

PERSONAL

We have not been privileged to see the annual fall foliage spectaculars in the High Country this year, but we would wager a kopec that these would have a hard time keeping up with the beauty being unfolded by our local trees.

This has been an ideal fall for foliage in the Twin Cities. Frost has not yet struck and we have not had any significant wind since the trees began their preparation for winter. Our local leafage has been allowed to mature and turn color in the fullness of Mother Nature's good time while remaining firmly attached and not windswept to the ground.

Before the first "norther" sweeps through, we advise you to take a few minutes off from the daily grind and admire your hometown. You will again say, "I'm glad I live in the Twin Cities."

Mother Nature, in addition to providing us with some of the most outstanding fall foliage seen in a long time, has also provided us with as excellent a fall harvest weather as we can remember. This is especially provident as we are being allowed to reap a very abundant harvest that we and the country badly need.

Our large crop of corn and milo is also bringing the highest prices in memory of living man, so in addition to quantity, the Golden Spread will truly "turn to gold" in a very real financial sense.

For this blessing from the Almighty we need to give Him the thanks in our hearts and minds.

News is different things to different people. This is of course what makes it difficult for the local newspaper. Some events reported to us are of real interest to only a very few persons, and some events that are of interest to a great many people are not brought to our attention.

What we are getting around to saying is that we have just discovered that Parmer County has a new county treasurer. We have been so accustomed to seeing the name Mable Reynolds appearing on notices from the county treasurer's office that it came as a real shock to get the Treasurer's Quarterly Report, published elsewhere in this week's issue, and find it signed by Benna Felts.

Upon inquiry we were told that Mabel Reynolds resigned last month and the Commissioners Court appointed Mrs. Felts to the office. This we consider NEWS to everyone in Parmer County, but apparently there was not a cheep from the Court or from anyone else privy to the events.

Mrs. Felts has been the assistant county treasurer for some time and knows her work and will do a good job for the county. We wish her well as our new county treasurer. Belatedly.

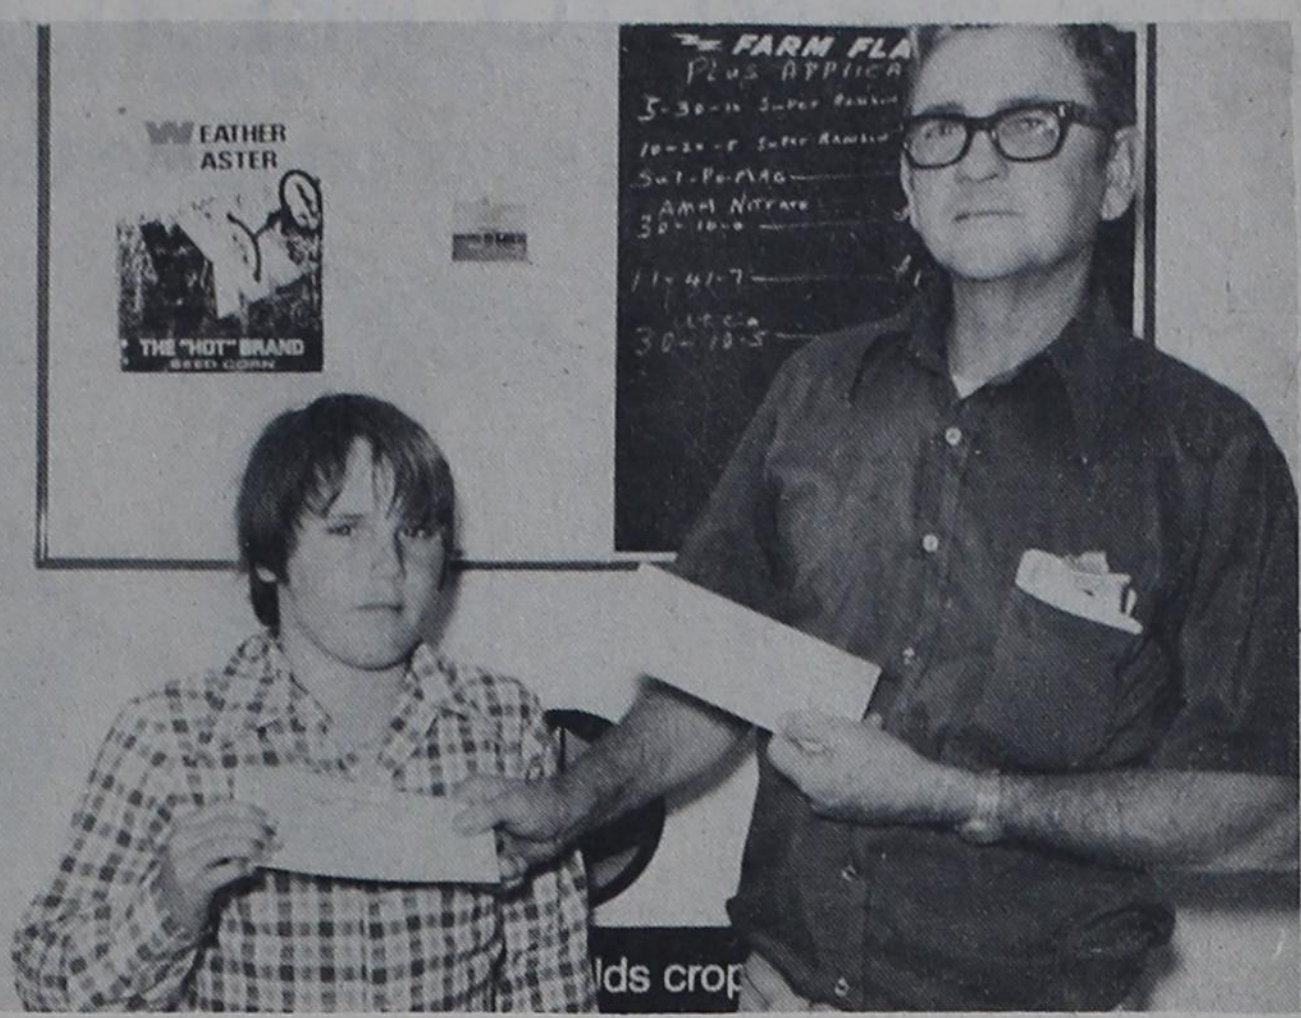

This week the Parmer County Commissioners Court dismissed the rural fire protection issue with a "status quo" attitude. While they were "status quoing" the Farwell fire department answered three calls. Two of these calls were rural in origin. Fortunately, they were minor in nature but this may not always be the case.

While we always oppose precipitous action on any issue, this issue hardly falls under the category of a new county problem. Many area residents have expressed a desire for the Court to begin a re-evaluation of its present policy.

We agree that it is time for a meeting of the minds in Parmer County and hope that reasonable men can find a reasonable solution -- soon.

Nov. 2 - Final Date To Vote Absentee

Absentee balloting for the proposed constitutional amendments is underway in the Parmer County Clerk's office at the Courthouse in Farwell during the hours of 8:30 a.m. to 5 p.m. Final date to vote absentee in the special election will be Friday, Nov. 2. Election date is Thursday, Nov. 6.

