

THE STATE LINE TRIBUNE

"OFFICIAL PUBLICATION OF FARMER COUNTY"

NUMBER 22

SIXTY-EIGHTH YEAR

20 CENTS

Past sins always return to haunt a body. In this case some of the past sins of Uncle Sam are soon to return to haunt us. During the Vietnam War failure to register for the draft and even fleeing the country to escape serving one's country was looked upon with favor by a large segment of the public.

Even many of our elected officials were guilty of sympathy for such behavior. Certainly many organizations including church groups espoused this conduct. Major segments of the news media played up such actions as being morally worthy in their evening news broadcasts.

Well now, the inescapable tide of world forces has caught up with the present administration and if this country is to live up to its commitments and to even preserve its national being a future draft looks necessary.

So what do we have? Already groups are organizing to oppose the registration, let alone actual service to the country. We note that a certain Ken Carpenter of the American Friends Service Committee is reported to be urging young people to refuse to even register because thousands of young men failed to register for the draft during the Vietnam War and got away with it.

We were hopeful that this shameful era in our history was behind us but like Scrooge's shades of Christmases past it will return to haunt us.

Do you people realize that the freedoms we enjoy in this the 204th year of our Independence has been bought with the blood and suffering of generations of young men and women?

Our shiny coin of national independence has two sides - one side is freedom the other is duty. We have a duty to those who died in the past to give us this freedom, a duty to the present to preserve this freedom and a duty to the future so that our children's children may enjoy our rich heritage.

If this sense of duty is irrevocably lost then all is lost and we as a nation may as well throw ourselves on the tender mercies of the Soviet barbarians to whom human life, personal freedom and individual dignity mean absolutely nothing.

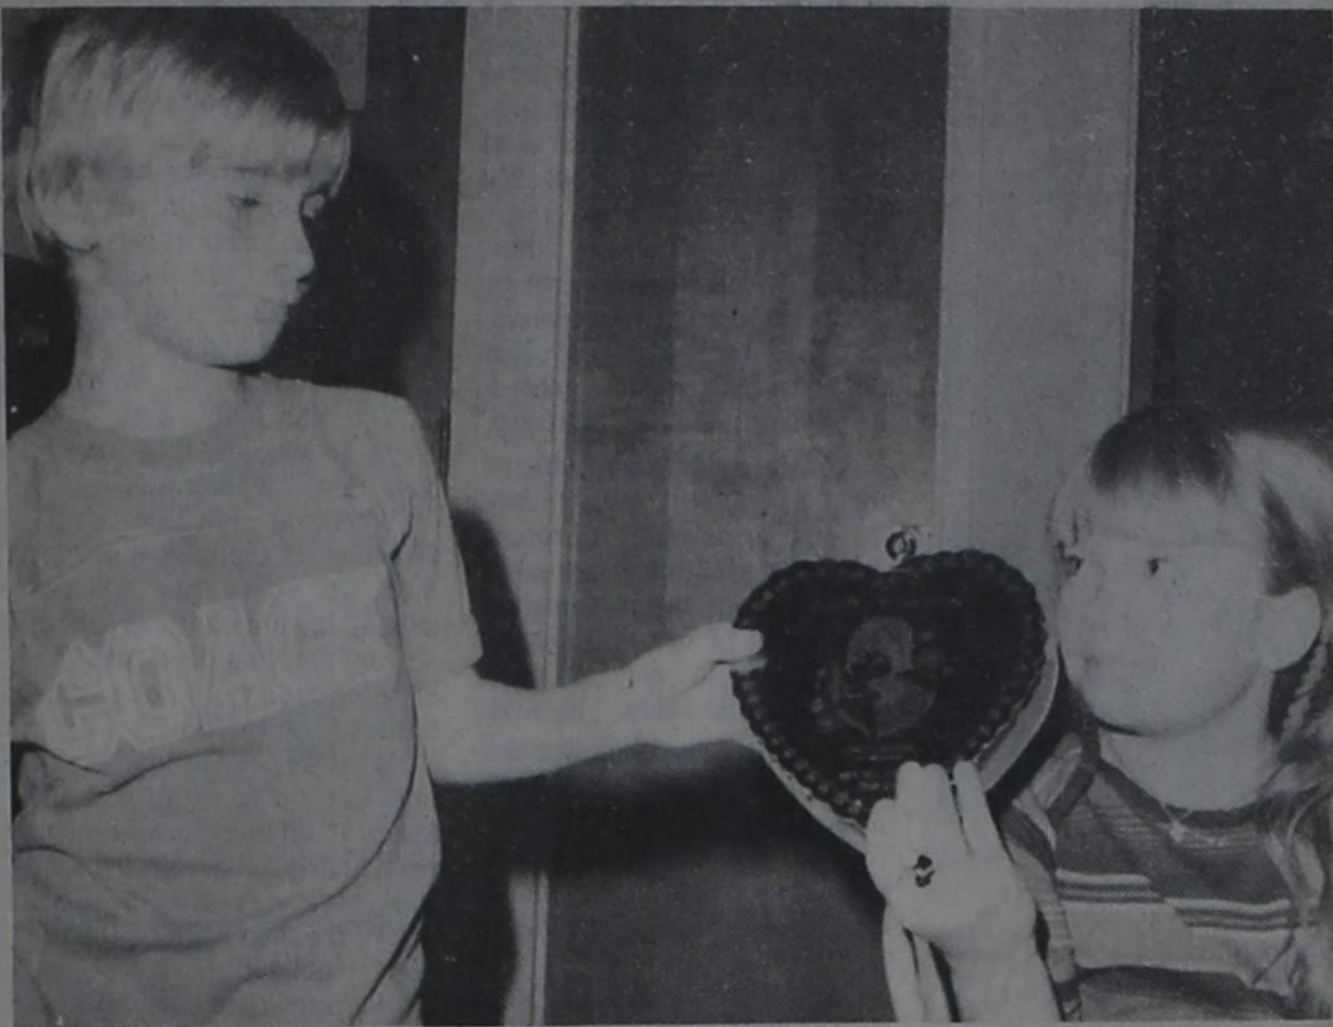

Finally, the weatherman's definition of a good day came along last weekend. It seems that we have a different understanding of the meaning of the words that our weather seers use than what they do. We lay this difference in what we understand the next day's weather will be and what it actually turns out to be to semantics rather than plain old ineptitude.

With Spring tiptoeing down the calendar each day we are coming closer to a lot of the annual spring activities. Our Farwell fat stock show is upon us, soon we will have the Farwell Chamber of Commerce banquet and the Lions Club Twin Cities relays are in March. The Texico Chamber of Commerce banquet is on the horizon along with athletic banquets for each community.

There are actually a lot of things in which to participate in a "small town" if a person will just go out and be active with his fellow townspeople. All these things cannot be accomplished by a few folks - it takes all the local citizenry to make the wheels of progress spin each and every year.

How about getting off your duff and rolling a few wheels with the rest of us?

For some reason these figures strike us as very significant. Washington, D.C., has more psychiatrists than any other city per capita. One for every 1,780 people while even Los Angeles, home of the original ding bat, has only a one to 6,118 ratio.

Be My Valentine

As Valentine's Day nears, thoughts of hearts and flowers and gifts to someone dear run through the minds of both young and old. Kirk Fly, son of Mr. and Mrs. Gary Fly of

Farwell, presents a Valentine gift to Amy Murray, daughter of Mr. and Mrs. Robert Woodson, also of Farwell, as a reminder to our readers that Valentine's Day is February

14. Kirk is a first grader in Mrs. Roberts' room at Farwell Elementary and Amy is a first grade student in Mrs. Howard's room.

Texico Election - -

Absentee Voters Must Register

Persons wishing to vote in this year's municipal election in Texico by absentee ballot will need to go to the Texico city hall and fill out an absentee ballot application on or before February 29, 1980, Harry Patton, city attorney, said.

The election ballots will not be ordered until February 8, the final day that candidates may withdraw from the race. Ballots are not ordered until this date so that an accurate listing of all candidates who

have not withdrawn by that date can be placed on the ballot, Marie Christian, city clerk, said.

Anyone wishing to vote by absentee ballot may contact Mrs. Christian on or after February 19, to ascertain when the ballots have arrived. At that time, persons may go to city hall and fill out an application requesting an absentee ballot.

The applications are checked with the county clerk in Clovis to determine if the individual

is a registered voter before it is approved and a ballot sent to him.

The deadline for filling out an application and for voting by absentee ballot is February 29, reminds Patton.

The municipal election is to be March 4, 1980, when a mayor, municipal judge and two councilmen will be elected.

Only registered voters residing within the city limits of Texico are eligible to vote in the municipal election.

Blood Drive Set Monday

Texico-Farwell Lions are supporting a blood donor drive on Monday, Feb. 11, from 1 to 4 p.m.

Persons willing to donate blood are asked to participate in the drive which will be in the offices at the back of Farwell City Hall Monday afternoon.

Southwest Blood Services is the sponsoring organization.

Farwell Livestock Show On Stage

Tribune readers who receive this issue of the Tribune on Thursday afternoon are reminded to go out and see the animals on exhibition at the Farwell Jr. Livestock Show which is slated for 6 p.m. (CST), Thursday, Feb. 7, in the Preston Martin fertilizer barn, located north of Franse Irrigation on N. Ninth Street.

Members of Farwell Future Farmers of America and the Farwell 4-H Club will be exhibiting animals in the show.

Two new attractions are being introduced in the show this year. A gilt show and a pee wee division for children under nine years of age will be part of the show.

Judge for this year's event is

Roy Neal Jones, Cochran County extension agent, who will judge the swine, steers and lambs that will be shown.

Trophies to be awarded for grand champion and reserve champion in each division as well as a showmanship trophy were donated by Worley Mills, Inc. Security State Bank purchased ribbons for the show. Farwell Jaycees are sponsoring the show as in years past.

Michael Haseloff will serve as the show's superintendent with Richard Montgomery, Farwell FFA advisor, supervising the FFA entrants and Seth Ralston, Parmer County Extension Agent, taking command of the 4-H entrants.

Parmer Grand Jury Indicts Three Men

Parmer County Grand Jury returned three indictments after convening in District Court last week. Judge Pat Boone, Jr. presided over the court.

David Bautista Jr. was indicted on a burglary charge and bail was set at \$5,000. He was indicted in connection with the breaking and entering of a building owned by Percy Wilson. The incident is alleged to have occurred on July 22, 1979. Bautista has not yet made bond and remains in jail.

Alex Robinson was indicted on a burglary charge and his bail was set at \$2,000. He was indicted in connection with a burglary that was alleged to have occurred on January 11, 1980. Bond has not been made and Robinson remains in the county jail.

In final action, the grand jury indicted Jerry Ortiz on forgery charges after he allegedly forged someone else's name to a check and passed it on or about November 7, 1979. The check that was allegedly passed was in the amount of \$281.36. Ortiz has posted bail and is free on bond at the present time.

Trial dates for the cases have not been set at this time.

Heart Sunday February 10

Sunday, Feb. 10, is Heart Sunday and in conjunction with this annually recognized day the Parmer County branch of the American Heart Association will be going from door to door soliciting donations for their cause on that date. Robert White is chairman of the local chapter.

front end," Austin pointed out.

"One definite advantage to a wet milling front end system would be that high gluten protein could be retained from wheat and sucrose retained from corn, both of which could be marketed for human consumption. The drying milling front end system would retain byproducts that would only be marketable for feed grains which naturally would not bring as high a price to farmers as would byproducts marketed for human consumption," he said.

"The study, however, will explain in detail whether or not the market could support the influx of one or the other of these types of byproducts," Austin added.

"At the present time there are nine cooperatives such as ours that have formed across the nation and there are 28 more groups of people nationwide who want to start such a cooperative for themselves," he said.

"Eventually there will be a central cooperative headquarters and each of these individual cooperatives will band together. The end result will be that every cooperative member farmer will be able to market his produce for the same price as any other member in the central cooperative organization," Austin said.

"We will meet in Kansas City today (Friday) to discuss the concept of a central cooperative headquarters further," he said.

"We have already been asked by one oil company to supply them with one million gallons of alcohol per day. I'd rather not

mention the name of this company at this time, however," Austin said.

"There's no question that the alcohol will be easy to sell, there is a market for it, but we want the feasibility study completed in order to determine whether the market is ripe for wet or dry milling front end systems," he said.

