### General election will be Tuesday

Polls will be open from 7 a.m. - 7 p.m. throughout Parmer County for Tuesday's Election Day.

Or voters may choose to cast their ballots through the early voting method.

On Election Day, the polling places will be: 101, Calvary Baptist Church in Friona; 201, Bovina EMS Building; 202, Friona Community Center; 203, Rhea Community Center; 301, Farwell Community Center; 302, Oklahoma Lane Methodist Church; 303 Bovina Ridgelea School; 401, Lazbuddie School; 402, Friona Fire Station.

Those who wish to vote through the early voting method may vote at the County Clerk's office in the Parmer County Courthouse before Oct. 30.

Voters are asked to bring their voter's registration cards with them to the polling place.

Parmer County has a couple of races that should cause a good turnout of voters.

Republican Randy Geries is challenging incumbent Parmer County Sheriff Rex Williams a Democrat.

And Parmer County Tax Assessor - Collector Doris Herington, a Democrat, is challenged by a write-in candidate, Jerry Stover.

Robert White, the Parmer County Commissioner serving the Farwell area, is unopposed for re-election. He is a Democrat.

Johnny Mars, a Democrat, will be elected as the Parmer County Commissioner for the Friona area. He defeated incumbent Ernest Anthony in last spring's primary.

Otherwise, Parmer County Attorney Charles Aycock, a Democrat, is unopposed for re-election. The same is true

### Voting is important

Since I obviously don't have a lot of enthusiasm about national politics, it's not that easy to write a column about the importance of voting.

But the fact is that a democracy, with all its problems, is still the best form of government known to man. And the only way to keep it going is to vote.

I voted last week, since Texas now allows early voting. So I did my duty.

If you are a registered voter, you need to fulfill your public responsibility, also. It doesn't matter if the politicians turn you off, you still should cast votes in the manner that you see fit.

And the old cliché about every vote being important is true. We've had ties up to the congressional level in our nation's history. I remember a county election back in Indiana where one candidate won by a single vote. It happens - and it can happen here.

Joe Hughes passed on this information about the importance of each vote:

- By one vote, France was changed from a monarchy to a republic in 1875.

- By one vote, the English language was chosen over German for America in 1776.

- By one vote, Washington, Oregon and Idaho became part of the U.S.

- By one vote, Texas was

### Chamber seeks donations for county memorial

The Farwell Chamber of Commerce is now actively seeking donations for the proposed memorial to Parmer County residents who gave their lives in the service of their nation.

The cost is estimated between \$8,000 and \$12,000. Persons wishing to contribute to the monument cost may send their donations to: Farwell Chamber of Commerce, Box 1005, Farwell, TX 79325.

The Chamber has a pledge of \$4,000 from the Parmer County Commissioners toward the cost - \$1,000 from each of the county's four precincts.

Chamber President Ralph Franse has met with the board of the Friona Chamber of Commerce and reported their cooperation is forthcoming. Friona already has a monument to its veterans. But the new monument will be for all the county's war dead.

The monument will be built in the Farwell City Park, just to the south of the memorial plaque to John Aldridge. It will face 3rd Street and be about 10 yards from the street. It will be amid a cluster of trees.

The ceremony unveiling the monument is planned for Memorial Day 1993.

## Austin captures 8th contest

- By one vote, the German Nazi party elected as its leader in 1923 a man named Adolph Hitler.

Both our Curry County and Parmer County ballots have some local races of note. The candidates have been out knocking on doors, plastering up posters, and making the handshake rounds. They would sincerely appreciate it if you took the time Tuesday to cast your ballot.

For so many years, people throughout the world have envied the American electoral process. Many would have given their proverbial right arm to have had the freedom to vote for a candidate of their choice. Yet, right here in America, so many who have the privilege don't even use it. That's sad.

But I guess it's the old story. Some folks are basically very lazy. And just asking them to go to their local polling place is asking too much. Especially when they can be couch potatoes.

Please vote. It's not only a responsibility. It's also a way of showing your faith in your nation.

for Johnny Actkinson, district attorney for Parmer and Bailey counties.

State Rep. Pete Laney, a Democrat, has no opposition in his re-election. Laney is being touted for the Speaker of the House post.

State Sen. Teel Bivins, a Republican, will win re-election handily since he is unopposed, too.

