New Fire Truck Expected this Week

Texico's newly-purchased fire truck is due to be delivered here before the close of the present week, Fire Chief Ira Selman announced today.

Selman planned to go to Amarillo today to receive the truck and drive it back to this city.

The truck was recently purchased from the City of Electra, and has been in Amarillo the past few days, undergoing minor repairs to put it in first class condition. In addition to the repairs, it will be given a fresh coat of paint.

Selman announced before leaving here that he had planned to give a number of demonstrations with the new fire fighting machine just as soon as it was received locally, in order to acquaint his crew with the working details of the truck.

Plan To Buy New Hose

A move has been launched to add another 500 feet of new hose to the equipment, and when that is realized Texico will be able to boast one of the best equipments to be found in a small city. At present, the department has 1000 feet of hose, half of which is new and sufficiently strong to stand up under the extreme pressure when the pump is applied.

The acquisition of the new truck marks the end of a long and determined effort on the part of Chief Selman and his boys. For more than ten years they have struggled along with an obsolete engine mounted on a Model T Ford truck—but even with this poor equipment, the lads have done creditable work.

Fire insurance rates in Texico and Farwell have been reduced considerably through the efforts of the fire boys and their Model T, and the citizens of the Twin Cities owe a debt of gratitude to them for their unflinching efforts.

First Aid Class Gets Off To A Good Start

With more than twenty in attendance, the initial first aid instruction class for Farwell got off to a good start on opening night, Friday, sponsors reported, adding that several more were added to the class on the second meeting, Monday evening.

Miss Elsie Cunningham, who received her Red Cross certificate as instructor, is director of the group, to be assisted by Clarence Smith of Bovina, or highway patrolmen from Hereford, for some demonstrations.

Meetings are held twice weekly at the Farwell school, on Monday and Friday evenings, beginning at 8 o'clock, and twenty hours of completed work are necessary before a certificate is obtainable. However, those in charge urged that persons who could not attend regularly at least take the opportunity of attending every session possible.

Candidates Must File Affidavit With State

County Clerk D. K. Roberts is in receipt of a letter from the Secretary of State, advising that "all candidates for public office in the State of Texas" will be required to file an affidavit with the Secretary of State before their names can be printed on the ballots in the forthcoming primary election.

"This is a new law, and most candidates who are running for office this year are not aware that such a law exists," Clerk Roberts said.

The affidavit merely deals with the candidate's Americanism, Roberts explained. Blank forms for filing the required affidavit may be obtained at the office of the county clerk without charge.

TO KELLY FIELD

Clifton Henderson, son of Mr. and Mrs. C. M. Henderson of this city, departed the past Friday for Kelly Field, San Antonio, to enter service as an aviation cadet. Henderson made application for enlistment only recently, but since he had several hours of solo flying to his credit, received his call early.

HAS MEASLES

David Harrison, cashier of the Security State Bank, is confined to his home this week with an attack of measles. He was taken ill Tuesday.

Time Now to Renew Tribune Subscriptions

How time does fly!

Two years ago, The Tribune staged a very successful subscription campaign, during which time more than 500 new subscribers were added to our list.

Practically all of these new subscribers paid up for two years in advance—some even more—and this month these subscriptions are beginning to expire.

Statements were mailed to nearly 300 subscribers early this week and more will be sent out during the closing days of the week... just a reminder to our readers that their subscription has expired, and an invitation to renew.

Due to the fact that the paper has been reduced in size during the past month, we have decided to offer subscriptions at the rate of only \$1.00 per year, payable in advance.

Many subscribers have already dropped in and turned in their renewals, and several have been received by mail. The publisher announced today that unless renewals were forthcoming during the next two weeks, delinquent subscribers would be dropped from the list.

"With the cost of publishing a newspaper constantly increasing, it is impossible for us to carry delinquent subscribers on the list," the publisher stated.

Set Deadline For Texico Election

Town Clerk W. L. Freeman announced this week that Friday evening, April 3, had been set as the deadline for filing for places on the ballot in the town election to be held on Tuesday April 7.

Filings may be made with the Town Clerk.

A complete new set of town officials is to be elected at the forthcoming election, Freeman said, and went on to say that he predicted very little interest in the coming balloting election.

CASHWAY STORE TO MOVE

G. E. Gallehon of Hereford, owner of the Cashway Grocery which has been in operation in Farwell the past 18 months, was here Monday and announced that the local store would be closed after Saturday of this week. He said that the stock would be moved to Friona and consolidated with a store operated there.

Scarcity of trained men to operate his store was given as the reason for the local business Clyde Seigler, who has managed the local store, will be transferred to Friona.

REX McELROY, of this city, who is believed lost with other men on the submarine "Shark". He is the son of Mr. and Mrs. F. W. McElroy.

Former Local Man Dies In Plainview Hospital

Rev. Clint McMillan, 43, who formerly lived here, and was a brother of J. D. McMillan of southeast of this city, died in a Plainview hospital Thursday night of last week of a heart attack.

He had been ill only a few days. Funeral services were held from the First Methodist Church of Plainview, Friday afternoon, and burial took place there.

At the time of his death, Rev. McMillan was pastor of the Liberty-Halfway-Snyder circuit near Plainview, where he had served for 16 months prior to his death.

He and his family formerly lived here, and at the time of his residence he was employed as a barber in the Kyker barber shop.

Survivors are his wife and five children, Mrs. Johnnie Bengler, Friona; Mrs. G. A. Park and Mrs. Truitt Smith, both of Dumont; Clifton and Clayton McMillan, both of Plainview; three brothers, J. D. McMillan, Farwell; N. A. and W. O. McMillan, both of Hamlin.

JOINING UP

Woodrow Lovelace and Sheb Jersig are among the many volunteers who have joined up with Uncle Sam's fighting forces during the past few days. Lovelace enlisted in the Air Corps, and Jersig has his application to join the Marines. Both young men had been placed in 3-A by the local draft board.

Texico School Budget Slashed By Auditor

Slashing of the Texico school budget for the ensuing school term by State Budget Auditor R. H. Grissom on Tuesday will mean the loss of at least two teachers in the high school, Supt. L. A. Hartley announced today.

Members of the Texico school board met with Mr. Grissom Tuesday, in Clovis, to work out the budget for the coming year. While the amount cut from the budget was not made public, it was understood to amount to several hundred dollars.

Supt. Hartley said that at least two of the vocational courses now being offered in the local school would not be available next year. He did not know what courses would be dropped. He further said "this is all the school can lose and still retain its high school affiliation."

