Christian wins 3rd grid contest

Only one of the hundreds of entrants in last week's Area Merchants Football Contest was able to pick all 12 games correctly - Aaron Christian.

For that feat, he won the first place cash prize of \$10. Seven participants had 11 games picked right. By virtue of being closest to the tie breaker (O'Donnell 28, Farwell 8), the winner of the second place cash prize of \$5 was Chelsi Woods. She was 8 off the tie breaker. Others with 11 right, and their totals off the tie breaker, were: Stan Stroebel, 41; Willie Roberts, 23; Jeremy Ortiz, 30; Richard Montgomery, 29; Altha Herington, 29, and Julie McDonald, 22.

Those with 10 right were: Tim Allen, Kip Atwell, Amy Barnes, Scott Brown, Lorine Dannheim, Gay Goetsch, Cortney Herington, Nic Ketcherside, Michelle Kirkland, Sharla Lingnau, Maria Lucio, Sarah Montgomery, Dick Pylant, Nancy Roberts, Jason Schilling, Rick Stanly, Michael Stanton, Jack Taylor, Leigh Ann Woods, Omar Soto and Gordon Waldrop.

Results of last week's contest were: Clovis over Albuquerque Eldorado, Springlake-Earth over Friona, Kress over Bovina, Klondike over Lazbuddie, SMU over New Mexico, Colorado over Wisconsin, Alabama over Arkansas, Louisville over Arizona State, Philadelphia over Green Bay, Minnesota over Chicago, New Orleans over Tampa Bay, Cleveland over Arizona.

Several of the games were very close with some going down to the last seconds, such as the wins by Louisville and SMU.

With one-quarter of this year's contest over, with the overall winner getting the Dallas Cowboys tickets and game package, here's a look at the first leader board:

- 32 points - Stan Stroebel.
- 30 - Scott Brown.
- 29 - Greg Taylor, Tim Allen, Tonya Gartin, Ysleta Kittrell, Jason Schilling, Aaron Christian.
- 28 - Larry Gregory, Michelle Kirkland, Michael Stanton, Chelsi Woods.
- 27 - Bill Bourlon, Larry Cochran, Johnny Crozier, Kathy Curtis, Steve Gartin, Shawn Haseloff, Dolores Taylor, Matt Taylor, Mike Woods, Altha Herington, Jack Allen Kirkland, T.J. Kittrell, Rick Lewis, Polly Lucio, Dick Pylant, Jack Taylor, Mark Williams.

Aaron Christian receives the first place check of \$10 for winning last week's Area Merchants Football Contest from Lucille Peugh, of Jones Pontiac - GMC - Mazda, one of the contest sponsors.

A hardened criminal

It was awful what I saw. And it's a good thing I'm part of the Neighborhood Watch program.

There she was. I estimate the lady was about 70 years old, driving a fairly new car in Farwell.

And right before my eyes, she did it - made a U-turn.

I didn't have a cellular phone to immediately call the city police but I took down her license plate number. It's important not to allow crime to occur in Farwell - who knows what it might lead to. For all I know, she might be a serial U-turner, wanted in other states.

But then I had second thoughts. I thought back to Communist Russia and Nazi Germany, where kids were encouraged to turn in their parents to the authorities. No, the lady may have broken the law, but...

Then my mind got changed. Now I understood why she had broken the law. She drove up to her house to park - and her vehicle was facing the wrong way on the street. Another crime. Now it was obvious. This was a hardened criminal I was dealing with.

As I watched her use a walker to get to her home, I knew what my course of action must be. The training I had received through the Neighborhood Watch program would serve me well. We can't allow law-breakers in Farwell. An example must be made for our young people.

As I drove to City Hall to do my public duty, I thought back to the reasons why Farwell now had a city police officer and a Neighborhood Watch program.

