# Jamboree Surpasses \$700 For Heart Fund

Farwell Convalescent Center's 1980 Rock and Roll Jamboree is over and everyone is pleased with its success. Donations surpassed last year's total of \$633 by \$84 this year, with a total of \$717 being raised for the American Heart Association during last Thursday's Jamboree. Becky Ott, assistant administrator at the Center, commented that she "hoped for more donations to come in."

Jamboree King and Queen were crowned late Thursday afternoon just prior to the closing of the Jamboree. The honors this year were given to W.W. "Wren" Vineyard and Opal White.

Mrs. White will represent the Golden Spread Chapter in the Texas Nursing Home Association queen contest to be conducted during the spring convention.

"The people of the twin communities supported this project wholeheartedly," commented the Center administrator, Mary Ann Resch. Farwell Mayor Walter Kaltwasser started the rock-a-lhon which lasted until 5 p.m.

Live entertainment was staged throughout the day, including a grand performance by the Senior Citizens Kitchen Band from Clovis.

Others providing entertainment throughout the day were Vickie Beavers, Ed Hardage, Sheree Montgomery, Joe

Hughes, Harold Carpenter, Sharon Eubanks and several fiddler players from Clovis.

Rocking chairs were secured by Auxiliary member Carrie Christian. Tammy Willard of Bovina, granddaughter of Mrs. Christian, donated corsages for the King and Queen of the Rock-a-lhon.

Auxiliary volunteers were on the scene in full force to help in whatever way they could. They served cookies, cake and punch which had been provided by the Baptist Young

Women of Farwell First Baptist Church.

Many organizations and clubs as well as individuals sponsored residents or gave generous donations to the AHA.

Members of the Farwell Jaycees kept busy telephoning local businesses seeking and collecting contributions.

"I truly believe we can say that it was a big success," Mrs. Resch said. "We are already looking forward to next year's Jamboree," she added.

## Jamboree King And Queen

W.W. "Wren" Vineyard and Opal White, residents at Farwell Convalescent Center, were crowned King and Queen of the American Heart Association Jamboree which the Center sponsored last Thursday. Both residents rocked nearly all day and were crowned at the end of the day's festivities. They were

presented with crowns and with corsages which were donated by Tammy Willard of Bovina. The Jamboree raised over \$700 for the AHA. Mrs. White will represent the Center in the Texas Nursing Home Association queen contest which will be conducted during the spring convention.

## 98 Jurors Summoned - -

# Twelve Cases Listed For District Court

Twelve cases are on the docket for the District Court of Judge Pat Boone Jr., when it convenes next week in the Parmer County Courthouse. District Court sessions have been set for Monday afternoon and Wednesday morning.

Ninety-eight prospective jurors have been issued a summons to hear testimony in the civil causes that have been set for trial before a jury.

These cases include the following: Taylor Petroleum, Inc. vs. John Moody (account); Na-churs Plant Food Company vs. Albert Martin (conversion of funds); Roland D. Dale vs. General Life and Accident Insurance Company (hospitalization insurance claim); Parmer County Implement Company, Inc. vs. Alfred R. Ford (deficiency after repossession sale); D.T. King vs. Parmer County Implement Company (deceptive trade practice, ineffective

repairs; usury); and Conley-Lott Nichols Machinery Company vs. Truman McKillip (account).

Also, Beverly Olguin vs. Commercial Union Insurance Company (workers' compensation); Commercial Union Insurance Company vs. Juan Camargo (workers' compensation); Walter Joe Lucas vs. Aetna Insurance Company (workers' compensation); Texas Employers Insurance Association vs. Porfirio P. Contreras (workers' compensation); Commercial Union Insurance Company vs. Miguel S. Alonzo (workers' compensation); and New Mexico Transportation Company, Inc. vs. Carole Lou Stokes (collision; property damage).

Parmer County Sheriff Charles Lovelace has released the names listed below as Petit Jurors to report Monday, Feb. 25, 1980 at 1:30 p.m. (CST) to the Parmer County Courthouse

in the District Courtroom.

Melvin G. Sachs, Bobby Wayne Englant, Mrs. Doyle Eubanks, Ruskin Miller, Vernon Symcox, Mrs. R.B. Seaton, Loleta Eustace, Louise Ellison, Montie Turner, Rafael Gon-

(Continued on Page 2)

## Texico Election - -

# Feb. 29 Is Deadline For Absentee Voting

Persons wishing to vote absentee in this year's municipal election in Texico have only a week left to fill out an application for an absentee ballot, as the deadline for absentee voting is Friday, Feb. 29.

Marie Christian, city clerk, reports that the roster showing the names of qualified voters is on the way to her office and that as soon as it is received the applications will be reviewed for

approval. Then the absentee ballots will be issued.

Mrs. Christian stressed however, that the voting must be done in her office and can not be mailed in.

The municipal election is to be March 4, when a mayor, municipal judge and two councilmen will be elected. Ten persons have filed to have their names on the ballot in the election for the four positions to be filled.

## County-wide - -

# Sheriff's Dept. Plagued By Rash Of Burglaries

Parmer County Sheriff Charles Lovelace reports that a recent rash of burglaries in the county is still plaguing his department and that several more burglaries have been reported and are being investigated by his office.

Tommy Edwards, northwest of Friona, reported to the Sheriff's office that several items had been stolen from a vacant house which belonged to him. He reported that although no one lived in the house several household items were being stored there and that they had been stolen.

Among the items listed as missing were a cook stove, refrigerator, heater, and furniture. Approximate value of the

missing items was reported to be \$1800.

Larry Scott reported that several hundred dollars worth of tools, saddles, and saddle tack had been stolen from a boxcar located three miles northeast of Bovina. Electrical tools, bench grinders, cutting torches, log chains, as well as the saddles and tack, were listed as missing from the boxcar. Sheriff Lovelace reported that a lock had been cut from the boxcar to gain entry.

Woodrow Lovelace of Lovelace Oil Co. in Farwell reported that approximately 15 to 20 gallons of gasoline had been stolen from an overhead

tank belonging to Junior Snider. Investigation by the sheriff's department showed that a lock had been cut to enable the theft.

Charles Piece of Friona reported that he had lost a license plate while in Mexico, but according to Lovelace, because of the location of the loss it was out of Parmer County jurisdiction.

John Sanders of Muleshoe reported to the sheriff's office that "someone scraped his car between Farwell and Muleshoe," but investigation shed no light onto the matter as to who may have been responsible for the incident.

## Methodists Plan Lenten Services

Dr. Sam Nader, pastor of the First United Methodist Church of Lubbock will be guest speaker at special Lenten Services at Hamlin Memorial United Methodist Church in Farwell on Sunday and Monday, March 2 and 3.

The first service with Dr. Nader as speaker will be at 7 p.m. on Sunday, March 2.

On March 3 there will be a full day of activities, starting with the Men's Fellowship breakfast at 7 a.m. to which everyone is cordially invited. Dr. Nader will present the morning message at this time.

At 12 noon to 1 p.m. Dr. Nader will be guest speaker at a ladies luncheon at the church and that evening at 7 o'clock he will conclude his speaking engagement at the local church.

A native of Beirut, Lebanon, and the son of a Greek Orthodox priest, Dr. Nader has an interesting historical back-

ground. His parents are the late Rev. and Mrs. Anthony Nader.

He has traveled the world over and was the second Methodist minister ever to preach in a Methodist Church behind the Iron Curtain - this was in Tallin, Estonia in 1966.

Dr. Nader received his local preacher's license in Louisiana at the age of 15. He graduated from Byrd High School in Shreveport and attended Centenary College there before enrolling at Southern Methodist University where he received his A.D. degree and also a B.D. degree. He has also done graduate study at Columbia University in New York.

He has been minister at churches in Louisiana, Arkansas, Texas and even served as head football coach in one of the communities while he was pastor.

The popular speaker has many religious and other affiliations and has had several of his sermons and devotionals published as well as having most of his weekly sermons available on cassette tapes.

Dr. Nader and his wife Esma have five children, Sam, Kathleen, Carol, Paul and Elizabeth.

He was guest speaker in the local United Methodist Church several years ago and those of you who heard him then will want to be on hand for these meetings March 2 and 3, say local church members. They add that everyone is cordially invited to all the services and especially encourage you to come hear Dr. Nader in the Lenten services.

## Mickey To Speak At Church Of Christ

Westie Mickey of Graford, Tex., will be guest speaker at a series of gospel meetings at

WESLIE MICKEY

the Church of Christ in Farwell February 24-29, says Leonard Harper, church minister. Meetings will be twice daily at 10 a.m. and 6 p.m.

The series will get started at the morning worship service Sunday, Feb. 24, after which the congregation will have lunch at the church.

Jack Baker of Muleshoe will direct singing for the event, and on Sunday, Feb. 24, following the noon meal, Baker and a quartet will present special music and lead the group in singing.

Mickey, a 1934 graduate of Abilene Christian College, has been actively preaching for 48 years and has preached at meetings in Farwell in 1968, 1970, 1971, 1974 and 1977.