The U.S. Congressman for Parmer County, Republican Larry Combest, is being challenged by Terry Lee Moser, a Democrat. Two years ago, Combest has no opposition and Moser seems to have run a quiet campaign.

Polls will be open in Texico from 7 a.m. - 7 p.m. mst on Nov. 3 so that voters may cast their ballots in the general election.

Voting will take place at the Texico Community Center next to City Hall.

## Lady Spikers head into playoffs

Texico Coach Mike Littlejohn is proud of his second seeded Lady Spikers as they head into the district playoffs with a home game at 7 p.m. mst Oct. 29 against either Elida or Melrose.

The winner will go to the finals at Dora on Saturday night. Both teams that play in Saturday night's game will go on to Regionals.

The Lady Spikers finished the regular season with a 13-4 record, and a 7-3 district record.

The Lady Spikers had to win two games last week in order to be seeded No. 2. And they won both.

"We had two great matches. By winning these two matches we won second in District. Second gives us a bye to the semi-finals on the 29th. The ladies are playing very well right now. If they can continue to do this, we could do very well in the post season part of our schedule. A win Thursday means we will go to the finals vs. Dora and will also get to go to Regionals next week," said Littlejohn.

Texico beat Elida on Oct. 20: 15-7; 15-2; 13- 15; and 15-

Mel is the 7th grade representative in the Student Council. He is a member of

the New Light Baptist Church in Farwell.

## Queens beat the Jazz

The 4th grade girls basketball team, the Queens, lost to the Spurs 23-2. Then they beat the Jazz, 17-10.

Christina de la Cruz scored the Queens' bucket against the Spurs.

Against the Jazz, baskets were made by: Megan Johnson, 3; Ashlee Hunt, Christina Dela Cruz, Crystal Johnson, Jeannie Lopez, and Shara Taylor. Jade Mahaney had a free throw.

The Queens have played several games where they were really outmatched, so they appreciated playing the Jazz, a team that is playing at about their level. Both the Jazz and the Queens played more aggressively because they had a chance to win.

## Recipe of Week

Hot Spiced Apple Cider

- 1 quart apple cider
- 1 orange
- cloves
- 1 tsp. cinnamon
- 1/2 tsp. nutmeg
- 1/4 c. brown sugar

Pierce the rind of the orange with a sharp knife. Insert about 12-15 cloves into the rind.

Heat the cider, sugar, orange and spices to the simmering point. Allow the mixture to simmer for about 15 minutes.

## Richards backs bond

Texico School Supt. R. L. Richards supports Education Bond Issue "A" which will be on the New Mexico general election ballot Tuesday.

It includes \$6 million for a state Capital Improvements Fund. This will distribute matching funds to many of the state's school districts, including Texico, for equipment, building maintenance and repair.

Richards said that if the bond issue passes, the Texico School Board may add a 2 mill levy next February. This would generate about \$30,000. Since the state would match it, that would give Texico \$60,000 for the items mentioned above.

Also, Tuesday's bond issue would give Clovis Community College \$2.5 million for instructional complex, lab school and child care center, and \$181,000 for instructional equipment.

## Lazbuddie plans festival

The annual Lazbuddie Harvest Festival will be held in the school cafeteria on Oct. 31.

There will be a costume judging contest at 6 p.m. It will be followed by a carnival which will include: Bingo, an auction, a play, a cake walk, a maze, a country store, ping pong toss and coin toss.

The junior class will have a concession stand.

## Bank offers loan program

Bank of America, Texas, has introduced a new home loan program, called Neighborhood Advantage, to help make homeownership more affordable for low- and moderate- income borrowers in Texas.

It's available through Bank of America's 130 branches (including Farwell) in 50 Texas counties.

"Lower interest rates and more favorable home prices have created a window of opportunity for low- and moderate- income homebuyers in Texas," said David J. Berry, chairman and chief executive officer of Bank of America Texas.

Individuals may contact their local Bank of America branch to get more information on the Neighborhood Advantage program and the maximum income levels or census tracts applicable in their counties.

## Grain sorghum harvest starting

by Bruce Hinrichs  
Curry County Extension Agent

Harvest is well underway. Cabbage and pumpkins are out of the fields, corn harvest is winding down and grain sorghum harvest is just getting started. Yields are looking good with corn yielding as high as 16,000 plus pounds and dryland sorghum as high as 4000 pounds. Wheat around the county looks good, but is not growing. A good rain would improve wheat conditions.