Five teachers will be retained in the grades, under the present set-up. A proposal made some weeks ago on the part of the Farwell school trustees to send the Texico high school students to Farwell next year has been declined.

COMMISSIONERS MEET

The Farmer County Commissioners Court was in session here Monday. The minutes reveal that only routine business, such as approval of minutes of the previous meeting and payment of current bills, received attention during the session. D. K. Roberts described the day's activities as the quietest in recent months, except for the exchange of new jokes.

29 Selectees Called For Exams April 14th

Draft Board officials announced today that twenty-nine selectees would be sent from here on Tuesday, April 14, to Lubbock, for their final physical examinations and probable induction into the armed forces.

Under new regulations now in effect, selectees who pass their Army physical examinations at Lubbock are definitely in the army and are out of the hands of the local board.

After passing the army exams draftees may apply for a ten-day furlough or personal convenience grounds. Whether or not this will be granted is entirely up to Army officials.

Board members expressed the belief that most of those leaving here on the 14th would be accepted.

License Sales Slow As Deadline Nears

Attaches at the tax collector's office announced today that the sale of automobile and truck license plates for the new year were moving exceedingly slow.

Less than 400 sets of passenger car tags had been issued to Farmer county motorists up to today, as compared with more than 1,000 distributed up to this date last year.

Attention is called to the rapidly approaching deadline for displaying the new license plates, which is April 1st. Clerks at the collector's office predicted a rush business during the closing days of the present month.

It is estimated that not less than 1000 passenger cars alone will be registered in this county for the current year.

Of Interest to Farmers

By Keltz Garrison, Sec'y. Farmer County AAA

A number of farmers in the county have been very interested in certain newspaper articles which indicated that volunteer wheat could be harvested in excess of their allotments for the year 1942. I have just received the following letter from E. F. Vance, administrative officer in charge, College Station, which is the only official word I have so far received:

"We have been advised that the definition of acreage planted to wheat is being amended to permit the grazing of volunteer wheat grown in excess of the wheat acreage allotment established for the farm, or to permit the harvest of such wheat for hay, provided it is harvested before maturity.

"We do not have detailed information concerning this change in the wheat regulations, but we expect to receive such information within the next few days. All county associations in counties growing wheat will be advised in full as to changes in the ACP, Parity, Marketing Quota and Wheat Loan regulations as soon as possible after information on the subject is received from the Washington office. In the meantime, we suggest that publicity be given to the

fact that the regulations are being changed, in order that no producer will plow up volunteer excess wheat until he receives full information concerning the change in the wheat regulations."

As soon as any additional information is received, farmers will be advised as soon as possible.

Strip Cropping
For the benefit of those farmers who expect to carry out the strip cropping practice on their farm for 1942, certain definitions with respect to strip cropping should be thoroughly understood.

In order to earn the strip cropping practice, farmers should remember that they should have an erosion-permitting crop alternating with an erosion-resisting crop or two erosion-resisting crops alternating with each other, strips to be not less than 10 nor more than 200 feet wide or approximately not less than 4 rows nor more than 60 rows wide. An example: 60 rows of cotton alternating with 60 rows of grain sorghum or sweet sorghums will qualify for strip cropping; however, 60 rows of cotton alternating with 60 rows of summer-fallow will not qualify for strip cropping. LOCAL BOY, NOW GOB IN TRAINING, RECOUNTS EXPERIENCES WITH NAVY

(Editor's Note: Paul Crume, formerly of the Dallas News, and a son of C. E. Crume of this city, recently became a member of the U. S. Navy. Paul began his journalistic career at The Tribune, several years ago. Below are excerpts from a letter recently received by Mr. Crume from his son, who is stationed at the naval base on Treasure Island, San Francisco.)

Dear Dad,

You probably received several days ago the government's notification card that I was no longer in San Diego. After finishing training there, we killed about two weeks in the transport unit, then came up here by a route that led through all inland California, and passed one spot closer to El Paso than to San Francisco.

I like the change very well indeed. For the first time since I came into the Navy, we are located in a barracks where a fellow has enough room to turn around, and where there is shower and washroom space aplenty. For the Navy the food is nothing short of marvelous. Add to that a town where the people treat a sailor as an honor guest, instead of

trying to gouge him for everything they can get, as the people did in San Diego. Then you'll see why the change is a tonic. That San Diego deal was pretty bad for the last two weeks. We hadn't anything to do, so they used us for a work detail—hauling garbage, sweeping streets, scooping sand, etc., all good enough jobs, I suppose, but I hired out in this as a petty officer and not a handy man.

About the first thing we learned when we got up here was that all of the petty, irritating little restrictions they put on us in training station don't apply in San Francisco. About three of us walked past a sign on the receiving ship which read "No Smoking Beyond This Point", and someone called attention. A boat-swain nearby grinned. "You don't have to pay any attention to it," he said. "From now on, you can do anything you can get away with."

So far, we've had no work to do. It's rather better even than working on the WPA in the palmiest days of the New Deal, I imagine. Nominally, I'm attached to the Commander's Patrol. He and President Roosevelt

Official announcement from the War Department was received the past week by Mr. and Mrs. F. W. McElroy, of this city, to the effect that their son, Rex, was believed lost, along with other members of the submarine "Shark".

Mr. McElroy stated that the official telegram did not give any particulars about the presumed loss of the submarine, incidentally, the first such American loss of the war, except to say that it was "thirty days overdue, and was believed lost in the Far East".

Rex became a member of the Navy submarine corps some three years ago. Until war was declared, he was stationed at a sub base, but went on a sub as a second-class electrician when hostilities broke out, it is said here. His parents had not heard directly from him since war was declared.

Previous to his enlistment in the submarine division of the Navy, he had served four years on the warships "Texas" and "Nevada". He graduated from the local high school in 1932 and attended Missouri State Teachers College, at Warrensburg, before entering the service.

An outstanding athlete while he was in high school here, "Mustard" or "Kelly" as he was known to his school mates, will be particularly remembered for his basketball ability, although he also participated in football matches.

Carry on this line, he was a member of the basketball team of the "Texas" while serving his first hitch in the Navy, on the team which took second place in the Navy tournament, with Rex being listed as the most valuable forward at the meet. During his time on the "Nevada", he starred in the role of quarterback for the football team.

Rex would have been 28 years old in July of this year. His parents had not seen him since 1938, when he was home for a visit.

As far as has been reported, this is the first Farmer county casualty of the war.

Eight Men Moved Up From 3-A Class Here

Eight Farmer county registrants, who had previously been enjoying a 3-A classification, were removed from this list and placed, temporarily, in class 1-A by the Farmer County Selective Service Board at its meeting the first of the week.

