Merchants 21st Annual - -

Football Fans To Face Formidable Forecasters

Signs of the fast approaching fall season are everywhere. Nights are cooler, darkness falls earlier, children are back in school and, last but not least, gridiron contests are underway for high school, college and pro teams.

And, if that isn't enough to delight the hearts of area football strategists, the Tribune's Merchants 21st Annual Football Contest kicks off this week.

Brace yourselves, America's most popular malady -- "football fever" -- is here once again for the duration. So sit back, relax and enjoy. In other words, "if you can't lick 'em, join 'em."

It's time again for area armchair quarterbacks to sharpen their pencils and don their thinking caps for the weekly task of strategically picking the winners in the

contests. It also helps immensely to have the closest score on the tiebreaker game as it is used to determine winners in case of a tie.

Everyone has an equal chance of winning the weekly contest prizes and the overall prizes as the pigskin "muse" may choose to smile favourably upon anyone at any time.

Twelve games will be listed each week along with a tiebreaker game for prognosticators to predict. So everyone come and join in the fun of trying to outguess friends, neighbors and family members.

Beginning today (Friday), area football fans can enjoy gridiron action in their respective towns as well as compete for weekly prizes.

The best guesser each week will receive a check for \$7.50 while the runner-up prize is \$5 and the third place prize is \$2. The top guesser in the entire contest will receive two tickets to the Cotton Bowl plus \$50, and the runner-up will win two tickets to the Sun Bowl plus \$25.

Rules for the contest are the same as they have been in previous years. Entries must be turned into the Tribune office by 5 p.m. Friday, or if mailed, must bear a Friday postmark. Contestants must be 12 years of age or older and each person may submit only one entry each week.

Twelve games are listed on each entry blank. To enter, all anyone has to do is circle the

name of the team they believe will win each game, then record a score for the tiebreaker game. The tiebreaker game will not affect the weekly won-loss total, but will be used only in case of a tie.

Tabulation of all entries are kept on record and are always available for inspection.

Local and area merchants who are sponsoring this year's contest are: Worley Mills, Wooley-Hurst Implement Co., Cal Jordan Implement Co., Farwell Hardware, Wheels, Citizens Bank, Texico Branch, Kelly Green Seeds, Sherley-

Anderson-Pitman Elevator, Sherley-Anderson at Lariat, Capitol Foods, Farwell Insurance, Security State Bank, Franse Irrigation, Gilbert Kaltwasser and Pioneer Seed, Aero Farm Chemicals, Gene's CB, Kirkland and Vinton, Farwell Chemical, Farwell Fertilizer;

Also, Leric's, Sheets and Sheets, Castor Feed, Clara's Restaurant, Parmer County Farm Bureau, Golden West Seeds, Rose Drug, State Line Office Supply, Oklahoma Lane Farm Supply and Tri-County Tire Store.

Pep Rallies Slated At Farwell, Texico

Pep rallies have been slated today (Friday) at both Texico and Farwell schools.

Texico Wolverine fans will gather in the gymnasium beginning at 1:10 p.m. MDT today. All Green and White buffs are encouraged to come out and support the Wolverines. Cheers, yells and skits will be plentiful.

Farwell spirit boosters will have their pep rally in the gymnasium beginning at 3:10 p.m. The varsity cheerleaders will be in charge. Lisa Hughes is head cheerleader. Other

cheerleaders include Lorie Turner, Sharmy Christian, Dondra Gerles, Robin Vinton and Lari Curtis.

They will perform skits, and lead all Farwell fans in yells and cheers. Speeches will be given by Randy Adrian, head coach, and William Martin. The Steer band will also be on hand.

Everyone in the Twin Cities is encouraged to show their support for their respective teams at the pep rallies and to come out tonight and watch both teams play their season opener at home.

Area Schools Report Enrollment Increases

Superintendents at Farwell, Texico and Lazbuddie schools each report a slight increase in enrollment compared to last school year's registration figures for this same time period.

W.M. Roberts, Farwell superintendent, reports that a total of 527 students have registered for the three schools with 272 in the elementary, 84 in the junior high, and 171 in the high school, compared to a total of 517 students at this time last year.

Texico Superintendent James Pierce said that they have 400 students registered for the three schools, which is an increase over the projected enrollment figure of 368. Of that total, 147 students are in grades kindergarten through fifth grade, 106 are in the sixth through eighth grades, and 147 are in the ninth through the 12th grades. Pierce said the

kindergarten figure is only a projected number since five-year-olds won't register for classes until January.

Sam Barnes, Lazbuddie superintendent, reported that 161 students have registered for grades kindergarten through sixth grade, and 117 students are in grades seven through 12.

Registration for individual grades at Farwell are as follows: kindergarten, 43; first,

41; second, 39; third, 42; fourth, 29; fifth, 45; sixth, 33; seventh, 44; eighth, 40; ninth, 32; 10th, 59; 11th, 33; and 12th, 47.

Texico's breakdown by grades is: first, 34; second, 38; third, 19; fourth, 25; fifth, 21; sixth, 42; seventh, 35; eighth, 29; ninth, 36; 10th, 37; 11th, 39 and 12th, 35.

Lazbuddie's individual grade registration figures were not available.

Local Farmers Still Favor Area Fuel Alcohol Plant

Local support continues to have a fuel alcohol plant located in this area. Guy Austin, chairman of the temporary board established to explore the possibility of forming a local GPI cooperative, said he will travel to Austin next week to get a charter for the local area group.

"After we get the charter, the feasibility study can begin," he said. "I think it will take about 90 days."

Austin reports that they have already sold contracts amounting to 3,200,000 bushels and that anyone else wanting to get in on the contract should do so within the next week to 10 days.

interest in a possible fuel alcohol plant is spreading. Recently he held a meeting in Hereford and another one will be held in the future.

The proposed feasibility study is to cost around \$175,000, Austin said, and will determine among other things the exact location of the plant in the cooperative area.

To become a member of a local cooperative, three steps must be followed. First is the investment of a one-time fee of \$2,000 with \$500 payable on sign-up. The second is to sign a short term non-collateral note, and finally, sign a five-year grower agreement for each 10,000 bushels of grain the farmer pledges toward the plant's grain consumption.

A Family Affair

With the 1979 football season here and the Tribune's 21st annual Merchants Football Contest kicking off this week, area families are gearing up for many weeks of gridiron guessing which could win someone two tickets to either the Cotton Bowl or Sun Bowl plus some spending money. Pictured pouring over football

publications -- perhaps to get an edge on this year's guessing game -- are Leon Langford, his wife, Suzy, and their children, Joanna, who is a fourth grader at Farwell, and Mac, a junior and varsity Steer. Another daughter, Jacqueline, who is in school at Texas A & M University, also plans to enter the contest.

Extensive Damage Reported --

Golf Ball Size Hail Strikes Parmer

Farmers in Parmer County, still reeling from the devastating August 21 rain and hail storm which caused considerable damage to crops and property, were hardly prepared for another hail storm Monday evening which snaked across the county laying waste to cotton, corn and vegetable crops.

Before this latest storm assaulted area farmers, many had already applied for a disaster area designation and were awaiting the outcome of their request. Prentice Mills of the Agricultural Stabilization Conservation Service, said that even though Parmer County has not as yet been declared a disaster area he feels it will only be a matter of time getting the necessary paper work done. Local officials have already received acknowledge-

ment letters regarding their request, Mills said.

According to Mills, Monday's hailstorm struck southeast of Farwell and looped around to west of Friona. Golf ball size hail shredded area crops causing additional, extensive damage to some farmers.

Steve Pierson, who farms south of Farwell, said the storm began around 6 p.m. and golf ball size hail pounded the area for about 20 minutes. Only .7 inch of rain was recorded.

"The hail just stripped the corn but I hope it wasn't hurt too bad since the corn was pretty hard," he said. According to Pierson the storm came from north of Bovina and continued on to south of his land.

Troy Christian, who farms in

the Oklahoma Lane community, also reported an as yet undetermined amount of damage to his corn and sugar beets. "They were just shredded," he said. Christian reported golf ball size hail and a little over one inch of rain.

Mrs. Don Williams reported extensive damage to some of their farmland northeast of Pleasant Hill, which is being farmed by Kent McLaren. "The cotton is a disaster," she said. "It's completely gone. What hadn't been harvested of the cantaloupes is also gone." Mrs. Williams added, "Onions and other vegetables were also bruised."

In addition to causing extensive crop damage, the late season hail storm also broke out windows in the farm house. Nearly two inches of rain fell along with the golf ball size

hail. Mrs. Ted Magness, who lives south of Farwell, reported heavy damage to their cotton and corn crops.

Guy Austin, who farms in the West Camp area, said his place was spared, but that his neighbors did not fare as well. "I spent Tuesday morning walking in my neighbors' fields. I have never seen such damage. Everything was destroyed."

Nelda Hunt of the West Camp area also reported much damage to their crops. Late Monday evening two inches of hail could still be seen on their lawn, she said.

Slight hail and 1.4 inches of rain were reported by Leon Langford at his place eight miles north and one mile east of Farwell.

Hail Destroys Cotton

A late season hail storm struck the area late Monday evening, causing considerable damage to crops and homes. These pictures, taken north of Bovina,

intensity of the golf ball size hail stripped many cotton fields. Corn and vegetable crops were also adversely affected. Moisture ranging

from as little as .7 inch to nearly two inches also accompanied the storm. [Photos by Prentice Mills]

Lions Set Broom Sale

Texico-Farwell Lions Club will have its annual broom sale this Saturday, Sept. 8, from 9-2:30 p.m.

The main location of the brooms and other merchandise will be in front of Farwell Post Office, but club members will also be around town selling brooms, mops and other items.

PURELY PERSONAL
by John

There are two sides to every question. Generally these are the right side and the other guy's side. The controversy about the condition of the county roads kinda' falls in that category.

We sorta' see both sides of the question of why the current state of our dirt roads in the area. While we do not travel these roads as often as a lot of folks, it gets us plumb out of sorts when we have to struggle to get from here to yon. On the other hand we have talked to several County Commissioners in the past several years and can well understand some of their problems in road maintenance.

