

# LET US GIVE THANKS

**P**URELY PERSONAL  
by John

The country can breathe easier for a while, at least until after the first of the year. Congress went home for a few months. With their usual attention to detail they passed a bunch of last minute pork barrel bills and left some vital legislation still in the unfinished pile. Take heart, at least they didn't move New Year's Day into February.

Occasionally man bites dog. We came across a severe case of such, via a fat package from the West Texas Legal Services. Whereas most government entities are striving to remove God from our society, here is one Stephen C. McIntyre, Attorney at Law, and associated with said Legal Services filing a legal brief in behalf of the poor in which he cites Deuteronomy, Jesus of Nazareth, the Old Testament, the State of Texas, and the United Nations in support of the poor. We are surprised that he missed the Boy Scout manual.

McIntyre's particular concern in this case seems to be in the area of providing the poor, etc., etc., with more than food, clothing, and a house to stay in. He apparently also envisions providing all that is necessary to bodily health and comfort, including proper care, attention and treatment during sickness. This would seem to us to be a request for total support of all those who cannot afford the best in life. A rather expensive request and one that could conceivably dull many a person's desire to provide the same for himself and family.

We have toiled in the vineyards for almost a half a century to accumulate a modest pittance with which to enjoy the last, for which the first was made. Now we can see the long arm of the tax gatherer reaching out for our nest egg to share it with others and eventually placing us within the ranks of McIntyre's poor.

Had we realized that we had a right to food, clothing, a house to stay in, plus all that is necessary to bodily health and comfort, we might not have been so anxious to poop off our youth going to school for some sort of an education. We might not have been so diligent in working every day. We might have enjoyed more of the fun and games of life as portrayed on the boob tube. We never learned to surf, sleep in tents, or protest march. The only grass we had, we mowed every week. Well, so much for a misspent life.

This dream of all things for all people can only lead to a society in which there is nothing for everybody. Probably the visionary view of communism could provide such goodies. The reality is that under communism the Gulag, jails, and mental institutions provide these necessities for their inhabitants.

This is a rather hard-hearted column for Thanksgiving week when luxuries in the United States are so widely apparent. We do believe that the fortunate should share with the unfortunate. That sharing should be from the compassion of a Christian heart and not from the duress of the tax man's gun barrel.

McIntyre should preach the message of Deuteronomy from the pulpit, not in a court of law. Had not other government lawyers been so diligent in pleading for the government to take over the job of the Church, we might not be in the social mess we are confronted with today.

**Grand Prize Winner**

Ruth Scott of Texico outguessed 404 other entrants in the 1983 Merchants Football Contest to take the Grand Prize which includes two tickets to the Dallas Cowboys-Washington Redskins game in Dallas on Dec-

ember 11, free overnight lodging at the Regent Hotel in Dallas, and \$50 in expense money. Presenting her the prize packet is Delbert Black of Loomix, one of the contest sponsors. Ruth amassed a total of 110 points in

the 12 weeks of guessing and held the overall lead starting with the seventh week. Her closest competitor was Dale Sikes of Farwell who ended the contest in second place with 109 points.

## Good Turnout Expected For Arts, Crafts Show

With some 40 booths having been reserved for the Community Arts and Crafts Show scheduled for this weekend, sponsors of the event are expecting and hoping for a good turnout for the two-day show and sale which is to benefit the new Community Center in Farwell.

The event is set for Friday and Saturday, Nov. 25 and 26, at the Farwell Community Center (old bowling alley on Ninth Street), and by late Monday, 40 booths had been set aside for persons to show and sell their wares.

Items on display during the show will include everything from crocheted articles to wood crafted items, doll clothes to dishes, lots of baked goodies

and almost everything in between.

No charges are being made for booth rental; however, 10 percent of all sales will go to the fund for development of the Community Center, and proponents of the show urge all area residents to come out and support the event which is for a most worthwhile cause.

Farwell Convalescent Center Auxiliary will have a booth where proceeds from baked goods and homemade items will go to benefit the Convalescent Center's Chapel Fund.

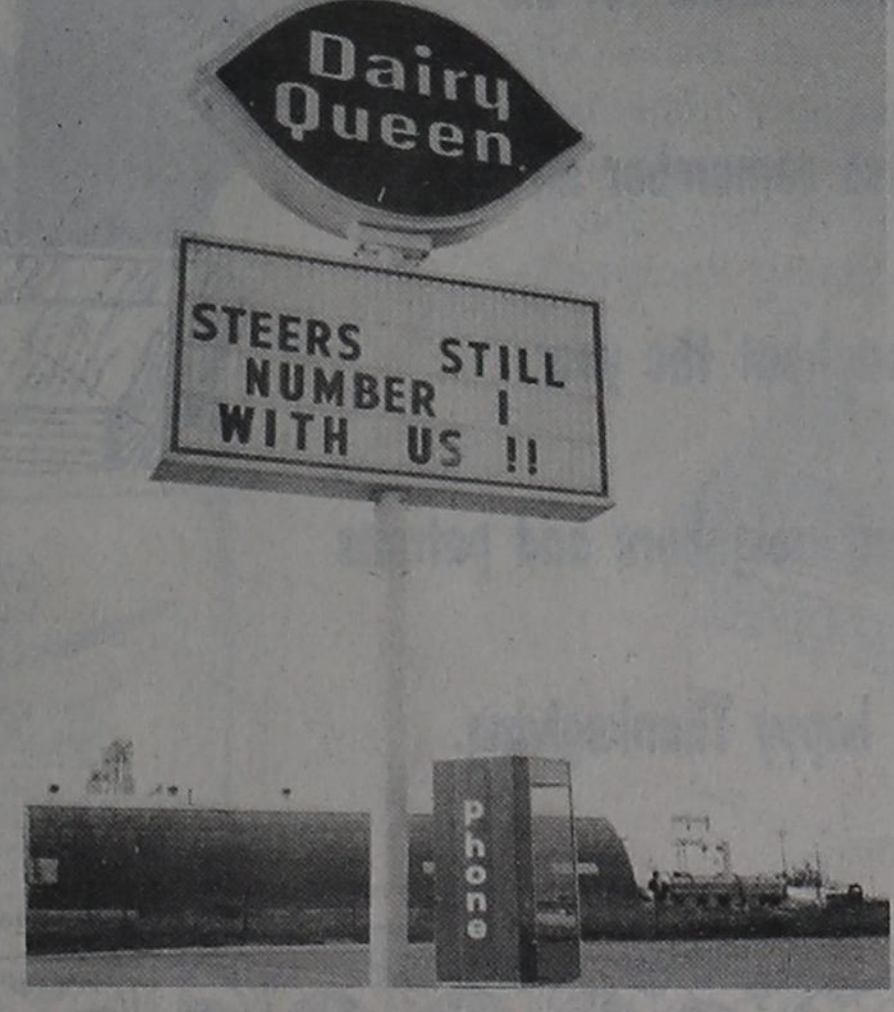

Farwell Study Club will have a concession booth where shoppers may eat while browsing through the many booths and exhibits.

In addition to the various

exhibits where unusual gift items and other articles may be purchased, there will also be a quilt show for those interested in showing their quilts or for those who just like to look at pretty quilts.

Ribbons and small cash prizes will be awarded to winners in various categories in the quilt show and there will be voting for the "Peoples Choice." A \$1 per quilt entry fee will be charged for showing quilts.

Make plans now to attend this community-wide event and help support the development fund for the Community Center.

**Still Number One**

This sign which stated the feelings of all Farwell Steer fans greeted the Steer bus when it returned from the game at Andrews last Friday night. The Steers may have just had their state playoff hopes dashed by the McCamey Badgers in an Area Playoff game, but Steer backers still felt the team was Number One! Farwell ended

the season with a 9-3 overall mark, the second district championship in succession, the second undefeated season in district, a bi-district trophy, district coach of the year, district player of the year, and 12 team members named to the All-District 5-2A team. Quite an accomplishment fellows, and yes, You're Still Number One!

**Proud Of Our Champs**

This sign at the west edge of Texico proclaims for all to see that this is the home of the Class A State Championship football team for 1983. The champion Wolverines ended their season with a shut out over the Tatum Coyotes two weeks ago to cap-

ture the long dreamed for state trophy. The marquee at the edge of town has announced their standings and schedule all year and finally had the best message of all: "We are the State Champions!! Congratulations, Wolverines."

Contest Grand Prize - -

### Ruth Scott Wins Trip To See Dallas Cowboys

Ruth Scott of Texico and student at ENMU in Portales held onto her one-point lead in the 1983 Merchants Football Contest in the final week to win the Grand Prize of two tickets to see the Dallas Cowboys-Washington Redskins game in Dallas on December 11. Ruth ended the contest with a total of 110 correct calls throughout the 12 weeks, for a 9.16 point average per week.

She guessed her way into the overall lead in Week No. 7 of the contest and never relinquished that position throughout the final weeks although most weeks she maintained only a slim one-point advantage.

Dale Sikes proved to be her strongest competitor as the contest went down to the wire with Sikes trailing by only one point for several weeks and ending with him taking second place with 109 points.

Finishing in third place with 107 points were David Dannheim, W.M. Roberts, Ronnie Warmuth, and Modine Whittington.

Fourth place finishers with 106 points were Ann Liethen, Pat Owen, Charlotte Pierce, Joyce Sikes, Carolla Smith, and Kay West.

(See list of top 10 places elsewhere in this issue.)

Ruth never guessed fewer than seven games correctly, and that was in Week No. 10 when Sikes, who was already trailing by two, also managed to name only seven winners.

Neither of the top two contenders ever won a weekly prize in the entire contest, they just maintained a good, steady pace throughout.

In addition to the tickets to the Cowboy-Redskin game, worth quite a tidy sum in themselves since the game has been sold out for months, the Grand Prize also includes overnight lodging for two at the Regent Hotel in Dallas, free transportation to and from the game, and \$50 in expense money.

Marcy Pena of Farwell won the first place weekly money in the final week of the contest, guessing 10 games correctly and missing the tiebreaker by only one point to take the \$7.50 weekly check. Kevin West of Texico also correctly guessed 10 games and was 10 points off on the tiebreaker to take second

place and a \$5 check. Thirty-four other persons also guessed 10 games right during the play-off picks ending the annual guessing game.

A total of 405 persons entered the contest this year, compared with a total of 404 last year, and male chauvinists or women's libbers, the male entrants in this year's contest will have to admit that the women are smarter. At least when it comes to guessing football game outcomes.

In the final standings, the women contestants outnumbered the men eight to four in the places there were 26 men, 22 women, and one "IT" -- the Texico Computer.

Local and area businesses and merchants sponsoring the contest this year include Security State Bank, Carmack & Sons, Worley Mills, Farwell Insurance, Farwell Hardware, Rose Drug and Gift Shop, Bison RV Center, Gilbert Kaltwasser and Pioneer Seeds, Farwell Pipe and Iron, Lunsford Auto Parts, Sherley-Anderson-Pitman, Sherley-Anderson Grain at Lariat;

Also, Loomix, Franse Irrigation, Kelly Green Seeds, Woolley International, ENMR Telephone Cooperative, Case Power and Equipment, Luce's Spur Restaurant, Cal Jordan Implements, Golden West Seeds, Far-

### Survey To Determine Need Of Meals On Wheels Here

Farwell Convalescent Center is conducting a survey for persons interested in a hot food program.

Participants in the program would be those who are 60 years of age or older, handicapped, chronically ill or temporarily ill, those who live alone and/or cannot prepare their own meal.

The program would be set up for delivery of a hot noon time meal Monday through Friday. The meal would be prepared by the Convalescent Center's diet-

ary staff and would be delivered by volunteers. The price would be reasonable and the service free.