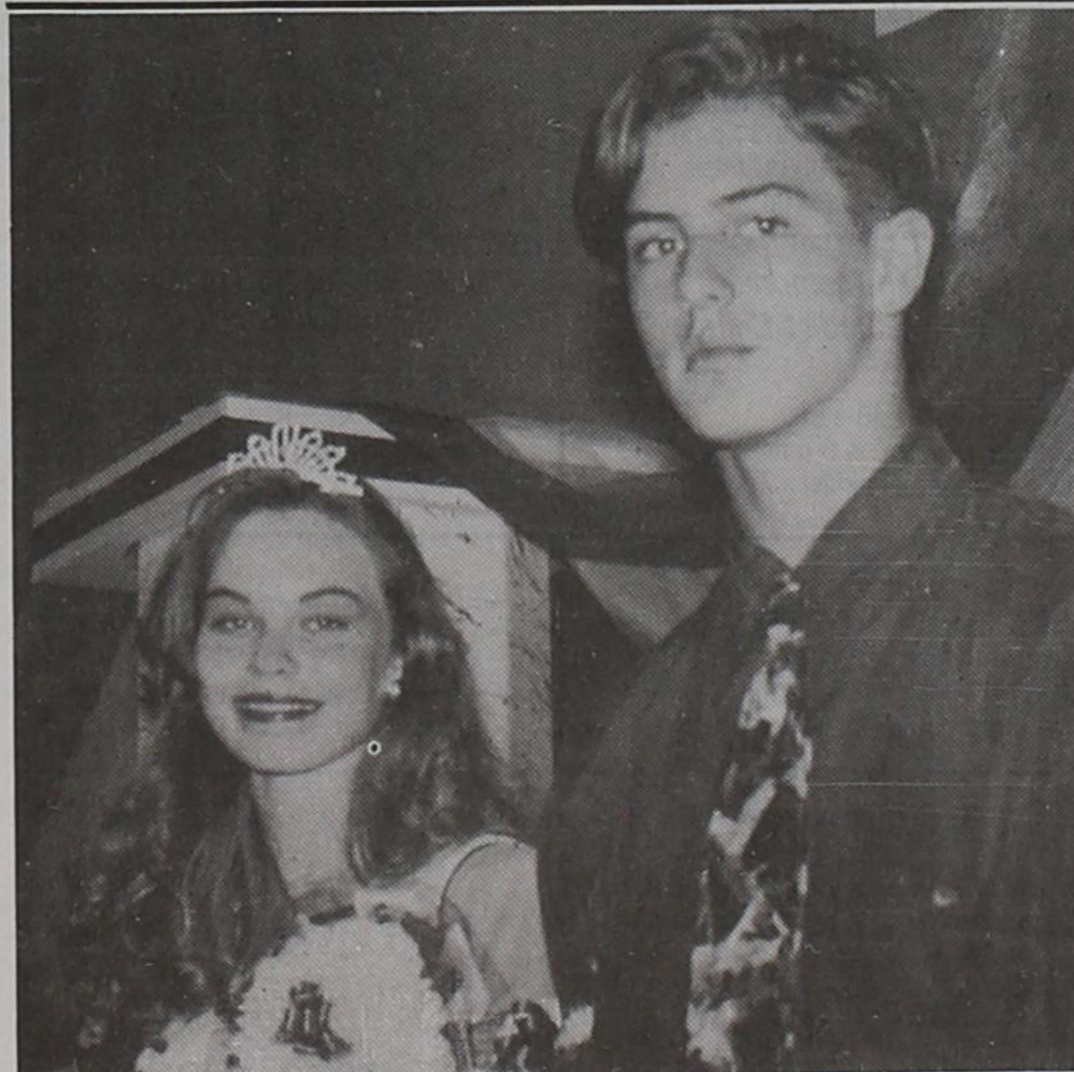

I recalled the citizens coming to the City Council meetings asking for a police department because of crimes such as burglaries. And I remember attending the Neighborhood Watch meeting where similar topics were discussed.

Heck, those are minor compared to what that 70-year-old lady did.

Obviously, the above made-up story was a parody. And I realize that traffic laws are needed, even in a small community like Farwell.

But I sincerely hope that city officials keep in mind the main purpose of having a police department.

Farwell Police Chief Roy McGaa has strongly recommended to the City Council

Golden Spread plans new plant

Golden Spread Cooperative has filed with the Texas Public Utility Commission a notice of intent to apply for a certificate of convenience and necessity for construction of a new 400 megawatt generating plant.

Scheduled for initial operation in early 1988, the plant would consist of four 100 megawatt, simple cycle turbine powered generating units. Natural gas would be used as the primary fuel.

A final site selection has not been made, but two preferred sites are currently under consideration. One site is in Moore County south of Sunray. The other site involves properties in Yoakum and Gaines counties east of Denver City.

Golden Spread's member systems are Bailey County Electric Cooperative, Deaf Smith Electric Cooperative, Greenbelt Electric Cooperative, Lamb County Electric Cooperative, Lighthouse Electric Cooperative, Midwest Electric Cooperative, North Plains Electric Cooperative, Rita Blanca Electric Cooperative, South Plains Electric Cooperative, Swisher Electric Cooperative and Tri-County Electric Cooperative. Golden Spread's member systems serve 90,000 retail consumers in the Panhandle and on the South Plains of Texas and the Panhandle of Oklahoma.

Approval by the Texas Public Utility Commission of the notice of intent will only give Golden Spread the right to file an application for a certificate of convenience and necessity, which is the authorization needed before the project could be constructed.

In its filing, Golden Spread advised the Commission that it also intends to solicit proposals from other utilities and independent power suppliers for both new capacity and demand side control options. The solicitation will be made in about three months and will include a request for purchased power or other supply options.

Golden Spread currently purchases wholesale power from Southwestern Public Service Co. and from West Texas Utility Co. SPS' 1993 load and capacity resource forecast, which includes the Golden Spread loads, show a need to construct 486 megawatts of new gas turbine generating capacity to serve area loads.

Golden Spread President Robert W. Bryant said, "Our proposal does not duplicate any existing generating station. It simply means that SPS can defer the construction of additional generating plants on its system, and that will benefit SPS retail customers."

Warren ranks 2nd among area 6-Man receivers

Here's a look at our local teams according to the area football statistics kept by the Lubbock newspaper:

Lazbuddie's Justin St. Clair ranks third among the area Six-Man team passers with 153.7 yards per game. Josh Warren is second among the receivers with 12 catches for 210 yards.

Among the Class 1A passers, Farwell's Brock Anderson ranks third with 82.5 yards per game. Chase Hardage is second among the receivers with 11 catches for 152 yards.

Among the area New Mexico teams, Texico ranks fourth on team defense, allowing 194.3 yards a game. Johnny Salinas is 5th among the rushers, with 78.3 yards a game, and Hadley Gilbert is 7th with 73.7 yards a game. Cody Drager is sixth among the receivers with 9 catches for 118 yards. Pat Chumley is 9th among the passers with 60.5 yards a game.

