

3 INDICTED, 2 CONVICTED

Three indictments were returned Monday by the Parmer County grand jury, and action on two of these was made in district court the following day.

The indictments: Joe Bailey, 17, Paul's Valley, Okla., for burglary of Watkins'

Texaco service station April 21.

Leroy Rittenhouse, 32, Bovina, for both statutory rape and incest, the offenses being against his young stepdaughter several weeks ago.

C. W. Elliott, now in custody of Arizona officials, for cashing a

worthless check of more than \$50 at Beavers' Food in Farwell.

Bailey, who waived the option of trial by jury and pled guilty before District Judge E. A. Bills, was sentenced Tuesday to two years in the penitentiary.

It was his second time to be in trouble.

Rittenhouse, who entered a plea of guilty before a pick-up jury Tuesday, was sentenced to 10 years on the first count (rape) by the 12 men who were out about 1 1/2 hours.

Capital punishment could have been administered in this case, and the minimum sentence would have been five years.

Jurors included H. T. Magness, Elroy Wilson, Wesley Foster, Glenn Reeve, J. G. McFarland, James P. Fortenberry, Willie Williams, G. T. Watkins, Lee Thompson, Troy Armstrong, Roy Hawkins, and T. E. Rhodes.

Those impaneled but not serving were Walter Hardage, Harry J. Charles, Everett Christian, and W. N. Foster.

Sheriff Chas. Lovelace left Wednesday for the penitentiary with Bailey, Rittenhouse, and Joe Miller, who had been held over in the county jail from a previous sentence.

Best in the West

FROM THE HOPPER

By Hop Jr.

Look for juvenile delinquency to go up next year!

The new minimum wage regulations, which become effective in March of 1956, provide that employers shall pay employees no less than \$1 per hour, unless they are exempt from such regulation.

Many businesses and nearly all farms in this part of the Plains are exempt from such regulation. That is, it will not be unlawful for them to continue to hire persons willing to work for less than \$1 per hour.

However, the effect of the law will be such that the exemption will not be worth much in practical terms. Increased from 75 cents to \$1 per hour, the minimum can be expected to touch off higher wages all up and down the line, and no business or individual will escape the effect of the legislation.

For example, large-town jobs which will start no lower than \$1 an hour will drain even more of our small town potential labor supply out from under us.

Worst of all, young apprentices or part-time workers, or workers even partially disabled who are willing to work for less money will be left out in the cold.

If the law says that a manufacturer must start his trainees at a scale of \$1 an hour or more, the possibilities for apprenticeships will be severely limited.

This, we feel, is a great contributing factor to the cause of juvenile delinquency. Young men and women should be delighted with a chance to enter employment on a limited scale and learn skills or trade talents that can enlarge their vocational horizons.

In recent years, though, their minds are becoming poisoned with talk of "minimum wages," as if to suggest that it is something of a disgrace to work for a temporary period at lower wages while learning the business.

They have come to expect something which their employers cannot always provide. They feel they are "entitled" to such-and-such money and conditions.

The truth is, of course, that they are not "entitled" to anything, except, maybe, the right to work, which is fast becoming an unrespected American heritage.

We think that The Tribune's situation is typical. The newspapering and allied printing industry require highly-skilled persons. Top positions command top wages.

How, though, do persons desiring training in these fields educate their minds and hands to the point where they are ready to enter the industry at these top wages?

Few can afford to attend the technical schools of the country where they learn much but earn nothing, and where they must pay a high cost for their formal education at a time when they are young and without financial resources to tide them through their education.

For those reasons, many are delighted at the opportunity of schooling themselves in the weekly field at scales that admittedly start low, but have great possibilities for increases in a short time.

They are, in fact, learning through "on-the-job" training, and being paid for it at the same time! Who can beat a deal like that? Certainly not colleges and technical schools! Yet, look what our legislators are doing to such a wonderful program.

The minimum wage and hour law has its dark implications for the farmer, too.

Now exempt from control under this legislation, the farmer is certainly not guaranteed that he will

Tribune Named Best In West Texas Press

Continuing the most outstanding year on record in competition with other newspapers, The State Line Tribune last weekend received recognition as the best newspaper in West Texas in towns of 3,000 and under.

The award was made at the 25th annual convention of the Association in Colorado City, where it was organized a quarter century ago.

Association President E. B. Harris of the Graham Leader announced the award winners, and presentation of the trophy was made by Roy Fox, publisher of the Colorado City Record, and director of this year's contests.

High Plains newspapers carried off the highest honors of the convention. Jimmie Gillentine of the Hereford Brand took home the trophy for publishing the best newspaper in towns of over 3,000.

There are over 100 newspapers in

the Association.

Representing The Tribune at the meeting were Mr. and Mrs. W. H. Graham Jr. They went in company with Mr. and Mrs. Dolph Moten, who represented The Bovina Blade.

Publisher Graham made a brief talk on agricultural reporting at one of the convention sessions.

Clara Jean Jesko New Queen

An audience estimated to be between 350 and 400 persons were present for the Parmer County Farm Bureau Queen Contest which was held Friday night, August 12,

at the Friona School auditorium. Winner of the event was Miss Clara Jean Jesko, daughter of Mr. and Mrs. Matt Jesko of Lazbuddie. Miss Jesko was sponsored by Clay's Corner Grocery of the Lazbuddie community and was chosen winner from a field of 16 contestants. Runners-up were Carol Blackburn, second; and Zelma Faye Beaty, third.

Miss Jesko was graduated from Lazbuddie High School in June of this year and is 18 years of age. Her future plans include attending college in Wichita Falls and becoming an airline hostess.

Miss Jesko not only received a check for \$100 to be used for her wardrobe for the district queen con-

test to be held in Lubbock, but she was also guest of Cotton John on KGNC-TV on Wednesday evening. She was accompanied to Amarillo by her parents, Mr. and Mrs. Jesko, and Mr. and Mrs. Gilbert Kaltwasser and Raymond Euler.

The contest winner will also appear on the Farm Bureau float which will be entered in the fair parade on Saturday, September 10.

Judges for the contest were Judge Robert Estes and Marvin J. Simms, both of Dimmitt, and Mrs. Glee Conrad, a speech teacher from Fort Worth.

Flowers for the occasion were furnished and arranged by Marcum-Claborn Florists of Friona.

Entertainment was provided by

Vera Ann Jones, pianist; Betty Deaton, Don Lewis, Deniese Magness, Mrs. Eva Miller, Sandra Brock, Helen Hamilton, Arlene Stowers, and Mary Lou, Donna, Linda and Janice Miller.

RULES TO APPLY

The City of Farwell this week stressed its ruling that the dump ground would be opened for public use only on Saturdays. Citizens are urged to comply with the request.

TO MEET TONIGHT

Texico Chamber of Commerce will meet tonight at the City Hall for the election of officers.

Meeting time is 8 p. m. and the public is invited to attend.

CORRECTION

In a story printed last week concerning the Texico Farm Bureau, the Tribune said that the Bureau made a motion to sponsor a booth at the Parmer County Fair. The story should have stated that the group will sponsor a booth at the Curry County Fair.

Hardage To Erect New Store

Farwell's first dry goods store in many years will soon be a reality, following the announcement by Mr. and Mrs. Walter Hardage of their intention to erect a new building on the eastern part of Avenue A (Main).

Lots for the site already have been cleared, and John Cornell of Clovis is expected to begin work on the new building within a few days. He also is building the new Texico grade school building.

The building, which will be 30x60 feet, will be constructed of red tile-brick in the fashion of the new Farwell Clinic, and the business front will be Roman brick and glass.

A storeroom, offices, and dressing rooms will be the only partitions inside the building. The floor will be ceramic tile, and lighting will be of fluorescent type.

Cost of the fireproof structure is estimated at about \$18,000. It is expected to be completed within 45 days.

Mrs. Hardage, who will be manager of the firm, this week said that plans for stock are not yet complete, but that they will feature general lines of ready-to-wear merchandise.

Magness Real Estate To Have New Building

Coincidental with the announcement of a new dry goods building, Clyde Magness, partner with Walter Hardage in the firm of Magness Real Estate, revealed plans for a new building of the same type construction to house that business.

Plans are to locate the 20x40 Magness Real Estate building west of the Hardage building with a space between which later can be sold or built onto.

The Magness building will be of the same general construction and over-all appearance as the Hardage structure, and will be built simultaneously by the same contractor.

Space for two offices will be provided, one of which will be rented out.

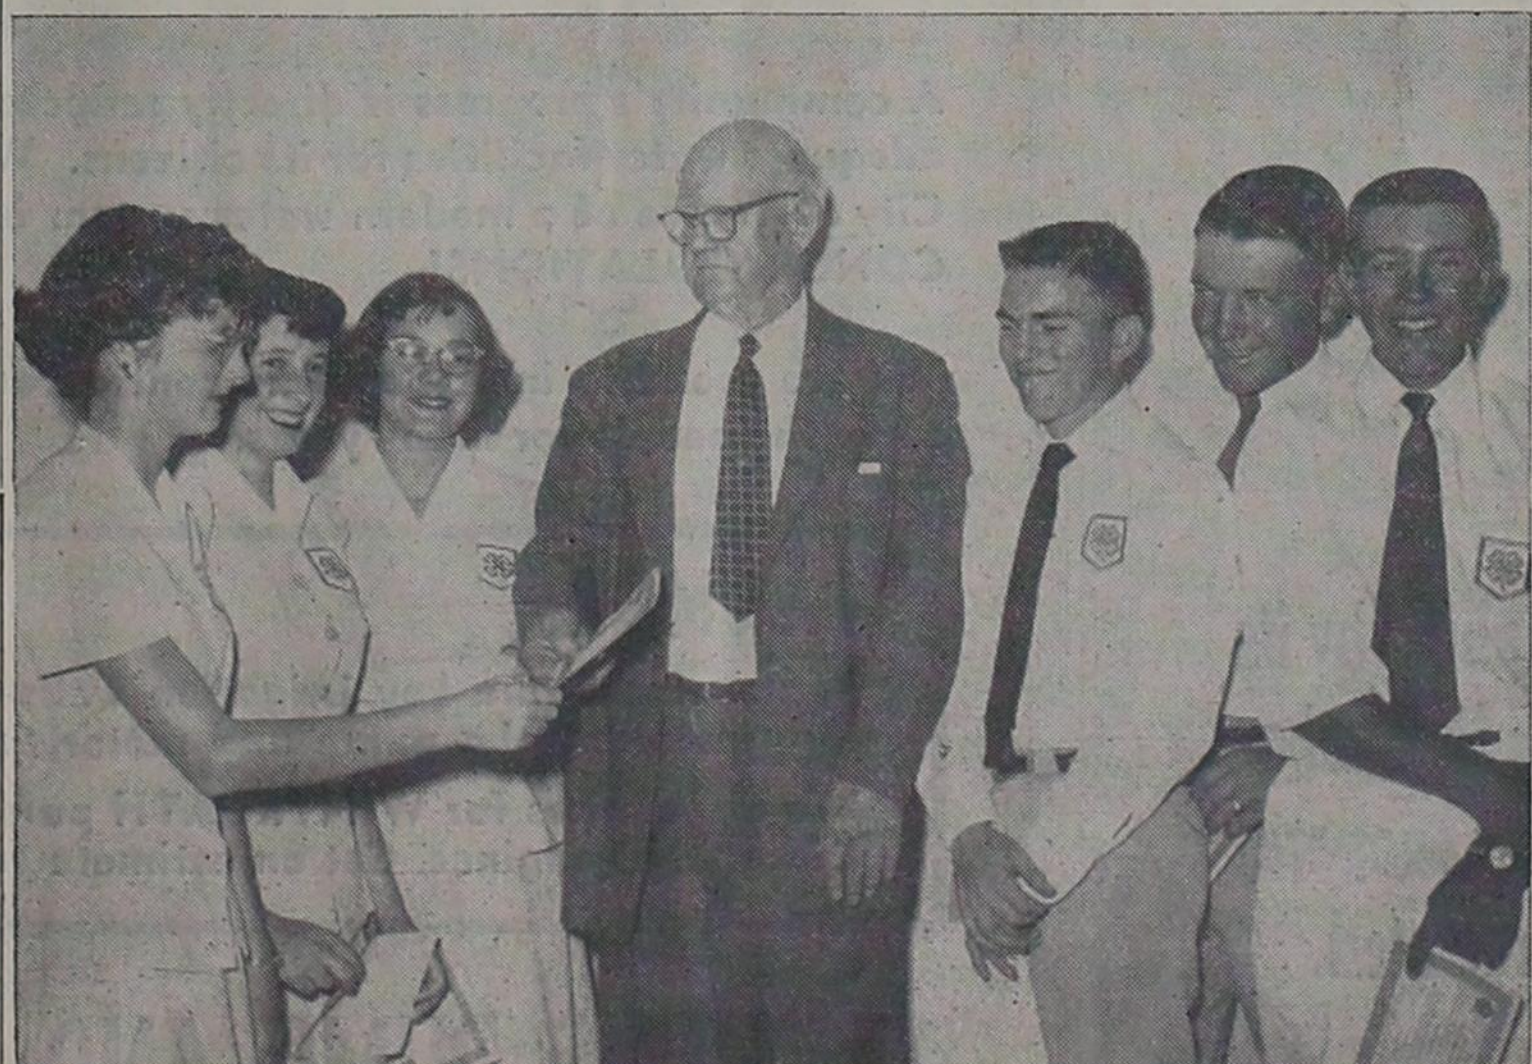

Afternoon Raid Nets Liquor Cache

An afternoon call paid W. H. Hughes, elderly Friona resident, by county peace officers resulted in a sizeable collection of whisky Sunday, and a stiff fine and sentence for the host the next day.

