

Border Banter

By Mike Pomper

Bond issue needs to be supported

I am very proud of the Farwell School Board for the way its vote to seek a bond issue for school improvements.

And I vigorously urge every school district resident to support the bond issue Sept. 22.

Here's why:

I get so sick and tired of seeing poor policy decisions made by state and federal officials because they are designed to do something "now" and turn out to be poor long-range decisions. That's one of the problems in a democracy - too often leaders are penalized if they make decisions that are tough in the short run but are the correct thing for the long range.

What the Farwell School Board has just done is to make the proper long-range decision. And I hope folks in the Farwell district understand that.

A small community revolves around its schools. There is no question that it is in the best interests of Farwell district folks to continually strengthen their school. To do otherwise would be self-harming.

Last year, Texico folks overwhelmingly supported a bond issue to improve their school. That was an excellent decision and Texico residents should feel good about it.

Now it's Farwell's turn. And the issues are simple:

1) *Are more classrooms and better schools needed?*

In my opinion, yes. Due to state and federal mandates involving class sizes, and the importance of placing special education students within the school buildings, there is no question here. The alternative would be to close the school system.

The Farwell pupil population has increased, thus necessitating some of this need. And a larger elementary school library (the old one had been cut back due to a nurse's station being made part of it) plus improved restrooms are vital.

Is a new gym needed?

Again, in my opinion, yes. The question here is simple: Do you build a new gym or spend several hundreds of thousands of dollars renovating the current facility?

Looking long-term, there's no question. It is always wiser to build a new facility than "throw good money after bad."

Oh, yes, the school board might have made a better "political" decision to vote to renovate instead of build a new gym. Instead, they made the right decision.

That's why I wrote at the top of this column that I'm proud of the school board's unanimous decision. If it had been a federal government board, they would have gone the other way - the wrong way.

I fully realize that this is a down year for many Farwell School District residents. But the fact is it will be cheaper to build now, because of low interest rates.

If the board holds up a year, and even though the local economy undoubtedly will be better, it's almost certain that interest rates will be higher. So, it's a savings for local taxpayers to go ahead now.

Because of the excellent work achieved by school Supt. Richard Boothby and the board, the Farwell Schools are in excellent financial shape. They are going ahead with the bond issue without a tax hike. And if state reimbursement to schools stays somewhat similar to the current ratio, no tax hike is foreseen.

An open letter to Farwell School District patrons

Editor's note: This letter to the patrons of the Farwell Independent School District is from the District Educational Improvement Committee.

There appears to be some concern and misunderstanding about the proposed bond issue that is to come before the voters of the Farwell Independent School District on Sept. 22.

Much planning has gone into this project. Our District Educational Improvement Committee, made up of patrons, parents, teachers, support personnel and administrators, met and combined their efforts to address the immediate and future needs of our school. Also last April, the Board of Education appointed a committee of citizens to tour the facilities and make recommendations for needed improvements. Both committees and the board support the recommendations for this building plan.

The proposals for elementary include adding a new library, four classrooms and mandated handicapped restroom facilities. According to Bill Cook's "Strategic Planning for American Schools," information is doubling every 18 months; coupled with the advancement of technology, this makes our elementary school library inadequate. Also, it has been partitioned off to provide space for a nurse's office and sick room and is used during bad weather for recess activities. One classroom is needed to meet a state mandated minimum of 900 square feet for computer labs. The other three rooms are needed to comply with state requirements for class sizes and to provide space for mandated programs such as pre-kindergarten, gifted/talented and English as a Second Language, which now meets in a closet.

For the junior high, proposals also include four classrooms, mandated handicapped restroom facilities, and a commons area. State law requires special education classes to be housed with regular classes, so one room will serve that purpose. Other classrooms will ease overcrowding and allow room for more current teaching techniques. The proposed restroom facilities will serve both the cafeteria and junior high. The proposed commons area will serve the school as a meeting place for large numbers of students for such purposes as standardized testing, tutorials, parent-teacher meetings, and in inclement weather.

The proposals for high school include a required special education classroom, one other classroom to allow for expansion of academic programs, and a gymnasium with concession and restroom areas. The present gymnasium is the most frequently used common classroom on campus. If it continues to be used at its current rate by the school and community, major renovations must be made immediately. According to BGR Architects, gymnasium renovations would cost approximately one-half million dollars. Even after repairs, we would still have an old facility. As is, the gym is adequate for a practice gym. This gymnasium, with the new one, would permit boys and girls athletics to be scheduled simultaneously, thereby allowing other academic classes to be offered. Having both gyms would also relieve scheduling problems in the junior high and elementary.

Our school is the center of our community, and it reflects the intelligence and integrity of our area. Our present facilities are inadequate, basically because of new state mandates that are passed every year. The last addition to any part of our school was made about 20 years ago. To keep Farwell's students abreast of world changes for the present and the coming century, all these new facilities are definitely needed. We must put our school in the forefront; we must not settle for anything less. The brightest future for Farwell's children in education depends upon passage of this bond issue.