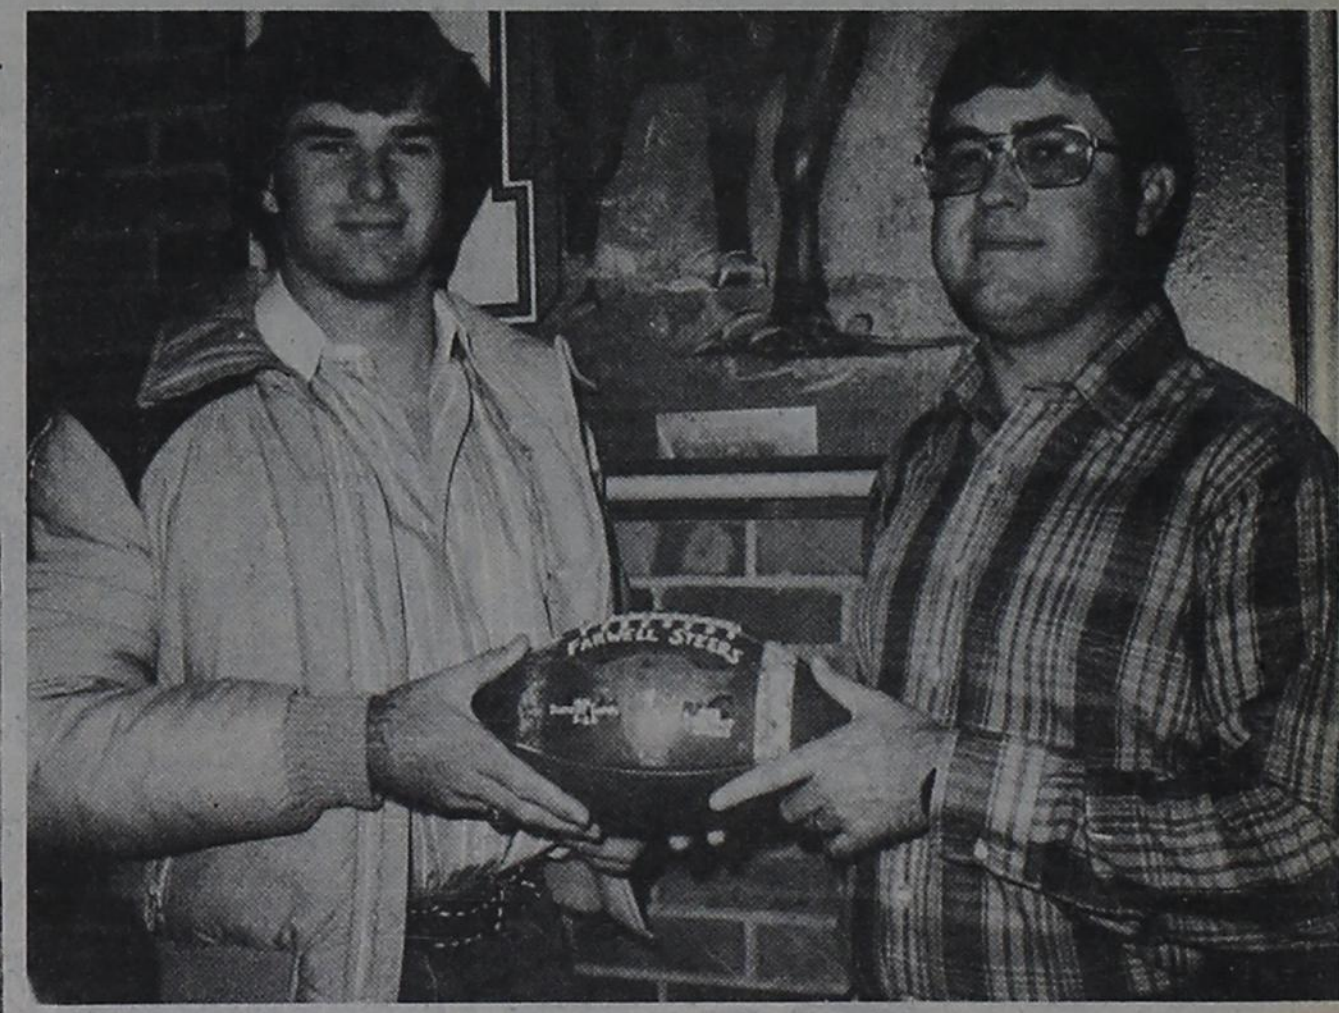

If you are interested in the meal program or know of someone who is, please call the Convalescent Center during the next two weeks and let them know of your interest.

Churches, clubs, groups and organizations may also wish to help seek individuals who may be interested in the program.

If there is enough response and enough interested persons, the service can be provided, say Convalescent Center staff members.

"We also welcome inquiries of volunteers who would help deliver the meals. Let us know," say residents and staff of the Center.

Call 481-9027 if you are interested in such a meal program or in helping with delivery of the meals.

**District's Best**

For the second year in a row Farwell has produced the District 5-2A Coach of the Year and Player of the Year. Third year head coach Bruce Dollar, right, was named for the honor the second time in succession as he guided the Steers to their second district championship in a

row. Leading the 1982 and 1983 editions of the Blue and White to the district titles and a bi-district trophy this year was Alan Eubank, senior quarterback and defensive back. The bi-district game ball being held by the twosome will be auction-

ed off by the Farwell Booster Club at a special meeting Tuesday night, Nov. 29, following the basketball games with Sudan. The ball is signed by all the team players and coaches and has been painted by Robin Gregory.

**Wins Weekly Prize**

Marcy Pena of Farwell, left, was the top weekly winner in the Merchants Football Contest's final week, guessing 10 games correctly and missing the tiebreaker by only one point. Mona Hardage of Farwell Fertilizer, a contest sponsor, pre-

sents Marcy with a \$7.50 check for her first place winnings. Kevin West of Texico was second place weekly winner and received a \$5 check for guessing 10 games correctly and missing the tiebreaker by 10. The 1983

contest which ended last week saw a total of 405 persons entering the weekly gridiron guessing game. The overall contest winner was Ruth Scott of Texico who amassed 110 points during the 12 weeks.

**Eddie Ramm Services At Lariat Tuesday**

Funeral Services were conducted Tuesday afternoon, Nov. 22, for Eddie Ramm, 80, of Farwell, who died about 1:20 a.m. Sunday at his home in Farwell.

Services were at St. John's Lutheran Church in Lariat with the pastor, Herman Schelter, officiating. Burial was in Lawn Haven Cemetery in Clovis under the direction of Ellis Funeral Home of Muleshoe.

Mr. Ramm was born December 20, 1902, in Copperas Cove, Tex. He had been a resident of the Bailey-Parmer County area since 1923, moving to this vicinity from Copperas Cove, and

had moved into Farwell four years ago. He was a retired farmer and member of St. John's Lutheran Church. He was married to Minnie Kube on January 3, 1928, at Lariat.

He is survived by his wife Minnie of the home; two sons, Fred of Carthage, Mo., and Ernest of Muleshoe; a daughter, Mrs. Alice Huggins of Clovis; four sisters, Pearl Gerles and Elnora Kube, both of Farwell, Alma Millsap of Grand Prairie, and Anita Keilberg of Bracketville, Tex.; two brothers, Alvin of San Antonio and Willie of Pryor, Okla.; nine grandchildren and nine great-grandchildren.

**Weldon Timms Rites Conducted Saturday**

Funeral services for Weldon E. Timms of the West Camp Community were held Saturday, Nov. 19, at the First Baptist Church in Farwell. Interment was in Bailey County Memorial Park at Muleshoe. Glenn Harlin of First Baptist Church in Plains, Tex., formerly of West Camp, officiated, with Pat Riley of First Baptist Church, Farwell, assisting.

Arrangements were by Ellis Funeral Home of Muleshoe.

Mr. Timms, 51, died Thursday, Nov. 17, at the West Plains Medical Center in Muleshoe.

Born in Leslie, Tex., in Hall County, on June 6, 1932, he married Jerrie Faye King, March 3, 1951 in Hollis Okla. They lived in Kress until 1954 when they moved to Bailey County where he was a farmer. He was a member of the West Camp Baptist Church.

He is survived by his wife Jerrie; two daughters, Beverly Foster of the West Camp Community, and Ann Foster of Lariat; two sisters, Margie Hughes of Kress, and Oecia Pointer Gist of Littlefield; one brother, Don Timms of Texico; and two grandchildren, Michelle and Michael Foster.

Pallbearers were C.E. Grant, P.C. Locaseio, L.C. Herington, Alton Burton, Charles Hamilton and Dewey Moore.

**Right-Of-Way Monies Divided By Precincts**

Among the business conducted by Parmer County Commissioners at their regular meeting November 14 was the dividing of right-of-way money among the county's precincts.

Acting on a motion passed by the Court on September 12 of this year, the commissioners voted that \$165,000.00 of right-of-way money be divided between Precincts 1, 2 and 4.

"Since Precinct 3 has just had \$74,614.45 expended to clear the right-of-way in preparation for paving of 5.2 miles of road, this seems to be the equitable method for the other precincts to receive like value from Right-of-Way Funds paid to the County annually," explained County Judge Porter Roberts.

The motion to divide the monies in this matter was passed with a majority vote with Archie Tarter voting against the motion.

Of the remaining Right-of-Way Funds, \$25,000.00 is to be invested in a CD to mature 12-30-83 as a part of this motion.

In other business the Commissioners voted to accept the bid from Deckard Equipment Co. of Amarillo in the amount of \$87,438.00 for a motorgrader for Precinct #4.

The Court canvassed the votes of the November 8 election and approved election results. They also voted unanimously to cast all of the 906 votes allowed in the election for the Board of Directors of the Parmer County Appraisal District for Alfred Wicks of Lubbudde.

Bills approved for payment included expenses of a visiting court reporter in the amount of \$18.70; the 1984 dues to the Texas Association of Counties in the amount of \$820; costs of a funeral for an indigent infant in

the amount of \$200; boarding care bills for Parmer County foster children in the amount of \$2,142.10 (this amount will be reimbursed to County) and expenses of a visiting judge in the amount of \$42.83.

Commissioners approved re-investing \$150,000.00 of General Fund money in a CD to mature 12-30-83. This was done so that more interest income could be earned on a short term and the funds would be available for use when needed, say county officials.

Dr. Catherine Crawford, Area Supervisor for the Extension service, met with the Court to discuss a replacement for Seth Ralston, county Extension agent who will soon be leaving that position to take the CEA job in Castro County.

Dr. Crawford will report to the Court later presenting names of persons meeting the specifications required for the position.

The following soil conservation work was approved and ratified and will be done when the machines are in that area and are not demanded for use on the county roads: Precinct #3, C.R. Dale; Precinct #4, Joe Bryan Jennings, Lynn Cox, Steve Turner, Harry Sheets.

**Thefts, Burglaries Reported To Sheriff**

Several instances of thefts and burglaries were reported to the office of Parmer County Sheriff Bill Morgan during the past week.

Robert Thornton of Route 1, Texico, reported that on the night of November 14, his pickup, which was left unattended on Highway 2290, was burglarized. Taken in the burglary were an Audio Vox AM-FM radio and cassette player, two

speakers, and a power booster. Approximate estimate of the stolen items was \$240.

Bobby Chadwick of Farwell reported that on the night of November 15 a saddle and four Navajo colored saddle pads were taken from his tack room located east of Farwell. The items were valued at \$530.

Leroy Mayfield of Route 1, Bovina, reported that on the night of November 15 his tractor which was located at his farm northeast of Bovina had been burglarized. Taken from the tractor were an Audio Vox AM-FM Stereo w/cassette and digital clock, and some wrenches. Approximate loss was estimated at \$400.

Joe Haseloff reported that on the same night, November 15, an ice chest and some tools were taken from his pickup.

Tide Products of Farwell reported that in the early morning hours of November 21 their business was broken into and that electric drills, impact wrenches, saws, and other wrenches were taken. Value of the stolen items was \$2189.32.

**New Appraisal District Directors To Be Selected This Month**

Austin—This month, for the third time since the establishment of countywide appraisal districts to consolidate property tax appraisal functions in Texas, new boards of directors are being selected for each appraisal district.

These directors, elected for two-year terms, appoint the district's appraisal review board members, employ the chief appraiser, set district policies, establish its budget and contract for its major expenditures.

The director selection process follows procedures established by the Texas Property Tax Code. School boards, city councils and county commissioners' courts are entitled to vote, and the code also contains procedures by which an appraisal district may modify the selection

process.

In October, candidates for director were nominated by voting taxing units. According to Kenneth Graeber, executive director of the State Property Tax Board, the governing body of each voting taxing unit had to determine its vote by resolution and submit it to the county clerk before November 15. Each unit is allotted a number of votes based proportionally on its 1982 tax levy. The unit may cast all its votes for one candidate or may distribute the vote among any number of candidates.