4-H: A family affair

"Four-H is a family activity. Our No. 1 goal is building strong family units," said County Extension Agent Gary Patterson when he met with a group of parents Monday at the Farwell Community Center. Club manager Lynne Mahaney asked parents to volunteer to help with projects. The Farwell 4-H Club meets

the 4th Monday of each month at the Farwell Community Center.

Recipe of Week

by Debbie Pollard and Marilyn Neal
Refrigerator Pickles

- 8 c. sliced unpeeled cucumbers
- 2 c. sliced onions
- 1 c. julienne red bell pepper strips
- 1 Tbs. salt
- 2 c. granulated sugar
- 1 1/2 c. white vinegar
- 2 tsp. celery seed
- 2 tsp. mustard

In a large bowl, combine cucumbers, onion and red pepper. Sprinkle with salt and mix well. Let stand 1 hour. Drain.

In a medium bowl, combine sugar, vinegar, celery seed and mustard seed; stir until sugar is dissolved. Place cucumber mixture in a non metallic container. Pour vinegar mixture over cucumbers. Cover and chill for at least 24 hours to blend flavors. Makes about 8 cups.

Pickles will keep in the refrigerator up to 6 weeks, according to the Heinz Successful Pickling Guide.

that at least one more police officer be hired.

If city officials have him work vigorously to enforce traffic laws, watch for speeders on Avenue A, keep a watch on kids in the evenings, check on the new curfew in the early morning hours, help out at the schools, and work with the Neighborhood Watch program to prevent burglar-

ies and break-ins, and do the mandatory paperwork that's involved, then one or more extra police officers are definitely needed.

Oops, we goofed dept.: the Tribune erred in reporting last week there would be a Neighborhood Watch meeting this week. There wasn't any. We apologize.

NOTICE

Notice is hereby provided that on September 15, 1994, Golden Spread Electric Cooperative, Inc. filed with the Public Utility Commission of Texas a Notice of Intent to Apply for A Certificate of Convenience and Necessity for Construction of A New Generating Facility. Golden Spread proposes the construction of four 100-MW simple cycle gas turbine units. Natural gas will be used as a primary fuel. The estimated cost of the facility is \$140 million. The estimated in service date is March of 1998. A final site selection has not been made, but two preferred sites are currently under consideration. One is located in Moore County, and the other is near Denver City.

Persons with questions about this project should contact Robert W. Bryant, President and General Manager of Golden Spread Electric Cooperative, Inc. at (806) 379-7766. Persons who wish to intervene in the proceeding or comment upon action sought should contact the Public Utility Commission Public Information Office at (512) 458-0256 or 458-0221 for the text telephone. The deadline for intervention in the proceeding is 70 days after the date the application was filed with the Commission.

Farwell Principal Larry Gregory complimented everyone when he noted the cooperation shown at the Homecoming pep rally Sept. 15.

The city ambulance, fire truck, and police car were all used as part of festivities. A huge junior high school band marched across the field, the cheerleaders cheered, and there were lots of fireworks.

State Line Drugs and Sundries is remodeling so that the medicines can be locked up, and so there will be a private area for the pharmacist can talk to customers about their medical situations.

Patty Brown, daughter of Mike and Judy Pomper of Farwell, has received her master's degree in civil engineering from the University of Houston.

The Parmer County Child Welfare Board is sponsoring a coat drive.

If you have wearable coats in sized 4 through 16, please bring them to the Farwell Elementary School during the week of Sept. 26-30.

For more information, call Cassandra Eubanks at the Parmer County judge's office, 481-3383.

Texico parents and patrons are invited to attend one hour training sessions on Parent Link, the new telephone messaging system Texico Schools are installing. "We hope it will increase

parent communication and promote student achievement. We invite any community member to attend a short training session to assist us with this project," said Supt. R.L. Richards.

The sessions will be Sept. 29 and 30 in the high school counselor's office. Contact Art Salguero for details.

Texico's Parent - Teacher conference day will be Oct. 3 from 8 - 11 a.m. mdt and from 4 - 8 p.m. mdt.

The Texico Booster Club will meet in the high school library at 7 p.m. mdt on Oct. 3.

The club is designed for all school activities from academics to band to athletics K- 12.

The club will be selling picture buttons of the children. Contact Nancy Barnes at 389-5413 or Christi Richards at 482-3413 to order one.

Texico Schools will soon begin construction on a new track and field.

Rodeo or baseball fans may be interested in bidding on the removal of lights, light poles and panel boxes. Contact Dewey Pierce or Glen Neie for details.

Derek Goettsch kicked 5 field goals, 4 of which counted, and got to sign his name on the goal posts in Play, Inc. football Saturday.

Ryan Autrey held the ball for him. The Eagles won their game

36-6. The Raiders flag football team also played. They don't keep score at that level; they just concentrate on learning to play together.

Farwell invited past Homecoming royalty to join the festivities this year, including:

Don Pool and Marilyn Austin, 1954; Johnny Actkinson and Mikala Austin, 1964; Mark Haseloff and Joi Meeks, 1974; and Roger Robertson and Franka Bungarten, 1984.

Texico Junior High School beat Dexter 36-0.

"It was called off at the end of the third quarter. Under the new rules, the game is called off when one team is 35 points ahead," said coach Richard Luscombe.

Following the Dexter game, the younger junior high group was put in for a "5th quarter" practice game. Texico won, 24-0.

There will be a dance at the Texico Fire Station Friday after the Jal game.

Farwell schools will dismiss students early on Sept. 29 so parents may meet with teachers and pick up report cards. Buses will run about 1 p.m.

