

# THE STATE LINE TRIBUNE

"OFFICIAL PUBLICATION OF PARMER COUNTY"

NUMBER 26

SIXTY-FOURTH YEAR

15 CENTS

Isn't there anything worth seeing in Parmer County? Evidently not, according to the West Texas Chamber of Commerce. But don't feel too badly. Lubbock is accorded only a small note as being the place for Texas Tech University, while its arch rival Amarillo is touted as a natural stopping place for tourists.

We suspect that the new West Texas Chamber of Commerce fun and adventure map was put together via the commercial interest route rather than an objective reporting of sights, sounds and scenery in the vast West Texas area.

While Lubbockites may have a beef about the rather short space devoted to their fair city, we folks in Parmer County shouldn't have much to say either. We just don't have an outstanding tourist attraction. Of course, there are folks who might like to see some of the most productive farmland in the country, while others may be interested in our irrigation systems, or others may take an interest in our large feed yard operations.

These attributes are not good material from a ballyhoo standpoint. So we would suggest that some thought be given to uncovering, promoting or creating some tourist attraction that will get us included in a "points of interest" map of the West Texas area.

As a last resort we could point to one of our feed yards and tout it as the biggest pile of BS outside of Congress.

The spring sport schedule is upon us and the Texico-Farwell Lions Club is entering into the spirit of the season. This Saturday the Lions will sponsor its 4th annual Twin Cities Relays at the Farwell athletic field.

Both boys and girls track squads will be well represented from all over the Golden Spread. We are sure that a person can see some of the area's outstanding athletes in action.

As an added inducement there is no admission charge for the event. Also, there will be a concession stand, full of all kinds of goodies to help the day along.

Oh yes, almost forgot to mention it, but there are several spots that could stand some help from interested spectators. If you would like to participate in staging the numerous events, just report to the Farwell athletic department field house at eight o'clock in the A.M. to get your assignment and a cup o' coffee with a sinker.

It looks as if we are going to have a Third, Fourth and Fifth of July this bicentennial year. The Twin Cities group sponsoring the local celebration has chosen the Third as our day of celebration. This year, fittingly enough, the Fourth falls on a Sunday. Therefore, the federal government has also designated the Fifth as a holiday.

With the roots of patriotism and religion running deep in the fabric of our way of life, the churches in the Twin Cities on Sunday morning, the Fourth of July, nineteen hundred and seventy-six, should see a standing room only situation.

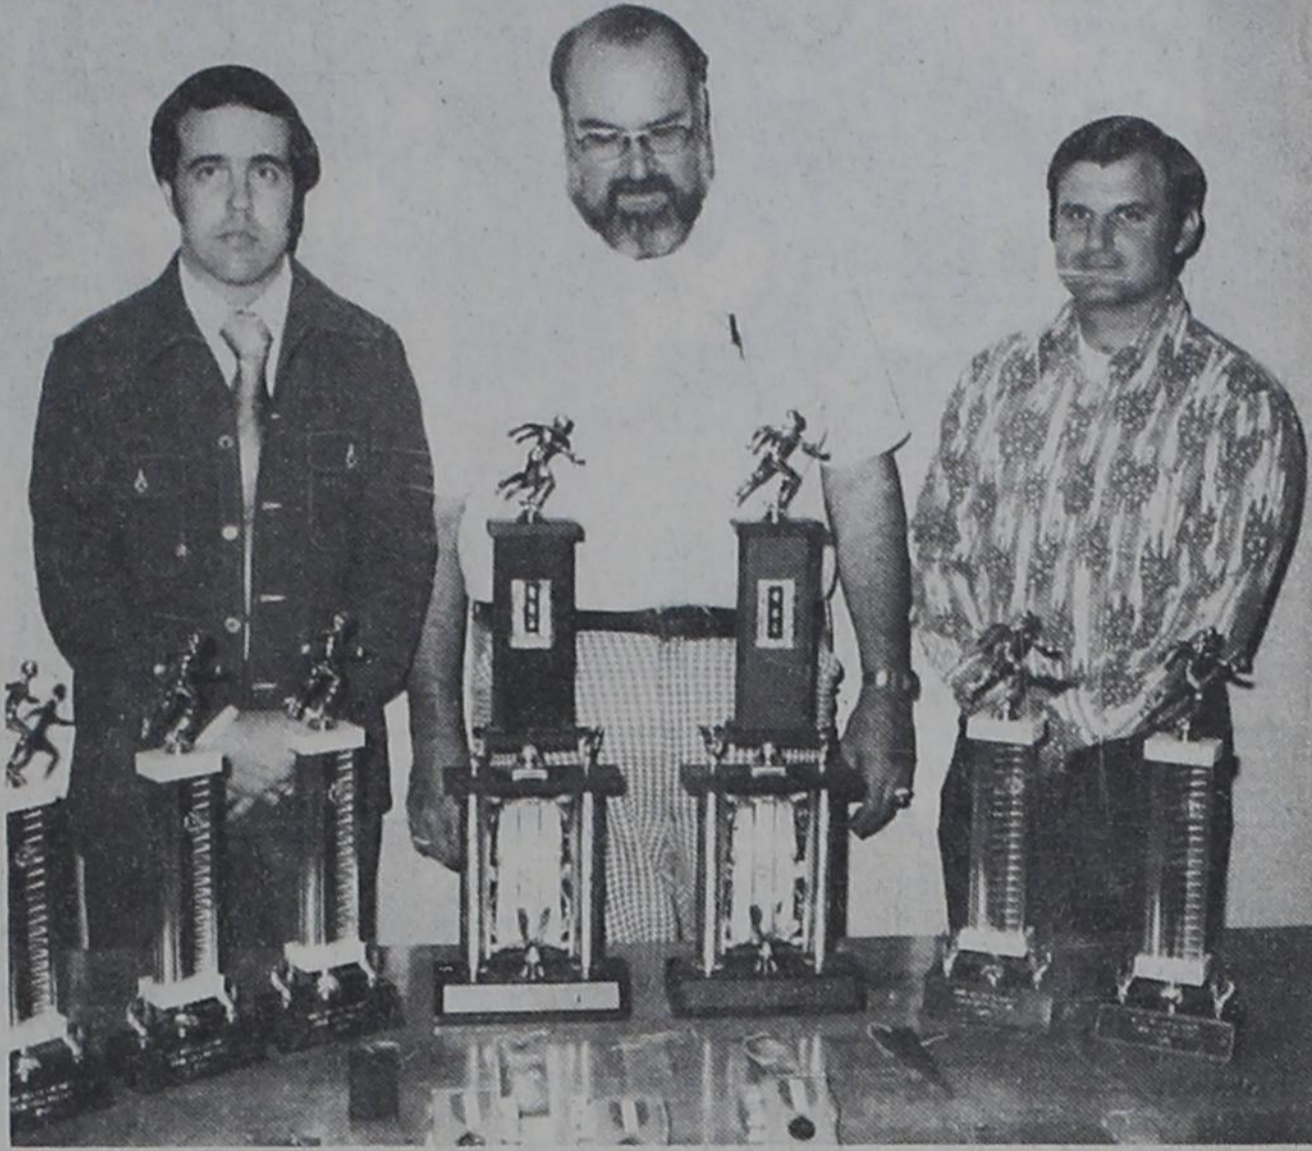

How fitting it is that we all can go to the church of our choice and worship God in the manner of our individual conscience on a Sunday morning marking the 200th anniversary of the signing of the declaration of our country's independence. PRAISE THE LORD!

**Moisture Recorded**  
The Twin Cities area received a small amount of needed moisture earlier this week.

Fred Chandler recorded .25 of an inch of moisture Monday, March 8, at the Sherley-Anderson-Pitman elevator in Farwell.

Mrs. B. A. Rogers of Texico reported .15 of an inch on Monday morning.

At Clovis, Alvin Woodburn, official area observer for the National Weather Service, recorded .20 on Monday, the first measurable moisture for March. Woodburn recorded .37 of an inch for the month of February.

**MEET AWARDS** - Looking over trophies and other awards to be presented at the Fourth Annual Twin Cities Relay at the Farwell High School track Saturday, March 13, are from left to right: Jim Walker and James Craig, both members of the Texico-Farwell Lions Club track meet committee, and Jim Yakubovsky, Farwell's head track coach. The two large trophies shown will be awarded to the first place boys and girls teams. The other five trophies will be given in the relays. Gold, silver and bronze medals will be awarded to tracksters placing first, second and third, respectively, in each event. Ribbons will be given for fourth, fifth and sixth places. Field events will start the meet at 9 a.m. CST Saturday.

## Texico Chamber Elects Directors, Plans Banquet

The Texico Chamber of Commerce elected 1976-77 directors and finalized plans for the annual banquet at the group's regular monthly meeting Monday night, March 8, according to Louise Engram, secretary.

Elected directors were: Jim Pierce, Mrs. Engram, Joe Caywood, Tony Mendoza, Lewis Cooper, and Bill Thigpen. A.D. McDonald, current chamber president, also will serve as a director during the coming year. Outgoing director will be Doyle Larue.

The directors will hold a special meeting Monday, March 15, to elect 1976-77 officers. The newly elected officers and directors will be introduced at the chamber's banquet scheduled for Saturday, April 17, at the Texico High School Cafeteria.

Guest speaker for the annual event will be Ed Weber, vice president of public relations

for Southwestern Public Service Co. Banquet tickets, which will be \$3.50 apiece, can be purchased from any member of the chamber or Mendoza or Caywood, co-chairmen for ticket sales.