In addition to this action, supplementary questionnaires were mailed to 51 Farmer county registrants who are considered potential class 1-A men. Action on their final classification will be taken at the next meeting of the board, which is scheduled for the afternoon of April 12th.

Reconsideration of all registrants was completed at the meeting the first of the week, board members taking up 482 questionnaires during the afternoon.

Registrants to whom supplementary questionnaires were mailed this week are requested to fill them out and return to the local office within ten days.

Getting Round The Sugar Shortage

By Elsie Cunningham
Home Demonstration Agent

Now that we know definitely that we must reduce sugar use, we are all wanting new recipes and suggestions as to how we can best get round the situation.

Briefly, I offer these pointers. Use less sugar in tea and coffee. Do not leave sugar in bottom of cup. If there is sugar in the bottom of the cup, either you are not stirring the coffee enough or you are using too much sugar. Use less candy, or make sugarless candy at home. Sweeten desserts with corn syrup honey, maple syrup and molasses. Use no frosting on cakes. Use prunes, dates, bananas, canned fruits and sweet fresh fruits.

Now for a recipe or two. First, a

sugarless dessert:

Crumb Spice Pudding
1 c. dry bread crumbs, 1/4 tsp. salt, 1/2 c. molasses; 1/4 tsp. cinnamon, 1 egg; 1 pt. hot milk; 1/2 tsp. mixed spices, cloves, nutmeg, allspice, mace and ginger; 2-3 c. raisins, dates, prunes.

Let crumbs stand in hot milk until milk is absorbed. Steam dried fruit 5 minutes. Mix all ingredients and bake 45 minutes.

This cake recipe is one that I have tested and adjusted to this altitude. It improves with age, that is, it is better the second and third days than on the day it is baked.

Victory Chocolate Cake
1 1/2 c. general purpose flour; 1/2 tsp. salt; 1/2 c-1 tsp. brown sugar, firmly packed; 1 egg, well beaten; 1 tsp. vanilla; 1 tsp. soda; 1-3 c-1 tsp. shortening; 3-4 c-1 tbs. dark corn syrup; 1 sq. unsweetened chocolate, melted; 3-4 c. buttermilk or sour milk.

Sift flour, measure, add soda and salt, swift together twice. Cream shortening until soft. Add brown sugar gradually and continue creaming until light and fluffy. Stir in corn syrup slowly. Add eggs in two portions, beating well after each addition. Stir in melted chocolate and vanilla. Add sifted dry ingredients alternately with buttermilk and beat thoroughly after each addition. Line a tube pan, 9 in. in diameter, or loaf pan 9x5x2 1/2 in., with waxed paper. Grease sides of the pan and over waxed paper. Pour in batter and bake in moderate oven, 350° F. for 45 minutes, or until an inserted toothpick comes out clean. Cool in pan at least 10 minutes before removing to cooling racks. Frost with dried fruit frosting.

Dried Fruit Frosting
1 c. chopped dried fruit, mixed; 1 tsp. honey, 1/2 c. confectioner's sugar; 1/4 c. hot water, 1 egg white.

Place chopped dried fruit in small saucepan, add hot water. Heat gently for 10 mins., or until all water is absorbed. Remove from heat and stir in honey. Beat egg white until stiff, fold in dried fruit mixture. Add confectioner's sugar gradually and stir until thoroughly blended. Spread on cake.

Parade Ground in Northern Ireland

There are now many U. S. troops stationed in Northern Ireland, several A.E.F.s of considerable size having landed safely. This photo, taken somewhere in Northern Ireland, shows part of the U. S. troops on the parade ground as they were reviewed by Maj. Gen. Russell P. Hartle and his officers.

Rationing Board Moves Office To Third Floor

The Parmer County Rationing Board moved to more commodious and permanent quarters on the third floor of the court house this week, and Miss Irene Sachs has been engaged, temporarily, to serve as clerk of the board.

Under the new arrangement, the office will be kept open on regular business days, and will be in charge of the clerk.

The only new regulation of importance received during the past week is a request from the Office of Production Management that all old tires damaged beyond use be saved and turned over to a junk dealer for salvage purposes. "There is a pressing demand to augment the nation's drastically restricted scrap rubber supply," the announcement said.

Issue Purchase Certificates
Purchase certificates issued at the last meeting of the board include, for the first time, certificates on retreads on nine tires to Parmer county drivers.

Receiving retread certificates are: Henderson Grain & Seed Co., two truck tires.

Henderson Grain & Seed Co., one truck tire.

NO SCHOOL FRIDAY

Supt. L. A. Hartley announced on Tuesday that no classes would be at the Texico school Friday of this week, March 27th, since all faculty members will be in attendance at a district teachers meeting in Clovis.

TO JUDGING CONTEST

Stewart Richards, head of the Texico vocational agriculture department, reported today that he was planning to take "some six or more" boys to Portales on Saturday, to participate in the annual ENMC judging contests. The locals are expected to take part in livestock, poultry, crop and farm shop judging, he added. The state judging contests for FFA boys will be held April 10 in Las Cruces, and the events Saturday will serve as a workout.

MINING RENEWED

F. K. Cooper, father of Mrs. W. W. Bigham, arrived here the first of the week from Silver City, N. M., to visit a few days in the Bigham home. Mr. Cooper says that copper mines that have been dormant for many years around Silver City are now reopened, and as high as 30 tons of copper a day is being removed from one mine alone.

HAS PNEUMONIA

Mary Belle, young daughter of Mr. and Mrs. John Aldridge of this city, was rushed to the Memorial Hospital in Clovis on Monday, suffering with an attack of pneumonia. Reports late Tuesday afternoon were to the effect that she was doing nicely, and would be returned home "in a day or two".

IS MADE SERGEANT

Frank Thompson, son of Mr. and Mrs. F. E. Thompson of this city, who volunteered as a member of the U. S. Army nearly two years ago, has written his parents that they will now address his mail to "Sergeant" Thompson, a promotion he recently received. He is now located at Mathers Field, California.

"BUG" JOHNSON BETTER

Young "Bug" Johnson, son of Dr. and Mrs. V. Scott Johnson, was reported as "back to normal" on Tuesday of this week. Bug sustained a combined attack of measles, mumps and scarletina, and for several days his temperature ran over 103 and 104. Mrs. Johnson stated that the fever seemed to have abated, and hoped for continued improvement.

DECLAMERS NAMED

At tryouts held at the Farwell school, Tuesday night, representatives to the county literary meet were named as follows:

Grade school girls declamation: Thelma Stanley, Maxine Ford, Willie Mae Bigham.

