

SEEK LOST GOLD MINE . . . Mr. and Mrs. William J. Middaugh of Joplin, Mo., are shown with the pack burro they will use on their trek into the Superstition mountain area of Arizona in search of the famous Lost Dutchman gold mine. The 59-year-old pistol packin' grandmother blew into Phoenix with a yellowed map to the mine handed down by her great-great uncle.

## POW Buildings To Be Moved Soon

Rupert Paul, president of the Texico School Board, stated today that plans were under way to get a crew and go to Hereford within the next few days and begin removal of two buildings from the abandoned Prisoner of War Camp to the campus of the Texico school.

Paul indicated that he would head up the workmen, and said that the two buildings would be torn down and moved here for reerection. The buildings are 20x100 feet and built entirely of lumber.

Efforts to get the buildings moved without tearing them down were ruled out when the lowest bidder for the job was \$1,500, Paul said.

The two buildings were awarded the Texico school several weeks ago by the War Surplus Administration at a price of \$336.00 on their present location. The local school made application for them and other buildings early last Fall when the agricultural building was struck by lightning and burned to the ground.

Paul said that no definite plans had been decided upon for the reerection of the buildings here, adding that it was possible that more buildings from the abandoned Fort Sumner Air Base might eventually be awarded the local school. He said that when all the material was assembled, plans to erect another building would be taken up.

He said that the school was desperately in need of a large auditorium, but doubted if sufficient materials could be salvaged from two the Hereford buildings to erect a building of that nature. "Such a building would likely require a bond issue," he added.

### Study Course Planned At Baptist Church

Rev. Virgil Hunton today announced a study course and enlargement campaign to be conducted by the local Baptist church throughout all next week.

Rev. R. S. Sparkman of Hereford, will be here to head up the work and he will be assisted by at least three other outside workers. Services will be held each evening during the week and a 15 minute recess will be taken during each evening for a light refreshment course.

The local campaign is co-operation with an effort that is being staged throughout the Plains Baptist Associations during the coming week.

### REDECORATING CHURCH

The interior of the Methodist Church is being redecorated this week. The contract, calling for a thorough redecoration of the entire interior of the building, has been let to Stanley Hillhouse, and work was begun the first of the week.

### OPENS NEW SHOP

H. E. Lance, who recently moved here from Clovis, where he has been employed by the Santa Fe Railroad for the past several years, announces the opening of a machine and welding shop in east Farwell. His place of business is located just south of Atkins & Hardage Garage, where he will be pleased to serve the public.

### Selective Service To Die On March 30th

President Truman has recommended to Congress that Selective Service be allowed to die on March 30, and every indication points to his recommendation being carried out.

No draft calls have been made under Selective Service for five months. Increased pay for men in service has been responsible for induction of more men than necessary to fill all the needs of the Army and Navy.

Mrs. Bessie Lee Henneman, clerk of the Parmer County Board, stated today that no information had been received on the closing of the work here, but a recent request for a complete inventory of supplies and equipment indicates that the office may be terminated on March 30th.

### Cattle To Be Tested For Bang's Disease

County Agent Ollie Liner nounced that the testing program, for the Bang's disease among dairy cattle will be increased in this area.

Dr. C. F. Layton of Fort Worth, who is with the Bureau of Animal Industry, and who is at the present working out of the County Agents Office in Tulia, will make regular trips throughout the Panhandle and surrounding country to make tests on dairy herds for this disease from which undulant fever derives from the use of milk of cattle that carry the Bang's germ.

This is a free program with no fee or charge connected. The only requirements is that those who want to have this test made on their dairy cows must get a form at the County Agent's Office, and fill it out, and return it to the Agent, whereby he will assist the tester in getting to the correct address.

Dr. Layton stated that he is able to secure sufficient help to make tests on all dairy cattle in this part of the country and urges that all dairymen and individuals fill out the correct form and get this test for the benefit of those who use milk from any dairy cow.

Supt. B. A. Rogers of the Texico school announced that they have received two new Remington typewriters, which have been ordered for some time.

# Three More Road Projects Assured

## County Tax Rate Is Increased To 95c

Faced with the problem of meeting the ever-increasing expense of operating the affairs of the county, the Parmer County Commissioners Court, in session here Monday, passed an order boosting the county tax rate to 95 cents on the \$100.00 valuation for the current year.

Previously, the Court had hiked the valuation on cattle, hogs, late model automobiles and farm machinery.

The new rate represents a boost of 15 cents on the \$100.00 valuation from 80 cents, the rate that has prevailed in Parmer County for the past several years, to 95 cent on the \$100.00 valuation.

The county tax rate has no bearing on the State rate, which, officials said, would likely be announced by the latter part of July. The State rate the past year was 37 cents on the \$100.00 valuation, and the speculation is being freely made that this rate will also be increased for the present year.

Independent school districts also set their own tax rates, officials pointed out.

### OTHER BUSINESS

The Commissioners also attended other business while in session here Monday. A road petition of Perry Barnes et al, was accepted and a jury of view, composed of Roy White, Perry Barnes, L. W. Smith, Mike Allen and Joe Paul, was named.

Routine matters, including the payment of current bills and approving Sheriff Earl Booth's expense account in the amount of \$415.00 for the month of February, was approved.

### County Treasurer Is Home From Hospital

County Treasurer Roy B. Ezell, who has been receiving treatment in a Lubbock hospital the past two weeks, following an operation, was permitted to be returned to his home here late Monday afternoon.

While still weak from the operation, Ezell expressed the opinion that he would be able to assume his duties at the treasurer's office "by taking it easy."

### McGill Rites Held Here On Friday

Funeral services for Clarence A. McGill, 58, who died in a Navy Hospital at Corona, California, were conducted at the Baptist Church last Friday afternoon by Rev. Virgil E. Hunton, pastor. An escort of the Veterans of Foreign Wars from the Clovis Post, was in charge of the body and conducted commitment rites at the graveside.

Burial was made in the Texico cemetery.

Mrs. McGill, wife of the deceased of Mancos, Colorado, accompanied the body here from California.

Out of town relatives who were here for the funeral included a brother, Homer McGill of Chandler Field, Arizona, a sister, Mrs. J. H. Niell of Vernon, Texas; E. W. McGuire and son Jimmie Ed, who are spending the winter in Coachella, California; Mr. and Mrs. Jim Allen, of Mancos, Colo.; Mr. and Mrs. J. M. Miller, Mr. and Mrs. Jack Miller and Mrs. Bill Briscoe, all of Artesia, N. M. Mrs. E. W. McGuire, sister of deceased, who is in California, was unable to be present for the funeral.

### Important Meeting Of American Legion

The local Legion Post held its regular meeting, last Thursday night, in the Country Court House, with a goodly number of Legionaries present as well as several non-members, who are working with the Post, helping secure contributions for the building of the American Legion Hut.

Good progress is being made in raising the bulding fund, with the help of the merchants of the local towns and business men in the surrounding territory.

The membes and co-workers will meet again this Thursday night to make further plans, and discuss business concerning the building and its use. All non-members who are interested are invited to attend this meeting.

Need letterheads? Dial 2131.

## Two Snows Enliven Prospects For Wheat

Two unseasonal snows of the past week yielded enough moisture to this section to be of great benefit to the vast wheat acreage of the area.

On last Thursday a light, feathery snow fell throughout most of the day, covering the ground to depths ranging from two to three inches over Parmer County. However, this snow was termed a "very dry" snow and little moisture resulted from the covering.

On Sunday morning residents awoke to behold a three-inch covering of snow that was described as "unusually wet." The combined moisture from the two snows has been estimated at better than a quarter of an inch, which will be of great benefit to the growing wheat.