In addition to McDonald and Mrs. Engram, the other current chamber officer is Thigpen, vice president.

In other business Monday night, Caywood, who serves as president of the Texico Planning Commission, discussed the advisability of his group continuing to hold joint meetings with the chamber, however, no action was taken, according to Mrs. Engram.

The chamber also voted to pay one-third of the city's bill for 1975 Christmas lighting and heard a report that the chamber was being asked to contribute \$50 to the Twin Cities Independence Day celebration in July.

**Tickets Now On Sale For Farwell Banquet**

Tickets went on sale this week for the Farwell Chamber of Commerce's annual banquet scheduled for 7:30 p.m. CST Monday, March 29, in the Farwell High School Cafeteria, according to Dutch Quickel, chamber secretary.

Tickets at \$5 each may be purchased from Quickel or any member of the chamber's board of directors.

Guest speaker for the occasion will be Kenneth Wyatt, an artist and humorist from Tahoka.

Farwell's "man and woman of the year" will be named at the annual event, and nominations are currently being sought. Quickel said anyone having a nominee for man or woman of the year should contact either him; Bob Anderson, chamber treasurer, or Pudge Rose, president.

Officers and new directors for 1976-77 also will be installed. Newly elected directors are J. B. Suddeth and W. M. Roberts. Holdover directors are: Bo Bartley, Toby Booth, Jerry Monk, Johnny Actkinson, B. J. Roberts, Gil Patschke and Rose. Directors serve staggered three-year terms.

In addition to Rose, other

Dean is assigned one of the girls as his secretary. The registrar persists in giving Dean an advance on his salary. When the real Dean comes along, he's mistakenly thought to be an escaped lunatic.

Senior class sponsors Jerry Dee Owen and Tom Adamson are serving as directors for the production. Student director is Lori Norton, with Cheryl Gohlke, Sheryl Woods and Jane Sanchez acting as aides with props, make-up, sets, etc.

Cast members include Dean Cooper, Pam Erwin, Brad Jones, David Harding, Gerald Hardage, Jacquelyn Langford, Cindy Watts, Gaye Coffman, Gay London, Kim Magness, Lannie Mason, Tim Jones and Bruce Kaltwasser.

**Cloud-Seeding Hearing Slated**

An adjudicative hearing on two applications for weather modification permits will be held by the Texas Water Development Board beginning at 10 a.m. CST Wednesday, March 17, in the Texas Tech Law School's courtroom at Lubbock, according to Parmer County Commissioner Jimmy Briggs.

Briggs said some Parmer County officials will attend the hearing.

The county commissioners court has gone on record as stating "that weather modification activities over Parmer County infringe on the individual rights of the people of Parmer County, unless a vote of the people of Parmer County authorizes such action."

The weather modification permits are being sought by Atmospherics, Inc., of Fresno, Calif., and Plains Weather Improvement Association, Inc., of Plainview.

Evangelist for the revival will be Rev. Jim Standridge, pastor of the Lazbuddie Baptist Church. Rev. Standridge was once a full-time evangelist. Song leader will be Tom Harlan.

Guest singers from the Lazbuddie church and Wayland Baptist College at Plainview also will be taking part in the revival.

Morning services will be at 11 a.m. MST daily; evening services will be at 7 p.m. MST daily. A nursery will be provided for all services.

## Farwell First Baptist Schedules Revival

Dr. Robert Gee Witty, seminary president and well-known author, will be evangelist for a revival to be conducted at the Farwell First Baptist Church Sunday, March 14, through Saturday, March 20.

Morning services will be at 10 a.m. CST, and evening services will be at 8 p.m. CST. A nursery will be provided. Jim Chambers will be singer for the revival.

Dr. Witty is president of Luther Rice Seminary in Jacksonville, Fla. His past or present activities include a radio ministry reaching some 40 states, editor of the Fax News, member of Baptist denominational projects, and chairman of trustees and dean of the graduate school at Luther Rice Seminary. He also has served on the boards of the following organizations: Christ For the World, Inc.; Fredericksburg Bible Institute, Inc.; Baptist Towers, Inc.; All India Prayer Fellowship, and Baptist Faith and Message, Fellowship.

He has authored the following books: Should a Christian Dance, The Rhetoric of Isaac Watts, Power for the Church, Revival Preparation Handbook, Church Visitation, Help Yourself to Happiness, Signs of the Second Coming, and Jesus is Lord.

Witty has held several denominational offices including the presidency and vice presidency of the Jacksonville Baptist Minister's Conference. He was twice vice president of the Florida Baptist Convention and chairman of several state and local committees.

## Rehearsal - Wesley Hukill as "Roland" and Gaye Coffman as "Margarie" act out a scene during rehearsal for the Farwell senior class play, "They Gave Him a Co-ed," which will be presented at 8 p.m. CST tonight (March 12) in the Farwell High School Auditorium.

## Three-Act Comedy - -

## Farwell Senior Class Presents Play Tonight

The Farwell High School senior class play, "They Gave Him a Co-ed," will be presented beginning at 8 p.m. CST tonight (March 12) in the high school auditorium.

Tickets for the three-act comedy may be purchased from any member of the Farwell senior class or at the door prior to the play. Adult tickets are \$1.25 in advance and \$1.50 at the door; youth tickets are 75 cents in advance and \$1 at the door.

The senior class also will conduct a bake sale in the foyer of the auditorium before the play to raise money for the senior trip.

The play, authored by John Nash, is set in the lounge room of a college assembly building. The topic of the hour is a new Dean, Charles Bradley Brown, whose arrival is momentarily expected. In pops a new student with the coincidental name of Dean Brown. He's a plain, unvarnished American boy, simply unimpressed with his many educational shortcomings, yet frank and breezy as youth can be. His name electrifies the group of students and then the "fun

July 4th Scheduled July 3rd

Members of the recently formed Twin Cities Independence Day Celebration Committee agreed last week to proceed with plans for a large Bicentennial Fourth of July celebration this year. There's only one catch - the celebration will be on July 3.

Lewis Cooper of Farwell, chairman of the committee, said the group decided to schedule the celebration for July 3 since July 4 would fall on a Sunday.

The celebration will be sponsored by the Farwell and Texico Chambers of Commerce, the Farwell and Texico Volunteer Fire Departments and various civic organizations in the two communities.

Cooper said several activities are being planned for the celebration, however, the only definite project scheduled thus far is a fireworks display to be conducted by the fire departments.

The committee will meet again at 8 p.m. CST Tuesday, March 16, at Clara's Spur Restaurant to discuss other proposed activities.

Dutch Quickel of Farwell is vice chairman of the committee, and Mrs. Arlye Crooks of Texico is secretary.

## Farwell Concert March 14

All Farwell schools' concert bands will be featured in the annual spring concert to be held at 3 p.m. CST Sunday, March 14, in the Farwell High School Auditorium, according to Lynn Burton, band director. Admission will be \$1 for adults and 50 cents for students.

The high school band will perform its contest numbers. A trombone trio composed of Bruce Kaltwasser, Brad Jones and Truitt Smith also will perform. In addition, films of the UIL Marching Contest held in Lubbock last November will be shown.

The junior high band will be performing "Winchester March," "The World is a Ghetto," "Whose Blues," and "Dragons and Jet Planes."

The high school band is getting ready for a University Interscholastic League (UIL) contest performance at Wayland Baptist College in Plainview on March 19.

The junior high band will be going to a UIL contest performance at Monterrey High School in Lubbock on April 8.

The cadet and elementary bands will be performing in a regional UIL concert contest at Friona on May 1.

## Hospital, School Boards - -

# Elections Stir Few Area Candidates

The Saturday, April 3, elections for seats on the Farwell Hospital District Board, the Farwell School Board, and the Parmer County School Board apparently failed to stir much candidate interest since several incumbents are seeking re-election unopposed.

The deadline for filing as a candidate for any of the three boards passed at 5 p.m. CST Wednesday, March 3, with the only contested races being for the Farwell School Board.

Unopposed for re-election to four, two-year terms on the hospital board are: Don Williams, Charles Aycock, Carrie Anderson and Rev. W. T. Perry.

Incumbents Wendol Christian of Oklahoma Lane and Gene Smith of Lazbuddie are unopposed in seeking the county-at-large slot and the Lazbuddie trustee seat, respectively, on the county school board.

The Farwell School Board, with the only contested posts,

was also the only board to form a nominating committee to seek out potential candidates. Although any qualified candidate could file, only those nominated are running.

Seeking three, regular three-year terms on the Farwell School Board are Mike Camp and the three incumbents, Gilbert Kaltwasser, Ted Magness and Wilbert Kalbas.

Doyle Ford and Bo Bartley are candidates for the vacant two-year post created by the recent resignation of Charles Aycock.

Separate ballots will be used for the hospital and school elections. The at-large candidate for county school board will appear on the Farwell School Board ballot. Ballots will be printed in English and Spanish.

## Juel Treider Services Held

Services for Juel Lanard Treider, 69, of Lazbuddie were held Sunday, Feb. 29, in First Baptist Church at Lazbuddie. Burial was in Lazbuddie Cemetery under the direction of Parsons-Ellis Funeral Home of Friona.

Mr. Treider died at 5 p.m. Thursday, Feb. 26, in Parmer County Community Hospital in Friona.