The popular speaker has presented his Bible-centered messages throughout the United States and always commands a good attendance.

Sermon subjects Mickey will be using for his evening messages here include Sunday: "The Mighty Hand of God;" Monday: "Saved By Grace;" Tuesday: "Onward Rejoicing;" Wednesday: "What Must I Do To Be Saved;" Thursday: "In Christ;" and Friday: "Parables of Grace."

Harper says that everyone is cordially invited to attend any or all of the services to hear Mickey speak. He adds that a nursery will be provided for all services.

## Lazbuddie Sets Trustee Election

by Janel Wilke

A trustee election for the Lazbuddie Independent School District will take place on Saturday, April 5, according to School Superintendent Sam Barnes.

The terms of trustees Gene Paul Jarman and L.M. (Chunk) Smith are expiring. Judge for the election will be Kenneth McGehee and alternate judge will be Claude Gregory.

Joe Riojas was named as interpreter for the election.

Serving as clerks for the election will be Ronald Elliott and Mrs. Ettie Jesko. Dennis Owen will serve as clerk for absentee balloting.

Voters in Lazbuddie Independent School District who will not be here for voting on April 5 should be informed that they may vote absentee between the dates of March 17 and April 1, in the tax office of Lazbuddie schools. Voting may

take place between the hours of 8 a.m. and 4 p.m. on those dates.

Two persons have filed for the spots on the board thus far. Larry Jesko and Glenn Lust have put their hats into the ring for school trustee positions.

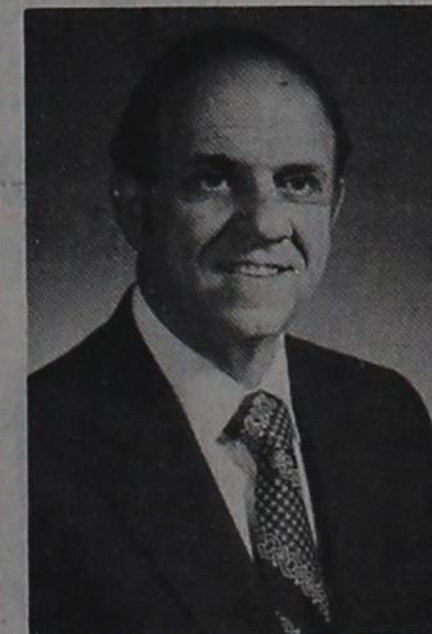

Anyone who is interested in filing as a candidate for school trustee may secure an application through the Superintendent's office at LISD.

## New Statue At Cemetery

This marble statue has recently been installed in the Sunset Terrace Memorial Gardens cemetery east of Farwell. The statue is one of two that have been bought by individual donors to be erected in the Farwell cemetery. Don H. Williams, who was head of the

committee in charge of securing the statues, says that donations for the statues will still be accepted although the two pieces have been received. It is not known when the other statue will be installed at the cemetery.

DR. SAM NADER

**PURELY PERSONAL**  
by John

The public memory is an ephemeral thing. This accounts for the success of most politicians. It must account for the "success" of Jimmy Carter. This morning we hear that the administration will agree to a commission to look into the "crimes" of the Shah of Iran. Was it not a month or so ago that the administration was firm in saying that the order of priorities was first the release of the hostages and then a commission? It seems to us that such was the case at that time.

Today it is reversed, we are about to accept the formation of a commission and then await the release of the American citizens unlawfully held prisoner in Iran. Somehow we have the nagging suspicion that the United States will come out of this mess in a position of degradation, as usual.

We noted a TV poll that asked the question: Do you approve of the way President Carter has handled the problem of getting back the hostages. According to the poll the President received high marks. Better the question should have been: Do you approve of the ways that President Carter has protected the national interests of the United States? There is, we believe, a significant difference.

The President implicitly recognized this difference when he said that the national interests of the United States would be so defended, in that area, by military means if necessary. In making that statement the President was also saying that thousands of American lives would be lost in the process.

It is an Alice in Wonderland attitude that will allow us to sacrifice our national interests for the sake of the 50 lives at stake in the hostage situation yet turn around and risk losing thousands of lives in the same area for our same national interests.

Yes, the moral dilemmas imposed upon the occupant of the White House make it the most demanding job in the world and the occupant thereof should have the high intelligence and moral fortitude to make the tough and distasteful decisions necessary to protect not only all the citizens of this country but also the freedoms found in this country for the generations ahead.

Communication of ideas is a slippery art. An art that we are not too well versed in. After last week's remarks concerning the Texas State Teachers Association we were accused of cutting down and disparaging the teacher profession. Not so; we have a high regard for "teachers." We were trying to point out that this high regard for teachers will suffer if the TSTA adopts the tactics of the trade union. We do not find compatible the aims and methods used to attain the aims of say the United Auto Workers with a professional teaching organization.

We must not be alone in this attitude as we know that there are at present at least two other professional teachers organizations competing for the teachers membership. There are the Texas Professional Educators and the Association of Texas Educators, both apparently vying with the TSTA for members.

We tried to point out last week that we do not like the cost of living approach to wages. We are in favor of adequate teachers wages and merit raises for competency in the field. A cost of living raise has nothing to do with competency or the ability to raise the extra money.

It seems to us that a cost of living raise assumes that there is a vast inexhaustible well of money which can be indiscriminately dipped into. Of course, this is not true and as in the case of all government employees this "well" is in reality the taxpayers' pocket. The taxpayers' pocket is like the Ogallala formation - in many areas we are looking at the red bed.

Parmer County, Farwell - -

## 4-H, FFA Youth To Travel To Houston Livestock Show

Nineteen 4-H members from Parmer County and 19 FFA members from Farwell will be participating in the 1980 Houston Livestock Show and Rodeo, February 20-March 2. With more than 27,000 expected livestock entries, the Houston Show will once again be the largest in the world.

FFA members from Farwell who will be attending the show are Mark Anderson, Danny Davis, Kerry Ford, Dondra Gerles, Grover Halsell, Randy Herington, Rodger Johnson, Kenyth Key, John Knowlton, Donald Lovelady, William Martin, Todd Meeks, Theodore Mesman, Billy McClenney, Rusty Smallwood, Steven Smith, Gary White, Richard Winegeart and Phil Hagler.

Parmer County 4-H members who will be attending the show include Daren Darby, Mark Owen, Blake Kelley, Amber Rhodes, K.C. Eubanks, Teresa Rose, Jason Snider, Suzahn Inman, Brent Green, Melanie Gallman, Shain Rhodes, Beth Anne Johnson, Glenda Ellis, Denae Reeve, Brent Riethmayer, John Cass, Matlock Howell, Devera Rhodes and Sarita Gay Ellis.

For junior exhibitors throughout the state, the Houston Show is the culmination of a year's hard work of preparing their animals for the toughest of show ring competition. It is hard work that often pays off: open show and junior exhibitors will vie for more than a half million dollars in prize monies and premium auction prices above market value.

From a spectator's point of view, the young exhibitors are center-stage in a two-week extravaganza that begins when Houston, the fastest growing city in the nation, takes a step backwards in time and brings a bit of western heritage to its busy streets.

Horses, buckboards and stagecoaches take to the concrete, and businessmen don western hats and boots to welcome the largest civic event in the history of this bustling oil and space flight capital.

More than 6,000 trailriders journeying as far as 386 miles

will join city officials and bands as the annual rodeo parade winds through the canyons of downtown streets at 9:15 a.m. on Friday, Feb. 22.

Following the parade, the action moves farther out Main Street to the Astrodome and the adjoining Livestock Exposition facilities where the rodeo opens with a matinee performance in the Astrodome at 2 p.m.

The livestock show begins earlier in the week with open competition on February 20. Professional breeders and ranch owners from some 35 states will bring in the best in breeding stock to compete.

The Houston Show is a showcase of the livestock industry, and cattlemen from Europe, Mexico, Central and South America plan to attend the open show to get a look at the best in stock.

Junior show exhibitors take over the 22.3 acre livestock

exposition facility for the second week of the livestock show, with judging beginning on February 28. Each exhibitor knows he is up against the best in livestock, with much riding on the decision of the most experienced livestock judges in the nation.

Junior shows include breeding beef heifers, dairy, breeding sheep, Angora goats, beef and dairy scramble heifers, commercial steers, breeding rabbits, market lambs, poultry, turkeys, swine and steers, including a carcass contest.

In addition to the premium awards and trophies, exhibitors of market animals know that a grand championship in their market division at Houston can translate into the stake for a future cattle herd or college diploma.

### Farwell School - -

#### Filing Deadline Set For Board Election

Deadline for filing for a place on the ballot in the upcoming Farwell School Board election has been set for Wednesday, March 5, at 5 p.m. (CST).

Application blanks may be picked up at the office of Superintendent W.M. Roberts prior to that date. The blanks must also be turned into his office by the 5 p.m. deadline. Terms of board members

Billy Mayfield and Jimmy Walker are expiring.

Clarence Kube, Ted Magness, Connie Ray, Walter Hughes, Darrell Stephens, Joel White and Don Gerles will serve on a committee to place names on the ballot for the election, with Hughes serving as chairman of the committee.