ACCEPTS CHECK FOR MOM - Jack D. Wardlaw accepts a \$5 check for his mother Elaine Wardlaw from a begrudging Bill Roberts of Interstate Fertilizer, one of the weekly contest sponsors. Both Roberts and Elaine guessed 10 games correctly this past week in the Merchants Football Contest, but Mrs. Wardlaw was closer to the tiebreaker score with 19 points. Charles Danneheim took second money of \$3 being 20 points off. Roberts had to settle for third place money of \$1 being 21 points off the score.

Beat Bovina Week - - Bovina's 'Shelby & Co.' Set To Host Steer Act

"Shelby & Co.", sponsored by Bovina High School, will be hosting a guest performance by the "Startling Steers" of Farwell, featuring an encore by the Woods, Kirkland, Watkins Trio and a full cast of talented performers. The performance is to be staged in Bovina at Mustang Stadium with curtain time set for 8 p.m. Friday (tonight). Toby Booth, director of the Farwell Steers, indicated that rehearsals for "Beat Bovina Time" have progressed on schedule. It is expected that the tremendous display of talent anticipated will bring the fans from their seats with shouts of "Ole!"

Shelby & Co., headed by star performer Billy Shelby, will enter the "battle of footballers" with a non-impressive record, according to Booth. "The Mustangs have a good defensive ball club headed by Shelby, a middle linebacker who does a tremendous job. To beat Bovina, we've got to get to Shelby," stated the coach.

According to area reports, the Mustangs do not have the experience of a year ago, but 11 seasoned veterans have returned with several newcomers cast to fill vital roles.

Preliminary advertisement of the Friday performance began when Booth proclaimed this week "Beat Bovina Week" in Farwell. Preludes to "Beat Bovina Time" could be viewed Thursday afternoon at Steer Stadium as the 7th and 8th grade Yearlings and the Steer Jr. Varsity hosted the Mustangs for three four-act performances.

Warm-up activities for the Friday performance will begin with a pep rally at 3 p.m. in the Farwell gym. Booth urges everyone to attend to send the Steers to Bovina with a win as the top priority.

In Parmer County Schools - - Special Education Program Has New Teaching Approach

Plan A Comprehensive Program for Special Education in Texas is providing schools in Parmer County a new approach to teaching children with learning problems. Elementary and Junior High Schools in Bovina, Farwell, Friona and Lazbuddie are co-operating in the Plan A program. The staff for the county-wide program presently includes a supervisor, who administers the program, a counselor, who also serves as a psychologist and educational diagnostician, 11 teachers and six aides. There are plans for further staff development. Children throughout the county in grades one through eight will be served this year. Plans are being made to serve grades Kindergarten through 12 in the future.

Plan A in Farwell includes two distinct and separate units. One is a self-contained classroom for those children who require small group or individual attention for most of the day. The other unit is a Language/Learning disabilities Resource room into which children will filter from regular class-rooms for short periods of the day. Here they will receive attention to specific learning deficits. The child with a language or learning disability has near-average, or above average intelligence. His sight and hearing are usually normal. He rarely has physical handicaps. He is not emotionally disturbed. And yet he fails to learn through regular classroom methods. Many estimates have been made concerning the number of learning disabled children. They range from six or seven percent to 30 percent of the school population. There are likely such children in every classroom.

The L/LD resource teacher does not teach curriculum. Social studies, science, even arithmetic, reading and language arts are left to the classroom teacher. The resource teacher works as a consultant with the teachers of regular classes, helping them to provide methods and materials suitable to the child's needs.

This is the way the program works. A child who is having learning difficulties in the classroom is referred to a team of Plan A specialists. This team, which includes the counselor, diagnosticians and the resource teacher determines through observation of the child and his work, through conferences with the child's teachers and parents, through evaluation of the child's work and the indicated testing procedures whether the child has a learning disability. When the child's disability is identified, a committee composed of the child's principal, the special teacher and the special counselor review the findings and admit the child to the special class or recommend other placement.

If the child is considered eligible for the special class he is then assigned time in his school day schedule to attend that class. During this time, (Continued On Page 4)

Shown left to right with the new slide projector that assists in the visual aids learning program are Mrs. Rubie Craft, teacher aide; Mrs. Lillian Green, who teaches the self-contained unit; Mrs. Nelle Craig, the language/learning disabilities resource teacher; and Mrs. Elizabeth Peak, speech therapist.

Becky Taylor Leads Contest - - Elaine Wardlaw Weekly Winner With Ten Correct Games Called

The tiebreaker guess proved to be most important to several football contest entrants in last week's guessing as five persons managed perfect scores of 10 games called correctly. Only one point separated each of the top three winners' tiebreaker guesses with Elaine Wardlaw taking first place money of \$5 with 10 games right and being only 19 points off on the tiebreaker. Charles Danneheim was a close second with 10 games right and 20 points off. Coming in for third place money was Bill Roberts who was 21 points wrong on the tiebreaker score.

Two other persons, Jack Kirkland and Carolyn Herington, also named 10 correct winners, but were off 28 and 35 points, respectively, to finish out of the money. But those 10-point weeks sure help a person's total score. After the final tallying of the 7th week of the contest, it would seem that someone in the Jack Taylor family has their head or heart set on winning the whole bag of marbles. No less than three family members are in the top three positions in the overall ratings with daughter Becky being in sole possession of first place with 54 points. Last week she was tied for the position with four other persons.

Close behind in second place with 53 points is another Taylor daughter, Missy, who shares that spot with Carl Davis and Carl Glenn Davis. Mrs. Jack Taylor has 52 points and shares the third place slot with Ralph Franse, Mona Hardage, Russ Jones and Elaine Wardlaw. In fourth place with 51 points are Eugene Beavers, Joyce Coffman, Louise Hancock and Larry Wardlaw.

By the way, the men in the Taylor family, Jack and Greg, are not faring as well as the ladies. They have 42 and 41 points, respectively, while another daughter, Jeniene, has 46.

The remaining five weeks of the contest will see some heavy concentration as seers still vie for the big prize, a trip to the Cotton Bowl and \$50 expense money or the second place prize of a trip to the Sun Bowl and \$25 expenses.

Rural Fires Tabled - - City Accepts Paving Plans At Special Called Meeting

At a special called meeting of the Farwell City Commission Monday morning the final plans for the city's paving project were accepted by the city dads. The plans list in detail the exact paving and drainage improvements that will be included in the project. The amount of material to be used and the necessary labor for each property owner's share has been computed individually by the engineering firm in charge of the operation.

The next step in the program will be to call for bids from contractors for this amount of material and labor. When these bids are received, the bids will be evaluated and when one is accepted, the unit cost of material and labor will be applied to each job and the cost to each property owner will thereby be determined. Following this cost determination, the City will call a meeting of the citizens to determine the community attitude in relation to these final cost figures. At that time all citizens interested, pro or con, are invited to the meeting to express their views on the subject.

For the purposes of actually carrying out the program, the city has been divided into four units or work areas. It would be possible to finish a unit without actually doing another unit. A unit will not be worked on until all the necessary legal requirements have been met and the funds to pay for it in sight.

Also, the City Commission can accept the contractor's bid but the contractor cannot begin paving work on a unit until the engineer in charge issues a work order for that unit. The engineer will not issue a work order for any unit until the City Commission says that all the paper work is in order for the particular unit.