First of all we will talk about the oft heard criticism of the Court's having money on CD deposit while the roads are going to pot. The main thing to remember is that only a part of the County's money CAN BE SPENT for road maintenance. Much of the County's money that is on deposit cannot be used for road purposes. It is collected for a specific reason and can only be used for that reason.

Also, the taxes are by and large collected in a few months time. Yet they will be spent over a 12-month period. Therefore, rather than keep a huge check balance, drawing no interest, the officials elect to put the temporary surplus in a CD that will draw interest until such time in the year that is needed for the purpose that it was collected. A prudent action.

Next we hear that a certain road has been unattended for months. This is probably true because there are certain road priorities in maintenance such as school bus routes. Of course the answer to this is more equipment and manpower in the road repair department.

But that answer entails a LOT MORE TAX MONEY. Tax money comes out of the people's pocket and this is a painful process for everybody. We can also say that better management could get more mileage out of the present supply of men and machines. This is a highly debatable subject and one in which we cannot give any clear answer except to say, run for the office and try it yourself. This is every American's right.

Now it must be recognized that some of our present road problems are due to tailwater run-off and sprinklers soaking the road. Nobody, apparently, does this wilfully, but it does occur all too frequently. A solution to this would please nobody because it would mean a set up of neighborhood informers with warnings and fines etc. being issued right and left. Who wants that?

We have not given any clear answer to the road maintenance problem, but we do know that the Hallmark of any Parmer County Commissioners Court is parsimoniousness. In our last 30 years we have concluded that the Court has squeezed the buffalo until he hollered and a lot of times we have felt that this attitude has not been in the best of long term interests.

A case in point is this present imbroglio. It stems from a lack of communication between the Court and the people. A vital area of communication is in the field of the County's finances. The Court is compelled to publish some tax reports. This usually takes the form of a quarterly report that is carried in all three county newspapers. By and large this is as useless as breasts on a bull as far as actual fiscal information to the people is concerned.

The County has an annual audit. We have a copy that we are reading right now. Only another auditor could readily take this report and find out much from it. Certainly it would convey little as a published item.

However, several simplified reports could be taken from it (Continued on Page 2)

Flora Edwards Rites Conducted Tuesday

Funeral services for Mrs. Flora Edwards, 74, of Clovis were conducted Tuesday afternoon from Steed Memorial Chapel with Rev. Hoyt Welch, pastor of Sandia Baptist Church, officiating, assisted by Rev. Jimmy McGuire of New Deal. Burial followed at Sunset Terrace Memorial Gardens under the direction of the Steed-Todd Funeral Home.

Mrs. Edwards was born July 3, 1905 in Arkadelphia, Ark., and before moving to Clovis had resided in the Oklahoma Lane community since 1931. She was a member of the Sandia Baptist Church, Clovis, and a member of the Order of Eastern Star, Bovina Chapter, No. 839.

Survivors include her husband, H.T. Edwards of the home; two daughters, Mrs. Gertrude Potts of Clovis and Mrs. Joyce Doshier of Farwell; four brothers, Lacy Hardage of Muleshoe, Willie Hardage of Farwell, Walter Hardage of Lubbock and Ed Hardage of Texico; four sisters, Mrs. Fairy Stovall and Mrs. Lela Douglas of Farwell, Mrs. Frances Billingsley of Texico, and Mrs. Lucille Smaltz of Vernon; five grandchildren and nine great-grandchildren. She was preceded in death by one daughter, Geraldine, in 1926.

Nephews served as pallbearers.

Purely Personal . . .

(Continued from Page 1) and published to the taxpayers. A report dealing with the income and various expenses of the lateral road fund would be very informative. Other county funds could be so reported from time to time as the need arose.

The County takes in and spends around a million bucks each year. If every one one-thousandth of this amount were spent in keeping the people informed of the financial state of the County, it would be money well and wisely spent.

Kennel Club Sets Fall Fun Match

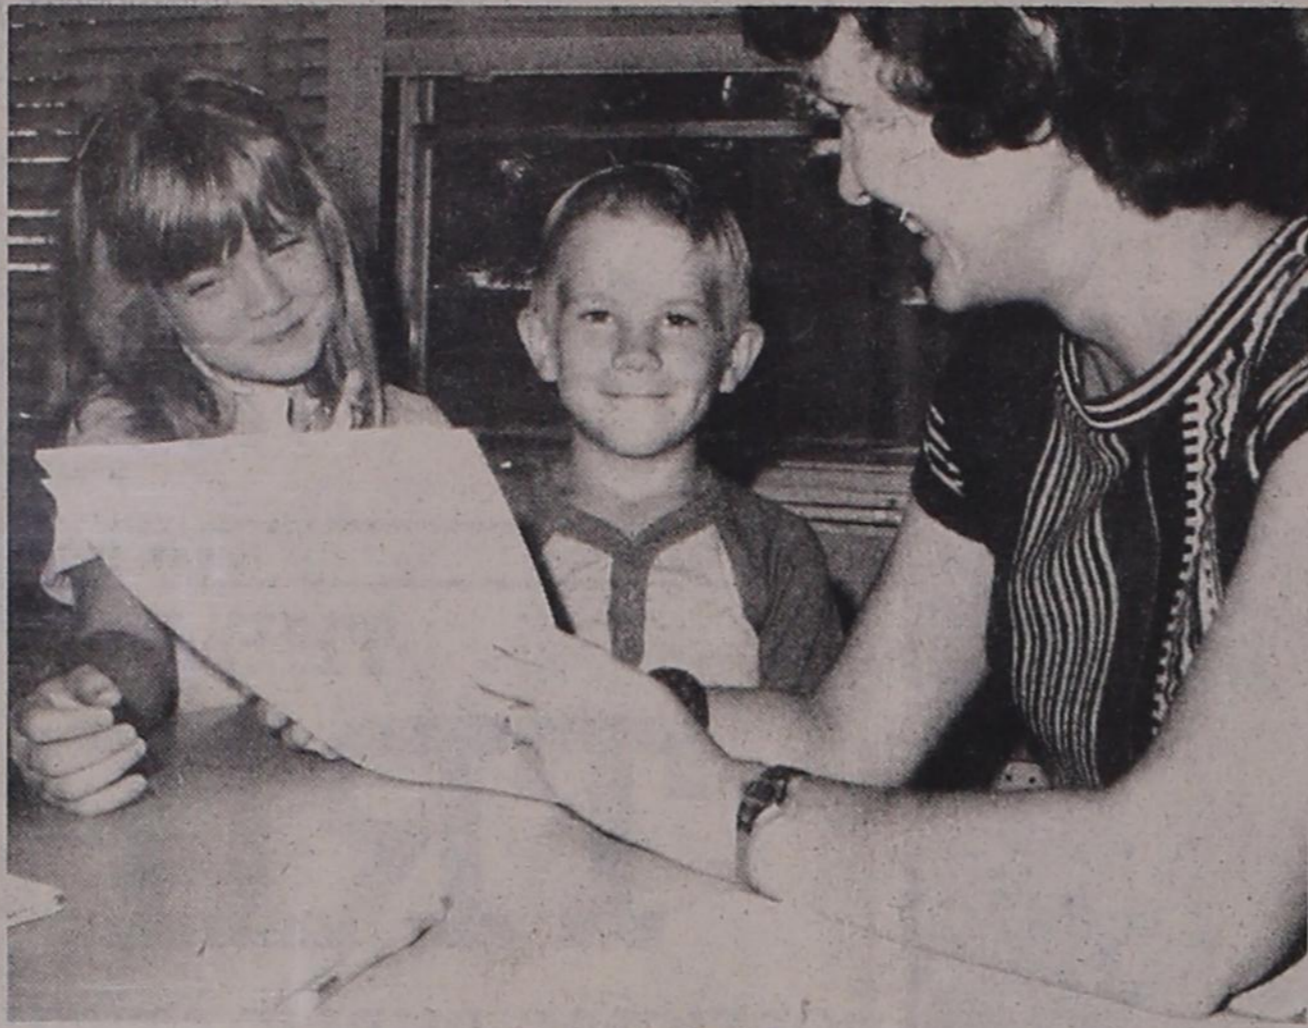

Clovis-Portales Kennel Club announces presentation of their 1979 Fall Fun Match on Sunday, Sept. 9, in YRB Park, corner of 7th and Sycamore, Clovis. Entries for the event will be accepted between 10 a.m. and 12:30 p.m., judging at 1 p.m.

The Match will be open to all purebred dogs over the age of three months who have not attained major points toward Championship. It offers classes in Puppy Sweepstakes and Open, sexes divided, to be judged by Pat Murphy, Albuquerque, and Nancy Thompson of Clovis, Sub-Novice, Novice, Grad. Novice, Utility, Open

and Brace Obedience classes will be judged by Kathi Berry, Amarillo, and Laurel Drew of Albuquerque.

Junior Handling, divided into 7-10, 11-13, and 14-17 age groups will be judged by E. "Tom" Thompson, Clovis. Entry fees are \$3.00 per class with the exception of the Parade of Champion which is free. No admission will be charged.

Ribbons will be awarded for all first through fourth placings, as well as many trophies. Information may be obtained by calling 762-1943 or 762-3903, Clovis.

Getting Acquainted

Judy Howard, Farwell first grade teacher, is getting acquainted with two new students in her class. These bright, shining faces belong to

Amy Murray, daughter of Mr. and Mrs. Robert Woodson, and John Ford, son of Mrs. Dorothy Ford. Regular classes began last Thursday.

GSP Board Slates Election

Grain sorghum producers in a 29-county area of the Texas High Plains will elect four members to the Texas Grain Sorghum Producers Board on September 15.

Terms of four current board members expire at that time. They are E.C. Witten of Edmonson; A.W. Anthony, Jr., Friona; John Gilbreath, Hart; and Don Nelson of Tulia. All incumbents are eligible for re-election to the six-year, non-salaried position as long as they are bona fide grain sorghum producers.

