Local Farmer Recounts Washington, D.C. Rally

By Shirley Gorman

Last month thousands of determined farmers and agribusinessmen peacefully invaded Washington, D.C., in an apparently successful attempt to alert national lawmakers to the plight of the small family farm.

The general thought among area farmers today is that the thinking in Washington has changed somewhat since they began lobbying in January of this year. However, even the most optimistic of farmers

know that they have quite a way to go before the goals of the American Agriculture Movement will be realized.

Among the area farmers who recently spent a week in the capitol "door knocking" is Roy Donaldson of the Oklahoma Lane Community. He feels that the efforts of the farmers who descended on Washington these past few weeks have met with success.

"Nothing much was being done for us before all the farmers started going to the capitol in week-long shifts,"

Donaldson said. "Now we anticipate relief by the end of March."

Proponents of the American Agriculture Movement started arriving in Washington, D.C., by the thousands by the middle of January. Donaldson was with the Oklahoma Lane-Bovina and Muleshoe group. They left January 24 returning January 31 - after a week's efforts at meeting as many senators, congressmen and officials as they could.

These interested farmers were armed with a bill

proposed by the AAM. One provision in the bill would make it unlawful to sell, produce or trade products for less than 100 percent parity. But foreign goods would have to be purchased at 115 percent parity.

Another feature of the bill is that the food stamp and welfare program would be separated from the farm bill and maintained separately. Each of the nine points of the bill were carefully presented to congressmen during the farmers' visit in the Capitol.

According to Donaldson, "door-knocking" was a common tactic used by farmers. "We went from door to door trying to get as many appointments as possible," he said, adding "No one was upset at our being there, but we did harry a lot of secretaries and assistants."

"Sometimes as a delaying tactic they would try to push the farmers off on lesser assistants," he explained. "But we quickly learned who could help us and who could not."

Donaldson said they were always orderly and polite but persistent as well. "We talked to as many congressmen as possible. They all seemed to understand our problems and were willing to listen. We changed the thinking of some, but others are going to be tough nuts to crack," the Oklahoma Lane farmer said.

Donaldson and his fellow Texas farmers operated from the Texas Strike Office located in a Washington hotel. Every day they consulted a big board

Texico Chamber of Commerce will meet Monday, Feb. 13, at 6:30 p.m. MST at the Community Center.

Parmer County Commissioners Court will convene Monday, Feb. 13, at 11 a.m. CST in the county courtroom.

Texico School Board will meet Tuesday, Feb. 14, at 6:30 p.m. MST at the high school principal's office.

Texico City Council will meet Tuesday, Feb. 14, at 6:30 p.m. MST at the City Hall.

Farwell City Council will meet Monday, Feb. 13, at 5:15 p.m. CST in the City Hall.

February is the shortest month of the year even including leap year when an extra day is appended. It comes from the Latin, Februarius (mensis) month of purification. It was originally a Roman festival of purification.

Although it is the least month of the year it contains a significant number of holidays and events of interest both nationally and locally.

Ground Hog Day gets a big play all across the nation. It is also the beginning of Lent of which the Mardi Gras (French for fat Tuesday) receives the most publicity. We have Saint Valentine's Day and George Washington and Abe Lincoln with birthdays to celebrate. Also that American genius Thomas Alva Edison was born in this month.

In February, we also note, not particularly in order of importance, American Heart Month, Boy Scout Anniversary, National Cherry Month, Children's Dental Health Week, National Crime Prevention Week, National Electrical Week, Brotherhood Commitment Week, Afro-American History Week and Future Farmers of America Week.

Locally we have the annual FFA-4-H fat stock show and both Texico and Farwell play a district basketball tournament which certainly arouses local pride and passions.

From the weatherman's standpoint it probably is one of the most unpredictable months. Over the years it has produced our biggest snow falls as well as our worst sand storms. From the way it looks today it could give us either this week.

Folks born in February are Pisces or Aquarians with the Amethyst as a birthstone and a violet or Primrose as a flower.

Last week we read a frightening little item in the Lubbock paper. It ways something to us and about us, just what, we are not real positive.

The item related that a man twice convicted of robbing a convenience store has filed suit in federal court against the store owner because he was shot while holding up the store.

The robber, who is serving time in the Texas penitentiary for the robbery, named both the store's owner and the store employee who shot him.

Police reports on that date said the store employee shot the robber once in the store, then chased the robber down the street, shooting him again. The suit alleged the employee shot the robber "without adequate cause and justification."

The robber was shot four times and required a long time in the hospital. The robber is asking \$100,000 in damages.

We would make three observations.

One, there is something drastically wrong with a society that passed laws allowing this type of suit to come to court.

Two, there is something wrong with a profession that would allow such laws on the books and whose member would pursue such a case.

Three, stores had better give their employees marksmanship training so they could just shoot a robber once. Preferably between the eyes.

Senior Citizen Meeting Set

Texico-Farwell Senior Citizens will meet every second and fourth Thursday of the month at 6:30 CST at the community center in Texico.

The first meeting following this new schedule will be February 23.

Previously the organization had been meeting on the first and third Thursdays of the month.

'Will You Be My Valentine?'

The impish Cupid who shoots magical arrows at unsuspecting persons on Valentine's Day seems to have hit the mark. Kathy Lingnau, daughter of Mr. and Mrs. Edwin Lingnau, and Jeffrey Stewart, son of Mr. and Mrs. Ricky Stewart, shyly exchange Valentines to observe a traditional custom of the special day. The youngsters - students in Judy Howard's first grade class at Farwell Elementary - are anxiously waiting for Valentine's Day Tuesday, Feb. 14, when they will exchange Valentine cards with their friends and also enjoy a Valentine party.

Blue And Gold Banquet - -

Derby Races Highlight Cub Scout Festivities

Farwell Cub Scout Pack 213 staged its annual Blue and Gold Banquet last Thursday night at the Farwell Schools cafeteria. A covered-dish meal, consisting of Mexican food, salads, desserts and ice tea, was served to the boys and their parents.

A special highlight of the event was the Pinewood Derby Races competition. The members of each den conducted

double elimination races to determine the fastest car in each den. Later the three top winners in each den squared off to determine a single overall winner.

When all the excitement had abated, Corey Jones, son of Mr. and Mrs. Donald Jones, had captured the first place trophy. Following close behind was Blake Kelley, son of Mr.

and Mrs. Randy Kelley, who netted second place and the trophy for best design. Third place honors went to Kenny Adams, son of Mr. and Mrs. Bill Adams.

Following the regular competition, several other races were conducted "just for fun." Two dads - Johnny Hammit and Robert Tomlinson - challenged the three top winners to a series of races to

determine the winner. At the completion of the runs Hammit's car was declared the "fastest vehicle in the land."

