatives and friends in the area.

BANDSMEN of the week who have been cited for their marching at the Friona-Farwell football game last week include, left to right, Barbara Goettsch, LaShawn Sheets and David Dannheim. Also named as bandman of the week but not present for the picture was Gerald Gohlke.

## Visits Parents

Jerry Lovelace, son of Mr. and Mrs. Charlie Lovelace was in Farwell over the weekend visiting his parents. Jerry is assistant coach at Sundown School.

## Leavell Family Has Reunion

Visitors in the home of Mr. and Mrs. J. H. Leavell last week were Mrs. Olga Dillahunt, Ozark, Ark., Mrs. Edna Chesser, Carlisle, Ark., and Mr. and Mrs. Buster Leavell of Russellville, Ark., all sisters and brothers of J. H. Leavell.

On Sunday a reunion and family dinner was held in the home of Mr. and Mrs. Howard Leavell, Freda and Monty. In addition to the visitors from Arkansas, others in attendance at the affair were Mr. and Mrs. Car-

roll Leavell, Terri Lynn and Kimmy, Jal, N.M.; Mrs. Mebel Leavell, Jal; Mrs. Charles Thorp, Charles, Jr., Ray and Bryan, Odessa; Mr. and Mrs. Billy Crain and Kevin, Cee Vee; Mr. and Mrs. J. H. Leavell, and the Howard Leavell family.

REUNITED --- All of the remaining members of the Leavell family were reunited in the home of Mr. and Mrs. J. H. Leavell in Texico last week. Brothers and sisters, left to right, are J. H. Leavell, Mrs. Olga Dillahunt, Buster Leavell and Mrs. Edna Chesser.

## Jeffrey Scott Williams Born In Galveston

Dr. and Mrs. Tommy Williams of Galveston announce the birth of their first child Sunday, Sept. 14, at 12:10 p.m. in a Galveston hospital.

The infant, a boy who has been named Jeffrey Scott, weighs 7 lb., 6 1/2 oz. and is 20 inches tall.

## Correction

One ingredient, sugar, was omitted from the fresh apple cake recipe which was used in the "Portraying Area Home-maker" column last week. We are truly sorry for this error and hope that only a few home-makers have been inconvenienced by the error. The correct recipe is:

- 1 cup Wesson Oil
- 3 eggs-well beaten
- 3 cups diced fresh apples
- 3 cups sifted flour
- 2 cups sugar
- 1/4 teaspoon salt
- 1 teaspoon soda
- 2 teaspoons vanilla
- 2 teaspoons cinnamon
- 1 cup pecans

Preheat oven to 300 degrees. Mix ingredients in order listed; batter will be stiff. Pour into greased and floured tube pan and bake 1 1/2 to 2 hours. Insert toothpick; when it comes away clean the cake is done.

## Hospital Notes

PARMER COUNTY COMMUNITY HOSPITAL

Sept. 9-15 Admissions

Mrs. Leon Chandler and daughter, Bovina; Mrs. Maria Leal and son, Friona; Randy Baker, Clovis; Tina Milligan, Friona, surgery; Mrs. Martin Gonzales and daughter, Muleshoe; Yolanda Mendoza, Friona, surgery; Clyde Weatherly, Friona; Lella Flippin, Friona; Larry Samman, Bovina, surgery; Altha Presley, Black; Edward Burchett, Friona; E. B. Moyer, Friona; Olivia Barron, Friona; Mrs. Janice Cordoza and daughter, Farwell; Gary Ferguson, Friona, accident; Ronnie McCutchin, Lubbock; Edna Joan Anders, Friona.

Dismissals

Mrs. Benicio Perez and daughter, Hereford; Robert Rodriguez, Farwell; Pat Martinez, Friona; Leonard Woodruff, Friona; Mike Barraza, Bovina; Hope Salcedo, Friona; Emma Stewart, Farwell; Mrs. Guadalupe Ruiz and daughter, Friona; Raymundo Santos, Friona; Lillian Aldridge, Farwell; Velma Jones, Friona; Alta Hutto, Bovina; Thurman Bartlett, Muleshoe; Tina Milligan; Alma Hendrix, Texico; Randy Baker; Mrs. Maria Leal and son; Mrs. Leon Chandler and daughter; Emmet Berry, Friona; Yolanda Mendoza; Larry Samman; Melinda Schlenker, Friona; Gary Ferguson.

Patio Luxury

Outdoor furniture now made with frames of strong, lightweight nickel stainless steel requires practically no care and lasts for decades.