This procedure protects the city from the possibility of accepting a bid for the whole city paving job and then for some reason be unable to actually complete the entire program. At the conclusion of the paving discussion, the City Commission turned its attention to the current issue of increased county participation in the local fire department operation. After a short discussion, Fire Chief Lee Hutchins was instructed to talk to the County Commission Court and obtain their thinking on the county's role in this matter.

Those present for the meeting were Mayor Gil Patschke, Commissioners Jim Berry and Fred Chandler, Attorney Charles Aycock, Clerk Jane Bowery, Bob Lydick and Chad Lydick from the engineering firm, and Hutchins.

The Commission will meet in regular session this coming Monday at 5 p.m. in the City Hall.

When contacted by this newspaper on Tuesday following the Monday morning special-called meeting, Fire Chief Hutchins reported that the Commissioners Court, in their meeting Tuesday morning, decided to stand to their present \$1,000 annual reimbursement plan.

NEW PARMER COUNTY TREASURER - Mrs. Benna Felts was appointed to the office of Parmer County Treasurer by the Commissioners Court on Sept. 5. Mrs. Felts succeeds Mabel Reynolds who resigned due to ill health, with one year remaining in her term of office.

New Rule Passed - - Local Rodeo'ers Gain Points Toward Finals

Four members of Farwell Rodeo Club, a member of Texas State High School Rodeo Association, entered in competition at the 1973 Pampa rodeo and brought home one third and two fourth places during the Sept. 28 and 29 performances.

Lori Norton captured third place in pole bending competition and was awarded fourth in pole bending. She was also entered in the barrel racing event. Jesse Crocker participated in bareback bronc riding while Rudolph Sanchez and Ken Foster were entered in bull riding. Charles Christian in ribbon roping and Laura Doshier in pole bending and goat tying.

Others from Farwell present for the performances were Mr. and Mrs. Frank Doshier, Jr., Mr. and Mrs. Donald Christian, Mrs. Wayne Foster, Mr. and Mrs. Rudolph Sanchez, Sr., Mr. and Mrs. Darrell Norton, Mr. and Mrs. Jack Dorris and Danny Ivy.

During the two rodeos, points were accumulated by individual participants toward eligibility in the TSHSRA Finals Rodeo to be staged the first week of June in Amarillo. Local rodeo club members awarded points were Lori Norton, four points in pole bending and five points in goat tying, and Laura Doshier, three points in girls steer riding.

Next rodeo scheduled for the local club is the Tascosa High School Rodeo Nov. 1, 2 and 3 at Fair Park Coliseum in Amarillo.

Lori Norton was the only member of the group to place in competition. She was awarded fifth in goat tying and she was also entered in pole bending and barrel racing events. Vickie Edwards was also entered in girls steer riding, but her mark of 41 points was not enough to place. Farwell's other contender at Pampa was Jesse Crocker who participated in bareback bronc riding. The four rodeoers were accompanied to Pampa by Mr. and Mrs. Danny Ivy, Darrell Norton and Mr. and Mrs. Frank Doshier, Jr.

WITCHES, GOBLINS and other spooky Halloween beings decorate the room of Mrs. Isla Huffaker at Farwell Elementary School where the students are getting into the spirit of "trick or treat" time. Tori Hardage, daughter of Truitt Hardage of Farwell, points to some of the mobile type decorations the students have made. Children in the third, fourth and fifth grades and the kindergarten will celebrate the holiday with home room parties Wednesday, Oct. 31. The first and second graders planned field trips rather than have a Halloween party this year.

★ The Times, They Are A Changin'

These words of a familiar song, "The times, they are a changin'" will hit the nail on the head this weekend as folks move their clocks from Daylight Savings Time back to Standard Time for the next six months. Official hour to change the time is 2 a.m. Sunday, Oct. 28.

Back in the spring (April to be exact) clocks were set ahead one hour as the nation started living on Daylight Time. This so-called extra hour of time was supposedly good for those who like to have an extra hour for leisure in the afternoons, but sleepy school children didn't particularly enjoy having to rise that extra hour early in the mornings to catch the bus on time. And as the saying goes, farmers work from sun to sun regardless of what the clock says anyway; so the debate goes on.

Regardless, folks must remember to set their clocks back one hour and regain that hour of sleep they lost last spring.

Jal Panthers Scratch Texico Wolves 57-0

by Domingo Rojas
Texico Wolverines journeyed to Jal last Friday night to crack helmets with the Panthers and were shut out 57-0 by the host team. Coach Bucky Walters stated that "they were tremendously big and strong," adding, "the Class AA Panthers had very good ends who had a great advantage over our safetys on size."

To start the game the Panthers kicked to Texico who started on their own 27-yard line. The Wolverines started a good drive with Randy Harrison picking up a first down at the Panther 43. After that, quarterback Curtis Lindley broke loose to the Jal 26-yard line, but the drive was suddenly ended after a Panther jumped on a Texico fumble and the hosts set up shop on the 33-yard line.

On the first play Jal had the ball they drove to the 46 yard line of the Green and White and on the second play they moved to the Wolves' 22. A pass completion on the next play moved them to the Texico one-yard line. With 5:55 left in the first quarter, Jal went ahead 6-0 then added the extra points to take an 8-0 lead.

After the Panther kickoff, the Wolverines were forced to punt the ball only to start the Jal offense on another drive. They scored on a long run from the 21-yard line and added two extras to make the score 16-0 with 3:09 left in the first period.

The Panthers again kicked to the Wolves and quarterback Lindley connected on a long bomb pass to end Spencer Turner who took it on the Panther 30. The Wolves were assessed a 15-yard penalty and then were forced to punt. The Panthers then tried a pass which was intercepted by Lindley on the 33-yard line. The Wolverines were unable to move the ball and were forced to kick once again.

Jal started another trek to the Green and White goal line and the score came on a pass from the 19-yard line to an end deep in the end zone. The try for points was good and Jal was ahead 24-0.

Sammy West fielded the ensuing kick on the Texico 34. The Wolves could manage no forward progress on the first down and then on second and 10 they fumbled the ball; however, an alert Wolverine recovered to retain possession from Texico. A run around end on third and 10 failed and the Green and White kicked to the Panthers once again.

Jal moved quickly to the five yard line and scored from there making the score 32-0 after the two point PAT was successful.

To open the third quarter, Texico kicked to Jal and only a short time later the Panthers were again across the Wolverine goal line. The Wolverines couldn't seem to stop the Jal offense at all and the host team lead 38-0.

Albert Galvan took the Jal kick and carried to the 45-yard line on a fine run. However,

the Wolverine offensive machine couldn't get moving and punted to Jal who then fumbled at the 19-yard line and the Wolverines gathered in the loose ball. Jal's mighty defense held the Wolves in check and forced them to give up the ball again. After another steady drive, Jal scored from the Wolverine 19 to make the score 44-0. Try for extra points was unsuccessful.

