## Border Banter

By Mike Pomper

### Help wanted

Today's column starts off as a classified ad: we need someone.

Here's the situation:

Betty Jean Kelley, our ad executive, will have surgery in early January and be out of work probably from two to three months.

We need to hire someone to fill in for her.

We're looking at probably around 25 to 30 hours a week, although we can be flexible. And the person needs a vehicle.

If you are interested, please call me (Mike Pomper) at 481-3681 or stop by the Tribune, 404 3rd St., Farwell, for an interview.

\*\*\*

We're making a change, effective Jan. 1, 1993, in our subscription rates. They have been unchanged for about six years and higher taxes, insurances and many other costs, unfortunately, have caught up with us.

The Tribune will continue to cost 25¢ on the newsstands. You can buy it at the Tribune, Capitol Food, Allsup's, Spur Restaurant, Town & Country Convenience Store and Farwell United Drugs.

If you get a year's subscription, we have two rates (this is because the post office charges us different rates - one which is much higher than the other):

\* Parmer, Curry and Bailey counties - \$11.50 a year.

\* Elsewhere - \$19.50 a year.

And, 9-month subscriptions for kids in school - \$15.50 a year.

\*\*\*

For the first time since April 1989, we are increasing our advertising rates. I think it was pretty good to keep our rates stable for almost four years, but, as I said, higher costs eventually get their way.

Here's what they will be, effective Jan. 1, 1993:

\* Local display ads - our open rate will be \$2.60 per column inch. Special rates are given to advertisers who run on a regular basis.

\* National display ads - our open rate will be \$3.10 per column inch, out of which the Tribune will pay appropriate agency commissions.

\* Legal ads - 16¢ a word will be charged for the first insertion, and 13¢ thereafter.

\* Classified ads - a minimum of \$4 per insertion will be charged if paid in cash; if billed, it will be \$5.50. Classified display ads will cost \$3 per column inch.

\* Inserts - 4-page tab, \$98; 6-page tab, \$113; 8-page tab, \$136; 12-page tab, \$149; 16-page tab, \$166.

\*\*\*

Frankly, as a conservative person, I'm not happy about rate hikes. Especially when the extra revenue to be produced will go toward paying higher bills.

Although nominal inflation has been kept in check somewhat the past four years, that hasn't been the case with some taxes and insurances. Add to that higher printing and mailing costs, and you have a squeeze put on small businesses like mine.

Santa mail

Brooke and Mathew Lunsford, children of Buddy and Sheri Lunsford, prepare to mail letters to Santa Claus at the Farwell Post Office. Any letters to Santa mailed at either the Texico or Farwell Post Offices will get to their destination, because both postmasters have the North Pole address complete with nine - digit zip code.

### Texico election coming

Two seats on the Texico School Board will be on the ballot for the February election.

These seats are currently held by board president Herman Geries and Janice Hamilton.

Geries, a veteran of more than 16 years on the board, said he will not seek re-election.