Sheriff Chas. Lovelace, together with Deputies Jim Roberts of Friona and Frank Smith of Bovina, entered the Hughes residence armed with a search warrant and proceeded with a hunt which lasted for about two hours.

To Training Laboratory

Junior Leadership Program winners being presented certificates by County Judge A. D. Smith are, left to right, Joy Crow, Friona; Helen Hartzog, Bovina; Gladys Dean, Rhea; Jerry Henson, Farwell; Leon Langford, Texico; and Julius Bradshaw, Bovina. The Parmer County 4-H Club members will represent District I at the annual Junior Leadership Training Laboratory at Bastrop State Park, August 22-27.

Six County Clubbers Go To Training Lab

Six Parmer County 4-H Club members will attend the Texas 4-H Junior Leadership Training Laboratory at Bastrop State Park, August 22-27, as winners in the annual 4-H Junior Leadership program, it was announced by Extension Service Agents Knox Parr and Miss Doris Leggett. These 4-H Clubbers will be representing District I at the training laboratory.

Parmer County winners in the statewide program are Joy Crow, Friona; Gladys Dean, Route 2, Friona; Helen Hartzog, Route 1, Farwell; Julius Bradshaw, Route 1, Bovina; Jerry Henson, Farwell; and Leon Milton Langford, Route 2, Texico, N. M.

The leadership laboratory is directed by Extension Service personnel, and the 4-H Junior Leadership program is sponsored by United Gas in cooperation with the Texas

Agricultural Extension Service of the Texas A&M College System.

Miss Corinne Stinson, county home demonstration agent, will take the Parmer County girls to the five day meet and County Agent Joe Jones will accompany the Parmer County boys. The group plans to leave Sunday afternoon, August 21. Miss Stinson says that they will stop in Austin for a short sight-seeing tour before going on to Bastrop State Park.

Joy Crow, 14 year old daughter of Mr. and Mrs. W. S. Crow, is a freshman at Friona High School and a member of the Friona Senior 4-H Club. She has been in 4-H Club work for one year and her adult leaders are Mrs. J. D. Mabry and Mrs. J. D. Thompson. She was one of three delegates to the district 4-H camp last year, and she assist-

THE TRIBUNE'S EDITORIAL COMMENT

Here's Hoping the Fair Makes a Comeback

Congratulations and best wishes seem to be in order for Bill Sheehan, secretary, and other officers and directors of the 1955 Parmer County Fair and Dairy Show who are making great strides in laying the foundations of what promises to be an improved exhibition next month.

Sponsorship of such a many-faceted enterprise is a thankless task, nearly always, and it is with a rare surge of pride that we notice these individuals—who have businesses of their own to attend to—taking such great interest in the fair and show.

Though not intending to be uncomplimentary to any person in our remarks, we must recognize that the fair has been something less than outstanding in recent years, the reason not being anyone's fault in particular.

A serious decrease in interest has been the result of a serious decline in the number of dairy and beef cattle, swine, poultry, sheep, and other smaller, but nonetheless important, parts of our county's agricultural economy.

Evenso, an enterprising group of men and women can more than make up the difference in natural possibilities for a fair and show if they set their minds to it, and such seems to be the present outlook.

We sincerely hope that our optimism will be justified a month from now, and we believe it will be.

Good Service

Two weeks ago, with the presstime deadline perilously near, the machinery of The Tribune spun to an abrupt halt. It was Thursday morning, and there had been a power failure.

Employees had just gotten started to checking fuses inside the shop when word was passed that the electrical trouble was not local, and that there had been difficulty somewhere down the line.

Otis Huggins, local SWPS man, scrambled all over the power pole in the alley behind the shop in an attempt to find the trouble. A two-way radio put him in instantaneous contact with generating

Sensible Move

Salutatory recognition should be extended this week to the members of the Farwell school board, who maturely faced up to the problems of race in public education, and, recognizing their allegiance to the highest law of the land, ended segregation at that school last week.

Whether incidental or not, the move proved to be Christian in character, and for this reason, The Tribune applauds it.

week. He (we're positive it was a man and we'd wager we know what man) commented that he would be watching to see if we had the "nerve" to print the letter, but he didn't have the NERVE to sign his name.

—From The Canadian Record—

What's your opinion on a municipal swimming pool for Canadian? Quite a number of people in recent weeks have urged us to bring up the subject publicly, but when we've asked them to express them-

selves for publication in favor of the idea, the answer has almost invariably been "Good heavens no. I can't do that."

These same people won't hesitate to urge the Mayor and City Commissioners, privately, to get something done... or to ask the local newspaper to go to bat for a project... but insist on keeping their own names out of it. This is characteristic of the American people's democracy which we've learned to expect over a period of many years experience, but have never yet completely understood.

It's sensible precaution, of course, of sticking out somebody's neck besides your own, making certain at the same time that your own neck doesn't get stuck out too... the old "Let-George-do-it" philosophy. And it must be a comfortable way of life... we wouldn't know.

If we'd been afraid of sticking our neck out, we'd never have gotten into the newspaper business. And, we suppose, it's part of a newspaper's obligation to the public to dive occasionally into the frying pan to test the heat of the grease. Come on in folks, the water's fine.

Mrs. R. B. Rundell graciously assisted us when we called her Tuesday and inquired about her favorite recipe. She gave us one that seems a good one to serve on hot August days. Maybe you will think so too.

MARSHMALLOW DELIGHT

60 marshmallows
1 cup grape juice
1 pint whipping cream
1 cup pecans
Heat grape juice, then add marshmallows. When melted, place mixture in icebox and chill. When chilled, whip cream, then fold cream and nuts into mixture. The dessert is then ready to serve or may be retained for a later meal.
Thank you Mrs. Rundell.

We like people—if we didn't, we wouldn't have "set our heart" on this profession, where our very livelihood depends on our daily contact with those about us.

But there are times when we get so busy doing the routine work of the paper that we sometimes fail to get some of our best stories. We are constantly thinking and dreaming of ideas to bring us and The Tribune closer to the people we serve.

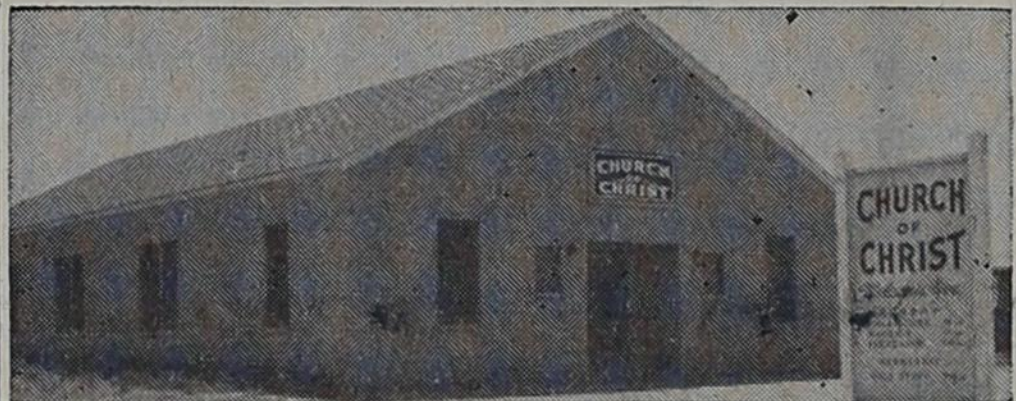

Maybe some of you have some good ideas that would help us. If so, we would appreciate letters from you. If you have an idea that

would make a good story, let us know about it. The best way for us to get the type stories that you like to read, is for you to tell us what you like.

One thought always occurs to us when we attend a convention. Why is it that so many speakers begin a talk with "don't go to sleep yet," "it is a great pleasure to be here" or "I am not qualified to make this address." Since we cannot speak at all, we always can give advice on the art of making an address.

Important Announcement

It gives us great pleasure to announce to the public that we have taken over the operation of Beavers' Food in Farwell, and that the store will now be known as Holland's Grocery and Market.

We are all home-town folks, and we want you to know that we are going to do our very best to continue the fine record of low prices and courteous service which our customers deserve.

This will be a "family-type" business, and you may be assured that we will take a personal interest in seeing that you are satisfied with both quality and price whenever doing business here. We will appreciate your patronage.

Sincerely,
MR. AND MRS. JOHN HOLLAND

I wish to thank all those who were generous with their patronage of Beavers' Food while I have been operating this store in recent months. It has been a real pleasure to have served you, and I have enjoyed renewing old friendships and making new ones while in business here.

The John Hollands are taking over the store, effective this week, and I extend to them my sincerest best wishes for success in their new venture. They are all nice people, as I am sure you already know, and are deserving of whatever consideration you give them.

Again, many thanks for your business while I operated Beavers' Food in Farwell. I have enjoyed it.

HD Council Exhibit Committee Meets

Members of the Home Demonstration Council exhibit committee met Monday afternoon in the office of Miss Corinne Stinson with HD club exhibit committee members to further plans for exhibits for the Parmer County Fair.

The group discussed plans for make-up of the booths and ideas for educational exhibits.

In the open class division (the division open to everyone) there are three classes. Mrs. F. M. Woolbright is in charge of the foods division; Mrs. Joe Brummett is in charge of the clothing division, and Mrs. Dee Brown will have charge of the hobbies division.

Food preparation and preservation will be included in the foods division, and in the clothing exhibits, needle work and sewing will be featured. Handicraft, plants and flowers will be shown in the hobbies division.

Ladies present and the clubs they represented at Monday's meeting included Mesdames E. W. Tatum, Black; John Sikes and T. J. Hopingardner, Bovina; Ernest Kube, Farwell; Joe Brummett, Billy Dean Baxter and F. M. Woolbright, Hi-Point; Edgar Walters, Hub; Johnny Hand, Lakeview; Davis Gulley and A. E. Redwine, Midway; W. M. Turner and Clarence Johnson, Oklahoma Lane; Floyd Brookfield, Greenacres; Dennis Robards and John Wright of Northside, and Miss Corinne Stinson, county home demonstration agent.

Thirty-Three Guests Attend Dial Recital

Mrs. Ruth Wilson, piano instructor of Portales, N. M., presented Miss Gloria Dial, daughter of Mr. and Mrs. G. M. Dial, in her senior piano recital at the Farwell music room on Tuesday night, August 16.

Numbers played by Miss Dial included "Maleguena" and "Andalucia" by Lecuona; "Deep Purple," "Starlit Hour" and "Royal Blue" by de Rose; "Bumble Boogie" by Fina; "Ritual Fire Dance" by de Falla; "Claire de Lune" by Debussy; "Norwegian Concerto" by Grieg and "Prelude in C Sharp Minor" by Rachmaninoff.

Guest soloists at the program were Ronny Dial, Miss Bobbie Richardson and Mrs. Mona Hardage.

Dial sang "Learnin' the Blues" and "Unchained Melody," Miss Richardson sang "Tenderly" and Mrs. Hardage sang "Some Enchanted Evening."

Benjy Dial and Mickey Rundell were ushers.

At a reception held in the home economics building immediately following the recital, refreshments of cookies, lime sherbet punch, nuts and mints were served to 33 guests.

The serving table was laid with a lace cloth and was centered with

an arrangement of roses. Completing the table decorations were a crystal punch service and green tapers in crystal candelabra. Summer flowers were arranged throughout the reception room.

Mrs. Bill Liles presided at the punch bowl and Mrs. G. M. Dial and Mrs. Liles greeted the guests at the door.

Miss Dial wore a white formal of lace and net. Members of the reception party also wore formal.

Mrs. Ruth Wilson presented Gloria with a book of music containing advanced pieces which she will study while attending college.