"The American Energy Company in North Dakota was planning on consuming 8,000 bushels of grain in their proposed alcohol plant per day until they had a study conducted which advised them to increase that amount to 50,000 bushels per day," Austin said.

"Their plant's price tag is \$130 million," he added.

"At the present time we have 211 charter members in our cooperative and each farmer had the option to buy amounts of 10,000 bushel units at five cents a bushel and this was the

way that we raised the \$165,000 with which we'll be able to fund the study. We'll even have some money left over," Austin said.

"When the central cooperative headquarters is formed then each cooperative will send one person to represent them at the central headquarters," he explained.

"Right now estimates of building an alcohol plant run from \$40 to \$60 million. We have hired several experts who will help us set up the financial business structure of our cooperative," Austin said.

"After the study is completed, then phase two will begin which will carry us up to the ground-breaking stage," he said.

"At the present time the only alcohol plant of this type in existence is located in Decatur, Ill., and it has a 75,000 gallon per day production of alcohol," Austin said.

Precinct 3 - -

Cecil Atchley Seeks Commissioner's Post

Cecil Atchley has authorized the State Line Tribune to announce his candidacy for Commissioner of Precinct 3 of Parmer County, subject to the Democratic Primary on May 3.

In making his announcement, Atchley says, "I have been a resident of this Precinct for the last 57 years and I have reared my family here. I have four daughters who received their education in our local school system, and they now have their own families.

"I am proud of what I accomplished when I was your County Commissioner from 1973 through 1976. I know what it takes to keep our roads in good shape and I feel that I can serve you well in the next term.

"I ask that my friends support me in this election and I will strive to the best of my abilities to fulfill the obligations of this office.

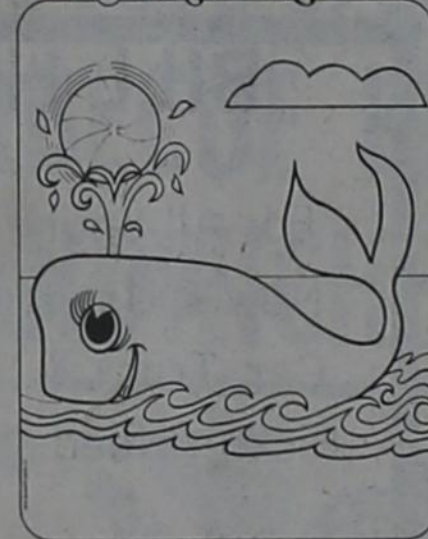

CECIL ATCHLEY

"Your vote and influence in the May Primary Election will be very much appreciated."

Cecil Atchley
Pd. Pol. Adv.

Girl Scout Cookie Time

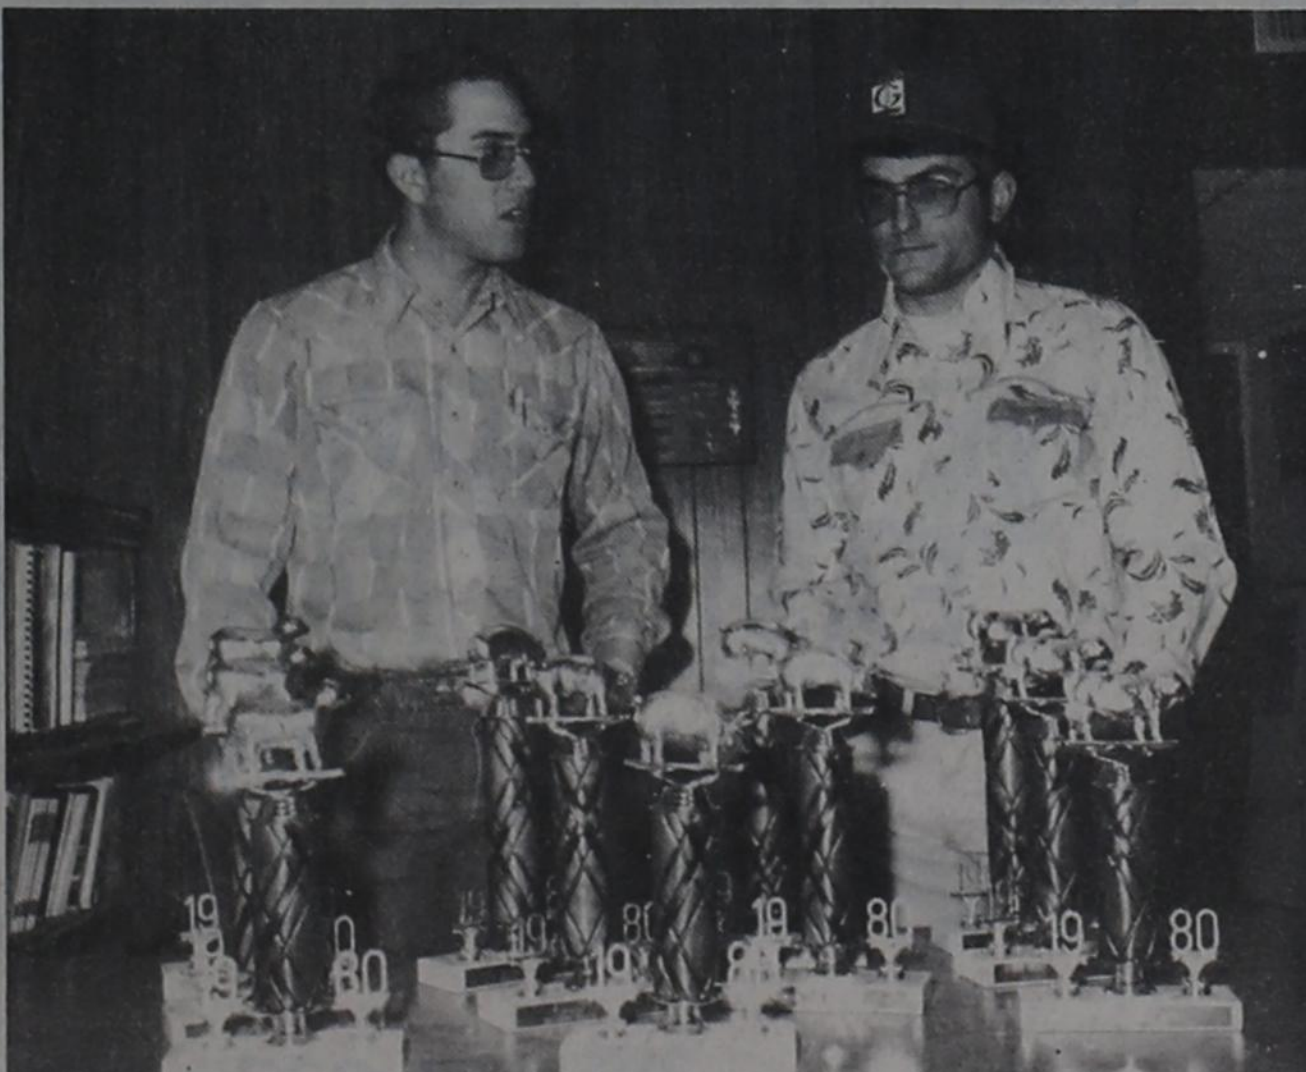

Cookies Sales

Smiling faces and a well-known American tradition help to make a quick sale as Brownies and Girl Scouts sell cookies door-to-door in the Annual Girl Scout Cookie Sale which is now in progress. Mrs.

Lorena Venable of Farwell is receptive to the sales pitch given by, left to right, Brownies Leanne and Lisa Harper, and Girl Scout Laurie Harper. The Scouts are daughters

of Mr. and Mrs. Leonard Harper of Farwell. The sales will continue through February 17, with proceeds going to the local council for various projects.

Stock Show Trophies

Seth Ralston, left, and Michael Haseloff admire the trophies that will be awarded to 4-H and FFA youth at the annual Farwell Jr. Livestock Show which begins at 6 p.m. Thursday, Ralston, Parmer

County Extension Agent, is sponsor for the 4-H youth while Haseloff is the show superintendent. The trophies are being provided by Worley Mills and will be presented in the three

categories: swine, steer and lamb. Two new attractions at this year's show include a gilt show and a pee wee division for children under nine years of age.

**Funeral Services Held
For G.A. 'Bill' Garrett**

Funeral services for G.A. "Bill" Garrett, 72, of Farwell were conducted at 2 p.m. Wednesday, Feb. 6, at the First Baptist Church in Farwell, with Rev. Dudley Bristow officiating. Burial was in the Muleshoe cemetery.

Mr. Garrett died February 3 in Parmer County Community Hospital in Friona. He was born February 15, 1907, in Duncan, Okla.

He married Juanita Ivy on April 17, 1932, in Clovis. The Garretts came to Farwell in 1951 and resided here until 1959 when they moved to Las Cruces, N.M. They returned to

Farwell two years ago to make their home.

In his earlier years, Mr. Garrett was a barber and then he was a carpenter. He was a member of the Baptist church.

Survivors include his wife, Juanita, of the home; two daughters, Mrs. Judy Kay Reed of San Francisco, Calif., and Mrs. Elizabeth D'Ann Welsh of Las Cruces; a stepmother, Mrs. Birda Garrett of Mena, Ark.; four half brothers, Robert of Mena, Ark., Bill of Hartselle, Ala., Jim of Fort Worth and Phil of Farwell; and four grandchildren.

Main Street, Lazbuddie

by Janet Wilke

LONGHORN BASKETBALL
The Longhorn basketball teams hosted Amherst Friday night, and split the games.

In the Lady Horns game, Lazbuddie came close to losing a sizeable lead in the last part of the game, but were able to pull it out, 56-54.

Leading scorer in the ball game was Sherrie Seaton with 18, followed by Barbie Ivy with 16.

In the varsity boys game, Lazbuddie fell short of the mark, 66-47.

Scoring for the Horns were Quentin Mimms, 12; Reggie Treider, 11; and Russell Windham, Steffan Moore, and Todd Gregory, 8 each.
The J.V. boys won their bid against Amherst 59-46. High scorers in that game were Terry Steinbock, 18; and Bart Elliott, 14.

JR. HIGH GAMES

The Lazbuddie junior high teams traveled to Three Way last weekend to participate in the junior high basketball tourney.

The girls team walloped Bledsoe's girls 18-7 to win consolation in the finals.

Jana Rogers and Becky Schacher led in the scoring for the Horns with 6 points each. Cynthia Zamora had 4 points, and Sharon Glover also made a bucket for the Horns.

In game two for the girls, Jana Rogers led scoring in the 43-19 win over Morton's girls. She had 18 points. Cynthia Zamora also scored 15 points for Lazbuddie.

In the girls' first game of the tourney, Lazbuddie was dropped by Littlefield, 36-22.

Jana Rogers had 10 points and Sharon Glover had 8.

In the boys game, Lazbuddie won their first game from a tough Littlefield team, 45-43.

Lee Scott led in scoring with 19 points. Noe Gonzales also scored 10 points for Lazbuddie.

In the second game against Morton, Lazbuddie lost to the Indians 41-37 in an overtime game.

Noe Gonzales had 16 points for the Horns and Franky Garcia had 9.

In the final game, which was against the Lubbock Christian Eagles, Lazbuddie just could not overcome some bad breaks and lost 43-35.

Noe Gonzales led in scoring for the Horns with 16.

FEB. SCHOOL CALENDAR
Feb. 8 - High school basketball, at Spade - varsity teams & JV. boys, 5 p.m.

Feb. 11 - Jr. High basketball, Spade, here, 5 p.m.

Feb. 12 - High school basketball, at Cotton Center - varsity teams & JV. Boys, 5 p.m.

Feb. 14-16 Parmer Co. Stock Show

Feb. 16 - Sweetheart Banquet, 7 p.m.

Feb. 18 - Jr. High basketball, Cotton Center, here, 5 p.m.

Feb. 18 - Co-op Chemical meeting, cafeteria

Feb. 22 - No School - Teachers Workday

Feb. 23 - Solo/Ensemble contest, Lubbock

Feb. 25 - NO SCHOOL

Feb. 26 - Classes resume, regular schedule.