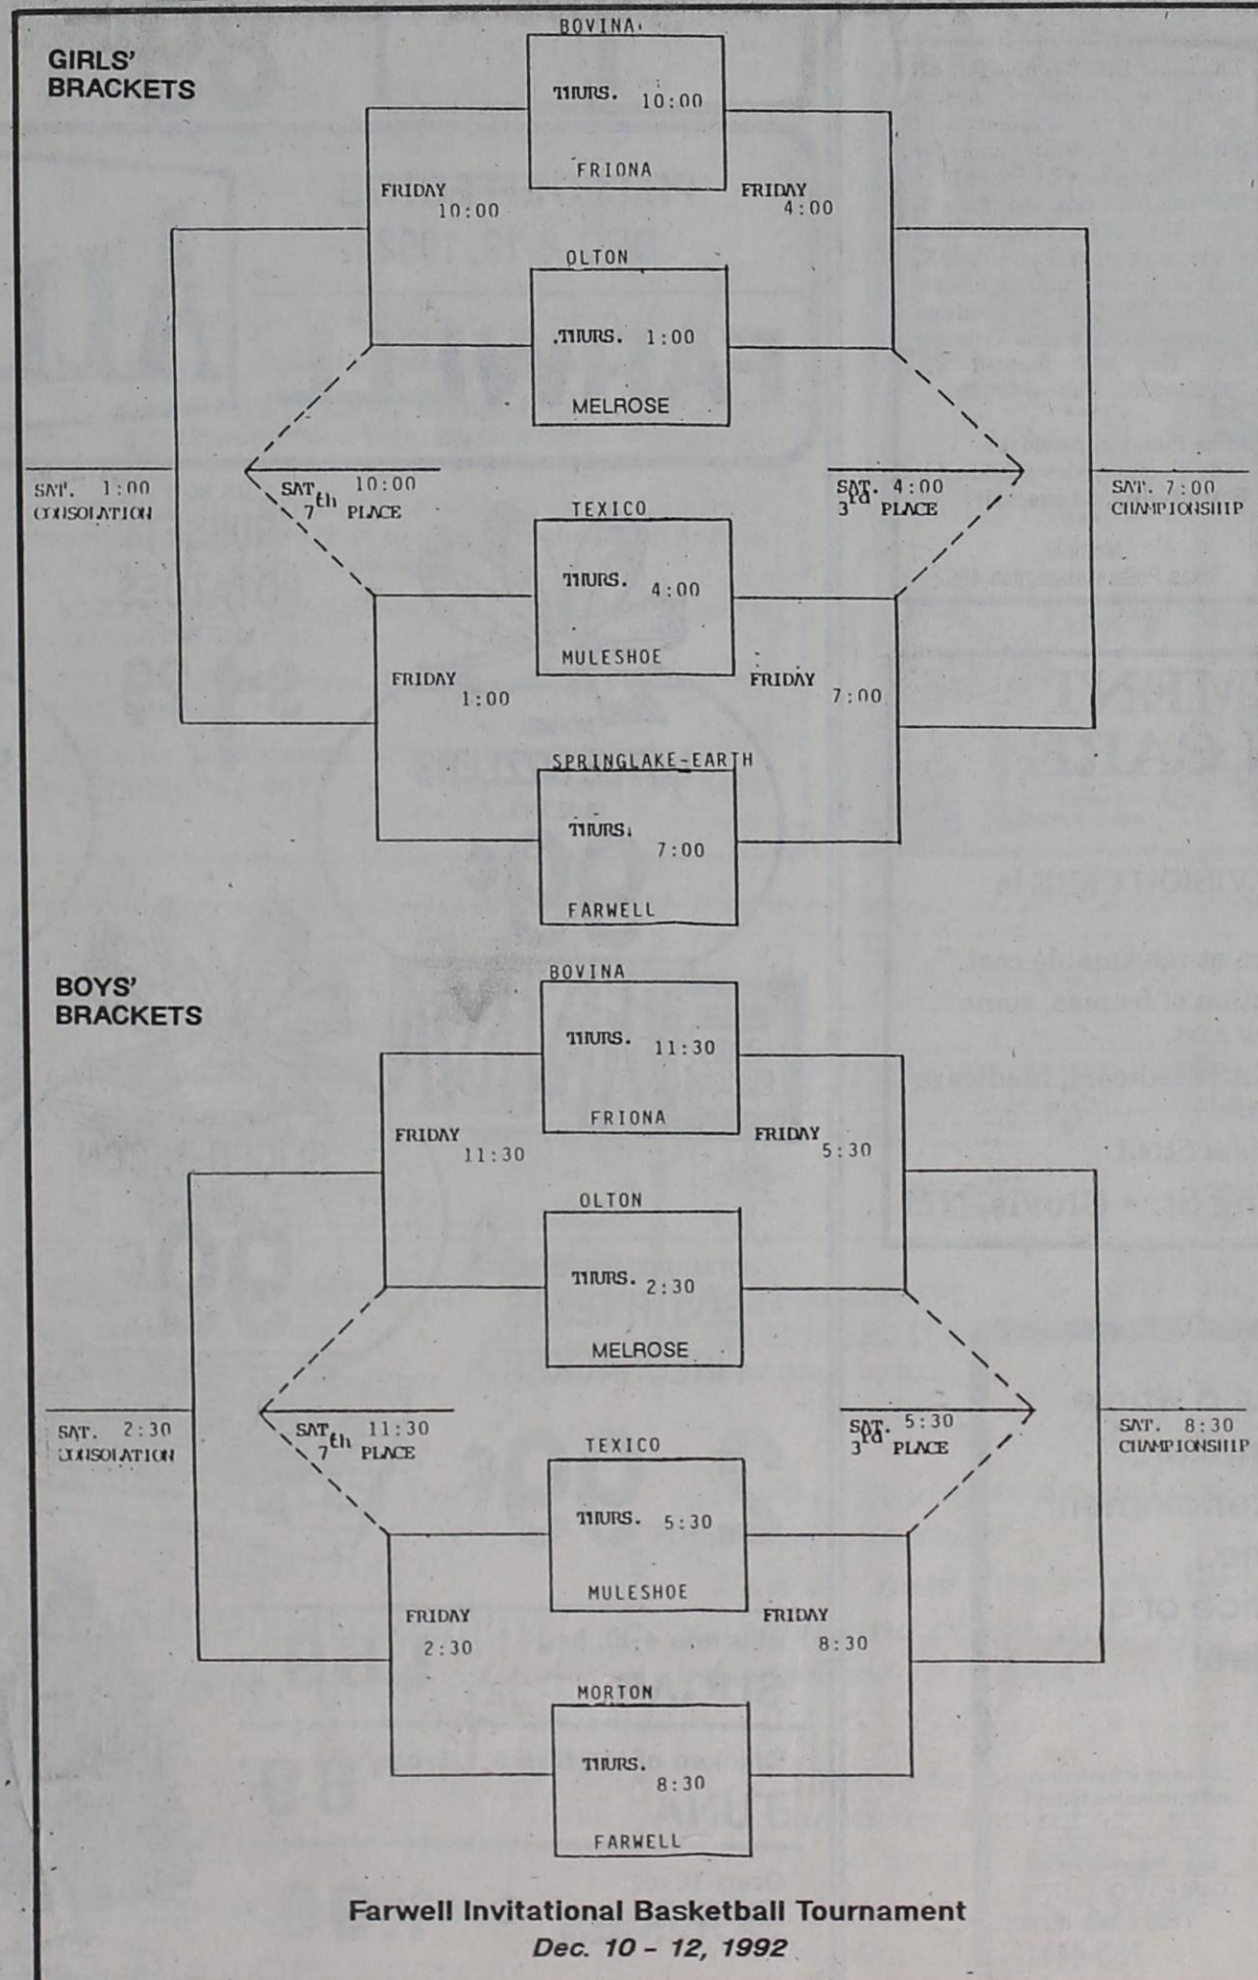

Mrs. Hamilton said she would seek re-election.

Those interested in running for the board need to sign up at the Curry County clerk's office between 9 a.m. and 5 p.m. on Dec. 15.

Those who wish to withdraw from the election may do so on Dec. 29. Dec. 29 also is the only day to file as a write-in candidate.

New voters in Texico will need to register by Jan. 5 if they want to vote in the Feb. 2 election.

### Relatives of deceased servicemen to be invited to Memorial Day ceremony

## County memorial taking shape

Measurements were taken in Farwell City Park Tuesday for the planned memorial to Parmer County residents who gave their lives in the service of their nation.

Ralph Franse, president of the Farwell Chamber of Commerce, which is spearheading the effort, reported that the cost for the monument is estimated between \$10,000 and \$11,000.

So far, he said, close to \$7,000 has been donated toward the cost. Persons wishing to donate to the county memorial may send their contributions to: Farwell Chamber of Commerce, Box 1005, Farwell, TX 79325.