\*\*\* Many times comments are heard about how much the government gives to agriculture and how much the farmers are helped. Let's look at the 1993 appropriations and where the money goes. The total agriculture appropriated funds for 1993 is 60.5 billion. The farm program receives 9.2 billion or 15 percent. Food programs (food stamps and the women, infants and children programs) receive 39 billion or 65 percent. The remaining is distributed among USDA and

related agencies.

This should help us to understand that commercial agriculture in fact receives only a small portion of the agriculture budget and this is a small investment to insure an available, low cost, food supply.

\*\*\* Many homeowners experienced losses of trees this past year due to freeze damage. There are a couple of things that can be done to prevent future loss. Stop watering trees in the fall so that they are encouraged to go into dormancy. Also, don't put any fertilizer in the root zone of the tree after July so it is not rapidly growing in the fall.

## Sudderths sell birds via TV

Darren Sudderth of Farwell was featured in an interview on satellite TV televised Oct. 23 and 24.

Sudderth told about his experiences in the ostrich raising business. According to Darren's father, J. B. Sudderth, "The five minute interview was seen by satellite TV viewers all over the U.S., Canada and Mexico."

The interview was part of a preview which was held for a nation-wide video ostrich auction. Darren was also shown in a video segment featuring some three month old birds that he auctioned off.

J.B. said they sold two pairs of three month old birds, and were delighted with the outcome of the auction.

All of the Sudderth family gathered at Darren's home on the day of the auction to watch to see how it would come out. Darren cooked hamburgers on the grill, and everyone stayed close to the TV set to see how the auction would work out.

The Sudderth birds were lots number 72 and 73 in the auction, so the family's excitement built as they watched other lots of birds sell. "All of the birds sold for an average of 20-30% higher than the last auction," said J.B.

When the Sudderth's birds finally reached the auction block, they too brought a good price. "It was a great day, Saturday," said J.B.

Now, all the Sudderths have to do is wait until the buyer comes to pick up the birds.

The Sudderths got into the ostrich and emu business last year. They started small with fences and pens. Later they added a hatchery. Now they are busy building more pens and a barn.

They first erected 6 ft. high fences, and then found that they had to go back and cover the top of the chain link fences to protect the bird. By the time the birds were 3 months old their heads reached the top of the fences. J.B. said that fully grown birds tower 3 feet above the chain link fence.

A few other local farmers have gotten into the big bird business. Some have ostriches and others have emus and rheas. Among them are Harlin Obenshain, Kenneth Hall and Doug Rice.

"This is a new type of farming here in Parmer County," said J.B. "It's working fantastic."

# Steers blank Bovina for first district victory

The Farwell Steers won their first district game of the season last Friday at home by blanking the Bovina Mustangs, 12-0.

Farwell is now 3-5 on the season and 1-2 in district. The Steers host Hart tonight (Friday) at 7:30 p.m. This will be the third time in four weeks that Farwell faces a team ranked in the Top 20 in the state.

Farwell played without two of its starters, Brent Harrison, who had suffered a concussion the week before, and Jeremy Ortiz, whose broken thumb puts him out for the season. The Steers moved up Kip Atwell and Jesse Chilton to varsity for the Bovina game.

Farwell opened the game on its 20. Clint Austin gained 12 on a pitch play. Lance Anderson ran for 12, then Austin for 7 more. On 3rd and 7, Bovina intercepted at midfield. Dean Rubio tackled the interceptor, saving a TD at the Steer 38.

On defense, Derrick Haseloff had a strong tackle. Bovina netted 2 yards on 3 plays and punted to the Farwell 5. Anderson ran for 67. Austin gained 15, and Anderson for 5. A pass on 3rd and 8 failed, and Farwell punted to the Mustang 27 as the first quarter ended.

Derrick Haseloff, Michael Mendoza and Kade Kent had tackles. Bovina was held at its 47 and punted to the Farwell 19. Austin gained 29 yards around end. Bovina intercepted at midfield and returned it to the Steer 40. Nash Armstrong broke up a pass. Then Rubio intercepted at the Steer 15. He returned it to midfield but a penalty put the ball at the Farwell 25.