Chisling operations, which have been carried out on all wheat fields to prevent blowing, proved its worth in retaining the snow where it fell instead of being whipped away.

### Two Thirds Quota Is In Hand In Texico

Rev. Virgil Hunton who is chairman of the solicitation committee of the Red Cross drive in Texico, announced today that two-thirds of the precinct's quota was in hand and added that "real digging" is going to be required to complete the \$300 quota for the precinct.

He urged that those who have not already made a contribution to contact any of the workers in Texico and hand in their contribution. He named B. A. Rogers, Leroy Faville, S. C. Hunter as his co-workers.

### Car Overtuns East Of Farwell Friday Night

Last Friday night Bryan Miller and Luther Lovelace were slightly injured when the car in which they were riding overturned near Lariat, enroute to their home in Lubbock.

It is reported that Miller and Lovelace met another car which crowded them off the highway, on a curve, causing them to hit some guard post, rolling their car completely over. The car, a new 1946 Ford, was badly damaged.

### Bovina Church Of Christ Announces Revival

The Bovina Church of Christ today announced a revival meeting, which will begin on April 2nd and continue for 12 days.

Minister Marlin S. Hoffman of Abilene, has been engaged to do the evangelistic preaching. A cordial invitation is extended to the public to attend the services.

### Farwell Juniors Set March 21 For Play

The Junior Class of the Farwell High School announced early this week that the date for their forthcoming play "Girl Shy" had definitely been set at Friday night, March 21st.

Due to illness and other difficulties arising over which the pupils had no control, the play had previously been postponed from a date set at March 7. This time the members of the class said there would be no postponement and the play would definitely be given on March 21st.

Starting time and admission price will be given in next week's issue of this paper.

### PTA To Serve At Girl Scout Meeting

The PTA facility will sponsor, at their regular meeting, next Thursday night March 13th, the Girl Scouts program and will assist in making plans for future scouting. Talks will be given in behalf of the Scouts, followed by business and the social hour. All PTA members are urged to be present for this meeting.

### Sweet News For Housewives

About the sweetest news that has been circulated lately was the announcement made the first of the week that effective April 1st, sugar allowances would be increased to ten pounds instead of the customary five pounds.

Spare stamp No. 11 will be valid on that date and will be good for ten pounds of the precious sweetening.

### Double Capacity Of Bovina Elevator

With the contract being awarded to the Star Equipment Co. of Amarillo, and H. E. Garrett overseeing the job, work was started the first of last week on enlarging the elevator of the Bovina Wheat Growers at Bovina, which will double the capacity of the grain house when completed.

Lee Thompson, manager of the firm, said that additional bins were being added to the south side of the present structure and that the head house atop the structure would be raised an additional 12 feet, thus allowing gravity flow to all bins in the elevator.

When completed, the drum will be in the center of the building, with overhead bins on all sides.

The new addition will give the elevator a capacity of 50,000 bushels, which will bring the total available storage to above 300,000 when all new jobs in Bovina, now under construction, are completed. The Macon's elevator is increasing its capacity to 80,000, and the new elevator being erected by A. Pitman, Bill Shirley, and Capt. G. D. Anderson, Jr., will have a capacity of 200,000 bushels.

### Alumni Banquet For Texico School

The Texico school will hold its annual Alumni Banquet, next Friday night, March 14th, at 8:00 p. m. Texas time, for the first time since before the war.

Cards of invitation are being sent to all graduates and ex-teachers of the school, and each graduate or teacher who can be present are asked to notify Mrs. Jimmie Allman, Home Economics Instructor, hereby she may make preparations. It is announced, that if by chance, you are not reached by a personal invitation you are cordially welcome to attend.

Supt. Rogers, stated that the Alumni Banquet was first scheduled for last December, during the week of Christmas, so that those who have moved away might be present but weather would not permit, and had to be postponed.

Joe Blair, Alumni President, will act as toastmaster.

### Farwell School Receives New Equipment

H. A. Clift, superintendent of the Farwell school announced this week that the school had received several pieces of equipment that has been needed, but unavailable, for some time, from the War Assets Administration.

Items being received include one large fireproof safe, three filing cabinets, two large and one small, two office chairs and some drinking fountains.

### MOVES RADIO SHOP

A. R. Self, who has operated a radio repair shop in Texico the past year, moved his business to Clovis this week, and will be located at the rear of the Thrifty Drug Store in that city.

Mrs. Lee Bradshaw and son, Mike, went to Amarillo Saturday afternoon to spend the next few days visiting with Lee Bradshaw who plans to be there attending to business matters.

Three additional road improvement projects in Parmer County have been approved, financed and scheduled for early construction by the Texas Highway Department, it was revealed here today by C. M. Henderson, president of the Chamber of Commerce.

Henderson said that he was in receipt of a letter from the Highway Department stating that Projects

Another highway-building program that looms to the forefront of considerable interest to the people of Texico-Farwell is the announcement by Senator Carl Hatch of New Mexico that officials of the Public Roads Administration at Denver were prepared to recommend construction of a four-lane highway from Clovis to Texico. Speculation is that the contract for this construction, costing between \$600,000 and \$650,000, will be let before July 1st of this year, and the work will be completed during 1947.

No. 299 and 690, farm-to-market roads, and widening of Highway 70-84 through Farwell, were included in this year's program and would be built during the present year.

Project No. 690 calls for the grading and surfacing of the farm-to-market rural road from Farwell to the Oklahoma Lane school house, a distance of six miles.

Project No. 299, another farm-to-market project, will start at Friona and extend south to four miles south of the Hub, a distance of 12 miles.

The highway widening project is all located within the city limits of Farwell and will start at the state line and extend east a distance of six-tenths of a mile. This will give Farwell a curb-to-curb pavement through the business district of town to the Darr property on the east side of the city limits. The pavement will be 65 feet wide to be supported on each side by guttering and curb. The property owners will provide the curb and guttering with State doing the roadbed.

Construction work on Highway 86, extending from east of Bovina to the Castro County line, has been underway for several weeks and the grade and drainage structures will be completed before long. The route of about 20 miles will be topped during the coming Summer, according to an announcement from the Highway Department.

### Dairy County Club Meeting Held March 6

The Directors of the Parmer County Dairy Club, a unit of the Dairy Herd Improvement Association, held a meeting last Wednesday night at the Oklahoma Lane school house to discuss the work of the dairy testing program which is to start April 1.

County Agent Ollie Liner who was present at the meeting, stated that the Club has succeeded in securing a qualified tester for the work.

Miss Ruby Brietwese from Park Rapids, Minnesota, will be the tester for this area. She has been studying this kind of work for several years and is recommended as being a qualified tester.

There are a goodly number of dairymen in this territory who have already signed up for the program, and are waiting for the aid of the tester who will be able to help improve the herds and make them more productive by keeping a complete record of all milk and butterfat produced by each cow. The culling of the low producers and the correct feeding.

The fee for the service of the tester will be \$7.00 per herd, up to ten, plus 30 cents per head for all over ten head.

Those present at the meeting from this area were Wendell Christian, president; Levi Johnson, vice-president; L. M. Grissom, secretary; J. T. Gee, Bill Hubbel, Melvin Sudderth, Sterlyn Donaldson, and County Agent Ollie Liner.

### TO AWARD CAR

Officials of the Farwell Post 516, American Legion, have announced that the new Ford car will be awarded on Saturday, March 15th, at 5 p. m. The occasion is expected to draw a large crowd here. The award will be made on Main Street at the above stated time.

MEMBER 1947

**OKLAHOMA LANE**

Mr. and Mrs. A. B. Wilkerson was in Friona, Friday.

Mr. and Mrs. R. T. Jenkins visited in Mineral Wells, Texas, over the weekend.