A native of Little Turkey, Iowa, he had been a resident of the Lazbuddie community since 1908. He was married to Frances Menefee on June 15, 1927, in Farwell. Mr. Treider

was a retired farmer and a member of the Baptist church for 48 years.

Survivors include his wife four daughters, Mrs. Billie McGee of Oxnard, Calif., Mrs. Bobbi Grant of Colorado Springs, Colo., Mrs. Jeanette Williams of Cortez, Colo., and Mrs. Imogene Cox of Bovina; two sons, Ted of Lazbuddie and Larry of Lubbock; two sisters, Mrs. Gladys Cheyne of Amarillo and Mrs. Clara Brown of Carlsbad, N.M.; a brother, Melvin of Plains; 21 grandchildren; and six great-grandchildren.

the home inscribed with either the name of the donor or whomever he designates.

Mills said any size donation will be appreciated and the donor recognized in some manner.

Mills also pointed out that the nursing home will be an ongoing project and donations can be used both now and in the future. He suggested persons might want to remember the nursing home in their wills. "Local attorneys have assured hospital board members that their fees for changing wills in this regard will be very reasonable," he said.

He also said money is needed for remodeling the Farwell medical clinic building so that it can be used by a dentist and two physicians. The clinic remodeling is expected to cost \$15,000 to \$18,000, he said.

Mills said, "Some remodeling money will probably come

from the hospital district's tax levy, however, the majority will come from personal contributions."

He said persons may earmark their donations for either the nursing home, the clinic, or just general work of the hospital district, and the money will be applied as designated.

Donations may be made at Security State Bank in Farwell. Checks should be written out to: "The Farwell Hospital District."

All contributions are tax deductible, Mills said. Anyone wanting further information may contact Mills at 481-3311 or 481-3405.

## B. Cylvan Morgan Buried At Texico

Graveside services for B. Cylvan Morgan, 67, were conducted Friday, March 5, in the Texico Cemetery with Rev. Joel Horne of the First Baptist Church of Texico, officiating.

Mr. Morgan was born March 8, 1908 in Limestone County, Tex., and had lived most of his life in Sudan, Tex. He died in Permian General Hospital, Andrews, Tex., where he had been hospitalized for several years.

Survivors include his mother, Mrs. Joe L. Morgan of Texico; five sisters, Mrs. Reed Larson of Marlin, Tex., Mrs. Bonnie Kern, Mrs. Otis Graham, and Mrs. Dewey Anderson all of Pomona, Calif., Mrs. Perry Winkles of Texico; four brothers, Alton B. Morgan of Odesa, Tex., Aubra E. Morgan of Sudan, Tex., Jim Morgan of Texico, and Quin Morgan of Hinton, Okla.

## Attend Funeral

Mrs. Onie Bradshaw and Rufus Carter attended the funeral Friday, March 5, of her brother-in-law and his son-in-law, Duke M. Baker of Lubbock. Services and burial were at Big Springs. Mr. Baker was electrocuted Sunday, Feb. 29, while working on his television in his Lubbock home.

## Funeral Services Today For Mrs. Edith V. White

Funeral services for Mrs. Edith Vernette White, 85, who died Monday night, March 8, in a Roswell, N.M., hospital, will be held at 2 p.m. CST today, March 12, from the Hamlin Memorial United Methodist Church with the Rev. W. T. Perry officiating.

Burial will be in Sunset Terrace Memorial Park under the direction of Steed-Todd Funeral Home.

Born Jan. 5, 1891 in Clark County, Ark., Mrs. White came to the Farwell area in 1918. She and her late husband, Claude A. White, farmed near Farwell. She was a member of the Hamlin Memorial United Methodist Church. Mrs. White had resided at 400 Second St. in Farwell for more

than 50 years.

Survivors include: two daughters, Mrs. Marjorie Parker and Mrs. Dealva Wojinski, both of Roswell; five grandchildren; six great-grandchildren; two sisters, Mrs. Pierre Rowe of Santa Anna, Tex., and Mrs. Millie Walker of Mesa, Ariz.; and one brother, Roy Wood of Jasper, Tex. Her husband preceded her in death in 1964.

Pallbearers will be: Bob Anderson, Charles Lovelace, Lee Capps, Claude Rose Jr., Joel White and Henry White. Honorary pallbearers include: H. Y. Overstreet, Bob Hammonds, Grady Herrington, Claude Rose Sr., Albert Smith, Gabe Anderson, Sam Aldridge, L. R. Vincent and Otis Huggins.

## C. A. Raulie Is Dead

Funeral services for Carra Adam Raulie, 78, of Texico were held Monday morning, March 8, in the Steed Memorial Chapel with President Blake Wayman of the Church of Jesus Christ of Latter Day Saints officiating. Burial was in Mission Garden of Memorials. He died Thursday, March 4, at Memorial Hospital in Clovis.

Mr. Raulie was born April 21, 1897 in Missouri. He came to Texico in 1908 and lived

there the remainder of his life. He was a World War I veteran. He farmed with his father and brothers before going into the real estate business which he operated for 40 years before retiring.

Survivors include a niece, Mrs. Barbara Ann Kendall of Salt Lake City, Utah; and a nephew, William W. Raulie Jr., of Clovis.

Steed-Todd Funeral Home was in charge of arrangements.

## Georgia Matthews Dies

Funeral services for Mrs. Georgia Matthews, 91, who died Tuesday, March 2, were conducted Sunday afternoon, March 7, from the Keel Funeral Home, Gainesville, Tex. Mrs. Matthews was the mother of Mrs. Virgie Harding of Texico and grandmother of Warren Harding of Texico.

Burial was in the Era Cemetery, Era, Tex.

Mrs. Matthews was born January 26, 1885 in Boston, Tex. and came to Texico in 1927. She was a member of the Baptist Church.

Grandsons of Mrs. Matthews were pallbearers. Steed-Todd Funeral Home was in charge.

## Former Texico Resident Dies

Funeral services for John H. Shepherd, 50, a former Texico resident, were held Friday afternoon, March 5, at Steed Memorial Chapel with the Rev. Donald Mattingley of Paramount Baptist Church officiating.

Mr. Shepherd died Wednesday, March 3, at Cannon AFB hospital. He retired from the Air Force. He grew up and attended school in Texico.

Survivors include his mother, Mrs. Mary Shepherd of Clovis; two brothers, Aubrey of Odesa, Tex., and Samuel of Wichita Falls, Tex.; two sisters, Mrs. Edna Lamb of Oklahoma City, Okla., and Mrs. Albert Carter of Clovis.

Burial was in the Lawn Haven cemetery.

## Services Held For G. B. Buske

Services for prominent long-time Friona resident G.B. (Pete) Buske, 67, were held Tuesday, March 9, in the First Baptist Church at Friona.