The Farwell freshman class will sponsor a steak dinner

before the Whiteface game in the school cafeteria from 5 - 7 p.m. today (Friday).

Farwell cross country team's 32 members all finished the Hereford cross country race Saturday. About 16 junior high and 17 high school runners were up early after the Homecoming festivities on Friday night.

They will run in Clovis on Sept. 24.

There are about 70 members in the Farwell Junior High Band this year. They plan to march at the Eastern

New Mexico Homecoming in Portales on Oct. 1.

Pat Henry was very pleased with the size of the group that marched with the Farwell Band in Friona on Saturday. He had 100 percent participation from the band with the exception of students who had excused absences for cross country.

The Farwell choir will sing at the pep rally Friday.

Huelin White, who student taught last year in Farwell, is studying at West Texas A & M this year and is also helping

out with the Farwell Band and the Clovis Band's drum line.

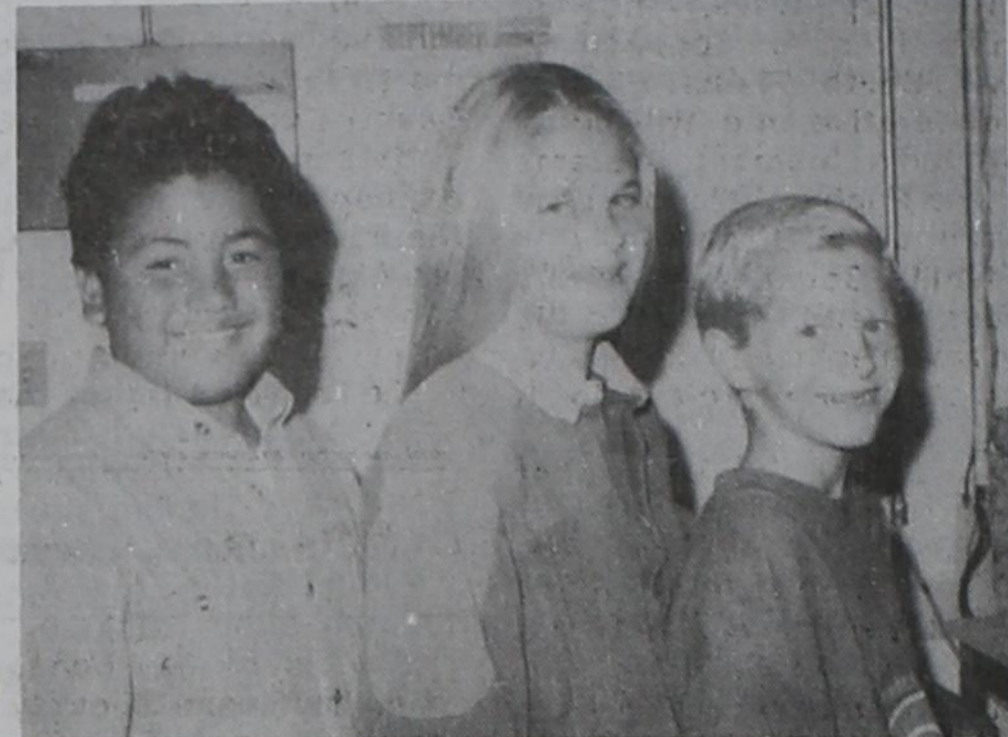

He's arranged his schedule so that he can go to school and still help out.

Cards or notes may be sent to Texico teacher Carol Brock at the ICU of University Medical Center, 602 Indiana, Lubbock, Texas 79408.

Teens for Christ meets in the home economics room of Texico High at 6:55 a.m. on Wednesdays.

"See you at the Pole," a religious ceremony was held at 8 a.m. on Sept. 21 at Texico High School.

Texico's Pep Rally Thursday had a Hawaiian theme.

Council leaders

Farwell Junior High Student Council officers are, from left, Robert Vidaurri Jr., president; Marni Lunsford, vice president; and Jourdan Nichols, secretary.

Fire Calls

Farwell firemen were called to the Farwell Convalescent Center at 3:40 a.m. on Sept. 12 for a smoke problem.

The Texico fire department responded to two calls.

On Sept. 20, firemen were called at 1:31 p.m. mdt to put out a grass fire and vehicle fire at 1351 SR 108.

On Sept. 20, the ambulance was called at 4:16 p.m. mdt to assist an ill person at 208 N. Garwood.

Marshal's Report

Texico Marshal Gilbert Holguin reports that his office is concentrating on enforcement of seat belt laws this month.

Holguin will be working on projects to educate the public about the importance of using seat belts, and will be cracking down on people who fail to use them.

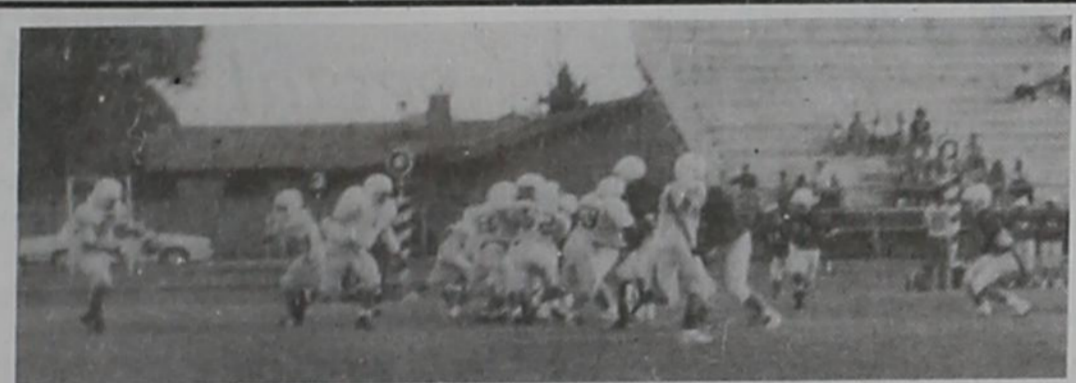

He arrested one person this week on an outstanding warrant, and he investigated a traffic accident.