Lucille Franse's poem chosen for honor

Farwell High School English teacher Lucille Jean Franse has been notified that a poem she wrote, "Embers of Eden" has been chosen to be presented at The World of Poetry Convention.

Mrs. Franse has been honored as a Golden Poet. Those Golden Poets who attended the convention received trophies and those who did not were mailed certificates.

The formal presentation took place at 8th annual Poetry Convention held at the San Francisco, Calif., Hilton on Sept. 6.

Golden Poets were honored at a Round-Robin and Medal of Honor Presentation ceremony. Each poet who attended was allowed one minute to read all or part of his poem, and it was videotaped for those present.

Some of the videotaped presentations were read on a television series, "Poetryland - The Wonderful World of Poetry," during one of the "Poet's Corner" segments.

The award is a special honor since fewer than four percent of the World of Poetry's worldwide constituency are eligible for a presentation at the conference. In the past this event has had wide media coverage.

Here is Mrs. Franse's poem:

Embers of Eden

Did he go east, or was it west
of Eden here today?
I've lost my innocence because
he said he knew the way.

A newborn was I, but I knew
the rib from which I came,
So trusted in his word and now,
I'll never be the same.

I thought his love was perfect then,
my love would make it so,
But when the innocence was lost
I saw perfection go.

Now Adam is not here with me
in Eden, I'm alone.

No longer innocent, but lost,
and where has Adam gone?

Student Day of Prayer planned

The 3rd annual National Student Day of Prayer will be held at the Farwell High School flag pole at 7 a.m. Wednesday.

Bro. Rick Sullivan, of the First Baptist Church of Farwell, invites "all adults and

children to meet with Farwell's youth to help stand up for God."

Last year, an estimated million students at 20,000 schools attended the event. It was the largest student prayer meeting in history.

Jones captures 1st grid contest

Scores were very low at the start of the 34th annual Area Merchants Football Contest which began last week.

But the number of entrants who began the contest was very high - 357. By contest's end, over 600 folks will participate in it.

Most participants were able to get only 5 or 6 games picked correctly last week. Since one game - Southern Cal vs. San Diego State - ended in a tie, 11 was the highest total possible, unless you picked the tie.

Only two players were able to get more than 8 games picked correctly - Russ Jones and Robin Mahaney.

By getting 10 right, Jones, of Canadian, Texas, won the check for \$10 for first place. A Tribune subscriber, Jones mails his entries in. He is the son of Mr. and Mrs. Joe Jones, of Farwell.

In second place, with 9 right, was Robin Mahaney, of Farwell. He received the second place check of \$5.

With 8 right were:

Lance Anderson, Mike Camp, Tony Cabral, Harold Carpenter, Cindy Castleberry, Eric Chadwick, Kindall Coates, Don Gartin, Larry Cochran, Lewis Cooper, Chad Cochran, Lupe Garza Sr., Clara Gast, Smokey Gast, Adam Hobbs.

Also, Joe Jaime, Kyle Kimbrough, Kevin Kelley, Randy Kelley, Rick Lewis, Rick Marshall, Rob Pomper, Gerald Stout, Johnny Torres, Matthew Williams and the 4th period U.S. history class at Texico High.

Results of last week's contest were:

Jal over Texico, Amarillo over Clovis, Vega over Bovina, Morton over Muleshoe, Tulane over SMU, Mississippi State over Texas, New Mexico over TCU, Philadelphia over New Orleans, Chicago over Detroit, Atlanta over NY Jets and Tampa Bay over Phoenix.

Several of these games were very close. For example, Chicago beat Detroit with 1 second left in the game. Tulane beat SMU by 1 point. Atlanta beat the Jets by 3. New Orleans lost to Philly by 2.

And the big "upset special" was New Mexico defeating TCU. Last year, TCU won this contest, 60-7.

Rules for the 1992 contest are the same as in the past. A person must be at least 12 of age to enter. Games are divided among high school, college and pro ranks.

Each entrant must remember to pick a tie breaker score, a very important feature of the contest since many weekly winners (and some overall grand prize winners) have been determined by tie breakers.

Each week's scoring is tabulated and kept on public view at the Tribune office. Standings are posted each Monday and may be seen during regular business hours.

All entry blanks must be turned in to the Tribune office by 5 p.m. cdt Fridays, or if mailed, bear a Friday postmark.

The overall winner at the end of the 12-week contest

wins a pair of free tickets in cash, overnight lodging at to the Dallas Cowboys - the Radisson Hotel, and much more. Chicago Bears game Dec. 27 at Texas Stadium, \$50

Joe Jones, left, accepts the first place cash prize for his son Russ - who won last week's football contest, from Marilyn Edwards, of Security State Bank, one of the contest sponsors. Russ mails in his entries each week from Canadian, Texas.

