Eggs become an important holiday food with Easter just around the corner.
 In ancient times, eggs were sacred symbols and, later, were glorified in paintings and sculpture.
 Today, eggs are honored around Easter and can be dyed, painted and trimmed. Be imaginative -- use paper, lace, buttons, even ribbons -- there is no end to the fun of decorating.
 Before decorating, cook the eggs properly following these steps:
 --First, select top-quality eggs -- Grade A and AA.

--Place selected eggs in a medium size saucepan. Add enough cold water to come at least one inch above the eggs and heat to boiling.
 Remove from heat, cover and let stand 15 or 20 minutes.
 TIP: To prevent an egg from cracking while cooking, add a few drops of vinegar or lemon juice to the water.
 --Cool immediately in cold water for about 20 min. To properly dye Easter eggs, follow these steps:

1. Prepare the egg dye as directed on the package.
 2. Or, use a few drops of food coloring in custard cups or muffin tins.
 3. Dye only uncracked eggs.
 4. Cover the eggs fully with hot water while dyeing, and spoon dye over eggs with a tablespoon.
 5. Let stand, turning occasionally, until evenly colored.
 6. Spoon out eggs and place on paper towels.
- For some economical variations in dyeing eggs, cut designs from cellophane or adhesive tape.

Paste on eggs before dyeing. Remove tape when dry for white designs.
 Refrigerate Easter eggs promptly after dyeing -- use the eggs within a few days.
 Discard all cracked eggs after the Easter egg hunt or use immediately -- exposure to harmful bacteria can be dangerous.

WHO KNOWS?

 2. Who was John Wilkes Booth?
 3. What is the nation's greatest drug problem?
 4. What was the origin of the name for Mississippi?
 5. What is the flower and stone for April?
 6. When is Palm Sunday?
- Answers To Who Knows**
1. Unlawful or unjust seizure of property or power.
 2. The assassin of President Lincoln.
 3. Alcohol.
 4. Chippewa words "mici zibi" meaning great river.
 5. Sweet pea and diamond.

JEWEL RITUALS...Alpha Zeta Pi held their Ritual of Jewels ceremony Tuesday night in the home of Pat Black. Those in the ceremony were, front, left to right, Pam Shipman, Robin Crook, Marilyn Saylor; back, Renee Anderson, Jean Treadwell, Rickie Warren, Brenda Black, Janna Wartes and Jana St. Clair.

INSTALLATION...Alpha Zeta Pi installed new officers for 1979-80 on April 3 in the home of Pat Black. New officers are, front row, Anita Allgood, president; Jama Brown, City Council Representative; Kathy Hill, treasurer; back row, Pat Black, City Council Representative; Cindy Purdy, vice president; Karen Renner, recording secretary and Joy Glover, extension officer.

Chapter Held Jewel Ritual, Installation Of Officers

Dr. Homer Allgood gave a program on first aid for the Alpha Zeta Pi sorority on April 3 in the home of Pat Black. Dr. Allgood said a home should be 80% safety and 20% common sense. This way there would be fewer accidents in the home. He offered a list of different household plants that were poisonous. The Poison Control Center toll free number is 1-800-392-8948. If a person needs to call the center, make sure you can give them as much information as possible. Also, he told of what to use in case of an emergency if a person swallows poison or an object, gets something in the eye or is bitten by an insect. Jean Treadwell assisted in demonstrating CPR, and gave helpful tips in case of choking and other things of this nature. The meeting was called to

order by President Debbie Foster. Ritual of Jewels ceremony was held for Renee Anderson, Marilyn Saylor, Jana St. Clair, Robin Crook, Janna Wartes, Rickie Warren, Brenda Black, Pam Shipman and Jean Treadwell. New officers were also installed. They are President Anita Allgood; vice president, Cindy Purdy; Recording secretary, Karen Renner; Corresponding secretary, Joan Lewis; Treasurer, Kathy Hill and Extension Officer, Joy Glover. Cindy Purdy announced that the annual Mother's day luncheon would be held May 12 in the Fellowship Hall of the Methodist Church. Each member was asked to sign up for the committees of their choice for the new year.