The monument will be built just to the south of the memorial plaque to John Aldridge. It will face 3rd Street and be about 1 yards from the street. It will stand amid a cluster of trees.

The ceremony for unveiling the monument is planned for Memorial Day next May.

As part of the ceremony, Franse would like relatives of each of the persons to be honored attend the ceremony.

Already, some Louisiana residents have told Franse they plan to attend. A Chamber committee will be set up to plan the ceremony.

Toward this end, Franse needs to contact relatives of the servicemen who died during wartime.

He asked that readers who know of any living relatives of the deceased veter-

# Lazbuddie plans pheasant hunt

The Lazbuddie Fire Department will hold its annual Pheasant Hunt Dec. 12 - 27. It's an annual event to help support the department's operating budget. It has helped to provide fire protection and reserve services through the years. Fund raisers such as the pheasant hunt have helped to purchase additional trucks and a build new fire station at Clay's Corner as well as a jaws of

life tool and an ambulance. Lazbuddie will limit the number of hunters to 150 on their hunting preserve the first weekend. The department is now accepting reservations. One-third of the payment will hold the reservation. Land will be licensed through the Texas Parks and Wildlife Department with posted signs around the land. The hunting permits are \$75 for the full season (Dec. 12-27), and will drop to \$50 on Dec. 14 and \$25 on Dec. 21. Each hunter buying a permit will be given a map showing the location of all the land within the shooting preserve. The Fire Department will not provide any guide service. Hunting permits may be purchased at the Lazbuddie School cafeteria during the coffee and hot roll breakfast on Dec. 12 or at Treider Electric, intersection of FM 145 and FM 1172; Wilbur Ellis - Tide, half-mile south of intersection FM 145 and FM 214; or Glen Lust's home, 3 miles west and 1/4 mile south of Lazbuddie. For more information, call Treider, 965-2191; or fire department members Lust, 965-2828; Nicky Nickels, 965-2175; Doyle Weir, 965-2302, or Orin McBroom, 965-2305. The Department will serve coffee and cinnamon rolls and doughnuts free of charge to those purchasing a permit Dec. 12 at the Lazbuddie School Cafeteria from 6 - 8 a.m.

Several thousand acres are available for hunting. Part of the farmland has been put into the Conservation Reserve Program and has been planted to grass. There will be fields of crop stubble, playa lakes and weed rows.

'Sagebrush Sounds'

Sagebrush Sounds, including (back row) J.R. Sewell and Doug Harriman, and (front row) Greg Meeks and Marc Olson will appear in concert at 7:30 p.m. Dec. 5 at Farwell High auditorium. The fund-raiser is sponsored by the Farwell Convalescent Center Auxiliary. The Auxiliary has used its fund-raisers this year to buy 34 dining room chairs, 6 rocker - recliners, a piano, a commercial-size popcorn popper and a Hoyer patient lift for the Center.

## Tailfeather Contest again to be held in Parmer County

One of the highlights of the annual Pheasant Hunt is the Tailfeather Contest. Hunters who shoot birds in Parmer County may enter the contest by bringing the tailfeathers to Farwell Hardware. "According to my records, Gary Gober was last year's winner with a 24 7/8" tailfeather," said Ricky Stewart of Farwell Hardware. Each year Security State Bank provides a prize of \$30 to the winner. Sherley Anderson Pitman provides the second place prize of \$10. Stewart notes that some years the tailfeathers seem to run longer than other years. The longest one on record was brought in by Pete Jesko in 1979. It was 27 3/4" long.

# Furious Steer comeback fall short against Mules

A furious comeback by the Farwell Steers Tuesday night against Muleshoe just fell short as the Mules won 63-60 at Muleshoe.

Steer Coach Larry Gregory used a college-type offense the last 2 minutes, shutting in players on defense, then alternating them with players on offense. That cut the deficit from 9 points to a single point during that span.

But turnovers proved the Steers' undoing as their record fell to 2-2.