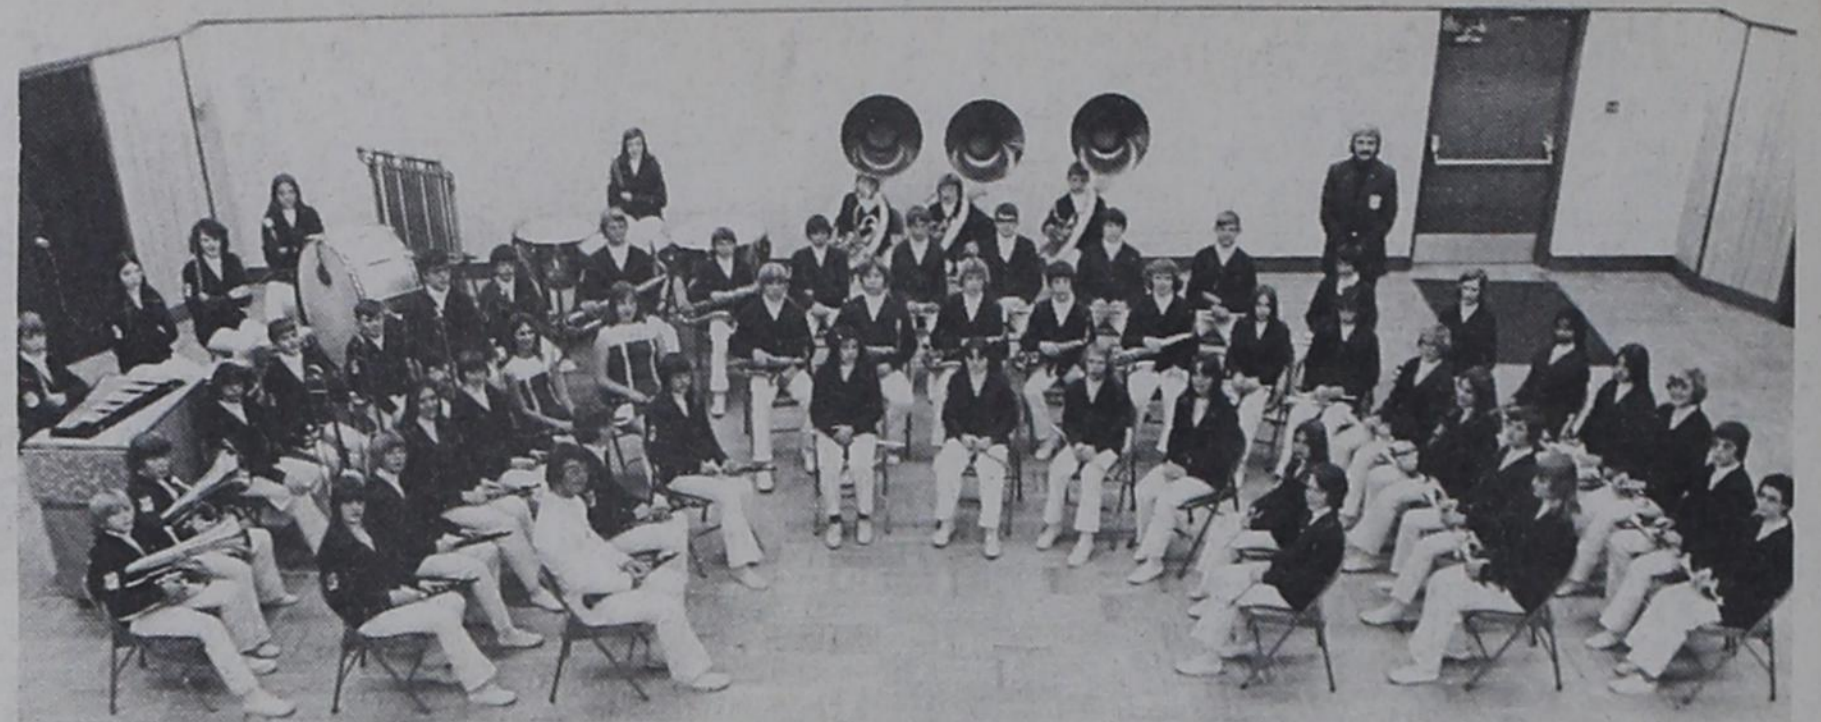

Officiating were the Rev. C. H. Murphy, pastor; the Rev. Charles Broadhurst, former pastor of the church and now of Lubbock; Dr. Neil Record of Wayland Baptist College in Plainview; and the Rev. Clayton Day of Southwestern Baptist Theological Seminary in Fort Worth.

Burial was in Friona Cemetery under direction of Parsons-Ellis Funeral Home.

Mr. Buske died at 7:20 a.m. Sunday, March 7, in the Parmer County Community Hospital.

The 47-year Friona resident was a member and deacon of the Baptist Church. He was named Friona Man of the Year in 1970 by the Friona Chamber of Commerce.

Survivors include his wife, Myrl; three daughters, Deann, Styles of Richmond, Va., Lila Gay Vars of Canyon and Phila May Weatherly of Friona; a son B.K. (Kim) of Friona; four sisters, Mrs. Lizzie Young of Abernathy, Mrs. Ollie Nichols of Happy, Mrs. Charlene Nichols of Klamath Falls, Ore., and Mrs. Lois Webb of Medford, Ore.; four brothers, W.F. and J.B. both of Friona, J.F. of Abernathy and C.R. of Amarillo; and eight grandchildren.

SPRING CONCERT - The Farwell Junior High Concert Band, shown here, is one of the Farwell school bands which will be featured in the annual spring concert to be held at 3

## Services Held For Mrs. Oliver Sikes

Funeral services for a former longtime Farwell resident, Mrs. Oliver Sikes, 83, were conducted Monday afternoon, March 8, from Hampton-Vaughn Funeral Home in Wichita Falls, Tex. Burial was in Crestview Memorial Park at Wichita Falls.

Alfa Sikes died Wednesday, March 3, in Wichita Falls. She was born December 25, 1892 in Plainview and came to the Farwell area in 1920. She married Oliver Sikes in 1923.

Mrs. Sikes was a former school teacher in the Roswell, Clovis and Farwell public schools. She was a lifetime honor member of the Teachers Association. She was a member of the First Christian Church in Clovis.

In 1936, Mr. and Mrs. Sikes formed Sikes Motor Company in Farwell and operated it until 1956 when they sold the Ford dealership and retired. The couple traveled extensively, spending the winter months in Florida and the summer months in Wichita Falls. In 1973, they sold their Farwell home and moved permanently to Wichita Falls where they maintained their residence at 2905 Yale Avenue.

Survivors include her husband, Oliver, of Wichita Falls; one stepdaughter, Ollie Mae

Sousa of Los Angeles, Calif.; one brother, J.D. Smith of Artesia, N.M.; two sisters, Mrs. Betty Woods of San Diego, Calif. and Mrs. Ellen Seals of Silver City, N.M.

Oliver Sikes recently underwent eye surgery and is recuperating at Lane Rest

Home, Wing B, 1908 West 6th Street, Wichita Falls, Tex. 76301.

Friends from this area attending the funeral services were Mr. and Mrs. E.R. Coffman of Farwell and Mrs. Vada Miller and son Ronnie of the Farwell area.

**"The way we keep your records saves time and money. And I like that because I pay a gas bill too."**

"In a day's time, I answer a lot of customer questions. And most of them are about their gas bills.

But I spend a lot less time on each call now, thanks to a new device we call 'FISH' which we have in some areas.

It gives us a customer's complete record, past and present, on microfilm. And now, I can use this easy reference instead of digging out bulky ledgers like I used to.

So, if you think I'm probably doing my

job a lot faster, you're right. And you get better service while we save time and money.

Southern Union is looking for other ideas like 'FISH' which will help keep costs down everywhere. And I like that, because I pay a gas bill too."

## Plains Sets Expo '76

Plains Equipment Co. has invited area farm families and the general public to an Allis-Chalmers Expo '76 to be held from 10 a.m. to 3 p.m. MST Monday, March 15, at the Curry County Fair Arena in Clovis. The Expo is a combination salute to America's Bicentennial birthday and introduction of the 1976 line of Allis-Chalmers agricultural equipment.

Included in the program for the event will be a presentation of the multi-screen panoramic show "Yesterday, Today and Tomorrow." The show, which tells the success story of the North American farmer, will be narrated by Jan Fazio, one of Allis-Chalmers' "eye opener girls." Miss Fazio represented Wisconsin in the 1970 Miss World-USA contest. She is now a full-time sales promotion representative for Allis-Chalmers Corp.

James Montgomery, owner of the company, said a free lunch and refreshments will be served at the Expo, and visitors will be able to take a close look at the equipment displayed.

Some of the equipment to be introduced at the Expo will be the Allis-Chalmers high horsepower two-wheel drive tractors: the 180 PTO horsepower Model 7080, the 160 PTO horsepower Model 7060, the 135 PTO horsepower Model 7040 and the 105 PTO horsepower Model 7000. The 7080 is the largest horsepower two-wheel drive farm tractor manufactured in the United States.

The new Air Champ planter will also be presented. It

features the shortest seed drop of any planter on the market, standardized plastic disks which handle a variety of seed grades and brands, only one electric motor/blower for every two or three planter units, the versatility to plant a variety of row widths and the flexibility to use either conventional minimum of no-tillage planting methods.

Gleaner combines featuring fingertip control of all important threshing operations through electro-hydraulic circuits and a six point monitoring system (nine point optional) also will be part of the show.

Representatives from the dealership's regional offices will be on hand to answer questions and provide additional information.

### Council Meets - -

## Texico To Enforce City Dog Ordinance

The Texico City Council at its regular meeting Tuesday night, March 9, agreed stricter enforcement of the community's dog ordinance is needed.

The action was taken after a complaint from Robert Lebow who said dogs running loose had been killing his chickens.

City Clerk Clara Wiehl said the trustees agreed "something needed to be done" and the city marshal was told to issue citations to persons who allow their dogs to run at large.

Dogs which are untagged and whose owners cannot be identified will be "disposed of" by the marshal, city officials said.

The Texico ordinance requires dogs to either be fenced in or contained in some manner such as a leash.

The trustees also heard a report from Joe Caywood, Texico's representative to the Eastern Plains Council of Governments, on a recent EPCOG meeting in Tucumcari during which the EPCOG's executive director was asked to resign and the group voted to move its main office from Clovis to Tucumcari.

Caywood indicated he was disturbed by some of the parliamentary procedures at the meetings such as having to vote on two matters in one motion. He asked for and received the Texico trustees' backing to continue to represent the city and to state his opinions at future EPCOG meetings.

In other business, the trustees: - decided against hiring an assistant city marshal at this time. - passed a resolution officially setting the group's meeting dates as second and fourth Tuesdays of each month for the coming year. - agreed to donate \$50 to the Twin Cities Bicentennial.

### Absentees Down - -

## Farwell Weathers Outbreak

Farwell schools apparently weathered the worst of an illness outbreak last week, and absenteeism Monday, March 8, dipped to almost normal levels.

Supt. James Perkins said school officials would continue "to keep an eye" on the situation this week, but he felt Monday that the schools were out of the crisis. "We're in pretty good shape unless it kicks back up," he said.

With absenteeism running as high as 14.9 per cent on one day last week, school officials had considered shutting down for at least two school days.

However, by late last week, the situation seemed to be improving and the schools were kept open. Perkins reported absenteeism was about 11 per cent on Thursday, March 4, and about 12 per cent on Friday, March 5.

Overall absenteeism Monday, March 8, had dropped to 36 students for 6.2 per cent, near the normal average of 5 per cent. At the elementary level where absentees had gone over the 20 per cent mark last week, only about 10 per cent of the students were out of school Monday, March 8.

Monday, March 1, was the worst day recorded last week. A breakdown on that day showed: elementary, 46 absentees for a 20.5 per cent rate; junior high, 24 for 15 per cent; high school, 15 for 8.1 per cent, and overall, 14.9 per cent.