## Strictly Personal Is Tarrs Visit Relatives HD Club Topic

Mr. and Mrs. Ivan Tarr and daughter, Jean, visited during the weekend in Goldthwaite, Tex., with her sister and family, Mr. and Mrs. Mack Hancock. The Tarrs then went to Grand Prairie where they visited their daughter and son-in-law, Mr. and Mrs. Bobby Sharum, who are former Farwell residents. In Greenville the local family visited with Mrs. John Sharum, mother of Bobby Sharum.

A short business meeting was conducted and plans were made for the next meeting in the home of Mrs. Ben Mesman on Sept. 25. New sewing techniques will be presented at that time.

Cookies, coffee and lemonade were served to Mmes. W. T. Magness, Edmund Kitten, Pete Fulcher, Ben Mesman, Hubert Gohlke, Gilbert Gilliam and Gilbert Kaltwasser.

## Visit In Rolland Home

Mr. and Mrs. G. V. Bohannon of Checotah, Okla., are visiting this week in the home of Mrs. D. O. Rolland. They will also visit with other relatives and friends in the area while in Texico-Farwell.

## Locals

Guests in the home of Mr. and Mrs. Delvin Langford and children, Paul and Lisa, this week are Mr. and Mrs. Raymond Atkinson and daughters, Jana and Renee, of Shawnee, Okla. The atkinsons arrived Saturday and left for home Wednesday.

Mrs. Jennie Langford of Hereford is a guest in the home of Mr. and Mrs. Elmer Langford and Carolyn this week. Guests in the Elmer Langford home Monday were Mrs. Joe McGregor and Mrs. Gomez from Clovis.

# Portraying Area Homemakers

by Chris Moss

Collecting antiques is one of the first loves of Mrs. Hurshel (Joyce) Harding, our homemaker of the week. Mrs. Harding has several collectors items in her home, including a butter dish with a strawberry and bird design which is quite rare. Also included in her collection are various other butter dishes and butter molds (two of her favorite items).

Each of the butter molds has a design all its own. Among the designs on some of the molds in Mrs. Harding's possession are those with oak leaf design and with the star design.

Other items which Mrs. Harding has collected are a silver shaving mug, which was made by the Wilkenson Company of Chicago in 1735 and a silver coffee pot with the date 1835 engraved on it. She tells how she obtained the coffee pot for \$1.00 in a junk shop in Brenham, Tex., several years ago. She also is the owner of a marble-topped dresser, numerous bottles of all ages, sizes and shapes, and various sizes and kinds of horseshoes and some old harness which has become antique also. She stated, "my family is most dismayed sometimes with the junk lying home, but then after looking through various books and antique catalogues they become quite excited when they find that an item is rare."

In addition to her love of collecting antiques, Mrs. Harding does most of the sewing for herself and her daughter, Debbie. She is also an avid gardener and each year has a flower garden and a vegetable garden. She spends much time each summer canning and freezing foods for the family's winter use. This year was no exception and Mrs. Harding canned and froze approximately 500 jars and packages of fruit and vegetables for home use this winter. Favorite foods of the family include peaches, nectarines, cherries, apples, peas, beans and pickles of various kinds. This year she canned beets, and cucumber and bean pickles.

Mrs. Harding is the only child of Mr. and Mrs. L. B. Hart who now make their home at Port-

ales. However, she was born and reared in Texas, attending and graduating from school at Goldthwaite. After graduation from high school, she came to Portales where her grandparents lived and took a job in the First National Bank in Portales. She worked at the bank for three and one-half years prior to her marriage to Hurshel Harding of Farwell.

Following their marriage in 1954, the couple moved to Lake Charles, La., where Joyce was employed at the First National Bank and Hurshel served with the U. S. Air Force. After his discharge from the Air Force, they lived in Muleshoe for a short while, returning to Farwell to make their home in 1957. The couple are parents of two children, Deborah, 14, and a freshman at Farwell High School and David, 11, a sixth grade student at Farwell Junior High School. Hurshel is county attorney for Parmer County and also a member of the Aldridge-Aldridge-Harding law firm.

Mrs. Harding is quite active as a 4-H Club leader. In the past few years she has taught a foods course, and clothing and bedroom improvement courses. She is always on hand to assist her children in caring for or grooming their lambs for showing at fairs and stock shows. Her love of the out-of-doors comes from having been reared on a stock farm. She is also active in the Band Booster Club at Farwell Schools where her children are band members.

