

Border Banter

By Mike Pomper

It's that time of year

Well, we've gotten through another New Year's Day. Wasn't easy. All that football to watch. Just like work.

Actually, I haven't really gotten into the bowl games this year since the Fiesta Bowl was to be the Battle for No. 1. I did watch (for awhile) Oklahoma annihilate Arkansas. And, of course, I saw Penn State drop Miami.

I've always had a problem enjoying New Year's Day since the next day normally means the start of my annual diet. That was made especially hard this year since we had all these yummy doughnuts around Jan. 2 at the open house for our new printing business. Awfully hard.

I am not a skinny person. Yes, I wish I had been. However, we learn to accept the way we are. Latest scientific studies show that how fat you are is in relation to how long your colon or something is. I wonder if eating too much has anything to do with it? Or eating the wrong foods?

I've tried all sorts of diets over the years. You know the types, the ones found in those magazines at the supermarkets. They have all failed. (Notice I didn't say that I failed; rather the diet failed - that's a common trait of people, cast the blame elsewhere.)

My favorite was the one where you drank a lot of water. Gosh, I used to squish around everywhere during that time.

Then there's the one where you have to eat only the right foods. Bor-ing.

And the one that allows you to eat whatever you want - but just a measured portion.

However, diets all have one thing in common: they don't work unless you really work at them.

Last reminder: U.S. Rep. Larry Combest will have a community meeting Jan. 14 at 3 p.m. at the Farwell Community Center.

We had a nice little open house Friday with a bunch of folks visiting. It's exciting to start a new business. It will be interesting to see how Texico-Farwell Printing works out.

I think we'll do okay. We're offering our local businesses a chance to save money. I would assume they will take advantage of it. Wouldn't you?

Bob Byrd sent us an interesting article on Sam Houston, which was in the Baptist Standard.

Houston had one heckuva career. Early on, he was "Big Drunk" to the Cherokees. Then there were those years of victory on the battlefield and in the political arena. Finally, he was converted and became a Baptist forefather.

After his conversion at age 61, he became a total abstainer.

We'd like to wish Benna Felts well. She retired last week after more than 13 years as county treasurer. And "good luck" to her successor in that post, Anne Norton.

Last month, land annexation was a primary topic at the Farwell City Council meeting. Among the sites mentioned for development were the ones at the southeast and southwest ends of the city.

But Hurshel Harding, who owns the property at the southeast end and who was mentioned as a possible candidate, has informed the city that he doesn't want his land annexed.

Steve and Helen Breckenridge now own the United Drug Store building in Farwell. The building was purchased from the Farwell Hospital District.

Word is that "Farwell" got mentioned in the premiere episode of the "Outlaws" on TV the other night.

A heating unit cracked at Farwell Schools. It may take some time to replace, due to its age, so if you have a class at the west end of the high school, please dress warm.

The Texico yearbook will go on sale Feb. 2 at the Texico Schools.