Shelly Ford, daughter of Mr. and Mrs. Jerry Ford, and Geretta Hutchins, daughter of Mr. and Mrs. Lee Hutchins, also raced each other, with Geretta coming in first.

Boys Scouts Alvin Lopez and Domingo Rubio were the official starters for the races. "Hatchet men" Guy Whitesides and Wade Kent, also Farwell Scouts, officiated at the end of the track. It was their task to declare ties or winners in close races.

Jim Cowman of Clovis, district executive of the Conquistador Council, provided the race track which is the standard track used by the National Cub Scout organization. He also officiated at the races.

Constantans were eliminated only after losing twice, and after each race they had to change lanes.

Cowman announced that the Cub Scouts would be eligible to enter the races at the Scout Craft Fair to be held April 22 in Clovis. He said the race track would be operated electronically at that time.

Cowman also presented a special Boy Scouts of America Certificate of Appreciation to Whitesides who has served as a den chief for the past five years. He is a member of the Order of the Arrow, Explorers and is a Life Scout in Texico-Farwell's Troop 200.

Whitesides joined the Boy Scouts in 1969 at the age of nine. He closes out his Scouting career this month as he turns 18 February 22. Following graduation from Farwell High School in May, Whitesides plans to join the Navy in June.

Pinewood Derby Winners

Much to the delight of those who attended, the Pinewood Derby Races competition was staged Thursday of last week at the Farwell Cub Scouts annual Blue and Gold Banquet. When all the smoke and excitement had died down, these three Cub Scouts emerged as the top winners. Corey Jones, left, son of Mr. and Mrs. Donald Jones, netted first place. Blake Kelley, center, son of Mr. and Mrs. Randy Kelley, grabbed the runner-up slot and the trophy for best design. Holding down third place is Kenny Adams, son of Mr. and Mrs. Bill Adams.

Washington Rally . . . (Continued from Page 1)

which listed all the names of the senators and representatives in Washington. Each name was also placed on cards and each farmer drew as many names as he felt he would be able to meet with in a week's time.

Congressmen George Mahon and Jack Hightower were instrumental in securing several appointments between congressmen and the farmers. They also met with other high ranking officials in the ASCS and FHA.

Donaldson said they felt they had particularly good luck with the chief economic advisor to President Carter. Originally this advisor believed that 100 percent parity for farmers would mean 20 percent higher food prices. "But we managed to convince him that an increase of eight or nine percent was more likely. Since then this top advisor has held several meetings with farmers," Donaldson noted.

But the farmers did not spend all their time visiting with officials and congressmen. They also took time out for a demonstration, Donaldson said.

At one point the supporters of American Agriculture formed a human chain around the White House nearly 12 blocks long. In spite of the rain the farmers persisted in demonstrating for their cause.

Even though President Carter declined to meet directly with the farmers at that time, he did talk to a few by telephone agreeing to set up special meetings with representatives of the group. Donaldson was not sure late last week whether that meeting had taken place as planned or not.

Since the farmers and agribusinessmen in the demonstration did not have signs to carry they added their own touch to the activity - they took turns giving cattle and hog calls.

Another demonstration at the White House took place quite spontaneously, Donaldson said. A few farmers started to take a tour of the White House and the others

quickly followed suit thinking it was part of the demonstration. "Before we knew it hundreds of farmers were parading through the White House," he added.

Another protest to low farm prices and a bleak outlook for small farms was perpetrated by Oklahoma farmers, Donaldson said. One million letters were written to congressmen and they were carted to Washington in a hearse. Before being delivered the letters were paraded around the capitol in the hearse for a day, he reported.

So amid all the business meetings and protests there was also a lighter side to the farmers rally.

"We never encountered any hostility," Donaldson said, "But just about everyone we met wanted a cap like all the farmers wear."

The typical farmer's "uniform" was a pair of jeans, shirt and cap. "Almost everyone had a nine-year-old son they wanted the cap for," he said. According to the area farmer they secured a few interviews by giving the caps to aides and assistants.

A particularly humorous event - when viewed in retrospect - was the country boys' almost in vain attempt to negotiate Washington's subway system. A little of everything seems to have gone wrong, including jamming the fare cards in the subway machine. What was normally a four-minute ride from the Capitol to the hotel where they were staying took four hours, Donaldson said.

Donaldson and his fellow farmers seemed to have a penchant for getting lost in the big city. While traversing the underground tunnels of capitol hill they managed - not once, but twice - to end up in the kitchen area. "We still don't know for sure where we went wrong," he said.

On Sunday Donaldson said they went to the same church the President attends. "We sat a few rows behind him and his family and we caught a glimpse of him teaching a Sunday School class."

Donaldson said in general

the people and businesses in Washington seemed to support the farmers and most of the businesses displayed some kind of support sign. "Just about everyone we met were with us in spirit," the Oklahoma Lane farmer said.

"We even had lengthy discussions with reporters from the Washington Post," Donaldson said. "Our hotel was located across from the newspaper and several members of the staff would come over and talk to us."

He also said they received coverage from other Washington News media.

While in Washington Donaldson said the Potomac river froze for the first time in 50 years. "We witnessed cranes trying to break up the icebergs before they would damage the bridges on the river," he said.

Donaldson said he had three basic reasons for making the trip to Washington. "I am in bad shape just like everyone else," he said. "And it was a chance for me to stand up and be counted."

Another reason can be summed up by the following allegory of the "Little Red Hen."

"Will you let 'Little Red Hen' do it?"

SIR: To all you "stay neutrals" - "lookers on-ers" - and "non-helpers" sitting on the side-lines while 'active farmers' are making their one big effort for equality -