The election to name the two board members has been set for Saturday, April 5.

### Deaf Smith - -

#### Electric Cooperative Sets Annual Meeting

Capital Credit checks totaling about \$395,501.67 will be paid back to those members of Deaf Smith Electric Cooperative who purchased electricity during 1967 and 1968 when members meet for the 42nd Annual Membership Meeting.

The Annual Meeting, scheduled for Saturday, Feb. 23, will be jam packed with eatin', fun, and business, and will begin at 5 p.m. at the Hereford Bull Barn.

There will be a barbecue dinner, served by the Catholic Daughter Society of Nazareth. Following the meal, the business meeting will convene.

Sloan Osborn, president of the Board of Directors, will call the business meeting to order. Noel Gollehon, secre-

tary-treasurer, will report on the number of members present; read the notice of the meeting, and present the minutes of last year's annual meeting for approval.

The Nominating Committee met January 4, and will submit the following names for election: Parmer County, A.W. Anthony, Jr., and Harrell Mays; Deaf Smith County, Jerry Roberts is running unopposed.

Also highlighting the evening will be drawing for door prizes and give-aways totaling over \$1,000, including a new clothes dryer.

Opening Soon in Farwell

## Letter To The Editor

February 20, 1980  
To the editor:  
In reply to the editorial of February 15, 1980, let us clarify some concepts about TSTA.

Texas State Teachers' Association is an organization open to all teachers and administrators in Texas. It maintains contact with the Texas legislature in several ways, as do other professional organizations - the American Medical Association, the Texas Farm Bureau, the Texas Press Association, the Texas Bar Association, the Texas Association of Life Underwriters, the American Agricultural Movement, etc. TSTA is not the only teachers' organization in Texas, but it is one of the oldest. Most salary increases teachers enjoy have been effected by TSTA. In working for teachers, TSTA does not limit the benefits it negotiates to its members. All Texas teachers enjoy the fruits of TSTA's labor.

When we talk about a professional organization, we need to realize what a profession constitutes:

1. Possession of a code of ethics.
2. Performance of a service.
3. Control over who enters the profession, and
4. Setting their own fees.

The teaching profession is in a peculiar situation in regard to these four points.

1. Yes, we have a code of ethics.
2. Yes, we perform a service.
3. No, we have no control over who enters our profession.
4. No, we do not set our fees.

In the case of the latter two points, we become labor, but not quite. Our salaries are set by state laws, and we cannot refuse to work, which labor can.

Regarding the first of the three goals the Association addresses, the "due process bill" would guarantee teachers a hearing before the local school board in case of dismissal. Obviously, this does not mean reinstatement. It will give the board, as well as the teacher, a chance to explain their respective actions.

The second goal, involving insurance for teachers, bases its argument on the following premise: State employees' insurance is paid by the state

at the rate of \$40 per employee. Teachers, since they receive approximately 80 percent of their salary from the state, (the other 20 percent coming from local sources) are state employees. Therefore, some contribution by the state for health insurance would only be fair.

Regarding the third goal, the collective bargaining clause is something that all teachers are viewing with extreme caution. It failed passage by the House of Delegates several times, and finally made it by a small majority last year. Teachers are as much opposed to pressure tactics as other individuals. Collective bargaining can, if used properly, be of benefit to both the administration and teachers in that it addresses itself to points of disagreement before action is taken by either side.

Teachers do feel the need to belong to an organization which represents them at the state level since that is the place where all decisions regarding the teaching profession are made. Class size, textbooks, lunch breaks, numbers of hours a subject is taught in one year - all those various and sundry things affecting the teachers and the students are directed by the state. TSTA has served the teacher and the student well in that capacity.

Asking for a 7% increase is not synonymous with "roaring inflation." Dedication and loyalty do not make the car payment, buy groceries, pay doctor and dental bills, or pay taxes.

## Another Weekend Storm Greet Area Residents

Area residents were greeted by another wet and wicked weekend as freezing rain, followed by sleet and snow blew in Friday and Saturday. An accumulation of three to four inches fell in and around the Texico-Farwell area and driving became very hazardous throughout the area.

Traffic during the winter onslaught moved slowly on the icy streets and highways and although there was a very brief glimpse of sun seen mid-morning Saturday the slush soon started freezing again making things even more dangerous for pedestrians and drivers alike.

The weather, prior to Mother Nature's onslaught, had been springlike before temperatures

dropped from 62 degrees to a cold 30 degrees Friday in less than four hours time.

Blowing winds and a sudden blast of wintry air brought clouds that covered the area with a grey overcast. The bad weather lasted throughout the weekend and only mid-morning Monday brought sunlight and melting of snow and ice to the area.

Residents enjoyed the 60-degree temperatures of Tuesday and Wednesday; however, the sunshine and warmer weather was accompanied by high winds and blowing dust to mar otherwise nice springlike days.

And, you guessed it: another cold front was predicted for the coming weekend.

## Farwell Hospital Board Sets April 5 Election

Farwell Hospital District Board met in regular session Tuesday night and discussion centered around the upcoming board election which was set for April 5.

The nominating committee for the election was selected and Gwen Hughes, Bert Williams, Troy Christian and Ralph Franse were chosen to serve on the committee.

Four positions will be open for nominations. The positions are presently occupied by Hughes, Williams, Christian and Franse.

Deadline for filing for election to the board is March 5.

In other business, Dr. Kermit Coy Little informed the board of his intention to move his practice from Farwell to Clovis in the near future. It was also reported that Dr. Sayago who has been coming

from Muleshoe to the Farwell Clinic announced that effective the first of March he will no longer come to Farwell to practice medicine.

### Fire Calls

Texico Volunteer Fire Department reported no fire or ambulance calls since last report and Farwell Volunteer Fire Department received only one ambulance call.

On February 19 at 2:09 a.m. the ambulance made a run to 202 7th Street and transported Mrs. Ina Beiler to the Muleshoe hospital.

**Wedding Plans Announced**

Mr. and Mrs. Jay W. Eshleman of Texico announce the engagement and approaching marriage of their daughter, Georgia Lee, to Clint Owen Tharp, son of Mr. and Mrs. Nathan Tharp of Texico.

The couple will exchange vows on Saturday, March 22, at 2 p.m., (MST), at the First Baptist Church of Texico. All friends and relatives are invited to attend the wedding and reception. Local invitations will not be sent.

The bride-elect is a 1979 graduate of Texico High School and is employed as receptionist at the Farwell Clinic. The prospective bridegroom is a 1979 graduate from Texico High School and is employed by Motor Lab in Clovis.

**Around The House with Laura Jacobs**  
Assistant Farmer County Extension Agent for Home Economics

Can you afford next winter's fuel costs?

Although winter 1979 wasn't a harsh one, there's one guarantee for future mild winters - or stable fuel costs.

Many Texas families are arming themselves now in earnest against higher fuel costs, especially during cold winters.

**WOODBURNERS SET RECORD**

Record numbers of Texas families are looking to woodburning stoves as a way to beat winter heating costs.

Industry sources predict that as many as 1 1/2 million people will install woodburning stoves in their homes this year.

Why woodburners? Many burn wood to keep fuel costs down, while others want a wood stove as a backup in case of power failure for fuel shortages.

Others are drawn to the woodburning stove simply because it's a nostalgic reminder

that times have been simpler than they are today.

**CARE DUTIES INCREASE**  
Unfortunately, many of these people will buy wood stoves without realizing that they demand more care and attention than the modern heating systems to which they're accustomed.

Here's a rule to remember: a wood stove must be carefully selected, installed and used - or you can get "burned."

**Portraying Area Homemakers**

by Virgie Rater

Mrs. Richard Montgomery of Farwell, the former Sheree Rundell, our area homemaker this week, is a native of the Farwell area having lived here her entire life.

After her graduation from Farwell High School, Sheree attended WTSU in Canyon where she obtained a degree in business administration. After graduating from college she worked for a veterinarian and at the office of a CPA in Amarillo for a time before returning to Farwell where she was employed at a CPA office for about three years.

She and her husband, who farms as well as teaches at Farwell High School, are parents of a three and one-half month old daughter, Melody, who is the light of their lives.

Sheree says that they have pigs, sheep and goats on their farm and with four new litters of piglets to watch over they keep quite busy.

Needlepoint, embroidery and hooking rugs are among hobbies that Sheree says she enjoys.

"I don't have too much proof of my ability in these hobbies left, because I usually give it all away," Sheree said. "How-

ever, I nearly always get some gift of handwork or craft from other people that I enjoy very much," she added.

Sheree is a member of Farwell Young Homemakers and is serving as secretary for the organization at the present time. She is also a member and the secretary for Alpha Rho Lambda chapter of Beta Sigma Phi sorority.

The Montgomerys attend Oklahoma Lane United Methodist Church where Sheree served as pianist until the birth of Melody. Richard is song leader at the church.

Sheree worked in the accounting office of Jim Berry in Farwell for three years, resigning just prior to the birth of her daughter. "There was some adjusting to do, but I am really enjoying staying at home and being with the baby every day," says Sheree.