Texico looks at capital projects

The Texico City Council Tuesday met with two representative of Eastern Plains Council of Governments - Eva Woods and Danny Beaman - to help plan the city's Infrastructure Capital Improvements Plan, a 3- to 5-year plan for capital and equipment improvements.

Such a plan marks the foundation for the city to seek state grants. A public hearing on the plan will be at 6:30 p.m. Sept. 15 at City Hall, and residents are asked to attend and give input.

Ms. Woods talked about "home funds," money available for building low-income houses. She said the 7-county region that Texico is in will get \$250,000 this year for such units. She also discussed rehabilitation of houses, with up to \$10,000 per unit that might be available.

Ann Cooper will get information needed for seeking state funds, such as the total number of homes in Texico, those that need rehabilitation, etc.

Information also will be gotten from the highway department as to the city roads that need to be curbed and guttered.

Water Supt. Billy Hammit will make a plat of the city's water main system to show where new mains and/or larger mains are needed.

Councilwoman Carolyn Burrows said area banks are reticent about financing new homes in Texico and asked Mrs. Woods about whether help is available here. Mrs. Woods said there is a first time homebuyers program and that banks are being pressured more to serve their communities.

Beaman asked the council to list their needs for capital and equipment improvements. This was lengthy but included an Olympic size, indoor swimming pool; a City Hall complex; a sub-station for the fire department; curb and gutter the entire city; new equipment for the street and water

The Latest

Farwell Band Director Jim Bouse has returned from a trip to Oklahoma to see his daughter and her new 10 lb. baby boy.

The youth of Texico - Farwell are invited to Hamlin Memorial United Methodist Church which will hold a "Fun Night" on Sept. 19.

Texico council

departments; park improvements; a library; a municipal court building, etc.

One visitor suggested a domed stadium, pointing out that if it were built in Texico, "a team would come."

Mayor Doyal LaRue quipped that it would be cheaper to find a site north of Texico and start a new community.

In other business, the council:

- Discussed a complaint of bushes blocking visibility at the intersections of South Garwood with Ave. F and Ave. D. Deputy marshal Kirk Roberts checked it out and said they

don't block the view as long as motorists slow down and observe the law.

- Approved a request by Marshal Fry Urioste to spend \$968 in state funds for a second camcorder. Urioste also asked to spend \$270 in state funds to buy 2,000 rounds of ammunition to donate to reserve officers as a thank you for their assistance. The legality of such a donation will be looked into first.

- Heard Urioste discussed high water on the highway just north of Texico schools after heavy rains. It will be monitored.

- Heard Urioste ask that the city pay for hepatitis B shots for both officers, at a total cost of about \$700. Roberts said he would seek a state grant.

- Voted to let Steve Chancy to cut a 20-ft. piece of curb north of 504 Turner for a driveway.

- Heard city worker Matt Meeks say that R.E. Crooks complained of standing water in the bar ditch in front of his State Street home. LaRue said the city engineer needs to be talked with.

- Gave Lewis Cooper permission to spray a chemical that kills germination in sand burrs in the city bar ditch across from his Craig Street home.

- Heard LaRue say that dishes and pans at the Community Center need to be locked up and checked after community groups use the center because of heavy losses. Residents who have inadvertently taken such supplies are asked to return them to City Hall.

Marriage Licenses

There were eight marriage licenses issued in Parmer County last week:

Martins have visitors

Maynard and Nonie Martin of Texico have had as their guest Nonie's sister, Imogene Hudson and her daughter, La Wanda Erickson of Medford, Ore. Imogene had not been back to visit the Twin Cities in about 12 years.

Imogene (formerly from Clovis) had a great time visiting with relatives and long ago friends. Among them were: Marilyn Hammitt and her niece and Francis Norton of Farwell. Francis and her husband were neighbors when they were wheat farmers north of Clovis.

On a Saturday afternoon a cousins' reunion was held at the home of Benny and Nadine Hardisty in Clovis. Nadine is the younger sister of Imogene and Nonie. Cousins and families from Amarillo, Texico, Clovis and Albuquerque were present.

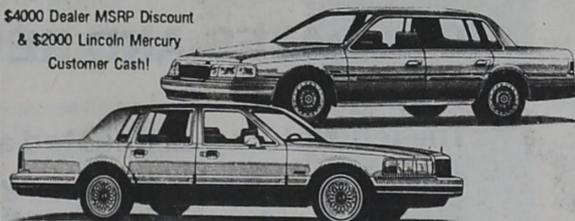

Last week Nonie, Imogene and LaWanda drove to the Denton, Texas and area to visit relatives. They visited their aunts, Belle Burns, who is 100 years old, and Elsie Burns, who is 82 years old. Both are alert and sharp.

Nonie also saw Mary Stark, a cousin from Houston. She and Mary had a great time exchanging information about the Burns side of the family tree.