Scoring were: Kade Kent, 20; Eric Delgado and Brent Harrison, 13 each; Shawn Haseloff and Derrick Haseloff, 4 each; Troy Cunningham, 3; Ryan Williams, 2, and Rob Pomper, 1.

Down at one point by 11, the Steers closed the gap between themselves and Floyd to three points in the

last minute of play, but still fell, 71-64, on Nov. 28.

It was a night of cold shooting for the Steers.

Scoring for Farwell were: Kade Kent, 24; Brent Harrison, 13; Derrick Haseloff and Troy Christian, 5 each; Shawn Haseloff, 4; Eric Delgado and Jeremy Ortiz, 3 each; Ryan Williams and Rob Pomper, 2 each.

### Varsity Girls

The varsity girls fell to a tall Muleshoe team Tuesday 55-41.

Scoring were Molly Miller, 6; Alicia Smith, 13; Melissa Everett and Becky Donaldson, 5 each; Jill Actkinson and Brea Travis, 4 each; Chastity Gutierrez and Sharla Lingnau, 2 each.

The varsity girls beat Floyd 73-12 on Nov. 28.

Scoring were: Molly Miller, 19; Alicia Smith and Brea Travis, 12 each; Jill Actkinson and Melissa Everett, 6 each; April Stout and Sharla Lingnau, 5 each; Lori Murray, 4; Charlotte Donaldson, 3.

### JV Girls

The JV girls game against Muleshoe was cancelled shortly after it began Tuesday night due to a power outage in the gym being used.

The JV girls play Muleshoe at 7 p.m. Thursday.

The JV girls beat Elida 58-20 on Nov. 17.

Scoring were Leane Stout, 24; Christi Corn, 18; Lyndi Austin, 9; Amanda Johnson and Brenda Nydam, 4 each.

Scoring were Leane Stout and Christi Corn, 13 each; Melanie Everett, 7; Chastity Gutierrez, Amanda Johnson and Andi Kirkland, 4 each; Lyndi Austin, 3 and Jovita Olmos, 2.

"The JV girls are working together very well," noted coach Patsy Camp. "They are very coachable."

Coach Camp was encouraged by the work her junior high players have done.

### JV Boys

The JV Boys lost to Muleshoe Tuesday, 66-44.

Scoring were Blaze Hardage, 19; Reagan Williams, 11; Jason Taylor, 6; Lupe Garza, 4; and Oscar Saenz and Jon Cunningham, 2 each.

The Farwell JV Boys beat Floyd 89-54 on Nov. 28.

Scoring were: Reagan Williams, 17; Jon Cunningham, 13; Nash Armstrong, 11; Nic Ketcherside, 9; Landon Lunsford, 8; Lupe Garza, 6; Brock Taylor, 5; Jason Taylor, Chase Hardage, and Jared Franse, 4 each; Oscar Saenz and Jerry Landrum, 2 each.

The 8th Graders lost to Hart 31-4, yet Camp said: "When the 8th grade played at Hart, the halftime score was 13-0. That means the girls played much better defense."

Scoring were: Laura McIntosh and Lillian Alcalá, 2 each.

The 8th Grade girls also played Melrose on Nov. 19. Melrose won 35-6.

Scoring were: Kathy Foster, 2 and Lillian Alcalá, 4.

Earlier this year, Texico beat the Farwell 8th Grade girls, 58-6.

The annual Christmas service projects were discussed. The service committee will meet later to finalize the plans.

The Beta Sigma Phi Christmas party will be held at 6:30 p.m. Dec. 10 at the historic Aldridge-Hopping home owned by Mack Heald. The home was dedicated as part of the Texas Historic Landmark on May 25, 1986.

Members will bring desserts while the social committee will provide the main course.

As the evening's program and as a service project, Cynthia Thigpen asked members to help string popcorn as a traditional Christmas decoration to decorate the tree at Heald's home. He plans to decorate the tree as it might have been decorated at the time that it was built. By helping to make this traditional pioneer Christmas ornament, members were learning about the area's history and helping to the community.