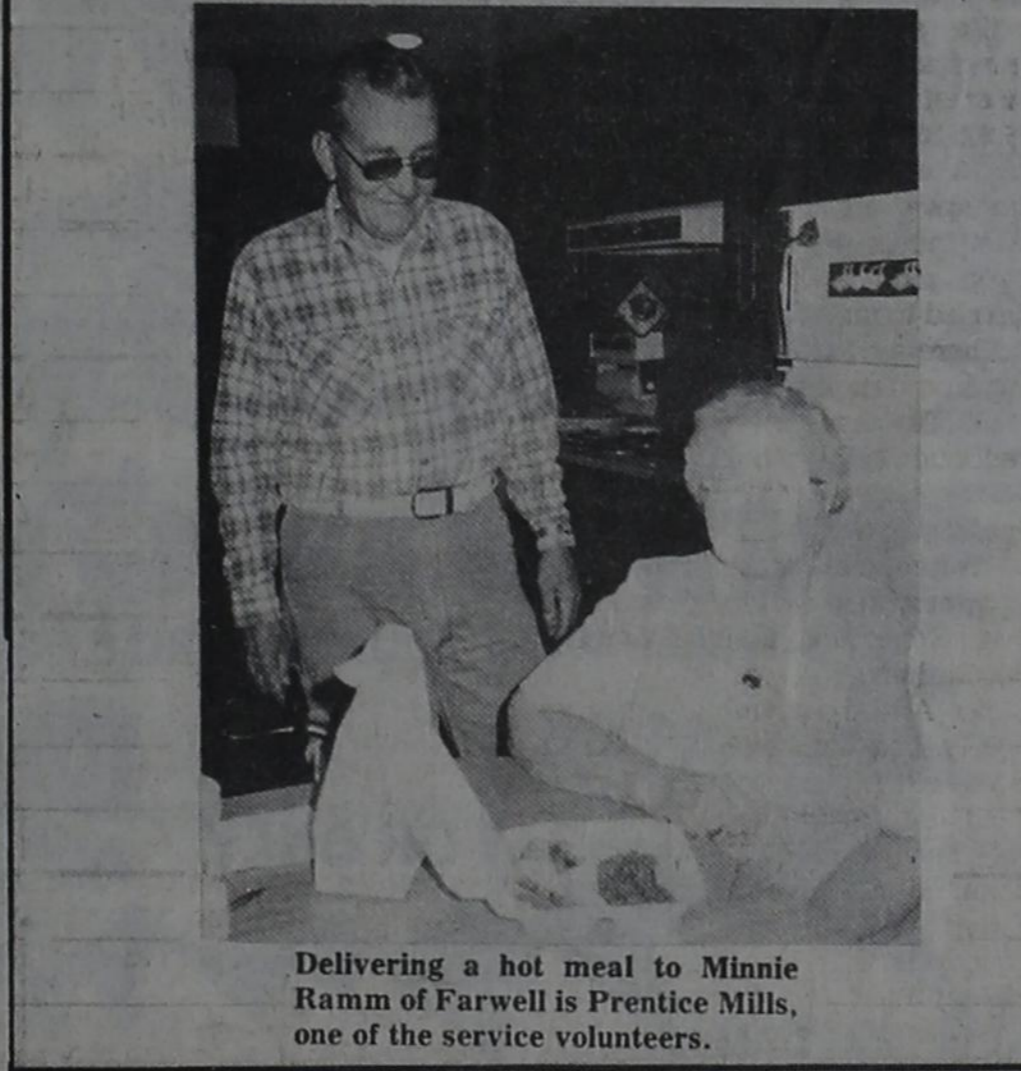

Lupe Vidaurri, one of the cooks at the Farwell Convalescent Center, and Carrie Christian, who delivers meals for the Meals-on-Wheels program, package a meal.

Maurine Caywood is present at the signing of proclamations by Texico Mayor John R. Hadley, left, and Farwell Mayor Chris Gikas honoring Meals-on-Wheels.

Geneva Rubio, a cook at the center and Linda Winegeart, the Dietary Supervisor at the center, package a meal.

Delivering a hot meal to Minnie Ramm of Farwell is Prentice Mills, one of the service volunteers.

'Meals on Wheels' recognized

The cities of Texico and Farwell will be observing "Meals-on-Wheels" week Jan. 18-24.

Both mayors of Farwell and Texico, Chris Gikas and John Hadley, have issued a proclamation declaring this week to be "Meals-on-Wheels" Week.

Those who support and work in the Meals-on-Wheels program wish to acquaint people in the community to the service that is offered and to recognize and honor Ron Fechner, who is a supporter and key organizer for this service; the staff which prepares and serves the meals, and the people who offer their time and assistance in delivering these meals

to anyone in need of their assistance.

This is a flexible program. The program can assist anyone who may be recuperating from a bone fracture, the flu or who is unable to get around for a reason. A hot nourishing meal for a minimum charge may be delivered to their homes. One can receive a meal for one day, every-other day or seven days and may cancel the meal when they wish by calling the convalescent center by 10 a.m. before the meals are to be delivered.

Funds are available for those people who are in need of them to help with the cost of the meals.

Texico Booster Club plans giveaway

The Texico Booster Club met Tuesday and discussed the upcoming give-away they have scheduled for Feb. 20 in the Texico Gym.

The tickets for the give-away have been purchased and will be sold for a donation of \$1 per ticket.

Prizes in the give-away will be: first prize - ceiling fan, installed, donated by Terry Winkles of Beacon Electric in Texico; second prize - a beautiful gray and pink afghan made and donated by Maxine Shaw; third prize - a hand-painted baby blanket, also made and donated by Maxine Shaw; fourth prize - a

sketching done on a black background with the picture sketched onto it. The sketching was drawn and donated by Kip Defoor, a Texico art student.

The prizes are to be displayed at the home ballgames.

The Booster Club has donated money to help with the purchase of six drawings of the Wolverine mascot. The drawings are four pictures of the Wolverine Head; one of the full body and one of a partial of the Wolverine body. These drawings are to be used as patterns for ribbons, buttons, calendars or any-

Senior Citizens group

Activities increased

The Texico-Farwell Senior Citizens recently voted to increase its activities in more frequent meetings.