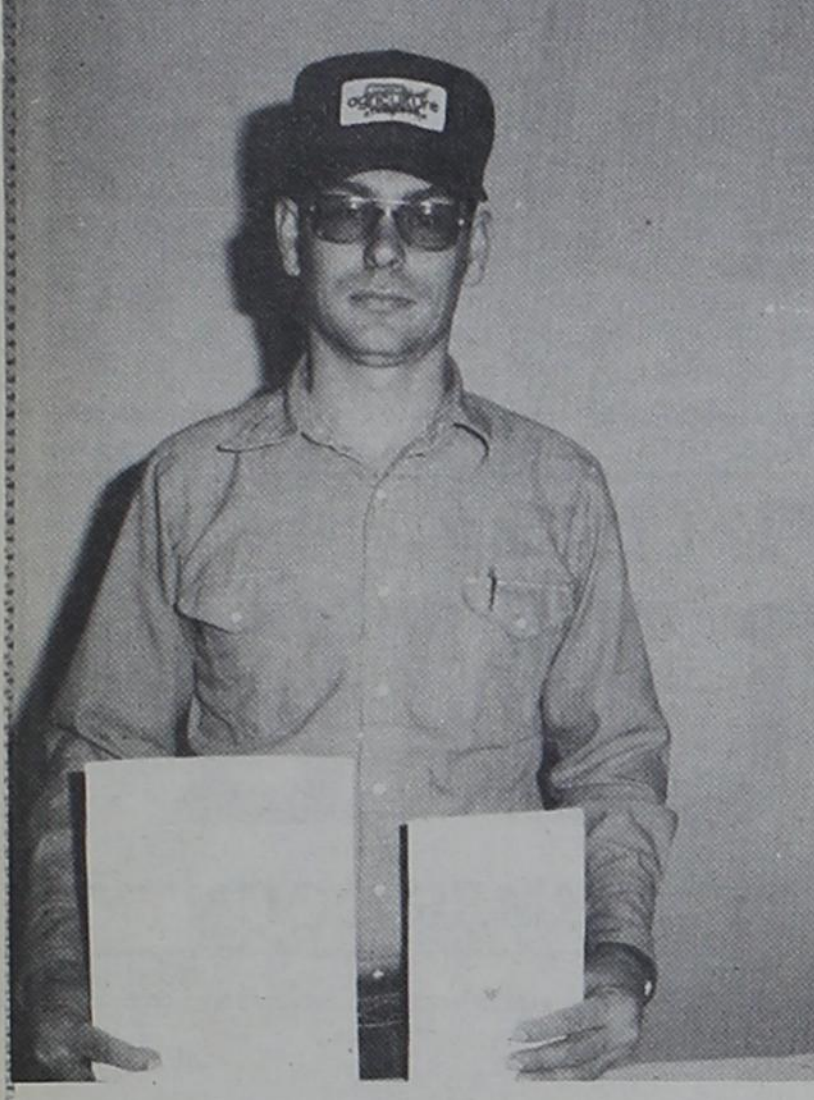

What price do you plan to

take for your wheat?! Are you going to say, "Oh well, \$2.20 a bushel is enough for me, since I didn't help in bringing the price up to the cost-of-production plus?!"

Or will you be like all the animals in the story of "The Little Red Hen" - After she had grown the wheat and baked the bread, they all wanted in on a share of it then?!"

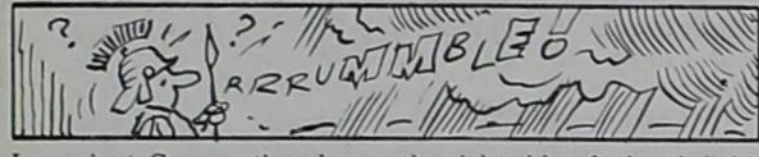

According to Donaldson, Farwell is the only town in Parmer County that does not have an American Agriculture headquarters. He said that in the future an attempt will be made to establish an AAM base in Farwell.

"I think the problem has been that no one has taken the first step in setting up an office here," Donaldson said. "I hope we can in the future."

At Washington Rally

Roy Donaldson of the Oklahoma Lane Community was one of many area farmers who attended the farmers' rally in Washington, D.C., last month. Besides visiting with as many congressmen and officials as possible, the farmers also demonstrated at the White House against low farm prices and a bleak future for the small farmer. Donaldson holds some of the literature which the farmers armed themselves with prior to meeting with various persons in Washington.

In ancient Greece, thunder on the right side of a battlefield was an omen of victory.

Jamboree Preparations

Bobby Hix and Cora Janeway, residents of Farwell Convalescent Center, are busy hanging posters advertising the "Rock 'N Roll Jamboree" that will be held at the Center on Valentine's Day. The fund-raising project is being staged for the benefit of the American Heart Association and all money collected will be turned over to that organization.

Heart Benefit - -

Convalescent Center To Stage 'Jamboree'

If you are looking for a little fun and relaxation then perchance the Farwell Convalescent Center just might have a treat or two in store for you next Tuesday, Feb. 14. (Yes, the date is quite familiar as Valentine's Day is as "American as apple pie.")

The Center residents, staffers and Auxiliary volunteers are planning to celebrate the special day in a big, big way. First on tap is a "Rock 'N Roll Jamboree" to be staged

between the hours of 10 a.m. and 6 p.m.

Besides being a fun thing to do, the Jamboree is also intended to raise money for the American Heart Association. The monetary goal for next Tuesday's shindig is \$500. According to Floe Copeland, activities director, area clubs and civic organizations are expected to help with the fund raising activities.

During the heart of the "Rock 'N Roll" session, six rocking chairs will be in use constantly. For the last hour Farwell Girls Scouts will "man" the chairs. Interested persons are asked to donate one dollar or more for each hour rocked.

In addition, some wheelchair bound residents will probably navigate their chairs up and down the halls for an as yet undesignated fee.

Throughout the Jamboree refreshments of cookies and coffee will be served. Mrs. Copeland invites everyone to take part in the Valentine's Day festivities at the Center next week.

Besides the Jamboree, the Bovina Young Homemakers will host a party beginning at 4 p.m. A special highlight of the day will be the crowning of a Valentine Jamboree King and Queen. Mrs. Copeland

said that the honorees will be selected on the basis of the man and the woman who spend the most minutes rocking.

One thing is sure - Valentine's Day at the Farwell Convalescent Center is going to have a little something for everyone.

We live in a troubled world, and much that happens affects us. We live, however, know nothing but gloomy days; if we permit these troubles to fill our mind. We must not do this, because such worry does not help.

Our days are passing rapidly, and there is no virtue in making them "gloomy" ones. Our best performance will be realized in making these days "happy" ones.

HOW MANY OF US ARE HAPPY? We can be. "HAPPY" days are available to all of us, but they are not accidental. They must be earned. We must be true to ourselves; that is, we must respect our conscience. We must work diligently. We must live within our income, and pay our debts as they come due. We must live peaceably with others, so far as it depends upon us. We must live by the most dependable guidelines, with the full realization that "we reap as we sow".

IN BRIEF, we can know "happy" days by living faithful Christian lives in the Lord's church; a life in full agreement with God's body of revealed truth.

GOD GIVES US ALL THINGS to enjoy. (1 Tim. 6:17). When we accept the Christian life style, our days will be "happy" days.

Sandra Watkins, Lee Howard United In Farwell Ceremony

Sandra Gay Watkins, daughter of Mr. and Mrs. Donald Watkins of Farwell became the bride of Lee King Howard Jr., son of Mr. and Mrs. L.K. Howard of Clovis during a double-ring ceremony at the First Baptist Church in Farwell. Rev. Dudley Bristow led the couple in their vows on December 30, 1977 at 8 p.m.