Any person in the 29-county

TGSPB area who produces grain sorghum and is subject to the board assessment is eligible to vote, including owners of farms and their tenants and sharecroppers. Any person eligible to vote is also eligible to make nominations for director.

Qualified persons wishing to have their name placed in nomination for membership on the board may do so by application to the organization, signed by himself and 10 others who are also eligible to vote.

Ballots will be mailed to voters and must be returned to

the TGSPB office by September 15. Any person qualified to vote who does not receive a ballot by September 2, may obtain one at his local County Agent's office.

Counties involved are Armstrong, Bailey, Briscoe, Carson, Castro, Cochran, Crosby, Dallam, Dawson, Deaf Smith, Floyd, Gaines, Hale, Hansford, Hartley, Hockley, Hutchinson, Lamb, Lubbock, Lynn, Moore, Oldham, Parmer, Potter, Randall, Sherman, Swisher, Terry and Yoakum.

NEWS BRIEFS

Political Prisoners

The FBI, on a penny-pinching campaign, requests that it be relieved of policing some 13 crimes. One of these is the unauthorized use of the Smokey the Bear symbol.

Don't Touch That Dial!

A poll conducted by the Roper Reports people showed that 25 per cent of all marital disputes are caused by the choosing of TV programs. How to discipline kids was second, while how often to entertain at home was the least cited cause of fights.

Around The Twin Cities

Texico Chamber of Commerce will meet Monday, Sept. 10, at 6:30 p.m. MDT.

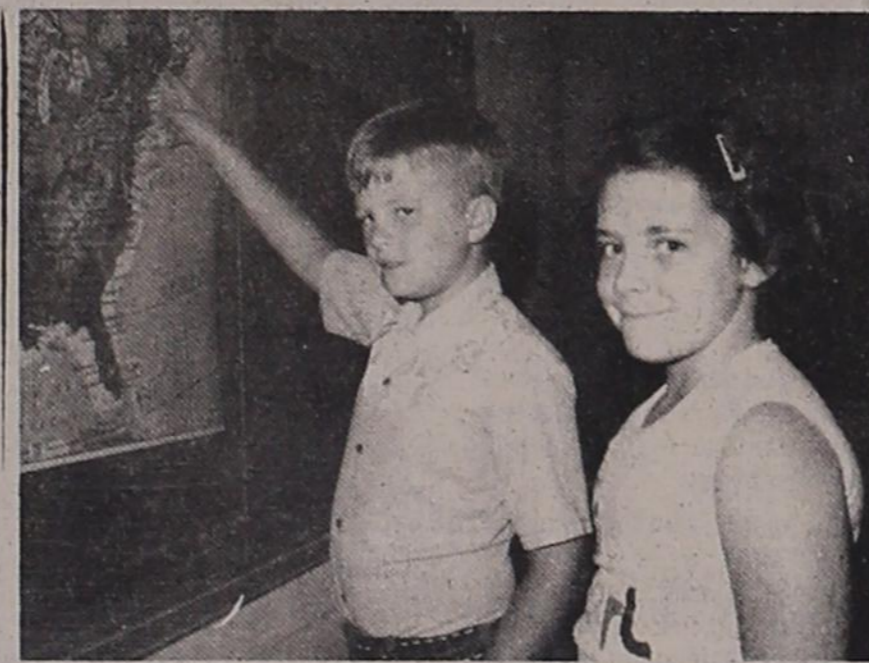

Farwell City Council will meet Monday, Sept. 10, at 5:15 p.m. CDT in the City Hall.

Parmer County Commissioners Court will convene Monday, Sept. 10, at 11 a.m. CDT at the county courtroom.

Farwell School Board will meet Monday, Sept. 10, at 8 p.m. CDT in the superintendent's office.

Texico School Board will meet Tuesday, Sept. 11, at 7 p.m. MDT.

Texico City Council will meet Tuesday, Sept. 11 at the City Hall.

Studying New England

Farwell students began the 1979-80 school term last Thursday. Students in Billie Worley's 5A social studies class began studying the New England states. Shown studying the

map in order to locate the state of Maine are Troy Joe Bass, son of Mr. and Mrs. Elton Bass, and Teresa Rose, daughter of Mr. and Mrs. Pudge Rose.

Curry County FB Directors Announce Upcoming Meetings

Hubert Qualls, president of Curry County Farm and Livestock Bureau, announced at the August directors meeting of CCFLB that the annual meeting of the New Mexico Farm and Livestock Bureau is slated for Albuquerque November 28, 29, 30.

There will be an appreciation dinner on October 11 in Roswell to honor Bill Langenegger for his 18 years as president of the NMFLB. Interested persons are asked to take part in the tribute to Mr. Langenegger, said Qualls. The State Board of Directors will be holding their fall board meeting at this time.

Eddie Harrington, county and state board member, reported on a special tour he is organizing for NMFLB members who plan to attend the national AFBF Convention in Phoenix in January. He said he and his wife had recently returned from California. The trip was made to check out facilities for the tour.

Plans call for the annual county meeting of CCFLB to be held the latter part of October. Beth Hovey, county chairwoman, will be in charge

of this event. Assisting her will be Helen Kelley, Dist. II Chairwoman, and Dewey Pierce, vice-president of the local organization.

New officers will be elected at the county meeting. A nominating committee was named by Qualls. Herman Gerries will serve as chairman with Helen Kelley and Russell Downey, members.

Qualls said it was time to develop policy for the organization and named a resolution committee made up of Dewey Pierce, chairman, Wesley Grau and Allen Kelley. Persons wishing to submit resolutions for consideration should contact one of these people, said Qualls.

A report on the Commodity Loan program was given by Harrington.

Wesley Grau explained the drive for a Curry County Memorial Scholarship Fund. He said plans call for \$5,000 to be raised by January 1, 1980. Interest from the fund will go to provide scholarships for Curry County students majoring in home economics or agriculture at NMSU, Las Cruces.

An auction of paintings and bronze sculptures will be held at the Curry County Fair following the Jr. Livestock Sale, benefit of the scholarship fund, said Grau.

Curry County Farm and Livestock Bureau voted to contribute \$100 to the Memorial Scholarship Fund.

Beth Hovey reported that Judy Myrick would be in

charge of the Farm Bureau booth at the Curry County Fair.

The report from the Curry County Young Farmers and Ranchers Association was given by Butch Priest, president. He invited all members to attend the Discussion Meet to be held September 13 at the Farm Bureau meeting room. He said several members would be attending the Marketing Forum to be held in Albuquerque October 7-8.

Andy Norton, field man, from Roswell urged the local organization to send out follow-up letters on the Legal Aid Fund for utility rate intervention. He also brought the group up to date on the Crime Prevention Program being sponsored by the NMFLB. He said Roosevelt County had already started its program with 40-50 members operating, Wylie Snyder is in charge of the Curry County program.

In closing, the organization voted to purchase an animal at the Jr. Livestock Sale at the Curry County Fair.

Field Day Focuses On County's Needs

The latest research on cotton varieties, water use efficiency, sorghum improvement, and weed control will feature attractions for the annual field day of the Texas Agricultural Experiment Station for Lubbock and Halfway. The event begins at 1 p.m. Tuesday, Sept. 11, at the research site, 7 1/2 miles north of Lubbock on U.S. 87 at Farm-Market Road 1294.

Parmer County producers will find the program particularly applicable, said Seth Ralston, county Extension agent.

Field tours will be conducted throughout the afternoon, with tractor-drawn trailers shuttling visitors to key demonstrations.

The field day is a co-operative presentation of TAES, the Texas Agricultural Extension Service, the High Plains Research Foundation, the Science and Education Administration of the U.S. Department of Agriculture,

and the National Weather Service.

Principal stops on the tour of the Lubbock station will feature reports on ways to help plants make more efficient use of water, tests of cotton hybrids, tissue testing to assess soil fertility, weed control research, improving sorghum varieties, the potential for wine grape production in the South Plains, breeding and improvement program in soybeans and sunflowers, and sesame variety trials.

During the stops on the tour of the 320-acre research site, Experiment Station scientists and Extension Service specialists will answer questions and discuss problems with the visitors.

Farm machinery and irrigation equipment will be on display and visitors can view other research projects being conducted at the station.

The Parmer County Field Day will be held September 12 at JeDon Gallman's farm, located 2 miles west of Bruegel Elevators on Highway 86. The tour will start at 1:30 p.m. Dr. Bob Berry, Area Plant Pathologist, will be on hand to discuss the demonstration. Parmer County producers will have an opportunity to evaluate 80 yellow corn hybrids being grown in the same field. Additional information is available from the county agent's office.

Ten Little Scholars

These bright and shining faces represent the 10 four-year-olds who are currently enrolled in the Farwell Church of Christ Day School which started classes last week. Class members include, from left, standing: Chris Phillips, Clay Corn, Steven Horner, Brandon Baker and Jody Mahaney; seated: Lily Pineda, Sue Anne Malone, Jaynee Hill, Monica Padilla and Joni Hernandez. Classes are conducted Mondays, Wednesdays and Fridays at the church.

Sheriff's Department Investigating Thefts

Parmer County Sheriff's office is investigating several cases of theft and vandalism. Approximately \$200 in gas and office items such as a clock, recorder and AM-FM radio were taken from Friona Feed Yards, reports Sheriff

Charles Lovelace. About \$1200 in merchandise has been taken from vehicles parked at Kent Gast's mobile home in Farwell. The items included a camera, CB, clothes, tapes, tools, sleeping bag, boots and tool boxes. They were taken from Gast's pickup and a car belonging to Webb Perry.

five counties in this area. No charges have been filed as yet, but Lovelace said they hope to recover some of the merchandise. Illegal aliens are believed to be involved, he said.

The sheriff also said that two Friona juveniles are to appear before Judge Paul Fortenberry on charges of vandalism. According to Lovelace, they took white and black shoe polish and wrote on the walls of the schools, country club and post office in Friona.