A meal of spaghetti, salad, bread, brownies and iced tea were served to the following members. Karen Renner, Pam Shipman, Lee Stilwell, Kathy Hill, Kathy Kramer, Brenda Black, Rickie Warren, Cindy Purdy, Debbie Foster, Joy Glover, Anita Allgood, Jean Treadwell, Vickie Burch, Janna Wartes, Robin Crook, Gayla Toombs, Linda Marr, Pat

Black, Jana St. Clair, Rhonda Little, Vickie Black, Marilyn Saylor, Lindy Schuster, Renee Anderson and Jama Brown.

4-H Council Made Plans For Brownwood

The Bailey County 4-H Council met March 27 in the Bailey County Courthouse. Belinda Wheeler presided over the meeting. Brenda Flowers lead the pledge of allegiance and Tamara Gilliland led the 4-H pledge. Secretary Tamara Gilliland called the roll and read the minutes of the previous meeting.

A discussion was held about the 4-Her of the month. The activities of the next recreation night were also discussed. It was decided that the 4-Hers

would go to the Brownwood camps. Members present were Delia Shaw, Belinda Wheeler, Curtis Hunt, Perry Flowers, Casey Farmer, Kelly Harrison, Greg Harrison, Jimmy Gleason, Zanna Huckaby, Tamara Gilliland and Brenda Flowers.

Three Elected 4-Her's Of Month

Brenda Flowers, a member of the Y.L. 4-H Club was selected as the Dec. 4-Her of the Month. As her club activities, the 7th grader made Christmas ornaments for the Nursing Home residents. She completed the Food and Nutrition Project. In county events, she participated in Recreation nights and attended the council meeting. For district events, she went to the District Food Show and received a blue ribbon and a red ribbon.

For January, Marlin Bynum, a Muleshoe 4-H member, was selected. The tenth grade student attended monthly 4-H meetings, presented a string art project and furnished refreshments. In project groups, he completed string art projects, was junior leader, gave a method demonstration, helped on public services and attended horse judging meetings.

Maria Bynum was selected as the February 4-Her of the Month. The seventh grader is a member of the Muleshoe club. For her club projects, she furnished refreshments, attended monthly meetings and presented a plaque to Mr. Harbin of the 16th and Avenue D. Church of Christ. She completed the string art project and was a junior leader for the project. She helped on community projects and attended the horse judging meetings. For her county events, she helped supply food for concession stands at the Bailey County Livestock Show.

aria Gilliland placed 8th. The senior team, Sharla and Casey Farmer, Shane Claunch and Marlin Bynum went to Dumas on March 31. Competing in the Adult Division were Susie Claunch, Jessie Robinson and Shirley Farmer. The junior team placed fourth out of 16 teams in the contest. Those on the team were Tamara Gilliland, Kim Farmer, Brenda Flowers, and Zanna Huckaby. Perry Flowers was first place in the senior individual standing of the contest.

In Fashion
Casual handbags are shown in fabric with wooden, rope or bamboo handles. Added are monogrammed initials for a personal touch.

Progress 4-H Horse Club Attended Horse Contests

The Progress 4-H Horse Club viewed a film on horse judging March 27 at the Bailey County Courthouse. Spencer Tanksley showed the slides and led the group in a discussion concerning the horse show that was held in Dumas on March 31.

Those attending the meeting were Kim and Casey Farmer, Shane Claunch, Tamara Gilliland, Scotty Spies, Zanna Huckaby, Perry and Brenda Flowers, Marlin Bynum, Charles and Shirley Farmer, Susie Claunch, Joella Flowers, Lynda Huckaby and Spencer Tanksley, Bailey County Extension Agent. The members attended

three practice horse shows this year. On March 3 in Portales, the senior team consisted of Sharla and Kim Farmer and Perry Flowers. The junior team, Tamara Gilliland, Brenda Flowers and Kristi Spies, placed fourth in a contest of 16 teams. Sharla Farmer was fourth High Point individual of the contest. On March 24 in Melrose, Perry Flowers was judged individually in the senior team. The junior team, Kim Farmer, Tamara Gilliland, Brenda Flowers and Kristi Spies placed third in the contest. Zanna Huckaby also attended and judged as an individual junior. Kim Farmer was the first place individual and Tam-

AAUW Plans Convention In Amarillo

The Muleshoe Branch of the American Association of Women met Monday, April 2 at 7:30 p.m. in the home of Mrs. Carrie Lee Bishop.