After Farwell got a first down, Bovina recovered a fumble at the Steer 32. Rob Pomper and Mendoza had tackles as Bovina was held and Farwell took over at its 37. On 4th and 3, Farwell used a fake punt, as Lupe Garza rambled for 15 yards at the Mustang 41.

Austin ran for 7 and 15. A holding penalty put the Steers at

3rd and 15. But quarterback Ryan Williams threw a 25-yard pass to Shawn Haseloff in the end zone with 37 seconds left in the half. The kick failed and Farwell led 6-0. Farwell then tried an onside kick, recovering it. But the officials ruled the ball had been touched by a Steer before it traveled 10 yards, giving the ball to Bovina as the half ended.

Farwell kicked off to open the 3rd quarter, with Shawn and Derrick Haseloff tackling the returner at the Bovina 35. Mendoza and Kent, who had a strong defensive game, caused a 2 yard loss. Justin Mahaney had a QB sack. Bovina then had a short punt, to its 31.

Austin ran for 6. Then Anderson dashed for 25 yards and a TD at 9:06. The kick missed and Farwell led 12-0.

Derrick Haseloff made an excellent tackle of the kick returner at the Mustang 15. Tackles were made by Clay Corn, Pomper and Kent. Bovina punted to its 40. Anderson broke 2 tackles in running for 18 yards. A penalty held the Steers back and a 4th down pass failed.

Justin Mahaney, Mendoza, Kent and Shawn Haseloff had tackles. Derrick Haseloff had a 10-yard QB sack. On a 3rd down run, Pomper and Corn combined on the stop, forcing a punt to the Steer 26. Williams hit Derrick Haseloff with a 34-yard pass to the Farwell 40 as the 3rd quarter ended.

Anderson ran for 10. But Farwell was stopped at the Mustang 33. Jody and Justin Mahaney, Garza, Kent had tackles. With 9:20 left, Chilton and Atwell entered the lineup. Bovina punted to the Steer 42.

Chilton ran for 10, then for another 7. Farwell was stopped at midfield and punted. Bovina couldn't move the ball as time ran out.

Coach Cumpton said, "This was a good win because it kept us in the playoff picture. We played real well on defense and well on offense in the first half. Holding your opponent to 58 yards net offense is an outstanding night. We need to win out to keep our playoff hopes alive. That is every intention of this team."

Individual statistics were: rushing - Anderson, 16 carries for 107 yards; Austin, 17 for 107; Chilton, 3 for 24. Receiving - Derrick Haseloff, 1 for 35, Shawn Haseloff, 1 for 25.

Team statistics were: first downs - Farwell 12, Bovina 4; rushing - Farwell 39 for 261 yards, Bovina 28 for 58; passing - Farwell 2 for 7 and 58 yards, Bovina 0 for 3. Punting - Farwell 2 for 35 yard average, Bovina 3 for 27 yard average. Penalties - Farwell 12 for 110 yards, Bovina 7 for 35.

# Texico looks forward to showdown with Fort Sumner

by K'Dawn Driver

The Texico Wolverines fell to the Hereford High sophomores Oct. 22 on a 25 yard pass play as time ran out in the game, 21-20.

The game was set up since Texico had a "bye" due to Melrose ending its season early. Texico is 5-4 overall and 3-1 in district. The Wolverines play at Ft. Sumner tonight (Friday) at 7:30 p.m. cst to end their regular season. Texico, Ft. Sumner and Tatum are tied for first in district with 3-1 marks. Tatum is heavily favored to beat Hagerman (2-7 overall) so it appears that Texico must beat Ft. Sumner to earn a playoff spot.

Aaron Ketterling kicked off for the Wolverines and the defense quickly stopped Hereford. Anthony Garcia and Corey Horner had good tackles while Michael Eaton got a QB sack.

Texico got the ball back on its own 27 Kelvin Gooden and Joel Barba rushed for a first down. Hadley Gilbert carried the ball twice for another first down and then a pass was completed from Barba to Charles Williams for another.

The drive culminated at 4:16 of the first quarter when Barba ran the ball in from the 8 for a TD. Ketterling's kick was good.

Stephen Cloud and Adam Burford stopped the Hereford

return and Daniel Madrid had a tackle. Barba broke up a pass, forcing a punt. But Texico lost a fumble. Barba and Eaton had excellent tackles. Steven Horner sacked the QB. But Hereford connected on a 24 yard pass for a TD early in the 2nd quarter. The kick tied it at 7-7.