LETTER TO THE EDITOR

Ltjg Will Anderson
Engineering Dept.
USS FORRESTAL (CV 59)
FPO New York, New York 09501

Dear John and Joann,

After a long day of keeping the sea lanes open and making the world safe for democracy and such stuff as that, I like to relax with my State Line Tribune. Wherever I have gone in this world, the Tribune has followed me to keep me informed and entertained.

I've told you before - it's like a letter from home, and it's very satisfying to read about what the people who make up my hometown and alma mater have accomplished. You have a unique and beautiful community.

However, I have not received my subscription since I reported onboard FORRESTAL. We get a mail plane every day, and no Tribune. Perhaps you do not have my new address. Perhaps the city fathers have gotten smart and revoked my citizenship. Whatever the reason, please get my Tribune to me as soon as possible.

I hope that all is well there and that I will hear from you soon. Hopefully, I will see you soon.

Will Anderson

Fortenberry Hears Cases

Parmer County Judge Paul Fortenberry has heard one case since the last report.

Marvin Martin, 30, of Portales, posted a \$500 bond for driving while intoxicated.

Texico Out Early Today

Texico Schools will dismiss today (Friday) at 1:30 p.m. MDT for "fair day," reports James Pierce, superintendent. "We always try to give students a chance to attend the Curry County Fair," he said.

Students will be dismissed following the pep rally.

Texico Booths Win At Fair

Booths at the Curry County Fair were judged Tuesday night with Texico school-sponsored booths earning two first places, a second and a fourth place.

First place prizes were awarded to the Texico 4-H booth and the Texico School booth which is constructed by the cheerleaders. The 4-H Club

will receive \$50 and the cheerleaders will get \$20.

Texico Future Farmers of America won second place and \$40, and Future Homemakers of America finished in fourth place and will receive \$20.

A complete list of fair winners will be published next week.

Charles Turner Elected President Of State Group

Charles Turner of Farwell has recently been elected president of the Texas Association for Educational Diagnosticians, an organization with 19 affiliate chapters throughout the state.

Turner was elected to the new post at the state meeting for the Council for Exceptional Children which was held early

in August in Houston. Main purpose of the organization is to help build a better understanding between all the persons involved in the diagnosing of learning problems and other disabilities in handicapped or exceptional children. The diagnosticians try to learn better ways of helping those they are serving - the kids - while also showing parents, teachers and communities exactly what diagnosticians actually do.

Turner, who is starting his

seventh year as Special Education Counselor and Educational Diagnostician for Comprehensive Special Education Co-operative of Parmer County, was president-elect of the state group last year and before that had served a term as vice-president. He has also served as president of the Golden Spread chapter of which Parmer County is a member.

He now works with all four schools in the county with his main office being in Friona. Turner says that some 17 services, including many types of therapy, are available for the handicapped children in the county schools.

Muleshoe Land Bank To Meet

Gorden Duncan of Muleshoe, president of the Federal Land Bank Association of Muleshoe, has announced that the Annual Stockholders Meeting for the association will be held in Muleshoe, Saturday, Sept. 15, at 2:00 p.m. at the Corral Restaurant.

Other members of the Board of Directors, in addition to Duncan, are James B. Glaze, Muleshoe; Jim Claunch, Bula; Arlin Hartzog, Farwell; and William Gromowsky of Bovina.

CHARLES TURNER

Climbing Tree Fun

Classes started in Farwell last week, but for some students - as usual - the playground equipment was much more fun than studying. Pictured climbing the mod-u-log climbing tree which was purchased with

funds from Project Christmas Card are Irene Jones, daughter of Heidi Tally, and Chris Aycock, son of Mr. and Mrs. Charles Aycock. They are second graders in Nancy Burch's class.

Texico Girl --

Roxanne Cherry Visits Points In Europe

By Shirley Gorman

Fun can be many things to different people, but to Roxanne Cherry, Texico senior and daughter of Mrs. Danalee Sluder, fun was an unforgettable tour of five countries in Europe.

Earlier this summer, Roxanne, 24 other students and sponsors formed group "A" of "The Best of Two Worlds," a

student tour group which originated in Arizona. They left June 14 and returned July 13.

"It was so much fun I wouldn't have missed the opportunity for anything," she said. "I enjoyed seeing different people in other countries and observing how they lived. I met so many people and made new friends."

Prior to leaving for Europe, Roxanne and the other mem-

bers of her group met in Albuquerque for an orientation session. Also joining the tour were three girls and one boy from Clovis. The age group was 14-19.

Countries visited included Italy, Greece, France, Switzerland and England.

From Albuquerque they traveled by plane to Rome with a layover at Shannon, Ireland. "It was a 14-hour flight in all," Roxanne said. Wherever the students found themselves, sightseeing was always an important facet of the stay. Rome offered a myriad of places to visit, including the Roman Forum, Colosseum, Pantheon, Trevi Fountain, Spanish Steps, Cistine Chapel and the Tivoli Fountains lighted at night.

"While we were in Rome we saw Pope John Paul II give his blessing," Roxanne said.

From Rome the visitors journeyed to Sorrento for a day-long visit, catching a ship the next day for the journey to Patras. Then it was on to Athens, Greece, via a motor coach.

"While in Athens we saw a sound and light show at the Acropolis," Roxanne said. Other sights included the Temple of Zeus, Olympic Stadium, Theatre of Dionysis, National Museum and Greek dancing.

Next on the itinerary was taking a cruise ship to Mykonos, a small Greek island where all the buildings were painted white. "Our hotel was located on the beach," Roxanne said. "It was a good place to relax."

The group also toured the island of Delos, home of the sun god Apollo. Later they rode a ferry boat back to

Athens. Then it was on to Rome where they all boarded a charter flight to Florence, Italy.

Sites visited in that city were Uffizi Gallery, Duomo (art gallery), the Baptistry and the Accademia. In Florence part of the group also attended a soccer game; but the other part of the group was stranded outside the gates unable to get inside because of a riot which had erupted.

In Florence they also saw Ponte Vecchio, a bridge which has several shops built on it, including a flea market.

"I really liked the ice cream in Italy," Roxanne said. "It was the best I have ever eaten."

Continuing with the tour, the students visited Aosta, below the Swiss Alps. After spending the night there they all took cable cars to Chamonix, France. During the day-long visit they walked into the town.

Other stops included Tasch, Switzerland and Zermatt where they saw the Matterhorn. Activities there included skiing and riding cable cars to the mountains.

"I loved Zermatt best of all because it was so quiet and away from the bigger towns," Roxanne commented. "While there we saw people herding their goats down the streets."

From Zermatt they traveled to Geneva, Switzerland. After a short visit they took the bus to Paris, France, where they saw the Arc of Triumph, Eiffel Tower, Notre Dame, Latin Quarters, Luxembourg Gardens and Galleries Lafayette. While in Paris they traveled throughout the city by the "metro" or underground subway. They visited the Louvre art gallery, Palace of Versailles and took a boat ride down the Seine River.

A Friend In Paris

Roxanne Cherry of Texico recently toured several European countries with a student tour group. She is shown here with a "friendly resident" in Paris, France, who tried to

teach her and members of the group how to speak a few words in French. Roxanne reports that she "wouldn't have missed the tour for anything."

Alpha Rho Lambda Plans Bowling Party, Breakfast

Alpha Rho Lambda chapter of Beta Sigma Phi sorority discussed a bowling party and the annual pheasant hunter's breakfast during its regular meeting Tuesday night at the home of Terri Baker.

Club members decided to have a bowling party September 27 and they set December 8 as the date for the annual

breakfast. The meal costing \$3 will be served from 5-8 a.m. All proceeds will be donated to the Farwell Volunteer Fire Department for a "jaws of life" rescue tool.

Members attending were Terri Baker, Charlotte Donaldson, Anita Ralston, Pauletta Curtis, Cynthia Thigpen, Joan Johnson, Kendale Burch,

Sheree Montgomery, Kattie Johnson, Mary Ann Lingnau, Julie Lingnau, Laura Jacobs and Gloria Hutchins.

Golden Anniversary

Mr. and Mrs. W.B. Fulgham of Friona will be honored with a reception Saturday, Sept. 8, from 4-6 p.m. CDT at the Friona Club House, 304 East Ninth Street.

Hosts will be the couple's children, Jane Kent of Farwell, Jo Ann Thomas of Clovis and Jack Fulgham of Boys Ranch.

All friends of the couple are cordially invited. The couple requests no gifts, please.

St. Ann's Set Style Show

St. Ann's Society of St. Ann's Catholic Church in Bovina will sponsor a tea and style show this Sunday at 3 p.m. at the church. The style show - "Fall Look Ahead" - will be presented by Charlie's of Muleshoe.

Door prizes will be given away. Everyone is invited to come and bring a friend.

W. Hudnalls Move To Louisiana

Dr. and Mrs. Wayne Hudnall and Eric recently moved to Baton Rouge, La., where Hudnall will be an assistant professor of agronomy at Louisiana State University. He assumed his new duties on August 15 doing soil genesis and classification. Hudnall will also be doing research in cooperation with the Soil Conservation Service.

As LSU cooperates with the entire state in SCS work, Hudnall will travel to different parts of the state by car, airplane or helicopter.

Hudnall had been an assistant professor in agronomy at West Texas State University for the past three years.

He spent the summer teaching a four-week workshop in soils at the University of the Philippines at Los Banos and doing research for the Bench Mark Project in the Philippines. He also did some soil classification for the University of Hawaii in Honolulu. When he returned to the mainland August 1, he attended a national agriculture meeting at Ft. Collins, Colo. Mrs. Hudnall joined her husband while their son, Eric, visited with his grandparents, Mr. and Mrs. Harvey Hudnall of Farwell and Mr. and Mrs. Grayson Roberts of Clovis.

The Wayne Hudnalls report that they are enjoying the beauty of the state, especially the trees. They say the temperature is not any hotter than it was in Canyon, but that the humidity is really high.

Farwell Young Homemakers Install Officers, Present Awards

Farwell Young Homemakers met Saturday in the home of Bobbie Pierson for a salad luncheon, to honor the chapter's outstanding members and to install new officers.