Mrs. R.D. Angeley and Mrs. Clifton Finley were co-hostesses.

Mrs. Robert Hooten, president, introduced two guests from the Hereford Branch of AAUW, Mrs. Carole McGilvary and Mrs. Doris Bryant, president.

The Hereford and Muleshoe Branches are responsible for table decorations for a reception and banquet during the State Convention in Amarillo, April 27-28. Plans were discussed concerning using natural products and materials depicting the Panhandle area.

Delegates to the convention are Mrs. Robert Hooten, Mrs. Roland McCormick, Mrs. Oscar Rudd, Ms. Virginia Bowers and Mrs. John Watson.

Three new officers for the 1979-81 biennium were elected, Mrs. Roland McCormick, president; Mrs. R.D. Angeley, first vice president and Mrs. Roy Wrinkle, secretary.

Mrs. Oscar Rudd announced that the senior tea honoring 1979 senior high school graduates from the area schools will be April 22 from 3 - 4:30 p.m. in the Community Room of the Tri County Savings and Loan.

Vivian Briscoe, Muleshoe High School senior was selected as the AAUW Girl of the Month. Vivian is the daughter of Ms. Pearl Johnson and is active in speech and drama activities.

Members attending were Mrs. R.D. Angeley, Mrs. Carrie Lee Bishop, Dr. Martha Sayago, Ms. Virginia Bowers, Mrs. Ken Box, Mrs. Joe Costen,

Wives and farmers in general have learned that to be effective in the policy making bodies of this state and nation, one must be there when the planning begins. WIFE had 20 members at the state and national government water meeting held in Lubbock on March 28. The material covered was mostly technical in nature and has been reported elsewhere, but of particular interest to WIFE was the fact that 'water importation' was mentioned several times by officials. Water conservation also received much attention.

Mark Mimms, a political science class member at Lubbock Christian College invited State WIFE President, June Saylor, to lecture at their April 2 meeting. Mrs. Saylor spoke on general problems of agriculture and the steps farmers are taking to work them out. Sandy Autry of Friona spoke on the Tri-Lateral Commission and the effects of corporation monopoly ownership of foods from the field to the consumers table in terms of cost to the household.

Joyce McGeehee spoke on the humanist, feminist movement spearheaded by the Equal Rights Amendment. She asked the students to evaluate the whole issue from the standpoint of the middle class family in a predominantly agricultural area.

The class was opened for questions and discussions which lasted two hours.

In Austin, the grain compact bill introduced by congresswoman Betty Denton is being help up in committee. This bill provides a vehicle by which the State of Texas may make inquiries into grain marketing and pricing and how it currently affects the producer. Since Cargile and Continental grain companies handle 50% of all world grain sales and Bunge and Dreyfus handle 25%, WIFE takes the position that an inquiry might be time and money well spent.

Bill Clayton needs to know how much support the bill has. If you have an opinion, his number is 542-475-3400.

Mrs. Neal B. Dillman, Mrs. Clifton Finley, Ms. Mary Helen Gutierrez, Mrs. Robert Hooten, Mrs. E.W. Johnson, Mrs. Ed Kramer, Mrs. Roland McCormick, Mrs. Oscar Rudd, Mrs. John Watson, Mrs. R.G. Wilson, Guests were Mrs. Carole McGilvary and Mrs. Doris Bryant from Hereford.

Ruth Bass Hostess To Hobby Club

Items on display at the Muleshoe Hobby Club on April 5 in the Muleshoe State Bank were grandma and grandpa rock plaques, crocheted hen and chicks for Easter, woven pillow, covered shoes, lace covered vase, golf pan used in panning gold from Alaska, macrame fuzzy hanger with macrame flowers, drapery hook easel and picture, sponge gourd, rub art and racoon framed picture.

Opal Robison drew the hostess gift of a group picture frame.

The club voted to meet Thursday, May 3 at Gibson's parking lot to go to Clovis for their annual Mother's Day celebration. The club also voted to wear Easter hats, gloves

and shoes to the May 19 club meeting. Prizes will be given for the best looking outfit.