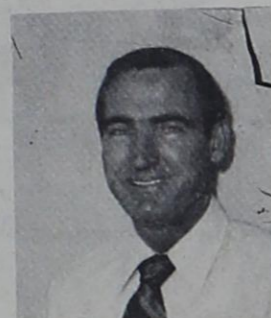

In the fourth stanza Texico fumbled a Jal kick and Jal recovered on the Wolverine 35 to start still another scoring drive. The six points was added on a plunge from the one-yard line making the count 50-0 and adding an extra point to make it 51-0.

During the remainder of this period Texico played good defensive ball until the final six seconds of play when the Panthers threw a long pass for another touchdown. Try for points after was no good, leaving the final score 57-0.

In commenting on the game, Coach Walters said that the Wolverines really played a tough team, noting that the Texico offense just couldn't get the ball moving. Randy Harrison, Wolverine halfback who usually averages picking up 100 yards per game, was hurt during the first half and did not play during the remainder of the game. The coach also commented that the defensive squad played good ball part of the time against the Panthers.

Next game for the Wolves is Friday (tonight) when they go to Tatum to face the Coyotes in a tilt to start at 8:30 p.m.

Texico Jr. Gridder's Skin Buffaloes, 30-6

Texico Jr. High gridder's played the Melrose Jr. Buffaloes last Saturday morning and shook up the Buff's 30-6.

Arthur Salguero, quarterback, put the first points on the board on a one yard run. Fullback Joe West added six more points in the third quarter when he carried from the three yard line.

With 1:50 left in the game, Steve Turner, Wolverine end, caught a pass from Salguero in the end zone from the 25 yard line to make the score 22-0. Turner also received a pass to add two extra points.

Melrose soon added some points of their own as the game was ending when a Buffalo broke away from the Wolverine defense and ran for 43 yards to make the score 22-6.

With seven seconds left in

the game, the Jr. Wolves scored again with Salguero running a keeper for 48 yards with great blocking from his teammates to cross the goal line once again. The extra point attempt was also good and the Wolverines won it 30-6.

Commenting on the game, Coach Kenneth Shaw said the Junior High played great ball and showed a great amount of team work against the Buffaloes.

Coach Shaw said the offensive squad did a good job running the ball and the defensive team held the Buffs scoreless until the last 30 seconds of the game.

The Jr. Wolves' next game is scheduled for Saturday, Oct. 27, when they meet the Tatum Jr. Coyotes at Wolverine field, at 10:00 a.m.

Hart Longhorns Gore Steers For 38-24 Victory

by Lynn Blankenship
Farwell Steers met "Mr. Defeat" once again Friday night, this time in Hart Longhorn Stadium where the Longhorns managed to emerge with a 38-24 victory.

In the first half of the game the Steers were all fired up and couldn't be stopped, dominating the statistics for the first two periods of play.

To open the game Hart kicked off to Farwell and on the first play, the Steers completed a pass good for 40 yards. On the next play at the Longhorn 25, a Steer pass was intercepted, but fine defensive play by the Steers forced Hart to punt. Gene Christian and Kie Watkins were instrumental in stopping Hart runners for two losses in the defensive effort.

Farwell was unable to gain a first down on their next possession and the ball went over to Hart. The Longhorns were again held and were soon forced to punt, this time sending the Steers all the way back to their own two-yard line to start a drive. On the first play, Mike Woods took the ball and ran 98 yards for a Steer touchdown. The kick for an extra point was good and Farwell had opened the scoring 7-0 with 5:07 remaining in the first quarter.

Following the Steer kickoff, Hart managed a successful drive culminating in a two-yard touchdown run on a fourth down try. Winfred Long stopped the runner for the would-be two-point conversion and the Steers remained in the lead 7-6 with 1:14 still to play in the first period.

Woods took the ensuing kick back to the Hart 25 as the first quarter ended. Farwell went to the Hart 18 before giving up the ball after a fourth down run failed. Kevin Hargrove nailed the runner for a loss on a third and 11 situation, so Hart punted again. Carl Kirkland took the ball on the Hart 45 and returned it to their 29. On fourth and four, Winfred Long made a well earned 23-yard run for another Steer touchdown. Hargrove's kick for extra point was successful and Farwell moved ahead 14-6 with 8:32 remaining in the first half. The Longhorns soon made amends after returning the

Steer kickoff to their own 49. On the first play from scrimmage, Jimmy Brown ran 52 yards for the second Hart TD. Brown's run for the two extra points was stopped and Farwell kept the lead 14-12 with 8:16 showing on the scoreboard clock.

A pass interception by Hart on the next series of plays gave them possession and also another TD for the second quarter. Brown again was the scorer as he moved in from the seven-yard line to make the score 18-14. This time the run for PAT was good and the Longhorns were in the lead 20-14.

Kirkland returned the kick to the Hart 41. Woods managed five yards, then an ineligible receiver penalty made it second and 16 and at this point Hart recovered a Woods fumble on the Farwell 43. Fine defensive work by the Steers made it third and seven and on a fourth down pass, Woods intercepted and Farwell started on their own 15. A Hargrove to Kent Armstrong pass was good to the Farwell 29 in this drive, but Farwell could not get the first down yardage and were forced to punt. Brown fumbled the ball and Woods pounced on it to give the Steers a first and 10 on the Hart 20. As the final moments of the half approached, the Steers were trying desperately for a score, but couldn't make the first down; so a field goal attempt was in order for Farwell. The ball was kicked from the seven-yard line by Hargrove and went through the uprights to give Farwell three points and make the score 20-17 in favor of Hart at the half.

In the third period Hart moved further ahead after a Longhorn recovered a Steer fumble on the Hart 41. A screen pass was good for 20 yards and six points, but the kick for extra point failed and the score stood 26-17 with 9:11 remaining in the third quarter.

Farwell took over on their own 33 and moved to the Hart 18 before they were held on downs. Hart managed to drive to the Farwell 11 after a roughing the kicker penalty, but Kirkland intercepted a pass and returned it out to the 25. Farwell moved out to the 45, but incompleting passes and

a 15-yard penalty put them back on the 30-yard line with a first and 25. The Steers were forced to punt out to the Hart 35 and from there the Longhorns started a drive that ended in a two-yard TD run to bring their score up to 32. The plus-two try failed.

The second Hart touchdown of the fourth quarter showed Brown running 63 yards for the tally, but the extra point attempt failed and the Longhorns went ahead 38-17.

The Steers' final TD drive started deep in Farwell territory with Kirkland picking up most of the distance on a 73-yard scamper all the way to the Longhorn two-yard line. Kirkland made a tremendous run aided by fine blocking all the way. Woods went in for the score and the kick for an extra point was good to end the scoring with 2:10 remaining in the ball game, leaving the final score Hart - 38, Farwell - 24.

"Friday's game was a tremendous offensive showing for both teams," commented Farwell Head Coach Toby Booth about the Farwell-Hart clash. "We just didn't stop Brown enough."

The coach continued by stating that the Farwell offensive showing was as good as it has been all year. "We rushed for nearly 500 yards with Mike Woods and 'Duke' Kirkland doing a tremendous job offensively," Booth said, adding, "It was really their best in kickoff

returns, punt returns and running."

The coach also commended the Farwell Steer line for an outstanding job of blocking and commented, "Kevin Hargrove's passing is much improved over what he had been doing. A good job." Teamed up with Hargrove in the passing department were Kent Armstrong and Kirkland, who hauled in "three or four passes each" and Kevin Hardage who took one pass, according to the coach.