Tina Sides was named "Young Homemaker Of The Year" and Ruth Anne Bennett received the "most willing worker" award. Each was presented an inscribed silver tray.

New officers installed for

1979-80 were Mrs. Sides, president; Sharon Eubanks, vice-president; Sheree Montgomery, secretary; Reba Kirkland, treasurer; Anita Ralston, reporter; Beverly Foster, historian; and Gwen Corn, parliamentarian.

Mrs. Pierson, outgoing president, presented a red carnation to each new officer and to Barbara Knowlton, new advisor.

The Young Homemakers will

be selling Farwell Steer T-shirts again this year. Several Young Homemakers will attend the area convention this weekend in Amarillo. Mrs. Sides and Beverly Foster will be voting delegates.

After the meeting adjourned, secret pals were revealed and gifts were exchanged.

Those attending were Mesdames Tina Sides, Sharon Eubanks, Sheree Montgomery, Ruth Anne Bennett, Charlotte Donaldson, Dorris White, Reba Kirkland, Donna Grissom, Linda Foster, Gwen Corn, Beverly Foster, Nedda Travis, Anita Ralston, Barbara Knowlton and Patsy Camp, guest, and the hostess, Bobbie Pierson.

Mrs. Kelly Mitchell Honored With Shower

Mrs. Kelly Mitchell, nee Delia Dollar, was honored with a bridal shower August 25 at the First Baptist Church Fellowship Hall in Farwell.

Centering the white lace covered serving table was an apricot and yellow silk flower and candle arrangement and an antique lamp container. Milkglass appointments were used along with apricot and yellow napkins which completed the table decor. Assorted breads, banana slush punch, fruit k-bobs, nuts and mints were served to the guests.

The registration table which held the bride's book and plume pen was covered with a white lace cloth and centered

with an apricot and yellow flower ring encircling a yellow candle.

The honoree, her mother, Mrs. Bob Dollar; her grandmother, Mrs. W.H. Dollar; and her mother-in-law, Gaynell Mitchell, were each presented a corsage of small kitchen utensils decorated with apricot and yellow ribbon bows.

The hostess gifts were an electric crock pot skillet and steam iron. Hostesses were Peggy Sudderth, Modene McMillan, Leandra Byrd, Gwen Hughes, Linda Gerles, Joyce Coffman, Alta Gerles, Eva Dean Stephens, Gladys Kaltwasser, Susan Franse, Roberta Johnson and Leslie Lunsford.

Wedding Reminder

Rhonda Walls of Farwell and Mike Taylor of Olton will exchange wedding vows Saturday, Sept. 8, at 10 a.m. in the Oklahoma Lane United Methodist Church.

The bride-elect is the daughter of Mr. and Mrs. Mitchell Walls of Farwell and the prospective bridegroom's parents are Mr. and Mrs. Hoyt Taylor of Olton.

Friends and relatives of the couple are cordially invited to the wedding and reception to follow.

Art Show Set At Tri State Fair

The Art Show at the 1979 Amarillo Tri State Fair, September 17-22, promises to be one of the largest and best. In addition to ribbons and awards, \$820 in prize money will be awarded to winners in their respective categories.

The art competition will be divided into five divisions: (1) Adults (2) Amateur Adults (3) College Students (4) High School and (5) Junior High School and under.

There will be three classes under each division: (1) Watercolor (2) Oil and (3) Other Media. Prize money for first, second and third place winners in the adult and college classes will be \$40.00, \$25.00 and \$15.00. Winners in high school and under will be \$25.00, \$15.00 and \$10.00.

Exhibitors will be limited to two entries and art will be accepted in the Art Building on the fairgrounds on Friday and Saturday, Sept. 14 and 15.

Judging will be Saturday afternoon, Sept. 15, and the art will remain on display throughout the fair.

For additional information contact Synott Matthews, Art Superintendent, or the offices of the Tri State Fair.

House of Lloyd needs ladies to demonstrate Toys and Games. Free Sample kit! No investment collecting or delivery. Free supplies and hostess gifts. Call Collect 505-762-1387

Girl Scout Program To Organize Monday

An organizational meeting for the Girl Scout program in Texico and Farwell has been set for Monday, after school, at Hamlin Memorial United Methodist Church, reports Sherry Curtis, organizer. Invitations to join the "Five Worlds of Girl Scouting" will be extended to all girls, first through ninth grades, during the first three weeks in September.

All interested girls and their parents are urged to attend this all important meeting. Mrs. Curtis said that leaders are needed very badly. "Without volunteers we cannot have an active scouting program," she explained.

A \$3 registration fee will be charged to provide for accident insurance for both girl and adult members. Weekly dues range from 10 cents a week up. For more information, contact Mrs. Curtis, 825-3535, or Mrs. Glenn Marsh, 481-9119.

Girl Scouting offers girls and adults alike, varied adventures in the World of the Art, the World of People, the World of

Today and Tomorrow, the World of Well-Being, and the World of the Out-Of-Doors. The Girl Scout program is built on the foundation of the ethical code embodied in the Girl Scout Promise and Law, with an emphasis on service to others.

Caprock Girl Scout Council, with headquarters at 2567-74th Street in Lubbock, served more than 5,000 girls this past year. In addition to regular troop programs, activities for girls will include a Brownie Come-Along for 3rd grade girls; a Junior Jump-Off for 6th graders; a Cadette Style Show and a Heritage trip to Austin; international travel to the Cabana in Cuernavaca, Mexico for Seniors; and numerous other events throughout the year.

A Girl Scout Fair is scheduled for March. Day camping, troop camping, resident camping, and a year-round backpacking program is offered. Caprock Council owns two camps: Camp Rio Blanco at Crosbyton, and Camp Haynes at Silverton.

Consumer Food News

COLLEGE STATION - Best buys at Texas grocery markets this week include poultry, pork, potatoes and carrots, and some fresh fruits, according to Gwendolyn Clyatt, a consumer marketing information specialist with the Texas Agricultural Extension Service. The Texas A&M University System.

Also, there are special features in dairy cases, frozen food chests and along grocery market aisles, she says.

POULTRY - Eggs are a real bargain now. Compare prices among medium and large sizes. Generally, if there's less than a seven-cent difference between two sizes in the same grade, the larger size is the best buy.

Fryer chickens are economical, and some markets offer them at even lower "special" prices. Also, turkeys 10 pounds and up - and drumsticks - have reasonable prices.

PORK - Prices are fairly steady. Scattered specials in various markets include Boston butts, chops, rib-end roasts, steaks and liver. Smoked cuts at economy prices are semi-boneless hams and bacon.

FRESH VEGETABLES - Best buys are potatoes, carrots, cabbage "on special" and snap beans. Also, purple hull peas, green peppers, soft-shell squash and dry yellow onions.

FRESH FRUITS - Budget items are cantaloupe and watermelon. Most plum varieties are in good supply with low prices, especially the purple-prune plum. White seedless grapes are heavier now and prices are down. More nectarines are available, and peaches are still in good

supply. Bananas and limes continue in heavy supply. Bartlett pears are economical.

DAIRY CASES - "Spotlight" items are milk, yogurt and a variety of cheeses.

FROZEN FOODS - Thrifty items are vegetables, strawberries, fried chicken parts and ice cream.

GROCERY MARKET AISLES - "Specials" appear on sugar, tuna fish, pasta products and peanut butter.

BEEF - Cuts to consider this week include chuck cuts, corned beef, ground beef, rib steak, round steak and beef liver.

Betsy Black Is Party Honoree

Betsy Black was honored with a surprise "Sweet Sixteen" birthday party on August 27 at the home of parents, Mr. and Mrs. Delbert Black in Farwell.

Streamers and balloons decorated the Black home and refreshments of birthday cake, punch and ice cream were served. Several of the honoree's teenaged girlfriends spent the night with her to help observe the occasion.

Relatives Visit

Mrs. Elaine Horton of Edmond, Okla.; Mrs. Nell Thompkins, Kacia and Kim of Clovis; and R.B. Summers of Clovis were visitors this past weekend in the home of their aunt and sister-in-law, Mildred "Sal" Vincent of Farwell.

To Wed In December

Mrs. Elaine Roddam of Farwell announces the engagement and approaching marriage of her daughter, Debra Joy Wardlaw, to Richard Anthony Keffler, son of Dr. and Mrs. R.A. Keffler of Lubbock. The couple will be married December 1 at 8 p.m. at Christ the King Church in Lubbock. No local invitations will be sent, but all friends and relatives are invited to attend the wedding and reception to follow at Country Place Club House, 2302 Slide Road. The

bride-elect is a 1971 graduate of Farwell High School and a 1975 graduate of Texas Tech University. She taught in Arlington for four years and is now working as a pharmacist's technician in Amarillo. The prospective bridegroom graduated from Monterrey High School in Lubbock in 1971, from Texas Tech University in 1975 and Southern Methodist University Law School in 1978. He is presently an assistant district attorney in Amarillo.

Center Chit Chat

Leonard Harper, Farwell Church of Christ Minister conducted services Sunday at the Center.

Everyone really enjoyed the grilled hamburgers and hot-dogs that were served on the patio last week. Also a special thank you to the Auxiliary for the homemade ice cream they provided.

Residents celebrating birthdays this month are Mary Wortham, on the 3rd; Ollie

Visit Daughter

Mr. and Mrs. Edward Engram of Farwell returned Tuesday from Las Cruces, N.M., where they had been visiting their daughter and granddaughter, Mrs. Jo Beth Williams and Cindy. The Engrams left last Thursday.

The Wayne Hudnalls report that they are enjoying the beauty of the state, especially the trees. They say the temperature is not any hotter than it was in Canyon, but that the humidity is really high.

Pat Walker's presents: the Splendor of being Slender

'I MAY BE 63, BUT I'M A NEW PERSON!'

(Agnes Hall lost 36½ pounds and 59¼ inches.)