Lady Spikers fall to Melrose

The Texico Lady Spikers lost a tough match to Melrose 17-15, 15-9, 7-15, 11-15, and 2-15 on Sept. 5.

"Our biggest problem were unforced errors and ball handling mistakes. We served 77% and they served 90%," said coach Michael Littlejohn.

Melrose scored its points right after the first serve. Littlejohn noted that the girls have to play a lot more consistently. "If we play like we are capable of playing, we can play with anybody," he said.

Game stats include the following:

Marsha Hamilton, 14 points, 6 aces, 20 excellent passes, 8 kills and 2 stuff blocks.

Chesna Campbell, 17 points, 7 aces, 14 assists.

Alison LaFrense, 15 points, 3 aces, 10 excellent passes.

Lorissa Pate, 9 points, 2 aces, 10 excellent passes, 16 kills.

Leslie Servatius, 9 points, 8 excellent passes, 3 kills, 11 assists.

Carol Servatius, 11 points, 1 ace, 100% serving efficiency.

Crystal Foreman, 3 points.

Also playing was Andrea Montano.

The Texico Junior High volleyball team won its match against Melrose, 6-15, 16-14, and 12-15.

The Texico JV beat Melrose 15-6, 15-9.

The Texico Junior High and JV teams beat Fort Sumner Tuesday.

The Junior High won 15-10 and 15-1 to bring the team to a 1-1 record. Littlejohn praised the team for serving well. He pointed out Stacy Stewart, who scored on 13 of 13, Jessica Hadley who scored on 7 of 8 serves and Whitney Johns who made 11 of 11.

The JV won beat Fort Sumner 12-15, 15-9 and 15-12. Littlejohn noted that he had started some new players on the JV, and it will take a little time for the whole team to mesh together. The JV is 2-0.

Steam train coming back

Beverly Obenshain said that the old time train will be passing through here again between 9:30 and 10 a.m. Texas Time on Sept. 14. It will be on display around 10 a.m. Texas time.

Plains defeats Farwell

The Plains Cowboys blanked the Farwell Steers, 47-0, last Friday at Plains in the season opener for both teams.

Plains kicked off to open the game with Clint Austin returning to the Farwell 30. The Steers were held and Lup Garza punted to the Steer 44.

Plains moved the ball on the ground, and made a key first down on 4th and 2 at the Steer 20. Jon Sullivan hurt his ankle and left the game.

At 6:39, Plains scored on a 1-yard plunge. The kick made it 7-0.

Farwell started its next series on its 11. A pass from Ryan Williams to Dean Rubio gained 14. But Plains intercepted at the Steer 31. A TD pass on the next play made the score 13-0 at 3:52 of the first quarter. The run for extra points failed.

Farwell got the ball back at its 20. Brent Harrison scampered around end for 21 yards. A pass from Williams to Lance Anderson gained 7 but Farwell was held. Garza lofted a strong punt to the Plains 9.

On defense, Rubio had a strong tackle as Plains was pushed back to its own 5 yard line. As the second quarter opened, Plains punted to its 27. Harrison ran around end for 17 yards. But two passes and two runs failed to get into the end zone.

On defense, Kade Kent and Jody Mahaney had tackles as Plains was held and punted to the Farwell 40. After a 12-yard sack for Williams, Farwell punted to its 42. Nash Armstrong tackles the returner. A pass got Plains to the Steer 22 and a TD was scored on a 10-yard run at 4:10. The run for extra points failed and Farwell was behind 19-0.

Farwell started again at its 15. Harrison ran for 11. Shawn Haseloff caught a pass for a first down on a tipped ball by another Steer receiver. Harrison gained another first down at the Steer 42 on a 5-yard run. But the Steers stalled and Garza punted to the Cowboy 35. The returner got back to the Steer 30. With 23 seconds left in the half, Derrick Haseloff recovered a fumble at the Steer 40.

In the 3rd period, Derrick Haseloff made a good tackle on defense. Plains was held and punted to the Steer 39. On its first play, Farwell lost a fumble. Plains moved the ball on the ground, scoring from the 2. The kick was good and Plains led 26-0 at 8:31.

After Farwell was held, Garza punted to the Steer 42. Jeremy Ortiz recovered a fumble at the Steer 44. Austin ran for 9 yards but Farwell was held at midfield.

On defense, Lance Anderson and Shawn Haseloff had good tackles and Armstrong broke up a pass. At 10:32 of the final period, Plains scored from the 1. The kick made it 33-0.

Farwell was held again and Eric Delgado tackled the punt returner at the Plains 45. Justin Mahaney had a good tackle. Plains scored on a 53-yard run at 7:23. The kick made it 40-0.

Farwell started at its 20. Anderson ran up the middle for 11 yards. But Plains intercepted at midfield. After a long pass completion, Plains scored from the 1 at 3:48. The kick made it 47-0.

In the final minutes, Farwell mounted a drive as Derrick Haseloff caught a 9 yard pass and Anderson caught one for 8 yards.