Junior high girls: Margaret Bigham, Peggy Schleuter, Opal Williams.

Grade school boys: Travis Poteet. High school senior girls: Billie Sharpe.

High school senior boys: Paul Robertson.

GIBSON RESIGNS

C. C. Gibson, field supervisor of the Emergency Crop Loan Office, announced today that he had tendered his resignation, effective on April 1. His successor has not as yet been named.

Gibson stated that he was going to Amarillo, where he would be associated with a well known Amarillo firm. He has been supervisor of Parmer, Oldham, Deaf Smith and Bailey counties since last August. Prior to that time, he was located in the Dalhart area.

"I have enjoyed my seven years with the Crop Loan Office and in my opinion it is a fine organization serving hundreds of farmers at a very low cost in operating expenses," Gibson said.

HOME FROM HOSPITAL

Mrs. W. H. Graham was removed to her home in Farwell, the past Thursday afternoon, after having been confined in the Clovis Memorial Hospital for several days with a sudden attack of pneumonia. She is recuperating rapidly, it was said.

FORMER ATTORNEY HERE

Perry T. Brown, who served Parmer county as county attorney for four years, from 1932 to 1936, was a brief visitor here Monday. He was accompanied by his wife and daughter. They now live at Sayre, Okla., where Mr. Brown is engaged in the advertising business.

What's In A Name?

LUBBOCK—Living proof that U. S. Bonds do their part to "keep 'em flying" is an Air Corps Aviator Cadet who has reported to the Lubbock Army Flying School with its second class cadets.

He's probably the most widely publicized cadet in the country. "Discovered" some two months ago while taking basic training at Randolph Field, he's been adopted by the Treasury Department as a super-salesman of its defense bonds and has successfully participated in big bond drives at San Antonio and Tulsa.

The reason? Well, you see, that's his name—U. S. (Urban Selar) Bond, believe it or not. Naturally, they call him "Defense".

We hold it as high as we may;
This is the way it is waving
From ocean to ocean today.

See its bright stripes white and crimson,
That tell us of honor and love;
See its blue field and the stars there
Like a bit of night sky above.

With joy and with pride we salute it;

Our hearts are all loyal and true;
Hurrah for the flag of our country!
Hurrah for the red, white and blue!

FOURTH AND FIFTH

Most of our boys and girls who have been sick are back in school now. The mumps and measles have really made a showing on our attendance the last few weeks. Now that spring is here we hope no more sickness will occur.

Speaking of spring we are all grateful to John White for bringing us such a lovely bouquet of pussy willows this morning. It brightens our room and makes us feel like taking a new start.

Mary Ella Maxey visited relatives in Floydada, Texas, Saturday.

Buddy Pearce visited his sisters in Portales this weekend and attended a musical program by the orchestra of ENMC.

James Harding enjoyed a trip to Muleshoe over the weekend.

The following conversation took place in our English class this week:

Mrs. Hartley: We have just been looking at a picture of Mary and her little lamb. Who knows what fleece is?

Hetty Nan: It's fur.

John White: My dog has fleecy.

SOPHOMORE NEWS

The sophomore class is glad to welcome Dalia Lee Smotherman, who comes to us from Pleasant Hill. We wonder why every boy wants to know if she's in his next class?

Every one in high school and junior high would like to be in the World History class. What makes it so interesting? The study hall in the typing room are getting stiff necks from watching them. Maybe they like to watch the teacher.

HOME EC

Members of the Homemaking Club prepared and served the father and son banquet, Saturday evening. These girls were selected by the FFA boys. Cooking the banquet were Alverda Hall, Esther Selman, Pearl Martin, Mescal Richards and Dorothy Paul. Other girls that served were Betty Nell Thompson, Edna Earle Thompson, Wanda Lee and Lila Boss, Betty Lou Flye and Pearl Martin. We mustn't forget the FFA boys that ran errands and dressed the hens.

All of the class' home project garments are due Friday. When they are finished, we are planning to give a style review and tea in honor of the mothers of the class members.

FFA

The annual father-son banquet was held March 21st by the FFA boys in behalf of their fathers, board members and supervisors. C. J. Todd and Frank Wimberley were the main speakers of the occasion and the talks were enjoyed by everyone.

Our meal consisted of chicken with dressing, beans, beets, creamed potatoes, celery curls, radish roses, hot buns, cocoa or coffee, with cherry pie and whipped cream for dessert.

We wish to extend thanks to the Home Economic girls and sponsor for the services they rendered.

The only reason the banquet was such a big success was because Wesley Osborne ate up all the leftovers.

What's this I hear about Billy Bob going to see Dorothy and Bunk and a few others boys to see George, Sunday? It sounds like a frameup.

We wonder why Lila blushed at banquet, Sat. nite? Could it be that she didn't like to be called pretty?

What was the matter with James Orval that he was so late coming to the banquet?

Melvin seems to be losing his power at finding things, but he still has his power at losing things.

Mr. Richards didn't keep his promise about eating everything that was on his plate. Or did he Bettye Lou?

Why was Bettye Lou so embarrassed Sunday afternoon? Was it because she was afraid of seeing her boy friend?

By the way, Peggy, what was it Mike said about what he would look like before the night was over Sat? You really must have an influence over him?

Why was Wanda so interested Sat. nite that she failed to shut the car door?

What were Bunk, Billy Bob, George, Lila, Helen and Bettye Lou going so late at the school building, Wed. afternoon?

We wonder what Wanda meant when she told Mac to send around any boy he found under the draft age or over?

Did you ever see: a cat fish? a turtle neck? a horse fly? a blue plate? a board walk? Bettye Lou not flirting? Billie Nell not wanting a nickel? Billy Bob without Dorothy? Wanda not singing? Lila not talking? Mac without gum? Alverda without Esther? Mary Frances without a boy friend? Mrs. Osborne not giggling? Helen without her gift off gab? Calvin not squirming? James Orval without something to do? James Box without a new girl friend? Clarence without a new joke?

ON BUYING CEREALS

COLLEGE STATION—With food prices on the rise, Texas homemakers can help keep their families healthy and at the same time serve their pocketbooks well by eating the right food, producing part or all of it, buying food wisely and preparing food correctly and attractively.

According to the Texas Food standard, Texas' guide to good daily diet, every person needs one serving of whole grain products and other cereals as desired every day. For the period of a week, one person needs from one-fourth to 1½ pounds of whole grain products and 1½ to 3 lbs. of other cereals and breads.

Here are some tips on buying cereal products. All are endorsed by Grace I. Neely, Extension Service specialist in food preservation and member of the consumer interest committee of the Texas Home Economics Association, which recently issued a series of leaflets for consumers.