Agnes Hall made a marvelous new start in her life when she slimmed down to a trim, attractive size 10 on Pat Walker's proven program of weight reduction. Her story:

"I'd been overweight for so long I was beginning to think I was just naturally a fat person.

"Even when I got married 40 years ago, I weighed 160 pounds—not what you'd call a slim bride. Over the years, my weight crept up to 175, and I found myself wearing size 16. That's when I decided something had to be done.

"I tried a health spa, but I didn't like undressing or musing my hair or going in the water—and I couldn't do floor exercises because of back problems. I heard some women there talking about Pat Walker's, and since I'd already seen some ads, I thought . . . well, why not?

"Two, sometimes three, treatments a week on Pat Walker's passive exercise unit have gotten me down to—would you believe it?—a size 10. I've lost 36½ pounds and 59¼ inches, and I've kept my figure firmed and toned the whole time.

"My friends are amazed. One of my bowling partners says that almost everyone she knows who's lost the pounds I have has gotten bags and sags, but I haven't . . . I look and feel better than I have in at least 14 years. I may be 63, but I'm a new person . . ."

Find a lovelier you

You can believe in Pat Walker's program: its benefits have been confirmed repeatedly during a distinguished 27-year history of success throughout the world. And in our quiet, comfortable salon, professional coun-

selors work with you from your very first visit, giving you the advice and encouragement that make your efforts more rewarding.

Whether you've been battling excess weight a long time or find the need to reduce a fairly recent development, you can reach your weight goal at Pat Walker's—safely, pleasantly, without rigid diets or strenuous exercises. You'll enjoy these important benefits:

- personalized program tailored to your needs
- sensible eating plan based on your food preferences
- complete individual privacy
- safe passive exercise

The BACK FORTY
Now, I can't dig post holes. I'm skilled labor.

For St. Jude's --

Anna Southard To Head Bike-A-Thon Campaign

Anna Southard, Texico Junior High teacher, has been named to head the 1979 Fall Bike-A-Thon campaign in Texico for St. Jude Children's Hospital. Bikers will gather at Texico High School September 29 beginning at 8 a.m. and will travel an eight mile round trip to the Clovis Municipal Airport and back.

Anyone interested may participate and anyone wishing to donate is asked to give a minimum of 10 cents per mile. Bikers are encouraged to get as many pledges as they can.

A T-shirt will be given to anyone who earns \$25. For those making \$75 will receive a back pack.

"We are proud to have Mrs.

Southard for this important task," said William J. Kirwen, St. Jude's Development Director. "St. Jude's Children's Research Hospital offers hope to stricken children everywhere that would not be possible without such volunteers."

"St. Jude Children's Research Hospital is the only research center dedicated exclusively to the study and conquest of catastrophic diseases of children. Its work, particularly in leukemia and other childhood cancers, has been internationally acclaimed and cited as a leading example for basic and clinical research."

"No one has ever been charged for the benefits pro-

vided by St. Jude Hospital," Kirwen said. "And that includes the extremely expensive total medical care provided to children enrolled in its research studies."

"Over two-thirds of this year's 19 million dollar operating budget came from public support. Each year we rely on events like this to pay for the following year's costs."

"Since Danny Thomas opened this institution in 1962, his dream of conquering the deadly diseases of childhood has continuously been brought closer to reality. Mr. Thomas is still the very active president of this organization and inspires us in this cause," Kirwen said.

Prepare For Bike-A-Thon

These three Texico youths are getting their bicycles in shape for the September 29 Bike-A-Thon to raise funds for St. Jude Children's Hospital. Pictured working on their bikes are, from left, Ronnie Dunsworth, Jeff Dunsworth and Joe Steward. Bikes will gather at 8 a.m. that day at Texico High School and will travel to the Clovis Municipal Airport and back. Pledges of at least 10 cents per mile or more are urged. [Texico School Photo]

Season Opener --

Wolverines To Host Mountainair

Texico Wolverines will open the 1979 gridiron season at home this Friday against Mountainair. Game time is 6:30 p.m. MDT.

"This game will be an important test for us," says fourth year head coach Paul Topliff. "A victory would be very nice, but since it is not a district game we would be happy just to play well."

Last year the Green and White traveled to Mountainair for the first game of the season, clobbering their hosts 51-0. However, this year Topliff does not think their offense will

be that explosive. But he does expect them to score points.

"The players are in high spirits and are pretty self-assured," he said. "I'm a little worried about their being over-confident. If we don't make silly mistakes, I think we have a real good chance to win. But probably not as big as we won last year because then we had some nice breaks come our way early in the game. The key to the game will be how well we hit and how early."

"We have the nucleus for a good ball club," Topliff continued, "but it will take a game situation to see what we really have."

Even though the Texico coach is optimistic about the season, he is still worried about lack of depth -- a serious problem which could cripple the Wolverines if the injury bug "bites" key players.

James Hadley will be the probable starting quarterback. Other probable starters will be David Cavallero, flanker; Robert Thornton, fullback; Ron Kirby, right guard; Clyde Bibbs, left guard; Joe Martinez, right tackle; Ricky Foreman, left tackle; Herbert Bibbs, tailback; John Kelly, center; Shawn Perkins, split end; and Britt Crooks, tight end.

The starting defensive lineup will probably be Kelley, nose-guard; Foreman, Martinez and Mark Powell, tackles (rotating basis); C. Bibbs and Kirby, ends; Cavallero and Crooks, linebackers; Thornton, Wolverine Man; Hadley, free safety; and H. Bibbs and Perkins, corners.

The Wolverines scrimmaged Clovis JV last Thursday, winning five touchdowns to

one. They might possibly have scored more except for dropping three end zone passes.

James Hadley scored once on a 60-yard run. Herbert Bibbs accounted for three touchdowns and Shawn Perkins made one.

"Everyone looked good," Topliff said. "The defense is ahead of last year's defense at the end of the season. The nine seniors and two juniors on defense are more mature and are reading keys better," he said, "but they still have to prove themselves in a game situation."

According to Topliff, Joe

Martinez "dominated on the defensive and offensive lines. Clovis just couldn't run at him. They made nine fumbles after being hit by us," he continued.

The Texico mentor also praised Clyde Bibbs for running the Clovis quarterback down from behind. "That's the first time I've seen that here in four years."

"We were ready for that scrimmage," he said. "The kids needed to hit someone else besides themselves. Team spirit is good and I'm getting optimistic about the season. Our younger players are coming along also."

Texico High Students To Take Test Oct. 23

James Harding, Texico High School principal, has announced that sophomores, juniors, and some seniors will be able to join over one million other students around the world in taking the Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test (PSAT/NMSQT) this fall. The test, co-sponsored by the College Board and National Merit Scholarship Corporation, is an important step in making college plans.

Scheduled for October 23 at Texico, the PSAT/NMSQT measures verbal and mathematical aptitude -- two abilities important in doing college work -- and gives students a chance to find out what the Scholastic Aptitude Test (SAT) is like.

By taking the PSAT/NMSQT, students can enter the competition for scholarships adminis-

tered by the National Merit Scholarship Corporation and ask to participate in the College Board's Student Search Service, which gives students an opportunity to hear from colleges that they might not otherwise know about.

With their score reports, students receive a copy of "About Your PSAT/NMSQT Scores," a booklet that contains valuable how-to information about estimating SAT scores, finding out where to get and how to use detailed information about colleges and financial aid, and planning for financing a college education.

In addition, students can use the College Board's "The College Handbook, 1979-80" to compare their scores with those of enrolled students at more than 2,400 colleges and universities.

ACT Test Dates Set At Texico High

The 1979-80 school year is just beginning, but juniors and seniors at Texico High School and other high schools across the country are already facing some big decisions.

One of those decisions is what to do after graduation -- whether to go on to school, to get a job, or try to do both.

Playing an important role in the students' postsecondary education and career planning will be guidance counselors, parents, friends, and a national service called the ACT Assessment Program. Designed to provide guidance information for education and career planning, the widely used program is recommended for

use by student applicants at more than 2,700 colleges and universities.

Texico students will have five opportunities during the 1979-80 school year to make use of the national program, which consists of four tests and a two-part questionnaire. Students complete the questionnaire at home as part of the registration process, and then take the battery of tests at area test centers on any of five weekend national test dates, explained James Harding, principal.

The five 1979-80 national test dates and the corresponding registration periods are: (the first date is the test date and

the second represents the registration period) October 20, August 6-September 21; December 8, October 8-November 9; February 16, November 26 - January 18; April 12, February 4-March 14; June 14, March 24-May 16.

It takes students about three hours to complete the ACT Assessment's four exams covering subject areas of English, math, social studies, and natural sciences.

Harding said the test scores provide an assessment of general educational development, and the questionnaire section information focuses on academic and non-academic accomplishments and interests, as well as career and educational plans. For the fifth consecutive year, the basic student fee for using the ACT Assessment Program is \$7.50.

In addition to being used by students and their high school counselors, information provided by the ACT Assessment is also used by colleges for academic advising, admissions counseling, course sectioning and placement, student services, and institutional research. Students' ACT Assessment reports are sent to only those colleges specifically designated by the respective students.

One of several educational services provided by The American College Testing Program (ACT), the ACT Assessment Program is used each year by more than 900,000 students as part of their education and career planning.

The Sequoia tree is named for Sequoia, an American Indian who developed an Indian writing system suitable for printing.

If you smell gas, remember this:

We add a distinctive odor to natural gas, so it's easy to recognize.

Not sure? We're here if you need us.

We're available to locate gas leaks 24 hours a day. So jot our number down with your other emergency numbers. And if

If you smell a strong odor of natural gas indoors, take these steps. Get everyone out of the building.

Open nearby doors and windows. Extinguish open flames. Don't flip any light switches, or use any gas or electrical appliances. And don't light matches. Go to a neighbor's phone, or a nearby pay phone to report the leak to us. We'll be right out.

Outdoors? Please report it.

We need your help in spotting outdoor leaks, too. Please call us if you suspect a leak. Even if it's on someone else's property, or on a public street. Until we get there, ask everyone to stand back. Don't smoke in the vicinity. And don't start car engines.