Individual statistics: rushing - Harrison 20 for 92 yards; Anderson 12 for 65; Austin 5 for 45. Receiving - Derrick Haseloff, 1 for 8 yards; Dean Rubio 1 for 10, and Shawn Haseloff, 1 for 14.

Team statistics: first downs - Farwell 8, Plains 16; rushing - Farwell 50 for 154 yards, Plains 43 for 229; passing - Farwell 3 for 5, 30 yards, and 3 interceptions; Plains, 5 for 7 and 59 yards; punting - 7 for 34 yard average, Plains, 4 for 32 yard average; penalties - Farwell 4 for 20 yards, Plains, 5 for 30.

Coach Cumpton commented, "Despite the outcome and score of the game, we did some positive things. We need to build on those positives in preparation for this week's game. Our goal is to improve each week at each phase of the game."

NOTICE OF COMPARABLE TAX RATES AND REVENUES

The legislature has enacted a statute on school funding to comply with a court mandate enforcing the state constitution. Under prior statutes the tax rate for last year provides \$5,217.00 per student in state and local revenues. Under this statute that same rate now provides \$5,627.00 per student in state and local revenues.

State law only requires a minimum tax rate of \$82.5 cents for County Education Districts. State law does not require a school district to adopt additional taxes. Neither does state law require a school district to adopt a tax rate that maximizes the receipt of state funds.

The board of trustees of the Lazbuddie School District hereby gives notice that it is considering the adoption of (or "has adopted" for tax bill notice) a tax rate of 36.2 ¢ that will provide \$6,267 per student in state and local revenues.

Texico building contract let

The Texico School Board took steps Tuesday to get their building project underway. "We should start seeing some work on the building project in about 10 days," said Supt. R. L. Richards.

The board voted to accept the recommendation of architect Randall Kilmer to award the contract to the firm of Newt and Butch of Clovis. This will be a \$750,000 project to add additional classrooms.

The board also:

- Hired Evangeline Garcia as a dishwasher and Becky Bradley as a Chapter I aide.

- Reviewed enrollment figures and class sizes. Texico currently has 520 students for which the state gives them credit for 506 students at full time equivalency. (Kindergarten students are only in school half time).

- Reviewed the new personal leave policy which grants each employee 2 days of personal leave per year.

- Set the procedure to pay activity bus drivers.

- Heard a presentation by David Pattison and Scott Hulder of ETSC concerning the school system's telephone system.

- Reviewed the school system's vehicles and discussed future needs.

- Heard the report of Richards concerning the New Mexico statewide election Nov. 3 for general obligation bonds to pay for state projects.

- Heard Richards explain the Americans with Disabilities Act to the board and the process to fulfill the requirements of this law.

- Heard students Karen and Kristi Neie request that a summer gymnastics program be started again.

- Discussed upcoming meetings. Board president Herman Geries will attend a state wide school board association meeting on Sept. 24. Some school board members will attend the regional school board meeting in Elida Oct. 19 to talk to state candidates. Also, some will attend the annual school board convention Dec. 4 and 5.

- Heard that the state school board association has accepted two of the proposals made by the Texico school board for the state positions committee.

Recipe of Week

Stuffed Zucchini

1 large zucchini
2 Tbs. oil
salt and pepper
1 pkg. prepared stuffing mix
1 lb. lean ground beef
1 egg
1/4 c. Parmesan cheese
1/2 c. canned tomato sauce

Scoop soft, seedy center from zucchini half; discard. Brush the zucchini with oil. Poke in several places with a fork. Sprinkle with salt and pepper. Set aside.
Brown the meat in a skillet. Add tomato sauce. Remove from heat.

Prepare the packaged stuffing mix according to the package. Mix the meat, egg, and the breadcrumb stuffing together.

Mound the mixture into the zucchini. Place zucchini in a baking pan with about 1/2 inch water. Bake, uncovered in a 325 degree oven for about 1 hour, or until the zucchini is tender. Sprinkle with Parmesan cheese.

Lazbuddie smashes its way past McLean, 60-18

Lazbuddie may have a new football coach this year but once again the Longhorns open their season with a huge win. Last Friday, they whopped McLean, 60-18.

The Longhorns play Smyer in an away game tonight (Friday).

Against McLean, the Longhorns, coached by Mark Scisson, featured a balanced attack, gaining 221 yards on the ground and 272 through the air. McLean gained 264 rushing yards but only 11 via passing.

Brett Thomas completed 17 of 21 passes, including 4 TDs. He was not intercepted.

Other statistics showed Lazbuddie with 20 first downs to McLean's 8. McLean lost all three of its fumbles while Lazbuddie didn't fumble at all. McLean was penalized 5 times for 25 yards; Lazbuddie 6 for 40.