Using a Christmas theme the altar was decorated with three flocked Christmas trees decorated with red velvet bows, red satin balls and red and white embroidered hearts embroidered by the bridegroom's aunts. Completing the altar decorations was a Christmas arrangement holding a unity candle and two tapers that were lit by the parents of the couple signifying their sanction of the marriage. Each window of the church held a Christmas arrangement around a globed candle. The pews were marked with red velvet bows.

Organist Barbara Hughes and pianist Doris Tankersley played as Phil Tankersley sang "Love's Grown Deep". Rick Irby sang "Take Time;" a trio - Homer, Paul and Phil Tankersley - sang "The

Family of God;" and Dave Martin sang "Saviour Like a Shepherd Lead Us" and "Bless This House," for the recessional.

The bride was escorted to the altar by her father. She wore a traditional gown of white sataglow with cluney lace trim. The moulded bodice featured a high wedding band neckline with a cameo design, framed in beaded belgian lace. Vertical rows of cluney lace formed a pinafore effect. Long bishop sleeves were softly sheer to wide lace cuffs repeating the lace motif. The controlled-a-line skirt swept to back fullness and formed a cathedral length train. The entire hemline and train were completely encircled in a deep flounce of sataglow, edged in the cluney lace trim. To complement the gown the bride chose a white hat accented by a white silk rose. A two-tiered fingertip veil of illusion was held by the hat. She carried a large nosegay of red roses, holly, greenery and white velvet rolled ribbon. To carry out the traditional something old, something new, something borrowed and something blue the bride wore

pennies minted in the year of their births, a blue garter that was also worn by her mother, and pearl earrings given to her by the bridegroom.

Jill Watkins, sister of the bride, served as maid of honor. Bridesmaids were Anna Howard, sister of the bridegroom, Pam Ansley of Dallas, and Pam Boeselt of San Antonio, college friends of the bride. They wore identical ensembles, each wearing white quiana blouses with a lace yoke and cuffs and a floor length red velvet skirt. They carried an old fashioned lantern with a red votive candle trimmed with white velvet ribbon and they wore red roses and holly in their hair.

Daniel Howard, cousin of the bridegroom, was best man. Groomsmen were Rick Irby, Phil Tankersley and Randy Holland, all of Clovis. The bridegroom wore a white Chelsea tuxedo and the groomsmen wore the white Newport style tuxedo. Ushers were Scott Watkins of Farwell, brother of the bride; Mark Bergstrom Clovis; Roy Jackson, Andrews; and Ron Rogers of Albuquerque. Ushers wore black and white Windsor tuxedos.

Jennifer Ennen, flowergirl, carried a white wicker basket filled with love-knots that she tossed down the aisle. She wore a red velvet dress with a white lace yoke. Chad Byrd was the ring bearer and wore a white Newport tuxedo. He carried a red velvet pillow trimmed with white lace, made by the bride's mother. Jennifer and Chad sat on red velvet seats in front of the altar during the ceremony.

The bride's mother was attired in a floor length gown of champagne chiffon accented with small gold leaves. She chose gold accessories and wore a corsage of red roses around a white gardenia. The bridegroom's mother wore a floor length gown of pink chiffon with a floating capelet. Her corsage was a white gardenia surrounded by pink rosebuds. Both mothers carried a white handkerchief given to them by the bride.

Guests were registered by Mrs. Carol Howard, cousin of

the bridegroom, and programs were given out by Karla Smart of Amarillo.

Immediately following the ceremony a reception was held in the church. The bride's table was covered with a white lace cloth over red. A centerpiece of greenery and holly held three lanterns burning red candles. The cake started with two tiers, one above the other. The bottom tier held the bride and bridegroom that was used on the bride's parents' wedding cake. Leading off from this tier was a staircase that went to the left up to another tier. On the stairway were miniature bridesmaids and groomsmen dressed identical to those in the wedding party. From this tier was another staircase leading to two more tiers. The top tier was decorated by a lighted church with a bride and groom standing in front of the door. Underneath these two tiers was a red fountain surrounded by Christmas greenery. Around each tier were tiny white Christmas

Kathi Jolly, Don Cherry Repeat Double Ring Vows

Kathi Jolly of Clovis and Don Cherry of Texico were united in marriage in a candlelight ceremony at Kingswood United Methodist Church, Clovis, on Friday, Jan. 6.

Parents of the bride are Mr. and Mrs. Al Jolly of Clovis, and the bridegroom is the son of Mrs. Danalee Cherry of Texico and the late Wayne Cherry.

Officiating at the double-ring ceremony was a special friend of the bridegroom's family, Rev. Wayne McLemore of Clovis. Registering the guests was Michele Williams.

The bride, escorted by her father, wore a formal white silk organza gown with v-neck bodice defined and accented by Venise lace frosting. It featured a high ruffled lace collar, sheer full sleeves trimmed with Venise lace and miniature daisies, ending with deep, tight cuffs. The full hoop skirt had a wide hemline flounce topped by Venise lace merging into a chapel train. The veil was long, trimmed with miniature daisies along the hem, falling from a small Juliet cap.

Her bouquet, which was placed atop a white fur muff, consisted of white roses and blue miniature carnations, babies breath and white lace streamers tied with love knots.

Maid of honor was Ann Jolly, sister of the bride. Bridesmaids were Roxanne Cherry, sister of the bridegroom; Lisa Caroland, Deanne Day and Gail Jolly. Candelights were Gail Jolly and Deanne Day. The bridal attendants wore identical gowns of royal blue Quiana featuring empire waists, short puffed sleeves and scooped necklines. They carried matching Quiana muffs topped with white carnations and long white satin streamers. The muffs were

fashioned by the bridegroom's mother and grandmother.

Ringbearer and flower girl were Josh Carlson and Heather Carlson, cousins of the bride from Idaho Falls, Idaho.

Serving the best man was Floyd Cherry, brother of the bridegroom. Groomsmen were Don Duncan, Mac Langford, Ted Richardson and Gary Johnson, all of Texico.

The bridegroom wore a pale blue tuxedo with royal blue velvet trim. His groomsmen wore tuxedos of royal blue with matching trim.

Orangist was Mrs. Kenda Delaney, former music teacher of the bride. She played traditional wedding selections and accompanied soloist Wayne Anderson as he sang, "You Light Up My Life" and "The Wedding Song."