Defensive players named by Coach Booth included Hargrove and Winfred Long who "played an outstanding game". The coach also commended Larry Sutton for doing "as good a job as he had seen defensively" and Kie Watkins who, according to Booth, "had the best game ever in his life."

"Overall we'd like to gripe but we can't. We just didn't play good enough. But no one can have seven 15 yard penalties and win. We had only one pass intercepted and one fumble," Booth stated. "But, we still just didn't stop Brown enough. No one else has been able to either though."

The coach concluded by stating, "We have as good a ball club as we have had in many a year. Our record just doesn't show it."

Longhorns Terminate Winning Streak

Jerry Dee Owen, Farwell seventh grade Yearling coach, made one comment concerning last Thursday's clash with the Hart Longhorns, "We have gone down in defeat and I am very unhappy with the game played."

The seventh grade gridders entered the clash with a season of 6-0 with only one team having scored against their outstanding defense. The Springlake-Earth Wolverines managed to gain access to the endzone during the previous week's action but were unable to down the Yearling.

Hart turned the tables on Farwell Thursday by holding the Yearlings to a scoreless four quarters of play to emerge victors by a 12-point margin and leave the yearlings with a record of 6-1 for the season.

Statistics for the last five Yearling clashes show that the junior gridders have accumulated 68 points to down four opponents and have allowed only 18 points to be scored against them. Statistics for the first two games of the season

were unobtainable from the Yearling coach. Bovina Mustangs Thursday, Oct. 25, at 5:30 p.m. in an attempt to retaliate the loss to Hart.

Letters To The Editor

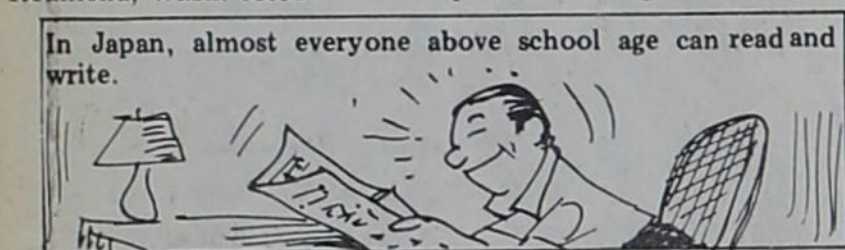

October 15, 1973
 Editor:
 As a student at Farwell's public schools for 12 years, I received what I consider to be a fairly well-rounded and useful education. However, there is one subject Farwell High School lacks, a foreign language. I believe that this course is very necessary.

Almost every major in the College of Liberal Arts requires a foreign language here at Texas A&M. Most of the students in my Czech class have had that or another language in high school, and they say it has helped.
 A foreign language would be useful even if a student didn't need it in college. The chances of encountering another language are increasing with expanding communication and travel. FHS should keep pace.
 A sign in our language department says, "A man who speaks two languages is worth two men." FHS should realize the importance of a language to her graduates and take the steps to provide one as soon as possible.

 Dear Sir:
 Please note our change of address and renew our subscription for another year.

Have been away from Farwell for eighteen years, but still enjoy the hometown paper. So please keep it coming. Sincerely yours,

Bovina Exes Plan Reunion

Bovina Ex-Students are planning a get-together following the Bovina-Olton football game on Friday, Nov. 2. The exes will meet in the school cafeteria after the game for pie and coffee.

Graduating classes in years ending in the number three will be honored and all ex-students and teachers are encouraged to attend.

HOSPITAL NOTES

Mrs. Billy Brigham of Farwell was dismissed from Clovis Memorial Hospital Tuesday, following minor surgery. She is reported to be doing fine.

Radney Robertson, son of Mr. and Mrs. Cotton Robertson of Farwell, was admitted to Clovis Memorial Hospital Monday, and his condition is reported as fair.

Wesley May, son of Mr. and Mrs. R.L. May of Farwell, is in Clovis Memorial Hospital with pneumonia. He is reported to be in fair condition.

Mrs. Juanita Mace of Farwell has been transferred from High Plains Baptist Hospital in Amarillo to Parmer County Community Hospital in Friona. Her condition is reported to be improved.

Todd Lingnau, son of Mr. and Mrs. Delbert Lingnau of Oklahoma Lane, was dismissed from Clovis Memorial Hospital Monday, and is doing fine.

Mrs. Hal (Carolyn) Helton underwent surgery Tuesday afternoon at Clovis Memorial Hospital. Family members report she is in good condition.

Fire Calls

Texico and Farwell fire units were kept busy Monday, Oct. 22, in the Twin City area.

Farwell Fire Department was called around noon to extinguish a trash fire behind Kelly Green Seed. At 4:20 p.m. the unit was called to put out a grass fire on Highway 60, and at 4:30 p.m. a grass fire was reported at the Oklahoma Lane underpass.

Texico Fire Department was called when a truck overturned on the Pleasant Hill highway spilling gasoline.

Sheriff's Report

The only report from Parmer County Sheriff Department this past week was an attempted break-in of the Piggly Wiggly store in Friona. Burglars were apparently frightened away after they had cut two large holes in the tin building with tin snips. The snips were left at the scene, according to the sheriff's office.

Farwell Hosts County Teachers

Approximately 200 members of the Parmer County Teachers Association met in the Farwell School cafeteria Monday evening, Oct. 22, for the Association's first meeting of the 1973-74 school year.

Teachers from Bovina, Farwell, Lazbuddie and Friona Schools were in attendance. Jim Noyes was elected to serve the group as president and presided at the meeting.

Guest speaker was Bob Kleck, a representative from the Texas State Teachers Association in Austin.

Farwell High School Chorus, under the direction of Lynn Burton, provided entertainment and the meal was prepared by the Farwell cafeteria personnel.

Portraying Area Homemakers

Ann Ledbetter, a relative newcomer to Texico, is our Area Homemaker for this week. A friendly, vivacious lady, Ann made her home at Portales for approximately 18 years prior to coming to Texico.

Ann is the mother of two children, Ricky and Debbie, both of Portales. One of her favorite pastimes is taking them out to eat.

Always one to enjoy sewing, Ann does custom sewing in her free time, which is limited since she is the owner and operator of Texico Variety Store.

Some of the most beautiful work done by Ann is her quilt piecing. She says this is an art which she learned at her mother's knee. She admits she hasn't tackled the job of quilting as yet, she leaves that to her mother.

Before going into business for herself, Ann took art lessons from LaWanda Colton of Portales. Mrs. Colton's husband is an art instructor at ENMU, but she is well-known in her own right. Ann has won several prizes for her paintings when she entered them in craft shows in Carlsbad.

She states that she has gone

through the phase of painting plaster figures, stretching bottles and other hobbies. She enjoys a good book as much as anything, and she has been known to write some poetry.

Since coming to Texico, Ann has joined the Chamber of Commerce and the Woman's Club. She is also a member of the Texico Baptist Church.

One of her son's favorite things to eat is her Buttermilk Pie, which our homemaker has agreed to share with our readers along with two more of her favorite recipes.