Mr. and Mrs. Joe Miller and Mr. and Mrs. Jim Miller, Mr. and Mrs. Johnnie Jennings have been visiting in Fort Worth and Dallas, and attending the Fat Stock Show there.

Bro. and Mrs. Newton Starnes, and Mr. and Mrs. Bill Johnson visited in the home of Mr. and Mrs. Owen Patton, Sunday.

Claude Watkins was in Lubbock, Friday.

Mr. and Mrs. Lloyd Gober, Mr. and Mrs. R. L. Barber, Mr. and Mrs. Johnnie Jennings, Miss Vashli Fowler and Earl Roberts visited in the home of Mr. and Mrs. Jack Roach, Sunday.

Mr. and Mrs. Charles Roberson of Amarillo visited in this vicinity over the weekend.

Mr. and Mrs. George Lindop were shoppers in Clovis, Saturday.

Bro. and Mrs. Newton Starnes visited in Bovina, Saturday.

Mrs. Clarence McGill, Homer McGill, Mr. E. W. McGuire and son, Jim Edd, have returned to Coachella, California.

Among the sick folk of our community are Mrs. Lee Sudderth, Mrs. Emma Joiner, who has been very ill shows some improvement. Mrs. R. L. Barber is up and around after a severe heart attack. The flu and colds have hit the community too.

Funeral services for Clarence McGill were held Friday afternoon at 3:30 o'clock in the Texico-Farwell Baptist church with Rev. Virgil Hutton officiating.

Steeds Funeral Home was in charge of the body, with a military ceremony, burial was made in the Texico cemetery.

**"GOD UNDERSTANDS"**

It is sweet to know when we are tired and when the hand of pain lies on our hearts and when we look in vain, for human comfort, that the Heart Divine, still understands these cares of yours and mine.

Not only understands, but day by day lives with us while we tread the earthly way; Bears with us all our weariness and feels the shadow of the faintest cloud that steals across our sunshine, ever learns again, the depth of bitterness of human pain.

There is no sorrow that He will not share, no cross, no burden for our hearts to bear, without His help, no care of ours so small to cast on Jesus, let us tell Him all.

Lay at His feet the story of our woes and in His sympathy find sweet repose.

**Special Employment Program To Aid In Rural Industries**

A special employment program to aid Parmer County workers and employers engaged in rural industries as announced today by F. A. Wells, TUCC district director, for the Amarillo district.

Mr. Wells said that the program would make necessary labor available to employers of rural industries on a planned basis and help workers engaged in peak farm season activities most nearly attain "year round" employment. Rural industries include processing of all agricultural products.

"We hope that this program will prove of value to employers in securing the workers they need at once and thereby preventing loss of raw products subject to spoilage, reducing overhead personal costs and loss of production time," Wells said. "Our plan should also be of service to the worker by shortening the time that he is between jobs and enabling him to maintain a higher annual income."

This special rural industries program conducted by the State Employment Service is designed to assist communities in organizing and planning for the handling of peak

personal labor in rural industries by making the greatest possible use of local labor supply and reducing unnecessary in-migration of transient labor, Wells said.

This is a part of the overall Texas State Employment program and employers and workers in rural industries will receive complete benefits of all services offered by the Littlefield local office," Wells said.

Visits are now being scheduled to employers in rural industries, Wells stated, in order to get labor requirement estimates for the 1947 season and to explain how the Texas State Employment Service can assist them in getting labor and in placing their workers when laid off at the end of peak seasons.

Employers who have seasonal layoffs can help reduce their Unemployment Compensation tax rate by notifying the Texas State Employment Service at the earliest possible date of planned reductions in force so that workers can be placed in other employment with the least possible loss in working time.

The Empire State Building weighs 303,000 tons.

**Stitches Save Dollars Says Mrs. Dora R. Barnes**

COLLEGE STATION.—From the sewing machines and nimble fingers of 62,000 Texas Home Demonstration Club women and 4-H girls came home sewing work in 1946 estimated to value \$1,734,375.

These figures are quoted by Mrs. Dora R. Barnes, Clothing specialist of the Texas A. and M. College Extension Service, in summing up Extension clothing work in Texas last year. Mrs. Barnes works on a statewide basis with county home demonstration agents, Texas Home Demonstration Club women and 4-H girls in an Extension Service home sewing program which includes making new garments, making over old clothes and various other clothing im-

provements.

Lagre share of the total estimated value of the clothing work came from the 560,000 garments made at home by the women and girls, Mrs. Barnes says. Estimating a conservative \$2.00 saving on each garment made by the women, and \$1.50 for each girl's garment brings the value of that phase of the work to more than one million dollars. Often saving the price of new garments, the club members made over about 137,000 pieces of clothing, representing a saving of \$225,000.

In addition to making garments, cultivation in the entire world is the women and girls clean clothing, planted in wheat.

make dress forms and patterns, dye clothes, build closets and perform a host of other clothing improvement tasks in combining their club work with regular home making duties.

Many phases of the clothing work cannot be valued in dollars and cents, says Mrs. Barnes. The skill that the women learn, the satisfaction of making things, and learning how to be more efficient and resourceful are accomplishments that can't be priced, she says.

One-fourth of the total area under the women and girls clean clothing, planted in wheat.

**Why freight rates are going up...**

Since 1939, railroad employees have had three general pay raises totaling 52 1/10%, and the prices of fuel, materials and supplies have risen 61 6/10%.

But when the war ended in 1945, the railroads were still hauling freight at rates no higher, and in some cases lower, than when the war began.

Without increased revenues, railroads could not meet these costs and also provide improvements in equipment and facilities—improvements that are essential for the low-cost freight and passenger services which are necessary to America's high standard of living.

Under these circumstances—and almost a year after the last major wage increase—the Interstate Commerce Commission recently approved an average increase in freight rates of 17 1/10%.

Of all the price increases in America today, few have been so little and so late as that in the price of railroad transportation.

**How important are healthy railroads to a prosperous country?**

Only when the railroads are financially healthy can they provide the new equipment, improved road beds, and better terminal facilities needed for still better service to you.

The defense of the nation depends upon the continuance of the efficient transportation which served the nation so well in the last war.

The railroads are among the largest employers of labor. They buy over 100,000 different products. They pay big taxes—taxes which are spent not only for public schools, public health, and police and fire protection, but even for highways, airways, airports and inland waterways.

Railroads are America's lifeline—keeping goods flowing among the 48 states day and night in all weather.

They can continue to do this only if there is a reasonable balance between income and outgo. Like yourself, the railroads must make ends meet!

We are publishing this and other advertisements to talk with you at first hand about matters which are important to everybody.

## Waste Products Made Useful

NEW YORK—A Three-way drive to turn common waste materials of the Pacific Coast and Western States into valuable commercial products is being passed this year by the U. S. Department of Agriculture in cooperation with leading industries and universities.

Such familiar and hitherto worthless by-products as corn cobs, grain stalks and husks, chicken feathers

and even the sumac plant are already finding wide usage in important industries, and the Department's Western laboratory at Albany, California, will devote 1947 to exploring the commercial applications of many others, including citrus fruits, alfalfa, and several varieties of vegetables.

Potentialities of the far-reaching research program are found, it was pointed out, in the uses now being made of corn cobs and sawdust by such companies as SKF Industries, Inc., which report annual use of approximately 48,000 pounds of ground cobs and 400 tons of sawdust to burnish and clean roller bearings.

Not a leaf is left unturned in the far-reaching research program.

The University of Pennsylvania Medical School is experimenting with the lowly buckwheat plant, traditional griddle cake ingredient, to extract rutin needed for high blood pressure victims. Texas A. and M. College reports making a palatable poultry and hog feed from ground cottonseed hulls after the valuable oil has been extracted. Cotton seed hulls together with peanut shells are already providing synthetic motor

fuel at the rate of 90 gallons to the ton. A strong synthetic fibre made from the 175,000,000 pounds of chicken feathers thrown away annually is the goal of other experts.