The selection process is conducted by the county clerk who must count votes, declare winners and submit results to all candidates and all taxing units in the district by December 1.

An appraisal district board normally consists of five direc-

tors but may have as many as 13. The newly-elected directors will serve two-year terms starting January 1, 1984. To be eligible to serve on the board of directors, a person must be a resident of the appraisal district and must have resided in the district for at least two years immediately preceding the date he takes office. No more than one employee of a taxing unit may serve on the board, but this limitation does not apply to elected officials also chosen to serve as directors.

Parmer County Tax Appraisal District Board is composed of five directors. Votes for the new directors have been turned in to the office of County Clerk Bonnie Warren, and they will be tallied and the results will be declared next Thursday, Dec. 1, Mrs. Warren says.

**County Court Results**

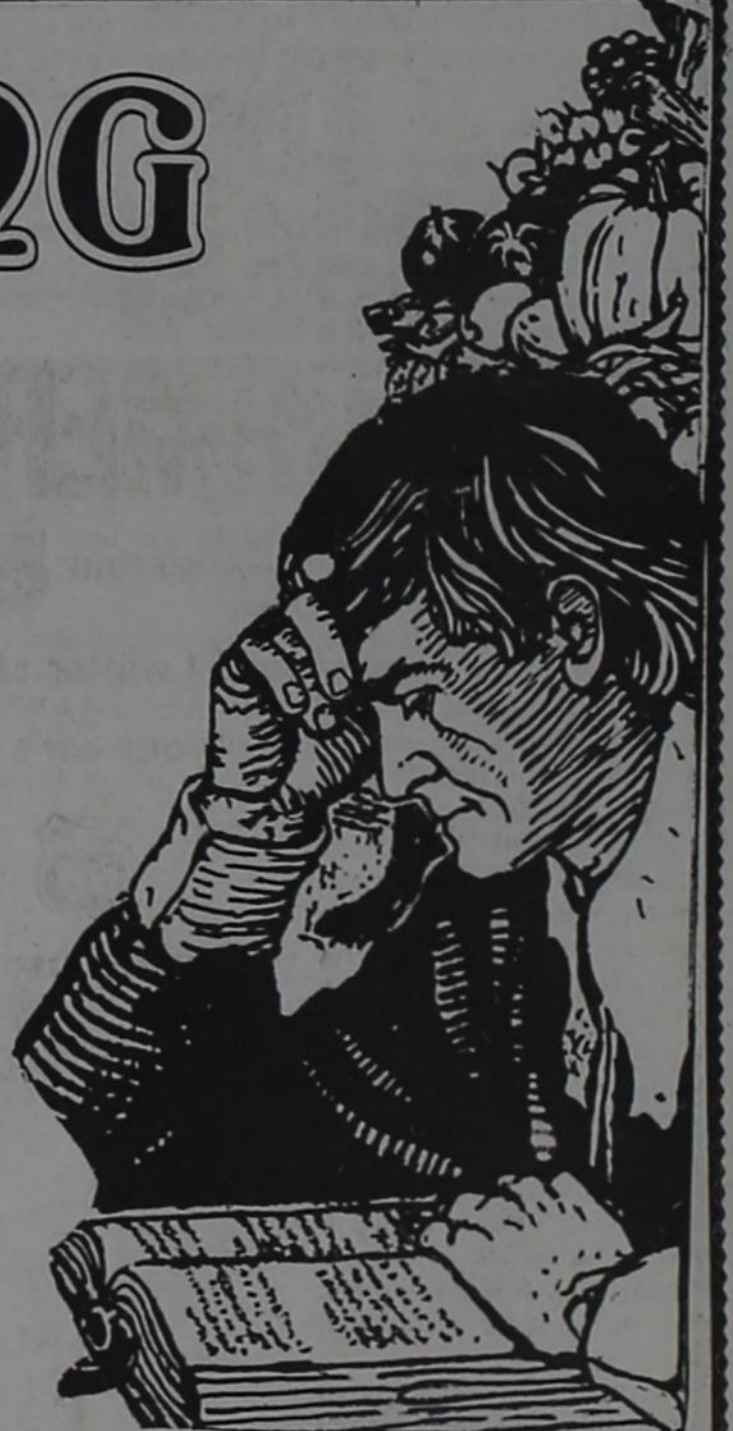

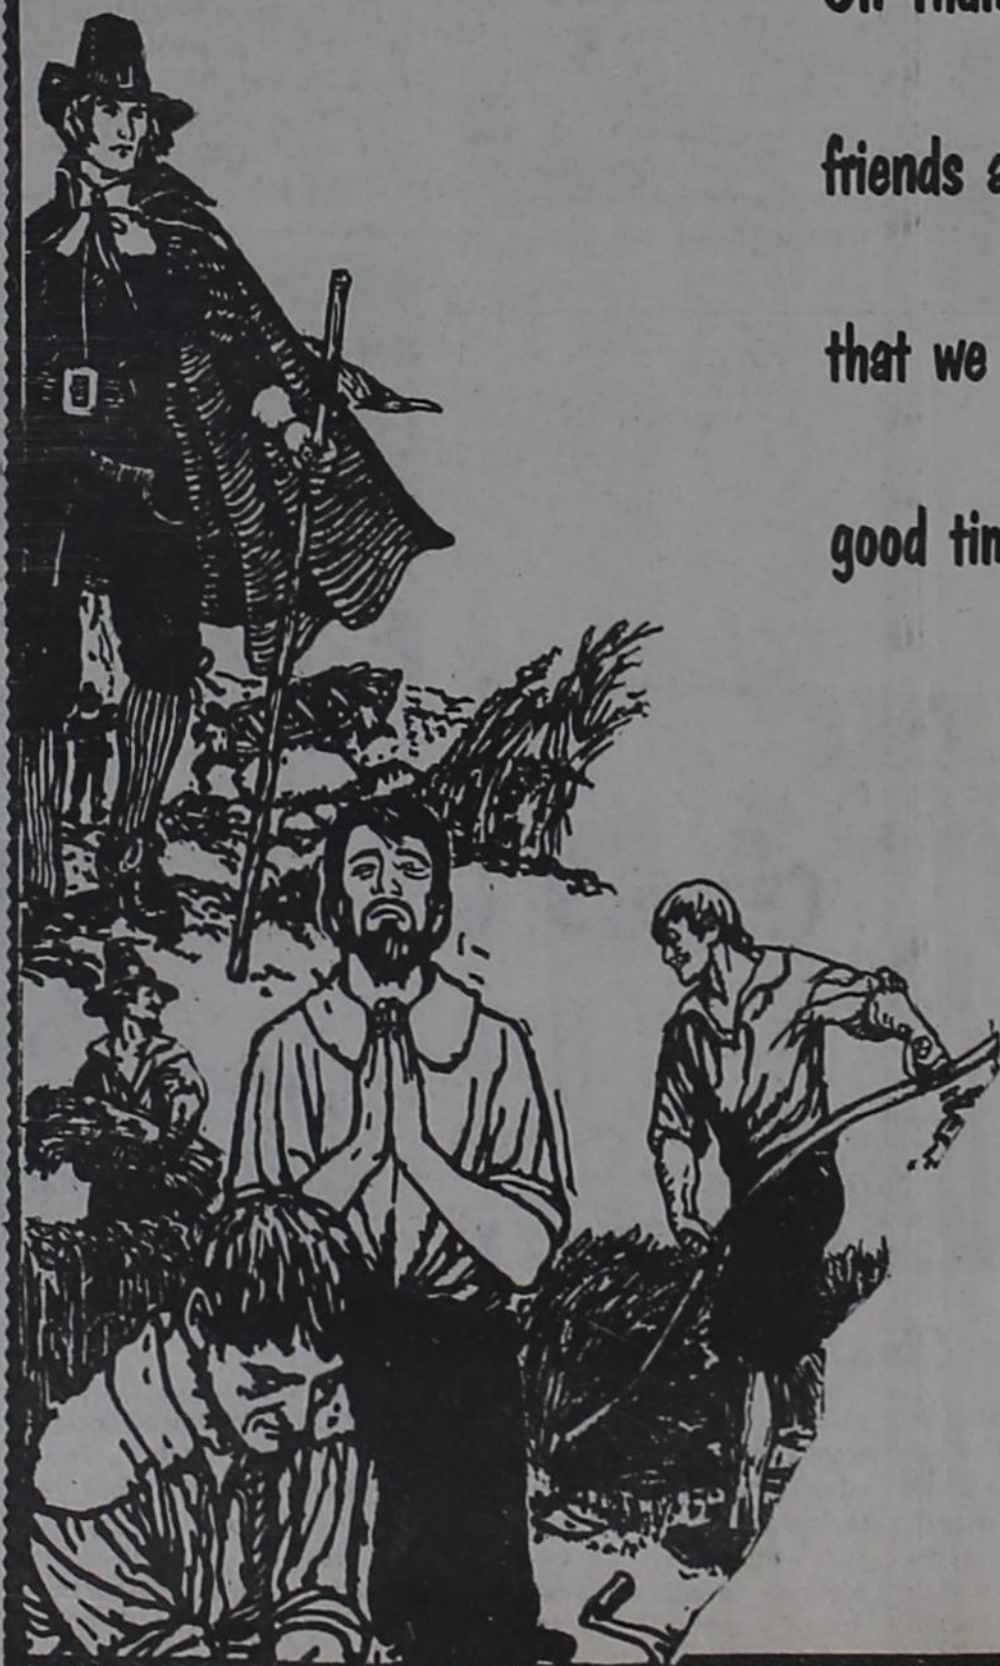

In the court of Parmer County Judge Porter Roberts on Monday, Nov. 21, Jimmy Lee Fain, age 23, of Hereford pled not guilty to a charge of theft. His bond was set at \$1,000. Fain was arrested at Hereford and returned to Farwell by officers from the sheriff's department.

### Pilgrims and Indians

Just as the Pilgrims and Indians spent days in preparation of the first Thanksgiving feast, the Farwell kindergarten classes of instructor Jane Stephens and Sherry Martin, aide, are re-enacting the first Thanksgiving Feast. Each child

brought fruit of some kind to help make a "friendship salad." Dressed as Pilgrims and Indians in costumes the children made themselves, they enjoyed a menu of salad, popcorn and raisins. Gathered around the

Thanksgiving table are Jeremiah Davila, Jayme Ford, Amy Haseloff, Kevin Gates, Jim Bob Sides, Clay Maxwell, Landon Lunsford, Brea Travis, Cortney Herington, Letitia Marlow, Stacy Sewell, and Brock Taylor.

## Hedging Shortcourse Slated In Muleshoe

by Spencer Tanksley  
Bailey County Extension Agent

The second phase of the Bailey County Hedging Shortcourse will be held on the nights of December 5 and 6 at the Bailey County Coliseum starting at 7 p.m. each night. Dr. Roland Smith, Marketing Specialist with Texas Agricultural Extension Service at College Station, will direct these two training sessions.

The objectives of hedging can be classified in three major categories: (1) to hedge at a price higher than the ultimate cash market price; (2) to reduce the risk of unfavorable price changes; and (3) to use hedged prices in making profitable management decisions. The success or failure of a hedge, as viewed by the hedger, will depend to a large extent on which of these objectives is most important.

The three steps to a successful hedge are: (1) estimating production costs and arrive at a target price to which the producers are willing to sell; (2)

localizing the futures price to determine what the local price will be offering at time of sale; and (3) making the decision to hedge or not hedge at a given price level based on the hedger's pricing objectives.

While the mechanics of hedging are fairly easy to understand, successful hedging is not a simple matter. This is the sole purpose of the training provided at this educational program to help each producer better understand how to use hedging as a successful marketing tool. Dr. Smith is very knowledgeable of this subject matter and participants should benefit from this meeting.

The meeting is free and open to the public and everyone is invited to attend. This program is being sponsored by the following groups: Federal Land Bank, Production Credit Association, First National Bank, Muleshoe State Bank and Bailey County Extension Service.

For additional information, please contact the Bailey County Extension Office.

## Poster And Essay Contest Set By Parmer County SWCD

The Parmer County Soil and Water Conservation District announces that it is once again sponsoring a poster and essay contest for Parmer County students. The poster contest will be for those kindergarten through sixth grade, and the essay contests will be for junior high and high school students.