The following are recipes that Sheree has consented to share with our readers. The pumpkin pie is one of Richard's favorites, according to Sheree, who says that the recipe was obtained from the files of his grandmother.

**PUMPKIN PIES**

4 eggs beaten  
Add 1 can pumpkin  
Mix together:  
1 1/2 cups sugar  
2 tablespoons flour  
1 teaspoon pumpkin spice  
sprinkle of salt  
Add these to pumpkin and eggs; then add 3 cups of milk. Pour into two uncooked pie shells. Cook at 450 degrees for 15 minutes, then at 350 degrees for 40 minutes.

**APRICOT NECTAR CAKE**

1 pkg. Pound Cake Mix  
1 small pkg. Jello (lemon or orange)  
Mix together and add:  
1/2 cup Wesson Oil  
6 oz. apricot nectar  
4 eggs (one at a time)  
Bake in bundt cake mold one hour at 325 degrees. While cake is warm, mix 1 1/2 cups powdered sugar and three tablespoons apricot nectar. Pour over cake.

**HOMINY CASSEROLE**

2 cups yellow hominy  
2 tablespoons butter  
1-4oz. can chopped green chilies  
1/2 cup grated cheese  
1/2 cup sour cream  
Cook hominy with butter and chilies until the liquid is almost evaporated. Add cheese, stir constantly. Remove from heat and add sour cream. Place in a 350 degree oven for approximately 20 minutes.

"It takes life to love life."  
Edgar Lee Masters

**New Mother**

Mrs. Richard (Sheree) Montgomery is active in club work as well as helping her husband on their farm and taking care of a new baby. She has a piano in her home which she likes to play and hopes that soon she will be serving as pianist in the church as she did before the Montgomerys' daughter Melody was born.

**Hospital Notes**

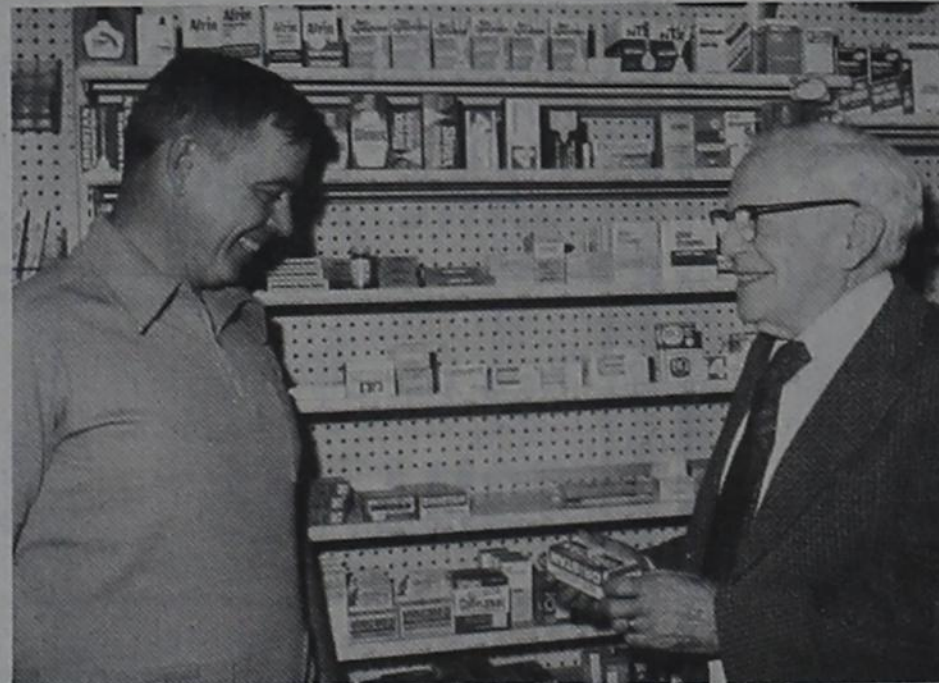

Beulah Williams of Farwell reports that her brother, J.E. Stone, of Texico, is doing well after being injured in a fall on ice a week ago. Stone was transported by ambulance from Texico to St. Anthony's Hospital in Amarillo after the fall and was found to have a fractured ball joint in his hip. His condition is listed as very satisfactory following surgery to replace the ball and socket and he is expected to get to return home in about a week. He is in room 512 in St. Anthony's.

Ina Beiler of Farwell is listed in stable condition in the Muleshoe hospital after being taken there early Tuesday morning by the Farwell ambulance. Her daughter, Mrs. Ted Horner, reports that she is in intensive care and a heart problem is suspected but has not as yet been confirmed by doctors.

Bobby Chadwick has returned to his home in Farwell following foot surgery in Lubbock and although his condition has improved he is still having to stay off his feet for another week.

Alta Gerres of Texico has returned home from the hospital in Portales after having foot surgery and reports some improvement although she will have to remain off her feet for a few more days.

**SALUTE TO LOCAL BUSINESS**

Rose Drug is a pioneer business in the Farwell-Texico community. It is the second oldest business in the area under continuous family ownership. Claude Rose Senior, right, began the business in October of 1928 and several years ago passed ownership of the store to his son, Claude "Pudge" Rose Junior. Over the years the "drug store" has also dispensed a wide variety of goods and services needed in a small community and continues this tradition today. Several generations of local coffee drinkers have been raised on "Claude's coffee" and with Pudge's oldest son now studying pharmacy it looks like the family tradition will continue.

## Area Students Listed On Dean's Honor Roll

Several area students qualified for the dean's honor rolls in the six colleges at Texas Tech University during the fall semester.

Among those making the dean's list from Farwell were Charles Christian, son of Mr. and Mrs. Donald Christian; Greg Geuther, son of Dr. and Mrs. Paul Geuther; Billy D. (Chip) Craft, son of Mr. and Mrs. Bill Craft; Sandra K. McMillan, daughter of Mr. and Mrs. Otis McMillan Jr.; and Deanna L. Williams, daughter of Mr. and Mrs. Don H. Williams.

Those from Texico on the dean's list were Mark Howard and Greg Howard, sons of Mr. and Mrs. Dub Howard. Mark earned a 4.0 for the semester just completed.

Michael Windham, son of Mr. and Mrs. Scotty Windham of Lazbuddie, was also named to the dean's list at TTU.

The Tech news and publica-

tions department which issues the lists of students on the honor rolls included this editor's note with the above list of names:

"This list may not be complete. Because of state privacy laws, we cannot release hometown stories about students unless we receive their permission. Many do not give us this permission. Others often list Lubbock as their permanent mailing address when they really are natives of other cities and towns. This information may help you answer questions from parents whose honored students are not listed."

If you know of someone who made the dean's list at any college or university and wonder why his name was not included in the Tribune news columns it is because the newspaper staff does not know about it.

Debra Joy Wardlaw and Richard Anthony Keffler Jr. were united in marriage on December 1 in a double-ring ceremony at Christ the King Church in Lubbock.

The bride is the daughter of Elaine Roddam of Farwell and the bridegroom is the son of Dr. and Mrs. R.A. Keffler of Lubbock.

Officiating at the ceremony was Father Ron Krisman. Decorations at the church consisted of Advent banners and four Advent candles.

Jane Wilson, organist, played "Ave Maria," "Joy," and "The Lord's Prayer."

Given in marriage by her brother, Larry Wardlaw, the bride wore a formal gown of white chiffon and Alencon lace. The dress featured a fitted bodice of re-embroidered lace and chiffon with full crystal pleated sleeves. The a-line skirt was accented with a border of Alencon lace and crystal pleated chiffon. The bride wore a matching lace-covered hat.

In keeping with bridal tradition, something old was a necklace; something new were earrings given to her by the bridegroom; something borrowed were her shoes; and something blue was a garter which was given to her by Kim Newton.

Sheri Simmonds of Arlington served as maid of honor.

now at home in Amarillo where he is Assistant District Attorney of Potter County and she is employed at the Amarillo Surgical Group.

The bride is a graduate of Farwell High School and Texas Tech University. The bridegroom graduated from Monterrey High School in Lubbock, Texas Tech University, and Southern Methodist University Law School.

## Wayne Kubes Have Son

Mr. and Mrs. Wayne Kube of Clovis are parents of a son born Friday, Feb. 15, at Cannon Air Force Base Hospital at 7:40 a.m.

The second child for the couple, the new arrival has been named Lee Allen. He weighed six pounds, 11 ounces and was 20 inches long at birth. He has a sister, A. Zela Dawn, who is two and one-half years old.

Maternal grandparents are Mr. and Mrs. Walter Schueler of Rhea and maternal great-grandparents are Mr. and Mrs. E.O. Woolever of Lubbock. Mrs. E.H. Woolever of Leveland is the maternal great-grand-grandmother.

Paternal grandparents are Mr. and Mrs. Martin Kube of Farwell and paternal great-grandparents are Mr. and Mrs. A.H. Daude of Lampasas.