In the past the group has been meeting twice a month with a covered dish supper and games following. For 1987, it was decided that they would meet every Thursday evening at the Senior Citizens Center in Texico.

Beginning Jan. 8, there will be the usual Covered Dish Supper and games program at 6:30 p.m. (CST). Thereafter, the Senior Citizens will meet every Thursday evening at 6:30 p.m. with the following schedule. On the first and third Thursday of each month there will be Bingo Night, with pie and sandwich supper.

Members attending should bring

sandwiches/or a pie for the snack supper. Bingo will be played for "White Elephant" prizes. Each person attending is asked to bring a small "White Elephant Prize" to be used in the Bingo Games. It is emphasized that there will be no charge for playing Bingo and no money prizes will be given.

On the second and fourth Thursdays, the usual Covered Dish Supper will be held and games of '42 and cards will be played following supper. Senior citizens attending should bring a covered dish for the supper to be placed on the serving table for the group supper.

On the fifth Thursday evenings a special supper and entertainment will be held. The senior citizens will decide each quarter what kind of special supper to have on fifth

Thursday nights, such as chili, or beans and cornbread, ice cream, etc. Announcements will be made of the plans for the fifth Thursdays.

Each month, on the fourth Monday at 12:30 p.m. CST the Senior Citizens will host a birthday event with a salad luncheon. Senior citizens having a birthday during that particular month will be honored. Again, members attending (not having birthdays) should bring salad dishes to be shared by all present with those having a birthday being special guests.

The following schedule for January 1987 will be observed: Jan. 8, regular meeting with covered dish supper and games; Jan. 15, Bingo night, sandwiches and pie; Jan. 22, covered dish supper and games; (Continued on Page 2)

Deaf Smith Cooperative pays off note

Eldred A. Brown, chairman of the Board of Deaf Smith Electric Cooperative, announced Monday the Cooperative prepaid the outstanding balance due on all monies borrowed from the Rural Electrification Administration (REA) Dec. 30.

Public Law 99-509, enacted by Congress on Oct. 21, 1986, provides that borrowers from REA may prepay the outstanding balance due, at discount, on all REA notes.

Deaf Smith Electric Cooperative had undertaken detailed financial studies and determined that the prepaying of the REA notes was in the best interest of the members of the Cooperative.

The payment to REA on the principal debt of \$9,654,796 plus interest was in the amount of \$6,695,837. This prepayment resulted in a discount of 30.6% and a savings of approximately \$3 million plus the interest that would have been paid had the notes been carried to maturity.

There are several benefits resulting from the prepayment:

- (1) The three million dollar note reduction or discount.
- (2) Increase in future capital credit payments.
- (3) Reduction of the Cooperative's quarterly debt service payment.
- (4) Relief from unnecessary REA regulations.
- (5) And increasing members equity substantially.

To fulfill future monetary needs, Deaf Smith Electric Cooperative will borrow monies from the National Rural Utilities Cooperative Finance Corporation and other private lending institutions.

Deaf Smith is the second of about 1,000 electrical cooperatives to take advantage of the new law.

Attending the Deaf Smith press conference were the following cooperative board members, from left, Wendol Christian, Clark Andrews, Jerry Roberts, James Hull,

Eldred Brown, Donald Wright, Anthony Acker and Clarence Martin. Brown is chairman and Hull president and general manager.

ESL, GED classes to be offered

The Farwell Schools will offer two classes for adults if enough participants sign up.

Classes which would be offered are English as a Second Language (ESL) and General Education Development (GED), which is the equivalent of a high school diploma.

Fifteen students are needed in each class if they are to be offered. The sign-up for both classes will be at 7 p.m. Jan. 12 at the Farwell High School library. If either or both

classes get under way, adults may sign up during the courses any Mondays at 7 p.m. at the library.

The purpose of the ESL class is to help adults read, write and speak better English.

The purpose of the GED class is to help adults improve their math and reading skills and prepare them for the GED test.

For further information, persons may call the superintendent's office at 481-3371.

Sherley-Anderson Grain buys Worley Mills grain elevator

Sherley-Anderson Grain Company has purchased the Worley Mills grain elevator in Farwell.

The transaction took place Dec. 26.

Fred Chandler, manager of the Sherley-Anderson-Pitman grain elevator in Farwell said that the elevator would continue to operate the same as it had in the past and that there would be no change for

farmers.

Chandler said that all of the paperwork to transfer the grain from the Worley elevator to the Sherley-Anderson elevators had already been done and the book-keeping and paper work would be done at their main office.