BUTTERMILK PIE

- 3 eggs
- 2 c. sugar
- 1 c. buttermilk
- 1/2 c. butter
- 1 tsp. vanilla
- 2 tsp. flour

Beat eggs together until lemon yellow, add other ingredients. Pour into unbaked pie shell. Cook in very slow oven until a knife inserted into center comes out clean.

JELLIED APPLES

- 1 1/2 c. sugar
- 2 c. water
- juice of one lemon

- 1 pkg. cinnamon hot's
- several drops red coloring
- 9 apples, peeled (core and halve)

Boil sugar, water, lemon juice and cinnamon candies for five minutes. Add the coloring. Cook the apples, a few at a time in this syrup and remove when tender. Drain. After the apples are cooked, continue to cook the syrup until it stays between the prongs of a fork. Skim off top. Pour a little syrup over each apple to glaze. Serve with a filling of cream cheese softened with cream and a few nuts.

BAKED PORK CHOPS

- 4 to 6 pork chops
- onion
- tomato
- green pepper
- black pepper
- 2 tsp. salt
- 2 1/2 cup boiling water
- uncooked rice

Sear pork chops until golden brown. Place in baking dish. Place one tablespoon uncooked rice on each pork chop, then one slice onion and one thick slice tomato, then a ring or strips of green pepper. Sprinkle with black pepper and salt. Add boiling water. Cover tightly and bake about 1 1/2 hours.

Rodeo'ers . . .

(Continued from Page 1)

Performances are scheduled to begin at 8 p.m. nightly and Saturday afternoon's performance will be staged at 2 o'clock.

Farwell club members planning to participate are Jesse Crocker, bareback bronc riding; Rudolph Sanchez, Ken Foster and Jack Foster, bull riding; Charles Christian and Conda Jones, ribbon roping; and Laura Doshier and Lori Norton, pole bending, goat tying and barrel racing.

The local club has passed a new by-law for membership eligibility which states students must have an overall C average to be eligible to rodeo. According to club sponsor Danny Ivy, the local branch of TSHSRA has ordered buckles and team trophies for the Farwell High School rodeo set March 28, 29 and 30, 1974.

PIECING QUILTS CAN BE FUN - says Ann Ledbetter of Texico, who learned the art from her mother. She says she has not tackled the job of quilting them as yet. Ann enjoys doing different kinds of "fancy work" in her limited spare time.

Lutherans Plan Special Service

St. John's Lutheran Church in Lariat will be celebrating Reformation Sunday at the 10:30 a.m. service Sunday, Oct. 28, according to Martin M. Platzer, pastor.

Reformation Sunday commemorates Martin Luther's posting of the 95 theses on the door of the Castle Church in Wittenburg, Germany, on October 31, 1517. Historians have referred to that as the beginning of the Reformation.

Today the Lutheran Church is the largest protestant church in the world and is the third largest Christian body in the world, ranking behind the Eastern Orthodox and the Roman Catholic Churches.

For the service at St. John's, "Celebrate", a new worship form, will be used, the choir will sing, and a new worship banner will be displayed.

 which may vary from 20 minutes to an hour or more, a child will work to erase a deficit in a learning channel or will learn to by-pass the channel, thus compensating for a problem which is too severe to remediate.

A child's disability may be the result of a visual, auditory or conceptual disorder. He may have visual-motor or motor coordination disorders. He may have receptive or expressive language disorders. Whatever his specific needs, special exercises will train the child to use his eyes, his ears, his hands, his body to see, to hear, and to move in patterns that will foster learning by opening learning channels which have been blocked. Plan A Supervisor for the county program is Miss Harriet Nichols of Friona. Charles Turner, formerly counselor for the schools of Farwell, Bovina and Lazbuddie, is now counselor for the Plan A program. The Farwell staff includes Mrs. Lillian Green, who teaches the

self-contained unit, and Mrs. Nelle Craig, L/LD resource teacher. Mrs. Rubie Craft serves as aide to the two teachers.
 A new member of the staff is Mrs. Elizabeth Peak from Friona. She is a speech therapist and will spend two and one-half days a week in Farwell, and will also work in Bovina schools.

ESA Sorority Makes Plans For Christmas Projects

Theta Rho Chapter of ESA met in the home of Alice Vinton Monday, Oct. 22, for a

Daughter Born To Ricky Stewarts

Mr. and Mrs. Ricky Stewart of Farwell are parents of a daughter born Sunday, Oct. 7, at 7:30 a.m. in the Friona hospital. The little girl, who has been named Misty, weighed 6 lbs., 4 ozs. and was 19 inches long. Misty has one brother, Jeffery, who is two years old.

Maternal grandparents are Mr. and Mrs. Tom Hensley of Toston, Mont., and paternal grandparents are Mr. and Mrs. Neil Stewart of Farwell.

Club Meets In Verner Home

Oklahoma Lane Variety Club met recently in the home of Mrs. Dora Verner. Members did handwork for the hostess. All members were present except Mrs. Corda Battey, who is ill in a hospital in Houston.

Refreshments were served to Mesdames Dexter Watkins, Gertrude Foster, Janie Sides, Alla Mae Bandy, Pearl Grissom and Lola Jean, Garner Briscoe and Cora McGuire. During the business meeting, plans were made for the club's Thanksgiving supper to be in the home of Alla Mae Bandy on Monday, Nov. 12.

Visit Son

Mr. and Mrs. Raymond Martin visited in Deming, N.M., during the weekend with their son and family, Mr. and Mrs. Jimmy Martin and children. Mrs. Martin reports that the foliage in the Ruidoso area was extremely beautiful at this time with many different shades of gold, red and orange showing profusely throughout that region. The Martins returned to Farwell Sunday evening.

business session. Main items of business included making final plans for the sorority's bazaar scheduled for November 4 and also planning for the organization's Christmas projects.

It was announced that the ESA State Council which met in Clovis last weekend had donated \$50 in memory of Jo Ann Liethen, a former Theta Rho member, to the Cystic Fibrosis Foundation.

Mrs. Vinton served refreshments of apple pie, coffee and soft drinks to Mesdames Patsy Berry, Nell Walling, Dot Deel, Maxine Williams, Faye Parr,

Dardanella Helton, Omata Scott, Lois Avara, Lillie Christian, Linda Gerles and LaMoin Williams.

Next meeting of the group will be November 12 in the home of Faye Parr.

Visit Mother

Mr. and Mrs. Van Crume of Albuquerque visited in the home of her mother, Mrs. Carrie Christian of Farwell, over the weekend. The Crumes' daughter Kera Lee had been visiting with her grandmother all week.

Vickie Gilliam Honored With Bridal Shower

Vickie Gilliam of Farwell, bride-elect of Palmer Hunker of Lubbock, was honored at a bridal shower Monday, Oct. 22, in the Community Room of Security State Bank. Hostesses for the event were Mesdames Gilbert Kaltwasser, Walter Kaltwasser, Hubert Gohlke, Ben Mesman, Lee Jones and Melborn Jones.

The serving table was decorated with a blue satin cloth covered with white lace. A five-tier candelabrum holding blue candles and entwined with blue and white flowers centered the table. Silver and crystal appointments were used to serve cake and coffee or spiced

tea. Approximately 25 guests attended and others unable to attend sent gifts.