In the poster contest, the poster must be half size a regular poster sheet and may be made about any phase of Resource Conservation. The student's name, address, grade, name of school, and teacher's name are to be put on the back of each poster. Posters must be turned in to the teacher or principal by December 20, 1983, or they may be turned in to the SWCD office at 1306 West Ninth in Friona.

The posters will be judged in two categories: kindergarten through second grade, and third grade through sixth grade. The first, second, and third place winners of each school will

receive a ribbon, and these winners will be judged county-wide. The first, second, and third place winners in the county will receive a trophy, and the county winner will have his poster entered in the regional competition in Temple, Tex.

This contest is open to all boys and girls in grades kindergarten through sixth grade and does not jeopardize Texas Interscholastic League eligibility.

In the essay contest, the essays must be up to 300 words, and the subject is "Soil and Water Conservation." The title, student's name, address, grade, school, and teacher's name are to be put on a cover sheet with the essay. Essays may be typed or handwritten, and spelling will be second to content.

Essays must be turned in to teacher or principal by December 20, 1983, or they may also be given to the SWCD office in Friona. Essays will also be judged in

two categories: junior high (grades seven and eight); and high school (grades nine through 12.)

The first, second, and third place winners of each school will receive a ribbon and will be judged on the county level. The first, second, third, and fourth place county winners will receive a \$50, \$35, \$25 and \$15 check, respectively, and the first place winner will have his essay entered in the regional competition.

The essay contest is open to all boys and girls in grades seven through 12, and this does not jeopardize Texas Interscholastic League eligibility.

For more information or literature on the subject, contact the Parmer County Soil and Water Conservation District, 1306 West Ninth Street, Friona, TX 79035, or call 806-247-2220.

## Kaltwasser Completes Pastoral Ministry Studies

Concordia Theological Seminary of Fort Wayne, Ind. is pleased to announce that Bruce J. Kaltwasser has completed his studies for the pastoral ministry of the Lutheran Church-Missouri Synod. He is a candidate for the Master of Divinity Degree and will serve as pastor of Trinity Lutheran Church in Enid, Okla., in the Oklahoma District of The Lutheran Church-Missouri Synod.

His ordination will be at St. John's Lutheran Church of Lariat on Sunday, Dec. 18. The ordainer will be Rev. Herman Schelter, pastor of St. John's, and preaching the ordination sermon will be Rev. Wayne Schueler of Albany, Tex.

Bruce is a native of Farwell, and has been in residence at the seminary completing his studies for the pastoral ministry. He is the son of Gilbert and Elizabeth Kaltwasser of Farwell. His wife, Barbara, is the daughter of Cecil and Mary Defoor of Texico. Bruce served his vicarage at St. John's Lutheran Church, Osage, Iowa. Bruce,

Barbara, and their two children, Erin and Jared, will be arriving in Enid in January to begin his work there.

A total of 23 men received their calls into the ministry and nine men received vicarage assignments in the special call services held November 1 at Concordia Lutheran Seminary, Ft. Wayne. The current total enrollment of CTS stands at approximately 500 students.

## Mrs. Dane Takes Trip To Alabama

Mrs. Gracie Dane of Texico accompanied her daughter and son-in-law, Mr. and Mrs. Ira Winkler of Roswell, on a recent trip to Pinehill, Ala., where they visited the Winklers' daughter and family, Mr. and Mrs. Billy Huckabee, Ricky and Wendy. It was the first time that the visitors had seen five-month-old Wendy.

The group left Texico November 10 and were accompanied to San Antonio by Winklers' cousin, Viola Winkler, also of Roswell. They all spent the night in San Antonio with Mrs. Winklers' daughter and family, where she remained there for a visit.

The following day the others traveled on to Pinehill where they remained until the next

Friday. Leaving there the 18th they drove to Oklahoma where they visited until Sunday morning with Mrs. Dane's brothers and families, Mr. and Mrs. Fred Yoder and Mr. and Mrs. Raymond Yoder at Minco, Okla., and with Mr. and Mrs. Albert Yoder at Minco, Okla.

En route to Texico Sunday they visited at Canyon with Mrs. Dane's sons and families, Mr. and Mrs. Bill Hudson and Mr. and Mrs. Howard Hudson, arriving here late Sunday afternoon.

Mrs. Dane reports that the scenery was beautiful along the way with all the leaves turning their fall colors and that the weather was about like here at Texico-Farwell. She also said that it was "good to be home."

## Texico Baptist Women Have Royal Service

The "Baptist Women" of First Baptist Church of Texico met at the church on November 2 for their regular Royal Service program with the chairman, Mora Schlueter, in charge.

The meeting opened with the group singing "Spirit of the Living God," with Lois Hudnall accompanying at the piano.

Mrs. Hudnall then presented a devotional on "One Woman's Persistent Prayers," a devotional thought on partnership in prayer and ministry, using the scripture, Colossians 4:25. She then read the names of missionaries having birthdays on that date. Lanette Thompson led in prayer.

Topic of the program was "Discipleship Training is Spreading," with the sub-topics being Paul Trains Timothy, Jesus Commissions Disciples to Make Disciples, Bold Missions Boost in Peru, Filipinos Are Learning by Doing, Korea's Using Masterlife, and What Can We Do? Nora Day, Velma Kel-

ley, Gracie Dane, Mary Dell Brown, and Mrs. Schlueter gave those parts.

Mrs. Schlueter dismissed the meeting with prayer. Lanette Thompson of Clovis, Plains Association WMU Director, was a special guest at the meeting, and members attending were Mora Schlueter, Lois Hudnall, Nora Day, Velma Kelley, Mary Dell Brown and Gracie Dane.

## Berry Named To Who's Who

Janene Berry, sophomore at Howard College at Big Spring, has been named to be included in the 1984 edition of Who's Who Among Students in American Junior Colleges. She joins 43 other students from the Big Spring school on the list.

Janene, a 1982 graduate of Farwell High School, is the daughter of Patsy Berry and Jim Berry, both of Farwell.

## Marriage Licenses

Four marriage licenses were issued from the office of Parmer County Clerk Bonnie Warren since the last report.

The licenses went to Russell E. Downey and Bettye J. James; Fidel Garcia and Catalina Munoz; Bill J. Windham, Jr., and Ethel Hampton; and Phillip Paul Bell and Kim Renee Love.

## Museum Prepares For 7th Annual Old Fashioned Christmas

Canyon, TX-The Panhandle-Plains Historical Museum staff is gearing up for its Seventh Annual Old Fashioned Christmas Open House to be held December 1, 2, and 4.

"This year's open house will be even bigger and better than last year's," said Mrs. Suzanne Hewitt-Knorpp, Director of Education and chairperson of the staff Christmas committee. "Last year 5,000 people attended, despite a snowstorm. This year we've expanded the program to include a Sunday afternoon from 3 to 6 p.m. This way we hope to attract senior citizens and other people who don't like to come out at night."

Right now the staff is decorating the museum and getting out the sleighs, and the Museum Auxiliary is rounding up enough cookies and cider for a big crowd, said Knorpp. Mrs. Edward (Tavis) Morris, of Amarillo, is the Auxiliary's Christ-

mas chairperson this year, she added.

The open house activities will include role players in Pioneer Village, singers and dancers performing every half hour, gingerbread cookies and cider served by the Museum Auxiliary, and pioneer crafts demonstrations, said Knorpp. The dates and times are Thursday and Friday, Dec. 1 and 2, from 7 to 9 p.m. and Sunday, Dec. 4, from 3 to 6 p.m. Admission will be free.

For the happiness in our families today.  
For the beauty around us.  
For the friendships we've made.  
For the laughter, and the difficult times  
that have helped us grow.  
For the food on our tables.  
And for all the blessings we have  
received in the past year.  
Let us join in the tradition of the early  
pilgrims and give thanks

## Farwell Girl Scouts Have Re-Dedication Ceremony

Members of Farwell Girl Scout Troop #335 participated in a candlelight re-dedication ceremony at their meeting Tuesday, Nov. 15, in Hamlin Memorial United Methodist Church.

Each girl participated by lighting a candle and repeating one part of the Girl Scout Promise or a part of the Girl Scout Law. Green candles represented the promise and white candles represented the law.

The girls then read in unison, "The Girl Scout Prayer."

Troop Leader Sudie Foster read a poem about badges, and as a surprise, presented each of the girls with her first Girl

Scout badge, the Ms. Fix-it Badge. The ceremony ended with the girls forming the Friendship Circle and giving the Friendship handshake.

Members attending were Heather Burton, Priscilla Galvan, Danna Ralston, Michelle Foster, Joanna Yruegas, Lucretia Foster, Heather Moss, Amy Jo Murray, Melissa Meeks, Robin Foster, Cynthia Beavers, Joy Morton, Amy Foster and Brandy Martin. Also present were Troop Leaders Sudie Foster and Anita Ralston, and guests Jenine Foster, Bea and Christian Foster, and Wesley Ralston.

Show New Uniforms

Several members of the Farwell Girl Scout Troop #335 proudly display their new Girl Scout tee shirts. The November 15th meeting was the first time the

girls had worn the specially designed shirts as a troop. Pictured are from left, back row, Michelle Foster, Joanna Yruegas, Lucretia Foster, Hea-

ther Moss, Amy Jo Murray and Melissa Meeks; front row, Robin Foster, Cynthia Beavers, Joy Morton, Amy Foster and Brandy Martin.

## Large Crowd Attends Bazaar At Lazbuddie

Over 200 persons, some coming from as far away as Albuquerque, visited the 28 booths at the third annual arts and crafts Christmas bazaar sponsored by Lazbuddie Young Homemakers Nov. 12 in the Lazbuddie School Cafeteria.

The Young Homemakers' concession stand was especially popular with its stuffed baked potatoes, sandwiches, and homemade pies.

There was judging competition for all of the booths entered in the bazaar, and the Young Homemakers wish to express their gratitude to the judges of this competition, Marilyn Hanks and Lou Brooks, from the Lexington Frame and Art Gallery in Clovis. The judges did this as a community service and asked no fee for their work, however, the Young Homemakers provided gifts for them.

Winners in the bazaar competition are as follows: oil paintings; first and second, Jenny Seifert, Clovis; third, Elfreda McGehee, Lazbuddie; fourth, Betty Louder, Dimmitt.

Water color paintings: first and fourth, Sheryl Engelking, Lazbuddie; second, Jenny Seifert, Clovis; fourth, Pam Humphreys, Sudan.

Pastel paintings: first, second, and fourth, Jenny Seifert, Clovis; third, Sheryl Engelking, Lazbuddie.

Winners in ceramics were: first and fourth, S&S Ceramics, Creative Gift Shop, Clovis; second and third, Bobby Edwards for antique dolls, Hereford.

Kirby Burch took first place in metal sculpture. Wood sculpture winners were: first and second, Creative Gift Shop, Clovis; third and fourth, Eddie Howard, Lazbuddie. Miscellaneous sculpture winners were:

### Family Visits

#### With Mrs. Blair

Visiting with Mrs. E.G. Blair in Farwell for several days were her daughter, Helen Wellman, and her grandson and wife, Glenn and Judy Wellman, all of Hoffman Estates, Ill.

The group also visited with Mrs. Wellman's brother and wife, Mr. and Mrs. Joe Blair, while in Farwell.

The Wellmans arrived Saturday and left Tuesday afternoon on their way to Albuquerque and Farmington in New Mexico to visit with Mrs. Blair's other two grandsons. They visited with David Wellman and family in Albuquerque and with Forrest Wellman and family in Farmington.

first and second, Creative Gift Shop, Clovis; third and fourth, Wyona Clark, Friona.

Those taking awards in needlepoint were: first and second, Gail Jones, Earth; third and fourth, Janet Hunt, Lazbuddie. In crochets, winners were: first and fourth, Glenda Morris, Muleshoe; second, Hortense Poteet, Muleshoe; third, Clara Crain, Lazbuddie.

Winners for handwork were: first, Creative Gift Shop, Clovis; second, Janet Hunt, Lazbuddie; third, Gayla Martin, Sudan; fourth, Melba and Zema Dillard, Hereford.

The "Best of Overall Show" award went to The Creative Gift Shop, Clovis.

The Young Homemakers received donations for the bazaar from Alfred Scott and Theadora Steinbock, both of Lazbuddie. Scott built a hardwood cabinet, and Mrs. Steinbock gave several crocheted articles. They each donated the money gained from the sale of their items to the Young Homemakers organization.