The high absentee rate last week was blamed on flu complicated by mumps, scarletina and other illnesses.

dence Day Celebration. The request was made by Lewis Cooper.

- agreed to get a cost estimate on repairing the Santa Fe Railroad water tank which is leaking. The well is used by the City of Texico.

- told the marshal to advise a local garage operator that he was violating a city ordinance by having several junked cars around the garage.

- and heard the February police report which showed \$189 in fines collected.

Council members attending were: Mayor Manford Turnbough and Trustees Bill Thigpen, Marie Christian, Ruby Goforth and Vane Doshier. In addition to the city clerk, other employees present were Billy Hammit and Willie Ronquillo.

## Texico Pastor Is Ordained

Ordination services were recently held at the Texico First Baptist Church for the church's interim pastor, Rev. Joel Horne.

About 250 persons and some 22 deacons and preachers of the New Mexico Plains Association attended the ordination. The service officially ordained Horne as a minister of the Gospel.

James Sain gave the invocation and scriptures. Tom Sumrall gave the charge to the candidate. Jim Standridge gave the charge to the church.

Special music, "Jesus is

Lord," was sung by Tom Harlan.

The certificate of ordination was presented by Barney Kelley, chairman of the deacons. Rev. Horne then gave the benediction. Dinner followed the service.

## Center Sets Open House

The Clovis Farm Center, located north of Clovis on the Grady Highway (N.M. 18), will hold an open house Wednesday and Thursday, March 17-18, to introduce Massey-Ferguson's 1976 line of farm equipment.

In addition to introducing the new line of equipment, tractors and combines, the two-day event will be highlighted by hot-air balloon rides if the wind and weather permit.

Dave Breedlove, manager of the Clovis Farm Center, said the Massey-Ferguson balloon is decorated in bicentennial, red, white and blue colors and will be piloted by "the Magnificent Major Massey."

Refreshments will be served, and the open house will last from 7 a.m. to 5 p.m. MST each day.

Breedlove invited area farmers and the public to attend the open house to view the latest farm equipment and to take an old fashioned balloon ride.

## Local Woman Returns From Hawaiian Holiday

by Susan Franse

Estellene Billington of Farwell spent a wonderful week in beautiful Hawaii recently. She started her trip Saturday, Jan. 24, and went by plane from Lubbock to Dallas. At the Dallas airport her son, Mike Billington, and his daughter, Kelley, met her. She spent the morning with the Billingtons and her daughter, Katherine Traxon. Katherine, Mrs. Mike (Sharon) Billington, and two other women from Dallas joined Estellene for the exciting tour of Hawaii.

They arrived in Honolulu Saturday evening, just as the sun was going down. The women were met at the airport and were presented leis. They were taken on a very descriptive tour enroute to their hotel. One of the highlights of the tour was to see the hotel where Jack Lord star of Hawaii Five-O, made his first appearance on the television series.

As the tour came to an end the group was taken to eat at a restaurant aboard the Oceania, a ship at bay where they were served Chinese food. Estellene commented that the food tasted just as it would here.

Wednesday afternoon the women traveled to other islands. In the city of Kona, on the island of Hawaii, they rented a car and saw several points of interest. Among the points of interest were the coffee orchards and the sugar cane fields. The group toured a coffee factory. Estellene stated, "The Hawaiians serve their coffee there, but they don't export it. A cup of coffee costs 40 cents over there."

Estellene commented that the sugar cane fields are very pretty. She also explained, "They lease the mountains to Imperial Sugar Co. The cane looks very pretty growing. It looks like grass growing on the mountainside."

While touring the countryside, the group saw the museum of Parker Ranch. Estellene told us that it is the largest individually owned ranch in the world, and the ranch has gone through six generations.

At Kona there is an interesting mountain. On one side of the mountain it rains 212 inches a year. On the other side it just gets 12 inches. Friday night the women attended a luau hosted by the hotel where they were headquartered. "They dug a pit in which to roast the pig. They split the pig open and put hot lava rocks inside it. Then they wrapped the pig in tea leaves and other goodies and roasted it for seven to eight hours.

"The guys who were roasting the pig challenged us to pick up the lava rocks. Some of us were brave enough to pick them up. They are hot but they won't burn you like an iron will."

The torch bearers lead everyone to the hotel dining area where a social hour was held. "The fellowship was just tremendous. Everyone was so friendly!" There were boys playing guitars and those attending ate in buffet-style with a romantic setting.

At the mention of the foods served in Hawaii, Estellene commented on the food called poi. "It looks like Elmer's Glue and tastes worse. But it

has all the nutrients anyone needs."

As far as the entertainment, Estellene said she was surprised to see that the hula girls don't wear grass skirts. "They wore colorful skirts made of silk or other type material and the skirts were the handkerchief type tied at the top with a slit down one side."

"One of the beautiful sights in Hawaii is seeing the orchid gardens and the large anthuriums," the local traveler said. "The anthuriums have to grow under trees because they can't stand the sunlight."

The group also toured the Halekula National Park where the Kilauea Volcano is located. Steam is always coming through the cracks in the lava. Estellene said that three years after an eruption of a volcano, vegetation starts growing. She also stated that the guides told the travelers it only takes one inch of soil to grow anything in Hawaii.

Estellene commented on the weather being beautiful. "It was usually 80 degrees and sunny until the last day and then it was raining. It was the first time I have ever visited the islands, but it was the most exciting and beautiful trip I've taken. I would love to go again only this time I would have Sterlyn as my escort."

Estellene, Katherine, Sharon and the other two women were in Hawaii attending a beautician seminar given by Jhirmack.

"People are always asking me for new and different recipes, so I thought some people might like to try these. They may not be new, but maybe they are different from what you are eating now."

Variety meats "vary" family menus -- and add valuable nutrition at low cost.

Liver, tongue, sweetbreads, kidney and heart are variety meats that supply protein, iron and the B-vitamins.

For a top quality product, special care must be taken in preparation.

**LIVER** -- preparation: do not soak. Precook only when it is to be ground.

#### BRAISED LIVER A LA CREOLE

- 1 lb. sliced liver
- Flour
- 3 T. fat
- Salt and pepper
- 1 onion, sliced
- 2 c. cooked tomatoes

Dip liver slices in flour. Brown in hot fat. Season. Add onions and tomatoes. Cover. Simmer 30 minutes.

**SWEETBREADS**: preparation: do not soak. Precook in simmering water 15 minutes. Remove loose membrane.

#### CREAMED SWEETBREADS

- 4 T. butter
- 4 T. flour
- 2 c. milk
- 1 t. salt
- 1 lb parbroiled sweetbreads chopped
- 2 hard boiled eggs
- 6 slices toast
- 1/2 c. mushrooms

Make a white sauce of the butter, flour, milk and salt. Cut parboiled sweetbreads and hardcooked eggs in small pieces and heat in sauce. Serve on buttered toast. Serves 6.

**TONGUE** -- preparation: simmer fresh tongue in seasoned, salted water until tender. Remove outer skin.

#### JELLIED TONGUE LOAF

- 4 c. cooked tongue, ground
- 1/2 t. celery salt
- 4 T. tomato catsup
- 1/8 t. black pepper
- 2 T. vinegar
- 1 c. broth
- 1/2 T. gelatin

Soak the gelatin in 1 tablespoon of the cold broth. Heat rest of broth, add gelatin and stir until it dissolves. Don't boil. Cool and pour over other ingredients which have been blended. Pack into a dish which has been wet with cold water. Let stand in cold place till it sets. Slice to serve. Serves 8 to 10.

**KIDNEYS** -- preparation: do not soak or precook. Wash, remove outer membrane. Halve, remove fat and white veins.

#### KIDNEY STEW

- 1 lb. pork or beef kidneys

- 3 c. water
- 1 onion, sliced
- 1 t. dry mustard
- 1/8 t. pepper
- 2 T. flour
- 2 T. bacon drippings
- 1 t. salt

Cut kidneys in cubes. Soak 1 hour in cold salt water. Drain, add fresh cold water, and bring to the boiling point. Discard this water and add another 3 cups of cold water. Bring to the boiling point, skin, add sliced onions and seasonings, and simmer about 1 hour until kidneys are tender. Brown the flour in the fat and gradually add the kidneys and stock, stirring constantly. Cook slowly for about 15 minutes. Serve with hot cooked rice and a garnish of toast points. Currant jelly, lemon juice or horseradish may be added. Makes 4 servings.

**HEART** -- preparation: do not soak or presoak. Trim out fibers at top. Wash thoroughly in cold water.

#### BARBECUED PORK HEARTS

- 3 pork hearts
- 2 T. fat
- 2 medium onions
- 2 T. brown sugar
- 1/2 c. vinegar
- 1/2 c. catsup
- 1 c. water
- 3 T. Worcestershire sauce
- 1 t. salt
- 1/2 t. red pepper
- 1/2 t. chili powder

Cover with salted water and simmer until tender, about 1 1/2 to 2 hours. To make barbecue sauce, shred onions and brown lightly in melted fat in heavy skillet. Add all other ingredients except hearts and blend. Cover and simmer about 45 minutes. Cut cooked hearts in half and place in sauce in skillet. Cover and bake in moderate oven (350 degrees F.) about 30 minutes. Serve on hot fluffy rice. Makes 6 servings.

Lemon sole, the fish, has nothing to do with lemons, but it may get its name from the Latin word, *limus*, meaning mud, since it's a fish that stays at the bottom of the water.