Double-Ring Ceremony Unites Local Couple

Miss Lucille Carpenter, daughter of Mr. and Mrs. Lon Carpenter of Farwell, and Buddy Gulley, son of Mr. and Mrs. O. G. Gulley of Oklahoma Lane, were united in marriage on Thursday afternoon, August 11, in a double-ring ceremony read by Rev. W. E. King in the Central Baptist Church of Clovis.

Mrs. Joe Carpenter, sister-in-law of the bride, was matron of honor. Joe Carpenter, brother of the bride, served as best man.

The bride was attired in a blue street length dress featuring a fitted bodice and high neckline with a Chinese collar accented with a tiny black bow. The full skirt was gathered onto the scalloped bodice. She had pink accessories and wore a corsage of pink rosebuds.

The matron of honor wore a dress identical to that of the bride. She also had pink accessories and wore a pink rosebud corsage.

For something old, the bride carried a white handkerchief belonging to Mrs. Gully, mother of the groom. Something new was her dress and something borrowed and blue was a blue garter belonging to the matron of honor.

After a wedding trip to Ruidoso, N. M., the couple is at home in Texico where Gulley is engaged in farming.

Gully attended Farwell Schools and Mrs. Gulley would have been a junior there this year.

Birthday Party Given Sunday

Miss Tracy Lee McDaniel was honored on her eighth birthday with a party given Sunday afternoon at the home of her grandparents, Mr. and Mrs. Ralph Humble. Her other grandparents, Mr. and Mrs. E. E. Booth, also assisted at the party.

Those present for the occasion were Peggy Eason, Mike Booth, Tracy's three brothers, Dana, David and Leslie, Mrs. Dorothy Eason, Mr. and Mrs. Booth, Mr. and Mrs. Humble and Tracy's mother, Mrs. Jacquetta McDaniel.

The McDaniels are from Melbourne, Fla., and have been visiting here for several weeks.

Esther SS Class Elects Officers

Esther Sunday School Class of Farwell Baptist Church met Monday night in the home of Mrs. Calvin Murray for the election of officers.

Newly elected officers include Mrs. Fred Curtis, president; Mrs. Clarence Johnson, vice-president; and Mrs. Weldon Rundell, secretary-treasurer. Mrs. Joe McWilliams was re-elected teacher of the class and Mrs. Pat Patrick was elected assistant teacher.

Group leaders elected were Mrs. Raymond Martin, Mrs. Calvin Blain and Mrs. Bill Barnes.

Mrs. Wendol Rundell led the devotional for the evening and the group enjoyed a social hour after the business meeting. Those present included Mrs. Calvin Blain, Mrs. Raymond Martin, Mrs. Joe McWilliams, Mrs. Fred Curtis, Mrs. Weldon Rundell, Mrs. Cecil Rundell, Mrs. Bill Barnes and the hostess, Mrs. Calvin Murray.

Tuckers Return From Colorado

Mr. and Mrs. R. B. Tucker and children, Emalee and Doug, returned last Friday from Gunnison, Colo., where they attended summer school at Western State College.

Tucker attended biology lectures and Mrs. Tucker completed her supervisor's certification under one of the most outstanding supervisors in the Southwest, Miss Mildred S. Kiefer of Phoenix, Ariz.

Teachers in Farwell Schools, both Mr. and Mrs. Tucker hold Master's degrees from Western State College.

Tucker holds a Bachelor of Science degree from Southwestern Tech College in Oklahoma and Mrs. Tucker has a Bachelor of Science, summa cum laude from Southwestern Tech.

Darlene Hromas to Start to School

Miss Darlene Hromas, daughter of Mr. and Mrs. Charlie Hromas, learned from her doctor recently that she will be able to return to school this month.

Darlene has had to spend much time resting since early May when she was suffering from rheumatic fever, and Mrs. Hromas says that she will have to continue to rest daily for awhile.

Twins Plan Double Wedding

BETTY DONAHEY

PEGGY DONAHEY

The engagements and approaching marriages of their twin daughters, Misses Peggy and Betty Donahey, are being announced by Mr. and Mrs. H. E. Donahey of Texico, N. M.

They will become brides at a double wedding ceremony at the Texico Baptist Church on Sunday, October 2, at 2:30 p. m. (MST). All friends of the couples are invited to attend.

Miss Peggy Donahey will wed Coke Cates, Jr., son of Mr. and Mrs. C. C. Cates of Broadview; and Miss Betty Donahey will become the bride of Lt. Wilfred L. Johnson of Clovis Air Force Base. He is the son of Mrs. Charles Johnson of Pittsburgh, Pa.

Attendant for Peggy will be Miss Viva Davis. Mrs. Jack Davis will attend Betty. Serving in the bridal party will be cousins of the brides.

Betty and Peggy attended school at Pleasant Hill for 11 years and were graduated from Texico High School. Betty was salutatorian of their graduating class and Peggy was co-salutatorian with less than a one point difference in their grades.

At the present time Betty is employed at Southern Union and Peggy works for Farmers Electric, both in Clovis.

Rainbow Girls Plan Memorial Service

Misses Celia Berry and Carol Hammonds were initiated into Rainbow for Girls, Assembly 158, on Monday night, August 15. After the initiation ceremony, the girls were served refreshments of cookies and Kool-Aid.

Practice date for their memorial service was set for Friday night, August 19, at 7:45 at the Masonic Hall in Bovina. After the practice session, the group will go to Clovis for bowling or swimming. They will also have a picnic supper and a slumber party that night.

The memorial service will be held on Monday night, August 29, at the Masonic Hall. A cordial invitation is extended to all former Rainbow members to attend.

Election of officers will be held on Monday night, September 5.

Mrs. Anne Overstreet Honored On Birthday

Mrs. Anne Overstreet was honored on her 82nd birthday Wednesday afternoon of last week when some 50 of her friends and neighbors called at a reception given for her by her daughter-in-law, Mrs. Hamlin Overstreet.

Summer flowers decorated the house, and the table, laid with a cut work linen cloth, was centered with an arrangement of Shasta daisies and roses flanked by crystal candelabra holding pink tapers. A three tiered cake of pink and white, decorated with candy corsages, and fruit punch were served to the guests.

Lawrence Overstreet, son of Mrs. Anne Overstreet, played piano selections throughout the afternoon.

Mrs. W. W. Vinyard and Mrs. A. D. Smith presided at the punch bowl and Mrs. W. H. Graham Sr. and Mrs. J. D. Thomas served cake. Mrs. Bess Mansfield assisted the hostess.

Clovis Shrine Circus
Coming August 21-22

Local circus fans have it straight from the lions' mouth—and the Clovis Shrine Drum and Bugle corps, sponsors,—that the world-famed Gal G. Gray Shrine circus is coming to Clovis for the second successive year for a two-day stand at Bell Park, Sunday and Monday, August 21 and 22.

Upper and lower grandstand seats will be available for youngsters of all ages at the three performances scheduled for Sunday matinee only at 2:30 and Monday at 2:30 and 8:15 p. m.

Rated as America's No. 1 outdoor-indoor Shrine circus and claiming more performing trained animals and more "imported" aerial and acrobatic artists than any other circus in the nation, the big outdoor "big top" will present 46 acts from three stages and barred arenas at its two and one-half hour performances.

Popular priced general admission seat tickets are on sale by Shriners in Clovis and neighboring communities and reserved seats will be on sale at box offices starting one hour before the performances at 2:30 and 8:15 p. m., according to Mark Sellars, general chairman of the Shrine Corps sponsoring committee.

Manager Gives Weather Hints

"There's only one thing you can do about the weather besides talk about it, and that's prepare for it," Tom Wagner, local manager for Southern Union Gas Company, reminded local residents this week.

Wagner pointed out that icy winds and winter storms are not too far away. Southern Union prepares during the summer for unusually severe winter weather, by storing surplus gas in its peak shaving plant in Albuquerque and in underground storage plants near Artesia and Farmington.

With storage units and the ever-ready supply of gas for heating, homeowners are assured of a constant supply of gas, even in the coldest weather. Sudden storms or wind do not interfere with gas deliveries, since gas comes to you from protected underground pipelines steadily and unfailingly—on good days and bad—every day throughout the year.

Wagner urged local residents to prepare for the cold, winter months now during Southern Union's gas heating campaign. There's the advantage of getting immediate installation on heating equipment between August 15 and September 23 and the additional advantage of paying nothing until December 1.

When shopping for gas heating equipment, look for the American Gas Association's registered blue star approval seal, Wagner advised. This means that units bearing this seal have successfully complied with the gas industry's approval tests and performance standards.

Basic models of more than 95 percent of all gas equipment sold in the United States have been tested by the A.G.A. laboratories for safe operation, durable construction and efficient, dependable performance. Later appliances, of the same model tested, are checked by the laboratories periodically.

Nature provides the bear with a thick fur coat for winter. But local residents must provide their own means of keeping warm and gas heating is the proven favorite of the Southwest.

With automatic gas heat control, changing temperatures inside the home become a thing of the past. You simply set the thermostat for the desired temperature, then the automatic control takes over for the entire heating season.

Some central heating units and floor furnaces have push-button ignition of the pilot light which makes it possible for the owner himself to put the unit back into operation in the fall, after it has been turned off during the summer.

The versatility of gas heating offers householders their choice of heating an entire house or just one room.

Gas room heaters serve the small home well and can serve as supplementary heaters in a large home. Floor furnaces and circulating heaters also are popular because several rooms, or a small home, can be heated with one unit. The number of rooms heated varies according to the size of the unit, as well as its placement in the house.

Most every man knows his own business, but it is often difficult to make his neighbors believe it.

IT'S PERFORMANCE THAT COUNTS!

CAPTAIN JOE S. ANDERSON tells why he uses Flite-Fuel

"I'm Captain of an American Airlines DC-7 Flagship. I know that Phillips 66 Aviation Gasoline is outstanding for performance because we use it regularly. In 'Avgas' it's performance that counts... and I judge automobile gasoline the same way. In my car I use Phillips 66 FLITE-FUEL. FLITE-FUEL is the only automobile gasoline with added Di-isopropyl, a high-powered aviation fuel component. It gives wonderful performance in my car."

NEWS FROM LAZBUDDIE

JIM GORDON, CORRESPONDENT

Youth Rally Held At Hereford

The regular meeting of the Tierra Blanca Youth Rally was held in the Temple Baptist Church in Hereford.

This was the third birthday of the Rally; so a special birthday program was held.

A girls' sextet from Friona brought the special music, and Elliott Pogue, of Tulia, second president, presented a short history of the Rally.

Rev. Jamie Tidenberg, formerly of Bovina, now of Hardin-Simmons University, spoke on the subject, "What It Might Have Been."

New officers elected included, president, Charles Fields, Friona; vice-president, Jerry Henson, Farwell; publicity chairman, Carolyn Viden, Hereford; song director, Jerry Andrews, Oklahoma Lane; pianist, Janice Vice, Tulia; secretary-treasurer, Charlene Lee, Summerfield; recreation chairman, Ola Jean Baldwin, Friona; and pastor counselor, Rev. Don Larkin, Summerfield.

There was a total of 152 persons at this meeting with 150 members and two visitors present.

The Barney Floyds, accompanied by Leonard (Chunk) Smith, Dan

Smith and Andy Fuqua, left Monday for a week's trip to Minnesota.

Mr. and Mrs. Bill Sherley and son, Billy Bob, are here from Anna, Texas. They will remain here for an indefinite length of time.

Return from Trip

A group of eight boys and the FFA sponsor, J. N. Black, returned recently from a four day FFA sponsored trip.

The group visited Santa Fe, Red River, and Las Vegas, New Mexico and camped out at night. Those making the trip were Leon Smith, Leon Wilson, Jim Roy Daniel, Leland Gustin, Mack Hall, Kirby Carrell, Ronnie Ivy and James Gilmore.

It was reported that they saw lots of pretty scenery and had a wonderful time.