## Daughter Born To J. Franses

Mr. and Mrs. Jimmy Franse of Farwell are parents of their second child, a daughter, born Friday, Feb. 15, at Roosevelt General Hospital in Portales.

The new arrival, who has been named Julie Nicole, weighed six pounds, two ounces and was 21 inches in length. She has one brother, Jarrod Marc, who is two years of age.

Maternal grandparents are Mr. and Mrs. Vernon Symcox of Farwell and paternal grandparents are Mr. and Mrs. Ralph Franse, also of Farwell. Mrs. Mary McDerman of Farwell is a paternal great-grandmother and Walter Franse of Portales is a paternal great-grandfather.

## Marriage Licenses

Parmer County Clerk's office has issued one marriage license since last report. That license was issued to Dennis Dwayne Brito and Linda Gail Syms.

## WIFE To Host Candidates

Bill Sarpalus and Gerald McCathern, both vying for positions as Texas State Senator from the 31st District, will appear in Muleshoe Civic Center, Thursday, Feb. 21, at 7:30 p.m.

The men will each give a short campaign speech which will be followed by a question and answer session between the men and the audience.

Each man will give his view point on the questions coming from the audience.

The meeting is being sponsored by Women Involved in Farm Economics (W.I.F.E.) of Muleshoe, and is open to the public. Everyone is invited to come and hear the men present their views on current issues.

## Texico Band To Perform In Grady

The Texico High School Band, Drill Team, and Flag Corps will perform in a concert at Grady High School gym Wednesday, Feb. 27, at 10 a.m. The band will play "You Light Up My Life," "ABC Comedy Time," "How The West Was Won," "Rainbow Connection," "Golden Age of Rock and Roll," "Love Boat,"

Selections from "Grease," and "Disco Inferno."

The Flag Corps will perform a routine to "Get up and Boogie," while the Drill Team will perform a routine to "MacArthur Park."

Band director for the Wolverine Band is Jerry Sabberry, and Drill Team Sponsor is Anna Southard.

## Arts And Crafts Fair Calling For Artists

Applications are now being accepted for the 1980 Running Water Draw Arts and Crafts Festival. The show is set for October 17-19. Jointly sponsored by the Plainview Rotary Club and Llano Estacado Museum, the festival is in its sixth year. All proceeds benefit these two organizations. Any artist or craftsman interested in applying for a booth may contact Rob Strong, Wayland College, Plainview, Tex., 79072 for application forms and requirements.

"The love of liberty is the love of others; the love of power is the love of ourselves." William Hazlitt

## March Wedding Planned

Pat Cain of Texico, Weldon Cain of Snyder, and Mr. and Mrs. J.W. Berryhill of Lubbock announce the engagement and approaching marriage of their children, Pam Cain and Chris Berryhill.

The couple plans to be married in a private family ceremony March 15 in the home of the bride-elect's mother at 423 Turner in Texico.

All friends and relatives are invited to attend a come-and-go reception following the wedding between the hours of 7 and 8:30 p.m. [MST]. The reception will also be held at 423 Turner in Texico. No local invitations are being sent.

The bride-elect is a 1979 graduate of Texico High School and is currently employed at Ben E. Keith in Lubbock. The bridegroom attended Monterrey High School in Lubbock and is currently employed at the Texas Tech Medical School.

## St. Ann's Dinner Set Mar. 2

St. Ann's Catholic Church of Bovina is sponsoring its Annual German Sausage Dinner on Sunday, Mar. 2, from 11:30 a.m. until 2 p.m.

Menu will include homemade German sausage, homemade sauerkraut, home canned green beans, mashed potatoes and gravy, gelatin salad, relishes, applesauce cake, car-

rot cake, French bread and butter, and coffee or tea.

Cost will be \$3.50 per adult plate, \$2.00 for children under ten, and take-out plates will be \$3.75 each. Sausage will be for sale at the door for \$2.50 per pound.

Door prizes will be awarded. Serving will be at St. Ann's Parish Hall on Third Street in Bovina.

## DO YOU VALUE YOUR FREEDOM?

The nation's Most active atheist is at work again. Madeline Murray O'Hare, whose efforts successfully eliminated the use of Bible reading and prayers from all public schools, has been granted a federal hearing in Washington, D.C. on the subject of religion and airwaves, by the Federal Communications Commission. This petition, No. 2493, would ultimately pave the way to eliminate the proclamation of the gospel via airwaves in America. She took her petition bearing 27,000 signatures to back her stand.

If her attempt is successful, all Sunday worship services currently being broadcast either by radio or television would cease, many elderly people and shut-ins, as well as those recuperating from illness or hospitalization depend on radio and television to fulfill their worship needs each week. Her petition also protests the decision of the Astronauts to read the Bible as a Christian message to the world from the Spacecraft while orbiting the moon in 1968.

We need 1,000,000 [one million] signed letters. This would defeat Mrs. O'Hare and show her that there are still many Christians alive and well in our country which guarantees us our freedom of religion.

Here is what you can do - Sign, Detach and Mail from the form below, be sure it is filled out completely. Ask at least five friends to send either their own words or a form similar to this one. THE PETITION NUMBER IS R.M. NO. 2493. PLEASE PUT THIS NUMBER ON THE ENVELOPE YOU USE TO MAIL YOUR LETTER.  
Thank you.

FEDERAL COMMUNICATIONS COMMISSION. DATE  
1919 "H" Street  
Washington, D.C. 20036  
Re: Petition R.M. No. 2493  
Gentlemen:

I herewith express my appreciation and wholehearted support for the various Sunday Worship Services, and other religious programs, which are broadcast over the radio and television medium.

Thousands of ill, elderly and infirm depend on such programs to fulfill their worship needs. Please allow such broadcasts to continue and hereby guarantee our freedom of religious choice.

# Texico Girls Victorious; Remain No. 1 In District

by Becky McDonald and Jacque Tatum

This past weekend the Texico girls climaxed their most successful regular season with a pair of victories, winning over Dora, 56-43, and defeating Melrose, 43-29, to improve their district record to 9-1 and 21-3 overall.

The Wolverines finished on top in district followed by Floyd, 8-2; Elida, 5-5; Melrose and Dora, 4-6; and Tatum, 0-10.

Texico is seeded #1 in the district tournament being played this week in Dora and will not have to play until the championship game Friday night. Since the Wolverines are #1 they also automatically earned a spot in the regional tournament to be played next week.

On Friday night Texico traveled to Dora and after a close first half, rallied to post their 20th win of the year over the Coyotes by the score of 56-43.

"The Wolverines couldn't get their offense and defense going at the same time during the first quarter and only led 15-14," commented coach King.

In the second quarter the Wolverines went cold from the floor and were trailing by three points with 20 seconds remaining in the first half, but baskets by Ruth Scott and Lori Harrington allowed the Wolverines to take a one point lead into the dressing room at the half.

Texico finally began to pull ahead during the third quarter and led 34-28 at the end of the period.

The Wolverines exploded for 22 points during the fourth quarter to make the final margin 56-43.

"We knew before we went to Dora that this would be a tough game," commented Coach King. "They always play us tough and this game was no exception."

The Wolverines were led in scoring by Scott with 19. She was followed by Harrington and Lisa Coffey with 16 each; Schree Rucker, 3; and Becky McDonald, 2.

Leading rebounder for Texico was Scott with 15; followed by Rucker, 9; Coffey, 8; and Harrington, McDonald, and Tracy Dobbs, 4 each.

Texico connected on 23 of 55 field goals for a 41.8 percentage and 12 of 18 free throws for a 66.6 percentage.

On Saturday night the Wolverines visited Melrose to take on the Buffalos in their last game of the regular season. The game was almost identical to the game the previous night.

The Wolverines started slow during the first half and then came on strong during the last half to post their 21st win of the year.

"This was a big game for us," said Coach King. "We had to win this game to be seeded #1 in the district tournament. We played very tight in the first half, but finally loosened up in the second half," added King. "Melrose likes to run and gun and we knew that if they were hitting, we would be in a lot of trouble."

Poor shooting, combined with numerous turnovers by both teams kept the game very close during the first period. The first period ended with the teams deadlocked with 8 points apiece.

The Wolverines outscored their opponents 10-8 during the second period to take a 18-16 lead at halftime.

After intermission the Wolverines looked like a different ball team, outscoring Melrose in the third period 12-2 and took the third quarter lead 30-18.

The Wolverines kept up the pressure and extended their lead to 21 points before finally winning 43-29.

Scorers for the Wolverines were Scott, 15; Coffey, 12; Dobbs, 10; Rucker, 4; and Harrington, 2.

Texico's leading rebounder was Ruth Scott with 16. She was followed by Coffey, 9; Rucker, 4; Dobbs, 3; and Jo Hill and McDonald, 1 each.

Texico connected on 18 of 55 shots from the floor for a 32.7 percentage and 7 of 12 from the free throw line for a 58.3 percentage.

"These girls deserved a lot of credit," commented King. "They have worked hard all year long to get into the position that they are in now. I don't think anyone, except the girls themselves, thought that they would be 21-3 at this point," added King.