To speed home building, such construction board manufacturers as Celotex Corp., Chicago, and Malzwood Insulating Co., Albuquerque, are buying up straw, husks and stalks as raw materials.

## Widows Over Age 65 Get Monthly Benefits

Most widows attaining the age of 65 whose husbands had died after December 31 1939, and were fully insured under the Federal Old-Age and Survivors Insurance system and who received a lump-sum payment may be eligible for monthly benefit checks for the rest of their lives, unless they have remarried, Mr. J. R. Sanderson, manager of the Social Security Administration field offices at Amarillo, Texas, said. These widows must file claims, however, to receive payments and should contact the nearest Social Security Ad-

ministration office for correct information.

Despite information furnished at the time of husband's death, many widows do not understand they may receive monthly benefits when they reach age 65.

Although efforts have been made to contact the widow in these cases, very often she had moved and cannot be located. "Only recently a widow came into our office," Mr. Sanderson said, "and learned that she had lost several months' payments because she had delayed filing."

## Broody Hens Costly

D. F. King, Alabama Poultry Specialist, brings out in this month's Progressive Farmer that every time a farm hen goes broody it costs the owner the loss of a dozen eggs. During this time of year broody or setting hens are often a serious problem. Studies indicate that hens lay at a very fast rate (87 per cent) for a two-week period just before they go broody. On an average it takes six days in a coop to break them up. After a hen has been released it takes about seven days before she starts laying again. While hens vary considerably in the ease with which they can be broken up, it is safest to count on averages. Many poultrymen mark each hen with a leg brand or clip her tail when she goes broody and later cull those that want to set twice or more during spring season.

The Texas Extension Service is urging everyone who can to plant a garden this year—for health, for recreation, for a supply of fresh vegetables that will knock dollars off the grocery bill.

## Baked Black-Eye Peas

Black-eye peas, as Southern as General Lee's picture and as popular as peace talk, are attention-getters on any menu. Baked peas are one of my "company" specials. Here are the makings:

Two cups shelled black-eye peas (cooked or canned), 1/4 cup chopped onion, 1 chopped green pepper, 2 cups tomatoes (canned or cooked), 1/2 teaspoon salt, dash pepper, 1 teaspoon meat extract, 3 tablespoons butter, 2 tablespoons bacon drippings.

Cook the green pepper and onion in butter and add to other ingredients. Pour into a buttered baking dish and bake in a slow oven (300 degrees F.) for about 30 minutes. If needed, add juice from drained tomatoes during the baking. Serves 4.

## SANTA FE CARLOADINGS

Santa Fe System carloadings for week ending March 8, 1947, were 24,632 compared with 23,061 for same week in 1946. Cars received from connections totaled 10,392 compared with 9,954 for same week in 1946. Total cars moved were 35,024 compared with 32,970 for same week in 1946. Santa Fe handled a total of 36,989 cars in preceding week of this year.

## It lets you live in the Stratosphere ...and OIL-PLATES your engine!

ABOVE 50,000 FT. IT'S 60° BELOW ZERO! That and 450 m.p.h. speeds make necessary specially designed "escape suits" for fliers. What enables these new suits to withstand terrific wind-pressures from outside and air pressure from inside is the force of molecular attraction . . . basic force that holds things together!

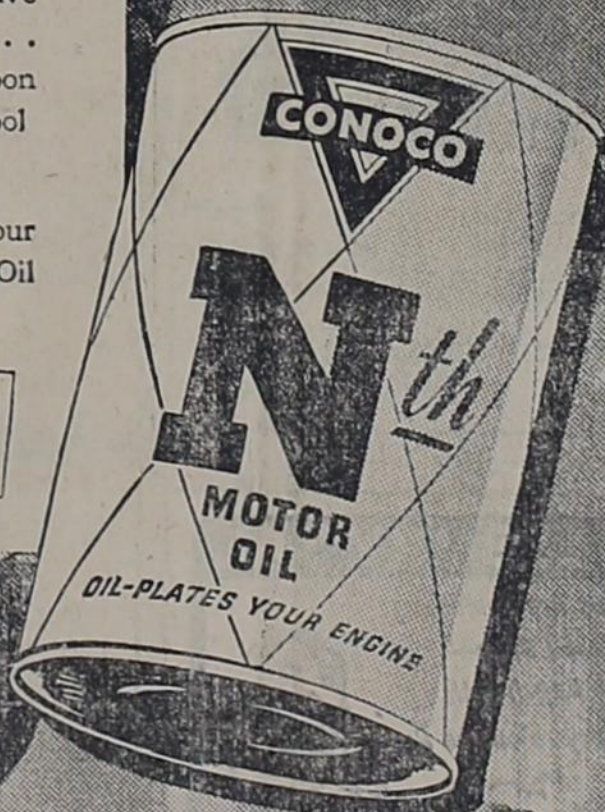

SO THIS SPRING CHANGE TO OIL-PLATING! Because when Conoco N<sup>th</sup> motor oil enters your engine, the tremendous force of molecular attraction fastens molecules of a special lubricant so closely to molecules of engine metal that cylinder walls and

other surfaces are actually OIL-PLATED!

BECAUSE OIL-PLATING RESISTS GRAVITY . . . stays up on cylinder walls . . . won't all drain down even overnight, you get: EXTRA protection when you first start your engine "dry" . . . EXTRA protection from corrosive acid action when your engine is idle . . . EXTRA protection from sludge and carbon caused by wear . . . EXTRA smooth, cool silent miles.

STOP WHERE YOU SEE THE RED of Your Conoco Mileage Merchant. Continental Oil Company

Make a date to OIL-PLATE...NOW!

**Sunny Side**

(By Sonny Graham)

The skunk and politicians department of this paper have an important announcement to make in regard to the home attractions of skunks:

"Keep your porch nailed up, if you don't want the company of mama skunk and maybe five or six little stinkers." Naturally, those readers who have cement porches need not fear, but it should be remembered that skunks aren't in the least particular, and might even take to a back porch if it is made of wood. These opinions have not been formed without reason to suspect such, and should be kept in mind by every wooden porch owner in Texico-Farwell.

Information was received in this office to the effect that a mother skunk and her family of no few numbers has taken up residence in the home of Ruby Temple and are causing her no end of troubles of the odor variety.

A few days ago Mrs. Temple was awakened in the middle of the night by noises which, in all aspects, seemed to be a cat-fight under the porch. In a few minutes, our victim of circumstances was able to better ascertain her convictions of a short time ago. (This was due to a strong musky odor which penetrated the house from front to back. Anyway, it smelled pretty skunky.)

Her assumption that the battle was being fought under the front porch was correct, but she was decidedly in the wrong when she thought that it was a cat fight. To a certain degree, this may have been correct, but she knew for certain that one of the participants of the battle was definitely not a cat—it was a skunk—of the odorous species.

The odor in the house caused one fact to become outstanding; that of the two occupants of the house, (Mrs. Temple and mama skunk) one of them had to go. Mrs. Temple went.

Believing the skunk to be dead after a considerable elapse of time Mrs. Temple returned to the scene of the crime and was doing very nicely until another noise began to emit from under the porch—mama's family apparently didn't like the idea of someone taking away their food supply, hence more stink and some high-powered squealing on top of that.

Unless you have a very watchful eye and can smell a skunk a mile off, I suggest that you take a stitch in time and nail up that old porch!

**COUNCIL MEETS**

The City Council, of Texico held its regular meeting last Monday night, March 3rd, with only a few members present.

Routine business was discussed and attended to and the meeting adjourned in regular order.