Notice of Public Hearing on Tax Increase

The LAZBUDDIE INDEPENDENT SCHOOL DISTRICT will hold a public hearing on a proposal to increase total tax revenues from properties on the tax roll in 1994 by 6.9 percent. Your individual taxes may increase at a greater or lesser rate, or even decrease, depending on the change in the taxable value of your property in relation to the change in taxable value of all other property.

The public hearing will be held on September 27, 1994 at 8:00 p.m.
FOR the proposal: Gail Morris, Robert Gallman, Rick Seaton, Randy Thomas, Steve Foster, Tommy St. Clair, and Tommy Martin
AGAINST the proposal: None
PRESENT and not voting: None
ABSENT: None

The statement above shows the percentage increase the proposed rate represents over the 1993 tax rate that the unit published on August 20, 1994. The following table compares taxes on an average home in this taxing unit last year to taxes proposed on the average home this year. Again, your individual taxes may be higher or lower, depending on the taxable value of your property.

	Last Year	This Year
Average home value	\$ 18,455	\$ 18,671
General exemptions available (amount available on the average home, not including senior citizen's or disabled person's exemptions)	\$ 5,000	\$ 5,000
Average taxable value	\$ 13,455	\$ 13,671
Tax rate	1.32 /\$100	1.395 /\$100 (proposed)
Tax	\$ 177.60	\$ 190.71 (proposed)

Under this proposal taxes on the average home would increase by \$ 13.11 or 6.9 percent compared with last year's taxes. Comparing tax rates without adjusting for changes in property value, the tax rate would increase by \$ 7.5 per \$100 of taxable value or 9 percent compared to last year's tax rate. These tax rate figures are not adjusted for changes in the taxable value of property.

PCG: Cotton deficiency payments remain unchanged

According to Lubbock-based Plains Cotton Growers (PCG) decreases in both the average price received by growers and monthly marketings left the estimated 1994 upland cotton deficiency payment unchanged through July.

The projected cotton deficiency payment settled at 7.77 cents per pound through July leaving a 1.32 cent final payment rate after subtracting the 6.45 cent advance payment. Earlier in the season producers were able to apply for and receive the 6.45 cent advance on the 1994 deficiency payment.

Through July, 1994's cumulative marketings totaled 5.28 million bales. Marketings during the same 7-month period in 1993 were slightly higher at 5.69 million bales.

Preliminary calculations through July project the final payment around 7 cents. However, significant changes in either marketings or prices received could still effect the final payment rate. The maximum deficiency payment possible in 1994 is 22.9 cents, the difference between the upland cotton loan rate of 50 cents and the 72.9 cent target price established in the 1990 Farm Bill.

Deficiency payments are calculated as the lesser of the difference between the target price and either the Commodity Credit Corporation Loan Rate or the average price received by growers weighted by total marketings for the preceding calendar year.

The preliminary volume of marketings and prices received by growers in cents per pound as reported by the National Agricultural Statistics Service appear below:

Through May 1994

	Marketings (1000 Bales)		Price (cents/lb.)		Weighted Ave. Price	
	1993	1994	1993	1994	1993	1994
January	2681	2100	53.0	63.7	53.00	63.70
February	1009	922	53.8	65.6	53.22	64.28
March	823	742	56.3	66.1	53.78	64.64
April	338	556	55.1	67.7	53.87	65.03
May	336	507	53.2	69.3	53.29	65.48
June	269	269	53.6	63.5	53.89	65.38
July	246	185	53.7	58.4	53.88	65.13

Kater Hake, cotton Specialist with the Texas Ag. Extension Service, says producers who see regrowth in their dryland and irrigated cotton may be close to missing a prime opportunity to get the 1994 crop out of the field.

According to PCG, Hake is still encouraging producers to take action to terminate their crops, including dryland fields with only marginal yield potential, in order to take advantage of the crop's earliness and maintain the highest quality possible.

He notes that plants have started to show signs of regrowth are no long sending any resources to developing bolls, instead they are putting all their efforts towards growing new stems, leaves and squares that will not contribute anything to yield. An added benefit of terminating the crop early is the ability to prepare fields to store as much moisture as possible for the 1994 season.

Eunice shuts out Wolverines

by Janice Jenkins

The Texico Wolverines lost last Friday in an away game to the Eunice Cardinals, 40-0. Texico is now 1-3 on the season and hosts Jal tonight (Friday).

Eunice kicked off to open the game and Joel Barba returned it to the 25. Texico had running backs Hadley Gilbert and Johnny Salinas out with injuries so the Wolverines went with a heavy passing attack.

Texico was held and punted. Eunice returned it for a TD, going up 6-0.

Barba returned the next punt. Pat Chumley ran for 4 yards but incomplete passes forced another punt. Larry Tomlinson had a good tackle of the returner. Chumley had a strong tackle on defense, as did Barba. A long pass play helped Eunice move deep into Wolverine territory, finally scoring on

a short run to go ahead 13-0.