Lazbuddie put away the game in the first quarter, outscoring McLean 26-0. First, Leland Brockman scored on a 47-yard pass play from Thomas. Brockman kicked the points after. Brockman then scored on a 29-yard pass from Thomas, but the kick failed. Then Mario Zamora scored on a 3-yard flip from Thomas; the kick failed. And Zamora tallied moments later on a 1-yard pass from Thomas; the kick failed.

In the second quarter, McLean opened with a TD on a 7-yard pass. But Lazbuddie answered that with two TDs of its own in the quarter. First, Jon Colby Miller scored on a 4-yard run (the Brockman kick was good). Then Miller tallied again on a 52-yard gallop (the kick failed). At the half, Lazbuddie led 40-6.

Each team scored once in the third quarter. McLean scored on a 14 yard run (the kick failed). Then Brockman returned the kickff 70 yards for his 3rd TD (the kick failed).

In the last quarter, Chris Cozbey took a 19-yard pass from Thomas in for a TD (Brockman ran for the extra point). After McLean scored on a 1-yard plunge, the scoring ended when

Zamora raced in from 11 yards out for Lazbuddie (the Zamora run was good).

Coach Scisson was delighted with the Longhorn victory. "The whole team did extremely well on both offense and defense," Scisson said QB Thomas had "a heck of a game" with a great percentage of pass completions.

Scisson noted that the receivers had to catch those passes in order for the quarterback to compile those statistics. Wide receiver Leland Brockman caught 2 TD passes and returned a kickoff. And, running backs Mario Zamora and Jon Colby Miller combined to gain 228 yards.

"The whole team did super," said Scisson.

Longhorns of the Week

Lazbuddie Coach Mark Scisson picked as the Longhorns of the Week Brett Thomas, left, and Leland Brockman.

Obenshains ride steam train

Harlin and Beverly Obenshain and their daughter, Tammy Jones, husband Steve and their children Dellani and Tiffani Jones, were among the many former railroad workers who got to ride on the steam engine that came through town on Sept. 1.

The excursion started with a bus ride to Vaughn, N.M. where they all got on the train at about 1:30 p.m.

During the ride the Bev's grandchildren were able to enjoy a tour of the train. They enjoyed seeing the sleeping car, and the dining car which had been turned into a souvenir shop, and the dome car.

Bev said that the train traveled most of the trip between 45-70 m.p.h. with stops along the way.

Bev said that the train went from here to Topeka, Kan., where it was to be part of the steam engine display, and from there on to Chicago. After a stop in Chicago it is scheduled to come back this way about 9:30 - 10 a.m. on Sept. 14. It will also stop in Clovis.

Texico cleanup coming

Ronnie Warmuth is chairing the big Texico city cleanup scheduled for Oct. 10.

The cleanup committee will meet Sept. 21 at the Citizens Bank branch in Texico immediately after the Chamber of Commerce meeting. Everyone is invited.

Letters will be distributed in English and Spanish door to door to residents announcing the cleanup times.

Oct. 2 is the deadline for requesting big items be moved. Persons should call City Hall with their requests.

Oct. 9 is the deadline for other assistance needed. Again, residents should call City Hall with their requests.

Texico school children will participate in poster and es-

say contests in conjunction with the cleanup. Posters are due in the schools by Oct. 2. They will then be placed around town.

For the cleanup, the Chamber of Commerce will provide lunch for workers Oct. 10 at the Texico Community Center.

Anyone who has large trucks or equipment to help with the cleanup are asked to contact City Hall.

Jal defeats Wolverines

by Lorissa Pate

The Texico Wolverines had their record go to 1-1 after a loss last Friday to Class 2A's Jal Panthers, 29-18.

The Wolverines play at Capitan tonight (Friday) at 7:30 p.m. mdt.

Texico got plenty of defensive practice against Jal. After Luis Estrada kicked off for the Wolverines, the Panthers maintained control of the ball. Despite tackles by Anthony Garcia, Daniel Madrid, Billy Rogers, Matthew Williams and Corey Horner, Jal got 3 first downs and finally a TD on a 20-yard run by David Nunez at 6:16 of the first quarter. The run for extra points by Tedrill Dobbs was good and Jal led 8-0.

Tyrone Gooden returned Jal's kick almost 20 yards. The Wolverines gave the ball to Pat Chumley and Kelvin Gooden but they came up short of a first down and Texico had to punt.

Rogers made a good tackle and Williams recovered a Jal fumble to give Texico another chance. Johnny Salinas carried for 12 yards and a first down. But Texico lost a fumble.

On defense, Stephen Cloud had a tackle but the Panthers were making a long run for another TD. But Jal couldn't outrun Salinas who made a big tackle at the 7 yard line. Tackles by Bobby Winegeart, Chumley, Steve Horner and Madrid held the Panthers out of the end zone.

On its possession, Texico could only gain one yard and had to punt again. Then Garcia recovered a Jal fumble on its first play. Now it was Texico's turn for the offense to move. Kelvin Gooden ran for 21 yards. Then Salinas gained a couple. Finally, Gooden scored from the 3 at 4:08 of the second period. The run for extra points failed and Jal led 8-6.