In keeping with tradition the bride wore the hoop in her skirt for something old. Something new was her wedding dress; something borrowed was a ring belonging to her mother; and something blue was a garter. She also carried a sixpence minted in the year of her birth. The sixpence was a gift from Mrs. Hilda Sanders, childhood friend of the bride.

The bride's mother wore a long gown of light blue knit and chiffon. Mother of the bridegroom wore a long dress of cinnamon chiffon. The bridegroom presented both of them with cymbidium orchid corsages.

As the bride entered she presented a single red rose to her mother, and as the couple left the altar, she presented a single red rose to the bridegroom's mother.

The reception was held at the Colonial Park Country Club. The bride's table was covered with a lace patchwork cloth. The three-tiered wedding cake was decorated with

white flowers and blue bows, topped with three white wedding bells encircled by a white lace heart. Fresh flowers encircled the base of the cake and the base of the punch bowl. Refreshments were served from silver appointments.

The bridegroom's table was covered with a white pleated cloth and featured a chocolate cake and silver coffee service.

Presiding at the refreshment tables were Carol Carpenter, Madeline Stuckey, Sarah Martin, Donna Reigel, Ralene Robinson, Jan Peterson and Linda Kennedy.

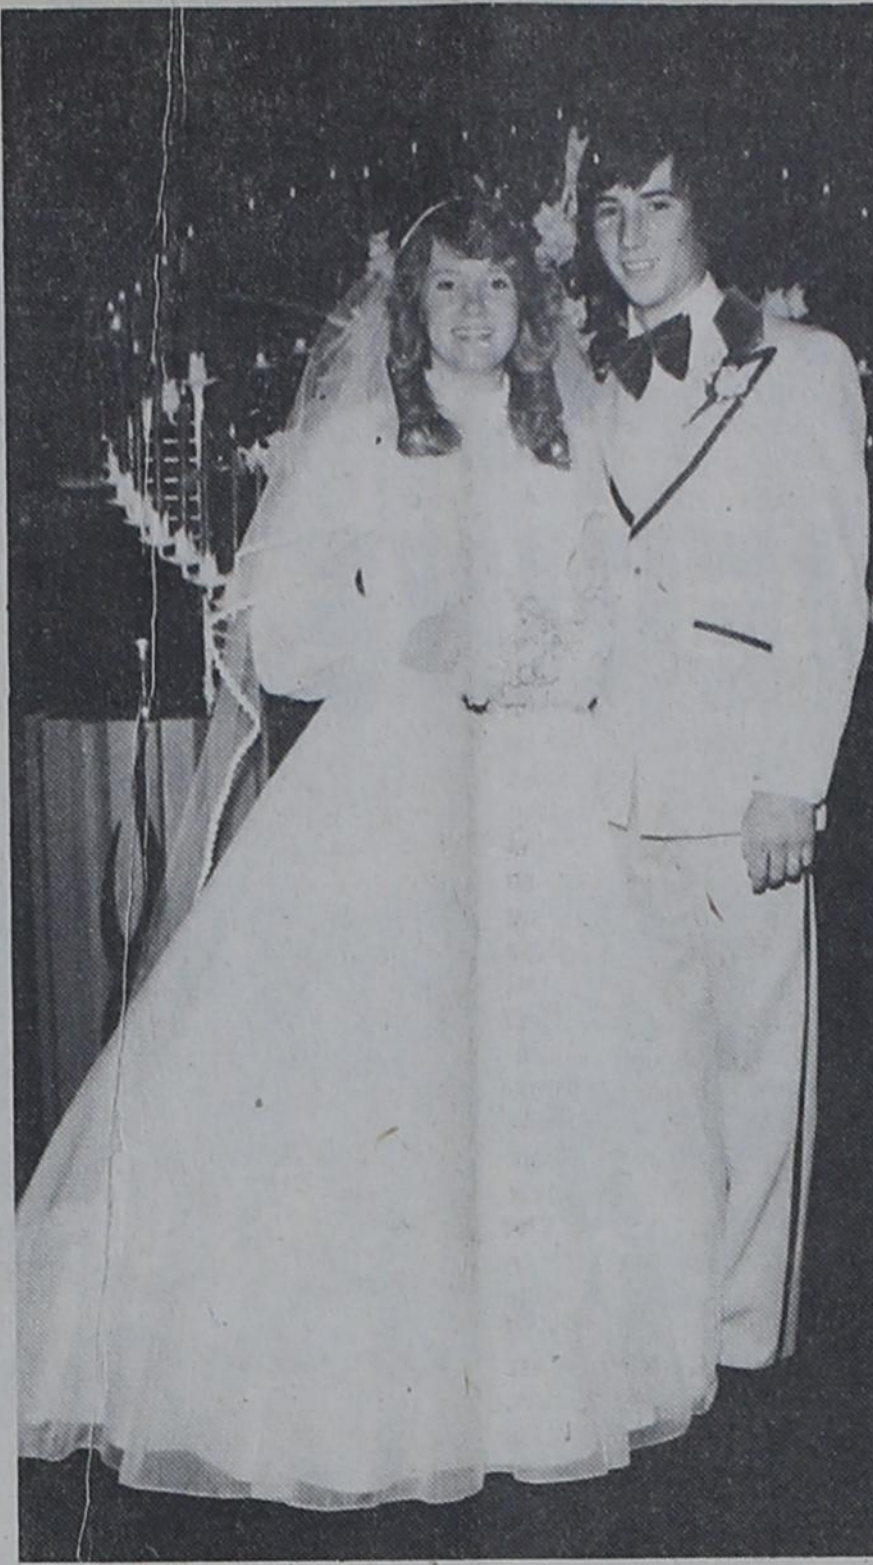

The bride is a graduate of Clovis High School and attended ENMU. The bridegroom graduated from Texico High School and is engaged in farming north of Texico where the couple is at home.

All four sets of grandparents were present for the wedding, including Mr. and Mrs. John Cherry of Bellwood, Pa., Mr. and Mrs. Tony Holmberg of Clovis; Mr. and Mrs. William G. Jolly of Denver, Colo., and Mr. and Mrs. C.D. Lawrence of Clovis.

Several pre-nuptial courtesies were extended the bride, including a kitchen and recipe shower hosted by Mrs. Gustenia Bonner and Miss Zella Mae Pierce.

Mesdames Martha Stewart, Phyllis Walker, Janie Moberly, Eva Claire Whitmore, Patti Eaton, Roberta Lansford, Babe McCleskey, Lucille Johnson, Pat Peterson, Betty Flo Fowler, Betty Williams and Miss Margie Tyson hosted a miscellaneous shower.

Play-Off Possible - -

Vega Spoils Farwell Steers Perfect District 3-A Record

A tough Vega Longhorn squad spoiled the Farwell Steers previously perfect District 3-A record last Friday night when they lashed the Blue and White, 60-49, at Vega.