Bobby Winegeart returned the punt to the 27 yard. Barba broke loose for a long run to the Hereford 37. Kelvin Gooden gained a few yards, then Barba carried again to the 20. Gilbert finally ran the ball into paydirt from the 16. Ketterling's kick made it 14-7 at 8:35.

Cloud tackled the returner. Richard Stephens and Madrid had tackles. Then Kelvin Gooden intercepted a pass and ran it in for a touchdown but it was called back due to clipping. The ball was put at the Texico 40. Texico was held and Hereford took over on the Texico 41 yard line. Cloud, Steven Horner, Corey Horner, Madrid and Barba all played super defense.

With 43 seconds left in the half, Texico got the ball on their 25. Kelvin Gooden ran 75 yards for a TD. A try for 2 points failed and the half ended with Texico ahead, 20-7.

In the 3rd quarter, Texico was held and punted. Eaton stopped the return and then Calloway Clark and Steven Horner made big tackles. The Herd punted, but it hit a Texico player so Hereford recovered. Texico held tough defensively and forced Hereford to punt again.

Texico started the final period on its own 5. Kelvin Gooden and Barba advanced the ball to their own 43 yard, where Texico was stopped. A bad snap on the punt gave the ball to the Herd on Texico's 20.

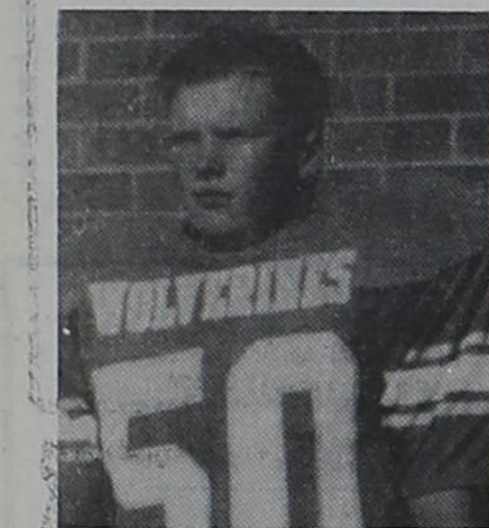

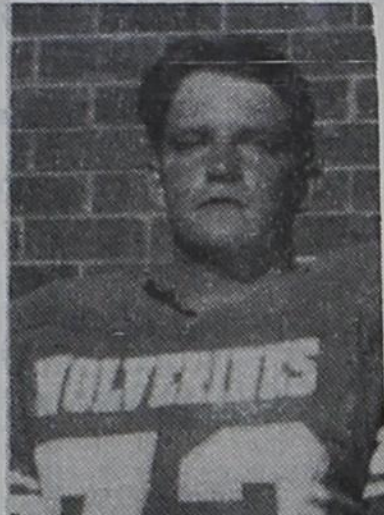

Hereford moved the ball, scoring on a 1-yard QB plunge at 5:06. The kick missed.

Hereford then successfully completed an onside kick, recovering the ball at Texico's 48. After a big tackle by Steven Horner, Anthony Garcia intercepted at Hereford's 43.

Texico was held and punted. With three seconds left in the game, the Hereford QB hit the TD pass. A 2-point conversion pass succeeded for the game winner.

Individual statistics were: rushing - Kelvin Gooden, 13 for 127 yards; Gilbert, 5 for 18; Barba, 13 for 101. Receiving - Charles Williams, 1 for 11. Passing - Barba, 1 of 6.

Team statistics were: first downs - Texico 10, Hereford 14; rushing - Texico 33 for 222 yards, Hereford 47 for 158; passing a- Texico 11 yards, Hereford 101; total yards - Texico 233, Hereford 259; passing - Texico 1 of 7, Hereford 6 of 17; punting - Texico 2 for 37.5 yard average, Hereford 3 for 23 yard average; penalties - Texico 2 for 30 yards, Hereford 12 for 97 yards.

### Wolverines of the Week

Wolverines of the Week are, clockwise from left: Defense - Steven Horner and Cory Horner, and offense - Billy Rogers.

### Lazbuddie road to be built

The Parmer County Commissioners voted Monday to build a mile-long road in the Lazbuddie area.