Theta Rho chapter of Epsilon Sigma Alpha Sorority is sponsoring its 11th annual pheasant hunt this year.

Hunting sites will be reserved for pheasant and duck hunting through the pheasant season, Dec. 12 - Dec. 27. Each hunter must have a Texas hunting license.

The preserve land will be posted and open only to hunters buying permits from ESA. Each hunter will be given a map of the posted land and will be free to hunt on any of the preserve land. The preserve will be patrolled so that only those having permits will be allowed to hunt.

**A SALUTE FOR ENVIRONMENTAL STEWARDSHIP AND COMMUNITY SERVICE**

*Wilbur-Ellis Cited For Facility Improvements*

The Ciba-Geigy Agricultural Division recognizes Wilbur-Ellis, Farwell, for continued environmental stewardship and community service.

The farm supply operation has made several important site improvements aimed at safeguarding the environment. In the past year, they completed a new diking/containment system, a containment pad with a recovery system and a new storage warehouse for packaged products, plus new rinse pads and bulk chemical tanks. These additions provide improved containment for their bulk agricultural storage.

Branch Manager Walter Hughes says the improvements have put the dealership on the leading edge of environmental safety. "We are closely involved with growers and food production," he says. "As partners with farmers, we have a responsibility to provide safe food production and to protect the environment."

A major agricultural manufacturer, Ciba-Geigy sponsors a site-improvement program that helps defray the costs of such environmental upgrades. And for more than 30 years, Ciba-Geigy has helped farmers protect their crops from weeds, disease and insects while preserving the area's natural resources.

Progressive and responsible dealers like Farwell's Wilbur-Ellis ensure that American agriculture remains the most efficient, productive and environmentally responsible agricultural system in the world.

We had a nice family night and Thanksgiving dinner Nov. 19. Staff and residents visiting with family members. We had lots of helping hands with this occasion, and would like to thank each. Special thanks to Tanya and Jonathan Dawson for the special music.

Christmas is fast approaching! All of the snow we've had really puts us in the Christmas spirit. We will have the Joshua Tree again this year. This tree allows the community to get involved in the resident's Christmas. Start watching for the Joshua Tree at your local businesses, from this tree you can pick a bulb describing a needed gift for a particular resident. We would like to ask for these gifts to be returned to the facility wrapped and with the bulb attached so it will be sure to get to the correct resident.

Our monthly birthday party was the 27th. Those celebrating their birthdays: Lois Long, Myrtle Blackburn, Fern Castor and Mary Ellison. Special guests were: Thelma Venable, Ginny Mitzelfelt, Mary Lee Mitzelfelt, and Delores Blackburn. Thanks again to all who helped with this special occasion.

Donna Baldrige, manager of the Farwell branch of Bank of America, holds one of the items donated to the Lone Star Santa program which the bank sponsors to help provide Christmas gifts to area youngsters who would not ordinarily get Christmas gifts.

### Bank of America branch here gets new manager

"That hour just slips away," said Donna Baldrige of her commute from Broadview to Farwell each day. "The drive is not bad, it is just getting going that's the problem."  
Mrs. Baldrige is the new manager of the Farwell Branch of the Bank of America. She replaces Rubie Craft, who has accepted the manager's position at the Bank of America in Muleshoe.

"Rubie called me to tell me she was making the move, and asked if I was interested in this position," said Mrs. Baldrige. She had worked in the new accounts department and as a customer service representative in the Clovis branch of Bank of America for the past two years. "This is a move up for me to manage this office," said Mrs. Baldrige.

Prior to working at the Clovis Branch, Mrs. Baldrige was employed at First American in Clovis for 13 years. Mrs. Baldrige is looking forward to meeting folks in the Texico - Farwell area. Her husband, Richard "Don" Baldrige, is a Texico High School graduate who works for the Santa Fe Railroad. They have two children, Becky Petree, 21, who works for ENMRSH, and Kerre Petree, 15, who is a freshman at Grady High School.

In her spare time Mrs. Baldrige likes to sew, but she says: "Lately the only hobby I have is cleaning house."