The Longhorns took the game with a vengeance as the Steers had previously handed them their first district loss in round robin play. Both teams have suffered only one district loss. As a result, the outcome of place one in round robin play is still in doubt.

If the situation remains unchanged after tonight's (Friday) games a play-off match between Vega and Farwell will have to be arranged to determine the top winner in round robin.

According to Farwell athletic director Van Tom What-

ley there is a definite possibility of having a play-off game between the Steers and the Longhorns. Athletic officials at Farwell and Vega were in the process of determining the day and the sight for the game - if warranted - at press time.

In other district games the Steers whipped Kress, 57-37, Thursday, Feb. 2. The game had been postponed from the previous Tuesday due to bad weather. Tuesday night of this week, the Blue and White tangled with Bovina in Steer Gym, taking the decision, 61-45.

GIRLS WIN

The Steerettes won their first district game of the year, defeating Bovina Tuesday night, but no statistics of that game were available from Coach Bob Askey.

However, in action last Thursday and Friday the Steerettes suffered back to back defeats to Kress and Vega, with Kress downing the girls in Blue and White, 46-36, and Vega clobbering them, 71-51.

The Junior Varsity Girls also matched basketball skills with their Vega counterparts last Friday, winning by a slim 30-27 margin. Tuesday night they beat Bovina 30-18.

For the Steers, Keevin Kelley pumped in 19 points in the loss to Vega to take the

top scoring honors. Others adding points were Rowdy Chandler, 8; Robin Roberts and Clay Roberts, 6 each; Russ Jones and Vick Christian, 4 each; and Kayle Watts, 2.

"We just did not play well," commented coach Bert Roanhaus.

In the Kress match Jones hit the boards for 26 points. Also scoring were Clay Roberts, 9; Robin Roberts, 8; Chandler, 6; Kelley, 5 and Watts, 3.

"We were a little rusty not having played in six days," Roanhaus said. "We finally

started playing in the second half. We are going to have games where we don't play well and this was one of them. I'm just happy that we won. Once again it was a team effort of all the main seven players."

High scoring Steers in the Bovina game were Jones, 16; Chandler, 15; and Kelley, 14. Also scoring were C. Roberts, 7; Watts, 5; and Christian, 4.

"We played well after coming off the loss to Vega," Roanhaus said. "We had good balance on offense, dominating the boards and shooting well.

It was a team effort all the way," he concluded.

In the Steerettes game with Kress February 2, Paula Christian and Jamye Berry each pumped in 15 points. Helping out at the boards were Yalonda Martin, 4, and Jana Berry, 2.

Against Kress Friday night Christian turned in 24 points followed by Martin, 13; and Jamye Berry, 12. Peggy White also scored 2.

In the JV girls game with Vega Friday points were earned by Gina Eubank and Lisa Hughes, 6 each; Jana

Berry and Kim Marsh, 4 each; Dondra Geries, Deana Hager and Carole Perkins, 2 each; and Karyn Blain, 1.

Scoring points in the Bovina game were Blain, 9; Berry, 8; Hughes and Christian, 4 each; Perkins, 3; and Geries, 2.

Upcoming games include the varsity and JV girls and the varsity boys traveling to Springlake-Earth tonight (Friday). The District 3-A tournament will be played at the Hereford High School Gym February 16-18.

and head football coach, were renewed for the 1978-79 school year.

In other business, reports from each of the schools were heard and the Board approved all reports except the financial report which contained errors.

Jack Allan Kirkland reported on the progress made on the audit of the payroll account. In other action it was

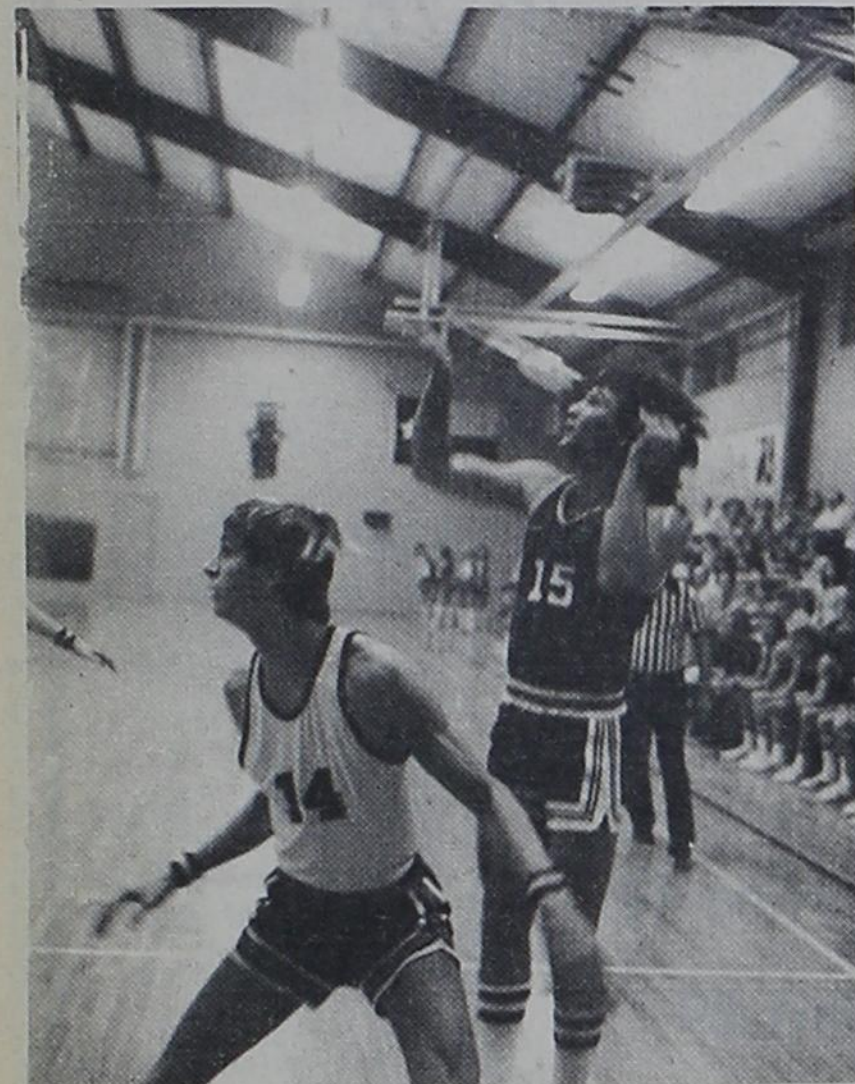

decided to offer two school buses for sale - a 1969 Chevrolet and a 1972 Ford.