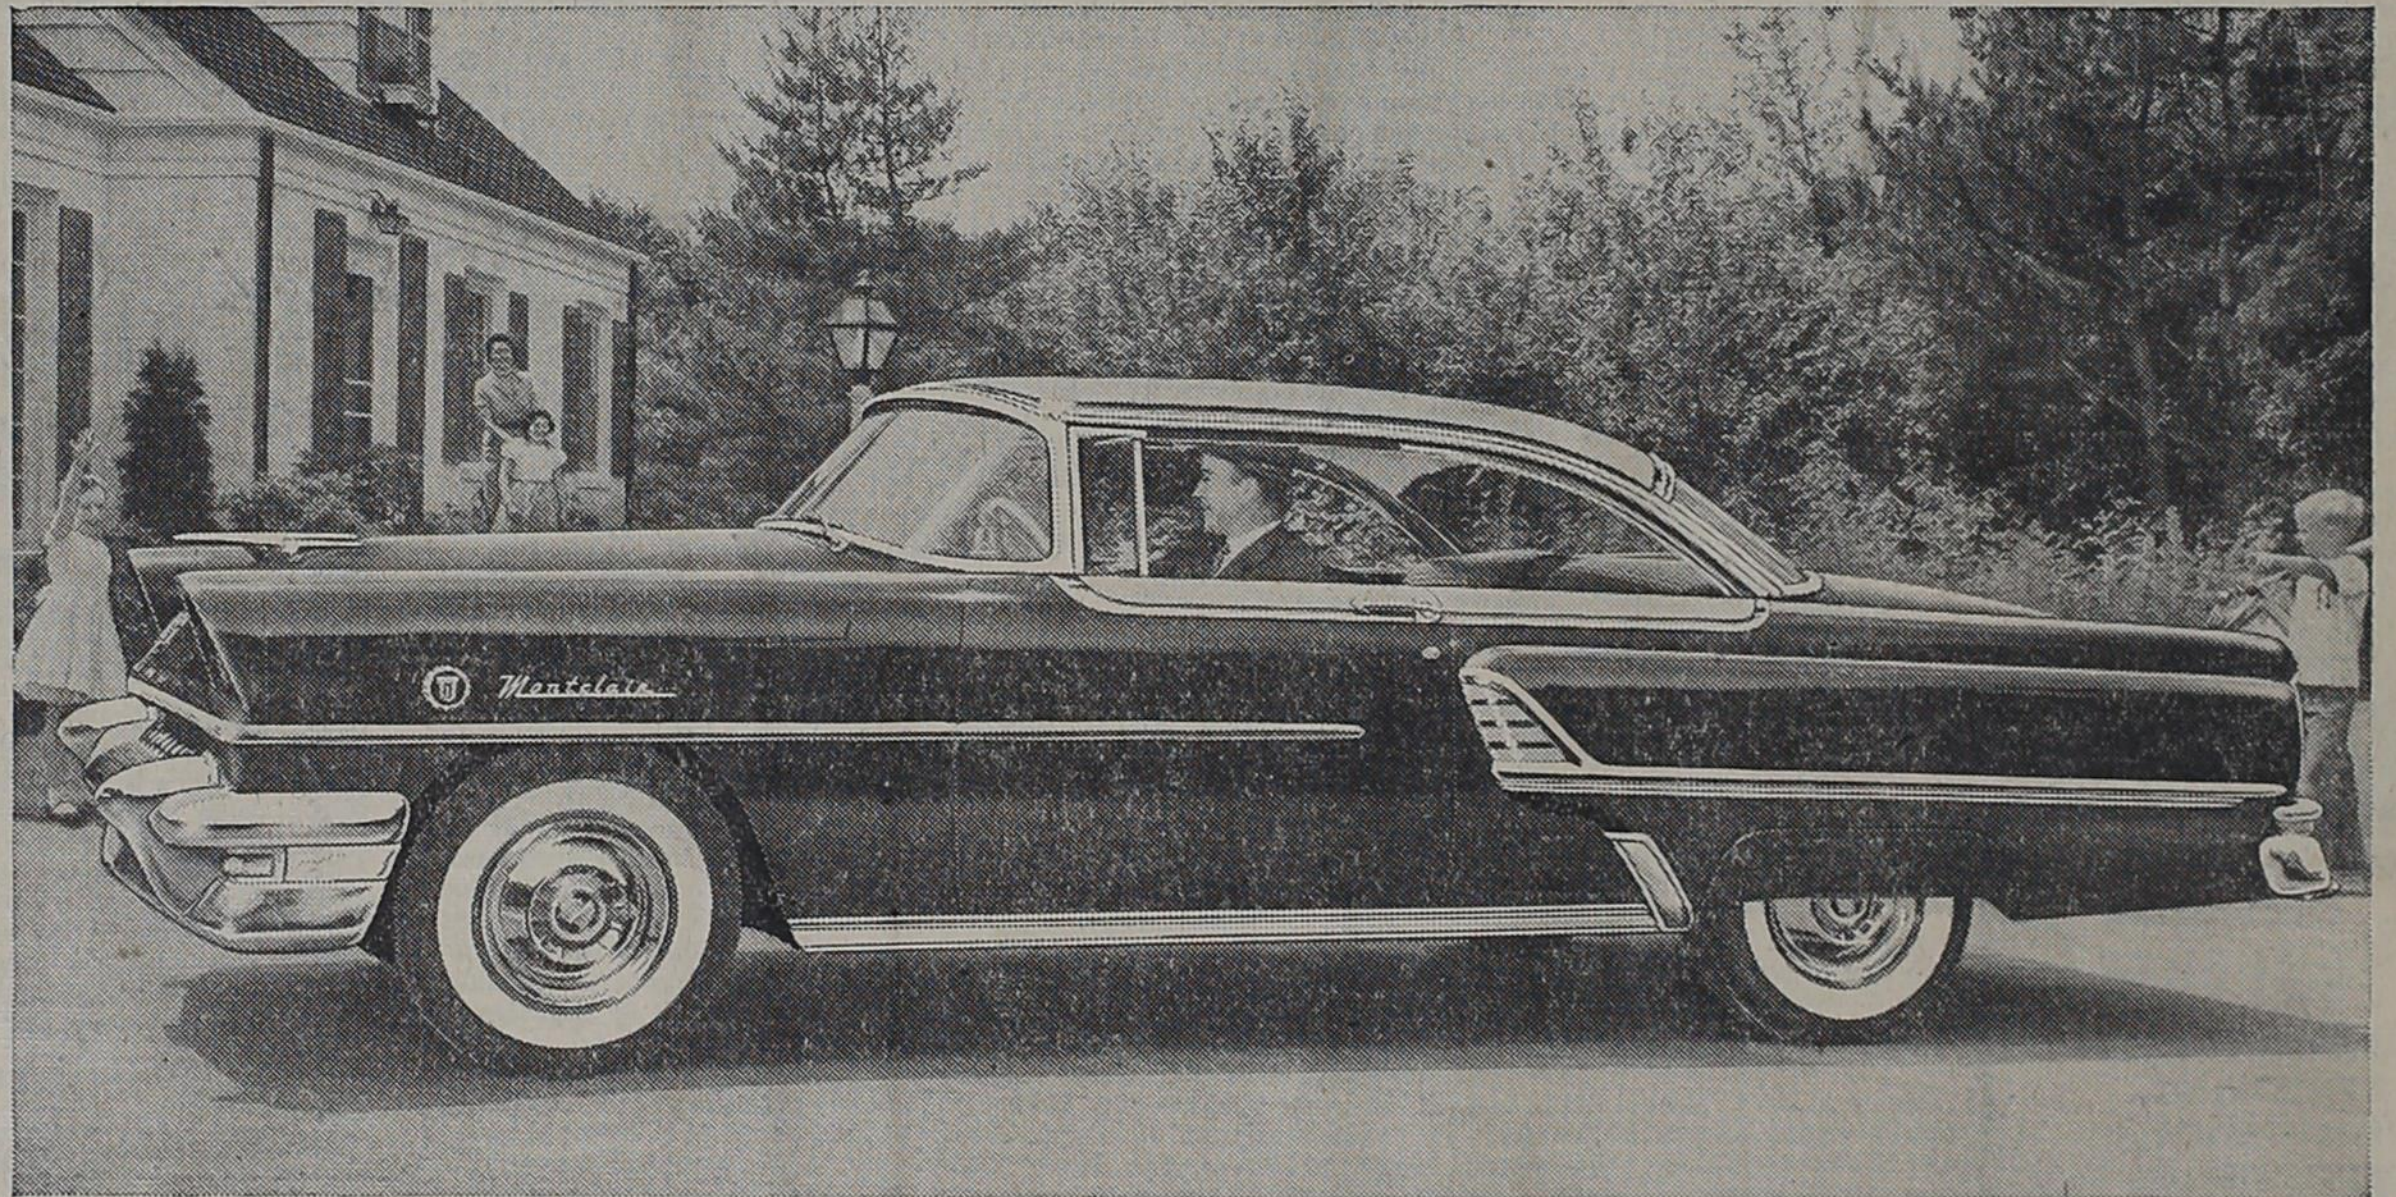

WORK BEGINS ON SCHOOL

Work began Monday on the foundations of the new buildings which are to be erected on the campus of Lazbuddie schools.

The cafeteria will be located in the old auditorium and the old building, which formerly housed the cafeteria, has been transformed into four new classrooms.

A very welcome addition to the equipment in the lunchroom will be an automatic dishwasher.

Mercury beauty, power and resale value boost sales to record high...

And record sales mean record deals. Cut your cash outlay by acting now—get a far bigger allowance for your present car.

It's worth a trip to our showroom just to hear the figures! For it's never been easier than right now to own a Mercury.

HIGH-VOLUME DEAL—Mercury's record-breaking popularity now permits us to operate on a much higher-volume basis. We can offer the best deals in our history. And, remember, a Mercury deal means far more than just a low price. Look at what you get:

EXCLUSIVE STYLING—No "look-alike" styling for Mercury. You get fresh, distinctive beauty—styling shared by no other car.

SUPER-TORQUE POWER—You get more than just high horsepower (188 and 198 hp)—you get far more usable power. More power is put to work in pickup and passing speed ranges—where you can

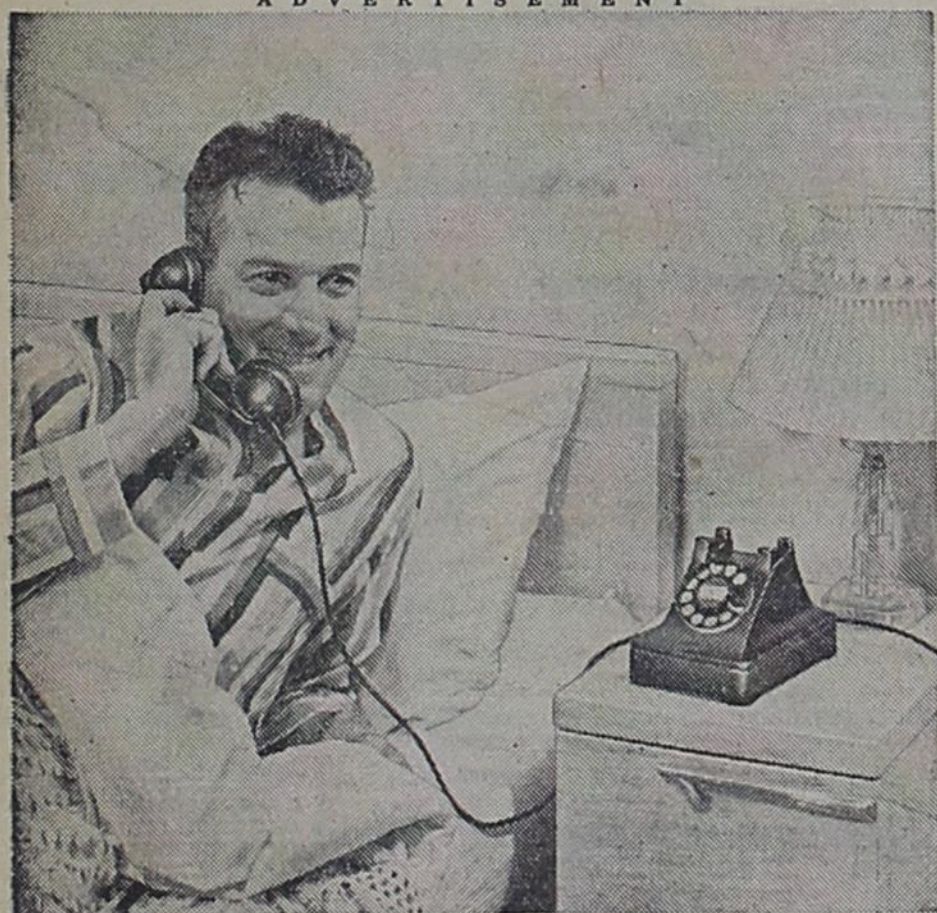

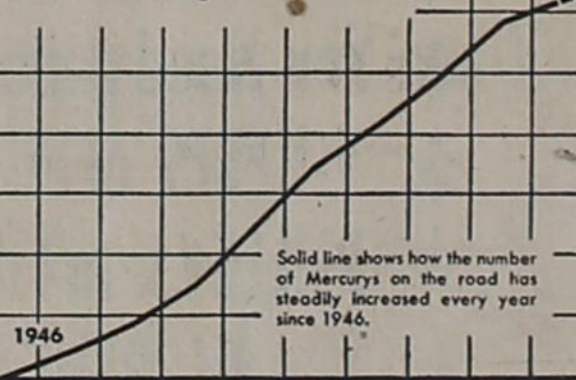

use it for everyday driving, not just for high speeds.