Texico's seventh and eighth "B" team players combined to play in the Floyd tournament. The young Wolverines were defeated by San Jon and Dora, but won against Melrose in their final game.

"The kids were put together as one team on the day before the tournament for one day's practice. They were also able to practice together each morning before their game. With so little practice time, I think they played real well and had a fair tournament," commented Coach Paul Topliff.

"The tournament was planned so that new students would be able to get actual game experience. This isn't always possible in the regular schedule with teams as large as our seventh and eighth grades," he added.

"All of these junior varsity players with the exception of Landis, Taylor, and Hungerford, play on both the J.V. and varsity teams," King added.

## Public Notice

Mountain Bell, in accordance with the rules of the Public Utility Commission of Texas, hereby gives notice of the company's intent to implement a new schedule of telephone rates in El Paso, Anthony, Canutillo, Clint and other unincorporated areas within the El Paso vicinity, effective March 3, 1980.

It is expected that the requested rate schedule will furnish an increase of 14.4 percent of the company's intrastate revenues.

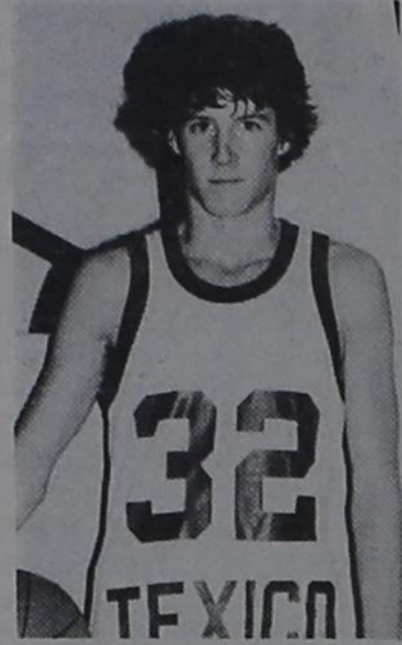

A complete copy of the new rate schedule is on file with the Public Utility Commission at Austin, Texas, and with each affected municipality, and is available for inspection in the company's public business office at 500 Texas Avenue, El Paso, Texas.

## Texico Players Of The Week

LORI HARRINGTON

GARY MITCHELL

Lori Harrington has been chosen Wolverine Player of the Week by the Texico varsity girls coach, Roy King. Lori scored 16 points and pulled down four rebounds in the Texico-Dora game and helped the Wolverines to win their 20th victory of the season. Coach King says that Lori is especially good as an outside shooter and puts scores on the board when they are needed most.

Gary Mitchell, a 6'1" junior on the Wolverine varsity boys team was selected as Wolverine Player of the Week by his coach, Cecil Davis, for his tremendous effort in last week's game against Melrose. Gary was high point scorer for Texico with 24. "This was the best game Gary had played all season," stated Davis. Gary is the son of Mr. and Mrs. Danny Mitchell of Clovis.

## Texico Jr. Varsity Basketball Results

Grady JV defeated Texico's JV boys Tuesday night, 54-38 in the Grady gym. It was the final game of the season for the Wolverine JV who split their season with seven wins and seven losses.

In Tuesday night's action, the teams remained close in the first period with Grady in front by only one basket.

Grady held a 28-17 lead at halftime and pulled ahead 42-28 at the end of the third period. Although the Texico boys put in ten points in the fourth quarter, Grady added 12 points to take the victory 54-38.

Jeff Dunsforth led the Texico scoring with 14; followed by Jeff Day with 9. Others scoring were Mike Arnold, 5; Todd Gerles and Paul Salguero, 4 each; and Craig Horne, 2.

Texico JV girls ended the season Friday night with a 44-30 victory over the Dora Coyotes. The JV girls record stands at 6 wins and 2 losses for the year.

The Wolverines fell behind early and trailed 8-4 after the first period, but led 17-10 at halftime.

During the third period the Coyotes came alive and outscored Texico 12-8 to make the score 25-22. The Wolverines

regrouped after the third period and outscored Dora 19-8 in the last quarter to win the game.

The Wolverines were led in scoring by Tammy Landis and Jo Hill with 15 points apiece. Others scoring were Lisa Crooks, 6; and Teresa Golledge, Carletta Fitz, Kerri Donahey, and Corrina Hungerford, 2 points each.

"This has been a successful season for our junior varsity," commented Coach King. "We have some very good young girls that could be outstanding players," he added.

Promising players for the

## Texico Jr. High Basketball Results

Texico's seventh and eighth "B" team players combined to play in the Floyd tournament. The young Wolverines were defeated by San Jon and Dora, but won against Melrose in their final game.

"The kids were put together as one team on the day before the tournament for one day's practice. They were also able to practice together each morning before their game. With so little practice time, I think they played real well and had a fair tournament," commented Coach Paul Topliff.

"The tournament was planned so that new students would be able to get actual game experience. This isn't always possible in the regular schedule with teams as large as our seventh and eighth grades," he added.

Becky McDonald and Jacque Tatum

Tied For Second - -

# Wolverines Win Two Of Last Five Games

by Rusty Jameson

Texico Wolverines claimed two of their last five basketball contests, defeating Dora and Melrose while losing to Tatum, Elida, and Grady, a non-district foe. Texico is currently tied for second with Elida in district competition.

On February 8, the Wolverines hosted the Elida Tigers and were defeated 61-57.

In the first quarter, the Tigers had a 21-17 lead. The Wolverines scored only six in the second, while their opponents sank 17 for a halftime score of 38-23. In the third quarter, the Wolverines outscored the Tigers 11-10 and in the final quarter, Texico outscored Elida 23-13, but their effort was not strong enough as the Tigers won the game.

James Hadley was high scorer for Texico with 22; followed by Neal Haile, 16; Britt Crooks, 11; Gary Mitchell, 6; and Rusty Jameson, 2. The Wolverines hit 7 out of 12

from the charity stripe, and Elida made 13 for 21.

Saturday the Wolverines were defeated by the Tatum Coyotes, 67-53.

In the first quarter, the Wolverines were outscored 18-9. In the second quarter, both teams pumped in 18 points to make the halftime score 36-27. Coyotes, Tatum outscored their hosts 14-9 in the third and in the fourth, both teams scored 17 to make the final score 67-53.

Scoring for the Wolverines were Hadley 23; Haile, 14; Crooks, 5; Jameson and Mitchell, 4 each; and Tony Tubbs, 3.

February 15, the Wolverines traveled to Dora and defeated the Coyotes 65-55.

In the first quarter, Texico was trailing 16-12, but in the second period the Wolverines outscored the Coyotes 19-7, to lead at halftime 31-23. In the third, the Wolverines pumped in 15 more while Dora sank 13. In the final 8 minutes, both teams scored 19, but the Wolverines won the game.

Hadley was high point man for Texico with 28 points and 7 rebounds. Haile had 22 points and 13 rebounds; Jameson had 8 points and 6 rebounds; Crooks had 3 points with 1 rebound; Mitchell had 2 points

and 5 rebounds; and David Cavallero had 2 points. The Wolverines hit 27 out of 64 for 42%, and made 13 out of 18 from the line for 72%.

Saturday the Wolverines traveled to Melrose and defeated the Buffalos 85-73. This victory took their record to 12 wins and 10 losses on the season, and 6 and 4 in district.

In the first quarter the Wolverines outscored the Buffalos 18-4. With each team scoring 23 in the second, Texico went in at halftime leading 41-27. In the third quarter the Buffalos made a comeback scoring 30 points while holding the Wolverines to only 20 and cutting their lead to 4.

Texico scored 24 in the final quarter while the Buffalos scored 16.

Mitchell was high point man for Texico with 24 points and 4 rebounds; Hadley scored 21 and had 4 rebounds; Haile hit 20 points and had 10 rebounds; Crooks and Jameson had 10 points each, Crooks had 5 rebounds and Jameson pulled down 14.

Tuesday night the Wolverines traveled to Grady, only to be defeated 85-62 by the Broncos.

At the end of two periods of play the scoreboard showed an

even contest at 32-32, but that was the last time the Wolverines were to see daylight as the Broncos, led by Jerry Isler and Kevin Cooper, pumped in 27 points in the third period.

Wolverine Mitchell added four points in Texico's 11-point effort. It was more of the same in the final quarter as Grady added 26 points to Texico's 19, bringing the score to 85-62.

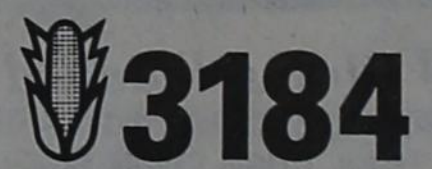

High point scorers for the Wolverines were Crooks with 18 and Mitchell with 14.