The Hardings are members of Central Christian Church in Clovis where Mrs. Harding serves as assistant teacher in the primary department. Mrs. Harding says, "I cook out of necessity and not really because I like to since I would much rather be outside than inside; however, the family likes casseroles and this is a great help." She has generously shared some of the family favorites with our readers this week.

**BIG WHEEL BURGERSKILLET**  
1 tablespoon instant onion  
1 1/2 lbs. ground beef  
1/2 cup milk

1 slightly beaten egg  
1/2 cup quick cooking oats  
2 teaspoons salt  
Kitchen Bouquet  
1/4 teaspoon coarsely ground pepper  
1-8 oz. can spaghetti sauce with mushrooms  
1-8 oz. can (1 cup) kidney beans  
Buttered, toasted French bread slices

COLLECTING ANTIQUES IS HER HOBBY and this delightful silver coffee pot was obtained by Mrs. Harding for a "song." Well, hardly, but for the sum of \$1.00, in a junk shop in Brenham, Tex., several years ago. It is a highly prized possession of the family along with other antique silver pieces which they have collected.

Soak onion in milk five minutes; mix in ground beef, egg, rolled oats, salt, and pepper. Mound in 10 inch skillet. With wooden spoon handle score five or six wedges, brush top lightly with Kitchen Bouquet. Combine spaghetti sauce and kidney beans (with liquid). Pour over meat mixture, simmer uncovered 20-25 minutes or until done. Serve wedges on French bread slices, spoon sauce over meat and toast. Yield enough for six servings.

**PICKLED BEANS**  
4 quarts green or yellow wax beans  
6 cups cider vinegar  
1 cup brown sugar  
1 teaspoon salt  
1/2 teaspoon coarsely ground pepper

1 teaspoon allspice  
1 stick cinnamon  
1 tablespoon whole cloves  
Cook beans in boiling, salted water until tender, using 1 teaspoon medium-coarse salt to each quart water. Drain, pack in hot sterilized jars. Combine remaining ingredients, heat to boiling and pour over beans. Seal while hot. Yield about eight pints. Delicious served with roast or other meat dishes as relish.

Combine Miracle Whip and sugar, add vanilla; sift flour, cocoa, soda, baking powder and salt together and add alternately to Miracle Whip and sugar which has been mixed with water; blend until smooth. Pour into two wax paper lined 8 inch layer pans and bake in preheated oven at 350 degrees 25-30 minutes. Ice with your favorite frosting.

GO WITH *The Going Thing*

as a gas dryer does. To keep your laundry room from becoming a steaming jungle. What you can believe is that gas dries your clothes faster (fast enough to keep up with your washer) and cheaper (costs about a fourth as much to use). Now, Can you think of one good reason to dry your clothes any other way?

**See your appliance dealer or Southern Union Gas Company**  
If you want the job done right, do it with gas.

# Don't believe everything you hear about gas.

For some reason there's a few old wives' tales kicking around about gas. With about the same validity as the one about the moon being made of green cheese. One we'd like to squash right here and now is that the vent on a gas clothes dryer is to carry away some kind of "evil" fumes. Baloney. A vent on a gas dryer is there for the same reason it's there on an electric dryer. To carry away hot air and the humidity that comes from the clothes as they're dried. An electric dryer needs a vent just as much

### At Home In Farmer County

By JANICE MILLER  
County HD Agent

The first Farmer County 4-H Fair was held Saturday in Friona. Thirty-six 4-H members had a total of 156 entries with all of the 4-H Clubs in the county being represented. Members and leaders from the Friona Club were responsible for the building and physical arrangements. I would like to say "thank you" for all the time they gave. Leaders and members from all of the clubs gave of their time to make the Fair a success. Without their work Saturday and days before, none of it would have been possible.

Velour, the French term meaning "velvet", is back in force with improved yarns and fabrics that improve dry cleanability.

Velour fabrics are made of wood, mohair, cotton or rayon or with blends of synthetic fibers such as polyester. New bright shades make velour more appealing than ever.

Fabric performance depends on construction, colorfast dyes and proper finishing in the textile mill. Pile that is too thin or too short is susceptible to abrasion in wear and dry cleaning.

DO YOUR HOUSE PLANTS DIE? You may not be watering them right. This is especially true during the winter months when plant growth is very slow because of low light intensities.

We frequently get impatient and apply additional water and fertilizer hoping to make the plant grow large and healthy. Actually during the winter months the plant is producing very little food and can not grow rapidly.

Overwatering is the worst offense during periods of slow growth.