The hostess served drinks of coffee and cakes to Opal Epperly, Mae Loyd, Hallie Briscoe, Jo Wilson, Fiddle Shaffer, Allie Barbour, Gertie Kirk, Verna Dement, Myrtle Chambliss, Levina Pitts, Opal Robison, Dora Phipps, Vickie Hendricks, Mabel

Caldwell and the hostess, Ruth Bass.

The next hostess will be Vickie Hendricks on April 19.

GENERAL URGES DRAFT

Gen. Bernard W. Rogers, chief of staff of the Army, has urged an immediate return to a military draft, and the heads of the Air Force, Navy and Marines said conscription is likely if not inevitable.

TOPS Has Weekly Meeting

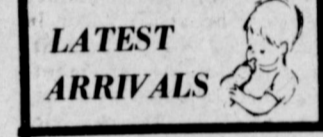

The TOPS Club was called to order by Clara Lou Jones on March 29 at 6 p.m. in the Community Room of Bailey County Electric. The club sang the TOPS song and recited the pledge. Twenty-five members weighed in.

The weekly queen was Carlene Stroud with first runner up, Ann Vinson. Linda Vinson was second runner up and monthly queen. First runner up was Brenda Murphy and Leavell Parker was second runner up.

Mae Provence was elected KOPS montly queen. Sue Murphy and Nan Gatlin received charms for 20 pounds weight loss. Mrs. Gatlin received a half way goal charm.

One visitor, Martha Buck was welcomed.

The meeting was dismissed with the Goodnight Song.

William Heath Brown

Mr. and Mrs. Scott Brown of Muleshoe are the proud parents of a new baby boy, William Heath, born March 29 at 1:48 p.m. in the Palmer County Community Hospital. The couple's first child weighed eight pounds and four and one half ounces.

Grandparents are Mr. and Mrs. John McFarland of Farwell, Mrs. Jack Little of Muleshoe and the late Bill Brown of Muleshoe. Great-grandparents are Mrs. Fern Christian of Farwell and Mrs. W.W. Scott of Amarillo.

Gilligan resigns as U.S. foreign aid director.

RUMMAGING THROUGH THE BOOKS... A good turnout showed up at the Muleshoe Public Library Thursday and Friday to purchase used books donated to the Muleshoe Study Club. The annual event is held to raise money by the club to donate to the library.

Muleshoe Students Attend Citizenship Seminar

FHA Hostess For Supper In Cafeteria

The Future Homemaker Members and their parents enjoyed a "Ma, Pa, and Me" Supper in the School Cafeteria, Tuesday night, April 3.

One of the 8 purposes of the Organization is "To strengthen the family as a basic unit of Society". Homemaking classes have completed a unit in the study of the family which included importance of family togetherness and recreation.

As an activity in observance of Texas FHA - HERO week and the unit, Chapter members prepared ham, red beans, salads and desserts for the meal and later involved Moms, Dads, and daughters in the fun night.

To introduce family members, chair persons, Terri Martin and Staci Vandiver collected funny things that had happened in families. Moms and Dads did not know this but had to stand and be recognized if the incident applied to them. Other games and stunts concluded the fun evening with parents.

Girls Finish Tennis Season At Olton Meet

The girls tennis team has completed their season. Saturday, March 31, 3-AA tennis, held their district meet at Olton. The tennis duo of Cindy Hamblen and JoRonda Rhodes advanced to the second round before getting beat out by the Friona doubles team, 7-6, 3-6, 4-6. Others participating were Shelly Dunham and Kathy Tutt in singles. The other doubles team who traveled to Olton were Becky Turner and Gina Burden.