EXTRA-VALUE FEATURES—Only Mercury in its field offers you so many important extras at no extra cost. For example, a 4-barrel carburetor on all models. Special 18mm anti-fouling spark plugs. Ball-joint front suspension. And dual exhausts on all Montclairs and Montereys, and Custom Station Wagons.

CONSISTENTLY HIGHEST RESALE VALUE—Mercury protects your investment better than any other car in its field. Independent reports show that Mercury consistently returns more of the original purchase price at trade-in time. In short, no other car offers you bigger reasons for buying it. And you couldn't pick a better time to get a deal on a new Mercury. So why wait? See us today.

THE BIG MOVE IS TO MERCURY

Mercury is setting new sales-records every month. More than 2,000,000 Mercurys have been bought since 1946.

NEWS FROM THE FARM BUREAU
By **RAYMOND EULER**

Cotton growers and ginners will appreciate the program Friday night, August 19 at 8:30. John T. Gregg, West Texas District Representative of the National Cotton Council, will conduct the meeting, designed to help you know the problems of marketing cotton, and what you can do about it. Betty Hawkins and her western band will furnish entertainment from 8:30 to 9:00.

Tuesday morning at 9, August 30, Darwyn Metcalf, of A&M Extension Service at Texas Tech, and Mr. Roberts, Chief State Grain Inspector, also of Lubbock, will be ready to leave the Farm Bureau office with weed committee members and farmers interested in checking fields planted to certified seed. It seems that there are excessive amounts of foreign plants present this year.

Mrs. Cynthia Bell, who spent five weeks with us, rearranging office files and working with Glenda, left for Michigan last Saturday. We feel that the office can render even better service to you since she has been here.

Glenda Rickerd, office secretary, will leave for Waco next Sunday morning where she will attend a secretary's training school with other Farm Bureau Office Secretaries. She will return home Wednesday evening.

Clara Jean Jesko, daughter of Mr. and Mrs. Matt Jesko, of the Lazbuddie community, was crowned Parmer County Farm Bureau Queen for 1955, Friday night. She received a \$100 check for further outfitting in which to appear in the district contest in Lubbock in September. She appeared on Cotton John's Farm and Home TV Program Wednesday night on Amarillo's KGNC. Farm Bureau float will be graced with her presence in the fair parade, September 10. We are proud of her, and hope she wins in the district, too. We thought

Seven Conference Tilts for Steers

Farwell Steers will open the 1955 season with a non-conference tilt with Melrose at Farwell on Friday, September 9. Other non-conference games include Farwell at Groom on September 16, and Friona at Farwell on September 30.

Conference games for the locals are Farwell at Whitharral, October 7; Anton at Farwell, October 14; Farwell at Amherst, October 21; Plains at Farwell, October 28; Hart at Farwell, November 4; Farwell at Bovina, November 11; and Farwell at Kress, November 18.

Eleven lettermen from the Steer squad were lost via graduation last year with 10 returning lettermen expected to report for workouts on Monday, August 22.

Farwell at Lazbuddie on September 8 starts the season for the B squad with five other games scheduled for this group.

Farwell at Friona, September

22; Lazbuddie at Farwell, October 6; Farwell at Anton, October 20; Friona at Farwell, November 11; and Anton at Farwell, November 17, completes the schedule for the 1955 B team.

Paper cutters were unknown in the early days of Texas newspapering. Editors placed the pages along a straight edge somewhere and cut the paper with a pocket knife or a half moon knife such as saddlers used.

J. P. Bridges, founder of The Luling Signal and father of the present publisher, Hal Bridges, was elected Texas Press Association president in 1888 at a convention held in Dallas. The Signal was established in 1878.

One of the first addresses made before a Texas Press Association convention was in advocacy of better educational facilities for the state. It was delivered by T. J. Girardeau of The Houston Post sometime in the early 1880's.

ed in various skits on grooming and electrical safety.

Miss Crow has taken part in the dress revue, county bake show, attended two county-wide recreational training schools, and has served on numerous club committees in carrying out projects for community service and club activities. She has served as recreational leader for her local 4-H Club, and was a member of the county planning committee for a recreational school.

Fourteen year old Gladys Dean is the daughter of Mr. and Mrs. Elmo Dean. A freshman at Bovina High School, Miss Dean is a member of the Bovina Senior Club. She has been a 4-H'er for one year and has Mrs. Earl Stevenson as her adult leader. Last year she received a red award in the county dress revue. She assisted with registration at the county rally day, presented a skit on grooming, entered the dress revue and county bake show, and attended two county-wide recreational schools. She also helped plan and direct the community Christmas party and the polo drive in her community. Miss Dean was president of her local 4-H Club last year and is a member of the county recreational committee.

Miss Hartzog, 16 year old daughter of Mr. and Mrs. A. L. Hartzog, is a junior at Bovina High. She is also a member of the Bovina Senior 4-H Club, has been in 4-H work for one year, and has Mrs. Stevenson as her adult leader. She won the blue award at the county dress revue last year, helped direct basket making at the county rally day, entered the dress revue, and presented a demonstration on table setting. Miss Hartzog also took part in the record training meeting, and assisted with the Texas Friendship for Korea program conducted by her local club. She was president of her local club in 1954, vice-president in 1954-55, and has served on several club committees.

Bradshaw, 16, is a sophomore at Bovina High. He is the son of Mr. and Mrs. H. D. Bradshaw, has been in 4-H work for four years, and is a member of the Bovina 4-H Club. Wendol Christian is adult leader. Bradshaw has won numerous first, second, third and fourth place ribbons for his pigs in county livestock shows. He is active in the county fair and 4-H demonstrations including showing swine at the county livestock show. He has also attended county recreation schools.

Henson, 15, is a junior at Farwell High School and a member of the Farwell Senior 4-H Club. He is the son of Mr. and Mrs. Clay Henson, and has been in 4-H work for six years. His adult leader is Harold Carpenter. He has been county Gold Star boy, and received the county leadership medal presented by the Farm Bureau. His 4-H demonstrations and activities include public speaking, safety, animal husbandry, field crops, recreation and rural arts and leadership. He has been treasurer, secretary, vice-president, and reporter of the county organization, and district secretary and treasurer.

Langford, 19-year-old son of Mr. and Mrs. Elmer Langford, was graduated from high school in 1953. He has been in 4-H work for 10 years and is a member of the Farwell Senior 4-H Club. Mr. Carpenter is adult leader. He has won county, state and national awards in home grounds beautification, a county award in safety, and has had several champion and reserve champion steers in county and district shows. His 4-H demonstrations include steers, swine, beef breeding cattle, and home grounds beautification. He has entered numerous livestock and grass judging contests, and has attended leadership schools in the county. Langford has been secretary, vice-presi-

The Parmer County office of the Farmers' Home Administration in the courthouse will be closed today and tomorrow (Thursday and Friday) because of the state-wide FHA meeting in San Antonio.

Grade Schoolers to Start Season 15th

Coach Shelby Jobs announced this week that prospective members of the Farwell grade school football team will report for suits on Monday morning, August 29. Squad members will wear new white knit pants, white jerseys with blue numerals and white plastic helmets.

First game of the '55 season for this group will be on Thursday night, September 15, when they meet the Lazbuddie grade school team at 7:30 at Farwell.

Among the team prospects are Benjy Dial, Jerald Gober, Carroll Huggins, Jerry McCuan, J. F. Mount, Bill Owens, Mike Paine, Tommy Wurster, Tommy Williams, Vernon Conner, Robert Carytel, Danny Cruise, Larry McDorman, Jimmy Hardage, Don Hendrickson, Larry McDorman;

Also, James Fielding, Eddie Collins, Joe Hughes, Loyd Cain, Jerry Vestal, Mickey Rundell, James Burleson, Robert Tomlinson, Bobby Curtis and Herman Harrison.

Schedule for the team includes Lazbuddie at Farwell, September 15; Farwell at Bovina, September 29; Hart at Farwell, October 13; Farwell at Hart, October 27; Farwell at Lazbuddie, November 3; and Bovina at Farwell, November 10.

dent, and reporter of his local 4-H Club, and vice-president of the Boys County 4-H Committee.

The group will return home Saturday, August 27.

Bureau Group Eyes Bindweed, Wheat, Certified Sorghums

(Continued From Page 1)

The meeting with an official of the Santa Fe in Texico Monday was the first step taken in this direction, and committeemen hope for good results to come from the meeting.

Farmers of the area are reported to be concerned over the recently announced decision that ACP payments on bindweed control measures will be discontinued after this year.

As of now, farmers can receive cooperation from the government when purchasing control chemicals such as sodium chlorate, and the assistance amounts to about one-half of the cost.

If that phase of the ACP program is ended, as it appears it will be, the bindweed control program will likely slow down.

Gilbert Kaltwasser, county Bureau President, has advised that the organization is working for reinstatement of the assistance program.

In connection with recent publicity given the alarming quantity of wheat which the nation produces that is of poor grade and usually unsuitable for milling, the committee endorsed a promotion program aimed at improving county standards in wheat production.

They agreed to encourage dealers to bring in good seed wheat, and to publicize their efforts through newspapers.

Kaltwasser contacted dealers in Farwell and Lariat Monday, and reported enthusiastic response to the program which the committee is undertaking.

Bruce Parr is to contact Friona and Black dealers, and Archie McCutchan will see Bovina dealers about the work.

RAID—

(Continued From Page 1)

In all, they uncovered ten cartons, of whisky, although not all of them were full. Sheriff Lovelace reported that Hughes had done a good job of concealing his merchandise, and that some difficulty was encountered in recovering the evidence.

Most of the whisky was stored in Hughes' home and the chicken-house.

He was subsequently charged with possession of intoxicants for the purpose of sale in a dry territory, and Monday entered a plea of guilty in Judge A. D. Smith's county court.

Judge Smith assessed the defendant \$500 and costs, and instructed him to be placed in jail for 30 days.

It was Hughes' fourth offense in as many years.

ANNOUNCE HOMECOMING

Summerfield's 5th annual homecoming will be held at the Baptist Church on Sunday, September 4. Families are requested to bring basket lunches, and cups, forks and plates for all family members.

Church services will be held at 11 a. m. and lunch will be served at 12:30 p. m. A program has been planned for the afternoon.

The homecoming committee urges interested parties to attend.

HOPPERS—

long so remain. There is, in fact, a current move underway to expand coverage of the law to all major agricultural areas—including the High Plains.

The confusing "area of production" section of the law is still on the books, and poses the threat of immediate change, depending on the interpretation of administrators and the courts of the land.

We think that farmers would not be affected as severely by the minimum wage provisos as they would be by the limitation which would be placed on working hours, should control ever come that far.

Imagine the impossibility of a demand from organized farm laborers that they work only 37½ hours per week—right through harvest season!

These things are not figments of our imagination. Such threats to all of us are as real as an atomic war.

Organized labor is forcing big industry to dance a jig with their wage demands. Big industry has an "out," however. They can pass the increased costs of production on to the consumers.

Can WE do that?

Football Workouts To Start Monday

Fall football workouts for the Farwell High School Steers will begin on Monday morning, August 22, at 7 o'clock, according to Russell Young, head coach, and Calvin Murray, Farwell athletic director. All boys interested in trying out are requested to report to the Field House on that morning.

Workouts will be held twice daily, 7 a. m. and 7 p. m., prior to the opening of school on August 29.

Returning lettermen from the A squad include Troy Christian, fullback; Harvey Lesly, tackle; James Norton, guard; Jerry Owens, guard; Gerald Hardage, center; Truitt Hardage, halfback; Lee Jesko, end; Jimmy Schell, halfback; Rolland Hillock, guard; and Tommy Lovelace, quarterback.

B squad returning lettermen are Wayne Jesko, center; Larry Cooper, center; Darrell Garner, end; Johnny Gulley, end; Eugene Merriam, guard; Doug Hillock, guard; Leon Jamison, end; Glyn McDorman, end; Glyn Hardage, guard; Preston Cain, tackle; Sam Pool, halfback; Dean Jones, guard; and Jesse Meeks, halfback.

Among those expected to report for workouts include the above mentioned and Eddie Smith, Jerry Don Utsman, Dean Smith and Dan Hammonds.

Prospective team members from the junior class include Jerry Henson, Jerry Venable, Duane White and Clive Huggins.

Nine of 13 sophomores were 1954 B squad lettermen. Others

on the roster include Mitchell Walls, Melvin Hendrickson, Jack Conner and Jerry Turner.

Freshman hopefuls include Johnny Lovelace, Gerald Christian, Owen Huffaker, Freddy Magness, Dickie Williams, Dale Merriman, Larry Jesko, Morris Reed, Jimmy Martin, Doyle Goldsmith, Mike McManigal, Neil Anderson, Cyrus Dale, Paul Harriman, Arnold Taylor, Phillip Berry, Roland Dale, Buster Harriman, Frank Hammonds, Bobby Lesly and Jackie Stancell.