**FALLS ON ICY STREET**

## Williams-Hargrove Exchange Wedding Vows, March 7th

Miss Peggy Williams daughter of Mr. and Mrs. Willie Williams, of Farwell, and Elmer Hargrove, son of Mr. and Mrs. Rob Hargrove, of Raton, Texas, were united in marriage on Friday afternoon, March 7th, at 5 p. m. in a double ring ceremony performed by Rev. Harvey E. Carrell, at the Texico-Farwell Methodist church.

The church was beautifully decorated with sprays of pink and white snapdragons and lilies, with greenery of huckleberry and palm.

Miss Jean Rogers sang "Because" and "O Promise Me", accompanied by Mrs. C. M. Henderson on the piano. Mrs. Henderson played the traditional wedding marches.

The bride was lovely in a white suit with blue accessories, and she carried a white Bible topped with a corsage of gardenias with blue and white streamers.

For something old the bride wore a pearl necklace belonging to her mother, being the one she wore on her wedding day. Something borrowed was a watch belonging to Mrs. Gabe Anderson, Jr., and for something new and blue was her suit and accessories.

Miss Marilyn Anderson, matron-of-honor, was dressed in a blue suit and brown accessories with a shoulder corsage of red roses.

Mr. Byran Miller served as best man.

Mrs. Willie Williams, mother of the bride, wore a beige suit with brown accessories and a corsage of rosebuds.

Only relatives and close friends were present for the ceremony. Out of town guests included Mr. and Mrs. Claude Husband, Mr. and Mrs. Carl Snider and children Billie Jo and Larry, Mr. Lovelace of Lubbock, and Mr. and Mrs. Gabe Anderson, Jr., of Fort Sill, Oklahoma.

For traveling the bride chose a Kelly green suit with dark brown accessories.

Both Mr. and Mrs. Hargrove were students at Texas Tech College in Lubbock prior to their marriage and Mr. Hargrove plans to continue his studies there.

## Mrs. Phillips Honoree At Shower Tuesday

Mrs. A. F. Phillips, Jr., was the honoree at a pink and blue shower given Tuesday evening at 8 o'clock in the basement of the Baptist Church with Mesdames Olen Schleuter, Verney Towns, John Lockhart and Mrs. W. T. North acting as hostesses.

Readings by Sonja North and Mrs. Clyde Magness, and a piano solo by Miss Peggy Schleuter, opened the evening's entertainment. Miss Schleuter presided at the guest book, and Mrs. Alvenia Sharpe and Mrs. A. F. Phillips, Sr., assisted the honoree in opening the gifts, which were arranged on a lace-covered table with a bouquet of sweet peas furnishing the center-piece.

Refreshments of hot chocolate, pink and blue cookies were served to the following guests: Mesdames Sterlyn Billington, Perry Crawley, Buck Bradshaw, Joe Crume, S. E. Magness, Jr., J. W. Miller, H. B. Whitley, Frank Seal.

Morgan Billington, Lewis Davis, Mose Glasscock, Roy Thornton, J. P. Tate, Clyde Magness, John Porter, Alvenia Sharpe, Lawrence Ham, T. J. Massongill, A. F. Phillips, Sr., W. H. Spurlin, W. D. Hardage, V. E. Hunton, Jack White, D. B. Lanford, Gilbert Watkins, Misses Margaret Tate, Iris Thornton, Peggy Schleuter, Beva Martin, Sonja North, and the hostesses and honoree.

A number of lovely gifts were sent by friends who were unable to be present for the occasion.

## Mrs. Lenton Pool Guest Speaker To DAR Meet

Mrs. Lenton Pool was guest speaker at the D. A. R. meeting held in the home of Mrs. John D. Brown in Clovis, on Wednesday afternoon, March 5th. Mrs. Pool made a very interesting talk on "Youth Organizations."

Mrs. L. B. Colborn of Clovis was in charge of the meeting.

Mesdames A. D. Smith, C. A. Clift, and Fred E. Kepley acted as co-hostesses at the meeting of Daughters of the American Revolution.

## Visiting Parents

Raymond Martin, student at the University of Texas in Austin, arrived here Sunday morning to spend the next few days visiting with his parents, Mr. and Mrs. V. L. Martin.

## Barkers Celebrate 35th Anniversary, Sunday

Mr. and Mrs. Fred Barker, Sr., were delightfully entertained Sunday when all of their children gathered in their home to help them celebrate their "Thirty-fifth" wedding anniversary which was also Mrs. Barkers' birthday.

Those present included Mr. and Mrs. Elmer Langford and sons of Texico; Mr. and Mrs. Jim Moss and children of Farwell; Mr. and Mrs. Eugene Coffman and children of Amarillo; Mr. and Mrs. Fred Barker, Jr., and children of Friona; Mr. and Mrs. Lester Harrellson of Elida, New Mexico; Miss Bobbie Barker of Amarillo and the honorees, Mr. and Mrs. Fred Barker, Sr.

## Mrs. Carrell Hostess To Wesleyan Guild

The Wesleyan Guild met in their regular meeting in the home of Mrs. Hervey E. Carrell, Tuesday night, reporting a good attendance.

Mrs. Woodie McDermitt had charge of the discussion, of the evening, assisted by Mrs. C. E. Leach and Mrs. Loyde Brewer.

After the discussion, business was attended to and refreshments of punch and cake were served to the following:

Mesdames: Charles Lovelace, Bess Mansfield, Loyde Brewer, Bessie Lee Henneman, Hayden Cason, W. W. Vineyard, C. E. Leach, Ray Sudderth, Paul Wurster, Woodie McDermitt, Dick Walker, and Miss Ann Nabors and the hostess, Mrs. Harvey Carrell.

## Miss Peggy Williams Honored With Lovely Pre-nuptial Shower

A pre-nuptial shower honoring Miss Peggy Williams, bride elect of Elmer Hargrove, was given last Tuesday afternoon, March 4th in the country home of Mr. and Mrs. Gene Lovelace with Mrs. Lovelace and Mrs. Sam Aldridge acting as co-hostesses.

Refreshments consisting of cake, nuts and mints were served by Misses Maxine Ford and Jeatonne Morris, and coffee and tea was poured by Mrs. Johnny Williams and Mrs. Elmer Willingham.

Miss Joan Williams presided at the guest book.

Those attending were: Mesdames W. W. Williams, M. A. Snider, Elmer Willingham, Johnny Williams, John Armstrong, Ray Sudderth, Charles Lovelace, W. T. North, Jack Williams, Ralph Cox, A. E. Lewis, C. W. Goss, Jr., C. M. Henderson;

E. E. Booth, J. D. Thomas, W. W. Hall, Aubrey Sprawls, S. E. Morris, Willie Lovelace, Mule Clements, Frank Seale, Alvenia Sharpe, Olan Schleuter and, V. Scott Johnson.

Misses Maxine Ford, Jeatonne Morris, Joan Williams, Anne Nabors and Wilma Louise Snider.

The honoree, Miss Peggy Williams and the hostesses, Mrs. Aldridge and Mrs. Lovelace.

Those sending regrets included: Mesdames J. H. Stone, W. H. Graham, E. R. Hart, Billie Phillips, John Porter, John Aldridge, Woody McDermitt, Anne Overstreet, J. C. Cummings, Sterlyn Billington, H. Y. Overstreet, Harold Hillock, J. E. Stone, Claude Rose;

Everett Roark, Sam Fox, C. G. Davis, Ted Sheets, Roy Sheriff, Gabe Anderson, Joe Magness, Clyde Magness, Travis Brown, B. N. Graham, Carrie Hamrick, W. D. Hardage;

Lee Bradshaw, Ernest Lokey, Loyd Cain, Woodrow Lovelace, S. C. Leach, Frank Phillips, Ivan Tarr, and M. C. Roberts.