### COFFEE Facts & Figures

Bicentennial Beverage

In 1773, Bostonians held their famous tea party and helped convert Americans to a nation of coffee drinkers. The furor caused by that act of rebellion established coffee as a "patriotic beverage."

Today, Americans drink over 140 billion cups of coffee a year, making it our most popular beverage. And, according to the National Coffee Association, coffee costs only about 3 cents per cup when served at home.

TAKING WALKS on the beach and touring Hawaii alone were a pleasure for Estellene Billington of Farwell when she recently took a "mini-vacation" to the islands. The group of women with which Mrs. Billington traveled rented a car and toured various points of interest. Here the local traveler is seen relaxing between two statues overlooking the Pacific Ocean.

## Farwell Student Named REC Speech Finalist

The names of seven finalists in the Rural Electric Youth Tour contest sponsored by the Deaf Smith Electric Cooperative were announced last week by James Hull, manager of the cooperative.

The seven juniors were selected from a group of high school juniors who gave speeches on "Rural Electric Coops -- Good for All Americans." The finalists are: Lisa Edlemon, Friona; Margie Wilhelm, Nazareth; Dorothy Gugemos, Nazareth; Carolyn Meeks, Farwell; Rose Valdez, Hereford; Philip Hand, Friona; and Dale Acker, Nazareth.

These seven young people were to give their speeches on Tuesday, March 9, to a panel

of three judges. From the group of finalists a boy and girl will be selected as winners of an all-expense-paid Rural Electric Youth Tour trip to Washington, D.C. the week of June 10.

Final judging of the contestants was to be based on the following: (1) knowledge of cooperative rural electrification, including a written test, 40 percent; (2) speaking ability, 30 percent; (3) poise, 10 percent; (4) personality, 10 percent, and (5) appearance, 10 percent.

The youth group will travel to and from Washington, D.C. by bus. Participants will be chaperoned by three adult couples.

## Sheryl Woods Feted With Bridal Shower

A bridal shower honoring Sheryl Woods, bride-elect of Greg Taylor, was held Saturday, March 6, at the First Baptist Church in Farwell. Aiding the honoree in opening gifts were her mother, Mrs. Carliss Woods, and mother of the prospective bridegroom, Mrs. Jack Taylor.

The serving table was decorated with a red cloth with a white lace overlay and a centerpiece of roses in the bride's chosen colors of red and white. Fruit punch, assorted breads, nuts and mints were served to the approximately 50 guests who attended the come-and-go shower.

Hostesses for the occasion were Mes. Orie Jones, W.O. Chadwick, J.B. Sudderth, Richard Deel, Bill Craft, Leon London, Don Gerles, Doyle Green and Jimmy Franse.

Hostesses' gift was a set of cookware.

## ESA Sorority Plans Trip To Girls Town

Theta Rho Chapter of Epsilon Sigma Alpha Sorority met Monday, March 8, in the home of Doris Ford for a regular business session.

Discussed was the upcoming trip by ESA members to Girls Town, U.S.A., near Whiteface. The chapter plans to redecorate and refurbish two rooms and a bath at the girls home during the last part of April.

A spokesman for the sorority expressed the group's appreciation to all those who donated to the project.

Other business included plans or decorations for the Farwell Chamber of Commerce banquet and fund raising plans for the group's philanthropic project, Cystic Fibrosis.

Refreshments of chocolate sheath cake, vanilla ice cream, nuts, coffee and pops were served.

Members in attendance were Faye Parr, LaMoin Williams, Betty Jean Castleberry, Linda Gerles, Dickie Chandler, Maxine Williams, Ann Liethen, Dianne Atkinson, Judy Jones and the hostess, Doris Ford.

**ENGAGEMENT ANNOUNCED** -- Mr. and Mrs. Jack Eshleman, Route 2, Clovis, wish to announce the engagement and forthcoming wedding of their daughter, Cindy, to Larry L. Livingston, son of Mr. and Mrs. Leo G. Livingston of Santa Fe. Cindy is a 1973 graduate of Texico schools and is presently working at Single Tree Western Wear, Inc., in Albuquerque. Larry attended Santa Fe High School and San Jacinto College in Houston. He is currently a parts salesman at University VW in Albuquerque. The wedding will be at 7:30 p.m. MST Saturday, April 24, in Parkland Baptist Church, Lexington and Ashford Streets in Clovis. Friends are invited to the wedding and reception.

## Study Club President To Appear At Confab

Federated club women from the West Texas area will participate in the 16th annual convention of the Caprock District, Texas Federation of Women's Clubs, March 12-13 at the Herral Memorial Auditorium in Plainview.

Mrs. Harold Green of Tahoka is president of the 65-club district and will preside over the two-day convention. Mrs. John Moffatt of Seminole, junior director, will be in charge of the eight junior study clubs in the district.

Theme will be "Caprock District, TFWC Salutes the USA: 1776-1976" and will use the three divisions of the ARBC: Heritage '76, Festival USA, Horizons '76.

Activities will get underway Friday morning (today) with an executive committee meeting at 9 a.m. The general session will begin at 1:30 p.m.

Highlighting Friday's events will be the formal awards banquet at 7 p.m. Featured speaker will be Dr. C. Gwin Morris, associate professor of social sciences at Wayland Baptist College. Club presidents will be introduced during the banquet.

The convention will end following a luncheon on Saturday when club women will hear an address by Mrs. Robert N. Tipps of Denver City, president-elect of TFWC.

Club women who will appear on the program include Mrs. Elmer Scott, President of Farwell Study Club, who will be introduced at the banquet and give a report on Saturday.

**MARRIAGE ANNOUNCED** -- Mr. and Mrs. Ellis Jones of Clovis and Mr. and Mrs. John McFarland of Farwell announce the marriage of their children, Virginia Ann and Mack Don. The couple exchanged wedding vows on February 21 at 2 o'clock in the afternoon at First Christian Church in Clovis. They are making their home in Farwell at 503 Avenue B.

## Wedding Reminders

All friends and relatives of Melanie Davison and Jon Green are reminded of the couple's wedding to be Sunday, March 14, at 2 p.m. in the First Christian Church of Texhoma, Okla.

The bride-elect is a 1974 graduate of Lazbuddie High School. Both attend West Texas State University in Canyon where Green will receive his BS degree in science in May. Miss Davison is a sophomore English major and the daughter of Mr. and Mrs. J. R. Davison of Lazbuddie.

## Two Taken To Hospital After Accident

Two persons were taken to Clovis Memorial Hospital following a three-car accident Saturday evening, March 6, on U.S. 60-70-84 in front of the Texico City Hall, according to Texico Marshal Willie Ronquillo.

John Steve Mieszcuer, 27, of Dearborn, Mich., was taken by

Texico's emergency vehicle to the hospital where he was treated for cuts and released.

Antonio Reyes, 18, was examined at the hospital and released.

Ronquillo said the accident occurred about 6:45 p.m. MST when an eastbound 1957 model car driven by Mieszcuer was struck in the rear by a 1974 vehicle driven by Fermin Meza Reyes, 23, of Friona.

The Mieszcuer vehicle was thrown into the car ahead, driven by Philip Vernon Whisner, 23, also of Michigan, according to the marshal.

Accompanying Whisner were Barbara Hoffman, 22, and Richard Francis Debene, 24, all of Dearborn. They were traveling with Mieszcuer and were returning to Michigan.

Reyes and his two brothers, Roy, 21, and Antonio, had just

left a local eating establishment and were traveling east when the collision occurred, Ronquillo said.

Fermin Reyes was cited for careless driving.

Assisting during the accident clean-up and investigation were the Texico Fire Department, the New Mexico State Police, and Glenn Fant of the Texas Highway Patrol.

## SWDC NEWS

by Herb Evans

When 30-60 miles-per-hour winds laden with dust hit your house something is going to happen. Most ladies who keep house can tell you exactly what happens.

No matter how tight windows fit, dust is going to find its way into the house, some-

how. An added attraction is noted during spring house cleaning. The outside of the windows are hard to wash because they are sand blasted and pitted.

This sand blasting takes its toll on outside paints, too. It may not be as noticeable at first, but it shows up over a year or two.

This wind and sand blasting has an effect on cropland, too. The obvious damage it does is stunting and killing crops. This may not be the most serious harm done. Shifting soil loses nutrients and structure.

The red stuff you see way up in the air during a dust storm is not sand. The sand stays on or near the ground. The dust in the air is mostly organic material and clay. These materials are the nutrient carrying substances of the soil. These losses are permanent to the potential of the soil.

What can be done to protect the home and the fields from the destructive force of the wind? Ralph Robinson and M. C. Osborn believe they have found at least a partial solution. They have decided that for spot protection windbreaks are an answer.

Planted in rows around the house, trees can reduce wind velocity from 30 miles per hour to a gentle breeze. This cuts down sand blasting and house dust.

Windbreaks have the same effect on cropland. When wind velocities are reduced on bare ground they do not have a chance to damage the soil.

Osborn and Robinson began planning their windbreaks this time last year. Now is the time for you to start planning yours for next spring.

For more information on windbreaks, their uses, patterns, and spacings, contact the Soil Conservation Service in Friona.