Faint odor? Check your pilots.

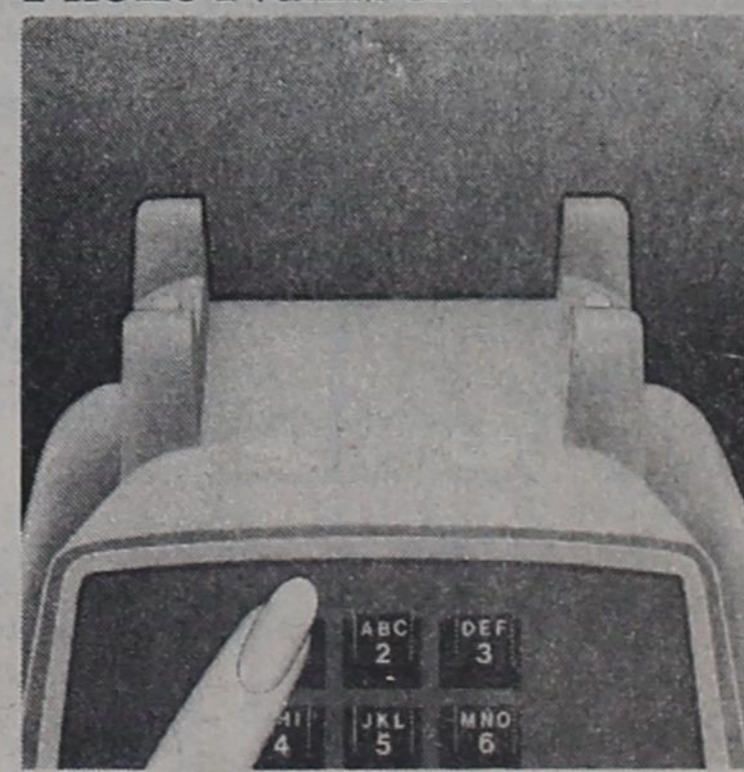

A faint odor of natural gas may mean something as simple as an unlit burner on your gas range. Or a pilot light that's been extinguished accidentally. If it's anything more complicated, give us a call.

you ever smell natural gas, indoors or outdoors, please give us a call.

We'll be right out. And we'll appreciate your help. Because stopping leaks prevents possible danger and helps conserve valuable natural gas.

It's one more way we're working to keep natural gas the energy you can live with.

Steers To Host Olton In '79 Season Opener

Farwell Steers will test their mettle this Friday night at 8 when they host the Olton Mustangs in the season opener. "Olton (a Class AA school) will be tough," commented first year Farwell coach, Randy Adrian. "We hope to show good against them."

Mark Owen will direct the Steer offense with Waverly

Coates at fullback and Max Lonsdale at tailback. James Castleberry will fill the slot back position and Craig Kaltwasser will be the split end. Richard Carpenter will handle the tight end position. Offensive tackles will be Byron Mayfield, right, and Willie Martin, left. Handling the guard chores will be Leonel

Jaime, right, and Chris Bristow, left. Mac Langford will be at center. Jaime and Martin will serve as defensive tackles and Richard Winegeart and Richard Carpenter will be the defensive ends. Linebackers are Mayfield, Langford and Coates. In the secondary Owen and

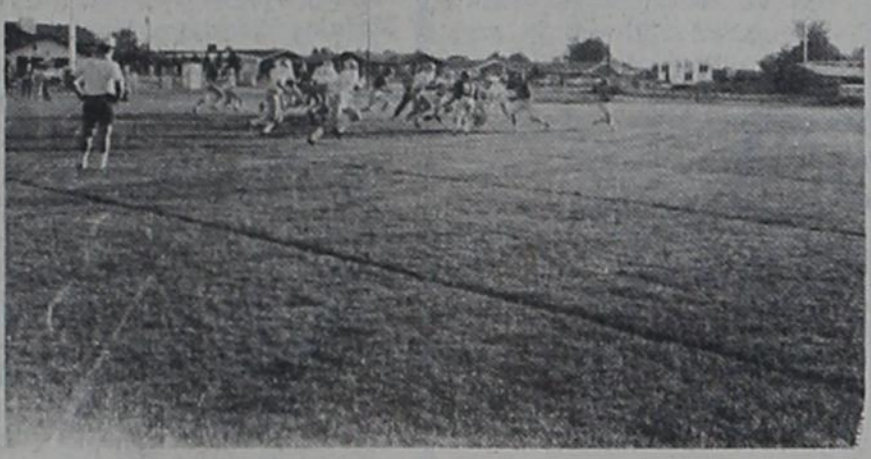

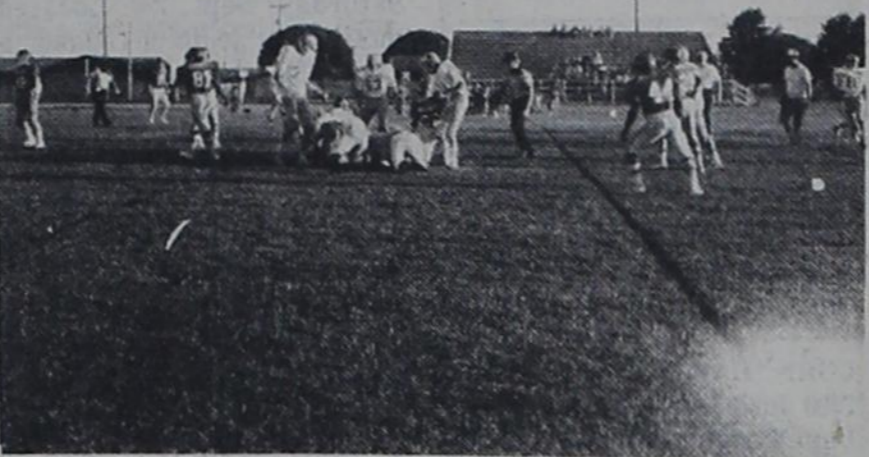

Castleberry will fill the corner slots and safeties will be Boyd White and Lonsdale. ***** The Olton Mustangs have several starters back, according to Top-O-Texas Football magazine. A leading contender is Vance Stroebel, (6-1, 160), all-district safety who also serves as quarterback. Last

season he led his team in interceptions with six to his credit. Other standouts are Charles Brown, a 5-11, 175 pound flanker who gained 750 yards last year; and Danny Garcia (5-8, 160) touted to be one of the best 3-AA receivers. Other returners include Marty Walker (6-0, 175) who operates as an offensive guard and defensive end; Dwain DePrang (5-9, 160); Doug Smith (6-2, 225), tackles; and Scotty Cannon (5-9, 160), guard. Other offensive players are Johnny Huston (6-1, 185), fullback; Kelly McCall (5-6, 150), fullback; and David Smith (5-5, 130), quarterback. The Mustangs have nine lettermen returning to their squad.

1979 Farwell Steers

The Farwell Steers will open the 1979 season tonight (Friday) at Steer Stadium against Olton. Game time is 8 p.m. CDT. Team members and coaches are, from left, back row: Ricky Armstrong, Byron Mayfield, Mac Langford, Leonel Jaime, Philip Hagler, Troy Coleman, Richard Carpenter and Richard Winegeart; second row: Coaches Bill Phillips and Larry McDorman, Danny Davis, Craig Kaltwasser, Rusty Smallwood, Fidel Morales, Boyd White, Willie Martin, Waverly Coates, Kent Torbert and Coach Randy Adrian; front row: Coaches Glen Morton and Royce Baker, James Castleberry, Kerry Ford, Max Lonsdale, David Daniel, Chris Bristow and Coach Mike Martin. Not pictured is Mark Owen.

Steer Scrimmage Scenes

Farwell's offensive machine put on a good show in the Steers' second scrimmage of the season Thursday at Steer Stadium, outscoring the Anton Bulldogs eight TD's to one while racking up 213 yards on

the ground and adding another 81 through the air. In the first photo the defense was at work shutting off a Bulldog runner. In the second picture Max Lonsdale takes off on a run that turned into a good gain. In

Steer Fans Asked To Attend Game

All Steer football fans are urged to be on hand at Steer Stadium Friday night when the Blue and White host the Olton Mustangs in the season opener beginning at 8 p.m.

Booster Club members are asking every fan to don his blue and white apparel and get behind the Steers to show their support in helping them to "Beat Olton."

Workshop Set For County 4-H Leaders

All 4-H leaders who are interested in "A More Productive County 4-H Horse Program" are invited to participate in a weekend workshop on that theme, September 14-16. This training activity for leaders will be conducted at the Texas 4-H Center, located on Lake Brownwood in central Texas.

Parmer County Extension Agent Seth Ralston indicates that the weekend training sessions will include information and demonstrations on topics such as "Horsemen's Handcraft Workshop," "Futur-

ity Projects," "Selection," and "Economics of Training and Fitting for the Market." Instructors for workshop activities are: B.F. Yeates and Dr. Doug Householder, Extension Horse specialists, College Station; and Carolyn Gilbert and Dr. Bill Jackson, 4-H and Youth Specialists at Brownwood and Stephenville, respectively.

For further information and registration details, interested persons should contact the Parmer County Extension office located in the Courthouse, or phone 481-3619.

Offense Draws Praise --

Steers Trample Anton In Scrimmage Contest

The Farwell Steers ran roughshod over the Anton Bulldogs last Thursday in a scrimmage match, besting their opponents eight touchdowns to one. Counting goal line efforts, the Blue and White actually earned eight touchdowns in all. Statistics for the scrimmage were impressive as the Steers earned a total of 294 yards -- 213 rushing and 81 passing. Quarterback Mark Owen completed four of five passes. Farwell took an early lead, rushing for 105 yards the first 20 plays. Also during the initial drive, Owen hit three of three passes for 73 yards, making the drive's total yardage 178.