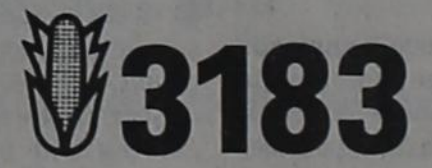

# 3184

# 3183

# plant 'em both

This hybrid's record for consistency has made it one of the most popular hybrids on the High Plains. In 77 comparisons over the last 77 years against competitive hybrids, 3184 has shown an average yield of 183.7 bu./A. with a yield advantage of 14.3 bu./A. over competitors. Bred with outstanding drought tolerance, 3184 can adjust ear size and kernel depth to match growing conditions. And strong stalks keep 3184 standing straight for speedy harvest. It's just what High Plains farmers need in a dependable, high-yielding corn hybrid. And its maturity makes it a good companion for 3183.

Push this one for highest yields! In 43 comparisons on the High Plains in 1979, this hybrid averaged 192.1 bu./A. A sampling of yields from 1979 includes 216 bu./A. for Sheldon Rapp at Hooker, Oklahoma . . . 210.4 bu./A. for Larry Kemp of Muleshoe . . . and 196.7 bu./A. for Doyle Underwood at Dimmitt, Texas. 3183 has demonstrated very good standability and ear retention in this area. Excellent drought tolerance helps 3183 maintain outstanding consistency year after year. And it has been especially impressive on gray soils. Plant 3183 along with 3184. Spread genetic risks and get top performance, too.

Be sure to ask your Pioneer corn dealer about the Pioneer Poll on Grain Transportation.

# Main Street, Lazbuddie

by Janet Wilke

**CAREER DAY HERE**  
Career Day for area seniors was held this year at Lazbuddie High School with several universities and trade schools present.

Among the colleges and universities present for the affair were Texas Tech, West Texas State University, Eastern New Mexico, ENMU-Clovis Branch, Wayland Baptist College, McMurry College, Lubbock Christian College, and South Plains College.

Some of the trades/professional schools represented were Texas State Technical Institute of Amarillo, Northwest Texas Hospital School of Nursing, Amarillo College, Accountant School and Curry County Beauty School.

Also represented were the U.S. military services.

Students from Lazbuddie, Bovina, and Farwell participated in various sessions with the school representatives. Each session lasted approximately 50 minutes and students then were allowed to go to other areas of interest after each of the sessions.

Howard Carlyle, counselor at Lazbuddie, was chairman of the Career Day at Lazbuddie and all factors pointed to a successful meeting of prospective college students at the event.

**BOARD MEMBERS MEET**  
Members of the Lazbuddie School Board of Trustees met in a regular meeting on Tuesday, Feb. 12, in the board room of the school.

President Jerry Don Glover called the meeting to order and minutes of the previous meeting were passed as approved.

Five of the board's members were present, and they discussed various items of routine business, among them being discussion of data processing procedures, and the payment of bills for the month of January.

Another item of business discussed was the policy regarding the use of the Ag trailer. It was decided that the trailer was to be used only for school purposes and not to be utilized by private individuals. The motion carried by a unanimous vote.

An important item on the agenda was the trustee election which has been set for April 5. Officials for the election were chosen, including election judge, Kenneth McGehee; alternate judge, Claude Gregory;

Interpreter, Joe Riojas; election clerks, Ronald Elliott and Mrs. Ettie Jesko; and Dennis Owen, absentee election clerk.

Absentee balloting will take place March 17 through April 1, and will be conducted in the

Lazbuddie School Tax Office from 8 a.m. to 4 p.m. according to Superintendent of schools, Sam P. Barnes.

Other business taken up at the meeting included the review of the report of the local textbook committee for new books that are to be adopted for 1980.

The board also approved the use of exit forms to be used by employees of LISD who were terminating employment with the district. These forms will be filled out by any person terminating his employment with Lazbuddie ISD for any reason, and this is in accordance with the new policies set out in the new handbook which the board is considering.

Trustees also renewed the contracts of principals Charles Beam and Mickey Wilson through the 1981-82 school year, and approved the contract of Tax Assessor/Collector Dennis Owen through the 1980-81 school year.

On Monday, Feb. 11, school trustee Alfred Hicks and Supt. Sam Barnes attended a meeting of the Panhandle Association of School Boards and Superintendents at the Region 16 Educational Service Center in Amarillo.

This was a joint meeting of school boards and superintendents and various items of business were discussed.

Supt. Barnes said that the meeting was very informative and dealt with the various potential activities of schools throughout the Panhandle.

### TRACK SCHEDULE

Schedule for boys track at LHS has been posted and here are the various dates and sites of the meets.

On March 1, LHS will participate in the Bronco Relays at Meadow, followed by a meet at New Home on March 8.

Borden County will host a track event on March 14, with Levelland hosting the Oil Patch Relays on March 22.

San Angelo Relays will be March 28-29 and the Sundown Roughneck Relays will be April 5.

The district meet will be in Sundown on April 15, and will be followed by the Regional meet to be April 25-26 in Levelland.

Lubbock will be the site of the state qualifiers meet on May 3 which will be the countdown for the State match-up in Austin on May 9-10.

### Steerettes - -

## Girls' Golf Team Places Fifth In Lubbock Tourney

Farwell girls' golf team participated in the Lubbock Invitational Girls' Golf Tournament at Pine Hill Golf course in Lubbock last Friday and captured fifth place.

The Farwell team shot a 391 team total which, coach Mike Martin says, "is a very good game for us this early in the season with as little practice as we have had."

Winning first place in the tournament was Amarillo Tascosa with a team total of 376, followed by Lubbock Monterey, 387; Kermit, 390; Borger, 390; Farwell, 391; and Amarillo High, 406.

Other teams participating in the tournament were from Plainview, Palo Duro, Caprock, Lubbock Coronado, Floydada and Crosbyton.

Individual scores for the Farwell team were Lisa

Hughes, 42-48-90; Robin Vinton, 46-47-93; Janene Berry, 50-51-101; Kim Marsh, 57-50-107; and Tammy Obenshain, 64-62-126. Other members of the Farwell team who did not play in the Lubbock Tournament are Dondra Gerles, Sharmy Christian, Gina Eubank and Cydney Ford.

Coach Martin commented, "I feel like we played real well in the Lubbock tournament and placed well among teams that have had more pre-season practice than our team did. With a little more practice I feel we can keep up with the best of them. Most of the teams we played were mostly from Class AAAA schools so I'm really proud of the girls."

The team will play in the Floydada tournament which is scheduled for the first part of March.

## Women's Basketball Team

Members of the women's league basketball team being sponsored by State Line Office Supply in Farwell and JJ's Mobile Homes in Texico are, from left, top row: Kathy Curtis and Gaye Roberts of Farwell, Cindy Harris and Lori Hartley of Clovis; bottom row: Tanya Crawford, Sheryl Stovall and Susan Crittenden from Muleshoe.

## State Line Women's Team Unbeaten In League Play

Members of the women's league basketball team being sponsored by State Line Office Supply of Farwell have a 7-0 record with just one game remaining before tournament

play begins in March.

The team, which is part of a four-team league at Clovis, has been playing at the YMCA in Clovis and has proved to be very adept at keeping their opponents at bay.

Members of the team are Kathy Curtis and Gaye Roberts of Farwell, Cindy Harris and Lori Hartley of Clovis, and Tanya Crawford, Sheryl Stovall and Susan Crittenden of Muleshoe.

The team starts tournament play on March 6 in Sudan and

will also participate in women's league tournaments in Muleshoe and Hartl. The Muleshoe tournament is being sponsored by Muleshoe Optimist Club and the Hart tournament is being sponsored by CHIPSA sorority.

Husbands of the team members make up the coaching staff of the local team. JJ's Mobile Homes of Texico will sponsor the team during tournament play, according to team members.

### Season Finale - -

## Steers Lose To Mustangs In District 3-A Tourney

The Farwell Steers varsity basketball team finished the 1980 season last weekend in the District 3-A tournament in Hereford.

The Steers, pitted against Bovina in Thursday night's action, were defeated 62-52 to end their roundball season.

Farwell, ice cold from the floor, allowed five minutes of play to escape before scoring their first points of the night. By this time the Mustangs, who were hitting the bucket from every angle, held a commanding lead and at the end of the first period of play dominated the Steers 20-6.

The third and fourth periods saw the Blue and White try to "get it together," but it was a

case of too little too late and Bovina held on to take the 10-point victory and the right to advance in the tournament. The Mustangs eventually lost to the Vega Longhorns who claimed the District 3-A title.

"Our shooting percentage was bad and our defense was not effective at all," commented Steer coach Mike Martin. "We had a pretty good team at the end of this season and were greatly improved over the first of the year, but we just had a bad night at the tournament," he added.

The Steer team is expected to do much better next year as there will be six of the ten players returning, compared to the two returning players to this year's team.

The Steers' team record for the season was 6-4 in District 3-A play compared to 5-5 last year.

Richard May led the scoring for the Steers Thursday night with 16 points and was also top

rebounder with 15. Craig Kaltwasser and Boyd White had 8 points each, followed by Richard Carpenter and Mark Owen, 6 each; James Castleberry, 4; Byron Mayfield, 2; and Waverly Coates and Phil Hagler, 1 each.