UNITED STATES DEPARTMENT OF AGRICULTURE SOIL CONSERVATION SERVICE

RUNNING WATER DRAW AND LOWER RUNNING WATER DRAW WATERSHED PROJECTS, TEXAS

Notice of Availability of Negative Declaration

Pursuant to Section 102 (2) (C) of the National Environmental Policy Act of 1969; part 1500.6 (e) of the Council on Environmental Quality Guidelines (38 FR 20550) August 1, 1973; and part 650.8 (b) (3) of the Soil Conservation Service Guidelines (39 FR 19651) June 3, 1974; the Soil Conservation Service, U.S. Department of Agriculture, gives notice that an environmental impact statement is not being prepared for the Lower Running Water Draw and Running Water Draw Watershed Projects, Curry County, New Mexico, and Parmer, Castro, Hale, Lamb and Swisher Counties, Texas.

The environmental assessment of this federal action indicates that the project will not create significant adverse local, regional, or national impacts on the environment and that no significant controversy is associated with the project. As a result of these findings, Mr. George C. Marks, State Conservationist, Soil Conservation Service, USDA, First National Bank Building, Temple, Texas 76501, has determined that the preparation and review of an environmental impact statement is not needed for this project. The project concerns a plan for watershed protection and flood prevention. The remaining planned works of improvement, as described in the negative declaration, include conservation land treatment supplemented

by five single-purpose flood-water retaining structures. The environmental assessment file is available for inspection during regular working hours at the following location:

Soil Conservation Service, USDA, First National Bank Building, Temple, Texas 76501

Requests for the negative declaration should be sent to the above address.

No administrative action on implementation of the proposal will be taken until 15 days after the date of this publication.

## Steers Compete At Lorenzo

The Varsity Steers of Farwell traveled to Lorenzo last weekend where they competed in the Lorenzo track meet and took sixth place in team standings.

Individual places garnered by the Steers were second in the 440 relay with a time of 46.1 by team members Travis Bibbs, Russ Jones, Chip Craft, and Mike Goettsch; third in 330-yard intermediate hurdles by Russ Jones with a time of 44.6; second in 880-yard dash by Carlos Lucio with a time of 2:11.1; fifth in pole vault by

Kent Goldsmith, 10'0"; fourth in high jump by Russ Jones, 5'10"; and sixth, 440-yard dash, Travis Bibbs, 55.0.

According to Coach Jim Yakubovsky, other Steers who performed well were Mike Goettsch in the 440 dash and mile relay; Chip Craft in the 100 and 220; Rusty McFarland in the 220 and mile relay; Terri McCully, Bruce Mayfield and DeeDee Foster in the mile run; Dan Geuther, 220; Richard Yruegas, 100; and Terry Miller in the shot-put.

"I was extremely happy

with our individual and team efforts. Goettsch and Russ Jones were sick with the flu the first half of the week, the they performed above expectations.

"Bibbs had an outstanding day running first leg of the 440 relay, placing in the 440 dash, and anchoring the mile relay. Lucio also had a fine day in the 880 dash and running the mile relay."

The coach concluded by stating, "We came in sixth of 18 teams entered in our division of competition."

## Calf Roping Scheduled To Benefit Boys Ranch

A Tri-State Championship Calf Roping Match will be held in Clovis on Sunday, May 2. The special event will be for the benefit of the New Mexico Boys Ranch of Belen and is the first of what is planned to be an annual benefit roping.

Four champion ropers from each of three states will be roping three calves each. Oklahoma will be represented by Barry Burk, Tom Ferguson, Gary Ledford and Ernie Taylor; Texas ropers will be Kenneth Kelly, Phil Lyne, Ronnie Sewall and Ed Workman; while New Mexico will be represented by Marvin Cantrell, Roy Cooper, Donald Creighton and Sylvester Mayfield. The three state match will begin at 10 a.m. MDT and will be followed by a special jackpot with 40 of the world's best professional calf ropers paying a \$500 entry fee for the privilege of roping four calves each.

Admission will be \$3.50 per person and a barbecue lunch will be served on the grounds at noon with tickets available at the gate. The Curry County

Fairgrounds Arena and facilities are being made available for the activities and a number of boys from the New Mexico Boys Ranch will be on hand to help with the serving of the barbecue.

There will be a special introduction of calf ropers at 7 p.m. Saturday, May 1, at Hotel Clovis and this will be followed by a Calcutta pool.

The calf roping match will be preceded on Saturday, May 1, by a jackpot team roping and an open barrel race beginning at 10 a.m. and sponsored by the Hat Roping Club of Clovis.

A western art exhibit and sale is being planned in conjunction with the roping benefit and will be held both May 1 and 2. It will be co-sponsored by the Cattle Capital Cow-

Belles and the Clovis-Portales Art Council. Professional artists, who are foremost in the field of western art, are expected to participate and be present for the occasion. There will be a separate division for amateur artists.

Entry fee for each art work is \$3. All art work, be it painting or sculpture, must be western in nature and must be for sale. A 20 per cent commission will be charged on all works sold with the proceeds donated to the New Mexico Boys Ranch.

Art work and entry fee will be accepted, hand-delivered, on Saturday, May 1, from 8 to 11 a.m. MDT at the Extension Building, east of the Mounted Patrol Arena at the Curry County Fairgrounds on the southeast edge of Clovis. (All works

must be picked up following the close of the show at 4 p.m., Sunday, May 2.) Paintings must be ready for hanging, or, artists are welcome to provide their own easels. Sculpture must be on artists' stands. The hanging committee reserves the right to not show any works it deems unsuitable for this type show.

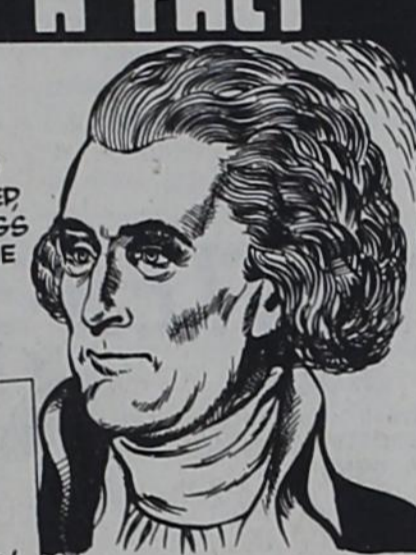

Entry cards must be filled out and returned by April 20. For further information, write or call Bette-Jane Goodwin, (505) 763-5712, address Iris Arbor Drive, Clovis, N.M. 88101. Both professional and amateur artists are invited to participate.

For further information on the calf roping contact Benny Fulgham at telephone (505) 763-6231 or Jim Calvert at (505) 763-5211 in Clovis.

### FIRE CALLS

Neither the Texico nor Farwell fire departments answered any fire calls this past week, but three emergency-related runs were made.

The Farwell rescue van was called to two separate traffic accidents on the highway near the Parmer County Feedlots at 10 a.m., March 4, and 10:20 a.m., March 5. The Bovina ambulance also answered the emergency calls.

Texico's emergency vehicle made runs to Clovis Memorial Hospital Saturday, March 6, following a traffic accident in Texico.

## JOIN IN THE SPIRIT OF EXPO '76

### What is the spirit of EXPO '76?

It's a fun-filled Bicentennial tribute to agriculture because "There wouldn't be a Bicentennial without the American farmer."

It's a little history and a lot of songs and entertainment about farming yesterday, today... and tomorrow.

It's an exciting review of the Rising Power Family... big-muscle tractors... Gleaner combines for push-button harvests... Air Champ till-or-no-till planters... high-speed implements that get your work done faster.

EXPO '76 is all this and more. Door prizes. Free Bicentennial lunch. Excitement of the multi-screen National Touring Show, presented by our Allis-Chalmers hostess. Fun for the whole family and a once-in-a-Bicentennial event you don't want to miss! Join us in the spirit of EXPO '76. Come on down!

**WHOSHALL SEPARATE US?**

"Who shall separate us from the love of Christ?" (Rom. 8:35). True Christians have been saved from the penalty of sin for one reason alone: because of the love of God, which is (revealed) in Christ Jesus our Lord.

St. John wrote by divine inspiration: "Herein is love, not that we loved God, but that He loved us, and sent His Son to be the satisfaction for our sins."

"We love Him because He first loved us" (1 John 4:10, 19).

It is not our love to Him, then, but His love to us, that saves us -- and it is His love to us that keeps us saved. This is where we must begin the Christian life.

A wayward husband returned to his grieving wife one day, after many months of living in sin. Sobbing his heart out in remorse and shame, he told her how often he had longed to be home again with the wife he knew to be so true. Asked why, then, he had not returned sooner, he explained that he was ashamed; to which his wife replied: "John, I want you to know something and never forget it: I love you." And John sobbed in response: "Who wouldn't want to live for a woman like this!"

Just so it is the knowledge that Christ loves us no matter what; that nothing shall ever separate us from His love; it is this that makes the sincere believer determine, by God's grace, to be always true to Him.

## The Speaker Reports

by Bill Clayton

AUSTIN—It is not enough that we talk about crime and what it's doing to our state. We have to take some strong action and we can't wait for somebody else to do it.

For that reason, last week I named a special task force of House members to do a statewide investigation of what action we in the Legislature can take to combat crime.

Others are likewise working on programs which, hopefully, can turn around this plague which increases by an additional 15 per cent each year.

The Legislature will not shirk its duty. If we can determine that there are some laws we can put on the books that will have an effect, then we're going to try and pass those laws.

There are many things that come to mind which will help deter and prevent crime. Many are ways in dealing with persons charged with crime. Some are ways to punish and influence those who have been convicted of crimes.