Misses Marilyn Anderson, Ruby Ham, and Jean Ann Hart.

Mr. and Mrs. Bob Stover and children spent the weekend in the home of Mr. and Mrs. R. T. Thomas at Whiteface, Texas, and to visit with Mrs. Stovers' uncle, Mr. Ed Landers, who was there from Pineville, Ore.

## Mrs. Hardage Hostess To Demonstration Party

Mrs. Edd Hardage was hostess last Monday afternoon in her home to a group of local housewives when she gave a "Stanley Demonstration Party," assisted by Mrs. Frank Love, of Clovis, doing the demonstrating.

Mrs. Love is representative for the Stanley, household products, and assists the housewives in many ways, by new methods and short cuts in their daily work of housekeeping.

After the demonstration refreshments were served to sixteen guests and the representative, Mrs. Love.

## Home From Tech

Miss Rita Wilkinson, student at Texas Tech College, was home the past weekend, accompanied by her roommate, Miss Carroll Trice, who visited with her in the home of her parents Mr. and Mrs. A. B. Wilkinson of the Oklahoma Lane community.

## Here From Albuquerque

Mr. and Mrs. Charley Scott, former residents of this community and who now reside in Albuquerque, spent Sunday visiting in the home of Mrs. Bettie Smart of this city. Mr. and Mrs. Lloyd Kidd and daughter, Pat, also of Albuquerque, called in the afternoon.

Mr. and Mrs. Clifford Henderson of Portales spent Sunday visiting in the home of his parents, Mr. and Mrs. C. M. Henderson.

Mrs. Bessie Lee Henneman spent the weekend visiting relatives in Amarillo.

Mrs. Elmer Temple and son Jimmie of Albuquerque, visited in the home of Mrs. Ida Temple over the weekend. Mrs. Temple and daughter, Lora, returned to Albuquerque with them to spend the next few days visiting there.

Mrs. Earl Booth was returned home Saturday from a Clovis hospital where she underwent an appendectomy last week.

Little Mike Booth, son of Mr. and Mrs. Earl Booth, was reported to be on the sick list the last week, suffering from an attack of influenza.

Mr. and Mrs. Frank Jones and Mrs. Margaret McBee, sister to Mrs. Jones, left Saturday night for Fort Worth, where they will visit with Mrs. Jones and Mrs. McBees parents, and attend the Fort Worth Fat Stock Show.

Mr. and Mrs. Woodie McDermitt, Mrs. Mitz Walling and Mrs. Modena Hardeberger attended the Rubino Concert last Monday night at the Lyceum Theatre in Clovis.

Mrs. J. D. Thomas and son Warlick spent Sunday in Muleshoe with Mrs. Thomas' parents, Mr. and Mrs. W. H. Kistler.

Mr. and Mrs. Woodrow Lovelace have been reported on the sick list for the past several days with the flu.

Mr. and Mrs. W. T. North and children were visitors in Portales, last Sunday.

Mrs. Oliver Sikes returned to her home here, last week, from Wichita, Kansas, where she had been visiting with her mother, Mrs. S. C. Smith.

H. Y. Overstreet and Gus Bryan made a business trip to Amarillo on Tuesday.

Belvin Freeman, graduate of the Texico high school, who is now a student in journalism at the Eastern New Mexico College at Portales, spent the past weekend here with his parents, Mr. and Mrs. W. L. Freeman.

Miss Mable Davis, primary teacher of the Texico school is still reported absent from duty, due to influenza.

T. B. Allen, owner and operator of Heavy's Garage in Texico, has been attending to business in Wichita Falls, the past few days.

## CONSTIPATION Risky in BAD COLDS

Retained undigested food becomes putrefactive, causes toxins, which overload the liver and other vital organs of the body, lessening your resistance to colds and other winter ills and interfering with their treatment. Why take this chance when you can take Calotabs? Calotabs thoroughly yet pleasantly act on every foot of your intestines, sweeping out toxin-laden putrefactive foods and virus-laden mucus, enabling you to more effectively avoid or fight a cold. Nothing acts like good old Calotabs. Use as directed. 10c and 25c at all druggists.

Take **CALOTABS**

# Bovina Happenings

Mr. and Mrs. Boyd Richards of Abilene are visiting the Earl Richards and Mr. and Mrs. Jim Richards this week.

Mrs. Gene Davis from Albuquerque visited in the Buck McCuan home over the weekend.

Mr. Jasper Bess of Friona and Mr. Mell Gunn of Bovina visited relatives at Ada and Allen, Oklahoma, the past week.

Mr. and Mrs. Austin Calhoun from Las Cruces, New Mexico are visiting Mr. and Mrs. S. A. Calhoun this week.

Mr. and Mrs. J. O. Combs has as their visitors two granddaughters from Clovis.

Mrs. Alvin Gaines and children are visiting her aunt Maggie in Portales this week.

The Bovina School enjoyed a program on Wednesday of this week put on by the high school pupils of Oklahoma Lane School, it was a play by the name, "Bobby Sox", the school and visitors surely enjoyed it.

The Seniors of the Ag. Class, sponsored by the their teacher Mr. Jones all members of Vocational Agriculture Department, left Thursday morning for Fort Worth fat stock show, on Friday and Saturday, they will return Sunday, boys making the trip were: Charles Ross, Durward Bell, Eugene Hawkins, D. C. Looney, Tom Bonds, Clarence Shanks, Howard Ellison, Stacy Queen and Robert Read.

The Town Council met Wednesday night to continue studying the organization of the city government, all members of the council were present as was City Marshall W. L. Venable, who took oath of office. Commissions of office were presented to each member of the council as well as the Marshall, the council is interested in getting the city government in operation as soon as practical, but will not rush over points of organization not clear.

On the night of Wednesday, Mar. 5th, the rainbow girls went to Amarillo to a Friendship meeting, assemblies from Slaton, Borger, Hereford, Pala Duro, Lone Star, Bovina and Dumas.

The Amarillo assembly held installation, which was very pretty and enjoyed by all, the program consisted of a quartette from the Amarillo high school, all boys. The last number was a reading by one of the members of the Amarillo assembly, after which refreshments were served in the Basement of the Temple.

This meeting was held in the Khiva Temple which is the Shriners Temple and is very beautiful, 28 attended from the Bovina assembly. The girls went on a school bus from Texico, a very lovely time was spent by all, even if they did have a little trouble with the bus.

The W. S. C. S. met in the home

of Mrs. Lloyd Batty on Wednesday of the past week, in an all day meeting, they had a lovely covered dish luncheon at noon, in the afternoon they had their business meeting, a very interesting lesson was given, those attending were Mable Newberry, Mae Hoppingardner, Ruby Wilson, Ona Pesch, Wilbur Charles, and the hostess, Mrs. Batty.

Mrs. Arnold Hromas took her car and some ladies to Littlefield to a W. M. U. meeting on March 4th. This was District No. 9, composed of the following associations: Tierra Blanca, West Plains, Stake Plains, Floyd, Hockley, Cochran, Dickens, Brownfield, and Lubbock. Their program was given on Home Missions. Those attending from Bovina were Mesdames N. E. Bond, H. L. Tidenberg, Bill Bradshaw, R. N. Williford, all report a good meeting and all enjoyed it very much.

### MRS. TIDENBERG HOSTESS TO WMU MARCH 5TH

The W. M. U. of the Baptist Church met March 5th, with Mrs. H. L. Tidenberg for our mission or week of prayer program.