A jury of view had studied the proposed roadway and Jedon Gallman reported its recommendation in favor.

The roadway will join county roads at each end. It will be curved somewhat to go along a survey line and avoid dead ending.

In other business, the commissioners tabled a request by Producers Grain to give some property in Bovina to the county in lieu of paying back taxes on it.

A hearing was held by the Pahhandle Regional Planning Commission upon completion of the new Lazbuddie water system. No residents attended.

The commissioners created a "certifying officer" post to assist Pct. 3 Justice of the Peace Louise Hancock.

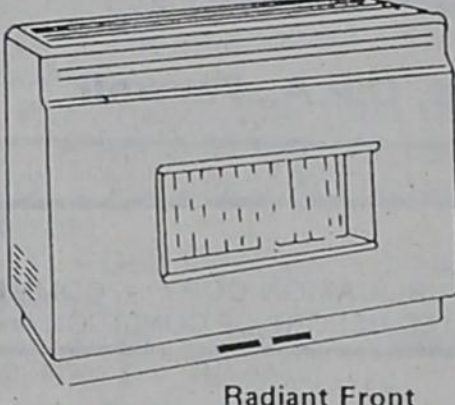

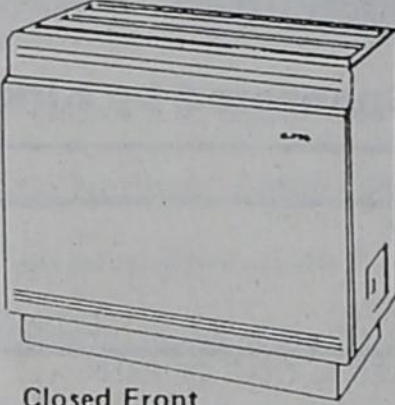

This person - probably someone who already works at the courthouse will be tapped

for the job - needs to be on hand each day to witness Mrs. Hancock's docket call. This is to verify that "no ap-

pearances" did occur if a person fails to show up.

# Texico to mull rate increases

The Texico City Council Tuesday agreed to discuss at its next meeting the possibility of raising its water and sewer rates.

A legal notice was published in today's Tribune to allow that action.

Texico is looking at raising its current average water from \$14.28 to over \$20 a month. This is due to repairs needed for the old water main under the highway, and the need to meet new federal mandates on checking water for various chemicals and agents.

Also, the state has told Texico to increase its contingency fund for the sewer plant. Currently, the sewer rate is \$4 a month.

And the council received statistics Tuesday showing it was losing from \$150 to \$400 for every water tap-in allowed. Thus, these rates likely will jump.

In other business, the council:

- Lowered the blood alcohol content for determining DWI from .10 to .08. Clovis took a similar action last month. The request was made by City Marshal Fry Urioste. He had folks from Clovis testify to this need, such as two representatives from Mothers Against Drunk Driving and District Attorney Randy Harris.

- Deputy Marshal Kirk Roberts said the number of DWIs have declined because motorists know that Texico is watching for this problem and some of these motorists are avoiding driving through the city.

- Discussed a collective bargaining ordinance for city employees. If an ordinance isn't approved by the city, then in April 1993 the city employees would be organized under state guidelines.

- City Clerk Marie Christian, speaking for Texico's city employees, said they prefer that Texico have its own ordinance. Action was tabled.

- Heard councilman Oran Jay Autrey report that the Texico Community Activities Organization wants to start a recycling program and containers are needed. He said a man in Clovis is opening a complete recycling operation.

- Heard Mayor Doyal LaRue report that bids will be let Nov. 17 by state and federal officials for test wells to find the extent of the contamination at KKR Park. LaRue has been lobbying for one of these wells to be drilled where the new city water well is planned. That would save the city \$12,000 in having to drill a test well itself.

## Sheriff's Report

Here is the weekly report from Parmer County Sheriff Rex Williams:

On Oct. 24, Frank Galvan Jr., 40, Bovina, was arrested by Bovina police on a charge of DWI. County Judge Bonnie Clayton fined him \$400, court costs and 30 days in jail probated for 180 days.

On Oct. 25, Moncerratt Varela, 28, Bovina, was arrested by Texas Highway Patrol on a charge of DWI. Judge Clayton fined him \$400, court costs and 3 days in jail.