Examples of what this task force will bring to the Legislature in 1977 are two bills which I have asked them to consider.

One of the bills would see that there is no probation or suspension of sentence given anyone who uses a firearm to commit a felony.

The other bill would provide an additional five years in prison to any person convicted of a felony if he was carrying a firearm at the time of the offense. The five years would be in addition to punishment for the crime and would not run concurrently with the sentence.

Our laws can go only so far, but we must see that they go as far as they can. After that, it is up to the citizens of the state to determine how much crime we can stomach.

Because citizen participation can solve even the stickiest problems, I urge that we organize at every level to combat this tide of murderers, thieves, rapists and hoodlums who this year will directly touch four of every 100 of our people.

Don't think that even the smallest effort will not bring result. A good example is in San Antonio where people living near schools are given cards with emergency telephone numbers and a printed appeal to report any suspicious circumstances. This crime stop program has had encouraging results and school vandalism has been cut drastically.

Down at the bottom line it is the people who must respond if we are to have any real hope of stopping crime.

## Area FFA, 4-H Entries Place At Houston Show

The 44th annual Houston Livestock Show featured the junior show division last week. FFA and 4-H members from throughout Parmer County exhibited their animals at the event. Many of the youngsters' families also made the trip.

Over 1,200 barrows from throughout Texas were shown. Lazbuddie 4-H members, Sherrie Seaton and Joe Dan Tarter, had the most success of the group. Sherrie's heavy-weight Chester White placed second in its class. The first place barrow was named champion Chester White and reserve grand champion of the show.

## County Considers Financial Matters

Bill payments and other financial matters were considered by the Parmer County Commissioners Court during its regular meeting Monday, March 8.

Revenue sharing funds were transferred to cover part of Parmer County's contribution to the library bookmobile. The funds amounting to \$3,276 were redesignated from law enforcement to the High Plains Bookmobile of Muleshoe. The balance of the bookmobile dues owed by Parmer County, some \$1,581, will be paid from the county's general fund.

The commissioners agreed to pay the overage charge to bury highlines which pass over an irrigation well on Farm Road 3333.

The commissioners court also approved three applications from John L. Ray to cross a county road.

Bills paid included: \$662 to B&P Pipeline of Hereford for moving 1,350 feet of two-inch gas line from the right of way of Farm Road 3333; \$505 to Sheets and Sheets of Texico

the show was the heavyweight Duroc with 140 head. Joe Dan Tarter's entry placed third in this class, and Terry Steinbock placed 11th.

Russell Windham showed the 13th heavyweight crossbreed and Barbie Seaton won 17th with her heavyweight crossbreed. Rodney Crim placed eighth with his heavy-weight Chester White. Dondra Gerles, Farwell 4-H, won ninth in the mediumweight Duroc class, with Laura Widner of Bovina winning 23rd in the same class. All of these barrows were sold in the premium sale on Saturday afternoon, March 6. The concluding show for the spring season will be in Lubbock, March 14-17.

for lowering and casing 105 feet of gas line across the right of way for new Farm Road 1381, and \$40 to the Panhandle County Judges and Commissioners' Association to cover 1976 dues.

Commissioners present included: Jimmy Briggs, Charley Jefferson, Tom Lewellen, Cecil Atchley and County Judge Paul Fortenberry.

## FARM FACTS

Compiled By The National Cotton Council

### More From Less

U.S. farm population, now estimated at about 10 million, has dwindled to approximately the same as it was in 1820. But farm output per man hour has nearly doubled since 1960.

### California's White Gold

California emerged as the nation's top cotton-producing state in 1974. Besides cotton, the state produces more than 200 other crops and livestock commodities.

ON PANEL - Webb Gober, Farwell farmer and vice president of the board of directors of the High Plains Underground Water Conservation District No. 1, was elected to the Irrigation Panel of the Texas Water Conservation Association (TWCA) during the association's 32nd annual meeting in Corpus Christi, Feb. 26. As a panel member, Gober will serve a two-year term and will help direct the policies of TWCA on matters related to irrigation farming in the state. He also will serve on the association's board of directors.

## BICENTENNIAL BRIEFS

### SAFETY TIP

It's a glaring error to overlook the many dangers of fireworks during the Bicentennial Year. Celebrations will bring about an increased use, with many licensed public displays and more children playing with fireworks.

The Better Vision Institute points out that many serious eye and body injuries, including blindness, are reported as a result of fireworks after each July 4. Although some 22 states ban fireworks, contraband fireworks often cross state lines. In the interest of eye and body safety, many organizations have urged federal regulation of fireworks. The Better Vision Institute urges all Americans to remember that vision—like freedom—is a precious gift.

By John Ricci

Something special was reflected in the bright lights of Kansas City late last year when the annual Future Farmers of America convention was held. Reflected almost blindingly was the change in attitudes about agriculture. FFA conventions used to be almost mediocre affairs with dwindling attendance and speakers not in demand elsewhere. Old attendance records fell like rain in a hurricane when more than 20,000 of the Future Farmers checked in for the November convention. They came from all fifty states with visiting students from Europe and South America. Speaking before the sea of blue-jacketed farmers were Vice-President Nelson Rockefeller, former Texas Governor and Secretary of the Treasury, John Connally and former Georgia Governor and FFA member, Jimmy Carter. One of the highlights was the planning for this year's national convention. Early indications point to another record setter.

### Disaster Payments Exceed \$1 Million

The total payment to Parmer County farmers under the 1975 crop farm disaster program was \$1,023,474. Payments were made to producers on 443 farms.

#### Sheriff's Report

Two stolen shredders, valued at about \$1,400 each, have been reported to the office of Parmer County Sheriff Charlie Lovelace during the last few weeks.

Bill Meeks of Farwell reported a four-row shredder had been taken from his farm, 16 miles northwest of Farwell in Curry County. New Mexico law enforcement officials also were notified.

Late in February, C. L. Mahaney of Farwell reported a shredder stolen off a farm near Farwell.

Troy Christian of the Oklahoma Lane community reported Wednesday, March 10, that several items had been stolen off an irrigation motor including two new 12-volt batteries, an alternator, a coil and a set of ignition wires.

Pete Fulcher reported a new battery taken from an irrigation motor about two miles east of Lariat.

The sheriff said thieves "manipulated" the windows of a locked car at the Harry Sheets home in Farwell Sunday night, March 7, and then tried a \$169 citizens band radio out of the vehicle.

Bobby Caloway of Bovina reported his pickup was broken into Sunday night and a \$200 citizens band radio stolen.

Vandals struck a vacant house on the R. J. Renner farm near Lariat. The vandals cut down and stole electric wires to a well house. Doors were torn off the main house.

The sheriff's office has recovered a tape player which was taken in a Jan. 26 burglary of Donnie's Medicine Chest in Bovina. Lovelace said some people found the player at a vacant well house about four miles southeast of Bovina.

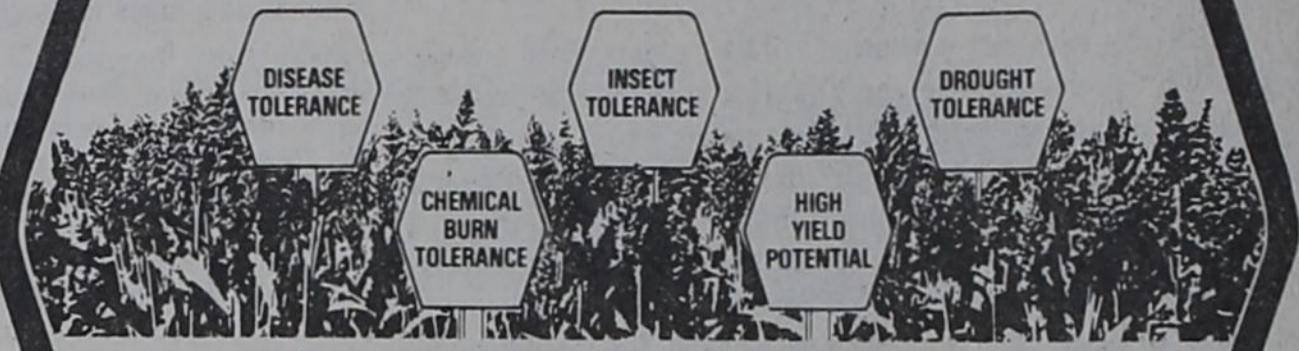

"These payments are made possible under existing legislation which provides that: Farms with wheat, feed grain and cotton allotments can be eligible for disaster payments to help offset crop losses due to a natural disaster or to other causes beyond the control of the farm operator," according to Prentice Mills, executive director of the Parmer County Agricultural Stabilization Service.

He said Parmer County received more than its share of hail in 1975 and this is what caused so many farms to become eligible for disaster payments. A farm may become eligible for a disaster payment when the failure to plant or produce a normal crop on the farm is for some reason beyond the control of the farm operator.

Some of the things that would create disaster payment eligibility are: 1. Abnormal weather conditions such as drought, hail, unseasonable frost, high winds, etc. 2. Crop damage or destruction due to severe insect infestation or plant disease. (Of course, the farm operator must have made reasonable efforts to control the situation) 3. Crop damage due to drifting herbicide, provided that the herbicide was not applied by any producer on the farm or by any person under his control.

Farmers who suffer crop damage at anytime for any of the above reasons should contact their ASCS office for assistance in determining their eligibility for disaster assistance.