There were 13 members present, one visitor Mrs. Charley Hromas of Hereford. Devotional was given by the president Mrs. Tidenberg, she read from Eph., 2nd chapter, 13 to 17 verses. Opening prayer by Mrs. J. R. Glover. Those on the program were Mrs. Bonds, Combs, Hromas, Bradshaw and Williford. Closing prayer by Mrs. Williford. Lovely refreshments of cherry pie, ice cream and coffee was served to the following: Mrs. Free, Glover, Ray, Ward, Bradshaw, Hromas, Combs, Rhinehart, Bonds, Williford, Giles and the hostess Mrs. Tidenberg, and one visitor.

### MRS. ELMER VENABLE HONORED WITH PINK AND BLUE SHOWER

Mrs. Bob Blalock, Mrs. Ruby Wilson, Mrs. R. W. Standefer and Mrs. Earl Richards were hostesses to a lovely Pink and Blue Shower given in the American Legion Hall, Saturday evening, for Mrs. Elton Venable, many lovely gifts were received by the honoree. The table was centered by a bouquet of sweetpeas. Refreshments were served to Mrs. O. W. Rhinehart, Joyce Hammonds, Mrs. Joe Langer, Mrs. S. A. Calhoun, Mrs. Oscar Venable, Brock, Charles, Richards, Blalock, Wilson Lorene Jefferson, Standefer, White and the hostess. Those sending regrets were Mesdames: Ezra Englant, Otis White, Elvin Hammonds, Gene Ezell, Tom Griffith, W. E. Williams, J. #### BRIDAL SHOWER HONORING MRS. CHARLES HAWKINS

The lovely home of Mrs. E. T. Caldwell was the setting for the lovely bridal shower, given in honor of Mrs. Charles Hawkins, on Friday. The hostesses for this affair were Mesdames, Moody, Buck Ellison, Frank Smith, Wilbur Charles, Alma Vassey, Bass Elliott, Mrs. Caldwell Rita, and Lucille Akers.

A Drama of a span of life of a couple from early sweethearts courtship and on through life to old age was enacted by Delores Wilson and Martha Williams. Rita Caldwell was the negro maid in the play, while Rosa Lee Denny and Mrs. Wilson also were in the program. This was all carried out in songs from the first meeting of the young couple, first song, "While Coming Through The Rye". Proposal and answer, "Always". Then while the bride, Martha, and groom Delores came in. Rosa Lee sang, "I Love You Truly". The little ring bearer was Verna Marie Estes, then the song "Brahams Lullaby", then on to old age when the aged couple came in walking on canes and blended their voices in "Silver Threads Among the Gold", all these accompanied by Mrs. John Wilson on the piano.

The lovely appointed table with vari colored sweetpeas as the centerpiece, with pink candles in crystal candlebras, Mrs. Bass Elliott presided at the punch service, Mrs. Moody took care of the guest book, Mrs. Mable Ellison meeting the guests at the door. The other hostesses helping all through the lovely affair.

The gifts were placed in the corner, topped by gifts wrapped to represent the big four-tiered wedding cake with two large hearts in the pink and white with Charles and Donlitas' names in gold in each heart with pink and white streamers hanging to the floor which was very artistic and beautiful, the bride was seated in the honor chair with her mother Mrs. Tom Hastings on one side and Charles Mother on the other. The hostesses and bride and the mothers all wore beautiful corsages. The lovely array of gifts were opened and placed on two tables where all could see, very nice refreshments of cookies, sandwiches, mints and hot punch were served to the 54 guests present, there were 119 who sent gifts.

Those attending the shower were Mesdames Elmer Venable, Joe Bell, E. V. Isham, Vernon Estes, J. R. Caldwell, Mable Newberry, E. D. Ashcraft, J. G. Charles, Paul Jones, A. G. White, R. N. Williford, N. E. Bonds John Wilson, Aubrey Brock, F. M. Ware, C. A. Ross, C. L. Jones, Willis Parker of Friona, H. L. Tidensberg, Tom Griffith, H. D. Bradshaw, Lester Norton, Lloyd Barry, Harry J. Charles, Frank H. Wilson, Earl Richards, Joe Langer, Roy Hawkins, Pete Davies, Dean Hastings, R. D. Blalock, H. T. Hastings, J. T. Swim, Jr., T. J. Hoppingardner, Bob Wilson, Frank Hastings, L. H. Pesch, Buck Ellison, Alma Lou Vassey, B. O. Elliott, E. H. Moody, E. T. Caldwell, Frank D. Smith, Wilbur Charles, and Misses Rosa Lee Deuny, Louise Moody, Modell Hammonds, Rita Caldwell, Martha Williams, Delores Wilson, Roylene Hawkins and Lucille Akers.

#### JEFF DAVIS PIE

Three eggs, 2 cups sugar, ½ cup butter, 2 tablespoons flour, 1 cup milk, 1 cup plum or damson preserves.

Line a pastry shell with the preserves and cover with the custard made of other ingredients. Bake in moderate oven until firm.

Did you know that an acre of feed crops consumed by milk cows will eventually provide food for ten people for a total of fifteen days?

### LEGAL NOTICES

#### CITATION BY PUBLICATION THE STATE OF TEXAS

TO: Charles P. Burke, Charles F. Burke, Kathryn E. Burke, George G. Wright, C. W. Warren, Charles William Warren, H. R. Jack and A. S. Curry. Greeting:

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 6th day of April, A. D. 1947, at or before 10 o'clock A. M. before the Honorable District Court of Parmer County, at the Court House in Farwell, Texas.

Said plaintiff's petition was filed on the 24th day of February, 1947. The file number of said suit being No. 1391. The names of the parties in said suit are: G. B. Buske as Plaintiff, and Charles P. Burke, Charles F. Burke, Kathryn E. Burke, George G. Wright, C. W. Warren, Charles William Warren, H. R. Jack and A. S. Curry as Defendants.

The nature of said suit being substantially as follows, to wit:

Plaintiff brings suit in trespass to try title to recover title and possession of

Lots 21, 22, 23 and 24, Block 62, of the original town of Friona, Parmer County, Texas,

alleging that on February 1, 1947, he was in possession of said land and thereafter the defendants, and all of them, unlawfully entered upon said premises and withhold from him the possession thereof to his damage in the sum of \$1.00 and pleading in the alternative, plaintiff pleads that he has fee simple title to said land by reason of the ten year statute of limitations and he prays for title and possession of said land.

If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved.

Issued this the 24th day of February A. D. 1947.

Given under my hand and seal of said Court, at office in Farwell, Texas, this the 24th day of February A. D., 1947.

Loyde Brewer, Clerk, District Court, Parmer County, Texas. (SEAL)  
By Dorothy Lovelace, Deputy. 16 4tc.

## 6 SIMPLE STEPS to BETTER LIGHTING

Here are six simple steps you can take to improve the lighting in your home. After you have taken these, you can learn more about good home lighting from the advice of a specialist. Fill in the coupon and mail it, or call your nearest Public Service office. Our specialist can tell you if the lightning is correct in your home or place of business. There is no charge or obligation for this service.

Clean Lamp Bows and Lamp Bulbs frequently to get from 30% to 50% more light from the lamps you have.

Use White Shades or shades with white linings. Dark shades waste light.

Avoid Direct Glare from lamp bulbs or bowl, by using shades that are deep enough and big enough.

Place Each Lamp so it puts no glare in the eyes of either person using it.

Tilt Work or reading to the angle that gets rid of reflected glare. Try it, you can see the difference.

Sit Close Enough to the lamp to get all the help it can give your eyes. A difference of a few inches may mean 50% less light.

## First Indoor Athletic Program Successful

One of the perpetual school problems of the high plains area, especially as it pertains to spring physical education activities, has, in a measure, been solved by the Bovina school administrators, so think the directors responsible, R. W. Standefer and R. E. Everett.