Buy whole grain flour and cereals in amounts which can be used in a short time. Try to buy them freshly ground.

Store bread in dry, well-covered, ventilated tin container.

Watch the surplus commodity list. Items on it usually are inexpensive.

Store bread in a dry, well-covered, ventilated tin container.

Use cereals that need to be cooked, if income is limited, because cooked cereals are cheaper.

Check weight as well as price on packaged flour and cereals.

Plastics are being made from green coffee beans in Brazil. Machinery has been ordered from the United States for a plant which will be able to transform five million bags a year.

Big Money Returns Shown In Poultry

COLLEGE STATION—Poultry in Texas is a sixty million dollar industry and still growing, according to Geo. P. McCarthy and H. H. Weatherly, poultry husbandmen of the A & M College Extension Service. Eggs alone accounted for \$46,250,000 in 1941, turkeys for \$10,000,000 and the remainder from hatchery stock and sale of poultry meat, ducks, geese, and breeding stock.

The industry was ranked only by cotton, beef cattle and dairying in agricultural income. It puts more money in farmers' pockets than wheat, oats, rice, barley or peanuts. In Texas, poultry is a small flock business. Farmers carry an average of 46 laying hens, while those in Iowa, for example, carry an average of 137. The large producing counties lie in a wide north-south strip thru central Texas, with the western plains becoming more important yearly. There is a marked trend toward intensive areas with large flocks adjacent to metropolitan centers, the specialist says, but the development of trucking services has tended to spread out such areas.

With the request for an increase in poultry products in 1941 to meet the goal set for the Food for Victory program. Texas poultrymen expanded flocks approximately 10 percent and stepped up egg production. Using the geographical identification, the Extension Service's division of the state in 12 administrative districts, District II comprising 18 counties adjacent to Houston and including Galveston, led in egg production with a gross income of \$6,659,750. Fayette county, in the same district, led the counties with a return of \$1,170,000.

District 8, including Bell, McLennan, Travis and 16 other counties in central Texas, was second with an income of \$6,164,750, and District 4, comprising 16 counties surrounding Dallas and Tarrant, was third with \$5,889,000. Lavaca, bordering on Fayette but in extension district 10, was second among the counties with an income of \$930,500, and Williamson in district 8 was third with \$677,250.

Poultry demonstrators' records from over the state showed an average production of 158.3 eggs per hen, compared with 154.1 in 1940 and 175.7 in 1938. The average price for eggs was 22.7 in 1941, compared with 24.5 in 1930, 23.4 in 1935 and 19.7 in 1940. In 1941 the feed cost per hen was \$1.23 compared with \$1.20 the preceding year, \$1.72 in 1930 and \$1.52 in 1938. The payoff however, is revealed in the income above feed cost per hen. In 1941 it was \$1.74 the highest since 1930, when it was exceeded by six cents. The comparable figure for 1940 was \$1.33.

Texas hatcheries operated longer than usual during 1941 and set an all-time high for chick sales in the late spring months. Breeders had a larger demand for starting pullets than ever before, specialists say. There were 57 hatcheries and breeders participating in the National Poultry Improvement plan, and 764 flocks, totaling 109,685 birds, were in the approved breeding stage. Three hundred flocks were U. S.-Approved, pullorum tested.

Since establishment of sulphur as a valuable preventive of coccidiosis in young chicks, county agricultural agents have given an increasing number of demonstration in its use for several years. In 1941 they conducted 1,499 demonstrations involving 202,728 chickens.

Sen. Ed C. Johnson of Colorado is shown surrounded by soldiers who are expressing their appreciation to the senator for his sponsorship of the measure, approved by the senate military affairs committee, calling for a 100 per cent increase in pay for enlisted men in the army, boosting it from \$21 a month to \$42 a month. ed the best grade ever shipped out of the state. The 8,000 flock owners reported using broadbreasted males in their flocks, and that they sold 750,000 hatching eggs. A turkey grading school and a three weeks turkey short course at A. & M. were attended by a large number of producers.

4-H Loan Plans Are Under Consideration

COLLEGE STATION—Plans are underway whereby Texas 4-H club boys and girls may finance their "Food For Freedom" projects. Mildred Horton and Geo. Adams, state agents of the Texas Extension Service, have announced.

In a letter to county agricultural and home demonstration agents, they pointed out that loans for 4-H club members may now be made through the Farm Security Administration in addition to the usual sources—local banks, individuals, the Farm Credit Administration, etc. County agricultural agents in two Texas counties, Briscoe and Lubbock, cooperated in an experimental FSA loan program of this nature in 1941. Committees composed of the agents, FSA county farm supervisors, teachers of vocational agriculture and farmers serving as adult 4-H club leaders passed on applications for loans, and funds were handled by a bonded trustee.

"The operation of such loan programs not only provides the necessary money for 4-H food production projects but gives the boys and girls valuable training in financing farm operations," the state agents pointed out.

Texas 4-H club work is no small business. In 1941, 4-H club boys realized \$617,076 from sales of beef, mutton, wool, swine, mohair, and dairy and poultry products.

4-H club girls concentrated on home food production. Among other items, their 381,509 hens laid enough eggs to serve 127,169 persons for the year; they produced more than 3 million and a half pounds of fruits

and vegetables; and processed 383,146 lbs. of butter and cheese from their milk cows.

These projects will be greatly expanded in 1942 under the war food production program.

CHILDREN AND WAR

COLLEGE STATION—In defense to the coming generation, adults should keep their conversation about war calm and assuring, for undue alarm or pessimism may do much harm to children in the household.

That's a warning from Dosca Hale, Extension Service specialist in parent education and child development, who says calm courage in adults will save children from much fear and worry.

"In these perilous times, one of the greatest hazards we face is the threat to family life," the specialist says. "So time spent in learning to understand the needs of children under rapidly shifting conditions is time well invested for the protection of our homes and the future security of this nation."

She points out that adults are being called on to spend more and more time outside the home on defense jobs, and to meet this situation children should be shown that if they take on more home responsibilities they are helping in the defense program. There are many other ways in which small children may help. For example, they can save waste paper and help get it delivered to the proper authorities. They can help to save light and heat by turning off unnecessary lights and stoves and by reminding others to do so.

Most important of all is the feeling this work gives the child—a feeling that he is needed and that he, along with all the other people about him, is doing his bit in the great victory program, the specialist says.

Labor-saving devices were introduced into Texas agriculture at such a rate between 1930 and 1940 that thousands of farm laborers and tenants were forced to seek employment in villages, towns, and cities.