Despite tackles by Cloud, Gooden, Garcia and Madrid, Jal struck back. Dobbs took a 51-yard pass from Juan Saucedo for a TD at 1:22. Dobbs kicked the point after and Jal was up 15-6 at the half.

The Wolverines started off the second half on the right foot. Kelvin Gooden returned the kick 20 yards. Hadley Gilbert ran for 7 and Gooden ended the drive with a 65 yard TD scamper. The run for extra points failed but Texico closed to 15-12 just two minutes into the half.

Estrada kicked off again. But the Wolverine defense couldn't deny Jal, which moved for 3 first downs and a 1-yard TD plunge by Saucedo at 4:46 of the 3rd quarter. Saucedo's run for extra points put Jal up 23-12.

Within a minute, Texico bounced back. After a carry by Gooden, Salinas galloped 75 yards for a TD at 3:59 of the 3rd period. The kick missed and Texico was down 23-18 at the end of the quarter.

On defense, the Wolverines held Jal back with tackles by Tyrone Gooden and Salinas as well as a pass deflection by Kelvin Gooden. After Jal punted, Gilbert and Kelvin Gooden took turns running for a first down. But two short runs by Gooden and an incomplete pass forced Texico to punt.

Jal took control again and moved downfield. Near the goal line, Jal was penalized for clipping twice but managed to get the ball in for another TD, when Saucedo hits Dobbs with a 21 yard pass, making the final score 29-18. The pass for extra points failed.

Individual statistics were: rushing - Kelvin Gooden, 17 for 115 yards; Gilbert, 3 for 4; Louie Delgado, 4 for 2; Salinas, 7 for 96. Receiving - Chumley, 1 for 4 yards; Salinas, 1 for 18; Kelvin Gooden, 1 for no gain. Passing - Delgado, 3 for 6 and 22 yards.

Team statistics were: first downs - Texico 6, Jal 14; yards rushing - Texico 31 for 217, Jal 55 for 291; yards passing - Texico 22, Jal 89; total yards - Texico 239, Jal 380; passing

Wolverines of the Week

Coach Scroggins picked as Wolverines of the Week - Johnny Salinas, left, on offense, with 96 yards rushing and 1 TD, and Matthew Williams, right, on defense, who participated in 18 tackles.

- Texico 3 for 7, Jal 4 for 7; punts - Texico 3, Jal 1; punting average - Texico 28 yards, Jal 45; fumbles - Texico lost 1 of 2, Jal lost 2 of 5; penalties - Texico 5 for 19 yards, Jal 6 for 60.

"This was Johnny Salinas' best game since he's been here," said coach Bruce Scroggins. "Jal's a good team year in and year out."

Texico Junior High beat Gattis Junior High 5-1 in a scrimmage last week.

Scoring for Texico were: Joel Barba, 2; Joey Winkles, 2, and Manuel Cardenas, 1.

Grandparents' program begun

Texico Elementary School is starting a foster grandparents program.

They are looking for New Mexico residents over 60

years of age with low income to work part-time at the schools. In this program, the seniors would work 20 hours per week on a regular schedule for minimum wage.

Meet Farwell's Class of 2005

Edward (Eddie) Villarreal, Jr. is in Mrs. Dyer's class.

Eddie's birthday is Oct. 20. He is the son of Eddie and Dalia Villarreal. He also has one sister, Sarah.

Eddie likes riding his bike, playing with his friend, Ty. Playing football, baseball and basketball. He likes pizza, and crash dummy toys. He dislikes spinach.

Eddie's grandparents are Mr. and Mrs. Dionicio Bermea of Lariat and Mr. and Mrs. Zeferino Villarreal of Bovina.

St. Clair joins Lazbuddie board

The Lazbuddie School Board proposed a tax rate of 36.2 cents per \$100 evaluation Tuesday - a hike of 3 percent. They will meet at 8 a.m. Sept. 21 to finalized the ate.

If the board had set a higher rate, they would have needed a public hearing.

Tommy St. Clair was elected to fill the board position vacated by Scott Brown, who is moving to Muleshoe.

In other business the board:

- Heard presentations by three Lazbuddie students about special activities they participated in this summer. Leland Brockman told about Boys State; Joelle Weaver, Girls State, and Jody Copp, Farm Bureau Leadership Seminar.

- Approved the wording on the capital projects program to include band instruments.

- Accepted the bid of \$20,921.55 from McGinnis Chevrolet on a new van.

- Approved participation in the countywide DARE program which teaches drug awareness and resistance to drug abuse.

- Accepted the recommendation of the principals to serve on the secondary and elementary attendance committee.

- Changed the school spring break from Feb. 22-26 to March 1-5 so students may participate in the Houston Stock Show.

- Approved paying \$60 per employee toward the cost of their group health insurance.