Barba returned the punt and a facemask penalty against the Cardinals helped move the ball. Chumley ran for short yardage. Incomplete passes forced another punt. Tomlinson and Chumley combined to tackle the returner. Kyle Stamps, Chumley and Tomlinson had tackles, as did Kip Taylor, Ruben Escamilla and Bobby Russell.

Clint Hamilton stopped Eunice after a short gain. Russell and Barba had tackles, too. But Eunice ran around end for a TD, and it was 19-0.

Chumley connected on a short pass to Russell but penalties hurt this drive. Texico punted and Chumley and Tomlinson tackled the receiver. Taylor had a good tackle, as did Hamilton and Chumley. Eunice was stopped at the Wolverine 15.

Chumley hit Russell with a long pass. It seemed like the Texico offense was clicking as Chumley hit Escamilla and Barba with short tosses. But Texico lost a fumble. Eunice moved downfield, scoring on a 1-yard plunger to go ahead 26-0.

Barba received the kick and got it back to the 34. Texico was held after a short drive and punted. Hamilton had a good tackle, as did Barba and Cody Drager. Eunice scored on a long pass to go up 32-0.

On offense, Chumley hit Barba with a pass good for a first down. Texico was stopped and punted as the first half came to a close.

Texico's Clyde Jenkins kicked off to open the second half. Stamps made the tackle of the receiver. Drager and Jenkins combined on a tackle, then Hamilton, Stamps, Escamilla and Taylor had good tackles.

A pass rush by Jenkins forced the Eunice QB to throw a pass picked off by Chumley, and returned to midfield. After a holding penalty hurt Texico, Eunice intercepted, with Drager making the tackle. A nice tackle by Chumley forced Eunice into a 4th and 14. But Eunice hit a TD pass for a 40-0 lead.

Texico was stopped and punted. In the final period, Hamilton, Stamps and Drager had good tackles. Eunice went for it on a 4th and 3, but a great tackle by Russell forced the ball to turn over to Texico. There was no further scoring.

It was difficult for Texico to play without two key players, Gilbert and Salinas. And Drager and Taylor had been at the state fair the preceding week, forcing them to miss practices.

Some players were forced to play positions they hadn't played before in regular games.

Lady Spikers go 1 and 2

The Texico Lady Spikers won 1 and lost 2 last weekend, bringing their record to 2-5.

On Sept. 15, they lost to Tatum, 5-15, 11-15, 15-8, 11-15. Coach Michael Littlejohn said, "We started slowly but after the first game we played even with them in points. We could have very easily gone to 5 games and even won if we had made a couple of plays that I felt we could and should have made."

Against Tatum, stats were: Kelley Cooper, 1 ace, 5 kills, 1 assist, 7 blocks; Carol Servatius, 1 ace, 2 kills, 2 saves, 28 assists; Jessica Hadley, 3 kills, 1 assist, 6 blocks; Misty Barnes, 2 aces, 2 saves, 1 assist, 6 blocks; Kristy Adams, 5 kills, 2 saves; Brandi Norvell, 6 kills, 4 blocks; Jodi Chadwick, 1 kill; Jessica Russell, 1 kill, 1 block.

On Sept. 17, Texico whipped Eunice, 15-3, 15-3, 15-10. Littlejohn said, "We played very well. Our attack game was much better. A much needed win."

Against Eunice, stats were: Cooper, 2 aces, 5 kills, 1 block; Servatius, 5 aces, 2 kills, 1 save, 27 assists, 1 block; Hadley, 11 kills; Barnes, 10 kills; Adams, 2 aces, 1 save, 3 assists; Norvell, 1 ace, 6 kills, 2 blocks; Chadwick, 6 aces; Whitney Johns, 2 assists.

On Sept. 18, Texico lost to Loving, 4-15, 15-13, 12-15, 10-15. Littlejohn said, "Another slow start. Against we came back in games 2, 3 and 4. We won game 2 and led in 3 and 4 but couldn't make the plays late in the game. We have played a very tough pre-district schedule and are making improvements. And even though we have lost 5 matches it will help us down the road."

Against Loving, stats were: Cooper, 3 aces, 11 kills, 4 saves, 11 blocks; Servatius, 3 aces, 5 kills, 6 saves, 41 assists; Hadley, 13 kills, 5 blocks; Barnes, 2 aces, 13 kills, 2 saves, 10 blocks; Adams, 2 aces, 3 saves, 1 assist; Norvell, 5 kills, 1 save, 3 blocks; Russell, 2 saves.

Comments from coach Ronnie Dunsworth: "Portales had the best Junior High team I've seen all year. They took us by surprise."

Texico Junior High B team lost 15-1 and 15-0 Sept. 15. Breanne Black was the coach's pick for outstanding player on the B team. The B team record is 0-2.

Texico Junior High's A team lost to Portales 2-15; 15-11; 4-15 Sept. 15. Andrea Espinoza and Shayna Lewis were the coach's choice for outstanding players. The A team record is 1-3.

Norton awarded certification

Parmer County Treasurer Anne Norton was awarded the Texas Association of Counties (TAC) County Investment Officer Level I certification on Aug. 23.

She was honored for passing a comprehensive exam covering management of county investments after attending six monthly investment classes.

The course incorporates home study, classroom lecture, and field trips to various financial institutions such as commercial banks, the Federal Reserve Bank and broker-dealer firms. It concentrates on the provisions of the law relating to investment of public funds.