New Officers Elected At Woman's Club

Mrs. Mose Glasscock has been named as president of the Texico-Farwell Woman's Club, the election being held on Tuesday afternoon, when members gathered in the home of Mrs. W. B. Hill.

Other new officers include: Mrs. Clyde Magness, corresponding secretary; Mrs. Roy Bobst, secretary-treasurer; Mrs. J. D. Thomas, assistant; Mrs. Lee McElroy, parliamentarian; Mrs. Earl Booth, reporter.

The program featured a paper on "Children in a Changing Civilization", prepared by Mrs. J. P. Macon and read by Mrs. Fay Maxey, after which a round table discussion on "hobbies" was enjoyed.

The club passed a resolution of cooperation in the national drive for assisting in selling defense stamps and bonds, and in this connection, plans for holding a game tournament were taken up, with the admission to be a 25c defense stamp.

Further announcement of the tourney will be made later, when arrangements are complete.

Guest of the afternoon was Mrs. J. B. Moss, sister of the hostess, from Clovis. Members present included: Mes. John Armstrong, Roy Bobst, E. E. Booth, Mose Glasscock, S. C. Hunter, Clyde Magness, Fay Maxey, T. A. McCuiston, Warren Powers, Claude Thomas, Johnnie Williams, Marty Ezell and the hostess, Mrs. W. B. Hill.

The next regular meeting will be at the home of Mrs. Lee McElroy.

Pre-Easter Services At Methodist Church

Rev. E. J. Sloan, pastor of the Methodist church, this week announced that a series of special Easter services would begin at the church on Friday night, March 27th, to conclude Easter Sunday evening, April 5th.

The calendar of services is as follows:

Friday evening, March 27, study, conducted by G. A. Schlueter, executive district secretary, of El Paso.

Saturday evening, March 28, study, by Bro. Schlueter.

Sunday morning, March 29, message by Rev. Schlueter.

Sunday evening, study, Rev. Schlueter.

Monday evening, March 30, study, Rev. Schlueter.

Tuesday evening, March 31, final study period, Rev. Schlueter.

Wednesday evening, April 1, Rev. M. L. Sims, Clovis district superintendent, will bring the message.

Thursday evening, April 2, Rev. W. G. Bailey, Clovis First Church pastor, will speak.

Good Friday evening, April 3, Rev. Sims will be in charge.

Easter Sunday morning, April 5, the pastor will bring the message.

Easter Sunday night, the choir will give a musical service of special Easter songs.

The night services will begin at 8:45, and a cordial invitation is issued the general public. Sunday morning worship at the regular 11 o'clock hour.

Elsiemae Deaton Weds Garland Sisk, 21st

Miss Elsiemae Deaton, daughter of Mr. and Mrs. E. M. Deaton of Lariat, became the bride of Garland Sisk of Levelland, Texas, the past Saturday night, March 21st.

Rev. W. B. Wages, of Levelland, performed the simple ceremony in the presence of relatives and close friends.

The bride chose for her costume a lovely spring suit in soft rose, with contrasting accessories of blue and beige.

Mr. and Mrs. Sisk will make their home at Levelland, where they are both employed.

The bride is well known locally, being a graduate of the Farwell high school several years ago.

Visit In Sloan Home

Rev. and Mrs. E. J. Sloan were host and hostess the past Wednesday afternoon to Lt. Joe B. Worsham and Mrs. Guy Fields, friends from the Sloan's former home at Clint. Lt. Worsham, who had been head of the ROTC at El Paso before receiving his commission, was enroute to Ft. Riley, where he will head a cavalry unit, while Mrs. Fields was enroute to visit friends in Oklahoma City.

Announcement . . .

Miss Dot McMillan is having a formal opening of the Friona Beauty Shop on Friday, March 27th. There will be free manicures with shampoo and hair dress.

Banquet Held Saturday At Texico School

Around forty chapter members and their guests were on hand at the Texico school building, the past Saturday night, when the FFA boys entertained with their annual Father-Son banquet.

Highlights of the evening were the talks made by County Agent T. J. Todd of Clovis, and Frank Wimberly, of the state vocational department, according to Stewart Richards, local instructor.

Other impromptu speakers were also called on by James Box, who served as toastmaster, including Mr. Richards and Sam Randol, president of the Texico school board. At the conclusion of the evening the group gave the pledge of allegiance to the flag.

The patriotic motif was stressed in table decorations, with small flags and potted geraniums being arranged down the tables, while individual place cards and menus bore painted American eagles.

The meal was prepared and served by members of the homemaking department under the supervision of Mrs. Wesley Osborne.

Coach McDonald Is Honored Monday

A. D. McDonald, who has had charge of girls' basketball in Texico for several years, and this year brought forth a team which took the New Mexico championship, was honored on Monday evening, when the girls entertained with a banquet at the school.

The evening was strictly informal, with various players and visitors being asked to speak.

Enjoying the affair were Coach and Mrs. A. D. McDonald; Assistant Coach and Mrs. Stewart Richards; Mr. and Mrs. Wesley Osborne; Edna Earle, Billie Nell and Alice Ruth Thompson; Lila and Wanda Boss, Dorothy Paul, Helen Katherine Blair, Alverda Hall, Betty Lou and Peggy Flye, Esther Selman, Pearl Martin and Mary Frances Selman.

Men Hold Meeting On Wednesday Night

At a special meeting for all men of the community, held in the undercroft of the Methodist church the past Wednesday night with some 52 in attendance, the men voted to organize a regular "men's club", and hold monthly meetings at the church.

George Nelson, prominent layman from Amarillo, was the principal speaker of the evening, and made an excellent talk, after which an open discussion was held. A trio of girls from the Texico school presented several musical numbers, directed by Mrs. H. Arnold. C. M. Hendersen acted as master of ceremonies for gathering.

A social hour was enjoyed and refreshments of sandwiches pie and coffee were served. The date of the April meeting was not given this week.

Mrs. H. Hudnall Is Hostess Sunday

Mrs. Harvey Hudnall of the Lazbuddy community, entertained in her home Sunday, with a birthday dinner honoring her husband and her mother, Mrs. Claud Heath.

Those attending the dinner were Mr. and Mrs. Delbert Hudnall, Marguerite and Hortense Hudnall from Canyon; Mr. and Mrs. Claud Heath, and Mr. and Mrs. Harvey Hudnall and daughters, Nancy Carol and Janell.

Visitors in the afternoon were Mrs. Roy White an Estelle. Miss Elsie Eubanks, and Mr. and Mrs. Price Prather.