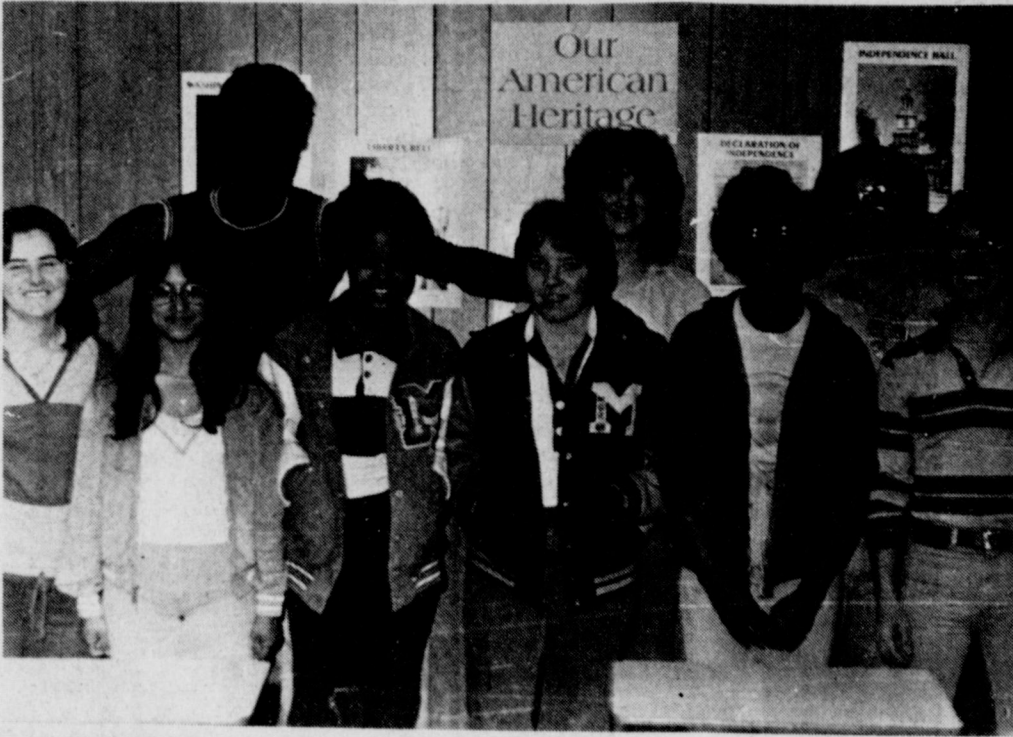

Although the birthday list is rather short this week, we still with the following a Very Happy Birthday!!! Monday, April 9 -- Jo Ronda Rhodes Tuesday, April 10 -- Michelle Agee. Saturday, April 14 -- Lee Murphy. Sunday, April 15 -- David Dominguez, Debbie Reyna, Bryce Holmes, Joyce Holmes.

Jan Harlin Teaching Home Ec

Miss Jan Harlin, daughter of Mr. and Mrs. Glen Harlin, formerly of Muleshoe, is presently completing requirements for a B.S. degree in Home Economics Education from Texas Tech University by student teaching in the homemaking department of Muleshoe High School. Her advisor from Tech is Dr. Valarie Chamberlain, and her cooperating teacher is Mrs. Dorine Harbin.

Jan began her teaching March 3 and will complete her stay here on April 24. She has assumed responsibilities for class units in Family Living, Child Development, and Clothing. Jan is a 1975 graduate of Muleshoe High, where she was active in basketball, cheerleading and journalism. She has been active in Home Economics activities at Tech and worked summers in the A.S.C. offices at Plains, Texas, where her family now lives. Her sister, Glenda, now teaches Home Economics at Abernathy and a younger sister, Sherri, is a senior at Plains High School.

SEMINAR...Nine students attended a Citizenship Seminar Tuesday at WTSU. Pictured are, left to right, Teri Wileman, Sandra Palomin, Charles Briscoe, Anne Kirven, Dana Holmes, Toni King, Debra Washington, Dean Estep and Keith Hawkins.

Girl's Golf In Second For District

The girl's golf team is currently in second place in the District race. Olton is in first place after two district tournaments. Muleshoe is in second, and Dimmitt is in third. The Muleshoe girls have been playing very well considering weather conditions and have one more District match in Morton Friday.

The girls who have made the traveling squad include Traci Walker, Jerria Beasley, Karen Stovall, Jennifer Tillman, Rhonda Mills, and Stacy Campbell. Other girls competing are Lauri and Robin Burgess, Tami Bratcher, and Carla Shafer. This is Muleshoe's first year to have a girls' golf team, although two individuals competed last year.