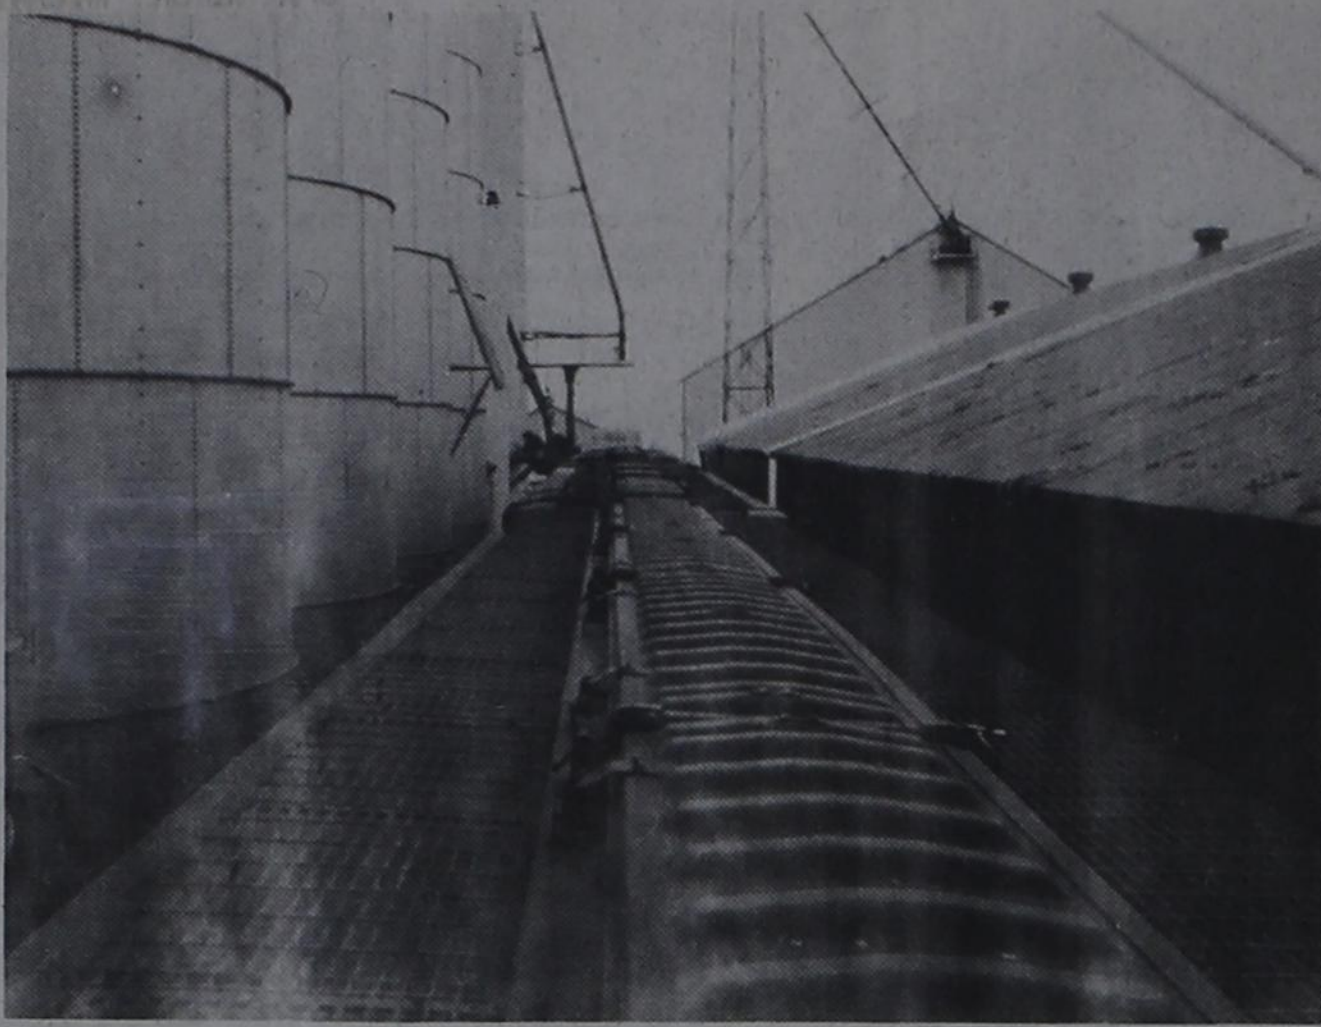

Feb. 29 - Jr. high track, Meadow.

Wheat Rolling

Fear generated by the partial embargo against shipping U.S. grains to the U.S.S.R. is beginning to dissipate. Last week grain elevators in the local area began shipping

wheat to exporters. Grain hopper rail cars such as these were filled with wheat and readied for shipment. Although the embargo is still in effect against Russia, experts indi-

cate that other countries in the world are beginning to take up some of the slack by buying some of the grain that had been earmarked for the Soviets.

SHERIFF'S REPORT

Parmer County Sheriff Charles Lovelace reports that there have been several instances of vacant buildings and barns in the area being broken into and various items stolen.

Johnny Bruton, Muleshoe, reported to the sheriff's office on February 1, that someone had burglarized a vacant house that belonged to him. Reports indicate that it is located east of Lariat and that someone stole some plumbing supplies from the structure.

On February 1, Darrell Kirkpatrick, Bovina, reported that a house belonging to him and located 3 miles west on Highway 60 near Bovina had been burglarized. Reports indicate that someone stole approximately \$500 worth of items to include some electric drills.

On January 30, Sonny Pipes of Friona reported to the

sheriff's office that someone had burglarized his vacant barn located 11 miles northwest of Bovina. Reports estimate that \$800 worth of items was stolen.

Eugene Van Story, Morton, reported to the sheriff's office on January 25, that someone had burglarized a vacant house that he owned which is located north of Muleshoe.

In other reports Sheriff Lovelace told the Tribune that Alex Robinson, Clovis, had waived extradition and was transported from Clovis to the Parmer County Jail on February 4 on charges of burglarizing a Farwell structure. Earlier this week Robinson remained in custody in the county jail in lieu of \$2,500 bond.

FIRE CALLS

Fire trucks in the Twin Cities were not called out this past week; however the ambulances from both fire departments were busy.

On February 2 at 12:55 p.m. the Texico ambulance transported a girl to Clovis High Plains Hospital.

The Farwell ambulance transported a Farwell resident to the hospital in Friona on February 3.

On February 1 the Farwell ambulance made two runs, transporting an Oklahoma Lane woman to Clovis High Plains and taking a Farwell man to the hospital in Friona.

**Ice Storm Damages
Area Power Lines**

Farmers Electric Cooperative Inc., was hit particularly hard by the ice storms last week that downed about 200 poles in addition to some crossarms and power lines. Texico, which is in the service area of the electric cooperative, sustained three downed poles and some broken lines, according to Melvin Walker, manager.

"We started having problems about 1 a.m. on Tuesday, Jan. 29, and were able to return service to all of our customers on or before 2:30 p.m. Monday, Feb. 4. All of our crews have gone back to normal work schedules and hours," he said.

"What happened was that the power lines picked up a load of ice which caused them to break. To my knowledge, 200 of our ice-coated poles broke under the added weight," Walker said.

"Our troubled area was located west of the state line in the Ima community and on Tuesday, Jan. 29, House, N.M., was without power all night. We

haven't had any trouble below the Caprock, however," he added.

"Our repair crews had been working from 6 a.m. until 11 p.m. daily in an effort to correct the situation. We hired two outside contractors to help us do the repairs and get the lines back into operation," he said.

"You can only work your crews so long and they have to have rest," Walker said.

"Whenever the ice starts dropping off the lines it causes them to strike one another kicking the automatic breakers off and shutting down the flow of electricity to our customers," he explained.

"What we have to do when the lines ice up is to go out and knock it off the lines. It isn't particularly dangerous because the lines are de-energized before the men work on them," Walker pointed out.

"We service 3,000 miles of distribution power lines and we still haven't ascertained the full extent of damage," he said.

Lines Down

These power lines were downed last week due to the ice buildup on them after the ice storms that hit the area. These particular lines are located about 4.5 miles north of the

State Line Road. The lines, which belong to Farmers Electric Cooperative Inc., were in the process of being repaired by the cooperative late last week.

Myths & Facts

About The Beferendum

MYTH: The Beferendum isn't needed - current voluntary programs are adequate.

FACT: The only national program in existence is that of the National Live Stock and Meat Board. The Meat Board has a beef budget of about \$2.4 million - for nutrition research, consumer education, beef promotion and advertising - or only about 1c per capita (220 million people in the U.S.) to protect and expand beef markets. Due to reduced cattle numbers and inflation, Meat Board funding is down and programs are being curtailed - at a time when anti-beef campaigns (by activists and government) are increasing.

MYTH: People won't stop eating beef - they'll consume all the beef we produce.

FACT: Sure, they'll consume all the beef we produce - at some price! Fact is, however, that the demand for beef is softening. The percent of net disposable income spent on beef in the last quarter of 1979 was only 2.4% - compared with 2.5% to 2.7% - and is predicted to go lower in 1980. Reasons: (1) inflation and (2) anti-beef campaigns. (Each 0.1% drop in Percent Disposable Income spent on beef translates into a drop of \$3 per cwt. for fed cattle and more for feeder cattle.)

MYTH: The program will be run by a "quasi-governmental agency."

FACT: The program will be run by the Beef Board, comprised of cattlemen, which will not be a "governmental agency." The Beef Board was authorized by Congress, at the request of cattlemen. Other commodity boards under similar programs - Sheep Producers Board, Cotton Board, Potato Board and Egg Board - report no USDA interference as long as they stay within the intent of the law.

MYTH: The program will be administered by Carol Tucker Foreman (currently Assistant Secretary of Agriculture), who led the Beef Boycott in 1973.

FACT: (1) The Program will be monitored by the Livestock Division of the Agricultural Marketing Service, over which Carol Foreman has no jurisdiction. (2) This monitoring is merely to protect producers' interests, to assure that funds are not used illegally. (3) Carol Foreman was an employee of the U.S. Department of Housing and Urban Development (HUD) in 1973 and says that as a government employee she

could not (did not) participate in the Beef Boycott.

MYTH: The Beferendum only will create a bureaucracy in the beef industry and provide a lot of jobs, leaving few funds to help cattlemen.

FACT: Other commodity boards (wool, cotton, potatoes eggs) report that net cost of administration (after interest earned on reserves) is less than 1%. Beferendum leaders estimate that "administrative overhead" for the Beef Board should be no greater.

MYTH: The check-off will be mandatory for all cattlemen.

FACT: The deduction of 20c per \$100 of value added to an animal will be automatic, in order that it be uniform; but it is voluntary in that a producer can get a refund immediately upon request.

MYTH: If a producer wants a refund, it will take him 5 to 6 months to get it.

FACT: The Act states that refunds must be made within 60 days after a producer demands a refund. And Beferendum leaders estimate that most refunds will be made within 30 days after valid proof of payment is presented.

MYTH: Cattle producers may be required to keep sale records up to eight years or more on heifers purchased and sold later as aged cows.

FACT: Cattle producers will not be "required" to keep any records. If a producer asks for a refund, he will be asked to supply reasonable proof of assessments he paid on the value he added to the animals. This seems reasonable, to avoid fraud.

MYTH: The proposed Beef Research and Information Or-

der, if passed, would authorize the USDA to hire new employees to monitor the program.

FACT: The order makes no reference whatever to the USDA hiring new employees. The Beef Board will reimburse the USDA for administrative costs in connection with the program, expected to be minimal.

MYTH: Beef doesn't need a \$40 million advertising campaign.

FACT: A Beef Research and Information Program would involve much more than advertising. It would include nutrition research, consumer education, beef promotion, foreign market development, production research, new product research, marketing research ... anything (except influencing governmental actions) that might lead to reduced costs for cattlemen or expanded markets for beef.

MYTH: There is an alternative, some say - a voluntary contribution plan for research and promotion through the National Live Stock and Meat Board.

FACT: This is not a viable collection alternative to meet industry needs. The Meat Board, operating for 57 years on voluntary contributions, is financially pinched - due to (1) reduced cattle numbers and (2) inflation. Only last month, the Meat Board was forced to cancel its spring nutrition advertising program (telling consumers the nutritional value of beef) due to a shortage of funds. Meat Board directors recognize the urgency of the Beferendum and are among its staunchest supporters.

Announces Jamboree

Making final preparations for the Rock and Roll Jamboree to be at Farwell Convalescent Center on February 14 has been the primary concern of many persons involved in the annual event. Brenda Gulley,

public relations chairman for the Parmer County chapter of the American Heart Association, hangs a poster making the announcement of the Jamboree. Funds from the Jamboree go to the AHA.