To Meet April 2nd

The Parmer County Home Economics Association will meet in the home of Mrs. C. E. Lovelady, in Bovina, on April 2. Officers for 1942-43 will be elected, and plans made for holding health clinics for Parmer county school children.

Local Girls Honored At ENM College

Miss Helen Jo White and Miss Dorothy Dixon, of this city, have been named among the residents of Women's Hall at Eastern New Mexico college, Portales, to be elected to the personality panel.

Further honors were conferred on the two Texico girls when they were named to the five places comprising the outstanding "Upper Ten Per Cent" of dormitory residents. An election will be held between these five to name the "Girl of the Year".

Of the seven divisions in the panel, Miss White was named to all, while Miss Dixon made five. The former was listed in: "Upper Ten", "Best in Posture", "Best in Manners", "Best in Emotional Control", "Best in Neatness", "Best in Humor", and "Best in Friendliness". Miss Dixon made all with the exception of posture and humor divisions.

Lazbuddy WMS Has Study Meeting

The Lazbuddy W. M. S. met in a regular session at the Baptist church, Monday afternoon at 2:30. Mrs. Glen Dunn began the study of "A Guide to Daily Bible Study", which is a systematic way to read and study the Bible daily. Eighteen members have enrolled for the class.

Mrs. Clancy Watson and Mrs. A. F. Agee had charge of the quarterly social hour. A Bible quiz game was enjoyed, after which refreshments of sandwiches, salad, cocoa and cookies were served.

Those attending were Mes. W. S. Menefee, Juel Treider, Glen Dunn, Harvey Hudnall, Claud Heath, A. F. Greene, Ralph Paul and children, T. D. Reed, Lawrence Tarter, W. E. Payne, Perry Barnes, Clancy Watson, A. F. Agee and one visitor, Rev. A. F. Agee.

Birthday Social Is Held Saturday

Mrs. Alvenia Sharpe was honored the past Saturday evening, when a number of friends called in her home to commemorate her birthday.

Enjoying games of "42" during the evening were Mr. and Mrs. Roy Bobst, Mr. and Mrs. Olan Schlueter, Mr. and Mrs. Warren Powers, Mr. and Mrs. Stanley Hillhouse, Mr. and Mrs. Frank Phillips, Mr. and Mrs. Mose Glasscock. Refreshments of ice cream and cake were served.

In Amherst

Miss Elsie Cunningham, home demonstration agent, attended a meeting of Extension workers in Amherst, the past Tuesday. Miss Hazel Phipps, food preparation specialist, and James Rosborough, horticulturist, had charge of the program.

Enjoy Meeting

Members of the Farwell faculty, who spent last Friday in Amarillo in attendance at a district teachers' gathering, reported today that a good crowd was on hand to hear the visiting speakers. Supt. J. T. Carter said that the various local teachers attended sectional meetings, all of which were enjoyed.

Mr. and Mrs. Fay Maxey and family spent the weekend visiting in Floydada, Texas.

Mr. and Mrs. W. J. Matthews were visitors in Muleshoe, on Sunday.

Mrs. Claude Thomas and daughter, Edna Ruth, spent the weekend at Field, N. M., with Mr. Thomas, who is working there.

Visitors in Muleshoe on Sunday were Mr. and Mrs. Warren Powers and family, who spent the day with relatives and friends.

Mr. and Mrs. Frank Marrs and Vance Crume, all of Hereford, visited in the W. H. Graham home, last Thursday evening.

Tom J. Finley and Miss Wynona Swepston, district supervisors of the Farm Security Administration, are here from Amarillo today, visiting the Parmer county office.

Mr. and Mrs. Willis Magness and Mr. and Mrs. T. E. Levy left here on Sunday for Hot Springs, N. M., where they plan to spend several days receiving medical care.

Mr. and Mrs. Jason O. Gordon and Mary Jane, of Floydada, visited with Mr. and Mrs. John Armstrong and family in Farwell, Sunday.

Mr. and Mrs. Bert Reynolds and small son, of Trinidad, Colo., visited during the weekend and the first of the week with friends and relatives here.

Mrs. G. B. Armstrong Jr. and children, Dick and Jan, of Roswell, visited Mr. and Mrs. R. E. Maddux over the weekend. Mrs. Maddux accompanied her daughter home for a few days.

Mrs. J. P. Macon was critically ill for several hours on Monday night, with a cold that threatened to develop into pneumonia. Reports on Tuesday, however, gave her condition as improved.

Murder Mystery Is Slated For Juniors

Going dramatic in a big way, the Farwell junior class will take the stage on Friday night, April 10th, to present "Murder By Night".

Miss Dorothy Shaw, sponsor, stated that rehearsals had been underway for some two weeks, and all members of the cast were developing well in their respective roles.

The plot concerns the ordeal of four heirs in spending three nights in a "haunted house", in order that they may receive their part of the estate. The heirs include Franklin Sloan as stuttering Douglas Blackwell, Arlon Lovelace as Elliot Butterfield; Dorothea Deaton as the man-hunting Marion Blackwell; and Jane Lokey, rich Laurette Paine.

During their stay at the house, Lawyer Willowby (Joe Lindsey) is murdered, which calls in Smokey Gast as the hick police inspector; Archie Hamm as the messenger; Champ Landrum as a policeman, and Twila Strickland, as Nurse Brown. Other members of the cast are Paul Robertson and Billie Sharpe, as the negro servants, Sam and Judy.

Mrs. Pearl B. Grady was called to Hobbs, N. M., Monday, because of the illness of her granddaughter, Elizabeth. She is the small daughter of Mr. and Mrs. Tom Grady, who formerly lived here.

Council To Meet

The Parmer County Council of Home Demonstration clubs will meet in regular business session on March 28, at the Blackwell Hardware store in Friona, at 3:30 war time. Delegates are to bring in the educational fee for their respective clubs and any extra yearbooks the club cannot use.

Victory Club

The ladies of the community met March 11th in the home of Mrs. M. W. Moody, for the purpose of organizing a home demonstration club. Mrs. Ed Boggess was appointed chairman of the group. The new officers as elected are as follows:

President, Mrs. Homer Hyde; vice president, Mrs. Cecil Vestal; secretary-treasurer, Mrs. Carrie Collier; reporter, Mrs. M. W. Moody; parliamentarian, Mrs. Edgar Siber; program chairman, Mrs. Dave Moseley; council representative, Mrs. Ed Boggess.

"Victory" was selected as the name of the club. The first meeting will be with Mrs. Hyde, sometime in April. Miss Cunningham will be present.

It was voted to meet with Mrs. John Benger on March 25.

Refreshments of cocoa and cake were served by the hostess, after which the meeting was adjourned.