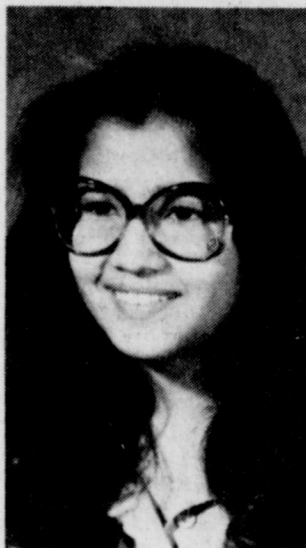

Four Receive First Year Letter Jacket

First year Varsity girls received their Varsity letter jackets Wednesday, April 5. These jackets are white with black and white trim at the bottom of the jacket and at the bottom of the sleeves. The girls receiving the jackets were Lauri Burgess, Brenda Dodd, Becky Turner and Kathleen Patterson.

Those trying out for Varsity are Jo Ronda Rhodes, Sandy Dunbar, Michelle Agee, Tyree Wagon, Shelley Splawn, Becky Turner, Leslie Wagon, Karen Washington, Lorenza Martinez, Lauri Burgess, and Melissa Biggstaff. Frantonya Berryhill, Sandra Hughes, Nancy Garcia, Linda Shafer and Kanetha Hysinger are competing for Mascot. For J.V. are Jill Turner, Starla Black, Susie Pierce, Micki Rouse, Cara Bass, and Delia Shaw.

The Muletrain - Mule's Tale Staff would like to wish all those trying out Good Luck!!!

CHRISTENE VELA

Best of MHS

Christene Vela has been selected this week's "Best of M.H.S."

Christene has placed at many speech events this year including second at the Friona speech tournament, first at the Idalou speech tournament, third at the West Texas State University speech tournament and just recently, first at district, all in poetry interpretation. She was also selected for the All Star Cast in District one-act play, in which she played "Medea". Recently in HECE she was selected Muleshoe's Outstanding HECE member at the Lubbock Area HERO Convention. Christene, 18, is a senior and the daughter of Mr. and Mrs. Joe Vela. She lives at 909 West 9th. She is the HECE President, Speech President and F.T.A. Chaplain.

When asked to comment on her activities, she said, "This year has gone by fast, but I am glad I had the opportunity to take speech one more year. I have really learned a lot in that class. Some people feel that speech is just speech but it has really taught me to look forward to life, never settle for less than what you are worth. There is always a goal to reach and with pride and determination, you will be sure and reach it. I also thank HECE for showing me principles and how to communicate with people. There is so much to HECE other than cooking and families. HECE stands for something and with all the people involved, we hope that everyone will understand that there is pride in these letters."

Life is what you make it, or what it makes you.

Medic Alert Saves Millions Of Lives

During the summer of 1953, in Turlock California, an attractive high school sophomore named Linda Collins cut herself slightly while playing with an air rifle. Because her physician father and mother were away from home attending a medical meeting, the neighbor taking care of Linda took her to a doctor who treated the wound.

He then gave the girl a sensitivity test to tetanus antitoxin, just in case she was allergic to the injection he was planning to give. Unfortunately, Linda was highly allergic to the drug. The partial drop used in the scratch test on her arm almost killed her.

Medic Alert did not receive a dime of federal or state funds. It is still maintained solely by its constant enrollment of new members and by grants and contributions from individuals, corporations and other foundations.

Since its birth in 1956, Medic Alert has experienced phenomenal growth - over 1.3 million members in the 14 affiliated foundations internationally. More than 7,000 new members join Medic Alert in the U.S. each month. It is no wonder: The Medic Alert Foundation estimates that one out of five Americans has a hidden medical condition.

card that carries additional medical and personal information. Both emblem and card carry the emergency telephone number of Medic Alert's computerized central file. Here is stored all the information the member and physician believe will best serve in an emergency. All this information is available immediately, around the clock, to any emergency personnel via a collect telephone call. To keep information current, each member receives a computerized print-out of his total file each year and is asked to make any necessary changes. If there are changes, the information is used by Medic Alert to update the member's computer

file, and the member receives a new, updated card. Although this is an annual reminder, a member's record can be updated at any time.

The lifetime membership fee is \$10.00. When and if, additional information is needed to update a member's file there is a \$3.00 charge. In cases of financial need, no charge is made.

Ironically, the tetanus sensitivity test that almost killed Linda Collins in 1953 has led to the best emergency medical identification in the world, one that can protect many millions internationally, 24 hours a day.