The Board also approved the school calendar with some revisions. Classes for the 1978-79 school year will begin Aug. 28, 1978. Holidays will include Thanksgiving, November 23-24; Christmas, December 21-January 2; spring break, March 19-23; and Easter, April 13-16.

The first three quarters will end on November 17, February 22 and May 25, respectively.

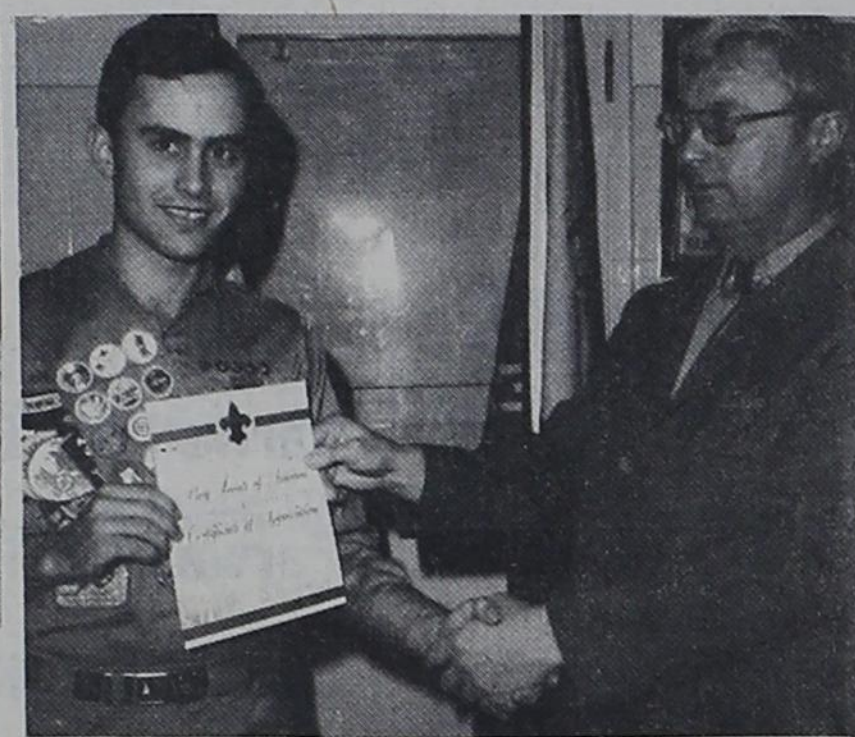

The calendar includes 175 school days and eight days of in-service for the teachers. Teacher work days and in-service days will be as follows: August 21-25; November 3, February 23 and May 25.

Roberts, superintendent; Dolores Vaughn, Tom Knoy, Jerry Yows, Lynn Burton, Van Whatley, Don Alana, Elizabeth Phillips, Lynn Roberts, Billie Worley, Clay Williams and Jack Allan Kirkland.

Keevin Konnects

Keevin Kelley, No. 15 for the Farwell Steers, is caught by the camera in his follow-through after connecting on a two-pointer in the Farwell-Vega district battle at Vega Friday night. Kelley, a senior, hit for 19 to be the game's top scorer. The Steers suffered their first district loss in the outing.

Scouting Certificate

Guy Whitesides, Farwell Boy Scout and son of Mr. and Mrs. Bill Whitesides, receives a Boy Scouts of America Certificate of Appreciation from Jim Cowman of Clovis, district executive of the Conquistador Council. The presentation took place Thursday of last week at the annual Farwell Cub Scout Blue and Gold Banquet. Whitesides received the honor because for the past five years he has served the local Cub Scouts as den chief. This is Whitesides' last month to be in Scouts as he turns 18 February 22.

7th Boys Win - -

Farwell 8th Girls Finish Second In District Play

The Farwell 8th girls took Springlake-Earth for a 20-13 victory Monday night, finishing the season with a 7-3 district record and a 13-6 overall record. The final victory was enough to place the future Steerettes in the runner-up slot in District 3-A.

The 7th girls lost to Springlake, 23-11.

In a somewhat spectacular upset the 7th Yearlings won their first game of the season, 27-23, besting a surprised Springlake 7th squad. It took a tough-fought overtime stand for the local boys to claim the win, but they stuck to their guns and came out on top.

The 8th Yearlings fell to Springlake, 36-21.

Scoring points in the 8th girls game Janene Berry and Karen Magness, 6 each; Kay Geuther, 4; and Ginger Ellison and Darissa Ford, 2 each.

For the 7th girls Kelly Davis turned in 6 points and Kenda Hager made 5. They finished the season with a 1-9 record.

Scoring points for the 7th boys were Frank Cantu, 14; Elcio Silva, 6; Rene Reyes, 5; and Wade Kent and Tim Watkins, 1 each.

Point makers in the 8th Yearlings game were Waverly Coates, 9; Blake Buchenau, 6; David Daniel, 4; and Brent Green, 2.

First District Loss - -

Texico Varsity Girls Bow To Dexter Demons

All good things must come to an end. Friday night, that is just what happened - temporarily at least - as the previously undefeated Texico varsity girls in loop play lost their first district match to Dexter, 49-36. The loss gave the Wolverines a 4-1 district record and a 9-8 overall season record.

All is not yet lost, however, as the girls in Green and White still have a shot at the number one place in district. If the Wolverine girls prove victorious over Jal tonight (Friday), they will become the first place team, thus assuring themselves of an automatic

place in the upcoming Regional tournament.

District tournament action gets underway Thursday of next week, Feb. 16, when the third seeded team will face the fourth place team at the home court of the third place team. The second seeded team will meet the winner of the Tuesday, Feb. 14, match on Friday, Feb. 17, at the second place sight. The top ranked team will then play the winner of Thursday's competition.

The Wolverines girls whipped Melrose, 50-46, Saturday.

The Texico varsity boys suffered back to back losses Friday and Saturday as Dex-

ter bested them, 68-63, and Melrose rolled past the Green and White, 81-61.

In boys junior varsity action Friday, Dexter buried the local JV, 69-30, and Melrose surpassed the local JV by a 68-57 score.

High scorer for the Wolverine varsity girls in the Dexter game was Christi Harrington with 14. Others scoring were Tonye Harrington and Flo Orozco, 8 each; Teresa Turner, 4; and Delia Madrid, 2. Leading rebounders were C. Harrington with 7 and T. Harrington with 6.

"We just couldn't get started. Everything we tossed up came popping back out of the basket," commented Coach Kathy Culshaw. "We didn't play a bad ballgame but we just couldn't catch up."