Winners in the children's art competition are as follows: Ages four to six, first, Blake Mimma; ages seven to eight, first, Joanna Gallman, second, Lori Bradshaw, third, Jessica Burch; ages nine to 10, first, Stacie Hodges, second, Raymond Zamora, third, Amado Mendoza; ages 11 to 12, first, Kevin McGehee, second, Eddie Zamora, third, Jimmy Johnson, fourth, Gerardo Mata.

A spokesperson for the Lazbuddie Young Homemakers said, "We would like to thank all of those who helped to make our 1983 Christmas Bazaar a success, from the newspapers, radio stations, and merchants who publicized it, to the many people who entered booths and to those attending. Special thank-yous go to the Lazbuddie School Board and Superintendent Hall for use of the school facilities, to our judges, babysitters, and advisor, Cassandra Cargile.

#### Mail-Order Shopping Protections

With Christmas barely a month away, many consumers are poring over catalogs and advertisements deciding what to order. Mail-order shopping has taken on a whole new look in the last several years, with scores of "special interest" catalogs, and ads for products by mail in almost every maga-

zine. People who enjoy the convenience of mail-order shopping, however, can be unpleasantly surprised by some of the hassles involved.

Before ordering products by mail, consumers should be aware of the Federal Trade Commission's mail-order rule, and how it affects this type of transaction.

The mail-order rule requires companies to ship your order within the time promised in their advertisement. If no time period is promised, the company must ship your order within 30 days after they receive it, unless you are contacted and agree to a specific delay.

When there is a shipment delay, the company must send you an "option notice," giving you the choice of either consenting to the delay or canceling the order and receiving a refund.

Many mail-order marketers

now offer toll-free numbers for easy ordering. Shopping by telephone may be even more convenient than shopping by mail.

But consumers should know that orders placed by phone are not covered by the FTC's mail-order rule.

If you want to order by mail, but only have the company's 800 telephone number, call and ask for its mailing address. Calling is also useful to determine the company's refund policy, the availability of the product, and the total cost of your order.

If you do decide to order by phone, however, you assume the responsibility for merchandise that is not delivered or is delivered late. So before ordering by phone, buyers should consider past experience with the company or its general reputation.

To protect yourself when ordering by phone, keep good records. Write down the company's name, address and phone number; the price, description and item numbers of the merchandise ordered; the total cost of the order; the method of payment used (check, credit card, C.O.D.); the method of shipment and anticipated delivery date; and the date you placed the order.

When you order by mail, make a copy of the order which contains this information. With either method of ordering, it's also useful to keep a copy of the ad or catalog that led you to the place the order.

Thousands of consumers find shopping by mail-or phone-order to be convenient and trouble free. Others have complaints about the failure to deliver merchandise, to deliver merchandise on time, to make prompt refunds, and to answer inquiries about delayed or lost orders.

Since Christmas is the busiest

shopping season of the year, the likelihood of problems occurring with mail-and phone-orders are increased. But consumers do have some recourse.

If you have a problem with mail or phone order, first try to resolve your dispute with the company. If this doesn't work, some of these organizations may be able to help:

\*Postal inspectors. Call your local postmaster and ask for the "inspector-in-charge."

\*State and local consumer protection officers. Contact the consumer protection division of the state or district attorney General's office.

\*Action line and consumer reporters. Check with your local newspaper, TV, and radio stations and ask who to contact.

\*The Better Business Bureau (BBB). Contact the BBB near the company.

\*The Direct Marketing Association (DMA). The DMA can be reached at: 6 East 43rd St., New York, N.Y. 10017.

The Fair Credit Billing Act provides protection if you paid by credit card and your purchase costs more than \$50. This law may allow you to withhold payment on your credit card bill until the dispute is resolved. But because this law applies only to limited circumstances, get advice before you withhold payment to make sure you are covered by the law.

You can also notify the Federal Trade Commission about your complaint. Although the FTC cannot act directly to help you resolve your dispute, the staff may be able to provide some useful information. Write to the FTC at 6th and Pennsylvania Ave., N.W., Washington, D.C. 20580.

For more information about consumer protection laws covering mail and phone orders contact your county Extension home economist.

## Hospital Notes

The Pee-wee division is for youngsters under nine years old, and they may not compete for district. These included Chesley Ray, Mary Frances Cass of Friona; Sondra Stone, Darla Stormes, John Stormes, Wayne Stormes and Tammy Stormes of Bovina; Bea Foster of Oklahoma Lane; and Troy McBroom and Erin Jones of Lazbuddie.

### Texico First Graders Prepare Feast

First graders in the classes of Rita Dunsworth and Vicky Lynn at Texico Elementary School have been studying about the first Thanksgiving.

They learned how the pilgrims had to make their own household items and prepare their food.

During the week, the students

made pilgrim hats and collars for the costumes. They also studied Indians and made head-dresses and vests.

To celebrate, the youngsters made a mini-feast, churning their own butter, popping popcorn, and making a fruit salad from apples, oranges, and bananas.

# Farwell Playoff Road Ends With 14-6 Loss To McCamey

by Mark Cole  
In Andrews, Tex., Friday night, two great teams, one from Farwell, one from McCamey, faced off in a hotly-contested battle for the Class AA Area football championship. Both teams played well, but when the final buzzer sounded the McCamey Badgers had narrowly won, with a final score of 14-6.

Friday's game was a defensive battle all the way, with the Badgers scoring first midway through the second quarter on a Ray Zarate pass to David Stevens for four yards and the touchdown. McCamey then led 7-0.

Farwell got the ball back, but on their second play from scrimmage, intended receiver Kevin Owen was tripped by a McCamey defensive back, which resulted in a Badger interception.

With only a few seconds elapsing since their first score, McCamey got on the board again in a single play, this time on a 42-yard scamper by Ben Molina who ran straight up the middle for the touchdown. Zarate made it 14-0 with his extra point kick.

The Steers held McCamey for the rest of the half, coming up with big plays on defense like a

quarterback sack for a loss of nine yards by Jesse Anzaldua.

The score at halftime was 14-0, with McCamey out in front.

In the third quarter Farwell came on strong, but could not quite manage to score. Alan Eubank passed to Roger Robertson for 32 yards and ran for an 11-yard gain, and Paul Fulcher had runs of 12 and 13 yards. The Steers finally got the

needed big-break late in the game when Fulcher on a big rush, forced the McCamey punter to drop the ball. Fulcher made the recovery for the Steers on the nine-yard line. From there Eubank passed to Manuel Cantu for nine yards where he was stopped just short of the goal line. Eubank, on the very next play, busted in for the score from one yard out, with just 56 seconds left to play. The Steers trailed 14-6, and looked for a miracle to win the game.

Farwell's hopes were kept alive when Todd Christian recovered the onside kick on the 50-yard line, but the Steer offense was halted on the first play with another turnover. McCamey then only needed to run out the clock to claim the Area championship.

This ended the Steers' great season, which included district

and bi-district championships, an undefeated district record, and a 9-3 record overall.

The Steers also provided Farwell fans with some of the most spectacular plays and some of the best games imaginable. So, in most fans' opinions, the Steers lost nothing Friday night, they just finished up a record-breaking season.

Steer Coach Bruce Dollar said, "You always hate to lose, but you have to lose sometime, and when you do, it's better to lose to a good team. And we lost to a good team. Our boys played a good hard ball game in a fairly close game. They (McCamey) were by far the bigger team and likely played a better game most of the night than we did."

"We have had a really good season and are fortunate to have gone as far as we did. I am thrilled that we won bi-district. We won some games along the way that some folks probably thought we shouldn't win; so we are pleased to go that far into the playoffs."

"I want to express thanks to all the fans, the town, the newspaper, and everyone who helped make it a successful season," he added.

## All-District Choices

Twelve members of the 1983 Steer squad were named to All-District spots on the District 5-2A All-District teams selected at the coaches meeting last

week. Eight Steers were named on the first team while four others were the second team choices. From left are Todd Christian, Manuel Cantu, Alan

Eubank, Blake Kelley, Kevin Owen, Benny Mesman, Paul Fulcher, Jesse Anzaldua, Eric Williams, Roger Robertson, Ricky Sikes and Johnny Daniel.

## Twelve Steers Named All District

The Farwell Steers, District 5-2A Champions for the second consecutive year, captured the majority of positions on the All-District team named last week.

Coach Bruce Dollar was named Coach of the Year in the district for the second time in a row, and Alan Eubank repeated as the District 5-2A player of the year.

Making the first team on offense were Alan Eubank, quarterback; Roger Robertson, wide receiver; Paul Fulcher, running back; Jesse Anzaldua, tackle; Todd Christian, guard; Johnny Daniel, center; and Manuel Cantu, place kicker.

On the first team defense were Alan Eubank, defensive back; Roger Robertson, defensive back; Kevin Owen, linebacker; Jess Anzaldua, defens-

ive lineman; and Kevin Owen, punter.

Making the second team offensively were Kevin Owen, tight end; Eric Williams, wide receiver; Blake Kelley, running back; Ricky Sikes, tackle; and Benny Mesman, guard.

Named to the second team defensive unit were Blake Kelley, defensive back; Johnny Daniel, linebacker; and Todd Christian, defensive end.

## Fulcher Goes Down

Steer back Paul Fulcher (#22) goes down at the Farwell 40-yard line with 8:40 left in the fourth quarter of the Area Play-

off game against the McCamey Badgers played Friday night in Andrews. The Steers fell 14-6 to the Badgers in a hard fought

battle, ending their season with a 9-3 mark and the district and bi-district championships.

## Farwell TD

Farwell scored its lone TD of the night late in the final quarter of the game with McCamey when quarterback Alan Eubank plunged in from the one. The six-pointer was set up on a play by Paul Fulcher when he forced the punter to drop the ball and

recovered the ball on the McCamey nine. From there Eubank passed to Manuel Cantu to the one-yard line where Eubank then ran it in for the score. The Steers lost the Area Playoff battle 14-6 to the District 7-2A Badgers.

## Steerettes Split Games With Lazbuddie, Nazareth

Farwell Steerettes, under the direction of first year head coach Larry Gregory, opened their 1983-84 campaign this week with games against Lazbuddie and Nazareth.

On Monday night the varsity Steerettes took on the Lady Longhorns from Lazbuddie, winning 61-49.

Scoring for Farwell were Cynthia Ancira, 18; Lezlie Castleberry, 16; Suzahn Inman, 10; Sherilyn Thigpen, 5; Shonda Foster, 6; Elaine Vaughan, 4; and Sheila Smith, 2.

Coach Gregory said that Cynthia Ancira and Lezlie Castleberry were the outstanding players in this game.

At Farwell Tuesday night, the Steerettes hosted one of the better teams in the state, the Nazareth Swiftettes, and fell 65-37.

Farwell scoring included Suzahn Inman, 25; Lezlie Castleberry, 8; Elaine Vaughan and Sonia Chisom, 2 each.

Coach Gregory said, "No matter what classification they're in, Nazareth has one of the best teams in the state and has been a state contender for many years. Our girls played well against them and I was not disappointed at our play at all. Suzahn Inman had a really outstanding game against them."

"We still have some improvement to make and hope that we can make the improvements and adjustments before getting into district play."

In JV Steerette action, the Farwell girls fell to Lazbuddie by a slim 29-26 count.

Scoring for the JV Steerettes were Sheryl Stanton, 10; Dana White, 8; Monica Carpenter, 3; Alma Nicolas and Ursula Dollar, 2 each; and DeAnn Curtis, 1.

Against Nazareth, the JV was outmanned 65-5. For Farwell, Monica Carpenter and Sheryl Stanton scored 2 each, and Alma Nicolas scored 1.

Varsity girls and boys and junior varsity boys and girls will all be playing Tuesday night, Nov. 29, when the Farwell

teams host the Sudan Hornet teams.

The first game will be the JV girls game and it will get underway at 4 p.m.

Coach Gregory says that the Sudan girls varsity is the same caliber team as Nazareth and that the Steerettes will have their work cut out but will be ready for the game.

## Farwell Jr. High Boys Lose To Springlake

Farwell's 7th and 8th grade boys basketball teams played their Springlake-Earth counterparts Monday night of this week with both Farwell teams losing their season openers.