For free information, write Medic Alert, P.O. Box 1009, Turlock, California 95380.

On returning home, Dr. Collins, shocked by this near tragedy, was determined to prevent it from ever happening again. He designed a slender silver bracelet for his daughter bearing the insignia of the medical profession on the front in red along with the words Medic Alert. On the back was engraved this warning: "Allergic to Horse Serum," the liquid vehicle used at that time for tetanus antitoxin.

Convinced that bracelets like Linda's, or necklace emblems, with vital messages could save countless lives, Dr. Collins investigated the feasibility of establishing a non profit, charitable organization to provide a lifeline to those who might be unable to ask for help in critical situations. He surmised that not only persons suffering from drug allergies, but diabetics, epileptics, hemophiliacs and myriad others with serious medical problems could find themselves in situations where improper diagnosis and treatment might cost them their lives.

After years of planning and consulting with fellow physicians, nurses, law enforcement agencies, and national leaders, he established the Medic Alert Foundation International in April, 1956. Unlike many non-profit, charitable organizations though,

the previous year. In the two months following the repeal in Kansas, fatalities were three times the number reported for the same two months in the previous year.

In September of 1977, Indiana repealed its helmet law. The following year helmet use dropped from 75 percent to 37 percent while motorcycle accident deaths increased 32 percent.

Most of the repeals were prompted by protests from cyclists who felt that mandatory use of helmets violated their personal freedom and restricted their hearing and vision, notes Nelson.

The engineer points out that the vision issue may be more psychological than real. Also, recent studies have shown that because a helmet reduces wind noise, a cyclist can detect warning signals like sirens more easily with a helmet on.

Nelson contends that this information warrants a new look at current helmet laws.

PARTICIPANTS IN UIL CONTEST... These students from Muleshoe Junior High School and Mary DeShazo Elementary participated in UIL Literary Contests recently at Dimmitt. They are, from left, back row, Kristi Spies, Rosa Irma Alarcon, Alan Finney, Debra Briscoe, Todd Holt, Cielle Waggoner, Kelly Hamblen, Lori Ellis, Lynda Bell and Deena Burris. Middle row, from left, Tamara Gilliland, Joanna Massingill, Stacy Smith, Zanna Huckaby, Suzette Rojas, Betty Lunsford, Jay Hawkins, Michael Precure, Scott Calvert, Shelly Sain and Sharla Hawkins. Front row, from left, Tracy Tunnell, Susan Lunsford, Melissa Burnett, Tonya Nowell, Jamie Robberson, Brenna O'Tay, Mandy Plank and Loy Triana.

No Helmet Law Linked To Motorcycle Deaths

The repeal of laws requiring mandatory use of helmets by motorcyclists is showing some shocking effects, according to a safety engineer.

For years experts have been saying that head injuries are the most frequent cause of death in motorcycle accidents

and that helmets reduce the risk of fatal head injury by 30 percent. Now that many states, including Texas, have repealed helmet laws, experts' claims have shown to be more than accurate, says Dr. Gary S. Nelson with the Texas Agricultural Extension Service.

Deaths and injuries occurring to Texas motorcycle operators and passengers who were not wearing helmets increased dramatically after passage of the "no helmet" law for persons 18 years of age or older, points out Nelson. During the 12-month period following the repeal of the Texas helmet law, deaths involving head injury increased 120 percent and total deaths increased 55 percent.