### Texico awaits realignment

Will Texico be in Class 1A or 2A for high school sports? That is the question.

High School Principal Carolyn Abell said the whole state may be realigned for classes. A Dec. 1 deadline had been placed for proposals on realignment. But Mrs. Abell said that deadline has been extended to Jan. 15.

Then the proposals will be reviewed and all schools will vote March 2 on which proposal to accept.

Under current enrollment guidelines, Texico is scheduled to move up to Class 2A, and play schools like Dexter, Jal and Eunice.

Texico has sent in a proposal of its own, said Mrs. Abell.

Texico has proposed that the state have 5 classes and that Class 1A would be for 6-man football. Texico would be in Class 2A with schools it plays now, like Tatum, Springer and Ft. Sumner.

Texico's proposal puts the enrollment cutoff at 200 for Class 3A. Texico's current enrollment is 158.

## Letter To The Editor

I'd like to thank Sherry Embry for the write-up about us moving, but would like to correct one small thing. It was Jim who worked in the Texico Bank several years ago, and he and his family live at Pilot Point, Texas about 37 miles from Denison, and works in a bank at Denton.

Jack owns the Town & Country Insurance in Farwell and he and his family live in Vega, Texas. Ron, one of the twins, and his wife, live in Mesquite, Texas and Randy, the other twin, lives here in Denison. Ron is a truck driver and Randy works for "Signa" in Sherman.

It's been raining a lot here, but it isn't as cold. The people are very nice and friendly here, and I'm sure with time we will think of it as home.

Thanks again to Sherry and to you for sending our paper here.  
Sincerely,

Em and Wanda Walker  
Denison, Texas

### Corns visit Germany

Anne Corn, of Bovina, and her granddaughter, Christi, daughter of Mr. and Mrs. Ed Corn of Farwell, spent 8 days in Germany recently.

They went to Munich, and visited Garmisch and the Zugspitze, the highest peak in Germany. Anne had lived in Garmisch when son Ed was born so she showed familiar sites to Christi.

Then they stayed in Munich for a couple of days with cousins. Then they went to Schonwold, in Bavaria, where Anne's parents once lived. They visited more cousins.

They went to the cemetery where Anne's parents are buried and also to Asch, Czechoslovakia, where Anne

was born and lived until she was 16.

For the last two days, Christi stayed with a former exchange student and family in Coburg. Anne and Christi then met in Wurzburg, took the train to Frankfurt and flew home.

I am thankful for my father because he has a job to take care of us. He pays the rent and buys food for us, too. I'm thankful for my Granny because I can't give her something but she can give me something. She is nice and beautiful.

Sometimes I ask myself the question, "What am I most thankful for?" After I get to thinking about it, I know that I'm thankful for my mom. She helps me through my life and loves me. I also know that if it wasn't for her I wouldn't be alive.  
 I ask myself the question again, and I think about it. Then I know it's my grandparents. My grandparents love me and we have a blast on Thanksgiving. We decorate the Christmas and I know they have fun. That's what I'm most thankful for.

What I'm most thankful for is that I make better grades in school this year. Last year I made B's and C's, but this year I make A's and B's. My mom is very proud.

# Longhorns roar from behind to whip Dell City

Last Friday, the Lazbuddie Longhorns won their state quarter-final game over Dell City, 65-49, after a furious comeback.

Now Lazbuddie, 13-0, faces its old nemesis, Fort Hancock, 12-0, in the state semi-finals. The game will be played at Lobo's Stadium in Monahans at 3 p.m. Saturday.

Fort Hancock has turned back the Longhorns the past two years, so Lazbuddie will be out for revenge.

Against Dell City, Lazbuddie had to overcome a 22-point disadvantage. But the Longhorns rode the strong arm of QB Brett Thomas, who hit 22 of 34 passes for 292 yards.