Parmer 4-H'ers Exhibit At Hereford Stock Show

Fifteen Parmer County 4-H'ers exhibited livestock at the Hereford Stock Show, held at Hereford January 23-26.

Devera Rhodes - Friona 4-H, exhibited 1st lt.wt. Hampshire barrow that was later selected as Reserve Breed Champion Hampshire. Charles Johnson - Bovina 4-H, had the 1st hvy.wt. Hampshire barrow, with Aaron Weatherly - Friona 4-H, exhibiting the 2nd lt.wt. Duroc barrow. Shain Rhodes - Friona 4-H, 3rd lt.wt. Hampshire barrow. Charlie Rose - Farwell 4-H, had the 4th hvy.wt. Poland, Glenda Ellis - Friona 4-H, had the 4th md.wt. Hampshire barrow.

Other barrow exhibitors were Brian Langdon, Teresa Rose, Ashlee Gee, Scott Johnson, Sharlet Johnson, Sarita

and Guy Ellis.

"All of these animals were raised by the kids themselves. To have done so well with animals that they raised themselves is a tribute to these youth," Seth Ralston, Parmer County extension agent, said.

In the lamb division, Guy Ellis - Friona 4-H, had 5th jumbo wt. finewool cross, Dawn Gibson - Friona 4-H, had the 6th md.hvy. finewool. Other lamb exhibitors were Shana Gibson, Glenda and Sarita Ellis.

In the livestock judging contest, Parmer County 4-H had the 3rd place team. Team members were Scott Johnson, Charles Johnson and Shain Rhodes. Scott Johnson was high individual.

Conference To Focus On Vegetable Problems

Concerns facing producers and shippers in the '80s will provide the focus for the 19th annual West Texas Vegetable Conference in Hereford Tuesday, Feb. 12.

Two of the major concerns to be addressed at the educational conference are energy and transportation, said Wes Fisher, president of the High Plains Vegetable Growers and Shippers Council.

The conference begins at 9 a.m. in the Hereford Community Center, 100 Avenue C and Park Avenue.

The conference is sponsored by the High Plains Council with

cooperation from The Texas Agricultural Extension Service, The Deaf Smith County Vegetable Crops Committee, The Panhandle Economic Progress Program of Texas Agricultural Extension Service, The Texas Agricultural Experiment Station and Texas Tech University.

The larger the doors and windows of a home, the greater the chance of heat loss in winter, or heat gain in summer.

For Heart Fund - -

Rock & Roll Jamboree Set Feb. 14 At Center

Residents, staff members and Auxiliary volunteers of the Farwell Convalescent Center have been busy the past few weeks making plans for the upcoming Rock and Roll Jamboree. It will take place at the Center on Thursday, Feb. 14, between the hours of 9 a.m. and 5 p.m.

The Jamboree, an annual event organized to raise money for the American Heart Association, is a combined effort of many people to help a worthy cause.

Last year's Jamboree at the Center brought in over \$600 for the heart fund as Center residents rocked and rolled throughout the day for fees paid by individual sponsors.

Individuals who plan to rock or roll will need sponsors, and anyone may sponsor an individual for \$1.00 per hour.

Harold Mardis and Christa Gohlke reigned as last year's Rock and Roll Jamboree King and Queen and Mrs. Gohlke went on to represent the Golden Spread Chapter in the Texas Association of Nursing Homes queen contest.

A Jamboree Queen and King will be selected at the end of the day. Residents who either "rock" or "roll" sometime during the day will be eligible for selection. At the end of the day, onlookers will be asked to clap for the candidate of their choice.

The queen will represent the chapter, of which the Center is a member, in state competition. Farwell Jaycees will man phones at the Center during the Jamboree and take pledges for the heart fund. The telephone number at the Center is 481-9027. They will also go out

and pick up donations for those unable to bring their pledges to the Center.

The Jamboree is a project of the Texas Nursing Association for the benefit of the American Heart Association, and nursing homes all over Texas will participate in similar events.

A prize will be awarded to the resident of Farwell Convalescent Center who rocks or rolls the most hours. Those taking part in the Jamboree will be judged in 30-minute units to simplify record keeping, according to Center administrator, Mary Ann Resch.

Entertainment by local talent will be provided throughout the day. Anyone who wishes to perform a talent should contact Doris Taylor or Mrs. Resch at the Center.

Funds collected for the AHA are utilized to finance research projects and to educate the public concerning all aspects of the organization and heart care.

Recipes Using Girl Scout Products

PUDDIN' YOGURT PARFAITS

1 8-oz. carton (1 cup) favorite flavor yogurt
1 cup milk
1 3 1/2 oz. pkg. vanilla instant pudding and pie filling mix
12 Savannah or Country Oats and Nut Crisps, crushed
Combine all ingredients except cookies in small mixing bowl; beat at low speed on electric mixer about 2 minutes. Layer pudding mixture and crushed cookies in 4 parfait glasses or dessert dishes. Chill; serve within 3 to 4 hours after assembling. Makes 4 servings.

Marshmallows

For each serving, spread 2 cookies with peanut butter. Spear 1 marshmallow on long stick or fork; toast over campfire or gas range. Sandwich marshmallow between cookies. Makes 1 S'More.

VARIATIONS: Omit peanut butter; substitute Thin Mint Cookies for cookies listed in recipe.

Omit peanut butter; sandwich 1-inch square milk chocolate candy and toasted marshmallow between 2 cookies.

CHOCOLATE CHIP FOUR-LAYER DESSERT

Crust:
1 9-oz. pkg. Chocolate Chip Cookies (18 cookies)
3 Tbs. butter or margarine, melted
Layers:

1 9-oz. pkg. frozen non-dairy whipped topping, thawed
1 8-oz. pkg. cream cheese, softened
1 cup confectioners sugar
3 cups milk
2 3/4 to 4 1/2 oz. pkgs. instant pudding and pie filling mix, any flavor.

For crust, place 6 cookies in blender container. Cover; blend about 15 seconds or until finely chopped. Empty into medium-sized bowl; repeat with remaining cookies. Combine chopped cookies and butter; mix well. Reserve 2 tablespoons mixture; firmly press remaining onto bottom of ungreased 11x7 inch baking dish. Bake at 350°F about 6 minutes. Cool thoroughly.

For filling, combine 1 cup whipped topping, cream cheese and sugar in small mixing bowl; beat at medium speed on

electric mixer until smooth. Spread evenly over cooled crust. Combine milk and pudding mix in small mixing bowl; beat at low speed on electric mixer about 2 minutes or until thickened and smooth. Spread evenly over cream cheese mixture. Spread remaining whipped topping evenly over pudding; sprinkle with reserved crumb mixture. Chill about 4 hours or overnight, as desired; cut into squares to serve. Makes 11x7-inch dish of dessert.

MICROWAVE OVEN DIRECTIONS: For crust, cook at HIGH about 3 minutes, rotating 1/4 turn after each minute of cooking. Cool thoroughly. For filling, prepare as recipe directs.

HONEY YOGURT PIE

Crust:
1 3/4 cups crushed Country Oats and Nut Crisps (about 1 pkg.)
3 Tbs. butter or margarine, melted
Filling:
1 envelope plus 1/2 teaspoon unflavored gelatin (about 3 1/2 teaspoons)
1/2 cup water
2 8-oz. cartons lemon or vanilla flavored yogurt
1/2 cup honey
Dash of salt
1 cup heavy cream, whipped

For crust, combine crushed cookies and butter; mix well. Reserve 2 tablespoons mixture; press remaining firmly onto bottom and sides of 9-inch pie plate. Bake at 375°F about 6 minutes. Cool thoroughly.

For filling, soften gelatin in water; dissolve over low heat. Combine yogurt, honey and salt, mixing until well blended. Gradually add dissolved gelatin; mix well. Chill about 15 minutes or until slightly thickened. Fold in whipped cream. Chill about 10 minutes or until mixture mounds. Spoon into crust; sprinkle with reserved crust mixture. Chill until firm. Makes 9-inch pie.

PARTY PATE'

1 8-oz. pkg. cream cheese, softened
1/2 cup finely chopped green onion
1 Tbs. Worcestershire sauce
2 drops red pepper sauce
1 8-oz. pkg. liverwurst
Cheddarettes

Combine cream cheese, onion and sauces in medium-sized mixing bowl; beat at medium speed on electric mixer until well blended. Add liverwurst, beating at medium speed until smooth; spoon into serving dish. Chill; serve with Cheddarettes. Makes about 2 cups spread.

QUICK COUNTRY APPLE CRISP

1 20-oz. can apple pie filling
1/2 cup raisins, if desired
1/2 tsp. lemon juice
12 Country Oats and Nut Crisps, crushed
3 Tbs. butter or margarine, melted
Combine pie filling, raisins and lemon juice in 1-qt casserole; mix well. Combine crushed cookies and butter, mixing well; sprinkle evenly over pie filling mixture. Bake at 350°F. about 25 minutes. Serve warm with whipped cream or ice cream, if desired. Makes 4 to 6 servings.

Homemakers Award

Representatives of the Farwell chapter of Young Homemakers traveled to Dallas to attend the organization's state convention and brought back a plaque as winners of the Outstanding New Chapter Award for the State. Merits of the past year's work done by the club was the basis for presentation of the award. Farwell Chapter members proudly displaying the trophy are, from left, Sharon Eubanks, Barbara Knowlton, chapter advisor, and Tina Sides.

Nominees Urged For Outstanding Women

For the fifth consecutive year, West Texas State University in Canyon will honor the nominees and recipients of the Texas Panhandle Award for Distinguished Service at a luncheon Saturday, April 19. "A New Decade: Enter Women of the '80s" is the theme of the luncheon from 11 a.m. to 1 p.m., Saturday, April 19, in the WTSU East Dining Hall.

The WTSU Office of Programs for Women has sent letters to individuals and groups in the top 32 counties of the Texas Panhandle requesting nominations. Deadline for submitting nominations is Friday, March 28.

Nominees must be residents of one of the top 32 Panhandle and South Plains counties (Parmer and Bailey are among the counties eligible) and must be at least 18 years old. Nominees do not have to be WTSU graduates.

During the past four years, women have been honored who have distinguished themselves in a variety of areas. Emphasis for 1980 will be on women in the fields of education, medicine, business, civic service and professional areas. Women from each field will be honored.

Five or six residents of the Panhandle area will serve as

judges to review each nomination application and select recipients of the Distinguished Service Awards.
Tickets for the luncheon will be \$5.

'Phantom Strikes Again'

Pictured in a scene from the three-act play, "Phantom Strikes Again," are, from left, James Castleberry, Dondra Geris [lying on couch] and

Julie Mason. The play, a mystery-comedy, was presented by Farwell High School seniors on Thursday, Jan. 31. Other students with acting

parts in the play were Lisa Hughes, Lisa Howard, Lucretia Turner, Lisa Darby, Keith Martin, Kyle Kelley and Craig Kaltwasser.

County Officials Attend Conference

County Judge Porter Roberts and Commissioners Ernest Anthony, precinct one, and Raymond McGehee, precinct four, attended the 22nd Annual County Judges and Commis-

sioners Conference Tuesday through Thursday, Feb. 5-7.

The conference was held in College Station and was sponsored as a part of the County Officials Program of the Texas

Agricultural Extension Service of Texas A&M University in cooperation with the County Judges and Commissioners Association of Texas.

The judges and commissioners each had their separate sessions consisting of information pertinent to their respective positions, according to Judge Roberts.

Some of the things that the county judges were exposed to included Texas commitments, a mock proceeding of a commitment hearing and a panel discussion on these types of hearings in Texas.

The commissioners learned about such things as weed and brush control on county road right-of-ways, various herbicides and equipment available, and a panel discussion on the legal aspects of County Road Right-of-Way Management.

Bill Clements, governor of Texas, addressed those attending the conference.

Bev's Healthful Hints

(Most Often-Asked Questions On Nutrition)
by Beverly Torbert

Q. What's so great about blackstrap molasses?

A. Blackstrap molasses contains more calcium than milk, more iron than eggs, more potassium than any other food, and is an excellent source of the B vitamins. It's also rich in copper, magnesium and vitamin E.

One tablespoon daily dissolved in warm water or milk is recommended for adults and 1/2 that amount for children.

Varicose veins, arthritis, ulcers, dermatitis, hair damage, eczema, psoriasis and nervous problems are some of the conditions which may

respond to supplementing the diet with blackstrap molasses. Until next week, folks, stay happy and healthy. We Wish You Well!