Chandler also said that the elevator would be open during harvest to take grain.

Farwell Feed Supply opens

Frans Irrigation has rented the Worley Mills Feed Store from Sherley-Anderson-Pitman Grain Elevators and will manage the feed store, to be called the "Farwell Feed Supply."

The store will have the same hours and will give the same service as in the past. Ralph Frans said that they would also make deliveries on larger orders.

The store will still handle the OK brand feeds and will carry other brands if demand warrants. They will also carry a line of range supplies according to the demand. They will handle alfalfa hay, pet foods and carry some vet supplies, which they hope to add in time.

Frank Landry will continue to work there.

Martin, Curry are candidates

Greg Martin and Ronny Curry have signed up as candidates for one of the two Texico School Board seats on the Feb. 3 ballot.

They signed up as write-in candidates at the Curry County Clerk's Office just before the deadline Dec.

30. They are both seeking the 4-year post currently held by Roy Thornton, who is not seeking re-election.

The other seat on the ballot is being sought by Terry Winkles and Arlye Crooks, the incumbent.

I'd like to do our article this week on a few very important people who work for our nursing home.

Very few people know the planning and work that goes into our meals.

To begin with we are given menus by Velma Fletcher, our Registered Dietitian. They are measured, calculated and recipes on how to cook them. Mrs. Fletcher has diabetic diets, pureed, regular, low sodium diets to work on. Every detail is looked into. Nothing can be overlooked. After all - lives depend on her knowledge.

Linda Winegeart, our Food Service Supervisor has the next hardest job. She has to order the food, make out the work schedules so everything is done and on time. Make sure the kitchen and dining areas are kept in the expected clean order required by state. She must see that the food is prepared according to state requirements and served at a regulated temperature - presented in an appetizing appearance.

The other hard workers are just as equally needed. They cook the food, serve it and then must clean the kitchen and dining room only to begin the next meal.

So - to the hardest working people in our nursing home - Bertha Martinez, Elmer Zeffler, Jean Tarr, Rosie Vega, Barbara Jones, Geneva Rubio, Susie Uvalli, Coretta Boutte, Lupe Vidaurri, Linda Winegeart and Velma Fletcher - Thank you - Just for being you!

Steers, Steerettes win district openers

The Farwell Steers varsity boys' basketball team won its district opener Tuesday night at home against Kress, 70-51.

Farwell, 15-3 overall, was led in scoring by Roy Perales and David Woods, each with 18 points.

Farwell took an early lead and coasted toward the win. At the end of three quarters, the Steers led 60-32.

The Steerettes also won their opening district game against Kress, 48-46. Farwell, 3-14, was led by Shonda Foster, Laura Wolfe and Robbi Fly, each with 10 points.

The Farwell Steers varsity boys team defeated House, 63-51, Dec. 30 at House.

Scoring were Roy Perales, 16 points; Damon George, 14; David Woods, 10; Jeff Actkinson, 8; Jody Ketcherside, 7; Steve Lara, 6 and Boney Nicholas, 2.

Coach Larry Gregory said, "We played well. House is rated number four in New Mexico and we were real pleased to get a win. Actkinson and George both played well in this game."

The Steers won one and lost two in the Bovina Tournament Jan. 1, 2, and 3. They beat Hereford JV, 68-66, and lost to Vega, 74-52 and Sudan 61-55.

Scoring in the Hereford game were Perales, 24 points; Ketcherside, 9; Woods, 8; Actkinson, 8; Anzaldua, 8; George, 5; Lara, 4 and Nicholas, 2.

Scoring in the Vega game were Ketcherside, 14 points; Woods, 8; Anzaldua, 6; Lara, 6; Perales, 6; George, 6; White, 4 and Actkinson, 2.

Scoring in the Sudan game were Woods, 14 points; George, 11; Ketcherside, 14; Perales, 6; Actkinson, 6 and Nicholas, 4.

Gregory said, "In our first game in the Bovina Tournament we played Hereford Junior Varsity. Ketcherside hit a shot at the sound of the buzzer to win it for us."

"We played very well in the first half and then we kind of rested the second half. Perales played very well in this game, scoring 24 points."

"Next, we had to turn around and play Vega Friday afternoon, after the tough game against Hereford that morning. The game was tied 29-29 at the half, but Vega blew us

Rehearsal set for variety show

The first rehearsal for the Wolverine Variety Show will be Jan. 12 in the Educational Complex Auditorium at 3:20 p.m.

Anyone from the area interested in performing may contact Kay West or Judith Gonzales.