Hub Club

Pruning is essential in growing tomatoes, said Mrs. J. W. Shults to the Hub home demonstration club, March 13, at the home of Mrs. R. F. Jones. "I sprinkle my tomato vines every other day, late in the afternoon," she said. "This washes bugs and insects off the vines and waters the roots."

Two boxes were packed, one for Gilbert Boatman and one for Eddie Manns. Both boys are with the U. S. Army. The club will pack two boxes each month until every boy from this community, in the service of the U. S. A., has received a package.

The next club meeting will be on March 27, Mrs. V. E. Adams hostess. Miss Elsie Cunningham will give a demonstration on "Green Leafy Vegetables". Everyone is invited to be present.

Track Meet Dropped; Volleyball April 1st

There will be no Parmer county track and field meet this year.

This was the announcement made today by local school officials, who stated that the supervisors of the various county schools had agreed to cancel the regular meet, which had previously been announced to be held at Friona on April 4th.

In making the statement, Supt. J. I. Carter added that county entrants who desire to enter district events will be certified from this county and will become eligible for district competition, saying further that it was believed "not more than a dozen" would plan to enter the district.

In view of the ban which has been placed on securing tires for school buses used for any other purpose than transporting students to and from school, Carter said further that entries from Farwell would have to furnish their own transportation they wish to enter the district meet.

Tennis matches will go on as scheduled, it was stated, with the Friona school to play host to competitors on Saturday, April 4th.

Volleyball at Lazbuddy
The finals of the girls' volleyball tournament will be held in Lazbuddy on next Wednesday evening, April 1.

In the drawing, Farwell was matched against Bovina, Friona tangled with Lazbuddy, and Oklahoma Lane drew a bye. Farwell and Bovina agreed this week that they would play off their engagement on a home and home basis, in order that only one team need make the trip to Lazbuddy.

In this connection, Bovina will visit here this (Wednesday) afternoon at 3 o'clock, while Farwell will return the match on Friday, same time. In case a third round is necessary, arrangements will be made later.

Friona and Lazbuddy will meet at Lazbuddy, April 1st, with the Bovina-Farwell winner then playing Oklahoma Lane, and the final victor of this match meeting the Friona-Lazbuddy winner for the county championship, it was stated.

Officials here said that the public was invited to attend the games this afternoon, at 3 o'clock. No admission will be charged either here or at Lazbuddy.

People who keep their chins up are less likely to stick their necks out.

Hatfield-McCoy Feud Buried 'for Duration'

Two members of the famous feuding families, the Hatfields and McCoy's, take the pledge to bury the ax—in the Axis. They are Cabell Hatfield and Edward LaPort, whose mother was a McCoy. They are shown at Charleston, W. Va., where they signed up with the marines. Both are 19 and come from Matewan, W. Va. Capt. R. W. Gordon, left, and his aide look on.

One-Act Play Gets Under Rehearsal

Marilyn Anderson, Arlon Lovelace and Paul Robertson have been chosen to represent Farwell in the one-act play contest in the interscholastic league attraction, which will be presented for Parmer county at the Farwell school on the night of April 2d.

Miss Lynette Cain, director, stated that the name of the play was "Red Carnations". It involves the troubles of a young man who meets a lovely girl at a masquerade, and persuades her to meet him in the park the next day, his identification tag being a red carnation.

On arriving at the designated meeting place, the young man discovers an older man, also wearing a red carnation, waiting for a girl, and having the same name, with the result that things become quite complicated for a while.

The play contest will feature attractions presented by Bovina, Friona and Farwell students Admission, 15 and 25 cents, time, 9 p. m., war time.

Repair Clinic Planned For Parmer County

A repair clinic, for the purpose of repairing and giving instruction on repairing of household appliances and machinery is planned to be held at Friona in the near future, sponsored by the Extension Service and the Friona Lions Club. County Agent Lee H. McElroy announced after meeting there on Tuesday.

"The shortage of rubber will make it impossible to make a trip to town for each small repair job needed, as has been done in the past," McElroy said. "Simple repairs that

can be done as easily at home by the housewife or by the farmer will save much time during our war effort."

At the clinic, instructors will attempt to show and teach attendants how to make simple repairs at home. These plans include adjustment and repair of sewing machines by an expert, similar to the clinic last year in the county. Plans for repairing simple electrical appliances about the house will also be shown, as well as the care and operation on all appliances, to prevent excessive wear and repairs. Repairing tin cans, checking pressure cooker gauges, installation of parts in electrical appliances and general repairs on all common appliances will be shown and discussed.

"This day was planned to benefit farm people," McElroy said. "We will appreciate any suggestions that you have that would make this day a success. Any repairs that you care to have discussed or illustrated may be suggested to me or to any of the Friona merchants. Much of this work the merchants and dealers have to do free of charge, and you will not only be saving yourself expense and be able to do the job well, but will not take up the time of merchants and dealers."

Storing Wheat On The Farm
Commercial storage facilities are going to be very limited in case of anything like a normal wheat crop for 1942, and with material for construction of farm storage warehouses becoming more and more difficult to obtain, I believe it would be wise for those farmers who contemplate building storage facilities on their farm for 1942, to do so in the very near future. Information received at this time indicated that the railroads will be busy moving troops and war materials and it is very likely they will not be able to handle but very little

rain in moving it from country to terminal points. Naturally, the county elevator cannot buy wheat when it has to be plied on the ground, consequently, it is going to be up to farmers, to a large extent, to take care of their own grain at home. It might be well for all wheat farmers to do some serious thinking along this line and place their orders for materials needed for the construction of additional granaries immediately.

OFFERS RESIGNATION

Mrs. Wesley Osborne, who for the past three years has served as supervisor of the home economics department of the Texico school, has tendered her resignation, effective at the end of the current term, officials announced this (Wednesday) morning.

Mrs. Osborne did not announce any future plans.

mountains. One can stand on the wharf where we fish here in the morning and see a dozen towns sugaring the coast. As American cities go, this one is cosmopolitan, a polyglot of a dozen nationalities with their own mode of dress and speech, though Chinatown and the smelly, slimp booth-lined Fisherman's Wharf have become pretty commercialized. It's a solid town, too, of banks, good stores, and responsible business men instead of Los Angeles Townsendsites. The trouble with most of California is that the people consider it merely a suburb of Hollywood.

This fine California climate that you've heard about is all hooey. True enough, I suppose, it never freezes in Los Angeles, but a wet, heavy sort of cold blown in from the ocean that goes achingly straight to the center of your bones hangs over everything for a part of the day. I'd rather endure a Panhandle blue norther.