Plant roots must have air as well as water. If the soil stays saturated with water, little or no oxygen can reach the roots. This results in loss of the small feeder roots and eventually death of the plant.

NEVER water plants by rule of thumb such as every other day or twice a week. Once the soil is thoroughly moist, water them only when they need it.

### Elmer Hargrove In Satisfactory Condition

Elmer Hargrove, who is hospitalized in Laredo following a heart attack suffered last week, is in satisfactory condition. His mother, Mrs. Robert Hargrove of Rotan, is visiting in Laredo with him at this time. Mrs. Elmer Hargrove and Don Williams, who have been in Laredo for the past week, returned to Farwell Tuesday evening. Mrs. Hargrove will return to Laredo during the weekend.

First Mother: "How's your son doing in the army?"  
Red's Mothers: "Just wonderful. They just made him Court Marshal."

Let Us Service Your Car With Fuel-Oil-Wash-Lube Job.

### Sales Continue Through Nov.

Rummage sales which are being conducted by Theta Rho Chapter of ESA Sorority are scheduled to continue through November, according to Mrs. JoAnn Liethen, president of the local chapter.

Sales are each Saturday afternoon from 3-5 p.m. in the old Ford building, east of Art 'N Such, in Farwell.

Mrs. Liethen invites anyone who has articles to donate for the sales to call her or any other member of the sorority.

Articles will be picked up prior to sale time. Items of men and children's clothing, household articles, including linens, and pots and pans, are especially needed for the sales.

### School Lunch Schedule AT TEXICO

MONDAY: hamburger on bun, lettuce, pickles, onion, tomatoes, scalloped potatoes, fruit cup, milk.

TUESDAY: Frito pie, buttered corn, sliced tomato, loaf bread, banana pudding, milk.

WEDNESDAY: salmon croquettes, creamed peas and potatoes, carrot sticks, cornbread, fruit gelatin, chocolate cake, milk.

THURSDAY: porcupine meatballs on rice, green beans, hot rolls, coconut cake, milk.

FRIDAY: fried chicken, creamed gravy, whipped potatoes, tossed salad, hot rolls, peanut butter spread, milk.

### Whats Cooking At Farwell School

MONDAY: fish sticks, tartar sauce, macaroni and cheese, blackeyed peas, carrot sticks, hot rolls, butter, honey, milk.

TUESDAY: pinto beans, hot tamales, buttered whole potatoes, cornbread, butter, milk.

WEDNESDAY: steak fingers, creamed potatoes, gravy, whole kernel corn, cabbage slaw, bread, pears, milk.

THURSDAY: hamburgers, relishes, potato chips, cheese slices, banan pudding, milk.

FRIDAY: steak and gravy, creamed potatoes, green beans, hot rolls, strawberry shortcake, milk.

### Injured In Freak Accident

Gerald Gohlke, 14-year-old son of Mr. and Mrs. Hubert Gohlke and a freshman at Farwell High School, is hospitalized in St. Anthony Hospital in Amarillo, where he is receiving treatment for chemical burns. The chemical burns, about his

face, neck and eyes, were received last Monday when the youth was building a rocket from sodium chlorate. The rocket exploded in his face.

He was rushed to Parmer County Community Hospital in Friona for treatment and later taken to Amarillo for treatment and observation. He is in satisfactory condition, according to the latest reports.

### Chiefs Fall --

(Continued from Page 1)  
fense, the Steers moved to the five-yard line in five plays. Sheets scrambled over from there with 2:09 remaining and Wiman added the PAT, rounding out the scoring and giving Farwell a 34-0 victory.

The Steers will set out to humble another AA power tonight as they take on the Bobcats in Dimmitt. Dimmitt comes off of a 50-0 win over Muleshoe and should prove a formidable opponent for the Steers.

### Roping Club Wins First Place Award

The Farwell Arena Roping Club has been notified that they received first place in the Roping Club division at the Maize Days parade in Friona last Friday morning. Approximately 25 members of the group participated in the parade.

The club has also recently been presented with a second place award for its performance at the Littlefield Festival.

### Visit Harding Home

Dinner guests in the home of Mr. and Mrs. N. R. Harding last Sunday were Dr. and Mrs. Furman Moore of Clovis.

Weekend guests in the Harding home and in the home of Mrs. D. O. Rolland were Mr. and Mrs. Nathan Harding, Sheree and Jack of Odessa.