The Steers' next offensive efforts netted them 108 yards in 13 rushing plays and one completed pass for 8 yards from Owen to James Castleberry. Anton scored only one touchdown during regular play and did not hit paydirt from the goal line. The Blue and White offense stepped into high gear early in the scrimmage as on the fourth

play Max Lonsdale took the pigskin and sped 30 yards to score. A 23-yard pass from Owen to Castleberry set up that play. Craig Kaltwasser caught a 46-yard pass and on the next play Owen hit Castleberry with a four-yard pass which was good for another TD.

The Steers continued scoring as Boyd White scampered 58 yards to cross the goal line. The fourth TD came when Ralph Paez, JV running back, galloped 40 yards to paydirt. Castleberry proved a worthy runner gaining 18 and 21 yards before catching an eight-yard scoring pass.

Lonsdale, sprinted 10 yards on two separate occasions to make two goal line touchdowns and Waverly Coates bounded over from the four. "We did better than in the first scrimmage," head coach Randy Adrian said. "Anton was tougher than Melrose."

The first year Farwell coach expressed disappointment in the defense who, according to him, "slacked off toward the end of the scrimmage."

"That's when they scored on us," he said. "Anton also made some good runs up the middle of our defense which hurt us."

Adrian said he wasn't as pleased with the defense as he was last week and said they will have to work on that. But he did have words of praise for Castleberry, Rusty Smallwood and White who each made one interception.

The Steer mentor commented that they had "too many penalties which will hurt us in a game situation. We have to eliminate those mistakes."

Adrian commented that the offense executed better than in the first scrimmage against Melrose. Max showed his good speed on offense and Mark did a good job of throwing," he said. "James and Boyd each ran well with the ball."

He also praised the offensive line "for doing a super job of opening holes for the running backs. They are Byron Mayfield, Leonel Jaime, Mac Langford, Chris Bristow, Willie Martin and Richard Carpenter."

TWO MINUTES WITH THE BIBLE
BY CORNELIUS R. STAM, PRES. BEREAN BIBLE SOCIETY CHICAGO, ILLINOIS 60633

THE CAPTAIN OF OUR SALVATION

Years ago a man of God was asked to preach at the funeral of a young soldier whose parents were unsaved. During the course of his message the preacher sought to impress upon his hearers the basic fact that "the wages of sin is death, but the gift of God is eternal life, through Jesus Christ our Lord" (Romans 6:23). This greatly upset the parents. After the service they complained: "This is embarrassing. Our boy was not a sinner." The truth was that shortly before his death this young man had done what every true, born-again Christian has done. He acknowledged himself to be a lost sinner and, trusting Christ as his Savior, had been so gloriously saved that his parents were mystified that he could be so happy in the face of death. The simplest believer in Christ understands all this. He knows that for the "old man" the death of the body is indeed a "dishonorable discharge" for laws broken, orders disobeyed, responsibilities unmet and trusts betrayed. But for the "new man" the death of the body is the vestibule through which he is ushered into the blessed presence of "the Captain of our Salvation," the One who "by the grace of God tasted death for every man," that He might "bring many sons to glory" (See Hebrews 2:9,10). This is why we read in Hebrews 2:14,15: "Forasmuch, then, as the children (of Adam) were partakers of flesh and blood, He (Christ), also Himself likewise took part of the same; that through death He might destroy him that had the power of death, that is, the devil. "And deliver those who through fear of death were all their lifetime subject to bondage." No wonder St. Paul's simple message of salvation was: "Believe on the Lord Jesus Christ and thou shalt be saved" (Acts 16:31).

Tri State Fair --

\$12,798 Prize Money For Hereford Cattle

Prize money totaling \$12,798 will be offered for Hereford Cattle at the 1979 Amarillo Tri State Fair, September 17-22.

This year's show at Amarillo has been designated by the American Hereford Association as a Register of Merit Show and has been dedicated to Jay Taylor of Amarillo.

In addition to the regular classes in the show, a special Cow-Calf class, sponsored by the Panhandle Hereford Breeder's Association, the Amarillo Chamber of Commerce and the American Hereford Association will be conducted. \$1,000 of the total prize money will be awarded in this special class. There will also be limited space available for the exhibition of herd bulls owned by local breeders.

Judging will begin at 9:00 a.m. on Friday, September 21. John (Rusty) Tinnin, Amarillo, is show superintendent and Herman Purdy, Alexandria, Pa., is the show judge.

Each entry in the special class will consist of four animals: one cow with bull calf and another cow with heifer calf. First prize for the best of class will be \$150 from the C of C and the AHA, a silver belt buckle from the Panhandle Hereford Breeder's Association, and a trophy and first place ribbon from the Tri-State Fair.

In the special cow-calf class co-sponsored by the C of C and the Hereford Association, no fitting, grooming or clipping on cows or calves will be per-

mitted, according to Bob Carthel, C of C Agri-Business Committee chairman. Blowing out will be allowed to clean up the cattle, he continued.

The split for the top ten places in the special class will be \$150 for first, \$140 for second, \$130 for third, \$120 for fourth, \$110 for fifth, \$100 for sixth, \$90 for seventh, \$70 for eighth, \$50 for ninth and \$40 for tenth.

"This is the first Register of Merit Show held by the Hereford Association in Amarillo. It is a big honor while additionally, nearly doubling the prize monies for all Hereford classes at the fair," Carthel said.

Deadline for entries in the Jay Taylor Register of Merit Hereford Show is September 1. For entry forms or additional information, exhibitors may write Tri State Fair, P.O. Box 31087, Amarillo, Texas 79120.

Texas 4-H Congress Keys on "Energy" -- Some 500 4-H members will explore current sources of energy and management methods as well as look at energy possibilities for the future at the 1979 Texas 4-H Congress in Houston, July 19-22. Congress theme is "4-H and Energy: Partners for Progress," says a 4-H and youth specialist with the Texas Agricultural Extension Service, Texas A&M University System.

On The Farm In Parmer County

Producers who intend to plant small grains, winter pastures or other fall crops will want to give due consideration to fertilization.

High crop yields or intensive grazing cannot be realized without adequate fertility. Parmer County soils are low in one or more nutrients, but the level of available nutrients cannot be determined from visual observations. Soil tests have been developed for evaluating the nutrient levels and serve as a basis for developing profitable fertilization practice.

Soil tests are available from a number of sources; select a laboratory that uses procedures that are suitable for your soils. For good results from soil tests it is important that the samples be carefully collected as prescribed by the soil testing laboratory.

Generally, a core or slice of soil is taken from 10 to 15 spots in a field of average size, put in a clean bucket, mixed, and about a pint removed to represent the field sampled. Additionally, a map of fields sampled is needed for producer records -- and information about past and future cropping plans should accompany the samples to the laboratory, along with the proper fee.

A sample report provides soil test results and suggest fertilization for crops planned.

Now is a good time to submit samples, in order that results can be studied, to reach the best soil fertility program for your farm.

Instructions and boxes for sampling are available at the Extension office in the Court-house at Farwell.

Around The House with Laura Jacobs
Assistant Parmer County Extension Agent for Home Economics

Three "do's" put the finishing touch on a furniture-arrangement plan. They include proper scale, balance and a focal point.

PROPER SCALE
Keep furniture in proper scale with the rest of the room. For small rooms, use a loveseat rather than a long sofa, for example. Also, use small-scale tables and other furnishings in small rooms.

On the other hand, a very large room may require two large sofas -- along with several occasional chairs in conversational groupings -- to give it a well-furnished look.

CREATE BALANCE
Create a sense of balance in each room by distributing furniture masses so they don't weight down one side and leave the other side empty.

For example, in a room that holds a combined mass of major seating items, make sure there is a complementary mass in another part of the space.

Sometimes the architecture itself provides this -- with a bank of bay windows or a staircase, for example.

Also, a secondary seating group, a grand piano or a wall of bookshelves will achieve the same effect.

USE FOCAL POINT

Design your interior around a focal point -- that one special thing in a room that catches the eye at first glance. It could be a fireplace or a "good view," for example. Make sure the sofa faces the focal point.

If the room lacks a natural focal point, create one -- with a sizable work of art or a wall of mirrors or an etagere (standing whatnot shelf).

Marriage Licenses

Parmer County Clerk's office has issued two marriage licenses since the last report.

Those receiving the licenses were William Vincent Gromowsky, Jr. and Linda Diane Reed; and Kelly Reese Mitchell and Delia Aileen Dollar.

Legal Notice

LEGAL NOTICE

By virtue of an Execution issued out of the 64th Judicial District Court of Hale County, Texas, on a judgment rendered in said Court on the 10th day of April, 1979, in favor of THE CITY NATIONAL BANK OF PLAINVIEW vs. RICHARD ADKINS, d/b/a Plainview Honda; No. A-18859 in such Court, I did on the 28th day of June, 1979, at 4:30 p.m. levy upon the following described tracts and parcels of lands situated in the County of Parmer, State of Texas, as the property of the said RICHARD ADKINS, to-wit:

An undivided one-half interest subject to a life estate in Eunice M. Adkins in and to the following real property: Being 320 acres of land, more or less, in Parmer County, Texas, and being the North One-Half (N. 1/2) of Section 24, Township 1-North, Range 3-East, as shown by plat recorded in Vol. 5, Page 395, Deed Records of Parmer County, Texas, SAVE AND EXCEPT a 15.86 acre tract heretofore conveyed by Ivan Adkins et. al. to Gary E. Brown et ux Barbara Brown by Warranty Deed Recorded in Volume 172, Page 143, Deed Records of Parmer County, Texas; SUBJECT TO all mineral and/or royalty reservations of record in the Deed Records of Parmer County, Texas, and to any other instruments and matters of record in force and effect against the above described property; and

on the 2nd day of October, 1979, being the first Tuesday of said month, between the hours of ten o'clock a.m. and four o'clock p.m. on said day, at the Courthouse door of said County, I will offer for sale and sell at public auction, for cash, all the right, title and interest of the said RICHARD ADKINS, as hereinabove des-

cribed, in and to said property. DATED in Farwell, Texas, this 4th day of September, 1979.

CHARLES LOVELACE, Sheriff of Parmer County, Texas