Local Group Home From Eastern Tour

Mr. and Mrs. Johnny McDonald, Mrs. Carrie Christian and Mrs. Reatha Belle Grissom, all of Farwell, returned last week from a three-week tour to Canada and portions of Eastern United States.

They were among 28 persons taking the "Foliage Tour," sponsored by Continental Bus Lines. The group went from Amarillo to Niagara Falls, to Montreal and Quebec, then back to New York City and down the Eastern seaboard.

The group enjoyed seeing many points of interest including Mt. Vernon, the Statue of Liberty and the Capitol building in Washington, D.C., and Niagara Falls.

The tourists traveled through 20 states and two provinces of Canada, and according to Carrie Christian, it was a most delightful trip. Everyone was congenial and happy and the foliage was absolutely beautiful.

Farwell 4-H Plans Party

Farwell 4-H Club members met after school Tuesday afternoon, Oct. 23, at the Farwell Junior High School library.

The meeting was called to order by Peggy White, president. David Deel led the group in the Pledge of Allegiance and Ruth Anne Whitesides led the 4-H Motto.

A photography project was discussed at the meeting as well as plans for a Halloween party. The party will be Friday (today) from 4:30 until 6:30 p.m. at the Farwell skating rink.

New members present were Coroll Goldsmith, Michael Bolling and Kathy Dannheim. Randy Gerles was elected parliamentarian.

Refreshments were served by Mrs. R.J. Sandvick to the 20 members, one parent sponsor and County Home Demonstration Agent Jana Pronger.

ANNOUNCE ENGAGEMENT - Mr. and Mrs. Carlos McLeod of Plainview announce the engagement and approaching marriage of their daughter, Ann, to Roddy Pearce, son of Mr. and Mrs. L. A. "Buddy" Pearce of Texico. The couple plans to be married Dec. 27 at 7:30 p.m. at First Baptist Church in Plainview. Miss McLeod will graduate from Wayland Baptist College, Plainview, at the end of this fall semester with a bachelor of arts degree in elementary education. Pearce teaches history and is junior high coach at Aztec, N.M. He graduated from Texico High School and Wayland Baptist College.

Pleasant Hill Women's Club Makes Flowers

Pleasant Hill Woman's Club met Thursday morning, Oct. 18, at the Community Building. Program for the day was the making of flowers from dried bois d'arc apples, demonstrated by Delores Eichenburger.

Vice-president Lueta Clark was in charge of the meeting and hostesses were Gladys Pierce and Thelma Eskew.

Members present were Mon-

ty Baldrige, Nancy Barnes, Nora Bocox, Marianne Brunson, Rozeltha Clark, Lueta Clark, Delores Eichenburger, Thelma Eskew, Mary Lou Jesko, Helen Kelley, Velma Kelley, Ogetha Langford, Alice Pierce, Gladys Pierce, Diane Porter, Jo Mae Priest, Peggy Singletary and Paralee Webb. The next meeting will be Nov. 1, when the program will be on how to make fur tissue covers and candleholders from bottles.

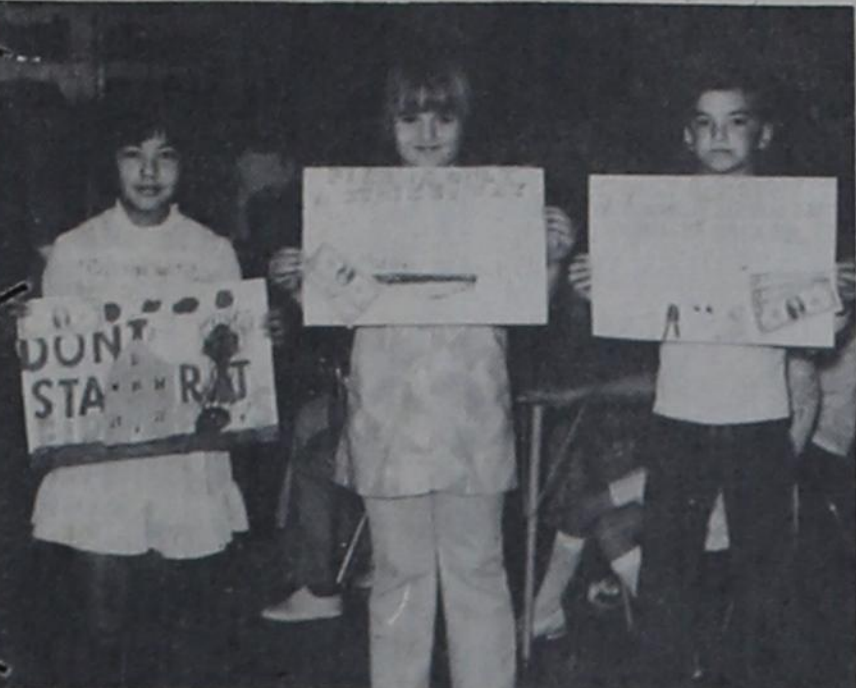

Surprise Coffee Fetes Mrs. Gertrude Foster

Mrs. Gertrude Foster was honored with a surprise birthday coffee Tuesday, Oct. 23, when friends and relatives gathered at a local restaurant in observance of the occasion.

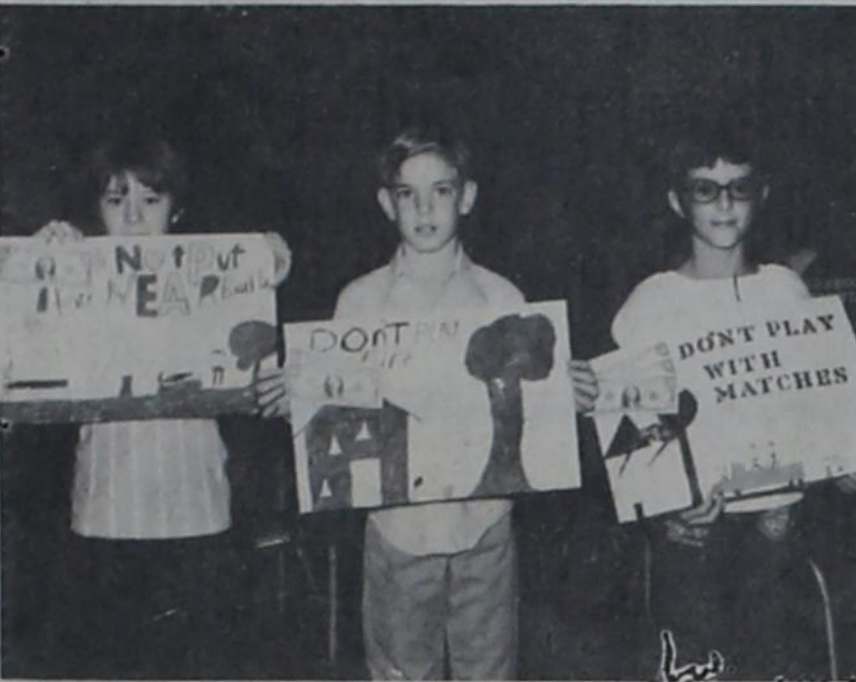

Among those present were Mrs. Foster's daughters, Georgie Foster, Marcia Bell and Barbara Trimble; granddaughter, Celia Trimble; and great-granddaughter, Kelley Foster. Others attending were Mrs. L.R. Vincent, Mayme Demp-

ster, Mona Coburn, Faye Ford, Ophell McDonald, Nina Glasscock, Reatha B. Grissom, Aileen Teel, Virginia Perry, Lantie Martin, Alvenia Cox and Carrie Christian.