The 1955 schedule for the Steers may be found elsewhere in this issue.

Juan S. Hart, publisher of The El Paso Times, was elected president of the Texas Press Association at a convention in 1890 at Houston. After the meeting, the members toured Galveston and went on special train to visit Fort Worth.

WORLEY GRAIN

HERB POTTS, Manager

THE BEST HE'S EVER SEEN

Walter Watson declares that this stand of corn is the best he's ever seen in his long experience with the crop. To indicate the possibilities he sees in this handsome stand, he is shown here counting the shoots from the main stalk, which number seven on this particular plant. That's outstanding plant development, maintains Watson.

Watson Farm Is Area's Showplace

A showplace of agriculture is the Lariat farm of Walter Watson, Garland seed producer, who has brought big-scale seed production to the Parmer County area for the first time.

Watson, who with his brother own the Ferris Watson Seed Company of Garland, one of the largest seed firms in the Southwest, several months ago purchased the farm of Shorty Hughes about three miles east of Lariat, and promptly turned it into a big seed-producing operation. Of the approximately 500 acres

on the farm which are in cultivation, the largest acreage is devoted to hybrid seed corn. Hybrid corn varieties are known by numbers. There are 105 acres of No. 26, 50 acres of No. 17-W, and 30 acres of No. 124.

In addition to these 185 acres of hybrid seed corn, Watson is producing 34 acres of Plainsman milo, 70 acres of Stormproof cotton, and 30 acres of 7078 milo.

He has contracted about 175 acres out to neighboring farmers. All of the mentioned acreages are devoted exclusively to the production

THE STATE LINE TRIBUNE

"OFFICIAL PUBLICATION OF PARMER COUNTY"

FARWELL, TEXAS

THURSDAY, AUGUST 18, 1955

NUMBER 45

These photos graphically illustrate the difference that fertilizer makes on corn production. The top picture shows Watson and John Range in six rows of corn that received no fertilizer. The center photo shows six rows that received 6-24-24. The bottom picture shows corn that received the 6-24-24, in addition to 70 pounds of Anhydrous Ammonia. The nitrogen fertilizer (anhydrous ammonia) apparently made the greatest difference in plant development. All the corn is in the same field and was planted at the same time and watered identically. The only difference is in fertilization.

of seed stock.

Of minor significance in terms of size, but of major significance to the future of Southwestern farming is the one acre of hybrid grain sorghum which also is being grown for the production of seed.

Watson has no reservations about telling how he is sold on farming in this part of the country. Although financially able to have purchased a farm almost anywhere he desired, Watson chose this spot in southern Parmer County.

"I have tried Mexico, the Rio Grande Valley, and the finest farm land in Oklahoma, and this is my pick of all the others," he asserts.

Watson's production on his Paul's Valley, Oklahoma farm has been seriously curtailed in recent years because of drought.

"We used to be able to depend on yields of around 80 bushels a year, but in the past three, we've just had to plow it up. That's one good reason why I like it here—we won't ever lose a corn crop on account of lack of rainfall."

The Watson farm appears to have plenty of water, all right. In operation are two 10-inch wells, one on electricity and one on natural gas, that both make use of an extensive concrete pipe system for efficient distribution of the water.

Typical of farms in the area, the Watson place has deep, sandy soil, and the pipe contributes to more economical application of water.

To the agricultural observer, seed production offers many interesting differences between strictly commercial "cash crop" farm production. There is little comparison between crop culture as most farmers of the High Plains know it, and crop culture as it is practiced on the

Walter Watson farm.

Take the hybrid corn, for example. The six rows of male sterile corn, and then two rows of pollinated corn, present an unusual, ribbon-like pattern through the waving fields.

The six male sterile rows are pollinated not from themselves, but from the pollen-carrying rows that are often several feet away. One of the more tedious hand operations of hybrid corn production is the de-tasseling operation,

whereby workers atop a strange-looking machine pass through fields, day after day, removing the tassels from the corn.

As might be supposed, there is an appreciable difference in the value of the finished product as compared to cash crops grown under much less strict supervision. Where grain sorghum this year may sell for as low as \$1.50 per hundred pounds, the hybrid seed corn may go as high as \$1.50 per

(Continued on Last Page)

IN THE TALL CORN

One wouldn't realize it from this picture, but the camera was aimed from a point about ten feet above the ground for this shot. The laborers are standing on the frame of a de-tasseling machine. The man in the center drives the weird piece of equipment down the rows of the field and the de-tasseling is done by hand.

Faculty Announced For Friona Schools

Dillie M. Kelley, superintendent of the Friona School, announced this week the faculty for the Friona School system.

It is noted that two principals are named for the lower grades and Kelley says that the reason for this is because of the two buildings which will house these grades this year.

Kenneth Fields, will be the principal of the grade school and will be assisted by John D. LeMay. LeMay will act as principal of the elementary grades and will also be the counselor for these grades. The sixth, seventh and eighth grades will be known as Junior High and will come under direct leadership of Fields.

Only vacancies not as yet filled on the faculty are a fifth grade teacher and a math and science teacher for the high school.

Teachers who have been assigned are Ethel Bengner, Lena Brown and Irma Stark, first grade; Peggy Hanson, Mary Bavousett and Vera Hayes, second grade; (Mrs. Hayes is a new teacher coming to Friona from Duncan, Okla.); Frances Fields, Jo Phillips, Odesa Walker and Mildred Weatherford, third grade; (The latter two are new and come from Oklahoma.); Mrs. Mabel Jones, Lu-

cille Hall and Margaret Duggins (also new), fourth grade; Viola Leonard and Ruth Edelman, fifth; Elsie Ritter, music;

Junior high school teachers include Margaret Ann Richardson, Billy Alexander, Durlay Wayne Hodgson, Lula Johnson, Joan Butler, Clyde Butler, Tom Bob Jarboe, Edward Lehnick, and Luther Hayes.

Instructors in the high school will be Joe Means, coach and math; Holland Dempsey Watkins, assistant coach and math; Tacy Smith, science; H. T. Childers, English and Spanish; Dorothy Jean Rudd (new, graduate of North Texas State) English 10 and 11; Vera Ann Jones (also new, a Friona girl) English and speech; Verna Theftford, business; Patsy Rymer, home economics; J. D. Fry, band and choir; Baker E. Duggins (new, graduate of West Texas State) social science; J. T. Gee, agriculture; and the principal of the high school will be Raymond Cook.

The school doctor will be Dr. Paul Spring.

Mr. and Mrs. Troy Young and Mr. and Mrs. Noah Young and family visited in Littlefield and Lubbock on Sunday.

Legion To Sponsor Queen in Contest

Joe Brummett, commander of the Friona Post of the American Legion, announced this week that the organization has chosen a girl whom they will enter in the queen contest being held in conjunction with the Parmer County Fair.

Phyllis Fairchild has been chosen to represent the Legion in this event but it is not known at this time whether or not she will accept the offer. Miss Fairchild was out of town at the time of this report.

It is thought that containers will be placed in the business houses in Friona for the convenience of the voters. Each container will have a contestant's name on it and each penny will constitute one vote.

Football Practice Begins Monday

Coach Joe Means announced last week that football practice will begin Monday morning, August 22, at the local field. He did not know at the time of this report exactly what time the workouts would be held. Coach Means says that practice will be held twice daily until the beginning of school on September 1.

Means stated that letters were sent out to all of the boys whom he thought might be interested in playing football. These letters contained advice which would help the participants in this sport to get in condition for the practice. Means says that the advice he gave in the letters would aid in preventing injury and soreness at a later date. He adds that most of the boys who are really interested in playing football will have heeded his words.

Coach Means says that he estimates that about 65 will come out for the first day of practice and he hopes that most of them will stay.

As a last note, Means states that he doesn't expect a whole lot this year due to the change in systems and rugged schedule of games.

Means was graduated from West Texas State in 1951 with a Bachelor of Science Degree. While in college he majored in the social study field and minored in physical education. After college he was employed at Borger where he coached both the junior high team and the high school "B" team. The two years prior to coming to Friona was spent at Texline where he coached both in the grade school and high school.

Besides his coaching here in Friona, Means will teach second year algebra and plane geometry in the high school.

Means is married and has two children, Linda, 5, and Jim, 2, and has been working at Herring Implement Company since his move to Friona in June. He says that he will have to give this job up soon and begin the job of "directing traffic" on the football field.

It is not what you drive, but how you drive that counts.

Water Lines To Be Finished Next Week

H. B. Jordan, Amarillo, contractor for the water and sewer construction in Friona, will be through laying the water lines some time next week, according to Roy Wilson, city manager.

Wilson states that the city will have quite a job ahead of them when this work is completed. He explains that his department will then go around and make the service connections from the old line to the new.

This work will be done one house at a time and Wilson says that there are 145 of these connections to be made in the new addition alone. Not only will the city make the new connections, but a lot of old line will be taken up at the same time.

Sewer construction will begin shortly after the water lines are completed by Jordan, Wilson says. He adds that the latter will take about a month to complete.

Indians Win First Playoff Game

Friona Indians met the team from Bovina on the local diamond Sunday and came up with a win in the first game of the Irrigation Belt League play-offs by a score of 16-7.

A best-two-out-of-three series was originally planned for the playoff but by mutual agreement only one game was played. Friona will meet the winner of the second and third place teams' playoff at a later date.

John Renner, cleanup hitter for Friona led off with a single, Read hit Bill Woodley with a pitched ball and then walked Wes Barnett to load the bases with nobody out. Lindley Davis hit a slow bouncer to Third Baseman Adrian Martin who fumbled the ball and allowed Renner to score.

The next man up, F. L. Oliver hit a ground ball between second and first that was fielded by Robert McCormick, second baseman, but Darrell Read, first baseman, had also been trying for the ball and there was no one for McCormick to throw to at first and he was too late to cut the run off at the plate. Weldon Menchew followed with a ground ball to Shortstop Billie Malcom who threw wild in an attempt to force the runner coming home from third.

With three runs home, nobody out and the bases still loaded, Read struck out C. H. Veazy but walked Jim Oliver to force home the fourth run of the inning. Stan Barrett, the winning pitcher, then grounded to Martin who forced a runner at

third and threw to first to complete the twin killing and retire the side. Friona couldn't score in the third, however, they did get two men on with a single and a walk. They came back in the fourth to drive starter Robert Read from the mound with three singles. Darrell Read came on to relieve but he couldn't put out the fire before Friona had scored 11 runs on six hits and three Bovina errors.

Robert Read was the losing pitcher. He worked three complete innings, walked two, hit one batsman, struck out three, and allowed four hits. Darrell Read, who relieved Robert in the fourth with nobody out went the rest of the distance, gave up eight hits, walked two and struck out five.

Barrett, the winner, was relieved by Renner in the sixth inning. Bovina scored three runs in the fifth inning on one hit, two walks and an error. They added another in the seventh on two singles and two walks, still another in the eighth when Martin was safe on an error and scored on McCormick's double. Jerry Rogers drove in two more runs in the ninth when he slapped a double to the fence in center field after Darrell Read had walked and Art Mast had singled.

Outstanding hitters for the Indians were Weldon Minchew, C. H. Veazy and Wesley Barnett. It is not known at this time who the Indians will play next, but they will meet either Dimmitt or Umberger. The two latter teams are in the process of playing a

three game series and have a double header on Sunday at Dimmitt. Last Sunday's game between these two teams saw Umberger beat Dimmitt 10-9 in 10 innings of play.

The winner of Sunday's games at Dimmitt will then come to Friona the following Sunday to begin the first game of a three game series.

Football Schedule For Friona Chiefs

The following is a schedule of football games for Friona which will be played this season with the first one to be played with Vega, here on Sept. 9, with game time set at 8 p. m.

On September 17 the Chiefs will travel to Stinnett for a day game there; September 23, Bovina, here; September 30, Farwell, there; October 7, Whiteface, there; October 14, Hart, here; October 21, open date. The preceding games are all night games with exception of September 17.

The first of three conference games will be played October 28 with Happy, here; second conference tilt is scheduled for November 4 with Sudan, there; and third and last game of the season is also a conference game to be played November 11 with Springlake there.

Mrs. A. O. Drake was in Canyon on Tuesday to visit her daughter, Mrs. Treva Reece and sons.

gift from the bridegroom. Her finger tip veil of matching imported French illusion was tied to a delicate crown of lace accented with tiny pearls. She carried a Bible centered with an arrangement of white butterfly orchids and stephanotis with cascades of miniature ivy.

For something old the bride wore her grandmother's wedding ring; something new was the string of pearls; something borrowed was a lucky Scottish sapphire belonging to her sister, Mrs. Horton, and something blue was the traditional blue garter.