In the 7th grade game Springlake-Earth held on to win a 34-31 decision. Scoring for Farwell went as follows: Jaime Mendoza, 10; Jeff Actkinson, 6; Nito Lovato, 5; Paul Longley, 4; Todd Thigpen, 3; and Tony Nicolas, 2.

"This was the first game of the season for these kids. They did a real good job. Things didn't go our way early in the game, but the kids came back real well and made a very close game of it," said Coach Rex Cumpton following the game.

In the 8th grade game the young Yearlings were defeated 43-17. Joe Jaime and Damon George led Farwell scoring with 6 apiece; Bony Nicolas scored 2, and Ralph Galvan scored 3.

"This was the first game of the season for this group also, and they could not get it rolling. We got down in the game early, and could not ever get back. The kids played hard. We are limited in numbers in the 8th grade, but the kids give 100 percent when they are on the floor," Coach Cumpton said.

"If you watch a game, it's fun. If you play it, it's recreation. If you work at it, it's golf." Bob Hope.

# Wolverines Dominate All-District Teams

Texico's State Champion Wolverines dominated the All-District 2-A team chosen last week with 10 team members named to first team honors, one being selected on the second team roster, and one player receiving honorable mention. Named to first team offensive honors were backs Brad Steward and Billy Bibbs; receivers Kevin West and Joe Steward; and linemen Jeff Holland, Tommy Boorman, and Charles Sharbutt.

On the first team defense were Brad Steward and Kevin

West in the secondary; Tommy Boorman, Jeff Holland, Ronnie Galvan, and Terry Tubbs, on the defensive line, and Doug Thornton, linebacker.

Terry Tubbs was named on the second team offensive unit as a receiver, and Ronnie Dunsworth was chosen as a second team offensive lineman.

Second team defensive honors went to Joe Steward, secondary; and Charles Sharbutt on the line, while Kevin Akers received honorable mention on second team defense.

## All-District Selections

The New Mexico Class A State Champion Texico Wolverines had 12 team members selected to the All-District 2-A team for 1983, nine Wolverines making the first team and three more

taking second team honors. All-District selections were from left, back row, Doug Thornton, Joe Steward, Tommy Boorman, Jeff Holland, Terry Tubbs,

Charles Sharbutt, and Kevin Akers; front row, Billy Bibbs, Kevin West, Brad Steward, Ronnie Galvan, and Ronnie Dunsworth.

## Coach Parker Comments -

# Roundballers Ready For New Season

Texico Wolverine basketball boys are eager for the 1983-84 season to get underway, and their coach, Scott Parker, hopes that winning the state football championship will carry over into the basketball season.

The Wolverine varsity sees first real action next weekend when they host San Jon under the Texico nets Friday night, and travel to Ft. Sumner on Saturday night.

Four returning starters, two senior lettermen, and three junior lettermen are back from the team that went 20-3 last season before being knocked out of the playoffs in the district semifinals.

Starters returning are Brad Steward, Joe Steward, Kevin West, and Terry Tubbs. Senior lettermen on the squad are Ronnie Dunsworth and Scott Elliott, with junior lettermen Billy Bibbs, Regan Williams, and Danny Powell also back to boost the team bench. Also seeing action will be two juniors with junior varsity experience, Jeff Campbell and Doug Thornton, and two sophomores, Mark Meeks and John Thomas.

Coach Parker had the following comments about the upcoming season and the players on this season's team:

"We're hoping that winning the state football championship will carry over into basketball season. We know we can win and we're not taking a back seat. We do things well defensively and offensively.

"We are a very aggressive team and we are going to try and put other teams in pressure situations and make them play our style of ball.

"Being a strong team offensively and defensively will be very beneficial to us. We will have to overcome some adversity, and we'll have to overcome things that might come up during the year like sickness, a bad game, and any player getting hurt and being out of a game.

"Brad Steward is an outstanding young man. He is quick, and has good jumping abilities. He plays guard, a post player, is very aggressive, willing to help in any way that he can. He is a team leader and has a very good attitude.

"Joe Steward is an excellent team player. He is quick and is a good defensive player. He jumps well and is a good shooter from the outside. He is kind of a fire plug on defense and can make things happen out on the court. He plays guard, post, wing. He's aggressive and a super hustler.

"Terry Tubbs is a super hustler and has excellent jumping abilities. He is a good ball handler and a good rebounder.

"Kevin West is a good outside shooter. He will do anything it takes to win and is becoming a better defensive player. He is a team leader and very aggressive player with a good attitude.

"Ronnie Dunsworth has worked hard all summer and improved his game, becoming a better defensive and offensive player. He has a super attitude, and a lot of knowledge of the game which will help him.

"Scott Elliott has also worked hard during the summer and improved his game. He helps at low post point shooting.

"Billy Bibbs is a big part of the team, both offensively and defensively. He is quick, a super hustler, and is becoming a better shooter. He has an excellent attitude and is a team leader. He will sacrifice himself for the game.

"Regan Williams is the tallest post player and has worked hard all summer. Because of this he has become a better basketball player. He has a super attitude and will do anything needed of him.

"Jeff Campbell will be able to help later on in the year. He is an excellent jumper and a real good shooter.

"Danny Powell has a super

attitude. He's not very quick, but his knowledge of the game and being able to think will help him in the games. He is a good outside shooter.

"Doug Thornton is a very strong player and is very aggressive. He will be able to help on rebound and low post. He has a super attitude and will do anything that is expected of him.

"Mark Meeks is young and inexperienced, but he is very aggressive and is willing to play. He will be able to help in low post area later in the year. He has a good attitude and is very aggressive.

"John Thomas is only 5-5, but he will be able to come into the game during the scheme of things and help to win. He is one of those players that can come in on defense and help. He has a real good attitude.

"The measure of greatness in a team can be measured by the amount of adversity it can encounter and still succeed in what it set out to do. Adversity will be the key to the game."

## Wolverines Post Impressive Stats In Winning Season

In capturing the 1983 Class A State Football Championship, the Texico Wolverines rolled up some impressive statistics, ending the season with a 10-1 mark.

The team's leading rusher was Billy Bibbs who picked up 1139 yards and 10 touchdowns on 187 carries. Other ground gainers and yards picked up include: Ronnie Galvan, 407 yards, four TDs; Brad Steward, 417 yards, two TDs; Joe Steward, 150 yards, two TDs; Stanley Cross, 84 yards and two TDs; Charlie Bibbs, 218 yards, one TD; Danny Powell, six yards; Kyle Snipes, 11 yards; and Kevin Akers, 13 yards.

Kevin West led the receiving department with 28 receptions for 471 yards, four TDs, and one PAT conversion. Terry Tubbs had 13 catches for 261 yards, three TDs, and one PAT; Joe Steward caught eight for 46 yards, one TD, and one PAT; Kevin Akers caught one for 11

yards; Eric Harding caught one for 12 yards and a TD; Danny Powell caught one for 34; Ronnie Galvan picked up two for 19; and Billy Bibbs caught four for 34.

Brad Steward threw 119 times, completing 50 for 735 yards, five TDs and three PATs, and had seven interceptions. Danny Powell threw for 154 yards and four TDs in completing 13 of 27, and had three interceptions.

## Veterans Will Get Increased Benefits

Some Texas veterans and their survivors receiving VA pension benefits under the "improved" pension plan will receive a 3.5 percent cost-of-living increase effective December 1, according to the Waco VA Regional Office Acting Director.

VA pensions are paid to wartime veterans totally and permanently disabled from circumstances unrelated to their military service. They are also paid to needy survivors of wartime veterans. Unlike compensation paid to those disabled because of military service, pensions are based on income from other sources.

The first check reflecting the cost-of-living increase will be mailed to VA pension recipients on or about January 1, 1984.

Veterans and survivors who are receiving benefits under the "improved" pension plan of 1979 will receive the increase. Pensions for veterans and survivors under the "old" plan