**TWO MINUTES WITH THE BIBLE**  
BY CORNELIUS E. STAM, PRES. BEREAN BIBLE SOCIETY CHICAGO, ILLINOIS 60635

**FAITH AND HEARING**  
"Faith cometh by hearing, and hearing by the Word of God" (Rom. 10:17).  
This important passage of Scripture is, sad to say, little understood. Many people think of faith in the abstract, as though it were some mysterious power in itself. They speak of faith, but what do they mean? Faith in what? or in whom? Surely it is not possible just to have faith, without something or someone to have faith in.  
Faith is not wishing hard, or feeling confident. Much less is it optimism or presumption or imagination. Faith must have a basis, a foundation. Thus the Christian's faith is founded on "the Word of God"—on what God has said in the Bible. The above passage explains: "Faith cometh by hearing." Isn't that simple? Isn't it true? Some have said that "seeing is believing," but a moment's reflection will reveal that, like the phrase, "I'm from Missouri," this saying is an expression of UNbelief. When we have seen a thing we need no longer believe it; it has been demonstrated to us. But when we hear [or read] a matter reported, we may believe or doubt it. "Faith cometh by hearing." And, likewise, hearing comes through what has been said. We believe what we hear and we hear what has been said. The Christian's faith, then, comes by hearing [God] and hearing by THE WORD OF GOD. All true Christian faith is founded on the Word of God.  
Actually the word "hearing," in Romans 10:17, has the idea of heeding—paying attention, eagerly listening. This is why Galatians 3:5 speaks of "the hearing of faith." Thus Ephesians 1:13, referring to Christ, says: "IN WHOM YE ALSO TRUSTED, AFTER THAT YE HEARD [HAVING HEARD] THE WORD OF TRUTH, THE GOSPEL OF YOUR SALVATION." Similarly we read in John 5:24 the words of the Lord Jesus: "HE THAT HEARETH MY WORD, AND BELIEVETH ON HIM THAT SENT ME, HATH EVERLASTING LIFE, AND SHALL NOT COME INTO CONDEMNATION [JUDGMENT]: BUT IS PASSED FROM DEATH UNTO LIFE."

## Texico Band Students Receive Recent Honors

Three members of the Texico High School Band have recently been honored for their achievements in the music field, reports Jerry Sadberry, director of bands at Texico Schools.

Alan Baldrige, a sophomore, received a Division I rating at the Eastern New Mexico University Solo and Ensemble Festival in Portales on February 16.

The Texico student performed a solo with piano accompaniment and was judged Superior (Division I) by band director Jan MacDonald of Los Alamos High School, judge.

Alan has also won positions in the New Mexico All-Region Band and the 1980 New Mexico All-State Band. He has won four consecutive Division I ratings in the ENMU contest.

He will perform his solo at the Greater Southwest Music Festival in Amarillo in April.

Two other high school band students, Ruth Ann Rickert and Nikie McDaniel, have been nominated for inclusion in the 1980 edition of Who's Who in Music. The two girls, both juniors, have participated in band throughout their years in Texico schools.

lar and civic activities.

Membership in the organization is limited to students in their junior or senior year in high school.

The two Texico students were nominated by their band director, Sadberry, for their accomplishments in band participation.

### PUBLIC NOTICE

BAILEY COUNTY ELECTRIC COOPERATIVE ASSOCIATION, Drawer N, Muleshoe, Texas, 79347, proposes to construct service to an irrigation system for Mr. Pete Jesko, Route 3, Box 136A, Muleshoe, Texas 79347.

This proposed construction is to provide unity of irrigation service for this member, and will be done with acknowledgements and written permission from Deaf Smith Electric Cooperative, Inc., since it involves crossing delineated service area.

The proposed construction will be 300 feet of single-pole, overhead line at secondary voltage all located on Mr. Jesko's property described as: The NW/4 of Section 4, Doud & Keefer Subdivision of Farmer County, Texas.

All construction will conform to standard R E A specifications. It will be identical to the lines that the Cooperative has constructed, maintained, and operated in the area for many years. No adverse effect on the quality of the environment is anticipated to result from this proposed construction.

Any person having questions regarding the proposed facilities should contact the Bailey County Electric Cooperative Association office.

### Hawaiian Trip --

## Texico Twosome Takes Time For Tanning

by Rhonda Tharp

Tans are scarce here in January, but not in Hawaii. Nikie McDaniel and Jeff Tharp, two Texico students, returned to the halls of THS with a January Hawaiian tan. The teenagers recently spent seven days in Hawaii on a farmers' tour sponsored by O's Gold Seed Company.

Among the group who took advantage of the tropical opportunity were three Texico families, including Mr. and Mrs. Dub Howard; Mr. and Mrs. Lonnie Tharp, Cheri and Jeff; and Mr. and Mrs. Willie Wall and grandchildren, Lynn and Nikie McDaniel.

The Texico families left Amarillo on a plane to Denver Monday, Jan. 14. From Denver they flew to San Francisco, then on to Honolulu. "It was about 12:30 a.m. Hawaiian time when we got there, so we just went to bed," commented Jeff.

During their two-day stay in Honolulu, the group had chances to see and tour the USS Arizona Monument at Pearl

Harbor, large pineapple farms and to try their luck at surfing.

Thursday the crew flew to Maui in 20 minutes where they were entertained by a concert, sunset cruise dinner, and lots of shopping centers. "The most unusual thing I saw at Maui was the second largest tree in the world which takes up a city block," commented Nikie.

While they were there, Jeff, along with his father and others, took a helicopter tour of the agriculture landscapes on the island. "Pineapples, coconuts, sugar cane, and marijuana are the main money crops," Jeff said, "with marijuana ranking number one."

Nikie also discovered her shopping spree would be more expensive than she imagined when she bought a small glass of orange juice for \$1.00.

During their stay, some of the group took time to watch the whales. "They were huge," commented Nikie. "Every 20 minutes they would come out of the water for air."

Tans fade out, but exciting

memories may stay forever. The students claimed they had a great time, and would definitely like to go back someday.

### 7th Grade Wolverines

Seventh grade Wolverines basketball team highlighted the season by winning their division in a recent tournament at Portales. Members of the team include, top row, from left: Tab Tatum, Aurelio Estrada,

Jay Robinson, Billy Bibbs, Ronnie Galvan and Craig Tharp; middle row: Buddy Adkins, Bob Steward, Paul Topliff Jr., Doug Thornton,

Danny Powell and Coach Paul Topliff; front row: Eddie Adkins, Gary Jones and Buck Gaddis. (Photo by Steve Kittrell)

### Census collections

AUSTIN, Texas (Spl.) — One of the best international census collections in the world is at The University of Texas.

The collection in UT's Population Research Center includes more than 80 per cent of all the censuses ever recorded anywhere in the world. The material is used in a variety of research about populations.

Contained in the collection are all or part of the information gathered in U.S. censuses since 1790, and complete censuses since 1950. European census information also is extensive. Among the oldest data are a 1703 census taken in Iceland and a 1659 survey of names for an Irish poll tax.

# National Letter Writing Week

## Slated For Feb. 24-Mar. 1

A set of three pairs of U.S. postage stamps focusing on the importance of letter writing will be issued during the week of February 24-March 1 as part of the observance of National Letter Writing Week.

First day of issue ceremonies for the stamps will take place at the Library of Congress in Washington, D.C., the nation's most distinguished depository of books, music, records, prints and photographs, many of which owe their authorship and historic significance to the centuries-old practice of letter writing.

The major objective of National Letter Writing Week is to direct the attention of the general public to the power of the written word in shaping

opinions, lifting spirits, bridging distances between loved ones and preserving memories. These themes constitute the messages appearing on the stamps.

Participation by business, education, media and trade associations is expected to be widespread. Major suppliers of paper, stationery, pen and pencil and typewriter manufacturers, direct mail advertisers and related industries have an ideal opportunity to link their own promotional and advertising campaigns with the celebration of National Letter Writing Week.

Many prominent Americans are being asked to share their most memorable experiences with letters. School, public

libraries, museums and other buildings of historic significance are being encouraged to display letters written by famous people which have helped influence the course of human events.

A special issue of Stamp Fun, a school feature distributed to 40,000 Benjamin Franklin Stamp Clubs with a membership of one million elementary school children, will describe good letter writing methods and the educational as well as sentimental and personal values to be achieved through personal correspondence.

Postmasters throughout the nation, including Texico-Farwell, are being asked to participate in this effort by

offering guided tours of their facilities.

The Postal Service, with the cooperation of the National Council of Teachers of English (NCTE), is publishing a booklet on letter writing, "All About Letters," for classroom use by students from grades six through 12.

NCTE, a prestigious organization composed of some 100,000 teachers of English, with national headquarters in Urbana, Ill., has given complete support and endorsement to "All About Letters." It has been licensed by the Postal Service to print, accept orders, for, and distribute copies to public, private and parochial schools.

### Special Postage Stamps

These three pairs of U.S. postage stamps, being issued to put focus on the importance of letter writing in conjunction with the observance of National Letter Writing Week, depict the power of letters in

shaping opinions, lifting spirits and preserving memories, plus bridging distances between loved ones. The stamps will go on sale at U.S. post offices throughout the country on February 24.