Enthusiasm of both students and patrons overflowed at the gymnasium exhibition last Friday night when a card of Rope Climbing, Fancy Rope Skipping, Boxing and Wrestling kept the audience tense and responsive for a full two hours.

Another program will be presented this Saturday night, March 15, beginning at 8:00 p. m. It is hoped that many of the boys and girls who were excluded from participation last time because of limited time will get to demonstrate their abilities this time. Also, boys from out of town have indicated a desire to bring matches for the program. These will be welcomed to the extent of available time.

An added attraction of the program last Friday night was the presence of a real former heavyweight fighter and champion, at one time of the Philippines, Wally Leak will be remembered as a former Bovina boy who followed the fight game for many years but who is now a peaceful citizen, so far as the fight ring is concerned, of California. The school was happy to have Wally do the officiating for the boxing bouts.

A breakdown of the program reflects the following:

Rope Climbing Contest, H. S. Division, Wesley Ayres, 17 seconds.

Intermediate Division, Billy Ray Derrick, 18.5 seconds.

Lower Intermediate Division, Ted Walling, 19.5 seconds.

Chinning Bar—Boys, Willie Denney and James McKinney, Tied for first place.

Girls, Murlene Crook, first.

**BOXING—**  
In the first match Don Tabor and Fred Hoffer earned a draw. A good even match. Tabor showed promise with a good left jab.

Second Match, Billy Don Read won a close decision over Virgil Tritsch. This was a fast bout all the way with Read gaining the upper hand by a knockdown in the first round.

In the third match Billie Delashaw won a decision over Jimmy Ray by evening up the first and third round and winning the edge in the second.

Wesley Ayres and Thomas Rhodes fought to a draw in the fourth bout.

Larry Ezell decided Bobby Gent Calaway in a free swinging bout by taking the third round in the clear.

Glenden Sudderth won a clear cut decision over Wayne McCutchan by taking all three rounds.

"Soda" Berggren and Leon Ware fought to an even draw in all three rounds. Each scored a knockdown in the first round.

James Tidenberg and Connelley Whitehurst scored even in the first round. Tidenberg won the second and Whitehurst the third for a draw match.

Mark Charles and Charles Denney Williams each won one round and drew the second for another draw.

Willie Denney and Loren Thompson fought on even grounds throughout the three rounds.

Huey Lowrie won a decision over Danny Pounds to take the 94 pounds class.

Jerry Jones won the decision in the third round after tying the first two with J. R. Ellison.

Stanley Venable won decision over Rex Isham by taking all three rounds.

Bobby Kelley won the first and split the second and third rounds with Clinton Tidenberg and thereby edged the decision.

In the final bout Billy Ray Derrick took a bare edge over Kenneth Joe Lowrie.

**WRESTLING—**  
In the two major wrestling bouts for the evening Billy Ray Derrick won over Kenneth Lowrie and Giles

Walling over Billy Wayne Wilkerson.

**SPECIAL FEATURE—**

During intermission Mary Rose Brito and June Gay Looney gave a demonstration of fancy rope skipping.

The next show will be Saturday night, March 15, at which time an even better program is promised than last Friday night. General admission remains 25c for everyone.

## March 15 Final Date For Entries In Jr. Fat Stock Show

LUBBOCK.—Last day for making entries in the South Plains Junior Fat Stock Show is March 15. Dave W. Sherrill, new Lubbock County agent and general superintendent of the exposition, reminded all would be exhibitors today. Sherrill said all entries postmarked not later than midnight of that date would be accepted by M. D. Fanning, Fat Stock Show secretary, Box 561, Lubbock, Texas.

Dates for the 1947 show are March 24, 25 and 26.

Many exhibitors who have had animals in the various junior fat stock shows throughout the South Plains will have fat pigs, calves and lambs at the Lubbock exhibition.

Plans are going forward for the free movie and complimentary barbecue for all exhibitors. Bob Humphries, member of the Lubbock Jaycees who are sponsoring the 4-H Club and FFA Boys Parade, will be parade master. He expects to have the best procession in the history of the event.

### PLAY DATE SET

The Texico Seniors have set the date of March 28th, for the presentation of the play of the year, "Star Crazy," directed by Mrs. Jimmie Allman.

### TEXICO SCOUTS MEET

Scout troop number 30 met Monday night, the regular meeting date, in the Texico high school gym. Routine business was attended to and plans were made for future work in scouting.

Several Scouts from the Farwell troop, paid a visit to their fellow neighbors and enjoyed the meeting.

"Jack Dempsey-Model Ex-husband"—He shared the holidays with two ex-wives and turned over his home to oblige one of them. You can read this entertaining story in the American Weekly the magazine distributed with next Sunday's Los Angeles Examiner.

### Heavier Steel For Santa Fe Line

A special crew of 100 men arrived in Canyon Sunday and work has started laying 131 pounds steel on the Santa Fe to Texico. The heavier steel will replace the 110 pound steel which has been in service for several years. The old steel will be used on feeder lines of the Santa Fe.

The crew will headquarters in Canyon for about two weeks. The Crew will lay about a mile of steel per day, provided the weather is open. More of the men on the crew are from New Mexico.

Max Silvertooth, foreman, got his start with the Santa Fe under M. C. Sanders, who retired recently after long service with the railroad—Canyon News.

### CURTIS IMPROVING

Duane Curtis, Farwell student and FFA member, who was stricken with appendicitis while attending the fat stock show in Amarillo last week, resulting in an operation, is reported to be getting along nicely and is scheduled to be removed to his home here today (Wednesday).

### BETTER ATTENDANCE

The attendance of students in the Farwell school is showing some improvement this week. There has been several absentees due to an influenza epidemic throughout the country in general, but the school records show a steady increase of students able to return to school.

### Germination Test For Seed Is Recommended

LUBBOCK.—Seed germination tests to date indicate that seed from red top or sumac cane and from sudan grass harvested after frost last fall have a comparatively low germination rate, according to Dr. A. W. Young, head of the plant industry department at Texas Technological College.

Good seed will germinate more than 90 per cent, Dr. Young said, while much of last fall's late maturing crop has a rate of 60 per cent or less.

Farmers should have seed samples tested, either at the state agriculture department's seed testing laboratory in Austin or at a commercial plant, Dr. Young suggested. If the germination rate is low, producers will likely find it more profitable to sell their seed for feeding purposes than to plant extra seeds, he said.

### SWEET POTATO PIE

One egg, 1-3 cup sugar, 2 tablespoons butter, 1 cup mashed sweet potatoes, ½ cup milk, 1 teaspoon vanilla, ¼ teaspoon mace, 1 teaspoon cinnamon, ¼ teaspoon cloves, few grains salt.

Beat the egg and sugar; add vanilla and spices. Add potatoes creamed with butter, and then add the milk. Pour into unbaked pastry shell and bake.

Texas grapefruit production for this season is now estimated at 25,000,000 boxes—one million boxes more than the 1945-46 production.

### Class Tournament Held In Texico School

The classes of the Texico school are staging a basketball tournament this week, just to keep in practice. Since the weather has been so bad, they have not been able to start working out for track, and are using this means of staying in shape.

Each player in the tournament will play with his class, regardless of what string he has been with during the basketball season. Coach Sanders stated that it looks like the seniors and sophomores will go to the finals, and added that he feels sure Texico will win the tournament.

### Track Practice To Start Soon Here

The Texico boys will start working out for track some time this week, announced Mr. Sanders, coach of the Texico school. Sanders stated that they plan to make a good show-out this year with several of the boys already showing good progress.

Marvin Doolittle, who won state record in low hurdles, two years ago, and broke the record several times, unofficially is expected to give his opponents plenty of competition. Sanders said that medals will be awarded to track winners through the fifth place.