Fire Prevention Poster Contest Winners Named

Approximately 149 students from the Farwell third, fourth and fifth grade classes were entered last week in fire prevention poster competition sponsored by the Farwell Fire Department. The contest was held in conjunction with National Fire Prevention Week and the posters entered depicted various means of fire prevention for home and community.

Prizes of \$3, \$2, and \$1 for first, second and third places, respectively, were awarded to the top three places in each class division. Presentation of the awards was made by Farwell Fire Chief Lee Hutchins during separate class assemblies called Friday morning, Oct. 19.

Posters of various sizes were constructed by the students of many different materials and gave such warnings as "Check the wires that start the fires," "Fire is only a strike away" and "Never throw aerosol cans in burning trash."

Winners in the third grade division were first, Gary Haseloff; second, Jennifer Stancell; and third, Veronica Andrade. Fourth grade winners were Teresa Williams, first; Matthew Meeks, second; and Cherry Pierce, third; with fifth grade division prizes going to Diann McKillip for first; John Scott, second; and Robin Ennen, third.

SWCD Offers Farmers Conservation Program

Parmer County Soil and Water Conservation District wants Parmer County farmers to know there is technical help available for conservation problems.

The new farm program will have farmers making new and different plans for their cropping systems, say SWCD officials.

Some farmers plan to "break out" additional land. Technical

help is available to farmers on irrigation problems, erosion problems, and other conservation and environmental problems.

The Soil Conservation Service in Friona has a competent staff of technicians and would like to encourage Parmer County farmers to request assistance for problems they may encounter farming the increased acreages called for under the new farm program.

THE APOSTLE OF THE NATIONS

Not Matthew, Mark or Luke; not Peter, James or John, but Paul alone wrote by divine inspiration:

"FOR I SPEAK TO YOU GENTILES (or, OF THE NATIONS) INASMUCH AS I AM THE APOSTLE OF THE GENTILES (NATIONS): I MAGNIFY MINE OFFICE" (Rom. 11:13).

Note well that Paul did not magnify himself, but his office, to which he had been appointed by the glorified Lord Himself. In defending his apostleship before the Galatians he wrote:

"But I certify you, brethren, that the gospel which was preached of me is not after man."

"For I neither received it of man, neither was I taught it, but by the revelation of Jesus Christ" (Gal. 1:11,12).

In many other passages the apostle claims to speak as a direct representative of Christ (See I Cor. 11:23; 15:3; Eph. 3:2,3; I Thess. 4:15; etc.) To Timothy, Paul wrote concern-

Hart Slows Momentum Of Farwell JV

Farwell Jr. Varsity came alive to put the only points against the Hart Longhorns on the scoreboard during one of the three scheduled clashes which took place in Steer Stadium Thursday, Oct. 18.

Hart was able to hold the 7th and 8th grade Yearlings to scoreless games but were unable to stifle the Jr. Varsity as they racked up 14 points against Hart's 27.

First touchdown for the Jr. Varsity resulted from an end run by Mike Goettsch. Point after touchdown attempt was no good and the Steers continued play with six points to their credit showing on the scoreboard.

Quarterback Goettsch connected with Brad Jones on a 30 yard pass play for the second Steer TD of the night. Travis Bibbs was credited with running the PAT over for two to give Farwell a total of 14 points.

Hart was able to defy the Farwell defense for 27 points

during the action to down the Steers by a 13 point margin. The defeat by the Longhorns put another mark in the loss column for the Jr. Varsity to give them a season record of 1-4-1.

"Our offense was pretty good but on defense our secondary wasn't as good as it should have been," commented Jr. Varsity coach Don Alana, who continued, "This week we should do better. During the Hart clash we had five players

out with minor injuries but they should all be back in action this week.

David Cantu, Mike Goettsch and Brad Jones were named by the coach as outstanding players for their performances during the tilt with the Longhorns.

Farwell Jr. Varsity was to play host to the Bovina Mustangs Thursday, Oct. 25, in action scheduled to begin immediately following the 8th grade Yearling-Bovina game.

Hart 8th Slams Yearlings

The Hart Longhorn 8th grade team invaded Yearling territory last Thursday and downed the Farwell 8th Grade Yearlings 22-0.

During the first quarter of action, Hart entered the endzone to pull out into the lead. With six seconds remaining in the half, Hart once again crossed the goal line with their PAT being good to widen their lead to 14-0.

Farwell held the Longhorns scoreless during the third quarter but a Hart rally in the fourth sent another Longhorn through the Yearling defense for another six points. PAT for Hart was good and the scoreboard then read Hart 22, Farwell 0. Time elapsed with both teams unable to reach the endzone to put any more points on the scoreboard.

Eighth grade Yearling coach Larry McDorman commented, "We played a good game in spots but the Hart team was tough. They're just a good team."

Outstanding defensive men named by Coach McDorman were David Geuther and Rich-

ard Yruegas with offensive player Vick Christian commended for "doing a good job of catching the ball."

Following Thursday's defeat, gridiron statistics for the Yearlings indicate they have three wins and four losses to their credit with their blood rivals, the Bovina Mustangs, listed next on their agenda. According to Coach McDorman, the Yearlings will be "up for this game" and looking for a victory. Play will begin immediately after the 7th grade clash with Bovina scheduled for 5:30 p.m. in Steer Stadium.

Steers Of The Week

CARL KIRKLAND

KIE WATKINS

MIKE WOODS

Outstanding defensive player named by Farwell Head Coach Toby Booth was Kie Watkins with offensive players 'Duke' Kirkland and Mike Woods commended for their performances against the Hart Longhorns last Friday. According to Booth, "Watkins played the best game ever in his life". In commenting on Kirkland and Woods, the Coach remarked, "Woods and Duke did a tremendous job offensively and they did their best in running."

IT'S BEAT BOVINA TIME

Texico Clashes With Tatum Coyotes Friday

Texico's Wolverines will travel to Tatum for a clash with the Coyotes tonight (Friday). Kickoff time is 8:30 p.m. (CDST).

According to Texico Head Coach Bucky Walters, the

Coyotes are a good sized ball club. He notes that their speed is fair and they also have a big fullback and a big tackle. "We played them before in a pre-season scrimmage and tied them 0-0," said Walters, commenting that "we played a stronger game than the Coyotes and we hit harder."

"Hagerman has also beat Tatum 27-0 earlier in the season," Coach Walters said.

Wolverine halfback Randy Harrison who has been averaging over 100 yards per game will not play against Tatum because of an injury suffered in the loss to Jal last Friday night. According to Coach Walters, Eugene Wallace will probably fill Harrison's slot at the halfback position.

Coach Walters added that no other changes are likely to be made in either defensive or offensive lineups for tonight's action.

The coach urges all Wolverine supporters to go out and support the Green and White.