### Fire Calls Answered

The Farwell Fire Department has not received any calls during the past five weeks. However, the Texico department received a call on Monday to go to the Texico Hotel where an air conditioner was on fire. The fire was quickly extinguished.

# Longhorn Roundup

by Mike Casey

The Lazbuddie Longhorns got the 1969 football season off to a whirlwind start Friday night when they defeated the New Home Leopards by a score of 49-0.

The Horns' defensive unit was superb as they held the opposition to 3 yards rushing and 57 yards through the air. They also held the Leopards to three first downs.

Derrill Mathews got the home team on the scoreboard in the first quarter when he picked off a New Home pass and raced 28 yards for a TD. He also added the point after and it was 7-0. Minutes later the Horns got possession of the ball and again Mathews scored on a five-yard run. Monte Barnes added the two point conversion.

In the second quarter Mathews made a shambles of the New Home defense as he chalked up a third TD. This time he scored from 65 yards out on a brilliant run from scrimmage. PAT was no good.

Larry Hodges kept things alive for the Horns in the third period of play when he went over from 42 yards out. Arthur Graves added the two point conversion. Once more in the third quarter, Lazbuddie found the end zone when Arthur Graves took a 16 yard pass from Monte Barnes. The PAT was

added by Mark Barnes, leaving the score at 36-0.

In the final stanza Larry Hodges got his second TD of the game when he scored on an 11-yard run. Mark Barnes kicked the extra point and at that stage of the game it was 43-0, but the Horns weren't through yet. Monte Barnes scored the Horns' final TD when he streaked into the end zone from 6-yards out. The conversion attempt was unsuccessful and that was the extent of the scoring.

As a team the Horns picked up 442 yards on the ground and 62 through the air. Mathews was the leading rusher with 153 yards. Hodges had 144 yards. Barnes and Graves each had 49 yards to their credit.

Lazbuddie's next game will be September 19 at Tatum, N.M. Game time is 8 p.m. CDT. All Lazbuddie backers are urged to attend the game.

Season programs are now on sale and they can be purchased from any Lazbuddie High School senior. These programs contain pictures of all football players, coaches, principals, cheerleaders, and managers, with a short write-up on each individual. Also included in the program is a roster of the Lazbuddie Longhorns and all the teams they will play.

## Conservation Applications Accepted

"Landowners wishing to take part in the Great Plains Conservation Program this year should make application soon," District Conservationist Gary A. Batte said this week.

Money for the program is expected at any time. "Only those producers having their applications and conservation plans complete will be eligible," Batte advised.

The Great Plains Conservation Program offers benefits ranging from 50 to 80 per cent of the cost of installing conservation practices.

Producers interested in the program should first contact the Soil Conservation Service in Friona for help in developing a farm or ranch conservation plan. The planned work can be scheduled over a three to 10 year period, with all government cost-share and technical assistance obligated in advance by contract, the conservationist pointed out.

## MARRIAGE LICENSES ISSUED

Two permits to wed were issued from the office of Farmer County clerk last week. The permits went to Henry L. Outland, Jr. and Terresa Schueler, Sept. 8; and Larrrie Tom Upton and Martha Anne Knight, Sept. 13.

# Counseling Program Explained To Farwell School Board

Charles Turner, school counselor, met with the school board in Farwell last week to explain the counseling program to school officials.

Turner stated that since the schools strive to offer equality of educational opportunity to students who differ widely in interests, aptitudes and ability, a guidance counselor must be available in the schools to offer specific advice and information.

The guidance program contributes to the achievement of the total educational program. It may occur in the classrooms, on the playground, and in all organized groups, says Turner, as well as in group or individual conferences. The program reaches from the beginner to the high school student, who is seeking to choose a profession.

The orientation program begins in the spring with the pre-school orientation program when parents are asked to enroll their children who will be starting school the following fall. This program is presented by the elementary principal, the school nurse and the school counselor.

A planned orientation program for eighth grade students assists in preparing them for transition into high school.

Students who are entering high school are shown a film strip which gives them information on the social and recreational aspects of high school life. They are also given a student handbook "High School

Ahead," to study to familiarize themselves with rules and regulations of the school.

Orientation for college is given to senior high school students. Information on requirements, selection of appropriate colleges for a given profession, and entrance examinations is discussed in group conferences throughout the fall. Individual students are also offered counseling to assist them in making the most of their abilities, interests and objectives. Scholastic ability tests are given to each student, beginning in the third grade and continued on alternate years.

Vocational interest surveys are given to the eighth grade students to help them identify a general area of potential occupational interest and to stimulate thinking on a prospective career.