Scoring in the Melrose game were T. Harrington with 18; C. Harrington, 9; Orozco, 8; Jana Jesko and Celia Johnson, 4 each; and L. Harrington, 2. T. Harrington led in rebounds with 8.

"The girls started like a ball of fire scoring 32 points in the

first half," Coach Culshaw said. "After halftime they scored only 8 points to 16 for Melrose; but they came back in the fourth quarter to outscore Melrose by four points. They had a tremendous first half but fell asleep the third quarter, waking up just in time to win the ballgame," commented the coach.

For the Wolverine varsity boys, the high scorer in the Dexter shootout was Steve Turner with 26 followed by Eloy Ortiz with 14. Also scoring were Ricky Orozco, 9; James Hadley, 6; Duwain Hill, 4; and Keith Hadley and James Barfield, 2 each. Turner also led in rebounds making 14.

"It was a good game but we made too many mistakes," commented Coach Billy Carlyle. "Next time it counts."

Turner pumped in 29 points against Melrose, followed by K. Hadley with 11; Orozco, 8; Hill, 7; Lacy, 4; and J. Hadley, Ortiz and Barfield, 2 each. Leading rebounder was Turner with 10.

"We played very poor and Melrose played very well," Carlyle summarized after the defeat.

In the JV game with Dexter, Britt Crooks hit for 11 points to take top scoring honors. Others adding to the score were Neale Haile, 8; Farris DeFoor, 6; and Jimmy Reid, and Steve Doolittle, 2 each. Reid led in rebounds with 9 to his credit.

In the JV's loss to Melrose, Doolittle was high point man with 15. Others hitting the boards were Crooks, 11; Haile, and Clyde Bibbs, 8 each; DeFoor, 7; Reid, 4 and Kittrell, 2. Crooks led in rebounds with 9.

"We just aren't playing well," Carlyle said.

Upcoming games include the varsity boys and girls meeting Jal tonight (Friday) and tomorrow (Saturday). Future action includes the girls district tournament and the homecoming game slated for February 18 when the varsity and JV boys take on San Jon.

THE FRUIT OF GRACE

When John the Baptist and the Lord Jesus Christ appeared on earth, God's people had been under the law of Moses for fifteen hundred years. Little wonder John and his Master looked for fruit among them.

When the hypocritical religious leaders came to join John's growing audience and asked to be baptized, John called them a "generation of vipers" and bade them "bring forth fruits fit for repentance" (Matthew 3:7,8). True repentance with fruit to prove it, was the basic requirement of the kingdom John proclaimed. This is evident from his declaration:

"And now also the axe is laid to the root of the trees; therefore every tree which bringeth not forth good fruit is hewn down, and cast into the fire" (Matthew 3:10).

Our Lord appeared proclaiming the same message at John, and also sought for fruit among His people (Matthew 7:16-20; 21:33-43). We know, however, that John the Baptist was beheaded and Christ crucified. The fruit produced under the law was meager indeed. Even after the resurrection of Christ the majority of His people refused to repent and failed to bring forth

the required fruit.

But what the law requires, grace provides. It was at this time that God raised up the Apostle Paul, whose "preaching of the cross" showed that Christ had not died an untimely death, but in infinite love had come into the world to die for sinners so that they might be saved by grace, through faith (Ephesians 2:8,9). Paul's message was called "the gospel [good news] of the grace of God" (Acts 20:24) and where the law had failed to bring forth fruit, grace brought it forth abundantly.

Those who fear that the proclamation of grace will lead to lax living greatly err, "not knowing that the goodness of God leadeth to repentance" (Romans 2:4). God's grace in Christ, when accepted in true faith, always brings forth good fruit. Thus Paul wrote to the Colossians that his good news was going forth into all the world, adding: "and bringeth forth fruit, as it doth also in you since, ye knew the grace of God in truth" (Col. 1:5,6 cf., Rom. 6:21,22).

Accept God's message of grace, trust in Christ as your Savior and He will help you to produce the fruit.

Sheriff's Report

Parmer County Sheriff Charles Lovelace reports that the Sheriff's Department has been investigating the vandalism which occurred Friday at Farwell High School. The culprits apparently wrote on the windows and door glasses with soap. In addition they also broke out a plate glass window. According to Lovelace a rock was thrown through the window.

Steve Fields of Lubbock was returned here from Muleshoe Tuesday, Lovelace said. He was charged with theft because he drove away from Allsup's in Farwell without paying for the gas he had put in his car.

Roy Fuentes of Bovina is in custody on charges of burglary and violation of parole. Sheriff Lovelace said that Fuentes is wanted in connection with the burglary of the Fred Horne private garage and the Joe Alanis home, both in Bovina. Lovelace said he was already serving four years parole for burglary.

Also under investigation are several obscene phone calls which were made in the Farwell area January 29. The investigation continues into the case of batteries being taken from irrigation wells in the county. The latest victim is the W.D. Howard farm north of Farwell.

Car vs Utility Pole

Parmer County Deputy Sheriff Bill Morgan investigated this accident Wednesday in which Robert L. Finnen of Clovis collided with a high line pole near Allsup's store in Farwell. No injuries were reported. Morgan said Finnen, who was driving a 1973 Buick, apparently went to sleep at the wheel. He added that the snowy and icy conditions of the day did not figure into the accident. According to Morgan no citations will be issued. Southwestern Public Service Company personnel were on the job swiftly to repair the damage.

Grain Reserve Program Available To Farmers

The Grain Reserve Program (announced a few weeks ago) gives a farmer the opportunity to hold his grain crop (s) under loan for a period of three years beyond the regular grain loan maturity date, according to Prentice Mills, County executive director of the Agricultural, Stabilization and Conservation Service.

Crops eligible under this program are: 1977 and 1976 crops Wheat, Corn, Grain Sorghum, Barley, and Oats. Any of these grains can be placed under loan for three years beyond the normal loan maturity date for the commodity.

The Reserve Program for Wheat and Feed Grain has the dual purpose of isolating supplies from the marketplace when supplies are excessive, and returning these supplies to the market when prices improve. Under the Reserve Program, farmers may sign an agreement for a period of three years and receive annual storage payments in advance. To participate in the

program you must file a request for price support no later than:

1. February 28, 1978, in the case of 1976 crop Barley, Oats and Wheat.
2. March 31, 1978, in the case of 1977 crop Barley, Oats and Wheat.

Starting March 1, all of 1976 and 1977 crop Barley, Oats and Wheat under loan may be

placed immediately into the Reserve Program. Program goals, in the form of quantities, have been established for the program. Participation will be on a first come, first served basis until the goals are reached.

Grain producers are invited to contact the County ASCS Office for additional information concerning this program.