The first period was action packed, as Dell City roared out to a 35-19 lead. After the Cougars scored on a 4-yard pass, Thomas hit Matt Cozbey with a 53-yard TD pass. Leland Brockman threw the extra point pass to Cozbey. Then it was Dell City's time to score, this time on a 70-yard kickoff return. Lazbuddie responded, with Cozbey scoring again, this time on a 10-yard pass from Thomas; the kick failed.

The Cougars scored twice more, on passes of 16 and 44 yards. Lazbuddie tallied when Job Colby Miller hit paydirt on an 11-yard pass from Thomas; the pass for extra point failed. Then Dell City finished the first quarter scoring on a 5-yard TD pass.

The second quarter began on a sour note when the Cougars picked up a fumble at the Longhorn 29, and took it in. But the Longhorns didn't cave in, but picked up the tempo, scoring three more times in the quarter.

Brockman got things going with an 81-yard kickoff return; the kick failed. Minutes later, Brockman scored on a 19-yard pass from Thomas, followed by a Brockman kick for 2

extra points. And Brockman finalized his magnificent efforts with a 22-yard TD run, followed by another Brockman kick. Lazbuddie went into the intermission down by 8.

The game quieted down for the Cougars in the second half, as they were held scoreless by the Lazbuddie tenacious defense. But Lazbuddie kept its offense in high gear.

In the 3rd quarter, the Longhorns took a slim 49-47 lead early in the quarter when Miller scored on a 25-yard pass from Thomas; the kick failed.

And Lazbuddie rolled in the final period, putting away the victory. First, Cozbey scored on a 7-yard pass from Thomas. Then Mario Zamora ran over from the 5. And finally Miller

raced over from the 6.

Individual statistics were: rushing - Miller, 12 for 138; Brockman, 2 for 29, and Zamora, 5 for 26. Receiving - Cozbey 9 for 96 yards; Miller 6 for 72; Zamora 6 for 79, and Brockman 5 for 45.

Team statistics were: first downs - Lazbuddie 22, Dell City 14; rushing - Lazbuddie 21 for 183 yards, Dell City 27 for 137; passing - Lazbuddie 292 yards, Dell City 171; passes - Lazbuddie 22 of 34 completions, Dell City 18 of 34; punting average - Lazbuddie no punts, Dell City 1 for 32 yards; penalties - Lazbuddie 4 for 48 yards, Dell City 6 for 70.

## Pumper bought

The Texico City Council Nov. 24 voted to buy a new Class A Pumper for the volunteer fire department. No city funds are involved.

Fire Chief Lewis Cooper said the department had opened bids the previous week, ranging from \$117,297 to \$148,750. Cooper recommended a truck to be built by Smeal, in Nebraska, which offered a bid through AAA Fire Protection, Clovis, of \$124,173.

Cooper said the AAA bid was the second lowest, and the final figure will be about \$1,000 less due to items to be deducted. This was the bid accepted by the city council. It will be delivered between 240 and 300 days. The department will be able to pre-pay the truck, resulting in an extra savings of \$1,600.

Cooper said the lowest bid had more than 20 exemptions to Texico's specifications.

In other business, the council:

- Heard Matt Meeks report on the need to buy new equipment to keep up with federal water inspection mandates which go into effect next July.

He said a chlorine emergency repair kit which costs \$1,100 is needed. The council tabled this.

Meeks said the equipment needed to sample chemicals in the water costs about \$1,000. The state, however, can also do this sampling for the city - but the cost appears about the same. This also will be tabled.

- Heard Cooper, cemetery board president, report that when spring comes, weeds will need to be gotten rid of and grass sown there.

- Formally approved two ordinances, one lowering the blood alcohol level for motorists convicted of DWI, and the other for raising water main tap-in fees.

The council also is looking at increasing its water and sewer rates, but wants to discuss it with city attorney Duane Hamar first. Hamar wasn't at the meeting.

## Hoop league forming

Registration and draft for Play, Inc. Basketball teams will be held in the Farwell High School Gym at 2 p.m. on Sunday.

The program will cost \$35, but students will have the

option to sell candy to help raise the money for it.

Each person registering will need a birth certificate and proof of insurance or a physical form.