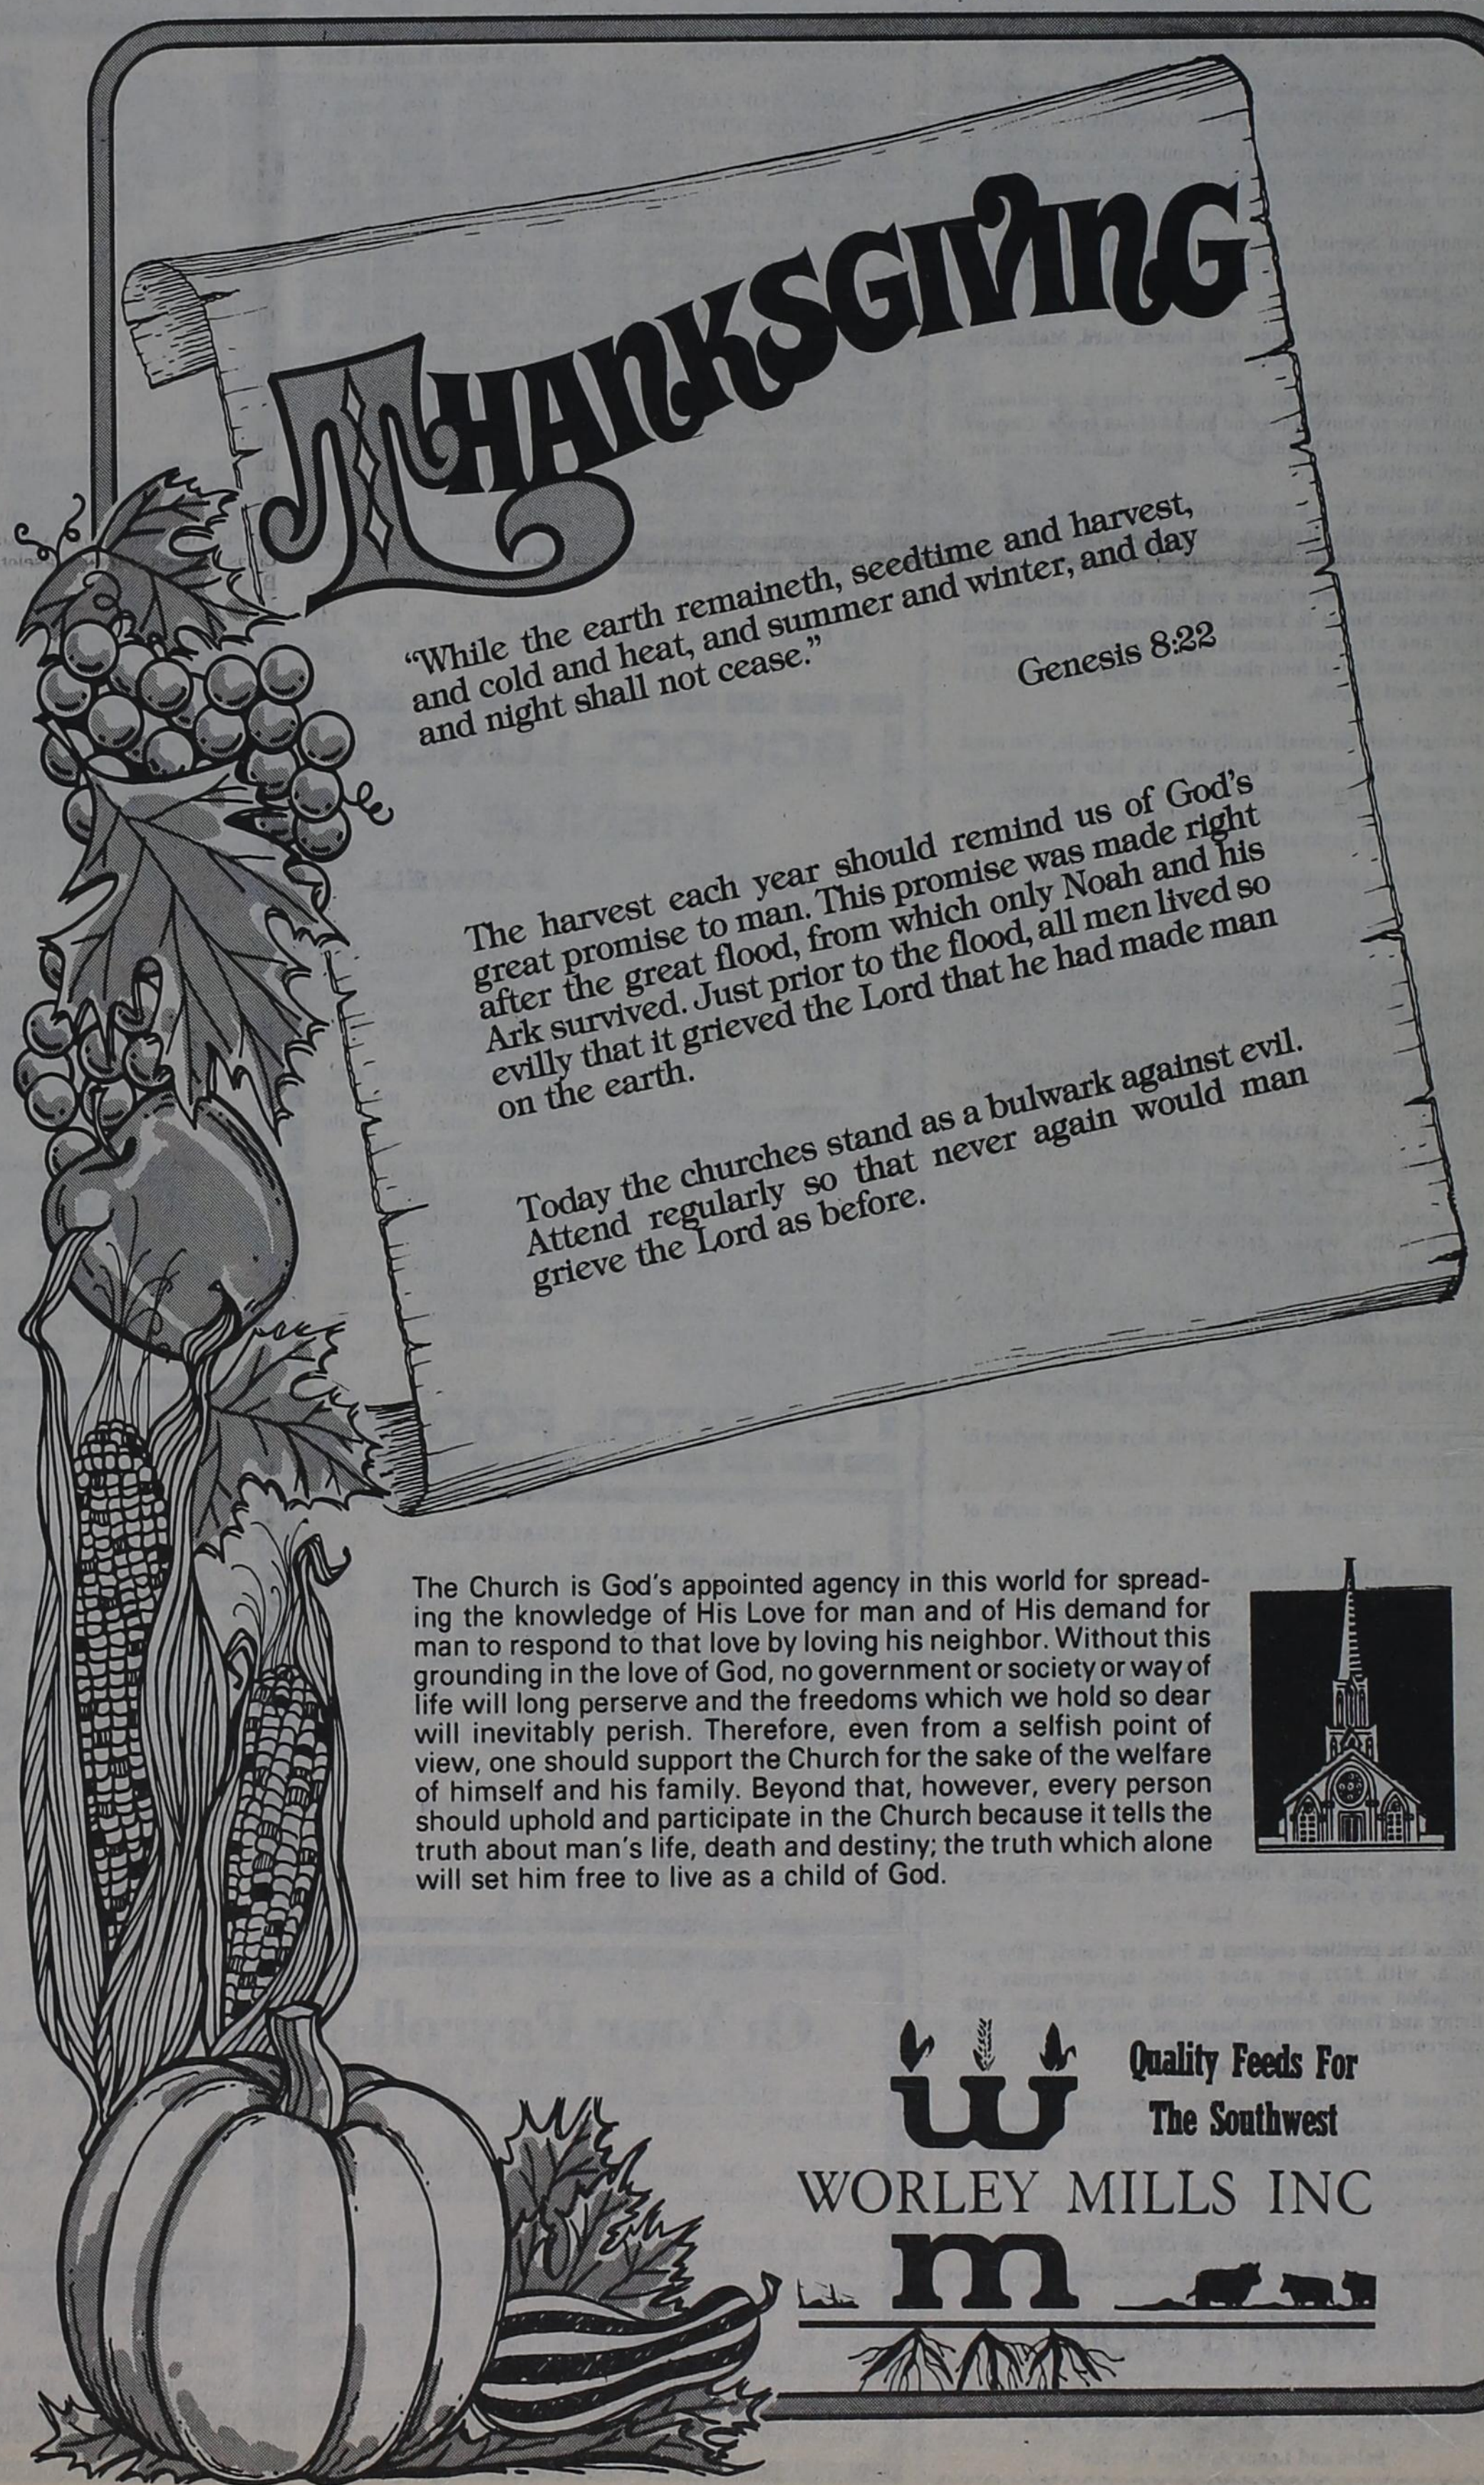

remain fixed and payable at the rates in effect in 1978. But those rates are protected against termination that would otherwise result from Social Security cost-of-living increases in their income.

"Old" plan recipients may request transfer to the "improved" plan at any time, and VA will carefully review each application to advise applicants to choose the plan which works best to their personal advantage.

Rates and details about the pension program and rate increases are available from the Waco VA Regional Office or from local representatives of veterans service organizations.

Veterans needing more information should write, visit, or call the VA regional office toll-free number listed in your local telephone directory under "Veterans Administration" or "U.S. Government." A VA counselor will respond.

# Happy Thanksgiving

"While the earth remaineth, seedtime and harvest, and cold and heat, and summer and winter, and day and night shall not cease."  
Genesis 8:22

The harvest each year should remind us of God's great promise to man. This promise was made right after the great flood, from which only Noah and his Ark survived. Just prior to the flood, all men lived so evilly that it grieved the Lord that he had made man on the earth.

Today the churches stand as a bulwark against evil. Attend regularly so that never again would man grieve the Lord as before.

The Church is God's appointed agency in this world for spreading the knowledge of His Love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

## Pledge Solicitations Set For Dance-A-Thon Benefit

Farwell High School Student Council has scheduled a dance-a-thon to benefit Carlos Nicolas, Farwell sophomore, who has bone cancer.

It is hoped that the dance-a-thon, set for Saturday, Dec. 3, at the Farwell Community Center from 3 to 6 p.m. in the afternoon, will be a fund raiser to supplement the near-depleted bank account that was set up for Carlos the first of this year.

High school and junior high students will soon be making house-to-house solicitation for pledges for the dance-a-thon, and Student Council members ask that when the students come to your door for pledges to please be generous.

In January of this year, Carlos was diagnosed as having carcinoma on the bone of his right knee. In August, Carlos had surgery for the removal of his right leg at the knee, and he now wears a prosthesis.

Several weeks ago Carlos had a second surgery, this time to remove cancerous spots from his lungs. He is reported to be

recovering nicely. However, every three weeks Carlos and one of his parents, since the first of the year, have been flying to Houston for two to three weeks of treatments before returning home. Their airline tickets have been provided by the Crippled Children's Foundation, but cost of other expenses are high.

The dance-a-thon pledges will be for the number of dances that a student participates in during the three-hour event.

Music and decorations will be furnished by the Student Council under the direction of Paul Fulcher, president, and Shelley Ford, vice-president.

"We hope that the dance-a-thon will be a fun way to raise money for our friend and fellow student," Council members say.

If you would like to make a donation to Carlos, you may do so directly by making your contribution to the bank account in his name at Security State Bank in Farwell.

## Old Time Camp Meeting Texas Historical Commission

by Myra Hargrave McIlvain  
Anderson Campground, southwest of Frankston, is one of the few surviving reminders of an earlier day when families gathered each summer for week-long religious and social functions called camp meetings. The ground's tabernacle, built in 1874, consists of a pitched roof supported by pine beams, and offers a cool, shaded spot for meetings. An old Methodist Church building, erected in 1894, sits next to the tabernacle and still is used for worship about twice a month.

Camp meetings were held all over the South, and although they were primarily times of religious revival, they also gave neighbors an opportunity to visit. Families usually lived in tents and used a nearby creek for water and baptisms. At some camp meetings, families slept in wagons or out in the open. The more prosperous brought a separate tent for the kitchen and a cook to prepare the food. Usually, several faiths were represented, and visiting preachers brought a message of

"hellfire and damnation" to the "unsaved."

Many converts stepped forward and were met at the front by their "saved" friends who prayed for them and tried to convince them to give up their past ways. The preacher was encouraged throughout his sermon by the persistent "amens" coming from the group. Usually the day began with sunrise services, followed by devotionals, worship services, and plenty of time for visiting. The advent of modern communication and transportation brought an end to most camp meetings by the 1930s.

The Texas Historical Commission has placed an OFFICIAL TEXAS HISTORICAL MARKER commemorating the Anderson Campground off Farm Road 837, 9.5 miles southwest of Frankston, Anderson County. The Texas Historical Commission offers workshops, publications, and other services in the fields of restoration, archeology, museum administration, and cultural resource management.

**TWO MINUTES WITH THE BIBLE**  
BY CORNELIUS R. STAM, PRES. BEEBAN BIBLE SOCIETY CHICAGO, ILLINOIS 60635

"I HAVE SET THEE A WATCHMAN"

The prophet Ezekiel was appointed by God as a "watchman" over the house of Israel (Ezek. 33:7). He was held responsible to warn the wicked from their way, for while God must deal justly with sin, He had declared: "I have no pleasure in the death of the wicked; but that the wicked turn from his way and live" (Ver. 11).

If Ezekiel failed to warn the wicked, they would die in their sins, but their blood would be required at his hand. If he faithfully warned them, however, and they refused to heed the warning, they would die in their sins, but he would be absolved of all responsibility (See Ver. 8, 9).

Would some Christian reader remind us that we are living under another dispensation and that our message is one of grace? True enough, but this does not diminish, it increases our responsibility toward the lost.

If we believers carelessly allow the lost to go to Christless graves, are we not morally responsible for their doom? Will we not be held accountable at the Judgment Seat of Christ? See II Cor. 5:10, 11. This is why we find Paul reminding the Ephesian elders that he had not ceased to "warn" men "night and day with tears" (Acts 20:31).