Thank You~

To our many friends and customers who have come in to Fred Shipley furniture to shop or just to say hello. We sincerely appreciate your friendship and your business for the past 15 years.

Ruby and I are retiring, but our son-in-law and daughter, Ronnie and Venita Brooks, have moved here from Welch, Texas and have purchased the store.

We hope you will welcome them as you did us and rely on them for your furniture and decorating needs.

Sincerely,
Fred Shipley

Terri Baker Selected Valentine Sweetheart

Terri Baker of Farwell is the Valentine Sweetheart for Alpha Rho Lambda Chapter of Beta Sigma Phi sorority. Each year the seven area chapters of Beta Sigma Phi select a sweetheart to represent their chapter at the sorority's annual Valentine Ball.

Terri is married to Royce Baker, a coach at Farwell High School. They have two children, Brandon, 5, and Lynsey, 2.

She is a secretary at Farwell

Elementary and is working on a degree in speech-therapy, taking night courses at ENMU-Clovis.

Terri serves on the social and yearbook committees in her sorority. Her hobbies are golf and reading and she is a member of the First Baptist Church and Baptist Young Women in Farwell.

Other Beta Sigma Sweethearts are Julie Smith, Patty Jones, Pat Corley, Vicky Weems, Bunny Marston,

Dorothy Melton, all representing Clovis chapters.

The annual Valentine Sweetheart Dance will be February 9 and is open to Beta Sigma Phi members and their guests.

Beta Sigma Phi has seven chapters in Clovis and Farwell. It is an international social and civic sorority organization. Approximately 250,000 members in the United States and several foreign countries will be celebrating the Valentine festivities with their individual chapters.

The sorority's city council consists of representatives from each of the seven chapters. In addition to the Valentine Dance, the council also coordinates various functions. Beginning Day is celebrated in August and Founders' Day in April. Several awards are presented and a "Woman of the Year" is named.

Jesse Cantus Have Daughter

Sgt. and Mrs. Jessie Cantu Jr., of Ft. Bliss, Tx., are parents of their first child, a daughter, born Monday, Feb. 4, at El Paso.

Paternal grandparents are Mr. and Mrs. Jessie Cantu Sr. of Farwell. Raquel is their first grandchild.

Visits Here

Mrs. Ann Smith of Albuquerque, formerly of Farwell, visited in the home of her daughter and family, Mr. and Mrs. Gerald Curtis and daughters in Farwell, and with other relatives and friends here during the weekend.

Mrs. Smith has recently visited in Chicago and Florida with her daughter, Marian Bressler, in California with her son Murrell Smith; and with her sister, Mrs. Grace Jones, in Lubbock.

Attends Wedding

Mrs. Aileen Teel of Texico was in Portales last Thursday evening to attend the wedding of her nephew, Brady Brunson and Janis Sparks. Mrs. Teel spent the night in Portales with her mother, Mrs. Andy Brunson, and returned home early the next morning.

February Wedding Set

Mr. and Mrs. Jerald F. Nemitz of Houston announce the engagement and approaching marriage of their daughter, Cynthia Anne, to Harlin Dwayne Obenshain, son of Mr. and Mrs. Harlin Obenshain of Farwell.

The couple will be united in marriage on Saturday, Feb. 23, 1980, at 7:30 p.m. [CST] at the John Knox Presbyterian Church, 2525 Gessner St., in Houston.

All friends and relatives are invited to attend. No local invitations will be sent.

Mission Study Slated At Farwell First Baptist

Members of First Baptist Church in Farwell will start a home mission book study on World Hunger on Wednesday, Feb. 13. The study will be presented by Jackie Smallwood.

To kick off the study a rice supper will be held that evening at 6:30 p.m. in the Fellowship Hall of the church. The supper is for the entire family and the

goal is to feel hunger and sympathy for the hungry of the world.

The study which is to be presented by Mrs. Smallwood is entitled, "Just Folks."

"Because of Christ living in us, we care," is the main theme of the presentation and every member of the church is invited to attend this study.

Friendship Class Conducts Meeting

Friendship Sunday school class of First Baptist Church of Farwell met in the home of Mrs. Alma Sledge recently for a regular business and fellowship meeting.

Mrs. Hattie Coffey, president, presided at the meeting with Mrs. Pearl Gerie opening in prayer. The business of the class was taken care of and

Estellene Billington gave a devotion on compassion.

Beulah McWilliams and Mrs. Billington each read some poems and refreshments were served to Elsie Tarr, Beulah McWilliams, Beulah Williams, Hattie Coffey, Estellene Billington, Sally Chandler, Elsie Hardage, Lois Smith, Leatha Jo Roberts, Pearl Gerie and Alma Sledge, hostess.

Fifth Graders Present Play

Mrs. Worley's 5A class at Farwell Elementary presented a play on January 30 to students in grades 1-6. "Johnny Has Comicopia" by Betty Sheehan Lunnan was a play about a boy who only wanted to read comics and wouldn't read any other type of book.

Johnny was played by Kenny Adams. Other characters in the play were Mrs. Jones, Laurie Harper; George Perry, Freddy Paez; Cattle Rustler, Randy Davis; Headless Robot, David Woods; Blue Man from Mars, Jerry Tomlinson; and King Kong, Martin Arguelles.

Other characters were the Teresa Rose, Gena Barker, Sandra Diaz, Jaime Marquez and Jerry Costilla.

Book characters were Mary Poppins, Amber Rhodes; Sue Barton, Suzanne Hardage; Caddie Woodlawn, Sherri Curtis; Tom Sawyer, Jason Schilling; Huck Finn, Corey Jones; and Jody Baxter, Andy Chisom.

Announcers for the play were Pam Whitson and Robbie White.

Several parents attended the production and the class thoroughly enjoyed presenting it, according to Mrs. Worley.

Marriage Licenses

Parmer County Clerk's office has issued one marriage license since the last report.

The license was issued to Marin Loya Jr. and Rosa Maria Saldana.

Family Night Scheduled

Family night for February at the West Camp Community Center has been set for Saturday, Feb. 9, at 7:30 p.m. when area residents are asked to come to a "sweetheart party."

Attendants are asked to bring finger sandwiches or chips and dips. There will be drawings and a "surprise."

Host couples for the evening are the Harrises and the Wilsons. Everyone is cordially invited.

Parents, Youth Form Partnerships In 4-H

4-H brings parents and their children together in a partnership that can lead to many worthwhile experiences.

4-H is a program for youth aged 9 to 19 and is administered by the Texas Agricultural Extension Service of the Texas A&M University System.

Through 4-H, parents get involved with their youngsters by helping them with one or more of over 100 projects. By getting involved with projects, parents help their youngsters learn basic skills and information and help them to fulfill an obligation. The "partners" then build on these successes in areas of project work, leadership, community service and many other character-building experiences.

By spending time with their sons and daughters in 4-H, parents can overcome problems commonly referred to today as the "communication gap" or "generation gap." 4-H projects serve as a beginning to start the parent-youth partnership. This relationship can grow through mutual understanding and trust between parent and child.

With an understanding relationship, parents and 4-Hers learn to share the joys of winning and the disappointment of losing and to jointly work out solutions to problems as they arise.

To learn more about the 4-H program, contact the county Extension office, in the courthouse, or phone 481-3619 and speak to Seth Ralston, CEA, Agriculture; or Laura Jacobs, CEA, Home Economics.

TERRI BAKER

Hospital Notes

Mrs. Edith Crawford of Farwell has been transferred from Lubbock Methodist Hospital to the hospital in Muleshoe for treatment of a broken hip. She is in Room 122.

Rev. J.L. Bass, former pastor of First Baptist Church in Farwell, is reportedly back home in Friendship and doing fine after being hospitalized in Lubbock last week.

Mrs. Jewel Spinks of Clovis, mother of Jan Marsh of Farwell, is recuperating after undergoing surgery in Amarillo last Wednesday. Mrs. Marsh hopes that her mother will be dismissed from the hospital by late this week.

Bobby Chadwick of Farwell had foot surgery Monday and is hospitalized in Methodist Hospital in Lubbock.

Jackie Doshier of Farwell is recuperating in St. Anthony's Hospital in Amarillo where he underwent surgery last week. Family members say his condition is good and that he hoped to be dismissed from intensive care within two or three days.

Mrs. Gene Hardage of Farwell underwent surgery last week and is recuperating at home after being released from the hospital last Thursday.

Letter To The Editor

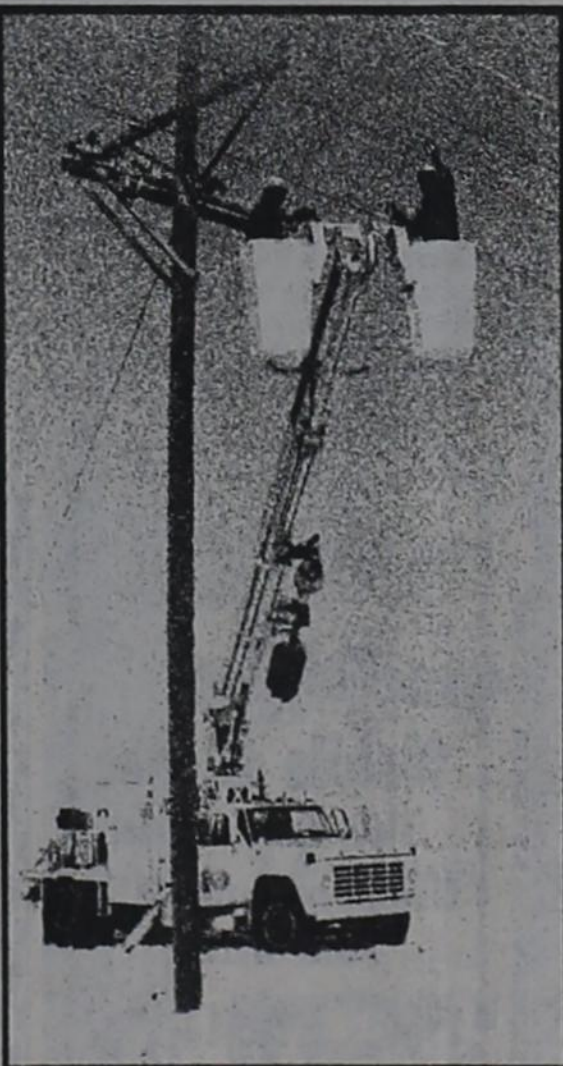

Naples 13 Jan. 80

Dear John and Joann,
Thought you'd get a kick out of the newest training manual on sewage disposal. The first page begins with an apology for the masculine pronouns. But the insanity does not stop here -- I expect before too long we'll see a move to redesignate the ranks as "sea-persons" and "midship-persons," etc. Suits me okay. I guess, as long as it works both ways and my male sailors get a no-duty chit once a month like the female

sailors. Let me hear from you and keep those Tribunes coming.

Will
P.S. I don't know how much protection we can give you from the Moslems, but America can rest well knowing the U.S. Navy is actively combating masculine pronouns.

Lt. j.g. Will Anderson
Engineering P-3
USS Forrestal (CV 59)
FPO New York, N.Y. 09501.

YOU EXPECT US THERE

Yes you expect us there and you depend on Southwestern Public Service electricity to provide a lot of things to make your life better and more comfortable at home and work.

You depend on SPS to restore service quickly after a storm or accident.

When you need us we'll be there. It's good to know there's something you can depend on.

Texico Varsity Girls Split Games

In their two games last week the Texico girls ended up with a split. On Friday night they completed the first half of their district schedule with a 52-35 victory over the Melrose Buffalos. On Saturday night the girls traveled to Floyd where they suffered their first district loss of the year, a 38-31 setback. The Wolverine girls record now stands at 5-1 in district and 17-3 overall.

The Texico girls hosted Melrose Friday in front of a good parent's night crowd and after a slow start, went on to win.

The Wolverines used a well-balanced scoring attack and a stingy defense to up their district record to 5-0. All five starters had at least 8 points.

Texico started out very slow and only led at the quarter 10-9. Schree Rucker led the Texico scoring during the period with four points.

During the second quarter the Wolverine defense took over and limited the Buffalos to four points. Texico's offense also sputtered, scoring only 7 points. The score at the half was 17-13, Texico.

Led by the shooting of Lori Harrington and Lisa Coffey the Wolverines outscored their opponents 15-4 during the third period and led 32-17 at the end of that period.