This contest is not just school related; anyone is welcome.

The variety show will be Feb. 14 at 7 p.m. in the Ed Complex Auditorium.

out in the second half.

"I'm not sure if we just got tired or if Vega is that much better than we are. George had 16 rebounds in this game. Ketcherside had a good floor game and led us in scoring."

"We allowed Sudan to jump on us 22-4 in the first quarter, before we ever got going. We finally made it a game, but it was 'too little too late.' Ketcherside, Woods and George played pretty well for us."

"This now makes our record 14-3 going into District. Our next 10 games are very important. There are five teams in district that can beat anybody else. I feel that Nazareth should be favored and the team to beat. They are currently ranked fourth in the state. Bovina, Happy and Lazbuddie will all be very tough to beat."

The Farwell Steerettes defeated House 44-34 at House, Dec. 30.

Coach George Langan said, "The girls played their full court press effectively enough to defeat House."

Scoring were Shonda Foster, 12 points; Laura Wolfe, 3; Ursula Dollar, 2; Dana White, 2; Linda Duran, 2; Kellie Brown, 4; Kellie Anderson, 1; Amanda Perales, 2, and Kelley Foster, 4.

The Steerettes took fourth place in the Bovina Tournament, defeating the Bovina Junior Varsity, 59-21 in the opening game, losing to Vega, 55-28 in the 2nd game and being beaten by Sudan, 80-14.

High scorers for the tournament were Shonda Foster, 29; Laura Wolfe, 19, and Ursula Dollar, 22.

The Farwell Steers Junior Varsity boys team defeated House, 49-42 at House Dec. 30.

Scoring were Michael Day, 16 points; Michael Lovett, 5; Steve Geries, 4; Donald Rubio, 4; Brian

Haseloff, 5; Ruben Ortega, 4; Justin Hardage, 2 and Adrian Smith, 2.

Coach Gary Cates said, "We played well enough to win, but we really didn't play real well. With the kids being off for five days during the Christmas break, I didn't expect them to play as well as they normally would. Hopefully we'll play better as we go into District play."

"We definitely have the potential to play better, it's just a matter of putting it all together."

The Farwell Junior High eighth grade boys team defeated Vega 61-33 at Vega Jan. 5.

Scoring were Greg Actkinson, 24; Shawn Stewart, 22; Monty Delgado, 7; Michael Arce, 6; Adrian Nicholas, 2; Dale Rubio, 2 and Daren Haseloff, 1.

Coach Gary Cates said, "We started out slowly. In the first quarter they got up on us 8-3 and scared me and the kids. This was probably good for us. We finally got it together and started playing ball at the end of the first quarter and took over the lead, 18-10. From there we gradually increased our lead."

"The kids played surprisingly well, with no practice over the Christmas holidays. So I was pleased with their performances. Actkinson and Stewart had a good game and shot the ball real well."

The Farwell seventh grade boys team will play in the Sudan seventh grade tournament with Farwell playing the first game with Sudan, Thursday at 4:30 p.m.

The Farwell eighth grade girls were defeated by Vega, 27-7 at Vega, Jan. 5.

Coach George Langan said, "No one played very well. We looked to be still on our Christmas vacation. We were beat by a team that wasn't

as good as we are, but we're going to work harder."

The Farwell seventh grade girls were defeated by Vega, 37-25. Coach George Langan said, "We

just couldn't get started. We made 7 points in the first half and played better the second half, but it was too little, too late."

The top scorers were Heather Burton, 2 points; Katrina Stewart,

2; Mary Ann Ancira, 2 and Amanda Curtis, 2.

Mr. & Mrs. Raymond Annen

We waited for years for rural electricity. Then... Deaf Smith Electric Delivered!

Others had a chance to supply our rural areas but chose not to. Then the member-owned Deaf Smith Electric Cooperative was organized. These rural pioneers brought electric power to anybody, anywhere who didn't have power.

First to serve, Deaf Smith is the first in service as well, with a modern efficient electric system which provides power at its lowest possible cost. We have a stake in our fine electric system and a share in \$5½ million in capital credits.

If you want to see the future, take a look at the past.

Lights installed at Farwell gym

The Farwell School Board had a called meeting in December to approve installing new lights in the varsity gym.
School Supt. John Grigsby said the change was made for several reasons: the lighting level had been too low; they were using too much electricity; wiring was beginning to wear; and it was an inefficient use of energy costs.

Grigsby said the cost will be paid back in energy savings within three years.

George named

Damon George of Farwell made the All-Tournament team at the Bovina Varsity Tournament Jan. 1-3.