TAC offers the program to county treasurers wanting to learn how to increase their

counties' rate of return.

Mrs. Norton is one of only 22 people to complete the objectives for the CIO certification this year. She is now

eligible to begin the Level II course, where curriculum will include information about investment accounting and operational techniques.

Wolverines of the Week

Coach Barry Partain named Clint Hamilton, left, and Josh Jorde as his Wolverines of the Week for their good play last week.

Individual statistics included; Chumley rushed 8 times for 32 yards, and hit 8 of 28 passes for 71 yards. Barba caught 3 passes for 18 yards, Russell 2 for 38 and Drager 3 for 21. Team statistics were: first downs - Eunice 16, Texico 4; net yards rushing - Eunice 237, Texico -32; net yards passing - Eunice 229, Texico 77; punts - Texico 8 for 30 yard average; penalties - Eunice 4 for 50 yards, Texico 6 for 40.

Coach Barry Partain's comments: "We had 5 two-way starters missing throughout the week. We played hard, but we were a little outmanned." Eunice is the top ranked Cclass 2A team in New Mexico.

Kubin Air awarded aerial spraying contract

Preparations are underway for the start of PCG's 1994 High Plains Boll Weevil Diapause Program, according to Lubbock-based Plains Cotton Growers.

PCG officials announced last week that Kubin Air of Bovina was awarded the 1994 aerial spraying contract with a bid of \$5.16 per gallon of chemical applied.

Kubin Air will provide 7 turbine powered aircraft for the program, each equipped with satellite-based guidance system from Satloc, Inc., of Casa Grande, Ariz. Satloc's satellite-based global positioning system was specified as a requirement for the 1994 contract to provide parallel tracking and record-keeping for program operations.

"The 1994 program will kick off Sept. 27" says Roger Haldenby, PCG Boll Weevil Program Coordinator. "Weevil pressure has been high again this year following yet another mild winter. However, the dry, hot summer conditions have helped some."

Trap catches show weevil numbers are currently below levels seen in 1993. This is good news for the 1994 program but not much comfort for some producers who have seen more boll weevil activity in the past two years than they remember seeing before.

"Weather records were shattered in July with temperatures soaring to as much as 119 degrees," adds Haldenby, "Boll weevil numbers in 1993 similarly broke records across our area bringing home to us the desperate need for a cold winter to aid us in the fight against this terrible pest."

O'Donnell defeats Farwell

The Farwell Steers lost to the O'Donnell Eagles, 28-8, at Homecoming last Friday. The Steers, 0-3, host Whiteface tonight (Friday) at 8.

Farwell kicked off to open the game and O'Donnell, with their speedy returns, started near midfield. On defense,

Brock Anderson, Nic Ketcherside and Landon Lunsford had good tackles. O'Donnell went for it on 4th and 6 and a Ketcherside tackle stopped them from making a first down.

Farwell was held and the punt was tipped. With 3:10 left in the first quarter, O'Donnell scored on a 9-yard run. The kick made it 7-0.

Blaze Hardage returned the kick to the Steer 30. But Farwell lost a fumble on its first play. On defense, Jason Taylor and Chase Hardage had good tackles and O'Donnell had to punt to the Farwell 11.

On offense, near the end of the first quarter, Farwell moved the ball on a 10-yard run by Anderson and a 9-yard run by Lunsford. An Anderson pass to Chase Hardage gained another 10 yards. But Farwell's drive was stopped and Chad Martin punted to the O'Donnell 20. Blaze Hardage and Justin Mahaney had good tackles and O'Donnell punted to midfield.

Lunsford ran for 7 and Steve Miller for 3. Then Anderson broke free straight up the middle for a 40-yard TD on a QB keeper at 7:09. Anderson ran in the extra points and Farwell led, 8-7.

O'Donnell returned the kick to the Steer 34, with Jesse Chilton making a TD-saving tackle. On 4th and 1, Mahaney's "flinch" caused an O'Donnell illegal procedure penalty making it 4th and 6 for O'Donnell. The Eagles were then stopped at the Steer 30.

Farwell lost a fumble at its 40. O'Donnell drove through, culminating in an 18-yard TD run at 1:29. The run for extra points failed on a combination tackle by Michael Phillips and Chilton. O'Donnell led at the half, 13-8.

The second half opened with Chase Hardage returning the kick to the Steer 31. Anderson ran for 8 and Farwell had two first downs, moving into Eagle territory. Lunsford then ran for gains of 12 and 8 yards. But on 4th and 3 at the Olton 23, a Farwell pass failed.

Olton moved the ball on the ground. On 4th and 10 at the Steer 10, they scored on a run at 2:52. The extra points run made it 21-8.

Blaze Hardage returned the kick to the Steer 42. Lunsford ran for 10. Miller and Ketcherside combined on runs for another first down as the third quarter ended.

On 4th and 1 at the O'Donnell 15, Farwell lost a fumble and the Eagles took over. Farwell had 7 fumbles for the game, losing 4 of them.

The teams exchanged possessions, but O'Donnell scored with 4:15 left on a 30-yard run, making it 28-8.

In its final drive, Anderson hit Miller with an 11-yard pass but time ran out shortly afterward.

Comments from Coach Stan Stroebel: "We had our chances, but we just keep putting the ball on the ground at bad times...It looks real good, then we make a mistake here or there and they just kill us."

"We did have a tremendous running offense. The line did a great job. We had 174 yards rushing with 3-4 kids on the line evenly getting kids out."