In 287th District Court, with Judge Jack Young presiding Oct. 20:

- Jimmy Peres Gonzales, 41, Friona, charged with assault on a peace officer, received 3 years deferred adjudication.

- Raul Grado, aka Raul Cortez, 27, Clovis, charged with DWI subsequent offense, received 3 years in the Texas Department of Corrections probated.

- Manuel Noriega, 22, charged with aggravated assault on a peace officer, received 3 years deferred adjudication - probated.

- Angel Espinoza, 18, charged with burglary of a building, was sentenced to 5 years in the Texas Department of Corrections.

- Roberto Ortiz, 40, Friona, charged with DWI subsequent offense, received 3 years probated.

## Schedule set

The 3 Farwell city councilmen who have been appointed to the police officer search committee - Pat Howard, Royce Bethel and John Carlson, met Tuesday.

They set up a schedule to accept applications and will be contacting the Texas Municipal League and police publications to seek applicants.

Mayor Chris Gikas is considering adding some citizens to the committee to help narrow the application list to a few, for the council to make a final determination.

# Longhorns blast Whitharral

The Lazbuddie Longhorns kept their season's record perfect last Friday with a home game victory over the Whitharral Panthers, 60-14.

Lazbuddie is now 8-0 overall and 3-0 in district. The Longhorns have a district showdown tonight (Friday) at Silverton, which also is 3-0 in district.

Once again, the game ended with time left on the clock due to the 45-point rule.

Lazbuddie scored once in the first quarter, on a 3 yard pass from Brett Thomas to Matt Cozby. Leland Brockman kicked the point after.

But the Longhorns poured it on in the second period, outscoring Whitharral, 28-8. First, Dee Martinez took a 38-yard pass from Thomas in for a score; the kick failed. Then Jonas Hernandez scored on a 19 yard pass from Thomas; the Brockman kick was good. Cozby scored his second TD on a 21 yard pass from Thomas; the kick failed. And Mario Zamora tallied on a 13-yard pass from Thomas; the Brockman kick was good.

Then Whitharral scored on a 24 yard pass. At the half, Lazbuddie led 36-8.

The Longhorns opened the third period with Brockman scoring on a 44 yard pass from Cozby. After Whitharral scored on a 10 yard run, the Longhorns struck twice more in the quarter. First, Jon Colby Miller scored on a 3 yard pass

from Thomas, then Jody Copp ran over from the 3 for another TD.

In the final period, Chris Cozby scored on a 9 yard run to end the game.

Coach Mark Scisson was happy with the outcome, pointing out that 8 different players scored for the Longhorns. Thomas had another big day quarterbacking, this time throwing for 265 yards.

The Longhorns have a very tough game coming up, facing Silverton. Last year, Silverton won their game against the Longhorns.

## Citywide open house discussed

In other business, the Chamber accepted the resignation of Rubie Craft as treasurer and elected Anne Norton to fill the vacancy.

They also discussed the proposed county memorial for war dead. And they appointed committees for the annual chamber banquet next winter.

What fun we had yesterday! We tried out a new exercise tape and filled the air with excitement for a few minutes. What a joy it was to see a group of residents clapping hands, tapping their toes, and whatever it took to keep up with the tape. It was fun to see smiles and hear the laughter as we exercised. Believe me, everyone was wide awake by the time we completed the exercises.

The facility is filled with hand painted jack 'o lanterns. We have thoroughly enjoyed decorating the pumpkins together. Each pumpkin is an original creation. We found out we have quite a few talented artists among the residents and staff. Many thanks to Ben Roming of Muleshoe and Lusk, Inc. of Clovis, for donating the pumpkins and to Mary Mesman for rounding them up and delivering them to us!

We're looking forward to our monthly Birthday party on the 30th which will also be a costume party. Residents and staff, remember to wear your favorite costume on the 30th.

Saturday the 31st we hope to see some trick or treaters here from 6-8 p.m. We will have a nice treat waiting for you!

Residents have really enjoyed the class visits since school started. As the holidays are approaching we hope to have even more classroom visits. Schools and churches - come share your holiday singing, plays, etc., with us. You are sure to brighten our days with your holiday specials.

We have some new residents: Nancy Allen, Broadview, N.M.; Roscoe Sasser, Clovis; Mary Whitson, Muleshoe, and Gertrude Shipp, Andrews, Texas. We welcome you to our center!