The last quarter turned out to be a free throw contest with the Wolverines connecting on 12 of 16 from the charity stripe, while Melrose could connect on only 4 of 13. Ruth Scott led the last quarter scoring with 6 points.

"This was a big district game for us," Coach King said.

"A win in this game would put us two games ahead of everyone in the district. The

district winner during the season gets a bye into the district tournament finals and an automatic spot in the regional tournament," he added.

Leading scorers for the Wolverines was Ruth Scott with 13 points; followed by Schree Rucker, 10; Lisa Coffey, 9; Lori Harrington and Tracy Dobbs, 8 each; and Becky McDonald and Lisa Crooks, 2 each.

Texico controlled the boards with Scott leading the way with 13 rebounds. She was followed by Coffey, 9; Harrington, 7; Rucker, 6; Dobbs and McDonald, 3 each; and Jesko, 1.

Saturday night the Wolverines went to Floyd to take on the Lady Broncos on homecoming. The game turned out to be disappointing to the Wolverines as they suffered their first district loss and their second defeat in three meetings with Floyd this year. The final score was 38-31. These same two teams met last year in the Class A State Championship game, with Floyd winning 38-34.

"We just couldn't hit early in the game and got behind again," Coach King said.

"Floyd's a tough team to beat if you let them get ahead and control the tempo of the game," he said.

Texico fell behind 13-5 in the first quarter. Karene Goff and Cindy Griffith did most of the damage for Floyd, scoring 10 points between them.

Texico continued to have trouble hitting their shots during the third period and gradually saw Floyd up its lead to 27-19.

Texico had their chances during the final period to cut into the lead, but poor free

throw shooting hurt their chances. Lisa Coffey connected on three straight baskets near the end of the game, but the Wolverines could get no closer than the final margin of 38-31.

"We're very disappointed in losing this game, but we have to regroup and concentrate on our next four district games," Coach King said.

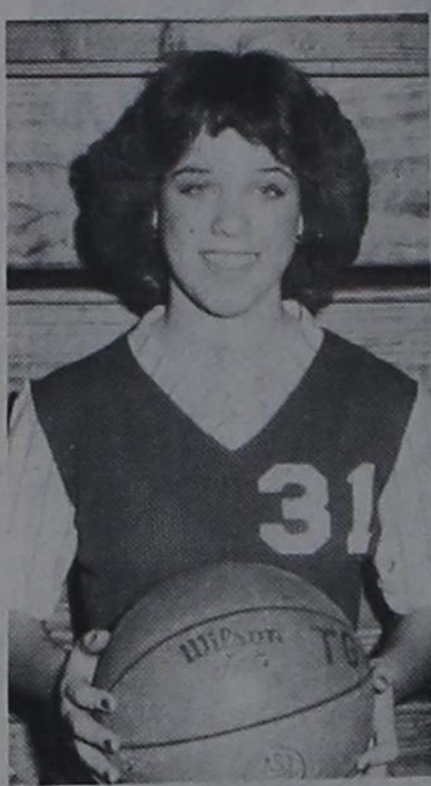

"Last year Floyd beat us by taking the ball away from us with their press. This year we are handling the ball well against their press, but just can't make our shots. We hit on only 11 of 50 shots from the floor for 22 percent and 9 of 19 free throws for 47.4 percent," he added.

Leading scorer for Texico was Scott with 10 points; followed by Coffey and Rucker, 8 each; Harrington and McDonald, 2 each; and Dobbs, 1.

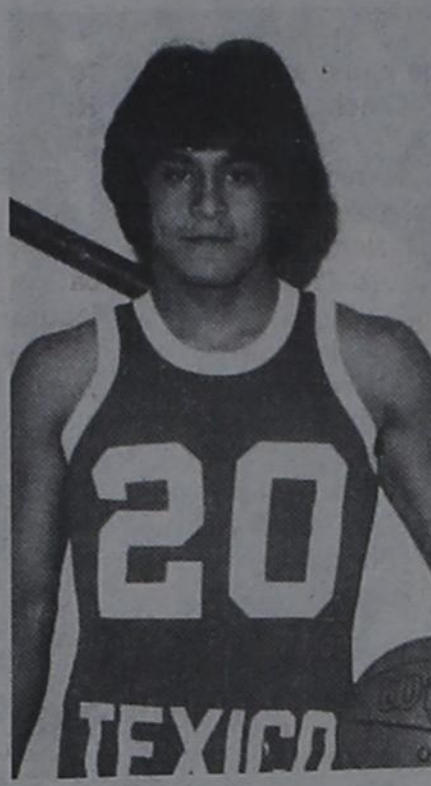

Leading rebounder for Texico was Scott with 11; followed by Coffey, 7; Rucker, 4; Dobbs and Harrington, 2 each; and McDonald, 1.

Texico entertains Elida on Friday night and Tatum on Saturday night.

Texico Players Of The Week

TRACY DOBBS

DAVID CAVALLERO

Tracy Dobbs has been selected as Player of the Week at Texico High School. "In two games last week she scored 11 points for a 5.5 average per game. For the year she is averaging 8.9 points per game. Tracy is an excellent ball handler and our leading free-throw shooter. For the year she has hit on 47 of 61 free throws for a 77 percent," Coach Roy King said.

David Cavallero, a Texico High School senior, has been chosen as player of the week by Wolverines Coach Cecil Davis. "David is an outstanding hustler and a good rebounder. He has contributed a lot to the team when James Hadley was injured. He is very consistent and his role is to make something happen in each game, which he does," Coach Davis said.

Defeat Floyd -

Wolverines Enjoy Win Over Melrose

by Rusty Jameson

The Wolverine varsity boys walloped their visitors from Melrose, 84-71, last Friday night, and then traveled to Floyd on Saturday night and added a sour note to the Broncos' Homecoming celebration by defeating them, 70-61.

At the end of the first quarter between Melrose and Texico, each team had 21 points. The second quarter remained close, but the Wolverines outscored the Buffalos by three to give them a 38-35 lead at halftime.

Texico outscored Melrose, 20-16 in the third period, but it was in the final eight minutes before the Wolverines gained enough to win, 84-71.

Leading the attack for the Wolverines was James Hadley with 23; followed by Britt Crooks, 21; Gary Mitchell, 12; Neal Haile, Rusty Jameson, and Tony Tubbs, 8 each; Steve Kittrell and Todd Geries, 2 each.

"The Wolverines broke their aggressive press and got a lot of lay-ups that destroyed Floyd's strategy," the Texico coach said.

"This game and the Spade game during the Texico Invitational Tournament were two of our outstanding games this season, and I know the fans would like to see more of these each time we play," he added.

Hadley was again high-point man with 18, followed by Crooks, 16; Jameson, 12; Tubbs and Mitchell, 8 each; and Kittrell and Haile, 4 each.

Following last weekend's games the Wolverines have an overall record of 10 wins - 8 losses. In the district standings, they hold a 4-2 record.

"We are really in good shape in the district race right now," the coach said. The Wolverines have four more district games to play before the district tournament, and two of those will be played at home this

weekend when they take on Elida on Friday night and Tatum on Saturday night.

After last weekend the district race is shaping up like this: Floyd is 5-1; Texico is 4-2; Dora and Tatum are tied at 3-3; Elida has a 2-4 record while Melrose has a 1-5 record. The District tournament will probably pit the fifth and sixth place teams against each other, and the winner of that game will advance to play the second-place team. The third and fourth place teams will play each other to determine who will advance. Two teams from the district will advance to the regionals.

"At this point, we have 8 or 9 boys who are playing extremely well. It is really good to have a strong bench that can contribute in scoring and rebounding. We certainly hope we are one of the two teams to advance to regionals," Davis observed.

Bovina Homemakers To Sponsor Tournament

Bovina Young Homemakers are sponsoring an outsiders volleyball tournament for men's and women's teams at the Bovina school gym on March 6, 7 and 8.

Deadline for teams to enter the tournament is Monday, Feb. 18. Teams wishing to enter should write Tony Barrett, Rt. 1, Box 17, Farwell, Tx., or call her at 806/825-3575 or call Nancy

Rundell at 806/225-6895. Entry fee is \$20 per team.

Trophies will be awarded to the first, second and third place teams in both divisions and individual player trophies will be awarded to the first place team in each division.

"A man can be destroyed but not defeated." Ernest Hemingway

Parent Night Set At Texico Games

The Texico Flag and Drill team will present its last performance as half time entertainment during the Wolverine basketball game against Elida tonight (Friday). Parents of the Flag and Drill team members will be introduced during the activities.

"This group has really worked hard and has drilled daily with Mrs. Southard. Their accomplishments have really been noticed by the crowds," Wolverine Coach Cecil Davis said.

"Many compliments have been relayed to the faculty by the fans after watching an outstanding performance by the Flag and Drill Team. Mrs. Southard has spent a lot of time, money and initiative in developing this group of students," he added.

"The total production has been educational and entertain-

ing. Everyone appreciates what Mrs. Southard has done in this area," Coach Davis concluded.

Parents of the Texico cheerleaders, varsity and junior varsity boys basketball teams will be introduced by James Harding during half-time of the Texico-Tatum game on Saturday, Feb. 16.

"The parents are to be commended for their attendance, support and encouragement of the basketball teams. Both teams have had good seasons with some outstanding team performances," Wolverine Coach Cecil Davis said.

"The total attendance has increased and the crowds are participating in a positive way to encourage the boys to perform to the best of their ability. It is amazing how well the boys can play when the crowd gets involved," he added.

1975 Wolverines

The 1975 Texico Wolverines will be honored Friday night, Feb. 8, at the high school gymnasium in Texico. They will be introduced between the

varsity and junior varsity games in which Texico faces Elida. Members of the 1975 team include Roger Pace, Oran Jay Autrey, Jimmy

Ortiz, Tommy Galvan, Spencer Turner, Randy Cain, Steve Harrington, Barry Lindley, Terry Reid and Max Winkles, and Coach Randy Lyons.

Texico Jr. High Basketball Results

by Montie Powell

The 7th grade Wolverine boys won their division in the Portales Tournament last weekend after defeating the Portales 7th-B, Yuca 7th, and Portales 7-A squads. The young Wolverines team is the first Texico team in several years to win the championship trophy.

In the first round, Texico led Portales 7-B in every period, winning the game 41-19.

Scoring for Texico were Billy Bibbs, 16; Tab Tatum, 8; Paul Topliff and Danny Powell, 6 each; Buck Gaddis and Steve Smith, 2 each; and Ronnie Galvan, 1.

In the second match, Texico defeated Yuca 7-A 30-26, to cinch the right to move into the championship bracket.

Contributing points for Texico were Bibbs, 12; Powell, 7; Topliff and Tatum, 4 each; Galvan, 2; and Gaddis, 1.

For their third game and for

the championship trophy, the Wolverines defeated Portales 7-A, 41-27.

High point man was Powell with 14. Other scorers were Bibbs, 11; Gaddis, 6; Tatum, 4; Topliff, 3; Smith, 2; and Bobby Steward, 1.

Overall for the tournament, high scorers were Bibbs, 39; Powell, 27; and Tatum, 16.

Coach Paul Topliff commented, "The kids hustled and played well. In the final game the team passed the ball very well, and I feel the passing game is the most important part of the offense. Rebounding was good from Ronnie Galvan, Paul Topliff, Tab Tatum, and Billy Bibbs. We had good shooting from Danny Powell and Billy Bibbs. The team played very well on defense and the 'B' string kids played very well. This tournament was a good tournament and all of the kids did play."

These wins set the 7th grade record at 11-3.

The 8th grade boys were eliminated in the first round of action at Portales Tournament last Friday when they were defeated by the Gattis 8th grade team, 45-28.

Gattis led by one point at the end of the first quarter and held the lead 23-15 at the end of the first half. By the end of the third quarter they had pulled ahead of the Wolverines 33-21.

"Due to disciplinary measures, several of the 8th grade team members were not allowed to go to the Portales Tournament. We did real well considering we took only seven kids and three of these who went did not have much game experience," Coach Mike Littlejohn said.

Scoring for the Wolverines were Kevin West, 13; Ronnie Dunsworth, 5; Dennis Chavez and Jeff Johnson, 4 each; and Terry Tubbs, 2. Also playing were Dale Autrey and Troy Cochran.

Muleshoe Jaycees Set Volleyball Tournament

Muleshoe Jaycee's will sponsor a men and women invitational volleyball tournament March 10-15.

Individual and team trophies will be given to the first place winner and team trophies will be given for second through fourth places. A team sportsmanship trophy and most valuable player trophy will also be given.