As the apostle looked back over his ministry among the Ephesians he could say: "I take you to record this day, that I am pure from the blood of all men" (Ver. 26). And this had been so of his ministry in general. Indeed, it was now his desire that whatever the cost, he "might finish his course with joy, and the ministry which he had received of the Lord Jesus, to testify the gospel of the grace of God" (Ver. 24).

May God give us who are believers in the Lord Jesus Christ, a greater sense of our responsibility toward the lost!

Coach King Says - -

## Lady Wolverine Team To Rely On Speed, Quickness

With three returning starters from a team that finished third in the state last year, Texico Lady Wolverine Coach Roy King says that at this point he doesn't know how his 1983-84 team compares to the teams they have fielded in the past.

"We aren't going to be nearly as big as we have been, but I think this team will have more speed, and we hope we can play an exciting fast break type of game on offense and a full court pressing defense."

"We have to replace Ruth Scott and Tammy Powell from last year's team. They did a lot of things for us, not only on the floor, but as leaders of the team."

"In our scrimmages with Amherst and Muleshoe we had some bright spots, but also found that we have some weaknesses. We have to do a better job of blocking out on rebounds and we have to go to the offensive boards harder. We were out-rebounded quite a bit in the scrimmage sessions."

"Our kids are eagerly awaiting the first game of the season against San Jon to see what kind of team we have."

"As for our competition this

year in district, I think everyone will be picking Melrose. They only lost one player off the State Championship team, and they look strong. Elida will be pretty strong. They are a young team but they have a good attitude and really like to play."

"Dora looks to be stronger because of a couple of transfers, one a six-footer."

"Tatum has a couple of outstanding players and could be competitive before the year is over. Floyd had four girls who didn't go out for the team and that really hurt them. They will have to use a lot of young girls."

"We have a good schedule of 22 varsity games along with a 16-game junior varsity schedule. This allows our younger players to play and get experience. Also, we have five 8th graders and three freshmen who practice with the varsity after school, and this really helps our program."

Coach King had the following comments about individual players on the roster:

**VARSITY**  
Valda Cavallero, 5-5 senior. Plays wing and was a starter last year. Has played four years

on varsity. Excellent outside shooter and good defensive rebounder. Was all-tournament at Floyd last year. She is one of the team captains.

Chary Jesko, 5-4 senior. Plays point guard. Has played four years on varsity and was part-time starter last year. She is one of our captains. She is a good outside shooter and has really improved on her ball handling. She just needs more confidence to be an all-around player. She was named to the Honorable Mention All-State Team last year.

Dana Morris, 5-8 senior. Dana plays post and is a three-year varsity player. She is one of our tri-captains. She has a nice jump shot while facing the basket and is really working hard on her turn-around-jumper. She is one of our better jumpers and is a very effective shot blocker on defense.

Karen Snodgrass, 5-7 junior. Karen plays wing and point guard. She was a part-time starter last year and this is her third year on varsity. She is one of the most improved players this year. Her shot has improved along with her overall control on the floor. She is the most aggressive player on the team. She makes things happen on the floor.

Cheryl Scott, 5-11 junior. Cheryl plays post, is a two-year starter, and this is her third

year on varsity. She is an excellent jump shooter and rebounder. Led team in field goal percentage last year with 53 percent and was a second team All-State Team member last year. She is a real team player and hard worker--is always one of the last persons to leave the gym.

Kathy Harrison, 5-4 junior. She plays point guard and was a starter for most of last year. This is her third year on varsity. She is good outside shooter and one of our better ball handlers. She is very aggressive on defense and we expect her to be much improved from last year. She could be the best point guard in the district if she will really work hard.

Helen Jo Boarman, 5-6 sophomore. She plays wing and point guard. This is her second year on varsity. Helen is probably the most improved player on the team. She has really worked on her jump shot and ball handling. She has outstanding floor speed and jumping ability. She has a great attitude--she is always one of the first to be in the gym and one of the last to leave.

Kelly Lynn, 5-8 sophomore. She plays post and this is her second year on varsity. Kelly is a good jump shooter and rebounder. She has a good attitude and really wants to be a great basketball player. She has

really improved on her ball handling. Kelly will play some junior varsity games to gain more experience. She could be a real plus for us this year.

Lucia Jesko, 5-4 sophomore. Plays wing. This is her second year on varsity. Lucia is good outside shooter and very aggressive defensive player. She is working hard and is much improved from last year. She has good court speed and court instincts. She makes things happen. She will play on junior varsity early in the year. She could be a real sleeper on the team.

Coy Jo Burk, 5-6 sophomore. Coy Jo plays baseline and wing. This is her second year on varsity. She has an outstanding attitude and is a hard worker. She is a good outside shooter and rebounder. She will play both varsity and junior varsity this year.

Loretta Gonzales, 5-1 sophomore. She plays point guard and wing and this is her second year on varsity. She is one of the better outside shooters on the team. She is 100 percent improved from last year. She has a great attitude--you have to almost run her out of the gym. She will play varsity and junior varsity this year.

(Editor's Note: Comments about the junior varsity team members will be printed next week.)

**All-District Spikers**

These three members of the Lady Wolverine volleyball team have been named to the District 6-A All-District squad for the

season just past, reports Texico Coach Mike Littlejohn. Cheryl Scott, center, was named to the first team as a hitter/blocker;

and named on the second team were Helen Jo Boarman, right, hitter/blocker, and Loretta Gonzales, left, setter.

*Thanksgiving greetings*

## Band Pizza Supper Set For December 2

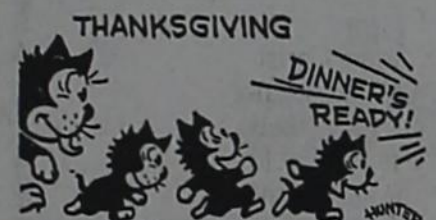

Farwell Band Boosters Pizza supper will be Friday, Dec. 2, in the school cafeteria starting at 4 p.m. with serving continuing until 8 p.m.

Serving will be during the Farwell Lazbuddie basketball games and all fans are urged to come and enjoy the supper with the Band Boosters before attending the games or between games, says Lynn Burton, band director.

Prices for the supper will be \$2.50 for adults, and plates for children ages 12 and under will be \$1.50. Pepperoni, sausage, and cheese pizza will be served

along with salad, pie or cake, and coffee or tea. Extra slices of pizza will be 50 cents each.

Later in the school year the Farwell Band Boosters will be selling pizza kits featuring the types of pizza served at the supper. More information concerning the sales will be announced, and residents will be notified of the sales dates.

The Lazbuddie Senior Class & Parents would like to thank the following following Farwell businesses for their donations to our Halloween Carnival booth. These donations made the event possible as well as successful.

On Referendum Ballot - -

# UIL Proposes To Raise Academic Requirements

Raising academic standards and restricting loss of school time were major issues addressed by the University Interscholastic League's Legislative Council, which held its 43rd annual meeting in Austin, October 16-17.

The council voted to place on a referendum ballot proposals that would raise academic credit requirements and restrict classroom absences by those participating in golf and tennis. In addition, the council voted to allow speech students to miss no more than 10 days per year in order to participate in speech/debate tournaments.

The referendum ballot will be mailed from the UIL office to school administrators in February. Results will be announced March 3. A simple majority is needed for proposals to pass, and items approved will take effect during the 1984-85 school year, unless otherwise specified.

"The meeting had the largest attendance, the greatest participation, and the most comprehensive press coverage of any in League history," said Dr. Bailey Marshall, UIL director. "I was pleased to see the increased interest. Those who may have questioned or doubted the League's rulemaking processes surely were impressed by the openness and the free exchange of ideas."

Among the proposals slated for referendum ballot examination are:

- An item that would require students to be passing four rather than three courses, excluding physical education, in order to compete in a League contest.

- A proposal that would prohibit students from missing a class that they are failing in order to participate in a League activity.

- A proposal that would require students to have passed four courses rather than three the preceding semester in order to compete. If passed, this item will not go into effect until the spring semester, 1985.

- A proposal that would restrict golf and tennis students to 10 days lost per year for participation in each activity respectively. For instance, a tennis player may miss no more than 10 school days in order to compete in tennis tournaments.

In addition, the council voted to place on the referendum ballot proposals that would relax summer basketball, football, and volleyball camp rules. Summer camps would be open to athletes who have not participated in a varsity contest. Also, students may not be coached in a summer camp by a person employed by the students' school.

The council also placed on the ballot a proposal that would open the door to summer basketball leagues. Summer league play would be permitted between June 1 and August 1 under the following guidelines: Students may participate in one league only. Students may not be coached by a coach employed by the player's school. Students may not play more than two games per week. Students may not play on a team that has more than three players from one school. School equipment may not be used. Students may not compete against a team that has more than three players from a single school.

"In both league and camp situations, the player may not be coached by a secondary

coach - meaning a seventh through 12th grade coach - employed by the student's school," Marshall said.

Other major council proposals going on the referendum ballot include:

- Amending the rules to allow for parochial and private school membership into the League.

- Studying the concept of disqualification of coaches or contest sponsors who knowingly violate League rules.

- Revising the UIL spring meet calendar, with the combining of boys' and girls' district, regional and State Meet athletic events. District meets would be held either April 1-6 or April 15-20. Regional meets would be held April 29-May 4. The State Meet would be held in Austin, May 9-11.

- Revising the Five-Year Rule so that a child being retained in the seventh grade for competitive purposes would lose the final year of high school eligibility.

- Adding gymnastics and wrestling as UIL sports for Conference AAAAA only.

- Placing the amateur restrictions on all students beginning in the ninth grade, regardless of the student's age.

- Eliminating mandatory penalties in basketball and volleyball for players or teams violating game and tournament participation restrictions. The council recommended passage of this proposal, which would give the district executive committees greater flexibility in assessing penalties.

- Revising the college course enrollment regulations so that courses taught by a high school teacher during the regular school day and conforming to Texas Education Agency guidelines are not considered college courses, even though college credit is given.

- Changing soccer seasons to begin on either the first Monday following certification of the district football champion (with the season to end the last week of February) or beginning on January 1 (with the season ending with the state championship tournament, held the last week of April).

Allowing athletes to sign a letter of intent and a college scholarship agreement that contains the conditions of the scholarship, provided the athlete receives no part of any valuable consideration guaranteed by that scholarship until after all UIL eligibility is completed. If passed, the item would take effect in 1984-85.

- Revising future basketball starting dates, allowing basketball practice to begin on the seventh Monday following the first Thursday in September.
- Giving administrators the choice of keeping the present outside soccer restrictions as is, applying restrictions only to players who have participated in varsity contests, or abolishing outside participation restrictions. At present, soccer players who participate in club soccer prior to the start of the UIL soccer season are ineligible to represent the varsity soccer team.

The council also voted to move the first day to play basketball games from November 22 to November 21, to allow baseball players to wear metal cleats this spring, and to restrict music organizations to one non-League meet held on school time. The music restriction takes effect next year.

The council also voted to meet March 7, 1984, in order to take

action on the following items:

- Remodification of the League's Constitution and Contest Rules.

- The findings of the Junior High Athletes Study Committee.

- Procedures for implementation of a penalty on coaches or contest sponsors who knowingly violate UIL rules. The final item will be considered only if the concept of contest sponsor punishment is approved on the referendum ballot.

In final action, the council referred to a Committee on Excessive Expenditures a proposal that would penalize schools for spending on "luxuries" above basic athletic equipment and supplies. This panel, to be named soon, as well as a Committee on Loss of School Time - Missing School - Number of School Contests will meet this spring and issue a report to the Athletic Committee of the Legislative Council, May 30-31. The Council also voted that if a district executive committee imposes either a post-district disqualification or a district disqualification, that action may be appealed to the State Executive Committee.

The council defeated a proposal that would have increased from \$40 to \$50 the limitation a school may spend per student as an award for participation in interschool competition.

"The council members did an outstanding job in considering the 50-plus items presented in public hearings Sunday as well as the multitude of proposals they had previously heard," Marshall said. "They listened to, read, and considered what each individual had presented. Though many of those addressing the council took conflicting sides, I believe all those attending truly are concerned with the total education of the student first and foremost."