Aptitude tests are given to sophomore students for the purpose of identifying the individual's best area of aptitude and his proficiency in this area.

A student appraisal program is also a part of the counseling program, according to Turner, who says that a standardized testing program is set up from the elementary through high school levels. The counselor also has a follow-up program whose objectives are to evaluate the achievement of former students, collect information that will assist the school in determining the effectiveness and fitness of its course offerings; and to evaluate the

counselor's progress toward his chosen goals.

The counseling program also contains material on special education as well as material on sex education. The sex education material is presented to the students of junior high school age by the school nurse and the guidance counselor. All special education testing is administered by the guidance counselor who also assists in placing a student according to aptitude and achievement.

The school counselor is present in the Farwell School two days each week and is available to teachers and administrators who desire individual or group meetings as to problems arising in student-teacher or parent-teacher situations. Scholastic progress, academic problems, emotional problems, and social adjustment in relation to the student body may be included in these conferences, stated the school counselor.

All other business of the board last week was of a routine nature, according to Supt. W. M. Roberts.

## Locals

Mr. and Mrs. Monty Parsons spent the weekend in Albuquerque visiting in the home of Mr. and Mrs. Howard Hudson and

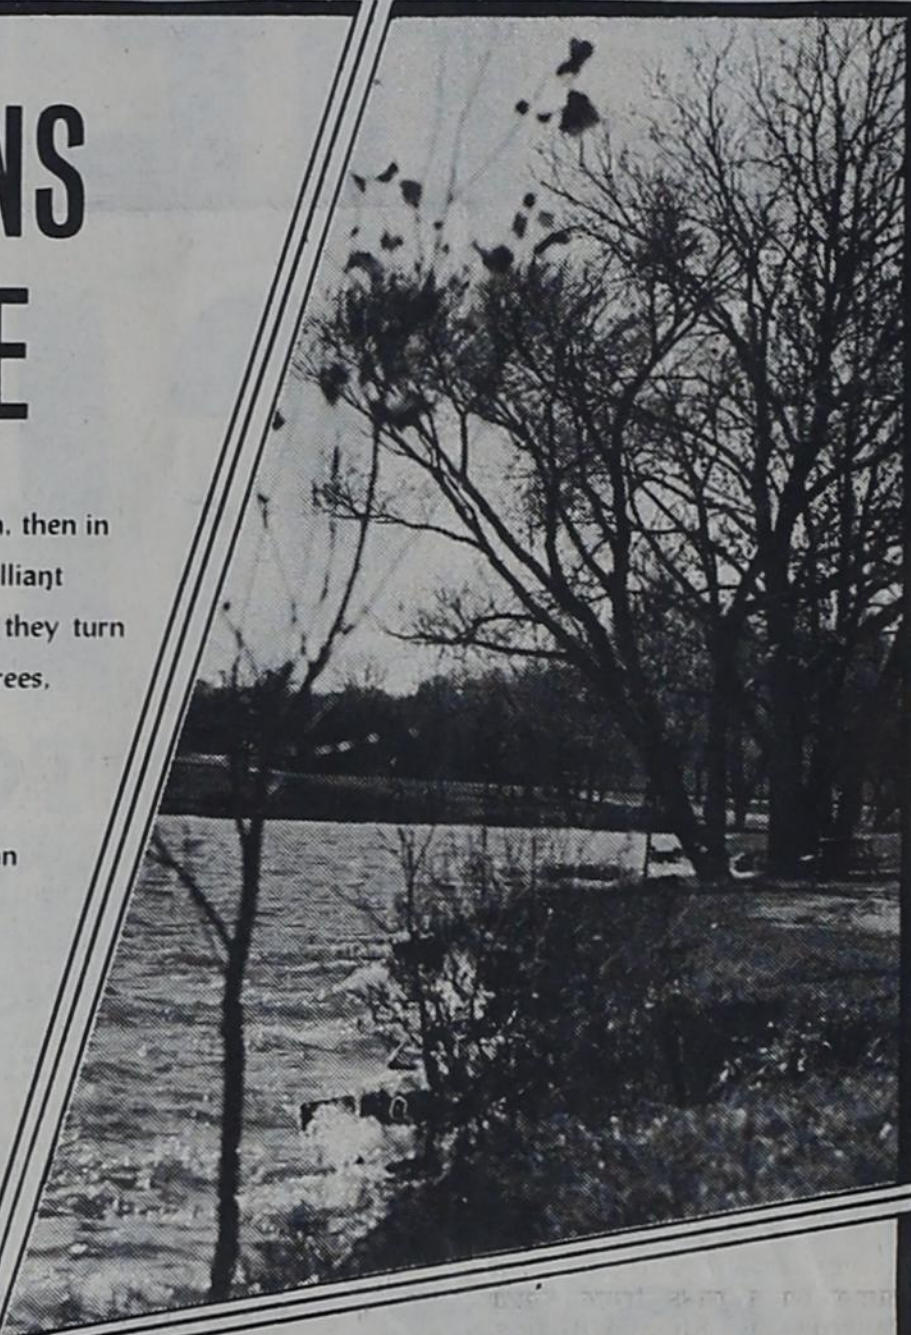

family and also attending the New Mexico State Fair and rodeo.

# SEASONS CHANGE

For a time leaves are green, then in early fall they become brilliant with many colors. Finally they turn brown and fall from the trees, leaving them drab and lonely looking.

God never changes, he is an ever present help.

"For I am the Lord, I change not"  
Attend church and learn more of God's wonderful and never changing love.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

# Steers Of The Week

## Board Sets Parking Rules

Four members of the Steer football squad have been cited for their outstanding performances in the Friona-Farwell tilt of last Friday night. Named as linemen of the week were Greg Meeks and Robert Haseloff, backs listed as outstanding were Doug Harriman and Greg Hargrove.

At a meeting of Texico School Board last week members discussed parking at the newly-constructed Wolverine football field.

After discussing the matter at some length, members reached a decision that no cars will be allowed inside the field; however, adequate seating space for spectators is available on the bleachers which have been constructed. Cars will be parked in the space available on either side of the field and near the high school building.