The tournament will be double elimination, and professional referees will be provided.

The tournament will consist of 24 teams with only the first 24 applications being accepted.

so hurry your entry fee, urge the tourney sponsors.

Local rules and regulations will be furnished to those entered.

Entry fee is \$50.00 and should be furnished with the below entry form.

Mail your entry to Muleshoe Jaycees, Box 571, Muleshoe, Texas 79347.

Farwell Players Of The Week

GINGER ELLISON

SHARMY CHRISTIAN

Ginger Ellison has been named player of the week along with Sharmy Christian by Coach Larry McDorman at Farwell. "In two losses to Vega and Kress, Ginger pulled down 21 rebounds and shot 6 of 6 at the free throw line for 100 percent. She is a big strong girl who is getting better as she gains experience. She missed 6 games earlier in the year with an ankle injury, but is now gathering steam," Coach McDorman said.

Sharmy Christian has been named player of the week along with Ginger Ellison by Coach Larry McDorman at Farwell High School. "Sharmy played her best game of the year against Bovina, scoring 15 points and gathering 5 rebounds. She shot 50 percent from the field. She is a hard worker, the kind that stays and shoots after practice to try and improve herself," Coach McDorman said.

Steers Edge Out Bovina Mustangs, 54-51

The Steers defeated the Bovina Mustangs, 55-51, in a hard fought game at Farwell on February 5. "We played pretty good team basketball and took advantage of the breaks we got," Coach Mike Martin said. "We made our free shots down the stretch when we really needed to and we played good defense at times, but at other times we were a step slow. We are just pleased with the win. All the players on the team contributed to this win, whether by practicing as a team or playing against Bovina," he said.

High scorer for Farwell was Mark Owen with 18 points; followed by Richard May, 13; Richard Carpenter, 12; and James Castleberry and Craig Kaltwasser, 6 each.

Leading in rebounds was May with 10; followed by Carpenter, 9; Owen and Castleberry, 3; Kaltwasser, 2; and Byron Mayfield, 1.

Coach Martin chose not to select a player of the week this week.

The Farwell Steers took on the Kress Kangaroos in varsity boys basketball action February 2 for a 53-43 win.

"The team played real well during the first quarter, but the pace slowed down some the

rest of the game even though we won," Coach Mike Martin said.

Farwell soared ahead of the Kangaroos, 18-2, by the end of the first quarter, but lost some of that lead, 25-19, by the end of the second quarter. The Steers kept the lead, 38-31, the end of the third quarter and finished the game in victory, 53-43.

High scorer for Farwell was James Castleberry with 16 points, followed by Mark Owen, 14; Richard Carpenter,

10; Richard May, 8; Craig Kaltwasser, 4; and Byron Mayfield, 1.

In other varsity boys basketball action Farwell was defeated by Vega, 83-47, at Vega. "It was just one of those games where Vega played real well and we didn't," Coach Martin said.

"Vega did a good job against us and their shooting percentage was good. Our turnovers and the fact that we didn't

handle their press defense very well at all contributed to our downfall," he said.

"We just lost our composure," Coach Martin said.

Farwell got off to a slow start, trailing Vega, 12-20, at the end of the first quarter and things worsened for the Steers as Vega soared away, 45-19, by the close of the first half.

Vega continued to pull their way to the top leading Farwell 59-26, by the end of the third quarter.

High scorer for Farwell was May with 14 points; followed by Owen, 11; Castleberry, 8; Carpenter, 6; and Kaltwasser, 2.

Leading in rebounds was May with 14; followed by Carpenter, 10; Owen, 5; Mayfield, 4; Kaltwasser and Castleberry, 3 each; and Hagler, 2.

Adrian Attends Football Clinic

Randy Adrian, Farwell High School football coach, attended the American Motors Coach of the Year football clinic held in Dallas January 25-27.

The Coach of the Year clinics, now in their 26th year, are put on by former Michigan State University coach Duffy Daugherty and Bud Wilkinson, former coach at Oklahoma and most recently of the St. Louis Cardinals. This year's clinics were sponsored by American Motors Corporation.

The Dallas clinic featured seminars and workshops designed to give the nearly 1,600 high school football coaches in attendance tips and pointers from the nation's top college and high school coaches. Coach Adrian attended sessions given by coaches John Robinson of USC, Grant Teaff of Baylor, Lou Holtz of Arkansas, and

ex-Ohio State coach Woody Hayes.

At the three-day clinic held at the Dallas Hilton hotel, a number of coaches were presented with awards for their team's winning performance in the 1979 season. Coach Bob McQueen of Temple High School was named American Motors Coach of the Year for the Southwest region. McQueen, and eleven other regional Coach of the Year winners will compete for the national Coach of the Year title.

The winning coach will win a 1980 American Motors four-wheel-drive Eagle automobile. A judging panel composed of some of the nation's top college coaches will select the national Coach of the Year in early March.

Steerettes Lose In District Play

The Farwell varsity girls were defeated by the Bovina Fillies, 48-41, in action at Farwell on February 5.

"Our team's 29 turnovers told the story. Also hitting only 5 of 15 free shots didn't help," Coach Larry McDorman said.

"Sharmy Christian had none of her better games, as did Robin Vinton. We did hustle well and at times seemed like we could put it all together, but it never came together as we had 7 turnovers in the fourth quarter alone. We also missed 5 of 8 free throws in the last quarter," he said.

The Steerettes started out slow with Bovina leading, 11-8, at the close of the first quarter. Farwell narrowed the gap, 20-21, with the Fillies still leading at the close of the first half. Bovina pulled away from Farwell, 35-30, at the close of the third quarter and won the game with a score of 48-41.

High scorer for Farwell was Christian with 15; followed by Janene Berry, 12; Gina Eubank, 4; Ginger Ellison and Robin Vinton, 3 each; and Karyn Blain and Karen Magness, 2 each.

Leading in rebounds was Ellison with 8; followed by Blain, 7; Christian, 5; Vinton, 4; Eubank, Berry and Magness, 3 each; and Lorie Turner, 1.

The Steerettes were defeated, 48-27, by the Vega varsity girls basketball team on February 1 at Vega.

"We played well the first three quarters, but let down the last quarter due to frustrations on the court," Coach Larry McDorman said. "We played our defense especially well during the

second and third quarters and kept their big girl to 6 points. It is really hard to play Vega at Vega," he said.

Farwell started off slow with the score in favor of Vega, 14-6, at the end of the first quarter and continuing in their favor, 22-10, by the close of the first half. The Steerettes narrowed the gap somewhat, but still trailed, 23-30, at the end of the third quarter. Unable to pull out of their slump Farwell lost the game 27-48.

High scorer for Farwell was Janene Berry with 10 points; followed by Sharmy Christian, 6; Ginger Ellison, 4; Karyn Blain, Gina Eubank and Robin Vinton, 2 each; and Lorie Turner, 1.

Leading in rebounds was Ellison with 12, followed by Blain, 4.

In other varsity action Farwell succumbed to Kress, 31-38, on February 2 at Farwell.

"We shot pretty good during the first half, but less than 20

percent accurate in the second half which killed us," Coach McDorman said.

"We didn't shoot but three free throws in the last half and the turnovers along with poor shooting hurt us in the last few minutes of the game," he said.

"Their two big girls inside kept getting the second and third shot and we weren't able to rebound," Coach McDorman added.

Farwell got off to a good start and at the end of the first quarter led Kress, 10-8, and maintained that narrow lead until the end of the first half, 18-17. The Rooettes pulled away from the Steerettes, 26-25, to take the lead at the end of the third quarter, and maintained the pressure to win the game, 38-31.

High scorer for Farwell was Berry with 12 points; followed by Christian, 7; and Eubank and Ellison, 6 each.

Leading in rebounds was Ellison with 9; followed by Eubank, 7; Blain and Christian, 4 each; and Berry, 3.

Upcoming Sports Events In Texico And Farwell

Farwell varsity and jr. varsity Steers and Steerettes will travel to Springlake-Earth for roundball action on Friday, Feb. 8. Game time is 4 p.m.

Farwell jr. high boys and girls teams will host Springlake-Earth on Monday, Feb. 11. Game time is 5 p.m.

Farwell Jr. Varsity Basketball Results

The Farwell junior varsity girls basketball team crushed Vega on February 1, 40-27.

Farwell started out slow trailing 4-6, at the close of the first quarter, but captured the lead, 19-14, by the end of the first half. Vega closed the gap somewhat, 22-23, but still left the Steerettes leading at the close of the third quarter. Farwell soared past their opponents in the final quarter defeating them soundly, 40-27.

"The girls played well, especially the fourth quarter, one of our better shooting games," Coach Bill Phillips said.

"If we win our next two games, then we can still tie for the district championship," he pointed out.

High scorer for Farwell was Donna Meeks with 12 points; followed by Kay Geuther, 11; Jennifer Williams, 7; and Judith Schilling, Tori Hardage and Sandra Haight, 2 each.

Leading in rebounds was Sandra Coates with 10; followed by Meeks, 6; Schilling and Hardage, 4 each; Williams and Geuther, 2 each; and Kelly Davis and Darrisa Ford, 1 each.

Farwell JV girls edged Bovina for a narrow victory, 38-37, on February 5.

"The girls played extremely well and Judith Schilling did a super job on defense containing Bovina's top player," Coach

Bill Phillips said. "Tori Hardage and Sandra Coates really came through and made some pressure free throws. Our record stands at 10-7 now," he said.

High scorer for Farwell was Coates with 15 points; followed by Schilling and Kay Geuther, 6 each; Jennifer Williams and Hardage, 5 each; and Donna Meeks, 1.

Leading in rebounds was Williams with 11; followed by Geuther and Coates, 9 each; Meeks and Hardage, 4 each; and Schilling, 2.

In junior varsity boys basketball action Farwell lost to Bovina in a close fought game on February 5.

Farwell jumped out ahead during the first quarter leading, 16-9, and managed to keep out front, 25-24, by the end of the first half. The JV Steers lost the lead during the third quarter as Bovina came out on top at the close of this quarter, 35-34. The fourth quarter saw some fast-paced action that resulted in a tie, 50-50, and ran the game into overtime. Bovina scored 1 point on a free throw, thus capturing the game.

High scorers for Farwell were Roger Castillo and Billy McClenny, 11 points each; followed by Dwayne Winters, 10; David Daniel and Juan Diaz, 6 each; Steven Smith, 4; and Micky Leithen, 2.

Tourney Champs

Farwell 8th grade boys basketball team defeated the number two Springlake-Earth team, the number one Springlake-Earth team and Kress to win the Springlake-Earth tourney championship. Members of the Farwell team are, from left, front: Tommy Watkins; Steven

Lovvorn, Dario Hernandez, Bernie Mesman and Todd Christian; middle: Rodger Hobbs, Raymond Garcia, Manuel Cantu, Johnny Daniel and Paul Fulcher; back: Coach Royce Baker, John Houston, Alan Eubank and Raymond Sierra.

Win Second Place

Farwell 8th grade girls basketball team defeated the number two Springlake-Earth team, and Bovina, but lost to Sudan to win second place in the Springlake-Earth tournament. Members of the team are, from left, front: Shelley Ford, Geretta Hutchins, Betty Costilla and Vickie Heard; mid-

dle: Cindy Spears, Sandra Stanton, Jane Ward and Tonya Meeks; back: Coach Bill Phillips, Sheran Smallwood, Cassie Chavers, Juanean Cox, Norine Jones and Lezlie Castleberry. Not pictured are Suzahn Inman and Sharla Stewart.

Farwell Jr. High Basketball Results

In 8th grade boys basketball action Farwell defeated Bovina, 36-28, on February 4.

"Our record is 11-3 now. Our game against Bovina was one of our best games all year. We shot well and played good defense," Coach Royce Baker said.

Farwell leaped out front, 11-4, by the end of the first

quarter and maintained that edge 17-9, at the end of the first half. Farwell stretched their lead to 27-15 by the end of the third quarter and wound up winning, 36-28.

High scorer for Farwell was Raymond Sierra with 12 points; followed by Manuel Cantu, 11; Alan Eubank, 9; and Johnny Daniel and Paul Fulcher, 2 each.

Leading in rebounds was Sierra with 10; followed by Eubank, 4; Fulcher, 3; Cantu and Rodger Hobbs, 2 each; and

Daniel, 1.

In 8th grade girls basketball action Farwell edged Bovina, 27-23, on February 4.