Mrs. J. G. McFarland, mother of the bride, wore an Italian print silk dress featuring a large collar with gold accessories. She had a green orchid corsage. Mrs. Jordan, mother of the groom, was attired in a blue linen dress with matching accessories. She had a corsage of pink orchids.

A reception was held for the couple, immediately following the ceremony, at the home of the bride's parents.

The outdoor reception table featured hurricane lamps with arrangements of pink asters and lilies.

Those who assisted at the refreshment table were Mrs. Marvin Jordan, Snyder; and Misses Carol Blackburn and Betty Ashcraft of Friona.

For the wedding trip to points in New Mexico, Colorado and South Dakota, the bride changed into a red cotton suit with matching accessories. She had a white orchid

corsage. After August 23, the couple will be at home in Friona where Jordan is engaged in farming.

Both are graduates of Friona High School and also attended Texas Tech at Lubbock. The bride also attended college at SMU in Dallas for a short time.

Friona Lions Admit One New Member

Friona Lions Club met Thursday evening at the club house with 24 members, the club sweetheart, and one guest, J. D. Claborn, president.

One new member, Andy Hurst, was admitted to the organization at Thursday's meeting.

Steve Messenger, secretary, says that the club agreed to do the policing and the selling of permits for the local Chamber of Commerce Beard Growing Contest which is now underway.

Next meeting of the organization will be held on August 25.

ENTERS NURSING SCHOOL

Mary Sissell, daughter of Mr. and Mrs. Pat Sissel of Gainesville, Mo., will leave Friona on August 31 to enter nursing school. Miss Sissell will attend Northwest Texas Hospital School of Nursing in Amarillo.

Miss Sissell's grandparents are Mr. and Mrs. P. N. Lawton of Friona.

NEW OFFICERS NAMED

Joe Brummett, local commander of the American Legion, announced this week that a new officer has been named to that organization.

Brummett says that Bill Sheehan, who had been elected to the position of adjutant, had to resign his post due to his many other duties. Commander Brummett added that the next man in line, Lloyd Mingus, was then elected to fill the adjutant position.

DIRECTORS TO MEET

Parmer County fair directors will meet August 26, at the Legion Hall to discuss further plans of the County Fair to be held in September.

All directors are urged to attend this meeting which will begin at 8 p. m.

TO HAVE MEETING

The 10th Street Church of Christ will begin a gospel meeting this Friday evening and will continue through Sunday, August 28.

The evangelist for the meeting will be W. D. Taylor of Tyler and songs will be led by a member of the local congregation at each gathering.

Meetings will be held each week-day evening at 8 and two services at 10:30 a. m. and 8 p. m., will be held on the two Sundays of the duration of the meeting.

Visits Relatives

Mrs. Harry McCarty from Carlsbad, N. M. has been in Friona this week where she has been visiting her parents, Mr. and Mrs. E. H. Lewis and her sister, Mrs. Waneta Taylor.

Mrs. McCarty left Thursday (today) accompanied by Mrs. Taylor

and children for Carlsbad where the Taylors will visit for a few days before returning to Friona by train.

Mr. and Mrs. Arthur Drake and family left Saturday for Colorado where they plan to visit a week with Mrs. Drake's parents, Mr. and Mrs. Dell Dodge.

IMPRESSIVE CEREMONY UNITES GAY McFARLAND, BEN JORDON SATURDAY

Miss Gay Ann McFarland became the bride of Ben Wayne Jordan in an impressive double-ring ceremony held Saturday evening, August 13, in the Friona Methodist Church with Rev. U. S. Sherrill of Lorenzo officiating.

Parents of the couple are Mr. and Mrs. J. G. McFarland of Friona and Mr. and Mrs. V. R. Jordan, also of Friona.

Miss Peggy Campbell, Lamesa, cousin of the bride, played traditional wedding marches and accompanied Miss Deniese Magness as she sang the vocal selections, "O Promise Me," "Why Do I Love You," and "The Wedding Prayer." Other organ numbers included "At Dawning," "Through The Years," "Salut D'Amour," "Adagio" and "Leibestraum."

Palms formed the background for bouquets of pink gladioli, lilies and asters and candelabra holding pink tapers. The bridal aisle was marked with pink candles and matching bows with strands of cascading ivy. A white aisle cloth and a kneeling bench completed the altar arrangements.

Candlelighters were Misses Sally Osborn of Friona and Suzanne Taylor of Ft. Worth, cousins of the bride.

Attending her sister as maid of honor, Doris Jane McFarland was attired in a ballerina-length gown of pale yellow crystalline designed with a princess waistline and a full gathered skirt. The fitted bodice was pleated and tied over the shoulders and featured a jacket with a large stand-up collar and deep neckline accented with a tiny bow. A net circle veil was attached to a half-hat of matching material. She carried an arrangement of pink mums and stephanotis on a fan of tubular satin.

Bridesmaids were Misses Deann Buske, Friona; Carolyn Christian, Claude; Carey Secret, Clayton, N. M.; Shirley Evans, Abernathy;

and Barbara Wilson, cousin of the bride, from Merkel. They wore dresses styled identically to that of the maid of honor's and carried arrangements of mums and stephanotis on fans of tubular satin.

Marvin Jordan, Snyder, brother of the groom, was best man. Ushers were M. C. Osborn, cousin of the bride, Ross Miller and Harold Joe Wells, all of Friona, also Pat Westfield, Gruver, and Dale Smith of Lubbock.

John Bill McFarland was his sister's ring bearer and Judy Mae Jordan, niece of the groom, was the flower girl. Miss Jordan wore a pale yellow dress of crystalline designed with a full two-tiered skirt and fitted jacket.

Given in marriage by her father, the bride was attired in a wedding gown of ivory French lace in a Tudor rose pattern accented with finely pleated tulle. (Miss McFarland's gown formerly belonged to her sister, Mrs. H. H. Horton, of Friona.) The figurine basque bodice was designed with a tiny Elizabethan collar and miniature lace buttons fastened her gown down the back. Long lace sleeves tapered to deep petal points over her hands and the voluminous scalloped lace skirt parted over flares of pleated nylon tulle which fell in a court train. Her strand of pearls was a

AN ELECTRIC FREEZER IS A

Flavor Saver!

Two Styles... There's room in the smallest kitchen for a food freezer — so take your choice — upright or chest type.

Time Saving... Go to the store when you want to — that makes shopping a pleasure — and keeps you in command of your time and budget.

Economical... Spur-of-the-moment meals, without a freezer, have a way of being expensive. You're ready, though, with a freezer, for economical last-minute meal planning.

Freezing "locks in" the goodness that Nature gave the fruits and vegetables you enjoy so much. Keeps all the vitamins and nutrition in the foods, too.

The F. L. Reed family held a reunion Sunday at the club house in Friona with seven of the 10 children present with a total of four generations attending the occasion.

Those present, who are not members of the immediate family were Mrs. Reed's brother-in-law and wife, Mr. and Mrs. Earl Worm of Sacramento, Calif., and their son, Albert, of Clovis, N. M., and Mrs. Worm's sister and family, Mr. and Mrs. Earl Cross and daughter of Portales, N. M.

Those of the immediate family present included Mr. and Mrs. Frank Vassios and son, Ezell; Mr. and Mrs. Marlin Pierce and daughters, West Way; Mr. and Mrs. Bud Reed, Mr. and Mrs. Ralph Raymond, Mr. and Mrs. Eugene Bandy and son, Mr. and Mrs. Gene Watson and children, Mr. and Mrs. J. E. Knight and family, Mr. and Mrs. Arthur Stokes and family, Mr. and Mrs. George Reed and family, Jack Redfearn, Mrs. F. L. Reed and Frank Reed, all of Friona.

Clubs Announce Meeting Dates

The three federated women's clubs of Friona announced this week their meeting dates for the beginning of the fall term. These organizations include Woman's Study Club, Progressive Study Club and Modern Study Club.

The Woman's Study Club will begin their series of meetings on Wednesday, September 14 with a breakfast to be held at the club house beginning at 8:30 a. m. Hostesses for this first meeting will be Mrs. J. F. Miller, Mrs. Carl Maurer, Mrs. V. R. Jordan and Mrs. S. L. McLellan. Each second and fourth Wednesday of the month will be the dates of the meetings of this organization.

Modern Study Club will meet the first and third Tuesdays of each month with the first session scheduled for September 6. This meeting will be held at the Friona Club House at 8 p. m. This, as in the past, will be a surprise program session with Mrs. H. K. Kendrick as program chairman. The program committee will also act as hostesses for this meeting.

Progressive Study Club will meet the second and fourth Tuesdays with the first meeting set for September 13, at the club house at 8 p. m. The group will have a buffet supper and new year books will be distributed.

Hostesses for the meeting will be Mrs. D. C. Herring, Mrs. Ed Lehnick and Mrs. Tom Jarboe.

Lambs Have Reunion Over the Weekend

Mr. and Mrs. Jake Lamb held a family reunion in Friona over the weekend with all six children and 10 grandchildren present.

A fish fry was held Saturday evening in the Lamb home. The fish was caught by Lamb at Hot Springs, N. M. Lamb states that the fish weighed between 47 and 48 pounds.

On Sunday the group had dinner in the home of Mr. and Mrs. Wesley Foster, the Lambs' daughter and family.

Other children present for the occasion were Mr. and Mrs. D. V. Sasser, Memphis; Mr. and Mrs. Dave Conner, Middlesboro, Ky.; Mr. and Mrs. John Lamb, Friona; Mr. and Mrs. Ralph Smith, Friona, and the Fosters' daughter and husband, Mr. and Mrs. Ed Lovnick from Dallas.

Completes Study

WMU of the Friona Baptist Church held its last Bible study of this Associational year last Tuesday at the church with a nice group present, says Mrs. C. M. Fields.

The study on Tuesday was led by Mrs. Wesley Hardesty.

To Meet Monday

Friona Chapter of the Order of Eastern Star will hold their regular bi-monthly meeting on Monday, August 22, in the Masonic Hall.

Mary and Martha Knight, twin daughters of Mr. and Mrs. J. E. Knight, visited a few days this week with their cousin, Debra Pierce at West Way.

L. D. Popes Attend Reunion in Glenrose

Mr. and Mrs. L. D. Pope and Gene Pope attended the reunion of the W. B. Smith family in Glen Rose over the weekend. Smith is Mrs. Pope's maiden name.

Six of the nine Smith children were present for the occasion with four generations being represented.

Special feature of the affair was a picnic dinner held under the tabernacle at River Crest Park in Glen Rose.

Mrs. Pope says that she could not estimate how many were there but she did say that there were 127 descendants of her oldest sister present and about 97 of hers were there.

She adds that there were at least 15 or 20 descendants of each of the other children present.

Mr. and Mrs. J. W. Baxter returned Friday after visiting for a week in parts of Oklahoma.

Mrs. Roy V. Miller left Saturday for a week's visit at Ft. Hood where her husband is taking a two week course under the reserve program.

Sewer Bond Election Carries by 93-7

City voters decided "for" a sewer system for Bovina when the \$100,000 bond election carried Saturday, August 13, at the city hall. A total of 100 people voted. 93 were for the sewer system and seven against.

J. W. Smith, resident manager of Central Investment of Texas at Lubbock said that the bonds will be placed on the market immediately and that they must be sold within 45 days. Smith met with the city commission at a special meeting Monday afternoon at 5:00 p. m. The city commission, at the meeting, canvassed the returns and officially declared that the election carried 93-7.

Emmett Tabor acted as mayor pro tem in the absence of Mayor O. W. Rhinehart. Rhinehart was unable to attend due to illness.

Tabor said that the city commission would "try to be ready to let the contract when the bonds are sold." If the commission is ready

when the bonds are sold then it will be only 45 days at the most before the contract can be let. It had earlier been estimated that it would take some 90 days to let the contract from the date of the election.

The bonds will be in the denomination of \$1,000 and will be of the revenue type. They will be paid by the profits that are derived from the sewer system and from the water system. Taxes will not be molested in any way.

Earlier in the summer, the commission was petitioned by the required number of qualified voters to call the bond election.

The Columbia Securities Corporation at Amarillo is also making deals to sell the bonds. The bonds will carry three and one-half percent interest for the first five years, four percent interest for the next 10 years, and one-half percent for the next five years. They will be op-

tional for redemption on and after 20 years from their date. In other words, it is possible that only five years of the four and one-quarter percent interest would have to be paid and none of the four and one-half percent interest.

W. J. Parker, J. D. Stephens, and C. R. Elliott were in charge of the election.

Halsie and Green Engineering Company of Lubbock had been employed to approximate the cost of a sewer system for Bovina.

Bovina Schools Begin Monday, 29th

School starts at the new school building in Bovina Monday, August 29. Superintendent W. H. Willoughby says he expects a larger enrollment this year than last. Some 350 students were enrolled at the beginning of last year.