According to A. D. McDonald, school superintendent, the first home game for the Wolverines is slated for Friday, Sept. 26, 8:30 p.m.

The Wolverines are playing their first game of the season tonight, Sept. 19, when they meet Vaughn at Vaughn.

FARWELL "B" FOOTBALL SQUAD --- Back row, left to right, Ronald Steele, Brett Hargrove, Mike Travis, DeWayne Johnson, Eddie Meeks, Kirk McFarland, Kevin Kaltwasser, Coach Larry Taylor. Middle row, Mack McFarland, Ray Norton, Will Anderson, Ty Phillips, David Norton, Harold Jones; front row, Craig Kaltwasser, Jack Kirkland, David Dannheim, Dexter Garner, Stanley Austin, Derek Garner. First official game for the squad is set for tonight (Thursday) Sept. 18, 7:30 when they collide with Lazbuddie at Steer Stadium. In a scrimmage against Muleshoe last

Saturday morning, "they looked good for the first time out," said Coach Taylor, who continued, "I was impressed with Jack Kirkland, Derek Garner and Ray Norton in particular." Kirkland plays wingback on offense; Garner is a fullback on offense and linebacker on defense, and Norton plays linebacker and tailback on offense. All football fans are invited to be on hand for the game tonight.

GREG MEEKS

ROBERT HASELOFF

DOUG HARRIMAN

GREG HARGROVE

### SHELLING OUT SHELLS

When you're strolling beaches and your eye selects some shell that attracts your collector's instinct, remember that shells have had value since our earliest knowledge of humanity. In prehistoric times they were a medium of exchange. Frequently they are even today.

### BRIDAL FLOWERS

Birds and bugs can say it with flowers. The male empid fly, for instance, wraps up a flower petal in a fine silk web he weaves with his front feet, and presents it to his bride.

PRACTICE MAKES PERFECT --- and that is just what band director Lynn Burton is trying to accomplish with the seventh grade band this year. The group will be performing at football games and fairs throughout the fall and will also appear in marching contests for the group later this year.

## Eighth Grade Opens Season With Win

### Vicky Kaltwasser Named Council Representative

The Farwell eighth grade came away from their first football game of the year victorious. They handily defeated the Lazbuddie eighth grade in a game played Saturday morning. Final score was 22-0.

The first Farwell touchdown came on a pass from Kevin Hargrove to Ricky Williams. Rodney Herington crossed the line for the extra points. Herington made the second TD on a six-yard run and Kevin Hargrove made the final TD on a 15-yard run. Touchdowns for the Farwell lads came in the first, third and fourth stanzas.

Vicky Kaltwasser, daughter of Mr. and Mrs. Walter Kaltwasser and a sophomore at South Plains College at Leveland, has been named Student Council Representative from the Lutheran Student Association on the campus.