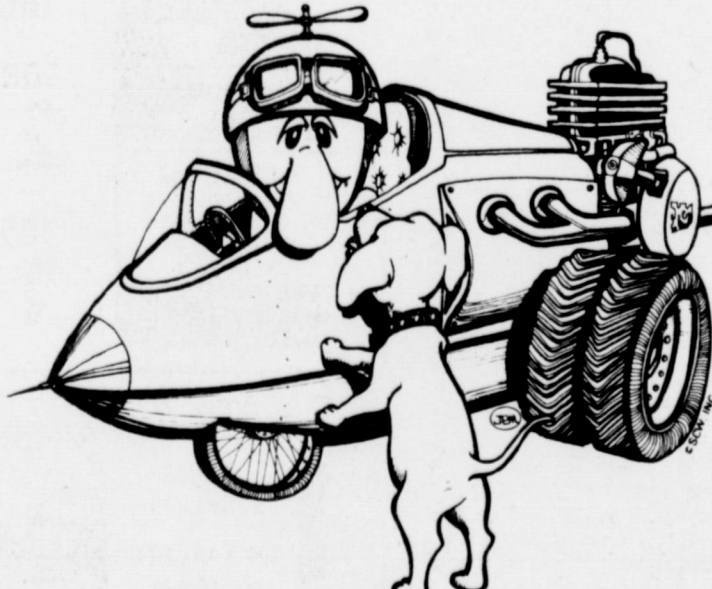

The Texas experience is not unlike that found in other states that have repealed helmet laws, notes the safety engineer.

About two years ago Colorado repealed its helmet law. During the following year, helmet usage dropped from almost 100 percent to 60 percent. Head injuries jumped 260 percent while fatal injuries rose 57 percent.

In April of 1977, Minnesota repealed its helmet law. That year it reported a 67 percent increase in motorcycle accident fatalities over

Fertilize Pastures This Spring

Fertilizing pastures this spring offers many benefits to Texas forage producers, says Dr. Neal Pratt, forage specialist for the Texas Agricultural Extension Service.

"One of the most attractive advantages of a sound fertilization program is to improve the quality of pasture this spring and summer," notes Pratt. "While fertilizer helps produce more forage, it can greatly improve quality through the growing season."

With last year's drought fresh in mind, forage producers should fertilize pastures for insurance against

dry weather, suggests the specialist. With uncertain rainfall conditions later this summer, fertilization to enhance forage production during drought would be desirable.

"Producers can use fertilizer to replenish hay supplies by harvesting excess pasture growth during spring and early summer. Hay supplies last year were severely limited, so farmers and ranchers should plan toward rebuilding hay supplies," says Pratt.

And producers may wish to fertilize a pasture as a basis for rebuilding forage

supplies and beef cow numbers. Increasing the beef herd on a farm or ranch means increasing forage production before expanding herd numbers.

"For pasture fertilization to pay, producers should make plans to use the additional high quality forage that will result. Fertilizing pastures with little or no changes in use practices can result in a poor return on fertilizer investments," emphasizes the forage specialist.

A soil test is the best way to determine fertilizer rates needed for optimum growth.

In a world where order depends heavily on regulation, we have learned to rely on signs for direction. Sometimes, however, the signs seem to point in completely opposite ways.

How often we have heard a political candidate point out for us his way, all the while assuring us it is the only way. His opponent, meanwhile, diligently attempts to convince us that success lies in the opposite direction. The most confusing factor is that they may both be right in some degree. Before we can make a choice, we must consider the signs and utilize them in reaching our conclusions.

The decision we make when we cast our vote is vital to our future. Let us examine the issues with great care. Exercise our best judgment. And most important of all, let's be sure we follow one sign without fail—the sign that says "VOTE."

FOLLOW THE SIGNS

SUPPORT AMERICA!

Our priceless heritage embodied in the flag of the United States, is as alive today as it was when written for the ages in the Declaration of Independence and the Constitution. It stands for all the world to see and for all Americans to cherish. And in the tradition of Washington, Jefferson, and Hamilton, we, too, have a privilege, a right, and a duty. While we may disagree as to the methods, we should not disagree as to the goal—that of preserving the greatest democratic society the world has ever known.

Our flag is a symbol, not of sentiment, but of history, the history of men and women willing to live and die for it. Surely this willingness is with us still, because daily we experience more of the blessings that are ours—ours because we are Americans.

Muleshoe Farms to Milk Production Per Cow Highlights Big Texas Output

AUSTIN--Texas dairy farmers have increased milk production to the highest level since 1950, the Texas Department of Agriculture has reported.

Production during 1978 totaled 3.4 million pounds, Texas Crop and Livestock Reporting Service figures show, up 2 percent from the previous year.

"The most outstanding aspect of the annual production report was the increase milk produced per cow," commented Agriculture Commissioner Reagan V. Brown. Annual per cow production was a record 11,039 pounds, 334 pounds above the 1977 average.

The number of milk cows in the state was 311,000, a drop from 315,000 head in 1977.