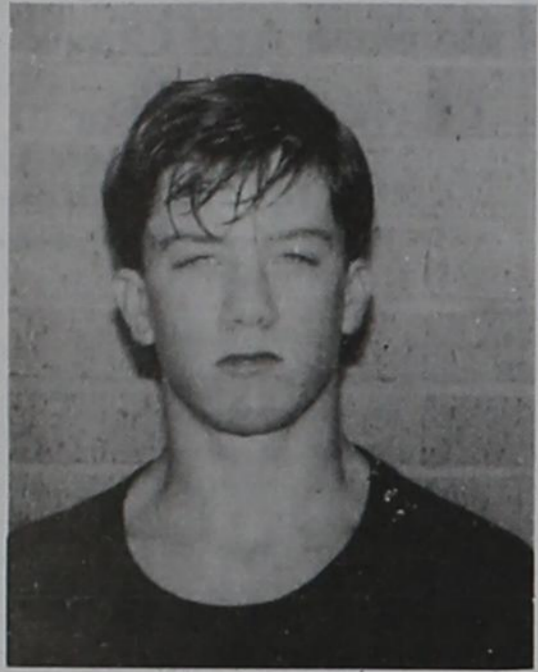

Stroebel pointed out that two or three fumbles at crucial points turned the tide of the game. The game's momentum shifted against the Steers.

The Steers rolled up 174 yards rushing and 56 yards passing for a total gain of 230 yards.

Individual stats: Anderson had 67 yards rushing and 56 yards passing; Lunsford had 70 yards rushing; Miller had 22 yards rushing.

On defense, Anderson had an unassisted tackle and 14 assisted tackles; Miller had 1 unassisted and 11 assisted tackles; Blaze Hardage had 9 assisted tackles; Chase Hardage had 4 unassisted tackles.

Longhorns of the Week

Coach Mark Scisson chose as his Longhorns of the Week two freshmen players who did well in the JV game against the Union varsity team last week. Recognized were: offense - Dustin Weir, quarterback, left, and defense - Cameron Turner, safety. Union won 45-19.

Klondike stops Lazbuddie

Unbeaten Klondike defeated the Lazbuddie Longhorns last Friday at home, 46-0. The game ended in the second quarter due to the 45-point rule.

The youthful Longhorns, hit hard by injuries, are now 0-3 on the season. They next play Dell City at Welman at 2 p.m. on Sept. 24.

In the first quarter, Klondike scored 3 times - on runs of 28 and 29 yards, and recover-

ing a tumble in the end zone. With three extra points' kicks, it made the score 24-0.

In the 2nd quarter, Klondike tallied 3 more times - on runs of 5, 21 and 48 yards. A speedy Tanner Etheride scored four of Klondike's TDs.

Team stats were: first downs - Klondike 8, Lazbuddie 1; passing - Klondike 2 of 3 for 52 yards, Lazbuddie 6 of 14 for 26 yards; rushing - Klondike, 156 yards, Lazbuddie - 20.

Here's how police view gun control

by Farwell Police Chief Roy McGaa

Cops and Gun Control: Some time back I wrote that most cops are against gun control, that was based on my own experience and feeling. I have since discovered a survey conducted by the 11,000 member Southern States Police Benevolent Association in June 1993. I think you will find the results interesting.

Southern States PBA President Jack Roberts said of the reason for the survey, "We simply had enough of every special interest group, including a number of national police organizations, claiming they spoke for the rank-and-file officers on the subject of gun control. The only way to find out how law enforcement feels about gun control is to ask them. That is exactly what we did."

The following, are some of the results:

(3b) Other than for police or military, all guns should be outlawed. (95.8% of the officers disagreed.)

(3b) The U.S. Constitution guarantees every law-abiding citizen the right to own a gun. (90.1% of the officers agreed.)

(3e) People should have the right to own a gun for self protection. (96.4% of the officers agreed.)

(3f) A waiting period to purchase handguns will only affect a law abiding citizens, criminals will still be able to obtain hand guns illegally whenever they want. (86.5% of the officers agreed.)

Farwell Convalescent Center Chit Chat

By Chickie Henderlite

Hello again,
On Sept. 8, we took 9 residents to Dairy Queen for ice cream and a drive. Residents enjoyed their once a month ice cream trips. Thank you, Dairy Queen, of Farwell, for providing free ice cream for our residents. They truly appreciated your kindness and gesture.

On Sept. 11, residents celebrated Grandparents Day, with punch and cupcakes. My assistant, JoAnn, said the residents really enjoyed having a party on their special day.

On Sept. 15, we took residents to Ned Houk Park in Clovis for a picnic. Had a nice time even though we managed to find the muddiest place, but that's okay. The mud didn't stop us. We went right through and found a table anyway. Before leaving for home, we rinsed off all the mud and grass of the wheel chairs. Residents just laughed. They didn't mind it at all. They went out to have fun and that is what they got. They loved every minute of it.

I would like to introduce our new restorative aide, Tamera Alexander. She's been working at the FCC as a CNA for a year, and became our restorative aide 2 months ago. I would like to mention that of all our restorative aides, Tamera is the best we have had in a long time. She really gets into her work. And she truly loves working with our residents. She does her job well. Good work, Tamera.

Tamera has exercise classes on Mondays, Wednesdays & Fridays at 9:30 a.m. in the sun room. Please come by and join her.

Residents' birthday party will be Sept. 30 at 3 p.m. Please come by and join us. We would love to see you there.

Until next time, so long...