- Added Elva DeLeon to the list of approved substitutes.

- Accepted the transfer of a student, S. L. Fabian from Dimmitt.

A very special thank you to the Texico-Farwell Rotary Club for sponsoring my learning experience at Camp Ryla.

(I might add that some of the groundwork laid for the improved financial condition of Farwell Schools is due to former school Supt. John Grigsby, who had to oversee the cutbacks that made the school system a leaner, stronger system.)
Farwell folks, you need to look long-term. You need to understand the value of Farwell Schools to the local community and the periodic need to improve the facilities

there.
On Sept. 22, you need to support this bond issue which is in your best interests.

The Farwell Senior Class will serve a special pre-game Homecoming supper on Sept. 18. They plan to cook steaks on the barbecue grill, and serve them with curly fries, corn, salad, rolls and desserts.

There will be a meeting for the parents of 1st graders at Farwell School on Sept. 15 at 6 p.m.

Farwell senior class will sponsor a Homecoming Dance following the Farwell - Melrose game on Sept. 16.

Brett Thomas, who did such a super job quarterbacking the Lazbuddie Longhorns past McLean last Friday, received a special honor.

He was chosen as the Lubbock newspaper's area Player of the Week.

This year's Area Merchants Football contest has started with a bang.

A total of 356 persons entered the contest the first week. By contest end, we'll probably have over 600 entrants since a lot of folks just enter periodically.

How popular is the contest? We had participants call in their picks from Amarillo and Colorado Friday!

Good luck to all the entrants.

I received a letter Saturday from Brig. Gen. Richard Goddard, commander at Cannon Air Force Base, apologizing for the fact that the Honor Guard failed to show up for the Border Town Days parade. I wrote back saying we look forward to having the

Cannon AFB Honor Guard in next year's BTD parade.

If you wondered about Texico plans to start Bingo games, here's what happened:

At first, the Texico Community Activities Organization was going to do it. Due to state laws, that didn't work out.

So the Knights of Colum-

bus of San Jose Catholic Church were asked to do it. But they found that the paperwork involved was so weighty that it was going to be a lot of problems, said Kirk Roberts, TCAO chairman.

In other words, no Bingo in Texico.

Two weeks ago, a Tribune story asked Texico residents

to call City Hall if they knew who the culprits were who caused an oil spill on South Garwood.

No calls were received.

We still haven't heard from anyone who knows what war Andrew J. Goodson died in. We need to know for the memorial for Parmer County residents who died in wartime

Marshal's Report

Here is the weekly report from the Texico Marshal Fry Urioste:

He and deputy marshal Kirk Roberts have been surveying traffic around the school since the semester began. They have found that 80 percent of the vehicles aren't stopping properly at the stop signs.

They also note that seat belts aren't being worn.

Urioste said a Texico teen was arrested last Friday on a charge of minor possession of alcohol when he took some beer to the Texico - Jal football game.

There was an accident with minor injuries Sunday near the flea market.

Urioste said a van pulled out from Lamar Street onto the highway and collided with a pickup. It knocked a door off the van and a man in the van fell out and suffered minor injuries.

Urioste said a Texico man who allegedly was the van driver will be charged with failure to yield and leaving the scene of an accident. He hasn't been found yet.

Fire Calls

The Farwell ambulance was called out twice last week.

On Sept. 3, it transported a person from 505 7th St. to Clovis Hospital at 8:27 p.m.

On Sept. 6, it transported a person from 900 4th St. to Clovis Hospital at 3:07 a.m.

The Texico fire department had a busy week:

On Sept. 5, the ambulance answered a call at 8:07 p.m. to assist an injured person at 615 Florence.

On Sept. 6, the ambulance assisted a seizure victim at 300 Anderson St. at 8:18 p.m. At the same time, the department was called to an accident scene with injuries near the flea market.

On Sept. 8, the ambulance answered a call to assist a patient with chest pains at 8:11 p.m. An hour later, they assisted a person for a possible heart attack on South Rose Street.

THE WARMTH OF THE EARTH

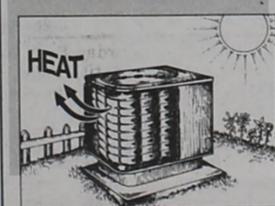

The heat pump captures it to heat and cool your home naturally.

The Dual Fuel Heat Pump uses existing heat to keep your home comfortable...naturally. Because it doesn't have to create heat, it's very efficient. For each unit of energy it uses, the Dual Fuel Heat Pump creates two or three units of heat.

Dual Fuel Heat Pump owners say it costs them less to operate than other systems. And, because it's electric, the Dual Fuel Heat Pump is cleaner.

There is heat in the air on the coldest days. The heat pump captures it to warm your home.

In summer, it becomes a high efficiency air conditioner. During hot weather, the heat pump captures the heat inside the home and takes it outside.

Contact your heat pump dealer or Southwestern Public Service Company for more information.