An open house will be held at the new building the night of August 29, at 7:00 p. m. The open house will feature a barbecue at the football field followed by entertainment in the auditorium with an inspection of the building to conclude the evening. Willoughby said that the public was invited and that a large crowd was expected. He emphasized that this was only an open house and not the dedication of the building. The dedication will be held at a later date.

Junior and senior students will be registered at the school building Monday. Busses will not run that day. Registration of the remaining students will be the first day of school August 29. Busses will run at their regular scheduled time on the morning of the 29th.

Students will be dismissed before noon on Monday. Thirty-three first graders were registered at the pre-registration that was held for beginners. Willoughby said that he still could not tell whether or not another first grade teacher would be needed due to the fact that many first graders were not registered.

Coach Bob Wills Arrives, Football Practice Monday

Bovina High School football practice will begin Monday August 22, says Coach Bob Wills who moved to Bovina from Brownfield last Monday.

Uniforms will be issued and may be a light workout will be held in shorts Monday will full practice to start Tuesday with two workouts a day if possible, Wills said.

Wills was formerly B team coach and assistant basketball coach at Brownfield High School. He is a 1950 graduate of West Texas State College. His wife will teach commercial subjects in the high school. Besides his coaching duties, Wills will teach general science and general math.

Mr. and Mrs. Emmett Tabor visited the John Tabors in Amarillo Sunday.

Bob Kelley Makes Phil'delphia Eagles Starting Team

Bob Kelley, who joined the Philadelphia Eagles professional football team July 18, is the lone survivor of six newcomers to the team who tried out for the offensive center position, according to an article written by Herb Good, a sports writer for the Philadelphia Inquirer.

Offensive center is one of the key positions that must be manned properly if the Eagles are to change from runnerup to champions this fall, the article goes on to say. Kelley is the son of Mrs. Odis White of Bovina. He formerly starred for Bovina High School and West Texas State College and only recently completed two years duty as a commissioned officer in the Marine Corps.

Bob was drafted by the Eagles in 1952 but had to delay reporting until after he had served his hitch in the service. He is 25 years old, six foot, two inches and weighs 220 pounds.

He was captain of the football team at West Texas State in 1951 and won All-Border Conference honors in 1950. He is married.

The article quotes Kelley as saying, "It's certainly a lot easier to make a college team, the competition is tremendous here and there are so many big players." He went on to say that he was surprised by the helpfulness of the veteran players.

Little Leaguers Lose Last To Lazbuddie

Though aided by a home run by Monty Turner and a fine pitching performance by Buford Stanberry, the Bovina little leaguers lost to Lazbuddie 8-7 Monday night at Lazbuddie.

Bovina was leading by a score of 7-6 going into the bottom half of the last inning when Lazbuddie picked up two runs to win it. Bovina led by as many as five runs at one time during the game.

Stanberry did "a whale of a good pitching job," said Manager Allen Cumpston after the game. The locals plan to play in a little league tournament at Lazbuddie sometime next week.

Curtis Roachelle Named Pastor Here

Reverend Curtis Roachelle of Gordon City, Kansas, was appointed at the Pentecostal Holiness Church Camp meeting, pastor of the Bovina Church for the coming year.

Reverend Roachelle will begin his year as pastor in Bovina August 28. He, his wife, and son, David, will make their home in Bovina.

Reverend Charlotte Brice, pastor of the Bovina church for the past four years, will enter the evangelistic field.

Reverend Curtis Roachelle's father, Reverend G. W. Roachelle, pastored in the Bovina Pentecostal Holiness Church several years back.

BOVINA BUTANE SERVICE PRESENTS KNOW YOUR NEIGHBORS

Mr. and Mrs. J. D. Kirkpatrick and family who live three miles west of Bovina on Highway 60 are the neighbors for this week. The children in the Kirkpatrick family are the twins, Darrell and Carol, 5, and Debra, 2.

Mrs. Kirkpatrick's maiden name is Lily Byrd and she was born and reared in Petersburg. Her mother, Mrs. A. F. Byrd, is living with Lily at the present time. She takes turns living with her three daughters in the course of a year.

There were 10 children in the Byrd family, five boys and five girls. Three brothers and one sister live in Petersburg, which is the most number in one spot, says Mrs. Kirkpatrick. She also has a sister and a brother at Muleshoe and a brother at Hale Center. Two of her sisters are deceased.

After attending school at Petersburg, Lily went to Plainview where she spent some time at Lippert's Business College. From there she worked as a hostess at the Hilton Coffee Shop for about a year.

J. D. was born at Lakeview and comes from a family of three boys and two girls. His parents are Mr. and Mrs. W. D. Kirkpatrick of Petersburg.

J. D.'s two brothers live in Oklahoma and are employed as court reporters, having had no desire to be farmers, Mrs. Kirkpatrick says. One sister of J. D. lives in Albuquerque while the other sister resides in Lovington, N. M.

J. D. attended school at Lakeview until he was 16 when the Kirkpatrick family moved to Petersburg. He continued his schooling at Petersburg and then went into the Navy where he served for three years. J. D. led the life of a professional boxer for several years. He entered the Golden Gloves while in high school and then continued his boxing career while in the Navy.

The Kirkpatrick's were married

March 8, 1947, at Plainview and moved to New Jersey where J. D. became an undefeated boxing star. He continued his winning streak until he received a broken jaw in a fight which he had won. The broken jaw bone was not discovered until after the last encounter and it was at this time that J. D. decided to give up his boxing career.

After this episode the Kirkpatrick's moved back to Petersburg where J. D. took up the carpentering trade. He stayed at this work for about a year before he began his farming occupation which he still engages in.

J. D. farmed in Petersburg for a year before moving to Hale Center where he continued in this capacity for three years. It was just before Christmas of 1954 that the Kirkpatrick family moved to Parmer County to settle at their present location.

J. D. farms 306 acres of his own land and has about 800 acres in his hands including land which he rents. Feed is his main crop, but he does raise some wheat and cotton.

J. D. has five wells, two of them on his farm and the other three scattered over the other land. All of these wells are on natural gas.

Butane supplied by Bovina Butane Service is used for J. D.'s three tractors, a pick-up, and the Kirkpatrick's also furnish this fuel for the three homes on the rented land.

The Kirkpatrick's attend church at the Bovina Baptist Church and Lily is a member of the Bovina Women's Study Club and Bovina Home Demonstration Club.

Lily says that being a homemaker is about the only "hobby" she has, but that J. D. does enjoy going fishing when he gets the chance.

J. D. is also a member of the Parmer County Farm Bureau.

LEGAL—

THE STATE OF TEXAS
To any Sheriff or any Constable within the State of Texas—GREETING:

You are hereby commanded to cause to be published once each week for four consecutive weeks, the first publication to be at least twenty-eight days before the return day thereof, in a newspaper printed in Parmer County, Texas, the accompanying citation of which the herein below following is a true copy.

CITATION BY PUBLICATION

THE STATE OF TEXAS

TO: Miles W. Weaver and his wife, Nina L. Caldwell-Weaver, Mary Weaver, and should she have ever married, then her unknown husband or husbands, Floyd Weaver, and should he have ever married, then his unknown wife or wives, Orlo Weaver, and should he have ever married, then his unknown wife or wives, and Patrick P. O'Brian, and should he have ever married, then his unknown wife or wives, and should any of said defendants be deceased, then their unknown heirs, assigns, or legal representatives, Defendants, Greeting:

YOU ARE HEREBY COMMANDED to appear before the Honorable District Court of Parmer County at the Courthouse thereof, in Farwell, Texas, by filing a written answer at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 19th day of September A. D. 1955, to Plaintiff's Petition filed in said court, on the 4th day of August A. D. 1955, in this cause, numbered 1804 on the docket of said court and styled Laurence J. Fitzsimon, D. D., Bishop of the Roman Catholic Diocese of Amarillo, Plaintiff, vs. Miles W. Weaver, et al, Defendants.

A brief statement of the nature of this suit is as follows, to-wit: Plaintiff brings this suit in trespass to try title, alleging that he is the owner in fee simple of All of Block 28, Original Town of Friona, Parmer Co., Texas; that on or about

the 1st day of July, 1955, the Defendants entered unlawfully upon such land and ejected Plaintiff therefrom and wrongfully withhold possession from such Plaintiff; and Plaintiff further sets up and pleads the 5-, 10-, and 25-year statutes of limitations, as same pertain to land titles in the State of Texas, as is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

Issued and given under my hand and the seal of said court at Farwell, Texas, this the 4th day of August A. D. 1955.

Attest: Hugh Moseley Clerk, District Court Parmer County, Texas. (SEAL) 44-4c

WATSON—

(Continued from Page 1)

Seed specialist who have visited the Watson farm report that they believe his corn crop this year to be the best they have seen anywhere in the state.

Watson himself is optimistic about prospects for a wonderful crop this year, but reports that he has spent several sleepless nights worrying about what would happen to his production if the Southwestern corn borer should infest his fields.

Plains farmers who can remember back a quarter-century will assert that the insect was responsible for driving corn growing out of this part of the country. The situation mounted in seriousness with each succeeding corn crop, and finally, farmers gave up growing corn almost entirely.

So far, however, Watson says there's no sign whatever of the corn borer in his fields. He does have corn ear worms, but says that they are no serious threat and that he's never seen corn anywhere that didn't have them.

Tedious, time-consuming hand operations are required for other crops produced for seed on the Watson farm besides corn.

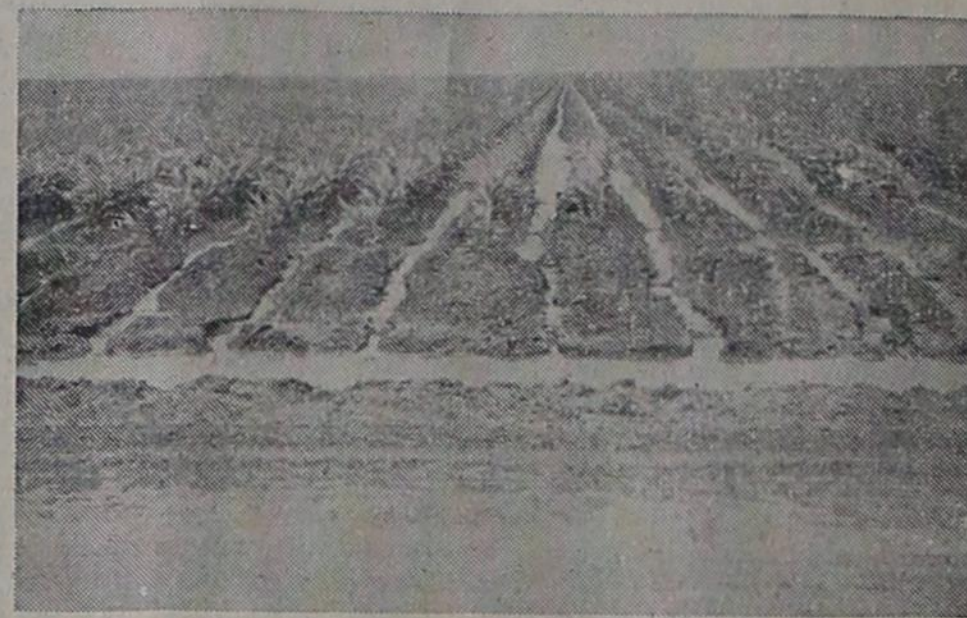

In the production of the 7078 milo, for instance, the tall, undesired plants are cut out by hand in an operation called "roguing."

In late stages of development, the heads of each plant are individually bagged to insure proper pollination, and when harvest time comes, there's no need to worry about combine break-downs.

The grain is harvested by hand—head-by-head!

Driving is a full-time job that requires all of your attention. It's better to be late than absent.

Does This Constitute Waste?

The above picture was made of a milo field with rows 9/10ths of a mile long and with no steps taken to keep irrigation water from emptying into county road bar-ditch.

This picture of water produced for irrigation uses was made after following the water for 2 1/2 miles from point where it left the land upon which it was pumped.

IMPORTANT NOTICE!

Waste of underground water as defined in Texas Law was amended in the 1955 session of the Legislature by adding the following section:

"(e) WILLFULLY CAUSING, SUFFERING, OR PERMITTING UNDERGROUND WATER PRODUCED FOR IRRIGATION OR AGRICULTURAL PURPOSES TO ESCAPE INTO ANY RIVER, CREEK, OR OTHER NATURAL WATER COURSE, DEPRESSION, OR LAKE, RESERVOIR, DRAIN, OR INTO ANY SEWER, STREET, HIGHWAY, ROAD, ROAD DITCH, OR UPON THE LAND OF ANY OTHER PERSON THAN THE OWNER OF SUCH WELL, OR UPON PUBLIC LAND."