"We did not play very well, but the girls came to life the fourth quarter and showed what they were made of," Coach Bill Phillips said.

"Lezlie Castleberry probably played the best she has ever played during the second half. Our record stands at 11-3," he added.

High scorer for Farwell was

Castleberry with 19 points; followed by Jane Ward, 4; and Cassie Chavers and Norine Jones, 2 each.

The 7th grade boys basketball team defeated Bovina, 29-18, on February 4.

"Farwell's record stands at 5-3," Coach Baker said.

High scorer for Farwell was Robertson with 13 points; followed by Stancell and White, 4 each; Coburn and May, 3 each; and Tant, 2.

The 7th grade girls basketball team was defeated by Bovina, 12-24, on February 4.

"The girls played better. They are beginning to get more confidence in themselves," Coach Phillips said.

"The team could be better next year if they improve like they have this year," he said.

High scorer for Farwell was Cynthia Ancira with 7 points; followed by Sheila Smith, 4; and Denise Ford, 1.

Texico Jr. Varsity Basketball Results

On Saturday night, the Floyd junior varsity Broncos narrowly defeated the Texico boys, 51-49.

Floyd pulled a strong lead in the first three periods of play by outscoring the Wolverines 16-10, 35-24, and 47-30. The Texico JV went on a strong scoring streak in the fourth period by adding 19 points and holding the Broncos to 4, but their efforts were not enough, and Floyd took the win 51-49.

Scoring for Texico were Gary Mitchell, 14; Craig Horne, 8; Mike Arnold, 7; Jeff Dunsworth and Tony Tubbs, 6 each; Jeff Day, 5; Todd Geries, 3.

Dunsworth contributed his 6 points in the fourth quarter while Arnold made 5 of his points during the same period. On the charity line the

Wolverines earned 11 out of 21 attempted points. Overall, the Wolverines hit 52 percent of their shots.

Texico's junior varsity girls, playing their first game in over two weeks, fell to the Melrose Buffalos Friday night, 58-43. Texico had defeated the same Melrose team by 20 points earlier.

The Wolverines fell behind early in the game and trailed 14-8 after the first period. Jo Hill led the scoring for the Wolverines during the period with four points.

With Jo Hill scoring 10 points during the second period the Wolverines pulled to within 3 points, 28-25 at halftime. Texico missed on 6 one and one free throws during the period.

Texico was outscored 16-8 during the third period and trailed 44-33 at the end of the period and were outscored 14-10 in the fourth.

"The first time we played them we shot very well, tonight we hit 20 percent of our shots," Coach Roy King said.

"One bright spot for the Wolverines was the play of Jo Hill. She never stops hustling," he added.

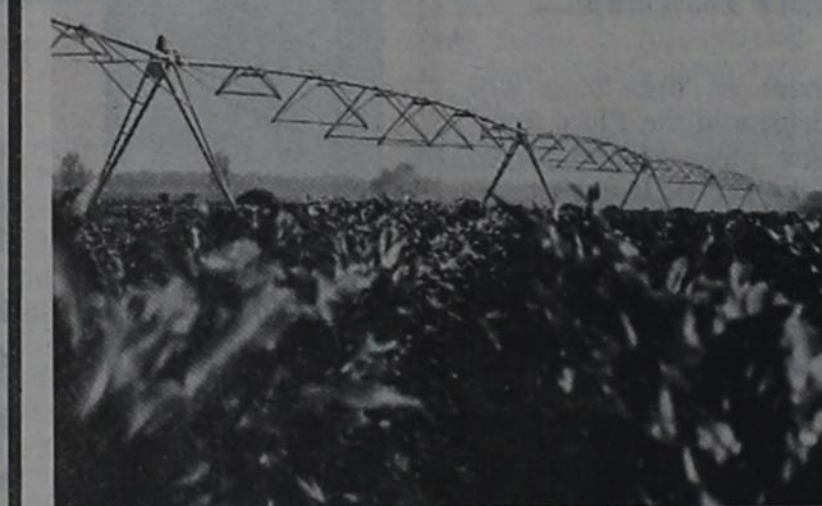

Leading scorer for Texico was Hill with 16. She was followed by Tammy Landis, 10; Sharlet Taylor, Teresa Gollidge and Lisa Crooks, 4 each; Carletta Fitz, 3; and Jill Jesko, 2.

Texico's next junior varsity girls game will be on Saturday night against Tatum.

Lithography was invented by Alois Semefelder around the turn of the 19th century.

With energy costs zooming just any center pivot won't do.

The whole equation changes. The few hundred you can save buying a cheaper pivot can be eaten up in the first year by rising energy costs alone. That's why the right match-up of power, pipe sizes and pressures can make all the difference in the world.

At Valley, we have the latest technology. We'd like to talk to you and show you before you buy any center pivot. Because just any center pivot won't do, especially if rising energy costs are a concern.

Valley dominates the field.

Fourth Graders Study Pollution, Environment

Thoughts on pollution and its effects on the environment have been topics of discussion of a fourth grade reading group in Farwell Elementary School.

Members of the class share some of their thoughts on these subjects in individual letters to the editor of the Tribune and read as follows:

Dear Mr. Getz,
I think that Farwell is pretty clean for as small as Farwell is. If everybody would stop polluting we might have a clean America in about two or three years. How can we get everybody to stop polluting?
Yours truly,
Shelley Smith

Dear Mr. Getz,
I think pollution is a bad thing. Now-days everybody is polluting. My friends and I are trying to help people stop. Cars are polluting the most. All they're doing is burning gas and fuel. Animals are having a hard time finding homes and food.

Even people have a hard time. With the air so smelly from factories from other cities. The animals have a hard time breathing fresh air. Pollution is going to be a hard thing to stop.
Thank you
Laura Wolfe

Dear Mr. Getz,
I think Farwell is a clean town except for the bottles and cans and other trash around. And when people throw bottles out the window they break and then animals and people step on the glass and it cuts them real bad. I think people should pick up their trash. I hate pollution. We should stop pollution.
Joanna Castner

Dear Mr. Getz,
I think there is too much pollution in Farwell. Because it makes Farwell look ugly. If people would stop pollution our city would be a better place to live. It will hurt the animals and the people. I don't want the whole world to be polluted. I don't want the city to be dirty. I don't like to be in a polluted world. But if we got a clean-up crew it would help Farwell.
from David Moseley

Dear Mr. Getz,
The country roads have pollution all over them. Farwell has a little but not much. It looks ugly and I don't like it. People should put it in the trash cans instead of throwing it all over the roads. And when they throw out wooden carts and other things into the fields it could cut or hurt the animals badly. I just wish there was a way to stop pollution. It would make the whole world look prettier.
truly,
Dee Anne Ray

Dear Editor,
I don't like people polluting my yard and I don't like seeing pollution because it looks terrible and the feedlot stinks.

I want to start a petition that people would quit littering and to pick up the litter.
From Marty Walker

Dear Mr. Getz,
I think that Farwell, Tx. is a pretty clean town except for the cans & bottles. I think that people should pick up their own trash. Pollution is a bad thing it can hurt people & animals. I hate pollution. Do you? How can we help stop pollution? The feed lots are polluting.
Love Bobbie Jo

Dear Mr. Getz,
I think Farwell is a very clean town but it is getting worse everyday. Because people are polluting so much. I hope people will stop polluting by Jan. 6, 1980. If people don't stop polluting the world will be a getting in a worse mess.
Yours Truly,
Kelley Foster

Dear editor,
I hate pollution. It makes the city look, smell and taste awful. It is killing animals and plants. We could get sick from Breathing it.
Tonya Stehle
To The Editor

I think there is too much pollution in Farwell. The pollution can hurt animals. And if we kill the animals and eat them we'll get sick and maybe die.
Steve Gerles

Dear Mr. Getz,

I think that we should help the little animals. We should keep them in places where they can live a good life. The people throw their trash out, And the animals eat it and it makes them sick, and they die.
truly
K.C. Eubanks

Hear the Word

Trust in the Lord and do good; so shalt thou dwell in the land, and verily thou shalt be fed.

Delight thyself also in the Lord; and he shall give thee the desires of thine heart.
Psalm 37:3,4

Public Notice

Mountain Bell, in accordance with the rules of the Public Utility Commission of Texas, hereby gives notice of the company's intent to implement a new schedule of telephone rates in El Paso, Anthony, Canutillo, Clint and other unincorporated areas within the El Paso vicinity, effective March 3, 1980.

It is expected that the requested rate schedule will furnish an increase of 14.4 percent of the company's intrastate revenues.

A complete copy of the new rate schedule is on file with the Public Utility Commission at Austin, Texas, and with each affected municipality, and is available for inspection in the company's public business office at 500 Texas Avenue, El Paso, Texas.

TWO MINUTES WITH THE BIBLE
BY CORNELIUS R. STAM, PRES. BEREAH BIBLE SOCIETY CHICAGO, ILLINOIS 60635

HOW LITTLE WE ARE!

Just behind me, in the supermarket check-out line, were two little boys. I noticed that the older one kept looking up at me and then down at his brother again several times in succession. Finally, nudging his little brother and pointing up at me, he said: "Hey, Joey, look how little you are!"

Those who have seen me in the flesh know that I am not exactly small, physically, and I can easily imagine that, standing next to these little fellows, I made them look small indeed!

But all this pertained only to the physical, and as I left that super-market, I began asking myself: "How big are you, actually, in the sight of God?" I thought of Psalm 8:3,4, where David mused over the same question: "When I consider Thy heavens, the work of Thy fingers, the moon and the stars, which Thou hast ordained; what is man that Thou art mindful of Him...?"

Yet we are so important to God that He entered the stream of humanity, as it were, and became one of us as Christ, Son of God and Son of man. Why? Hebrews 2:14, 15 tells us why: "...that through death [His death for our sins] He might destroy him that had the power of death, that is the devil, and deliver those who through fear of death were all their lifetime subjected to bondage."

Philosopher To Speak At Banquet

Eddy Nicholson, nationally known as America's Rocking Chair Philosopher, will be the featured speaker at the annual Farwell Chamber of Commerce banquet which will be held at 7:30 p.m. (CST) Thursday, Feb. 21, in the Farwell school cafeteria.

Highlight of the evening will be the announcement of Farwell's "Man and Woman of the Year." A ballot for nominations can be found elsewhere in this week's paper and everyone is urged to get nominations turned in to the nominating committee which consists of Duane Knowlton, Carrie Anderson, June Magness and Dutch Quickel. Deadline for nominations is February 14.

Tickets for the banquet are available from any Chamber

member at a cost of \$7.50 each. The menu to be served at the banquet will include ribeye steak, tossed salad, baked potato, cobbler, hot rolls, butter, tea and coffee.

Nicholson is a resident of Lubbock, but a native of Cleveland.

"Getting to see ourselves, warts and all, is a prime goal of Eddy Nicholson. Nicholson travels the nation selling the happy life and helping us see the bright side of bad times. His mixture of satire, southern humor, music and Americanisms combine to make for one of the most enjoyable, non-fattening programs on today's national speakers' circuit," report members of the Chamber banquet committee.

Nicholson has the same Los

Angeles artist management agency as Art Linkletter, Dale Evans and Roy Rogers, B.J. Thomas, Norma Zimmer, Tom Netherton, Carol Lawrence, Debbie Boone and others.

"The country philosopher from the mountains of Tennessee spares no punches in

showing his audiences how to live and love and 'enjoy life up to the elbows.' And while you're laughing you're thinking," Chamber members say.

Everyone is urged to attend the banquet and enjoy the entertainment highlight of the Chamber year.

Rocking Chair Philosopher

Rocking Chair Philosopher, Eddy Nicholson, will speak at the Farwell Chamber of Commerce Banquet on Thursday, Feb. 21. The banquet, which is the highlight of the Chamber

Scout Meetings Slated For Boys

Parents in the Twin Cities area who are interested in getting their sons involved in scouting are urged to note the following times and places of meetings to organize the scouting programs.

room behind the Farwell City Hall offices.

On Wednesday, Feb. 13, an organizational meeting for all boys and their parents interested in Boy Scouts will be held at 7 p.m. (CST) in the meeting room behind Farwell City offices.

The scouting program is basically dependent on adult involvement and guidance and all interested persons are invited to attend the meetings.

On Tuesday, Feb. 12, a meeting for all fourth or fifth grade boys, who are interested in becoming Cub Scouts, and their parents will be held at 7 p.m. (CST) in the meeting