Miss Kaltwasser, a 1968 graduate of Farwell High School, will be participating in various activities of the group, whose main purpose is to build sound Christian faith and fellowship for the Lutheran students on campus. Various activities are scheduled for the coming year.

## 3-A Girl Makes 1972 Olympic Team

Susan Britton of Earth, member of Springlake-Earth's two-time state championship team, is among 12 girls over the nation chosen for the 1972 Olympics to be played in Munich, Germany.

The eighth grade will collide with Amherst eighth grade tonight (Thursday) Sept. 18 at 6 p.m. in Amherst. Coach Owen invites all sports fans to be on hand for the game. Coach Jerry Dee Owen stated that he is "well pleased," with the team effort, adding that shining lights on the defensive effort were Billy Johnson, Jesse Cantu, Clyde Dollar, Carl

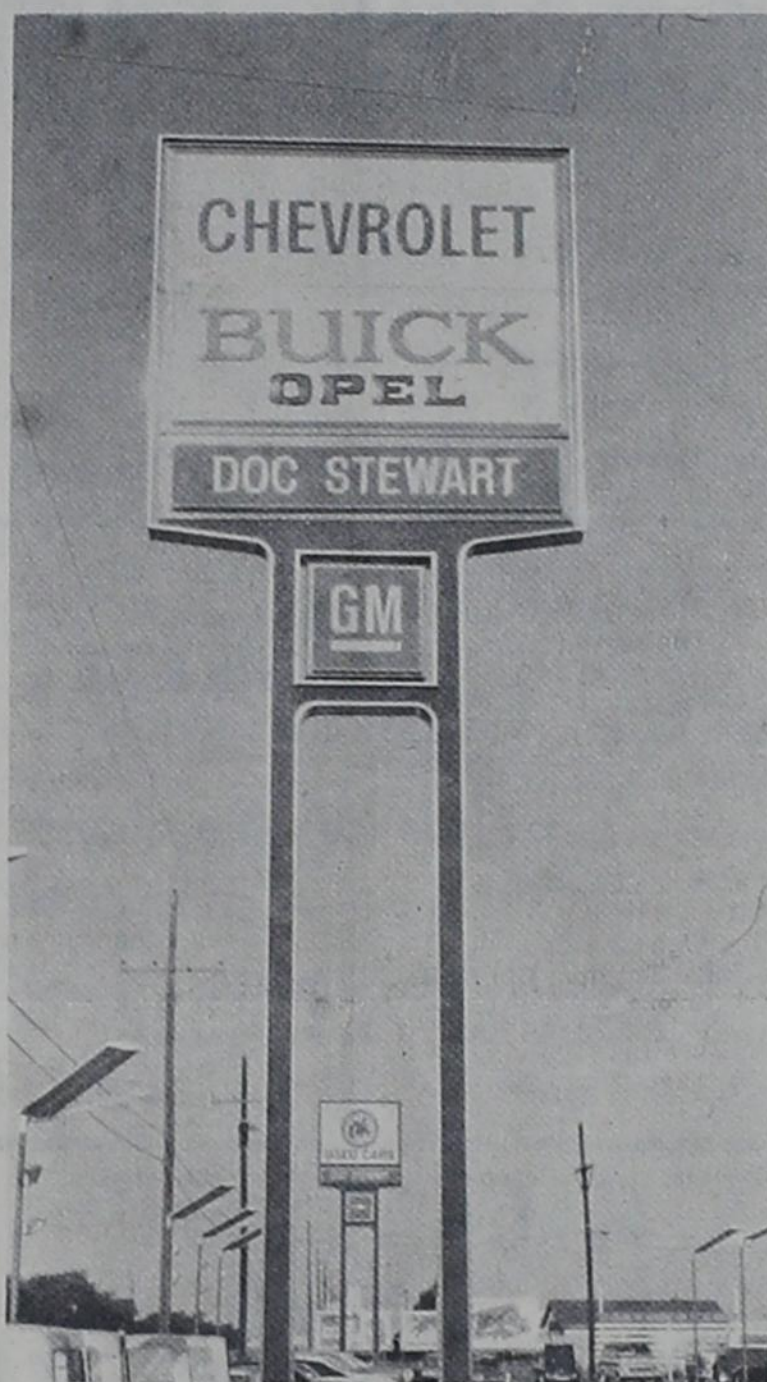

Kirkland and Conda Jones. Offensive standouts were Phil Baker, Larry Wardlaw, Ricky Williams, Rodney Herington, and Kevin Hargrove.
